

## Season Football Ticket Sales End Tomorrow Noon

Season ticket sales for all Mustang home football games will end Friday noon. According to superintendent of school Joe Harper, no season tickets will be sold after the deadline. They are on sale in his office. Those fans wanting the same seats they held last year can obtain the same ticket seats again this year if desired, Harper stated. "There are still plenty available." Tickets to see all five home games cost \$7.

## Springlake Gets First Cotton Bale

Springlake's first bale of cotton for the season was ginned at Farmers Cooperative Association gin Tuesday. The bale was ginned by W. V. Struve. It was a 550 pound bale ginned from 2,040 pounds of seed cotton. The gin paid 50 cents a pound and did the ginning free.

## Correction

The Enterprise last week erroneously stated that M. T. Carter of Plainview had bought the Spotlight Cafe. Mr. Carter is operating the cafe on a lease basis, according to O. L. Crouch, owner.

## LOST IN THE SHUFFLE

Almost lost in the crowd is elementary school principal Fred Gordon, center. The school administrator found standing in the main section of the corridor Monday morning was the best location to give directions and information. Because portions of elementary classes are scattered in four different buildings, there was much principal Gordon could do to aid bewildered students and parents. (STAFF PHOTO)

# Olton Schools Expect Crowded Conditions

## SCHOOLS WILL AUCTION HOUSES TO MAKE WAY FOR NEW BUILDING

Three buildings owned by Olton schools to be moved for classroom expansion will be sold on auction Oct. 27. The homes used in the past for housing teachers, located on the south side of the elementary school block, will be put up for auction next month, members of the school board decided during a regular session Tuesday evening. The buildings will be sold one at a time, with the auctioneer starting at 10 A.M. All three will be sold to the highest bidder, if the amount is considered acceptable by board members. In other business during the meeting, board members decided on a call meeting next Thursday evening, officially hired three new teachers and 14 bus drivers, approved the year's school calendar, raised the lunch price at Bohner school and discussed two new policies adopted this year by the school.

The three new teachers hired, all had already reported for work and were recommended by superintendent of schools Joe Harper, were James Caley, high school science, Velta Jenkins, first grade, and Mrs. Charles Galloway, first grade. Also hired were 14 bus drivers for the year, which includes four women drivers. They are Mrs. Dasy Burrows, Harry Ford, Clifford Curry, David Howton, F. L. Burrow, James Caley, Mrs. Lula Wickware, L. O. Buckner, W. A. Reeves, Mrs. Gritta Keating, L. L. Hardy, Mrs. Mae Scheller, E. C. Woods and Booker Graves. Upon the recommendation of superintendent Harper also, the board voted to hire Hardy and Mrs. Wickware as temporary custodians for the buildings. Harper explained that during this time of season there is so much outside work to be carried on by regular custodians the interior of the buildings were not kept clean enough. He suggested Hardy and Mrs. Wickware as workers who could keep rest rooms in a clean and sanitary condition during school class time. The board approved hiring them on a month-to-month basis, and to pay Hardy \$100 per month and Mrs. Wickware \$70. Because the lunch department lost a considerable amount of money at the Bohner school last year, Harper explained, the lunches should be sold for the same amount as those at the public school cafeteria. The same meals are served at both places, he stated. They were being sold at Bohner at a reduced price last year. The board voted that the meals should be served at the same cost to all pupils. Two new policies discussed by the board, brought out by Harper, were not allowing students to drive the streets in their automobiles during lunch period and not exempting students from examinations. Harper explained the vehicle

## Figures Indicate Record Number

Approximately 1,050 students are expected to be enrolled in Olton public schools by Monday. The picture looked somewhat doubtful on the first day of school with only 950 students enrolled. However, since that time and as of this morning, 1,019 were in school. Actually, according to superintendent of schools, Joe Harper, an estimated enrollment is expected to exceed 1,400 students at the peak of harvest season. With lower-than-average yields to be harvested last year, the peak enrollment mounted to 1,390.

When the public schools enrollment is added with the 94 students of Bohner School, the actual number of students in schools in Olton amounts to 1,113. Superintendent Harper said yesterday morning the faculty knew of at least 100 more students who had not yet registered for school, but who still resided in the school district. "Many of the families are still on vacation," Harper said, "but there are quite a number who are working in the cucumber harvest and other types of farm work who will probably be in school within the next two weeks."

## None Injured In Two-Car Wreck

Approximately \$400 damages occurred to two automobiles in a Sunday afternoon wreck here. Both teen-age drivers were issued traffic tickets after investigation of the collision.

According to investigating officer, deputy sheriff Vernie Head, Mario Pedroza, 17, was driving one vehicle and Joan Lawson, 14, the other. Both youngsters reside in Olton. Deputy Head said Pedroza neglected to stop at the traffic signal at 8th and Main St., and ran into the side of the Lawson car. Her car received the impact on the driver's door. Miss Lawson was driving east on 9th St., and Pedroza south on Main St. Tickets were issued to Pedroza for running a red light and Miss Lawson for driving an automobile without an operator's license.

## Funeral Services Honor Memory of Stephan Struve

Funeral services were conducted Sunday afternoon at 4 P.M. in the First Baptist Church for Stephan D. Struve, 82 year old Lamb County pioneer. Mr. Struve died Friday night in the Amherst Hospital. He had been in ill health for several months. He was born May 22, 1876. Mr. Struve, a retired Lamb County farmer, was living on Inks Lake, at Burnet, Texas, before he became ill. He had lived at Burnet for about 10 years. He moved to Olton in 1906 and lived north of Olton until he moved to Springlake in 1938. His wife and three of his brothers preceded him in death. Survivors include five children, Mrs. Earl Lunday of Hargill; Steve of Friona; Mrs. George Heck of Abilene; Mrs. Frank Craddock of Tempe, Ariz.; and Bill of Springlake; one brother, Fritz Struve of Abernathy; 17 grandchildren; and five great-grandchildren. Services were conducted by Rev. Manley, Marble Falls Methodist minister, he was assisted by Rev. John T. Williams, pastor of the Anton Baptist Church. Lester Kelley of Springlake Baptist Church directed the choir from the Springlake Church and W. E. Miller and J. F. Miller in the special music. Harold Dean Carson was the organist and Mrs. Charlene Riley of Springlake was pianist. Burial was in the Olton Cemetery under the direction of Lemons Funeral Home. Pallbearers were Mr. Struve's nephews: Henry Von Struve, Rudolf Struve, Marvin Struve and Edgar Struve, all of Abernathy; Walter Struve of Hale Center; and Frank Creasey of Burnet.

# Football Season To Open Friday Night

Olton's Mustangs will open their 1958 football campaign tomorrow night at Mustang Stadium.

The game will start at 8 P.M. Never having played the Buffaloes of Petersburg, District 4-A team, Olton Coach Joe Turner admits he is worried about the game's outcome.

"Coach Ralph Huntington is liable to run any kind of offense against us," stated Turner this week. "He is known for completely changing his offense from game to game. His opponents never know just what to expect."

Turner, in making the statement elaborated in saying, that even if he had scouted the Petersburg team last season, he still would not know just what offense he should prepare his charges for.

Another, and probably stronger, factor Turner is quite worried about is Petersburg's eight returning lettermen.

Petersburg last season won five and lost five games. Olton, on the other hand, won only two, lost six and tied two. And Turner has only five returning lettermen, two of which are just sophomores.

"We're going to have to play ball. We know we're going to have to do that to stay in the ball game with them," Coach Turner said about tomorrow night's contest.

"They (Petersburg) will be stronger on the ground than in the air. They lost their main quarterback when he moved to Colorado this summer, but have a new one breaking in."

"I think we can expect a 'T' formation with flankers," Turner answered when asked what formation he was preparing for.

Olton Lineup  
Turner listed the following Mustangs as probable offensive starters for tomorrow night:

Ends, L. H. McAdams, 145, and Jimmy Robbins, 170; tackles, Kenneth Hooper, 190, and David Hamm, 160; guards, Tommy Wilson, 145, and Robert Diaz, 215; center, Phil Neimast, 170; halfbacks, John Wayne Hair, 125, and Royce Bodkin, 145; quarterback, Robert Priest, 175; and fullback, Arno Hall, 170.

The only changes Turner says when on defense, would be to replace J. Hair at halfback by Rande Buchenau, 150, and Hamm or Wilson by Coy Carlisle, 150.

The following lineup and weights were taken from the only information made available by Coach Huntington, and are taken from last year's team roster:

Ends, Jackie Culp, 150, senior, and Johnny Featherston, 135, senior; tackles, Winston Watkins, 180, junior, and Stanley Seagler, 160, junior; guards, Larry Eason, 140, junior, and Sidney Worthen,

145, junior; center, Jerry Scarborough, 175, senior; backs, Mike Shurbet, 170, senior, Reginald Neis, 135, senior, Kenneth Eller, 130, senior, and Charles Grubbs, 140, senior.

Team Weights  
According to Huntington's information, the Buffalo lineup averages 148 pounds per man. The backfield average is 145 pounds and line is 152. But, of course, the players have had an entire year in which to gain weight.

Olton's starting lineup averages 164 pounds per man. The line averages 171 and backfield 154.

The Mustangs will make their The Mustangs will make their

debut in their newly-acquired game uniforms. The new suits have blue jerseys with white numerals on the front, back and shoulders, and "UCLA"-type stripes across the shoulders. The trousers will be white, with blue stripes.

Two new players joined the Mustang roster on the first day of school, Monday. They are Elvis Hatley and Gary Lawson.

Hatley, a senior, is 125 pounds heavy, plays either halfback, and this is his fourth year to play though he has never lettered.

Lawson is a junior, 140, and played in the backfield on the "B" team last season.

## Boys Questioned On Vandalism

Three boys have been questioned by Deputy Sheriff V. L. Smith in connection with vandalism Sunday night of Circle.

Damage was done to 10 highway signs and 4 mail boxes, Deputy Smith said.

# Parsons Funeral Home Open House To Be Held Sunday

Parsons Funeral Home will hold open house Sunday between 2 and 6 P.M.

Olton's first funeral home is located at the intersection of Ave. H and 9th Street.

The funeral home not only offers Olton and the area its first locally-arranged funeral services, but two air-conditioned, oxygen-equipped ambulances are on day-night call at all times.

Percy Parsons is owner-operator. This is his first individually-owned funeral home. He is joined by his brother, Conner, in the business.

The new funeral home has been repainted both inside and out. Wall-to-wall carpeting has been installed in the reception room, in the front portion of the structure which fronts 9th Street.

In the reception room, early American furniture has been installed, giving the room warmth, as well as comfort. The room can be divided into two separate rooms, reception and family, by a folding partition.

Another room is also available, in case two family rooms are needed. It too, is beautifully decorated.

Other rooms include a casket display room and a preparation room.

Percy's wife, Margaret, will serve as receptionist.

A graveled parking area has been constructed fronting 9th St., for family and business parking.

Conner will be in charge of funeral service insurance, monument sales, and also will assist in funeral arrangements.

Percy, for the past 10 years, has been in the funeral home business as a partner with Victor

PERCY PARSONS

and Marvin Hudman in Post. He was born and raised in the same town, graduating from high school there in 1946.

He entered the Dallas Institute of Mortuary Science after high

## Second Annual Shetland Pony Show Slated Next Saturday

The second annual Olton Shetland Pony Show will be staged here a week from Saturday.

One of the highlights of the occasion will be a parade to be unreeled in downtown Olton.

"We want anyone who has anything at all to put in the parade to feel more than welcome," said Robert Aiken, show secretary.

Mr. Aiken said shetlands from all over the Panhandle, South Plains and New Mexico are expected to participate in the show which will be held at the FFA Show Barn in north Olton.

A free pony ride for the kiddies will be sponsored by Olton merchants from 2 o'clock until 5 in the afternoon. Tickets for the rides will be available at the firms of participating merchants.

A number of trophies will be given for various placements in the show. They are on exhibit in the window of Kelley's Men's Store. William DeBerry is president of the sponsoring Olton Shetland Pony Club.

school and served two years internship at El Paso and Post. Percy's family, which includes two sons, Mike, 5, and Dale, 3, live in a spacious apartment in rear of the funeral home. The family was moved here Aug. 13.

Conner's wife, Thelma, and their two children, Gayle Ann, 14, and Ronny, 12, moved to Olton Tuesday. They now reside in the brick home south of the new Nazarene Church on Ave. I. For the past number of years the family has lived in Barnett, Mo.

Percy said he has been interested in locating here for the past two years, and for the past six months has been making arrangements for a site.

"We are proud to be able to offer Olton and the area this service," he stated.

Both Parsons families belong to the First Methodist Church. Percy has joined the Olton Lions Club. He was a member of the Post Junior Chamber of Commerce before moving, and also a member of the Post Volunteer Fire Dept.

## Too Much Table For Olton Athlete

The Mustangs lost their first squadman via injury—but not on the field.

Billy Hair, versatile lineman, was carrying a typing table from one room to another at school Monday afternoon when he dropped it on his foot, breaking the big toe on his right foot.

"It was the first casualty of the season. After all the head-knocking we've done the past week, he broke his toe in the school hallway," commented Joe Turner, coach.

Hair is expected to report back for action after a short bone-mending period.

## Christmas Concert Date Is Scheduled

A Christmas concert which will feature the Cadet Band, along with other OHS bands, has been tentatively set for Thursday, December 18.

The concert will be held in the high school auditorium at 7:30 P.M.

## Pool To Close

Olton Recreation Center swimming pool will close Wednesday, Sept. 10, according to manager John Jefferies.

## Fun, Profit Offered In Football Contest

## Bill Bearden Suffers Heart Attack Wed.

Bill Bearden suffered a serious heart attack in his home early Wednesday morning.

Described as "doing as well as can be expected" by his nurse yesterday afternoon, Bearden is in Lubbock Methodist Hospital. He was being treated with sedatives and oxygen at the time information was received from his brother, S. W., yesterday afternoon.

Bearden, an Olton farmer, suffered a slight attack about 9:30 P.M. in his home, with the severe attack following at 12:15 A.M.

He was rushed to the Lubbock hospital by a Parsons ambulance, where his condition was considered by attending physicians as critical until about 9 A.M.

Bearden has suffered other attacks in the past, but the Tuesday night incident is considered the most serious.

## Grain Sorghum Cutting Begins

Olton's first grain sorghum of the season rolled into the elevators here Monday.

First load to arrive at Ben F. Smith Grain Company was taken there by E. S. Huckabee. It was DeKalb E-56, planted April 28.

Louie Mack Hardy, who operates the grain company, said the grain tested 12.80 and was cut from an irrigated field. He said the yield there was estimated at about 4,470 pounds.

Mr. Huckabee received a Stetson purchased by the grain company at Kelley's for his first load.

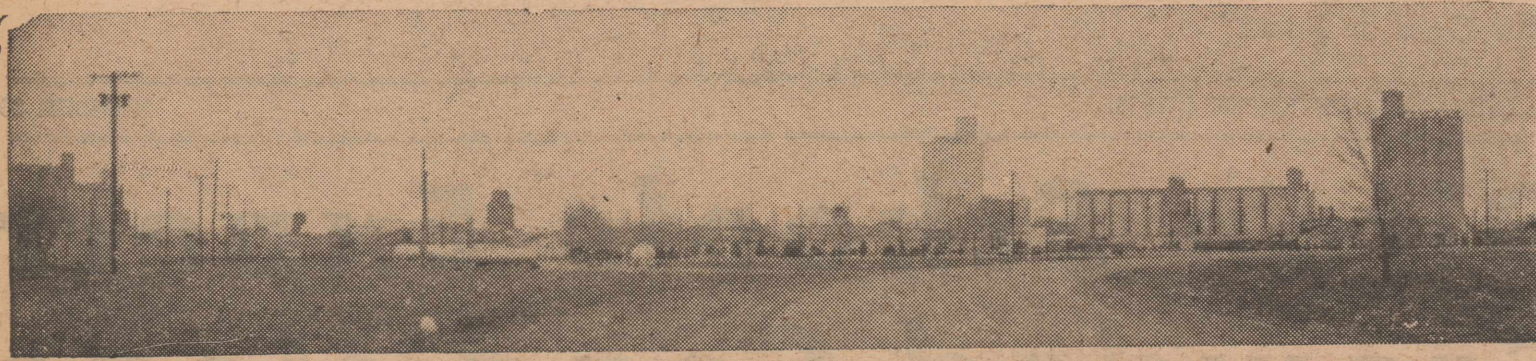

Garland DePrang delivered the first load of the season to Jarvis-Paris-Murphy. It tested 14.40 and came from dry land. It was Texas Hybrid 610.

Allen Johnston, manager of that firm, said he does not expect grain harvest to get into full swing for another two weeks.

Mr. DePrang received a \$10.00 premium for the first load of grain at Jarvis-Paris-Murphy.

# THE HART BEAT

## Hart-Estellene Meet Friday At Cub Field

Hart opens its 1958 football season tomorrow night against Estellene, at Estellene.

Coach Bill Shelby is counting heavily on the speed of his backfield this season, after having lost eight starters from his 1957 squad. He has three players in the backfield who can break 11 seconds in the 100-yard dash.

Fastest man on the squad is quarterback Gene Varner, who has been clocked at 10 flat. Varner, 141 pounds, scored the team's only touchdown in a scrimmage against

Cooper Saturday on a 60-yard "belly play option".

The other two speedsters in the Longhorn backfield are left half-back J. D. Myrick, 118, and full-back Conrad Riddles, 175. The two players have been clocked at 10.5 and 10.8 respectively.

Coach Shelby named as his probable starters as: Nick Zapata 140, right end; Thomas Holster, 230, right tackle; Mando Gonzales, 135, right guard; Joe Webb, 230, center; Bob Bowden, 127, left guard; Kenneth Jennings, 178,

left tackle; Jerry Kittrell, 168, left end; and Mando Gonzales, right half.

Estellene's Cubs finished the 1957 season with a 5-5 record. Coach Pete Wood is returning as mentor of the District 9-B club. He has 12 lettermen returning with him, too.

Returning lettermen for the Cubs are: Dan Davidson, end; Joe Corona, back; Ray Lambert, tackle; Donald James, tackle; James Barnett, tackle; Larry Braidfoot, center; Mike Cope, quarterback; Kenneth Sweat, back; James Thomas, guard; Paul Corona, back; Mike Davidson, back; and Jerry Stephens, tackle.

### ZEALOT CLUB HEARS "FLOWER ARRANGEMENTS"

The home of Mrs. Norlan Dudley was the scene for a meeting Tuesday afternoon of the Zealot Club. Assisting Mrs. Dudley with hospitalities were Mrs. Herman Burress and Mrs. Tom Burress.

Mrs. J. W. Carver of Plainview gave the program on "Flower Arrangements."

Refreshments were served to special guests, Mrs. O. M. Dudley and Mrs. R. M. Hill of Silverton, and members, Mesdames Dinwiddie, Herman Burress, Dudley, Nelson, Bell, Davenport, Armstrong, Hansen, Hankins, Hawkins, Parker and Tom Burress.

### Sorghum Loads Are Arriving

Hart elevators received their first milo loads this past week.

Farmers Grain's first load was from Hubert McLain. It tested 18 percent moisture.

W. C. Snider delivered the first load to Hart Grain, testing 16 percent.

Maximum acceptable moisture in grain sorghum for loan is 13 percent.

### "RICH TALK" BY MAMIE RICH

Paul Kennedy wants to thank all the parents and visitors who attended the general assembly Monday morning.

Mr. Frohner of Dimmitt will teach public school music for the elementary school in Hart and Nazareth. He will teach in Hart on Mondays, Wednesdays and Fridays.

We regret to say that Mr. and Mrs. Tommy Keener have moved to Dimmitt, where Tommy will teach in the Dimmitt schools.

We are very happy to announce that LaDwain Bowen of Wellington, first year teacher, has joined the Hart school system. He is a science major and very capable of teaching any science subject.

Beat Estellene! Kenny Hill, celebrated his twenty-first birthday, Friday at Buffalo Lake.

His goal for the day was to succeed going over the ski jump without falling and his report was that he was successful! That just goes to show what a person can do when they reach their twenty-first birthday.

Bob Hill, Hereford, went over the ski jump and ripped a toenail off, so all in all it was quite a day!

Lunch was served to Mr. and Mrs. Homer Hill, Mr. and Mrs. Bill Hill and children, Mr. and Mrs. Ralph Futrell and children and Kenny.

Beat Estellene! Mr. and Mrs. Paul Brooks and children; Mr. and Mrs. Jim Brooks and children; and Claude Ray, wife and son visited in Lake City, Colo., recently.

Paul Brooks said the water was real nice and cool in the mountains . . . he should know because he fell in twice the same day. However, he said it was worth it because if you have never caught any fresh water mountain trout, "you don't know what you have missed!"

Beat Estellene! All the fire equipment has been received and the fire engine is ready when needed.

Beat Estellene! J. D. Rogers reported missing a shetland pony and after sometime the pony was found.

The pony was found by a Mexican and sold to a fellow for fifty dollars. This fellow had no use for the pony, so he decided to sell the animal at the Tulia Horse Sale.

The man who had originally sold Mr. Rodgers the pony recognized the animal and called Mr. Rodgers. That is how Mr. Rodgers' pony was returned to its home. Incidentally, the man buying the shetland pony lost his fifty bucks because he had no bill of sale for the animal.

Beat Estellene! Melvin Aven chipped his ankle bone at a ball game last Sunday and is still hobbling around!

Beat Estellene! Summer comes to an end with Labor Day and we began thinking of fall and winter approaching.

The seasons coming are such busy and hectic ones, with school beginning, harvest of crops for the farmers, more business for the merchants, and then before we'll realize it—Christmastime!

The days become shorter and already the weather is cooler at nights and mornings.

Did you accomplish what you had planned for the summer? If so, you deserve acknowledgement. But for the majority, summer is over and where did it go?

Beat Estellene! Mrs. Homer Hill took her first plane ride Sunday at the Hereford Airport.

Mrs. Hill reports she enjoyed the ride and it wasn't as bad as she had imagined—however she was nervous when she stopped to think how high off the ground she was.

Mrs. Hill is also taking swimming lessons and later on, plans to learn how to water ski.

I, personally, think this is wonderful! For this proves it is never too late to learn how to do things. I think she should be congratulated, don't you?

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

### Progressive HD Club Plans Enchilada Meal

Plans were made Wednesday afternoon by the Progressive Home Demonstration Club to sponsor an enchilada supper, Sept. 25.

The report on the Home Demonstration State Convention held in Austin was given by Mrs. Truman Swopes, delegate of the club.

The meeting was held in the home of Mrs. Joe Edd Carson. Present were Mesdames Swopes, Lloyd Davis, Joe Percy Hart, Bill Hill, Cleve McLain, Delford Davis, and Bud Hill.

### Lonny Davis Feted With Birthday Party

Lonny Davis, son of Mr. and Mrs. Lloyd Davis, was feted with a birthday party Friday. He was five years old.

The children were taken to the Olton Recreation Center swimming pool and afterwards, were served ice cream and cake.

Attending were Randa Smith, Keith and Brent Lemons, David Harris, Don and Larry Sanders, Terry Armstrong, Steve Hankins and James Blanton Chrestesson of Kress.

### Hart Group Swims At O.R.C. Pool

The Ed Harris' and Norlan Dudleys were host and hostesses at a swimming party, staged at the O.R.C. swimming pool, Thursday night.

Attending were Messrs. and Mesdames Ed Harris, Ralph Futrell, Bob Richmond, L. J. Rice, Bill Hill, Charlie Sanders, Norlan Dudley, Bill Rich, Lloyd Davis, Claude Cox and children, Charlie Martin, and Herman Burress and children.

After swimming, the group went to the Harris home for sandwiches and coffee.

### Hart Students Off To College

Hart college students will be returning to college in the next week or two. Some will be going away to college for their first time.

Spring graduates, who will go away to college, are Lonnie Bradley, Panhandle A&M at Goodwell, Okla.; and Kay Nell Popejoy and Wyona Myrick, West Texas State College, Canyon.

Returning to college are Royce Lynn Pyeatt, senior at Baylor University; Joyce Bowden, sophomore, and O'Lysia Bowden, senior, both attending McMurry, Abilene; and Don Winnett, Texas Tech.

### Mrs. Landers' Mother Dies

Mrs. C. B. Grisham, 79, mother of Mrs. C. L. Landers, died last week in Harlingen.

Funeral services were held Thursday at 4 o'clock in the Kreigler-Aschcraft funeral chapel at San Benito. Rev. Charles Malesley officiated at the service.

Mrs. Grisham is survived by her husband and four children, Mrs. C. L. Landers of Hart, Mrs. E. W. Glenn of Canyon, Miss Oneta Grisham of Las Fresno, and Norman Grisham of Dallas.

### Hart P-TA To Hold Reception

Hart Parent-Teacher Association will stage its annual reception for teachers and parents, Sept. 8, at 8 P.M.

This information came from B. H. Rodgers, president. Mrs. Glen Reed and Mrs. Herman Burress are in charge of the refreshments.

### Jimmy Duke In Missile Command

FORT BRAGG, NC (AHTNC)—Army Specialist Third Class Jimmy D. Duke, son of Mr. and Mrs. William H. Duke, Route 1, Hart, is a member of the 3rd US Army Missile Command's 168th Signal Company, Fort Bragg, NC.

Specialist Duke, a wire team chief in the company, entered the Army in February 1957, and completed basic training at Fort Bliss.

The 20-year-old soldier attended Floydada High School.

### Hart Athlete On A&M FB Team

Lonnie Bradley, of Hart, was listed as one of 15 Panhandle A&M freshmen out for the Aggie football team.

Bradley was the only athlete listed from this part of the Panhandle.

The Aggies will open the season against William Jewell College at Liberty, Mo., Sept. 13. Oscar Williams is coach of the Goodwell, Okla., football team.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

### HART TO HART

Mr. and Mrs. Ed Harris and children spent Sunday with Mrs. Harris' mother, Mrs. Appling of Littlefield.

Mrs. Peggy Beavers spent the weekend with her parents Mr. and Mrs. O. L. Beavers.

Guests of the Otto Dinwiddies' Sunday were Mrs. Ralph Perry and Linton of Plainview, Mrs. Olga Board of Colorado and Mr. and Mrs. Charles Martin and children.

Mr. and Mrs. John McLain and Mrs. Curtis Malone are vacationing in Farmington, NM.

Mr. and Mrs. Buster Hacker visited with Mrs. Hacker's grandparents, Mr. and Mrs. O. M. Gilcrease of Hillsboro last week.

Mr. and Mrs. C. O. Burt and J. R. Riley spent the weekend in Juarez, Mexico. They planned to see the bullfights.

Mr. and Mrs. Leon Monk, Judy, Jr., and Pam of Fort

### Entertain With Lawn Supper

Mr. and Mrs. Tom McLain entertained with a lawn supper last week.

Present were Messrs. and Mesdames Jack George, Delford Davis, Ode Hindman, Jack Beyer and Joe Percy Hart and their children.

Worth visited with Mr. and Mrs. Ollie Monk.

David Cecil and Charles Fant of Granbury visited in the home of Mr. and Mrs. Miles Cox.

Boys Ranch Rodeo was held Sunday and those attending were Messrs. Glen Reed, Dean Sanders, O. C. Kittrell, Johnny, Don Sharp and Mike Reed.

Mrs. James Holland of Plainview spent the weekend with her sister, Mrs. Robert Lewis Hawkins.

Hotdogs and watermelon were served to Mr. and Mrs. Bob Hill and Mr. and Mrs. Joe Percy Hart in the home of Mr. and Mrs. Robert Lewis Hawkins recently.

Mr. and Mrs. Bill Rich spent Sunday in the home of Mrs. Rich's parents, Mr. and Mrs. George Zyburra of Plainview. The Zyburra's have just moved into a new home

DEFENSE-MINDED LONGHORNS

A host of Hart Longhorns, in dark shirts, halt one of Cooper's backs after a short gain in the two club's scrimmage Saturday evening at Hart. Though Cooper scored more touchdowns from scrimmage than did their hosts, Hart players made a fine showing in preparation for tomorrow night's season opener at Esteline. (STAFF PHOTO)

day in the home of Mr. and Mrs. Norlan Dudley.

A son was born to Mr. and Mrs. Joseph Bauman, Sunday, August 31, at Dimmitt. Mother and baby are doing fine.

The D. W. Sargent's had as guests Sunday, Mr. and Mrs. Jim Sargent of Houston and Mr. and Mrs. Marshall McGain of Littlefield.

Mrs. Bob Conlan of Amarillo came to pick-up her children, Janette, Janie, Cecilia, and James, who have been visiting a week in the J. E. Williams and D. W. Sargent homes.

Mr. and Mrs. Willis A. Hawkins Jr. and children spent the latter part of the week visiting his brother, Gus Hawkins of Colorado Springs, Colo.

Mr. and Mrs. Frank Sneathorn of Tullia visited the Hawkins Sunday.

Mr. and Mrs. Jack Holland of Plainview visited with sisters, Mrs. E. E. Davis and Mrs. R. L. Hawkins Sunday.

Mr. and Mrs. H. P. Lockeby and children of Parnell visited her parents Mr. and Mrs. A. M. Roland over the weekend.

Mrs. Boyce Smith and Miss Kathryn Smith of Lubbock were guests in the Aubrey Smith home Sunday.

Those attending the McCary reunion at Vernon Sunday were Mr. and Mrs. J. P. Armstrong, Mr. and Mrs. Deward Armstrong, and children, Mr. and Mrs. Owen Hankins and children, Mr. and Mrs. Lloyd Davis and Lonny of Hart, Mr. and Mrs. Bob Brooks and children, Mrs. Alene Lilley of Dimmitt, and Mr. and Mrs. Roy Lilley of Sunnyside.

Mr. and Mrs. Charlie Ard and Charise of Mount Pleasant and John Davis of Spaulding, Okla., were visitors of the E. E. Davis' over the weekend.

Mr. and Mrs. Bill Hill and Mr. and Mrs. Lloyd Davis attended the Roaring Springs Rodeo Saturday night.

George Hendrix and family were in Oklahoma last week.

Roland Shepard attended a ginners convention last week.

The Glenn Reed's and Dean Sanders had supper at Buffalo Lake Thursday.

There was an executive meeting of the Hart P-TA, Saturday afternoon.

Rue Smitherman visited her sister in Borger over the weekend.

Mr. and Mrs. James Halbert of Arlington and Mr. and Mrs. Buster Hacker visited the Edgar Varner's over the weekend.

Guests in the Ray Warren home Sunday were Charlie Warren of Floydada, Joe Ray Warren and family, Mrs. T. R. Warren and Mike of Plainview.

T. C. Ray loaned the County's weed burner to someone about 3 months ago and has forgotten who he loaned the machine to. Would someone please return this weed burner, as it is needed.

Mr. and Mrs. James Pistole of Denver, Colo., spent Friday with Mr. and Mrs. H. E. Loman. James is a brother of Mrs. Loman.

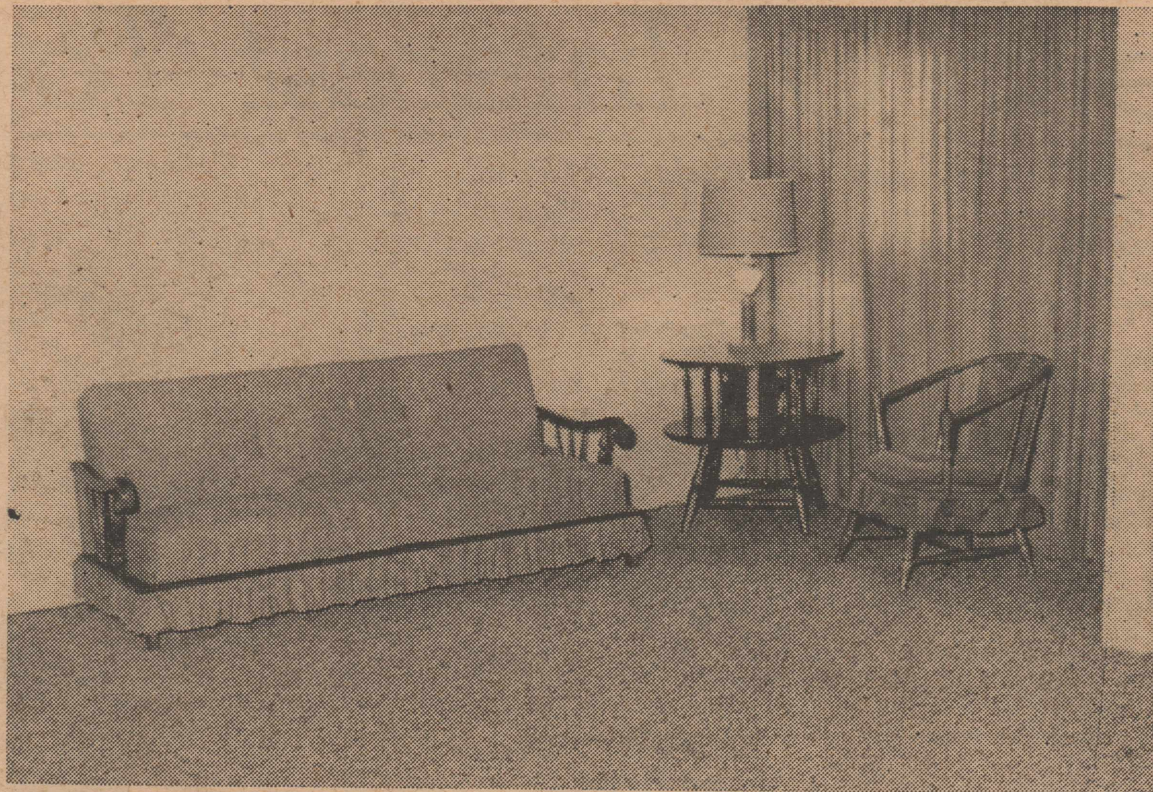

Mr. and Mrs. Bill Blackwell of Johnston, Kan., visited with Mr. and Mrs. Loman Saturday.

Mr. and Mrs. W. H. Felder, Jr., and children, Mr. and Mrs. Bobby Murdock and baby, Mr. and Mrs. Jack Godfrey and Mike all of Plainview spent Sunday in the home of their parents, the W. H. Felder's.

E. A. Sid of Floydada passed away Sunday. Mr. Sid is the father of Mrs. M. M. Smitherman. Funeral services were Wednesday.

ATTEND CHURCH SUNDAY!

FURNITURE IS FEATURED

One of the features to be seen Sunday during the Parsons Funeral Home open house, between 2 and 6 PM, is the beautiful and comfortable Early American furniture decorating the reception room. Parsons Funeral Home is the first such institution in Olton. Their services also include a round-the-clock ambulance service. (STAFF PHOTO)

OLTON BRIEFS

Mr. and Mrs. M. G. Brown and Tanya spent a few days last week in Taos and Santa Fe, NM. They returned home Tuesday afternoon.

Mrs. Allen Johnston and Kent have been visiting relatives for about two weeks in east Texas.

Mrs. Lane Briggs, who has been attending Wayland College, will go to West Texas State College, Canyon, this fall. Mrs. Briggs attended West Texas in 1953 and 1954. She is the daughter of Mr. and Mrs. Robert Fisher.

Rev. and Mrs. Jerry Anderson Dawn and David, went to Berson Lake, near Silverton, Monday and returned Tuesday. The Andersons celebrated their anniversary Monday.

Mr. and Mrs. Frank Farrar and Rockne and Mr. and Mrs. Bill Bennett and Jimmy attended the Boys Ranch rodeo Monday.

Methodist  
Revival Series  
Continuing

Evangelist for the revival being held this week at the First Methodist Church is Rev. Ray Johnson of Abilene.

Rev. Johnson is Conference Evangelist for the Northwest Texas Methodist Conference.

Song leader for the revival is Rev. Devin McAnally, son of the Olton pastor, Rev. Russell McAnally.

Morning services are held at 10 o'clock and evening services at 8 PM. Evening services for Sunday during the revival will be 8 PM, but will revert back to 6 PM afterwards.

"The Methodist Church revival services will begin Friday night at 6:45, to permit everyone that wishes to attend the football game, to do so, and also attend church services." Rev. Russell McAnally announced.

B. T. Graves  
Receives Masters

B. T. Graves, principal at Bohner School, received his Master's Degree last summer from Prairieview A&M College at Hempstead, Texas.

Graves has been teaching in Olton for seven years. Before coming to Olton, he taught 3 years at Borger.

Graves received his Master's of Science degree in Education two weeks ago.

Applewhites  
Have Daughter,  
Cheryl Diane

Mr. and Mrs. Billy Joe Applewhite are the parents of a baby daughter, Cheryl Diane, born September 1, in Community Hospital.

The young lady was born at 4:06 PM and weighed 8 pounds, 6 ounces.

The Applewhites have two other children, Gayla Fern, 3, and Michael Wayne, 2. Mrs. Buford Adams is maternal grandmother.

Mr. and Mrs. Applewhite live in Oceanside, Calif., however, at the time being, Mrs. Applewhite is staying in the home of her mother, while her husband is serving with the marine corps in Okinawa.

P-TA Executives  
Meet Monday

Fourteen members of the executive committee of the Olton Parent-Teacher Association met Monday for a special business session.

Plans were discussed for the teachers reception to be held tonight (Thursday) and reports were heard from the standing committee chairmen.

Plans were made to attend a school of instruction for officers and committee chairmen and anyone interested. The school will be held Tuesday morning at 10 AM at Amherst.

A Page booster ad for the Hart Longhorns originally was scheduled for this week's paper. It will appear next week upon the occasion of Hart's first home game.

# News Of Interest To Women

## Coffee Honors Mrs. Harper And Mrs. Waldrip

Mrs. Joe Harper and Mrs. Don Waldrip were the honorees at a coffee Saturday morning in the home of Mrs. Louis Hair. Mrs. Hair and Mrs. R. V. Allcorn shared hostess duties.

Coffee and doughnuts were served to Mesdames Carol J. May, Fred Stockdale, Jerry Anderson, Edd Lynn Burrus, Bobby Copeland, Max Malone, Jerry Nichols, Andy Stroebel, Billy Smith, Wayne Hair, Jethro Pinkerton, Fred George, Ray Slatten, Sonny Low, John Schenck, Bob Duncan, Major James, Gerald Allcorn, H. B. Maxey, Don Franks, W. D. Holley, David Maxey, Joe Turner, Elmer Moore, Mardema Ogletree, Garrett Bley, the honorees, and hostesses.

## Japanese Couple Is Honored With Chicken Dinner

A chicken supper honored Mr. and Mrs. Kan Matsumoto, a couple from Japan, Friday night at the home of Mr. and Mrs. A. C. Light, Jr. Mr. Matsumoto is a brother of Mrs. Tom Craft of Olton.

The party was given by the Young Married People's Department from the First Baptist Church.

After a chicken supper and homemade ice cream, Mr. Matsumoto showed slides of his homeland, Japan, in the garage.

Present were Messrs. and Mesdames Don Franks, Carol J. May, W. D. Holley, Floyd Light, Athol Light, C. S. Silcott, Elmer Lewis, Uil Gunter, Jerry Nichols, Joe Edd Carson, Tom Craft, Johnny Hodges, Wayne Carson, and Elmer Moore, and Mesdames R. V. Allcorn, Billye Jean Johnson, M. G. Fisher and Tommy Burrows.

## Betty Austin To Be Favored

Miss Betty Austin, fiancée of Jimmie Priest, will be complimented with a come and go pre-nuptial courtesy Saturday afternoon from 3 to 5 o'clock.

Party scene will be the home of Mrs. Ed Thompson.

**OF YOUR CHOICE SUNDAY! ATTEND THE CHURCH**

## Joyce Curtis Sings For Golden Agers

"How Great Art Thou" was the title of the solo sung by Miss Joyce Curtis at the meeting of the Golden Age Social Hour, Thursday afternoon.

Hostesses were members of the Wesleyan Service Guild. They were Mesdames Tommy Ballard, Gene Trotter, L. M. Hardy, Roye Aikman, Bailey Hair and Inez Gordon.

Mrs. Hardy played the piano and the group sang sacred and religious songs. C. T. Mason and L. S. Kennedy were recognized for having birthdays this month.

The group played "42" and dominoes.

Homemade ice cream and cake were served to J. W. Dennis, Mrs. T. T. Souter, C. T. Mason, Mrs. Jody Morris, Mrs. Cora Wozencraft, Mrs. Louisa L. Dennis, Mrs. Jessie Allen, Mrs. Anna Richards (new member), Mrs. Nellie Turner, L. S. Kennedy, Mrs. C. M. Owen, Mrs. Dora Walthall, Mrs. Hattie Lewis, and the sponsors Mrs. Tom Smith and Mrs. Joe Chester.

## Club Dresses Like Nursery Rhyme Characters

New Century Study Club members dressed as nursery rhyme characters for their president's coffee, Wednesday morning in the home of Mrs. Frank Struve.

Present were Mesdames Wilton Bodkin, R. A. Burgess, Brent Burrow, Tom Carlisle, Glen Exter, L. M. Hardy, Don Spain, Alva Spain, Lester Thompson, Ed Thompson, J. C. Brown and Struve.

Mrs. Brown, president, presided over a business session and the new club yearbooks were passed out.

Next club meeting will be September 17 in the home of Mrs. Hardy at 2:30 PM. Mrs. Burrow will assist Mrs. Hardy as co-hostess.

## Mrs. Moore To Be Complimented

Olton Study Club will honor their president, Mrs. Elmer Moore, with a coffee Saturday morning in the home of Mrs. Roye Aikman.

The coffee will begin at 9 AM, and will begin the club's new year.

## Church Of Christ Youth Entertained With Weiner Roast

The Intermediate Group of the Main Street Church of Christ were entertained by their teacher, Mrs. I. B. Holt and Mrs. Frank Farrar, at the Farrar home Thursday night.

After games were played, a weiner roast was held.

Those present were Paula Jones, Anna Laura Lee, Carmen Bley, Rita Hulsey, Sharon Armstrong, Cherry Langford, Doris Jefferies, Deanna Farrar, Bobby Allan, Topper Maxey, Gaines Stanley, Rockne Farrar and a guest, Mac Farrar of Lubbock.

## Boys' Sunday School Class Has Party

The First Baptist Church was the scene for a party for the seven-year-old boys' Sunday School Class recently.

Games were played and watermelon was served to Glenn Lovelless, Stevie Henley, Randy Reynolds, Jimmie Hall, Carl Roberts, Danny Collins and Larry Johnson.

Present were Mrs. John Lambright, teacher, Mrs. Royce Collins, assistant teacher, and Lesia Collins, special guest.

## OES HOLDS PICNIC AT CURE HOME

Olton Eastern Star members and their families held a picnic in honor of Robert Morris, the organizer of the Eastern Star, Saturday night at the home of Mr. and Mrs. Alton Cure.

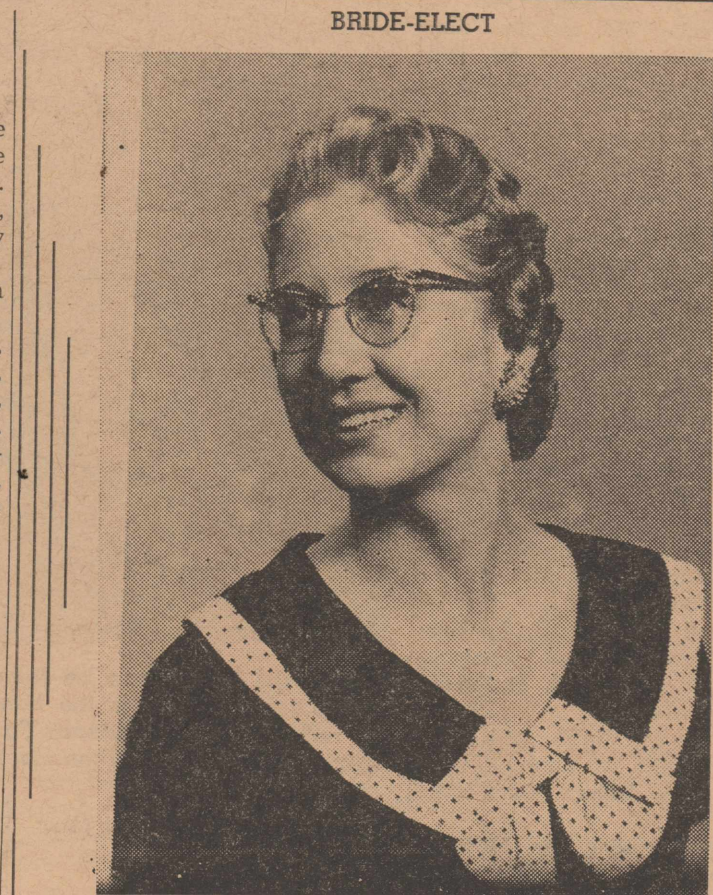

About 30 attended the barbecue. At a meeting last Thursday night, the OES elected Mrs. Ovella Burrows, conductress, and Mrs. Bessie Mae Cox of Hart, associate conductress. Mrs. Joe Harper affiliated with the local chapter.

Next meeting will be Sept. 11, Thursday, at the Masonic Hall, beginning at 8 PM. A Star Point program will be given.

## Bykotas To Meet Tuesday For Tea

The home of Mrs. Douglas Owen will be the scene Tuesday night, Sept. 9, for the President's Coffee for the 1956 Bykota Study Club.

Mrs. Jim Brown, president, will give a talk. Meeting time is 7:30 PM.

BRIDE-ELECT

THE ENGAGEMENT and approaching marriage of Miss Betty Austin to Jimmie Priest is being announced by the bride's parents, Mr. and Mrs. J. H. Austin. Parents of the prospective bridegroom are Mr. and Mrs. Weldon Priest. The wedding will take place, Monday night, September 8, in the Main Street Church of Christ at 7 p.m. Priest will be a senior at ENMU this fall.

## Garden Club To Hear Talk On "Pruning"

"Pruning of Ornamental Shrubs" will be the topic of the program given Thursday, Sept. 11, to the Olton Garden Club.

The home of Mrs. George Bohner will be the scene for the meeting. Mrs. B. C. Cooner will be co-hostess.

A guest speaker from Farmers Nursery, Plainview, will present the program. Meeting time is 2:30 PM.

## Donny Ward Celebrates 8th Birthday

Donny Ward celebrated his eighth birthday, August 28, at his parents' home, Mr. and Mrs. Glenn Patterson.

About seven friends visited and ate cake and ice cream.

## SENIOR SCOUTS HOLD OUTING

The Senior Scouts visited the new Girl Scout Camp near Crosbyton, August 26.

The girls were at the campsite from 10 AM to 3 PM.

Group singing and a scavenger hunt were staged. The girls hiked and ate dinner there.

On the way back from Crosbyton, the group stopped at Plainview, where they bowled and attended a movie.

Attending the day's outing were Pat Small, Shirley Cole, Lila McFadden, Donna May, Lonna May, Sharon Smith, Joyce Gray, Janice Campbell, Mrs. Bobby Copeland and Mrs. Paul Burrus.

## Kaysee Martin Has Birthday Party

Miss Kaysee Martin was honored Friday, August 29, with a party on her third birthday.

Guests were Vicki Kelley, Kellie Hamilton, Diane Johnson, Helen Lewis, Jeanie Williams, Susan Hardy, Charles Russell and Janet Spain. Also present for the occasion were her grandparents Rev. and Mrs. J. D. Horton of Amarillo.

## MUSTANG TALE

BY GAYLE McANALLY

Dickie Scruggs and Betty Williams were together Friday, Saturday and Sunday nights. These two really believe in being together.

m-t

Saturday night Lonna May, Donna May, Sharon Smith, Lila McFadden, Shirley Cole and Joy Fern Cole went bowling in Plainview. When asked if they had a slumber party afterwards, one replied: What! We were all so pooped, we couldn't have done it!

m-t

The "Ever Together Five" were together for a session of just riding around Sunday afternoon. Cecilia Gallaway rejoined the group Sunday after not being able to go bowling Saturday night.

m-t

Surprise!! Or so I thought. Sharon Smith and Randall Small dated Friday night. It wasn't a surprise to anyone but me . . . Seems they've been dating for sometime.

m-t

Juanelle Andrew was with some boy from Hart Sunday night.

m-t

Jerry Brothers and his mystery date caused quite a few questions as to who the mystery date was. Well, here's her name: Carolyn Daniel. Didn't think you knew her, did you?

m-t

Harlan Carson, Dewey Hukill, John Paul Jones and Houston Hamby returned Wednesday after spending Saturday night through Wednesday on Harlan's family's ranch in Oklahoma. The ranch is located about 15 miles from Texahoma. The boys hunted . . . fished . . . and so on.

m-t

Lonna May dated Johnny Collins of Earth Friday night week. They double-dated with Leon Collins, Johnny's brother, and Olton's Jean Williams. The two couples bowled in Plainview.

m-t

Just a few of the Saturday night daters: Tommie Wilson, Kay Gregory; John Lynn Burrow, Jean Harper; Jimmy Moss, Judith Chester; Ronnie Dennis, Janet Oak; Jack Hysinger, Gayle Machen; John Wayne Hair, Judy Laceywell; Dewey Hukill, Pat LaFrance; Harlan Carson, Sue Witten; Houston Hamby, Doniece Silcott; T. J. Smith, Joyce Gray; Jerry Edmonson, Latrell Stewart; Jerry Fancher, Sharron Dennis; Elmer Houston, Maenette Dennis; Arno Hall, Karen Smith; James Ray Hyatt, Jean Williams.

m-t

Lonnie Miller and Jerrine McGrew double-dated with Jerry Meyer and Sandra Damron Sunday night.

m-t

Ronnie Dennis and Janet Oak dated several times this past week before Ronnie left for college Sunday. Friday night, they took Janet's cousin, Richard Hall, to the show with them! Gosh, I wouldn't have done it!

m-t

Who took Judy Laceywell home

**Garza County**  
Office of the County Judge  
Post, Texas

To The Olton Enterprise  
Attention of The Editor

Dear Sir:

Post and Garza County have recently lost to Olton and Lamb County one of our finest young couples, Percy and Margaret Parsons.

Percy and Margaret are members of that diminishing tribe called the "vanishing American." They are not looking for something for nothing and are more than willing to give a fair day's work for a fair day's pay.

I have known Percy and Margaret intimately in church, civic and business affairs and they cannot be recommended too highly. They are fair, honest and ethical in all their dealings and will be a credit to Olton.

It was with a great deal of personal satisfaction that I learned Percy and Margaret were establishing their own business. I do not know whether or not Olton needs the type of business they are establishing but if hard work, honesty and fairness are the ingredients of which success is measured, they will succeed.

On behalf of the people of Garza County I wish to extend congratulations to Percy and Margaret and if they ever leave Olton we hope they will head back our way.

Yours very truly,

Pat N. Walker  
County Judge  
Garza County

# Junior High Begins Football Practice

Like their older brothers, Olton junior high football players are now in uniform.

Coach Travis Rector reported a "good turn out of boys, and lots of spirit." Workouts began Wednesday.

So complete is the turnout of players in the seventh grade, all but two of the entire male student body are on the team. The remaining pair are the managers.

Coach Rector named George game schedule for the season, of which five games are to be played at Mustang Stadium.

Home games will be against Sudan, Sept. 23, Dimmitt, Oct. 7, Lockney, Oct. 9, Friona, Oct. 21 and Abernathy, Oct. 28.

Out-of-town games will be played at Muleshoe, Sept. 9 (season opener), Abernathy, Sept. 16, Canyon, Sept. 30 and Tulia, Oct. 14.

Two games, seventh and eighth grades, will be played on all dates except three, both Abernathy and Lockney games.

On the one-game dates, players from both teams will be used as one squad.

Coach Rector named George Jones and Billy Carson as the most promising players of the seventh grade team. Jones is a 90-pound halfback and Carson a 115-pound guard.

Johnny Mayo and Barry Prestridge were listed as the two most outstanding players on the eighth grade squad. Mayo is a 147-pound tailback. Prestridge, who plays fullback and weighs 140 pounds, is a track standout also. He ran the century in 10.2 at Plainview last spring.

**Team Members Named**  
Members of the eighth grade team are: Ralph Hamm, linebacker, Jerry Biggs, tackle, Larry Fancher, tackle, Jimmy Curry, end, Mayo, tailback, Bennett Worley, end, Charlie Burrus, quarterback, Raymond Hernandez, center, Leo Hyman, end, Robert Struve, end, Prestridge, fullback, George Phillips, guard, Hubert Meyer, tackle.

Gerald Dale, tackle, Phillip Mc-Broom, guard, John Johnson, tackle, Vernon Cantrall, halfback, Bobby Daffron, guard, Jerry Peterson, end, James Loveless, guard and Ronnie Parson, guard.

Travis Carruth and Gary Huckabee are team managers. Carruth, Coach Rector said, was an outstanding candidate for the team but, because of health, he would

not be able to play.

**Seventh Grade**  
John Souders, center, Clyde Gal-laway, guard, Jones, tailback, James Henley, tackle, Rusty Sherman, end, Jerry Meyer, end, Paul Hernandez, tackle, Gaines Stanley, quarterback, David Kersh, halfback.

Margarito Bolance, tackle, Billy Cox, tackle, Roy Roberts, half-back, Walter Burrow, guard, Carson, guard, J. D. Parker, guard, Billy Henson, fullback, Bill Wagner, halfback, Terry Pitts, guard, Jimmy Bennett, guard, Chalo Mingarez, halfback and Primo Gutierrez, guard.

## Swimming Pool Suffers Damage

Unknown vandals struck the Olton Recreation Center swimming pool last week.

Damage amounted to replacement of a costly pipe, ruination of a few swimming suits and a couple of days slack swimming traffic.

According to Sandra Hamby, pool employee, vandals entered the pool's pump house sometime Wednesday evening. They turned off the water circulation pump motor and the water heater.

The pipe damage occurred when the chlorination was left on—it is supposed to be off when the pump motor is off. The chlorine ate a hole in the pipe during the night.

Swimming suit damage was caused by a dye which was thrown into the water. Several suits have been stained by the deep blue coloring, which cannot be removed.

Miss Hamby said she first noticed the dye Thursday morning, when she couldn't see the bottom of the pool. "You could put your hand down in the water and couldn't see it," she said.

A repairman was summoned from Lubbock to replace the needed pipe. It was repaired late Thursday afternoon.

"We've had trouble all season with people throwing things in the water at night," she stated. "It's dangerous. They throw objects in the water that could seriously injure someone."

Police had not been called in on the case Friday.

## Twila Likes Riding Bus!

Little Twila Abbey is enjoying all the thrills and excitement of being a first grader.

Tuesday afternoon, Twila was supposed to ride the bus home.

The bus passed the house, so Mrs. L. G. Elkins (Twila's grandmother) called Mrs. Vonnetta Abbey (Twila's mother) at Hall Insurance and asked, "Didn't Twila ride the bus?"

"Yes, she was supposed to ride the bus!"

So, Vonnetta went to see Twila's teacher to find out where she was—the teacher said she had put Twila on the bus.

Then began the merry chase. Finally, Vonnetta caught up with the bus at "almost the end of the bus route" and there Twila sat, enjoying a bus ride!

## Inspection Of Vehicles Begins

Monday marked the beginning of a new motor vehicle inspection period in the state.

At least eight vehicles were inspected by noon of the first day at the five inspection stations here.

Inspection stations throughout the state will open their doors for the inspection period that runs through April 15, 1959. There are more than 4,300 stations in the state which have been authorized to check automobiles and trucks.

Olton inspection stations are Thompson Chevrolet Co.; Hall-Sides Motors; Blackwell Garage; Bodkin and Nixon Implement Co.; and Olton Motors.

In announcing the opening date, Col. Homer Garrison, Jr., director of the Texas Dept. of Public Safety, suggested that Texas residents have their trucks and automobiles inspected at the beginning of the period. This, he said, would save motorists considerable time and inconvenience annually accompanying long waiting lines at the inspection deadline.

## Hub Caps Vanish Over Week-End

A rash of hub cap thefts are reported to have occurred in Olton Saturday and Sunday evenings.

Deputy sheriff Vernie Head said yesterday the thefts took place in several locations over the town. Only a few of the automobiles lost all four caps. Most of those stolen were on the hidden side of the vehicles.

There was no evident pattern to the series of thefts, as reports flooded the local police office from almost every section.

Head said approximately 30 hub caps were stolen during the two evenings.

Also, the raids were not made by the same person or persons. Two Hart boys, described as "just kids", are said to have returned a set they stole to the rightful owner after their parents discovered the loot.

## Sports Boosters Change Name

The Olton Quarterback Club Monday night changed its official name.

Instead of being called by the same name as it has for the past number of years, the club is to be known as the Mustang Club.

Membership buttons have been ordered for members to wear on special occasions, and as soon as they arrive they will be sold for \$1 each.

Members elected new officers for the year. Tom Carlisle was elected new president to replace the 1957-58 president Glenn Phillips.

Wayne Hair was elected vice-president and secretary-treasurer elect is Carl Hooper.

The club also voted to donate \$200 to the tennis court fund. A drive is in progress to construct a double court east of the football field in the near future.

Mustang Club meetings are held every Monday evening in the high school building, starting at 8 P.M.

## Olton Homes Get Numbers

Olton homes will have house numbers Tuesday.

Project committee chairman G. H. Bley has issued a request that all residents who can possibly go to the Chamber of Commerce office to do so and pick up their home numbers.

All residents who fail to pick up their numbers need not worry, however, because groups of Boy Scouts, accompanied by adult members of the C of CA will work every street in the town Monday evening.

The request that numbers be picked up in person at the office was brought about because of a lack of available Scouts.

Chairman Bley said the job was too large for the small group he had available, and residents could aid greatly by cooperating.

Payment for the numbers can also be made at the Chamber office, at 5 cents per letter.

The working groups will begin their swath over town at 4 P.M. Monday, Bley said.

ATTEND CHURCH SUNDAY!

## Archie Garner Loses Finger

Archie Garner's finger on his right hand was badly mangled in a potato grading table while on the job at the Henry Allen farm here and it became necessary to amputate.

Mr. Garner's accident occurred August 26, and his finger was amputated in the Community Hospital by Dr. Ben J. Souders, Monday, September 1. "Gangrene had set in," Garner said.

Garner and his wife, Aletha, had lived in Olton since October, 1957, before moving recently to Plainview. The Garners farmed in Olton for about 5 years, but moved to Plainview around 1952. Garner also has worked for Straw-Burrow Gin. Aletha has been employed as a beauty operator at Peggy's Beauty Salon for almost a year.

## Mrs. Ira Bridges Wins Trade Days Jackpot

Mrs. Ira Bridges was winner of \$25, Saturday's Trade Days first prize.

Second prize, \$15, winner was W. T. Hall, Sr.; third prize, \$10, was J. W. Ivins, and fourth, \$5, was Mae Hasha.

Jackpot next Saturday will be \$75, of which the winner will receive 50 percent.

RAMBLING MUSTANG QUARTERBACK

Mustang quarterback Robert Priest, center, is shown about to lateral the ball as two Friona Chiefs gain ground on him. The picture was taken during a scrimmage session Saturday morning at Friona. Olton's Mustangs looked impressive during the practice period. They will meet Petersburg at Mustang Stadium tomorrow evening.

(STAFF PHOTO)

## Mustangs, Chiefs Hold Scrimmage

Olton's Mustangs scrimmaged Friona at Chief Field Saturday.

Each team took the ball on offense 10 plays, then went on defense for the same number of plays. The "first" teams clashed first, followed by the "B" teams.

Olton's "A" team scored three times from scrimmage and once on an intercepted lateral while Friona scored twice from scrimmage and once on an intercepted lateral.

Friona's "B" team scored the only tally in the later skirmish.

Halfback Royce Bodkin, hit pay dirt twice for the Mustangs, Jimmy Robbins, end, took a pass from quarterback Robert Priest for another, and tackle David Hamm intercepted a lateral for the fourth.

"I thought we were weaker on defense than I had expected us to be," Mustang mentor Joe Turner commented later.

He continued saying, "The pass defense looked stronger than it has looked in other workouts this year, however. Our offensive blocking wasn't as sharp as we'd like it."

"Of course, a lot of this is due to inexperienced players. The thing," he added, "that looked best to me up there was game tackling. The boys showed a bit of spirit in that department."

## Teachers To Be Favored With Reception

A reception for Olton school teachers will be held tonight (Thursday) at 8 o'clock by the Olton Parent-Teacher Association.

The reception is held annually by the P.T.A.

Don Williams, president of the

Olton Chamber of Commerce and Agriculture, will be in charge of the program.

The group will be entertained by the Olton High School stage band.

Mrs. Melvin Hines is president of the P.T.A.

## BOOSTER MEETING

First annual fall meeting of the Olton Band Boosters will be held Thursday evening, Sept. 11.

At the meeting, which will begin

at 8 PM in the band hall, election of officers will be held.

Another topic will be money-raising projects and scheduling of trips for the Cadet and Mustang bands. This will probably be the only fall meeting of the band boosters this year. All parents of band students that are in the sixth through 12 grades are urged to attend by director Fred Stockdale.

ATTEND CHURCH SUNDAY!

## OLTON BRIEFS

Mrs. Allen Johnston and Kent have been visiting relatives for about two weeks in east Texas.

Mr. and Mrs. M. G. Brown and Tanya spent a few days last week in Taos and Santa Fe, NM. They returned home Tuesday afternoon.

# Mustang, Cadet Bands Plan Activities

## Cadets To Make First Appearance

The Olton Junior High Cadet Band will make its first appearance of the 1958-'59 season Friday night, September 29. The band will be led by drum majorette, Sylvia Nicholas.

The Olton-Muleshoe football game, which will be played at Muleshoe, October 17, will be the Cadet's first out-of-town appearance.

The Cadets will be wearing new uniforms. These uniforms were worn by the Mustang band this

past year.

Leading the 83-piece band at its debut during the half-time activities of the Olton-Hale Center football game will be nine lovely young ladies. The majorettes include Cheryl Poteet, Tommie Witten, Phyllis Hair, Diane Smith, Barbara Fancher, Carmen Bley, Jan George, Lana George and Pam Hair.

Majorettes' uniform consist of a blue corduroy short skirt and blouse of their own design. The blouses are sleeveless, and are decorated with white shoulder bars and a white geometrical design.

Miss Nicholas will wear a drum majorette's uniform of white britches and white coat. Her uni-

form is trimmed in blue.

The Cadet band is composed of sixth, seventh and eighth graders.

## Joint Groups in Lubbock Affair

Both the Olton High School Mustang band and the Olton Junior High Cadet band will participate in the annual "parade of bands" which will open the 41st Panhandle South Plains Fair in Lubbock, September 29.

The Cadet band will enter junior-high competition and the Mustang band will compete with other

high school bands entered. Both of the bands will be competing in Class AA.

First and second place awards will go to winners in each class. First prize will be \$100, and the second place award, \$50.

Fred Stockdale, director of the bands, states that the band members will march in the parade at 10 AM, eat lunch in Lubbock, attend the fair, and then return to Olton in time to catch their school buses.

## Stockdale To Attend Directors Meeting

Fred Stockdale, OHS band director, will attend a meeting of all regional band directors Sunday, in Lubbock.

Stockdale, along with the other directors, will select the judges to

# THE OLTON ENTERPRISE

be used for this region's yearly band contests. They will also pick the dates for the contests.

The regional contests include competition in marching, playing and sight-reading of all schools in this area.

## Bands To Attend ENMU Contest

The Cadet Band, along with the Mustang Band, will march in the Eastern New Mexico University

homecoming at Portales, NM, Saturday, October 11.

This is the first year for the Cadet Band to participate in the ENMU annual event. The parade's junior high division was initiated one year previous to this year.

Trophies for the best junior high marching band will be presented. All band members will attend a free barbecue and the university's homecoming football game.

## Cadet Stage Band Organized

Fred Stockdale, OHS band di-

rector, has organized a new stage band. The band is composed of sixth, seventh and eighth grade Cadet band students.

The group plans to play popular arrangements.

In the saxophone section are Phyllis Hair, Sylvia Nicholas and Cheryl Poteet. Cadets playing cornets are John Souders, George Jones, Gerald Dale, Richard Hall, George Ann Redinger and Clyde Galloway.

Trombonists are Barry Prestidge, George Phillips and Neil Andrew.

On the drums is Rusty Sher-

man, and Diane Smith will accompany the band at the piano.

# Patterson Home Has Traditional Face For Up-To-Date Layout

ABOVE ARE SCENES from the interior of the home of Johnnie and Glenn Patterson, located at 1402 West 9th (Hillcrest). In the first picture, (left) Johnnie is

looking at an ivy plant in the master bedroom. The room is turquoise and white. The walls, curtains, and bedspread are all the same color of turquoise and

the white plaques over the bed and white lamps give the room an added touch. In the center photo, Johnnie is busying herself around in her compact, up-

to-date kitchen. The cabinets in the background are stained natural blonde and the handles are black hammered aluminum. To Johnnie's right is the dining area and still farther right is the util-

ity room. A corner of the living room is caught in the picture to the right. In it, you see the rich beauty brown drapes and the tan curved sectional and turquoise pillows and modern blonde step

table. (The picture, one which Johnnie said she'd wanted for years, was only purchased Saturday for the Patterson home by Johnnie.)

(STAFF PHOTOS)

storage closet. The woodwork is as easy to keep as it is pretty, in its natural blonde finish. It is washable and it's very pretty with Johnnie's pinks, turquoises and browns.

In the backyard, Glenn has built a room and patio-porch—for barbecues and a place for Linda and Donny to play in bad weather. Storage for Johnnie's and Glenn's fishing and camping-out equipment and other "things" is above the room in an "attic". The little house blends perfectly with the Patterson's pink home. It is a pastel shade of apple blossom pink.

The Patterson home will impress you with its tasteful ornamentation, its beauty of proportion and its lasting appeal. It is livable and convenient. It is built to make the home rewarding, so necessary. Its central cooling and heating system makes for comfortable and convenient living.

Johnnie has given a traditional face to this up-to-date layout and the exterior plantings and shrubs are all in scale and character.

The Patterson house is located at 1402 West 9th Street, in Hillcrest.

## Letters To Sue

August 28, 1958

Dear Sue,

I thought I'd drop you a few lines to tell you that I really do enjoy your gossip column (ha). Maybe that's not the appropriate name, but that's what I call it. Anyway, it tells of most of the people that I know and miss alot. Almost everytime I get a paper I read your column before the rest of the paper.

You just continue the Good Work and I'll keep reading your column.

You know The Enterprise really does help me out alot. I read about people that I know and that keeps me up to date.

Well, I've got to be closing for now and fix a field transport pack.

Sincerely,

Dan Wallace

P. S. Tell Carol I said hello. See you around the 15th of September. (Ed's note: Dan's address is Pfc. Dan Wallace, E-2-1, Camp Pendleton, Calif.)

## OLTON BRIEFS

Visitors in the Russell McAnally home Sunday were Mr. and Mrs. Richard Sell, Booker; Mrs. D. D. Potter, Roscoe; Mr. and Mrs. John Luckie, Brownfield. Mr. Luckie is a cousin of Mr. McAnally and Mrs. Luckie sang at the Methodist Church Sunday morning.

Mr. and Mrs. Calvin Horn, Rea and Terry, attended the wedding of a friend in Pauls Valley, Okla., this weekend.

Mr. and Mrs. Don Spain, Steve and Jo Ellen, vacationed in Cowles, NM, this past week. They

Dear Sue,

We surely did appreciate the nice write-up you gave us in the paper. I am proud of the pictures, too.

We really don't deserve such nice compliments.

We enjoy all your writings all the time.

Sincerely,

Ruth Hair

returned to Olton Sunday.

Sunday visitors in the H. R. Mr. and Mrs. Bob Coen and Melody of Amarillo visited Sunday in Olton with relatives.

Watermelon wedge  
Apricot cobbler  
Corn bread and butter  
Milk

By SUE MAY  
Here's a house to win wives and influence husbands! Its the home of Johnnie and Glenn Patterson.

Start with its soft, warm exterior—details like the picture window, pink brick trim, and entry porch delight the ladies. The pink outside and white roof make a pretty picture against the green background of grass and shrubs. The one-car garage, which can be entered from the inside of the house or the outside, is under the same expanse of roof.

The living room is a friendly, pleasant place to entertain or relax—and it's close to the kitchen. A small snack bar, that features a unique what-not shelf, divides the kitchen-dining area from the living room.

**Brown Drapes**  
An added "elegance" to the living room and dining-kitchen area are the rich beauty drapes in dark brown. They add variety to the room against the flesh pink walls.

The furniture in the room includes a tan curved sectional, blonde octagon-shaped coffee table, turquoise modern curved chair, and mahogany radio, record player, and TV set. Adding the touches of color are turquoise pillows and pink and white roses. A pink telephone adds dash to the snack bar.

Kitchen is between the two areas it serves: dining area and living room. Laid with a cream-colored linoleum, the handsome kitchen is compact and charming. The spacious, natural blonde cabinets are complimented with black hammered aluminum handles. The dining area is furnished with a pink, tan and black dining table and chairs.

The house, with the exception of the kitchen and bath, is carpeted with a rose-beige carpet.

Attached to the dining area is a small utility room where Johnnie has an automatic washer and dryer. From the utility, you can walk into the backyard or into the garage. The beauty of Early American design drapes lend glamour to the otherwise plain room.

A central hall joins (yet separates) a three-bedroom "quiet" wing and active, daytime areas.

**Turquoise Room**  
The master bedroom is the most interesting and most appealing room in the house, with its soft shades of turquoise and white. The restful turquoise colors, on the major areas of the room, extend from the ceiling to the floor. The white lamps and white and gold plaques lend variety and sparkle. Even the bedspread matches the walls and draperies.

Johnnie's young son, Donny, has a clever boy's room—all western, with the exception of the modern-day tex-stone walls and carpet. His draperies are tan with cowboys on bucking brones and saddles printed on them. He has twin beds in his room and western lamps. His walls are beige.

Brown, tan, and pink made Linda's, Johnnie's daughter, room a "showcase" room. Linda's draperies match the living room's in rich dark brown. Her walls are a tan with only the slightest hint of pink and the bedspread is pink. The bed is practically covered with Linda's frilly dressed dolls that give the room that "little girl" look.

Pink and tan are also used in the comfortable-size bathroom. Early American curtains are used at the bath's window and a long dressing table adds interest, plus convenience, to the room.

**Spacious Closets**  
Other important features in the house are spacious closets with sliding doors, built-in linen closet and towel closet, cloak closet, and

### ironing things out

by korkye martin

I can almost imagine the mild sensation two young Olton mothers must create when they take their daughters off to college in a few days.

Elaine Pinkerton and Marcelle Loveless would pass for sisters of their daughter coeds, Yvonne and Sandie, rather than mothers.

Can't you just hear the ohs and ahs and I-don't-believe-its among the girls in the dormitories when the two pairs appear? They'll be the talk of the campus for a while, and then everytime the mothers visit the girls, the chatter will be renewed.

Wouldn't be surprised, even, if some of the male students didn't give them the eye as prospective dates. And the housemothers will probably think they're enrolling in

college, too. What fun!

Who'll be the first to make a daring appearance in one of the very, very extreme, new-but-old fall fashions? Sue Hair? Eva Smith? Vivian George? Ruth Hair? Louise Gunter? Helen Franks? Jewel Miller?

Joy Johnston, just back from visiting in East Texas, says the styles she saw in Dallas were so ridiculous she just laughed at them and wouldn't have one of them!

I suppose it's greatly a matter of getting used to something, however. And we Americans seem to be pretty pliable in becoming adjusted to constantly new and changing things, particularly women's fashions.

Anyhow, I'm all eyes for the fall debut. Friday night's football game might just be the place, too.

Mothers and fathers of school-age children—please do attend the P.T.A. reception for teachers tonight (Thursday) at 8 P.M. It's such an excellent opportunity to meet your children's teachers,

### Field Day Plans Set For Halfway

Wednesday, September 17, promises to be a big day for people interested in Agriculture on the High Plains.

Preparations are in high gear for the second Annual Field Day at the High Plains Station of the Texas Research Foundation at Halfway.

The first tour will start at 1 P.M., and continue until the barbeque at 6 P.M. Explanations of the projects at each of the eight stops will be made by members of the staff at the Station, from the Texas Research Foundation and others.

Twenty tractor-drawn wagons will carry the visitors over the mile and a quarter tour. The guides who accompany each wagon will be professional Agricultural personnel from the Soil Conservation Districts, County Agents and Vocational Agricultural Instructors in the High Plains Area.

Signs designating the crop varie-

WITHOUT the children around. And I can't imagine a parent who isn't interested in knowing all he can find out about the person who will have his child during the major waking hours for the next nine months.

We have several brand new teachers again this year, too, and they would also like to meet YOU.

Be there for your child's sake.

Only six more swimming days till the pool closes. Better get out there. 'Twill be a long, long, time till next June!

Seriously, wouldn't you agree that the ORC swimming pool has meant a great deal to many of us this summer? Of course, it has meant a great deal of work to the manager and lifeguards, and they have apparently done an excellent job. But surely it has measured up to all it was meant to be.

I, for one, will testify that it has forced Oltonites to "let their hair down" a little. And we can still go further.

So here's cheers and congratulations to the first season of Olton's swimming pool, and hi-ho to an even better (and longer) one next year!

All the luck to the coaches and players in Friday night's first grid tilt!

ties, fertilizer tests, soil and water conservation projects will be placed throughout the tour route.

### Dove Season Opened Monday

Dove hunting season is here. Monday noon marked the first day of the season, as far as the Panhandle area is concerned.

Season closes Oct. 20. Shooting hours are from noon until sunset. Bag limit is 10 birds per day and not more than 20 in possession.

Texas hunting license is required for all who hunt outside the county of their residence, except those under 17 years of age and 65 or older. Hunters under 17 and over 64 are exempt from the license requirement.

Resident hunting license fee is \$3.15.

# Japanese Couple Thinks Americans Are Friendly; American Women Frank; United States Too Large

BY SUE MAY

From the Cherry-Blossom Land, considered the most beautiful of all places—Japan—are Kan and Fusae Matsumoto, who are visiting here. Kan is the brother of Mrs. Tom Craft.

Fusae expressed her feelings toward American people by saying, "Americans are so friendly. We are so happy when people we don't know greets us. Gives us a warm feeling." Fusae said that everywhere she and her husband had visited since arriving in the United States, that they were greeted by people as if they were "old friends."

When asked what she thought of America, Fusae said, "It's too large! Sometimes we wonder if people are still alive. Why you can't go anywhere here without a car. In Japan, we go everywhere on foot."

Kan and Fusae are visiting in the Craft home until time for them to register at Baylor University where both will attend on a scholarship where basic tuition will be paid. Fusae will study "Modern American Literature" and "Browning." She plans to return to Japan and teach. Kan, who has already been teaching in Japan, will attend graduate school where he will study speech and religious drama.

The Matsumotos are typical Japanese in physical characteristics. They are small built—probably neither are over 5 feet 3 inches tall. They have the lovely bronze complexion; black hair (both wear their hair like we do in Texas); and brown eyes.

Fusae is a victim of Hiroshima. She was one of three out of 150 children that survived the atom bomb at her school. "I was 1/2 mile from where the bomb dropped. I was out on the school grounds (I was in my first years of junior high school) picking up weeds when the bomb hit."

She went on, "Half of my body was badly burned. There were 147 children killed at the school I was in. Out of a population of 300,000, 220,000 were killed in Hiroshima."

Fusae explained that the reason she was in school when the bomb was dropped (August 8, 1945) was that the schools went all year during the war.

Fusae said that she "wandered around for three days." "I remember very well the first two days," she declared, "But I don't remember anything afterwards for awhile. My father found me by the road, unconscious."

Fusae was unconscious for a week afterwards and she was

Kan and Fusae Matsumoto of Japan (left and center) chat with Mr. Matsumoto's sister, Mrs. Tom Craft of Olton. Mr. and Mrs. Matsumoto were honored Friday night by the Young Married People's Department of the First Baptist Church with a chicken supper. Mrs. Craft and Mrs. Matsumoto are wearing the native Kimonos and obis. The Matsumotos like American people because "they are so friendly."

taken care of in her parents home in the country. "I had better care and attention there than in the Red Cross Hospital," Fusae reminisced.

When asked if the Japanese have hard feelings towards the United States, she said, "Time passed and almost everyone forgot that bitter experience."

Japan is a large chain of islands stretching north and south for three thousand miles along the east coast of Asia, from which it is separated by the China Sea. There are four large islands and about four thousand islets, of which only some 550 are inhabited.

As you travel from north to south, you pass the four largest islands, Hokkaido or Yezo; Honshu, the main island; Shikoku and Kyushu, all mountainous and forest-clad.

The natural loveliness of the country is formed to a large degree by its mountains and by the beautiful streams and lakes which are found in all the highland districts. The huge volcano, Fujiyama, is easily one of the most important mountains in the world. It stands by itself in a plain, some seventy or eighty miles from Tokyo, and is partially encircled by a chain of lakes.

"The oldest religion of the Japanese, one still professed by many, is Shintoism, a combination of ancestor worship and nature worship," Kan said. In the seventh and eighth centuries, however, Buddhism was introduced from China. The Emperor and his court were soon converted and so were the bulk of the people.

Kan said that since the Christian religions have come to Japan, that the women have been treated as human beings and since the war, in 1945, women have been allowed to vote.

Since then, Japanese women have been receiving more consideration, but for centuries they have been regarded as the servants of their fathers and brothers and, later, of their husbands.

"This was especially so among the upper classes," Kan pointed out. "With the poorer class, among whom the women do much of the work, they are held to be more nearly man's equal."

Kan and Fusae both were eager to say that since most of the older Japanese people are believers of Shintoism or Buddhism, that the young people who accepted Christianity, were not welcome in the homes of their families. Fusae said, "Some go so far as disinheriting their children if they become Christians."

"Dating in Japan is rather different than here," Kan remarked. He and Fusae both described the way most of the

Japanese young couples meet and marry is from their parents' choice. Fusae said, "The parents pick out a mate for their son or daughter and talk to his or her parents. If they both agree, they plan for the two to meet. They can say 'no' if they wish, and if they do, the parents find someone else."

"Recently we have begun to enjoy practical clothes," Fusae declared, "Kimonos are uncomfortable to work in." She said that the men dress like American men for work but put on kimonos at night when they come in from work.

"Kimonos are worn for special occasions," she pointed out, "like teas, funerals and weddings."

The hairstyles are the same as American women's hairstyles. "Some wear their hair elaborately dressed, but not many," Kan said. "If they fix their hair like that, it is usually for a special occasion," Fusae remarked.

Fusae said that the major food is rice in Japan. "It is eaten three times a day." She explained that it is simply boiled in water and is not seasoned with salt, sugar or pepper.

She told of one of the favorite ways of fixing rice as, "after the rice is cooked, soak raw fish, sugar and salt in vinegar for about three hours; add vegetables to the rice and mix them all together." She said it is called "Oshusa" and anything can go into it. For instance,

she said, chicken is good in it. "It is a real good dish," she remarked.

Kan said that the Japanese drink green tea alot with their meals and a favorite breakfast is soy-bean soup.

"Wages in Japan are very low," Kan said, "but things aren't nearly so expensive there." Fusae told that when they started exchanging Japanese money for American money for their trip that they found the Japanese money isn't worth much in American money.

When so little of this mountainous land is arable, every acre that can be used is cultivated intensively. The average farm consists of but two and a half acres, and one acre must feed four persons. The islands contain a population of seventy million, and that number is increasing at the rate of not far from a million a year.

Fusae told of the Japanese bath. She said the water comes to your neck and is very comfortable. "First, we get into the tub of water, then get out and soap and rinse, then get back into the tub again", she said.

Kan said the water is heated in the tub by gas burners or coals underneath the tub. "We don't change the water every time a different person bathes," Fusae said. "Several use the same water."

She told of an American missionary coming to Japan and staying in the home of their pastor. "Our preacher was very surprised when he went into the bathroom after the missionary had taken his bath and the tub had soapy water in it—he'd soaped and rinsed in the tub!"

In Japan, all school children are required to take six years of English, plus Japanese. "They can choose to study other languages like German and French, too," Kan said, "but they have so much to do learning English that not many learn a third language."

The Allied Powers ceased to control Japan on April 28, 1952, when the treaty, signed at San Francisco in September, 1951, went into effect. According to a defense pact with the United States, however, United Nations troops remained, in order to carry on the war in Korea, and also to defend Japan until she is able to muster her own armed forces. Japan, greatly reduced in size and power, became once again a free and sovereign nation.

Kan smiled when asked about the difference between American women and Japanese women, "American women are frank and friendly and express themselves so freely—I like that!" He said that Japanese women don't express themselves much. "They are more quiet."

## HART CAMP NEWS

BY MRS. BLANTON MARTIN

Mrs. C. E. Timmins has received word that her mother in Casper, Wyo., is seriously ill.

Mr. and Mrs. H. V. Lynch are in Oklahoma this week, where they attended the wedding of Marsha Marks, Mrs. Lynch's niece. They will also visit Lynch's parents in Arkansas.

Rev. Eugene Ray of Plainview filled the pulpit at the Baptist Church Sunday. Rev. and Mrs. Howell and family are still in

Wyoming on vacation.

Mr. and Mrs. Dewey Parkey, Don and LaVon have returned home after a trip to South Dakota where they visited Parkey's sister. Enroute home they visited the Claud Parkey's.

Mr. and Mrs. E. C. Timmins, Larry, Jerolyn and Kerwin Oliver spent a few days last week near Denton, where they fished and visited with relatives.

Mr. and Mrs. Roy Hendrick, Sharon and Jerry have returned from Austin, where they were guests of Mrs. Hendrick's sister and family.

Mr. and Mrs. S. D. Martin of Southland spent Sunday in the

Blanton Martin home.

Joe and Judy Pendleton are going to school in Lubbock. They are staying with their grandmother.

Mr. and Mrs. Ray Johnson were host and hostess for a dove fry Monday night at their home. Present were Mr. and Mrs. Judd Walker, Diana, Kathy and Randy of Littlefield; Mr. and Mrs. Krueger Johnson and Mr. and Mrs. Carol J. May and Scott, all of Olton.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

## SANITONE FIRST IN DRY CLEANING STILL TAKES THE LEAD

CROWNING FIVE YEARS OF EXHAUSTIVE RESEARCH AN ENTIRELY NEW CONCEPT OF DRY CLEANING. SANITONE SOFT SET NEW DETERGENT.

The greatest thing that has happened to Dry Cleaning since Sanitone introduced the original detergent some 20 years ago. Now, with that detergent universally accepted—and imitated, Sanitone takes another giant stride forward.

THE ONLY DRY CLEANING WITH A BUILT IN FINISH. Only Sanitone Soft Set New Detergent simultaneously supplies a textile finish as it cleans, does both jobs better than they've ever been done before.

A REVELATION IN COLOR RENEWAL. You'll see the amazing difference in the very first garments. Colors actually seem deeper, brighter, richer than when new.

FINER FINISH THAT COST NO MORE. Thanks to its "built-in" Soft Set Finish, this finer finish is easy for you to see! Wrinkles due to crushing in bags on racks or in closets at home, fall out easily. After wearing your clothes all day hang them at night. Note the remarkable difference in the looks the next morning.

Your clothes are cleaned in crystal clear solvent. COMPARE NEW SANITONE SOFT SET DRY CLEANING AT OUR RISK.

Send us the coat (jacket) of any of your suits. Send the matching trousers (skirt) to any other dry cleaner in town. Then compare the two jobs. If ours is not noticeably different, you pay us nothing.

**THE ENTERPRISE PRESENTS**

This young party-going gentleman is three-year-old Charles Russell, son of Mr. and Mrs. L. J. Russell. Charles' father is a farmer and his mother teaches school.

**Golf Etiquette Is Presented**

**Editor's Note:** This is a series of rules on golf, as approved by the United States Golf Association. The rules apply not only to those of the Olton Recreation Center, according to course pro Glenn Miller, but to all other courses over the nation.)

**Sec. I ETIQUETTE**

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.  
The player who has the honor should be allowed to play before his opponent or fellow-competitor tees his ball.  
No player should play until the players in front are out of range. In the interest of all players,

should play without delay. Players searching for a ball should allow other players coming up to pass them; they should signal to the players following them to pass, and should not continue their play until those players have passed and are out of range.  
Before leaving a bunker, a player should carefully fill up all holes made by him therein.  
Through the green, a player should ensure that any turf cut or disposed by him is replaced at once and pressed down, and that, after the players have holed out, any damage to the putting green made by the ball or the player is carefully repaired.  
Players should ensure that, when dropping bags or the flagstick, no damage is done to the putting green, and that neither they nor their caddies damage the hole by standing close to the hole or in handling the flagstick. The flag-

stick should be properly replaced in the hole before the players leave the putting green.  
When the play of a hole has been completed, players should immediately leave the putting green.  
In the absence of special rules, singles, threesomes or foursomes should have precedence of and be entitled to pass any other kind of match. A single player has no standing, and should give way to a match of any kind.  
Any match playing a whole round is entitled to pass a match playing a shorter round.  
If a match fail to keep its place on the course and lose more than one clear hole on the players in front, it should allow the match following to pass.

**HALFWAY HAPPENINGS**

By Mrs. Bill McPherson

School has finally started and as always we mothers with children in school have that "let down" feeling after the rushing around getting clothes in order, and everything else that goes with starting to school.

College students who will be going away this fall are Bonnie and Carl Craig, Randy Moore, Mar-Jo Holley, Jimmy Harrell and Barbara Jean Tipton.

The Junior GA Class of the First Baptist Church met Monday afternoon at the church building. Their program was out of the Tell Magazine. Plans were also made to make preserves next Monday for the Thanksgiving needy box.

Those attending were Oleta Ogle, Joyce Harmon, June Cargill and Suzanne Graham.

Mr. and Mrs. J. Hollis Young had a nice fishing trip to Possum Kingdom from Sunday to Tuesday of last week. Then Thursday they went by Heckville and Mr. and Mrs. Brack Foreman accompanied them to Lorenzo. Brack was the former manager of the Halfway Co-Op Gin.

Homer Ogle ginned the first bale of cotton in the community Monday. It was a very good bale and weighed 590 pounds. It was ginned at the Paymaster Gin.

The Intermediate Class of the First Baptist Church were entertained with a skating party Thursday night. There were about forty-five boys and girls attending.

Weekend guests in the home of Mrs. W. W. Pinkerton Sunday and Monday were her sons Owen, Ward and Bob and families of Halfway; Bill and family of Edmonson; Allen and family of Washington, DC; and Lewis and family of Monohans. There were about 23 present.

Clarence and Iva Kaylor have returned home from their trip to California. They came back through South Dakota.

Guests of Mr. and Mrs. Hollis Young this weekend were Mrs. Young's brothers, Mr. and Mrs. Sam Lance and Mr. and Mrs. Ed Campbell and David of Odessa. Mr. and Mrs. M. C. Church and family attended a reunion of Mrs. Church's family in Merkel last week.

The Halfway Men's Club are entertaining their families with a free barbecue Thursday night, September 4. The film "The Seven Lean Years" will be shown. The second Annual Field Day of the High Plains Station of Texas Research Foundation will be held Wednesday, September 17. Riding tours will start at 1:00 PM. A barbecue dinner will be served at 6:00 PM.

Members of the staff of Texas Research Foundation will be present to discuss each of the research projects being conducted.

**ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!**

**Trinity Mission Begins Revival Series Monday**

A revival series will begin at the Trinity Baptist Mission Monday night, September 8, and will continue through September 14.

Rev. Lazaro Hernandez of Brownfield will be the evangelist. Services will begin each night at 7:45. The public is invited to attend.

BY SUE MAY

Wish everyone could meet Fusae and Kan Matsumoto of Japan—Kan is Jean Craft's brother. Such interesting people. Made me feel so good to know them. Made me feel good when Fusae said that American people were so friendly to them and acted like old friends. She said, "It gives us a warm feeling."

Personally, I can't see why people get so all-fired excited about different nationalities. God created us all—we think and do alike even if our customs and color are different. After talking with Kan and Fusae, I decided that the American people could learn a lot from the Japanese people.

There I sat blabbing my head off (I talk all the time) and Kan and Fusae were fairly quite—couldn't get a word in edgewise.

Anyway when I asked Kan to compare the American women to the Japanese, he said, "American women are frank and friendly. They express themselves so free-

ly. I like that!" He said that Japanese women don't express themselves and they are quieter.

If he hadn't said "I like that!", think I would've crumpled and shut up, as it was I felt more at ease talking, talking, talking . . . (It WAS hard to tell WHO was being interviewed.) Such a nice, pleasant experience! (at least, for me.)

I feel rather honored—since beginning writing for The Enterprise, I've interviewed, Andre Knoll, a Dutch exchange student from Holland; Mrs. Mickey Fuller's mother, a native from France visiting here; Bill Johnson, who was in England for several years; Delane Adams, who lived in Japan for two years; Pearl and Hugh Bledsoe, who live in Canada; a little Spanish girl, who'd lived in Old Mexico all her life; Edd and Don Workman; Jimmie Lee, who was stationed in Korea; Mrs. E. N. Burrus, Lamb County Pioneer; Mr. and Mrs. G. H. Phillips, pioneers of Lamb and Hale Counties; a South American, Mr. Caldwell; and so on . . .

I'm sure I left out some of the most interesting personalities because memory fails sometimes—at least mine does!

Rather interesting. Each time, I'd think NO ONE could be any more interesting . . . It's fun and the nicest way I know to travel the world without money!

So many lovely young matrons moving to Olton! So many to meet and make welcome. It won't hurt to go out-of-your-way a little to make them glad they moved here.

There's so many new teachers, also.

Am anxious for skirt and sweater time! Always enjoy fall—think it's mostly the excitement in the air of football games and the local band's music, plus the excitement of the beginning of a new school year.

Enjoy the fashion parade before games begin. NOT AFTERWARDS—'cause I'm one of the few adults that hollers and roots for the Mustangs. (Not that others don't root for The Mustangs, but there's certainly a very few that yell—! Everyone usually turns and stares at me when I yell.)

I don't understand how anyone can sit like knots on a log all during a MUSTANG GAME!!

What's wrong with Mrs. Puddle? Mrs. Puddle (fictional name) who was 80-some-odd years old

**OLTON BRIEFS**

Seven Olton people recently returned from a two-week trip to California. Those who made the trip were Mr. and Mrs. Everett Loveless, Charlotte, James and Jerry, and Mrs. Bert Stewart and Latrell. They visited Mrs. Loveless' two sisters in Riverside.

Mr. and Mrs. Edward Feathergill moved last week to Lubbock where Mrs. Feathergill is employed as a bookkeeper at Hemphill Wells and Mr. Feathergill is working part time at Anderson-Young Electric and will attend Texas Tech this fall. Their parents are Mr. and Mrs. Basil Sherman and Mr. and Mrs. Paul Feathergill all of Olton.

Mrs. W. J. Waggoner of Philadelphia, Pa., has moved to Olton with her three children, Billy, Thersa and Debra. Mrs. Waggoner is the daughter of Mr. and Mrs. C. C. Curry. Dr. Waggoner is leaving Sept. 23, for Cuba, where Mrs. Waggoner will join him when he finds housing for the family.

Mrs. C. C. Curry and Mrs. W. J. Waggoner visited in the home of Mrs. Curry's son, Archie, and family in Clovis, NM, recently.

Mrs. Margaret Hair has been moved to the Methodist Hospital in Dallas. According to reports, she is improving nicely. Mrs. Hair was hospitalized in a Muleshoe hospital, prior to moving her to Dallas.

Mrs. Carl Macon and Don of Lubbock visited over the weekend in Olton with Mrs. Macon's daughter and son-in-law, Mr. and Mrs. Carol J. May and Scott, and in the J. F. Miller home.

Doesn't she ever get sick or have a headache on Sundays . . . didn't she ever want to lie in bed or didn't she ever oversleep on Sunday mornings? . . . didn't she ever just feel lazy or go without her breakfast? . . . didn't she ever have out-of-town company or relatives run in on her on Sundays? . . . didn't she ever go fishing or visiting out of town on Sundays? . . . didn't her children oversleep or have bad colds? . . . did her car always start on Sundays? . . . didn't she not have anything to wear or not want to wear the same old coat for the third year? . . . didn't she ever get mad at her pastor or one of the church members? What's the matter with Mrs. Puddle?

**Books on Parade**

by mardema ogletree

**A New England Girlhood** by Nancy Hale, Little, Brown, \$3.75.  
 If you're old enough to remember Garbo's pictures, you might like Nancy Hale's affectionate re-creation of things past.  
 The author grew up in a stimulating environment—the world of art and interesting people and places.  
 The awareness of childhood, the primitive delights of just seeing, hearing, smelling, feeling, imagining, building sand castles and making mud pies—all these are captured on the pages of her book.  
 And I loved it—especially the part about Boston and summers at Cape Cod, and portions of it caused me to relive briefly portions of my own, happy, care-free childhood.

**Lincoln's Animal Friends** by Ruth Painter Randall, Little Brown, \$3.00.  
 This is a new, unusual, and highly entertaining biography of Lincoln which should have a special appeal for children.  
 For Lincoln, from boyhood to manhood, from poverty to comparative wealth, never ceased to let his compassion for mankind also extend into the animal world.  
 Mrs. Randall says, "His hatred of anything brutal or unjust, his feeling that every living creature has to the right to be treated fairly, and his sympathy for the pain of any person or animal were already strong within him. He attended two different schools in Indiana and the matter was so much upon his mind that in both he wrote compositions against cruelty to animals."  
 You get a good picture of what he was really like by the way he treated the animals he encountered.

Another gifted writer of adult books who has written a book for children is Robert Penn Warren. His new book **Remember The Alamo** (Random House, \$1.95) is presented in a very readable fashion with the emphasis on courage.  
 Other new landmark books (at \$1.95 each) are—**The Story Of The Naval Academy** by Felix Riesenber, Jr., **Andrew Carnegie** and

**Gary Duncan Is First Junior Tourney Champ**

Gary Duncan won the first junior golf tournament at Olton Recreation Center.  
 Young Duncan shot a 52-48 for a scratch 100 to win. Billy Cox was runner-up, shooting 54-49-103.  
 Eleven players entered the first event of the course's history. The junior tournament is to be an annual event.

**Scotch Foursome Winners Named**

Carrol Cox and Billie Norfleet were scratch winners of the Scotch Foursome golf tourney.  
 The pair shot a 50 to win the recent event.  
 Low net winners were Elmo Hall and Retta Snider. They shot a 61, with a 41 stroke handicap, for a net 20.  
 In all, 27 couples entered the event.  
 The next tournament scheduled at the Olton Recreational course is a Low Ball tourney, Sept. 21, pro Glen Miller said.
