Volume 30

OLTON, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 3, 1957

Number 47

We're going to begin writing the Cracker Barrel again. Not because of the requests but IN SPIRIT OF THE REQUESTS.

Here are the names of a few who were Cotton Bowling at Dallas. Mr. and Mrs. Basil Sherman, Dr. and Mrs. Lynn Fite, Mr. and Mrs. Morris Gene Brown, Eldon Franks, Howard Hall, James Hall and Marshall Stone. Mr. and Mrs. Neil Wells were also among the Cotton Bowlers. Neil took the trip on a merchandising award received by the firm by which he is employed.

Among those Sun Bowling at El Paso, other than the band and football boys, were Mr. and Mrs. Herman Meyer and Mr. and Mrs. Tom Smith. We know there must have been many others.

There's always a rhubarb at The Enterprise over how to place the town's top stories of the year. We pick the February blizzard.

Olton, we understand, was honored by a radar screen on the Highway New Year's Eve. The Department of Public Safety radar operator has 12 counties. If we could only print his schedule in The Enterprise we'd bet that papers would sell like hot cakes.

Gene Howe—the famed Old Tack—once said that every man has a story if the reporter can only get it. We were talking to Lon Alexander, the pharmacist at Olton Memorial Hospital, this week.

His history is indeed a story book. Lon is entering his golden jubilee as a druggist this year. He received his license in 1907.

But Lon is better known for his achievement as a purebred swine breeder. He is a past president of the Texas Swine Breeders Association. He produced two world champions and Lon's picture hangs in the halls of A & M College where he was honored for his outstanding contributions to breeding of purebred livestock.

We went hunting last Saturday with Louie Mack Hardy. Louie Mack got one Bob White. We got none. We hunted near Quitaque and were the guests of Dean Humphreys, editor of The Quitaque Post. It was our first hunting excursion and we enjoyed it thoroughly. We owe our thanks to V. L. Smith who loaned us a shotgun for the outing.

Speaking of thanks, we want to express ours to Mr. and Mrs. H. L. Dennis. They have a citrus grove downstate and never fail to bring back a load of delicious fruit to The Enterprise every time they visit their farm.

Mr. Dennis says he will retire to that citrus grove some day but we'll lay odds that he'll be building buildings here in Olton for many a day to come. Anyway, thanks folks for some good eating and it tasted better because we knew it was from your grove.

We're going to nominate Major James for the title of Olton's Hunter of the Year.

Today is the 50th anniversary of military aviation and we simply cannot refrain from telling our version of the first air-

# WEATHER IS TOPS

## Crops, Tragedy, Fun, Frolic Make Up Top Stories Of 1956

Weather was the big story in 1956 and was a contributing factor in at least two other top flight news stories affecting this community.

One of the heaviest snow storms in recent years assailed the Plains and Olton in early February. Folks were stranded in their homes. Food supplies were cut off and milk for babies ran perilously low before roads were opened up to allow traffic to pass.

### TOP TEN

1. February snow storm.
2. Crops.
3. Accident kills Olton lad.
4. Widening of Olton Main Street.
5. Olton casts one of nation's heaviest votes.
6. Texas Research Foundation establishes farm at Halfway.
7. City changes form of government.
8. Building.
9. Town celebrates Golden Jubilee.
10. Monsanto Chemical drills oil well near Olton.

Olton doctors even made house calls aboard tractors. Next door neighbors sat the blizzard together in friendly fashion playing parlor games and just talking.

The weather could be held largely responsible for the second ranking story—crops. After snow put down a good underground moisture, the weather cleared away and some of the earliest cotton in history got off to a good start.

A May 10 issue of The Enterprise reported that 75% of the community's cotton crop already had been planted at that date. It was a bumper crop in every respect.

One of the biggest cotton harvests in the history of this area is virtually complete as the 1956

season showed a total of 43,430 bales of high quality cotton ginned at local gins, including the Thompson and Circle Gins.

In the near-perfect fall season, production neared an all-time high with yields averaging by conservative estimate more than a bale and a quarter to the acre.

The 1956 cotton crop was a moneymaker for area farmers with staples and grades better than average, the majority being strict middling and light spot. Prices held between 25 to 34 cents per pound with a higher average price than the 1956 season.

Weather also was the prime factor in one of Olton's tragedies during the year, Lee Poteet, prominent Olton farmer, was struck dead by a lightning bolt June 4 while working with his tractor on his farm eight miles northwest of here.

Tragedy played a big role in Olton current events of the year. Larry Bennett, son of Mr. and Mrs. Bill Bennett, was fatally injured March 17 in an auto smashup four miles west of Plainview. Four other lads were seriously hurt.

The State Highway Department completed the widening of Main Street early in the summer, giving Olton a modern thoroughfare.

Olton won nation-wide attention in November when the community cast 97.9 of its total voting strength in the Presidential election. Stevenson and Kefauver carried the Olton box 573 to 365.

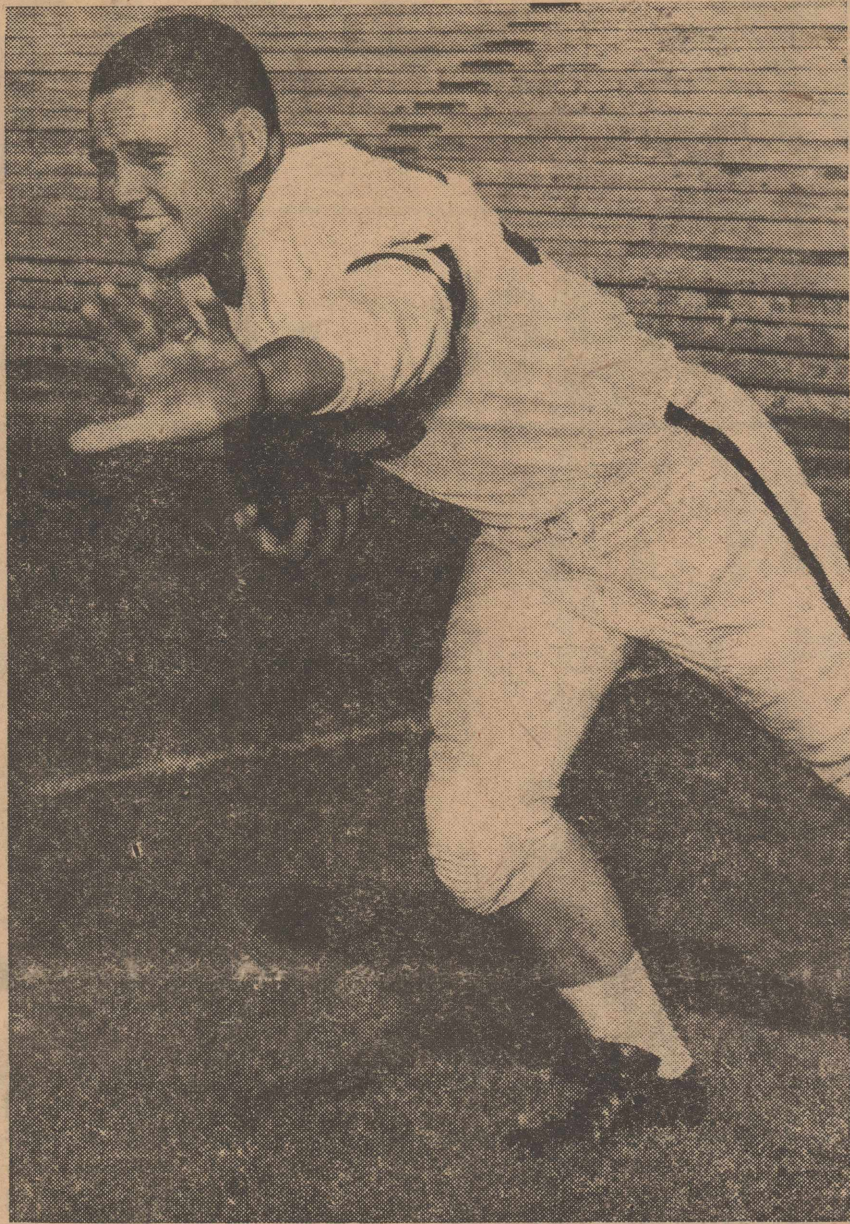

There was a good omen for irrigation farming when Texas Research Foundation elected to establish a research farm at Halfway. The experiment farm is an accomplished fact and the area is now in the process of raising money for its support.

Olton citizens in early April voted to change the form of city government from commissioner-type with a mayor and two commissioners to Councilmanic with a mayor and five councilmen.

Building always is of paramount interest and Olton kept pace with the times with more than \$300,000 worth of building in 1956. Most notable business buildings were Thompson Chevrolet building and the Dennis building which houses Clara's Cafe and Southwestern Public Service.

Olton celebrated its jubilee in June and played host to the two top contenders for governor—Price Daniel and Ralph Yarborough. The town entertained some 5,000 people.

Olton had an oil scare but it amounted to little more than a tremor as Monsanto Chemical Company sank the Char No. 1 in the sandhills only to pull out describing the venture as a dry hole.

ARCHIE SOUTER is a standout football player at West Texas State College. He played in the Tangerine Bowl New Year's Day with the Buffs. Archie was a star on the 1953 edition of the Olton Mustangs. He is now a junior at WT.

### Winners In The Annual Lions Club Decorating Contest Are Announced

The home of Mr. and Mrs. Howard Hall was judged first place winner in the annual Home Decorating Contest sponsored by the local Lions Club during the Christmas season.

Chosen for second and third places respectively were the homes of Mr. and Mrs. Basil Sherman and Dr. and Mrs. Lynn Fite. Prizes of \$15 for first place, \$10 for second, and \$5 for third will be awarded the winners. Decision of the judging committee was reached prior to December 25.

Used as the principal decorating medium for the Howard Hall home were hundreds of multi-colored Christmas lights, these lights outlining the cornice of the house front as well as all the front windows. Asked how many lights she used in her outdoor decorating project, Mrs. Hall could not estimate but said, "I counted 200 just looking out my window one day so the total would far exceed that."

A letter written by the judging committee to the Lions Club contest committee, headed by Eldon Franks, follows: "As the judges of the Olton Christmas lighting, sponsored by the Olton Lions Club, we felt that the Christmas season was truly here. According to the measure of our faith we appreciated the fullness of its message as we drove over the town again and again trying to make decisions. Our final decisions were: 1st place home—Howard Hall 2nd place home—Basil Sherman 3rd place home—Dr. Lynn Fite"

Honorable mention should be given to the following homes: W. B. Dickenson, Shorty Silcott, C. J. Givens, and the Lester Thompson home in the new addition. Since we did not have a list of those entering the contest we just must say that all who had lighted windows or displays of any kind will never know just how much it attracts the attention of anyone driving through your town.

Respectfully, Mrs. Charlie Jones Mrs. Tom Whittaker Mrs. W. T. Clayton

### Heart Attack Fatal To Local Man's Brother

Frank Schenk, 50, brother of John Schenk of this city, succumbed to a heart attack at his home in San Fernando, Calif., Tuesday morning at one o'clock. He had suffered with a heart ailment for the past year but was considered to be in improved condition.

John Schenk and his family were visiting a sister, Dr. Koenia Schenk, in Clovis, NM, at the time the death message was received. Two other sisters, Mrs. Pat Lindsey of Houston and Mrs. Ruby Cutshall of Santa Fe, NM, arrived in Clovis and the group left for California Tuesday afternoon. Funeral services were expected to be held Wednesday afternoon.

Born in Cherryvale, Kansas, Schenk had lived in California for many years. Besides his sisters and brother, he is survived by his wife and one son, Frank, Jr., 9.

and also have a very definite place of recognition. Those who in these days of so many activities and interests can spend time and energy to create the beauty of the Christmas season in their town should be given recognition for their efforts and are a credit to their town.

A home which we were asked by Eldon Franks not to judge was that of Mr. and Mrs. Eldon Franks. The very center of the theme of Christmas prevails in that decoration.

### Pre-School Registration Date Is Set

Registration day for all children who will be six years old by Sept. 1, 1957, is scheduled for Friday, January 18, according to an announcement by Fred Gordon, elementary school principal.

Pre-school children in the Olton school district are to come at 9 o'clock and parents are to pick them up at 11:30 a.m. The children are to bring 30 cents for lunch. Birth certificates are required by Sept. 1, 1957, but parents are asked to bring them on this registration day if possible.

First grade pupils will not come to school this day.

### J. D. Kents Have New Baby Son

Victor Lynn Kent is presumed to have been the last baby born in Olton during 1956. In fact, Victor Lynn almost was a New Year baby.

Son of Mr. and Mrs. J. D. Kent, the young man arrived at 1:50 o'clock the afternoon of Dec. 31, 1956 at Olton Memorial Hospital. Attending physician was Dr. B. J. Souders.

Victor Lynn weighed 7 pounds, 13 ounces at birth. The maternal grandparents are Mr. and Mrs. Roy Patterson of Anton and the paternal grandmother is Mrs. Clarence Fletcher of Risco, Mo.

### Olton Firm Wins Award

Olton Farm Supply has been awarded a trip to the National Western Stock Show January 16 and 17 for outstanding achievement in DeKalb Hybrid Grain Sorghum seed promotion.

The Olton farm store was among the top five mentioned.

### Death Claims John H. Cowart, Area Pioneer

As 1956 faded into the annals of history, one of the early pioneers of this South Plains community passed away. John H. Cowart, 87, who settled in Lamb County at the turn of the century, died of a heart attack at his home in Plainview on December 21.

Funeral services were held at the Lemons Funeral Home Chapel in Plainview on December 24 and interment was in the Lockney Cemetery.

Born on April 23, 1869, at Pilot Grove in Grayson County, Cowart came to Floyd County in 1890. On Nov. 24, 1895, he married Miss Bennie Nichols and to this union four children were born.

In 1901 the family moved to this community and Cowart played an important part in organizing Lamb County in 1908.

Among his contributions to the early growth of the county, Cowart helped build the first school house in this area. It is believed that the first church service in Lamb County was held in the Cowart home. From his early youth he was an active member of the Baptist Church and gave his support to other denominations when Olton could support only part-time ministers, all using the same building.

Following Mrs. Cowart's death in 1910, Cowart and his four children remained together at their home northwest of Olton. In 1919 he married Miss Jessie Sauls of Henderson, Tenn. To them was born one son, Lee.

Cowart sold his farm in 1926 and moved to Plainview where he resided until his death. He is survived by his wife; two daughters, Mrs. Pearl Van Pelt of Crystal Cove, Laguna Beach, Calif., and Mrs. Ruby Newsam, Upland, Calif.; three sons, Loyd and Henry of Olton; Lee of Midland; a brother, Charles Cowart of Silverton; ten grandchildren and eleven great grandchildren.

### Damage Heavy In Vandalism At Springlake

Three Springlake boys have been released on bond after being arrested in connection with vandalism—damaging of two houses near Springlake.

Deputy Sheriff V. L. Smith said about \$3,000 worth of damage was done to the two houses which are located on the Joe Gibson place. The youths were released on \$1,000 bonds.

### Dunn To Be In Olton Next Week

Herbert Dunn, county tax assessor-collector, will be in Olton January 10 and 11 for the convenience of those who have not yet paid state and county taxes.

He will be at Springlake January 12.

Mr. Dunn said poll tax receipts may be obtained at city hall.

### High Plains Water Dist. Election Set

Residents within the High Plains Underground Water Conservation District No. 1 will elect three District Directors and thirteen County Committeemen on January 8.

One committeeman for each of the thirteen counties in the district will be elected to serve a three-year term. Nominees from Lamb County whose names will appear on the ballot are Roy McQuatters, Jay Phillips and L. J. Swanson, all of Route 1, Littlefield.

Resident voters can cast their votes at the Olton City Hall.

# Great January

SALE RUNS THROUGH JANUARY 31st!

THANKS FOLKS for the wonderful business you gave us during 1956. WE'RE STARTING 1957 off with a STORE-WIDE CLEARANCE SALE. Everything in the store is on sale. There are more than 60 full rolls of carpet from which to select.

COME BY EARLY!

# CLEARANCE

*It's a Fact!*

We'll carpet these two rooms and hall, wall to wall (including padding and labor) with genuine Alexander Smith

deep-sculptured *Debutante Wilton* 100% Wool

Regular \$14.95 per square yard on sale for \$10.95 per square yard. This price includes 40-ounce pad. Nothing down and payments as low as \$10.00 per month.

Imagine getting an all-wool quality broadloom for this price! It's no more than you might pay for a radio-TV set!

The pattern is so smart and new... the colors so fast the hottest sun can't fade them. And Alexander Smith has built years and years of scuff-free service into this swanky new carpet.

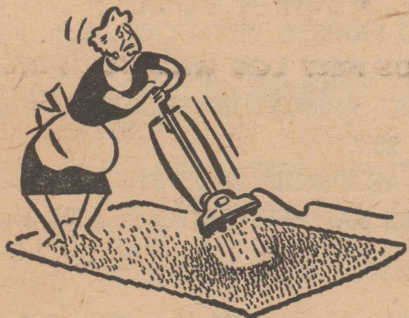

These rooms are average size, containing 31 square yards. This amazingly low price

includes labor, 40-ounce padding and all cutting costs.

Debutante is luxury in every sense of the word... except price. We frankly don't know how Alexander Smith can make it to sell for so little! Colors include: Beige, Grey, Green and Sandalwood. See this fine broadloom...

## There's a BIG Difference in Cotton Carpets!

choose the original **WUNDA WEVE**  
AMERICA'S MOST IMITATED CARPET

Pity the plight of poor Mrs. DeCoven. She chose a carpet that wasn't Loom Woven. Each day she has it, her carpet gets leaner... Its pile disappears in her vacuum cleaner.  
That's why women who know what smart buying's about Buy Loom Woven Wunda Weve—pile can't pull out!

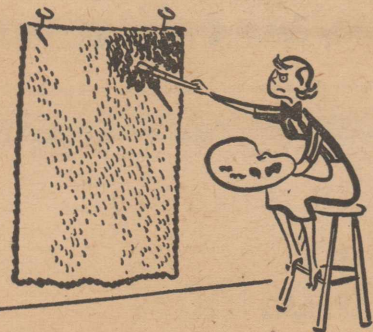

Miss Jay picked a carpet that wasn't All Cotton. She saved a few dollars... how much, she's forgotten. With hard wear and washing, her rug fell apart— She should have bought Wunda Weve right at the start. Of Wunda Weve's wearing, there's never a doubt It's woven of strong, lustrous Cotton Throughout.

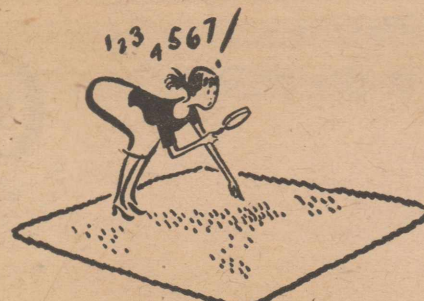

Poor Mrs. Millen—her case is rough! Her carpet was dyed, but not soon enough. Yarns must be Vat Dyed before they are spun For clear even hues that won't fade, streak or run.  
When choosing a carpet, set others aside And wisely choose Wunda Weve—with Colors Vat Dyed.

Here's Mrs. Mularkey from southwest Squeedunk Who picked out a carpet that wasn't Pre-Shrunk. "It's Cotton! It Washes", the sign said above it... But now that it's washed, there's a good deal less of it. With Pre-Shrunk Wunda Weve there's no cause to weep, The size that you buy is the size that you keep!

Sue Drew bought a carpet in "Heavenly Blue"— To go with her curtains... her slip-covers, too. Her blue rug's now gray and poor Sue is aghast— The color she picked was not Colorfast.  
If you want to avoid that color-fade peeve, Make sure that you choose Colorfast Wunda Weve.

"Why should I worry", said young Mrs. Finch, "If my carpet has fewer pile tufts to the inch?" (It cost less to buy, for it costs less to make— But the fewer its tufts, the less wear a rug takes.)  
You'll have no complaints about Wunda Weve's wear— Its thick pile is rugged beyond all compare.

Only Wunda Weve is All Cotton, Loom Woven Throughout. Pre-Shrunk, Raw-stock Vat Dyed, Colorfast, Fully Washable, Easy to Vacuum. Backed By A Written Guarantee.  
See Wunda Weve now in our rug department Room Size Rugs, or Wall-to-Wall carpeting in your choice of 15 Heavenly Decorator Colors.

Regular \$14.95 for only \$8.95 per square yard.  
A saving of \$6.00 per yard.  
Nothing down and three full years to pay.

TUFTS LOCKED IN RUBBER

by "Presidio" Mohawk

This new, all-wool, smart Wilton is attracting admiration far beyond what its modest price would indicate. Presidio's functional loop pile attracts practical homemakers to its reduction of footprints and of "fluffing", and decorators to its colorful textured beauty. Presidio's Embossed Leaf design in medium scale provides gracious setting for contemporary and ranch-

type homes as well as excellent base for traditional decor. By using our convenient Easy Payment Plan, you may completely carpet, wall-to-wall, two rooms for as little as \$15.00 a month with no money down. Three quietly dramatic moresque colors and four plains all offer subtle, high-style background for home charm and relaxation. Available in 9', 12' and 15' widths.

Regular \$12.95 per square yard for only \$9.95 per square yard.

NOTHING DOWN AND THREE YEARS TO PAY.

All scouts and those interested in scouting are urged to attend. Boys from ages 11 to 14 are eligible.

## Christmas Party Fetes Junior GA's

SPRINGLAKE—Members of the Junior Girls' Auxiliary were entertained with a Christmas party in the home of Mrs. Ernest Green recently. Games, Christmas cards, and a devotional period made up the program.

Frosted punch, cake and candy were served to Virginia Burton, Kay Sanders, Theresa Burton, Joyce and Judy Jones, Carolyn Burton, Donna Kay Watson, Mary Hucks, Jeraldine Matlock, Mrs. H. A. McClanahan, and Mrs. Green.

## Gleaners Class Entertains

SPRINGLAKE—Marking the holiday season with a Christmas party were members of the Gleaners Sunday School class as they met in the home of Mr. and Mrs. Harlon Watson.

Gifts were exchanged after games directed by Mrs. John Williams. Bill Matlock, who is to enter the army January 8, was presented a pocket-size Bible.

Refreshments of sandwiches, potato chips, relishes, cookies, tea and coffee were served to the following: Mr. and Mrs. Bill Matlock, Mr. and Mrs. John Bridges, Mr. and Mrs. Z. T. Byers, the Rev. and Mrs. John T. Williams, Mrs. Don Stout and James Allen, Mr. and Mrs. Ernest Baker, Mrs. Leslie Watson, and Monty Watson.

## Christmas Mail Volume Reaches All-time High

The biggest stamp-selling day in the 48-year history of the Olton Post Office was on Dec. 17, according to I. B. Holt, postmaster, as Christmas mail handling reached an all-time high during the 1956 season.

During the Christmas card mailing season, 55,000 two-cent stamps were sold, and Holt estimated that 20 per cent of those sending cards used three-cent stamps.

The number of Christmas packages handled through the local post office was of record volume also.

## CONDITION UNCHANGED

The condition of Tom Rodgers, 94, a patient in Olton Memorial Hospital since September 26, remains unchanged.

## MEETING SCHEDULED

Mrs. Carol May will be in charge of the program on "Biblical Teachings on Home and Marriage."

## Miss Gwendolyn Beard And Paul Gene Stockemer Wed In Fort Worth Ceremony

MRS. PAUL GENE STOCKEMER

In wedding rites read Friday afternoon, December 23, in the Travis Avenue Baptist Church of Fort Worth, Miss Gwendolyn Beard, daughter of the Rev. and Mrs. B. C. Beard of Star Route 2, Olton, became the bride of Paul Gene Stockemer of Fort Worth.

Parents of the bridegroom are Mr. and Mrs. Ralph W. Stockemer of Warren, Ark.

Officiating at the ceremony was the bride's father, pastor of the Hopewell Baptist Church of this community. Playing traditional wedding music was the organist, Mrs. Jesse N. Sutton of Ranger, sister of the bride. "Because" and "The Lord's Prayer" were sung by the soloists, Jesse N. Sutton of Ranger, the bride's brother-in-law, and Milton R. Smith of Houston, the groom's brother-in-law.

Given in marriage by her brother-in-law, James Robert Taylor of Bryson, the bride wore a white velveteen, waltz-length gown styled in princess lines and with a V neckline. Her veil of silk illusion was attached to a halo of seed pearls and sequins. She carried a white Bible overlaid with a white orchid showered with Stephanotis.

Attending the bride as maid of honor was Miss Peggy Morris, niece of the bride from Lampasas.

Charles Tope of Crockett served as best man. Ushers were Jerry Michel of Marble Falls and Benjamin R. Smith of Warren, Ark., nephew of the groom. Nieces of the bride serving as candlelighters were Marcia Sue and Theronne Rue Burlison of Texarkana.

Following the ceremony a reception was held in the banquet hall of the church. Assisting with hospitalities were Mrs. David McCubbin, Misses Margie Ferguson, Shirley Williams, and Betty Wood, all of Fort Worth.

The couple will be at home at 1436 Hammond, Fort Worth, after a short wedding trip. For traveling the bride chose a

black suit with black and powder blue accessories.

The bride graduated from Baylor University in 1954 and is a teacher in the Fort Worth public schools. A 1954 graduate of the University of Houston, the bridegroom is now a third year student in the School of Theology, Southwestern Baptist Theological Seminary of Fort Worth.

Out-of-town guests attending the wedding ceremony were the bride's parents, the bridegroom's parents, the Rev. and Mrs. Irvin Burlison and daughters of Texarkana, Mr. and Mrs. Harold Hitt and sons of Eastland, Mr. and Mrs. James Robert Taylor of Bryson, Mr. and Mrs. Jesse N. Sutton and daughters of Ranger, Mrs. Lola Binder and Mrs. Hazel Richmond of Shreveport, La., Milton R. Smith of Warren, Ark., Bill Harris of Houston, and Mr. and Mrs. Morris Watson of Dallas.

## WMS Holds Business Meet

"Wonderful Words of Life," led by Mrs. Gene Cade, opened the regular business meeting of the Women's Missionary Society Monday afternoon at the First Baptist Church.

Opening prayer was led by Mrs. W. E. Andrew and the devotion was brought by Mrs. W. C. Gunter, Jr. Following reports from the various circle chairmen and committees, Mrs. Gunter dismissed the group with a prayer.

Members present were Mesdames Kenneth Campbell, John Lewis, Bob Hipp, Hubert Waldrop, Robert Edwards, Barton Prestridge, Jack Estes, Wallace Hackler, Maud Funderburk, C. B. Turner, William DeBerry, C. W. Phillips, Tom Perry, Jr., Milford Lambright, Cade, Andrew, and Gunter. There was one visitor, Mrs. Ray Roberts.

## LETTERS to the EDITOR

December 17, 1956

The Editor  
Olton Enterprise  
Olton, Texas

Dear Sir:

I have recently learned that Olton celebrated its 50th anniversary last summer and that you published a special edition in honor of the occasion. Do you, by any chance, have a copy of this special edition left? If so, I would very much like to have one. I have no idea how much it may cost, therefore I am enclosing one dollar.

My husband and I lived in and near Olton many years ago. In fact, as a boy, my husband helped paint and set the stakes which first marked the blocks of the newly laid out town site.

Sincerely,  
Prudence B. Craig

### GP Program To Go Into Effect

State Conservationist H. N. Smith of the US Soil Conservation Service today announced plans to take quick action to put into effect the stepped-up Great Plains program in this state.

Smith said that he has called a conference of state leaders of agricultural programs and agencies in Texas for January 11 at College Station to blue-print the plan of action on the farm and range lands of the 85 counties in that portion of the state.

The administrative responsibility for and leadership in the Great Plains program was recently placed on the Soil Conservation Service by Secretary of Agriculture Ezra T. Benson.

Smith pointed out that Secretary Benson's order provided for the combining of the resources of the Department of Agriculture's various agencies in a step-by-step process for making long-time adjustments in land use, cropping systems, and in the treatment of cultivated lands and range, under the climatic hazards of the Great Plains.

The Great Plains program, brought into being by Public Law 1021 only last August, is designed to give farmers and ranchers, in the Great Plains area of the ten involved states, both immediate and long-range help in the use of their land within its capabilities, Smith pointed out.

He explained that Public Law 1021 authorized an appropriation of not over \$150 million for a 15-year period. Funds to aid farmers and ranchers are expected to be available after July 1, 1957. Expenditures may not exceed \$25 million in any one year.

The program will apply in counties to be designated by the Secretary of Agriculture in portions of Colorado, Kansas, Montana, Nebraska, New Mexico,

North Dakota, Oklahoma, South Dakota, Texas and Wyoming. "The continued drouth in these states has emphasized the need for such a program to help develop a more stable farm and ranch economy in this region," Smith said.

Wind erosion conditions in the Great Plains area of Texas are serious with 403,000 acres damaged during October and November. Approximately 6,500,000 acres in a 68 county area of northwest Texas are in condition to be damaged by wind erosion this winter and spring, Smith announced.

He emphasized that the Great Plains program is not an annual or disaster type program nor does it replace any other existing agricultural program.

"This is a way to an enduring agriculture based on the capabilities of land and geared to the climatic hazards that we all know are ever-present in this important area," he said. "It is not a production adjustment or an income supplement program. It is a voluntary program with long-term assurance of needed financial help for a complete soil and water conservation plan applied to individual farms and ranches."

"The program," Smith added, "will point up the responsibility of local people in fitting their agriculture to the capabilities of the land and the hazards of climate. This responsibility is shared by farmers and ranchers, soil conservation districts, county committees, county commissioners and by all other groups, urban and rural, interested in the economy and the development of their home areas."

**Cleo Smith To Head Alumni Group In 1957**

Cleo Smith was elected president of the Olton Ex-students and Ex-teachers Association at the annual alumni banquet held Thursday evening in the school cafeteria.

Others installed to serve the organization during 1957 were Mrs. R. V. Allcorn as vice-president and Edd Lynn Burrus as secretary-treasurer.

Exes present voted to stage

the annual affair on December 27 for the next ten years unless that date falls on a Sunday, in which event it will be held the following day.

Roderick Shaw, 1940 graduate who is associated with a law firm in Lubbock, gave the response to the welcome presented by Delmer Givens. Donald Mason, senior OHS student and Explorer Scout, explained the functions of the recently formed Olton Ground Observer Corps.

Among the 54 out-of-town guests, was Miss Mattie Sue Howell, former Olton teacher who is now teaching in a junior

**LOCAL SOLDIER TAKES PART IN CEREMONY**

SAUMUR, FRANCE—PFC Dale L. Adair, 20, son of Mr. and Mrs. D. B. Adair of Olton, recently participated in memorial ceremonies in France honoring French and American heroes and war dead.

Adair, a truck driver at the Saumur Signal Depot, entered the Army in January 1955 and arrived overseas last May.

college at Nashville, Tenn. Approximately 116 exes registered for the banquet.

**Farm Bureau Board Studies Labor Problem**

The availability and accessibility of farm labor were discussed at a Farm Bureau Board of Directors meeting Thursday night in Littlefield.

Guests were Joe Salem and Paul Lewis, members of the advisory committee of five counties to the Texas Employment Commission. Harry Engleking of Pleasant Valley was appointed chairman of a labor committee with Leonard Albus of Pep and C. C. Slaughter of Fieldton appointed to work with him. The committee is to meet the first week in January and report their findings to the board on January 10.

Attending the meet were LeRoy Hackler, Olton; W. R. Boone, Springlake; Harold Allison, Oscar Allison, Harry Engleking, E. K. Angeley, Forrest Greene, and Doyle Turner, Pleasant Valley; Ted Hutchins, Spade; Bobby Short and C. C. Slaughter, Fieldton; Jack Fisher, Sudan; Herman Neuenschwander, Jack Wattenbarger, and Skipper Smith, Littlefield; and Mrs. W. O. Stephens, office manager of Sudan.

**Pioneer Resident Now Songwriter**

A novel Christmas gift to each of his six children was indeed a personal undertaking with C. T. Mason of this city. Each received a recording of a song written and sung by Mr. Mason.

After composing the song, a sentimental number entitled, "Coming Back To Tennessee," several weeks ago, Mr. Mason went to Lubbock and had the song recorded at KSEL. He modestly proclaimed that the personnel and accompanist at the station complimented him on both his song and his voice. Needless to say, he has received much pleasure in anticipating his children's surprise when they receive the recording and hear their father's voice. He also sent one to his brother in Virginia and to his sister in Tennessee.

Mr. Mason, 78, had quite an eventful year in 1956 and lived it with great zest. He made an extended auto tour through the western states visiting relatives and children, took his first plane
