And about the slap-happiest remark we've had this happy ile-tide season comes from that other A. Dill who stamped in this week, shaking off snow-flakes, \$\phi\ ad growling, "Whathi they advertise next on TV I just heard an A.A. or some sort of drive with a Christmas carol theme that said, 'Deck the halls with Alcoholics."

We spent Tuesday evening driving around and looking at Christmas trees. The snow sifted down like feathers from some angel's wings and the houses in Baird, with their lighted windows and doorways, were Christmas-card beautiful.

And about the slap-happiest with 12 points.

Both girls and boys teams play Thursday night, the girls meeting Cross Plains at 5:45 p. m. in Consolation semi-fanial play at 9:30 p. m. In McMurry's tournament, which closed last Saturday, the Bears lost their opening round to Trent 58-43, with Calvin Barnes garnering 14 points. In second round play, Baird won over Blackwell 48-44. Johnny Rodriguez was high man with 14 points. In the final game, the Bears lost to Ballinger 51-33, Barnes scoring 13 points.

One of the lovellest Christmas One of the lovellest Christmas displays of all can be seen in the window of Mrs. Kelton's Flower Shop. There is a snowy white flocked tree trimmed with the most gorgeous scarlet Christmas carnidals. The tiny imported birds have bead-like eyes and real feathers -- this you must see.

Convention will meet Sunday afternoon, Dec. 18th, at 2:00 p. m. at the Admiral Baptist Church.

All who enjoy good gospel singing are inivited to meet us there.

Thanks too to the Rob Robersons for asking us to see their Christmas window - it's big, bright and beautiful.

We had the nicest holiday visit this week - tiny Debbie Williams came calling to see our tree and invited us to see theirs. Debbie wants, more than anything, a soft furry baby kitten. She'd like a white snow-ball kittabut she'd settle for just about any kind. Do you know of a kitten who needs a home? Debbie and sister Wilda will give one a perfect one, so if you know of such a feline won't you direct him to the Terrell Williams he' on Chery Street? (P.S. We saw-Debbie and Winda's tree-cooh - pretty).

Pontiac trims side overhang to give you a new Wide-Track...greater stability

Notice that the sleek lines of the body are closer than ever to track width. We've trimmed side overhang. Every inch and ounce of this '61 Pontiac travels with steadler footing.

The change is also noticeable inside. We've increased seat height and allowed more headroom, legroom and footroom.

Clearance between steering wheel and seat is 12 per cent more than before. Doors are wider, swing open farther.

More balanced in motion. More comfortable inside. That's the Wide-Track way to travel. And there's only one place to try it...in a '61 Pontiac! Take a deciding drive soon.
