THURSDAY, JULY 31, 1997

VOLUME 89 NUMBER 31

All boys and girls who will participate in junior high and high school athletics this school year need to be getting their physicals completed.

The Silverton School now requires that every athlete have a physical every year.

We have this pesky little constitutional amendment election coming up, and frankly, the prospect of this issue passing really bothers me.

This would raise the homestead exemption allowed by school districts, and would reduce the amount of taxes the school collects each year.

You and I know that just because this passes won't mean that it costs less to operate our school--but no one is talking much about where the shortfall will be made up.

This will have to be made up by an increase in the percentage per \$100 valuation on the property we own. If not there, where?

At least one state legislator has mumbled around about a state income tax being needed. That's what always happens when there is any kind of shortfall in the amount that the state is expected to provide for education.

As far as I am concerned, the state income tax is not the place to raise the money to operate our schools. I'd rather not have to increase the sales tax, and I'd really rather not have to increase the property tax.

Why can't we just leave things as they are?

To The Residents Of Briscoe County

I would like to take this opportunity to say thank you for supporting my recent appointment as Briscoe County Sheriff. The kind thoughts and words of advice and encouragement mean so much to me. I am proud to be serving the people of Briscoe County and look forward to meeting all of the residents of both Quitaque and Silverton.

For those of you who do not know me, I became Chief Deputy of Briscoe County on January 1, 1997 under Sheriff Beck. I moved my family to Silverton on December 24, 1996 and we have all enjoyed living in such a warm and friendly county. I have nine years experience in law enforcement and came to Briscoe County from Tulia Police Department.

My wife, Valarie, is employed by TDC at the Tulia Prison. I have a 21-year-old son, Dusty. He and his wife, Carrie, live in Tulia. Dusty works for TDC at the Clements Unit in Amarillo and he has one child, Ryan, who needs to say is my pride and joy.

I also have a 16-year-old son, Max, jr., who will be a sophomore in Silverton High School this year and Gary, 15, will be a freshman. Both boys attended and thoroughly enjoyed school here last year and were active in basketball, golf and ag, and look forward to a full and busy upcoming school year.

I have recently hired Raul Gomez to fill the position of Deputy of Briscoe County. Raul and his family are living in Quitaque. His wife's name is Melinda and she is planning on attending Clarendon College this fall. Raul and Melinda have a one-year-old daughter, Mailea. Raul is looking forward to meeting everyone.

Again, many thanks to everyone for their overwhelming support and faith in me. I look forward to serving you all in the

months ahead.
 Sincerely,
 Max Whitworth

Plants Can Be More Resistant to Herbicides

Pammy L. Millican
Briscoe County
Extension Agent-Ag

Research reveals plants can be made resistant to herbicides.

Many herbicides kill plants around the targeted weeds. But researchers have come up with ways of breeding plants that are herbicide-resistant.

Extension weed specialist Dr. Paul Baumann says genetically-engineered corn, cotton and soybeans are already giving farmers an advantage.

There is now a variety of corn that is resistant to Round-Up, which targets broad leaf grasses and weeds.

Baumann says chemical companies would rather breed herbicide-resistant plants than create new chemicals. He notes that the development of a new chemical costs from 40-to-80 million dollars and can take up to ten years.

Genetically altering plants is much cheaper and quicker.

Gfeller-Millican Vows Exchanged In Dimmitt Church Ceremony

Miss Jill Suzanne Gfeller became the bride of Pammy Lynn Millican in a formal double-ring ceremony at six o'clock in the evening on Saturday, July 12, at the First Baptist Church in Dimmitt.

Rev. Randy Gressett performed the ceremony before candleabra adorned with white tulle and greenery and urns of perriwinkle hydrangeas. The unity candle was centered on a gothic column.

The bride is the daughter of Mr. and Mrs. Ronald Gfeller of Dimmitt, and the bridegroom is the son of Mr. and Mrs. Wilbern Millican of Robert Lee.

Escorted and presented in marriage by her father, the bride entered down an aisle decorated with tulle and fern pew bows.

She wore a white wedding gown by Isis. The bodice was designed of Alencon lace encrusted with pearls and sequins and featured a sweetheart neckline, leg-o-mutton sleeves and a dropped waistline coming to points in front and back. Hand-beaded lace cut-outs swept down the front of the gown and bordered the entire skirt. The back, cut to a deep vee, was accentuated with a large satin and lace bow centered with a rosette. The full satin skirt swept into a cathedral-length train adorned with lace cut-outs re-embroidered with pearls and sequins. Her fingertip-length veil of illusion was anchored by an elegant pearl crown. She carried a bouquet of calla lilies and English ivy.

Maid of honor was Tori Baker of Amarillo, a friend of the bride.

Bridesmaids were Mandy Gfeller of Dimmitt, sister-in-law of the bride; Tiffany Wilcox of Dimmitt and Angie Duckworth of

Arlington, friends of the bride.

They wore tea-length gowns of periwinkle georgette featuring empire waists, scooped necklines and long sashes tied with bows in the back. They carried mixed bouquets of snapdragons, daisies, iris, queen's lace and fern.

Kyle Gibbs of Robert Lee was best man. Groomsman were Wes Hood of Bedford, Cody Anthony of Midland and Jon Rogers of Lubbock, all friends of the groom.

Candles were lighted by Matt Gfeller of Dimmitt, brother of the bride, and Jason Wink of Lubbock, friend of the groom. Flower girl was Courtney Flinn, cousin of the bride.

Guests were seated by Matt Gfeller of Dimmitt, brother of the bride; Colby Summers of Dimmitt, Jason Wink of Lubbock and J. P. Skipworth of Robert Lee, friends.

Nuptial selections were played by Deanne Clark, organist, and Walter Maynard, pianist. Vivien Bennett, soloist, presented "I'll Still Be Loving You," "Your Love Amazes Me," "Wedding Song," and "The Lord's Prayer."

RECEPTION

A wedding celebration was held at the Hereford Country Club following the ceremony. The reception tables held crystal and silver appointments and were draped with tulle and greenery. The unique wedding cake appeared to be four tiers of elegant packages accented with golden and lace ribbons. The matching groom's cake was a chocolate package confection.

For their wedding trip to Cancun Mexico, the bride traveled in a denim dress with a tucked bodice completed with navy accessories and pearl jewelry.

Mrs. Pammy Lynn Millican

The newlyweds are at home in Silverton where he is employed by the Texas Agricultural Extension Service.

The bride is a graduate of Dimmitt High School and is a junior majoring in special education at West Texas A&M University.

The bridegroom attended Angelo State University where he earned the bachelor of science degree in animal science. He earned his master's degree in agricultural education at Texas Tech University.

The National ABC Campaign emphasizes air bag safety, buckle everyone, and children in the back. By following these three simple guides, you can better protect your children in the event of a vehicle crash. Even though air bags continue to save lives and prevent many injuries in motor vehicle crashes, they can seriously injure or kill children who are not properly restrained.

Therefore the National Highway Traffic Safety Administration recommends that all children ages 12 and under ride properly restrained in the back seat. Whether a vehicle has a passenger-side air bag or not, the back seat is the safest place for children.

To assure a safer ride for all passengers, buckle everyone every time. Texas law requires children ages two and under be properly restrained in a safety seat that meets federal safety standards. From ages two to four, children are required by law to be in either a child safety seat or in a seat belt. Secure infants and toddlers in a child safety seat that is appropriate for their age and size. Insist that everyone wear a safety belt every time.

START YOUR WEEK OFF RIGHT

While driving on a recent weekend automobile trip, we saw a sign on the back of a large truck that read "Start the week off right, attend the church of your choice". This was such a nice thing to see on the back of a large eighteen-wheeler going down the highway, giving everyone it passed some good, sound advice. Attending church not only benefits us by increasing our faith, it also sets a good example for our children and friends. Attending church and fellowshiping with our friends and neighbors should be a pleasant experience. Perhaps after church you may want to stop for something to eat, or you may want to visit friends or relatives. Regardless of how you spend the remainder of the day, going to church helps build our trust in God and lets us know that whatever happens, we are not alone, God is there to help us. There is no better way to start off the week than by attending church.

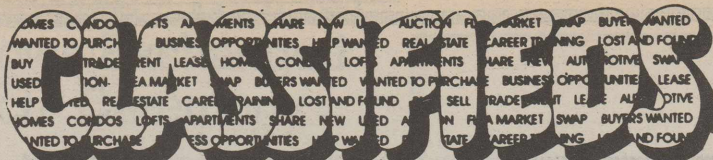

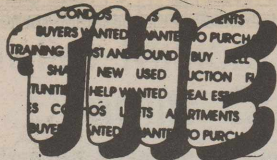

Let us not give up the habit of meeting together, as some are doing. Instead, let us encourage one another all the more, since you see the Day of the Lord coming nearer.
