

Phone Franchise Request Delayed

Shetland Show Saturday, Parade Down Main Street

Saturday is Shetland Pony Day in Olton. The event promises to be entertaining and worthwhile for every member of the family, regardless of age or sex. Starting the day off will be a huge "little" parade down Main Street. It will be huge in the number of expected participants, and little in the fact that almost everything in the street show will be miniature.

Olton's show is unique, in that it is the only known exclusive shetland pony judging contest in this part of the country. Participants are expected from Oklahoma, New Mexico, Colorado and possibly Kansas. Every raiser within a 300-mile radius of the community has been alerted and invited.

Judging the show will be Wayne Graves of Lamesa. He has had experience in the judging field for several years. The parade has judging categories for participation of everyone. Judging classes will include the Best-Dressed Girl Rider, Best-Dressed Boy Rider, Best Represented Organization (such as Boy Scouts, Business Clubs, etc.), Best Horse-Drawn Vehicle, and Best Decorated Vehicle (of any kind).

Trophies will be given for the top three places in each class. The parade will form at the FFA Barn and will commence at 10 AM.

Free Pony Rides
Free pony rides will highlight the morning for the youngsters. Tickets will be given out between 12 and 3 PM Saturday by the merchants who donated the parade and show prizes. Their names will be listed at the end of this story. They are the only locations where tickets for the rides can be obtained.

Show judging will begin at 11 AM, with the Children's Class Under Saddle. It is for youngsters 12 years of age or younger.

Judging categories will include: horse colt foal in 1958; one and two year-old stallions; aged grade stallion; aged registered stallion; geldings, all ages; filly colts foaled in 1958; one and two year-

Harvest Ends For Cucumbers

The cucumber harvest is over in the Olton area.

According to figures collected by Olton Chamber of Commerce and Agriculture manager Joe Wood, a total of 2,507,550 pounds were shipped from here. They were harvested off 225 acres. The average per acre was 11,144 pounds.

The Olton station for cucumbers, Straw-Burrow Gin, reportedly paid out \$47,788.30 for the crop. They were contracted to Brown-Miller Pickle Co. at Texarkana, and shipped by truck at a cost of 50 cents per hundred weight.

The final load from the fields was hauled to the gin shortly after 6 PM Tuesday.

Commissioners Are Dissatisfied With Phone Services In The Past

General Telephone Company's request for a 35-year franchise in Olton will be answered in two weeks.

Meeting with the Olton City Commission Tuesday evening on the highly controversial issue was Bob Saunders, manager of the Littlefield office.

Saunders was told by Mayor D. Y. Ray that the city would give its answer within two weeks.

The commission showed reluctance to sign a 35-year agreement with the company. General reasons given for the delay was because of unsatisfactory service and uncertainty of future rate hikes.

Opening comment, Mayor Ray asked if the franchise requested by the company was for 35 years.

Saunders replied "Yes sir, it is." Mayor Ray then asked if he would give assurance to give reasonably good service, and guarantee not to raise rates in the next 35 years.

Saunders answered "No, I could not do that." Mayor Ray then stated "Okay, I'm sorry, we can't do it."

General Telephone's franchise terminated August 15. Negotiations have been in progress between the two factions for the past several months as the company has attempted to have the franchise renewed, and for a longer period of time. Commissioner Dr. Lynn Fite then queried Saunders on the inconsistency of charges made on long distant phone calls. He gave two examples which had occurred to him personally, and said he had heard of other such instances.

Saunders replied "We handle upwards of 15,000 calls a day now. I'm not offering that as an excuse, however, but to have that happen, there is going to be mistakes..."

Dr. Fite then asked another question. "Will growth and expansion pay for new and better equipment as time goes on, or if new equipment were to be brought in here, would rates have to be raised to meet the company's costs. Can we afford to give a 35-year franchise to a company, not knowing in advance what to expect from the company?"

Saunders answered in saying "A business must have a fair percent of return. We got in new equipment just recently here, and made no mention of rate raise." Dr. Fite later asked Saunders if there were any way to get an emergency call through without dialing the operator.

Saunders said there was not. Commissioners A. D. Adams, in replying to a request by Saunders that any grievances be brought out there in the meeting, gave several examples of difficulties he had experienced in attempting to make long distant telephone calls.

Other commissioners joined in, saying they and other residents of Olton were and had been having the same trouble.

Fire Dept. Rate
Two members of the Olton Volunteer Fire Department were also present. They openly asked Saunders why the Department's telephone was charged on a business telephone rate.

They added that in the past the bills sent to the Department had been blank, and sent as a formality. However, since April of this year, they had been billed at a rate of \$13.25 per month.

One of the firemen stated Plainview's Fire Department had eight lines and paid only \$30 monthly. He also said he had asked members of other fire departments over the Panhandle area about their telephone bills, and said they were all either given special rates or were not billed at all.

Saunders said in all towns he knew of, including Littlefield, Friona, Bovina, Tahoka and others, were billed at a business phone rate. He said all telephones in fire departments, serviced by General Telephone Company, were classified as business.

Saunders was asked if the company would settle for a shorter period franchise. He replied the company possibly might, but that it was for the good of the community that the franchise be for at least 35 years.

Explaining further to the commissioners, Saunders said "To build new construction in our business takes new money. If we

Father of Deputy Smith Succumbs

Funeral services were held Wednesday afternoon in the First Baptist Church for Eunice Quincy Smith, 76, father of Deputy Sheriff V. L. Smith.

Rev. John E. Lewis of the First Baptist Church officiated. He was assisted by Rev. Glenn Godsey, minister of the Spanish Mission.

Mr. Smith was born Aug. 5, 1882 in Baileyville, Tex. He died in the home of his son, V. L., Tuesday morning at approximately 7:30 AM.

Surviving Mr. Smith was one son, V. L.; a daughter, Mrs. Lenora Everley of Houston; two sisters, Mrs. Maud Brown of El Paso and Mrs. C. A. Russell of Decatur; two brothers, Taylor, who lives somewhere in Georgia, and Jerome of Corpus Christi; 12 grandchildren and 14 great-grandchildren.

Interment was in Olton Cemetery under the direction of Parsons Funeral Home.

Pallbearers were Marshall Campbell, J. G. Cole, D. Y. Ray, Ed Truelock, Sonny Miller and Earl Traylor.

Court Orders Memorial Hospital Assets Placed Into Receivership

First step in settling the long dispute over Olton Memorial Hospital was taken this week as Special Judge Willard Street appointed Attorney Billy Hall of Littlefield receiver in the case.

The court case was styled Dr. B. J. Souders vs. Drs. James E. Fite and Lynn F. Fite.

Souders and the Fite brothers had been partners in operation of Olton Memorial Hospital.

Hall was instructed by the court to collect the partnership assets and then to divide them among

Souders and the Fite brothers. Dr. James Fite is to receive 35 percent, Dr. Lynn Fite, 33 percent and Dr. Souders 32 percent.

Dr. Souders, through his attorneys, has alleged that some \$144,000 in land, building, equipment and accounts receivable are involved. He has asked for an accounting and division of all property.

Dr. Souders moved out of Olton

LAMB DEMO DELEGATES SPLIT AT CONVENTION

Lamb County's delegation was split at the state Democratic convention in San Antonio this week in spite of the fact that the delegates went instructed and pledged to the unit rule.

This information came late this week from Glen Exter, Olton's delegate to the convention.

Mr. Exter charged delegates James Melton of Amherst and Arthur Duggan of Littlefield with deviation "at least from the spirit and intent of the Lamb County Democratic convention."

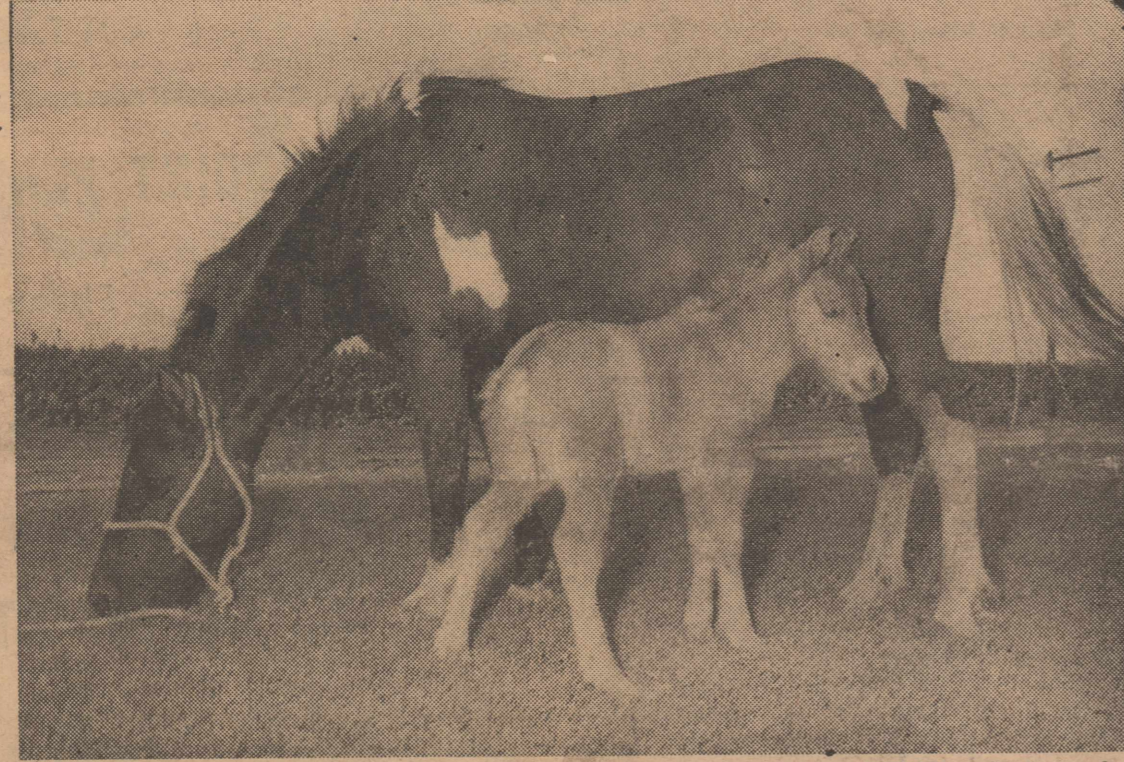

The Lamb County Convention in July instructed its delegates in a resolution introduced by Olton's Troy Martin to support the program and leadership of Senator Ralph Yarborough.

Exter said Duggan and Melton went into Governor Daniel's fold in open defiance of the Lamb County convention mandate.

He said Duggan and Melton split Lamb County's 14 votes and forced election of Hale County's Frank Moore as representative of the 30th Senatorial District to the state Democratic executive committee. The other candidate was Glen Barton from Littlefield, a Yarborough adherent. Moore long has been a political supporter of the governor.

Lamb County sent four delegates to the convention in San Antonio. At the County Convention Chairman Pat Boone Sr., did not tell the convention that this county was entitled to

(Continued On Page Six)

"Mommy, can I compete with the others who were born during 1958?", asked week-old Frosty. "No, I'm sorry son, but I'm afraid you'll just have to wait until next year," replied Molly B, the mother. Frosty, in case you didn't know, was asking about the competition coming up for all shetland ponies Saturday. Judging will be held at the FFA Barn, starting at 11 AM. The two ponies belong to Bill Dickenson of Olton. (STAFF PHOTO)

High Plains Station Field Tour Planned

The second annual Field Day at the High Plains Station at Halfway will be held Wednesday.

Trailer loads of spectators will begin moving at 1 PM, with two or three loads going out at intervals until 5 PM. A barbecue will be served at 6 PM. Between 2,000 and 3,000 people are expected to attend.

Dr. Johnny H. Davis, head of the station, said approximately five minutes would be needed at each stop along the tour. Speakers will be staff members from the High Plains Station, Texas Research Foundation at Renner and specialists from State and Federal Agriculture Departments.

Signs designating the crop varieties, fertilizer tests, soil and water conservation projects will be placed throughout the tour route.

Crops to be shown will be grain sorghum varieties, soybean and sesame varieties, cotton varieties, corn variety and date of planting, recharge well, cotton fertilizer and irrigation tests, grain sorghum fertilizer and rate of seeding, and soybean and castor bean fertilizer tests.

Tour Highlights
Highlighting the tour will be the pointing out of most of the varieties of crops grown at the station. For instance, there are 155 varieties and hybrids of grain sorghums under test, as well as 147 varieties and hybrids of corn, 81 varieties of cotton, and 50 strain and varieties of soybeans and sesame.

Some of the sesame varieties under test have not yet been released, Dr. Davis said.

The station's director pointed out during an interview this week

(Continued On Page Six)

Death Takes Mrs. Malone

The memory of Mrs. Andrew Jackson Malone, 67 years old, was honored Saturday afternoon at 3 PM in funeral services in the First Baptist Church.

Mrs. Malone died Friday at 2:45 PM. She had suffered a severe stroke Thursday. Mrs. Malone had been in ill health for several years.

She was born Mable Clair Garrison on January 15, 1891 in Alma, Okla., in Stephens County. Her parents moved to Ada, Okla., where she married Andrew Jackson Malone on November 25, 1906.

Mr. and Mrs. Malone lived in Ada one year, then moved to Portales, NM, where they farmed for two years. They have lived in Lamb and Hale counties for almost 30 years—since 1929.

Mrs. Malone was a member of the Olton First Baptist Church.

Rev. John Lewis, pastor, officiated at the funeral. Burial was in Plainview Memorial Park.

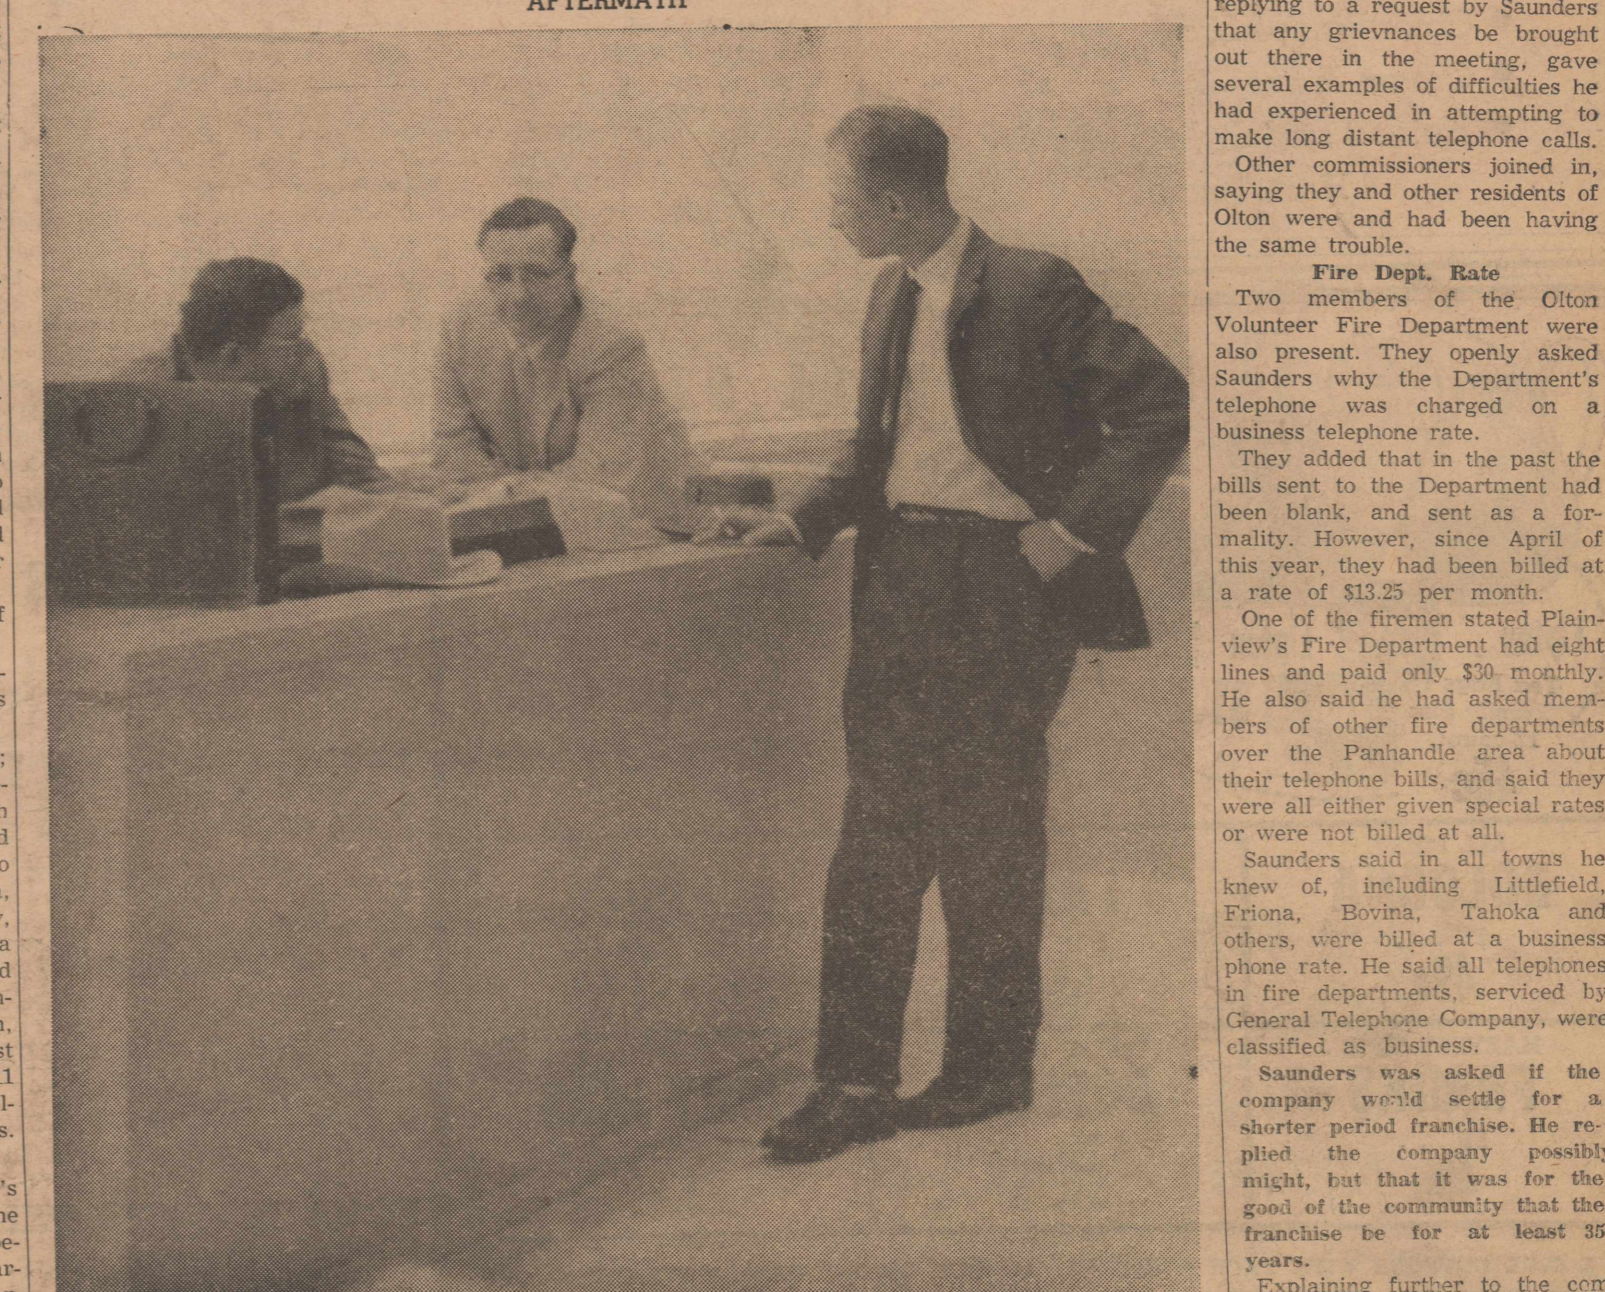

Survivors include her husband; two daughters, Mrs. Ray Copeland, Olton and Mrs. Dewey Hash of Littlefield; two sons, Billy and Delbert of Artesia, NM; two brothers, E. B. Garrison, Tulia, and Wilmer Garrison, Marlow, Okla.; five sisters, Miss Bertha Garrison, Mrs. George Truitt, and Mrs. Price Holland, all of Plainview, and Mrs. Tom McLain, Wildorado, and Mrs. Ernest Moore, Chula Vista, Calif.; 11 grandchildren; 11 great-grandchildren; and her step-mother, Mrs. Fanny Garrison of Plainview.

Pallbearers were Mrs. Malone's grandsons, Kenneth and Wayne Malone, Artesia, NM, Bobby Copeland, Sammy Thomas, Earl Garrison of Borger, and Paul Garrison of Floydada.

Honorary pallbearers were O. L. Langley, A. C. Brigrance, Lee Sherman, Durwood Copeland, Sam Clark and Roy Roberts.

Shown looking over some of the grain sorghums grown at the High Plains Station of the Texas Research Foundation at Halfway is Dr. Johnny H. Davis, director. The annual tour of the farm, plus a barbecue in the evening is expected to draw some 2,000 interested farmers and merchants of the area. (STAFF PHOTO)

Dr. Ben Souders, Olton Osteopathic physician, (center) is shown conversing with Billy Hall (left). Looking on is Olton attorney Andrew W. Stroebel. Hall was appointed receiver in a civil litigation involving Olton Memorial Hospital and Dr. Souders' former partners, Drs. James E. Fite and Lynn F. Fite. (STAFF PHOTO)

Estelline Downs Hart 16-0 In Season Opener

Hart Longhorns fell to a strong Estelline team 16-0.

Estelline scored early in the first quarter on a punt and fumble, recovering on the Longhorns' two yard line. Scoring on a fourth down with a foot to go, the Bear Cubs kicked the extra point to make it 7-0.

Hart received, and on first play from scrimmage, Gene Varner passed to Nick Zapata for 35 yards and a first down. Next play, J. D. Myrick hit through guard on a quick open play for 15 yards and another first down with the ball on Estelline's 15 yard line.

Then fate stepped in, and on the next play the Longhorns fumbled with Estelline recovering. In the second quarter, the Longhorns started another drive with two quick opening plays. Then Gene Varner, keeping on a belly play to the right, went 65 yards for a touchdown, only to have it called back on a clipping penalty.

In the third quarter, the Longhorns were penalized to their own two-yard line. On second down, Gene Varner backed into the end zone to pass and was trapped for a safety.

Estelline came back in the fourth quarter with fate again stepping in against Hart. The Longhorns fumbled on their own 35 yard line. Estelline recovered. Two consecutive 15-yard penalties and a five yard penalty put the ball on the one-yard line. On third play, Estelline scored again.

Coach Bill Shelby's comments afterward were that "Estelline had a fine kicker who kept us in a hole, and we made too many mistakes to win."

The Longhorns meet a strong New Home eleven tomorrow night their season at home.

340 Enrolled In Hart Schools

Approximately 340 students have enrolled in Hart schools, according to superintendent Paul Kennedy. Sixty-nine are in high school.

New playground equipment is being purchased and new equipment for the science department is being installed.

Pair Captured Stealing Gas

Two men were caught here stealing gasoline.

John Rice said he had been missing gasoline from his gas truck on the farm for sometime. This week, he and deputy sheriff G. V. Martin captured the pair in the act taking the fuel.

Rice said they had waited several nights for the men. After the arrest, the men were taken to Castro County Jail in Dimmitt. One of the men reportedly carried a gun.

Both of the men doing the stealing had their wives in the car with them.

240 Carloads of Cotton Shipped

Approximately 240 carloads of cotton are being shipped from Hart this week.

The cotton, which has been stored by Panhandle Compress and Warehouse, was put in government loan last year.

The company is making room for the coming crop. Farmers will now be able to store their cotton in the warehouse until ready to sell.

HVFD Holds Weekly Meeting

A demonstration of different types of fire extinguishers was made during Monday night's Hart Volunteer Fire Department meeting.

Also, rules and regulations for the department were read and accepted and tags were distributed to members.

HVFD members attending the meeting were G. V. Martin, John Holloway, Myrie Bradley, John Ray Holloway, Kenneth Warren, Stewart Newsom, Claude Cox, Joe Newman, Billy Gallion, Lyndall Warren, Joseph Bauman, Aubrey Myers, Kenneth Lambert, A. C. Houston, A. R. Townsen, Willie Martin and Edgar Byrd.

Hi-Point Receives First Milo Load

Hi-Point Fertilizer and Grain received its first load of grain sorghum this week.

The load was cut on the Oke and Johnny Hindman place. It was dry.

CORRECTION

A mistake appeared in last week's edition of The Enterprise concerning Mrs. M. M. Smitherman's father. His name is Albert Sidney Cummings, and not E. A. Sid.

HART TO HART

Mr. and Mrs. C. H. Janeway of Plainview called with friends in Hart Sunday afternoon.

Mr. and Mrs. Willis A. Hawkins, Jr., were in Dalhart Thursday night, where he helped install the American Legion Officers of the Dalhart Post.

Don Kidd, who followed the harvest of wheat into Bowman, ND, returned home Thursday. He reports a very nice harvest except for some rain delay.

Mr. and Mrs. George Kidd, Kathy and Ronny, spent their vacation at Red River, NM.

Mr. and Mrs. Robert Lewis Hawkins visited their friends, the Sam Bayless family, in Amarillo Saturday night.

Mr. and Mrs. Stewart Newsom and children and Mr. and Mrs. Robert Lewis Hawkins and sons spent Sunday afternoon at Buffalo Lake.

Mr. and Mrs. T. R. Davis were called to San Antonio Saturday morning because of the death of his sister, Mrs. Bertie Cornell.

Mr. and Mrs. Ray Bennett are in Dallas for him to have a medical check-up.

Mr. and Mrs. O. D. Dinwiddie went to St. Louis Saturday. They will visit their children, Mr. and Mrs. Russ Eifvinn and family. Mr. Dinwiddie will attend the National Grain Dealers Association meeting Monday and Tuesday. They expect to return home Wednesday.

Mr. and Mrs. Laurence McLain and family have moved here from Hachita, NM. Both will be employed by the Lindsay Grain Company.

Mr. and Mrs. Percy Hart and Mrs. Sam Swopes visited the Ray Jones family in Plainview Sunday afternoon. They reported that Bill Wood is home from a Dallas hospital.

Mr. Lewis Wakefield of Edmondson visited friends in Hart on Saturday afternoon.

Guests in the C. B. Landers home Sunday were Mr. and Mrs. E. W. Glenn of Canyon, sister of Mrs. Landers; Mrs. Doris Hess, sister of Mr. Landers; Mrs. Ruth Manning; Mrs. Zenah Lee Phillips and Billy of Amarillo, cousins of Mr. Landers; and Mr. and Mrs. Boyd Landers and girls of Muleshoe. Boyd is a son of Mr. and Mrs. Landers.

Mrs. Jim Gregory of Olton visited with Mr. and Mrs. C. B. Landers Saturday afternoon.

Jimmy Hadaway of Earth and Janet Faulkenburg of Hereford visited with the C. B. Landers recently. Jimmy is attending West Texas State College and Janet is Assistant Home Demonstration leader at Hereford.

Mr. and Mrs. E. E. Foster visited with the C. B. Landers Sunday afternoon.

John Holloway, Billy Gallion and Kenneth Warren spent Sunday in Lubbock.

Mr. and Mrs. Ray Warren attended their grandson's, Mike Warren, birthday party Sunday at

Final Rites Held For Nita Sanders

Nita Kay Sanders, two years old, daughter of Mr. and Mrs. Leon Sanders of Route 2, Hart, died at 5:20 AM, Tuesday in Plainview Hospital and Clinic.

Funeral services were held Wednesday afternoon in Springlake Church of Christ with Morgan Sturgess, Tulla Church of Christ minister, officiating. Burial was in Springlake Cemetery under direction of Lemons Funeral Home of Plainview.

Survivors, other than the parents, include two sisters, Ronda and Sharla; and the grandparents, Mrs. H. T. Sanders of Earth and Mrs. Dessie Waldrop of Dublin.

"RICH TALK" BY MAMIE RICH

With fall and winter just ahead, we are ready to store our summer clothes and dig out our woolsens. What do you think of the new fashions?

Fabrics this season are woolsens blended with silk, fur, jersey, rib knits, tweed and cotton.

The patterns are big and bold with plaids, large prints, stripes, and checks.

The colors are beautiful—warm, rich and clear with new shades of orange, green, blue, red and gold.

Most of the dresses and suits are simple and to be accented with ornate jewelry. Oversized pins or a group of smaller pins, larger and longer earrings, and long beads or several strands of beads will be very popular with the simple lines of your wardrobe.

All different sizes and shapes of collars will also be good.

Hoops, the latest fad, are going strong everywhere. They are called "Hula-Hoops", "Spin-a-hoops", "Hoop-de-dos" or just any name you care to give them.

They are simply a plastic ring, and they come in different colors to be enjoyed by all ages.

These hoops can be tossed through the air, skipped through, made to climb stairs and are weight reducers.

Children and women seem to be more adept than the men in learning how to use the hoop.

Visitors of the H. E. Lomans' over the weekend were Mr. and Mrs. C. W. Loman of San Diego, Calif., son of Mr. Loman, and Mr. and Mrs. Corky Stringer of Walnut, Calif., and Skitter Stringer of Bellflower, Calif., sons of Mrs. Loman.

Out-of-town over the weekend were Dr. Harris and family; the L. J. Rices; and the Bob Richmonds.

Mrs. Eva Golladay and Gertrude of Fort Worth visited with the Lomans and Dinwiddies recently. Gertrude teaches in Fort Worth.

Mr. and Mrs. Arthur Noack and Timothy of Plainview and Mr. and Mrs. Happy Gloyna of Petersburg were visitors in the Bill Rich home Sunday.

B. B. Chancellor of Cisco is relieving H. E. Loman of his duties for a short time.

The Winnitts have returned after a two weeks vacation in Temple and Colorado City, Colo.

Mr. and Mrs. Robert Brooks spent Sunday with Mr. and Mrs. A. T. Matsler of the Happy Union community.

Mr. and Mrs. James Kennedy and children spent last week in Oklahoma.

Joe Percy Hart was in the Olton Hospital last week with dust pneumonia. Others on the sick list are Ed Harris, Rosa Shepard and Mrs. Alexander.

Ronnie Farris FFA President For 1958-59

Ronnie Farris was elected president of the Hart FFA Chapter Tuesday night.

Other officers for the 1958-59 term will be Daniel Irlbeck, vice-president; Jerry Felder, secretary; Wilburn Brooks, treasurer; Jack Sharpe, reporter and John Smith sentinel.

Plans were made for a booth to be installed at the Castro County Fair in Dimmitt. The fair will be held Sept. 18-19-20. Members also decided to attend the Tri-State Fair at Amarillo Sept. 27.

Chapter dues were discussed and voted on. It was also decided that members of the freshman class could not hold FFA offices, but would be allowed to vote.

The committee approved a work detail and green hand initiation.

Green Hand officers for this year are Ralph Myrick, president; Larry Lee, vice-president; Jack Witten, secretary; Mike Morrison, reporter; Eufemio Rubalcaba, treasurer; and Robert Molina, sentinel.

Lanny Tucker is advisor of the chapter.

Enchilada Supper To Help Pave Road

An enchilada supper will be staged September 25 at 8 PM, at the school cafeteria by the Progressive Home Demonstration Club.

Tickets may be purchased from any member of the club or at the cafeteria. Proceeds will go for paving of the cemetery road. Tickets sell for \$1.25, adults, and 75 cents, children under 12.

If you don't have a hoop as yet, purchase one and be sure to include it when you have your next party. They are fun!

C. W. Seago just missed the "Showcase Prizes" on the TV program, "The Price Is Right" by \$1.55. Getting mighty close!

The "Hart Beat" is YOUR paper and so it takes YOU to make the paper.

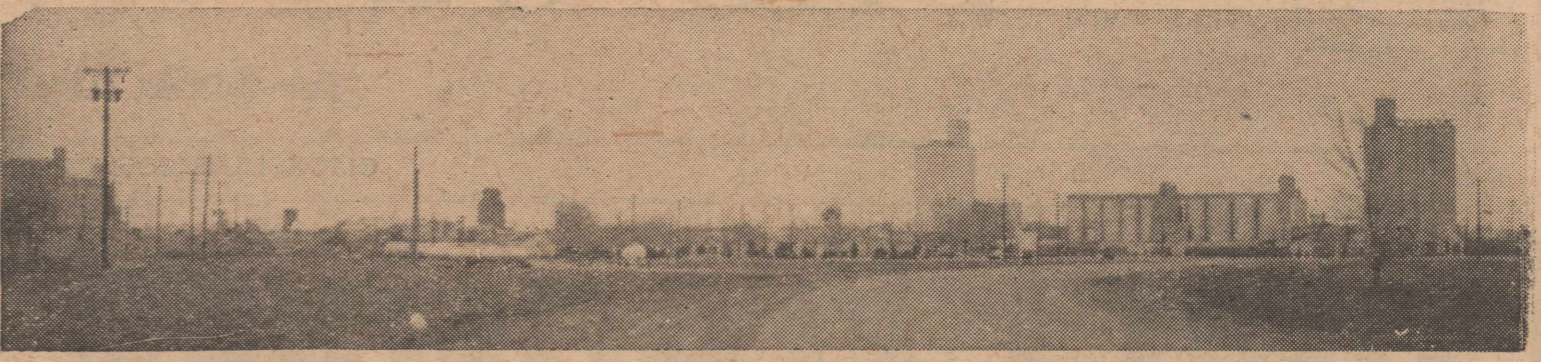

As you know I have very little time to spend on the paper, so I would greatly appreciate it if you would help me make the "Hart Beat" a bigger and better paper.

Just jot down the news you have and either call me or drop the news by the bank. I can't possibly get in touch with each one of you but you can get in touch with me. You like to read the news of your friends and they, in return, like to read your news.

The merchants and businesses of Hart have had some fine advertising, for which I would like to say a big "THANK YOU", but I know the merchants and businessmen would like to see their adds surrounded by more news.

Lets all work to make the "Hart Beat" really beat!

Clarice Reed would like for the people who helped serve for the Armstrong Family, to please pick-up their dishes at her house. She doesn't know who they belong to.

WE'VE GOT PEP

Hart Longhorn cheer leaders are from left: Judy Sanders, Edna Jean Davis, Glenda Sue Hardy, Scarlet Beeson, and Jo Ann Lacy. Lonnie Davis is the team mascot. (STAFF PHOTO)

Mrs. Smitherman's Father Dies Tuesday

Albert Sidney Cummings, 85, died Tuesday morning at 6:30 o'clock in a Lubbock rest home.

Funeral services were held at 3 PM Wednesday in the Wall Street Church of Christ, Floydada, with Ormer Kirk, minister, officiating.

Burial was in the Floydada Cemetery.

Survivors are four sons and three daughters. Mrs. Jack Smitherman is one of his daughters.

MRS. SWINDLE HEADS HART SENIOR HD CLUB

Mrs. Willis A. Hawkins, Sr., was hostess last week for a meeting of the Hart Senior Home Demonstration Club. New officers were elected.

Mrs. Bill Swindle heads the club as president. Other new officers are Mesdames Ione Garrett, vice-president; Howie Parker, secretary-treasurer; Claud Ray, reporter; Emmitt Foster, recreation leader; and Geraldine Aberandt, council delegate.

The members made pads for Castro County unit of American Cancer Society.

Present were Mesdames Paul Brooks, Percy Hart, J. D. Murray, Buster Aven, Claud Ray, Howie Parker, Bill Swindle, Fred Hamm, T. B. Cox, Jimmie Davis and W. A. Hawkins, Sr.

News Of Interest To Women

Betty Sue Austin And Jimmie Ray Priest Are United In Monday Night Church Service

Miss Betty Sue Austin, daughter of Mr. and Mrs. J. H. Austin of Olton, became the bride of Jimmie Ray Priest, son of Mr. and Mrs. Weldon Priest, Monday night, September 8, 1958.

Scene for the service was the Main Street Church of Christ. G. B. Stanley, minister, read the double-ring ceremony before an altar decorated with candelabra and baskets of white gladioli and chrysanthemums.

The chorus from the Littlefield Church of Christ sang, "Ah, Sweet Mystery of Life", "Faithful and True", "The Lord's Prayer", and "Oh, Perfect Love." Bill Austin, the bride's brother, also sang a solo. He sang, "Annie Laurie."

Wears Traditional White
Entering the sanctuary on the arm of her father, who gave her in marriage, the bride was a picture in a white embroidered silk organza gown over taffeta, styled with a fitted bodice, dress sleeves, scoop neckline and very bouffant skirt. The ballerina-length gown was fashioned with a deep point in the center front waistline.

Her veil of French illusion was attached to a tiny white hat decorated with seed pearls and iridescent sequins. She carried a cascade bouquet of red roses accented with tiny pearls.

Don Macon, Lubbock, served the bridegroom as best man. Ushers were Bill Austin, the bride's brother, and Robert Priest, brother of the bridegroom.

Mrs. Walter Eagleton of Bonham, was the bride's matron-of-honor and her only attendant. She was attired in a frock of mist blue embroidered silk organza, made and styled like the bride's gown. She carried an arrangement of red roses, fashioned also like the bride's bouquet.

Light Candles
The candlelighters were, Miss Mary Austin, the bride's sister, and Mrs. T. J. West, cousin of

the bride of Medina. They wore dresses of ice blue cotton satin, made sheath style with overskirts of nylon net. They were designed with scalloped necklines that came to a "v" in the back. The candlelighters wore wristlets of deep pink carnations.

For her daughter's wedding, Mrs. Austin selected a dress of pink embroidered linen, a white lace hat, and white accessories. Her corsage was of white carnations. Mrs. Priest, mother of the bridegroom, chose a navy crepe trimmed with pink and she wore pink and navy accessories. White carnations made up her corsage.

Immediately following the ceremony, the couple left for a wedding trip to points in New Mexico. For traveling, Mrs. Priest wore a ice blue sheath of cotton satin, styled with a scalloped neckline, coming to a "v" in the back. Her accessories were white and she wore a red rose corsage.

To Live In Portales
After Sept. 10, the couple will make their home in Portales, NM, where Mr. Priest will be a senior at Eastern New Mexico University.

A graduate of Littlefield High School, Mrs. Priest has attended Abilene Christian College for two years.

Priest, 1955 OHS graduate, is attending ENMU on a music scholarship. He is president of his band fraternity and plays in the "College Collegates" (the college orchestra) and the college concert and marching bands. He won "Outstanding Band Student of the Year" his senior year in OHS.

Attending the wedding from out-of-town were Joyce Holden, Littlefield; Wynelle Moore, Lubbock Christian College; Mr. and Mrs. T. P. King, Halfway; Mr. and Mrs. J. C. Burkhalter, Halfway; and Vern Steffy, Eastern New Mexico University.

Mrs. Brown Speaks At President's Tea

Mrs. Jim Brown, president, gave a welcome for new and old members at the President's Tea, given by the 1956 Bykota Study Club, Tuesday night. Mrs. Douglas Owen's home was scene for the affair.

In a short business session, the club selected Mrs. James Martin as their treasurer. They also voted to help with the repair of the Legion Hut.

Mesdames Edd Lynn Burrus and Fred Stockdale served refreshments to Mesdames Bill Griffith, Jerry Anderson, Jerry Nichols, Jackson Dodd, Max Malone, Dan Quigley, Andy Stroebel, Fred Burgess, Martin, R. V. Alcorn, Brown, Owen and Robert Meinecke.

Next club meeting will be September 23 in Mrs. Alcorn's home, with Mrs. Bill Lunsford, co-hostess. Mrs. Owen will present a talk on "Fall Fashions" and roll call, will be answered by "posture exercises."

Coke Party Compliments Mrs. Hamilton

Mrs. Bob Hamilton, wife of The Enterprise's new editor, was honored with a "get-acquainted Coke party" Thursday afternoon in the home of Mrs. Carol J. May.

Mrs. May served lemonade, cola and cookies to Mesdames Fred Stockdale, R. V. Alcorn, Bobby Copeland, Jim Brown, Andy Stroebel, Jerry Anderson, James Martin, W. D. Holley, Troy Martin, Allen Johnston, Robert Meinecke, Norma Jean Willis, Edd Lynn Burrus, Don Waldrip and the honoree and hostess.

spirit in Barnett was, although Barnett played basketball and didn't participate in football.

Gayle's favorite leisure time activity is horseback riding. She owns two quarter horses, which are presently quartered in Earth. Gayle says she would certainly like to have them here in Olton. Both horses are bays; Lady, the mare, and her colt is Firefly.

Here are just a few facts about this interesting new girl. Meet her, especially you fellow horse enthusiasts.

The Mustang Band looked so very good Friday night! Their uniforms were just about the most and the twirlers really knew their "stuff". The band, as a whole, deserves a great big hand and Mr. Stockdale should be commended for his work.

YEA MUSTANGS!! WE DID IT!!

Together Tuesday night were Jerry Moore and Doris Cruce. This pair was together Monday night, too.

In James Hukill's car late Sunday afternoon were Johnny Crawford, Kay Howard, Harvey McClanahan and Jerry Collins (both of Littlefield) and James.

Winfred Hair, Ronda Robertson, Lonnie Miller and Becky Bearden visited with Becky's father, who is in the hospital in Lubbock, Sunday afternoon.

A few Saturday night "heroes and heroes" were Arno Hall, Wanda Nixon; Jimmy Robbins, Gayle McAnally; Kenneth Prestidge, Lana Hair; Coy Carlisle, Glenda Hall; Tommie Wilson, Kay Gregory; John Lynn Burrow, Jean Harper; Ronald Fancher, Phyllis Hair; Winfred Hair, Ronda Robertson.

Several couples who attended the hayride which was sponsored by the Methodist Saturday night were Wendell Scribner, Becky Hall; Nicky Redinger, Sammy Clark; Barbara Kirkpatrick, Harvie Jordan; Danny McAnally, Jonelta Moss; Johnny Schenck, Darlene Langford.

After the ball game Friday night, several girls were together. With them was Janette Weaver of Petersburg, who is a cousin of Linda Gail Thompson. The other girls were Charlotte Lovelless, Charla Granbery, Judy Ogletree, Sydney Hair and Linda Thompson.

YEA MUSTANGS!! BEAT FLOYDADA!!

The quiet, blonde, pretty girl that you have been noticing around OHS recently is Gayle Ann Parsons. She moved here several weeks ago from Barnett, Missouri.

Gayle Ann is a sophomore student and is taking Algebra II, English II, Spanish I, World History, Biology and study hall. She thinks that Spanish is her favorite subject.

This five foot, five inch blonde likes Olton pretty well. She says that the school spirit is very good and is just about the same as the

BRIDE - TO - BE

Mr. and Mrs. W. G. Goyno, 2501 W. 11th, Plainview, are announcing the betrothal and forthcoming marriage of their daughter, Judy Carol, to Gwen Perry (Penny) Culp, son of Mr. and Mrs. E. N. Culp, 109 Aileen St., Plainview. The wedding will take place on Saturday, September 27, in the First Presbyterian Church, Plainview, at 7 p.m.

Curtis conversing in the halls quite often between classes.

Yea Mustangs!! Beat Floydada!!

Arno Hall and Bobbie Campbell appeared on the dating scene Sunday night.

Jackie Pinson gave a party at his home Saturday night. Attending guests played card games and were served refreshments sometime during the course of the night. Present were Mack McGill, Gayland Graham; Joe Miller, Prissy Houston; Lonnie Thomas; Elmer Houston, Maenette Dennis; Charlotte Gibson; Janet Oak; Judy Pinson; Mary Scribner and Jackie.

Donna May and J. D. Myrick were seen around Olton both Saturday and Sunday nights.

Mary Arrington and Dick Handley, formerly of Clovis, NM, are engaged. Dick is stationed in England, and they will be married when he returns to the US.

Francis Presley, senior transfer from Spade, is attracting the looks around OHS. She is five foot, eight inches, and has br-

nette locks of medium length. Francis claims that she likes Olton and thinks that the OHS spirit is good. She will not specify a favorite subject, but will declare horseback riding a favorite past time.

The new senior from Spade is taking Typing I, American History, Civics, Chemistry, Chorus and English IV, which maybe is the reason for her black-rimmed glasses. She thinks that the Olton schools are harder than what she was used to and the Olton kids are very friendly.

Francis knew several of the OHS group, as she lives near Hart Camp. Her family attends the Hart Camp Baptist Church and she plans to be a missionary after finishing college.

Don Hardy is driving a yellow and white hard-top Chevrolet, and has been for some time. Please accept my apologies for not noticing before now, Don!

Juanelle Andrew was with James Simmons Saturday night, and with Billy Blake, Sunday night. That's not the way to stay at home and get your lessons, Juanelle.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

BETTY AUSTIN IS COMPLIMENTED

Blue and white were the featured colors at the bridal shower in honor of Miss Betty Austin, who became the bride of Jimmie Ray Priest Monday night. The party scene was the Ed Thompson home, Saturday afternoon.

Mrs. Joe Wood registered about 40 guests and approximately 65 gifts. The hostess gift was a set of stainless steel cookingware, a hand mixer, set of stainless steel mixing bowls, and an electric mixer.

Laid with a white nylon cloth over blue, the serving table was centered with an arrangement of white gladioli and white candles. Mrs. Lewis Hyman and Miss Joyce Keasler presided over the punch service.

Included on the hostess list were Mesdames D. Y. Ray, I. B. Holt, D. M. Granbery, E. C. Jones, Paul Burrus, Tom Carlisle, Cecil Keasler, Joe Wood, E. W. Vaughn, Ed Truelock, A. D. Adams, Dial Henry, Don Williams, Ed Thompson, Carol J. May, Jack Straw, A. N. Wells, H. A. Cavett, Emmett Young, Raymond Durham, Marshall Campbell, Brent Burrow and Glen Exter.

DAVID MAXEYS ENTERTAIN WITH COFFEE FRIDAY

Mr. and Mrs. David Maxey were host and hostess for a coffee after the football game Friday night.

Guest list included Messrs. and Mesdames Lynn Fite, Laus Hair, Basil Sherman, Sonny Low, Ira Foster, Roy Granbery, Cecil Galaway, Joe Turner, Wayne Hair, Percy Parsons, Joe Harper, Don Waldrip, Kent Taylor, Connor Parsons, Edd Lynn Burrus and Mrs. Albert Walthall and Mrs. Kenneth Moss.

Breakfast Fetes Olton Study Club

Olton Study Club gave a breakfast Saturday morning, as a beginning for their new club year. They met in the home of Mrs. Roye Aikman.

Mrs. Bill Yates gave a devotional and Mrs. Elmer Moore gave the president's message, "This is Woman's Day." She stressed the need of federation for clubs and told of the woman's place in the world today.

A preview of the year's aims was given by each department chairman. Mrs. Jack Alcorn explained the new yearbooks.

Present were Mesdames Aikman, Alcorn, G. H. Bley, Paul Burrus, H. B. Carson, D. M. Granbery, Frank Cornelius, Jim Fuller, Carl Hooper, Moore, Jack Straw, Truitt Sides, C. S. Silcott, Marshall Stone, Bill Thomas, Jim Williams, Yates, and a special guest, Mrs. Carl Macon of Lubbock.

Next club meeting is scheduled for Sept. 22.

Approximately 175 Attend Reception For Teachers Thursday Night In School Patio

Approximately 175 were present for the teachers reception in the patio at the high school Thursday night. The reception is an annual affair, given by the Parent-Teachers Association for the teachers.

Basil Sherman acted as master of ceremonies. Mrs. Wayne Hair gave the Welcome and the response was said by Mrs. B. C. Cooner. Mrs. Owen Norfleet gave a reading. Superintendent Joe Harper was in charge of the introduction of the teachers.

Olton High School stage band, under the direction of Fred Stockdale, entertained the group with music.

The P-TA colors, gold and blue, decorated the serving table. Refreshments of punch and cookies were served.

The new P-TA yearbooks were passed out to members. Mrs. Melvin Hines is president.

On the hospitality committee were Mesdames A. L. Miller, chairman, Lacy Armstrong, C. B. Fancher, Charles Loveless and Kenneth Campbell.

First meeting of the Parent-Teacher organization is set for October 2, in the high school auditorium. G. B. Stanley, Main Street Church of Christ minister, will be the speaker. Tommy Witten and Cheryl Potec will give a novelty number.

'Let's Think About Money' Is Study Thursday

"Let's Think About Money", stewardship study, was the discussion given in the meeting of the Ladies Missionary Auxiliary last week in the Cumberland Presbyterian Church.

Mrs. Jerry Anderson directed the study. The ladies began the program with hymns and prayer.

Mrs. Earl Jackson and Mrs. Murray Snyder served cake and punch to Mesdames G. A. Bodkin, Leroy Bodkin, Toby Dodson, Fred Stockdale, and Rev. and Mrs. Anderson in the church parsonage. The study will continue at the next meeting Sept. 25.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. D. A. Barnett wish to announce the approaching marriage of their daughter, Dorothy, to Mr. John Gilbreath, on Saturday, November 1, 1958, in Olton.

Mr. Gilbreath is the son of Mr. and Mrs. J. C. Gilbreath of Dimmitt.

G. B. Stanley Teaches Study

G. B. Stanley, minister, taught the lesson from the Bible to the Ladies Bible Class this week.

The class meets in the Main Street Church of Christ each week for a study from the Bible.

Nine P-TAers Attend School Of Instruction

A school of instruction was held Tuesday in Amherst for the Lamb County Council of Parent-Teacher Association.

Attending from Olton were Mesdames Melvin Hines, Lem Robertson, A. L. Miller, Frank Struve, Wayne Hair, Merrill Brigrance, Joe Hysinger, H. B. Carson and David Grimsley.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY!

G. H. Bleys Are Feted On 25th Wedding Anniversary, September 3, With Party

Mr. and Mrs. G. H. Bley were surprised with a party on their 25th wedding anniversary September 3, Wednesday night, in the C. S. Silcott home.

Assisting with hospitalities were Mesdames Silcott, I. B. Holt, R. L. Chitwood, Roye Aikman, Fred Thompson, O. W. Daniels, Jack Straw, Paul McFadden, and Elmer Moore.

The serving table was laid with a white cloth and centered with a Fall arrangement. A white cake trimmed with pink and silver and styled in tiers, resembling a wedding cake and silver appointments were also on the table. Home-made ice cream and coffee were also served.

The guests added to the Bleys' sterling silver by presenting them two full place settings, plus other odd pieces. They also received other gifts.

Mrs. Roberson Low Net Winner

Mrs. Gilbert Roberson was low net winner in the Ringer tournament held at the ORC golf course.

The tournament, which began the middle of August, ended September 2. Mrs. W. J. Boykin was announced "most improved player."

MUSTANG TALE

BY GAYLE McANALLY

Bulletin!! Flash!! There is a very dangerous epidemic of test-proznosiac going around in OHS. Teachers are especially susceptible to this disease. Please, please, our dear teachers, look out for this germ as it can mean very serious consequences to the students of OHS.

Test-proznosiac strikes at any time of the year, sometimes with warning, and then and again, sometimes without warning!

All teachers are asked to take extreme caution when they feel the following symptoms: Victims are suddenly taken with a yen to give tests to all of their classes.

Beware!! The disease has already struck Olton High, as the fallen faces of OHS students will testify.

Remember!! Test-proznosiac can mean disaster!!

Noticed one certain Senior Class member suddenly give a grab at another girl of the same classification as the latter gave a pull at the locker door. The following conversation goes with the tug: "Hey, come on! Have you forgotten that our lockers are down there?"—Seems the poor girl had forgotten that, as a Senior, she had been assigned a locker further down the hall. Oh well, it takes time to get used to being a dignified (?) Senior, I guess.

Eugene Howard has been dating Pat Tarpley of Olton most of this summer. Pat moved to Olton from Lubbock soon after school was out.

Judy Hendrick, who recently lived in Olton, has moved to Dimmitt from Morton. She is engaged to a boy from Dimmitt now and plans to be married in November. Congrats to Judy and her feller!

Just in case I hadn't mentioned it before! Kay Howard is going steady with Harvey McClanahan of Littlefield as is evidenced by the ag ring around Kay's neck.

Monday, Tuesday, Wednesday, Thursday and Friday nights, and yes, even Saturday night of this past week found Jack Hysinger and Latrell Stewart together. The kids were having one last fling (supposedly) before Jack left for Texas A&M early Sunday morning.

Mrs. Hysinger fixed supper for Jack Roye Straw, Linda Clark, James Ray Hyatt, Jean Williams,

**THE HART
BEAT
CONTINUED**

**HART'S LOSS
WASN'T SOLO**

Only two teams Hart will meet this season won their season opener Friday night.

While the Longhorns were dropping a heart-breaker to Estelline, 18-0, Happy emerged as the sole victorious District 2-B team. Vega

did not play. Happy slipped past Turkey 7-6. The other two teams, Lazbuddie and Bovina, lost to New Deal 30-6 and Fort Sumner 37-0, respectively.

Other teams Hart will meet in the season fared about the same. Lakeview lost to Price College 38-6; New Home was shut out by Seagraves 34-0; Whitharral bowled to Lorenzo, 14-6, and Anton, the lone non-conference winner, took Whitharral by a 14-6 margin.

**TYPING COURSE
TO BE OFFERED**

David Howton, commercial teacher, announced Wednesday that a course will be offered in Beginning Typing for anyone who is interested in learning to type.

The course will be offered by Olton High School.

"If you are interested, meet in Room 16 in the high school Monday, September 15, at 8 P.M.," Howton remarked.

**Fall From Auto
Injures Woman**

Mrs. Robert Lee Brown is in Community Hospital suffering an injured back.

The Negro woman reportedly jumped from a car being driven by her husband near their home on the J. B. James farm, 7 1/2 miles west of Olton.

Hospital attendants Monday stated Mrs. Brown's back injury was not serious, but painful. She received no lacerations from the fall, but was knocked out when she hit her head on the pavement.

Mrs. Brown said the car was not moving fast, as it was just starting from a stopped position. The accident occurred about 7:45 P.M. Sunday.

**M. T. Bagleys Visit
Relatives In Vernon**

Mr. and Mrs. M. T. Bagley of Olton recently returned from a visit in Vernon. Mr. Bagley said several of his relatives met there to reunite with one of his nephews, Taylor Bagley, who has lived for the past seven years in Anchorage, Alaska. This was Taylor's first visit to the States in the same amount of time.

The Bagleys also attended the recent Ford County Old Settlers' reunion.

OLTON BRIEFS

Mr. and Mrs. C. N. Dodd of Borger visited in the home of Mrs. Dodd's sister, Mrs. Bud Andrew and family this past weekend.

Mr. and Mrs. Orville Morris, Sheran, Orville and Joe Don of Tulia and Mrs. J. M. McAnally of Plainview visited in the Russell McAnally home Saturday night.

Mrs. W. F. Smart of Anton is visiting in the home of her daughter, Mrs. Russell McAnally this week.

Mr. and Mrs. Albert Jeffrey and Mr. and Mrs. W. C. Herndon attended the Jeffrey family reunion at Knox City. Mr. Jeffrey's five uncles have lived 350 years, added together, Mrs. Jeffrey reported. Mr. and Mrs. Bud Henson met the Herndons and took them home with them to Seymour.

Mr. and Mrs. Richard Snell and Samuel visited over the weekend in the home of Mrs. Snell's parents, Mr. and Mrs. Raiford Daniel, Sr. The Snells moved to Albuquerque, NM, where Snell will enter law school in the University of New Mexico.

Sunday guests in the Daniel

**Lloyd Davis Has
First Two Bales**

Lloyd Davis delivered the first two bales of cotton to Hart this season.

The first bale was taken to Hart Gin. It weighed 490 pounds. The second bale was received by Co-Op Gin.

Davis Brothers took their first bale to Lindsey Gin and Grain. It weighed 520 pounds. They were paid 50 cents per pound plus free ginning and seed.

**135 Attend
P-TA Meeting**

Approximately 135 attended the Hart P-TA meeting Monday evening.

School principals and members of the faculty were introduced by P-TA president B. H. Rodgers.

Entertainment was furnished by Mrs. Ralph Futrell, hospitality chairman, and Mrs. E. H. Bowden and O'Lysia Bowden.

Refreshments of ice cream and cake were served after the business meeting.

Mrs. Bill Shelby's fourth grade received the highest room count, with 19 parents present.

FLOWERS FOR THE PARSONS

Pausing to admire some of the flowers given them during their open house Sunday are Mr. and Mrs. Percy Parsons. The event was the grand opening of Olton's first funeral home, located at 9th and Ave. H. An invitation has been issued by Parsons to anyone who failed to attend the open house, asking that they visit the new establishment at any time. (STAFF PHOTO)

YARD-GAINING MUSTANG

Shown making a nice gain during the Olton-Petersburg game Friday night is senior halfback Royce Bodkin. 20. The Mustang back had just taken a lateral from quarterback Robert Priest as he was being tackled (shown on the ground, 55). Olton won the game 14-8. It was the first game of the season. (STAFF PHOTO)

**Royce Bodkin To Be
President Of Chorus**

Royce Bodkin was selected as president of the newly organized Chorus Club in a meeting on Monday of this past week.

Chosen to serve under him were Gayland Graham, vice-president; Beverly Eby, secretary; Linda Clark, reporter; Kay Howard and Johnny Beth Crawford, librarians.

Mrs. Joe Harper is the club's sponsor.

**HART RESIDENTS
SWIM IN ORC POOL**

Olton Recreation Center swimming pool was the scene for a swimming party for several Hart residents.

Attending were Messrs. and Mesdames Claude Cox and children, Herman Burress and children, F. A. Smith and boys, W. C. Malone, Norlan Dudley and girls, Howie Parker, L. J. Rice and children and Mrs. Earl Jones and Mrs. T. B. Cox.

**Mrs. Kidd Fetes
Mrs. D. A. Welch**

Mrs. George Kidd feted her mother, Mrs. D. A. Welch, Wednesday with a birthday dinner.

Guests were the George Kidds and Mr. and Mrs. J. A. Welch of near Circle.

Mrs. Welch had been visiting in Hart for the summer. She returned to her home in Tempe, Ariz., Thursday.

ironing things out
by korye martin

If your children often get on your nerves; if you sometimes wish you hadn't had babies quite so soon after you were married; if too often you'd like to send the children off for a while, then, this story is for you.

It's about a young couple we know very well. They have been married six years, but it is impossible for them to have children of their own. This, they discovered soon after they were married.

Ironically, they want a family more than anything else in the world. We shall call them Jim and Betty.

At first, they were always available as free baby-sitters for their friends. In fact, they'd go out of their way to keep a niece or nephew or just any child.

Then they began to keep children night and day for working mothers, even taking the youngsters on vacation with them. This

became complicated. The children would come to feel more attachment for the couple than for their own parents. They'd even call the pair "Mother" and "Daddy."

The pseudo parents would find themselves furnishing the food and clothing for their part-time children, and doing a better job of it than the real parents.

And then, through some friends, they heard of a couple who had deserted their four children, one of them under a year old. They leaped at the chance to give a home to any or all of the children. They got two of them. They fed, clothed, loved and taught the two little boys for months.

Then the parents returned to claim their family.

In a period of a few years, the youngsters were deserted repeatedly, and each time, Jim and Betty opened their doors to them.

The last time, they sought to adopt one of the children, a little boy seven years old.

The parents retaliated. Our couple took the case to court. The parents, insistent that Jim and Betty should not adopt their son, asked the welfare society to either give the children back to them or to a relative.

The case is due in court this

week. In fact, by the time you read this, the fate of seven-year-old Wayne and our child-loving couple will probably have been decided.

Now consider. The child is no relation to them. His parents have proved to have little interest in him, and both have police records. There is no material advantage to be gained for our Jim and Betty if they do adopt the boy. In fact, they will be accepting a tremendous responsibility, to mold a wholesome, happy personality out of the conflicted, frustrated human being the child surely is.

Do his parents have more right to him than our Jim and Betty? What is best for the child? What is really fair?

Next time you become completely exasperated with your children and feel sorry for yourself, think of Jim and Betty, how desperately they want children, and to what lengths they'll go to acquire a family.

Would you trade places with them?

i-t-o

As far as Kaysee is concerned we went to Mustang Memorial stadium Friday night to see the band and twirlers. The fact that "those football boys were fight-

HALFWAY HAPPENINGS
By Mrs. Bill McPherson

On behalf of myself and the whole community I want to express our deepest sympathy to the Doc Brown family on the loss of their son Saturday. We are also glad to know that Curtis Baker, who was seriously hurt in the accident, is doing alright.

Mrs. J. D. McGrew is recovering nicely from surgery she underwent recently.

Fishing "widows" last week were Mesdames Leo Mathes, Ralph Shannon, Weldon Craig, Bill Wilson, Buster Damron, F. A. Ray, Guy Porter and Hollis Young, whose husbands went to fish at Lake Conchas near Tucumcari, NM.

Mr. and Mrs. A. J. Givens were host to the monthly Halfway bridge club.

Dinner was served at McGrath's to the following members: Mr. and Mrs. Alvin Earl Lewellen, Mr. and Mrs. Shelby Howell, Mr. and Mrs. J. E. Helm, Mr. and Mrs. Connally Lewellen and guests Mr. and Mrs. J. D. Helm.

Bill McPherson, Cecil Gartin and Von Darrell Beltcher have been hunting over the weekend near Tres Rites, NM. (PS, I believe it was "bear" they said they were hunting.)

Robert Graham is in the hospital in Plainview with encephalitis. We sure hope it isn't too serious and he will be home soon.

Mr. and Mrs. J. D. Helm are visiting his parents Mr. and Mrs. Frank Helm and brother J. E. Helm this week. J. D. has been attending school in Austin at the University.

Melvin Glantz and Dan Gregory are on a business trip to Nebraska this week.

ing" most of the time was just incidental.

i-t-o

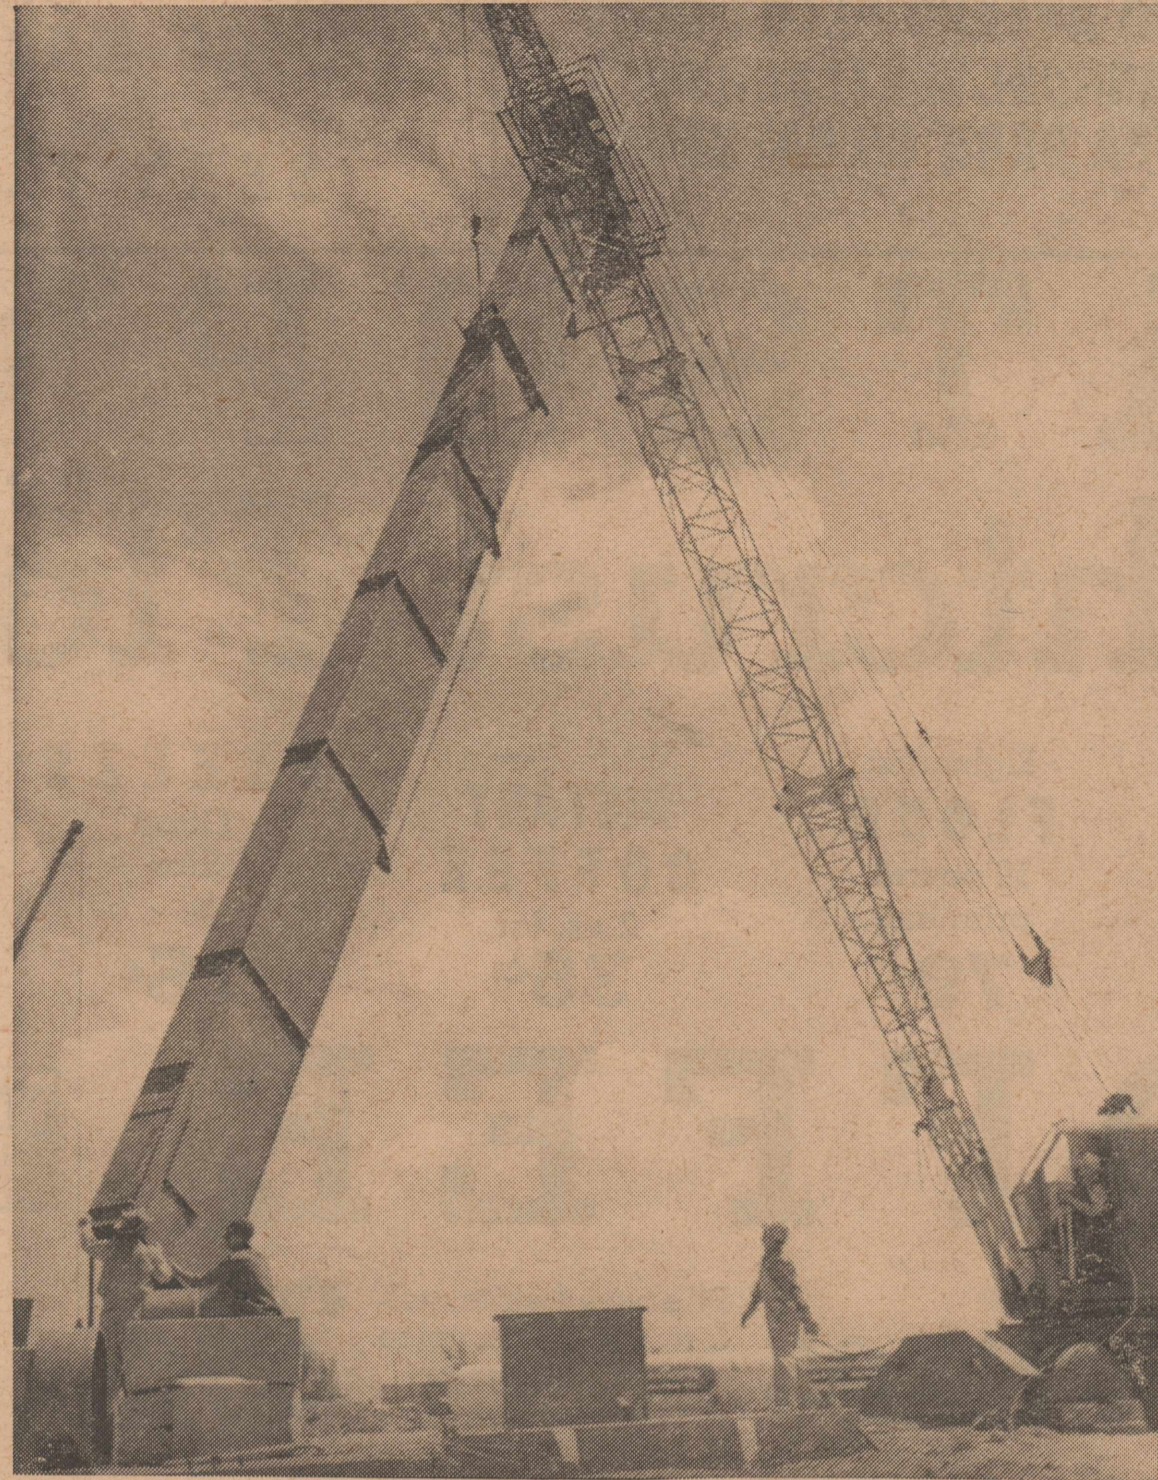

It was pretty embarrassing, too, when Jamie expressed his first interest in the game, with all sorts of questions I really couldn't answer. He was most impressed, I think, with the referees and their little red handkerchiefs, and it struck him that somebody "broke one of the rules" pretty often.

i-t-o

As for fashions—I believe the most shocking outfit was worn to the game by Barbara Kirkpatrick. She appeared in the collegiate red plaid chemise, so tight she had to walk sideways up the stadium steps. She had either long red stockings or leotard, and this was topped by a brand new hair-do and color, aye, short blond. Definitely make up look twice.

At least, Kirk THINK it was Barbara Kirkpatrick.

NO SMALL PIECE THIS

This new grain auger was installed at Halfway Grain Co. Saturday. The operation required a huge crane and four men to handle the mammoth piece of equipment. (STAFF PHOTO)

Olton Couples Begin Season

The Olton Couples Bowling League got underway Thursday night, starting another season.

Don Williams Insurance jumped into the lead, taking four games. Ed Thompson Implement Co. team follows with the same number of wins.

Consumers Butane and Olton Enterprise each took three white dropping one. Olton State Bank lost three and won one, as did Botkin Food. G. H. Bley Pflaigings "66" and Olton Hardware each lost all four games.

The teams will play every Thursday evening until football season ends. Starting time is 9 P.M.

Sonny Bryant Picked As Senior President

Sonny Bryant became the new president of the Senior Class after election in a meeting of the class Monday of last week.

The class picked for its other officers: Judy Moore, vice-president; Barbara Gray, secretary; Charlotte Loveless, treasurer; Nell Smith, reporter; and David Cole, Sergeant At Arms.

Representing the class on the Student Council are Judy Price and Jerry Meyer, and the candidates for Annual King and Queen are Don Hardy and Jane Thurman.

The Seniors are selling "Beat Tags" and encourage everyone to buy one each week from a member of the class.

Girls' 4-H Club Elects Officers

The Girls' 4-H Club, which is composed of girls from the sixth, seventh and eighth grades, met Tuesday morning. Present were 48 girls, two parents and the leader.

Officers elected were Sharon Brigrance, president; Iona Tanner, vice-president; Elaine Fisher, secretary; and Dorothy Williamson, reporter.

Amos Walden Completes Army Training Course

(AHTNC)—Pvt. John A. Walden, son of Mr. and Mrs. Ernest Walden, Star Route 2, Olton, recently completed the eight-week line-man course at the Army's Southeastern Signal School, Fort Gordon, GA.

Walden was trained to construct and maintain field communication wires and cables. He entered the Army last March and received basic training at Fort Carson, Colo.

A 1954 graduate of Olton High School, the 22-year-old soldier attended West Texas State College. Walden was a farmer in civilian life.

AUCTION SALE

SEPTEMBER 27, 1958

The following houses will be sold at Public Auction by the Olton Ind. School Dist. to make room for the new Elementary School. The buildings described below have in previous years been used as teacher housing. The buildings must be moved from premises 15 days from sale date. The buildings are located on south side of School grounds in Olton.

TIME: 10:00 A.M.

TERMS: CASH

- 1—28 x 45 6 rooms & bath, this is a large house that has been used as two apartments.
- 1—26 x 60 Duplex, each apartment 4 rooms & bath.
- 1—20 x 32 4 rooms & bath.
- 1—24 x 20 4 rooms & bath.

All of these houses are frame constructed and in good condition. With a minimum amount of interior decorating they would be ready for occupancy. They will be open for inspection anytime before sale date.

Off to college—Three of the 1958 OHS graduates are reading their graduation issue of The Olton Enterprise, before they leave for college as freshmen. They are from left, Sandie Loveless, daughter of Mr. and Mrs. Charles Loveless, Jack

Hysinger, son of Mr. and Mrs. H. A. Hysinger, and Doniece Silcott, daughter of Mr. and Mrs. C. S. Silcott. Sandie is going to Howard Payne College; Jack, to Texas A&M; and Doniece, to Hardin-Simmons University.

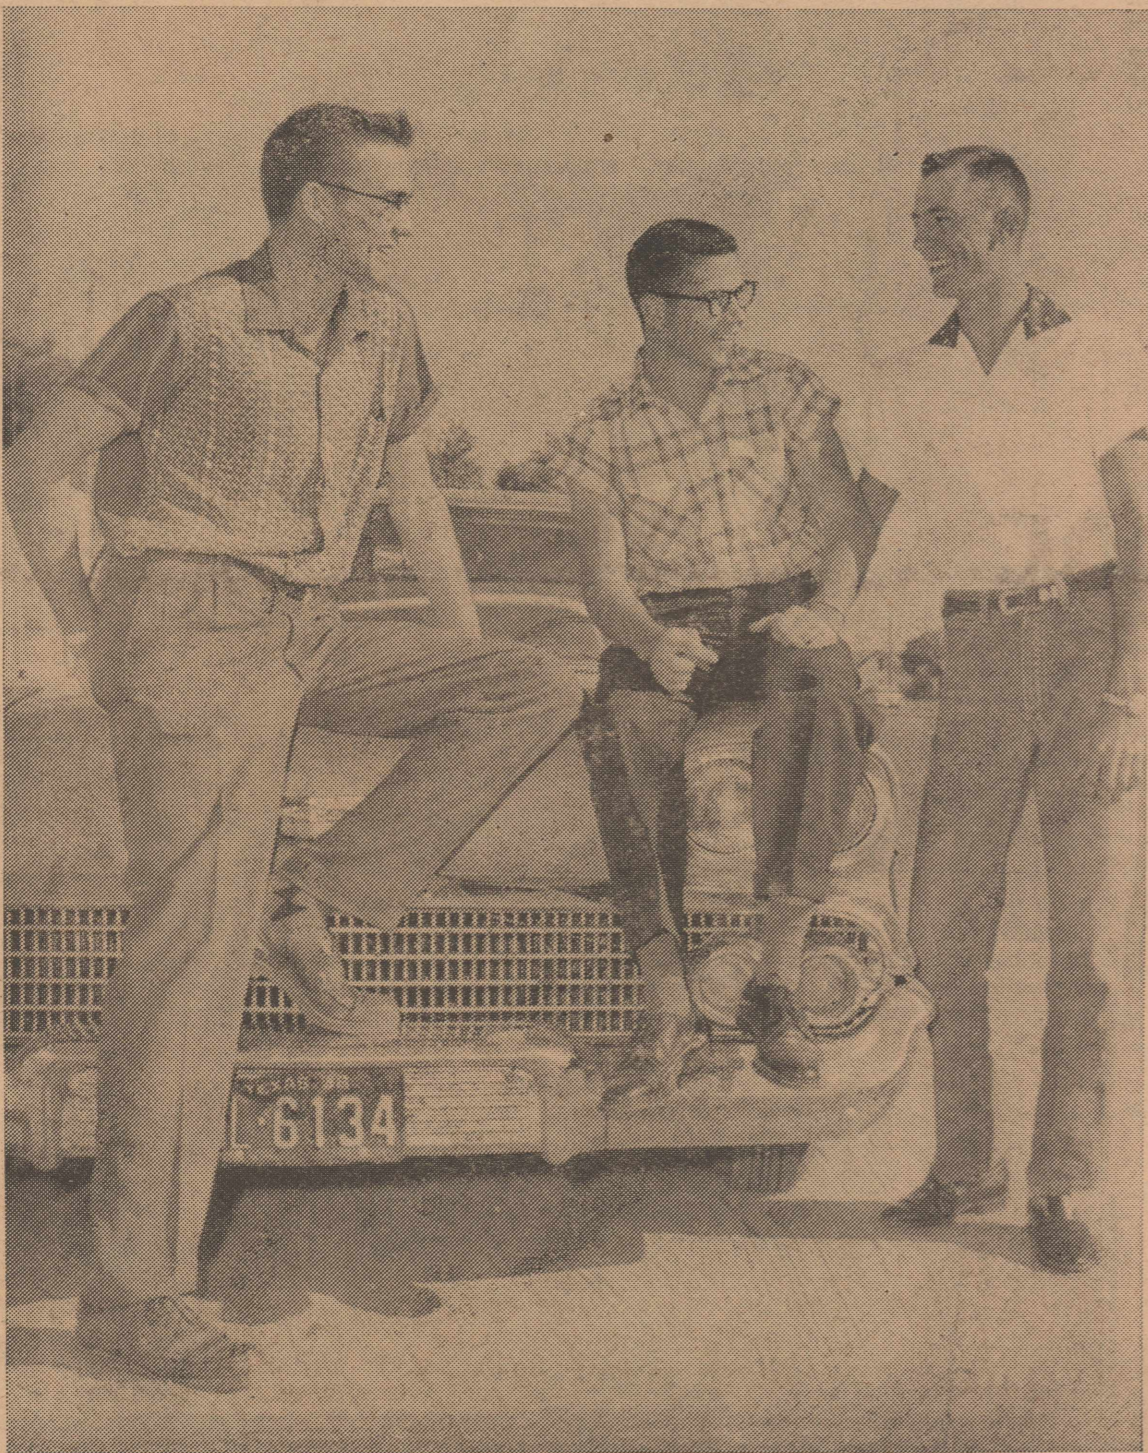

"What should I wear?" is the question Yvonne Pinkerton, left, is helping Essie Sluder decide. Essie will enter West Texas State College for her sophomore year and Yvonne will begin nurses training and schooling at the University of Colorado. Both girls are wearing outfits they will wear on the campus this fall.

THE OLTON ENTERPRISE

THURSDAY SEPT. 11, 1958

(Staff Photos)

Talking over old times before leaving to separate colleges are, from left, Jarrell Edwards, Bill Boverie, and Wayne Bodkin. They are all college juniors. Jarrell is attending Abilene Christian college; Bill, Texas Tech; and Wayne, Texas A&M.

Dignified seniors—College seniors, all OHS graduates and all but two attending different colleges and universities are (from left) Betty Lou Sides, West Texas State College; Guy Granbery, Abilene Christian College; Janelle Miller, Hardin-Simmons University; Ann Ford, Howard-Payne College; and Joyce Keasler, Abilene College. They are all visiting for their last time before leaving for college.

Olton College Students Prepare For Year Away From Home

BY GAYLE MCANALLY
Many of the 1958 graduates of Olton High School have left or will be leaving for their respective colleges and universities. Two of these students, Jessie Thomas and Gloria Finney, left Sunday for Eastern New Mexico University at Portales, NM.

Office Girl
Jessie Thomas was a member of both the FHA and the pep squad four years, she became head of the group her junior year in OHS, and also carried that job this past year. Miss Thomas was a member of the cast of the Junior Class Play and a participant in both the National Honor Society and the FFA.

Physiology Major
Gloria Finney, who was accorded the title of "Friendliest Girl" this past spring, plans to study psychology at ENMU. Gloria served as 2nd vice-president of the FHA for one year during her four years of activity in the FHA. Among Gloria's other varied interests were pep squad, choir, FFA and basketball managing. She served as a librarian her senior year.

Award Winner
Oneeta Yates plans to enter Colorado State University at Fort Collins, Colo., for her first year

in college. Oneeta won both of the Olton Enterprise's awards to high school students this year. The Arion Award for the "outstanding band student" and the "Home-maker of the Year" award are among Oneeta's honors. Miss Yates has been an officer of her class for the past three years. While in the National Honor Society, she served as president of the group for one term. Oneeta was very active in the FHA and served as Stock Show Superintendent this past year. She will major in home economics at the Colorado University.

She is the daughter of Mr. and Mrs. Bill Yates.

To Enter WT
Hayden Hankins will leave this next week for West Texas State College at Canyon to prepare for a career in medicine. He is not decided upon the exact phase of this vocation which he plans to assume for his life work. Hayden was a member of the FFA three years, and the choir, one year.

Brothers Chose Colleges
Darryl and Ronnie Dennis are parting ways as they enter different colleges this year. Darryl chose Lubbock and Texas Tech for his home while he works toward his degree. Darryl and Ron-

nie will both major in animal husbandry. Ronnie left several weeks ago for Panhandle A&M at Goodwell, Okla. Both of the boys were popular OHS students—Ronnie being Pep Squad King and "Most Handsome" boy this year, and Darryl was the "FHA's Prince Charming" during his senior year. The brothers were active in FFA, both receiving Lone Star Degrees. They are the sons of Mrs. Ineta Dennis.

Biology Major
Jackie Pinson leaves soon for Abilene and Hardin-Simmons University where he will begin his college career. Jackie plans to major in biology. While in OHS, he participated in FFA, band and was a candidate for Band King this past fall. Jackie acted in the Senior Play and received the Lone Star Farmer degree.

He is the son of Mr. and Mrs. Doyle Pinson.

Hardin-Simmons Bound
Doniece Silcott, Miss OHS of 1957-58, is anticipating her entrance into Hardin-Simmons University this week. Doniece will begin work on her degree soon, majoring in merchandising. Miss Silcott was a member of the band four years, serving as drum major and majorette her senior year. A re-

cognized beauty, she was chosen the "Lion's Club Beauty Queen" this spring. Among Miss Silcott's varied activities were: FHA, National Honor Society, Student Council; basketball, Junior and Senior Class plays, "Who's Who" in OHS; and the annual staff.

She is the daughter of Mr. and Mrs. C. S. Silcott.

To Aggie-Land
James Simmons and Jack Hysinger both left this past weekend for Texas A&M at College Station. Jack will be playing for the Aggie football team, on a scholarship, while working toward his degree in physical education.

James is the son of Mr. and Mrs. James.

James plans a major in aeronautical engineering. He was a member of FFA for three years and was a member of the Junior and Senior play casts. Jack Hysinger was very active in sports, playing on the basketball team for four years, the football team, four years. As a senior, Jack made his mark as football player being named to the All-District, All-South Plains and All-State teams. Jack was a member of the National Honor Society, the Student Council and FFA, being an officer of the latter.

Jack is the son of Mr. and Mrs. H. A. Hysinger.

Straw To WT
Jack Royce Straw will enter West Texas this next week. While in OHS, Jack Royce played on the football team four years, serving as co-captain of the team this past season with Jack Hysinger and Billy King. Basketball was also a favorite of this athlete. He played on the team for four years. Other interests of Jack Royce's were FFA, Student Council, baseball, track and the Junior Play. Jack Royce will major either in pre-med towards being a dentist, or business administration.

He is the son of Mr. and Mrs. Jack Straw.

Most Beautiful Undecided
Martha Hyman, picked "Most Beautiful Girl" of OHS in 1957-58, is undecided as to which college she will attend this year. She will definitely, though, major in education. Martha's high school interests were FHA, pep squad, band, choir, library and National Honor Society. Not only was she judged most beautiful in OHS, but also in the Lions Club Queen contest of 1957. Martha was an officer of several clubs and FFA sweetheart this past year.

She is the daughter of Mr. and

Mrs. Elbert Hyman.

Friends To Enter TT
Several boys are planning to enter Texas Tech and major in agriculture after graduating from Texas Tech with a degree in agricultural engineering. Jerry Dewey Hukill, John Paul Jones and Harlan Carson, were all active in FFA. They all received the Lone Star Farmer Degree. Dewey was given the Anderson-Clayton Award this summer at the Texas FFA convention.

John Paul Jones was voted "Mr. OHS" this spring. He was the Junior Class favorite and an officer of his class. Active in sports, John Paul earned letters in football, baseball and track.

Dewey Hukill was in the senior play and was a candidate for Mr. OHS this spring.

Harlan Carson played baseball while in OHS and was in the play. He exhibited the grand Champion steer at the Olton Stock Show.

Harlan is the son of Mr. and Mrs. H. B. Carson.

Hamby To TT
Houston Hamby will enter Texas Tech and study towards his degree in business administration. Houston was active in FFA during his OHS career. Houston was a member of the Senior Play cast.

He is the son of Mr. and Mrs.

J. C. Hamby.

Agricultural Career
Jerry Moore plans a career in agriculture after graduating from Texas Tech with a degree in agricultural engineering. Jerry will enter Tech this next week. Voted "Friendliest Boy" by his classmates this year, Jerry has been active in FFA, Science Club and basketball. The President of FFA this past year was elected "Most Likely To Succeed" from his graduating class. He served as captain of the basketball team one season and was an attendant to the basketball King this spring.

Best All-Round Athlete
Not only was James Ray Hyatt chosen "Best All-Round Athlete", but was also given the honor of "Best All-Round Boy" of OHS! This boy has been active in sports, lettering in football, basketball, baseball and track. He was co-captain of the basketball team this past season, and an attendant to the basketball King, James Ray has been an officer of his class several times and was Sophomore Class favorite. The National Honor Society member was also a member of FFA and the Student Council.

He is the son of Mr. and Mrs. Jim Hyatt.

Miller To HSU
Joe Miller will enroll in Hardin-Simmons University at Abilene soon. Joe was chosen "Band King" this past fall by the members of the band after having been in this organization for four years. Joe played football one year, basketball two years, and went out for track one year.

He is the son of Mr. and Mrs. J. F. Miller.

Chemistry Major
Shirley Webb, winner of the 1956 Bykota Study Club scholarship enrolled in Mary-Hardin Baylor College this past weekend. She shows much interest in the chemistry field. Shirley was a member of the FHA, choir, National Honor Society and the Science Club. The Senior "favorite" played on the volleyball team one year.

Business Major
Sandie Loveless, voted "Best All-Around Girl" by the faculty this spring, will enter Howard Payne College at Brownwood to study for a degree in business. Sandie was active in the choir, the band and the pep squad. She was on the annual staff one year and in FFA four years. Sandie

Low-cost step saver—
a telephone in your kitchen!

SO CONVENIENT! And you have a choice of ten lovely colors to blend with your color scheme.

This attractive wall phone features utmost economy of wall space. Handset is cradled at the side, so it doesn't get knocked off. "Whisper-quiet" dial catches ceiling light, so it's easy to see. And, with all its extra convenience, the cost is only pennies per day!

Call our Business Office. Tell us what additional telephones you'd like to have—in the kitchen, bedroom, den or workshop. Why not do it now?

GENERAL TELEPHONE

America's Second Largest Telephone System

These three pictures are scenes from the home of Joy and Allen Johnston. The lovely, traditional ranch oak furniture adds glamour, plus beauty and comfort, to the Johnston home. The ranch oak furniture is in every room besides the den and Kent's room (Joy plans to furnish both rooms with ranch oak sometime soon). In the photo above, you see the Johnston dining area which is at the front of the house. Windows extend across the entire wall by the table. Right above, is a scene from Joy and Allen's bedroom. Joy's reflection is shown in the mirror. In the photo, below right, is Kent Johnston, 2 1/2 years old, standing by the ranch oak desk in the living room. Joy declared that the ranch oak furniture is "just the thing for children and a growing family."

(STAFF PHOTOS)

Ranch Oak Furniture Adds Western Atmosphere To Joy And Allen Johnston's Suburban Home

By Sue May

The Allen Johnston home is styled with simplicity and spiced with a western flavor. The beautiful, spacious home is located west of the Ed Thompson's on Highway 70.

Joy and Allen Johnston and their 2 1/2-year-old son, Kent, moved into their suburban home in January, 1958.

Joy's 'ranch oak' furniture lends a western flavor to the atmosphere. The large kitchen-dining room is the answer to a housewife's dream. The long, rectangular room is accented by a large cottage picture window over the dining table, which is on the front of the house.

Green walls and stained pink cabinets which cover two walls, with Joy's brown design drapes and curtains lend to make the room soft and pleasant. The 'ranch oak' dining room suit and china cabinet add the western touch to the otherwise semi-modern room. A small snack bar separates the dining area from the kitchen.

Brown, tan and green are used in the living room. The walls are green, the living room suit brown with gold threads and the draw drapes of a thin tan material. A 'ranch oak' desk, coffee table,

lamp and corner table complete the living room furnishings.

Kent's room has even more western touches. On the rose beige walls are little cowboy plaques and his cottage curtains depict cowboys in white, aqua, brown and yellow. His bedspread is aqua. A lamp with its shade showing different western scenes is another western accent in the room.

The master bedroom is all bright and sunny with pastel green walls, yellow nylon curtains, and the yellow nylon coverlet over yellow skirt on the bed. Pink and gold dancers and poodles decorate the pink, black and grey bathroom. The tile dressing table is a feature of the house that is Joy's "pride and joy".

The Johnstons made their third bedroom into a den and the room's situation is ideal for fam-

ily relaxation, because of its closeness to the kitchen and bath. It is also located at the back of the house.

On the den floor, carrying out the western atmosphere, is a cow hide, and western-scene pictures hang over the television set.

A nice-sized utility room is at the back of the kitchen. It is bright—very bright—with chartreuse colored walls and dark red curtains.

The connecting garage has its entrance to the side of the house. Someday, Joy and Allen have hopes of converting the garage into a family room and using the present den for another bedroom.

The closet and cabinet space is well-planned in the Johnston home—very spacious and conveniently placed.

On the outside of the home, it is covered with gray asbestos siding and trimmed with red brick and a white roof.

An outstanding feature about the Johnston home is the beautiful landscaped yard.

As Joy said, "Our home was planned to live in and we're definitely living in it!" As you

Mustang Foes Look Impressive

Competition for the 1958 Mustang football team looks mighty rough after Friday night's games over

walk into the house, you feel a warmth that reflects the love that only a family can give a house!

the area. Of the nine teams Olton is to meet throughout the season, two did not play, five won their games and one tied. Littlefield and Hereford, both 3A teams, will not begin play until tomorrow evening.

The one team on the Mustang list that lost Friday night was Hale Center. The Owls dropped their season opener to Lockney,

another Olton foe, 14-0. Other scores were: Floydada trounced Wellington, 40-0; Dimmitt shut out Springlake, 42-0; Muleshoe tied Clovis, 6-6; Morton put down Sudan, 12-0; and Abernathy drubbed Spur, 20-8.

Muleshoe, Morton, Lockney and Abernathy are all in District 2-AA along with Olton.

ATTEND CHURCH SUNDAY!

Hale Center, Tex., Man Reports—

"\$7.34 invested in ammonia netted \$40.56 in wheat"

W. H. Jackson, successful High Plains farmer, says: "Phillips 66 ammonia proved to me it can help me make more money. The irrigated wheat I fertilized with Phillips 66 Agricultural Ammonia gave me a 25 bushel-per-acre increase over an unfertilized check plot. This netted me \$40.56 per acre."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields . . . and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

"We have cut our food bill by 1/3 since we bought our ELECTRIC Home Freezer!"

says **MR. RAY MAY,**
1505 South Kentucky,
Roswell, New Mexico

"As an average, working couple, we didn't realize how easy it is to buy a freezer until we got ours," says Mr. May. The Mays grow food for their freezer, too, and Mr. May adds, "We fill our freezer from our small garden space every year." How wonderful to pick garden-fresh vegetables out of your home freezer all year 'long. The delightful experience can be yours just as soon as you get your home freezer—whether you 'grow your own' or 'buy 'em on special' at the market.

CONTEST RULES:

Game winners selected must be circled in ink or pencil. Tie-breakers winners must be circled, and scores printed in space made available for them.

Each week's entry must be brought to The Enterprise office, or post marked no later than the Monday preceeding the game. All late entries will be discarded.

In case of ties, a coin will be flipped to determine first place winners. The final winner for the season will be decided from the number of wins during the season. All contestants are eligible to win the Grand Prize, as records will be kept on each individual throughout the season.

PRIZES:

The Grand Prize will be two FREE tickets to the COTTON BOWL on New Year's Day, plus two nights accomodations for two in the Statler-Hilton Hotel in Dallas, and \$50 traveling expenses.

Weekly winners will receive: \$4 for first place; \$2 for second place; and \$1 for third place.

Saunter With Sue

BY SUE MAY

Wonder if the other young matrons feel as homesick as I do when School starts and college students begin leaving for

college? Hated to graduate from high school—the fun was just too tempting to want to stay on and on. Then came college and that exciting, never-ending dorm visiting and pranks. I loved every minute (when I wasn't having to cram for an exam) of college life.

Guess I'll always have a little "longingness" in my heart to be a school-girl again!

But, then, I guess every mother relives her school and college days through her children—at any rate I'm looking forward to it (but I hate to see Son grow up so fast!). Is there a psychologist around?

Isn't W. T. Hall, Sr., friendly? Wonder if Sue Hair talks in her sleep. Found out Celie Waldrip's grandmother, Mrs. J. A. Gowdy of Morton, was one of my favorite teachers. Celie's mother is a sister of Mrs. M. C. Ledbetter and of Hank Gowdy. Know them? Think M. C. Ledbetter attended school here at one time. Never see Dorothy Dodd when she doesn't look "like a million"!

Think Billie and Robert Edwards are expert at any sport they try—skating, skiing, bowling and so on. Get Kay Copeland to tell you how she golfs—it's hilarious! Try to pull Kay Copeland, Gayle Allcorn, and gobs more away from the TV set at 12:30 week days. They are addicts of a continued story, "As The World Turns", or "What will happen to poor Ellen Lovell." I'd be watching it, too, if I wasn't working at that hour. It does get complicated and definitely holds one's interest. Ever meet a sweeter person than Boots Grimes?

Get Jay Brown to give some auction calls for you—has so much rhythm, sounds like music. Pretty but complicated for my tongue. Haven't heard Bill Dickenson, Jr., but I hear he's a good auctioneer, too. J. G. Cole has a nice sense-of-humor. Jay Natzger's wife is a cute little thing. Wonder if Rob Roberson ever raises his voice? He always seems so calm and good natured.

To save my neck, I can't imagine "little brother" Jimmie Priest being old enough to marry, but then he IS 21. Isn't Mrs. E. M. Venable pretty? Joy Low is a real cutie. She looks not more than 4 years older than her daughter. Like Lorraine Meyer's short, short hair-do. Real becoming. Can't imagine Sammie Salman, not smiling.

Are all husbands like this: Sunday, Husband wanted me to go with him out to the Ray Johnson's dove hunting. I said, "Let me stay home and sleep 'cause if you're going to hunt in the sand hills, I don't want to go and I'm sure the Johnsons will have company—they always do—and—"

"No!" he exclaimed, "Hon, I want you to be with me!" So I go. And sure enough, the

Johnson have the house running over with company and kiddoes and it was threatening rain outside.

Husband leaves with the other men to the sandhills dove-hunting and I don't see him all afternoon!

Then when we got home Sunday night and I mentioned to Husband that I didn't see why he wanted me along 'cause he didn't see me all afternoon, he said, "Well, I think it is nice for us to do things separately sometimes, don't you?"

Ever sit and thumb through the dictionary leisurely?

It's very entertaining and educational. Try it sometime. A good, excellent way to improve and add to your vocabulary.

There's nothing like the hometown band! Gives you a good feeling right here, doesn't it?

There's something about MY hometown band when it lines up ready to march, when it begins its first line of march music, when the twirlers begin high-stepping and twirling and the charm and grace is felt and seen, that just can't be explained.

You feel proud all over and, oh, so excited. And the music and marching and majorettes and drum majorette all go together to make OUR BAND, the best ever. And you wouldn't trade that feeling—that proud, proud feeling for all the feelings in the world!

(Fred Stockdale is working hard, very hard, to keep our band, a band to be proud of. It wouldn't hurt to pat him on the back and say, "Fred, you're doing a top-notch job! The band looks great!" Many times, we're too late with telling our appreciation!)

Parsons Funeral Home
Olton, Texas

September 8, 1958

Dear Friends,

We take this means of expressing our thanks to you for making our open house a tremendous success.

Your fine reception of us has made us feel proud to really be a part of this growing community, and we extend a special invitation to those of you who were unable to attend our open house to come in any time and inspect our facilities.

We offer to you, our friends of this area one of the finest funeral service insurance policies available. We also honor all funeral home burial policies.

We also will offer ambulance service 24 hours a day—Just phone 5211.

Again we say thanks for your visit.

PARSONS FUNERAL HOME
PERCY & MARGARET

Do You Know Your Golf Definitions?

(Editor's Note: The following is a portion of articles printed in a series covering rules of golf. They pertain not only to the local course, but to all courses in the nation, where local rules do not conflict.)

Section II DEFINITIONS
ADDRESSING THE BALL—A player has "addressed the ball" when he has taken his stance by placing his feet on the ground in position for and preparatory to making a stroke and has also grounded his club, except that in a hazard a player has "addressed the ball" when he has taken his stance preparatory to making a stroke.

ADVICE—"Advice" is any counsel or suggestion which could influence a player in determining his play, the choice of a club, or the method of making a stroke.

Information on the Rules or Local Rules is not "advice".

BALL DEEMED TO MOVE—A ball is deemed to have "moved" if it leaves its position and comes to rest in any other place.

BALL HOLED—A ball is "holed" when it lies within the circumference of the hole and all of it is below the level of the lip of the hole.

BALL IN PLAY—A ball is "in play" as soon as the player has made a stroke on the teeing ground. It remains in play as his ball until holed out, except when it is out of bounds, lost, or lifted in accordance with the Rules or Local Rules.

BALL LOST—A ball is "lost" if it is not found within five minutes after the player's side or his or their caddies have begun to search for it. If subsequently found it is not "in play."

The player may decide his ball lost without searching five minutes.

Time spent in playing a wrong ball is not counted in the five-minute period allowed for search. Play of a wrong ball does not constitute abandonment of the ball in play.

CADDIE AND FORECADDIE—A "caddie" is one who carries a player's clubs.

A "forecaddie" is one employed by the Committee to indicate to players the position of balls on the course, and is an outside agency.

CASUAL WATER—This term is any temporary accumulation of water which is visible before or after the player takes his stance and which is not a hazard of itself or is not in a water hazard. Snow or ice are "casual water" unless otherwise determined by Local Rule.

COMMITTEE—The "Committee" is the committee in charge of the competition. A "fellow-competitor" is any player with whom the competitor plays. Neither is partner of the other.

In stroke play foursome and four-ball competitions where the contest so admits, the word "competitor" or "fellow-competitor" shall be held to include his partner.

COURSE—The "course" is the

OPTOMETRY: The Art and Science of Visual Care

You can be SURE . . .

that there is a never-ending research into the problems of vision. For instance, research conducted at Purdue University shows that some nearsightedness comes from too much visual tension, in reading and studying, in the early school years. And, that temporary preventive bifocal or training lenses can, in many cases, reduce that tension. Thus, nearsightedness may be halted or even prevented. Cooperate with your professional optometrist if he prescribes preventive bifocals for your child. He is practicing preventive vision care.

Books on Parade
 by mardema ogletree

The Short Summer, a new novel by the Panhandle's own Loula Grace Erdman, published by Dodd, Mead at \$3.50. The time is the summer of 1914; the place is a small rural community in Missouri; and the main characters of the story are Margie Gregory, her older brother, her mother, father and grandmother.

There are the routine events of the summer—going to the chautauqua, a woman's club meeting, a threshing, a band concert. And then there are some unusual events—an air show, and trouble in Belgium.

By means of flashback and the events that transpire that summer you learn something of their lives, the counterpart of which is in our own lives years apart and miles apart.

The characterization of the hired man, Urcel Byars, is especially good, I think.

OF YOUR CHOICE SUNDAY! ATTEND THE CHURCH

Help Wanted
 RELIABLE Party: Male or Female wanted to service and collect from a route of Cigarette machine. No selling. Route is fully established for operator. Full or part time. Up to \$300 per month to start. \$1,000 to \$2,000 cash required which is secured. Write, giving full particulars and phone number to P.O. Box 9552, Dallas 6, Texas. 31-1tp

And there is a subtle urgency in the theme as evidenced by the author's quoting Samuel Johnson—"Catch then, O catch the transient hour; Improve each moment as it flies; Life's a short summer—man a flower; He dies—alas: How soon he dies."

And somewhere I read this (Saturday Review, I think), and to me it is the essence of brevity and perhaps truth . . . "The history of civilization may be summed up thus—From cave to bomb shelter."

And it made me remember what my high school English teacher emphasized time and time again when we were studying literature. It was that human nature never changes from one generation to another.

But our lives are changed sometimes by seemingly unimportant events far across an ocean or continent. And how much have our lives been changed by the writings of someone we never knew in another time, another place?

There is available a book entitled *Books That Changed The World* by Robert B. Downs (the paper back edition 35 cents). And I wonder how many of us have had our own little worlds changed by what we have read? Even though this area is called in certain circles a Literary Sahara, I have been pleasantly surprised at the knowledge of litera-

ture and the interest in literature some local people have. What books have influenced and changed the course of your life? What do you recommend as truly worthwhile? I would love to hear from you. Write me or come by and tell me.

Because soon I plan to start mailing out a monthly newsletter to interested, interesting people. It will be called "Book News Roundup". And it will feature a section called "Our Readers Recommend".

Something new (and wonderful too) has been added—some literary recordings from Caedmon. I have Robert Frost reading his own poetry, Judith Anderson reading the poetry of Edna St. Vincent Millay, Judith Anderson reading the Psalms, Katherine Cornell and Anthony Quale reading "Sonnets From The Portuguese" and The Barretts of Wimpole Street."

Newest SANITONE Discovery
Restores like-new texture to both Woolens and Sheer Materials!
And Only Licensed Sanitone Dry Cleaners Have It!

Original "Finish" of Suits and Dress Fabrics Is Fully Restored in Every Dry Cleaning

Any garment owes much of its smartness and charm to the manufacturer's "finish" in the cloth. To be sure woolens retain their luxurious springy softness—dresses too, the famous Sanitone laboratories have perfected Sanitone Dry Cleaning which not only cleans to perfection, but also restores like-new finish to any fabric every time it is cleaned. That means you can now keep your favorite suits, coats and dresses band-box fresh and new looking almost indefinitely. We are specifically licensed to offer you this service. Call us today!

BOB AND PAT DUNNING'S DREAM CAR COMES TRUE IN PLYMOUTH'S END-OF-MODEL CLEARANCE SALE

Canny young local couple takes advantage of year's lowest prices
 Bob and Pat Dunning had put off buying a car. Budget. Wanted to see what would happen.
 Last week as Bob, a commercial artist, was driving to work he noted a sign in a Plymouth dealership reading, "End-of-Model Clearance Sale. Lowest Prices of the Year." . . . "Just," as he says, "for the fun of it," he stopped his car and went in. Chatted with a Plymouth salesman. Couldn't believe his ears.
 Bob and Pat own their new Plymouth now—made the best deal of their lives. You can, too, if you hurry. This End-of-Model Clearance Sale will be on at your Plymouth dealer's until the last 1958 is sold. All models included, and all at the year's lowest prices. All come equipped with Plymouth's luxurious Torsion-Aire Ride at no extra cost. All feature sleek Silver Dart Styling, Total-Contact Brakes, thrilling sports-car "feel," other Plymouth exclusives. Engine options even include the breath-taking Golden Commando V-8.
 Better stop in at your Plymouth dealer's today. If you've been waiting to "see what happens" . . . it's happening right now!

Don't miss LAWRENCE WELK in TV's newest and brightest musical hour THE PLYMOUTH SHOW every week on ABC-TV. See TV section for time and channel.

Mustangs Thump Buffaloes 14-6

Olton's Mustangs initiated the
1958 football season with a 14-6
win over Petersburg here Friday

night.
Coach Joe Turner's charges,
looking very impressive in the
first quarter while racking up 14
big tallies, lost most of their
steam after the first change of
field, but held on to allow the
Buffaloes one unearned score.

Petersburg, failing to penetrate
the aggressive defensive forward
wall of Olton, had to take ad-
vantage of a Mustang mistake and
scored midway in the fourth period
to keep from being shut out
entirely.

Two underclassmen played im-
portant roles in the Mustang
scoring roll. Sophomore halfback
Rande Buchenau skirted right
end to hit pay dirt first, then
junior halfback John Wayne Hall
tossed a 10-yard pass to halfback
Royce Bodkin, a senior, for the
other Olton tally.

Co-Captain Arno Hall, 170-pound
fullback, was the workhorse for
the Turnermen, carrying the ball
12 times for 59 yards—a 4.9
average. The senior letterman
also handled all the punting chores
and much of the passing.

Buchenau had the highest
ground-gaining average for the
winners, carrying the ball five
times for 46 yards to average 9.2
per try.

Other yardage averages were:
Bodkin, nine carries, 34 yards, 3.8
average; Hair, five carries, 37
yards, 5.4 average; and sopho-
more quarterback Robert Priest
two carries, five net yards, 2.5
average.

First Touchdown
Olton's first score was also set
up by a blocked punt. After
Petersburg received the kickoff
the Buffs were able to gain only
nine yards in three plays when
they were forced to punt.

Phil Neinst, sophomore center,
broke through the line to block
Mike Shurbet's punt and Coy
Carlisle recovered on Petersburg's
47 yard line. Six plays later
Buchenau went the distance
around his own right end, behind
efficient and effective blocking,
from the 10 to score.
Olton fans got their first look

at the new extra point ruling
when Hall carried the ball over
left guard for the point after
touchdown. Under the new rules,
when a team crosses the goal
line by a run or pass after a
touchdown is made, it is worth
two points. A kicked extra point
is counted as one point.

So, Olton led 8-0 with 7:21
minutes remaining in the first
stanza.

Petersburg handled the ball in
two different series before the
Mustangs began their second goal-
bound march. It took them nine
plays, which included a 16-yard
pass play from Hall to end Jim-
my Robbins, to score.

Scoutback Hair started around
right end on a play that looked
exactly like the one Buchenau
scored on, only he flipped a short
aerial to Bodkin in the end zone
for the second, and final, Olton
tally. There were 18 seconds to
play in the quarter.

Petersburg scored with 4:21
minutes remaining in the final
period. After Olton had been
penalized 35 yards on three plays
and failed to make a first down,
Hall attempted to punt out of
trouble. However, the ball was
blocked and Buff end Wayne
Thompson picked it up on the
eight yard line and crossed the
goal line before being stopped.

Plenty Penalties
The Mustangs were hampered
severely during the fourth quarter
by penalties. They were penalized
six times in that 12-minute period
for 60 yards, and 12 times for
100 yards during the entire con-
test.

Petersburg drew nine penalties
for 61 yards.

The second quarter seemed to
be the biggest draw down in the
Mustang offense. Petersburg con-
trolled the ball for 19 plays, while
Olton had the ball for only six.
The Buffs also collected five first
downs during the same period of
time, to Olton's three.

Petersburg led in the net ground
gain department during the first
half, 91 to 72 yards. However,
passing kept the Mustangs in the
game as they moved 43 yards
through the air to Petersburg's 10.
Olton was leading 10-7 in the

EXPERIMENTS DISPLAYED

Improper irrigation methods are demonstrated in the grain sorghum picture above. Note the difference in height of the stalks. It will be just one of the many experiments carried on at the Halfway Experiment Station which will be explained to visitors Wednesday during the annual tour.
