#### The Sacred Bundle

When a famous relic of the Gros Ventre Indians of North Dakota, called the "sacred bundle", was equired by white men in 1907 for the New York Museum of the American Indian, a severe drouth which followed was blamed by the tribe on the loss of their good luck bundle, said to contain the skulls of two Indian deities.

Nothing was done about it, however, until after the disastrous drouths of a few years ago, when steps were taken to recover the relic. Finally the tribe traded for the bundle a sacred buffalo medicine horn, said to be nearly 200 years old.

This year an excess of rainfall has wrought claration of fundamental good neighbor policy is destruction to the Indians' crops, and some of them comphasized in a practical manner as the United favor getting rid of the bundle again. Recently one ington, saying:

"I would like to suggest that the Indians be induced to return this 'sacred bundle' to the mu-Admiral Emory S. Land, chairman of the Com- seum in New York, and let the white man control

10 and 15 years ago?

(Taken From the Files of the Haskell Free Press)

10 Years Ago-Sept. 27, 1938 Marvin Mathison of Stamford has been transferred to Haskell as production manager of the Haskell Gas Company, and entered upon his new duties this week.

The Farm Bureau Gin has been completed and placed in readiness for ginning their share of this year's cotton crop, according to A. Bynum, manager.

The election contest recently filed by Al Cousins, sheriff, contestin the recent primary, was dismisstd this week at the request of Mr.

Henry Wilson left last week for Sherman College, Austin, where he will enroll for the current term. On last Friday afternoon at 4:30 clock the cittzenship of Haskell was well represented at a celebration staged at the end of Houston street, when the last brick was laid in completing the city's pav-ing program for this year. For the first time in history, the Haskell Municipal Band marched from the public square to the city limits on a paved street. Mayor T. C. Cahill and Rev. G. Robt. Forrester, Christian minister, were speakers on a brief program arranged for the

H. J. Hambleton and Oliver William were in Sweetwater Saturday attending the convention of the West Texas Master Plumbers Association.

The North Ward PTA has elected the following officers for this year: President, Mrs. Theodore CITATION BY PUBLICATION C. Couch; second vice president, THE STATE OF TEXAS. Mrs. M. B. Watson; third vice president, Mrs. B. M. Whiteker; reof Haskell County, Greeting: cording secretary, Mrs. Elizabeth

## From a rust-proof tank Guaranteed for 20 Years!

RUST...that destructive enemy of metal...eats the very heart (the tank) out of many water heaters in certain localities within a few years. Its ravages have been costly. It dirties and discolors the home's hot water supply. It cripples the efficiency of a heater. It sends each year thousands of otherwise good water heaters to the junk heap.

But no more will rust cause such widespread damage to automatic gas water heaters because Ruud now equips its newest model with tank of silvery MONELthe metal developed by science to resist rust!

For twenty years of clean hot water service automatically controlled go modern with Ruud. See them today!
