

Ted Kingery Announces For County Judge

Ted Kingery has authorized the *Briscoe County News* to announce that he is a candidate for Briscoe County Judge, subject to the action of the Democratic Primary in March.

In presenting himself as a candidate, Kingery said that he was born and reared at Roaring Springs and is familiar with the problems and blessings of living in this West Texas farming and ranching area. He lived and worked in Panama at one time in his life and has lived in Silverton for the past 24 years "by choice."

He added, "I have worked in the volunteer ambulance service and the volunteer fire department for a good many years and have served on boards and committees, such as Panhandle Regional Planning Committee. I have gotten a little old for the ambulance and fire services, but I believe I can still be of service to the community by performing the duties of the county judge."

Kingery has spent many years in the ministry, has been engaged in manufacturing and has dealt with people and people problems on several levels. "If I didn't feel I could contribute by doing the job, I wouldn't be seeking the office," he said.

"I would appreciate your consideration of my candidacy," he added. "If elected, I will do my very best to serve all the people of Briscoe County--those who vote for me and those who don't. If you vote for me expecting to get something in return, then don't vote for me because I will not be obligated to anyone."

Weeks to Seek Re-election as Commissioner

Gary Weeks has authorized the *Briscoe County News* to announce that he is a candidate for re-election as Briscoe County Commissioner of Precinct 4.

He made the following statement: "I am pleased to have this opportunity to announce that I am a candidate for re-election to the office of Commissioner, Precinct 4. The support and encouragement you have given me in the past 3 1/2 years, as I represented you in this office, has been very much appreciated. I look forward to seeing each one of you personally before the election."

Max Whitworth has announced that he will be a candidate for the office of Briscoe County Sheriff in the Democratic Primary in March of 1998.

Whitworth is a native of Dallas. He was chief of police of two departments before spending over four years at the Tulia Police Department as a patrolman, canine handler, crime prevention inspector and narcotics officer. He has been in law enforcement since 1989.

Whitworth was employed as chief deputy in January of 1997 under the direction of former sheriff, Jerry Beck. He was appointed to the position of sheriff by the Commissioners' Court in July of 1997 after Beck's resignation.

Silverton Fire Department Gets Texas Forest Service Equipment

Silverton Volunteer Fire Department recently took advantage of equipment aid available from the Texas Forest Service. The department acquired a 5,000-gallon tank trailer, courtesy of the Federal Excess Personal Property (FEPP) equipment program administered by the agency. Under the FEPP program, equipment acquired through the military is transferred to qualifying fire departments at no cost.

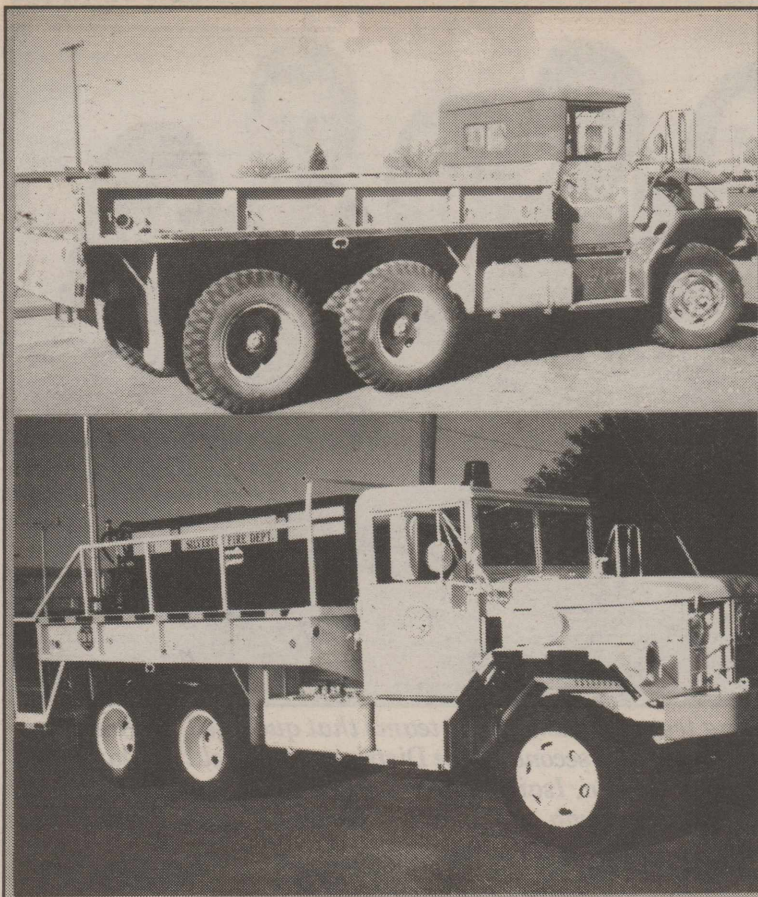

The passage of legislation minimizing liability to industrial companies that donate used firefighting equipment for volunteer fire department use has made additional equipment available, and more donations are likely. Companies interested in donating industrial fire equipment should contact the TFS Rural Fire Defense Section at 409-639-8130 for information on

the Industrial Helping Hands program.

Volunteer fire departments may save money in another way. A self-insurance vehicle liability insurance pool also administered by the Texas Forest Service offers liability coverage for \$250 per vehicle, ambulances excluded.

Volunteer fire departments also can purchase firefighter clothing, hand tools and water handling accessories at discount prices through the Fire Safe program. Fire Safe sales to date exceed \$3.7 million, according to the state forestry agency.

Detailed information on volunteer fire department assistance programs is available from the Rural Fire Defense Section, Texas Forest Service Fire Control Department, P. O. Box 310, Lufkin, Texas 75902-0310, phone 409-639-8130.

Before and after. The truck provided by the Texas Forest Service is pictured as it looked when it arrived at the Silverton Fire Department (top photo). The bottom picture shows the truck as it looks now. Firemen refurbished the truck and Briscoe County bought a pump and tank to equip the rig to fight rural fires. *Briscoe County News Photo*

THE COMING OF WINTER

The four seasons of the year are all special in their own way. Of the four seasons, winter seems to be the one that many people try to get away from. We have some friends (affectionately called "snow birds"), who move to a warmer climate during the winter months for health reasons or just to get away from the elements. Then there are others who really look forward to the winter months to participate in the various sports; however, you don't have to be a skier or ice skater to enjoy winter. The different seasons should be like a fine restaurant's menu, where variety is enjoyed at different times. Each season that God gives us has it's own beauty and wondrous ways. The first snowfall in the winter is always exciting, and everything is so clean when covered with a coating of snow. A cozy home, a hot drink, a warm sweater, and loved ones, add a special touch to winter that cannot be felt at any other time of the year. The Bible tells us to thank God for everything. We thank him for the different seasons of the year that He has created.

Thou hast set all the borders of the earth: thou hast made summer and winter.

We appreciate our friends and family for every prayer, the phone calls, flowers, cards and visits while Billy was in the hospital and since we have been home.

We are very blessed with a wonderful community. A special thanks goes to Emmett Tomlin and Anthony Kingery for taking us to the hospital. Also to Bro. Jess Little, Duane Reynolds and Roy Mack Walker for being with us during a critical time.

We are thankful for each of you.

Billy and Bette Cogdell

Dear Owl Fans,

Thank you for the support you showed throughout the football season. All of the spirit throughout the community helped make this season successful. Your participation helped make our job more rewarding.
