OLTON, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 24, 1957

Number 56

We've had a suggestion for our project for 1957. Mrs. Frank Farrar suggests improvement of the school play ground. Fred Long comes forth with the same suggestion.

We were happy to learn that our friend, Ralph Yarborough is going to be a candidate for the US Senate. We're going to be supporting Judge Yarborough again if nothing happens to change our mind.

We heard some folks—mostly the daily press—declare that Judge Yarborough is an incompetent.

Here's how incompetent the judge really is.

He holds a degree in law from the University of Texas. His family has lived in Texas for more than 100 years. Price Daniel brags that his wife is an offspring of Sam Houston.

One thing for certain, Ralph Yarborough is no TEXAN BY MARRIAGE. His family roots are deep in the Lone Star Soil.

He served as a member of the US Chamber of Commerce staff in Berlin. Was assistant attorney general under James V. Allred and then served as a light colonel under D. D. Eisenhower in Europe.

Later he went to the Pacific and there served as military governor of one seventh of the area and peoples of Japan responsible to General Douglas MacArthur. The judge also is a former district judge.

To say that he is an incompetent is to tar both Dwight D. Eisenhower and Douglas MacArthur with the same brush.

Olton Lads Nip Wolves Bow To Canyon

Olton's boy cagers have won a game and lost a game during the past week.

The boys won over Dalhart 51 to 37 here last Friday night. Kirk McAdams was high point man with 18 points and Teddy Jack Estes was second with 15 points.

Don Edwards tallied for 7 points. Canyon's Eagles clawed Olton 66 to 42 Tuesday night. McAdams made 20 points and Edwards 10 points.

Olton's girls lost to Dalhart 43 to 47 and to Canyon 41 to 29. Brookie Johnson was high point in both games.

Olton plays Muleshoe there Friday night and Tulla here next Tuesday night. There will be boys and girls games.

Cafes To Aid March Of Dimes

With activities centering around the March of Dimes campaign reaching a climax, Ralph Glover, head of the local drive, announced that coffee will be sold for ten cents per cup next Wednesday in the local cafes.

All proceeds above the customary 5 cents charge will be donated to the March of Dimes. Participating cafes are Clara's Ideal, Spotlight and R & H.

Poultry Meeting Scheduled

Representatives of the DeKalb Company will hold a meeting with Olton poultry men at Olton Farm Supply at 7:30 o'clock Thursday evening of next week. DeKalb hybrid poultry and caged layers will be discussed.

Varied Business Matters Taken Up At January School Board Meetings

At the regular meeting of the Olton school board Tuesday night, January 8, J. A. Williams was re-elected as high school principal, Fred Gordon as grade school principal, Joe Turner as head coach, and Fred Stockdale as band director.

The board accepted the resignation of Mrs. Doyce Landtroop Janes and employed Mrs. Jimmie Jenkins to replace her as a third grade teacher.

It voted to purchase the chassis for two school buses for next year, bodies for which will be reconditioned.

Considerable study and discussion were entered into concerning school regulations as presented by the State Board of Education and other proposals coming before the legislature that would affect the Olton schools, such as 20 credits being required for graduation in place of the current 16 and physical education being a requisite for all students.

Appointed to the 1957-58 textbook committee were Mrs. Roye Aikman, Mrs. Lee Brice, Mrs. Dennison Barnett, and Mrs. Carl Hooper, reading; Fred Stockdale, band; David Houghton, commercial; Mrs. J. A. Williams, speech; Fred Gordon, grade school subjects; J. A. Williams, high school subjects; and Carl Macon, textbook custodian.

Trustees present for the meet were C. T. Sides, Laus Hair, Owen Jones, L. H. Neinst, I. V. Fent and V. Y. Jefferies.

At a called meeting following the Lions Club luncheon, January 15, which the trustees attended as guests of Supt. Carl Macon and Laus Hair, the board voted to purchase a hot water boiler for the school lunchroom to replace the present hot water heaters. Explanation was made that water heaters burn out quickly in maintaining the 180 degree temperature required by the State Health Department, thereby being neither practical nor economical.

Members favored trying to purchase blocks 113 and 114, the property west of the school now

Lamb County Spelling Bee Is Set For March 16

Several seventh and eighth graders will be "word conscious" during the next two months as they compete for the honor of representing the Olton school at the Lamb County Spelling Bee to be held in the District Court Room at Littlefield on March 16.

Each school in the county will be eligible to enter two contestants this year.

This bee, sponsored by the Lubbock Avalanche-Journal, is open to all students who have not reached their sixteenth birthday at the time of the national finals, June 6, 1957, and who have not progressed beyond the eighth grade at the time of their own school finals.

Each participating school will be expected to furnish one judge. In most cases, the judge will be the teacher who has been working with the contestant and is familiar with the regulations governing the bee. Mrs. B. C. Cooner and Mrs. John Campbell, seventh and eighth grade teachers, are working with the Olton students.

Pat Boone, Jr., of Littlefield will pronounce the words.

With all contestants receiving ribbons, the Lubbock Avalanche will award a prize to the winner from each individual school. The contest winner will enter the district meet which is scheduled for Saturday, March 30, at the O. L. Slaton School in Lubbock.

GOC Training Meet Is Set For Monday

A training meeting for the Olton Ground Observer Corps will be held at 7:30 p. m. Monday, January 28, in the Legion Hall, according to an announcement from Bob Duncan, head of the local unit.

This will be the third and last training session conducted by Sgt. Calvin G. Doyle of Amarillo for those volunteers interested in this phase of civil defense. Observation posts have been located all over the United States and are manned by civilian volunteers.

Any individual who is willing to devote a little spare time to the Olton observation post is urged to attend.

Houston Hamby Sweeps Three Classes In Amarillo Stock Show Lamb Exhibit

Olton FFA Chapter dominated the lamb show at the Amarillo Stock Show which is now in progress.

In addition to this, the chapter has made an impressive showing in livestock judging contests over the area the past few days.

Animals shown by Houston Hamby led the Blue Ribbon parade at the Amarillo Show. Young Hamby exhibited both the grand and reserve champions in the Southdown lamb show. A lamb shown by

Darrell Dennis was third and Ronnie Dennis showed the sixth place winner. An animal exhibited by J.

Curtis Hall was 17th in the same class. Jackie Pinson showed the 24th place lamb. Some 100 lambs were in the competi-

tion. Houston Hamby showed another champion in the medium wool class. Royce McFadden ex-

hibited the reserve champion as well as the fifth place lamb. A lamb shown by Don Kidd was sixth place winner.

Lonnie King's lamb was 10th and one showed by T. J. Smith was 16th. In that contest were 80 lambs.

In the group class it was Houston Hamby again. He showed the grand champion pen of five and Darrell Dennis showed the reserve champion pen of five.

Then to top it off, the Olton FFA chapter exhibited the grand champion school group of 10 lambs in the Tri-State show in competition with schools from Texas, New Mexico and Oklahoma.

State Winners
J. C. Lane, Olton agriculture instructor, pointed out that no grand champion of the show was named. The Olton boys went as high as possible in the classes entered.

Mr. Lane also noted that the lambs entered in the show were bred right here at Olton.

Olton was on the winning trail again as the swine show opened. Randall Small showed the second place pen of three Spotted Poland Chinas and the fifth place pen of heavyweight Poland Chinas.

DeVern Mandrell showed the third and fourth place lightweight Spotted Poland Chinas. These swine were bred by Les Kennedy of Olton. The swine show still was in progress Monday.

Judging Honors
Olton's livestock judging team was fourth among 20 teams last Thursday at Tulla. The team was made up of Royce McFadden and Darrell Dennis. John Paul Jones was alternate.

Olton's 4-H Club team, made up of Ronnie Dennis, James Carson and John Adams, with Lenon Young as alternate, was first place winner. Ronnie Dennis won individual top honors for the show and John Adams was tops in beef cattle judging.

Olton's senior team was first and its junior team second in a contest held here last Saturday for schools of the Littlefield District. Six school participated.

Plaques were presented to winning teams and belt buckles to high individuals by the Lamb County Farm Bureau.

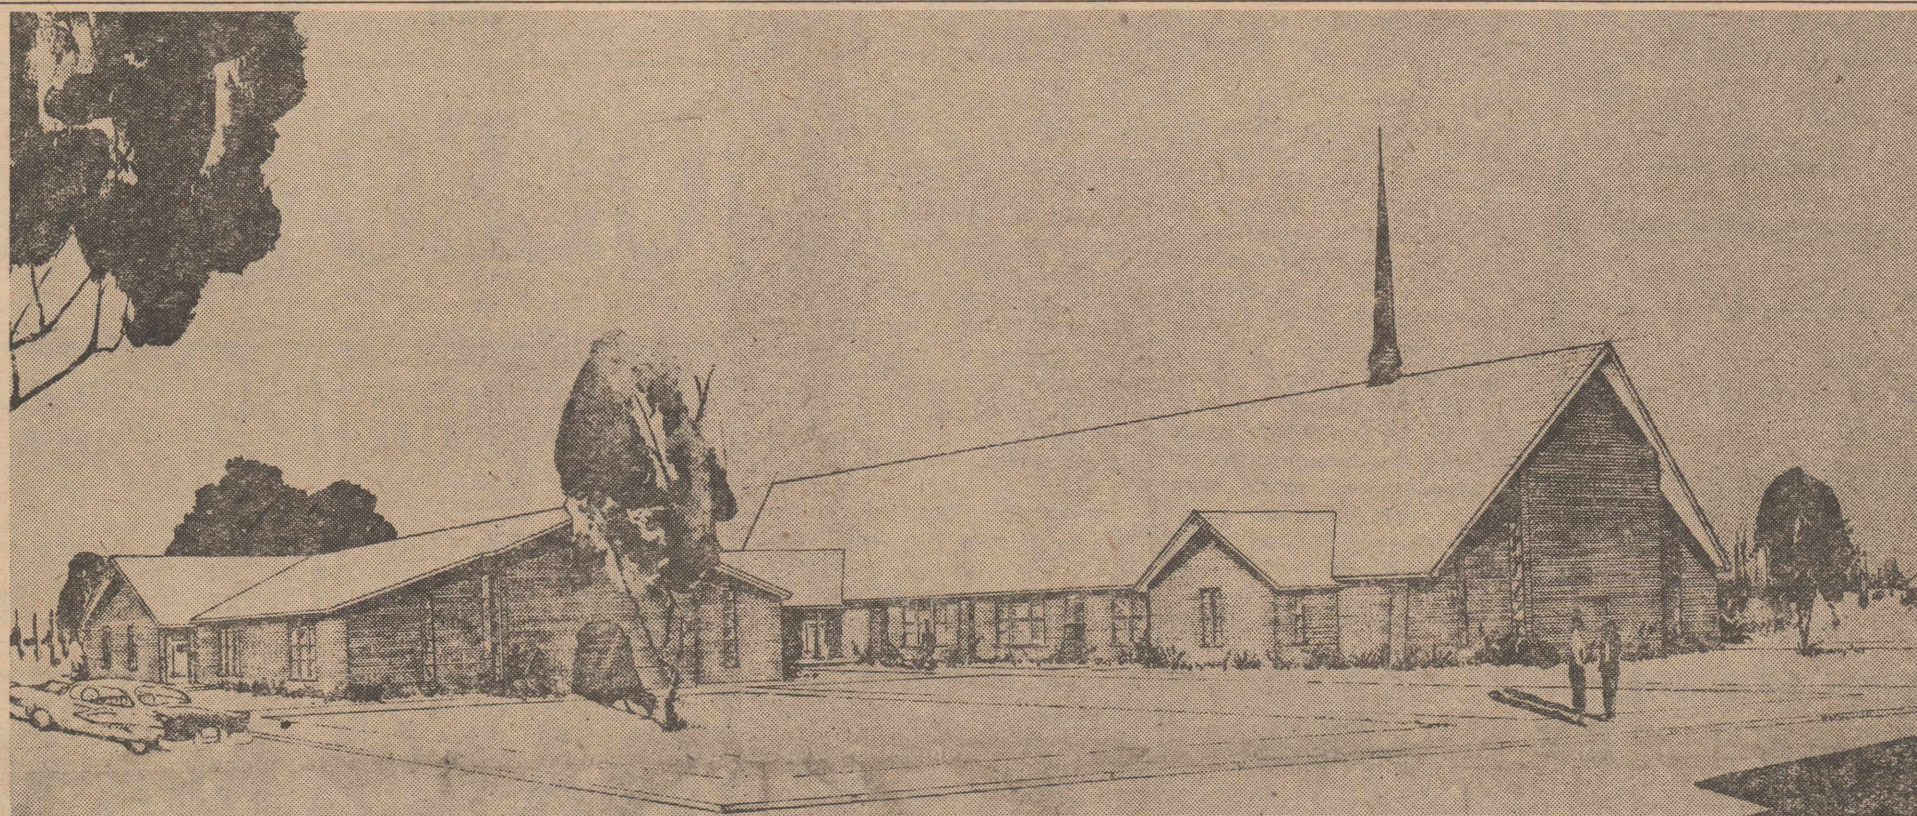

Muleshoe was second in the senior division and Spade was first in the junior division.

Olton's senior team was made up of John Paul Jones, Ronnie Dennis and Houston Hamby. The junior team was made up of Roy Neal Jones, Eugene Howard and Meredith Lewis. Roy Neal Jones was high in the junior division.

Olton's team was sixth in a field of 20 teams at Hereford last Saturday. The team was made up of Bobby Johnson, Douglas Smith and James Carson. Douglas Smith was high individual.

Olton FFA chapter will enter two teams in the Amarillo contest next Thursday. One team will consist of Douglas Smith, John Paul Jones and Ronnie Dennis and the other of John Adams, James Carson and Darrell Dennis.

IN VERNON
Mr. and Mrs. Angus Davis were Vernon visitors over the week-end.

SHOWN ABOVE is an architectural drawing of the new Olton Methodist Church, construction of which is anticipated for early spring of this year. To be located on Third Street, facing south, between Ave. C and Ave. D, the one-story structure will be of brick construction. The sanctuary seating capacity is for 412 plus 34 choir seats and will contain 5,550 square feet. The educational building, consisting of 20 classrooms, a 28 x 49 foot fellowship hall, kitchen, and various other rooms, will contain 6,440 square feet.

Refrigerated air and central heating have been specified in the building plans. Architect Hoyse McMurry of Lubbock has been assured by contractors that the building cost will not exceed \$113,000. In accordance with the vote of the local Methodist congregation, construction will get underway when approximately one-half of the total cost has been raised. Plans are for the present church building to be sold.

Olton To Host Lamb County Farm Field Day Talks Next Tuesday

Olton will play host to Lamb County farmers in a field day program to be staged at Olton High School Auditorium Thursday of next week.

Sponsoring organization is the Olton Farmers Union chapter. Featured on the program will be a number of outstanding farm speakers.

The program will get underway at 10:15 o'clock with a discussion of Plains Cotton Growers by a Mr. Pfeifferberger of Lubbock, who is executive vice-president of the Plains Cotton Growers Association.

He will give Lamb County farmers some valuable information on the new cotton grading house at Lubbock. Mr. Pfeifferberger also will explain a new type of grading being employed at the grading house.

Dale Carter, with the ASC at 10:30 o'clock. He will discuss the entire farm program for this year including the soil bank.

Mr. Carter will be in possession of the latest information from Washington, DC, on this subject.

Next on the program will be Dave Sherrill, Lubbock county agent, who will discuss cotton burs for fertilizing. Practice of using cotton burs for fertilizer has become wide spread here during the past few years.

Don Lawson of Western Cottonoil will discuss commercial fertilizer at 11:50. Mr. Lawson will go into such aspects as the effect of fertilizer upon the growth, maturity and grades of

DAVE SHERRILL

cotton.

Mr. Lawson's talk will be followed by a 20-minute question and answer session.

At 1 o'clock the group will be guests of Western Cottonoil at a luncheon at the Olton School Cafeteria.

At 1 o'clock Don Jones of the Lubbock experiment station will discuss the area's leading crop—cotton. Mr. Jones is said to be one of the area's best informed men on both cotton and grain sorghums.

Winding up the sessions will be Dr. T. C. Longnecker of the Halfway research farm.

Among those present for the occasion will be W. R. "Bob" Kimbrough, Lamb County farm agent.

Military Rites Held For Former Olton Resident

Military funeral services for Lt. George Richards, 32, who died in the crash of his AD6 Skyraider near Las Vegas, Nev., Wednesday, January 23, were held Monday at LaJolla, Calif.

Interment was in the Rosecrans National Cemetery at Pt. Loma, Calif.

Lt. Richards was on his 17th training flight when the crash occurred. He reportedly was flying about 100 feet from the ground in formation with two other planes.

Born Feb. 23, 1925, in Wellington, he moved to Olton with his parents in 1926 and received his schooling in the Olton Public Schools. While in high school, he was a member of the basketball and football teams and the Mustang Band. He graduated with honors in 1942 and attended Texas Tech for one year before entering the Annapolis Naval Academy, becoming the only Olton resident to have at-

tended the school.

After receiving his commission from Annapolis with the class of 1947, he was attached to the Bremerton before going into the LTA service flying blimps, being stationed at Lakehurst, N.J., and Key West, Fla. Three years ago he was transferred to the heavier-than-air service and was stationed in Pensacola, Fla., and Corpus Christi. From there he went to the Miramar Naval Air Base at San Diego, Calif., where he was attached to a squadron.

He and Miss Marilyn Scholtz of Newark, N.J., were married in San Francisco, Calif., in September of 1947. They had two sons, Kurt 9, and Chris 4. The family was residing in LaJolla at the time of Richard's death.

Lt. Richards was a member of the Olton Methodist Church.

Mr. and Mrs. George Richards, Sr., of Springlake, parents of the deceased, and his sister, Mrs. Owen Norfleet, her husband and children, flew to Los Angeles late Wednesday night after being informed of the crash.

Several area residents made the trip to California to attend the funeral services. They were Ray Slatten, Jack Slatten, Roye Aikman, Paul Burrus, Edd Lynn Burrus, all of Olton; Curtis Wilkins, Littlefield; R. L. Richards, Plainview; Ernest Green, J. B. James, Arnold Washington, and Fred Smith, Springlake.

IN DALLAS

Bert Thomas and Mrs. Guy Vaughn visited recently in Dallas.

Natzger Heads Farm Co-Op Group

P. A. Natzger was named president of the Olton Cooperative Producers Association Tuesday night as that group met at the school agriculture room.

M. L. Aven was named vice-president and W. T. Hall, Jr., was named secretary.

Two new directors were elected. They were W. T. Hall, Jr., and Elmer McGill.

Members of the organization heard a financial report from Elvis Hatley, executive secretary. The organization is concerned with procuring Mexican Nationals for farm labor.

Band Booster Meet Scheduled Tonight

A called meeting of the Band Boosters has been set for tonight (Thursday) at 7:30 o'clock in the Band Hall, according to an announcement of Fred Stockdale, band director.

An outline of this semester's work for the band will be presented and discussed. All band parents are urged to attend the meet.

Adams Tractor Will Hold Open House Saturday

Adams Tractor Company will hold open house at the company building Saturday.

On display will be Ford Tractor's complete line of factory installed LP gas tractors for 1957. Open house will be from 9 o'clock in the morning until 6 o'clock Saturday evening.

Looking through an old college notebook other day, which included notes on Foods and Sociology.

(Don't ask me why the two subjects are combined. The two classes weren't combined. I just must have run out of notebooks!) Anyhow, read a little food for thought among the sociology notes. It was a discussion on RUMORS, and the last sentence was,

"Rumors thrive on ignorance."

Noticed not long ago that the Texas Tech speech department was including in some of its contests, Bible reading. I was thrilled. Maybe courses in Bible reading are being added to speech departments in many other places. I hope so.

Of all the beautiful drama, poetry, prose, philosophy—all types of literature—the Bible contains some of the best. Granted.

But of all the beautiful drama, poetry, prose, philosophy, etc. ever read, the Bible is probably butchered more than any other one source.

More people do read it, but fewer people really know how to read it, it seems. Consequently, I claim we miss the meaning or application the most of the time. We deprive ourselves of a very rich listening experience. So, power to all pioneers on how to read the Bible!

You know, having "been with" Mr. Eisenhower on January 14 as we were made watching the inauguration on TV Monday very much more personal and thrilling. I suppose that January 14 was a historic day in our lives. A

sort of red-letter day. 'Twas interesting to note that almost every detail of the entire inaugural is actually tradition. Except for the TV cameras, of course.

i-t-6

Guess I should have expected it, but I didn't.

My first trip to a TV station Saturday night was somewhat disillusioning. Just like a glimpse backstage after seeing only the glamorous performers and a convincing stage setting—the finished product.

But honestly! I believe I'd succumb of claustrophobia in that place—KDUB-TV. That one, relatively small, room, with backdrops and props of all sorts, behind which three cold, impenetrable cement block walls loomed—00-00-00-00.

Then the observation booth was as bad or worse, for there you are way up high, and the ceiling is so low you practically bump your head.

Yvonne (Williams—she and Don accompanied us) did bump her head on the first pane of glass in the front. You know how it is—there are two glass panels, and you judge distance by the second pane, but that's wrong. The first pane is a few inches closer to you than the second.

Makes you feel like a fool. I was glad she did it first.

Was proud of our editor, though, even though he was rather outnumbered most of the time.

Kinda' hurt my feeling too. They (at the station) have an archaic idea of "country editors." That phone they use to ring the program on! Honestly! I wanted to tell them we don't use phones like that anymore. Besides, we don't call ourselves "country" editors anymore, either. And furthermore, the truth is that most newspaper reporters dream of owning their own WEEKLY newspaper.

If they only knew!

DeVeryl Daugherty Installed As Worthy Advisor Of Order Of Rainbow For Girls

MISS DEVERYL DAUGHERTY

With her chosen colors of yellow and white forming a decorative setting, Miss DeVeryl Daugherty was installed as Worthy Advisor of Olton Assembly No. 141 of the Rainbow of Girls in ceremonies held Saturday evening in the Masonic Hall.

Daughter of Mr. and Mrs. Bob Daugherty, DeVeryl is a junior student at Olton High School where she is a member of the Mustang Band, choir, and the Future Homemakers of America.

For her installation DeVeryl wore a floor-length gown of white net with lace ruffles cascading down the full skirt.

Her rostrum held an open Bible from which stemmed streamers of rainbow colors and was highlighted by a white archway entwined with yellow roses and greenery.

Centering the recorder's desk was an arrangement of yellow jonquils flanked with yellow candles. Blue and yellow iris and yellow candles graced the reception table from which golden-yellow punch and a white cake decorated with yellow roses were served by Miss Linda Franks and Miss Betty Lou Sides.

Installation ceremonies were carried out by the installing officer, Linda Franks; installing marshal, Betty Lou Sides; installing chaplain, Betty Jane Bryant; installing recorder, Torchie Cure; and installing musician, Mrs. Eldon Franks.

DeVeryl was presented a gavel by the installing officer to be used during her term of office, January through April.

Mrs. Everett Loveless was installed as the Mother Advisor to serve for the next year.

Also installed was the new advisory board consisting of Mr. and Mrs. Louis Hair, Mr. and Mrs. Everett Loveless, Mr. and Mrs. Cass Kirkpatrick, Mr. and Mrs. Owen Jones, Mr. and Mrs. Bert Stewart, Mrs. Delmer Givens, Mrs. J. C. Brown and Mrs. Leo Ross Bryant. Mrs. Hair is

chairman of the board. Miss Latrell Stewart, the outgoing Worthy Advisor, was presented with the Rainbow pin by Miss Juanelle Hatley and the Rainbow Bible by Miss Becky Hall. Miss Charlotte Loveless presented her with a dozen red roses. The new Worthy Advisor placed on her head a crown of red roses.

Latrell presented the Mother Advisor and her officers with gifts, and DeVeryl gave a gift to her parents, Mr. and Mrs. Daugherty.

The chosen theme of the new Worthy Advisor is "Help Others" and her motto is the Golden Rule. Her dedication was to her family.

To serve with DeVeryl are the following officers: Worthy Associate Advisor, Charlotte Loveless; Charity, Juanelle Hatley; Hope, Becky Hall; Faith, Renee Givens; Chaplain, Judy McKinzie; Drill Leader, Lana Hair; Recorder, Latrell Stewart; Treasurer, Torchie Cure; Confidential Observer, Janice Galloway; Outer Observer, Nancy Brown; Love, Barbara Kirkpatrick; Religion, Geneva Curry; Nature, Cecilia Galloway; Immortality, Marilyn Jones; Fidelity, Janet Oak; Patriotism, Alice Ross Bryant; Service, Betsy Maxey; and Musician, Joyce Curtis.

The choir is composed of Bettie Daniel, Linda Franks, Betty Bryant, Gloria Finney, Kay Granbery, Marceia Reisdolph, and Betty Sides.

Guests for the installation ceremony were registered by Miss Yvonne Pinkerton. Out-of-town guests were Mr. and Mrs. E. L. Jeter of Lubbock, DeVeryl's aunt and uncle.

**Rehearsals For
 P-TA Play To Get
 Underway Monday**

Rehearsals for the P-TA play to be produced February 8 will get in full swing next week, following a preliminary meeting of the cast and directors last Monday evening.
 "Every Family Has One" is a three-act comedy by George Batson and portrays a typical American family whose eccentricities, if hilarious, are only normal.
 Rehearsals will get underway Monday evening at 7:30 o'clock in the high school auditorium and will continue throughout the next two weeks under the direction of Mrs. Harry Ford and Mrs. Troy Martin.

Two new cast members are Mrs. Joe Turner and Mrs. Howard Buchenau, replacing Mrs. Ray Slatten and Mrs. Lee Brice.

Production committees for the play are as follows: props and scenery, Mr. and Mrs. Melvin Hines, co-chairmen, Mr. and Mrs. Louis Hair, Mr. and Mrs. Basil Sherman, Mrs. Leon George, and Mrs. Jim Fite; make-up, Mrs. Charles Loveless and Mrs. Fred Thompson; and publicity, Mrs. Mardema Ogletree, Mrs. Howard Buchenau and Mrs. Joe Chester.

In charge of advance ticket sales are Mrs. Marcus Breland, chairman, Mrs. Frank Struve and Mrs. Brent Burrow. Tickets are priced 75 cents for adults, 50 cents for high school students, and 25 cents for grade school students.

CARD OF THANKS

I would like to take this means of thanking everyone for the flowers, gifts and beautiful cards and messages sent me while in the hospital. I would also like to thank the doctors and nurses who gave their time and patience for my every need and comfort. May each one be richly blessed for the consideration given others.

**Various Plans
 Laid At Manuka
 Neighborhood Meet**

A report of the recent Caprock Council meeting in Lubbock was given by Mrs. Paul Burrus at the regular meeting of the Manuka Neighborhood last Thursday afternoon at the Girl Scout House.

It was decided that all Brownie and Girl Scout troops will wear ivy leaves with snowdrops on Thinking Day, February 22, as a reminder of the friendship that exists among the countries that have scouts and guides. The ivy symbolizes friendship, always fresh and strong, and the snowdrop stands for ideals which must be kept as pure and white as that blossom.

Layettes for Hungarian Relief are being prepared by each troop to be completed by February 22 as a material contribution to Thinking Day.

Used clothing is to be collected for the needy and will be kept at the scout house until called for.

Refreshments were served by Mrs. E. C. Jones to Mesdames Kenneth Parish and Gene Brown of Springlake, Paul Burrus, D. L. Bryant, Winston Bley, Ray Roberts, Raymond Cooper, Clyde Truelock, Ben Souders and L. R. Bryant, all of Olton.

Next meeting of the Manuka Neighborhood is scheduled for March 21 at 2 p.m. at the scout house. All adult leader, assistant leaders, committee members, and anyone interested in Girl Scouting in Olton, Springlake and Earth, may attend these meetings.

18.17 miles per gallon on North America's toughest truck run!

That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Farm Bureau Labor Committee Studies Labor Problems

Bracero farm laborers and qualified local farm laborers were topics of discussion at a meeting of the labor committee of the Lamb County Farm Bureau recently, according to Chairman Harry Engleking.

Present at the meeting was E. G. Travis, assistant to Wayne Grant, district director of the Texas Employment Commission. Some of the suggestions presented to Mr. Travis were (1) That available labor should be classified as farm labor or town labor. (2) Have farm laborers available when needed. (3) Qualified year-around braceros should be kept on contract and furnished during periods of no employment. (4) More courteous service needed in local Texas Employment Commission office.

Travis suggested that one way the farmers could help to have more labor available is to report any unsatisfactory laborer that they get from the Texas Employment Commission. This will take the employee's name off the list of qualified laborers and make braceros available if there are not other local laborers available.

A recommendation was made that whenever farmers become short of hands and cannot get qualified local labor, a survey be made by the local Farm Bureau and turned over to the local district and state Texas Employment Commission so the farmers might get authorizations to bring in qualified men from Mexico, rather than wait for weeks and lose money.

It was also suggested by Engleking that all farmers notify either the Farm Bureau office or him if they have any problems obtaining farm labor.

February 21 was set as the annual membership drive of the Lamb County Farm Bureau at a recent board meeting. The Texas Farm Bureau has declared the week of February 18-22 as the state-wide drive date.

Drive chairman this year is V. H. Diersing from Pep. Plans are being made for a party one week following the drive. All members of the Lamb County Farm Bureau will be invited to attend.

Let's see the decisive factors in the '57 Inner Ford

They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new kind of Ford... new from the wheels up... more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious rock-solid unit.

If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the liveliest car in the low-price field is the completely new Ford. For the decisive facts see your Ford Dealer.

Arizona Cypress Available To SCD Cooperators

Arizona cypress to be used for farmstead windbreaks are still available to Lamb County soil conservation district cooperators, says Thurlio Branscum, chairman of the Lamb County SCD board supervisors.

He urges anyone who plans to plant them this year to make application as soon as possible. Application can be made at the soil conservation service office in the basement of the courthouse in Littlefield.

Orders will be filled on a "first come, first served" basis, and applications will be accepted as long as the supply lasts or until May 1. Delivery of the trees will be around May 1, and they will be potted first year seedlings for easy handling.

Arrangements have been made with several nurseries to make the trees available to SCD cooperators at a price of 25 cents each in orders of not less than 50 or more than 400 per person. In the past two years over 5,000 of these trees have been planted in Lamb County with a 95 per cent or better survival. The expected growth per year is 18 inches or more.

In single row planting, the trees should be spaced four feet apart. When two rows are planted, the rows should be four feet apart with the trees eight feet apart in staggered planting, making a four foot spacing in the two rows.

As the trees are small, protection should be provided against the high winds and blowing sand in the fall. This can be accomplished by wrapping them in burlap bags or sticking up shingles or boards around them.

For any information about the handling and care of the trees, the SCS personnel at Littlefield may be contacted.

ATTENDS STOCK SHOW

Jack Bristol, salesman for Olton Farm Supply, attended the Western National Livestock Show in Denver, Colo., last week, through the courtesy of the DeKalb Agriculture Association. The trip was awarded to DeKalb dealers with the highest sales records.

CARD OF THANKS

We wish to express our thanks to our friends and neighbors for every deed of kindness during the illness and death of our father, for the food and the flowers. May God bless each of you.

THE MIGHTY CHRYSLER
 Most glamorous car in a generation

Look how little it costs to own the world's most modern motor car

If you have believed the cost of a Chrysler to be out of your reach, you owe it to your pocketbook to stop in and inquire about the new Chrysler Windsor illustrated above.

Here is a car which in beauty, brawn and engineering quality has always been compared with the most expensive cars made. Yet it is priced right smack with the medium-price cars.

Remember, too, that this is all Chrysler... full size outside and in. It brings you

all of Chrysler's triumphant new 1957 achievements... the new Torson-Aire suspension that eliminates rock and roll... new TorqueFlite transmission... a 285-horsepower airplane-type V-Engine, Total-Contact brakes and many others.

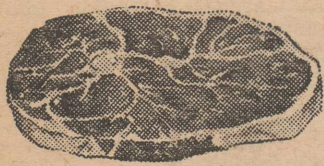

When you compare these pace-setting advances with what the three other major cars in its price class offer you for the same money... we think you'll be satisfied with nothing less than the most glamorous car in a generation. Come in soon and drive it!

See the **Chrysler Windsor**
 the only premium-class car that sells at a medium price!
