IT'S A HIT

FOUR LITTLE LEAGUE teams slugged it out Friday night at Olton baseball field. Shown here wielding the old willow is Jimmy Curry. The high speed camera lens stopped the ball

just as Jimmy was swinging on it. Interest is running high in baseball this year, especially among the small fry participating. (STAFF PHOTO)

FIRST AID

DR. B. J. SOUDERS is shown here demonstrating first aid treatment with Mrs. J. W. Henderson as the "patient." Looking on is Mrs. Frank Strave. Dr. Souders is conducting a first aid school each Friday night at his office. He has been certified as an instructor by the American Red Cross. Dr. Souders currently is serving as city health officer. (STAFF PHOTO)

Rebuild FFA Fence Monday

Olton FFA board of directors has voted to rebuild the fence around the five-acre FFA tract south of Olton, according to J. C. Hamby, board president.

A fence was torn down by the recent tornado. Mr. Hamby has asked all who can do so to be on hand at the site Monday morning to help with the fencing.

Brother Of Olton Woman Dies Mon.

Garnet Bryan, brother of Mrs. W. C. Gunter, Sr., died Monday at Tulia.

Funeral services were held Tuesday at Tulia. Mr. Bryan's wife had died about three weeks ago.

APPRECIATION—

Olton City Commission Tuesday night in a formal ordinance expressed appreciation to city employees, the fire department, the utility companies, the highway patrol, surrounding towns and Mayor D. Y. Ray for services rendered during the recent tornado.

Red Cross Commitments Nearing \$15,000 In Rehabilitation Aid

Commitments to date in the Red Cross disaster relief program for Olton tornado victims total \$14,383.27, announced Miss Ruth Flynn, case work supervisor.

This total includes \$391.26 for mass care, \$3,781.21 for emergency assistance, and \$5,210.80 awarded in the main for building and repair. The latter amount was for four award cases approved by a local advisory committee last Thursday.

Slated to be taken up this afternoon by the advisory committee are 29 cases, the second and final session scheduled for the committee. As is the setup in the Red Cross rehabilitation program, case workers compile a complete case history on each application for assistance and make recommendations to the local committee.

In addition to Miss Flynn and two case workers, H. C. McCurley, building estimator from the St. Louis area office, is working in the local Red Cross relief headquarters.

Clothing from the local dis-

aster headquarters has been contributed to the County Welfare Agency in Littlefield and will be moved out of the Legion Hall this week.

City Health Officer Urges Clean-up

Clean-up of mosquito breeding places to combat the occurrence of encephalitis has been urged by Dr. B. J. Souders, city health officer.

Dr. Souders said weeds should be removed, old tin cans which might hold water should be removed and an eye should be kept on lawn watering puddles. Dr. Souders said air conditioner water also might be the breeding place of mosquito swarms.

The city health officer noted that polio season is here and urged everyone to take advantage of the Salk polio vaccine.

OSB Team Leads Loop In Openers

Olton Little League play got underway last Friday night. Olton Co-Op Gin trimmed Shamrock Oil 14 to 8 and Olton State Bank beat G. H. Bley 5 to 4 in a game that went into extra innings.

In Tuesday night play Shamrock beat G. H. Bley 12 to 7 and Olton State Bank nosed out Olton Co-Op Gin.

44 More Members Needed To Cinch Swimming Pool

Prospects for the building of a swimming pool this summer at the Olton Municipal Recreation Center highlighted the discussion at a regular Center meeting Monday night.

Meeting with the group was Marvin McLarty of the Sea Horse Swimming Pool Company of Lubbock.

Carroll Cox, president, announced today that approximately 44 additional members will make the construction of a swimming pool possible. Plans are going forward at a rapid pace for the building of the golf course.

A road leading to the plot of the Recreation Center from the highway has been staked off, and fencing around the 90-acre tract is nearing completion. Drilling of the well got underway last week.

Another of the series of Center meetings has been set for 8:30 o'clock Monday night, June 17, in the high school auditorium. All members and prospective members are urged to attend.

Disaster Funds Made Available

Olton officials have been notified by the coordinator of Defense and Disaster Relief that \$1,950 has been made available for use of the City of Olton in the wake of the recent tornado.

The US Public Health Department has been requested to provide technical advice and equipment to the city.

BAND SCHOOL

A summer band school for Cadet Band members will get underway at 9 a. m., June 17, and will continue for two weeks. Fourth graders and below may attend the twirling classes to be conducted by Linda Dennis. The school is open to sixth and seventh graders who wish to play in the Cadet Band next year.

New Mark Set By Olton FFA; 17 Get State Farmer Degree

Bobby Johnson Gets Scholarship; National Honor For Wayne Bodkin

It's a new national record!

Olton Chapter of the Future Farmers of America this year has 17 brand new Lone Star Farmers and six other boys who are qualified to hold the degree and turned down only because

Texas overshot its quota for the first time in history.

State FFA officials said Olton chapter is believed to have set a new record for the number of

chapter members to receive state degrees in one year.

And that is not all . . .

Among other honors, the Olton chapter received the state Gold Medal Chapter distinction and was one of eight chapters out of 1,000 to receive state recommendation for the national Gold Medal Chapter award.

Bobby Johnson received the Anderson-Clayton cotton scholarship.

Wayne Bodkin received state approval on his application to become Olton's first American Farmer.

Those receiving the Lone Star Farmer degree this year include Houston Hamby, Royce McFadden, Dewey Hukill, Elmer Houston, Jackie Pinson, Billy McAlister, Sherrill Alexander, Jimmy Fancher, Jack Royce Straw, Jimmy Stone, Jack Hysinger, Wayne Allen, Danny Cure, John Paul Jones, Krueger Johnson, James Carson and Harlan Carson.

Boys whose mark qualified them for the degree but who were deferred because the state overshot its state degree quota were Don Edwards, Deryl Dennis, Lennon Young, John Adams and Landon Smith.

Vocational Agriculture Instructors Harold Warren and J. C. Lane said these boys' applications will be sent back through next year for automatic approval at state level.

Lone Star degrees will be conferred at the state FFA convention to be held in Fort Worth about the middle of next month.

To qualify for the Lone Star degree boys must be outstanding in leadership and must have earned and invested at least \$500 from his project program. At the time the degree is given he also must have in operation an outstanding FFA program.

Mr. Lane pointed out that the state's quota is 2 percent of the state FFA membership. Olton actually had about 25 percent of its entire FFA enrollment qualified for the degree.

Arrest Olton Resident On Liquor Charge

Byrl Wilks was arrested early this week on a charge of violating liquor laws, according to Deputy Sheriff V. L. Smith who was one of the arresting officers along with Sheriff Dick Dyer.

Smith said Wilks was taken into custody at his room in an old barracks building in south Olton.

Wilks entered a plea of not guilty to the charges. He is now free on \$1,000 bond.

Sunday Set As Church Census Day

A city-wide church census will be undertaken Sunday afternoon, June 16, as announced by Bro. Russell McAnally, president of the Olton Ministerial Alliance.

The Alliance has formulated plans for each home in the city to be contacted. The city has been divided into sections and each participating church assigned a section to cover.

Olton Man's Sister Taken By Death

Mrs. Ethel Bush, 73 years old, sister of Barton Prestridge, died at 6 o'clock Saturday morning in a Levelland hospital.

She became seriously ill about four days earlier.

Funeral services were held Sunday afternoon at Crews, Tex. Burial was in Crews Cemetery.

Mrs. Bush was a member of the Baptist Church.

Survivors were the husband, W. A. Bush; four sons; 12 grandchildren and 9 great grandchildren. Also surviving were five sisters and six brothers, including Mr. Prestridge.

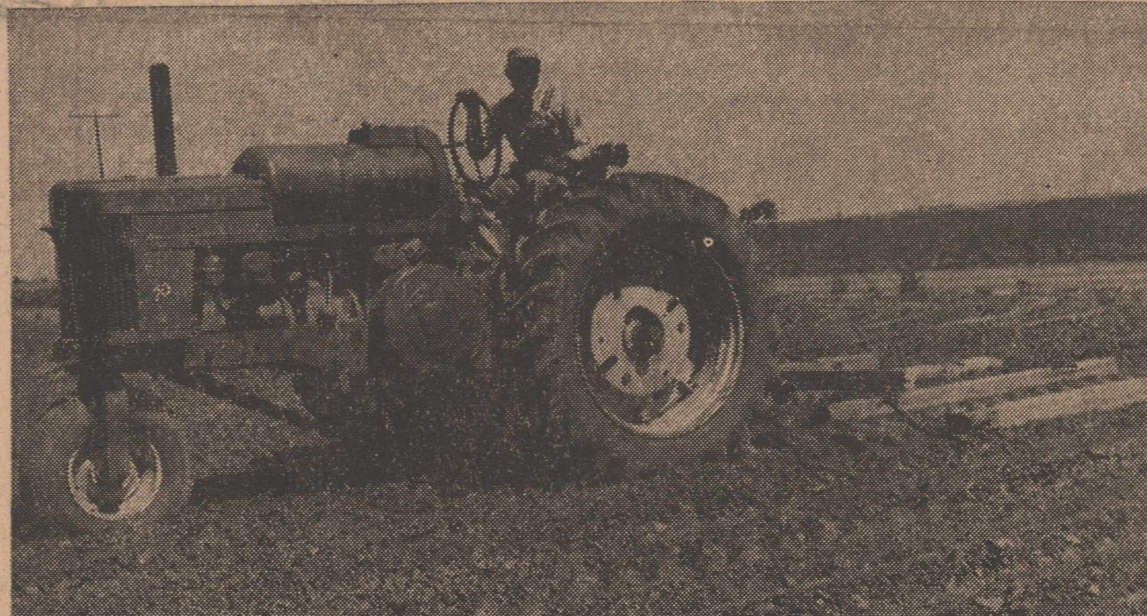

Farm Vote Set For June 20th

Olton farmers will have an opportunity to vote in a wheat referendum election here next Thursday.

The balloting will be at City Hall. Polls will open at 8 o'clock in the morning and close at 7 o'clock in the evening.

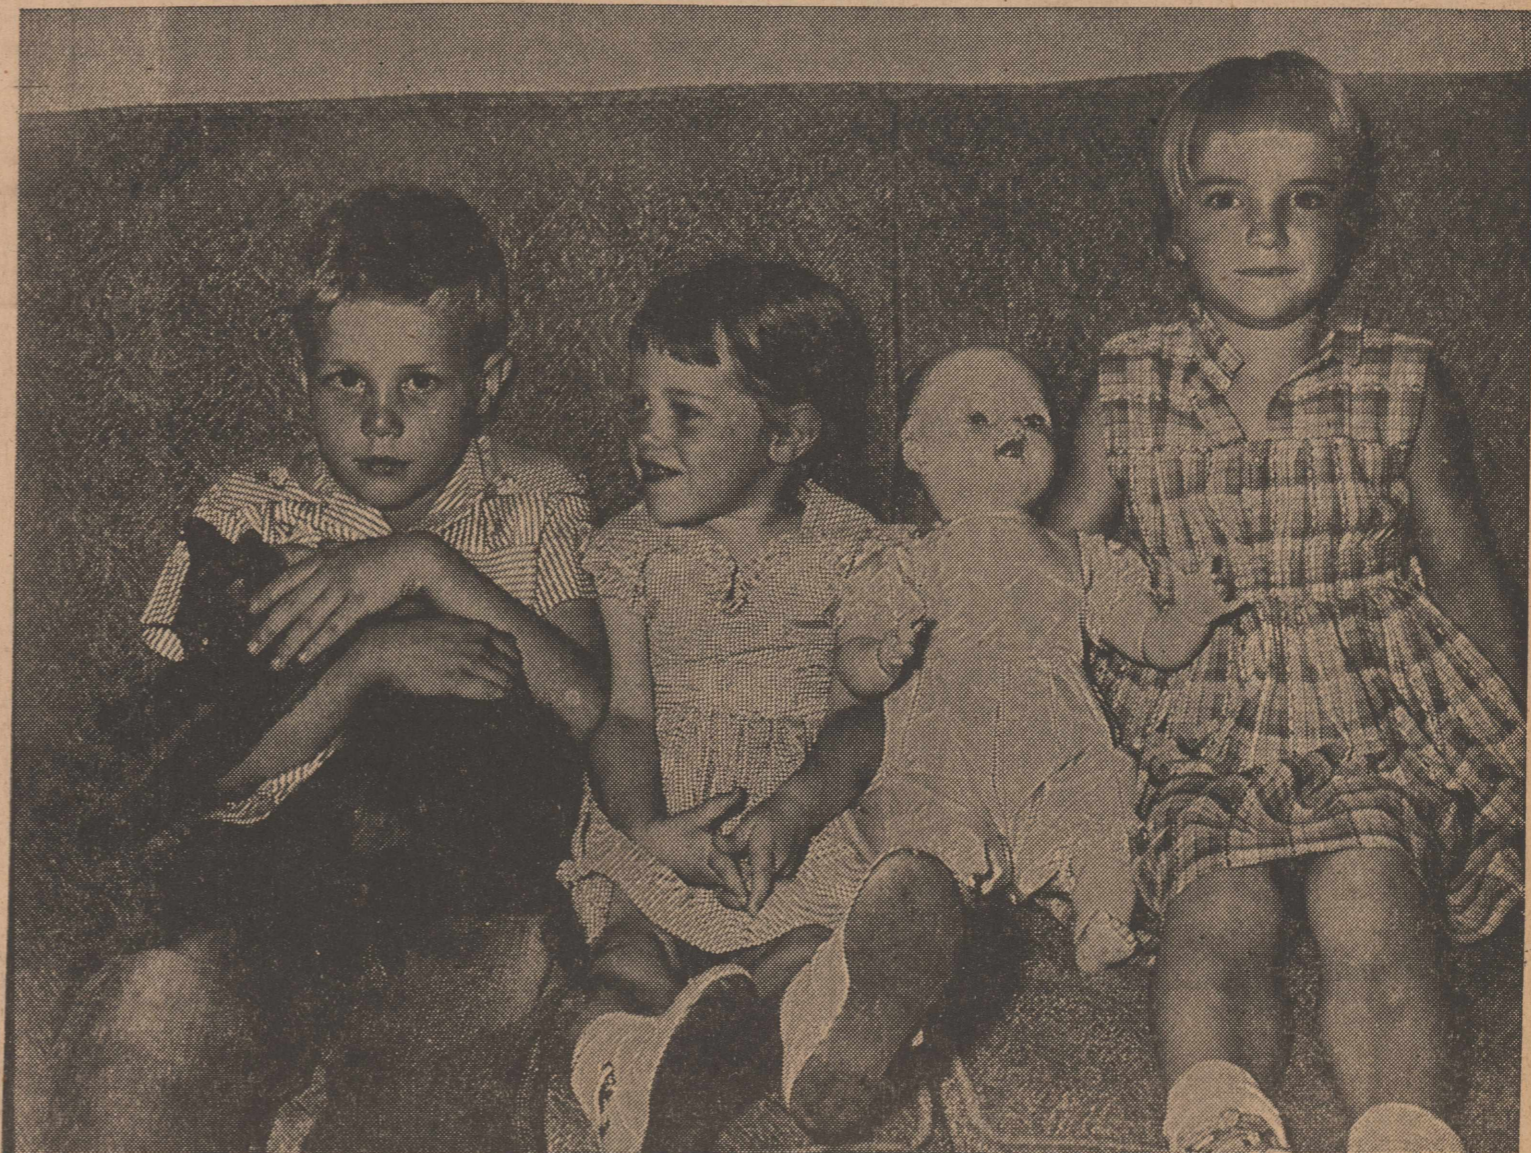

Election judges will be J. L. Carson, Jr., Doyle Pinson and Leo Ross Bryant.

TRACTORS ROLL

OLTON FARMERS were busy Monday as the sun shown and the weatherman held forth a promise of a dry spell. Here George Douglas, who is employed on the Horace Walker farm north of Olton, is shown "dragging" heavy pieces down rows of freshly planted cotton. George said the cotton was planted Friday. He said the weights press down the soil and keep the seeds from drying out. (STAFF PHOTO)

HAPPY DAYS

just plain "Bill." "Dubby," the Locke cat poses reluctantly here with the children. From left are Barry Benn, five years old; Sharla Sikes, three; and Susie Cantrell, five. (STAFF PHOTO)

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

SAVE 75¢ a bushel

Secretary Benson has set the 1958 wheat support price at \$1.78 a bushel.

That is 22 cents a bushel under the present \$2 support. This will mean a loss of more than \$200 million to U.S. wheat producers and their rural communities next year.

But each of you wheat farmers could lose at least 75 cents a bushel more.

In the Wheat Referendum June 20 you have a voting choice between:

1. YES—for wheat supported at \$1.78.
2. NO—which will bring wheat down to around \$1 in the market place.

Dollar wheat would mean ruinous corn and livestock prices.

Figure your 1958 income either way. You will find you have no choice but to vote YES.

Anyone who owns or tenants or has a joint share in ownership or tenancy of a farm growing 15 or more acres of wheat can vote. Your ASC office will give you the voting place and hours.

A two thirds YES vote is needed to protect your income. So—be sure to vote YES on JUNE 20.

I AM NO LONGER RESPONSIBLE FOR MY WIFE'S ACTIONS

(Since she got her new kind of Ford)

"If she is unbelievably happy at 7:00 A. M. every morning, I now hold her 1957 Ford responsible. If she is off for the day at 7:02 A. M., I suggest that it is the power of Ford's Thunderbird V-8 engine. If she appears vastly more style-conscious, it is the longer, lower lines of her new kind of Ford that have made her so.

"If she arrives home remarkably refreshed, I refer you to the lower, more comfortable seats, the wider wrap-around windshield and the other peace-of-mind features of her new "Inner Ford." If she's just a bit more spoiled, don't blame her. With optional power steering, power brakes, power windows and seat—who wouldn't be?"

"And if she is constantly raving about the savings her new car brings her, she's merely confirming what I've been telling her about Fords for years! Sure, we're a two-Ford family now. But even having one Ford in the family was more fun than you can imagine! Try a new '57 Ford at your house. It's Terrific!"

ONE MILE WEST OF MUSTANG THEATRE

Thirteen Children From Portales Home Spending Summer Vacation In Olton

Two little girls happily playing jacks in the warm sunshine of a breezeway patio—a pink climbing rose bursting with color in the background—a woman in the spacious backyard busily tending to gardening chores... for all the world, to see, an ordinary summer day filled with ordinary activity.

But for one of the little girls, there was nothing ordinary about it. For ten-year-old Linda Louise Gaynor, a pretty dark-skinned, dark-eyed little girl with a winsome smile, it's an annual treat—19 days of homelife with her "sponsor," Mrs. L. D. Smith. The remainder of the year, she lives in the Church of Christ Children's Home at Portales, NM, along with 52 other children ranging in age from toddlers through high school.

Thirteen Here
There are 13 children who are staying with local Church of Christ families while the home is closed for two weeks. During this time, Mr. and Mrs. Jack Sikes, who run the home, take a vacation. The Sikes' have six children of their own. They and other children stay in various homes in the area.

These children "at home" in Olton during this vacation period are: Tommy Tice, 15, with the D. Y. Rays; Phyllis Cantrell, 11, staying in the homes of her three sponsors, Mrs. Jack Edwards, Mrs. Ed Thompson and Mrs. Bill Bennett; Gloria Cummins, 13, who is sponsored by the Main Street Church of Christ, and is visiting several church families; Susie Cantrell, 5, staying with Mrs. G. W. Locke and Mrs. Mardema Ogletree; Barry Benn, 5, and Sharla Sikes, 3, with the G. W. Lockes; Stevie Sikes, 5, with the Tom Carlises; Sharon Sikes, 7, with the Leslie Kings; Bobby Benn, 7, with the Bud Huckabees; Stacy Sikes, 8, with the Sidney Allens; Marty Cantrell, 6, with the George Kidds; and Merlen Parker, 13, with the G. L. McKinzie.

Few of the 52 children of the home are orphans. The majority are from broken homes, are deserted by their parents, or are from families whose adverse circumstances forced them to give up their children temporarily or

permanently. Though the material advantages offered by the Portales Home are few, that the environment is a healthy one is evidenced by the quality of happiness and well-being shining from the faces of these youngsters. Handicapped by circumstances that leave their mark on some, most of these children are well-adjusted, mannerly children with a strong chance for a successful adulthood.

Even little Sharla, the three-year-old staying with the Lockes, never fails to say grace before her meal even when eating alone.

Father Is Concerned

In one way, Linda Lou is one of the lucky ones, for she has a father who "cares." When she and her four brothers and sisters were deserted by their mother, their father made every effort to keep them. A grandmother took the younger ones until she became seriously ill, then they were shuffled around among relatives. Finally, three years ago in August, he had the children placed in the Portales Home. He comes to visit them whenever he can, two or three times a year, and the children visit him in shifts at his tourist court home in Wichita, Kan., for two weeks each summer.

And their affection for their father is deep. Mrs. Smith related that when Linda made her first visit to their home, she snuggled against her and wistfully said, "I wish you were my mother and my daddy was my daddy."

Linda Is Chosen

The Smiths have sponsored Linda since her early days in the Home. All of the children from the Home visited the Main

LINDA LOUISE GAYNOR

Street Church of Christ one Sunday almost three years ago, about a year following the opening of the Home. Names of the children who did not have sponsors were published in the church bulletin. Mrs. Smith wrote the home, asking to sponsor Juanita, Linda's older sister, now 14... she chose her because that was the name of a daughter she had lost.

She received an answer that Juanita now had a sponsor but Linda did not. So she has sponsored Linda since that time, clothing her and furnishing a small allowance.

Work Together

At the large, concrete block home located several miles outside of Portales on a farm, sharing and cooperation are two basic principles of "living together"

that these children learn fast. They all have chores to do—the little girls in the home and the boys on the farm. The boys milk 35 cows, tend the chickens, garden, and have numerous other farm chores. A man supervises the farm and a cook prepares lunch and dinner, but breakfast falls within the duties of the older girls. When it's weed-chopping time, the girls help out, too—even the smaller ones. Linda's present assignment, in addition to bedmaking and other routine chores, is to take care of two tables of little children in the dining room. She sets the tables, serves, and keeps the floor swept and mopped in this area. After six months, she will be assigned a different chore. The children attend school in Portales. After homework, chores,

and television, grade school children are in bed by 8 o'clock and high schoolers at 9 o'clock, for rising time comes early. On Friday nights, they are taken into town for a movie, to which they are admitted free, and are given 10 or 15 cents for "treats."

They are transported by bus to school, to town, to church. They attend both Sunday services and Wednesday night prayer service.

The "big occasion" at the end of each month is a birthday dinner, complete with a party cake, honoring all the children who had a birthday during the month.

That the home has become crowded is evidenced by the fact that there are now six bunk beds to each room whereas there were only three when Linda first went to the home. One of Linda's roommates is her 16-year-old sister who helps her with her hair and gives other big-sisterly assistance.

On Linda's first visit to the Smiths, she wanted to be alone with them, seemingly as though she didn't want to "share" their affection or attention. But sharing her vacation this year is the Smith's 8-year-old granddaughter,

ter, Tynette Smith, from the Floydada community, and the two are getting along famously. Mrs. Smith says that Linda has gained much in self-confidence since her initial visit and no longer seems starved for affection. She eagerly offers to help with household chores, but Mrs. Smith contends she just wants her to play and lead a normal little-girl existence while here.

Mrs. Smith makes many of Linda's clothes and has made her two dresses since she came this summer. These the little girl prefers to purchased dresses, just the same as any little girl who loves the frocks that "Mama makes."

And as you watch Linda skipping around with her pony-tail bouncing, you sense that when she returns to her "home" in Portales, where she is happy and well-cared-for through the year, she'll be looking forward with eager anticipation to her next vacation. For as with any human being, whether young or old, a taste of individual attention and love is as vital as food and drink.

OES Officers Are Installed In Impressive Ceremony Monday Night In Masonic Hall

Installation of officers for Olton Chapter No. 847, Order of the Eastern Star, took place in the Masonic Hall on Monday evening, June 10, with Lorene and Bert Stewart going in as Worthy Matron and Worthy Patron for 1957-58.

Red and silver were the predominant decorating colors. An archway entwined with red roses and greenery lent emphasis to a large silver-glittered star, forming the background setting for the rostrum. A white Bible with five color streamers was placed on the rostrum. Flanking the platform were large baskets of red roses.

In a star formation around the altar were the five color stations, with rosebuds of varied colors placed at each station. A white Bible graced the altar in the center of the room.

Following the presentation of

the Bible by Latrell Stewart and special music by Lana George, the retiring Worthy Patron, Truitt Sides, called the meeting to order. Outgoing officers made their entrance and the Lord's Prayer and the Pledge of Allegiance were given in unison, followed by the singing of the national anthem. Vivian George, outgoing Worthy Matron, gave the welcome and introduced installing officers.

Officers installed were: Worthy Matron, Mrs. Stewart; Worthy Patron, Winona Cure; Associate Matron, Alton Cure; secretary, Era Mae Walthall; treasurer, Leona Dickenson; conductress, Lois Smith; associate conductress, Lenora Smith; chaplain, Mildred LaDuke; marshal, Hope Loveless; organist, Enid Givens; Adah, Pat Meinecke; Ruth, Ovelia Burrows; Esther, Faye Foster; Martha, Sue Hair; Electa, Sybil Jones; Warder, Ruth Hair; and Sentinel, Truitt Sides.

Installing officers were Vivian George; Faye Stone, installing marshal; Naomi Cooner, installing chaplain; Linda Franks, installing organist; Ruth Franks, installing secretary; and Latrell Stewart, Bible presentation.

Greetings were offered by the newly installed Worthy Matron and Patron, and Mamie Spain and Bertie Lee Brown sang "Mission Over the Hilltop." Past Matron's and Patron's jewels were presented to Mrs. George and Mr. Sides, followed by the benediction by Eldon Franks.

Presiding at the serving table in the dining room were Latrell Stewart, Torchie Cure, Hope Loveless and Frankie Carlisle. Refreshments of red Hawaiian punch and a rose-decorated cake were served.

The table, laid with a white cloth, was highlighted with a facsimile of the platform. Formed with a square styrofoam base, steps led up to a miniature rostrum with figurines of a man and woman standing behind it. Color streamers stemming from the edge of a silver star were lettered with "Lorene, Worthy Matron" and "Bert, Worthy Patron."

Guests were greeted by Wally Stewart and registered by Mrs. Maud E. Cure.

Miss Jo Davis Is Shower Honoree

The home of Mrs. J. L. Carson, Jr., was the scene of a shower complimenting Miss Elizabeth Jo Davis of Hart, bride-elect of Floyd Light, Tuesday afternoon from 3 to 5 o'clock.

A pink color scheme was carried out in the floral decorations. Laid with a white crocheted cloth, the serving table was highlighted with a centerpiece of snapdragons and roses in variegated shades of pink. Punch was served from a crystal punch bowl.

Presiding at the serving table were Mrs. Don Carson and Mrs. Wayne Carson. Guests were registered by Mrs. Joe Edd Carson. The honoree was presented with a corsage and hostess gifts of a Sunbeam electric mixer and electric skillet.

Hostesses were Mesdames H. B. Carson, Raymon Carson, Roy Hooper, John Lambright, Emerald Lewis, Ray Montgomery, C. S. Silcott, Walter Scherier, Lloyd Cowart, Robert Fisher, Charles Golden, M. G. Fisher, Lloyd Graham, and J. L. Carson, Jr.

Mr. and Mrs. Pink Lawson are visiting in Alabama. Kent Wozencraft is accompanying them.

Bride-Elect Given Shower At Hart

Miss Elizabeth Jo Davis, bride-elect of Floyd Light, was honored with a bridal shower on May 31 at the home of Mrs. Joe Newman of Hart.

Centering the serving table were two oversize wedding rings sprinkled with glitter and surrounded with white stock and orchid carnations. Table appointments were of crystal and silver. Flower arrangements decorated all the rooms.

Hostesses were Mesdames Jim Height, Joe Edd Carson, Carl Huggins, Clay Anderson, Fred Popejoy, Glenn Reed, A. R. Bostick, Jim Brooks, D. A. Bass, D. D. Myrick, R. A. Futrell, and Newman.

Davis-Light Wedding Is Friday

Wedding vows for Miss Elizabeth Jo Davis and Floyd Light will be read at the First Baptist Church of Hart at 6:30 o'clock Friday evening, June 14. Parents of the couple are Mr. and Mrs. Harvey C. Davis and Mr. and A. C. Light, Sr.

Following the ceremony, a wedding reception will be held in the new home of the couple. An open invitation is extended for the wedding and reception.

CARD OF THANKS

There must be some special, and beautiful words that could tell you the gratitude that is in our hearts—some profound way we might say "thank you" in times such as this, but we don't know them. We wish we could thank each of you personally for every kind and thoughtful deed that was done for us after the tornado, but since it is impossible to do that just now, we must take this means of expressing our deep and sincere appreciation.

Well!
Yours truly REALLY took a vacation—from writing, anyhow. Just in case nobody but me noticed, I skipped having this little bit in the paper two weeks in a row. Of course, the first week, we were on our fabulous "vacation."

But the second week, well, I was so surprised when Troy brought a paper home and I failed to find my column in it. I had just completely forgot about writing one! (That's the first thing I read, you know—all modesty aside.)

Nice to be back to normal, sorta', though.

Don't put it off any longer!
Get your polio shots. Don't think you've got it made already just because all the children are inoculated. It gets adults, too, you know!

How much does a piece of blueberry pie cost?
Ask some speculators and marketers, and their answer would be considerably more than 15 cents since Monday.

Well, I suppose that's consistent with the whole economy of this administration, even though Mr. Eisenhower COULDN'T help having a tummy-ache. Awfully glad it was nothing more.

Nowadays, if a feller aspires to roll 'em in the aisles with his warbling, and he can't compete with any of the current song idols, he just "invents" his own way of singing and gives out. And pretty soon, all the fad-music-lovers are trying to imitate him.

So that in a little while, the "style" he worked so hard to make individualistic isn't exclusive at all, but rather, nationalistic which is, after all, the goal he was working toward in the first place by originating an individualistic style.

Whew!
You say you can't get the beat of calypso? You can't stand the rock 'n roll? Then just sing in your own little humble way, and if enough people hear you, and it's different enough, you'll be a hit!

Have a lovely plaque here, just waiting to have its silver plate engraved with some industrious Olton woman's name. Soon, our committee can all get together, we'll be busy on that little thing about next week, we'll announce the Clubwoman of the Year.

Five years ago on June 1 a family of two migrated from Am- arillo to Olton, driving a rather

beat-up Buick convertible full of personal effects and pulling a rented trailer full of more personal effects.

Ironically, on that fifth anniversary, the same family, except doubled in number, was driving to Olton again, this time in a more-than-rather beat-up Dodge sedan, again pulling a rented trailer full of personal effects.

So we've been in Olton five whole year now, and for sure the two best things that ever happened to us have "happened" here: Jamie and Kaysee, of course. I could name lots and lots more wonderful things that have comprised these five years, but suffice it to say that if the next five are as great and full of riches, we have MUCHO to look forward to!

MRS. BLACK IS SERIOUSLY ILL

Mrs. W. C. "Dub" Black, who was a patient last week in the Plainview Foundation-Clinic, is seriously ill at the home of her mother-in-law, Mrs. C. C. Black.

Her physician reported that the diagnosis of her illness is still inconclusive but should be definite by the week-end. Mrs. Black, who has been employed as The Enterprise bookkeeper since January, became ill on June 7.

CARD OF THANKS

We wish to express our unending appreciation for all the many deeds of kindness and lovely gifts that have come our way in our time of need. To each one that had a part in helping us, we say thank you.

FFA HAPPENINGS

WITH J. C. LANE
and
HAROLD WARREN

In checking around the community this week we found most of the boys on tractors trying to scratch out cotton or running sand fighters.

We went to Jackie Pinson's place and looked over his registered Southdown flock. Jackie has 14 lambs on the ground, eight wethers and six ewe lambs. One of the wethers he will fit and take to Dallas. The others he will sell or feg for the spring shows. Jack thinks he

will put three barrows on feed to take to Dallas.

We were by John Adams' place. John had been working on his cotton crop. He had just purchased a new Duroc herd. We are looking forward to seeing some outstanding pigs from there one of these days. Due to the rain, John had to turn his show calves out of their lot for a few days.

Dropped in on Gerry George. He was running sand fighters

FLIGHT ENGINEER

HERBERT H. SHANKS, JR., son of Mr. and Mrs. H. H. Shanks, Olton, has been graduated as a flight engineer from Trans World Airlines flight school in Kansas City. He will fly four-engine Constellations on TWA's transcontinental routes. Mr. Shanks, who is 25 years old, has been assigned to New York. (TWA Photo)

on his and his dad's cotton. Gerry has three pigs on feed for Dallas this fall. He is feeding them on 40% milo, 40% corn and 20% hog supplement. Later he will go to the pasture with them—they are gaining good.

David Morrison had just returned from a short vacation. His registered Poland Chinas were doing good. David has four pigs for Dallas and two sows due to farrow this summer for the Olton show.

Stopped at John Lynn Burrows. Nobody home. His calves and lambs are doing all right.

Delivered a boar to Joe Riney below north Spade. Joe is building a registered Chesterwhite herd. He has some good ones on hand to start. Joe's cotton looks good considering the beating it has taken. Cotton and feed around Hart Camp looks a little better than it does in the immediate vicinity of Olton.

Came back by Dewey Hukill's. Dewey has three good pigs for the Dallas show. In addition, he has several registered Poland China pigs. He said his cotton looks pretty good.

T. J. Smith was helping his dad plow when we drove up. His Chesterwhite pigs look pretty good.

Carl and Jay Nafzger are getting ready to turn their pigs on pasture. They will probably have six pigs ready for Dallas. Jay's cotton looks good in spite of the weather.

We had a sick lamb at Houston Hamby's. Houston came by and got us before doing his chores. With all the lambs, calves, goats and cows Houston has to look out for, he has to work early and late to get all the work done.

Daryl and Ronnie Dennis are looking over the calves at B. C. Cooner's. We picked out a couple to add to their projects of lambs and calves.

Wayne Bodkin is home from school and we had a nice visit with him while looking over his registered shorthorn herd. Wayne and Royce had been working with the alfalfa crop.

Elmer Houston has four calves on feed at the present time and is still looking for more. Elmer has been pretty busy with the cotton and feed crop.

Edwin George lost his barns and pens in the storm and had to move his stock to Arno Hall's. He was very lucky that his calves weren't hurt.

Don Edwards has three calves started for the spring shows. All three of them are from his dad's registered Angus herd. Don and his dad were about to start cutting their alfalfa.

The board of education gave us the lumber from the colored school building which was torn down by the tornado. We sure could use help if any of the boys have some time off. We are going to take the lumber apart and stack it somewhere. It sure would come in handy to use in building on our five-acre farm south of town.

Reminders

Screw worm season is here. Be sure to watch your animals for scratches and treat them right away should one occur. Some good treatments are KRS, EQ 335, Ortera 1048, Smear 62, screw worm bombs and others. All of the feed stores and drug store carry most of these.

Do your best to control flies around your project. They cause you a lot of trouble and cost money by bothering your stock and keeping down gains.

We suggest that you weigh your calves and pigs as soon as possible and check them later for daily gain. Calves should

gain 1½ pounds or more a day and pigs a half pound to a pound a day. If yours are not getting this kind of gain, check with us. There could be something wrong with your feeding management.

Watch your cotton closely for thrips and fleahoppers, boys. There have been reports of light infestation on the South Plains in the weekly news letter we got from Tech entomologists.

It was impossible for us to show you any of these cotton insects and their damage before school was out. If you need help in checking them we will come out.

We will try to see each of you this summer as often as possible. Meanwhile, check this column every week to keep posted on FFA happenings.

We'll be seeing you next week.

Tommy Messer rounded out the battery behind the plate.

Remaining schedule for Olton is: Abernathy at Olton, June 14; Nazareth at Olton, June 17; Olton at Plainview, June 20; Olton at Lubbock (Lubbock Auto), June 25; Olton at Abernathy, July 1; Olton at Nazareth, July 3; and Plainview at Olton, July 5. All games begin at 8:15 o'clock.

Nazareth home games will be played in the Dimmitt Jaycee Park.

Little League Baseball Adds Meaning To Summer For Boys

Little League baseball play opened last week and Olton

will have an opportunity to play. Mr. Holt said at least 60 boys are playing in the league.

Interest of no one is keener than that of I. E. "Doc" Holt who spearheaded the formation of the league.

"The league was formed primarily to give the youngsters a chance to play baseball," Mr. Holt declared. "It gives them something to which to look forward during the summer months. It's a clean, competitive sport."

Mr. Holt added that it also gives the parents something to which to look forward.

League teams are open to boys from 9 to 12 years of age inclusive. Mr. Holt said the boys are divided among the teams in such a way that no team is over balanced with younger or older boys. He said all boys coming out

ORDINANCE NO. 93
 An ordinance prohibiting the driver of any vehicle, other than ones on official business, from following any fire apparatus traveling in response to a fire alarm, any police car answering an official call, or any ambulance answering a call, and authorizing the fire marshal or chief of police to designate an area around a fire or accident which he considers hazardous to the public and prohibiting individuals from entering such areas, and prohibiting any driver of a motor vehicle from driving over an unprotected hose of a fire department when laid down on the street or alley to be used at a fire, without the consent of the fire marshal, and providing a penalty for the violation thereof. Be it ordained by the City Council of the City of Olton: Section 1. The Fire Marshal and/or the Chief of Police of the City of Olton shall have power and authority to mark off and designate an area around any fire or accident which he considers dangerous for the public to enter and for the protection of the health and property of the inhabitants of the Town of Olton. Section 2. It shall be unlawful for any driver of a vehicle, other than the one on official business, to follow any fire truck or apparatus traveling in response to a fire, a police car in response to an official call, or an ambulance answering an emergency call, to follow closer than 500 feet to said fire apparatus, police car or ambulance. Section 3. It shall be unlawful for any person, either pedestrian or in a vehicle, to enter the area designated by the fire marshal or Chief of Police as a danger zone at the place of such fire or accident. Section 4. No driver of any vehicle shall drive over and across an unprotected hose of a fire department when laid down on any street or alley, or private driveway to be used at any fire or alarm of fire, without the consent of the fire department official in command. Section 5. The City Council does hereby adopt Sections 97 through and including 144, of Article 6701d of the Revised Civil Statutes of the State of Texas, and all amendments thereto. Section 6. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than \$1.00 and not more than \$200.00.
