PRETTY POSTMAN

MISS KAY SHERMAN drops a letter into the post office drop-box in downtown Olton. Olton now boasts two such boxes—one in front of the post office and one located in north Olton. This pretty high school girl only this week was chosen sweetheart of the Olton Lions Club.

Strains Of The Old Feudin' Song Haunt OHS As Mustangs Gird For Littlefield

"Oh, the Martins and the Coys, they were reckless mountain boys." Strains of this old backwoods war chant have been heard this week in Olton and Littlefield as the two volatile teams prepare to renew the annual Lamb County football feud.

The fracas, unofficially dubbed the "Lamb County Championship," has a record of shocking upsets, sparkling play, and grim determination. Olton has dominated the rib rocking spectacle since 1948; the larger school from the county seat being able to manage only a 12-12 tie during that period. That tie game was last year, and Coach Gene Mayfield's fine Littlefield crew had to score on the last play of the game to stave off defeat. Littlefield reeled back from that upset punch to advance to the State AAA Semi-Finals before being knocked off by Champion Garland, 28-2.

Coaches Joe Turner, Jeff Smart and Jimmy Goss' Mustangs face this game as a decided underdog, dropping games to Abernathy and Floydada thus far. The monumental rebuilding task facing the Olton coaching trio this season has been dealt a crippling blow due to injuries to key personnel.

However, the Mustangs def-

OHS Band To March Monday

All 76 members of the Olton Mustang Band will march Monday in the "Parade of Bands" opening the Panhandle-South Plains Fair in Lubbock.

School Supt. Noel Johnson announces that school will dismiss at 2:00 p. m. that day, since Monday is area school day at the fair. Busses will make their regular runs at 2:00 p. m.

First and second-place trophies will be awarded to two of the 20-some-odd high school bands participating in the parade.

The Olton bandsters will leave the school grounds at 8:30 a. m. in order to begin the parade at 10:00 a. m.

Fred Stockdale is band director.

nitely do not plan to lie down in this game. Team spirit is good, despite injuries and the two games lost.

Although the luster of the game may be a bit dimmed by both team's won-lost record thus

far, it is still the game of games for all the feudin', fightin', Lamb County cousins.

Spirit and rivalry are keen; a new star could be added to the already brilliant Olton gridiron galaxy of bygone days.

"I AM A LOWLY FRESHMAN . . ."

MISS MARTY SINGLEBERRY is all packed and ready to go to WT at Canyon as a freshman. Of course she's using her high school graduation gift: brand new luggage. Marty left Sunday for WT and is rooming with Essie Sluder, another Olton freshman. Marty is the daughter of Mr. and Mrs. Glen Singleberry. (Staff Photo)

Olton Police Force Hires Third Officer

A former Oklahoma lawman has been employed on the Olton police force.

He is A. M. Camp, 62 years old, formerly a deputy sheriff for four years at Guymon, Okla.

Police Chief Vernie Head said Camp will be used on school patrol until the fall rush starts here and then he will be used as a full-time patrolman.

Emmett Burrow will remain as night officer, Chief Head reported.

Good Crowd Attends TRF FD Affair

More than 2,000 persons attended the first annual field day at the Texas Research Foundation at Halfway Wednesday.

Harold Janeway, with the foundation, said the tours moved smoothly throughout the afternoon. He praised the Men's Club of Halfway for the assistance they gave in the operation.

Members of the club acted as guides, ushers and then helped serve barbecue to the crowd. The number of the gathering exceeded even the fondest hopes of the TRF officials. This was attested when the barbecue played out before the chow line did.

Stanley Huckabee Hurt While Playing

Stanley Huckabee, son of Mr. and Mrs. Bud Huckabee, had 11 stitches taken on the back of his head Wednesday as the result of an accident while playing.

Survivors include the parents, Mr. and Mrs. Floyd Howard of Olton; a brother, Melvin D. Howard of Hereford; a sister, Miss

Stanley was playing with other neighborhood boys after school and was hit by a stick bouncing off a cardboard target. He returned to school Thursday.

E. S. Howard Dies Of Auto Injuries; Services Set For Saturday Afternoon

Elvin Samuel Howard, 23 years old, died at 7:45 o'clock Thursday morning as an aftermath of an accident a week ago Wednesday morning.

Young Howard died as a result of complications from injuries suffered in the accident which occurred in the early morning hours Wednesday of last week about a mile west of Circle.

Mr. Howard apparently lost control of his car and it overturned twice. He was thrown clear of the wrecked vehicle and lay for several hours by the road before the accident was discovered.

Funeral services will be held at 2:30 o'clock Saturday afternoon in Olton Baptist Church. Officiating will be Rev. Hansell Byars, pastor of the Olton Pentacostal Baptist Church. He will be assisted by Rev. Cecil Jenkins and Rev. Sam O'Toole.

Burial will be in Olton Cemetery under direction of Wood-Mitchell Funeral Home of Plainview.

Mr. Howard was born Jan. 16, 1934 at Olton. He lived all his life here and attended Olton High School.

Survivors include the parents, Mr. and Mrs. Floyd Howard of Olton; a brother, Melvin D. Howard of Hereford; a sister, Miss

Ruthie Lucille Howard, Olton; a grandfather, L. L. Howard of Rockport; and a grandmother, Mrs. W. J. Williams of Levelland.

The body will be brought to the Howard home three miles southeast of Olton at 2 o'clock Friday afternoon and will lie in state until time for the services.

High School Principal J. A. Williams announces the following rules and urgently requests that they be followed:

1. Fee for parking a car inside the football field is 50 cents.

2. ONLY the big gate on the west side will admit cars for inside parking.

3. Cars will be admitted ONLY between 5:30 and 6:00 p. m. the afternoon of a game, except in emergency cases.

4. Parking fee will be paid at the big gate.

5. Football tickets may be purchased ONLY at the ticket booths, and not at the car gate.

Cooperation of all patrons concerning the parking of cars on the football field prior to a home game is being sought by school officials.

Barrows will be entered by Gerry George, Lonnie Miller, David Morrison, Joe Riney, Carl Nafzger, T. J. Smith and Dewey Hukill.

Lambs will be entered by J. Curtis Hall, John Lynn Burrow, Roy Neal Jones, John Paul Jones, Houston Hamby and Darryl Dennis.

Hubert Waldrop, Bob Ball and Paul Elliott have harvested grain this week.

Hubert Waldrop weighed in a 12,000-pound load of Martin at Ben F. Smith Grain Company at 2:30 o'clock Monday afternoon. The grain was cut by William DeBerry.

Louie Mack Hardy, elevator manager, said it was of excellent quality and tested 14 percent. Mr. Hardy said he believes that it will be the first of the month before an appreciable amount of grain is harvested, however.

Paul Elliott brought in the first load of grain to Jarvis-Paris-Murphy Grain Company—successor to Olton Grain Company in northwest Olton. The load weighed approximately 12,500 pounds.

Charles Stewart also has been cutting some grain this week. Bob Ball harvested 16,000 pounds. The grain belonged to Garner Ball and was taken to Roy Burrus Elevator at Hart.

Combines Roll As First Loads Of Grain Arrive At Local Elevators

Harry Thomas brought in the first bale of cotton for the season—his second first bale in as many seasons.

Thus, Olton's harvest was officially opened as first loads of grain also rolled across elevator scales here and at Hart.

Harry brought in 1830 pounds of seed cotton and got 465 pounds of lint cotton from it.

The pulling was completed about 4:30 o'clock Tuesday afternoon and the cotton was weighed in at 5 o'clock at Smith Gin Company.

Mr. Thomas said some 15 hands started pulling cotton about 10:30 o'clock on Tuesday morning. He agreed to pay \$4.00 per hundred for the first bale.

Mr. Thomas said his cotton was planted May 25. It was watered one time and that about the middle of June.

This year's first bale was almost a month later than Olton's first bale last season. Mr. Thomas brought in 1670 pounds of seed cotton August 23 of last year and it ginned out a 470-pound bale. That cotton, however, had been planted on April 23.

Floydada Puts On Aerial Display To Humble Olton Mustangs Friday

Floydada's dazzling doubling aerial circus ripped to a surprising 41-6 rout of the Olton Mustangs here last Friday night. It was a revenge game as Olton won 32-13 last year.

The Whirlwinds, riding the stout right arm of tailback Ronnie Downing, had to come from behind after a "Wind fumble" on their own 23 set up the locals score. Fullback Arno Hall blasted over left guard from three yards out to give the Mustangs a short-lived 6-0 advantage.

The rain storm subsided late in the first period, and Floydada lost little time taking to the air-planes when Downing hit End Bill Patterson for a 23-yard pass play to knot the count. Halfback Gary Huckaby converted to give the Whirlwinds a 7-6 lead. Downing passed to Huckaby for 20 yards for another score late in the second canto to give the visitors a 14-6 bulge at halftime.

Floydada scored three times in the third period, one on a 10-yard smash by Fullback Grant Cooper, and seconds later he nabbed an airborne Mustang fumble and scampered 35 yards to score. "Wind End Buttons Beedy" returned an intercepted pass 50 yards to make the score 34-6 just as the disastrous third quarter ended.

Floydada regulars kept the pressure on and tallied once more in the fourth on a 50-yard screen pass play to wrap up the scoring for the night at 41-6.

Olton Lad Is Named To FFA Office

Jerry Moore was named secretary of the Littlefield District of the Future Farmers of America Tuesday at a meeting of the FFA district held at Amherst.

Jerry Moore and Darryl Dennis were Olton delegates.

SWEETHEART OF FFA

MARTHA HYMAN, a pretty green-eyed blonde, was elected FFA Sweetheart for 1957-58 last week. Jerry Moore is president. Martha, a senior, is a member of the National Honor Society and the choir. She reigned as queen in the Lions Club beauty contest last spring. She was elected most popular girl her junior year, secretary of her sophomore class, and has been a member of FHA and the band. She is the daughter of Mr. and Mrs. Elbert Hyman. As FFA Sweetheart, Martha will compete with about 15 other girls for the title of district sweetheart. She will make the awards at the Olton FFA Stock Show next February, and will keep a scrapbook on all club activities for this year. Martha succeeds Alisse Smith, who was last year's FFA sweetheart. Traffic Lights, Fence Installed

Olton city, school and civic officials have made two important improvements to insure the safety of students during the past week.

Olton Lions Club has just completed a 300-foot restraining Cyclone fence between Avenue G and the bus loading zone in front of the elementary school building.

The city also has installed two, three-way lights on Avenue G at 8th and 9th streets, and a blinker light on 9th street intersection.

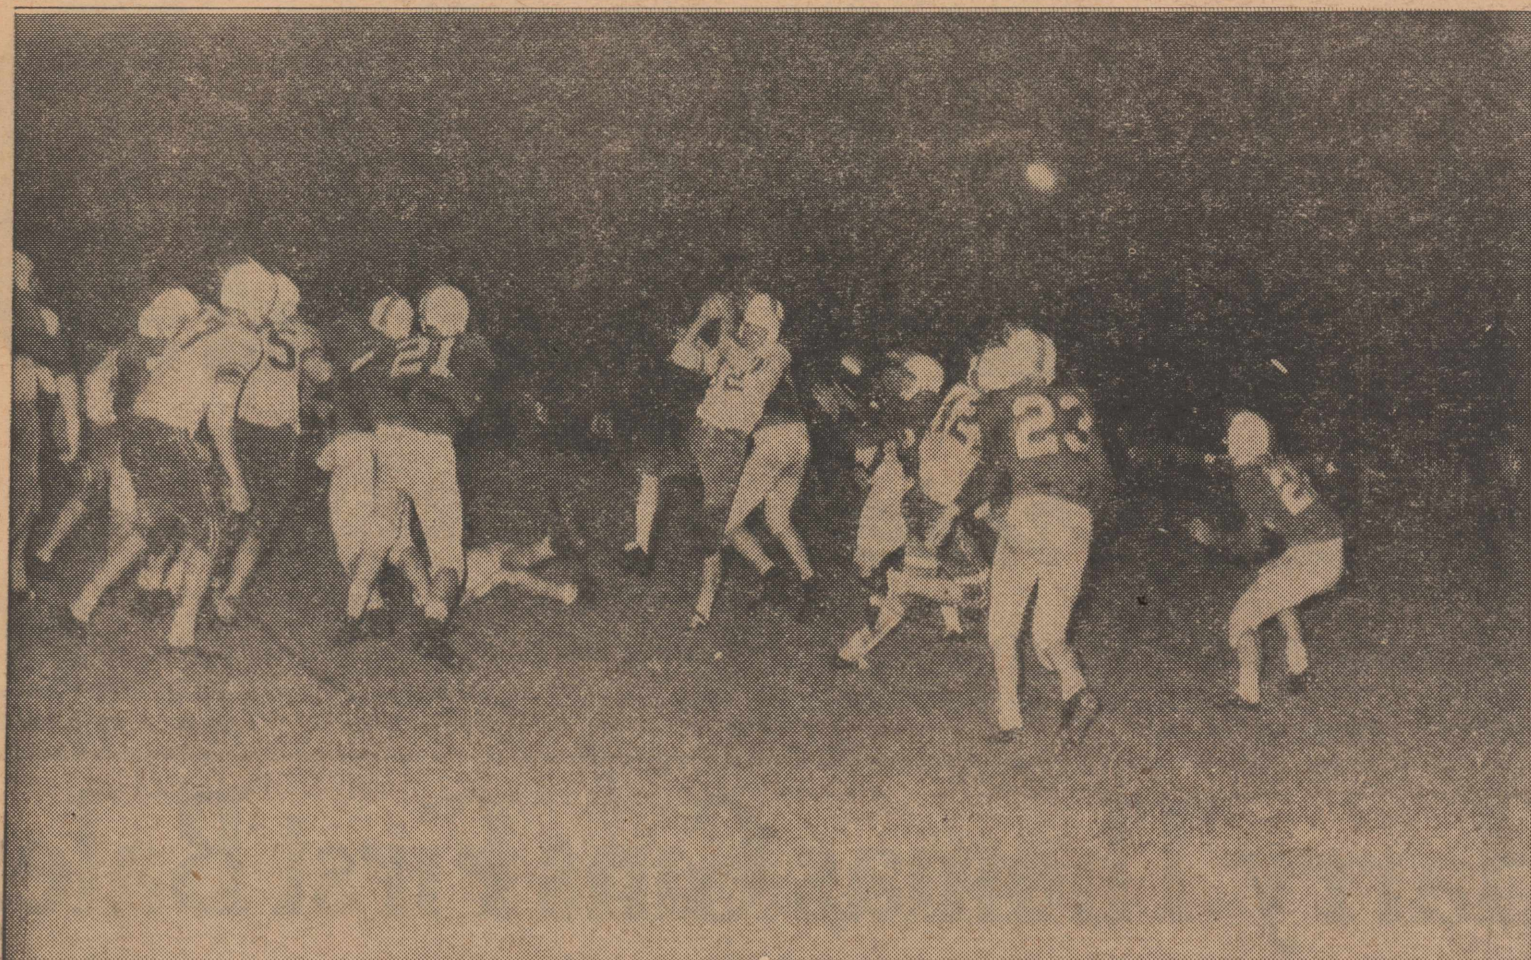

Paint Interior Of Cub Scout House

Interior painting of the Cub Scout House was done last week-end by several cub parents and den mothers.

Assisting Mrs. Howard Hall with the work were Mr. and Mrs. Butch Dellis, and Messdames Fred Thompson, Bill Kemp, Melvin Hines, Milton Hines and Dorothy Sopher.

The cabinets, woodwork and walls were painted a skylight gold, and all windows were cleaned and washed.

All summer long I've been wishing Husband and I could go to Buffalo Lakes. (Never been to the one at Umbarger and, only once when I was REAL young at the Lubbock lake!) Been hearing so much about water skiing, boating and picnicking there—seems so many

Oltonites go there—that I have about decided you are not "ANY-ONE" if you can't boast of going to Buffalo Lakes now and then.

When finally Husband and I did plan a trip there—what would happen but that I would get sick!

Oh well, there will be brighter days tomorrow—and who knows maybe a trip to Buffalo Lakes when it's too cold to enjoy it!!!

Next, after the pool, Mrs. Melton says a club house will be built—and all Olton clubs will be free to use it for all meetings. (Still wish we just-setting-up-housekeeping marrieds could be junior members!)

We'd also like to hear your ideas about the new feature—hope you enjoy it. (As a very inexperienced hand at cooking, I think will be helpful for me!)

"But wait a minute, Donald. Every one of those you have mentioned is an older person!" said mother.

"Well," replied Donald, "they're the only ones that ever seem to have any money."

I'm so thankful for the traffic lights on the school corners. Gives one so much more peace of mind and confidence in driving by the school.

And the fence the Lions installed is like a bonus in that respect. You're fairly sure no children are going to dart out in the middle of the block, now.

This sort of interest in our off-springs' welfare is, to me, AMERICA. It's the type of thing so typically depicted on calendars—a wholesome replica of our kind of life. I like it, and I'm proud of it.

Aren't you?

Frankie (Mrs. Tom) Carlisle tells this one on a Small Friend of hers in another town:
He was being reprimanded for misbehavior, and very exasperatedly retorted:
"Oh, Germs and Jesus! That's all I ever hear! And I never have seen either one of them!"
(Daddy, thought you'd get a kick out of that.)

Back to the subject of school, noticed some statistics from the Texas Education Agency. They say that in 1955-56, 3 out of every 100 Texas school children were injured at school, en route to and from school, or at a school-sponsored activity.

They go on: "Most of the injuries occurred in athletic or recreational activities. 37% in organized baseball, football and basketball. 21% from scuffling and running together. 9% from playground apparatus."
Very interesting.

Especially that 37%. Could it be that what we call "sports" are a sort of modified massacre? Are we using poor judgment to encourage and promote activities with such a high "accident" rate?

Of course, these are very unpopular things to say right in the middle of football season. I was just wondering.

Read an article on the fly—the COMMON HOUSEFLY—other day that was downright sickening and revolting.

It made the encephalitis-bearing mosquito look little, compared to its transmission of disease.

Have always felt we weren't particular enough about the fly—that is, particular enough about

disposing of food which has already been sampled by the fly.

And this article convinced me. Actually, the details are too repulsive to even reiterate, but I still have the article, and will be glad to share it with anyone interested. It'll make a believer out of you!

Texas, it seems, is always placed way down on the list when a rating of educational facilities for the United States is made.

However, on the bright side, it happens that Texas has 7,400 public schools, while New York, with nearly twice Texas' population, has only 5,436.

Texas has 53 senior and junior colleges under state control and support; New York has 30.

So there! That may be something of a boost!

It's a struggle, but they're getting ahead. I doubt any of us realize the INTANGIBLE (to say nothing of the VISIBLE) good a C of C can do for a town, specially our town. Any place that has had one for a while could fill in there a bit. Don't shrug this move off. Find out what YOU can do!

To answer a standard question these days ("How are you getting along in your 'home away from home'?):

Just fine! The children love going to work with Daddy, and seeing so much more of him than usual.

Daddy loves having them (except when he's trying to sell an ad in the office or talking long-distance).

And Mommy loves working at the office AND having her family with her all at the same time. Just couldn't be better!

"MUSTANG TALE"

BY GAYLE McANALLY

"Look this way just a little more, there; now smile your best" . . . this was the statement of the day as Olton youth smiled for the "birdie." Of course, this could only mean that it was picture-taking-time in OHS again. Latrell Stewart, editor of the 1957-58 annual, directed the busy activities. Helping her were various members of the annual staff.

If anyone has news, please put it in locker number 221. This locker is by Coach Smart's room. Just write the info and I'll take it from there.

Plainview was invaded by Olton youth Sunday afternoon. Some youth invading were Bruce Woods and a gang of boys; and Elmer Houston, Houston Hamby, Dewey Hukill and Jerry Moore.

Saw several people "on the town" Sunday night. Among these were Judy Ogletree and Terry Don Allen.

Maenette Dennis and Lonnie King; Sharron Dennis and Houston Hamby; and Koenia Schenck and Freddie Gordon were a few of the daters Saturday night.

Who were the out-of-town girls that walked some Olton football players off the field on Friday night?

The rumor is, that several Olton boys have out-of-town girl friends. Hmmm.

Barbara Gray, what does bang-bang mean to you? Huh?

Gerald McAnally was home from McMurry College last weekend.

Olton's offering to the colleges have left; the last ones on Sunday. Olton and several OHS boys and girls will miss them.

Congrats to all of the girls sporting lovely engagement rings.

Well, here is the tail end to the Mustang Tale. Until next week; (Let's hope this will be better than) BEAT LITTLEFIELD!

Band Will Play In Town Saturday

Adding spirit to next Saturday's Appreciation Day will be the Mustang Band.

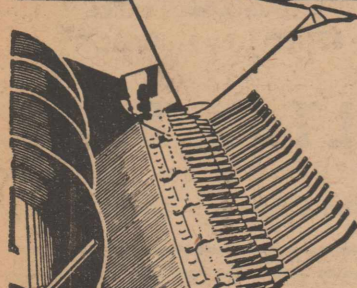

The bandsters will play on the hospital square, beginning shortly before drawing time Saturday afternoon. Fred Stockdale, director, says they will probably do some marching, too.

MACHINE IN USE

Fred Stockdale, OHS band and choir director, announces that the photostatic machine and bassoon, which are both projects of the Band Boosters this year, have arrived and are now in use.

I WANT TO GO A-WANDERIN'

"Goin' my way?" Scotty Fluss, 22-year-old classmate of Gene Spain, is thumbing his way to Mexico and back in a week. He wears a red-green-blue plaid kilt of the ancient Robertson clan. It is about 25 years old. The leather pouch around his waist is a sporran, formerly used for porridge, but now serving as a billfold for the skirt-clad traveler.

Hitch-Hiking Scot Student Visits Here Enroute Round Trip To Mexico

Aye—and twas a bit o' bonnie Scotland that graced our grounds that day—

Scotty Fluss, sporting a red and green kilt and a knapsack on his back, is hitch-hiking to Mexico and back to Madison, Wis., this week, and here's a bet the natives down south get as much "atmosphere of Scotland" as he gets "atmosphere of Mexico."

The 22-year-old twinkling-eyed Scot is a classmate of Olton's Gene Spain at the University of Wisconsin. Both are working on their PHD's in agronomy.

Scotty came to Olton with Gene and another friend, Arthur Berg of New Deal. They arrived Wednesday night, and Thursday morning, they were packing Scotty off to Lubbock where he planned to hit the road for Mexico, via "the thumb."

But Scotty's a veteran of hitch-hiking. He has traveled Europe by that means four times, traveling in almost every western European country. His father exports office goods to the Scandinavian area, and Scotty takes advantage of his "contacts" in various countries while touring.

"I always wanted to see Paris in the springtime," he smiles, "so last Easter I hitch-hiked from London to Paris for a week." Of course he speaks French, German and some Swedish, in

Drivers Asked To Observe School Bus Law

School Supt. Noel Johnson has issued a statement in an effort to acquaint drivers with the Texas school bus law.

The law says in effect, that upon meeting or overtaking a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver of any vehicle shall stop immediately before passing. After coming to a stop, the driver of the vehicle can proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Vehicles are not required to stop on highways with separate roadways when the bus is on a different roadway from that of a passing vehicle. Vehicles are not required to stop if the school bus is stopped in a loading zone which is a part of or adjacent to a controlled-access highway and where pedestrians are not permitted to cross the roadway.

NOTE OF THANKS

Our sincere thanks to each and every one for the kind words and deeds shown us during our sorrow.

addition to his Scots accent of English.

Scotty's impression upon his arrival in America June 25:

"Utter chaos!"

He continued to explain that at the landing stage he stood around and waited for more than four hours. There were only three customs stations to accommodate 2,000 passengers.

Texas Impressive
After about 12 weeks here, however, he says, "Things are now nice and tidy."

He enrolled in the summer session at the University of Wisconsin. He thinks Wisconsin is the nicest state he's seen so far in America (he's "passed through" 13), but hastens to add,

"But I haven't really SEEN Texas yet."

Scotty is very impressed with Texas so far:

"With the size of the state, the pride of the people, the beautiful children and the prosperity of the farmers around here."

Scotty attended city school in Edinburgh his first five years, and then a fee-paying school for six years. He did undergraduate work in agricultural botany at Edinburgh University, obtaining his bachelor's degree, and followed up with a year at England's Cambridge University. He will get his PHD in three years here and hopes to teach or lecture at Cambridge.

"I'll probably serve in the army for two years," he asserts, "when I go home, and then begin teaching."

ATTEND RITES FOR FATHER

Services for Lee B. Crist, father of Mrs. Marvin Huguley, were held last week in Glendora, Calif.

Mr. Crist died of a heart attack at his home in Glendora September 7. He is survived by his wife and ten children.

Mr. and Mrs. Huguley have just returned from California.

HOCK-MAYNARD VOWS ARE READ IN FRIONA BAPTIST CHURCH CEREMONY

In an impressive double-ring ceremony September 5 at the Friona First Baptist Church, Barbara Ann Hock, daughter of Mr. and Mrs. Ernest C. Hock of Friona, became the bride of Jimmy Gale Maynard, son of Mr. and Mrs. Jim Maynard of Friona, formerly of Olton.

Rev. L. A. Sartain read the service at 7:30 p.m. Mrs. Joe

Ed Vaughn, organist, played nuptial selections during the prelude and "Processional" and "Recessional" by C. Rossini. Mrs. Vaughn accompanied Mrs. Jerry Maynard, on the organ, as she sang, "I Love You Truly." "Oh Promise Me," and the wedding prayer, "The Lord's Prayer."

Two arrangements of white gladioli and an arch covered with greenery and white daisies, flanked by white candelabra, decorated the altar.

Four Attendants

Miss Judy Bruns was maid-of-honor. Bridesmaids were Misses Eva Nell Thomas, Eva Woolbright and Karlyn Hulse, Lubbock. They wore ballerina-length gowns in pastel colors and carried nosegays of white chrysanthemums. The honor attendant's dress was green; the bridesmaids' were pastel shades of pink, blue and beige.

As flower girl, Karen Maynard, sister of the bridegroom, wore a sheer orchid frock. Ronnie Williams, cousin of the bridegroom, was ring bearer.

Candlelighters were Jerry and Jane Burns. Bobby Stovall of Dimmitt was best man, and groomsmen were Jerry Maynard, brother of the bridegroom, Max Kennedy of Amarillo, and Jerry Dennis of Olton. Ushers were Frank Woolbright, Gerald Wright and Vedon Carroll.

Enters With Father

Given in marriage by her father, the bride wore a chapel-length gown of white Chantilly lace and tulle, made by the bride's mother, designed with a basque waist and scalloped neck-line and long sleeves coming to points over the hands. Buttons down the back of the bodice accentuated the design. Her voluminous skirt of scalloped Chantilly lace and tulle over a tiered skirt of white net and taffeta, was styled with tulle at the front and

MRS. JIMMY MAYNARD

apron of lace. Applied flower-lets of lace accented the tulle. Her waist-length veil was attached to a silver crown, which was studded with rhinestones and seed pearls. She carried a bouquet of white carnations and pink roses atop a white Bible.

Mrs. Hock, mother of the bride, wore an after-five ensemble of blue arnel. The bridegroom's mother, Mrs. Maynard, was attired in an autumn brown sheath with a short jacket. Both wore white carnation corsages.

Church Reception

The church parlor was the scene of a wedding reception following the ceremony. Centering the bride's table was the bride's bouquet and a wedding cake of pink and white. The

XIT Study Club Begins New Year

SPRINGLAKE—The XIT Study Club held their first meeting of the year at the Springlake Community Building with Mrs. Roy Byers, Jr., and Mrs. Jesse Watson as hostesses.

The meeting was opened with a prayer led by Mrs. Ernest Baker, president.

A letter was read from State Federation President Mrs. A. J. House, saying that she will visit the organization in the near future. The club voted to increase their membership, two members, which will make the club's membership limit 22.

Coffee and cinnamon rolls were served from a table decorated with dahlias.

The meeting was closed with reading of the club collect. Present were Mesdames Jimmie Banks, Thomas Alair, Ernest Baker, James Busby, Roy Byers, Z. T. Byers, Billy Clayton, Orville Cleavinger, Kenneth Hinson, Edwin Jones, Donald Kelley, Kenneth Parish, James Sanderson, Arnold Washington, Jesse Watson, Jimmy Winder and W. T. Clayton.

ATTEND CONVENTION

W. E. "Doc" Miller, Wallace Hackler and Emmett Harper left Wednesday morning for Oklahoma City where they will attend the Southern Baptist Brotherhood Convention. Mr. Miller is associational president of the brotherhood here.

Education Program Presented To Club

"What the child is, is what the parents are at home" was a statement made by Mrs. Bobby Wills Tuesday night at a meeting of the 1956 Bykota Study Club. Mrs. Wills spoke on the "Pre-School Child" and Mrs. R. V. Allcorn, "Doorway to the Future."

The meeting was held in the home of Mrs. Billy Smith. Mrs. Max LaDuke was co-hostess.

Mrs. Wills went on to declare that "a mother's job is the most important and the most rewarding profession in the world."

"We should answer our children's questions when they ask us—if we don't know them, we can say 'let's look it up'—therefore showing them how to be more independent," Mrs. Allcorn stated. "The best school of discipline is home—home is what a woman makes it."

Mrs. Fred Burgess, vice-president, presided over a business meeting.

Attending were Mesdames Burgess, Smith, LaDuke, Allcorn, Wills, Andy Stroebel, John Carson, Carol J. May, Robert Meinicke, Kenneth Harper, Jim Brown, Fred Stockdale, Bobby Copeland, Jerry Anderson, Gerald Allcorn, and Edd Lynn Burrus.

Next club meeting will be in the home of Mrs. Wills on October 1. Theme for the program will be the "American Home."

Favorite Recipes

Mrs. Blythe Likes Rolls, Chow-Chow

Mrs. Ann Blythe has two recipes that she has used "for years." One is a refrigerator All-Bran Rolls recipe, and the other, is an Uncooked Chow-Chow recipe.

Refrigerator All-Bran Rolls
1 cup Kellogg's All-Bran
1 cup shortening
¾-cup sugar

Dissolve in 2 cups boiling water and add 1½-teaspoon of salt.

In another container, dissolve 2 yeast cakes in 1 cup of warm water.

When first mixture cools, pour in yeast add 2 eggs well-beaten, mix well, and add 7 cups flour. Dough will become sticky, no kneading required.

Store in ice box in covered container and pinch off rolls 2 hours before baking and let rise.

Mrs. Blythe got the roll recipe from the Home Demonstration Club in 1927 when she was vice-president of the Home Demonstration Club of Texas.

Chow Chow

1 gallon ground tomatoes
1 gallon ground cabbage
1 quart of ground peppers
1 quart of ground onions

Mix with 1½-cup salt. Let stand 24 hours. Wash and extract juice.

Add 3 quarts vinegar.
1½-pounds brown sugar
1 tablespoon black pepper
1 tablespoon ground mustard
1 tablespoon ground celery seed

1 tablespoon tumeric
Pour over mixed vegetables, mix cold and seal in jars.

"That chow-chow is really good!" Mrs. Blythe exclaimed. "I really can't remember how long I've used it—just for years—I think I got it from my mother."

In characteristic humor, Mrs. Blythe said, "I just love to cook—wish I could have everything to cook with and someone to eat it and clean up the mess!"

DE AQUI Y DE ALLA

El día diez de este mes, a las 7 de la mañana, fue la Sra. Bonnie Brown dueña de la tienda de comestibles en Circle, a llevar al Sr. Ben García para llevarlo a trabajar. Al llamar a la puerta, pensando ella que se estaba visitando el, se retiró a esperar en el carro. Después de haberle esperado como unos quince minutos, volvió otra vez a llamar a la puerta. Oyo al Sr. García tratando de hablar y llegando a la puerta para abrirla, pensaba la Sra. Brown que estaba enfermo el Sr. y fue para traer a su hijo Morris Gene. Cuando Morris Gene llegó, pudo oír al Sr. García decir, "No puedo levantarme para abrir la puerta." Luego el Sr. Brown forzaba su entrada por una ventana de la cocina mientras la Srta. Miller, hija del dueño del rancho en donde vive el Sr. García, forzaba su entrada por la puerta.

Al entrar para adentro, hallaron al Sr. García con sus cuatro niñas gravemente enfermas. El Doctor James Fite fue llamado a la casa y al llegar les mandó que los llevaran lo más pronto posible al hospital en Plainview porque no podía decidir que era la enfermedad que les había pegado. En dos carros fueron llevados y fueron admitidos luego al hospital para tratamientos. El Doctor Hill del Plainview Hospital and Clinic, permitió al Sr. García volver a Olton aquel mismo día, pero las niñas Emilia, Regie, Sandra y Betty tuvieron que quedar hasta el jueves antes de salir.

Por que se enfermo esta familia de esta manera, no se sabe todavía, pero el Doctor Hill, dice que ha de haber sido vapores del butano que se usa en la casa para

combustibles y la hielera. Hasta esta fecha las niñas están viviendo en el hogar del Rdo. Godsey y la Sra. Oralia Godsey en donde ellos las están cuidando. Todas volvieron a entrar a la escuela el lunes pasado en la mañana el día 16 de este.

Se está celebrando una serie de cultos evangelístico en la Mision Bautista de este pueblo durante los días del 16 al 22 del presente. El evangelista para estos servicios es el Rdo. Francisco Morales, presidente del departamento de la Union de Preparacion de la Convencion Bautista Mexicana del estado de Texas. Los servicios principian cada noche a los 7:30. Todos están cordialmente invitados a estos cultos. El pastor de la mision es el Rdo. Glen E. Godsey.

La Sra. Ester Sandoval y su hija María Luisa, de Monterrey, Nuevo Leon, Mexico están visitando a sus familiares los Ricardos Alcantara aquí de Olton. La Sra. Sandoval es hermana carnal de la Sra. María Alcantara.

Felicidades al Sr. Conrado (Lalo) Rodríguez y su esposa Rosa Morin Rodríguez en la llegada de un niño nuevo a las 3:00 de la tarde el 17 de este mes en el hospital aquí de Olton. Los abuelos paternos son el Sr. Guadalupe Rodríguez y esposa Sra. Ana Rodríguez. La abuela materna es la Sra. Dominga Morin de Hereford.

Muchas madres ya pueden decir "Hay que descansar" porque ya entraron otra vez sus niños a la escuela, pero esta muy bien, porque estos son los líderes para el futuro y es necesario que se preparen HOY.

Longhorns Fall 7-0 Before Pirate Gridsters Friday Night At Cooper

Hart Longhorns had a Friday the 13th jinx as they bowed to the Cooper Pirates 7-0 last Friday night. Cooper scored on a double reverse early in the first quarter. After that, the Longhorns kept them intact while they fumbled away each of their scoring opportunities.

Late in the first quarter, Hart had a first down and goal-to-go on the five yard line, but lost the ball on a fumble. Late in the second quarter, they were threatening again with first down and goal on the eight yard line, again fumbling with Cooper recovering.

Early in the fourth quarter, the Longhorns again threatened with the ball on the five yard line, first down and goal, but misfortune found them fumbling with Cooper recovering. As the game ended, Hart again was threatening with the ball on the one yard line as the clock ran out.

En lugar de las barracas que estaban al sur del pueblo antes de que pego el tornado el día 24 de mayo, ya se está levantando un edificio bastante grande de bloques y han traído otra mitad para los pizadores que vienen para ayudar a levantar la cosecha este año.

Felicidades al Sr. Jose Maria Garcia el dueño del Cafe El Patio, en la salida para Lubbock, porque a pesar de que perdió casi todo su cafe en el tornado que pego en mayo y que en vista de que era un negocio, la Cruz Roja no le ayudo, ha reedificado su cafe y el mismo ha hecho todo el trabajo.

El martes de esta semana, el Sr. Harry Thomas un ranchero que vive al sur de Olton, trajo la primera paca de algodón de este año al Smith Gin. Antes de ser depeitado, peso 1,830 libras y despues peso 465 libras. Este algodón fue piscado por 16 Latin-Americanos y vino de 10 acres de tierra. El Sr. Thomas recibió 50c la libra por el algodón y recibirá muchos premios de los negociantes de este pueblo y de la Camara de Comercio.

Así es, que muy pronto veremos mucha actividad otra vez en

nuestro amado pueblito de Olton.

El día 16 de Septiembre, que fue el lunes de esta semana, es una fecha inolvidable para todos de habla espanola, especialmente nuestros amigos del lado sur de la frontera. En esa fecha se conmemora el Día de Independencia del Pueblo Mexicano, en todas partes del mundo donde viven los Mexicanos. El Diez y Seis de Septiembre de 1810, don Miguel Hidalgo y Costilla, hombre de nobles sentimientos y de un corazón muy grande, se lanzó a la lucha para liberar al pueblo Mexicano del yugo Espanol, que por años estaba sobre el pueblo Mexicano. Este gran hombre sufrió la muerte de un martir por haberse entregado de todo corazón a la noble tarea de redimir a nuestro pueblo Mexicano; y su nombre es de grata memoria para todos los Mexicanos que sienten arder en su alma la inextinguible llama del patriotismo.

Spain Speaks At DeKalb Fest

Don Spain, Olton Farm Supply owner and DeKalb dealer, appeared on a panel discussion with three other area farmers at the DeKalb field day Tuesday in Lubbock.

Each of the four farmers related experiences with different methods of producing hybrid grain sorghum. Mr. Spain presented facts concerning his practice with grain sorghum following oats.

About 700 persons participated in the activities, highlight of which was the main address by Carroll P. Streeter, editor of Farm Journal. Mr. Streeter told the listeners:

"The farmer must produce a better product, and then SELL it."

Mr. Spain states that the DeKalb research farm has more sorghum research than all other states. He adds that theirs is also the "most advanced cleaning plant in the US" and is one of the very few which handles hybrid grain sorghums.

DeKalb president and his son, Thomas H. Roberts and Tommy Roberts, Jr., of DeKalb, Ill., were hosts at the field day.

Lunch was sold by the Lubbock County 4-H Clubs.

Billy Carson Feted On 12th Birthday

Billy Carson was honored Monday on his twelfth birthday with an "Around the World" party.

The handmade lace cloth on the serving table was from Norway. Decorations were souvenirs from eight other countries. Geographical games were conducted by his mother, Mrs. Raymon Carson, with world globes as prizes, and airplanes and ships as favors.

Guests were George Jones, John Souders, Gary Sherman, Clyde Gallaway, Bill Cox, Gaines Stanley, Carmen Bley, Barbara Fancher, Carolyn Bley, Cheryl Long, Carolyn Carson, Judy Kemp and Gayle Nicholas.

Will Finish Cub Course Sunday

About 70 persons—cub scouts, workers, and parents—attended the Basic Training Session for new cubs and parents here Tuesday evening.

Ray Howard, Haynes District Councilman, directed the session. Next Sunday afternoon from 2 to 4 o'clock, the training staff from Plainview will direct a session for all cubs and parents, whether old or new.

Dub Hall, cubmaster, especially urges the parents to attend this course. He states that it will be the final session and training credit cards will be issued.

Monday, September 30, the first fall pack meeting will be held, at which time organization of

YOU CAN HARVEST YOUR COTTON

WHOLESALE

THE JOHN DEERE 16 STRIPPER

SAVE MORE COTTON . . .

Reduces Man-Hours • Speeds Work • CUTS COSTS

THAT'S RIGHT—you can get your cotton out of the fields at "wholesale" costs with a John Deere 16 Two-Row Mounted Stripper. Whether you're already mechanized or sticking with uncertain hand labor, you'll cut costs . . . increase profits with a John Deere. You'll save mote cotton—get better grades—reduce man-hours in the field—and speed work.

The John Deere 16 Stripper more than pays its way on every acreage. It's a low-cost investment that brings a big return over its many years of dependable service. Fact is, many cotton farmers find that the 16 pays for itself in just one season.

This big-capacity John Deere handles row spacings of 36 to 42 inches. It features fast, easy mounting—easy operation—rugged dependability.
