Number 2

Just a word to let you folks know that your state senator A. J. "Andy" Rogers has switched alliances. Andy now seems to be hand in glove with the crowd of "Mr. Bigs" down at Austin.

We were somewhat puzzled. Andy used to drop by The Enterprise frequently when he was out stumping the district for Ralph Yarborough. In fact Andy used to come by our house and have lunch on occasion.

We then thought he was a very idealistic though none too capable young legislator but there was that something about him that caused us to give him the first endorsement we ever gave a political aspirant.

It was Andy Rogers who sat in our front room and told us about the corruptness of the Shivers administration. It was Andy Rogers who predicted the veterans land scandal. (How could you have known all on dear old Bascom Giles, Andy, when the governor and attorney general who sat on the Veterans Land Board with him appeared to have been in such blissful ignorance?)

We called Andy the other day to try to get him to use his vote and influence to see that none of our election machinery is tampered by politicians before the April 2 election. We found out why Andy hasn't been coming to see us lately. We just haven't struck any oil on our property yet. If we do he may start coming to see us again.

We personally think the Pool legislation is good but we do not think it should apply to any campaign in progress at the time it is passed.

Senator Rogers volunteered that the legislation was dreamed up to defeat Thad Hutchinson, Republican candidate for the US Senate. If this is so Senator Rogers, then you must admit that it was conceived in dishonesty. We submit that is is designed to defeat Ralph W. Yarborough and was introduced for no other reason.

Just for the record, we'd like for you armchair political experts to take note of who is steering the Pool bill in the state senate. It is none other than the fair haired boy of oil and gas, Senator Grady Hazlewood. Grady has done a fine job of representing the folks who sent him to the Senate—the oil and gas interests. Why don't you start representing the farmers who sent you, Andy?

The Pool bill is a lily white piece of legislation beside the bill sponsored by Sen. Charles Herring. That Senator wants to "save the people the expense of an election" simply by not having an election at all. He wants to leave Senator Blakley, who was appointed by Allan Shivers, in the U. S. Senate.

Senator Herring please note that **RUSSIA SPENDS LESS ON ELECTIONS THAN ANY OTHER COUNTRY IN THE WORLD.**

There is one more week left to get in your entries on a project for The Cracker Barrel. The deadline is March 1. We're giving five bucks for the best suggestion.

Sale Brisk As Buyers Shell Out Bonuses On Stock Show Animals

Eleven-year-old Joe Castillo, a fourth grade 4-H Club lad with a natural flair for handling animals, Saturday saw his red Aberdeen-Angus walk off with top honors in the 12th Annual Olton Stock Show.

Joe's chest was thrown out in pride as he handed Professor Stanley Anderson—judge of the show—his prodding cane and guided his beautiful hunk of steer into the grand champion position.

The prize animal was bred by A. C. Brigance & Son.

It was purchased at 75 cents a pound by Investors Securities of Lubbock. R. L. Goyne of Olton, vice-president of the Lubbock firm, did the bidding.

Granbery Remains In Critical State

Condition of D. M. "Dubb" Granbery, who was critically injured Feb. 9 when his station wagon went out of control between Spade and Littlefield, was described as "fair but still critical" late Wednesday afternoon.

Mrs. Granbery, who was contacted at the Littlefield Medical Arts Clinic-Hospital where her husband is a patient, stated that he is much improved over last week although he remains, at best, in semi-conscious state.

Granbery was x-rayed late Wednesday to determine the extent of his injuries and a report received here Thursday morning indicated that he sustained a cracked jaw, nine broken ribs, broken breast bone, and a minor back injury. These injuries are in addition to a broken leg and head injuries reported after the accident. His condition had not permitted further x-rays until yesterday.

According to his wife, Granbery's blood pressure, breathing and temperature are now normal.

Funeral Services Held For Brother Of Local Resident

Final rites for Montell Julius Smith, 44, brother of V. L. Smith of this city, were read Saturday at the Bryan Street Baptist Church of Lamesa.

Smith, a resident of Dawson County for 30 years, was found dead at his home last Thursday. Born in Stamford on Nov. 24, 1912, he moved with his family to Dawson County as a boy. He had lived since that time in Lamesa where he was engaged in the trucking business. He also had trucking headquarters in Quartz, Colo., where he maintained a second residence.

He was married to Miss Etta Mae Anderson in Lamesa in 1931. Smith was a member of the Bryan Street Baptist Church, Lamesa.

Officiating minister was the Rev. Ross Anderson, assisted by the Rev. J. W. Kesner, pastor of Calvary Baptist Church and the Rev. Giles Hankins, pastor of North Side Baptist Church of Lamesa.

Interment was in Lamesa Memorial Park with Higginbotham Funeral Home directing arrangements.

Survivors include his wife; mother, Mrs. J. C. Olney, San Antonio; father, E. Q. Smith, Bowie; one daughter, Mrs. L. C. Smith of Lamesa; four sons, Taylor, Gene and Fred, all of Lamesa; Alvin of La Vern, Okla.; one brother, V. L., Olton; a half-

Farmers Cheered As Rain Falls Across Area In Soaking Quantity

Soaking rain fell across the Olton area early this week.

James Gallegher of Pioneer Gas Company reported an official 1.06 inches through Wednesday morning.

He said .75 of an inch fell Monday; .22 fell Tuesday and .09 fell Wednesday.

Here's what some farmers have to say about the rainfall: J. M. LAIN, farms six miles north of Circle: "It's really wonderful. We've had about a half inch here and the soil has been soaked pretty nice. It'll help spring planting and plowing a great deal."

DUB HALL, farms northwest of Olton: "We've had an inch of rain and I am sure in a jolly mood."

brother, J. C. Olney, Jr., Corpus Christi; one sister, Mrs. Nora Mae Ebberly, Houston; and five grandchildren.

CLEO SMITH, northwest of Olton: "It's really melting my clouds."

FRANK STRUVE, west of Olton: "Guess we've had about .60, and it's sure a lot better than sand storms. Farmers can get in now and pulverize their land and the rain will help a little on irrigating."

PAUL NAFZGER, south: "We've gotten some good top moisture from the rain—so far we've had a fraction more than a half-inch. It'll mulch up the ground so it won't be so cloddy and get it in good shape. But I'm an old timer around here and I predict more rain."

GEORGE REDINGER, northeast of Olton: "I'm really enjoying this but sure would like to see it rain about two more inches. All the moisture we've had has really soaked into the ground and it'll really help with the plowing."

BAPTISTS TO HOLD REVIVAL IN MARCH

Plans are underway for a spring revival at the First Baptist Church, to begin Wednesday, March 6, and continue through Sunday, March 17.

The Rev. J. H. Wright, pastor of the First Baptist Church of Grand Prairie, will be the evangelist and Duward Price will be in charge of the music program.

Cottage prayer meetings will be held on Tuesday and Friday nights of next week in preparation for the meeting, according to an announcement from the Rev. John E. Lewis, church pastor.

Olton Loses Old-Time Cowboy As Uncle Tom Rogers Dies Wednesday

One of Olton's last old-time Texas cowboys was laid to rest today (Thursday).

John Tom Rogers, 94 years old, died Wednesday at a rest home in Amherst where he had lived since Jan. 13.

Uncle Tom, as he was fondly called by those who knew him, became seriously ill Nov. 3 and was hospitalized in the Olton hospital Nov. 23.

Uncle Tom was born Nov. 6, 1862 at Texoma. He was an old-time, fiddle-playing cowboy in every sense of the word. He lived in the Indian Territory of Oklahoma and once fed the Dalton gang at his chuck wagon. He worked for the Wagoner ranch at Vernon and once was employed by the famed XIT—Ten Counties in Texas—Ranch.

Uncle Tom moved to Olton about 1917 and farmed here before going to work as a caretaker at the county court house. He also at one time was employed as caretaker at the Olton school house.

Funeral services were held Thursday afternoon in Olton Methodist Church. Officiating was Rev. Russell McNally, pastor. Burial was in Olton Cemetery under direction of Lemons Funeral Home of Plainview.

Pallbearers were Paul Burrus, Roy Granbery, Bill Yates, Spec Aikman, Guy Willis and Carroll Cox.

He is survived by three nieces, Mrs. Milly Whorton, Dalhart, Mrs. Jenny Burres, Long Beach, Calif., and Mrs. F. E. Hobgood, Long Beach, and two nephews, Tom Graham and H. Clay Perlick, both of Texoma.

Olton Banker, Former Olton Farmer Honored As Conservationists By SCD

An Olton banker and a former Olton farmer have been honored by the soil conservation district for outstanding work in the conservation field during 1956.

D. M. Granbery, president of Olton State Bank, has been named outstanding soil conservation businessman for the year and Wallace Gosdin, Sudan, formerly of Olton has been named outstanding conservation farmer for the year.

Mr. Gosdin was born in Boxe County, Texas. He moved to Olton with his family while he was a youngster and graduated from Olton High School in 1934.

He and Mrs. Gosdin moved to their present farm home in 1941. The SCD declares that Mr. Granbery has encouraged sound soil conservation practices; has been a sponsor of the annual Soil Fertility Day; has given financial assistance to Lamb County Soil Conservation District; has materially aided in the High Plains Research Foundation efforts at Halfway.

The SCD further declared that Mr. Granbery has "given time and effort in helping organize and conduct soil fertility day meetings."

Mr. Granbery has helped to organize and conduct field day tours here and is a member of the finance committee of the Texas Research Foundation's High Plains station.

He has lived in Lamb County since he was 7 years old. He is especially active in FFA work here.

He and Mrs. Granbery have two children, Guy, a student at Abilene Christian College, and Charla Beth, an Olton High School student.

The lightweight steer weighed in at 860 pounds.

For the second straight year Sherrill Alexander exhibited the reserve champion. This year Sherrill showed a 761-pound Hereford.

Sherrill is a senior FFA boy. The reserve champion was purchased at 60 cents a pound by Harvest Queen Elevator of Plainview.

Grand champion fat barrow was exhibited by Jerry Peterson, a seventh-grade 4-H Club boy. A Berkshire, it weighed 189 pounds and was purchased by The Olton Enterprise at 75 cents a pound.

Reserve champion barrow was a heavyweight Hampshire shown by Don Edwards. It weighed 218 pounds and was bought by Jeffery Lumber Company at 60 cents a pound.

Don is a high school junior and a member of the FFA. The Dennis brothers—Ronnie and Darrell—swept top honors in the lamb show.

Ronnie exhibited the grand champion lamb of the show and saw it sell for \$1.25 a pound to Olton State Bank. It was a South-down.

His brother, Darrell, exhibited the reserve champion, another South-down. It was bought by Olton Butane at \$1.00 a pound.

Both Dennis lads are high school juniors and members of the FFA.

Royce McFadden received the Chamber of Commerce plaque for the cleanest and neatest pen in the show.

Nancy Brigrance had the neatest exhibit in the calf show. William Meadows was first on cleanlines and neatness in the swine show.

Gayle Machen took the showmanship award offered by the Chamber of Commerce in the calf show. Jerry Edmondson got the plaque for showmanship in the swine division and a third showmanship plaque went to Darrell Dennis in the lamb division.

Three pens of commercial steers were exhibited. Two pens of five were shown by J. P. Nafzger and one pen of five was shown by Carl Nafzger.

J. P. Nafzger's steers were graded choice and he received a trophy from Olton State Bank.

Winners of the three grand champion awards each received a trophy from the Olton Farmers Union.

Not counting prices paid for grand champions, swine prices ranged about 38 cents, calves about 31 cents and lambs 35 cents.

A complete list of placements in the show may be found elsewhere in this issue of The Enterprise.

With their own spring show hardly under their belt, Olton FFA boys already were making plans for the Houston show.

Well, here goes a column—either good, bad or indifferent, but with every hope that it won't be the latter. One nice thing about a column is that it's a good spot to put odds and ends of news that may not be quite worthy of expanding into a news article; also it lends itself to little tidbits that you'd rather share than keep to yourself; and not to be denied, whether the weather is cold or hot, dry or wet, one usually has something to say about something.

status of the weather is "wet", it stands as the most beautiful word of the week to all concerned, notwithstanding the fact that by the time the Enterprise goes to press, "damp" might be spelled "dust".

As we watched the soft rain giving moisture to the dry earth, we could not dispel thoughts of spring gardening—an activity that has been more inviting in our mind than in actuality. But each spring we undergo the same inspirations, the same ambitious planning, and then at summer's end, we resign ourselves to no accomplishment—and the same thought comes forth. "Just wait until next spring".

Running true to form we've been feasting our pre-spring sights on Wayside Gardens' new

Spring Planting Catalog; and without a doubt, it would whet the interest of the most lackadaisical gardener and would send the dyed-in-the-wool gardener into a frenzy of anticipation.

For 50 cents, you can order this horticultural book-catalog from Wayside Gardens, Mentor, Ohio, and though advertising is not our intent, we are so impressed with the beauty contained in these 200 pages that we'd like to pass them around by the handfuls.

To be sure, after thumbing through this catalog, it's a question which will get stretched the most by the ensuing desires—the imagination or the pocket-book.

With measles, mumps and chicken pox on the rampage,

we also note that several cases of yellow jaundice have cropped up in our city. Not having ever given much thought to the disease, we were surprised at a local doctor's statement that, according to the US Public Health Service, yellow jaundice (infectious hepatitis) ranks fifth among the contagious diseases.

After weeks of arduous preparations, the 1957 Olton Stock Show has passed into the annals of local and area history. The show was considered a success in every respect, thereby gaining even more prestige than it already enjoyed. Such are the fruits of hard work and planning.

Of odd coincidence is the combination of names at Olton Hardware Company. Mr. Low and Mr. Small are the respective owner and serviceman of that establishment.

Since Friday is the birthday of the Father of our Country, it seems appropriate to pay homage to a man whose words of wisdom remain important to generation after generation of Americans. Although penned in the eighteenth century and a trifle "wordy" compared to the modern mode of expression, his message seems most pertinent to nations in this twentieth century.

"Nothing is more essential than that permanent, inveterate antipathies against particular nations and passionate attachments for others should be excluded, and that, in place of them, just and amicable feelings toward all should be cultivated.

"The nation which indulges toward another a habitual hatred or a habitual fondness is in some degree a slave. It is a slave to its animosity or to its affection, either of which is sufficient to lead it astray from its duty and its interest. Antipathy in one nation against another disposes each more readily to offer insult and injury, to lay hold of slight causes of umbrage, and to be haughty and intractable when accidental or trifling occasions of dispute occur. Hence, frequent collisions; obstinate, evenminded and bloody contests.

"Against the insidious wiles of foreign influence the jealousy of a free people ought to be constantly awake, since history and experience prove that foreign influence is one of the most baneful foes of republican government. But that jealousy, to be useful, must be impartial."

So you want to be STRONG

Remember this: "Some folks just naturally wouldn't want a Farm Bureau as strong as all farmers working together could make it."

It is so easy to be "Against" things—A few loud voices can do farmers a lot of damage. Indeed, it is quite another thing for "Loud Voices" to be "for Something" and make it work.

Farmers, through Farm Bureau, have never made a policy of attacking any program without first advancing a better program. WHAT HAVE YOU DONE TO MAKE IT WORK? Do you exert your thinking in shaping policy making resolutions? Do you attend meetings?

Do you accept responsibilities of holding community and county office?

Do you accept committee assignments?

"Loud Voices" don't attack, criticize, and destroy that which they have helped to build.

PARIS SIDEWALK CAFE SCENE CREATES SETTING FOR BYKOTA CLUB STYLE SHOW

Shades of Gay Paree! Olton school cafeteria was transformed to a sidewalk cafe scene complete with strolling artists and a cute miss with a flower cart as the 1956 Bykota Study Club staged its spring fashion show last Friday night.

Approximately 125 Oltonites sipped tea by candlelight as they viewed models strolling around the center walk in fashions that looked straight from Paris—but were furnished by Bentley's of Plainview.

The Parisian setting was further enhanced by a painted replica of the Eiffel tower and rose-strewn frames representing the familiar flower carts of that city.

French policemen were portrayed by Ellen Jones and Janice Ford. Linda Clark posed as the Paris flower girl peddling her wares. Harold Dean Carson and David Price, costumed in French berets and smocks, were true sidewalk artists as they wandered among the tables making sketches of the patrons.

Background music was furnished by Judy Price at the piano. A ballet number by Sylvia Nicholson and a vocal number, "That's What Makes Paris Paree" by Devin McAnally, accompanied by Miss Price, entertained guests during the evening.

Narrating the show was Mrs. Jim Fite, gowned in a short formal of black and white net. Mrs. Jim Brown modeled Bermuda shorts and a cotton cardigan jacket, with a clip head scarf and knee-length sock completing the casual attire. Her second costume was a white embroidered linen sheath worn with a white popcorn straw.

A costume dress and an Arnel and cotton knit blouse and skirt set were worn by Mrs. Clinton Green.

The practicability and elegance of separates were shown by Mrs. R. V. Allcorn as she modeled a doeskin flannel skirt topped with a silk shirt and cashmere sweater. She also modeled a printed turquoise and white sheath dress topped with an elegant turquoise full-length cape.

Mrs. Spud Stinson portrayed the Ivy League look on the Continent with her matching blazer and pedal pushers. She also modeled a tunic dress fashioned with a black and white cotton

Grade Students Are Undergoing Vision Tests
Approximately 500 Olton grade school students have been tested in the vision screening tests being conducted by Cecilia Roebuck, school nurse, as part of the school health program.
Tests, which have been underway for several weeks, have been given to students through the fourth grade. Fifth graders are currently being tested.
Test equipment being used is the Massachusetts Vision Tester, which according to Mrs. Roebuck, picks up a good ratio of defects. It tests for nearsightedness, farsightedness, and the ability to focus.
To date, twelve first and second grade children whose parents were advised to have them checked by an optometrist or ophthalmologist were found to be in dire need of glasses. There are 23 additional first and second graders whose tests showed the possibility of some visual defect and will be recommended for further examination.

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE
Seven "Film-Coated" Ingredients Offer Positive Relief
The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex.
Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stubborn agony.
Ar-Pan-Ex is compounded of seven active ingredients including a special medicine to help provide longer lasting relief. Ar-Pan-Ex, exclusively perfected to curb chronic, deep-seated pain.
Why AR-PAN-EX Helps
Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pain.
Nothing Like AR-PAN-EX
Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than AR-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.
Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Doctor Escapes Injury In Freak Accident

Dr. Jim Fite of this city miraculously escaped injury last Friday afternoon as his 1957 Pontiac station wagon was completely demolished in an accident 1.2 miles out of Plainview on Highway 70.
The accident occurred at 1:15, the time at which the doctor's watch stopped.
Driving toward Plainview, Dr. Fite momentarily went to sleep and was jarred back to consciousness when the vehicle swerved off the highway and struck a small tree which ripped off the rear wheels and gas tank. He headed across the highway, turned back to avoid a culvert and hit another tree which jerked the door open. The impact buried the tail light in the tree.
Dr. Fite was thrown from the station wagon through the door opening. The vehicle careened down the road, turned and hit the nearby culvert, strewn wreckage all over the highway.
Although the station wagon was a total loss, the only injury sustained by Dr. Fite was a small cut on the left ear. He was examined by Dr. Gayle Seigler of Plainview.
Dr. and Mrs. Fite had spent the preceding night with Dubb Cranberry in the Medical Arts Hospital at Littlefield after visiting with Tom Rogers in Amherst earlier in the evening.

Expected to attend the affair are approximately 350 Olton Cub Scouts, their parents, and special guests. Among the special guests will be the district scout executive from Plainview, Ray Howard.

OHS Junior Play Set for Friday
"Desperate Ambrose", a three-act farce-comedy, will be presented by the Olton junior class at 7:30 p.m. Friday in the high school auditorium.
The cast of thirteen includes Joe Miller, portraying Ambrose as an Easterner turned cowboy, Jerry Moore, James Ray Hyatt, Jack Hysinger, Jack Royce Straw, Clinton Billingsley, Latrell Stewart, Doniece Silcott, Oneeta Yates, Jesse Thomas, Shirley Nichols, Lonnie Ray Thomas and Karen Copeland.
Assisting with the directing of the play have been Robert Fisher, class sponsor, Mrs. Harry Ford and Mrs. Charles Loveless.
Tickets may be purchased on the night of the play and are priced at 75 cents for adults, 50 cents for high school students, and 25 cents for grade school students.

A diller a dollar, the stock show's over and another six weeks test is here. I don't believe things ever slow up around OHS.

I want to congratulate all the boys and girls who won ribbons on things they entered in the show, and special congratulations to all the boys who showed grand champion and reserve champion animals. They were Don Edwards, Ronnie Dennis, Deryl Dennis, Jerry Peterson, Sherill Alexander, Royce McFadden, Joe Castillo, Houston Hamby and Jackie Pinson. Showmanship awards went to Gayle Machen, Deryl Dennis, Jerry Edmonson; Royce McFadden got the cleanest pen award.

Say, did I see Koenia S. and Hayden H. together Sunday? What about this, Koenia?

Carolyn Berry was certainly excited over something or someone Monday. Could it have been B. B., Carolyn?

Martha Johnson and Charlotte Porter seem to always spend study hall writing letters. Are they to any certain persons, girls? (As if I didn't know.)

Tuesday in OHS the Hale County Safety Council came and showed the high school a film on driving safety. They talked and gave the students some good advice. Mostly they stressed "Driver's Education" in school as a great help in cutting down accidents. I certainly don't want to end up like one of those pictures, Do You?

Sharon Shawn and Lonnie King are still getting along beautifully.

To whom it may concern: the Olton Building Supply is selling all kinds of records, now!

Everyone don't forgot the junior play Friday night at 7:30.

Lenora Woods is now going steady with Rayburn Ott from Earth. Have fun, Lenora!

FISHING TRIP
Basil Sherman and Lynn Fite left last Saturday for a fishing trip to Rockport, planning to return Thursday. They were accompanied by four Lockney men.

IN VICTORIA
Lee Sherman and his son, Earl, from Tampa, Fla., have gone to Victoria to visit another son and brother, Hugh Sherman. Earl has been visiting in Olton all this month.

BY BARBARA HUFF

Barbara Worley and Barbara Huff spent Sunday with Frances Presley.

The YWA's and GA's of Hart Camp gave the Sunbeams and Primary a Valentine party Friday night. Some of those who sponsored the party were Mrs. B. Martin, Mrs. C. E. Timmins, Frances Presley, Barbara Worley, Barbara Huff, Judy Pendleton, Suzanne Martin, Lois McAteer. Those present were Mrs. B. Sager and Robert, Sonny Huff, Jean Vanlandingham, Charles David Vanlandingham, Mrs. R. Osthus and Mike, Mrs. C. Vanlandingham, Wayne Monroe, Larry, Ray and Lope Lopez, Jerolyn Timmins, Mrs. D. Parkey, Gary and Donald. They were served cake, punch and Valentine cookies. They brought valentines and later they were distributed.

Mr. and Mrs. Thurman Moody, who were visiting the L. A. Presleys, went home last week.

Shirley Leonard and Juanice Neeley have the measles.

Wednesday night the YWA's and the GA girls put on a program in honor of the YWA's 50th anniversary. The program started with Barbara Worley and Barbara Huff reading different parts while other girls came in with candles and things to represent the parts. Later in the program a short play was put on. The cast was Mrs. Sullivan, playing the part of the mother of Sue and Mary, played by Susanne Martin and Frances Presley. The setting was in their home, all gathered around their mother, looking at a very old college yearbook. As they look at the book, the pictures are represented in a nearby picture frame, dating back to 1838. Girls

dressed to represent the pictures were used in the picture frame. Mr. and Mrs. Mack Owens of Abilene were visiting his parents, Mr. and Mrs. S. O. Owens, over the week-end.
 R. S. Moore, who is still in the hospital, is doing as well as can be expected.
