Mr. and Mrs. W. D. Hinson and baby have returned from their vacation which was spent in different parts of Texas and Oklahoma. Mr. and Mrs. Hinson are teachers in the Weinert school.

Rattlesnake Derby Is Free Attraction At Jacksboro Fair

The Jacksboro Rodeo Association, working jointly with the Chamber of Commerce, is planning an entertaining one of the largest crowds in the history of the association when the annual rodeo is held September 16 and 17. Some 45 head of rodeo stock have been secured by the committee to help make the western show the biggest on record.

Two big daily parades are planned with cash prizes offered for the best entries each morning. Band and vocal music probably will be provided each evening for free entertainment.

100 big diamond-backed rattlesnakes will race for a purse of \$50 each morning. This will be free entertainment.

An elimination horse shoe pitching contest will be held each evening to establish Jack county's championship team to enter the

competition at the Graham Fair in October.

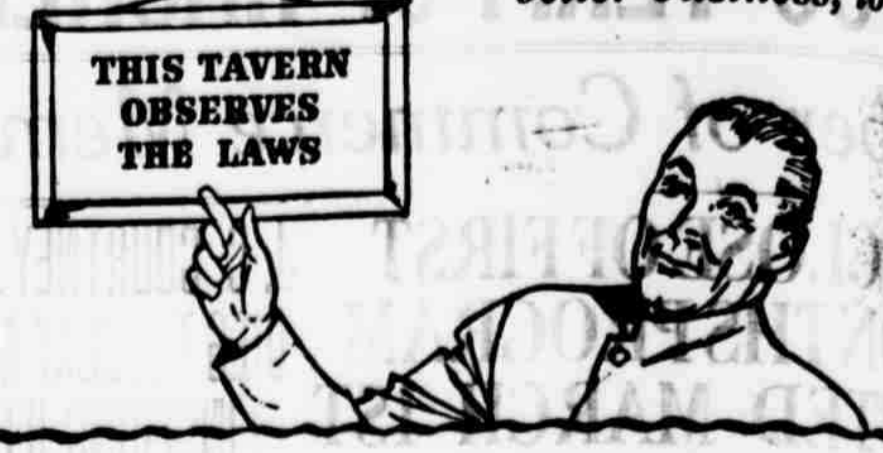

A softball game between the Jacksboro all-stars and the winning team in the Fort Worth city league is planned for the evening of the first day.

Efforts are being made to bring the famous Cowboy Band of Abilene here for a band concert for the last night. A similar invitation

is to be extended Stamps Quartet year, the U. S. C. to direct an evening of gospel ports. Both of these musical entertainments will be free. Plenty of ice water is promised visitors.

When you drink Beer in a tavern... choose your tavern

WHEN YOU restrict your patronage to legal, respectable retail outlets, you not only encourage those better outlets but you've made a start toward driving out the bad spots in your community. And that is exactly the aim of the great body of honest retailers of beer who, along with the brewers, recognize that Beer's only problem is to remove the anti-social conditions that sometimes surround Existing laws can curb these evils by demanding their strict enforcement. Sales to minors, or after legal hours of a beer license as a screen, for sale of liquor or for operating an illicit still, all these are violations of the law and should be stopped. Public opinion, once aroused, can see that such practices are

## O'Brien Home Demonstration Club Has Regular Meeting

The O'Brien Home Demonstration Club met and discussed the following subjects.

"I prefer cookies instead of cakes for school lunches because they stay fresh longer," stated Mrs. Lou Lambert at the O'Brien H. D. club, when they met at the home of Mrs. C. M. Walsworth, Wednesday August 10th.

In continuing the program Mrs. Dickson gave a very interesting report of the trip to the short course at College Station.

Miss Vaughan gave a discussion on baking cookies and then gave a demonstration on baking muffins.

Those present were: Mesdames Jess Hitchcock, R. P. Barnard, Tom Link, Birdie Dickson, C. M. Walsworth, Lou Lambert, Ross Walsworth, Clyde Covey, W. P. Hitchcock, Margaret Pannell, C. A. Reed, Beryl Banner, W. B. West, Miss Ellen Richards, Miss Vaughan, Visitor Miss Marjorie Richards.

## Baking Cookies Topic for Meeting of Josselit H. D. Club

"Too much flour makes cookies tough," Miss Mildred Vaughan told members of the Josselit Home Demonstration Club, meeting in the home of Mrs. S. G. Perrin on August 9th.

"Too much handling, cooking too slowly, or failure to use enough sugar are some of the causes for cookies failing to turn out as expected," Miss Vaughan continued as she discussed baking cookies. A demonstration was given of 5-Minute Cup Cakes. This recipe is popular because the mixture is easily prepared and they may be baked along with bread.

Mrs. Jack Johnson and Mrs. E. F. Rainey were added to the club roll as new members.

Refreshments were served to Mesdames S. G. Perrin, W. C. Norton, Fred Monke, C. A. Thomas, Jack Johnson, J. P. Perrin, L. M. Bass, E. F. Rainey, Jesse Josselit, J. L. Toliver, Chas. Fouts of Corpus Christi, and Misses Mildred Norton and Mildred Vaughan.

## Bridge Shower Is Held Honoring Mrs. H. C. Phillips

Wednesday afternoon, Mmes. Walter Murchison, Cliff Berry, Misses Louise Warren and Chrystine Tucker were hostesses for a bridge shower honoring Mrs. H. C. Phillips, who before her recent marriage was Miss Ruth Welsh of this city. The party was given in the home of Mrs. Walter Murchison.

## Mr. and Mrs. T. J. Williams Hostess For Tuesday Bridge Club

Hostess for the Tuesday Bridge Club this week was Mrs. T. W. Williams. Large var-colored zinnias decorated the entertaining rooms. At the conclusion of the games of bridge, Mrs. Virgil Reynolds was presented high score prize. An iced refreshment plate was served to: Mmes. Virgil Reynolds, Clay Smith, Ben Charlie Chapman, Jack Mickle, Walter Murchison, Bert Welsh, Marvin Bryan and Ralph Duncan.

## Approaching Marriage of Rev. Solomon and Miss Ada Patton Announced

Announcement was made this week of the approaching marriage of Miss Ada Sue Patton of Jamestown, Indiana, to the Reverend Charles W. Solomon, former Haskell resident who is now pastor of the Capitol Hill Presbyterian Church in Oklahoma City.

The marriage vows of Miss Patton and Rev. Solomon will be exchanged on September 9 in the Capitol Hill Presbyterian church with Rev. John C. Solomon of Dallas, Texas, and Rev. R. Louis Solomon of Minco, Okla., both brothers of the groom, officiating.

The bride-elect is the daughter of Mrs. Sue A. Patton of Jamestown, Indiana and Miles G. Patton of Tulsa. She attended schools in Tulsa and Claremore and is a graduate of the Capitol Hill senior high school.

Reverend Solomon, who has served as pastor of the Capitol Hill Presbyterian Church for the past three and one-half years, is the son of Mrs. Mary Solomon and the late P. D. Solomon of Haskell. He received his B. A. degree from Austin College at Sherman, Texas, and his D. D. degree from the Austin Presbyterian Theological Seminary at Austin, Texas.

## The Foster Home Demonstration Club

The Foster H. D. Club met in the home of Mrs. J. O. Yarbrough on Tuesday August 2.

Miss Mildred Vaughan, County Home Demonstration Agent, gave a demonstration on "Baking Muffins". A brief business meeting was held to discuss what stunt shall be made at the Haskell county enactment.

A refreshment plate of delicious cheese sandwiches, cake and punch were served to the following members: Mmes. Taylor Segoe, Pete Segoe, Dal Adkins, G. M. Martin, Jim Best, A. H. Allen and J. O. Yarbrough and visitors, Mrs. Fritts, Misses Fychele Adkins and Mildred Vaughan.

## Mr. and Mrs. H. M. Flanary and Son Byron of Celina visited over the week-end in the home of their daughter, Mr. and Mrs. Carroll Thompson and family.

## Mr. and Mrs. Ernest Kimbrough visited in Abilene Sunday. They were accompanied home by Mary Beth Kimbrough, daughter of Mr. and Mrs. Frank Kimbrough who visited a few days in Haskell.

PERSONALS

Mrs. Tice Wagner and daughters of El Reno, Okla., are visiting in the home of her sister, Mr. and Mrs. M. C. Wilfong.

S. A. Hughes returned the first of the week from an extended visit with his sons in Los Vages and Carlsbad, New Mexico.

Judge L. D. Ratliff of this city attended a rally for C. V. Terrell in Abilene Wednesday night, and several speakers who addressed the gathering.

Miss Mary Couch had as her guests Tuesday, Fred Chisholm of Beaumont, Dr. and Mrs. J. H. Bass and Mr. and Mrs. Paul Pendleton of Munday.

C. A. Barker, district supervisor of Minneapolis-Moline is recuperating from a major operation performed at Hendrick Memorial Hospital in Abilene.

Mr. and Mrs. C. S. Rose and daughters Janice June and Shirley Jean of Purcell, Okla., and Miss Imogene Chandler of Wayne, Okla., were guest in the home of Mr. and Mrs. Curtis Rose Tuesday and Wednesday of this week.

Mrs. Bert Welsh and children left for Alexandria, La. Thursday for a visit with her parents, Mr. and Mrs. J. C. Chrisman. Mrs. Herman Henry accompanied them to her home in Bogate after a visit with her parents, Mr. and Mrs. G. F. Mullino.

Mr. and Mrs. J. W. Ferguson of Wichita Falls and Mr. and Mrs. Homer Ferguson and daughter of Cisco visited their sister, Mrs. O. M. Guest and Mr. and Mrs. Buford, Cox, Sunday. Mrs. Cox went to Cisco for a few days visit in the home of Mr. and Mrs. Ferguson.

Miss Claribelle Buford returned home Saturday from a two-weeks visit with Misses Carrie Belle and Anita Brooks of Dalhart. While away she attended the XIT Cowboy Reunion held annually in that city, and visited many places of interest around the pioneer town. She also went to Mt. Dora and Clayton, N. M. while away.

Mr. and Mrs. E. W. Johnson and children, Billie Elaine and David Wayne of Amarillo, also Mr. and Mrs. H. M. Roberts and little daughter Melba Jo, Bobbie Rene, and Frances of Petersburg, Texas were visiting in the home of their parents and grandparents, Mr. and Mrs. W. W. Johnson of this city last week end and this week.

WEINERT SCHOOL HAS DEVELOPED RAPIDLY IN PAST FEW YEARS

During the past six years the Weinert school system, under the direction of Supt. I. J. Duff, has been an institution of constant growth and development.

In the fall of 1932 when Supt. Duff came to Weinert there were seven teachers in the system, with an enrollment of 140 pupils. The eleventh grade was not being taught at that time, and they had only nine credits of affiliation.

During the school year of 1933-'34, Supt. Duff's second year, the eleventh grade was taught and seven credits affiliated. This brought them up to the status of a fully accredited high school.

With the increase in enrollment from the other districts, the 1934-'35 school year found the system unable to expand further without an increase in housing facilities.

With a new high school building to start the 1936-'37 school year and a church building that had been purchased for a home economics cottage, which subject, incidentally, was added that year, the Lone Star and Dennis Chapel districts contracted to send their students to Weinert.

Last year when the Dennis Chapel and Myers districts decided to consolidate with Weinert six more subjects were added. This time it was first year vocational agriculture, second year home economics, typing, shorthand, bookkeeping and junior business.

The system also took another forward step last year by adopting the unit system in the 5th, 6th and 7th grades as recommended in the new curricula by the State Department of Education.

To continue the increase in enrollment for the current year, the Lake Creek school district has contracted their grade school students to Weinert. In order to provide a wider selection of courses from which the students may choose, the following courses are being added: Commercial arithmetic, commercial law, commercial geography, Texas history and the second year of vocational agriculture.

The curriculum of the Weinert High School is one of the best to be found in this part of the state. The superintendent and school board have worked on the theory that students who are not fortunate enough to go to college after finishing their high school work should be given an opportunity to avail themselves with information and skills that would prepare them for their life's work.

Mrs. Bob Herron and daughter, Bobbie Ann returned from Sweetwater where they have been visiting Mr. and Mrs. Paul Comoli. Betty Jo Herron remained for a longer visit in that city.

Dr. and Mrs. T. W. Williams went to Fort Worth Thursday to attend performances of Casa Manana.

Two plantings of chinese cabbage at 15 day intervals will assure a regular supply of this vegetable from the fall garden.

**More Than Three Million Drivers In State Are Licensed**

State driver's license bureau officials have announced that 2,438,384 permits have been issued since last September when enforcement of the law requiring examinations for applicants began.

Licensed drivers now total approximately 3,250,000, including those who obtained licenses before the amended law became effective.

**Drowning Toll**

Drowning brought death to 6,973 persons in the United States in 1936, the U. S. Census Bureau reports. Of this number, 325 were reported as drowning in homes.

Two plantings of chinese cabbage at 15 day intervals will assure a regular supply of this vegetable from the fall garden.

**Texas Autoists Pay Third of a Billion In Gasoline Taxes**

Texas motorists, in the 19 years up to last January 1, had paid one-third of a billion dollars in state gasoline taxes, and many million dollars of federal gasoline taxes.

The state levy for the period from 1919 through 1937, totalled \$332,202,909, according to "Automobile Facts and Figures" published by the automobile manufacturers.

During the same 19 years, another \$150,000,000 had been collected in motor vehicle registration fees. Registration fees in Texas for 1937 alone amounted to \$19,684,000, the publication showed.

Except for a drop in 1938, registration fees have shown a proportionate annual gain.

Texas in 1937 stood sixth in motor vehicle registration, with 1,552,114 trucks and cars registered. It also held sixth rank in the numerical increase over 1936.

The report showed Texas was in 31st place in the relation of population to passenger car. California was at the top with one passenger car for each 2.8 persons. Texas was 31st, with one car for each 5.0 persons. Arkansas was 49th, with one passenger car for every 11.8 persons.

Texas used, in 1937, the sizeable quantity of 1,217,241,000 gallons of gasoline, out of the national consumption of 21 1-3 billion gallons. Texas showed an 8.6 per cent increase over 1936.

**Rabies Symptom Vary With Type Animal's Nature**

The mean dog that suddenly becomes friendly may transmit hydrophobia or rabies, states Dr. Geo. W. Cox, state health officer in refuting the timeworn belief that rabies must be spread by a frothing "mad dog."

"In the first stage of rabies," Dr. Cox states, "the disposition of the dog changes entirely. A happy, playful dog becomes dejected, creeps away and hides. An ordinarily vicious dog may become friendly. If he licks his master's hand, he may spread rabies through cuts and abrasions on the skin. The dog may be mean at times, and at other times apparently normal."

According to Dr. Cox the phrase "mad dog" is associated with the second stage of rabies. This is the irritable period in which the dog becomes restless, sometimes running away and returning hours after, worn out from fighting other dogs. Rabies may be suspected, especially if the dog was not formerly in the habit of leaving home. Because of irritation the dog may snap at everything it approaches and will run amuck in crowds, often biting people. The dog's bark changes to a throaty howl in this, the most dangerous stage.

Rabies, according to many authorities, has a 100 per cent mortality in man unless Pasteur treatment is instituted. Pasteur treat-

**Pierce Brooks Hurt When Auto Turns Over Near Quanah**

Pierce Brooks of Dallas, candidate for lieutenant-governor in the run-off primary, was given hospital treatment at Quanah during the week-end for back injuries sustained in an automobile wreck near that city.

Brooks' automobile overturned twice near Quanah Friday when a small twister or "whirlwind" caught the trailer attached to the car. He was pinned under the steering wheel.

James W. Preston, publicity director for Brooks, and State Representative George A. Davison Jr., of Eastland, riding with Brooks, also were hurt. Preston's head was cut and Davison suffered a neck injury. Charles Lindsey, technician for Brooks' sound equipment which was housed in the trailer, escaped injury.

**N. Y. A. ALLOTS 20 SCHOOL AID JOBS FOR HASKELL CO.**

**To Provide Part-Time Work To Enable Students To Remain In School**

A quota of 20 National Youth Administration School Aid jobs has been allocated for Haskell County under the 1938-'39 School Aid Program to provide part-time employment for young people in elementary and high schools who cannot otherwise continue in school, J. C. Kellam, State Youth Director, has announced.

Matt N. Graham, County Superintendent, has been notified of the number of jobs allotted. He has been requested to organize an advisory committee of local school officials to recommend an equitable distribution of jobs within the county on a basis of youth need and availability of school facilities. Mr. Kellam said that as soon as this is done, the NYA State Office will be in position to approve schools for participation.

School officials requiring information concerning the 1938-'39 School Aid quotas should communicate with their county superintendent. They should furnish him with data which will assist the county committee in recommending the distribution of jobs, Mr. Kellam said.

As for the last three years, boys and girls in secondary schools between the ages of 16 and 24 will be enabled to earn a wage not exceeding \$8 a month. They will be selected for employment by their own school officials, who will plan and supervise their work assignments. Students seeking part-time NYA School Aid jobs should apply to the superintendent or principal of the school they plan to attend, since the officials of schools approved by the NYA for participation in the program select the students for the jobs, Mr. Kellam said.

**FEWER HORSES AND MULES ON TEXAS FARMS IN 1938**

**COLLEGE STATION.**—Within the past 3 years the number of horses and mules on Texas farms has decreased by 375,000, while the decrease in the United States as a whole for the past 10 years is in excess of 10 million.

Jack Shelton, vice-director and state agent of the Texas A. & M. College Extension Service, sees in these figures a partial answer to the puzzle of declining farm markets.

"A recent U. S. D. A. Bulletin, entitled 'The Farm Horse,' shows that the farm work stock will consume an average of 125 1-2 bushels of oats or 71 7-10 bushels of corn per head in the course of a year. That means that a market equal to more than 47 million bushels of oats or over 27 million bushels of corn per year has been lost in Texas," he pointed out.

"For the United States as a whole, the annual loss amounts to a million and a quarter bushels of oats or 71 million bushels of corn. Too, twenty years ago hay was the third largest U. S. crop where today it is in twenty-sixth place."

Shelton emphasized that he was not decrying the use of power machinery or questioning its efficiency in many operations, but insisted that there exists a demand

**West Texas Utilities Company**

"If you remember when the electric refrigerator first came into general usage, then you know how utterly happy women were over the way it preserved food and provided ice cubes. It simplified kitchen labor. The health problem was greatly solved. But it was only the beginning of the great service Electricity was destined to render. Today every other home served by your West Texas Utilities Company has an electric refrigerator. Every seventh home has an electric range. Over 30,000 have electric irons. Nearly 40,000 have good light, many in isolated communities where power lines were built without hope that they might ever become profitable. This is a service rendered by Your Electric Servant so that you might have BETTER LIVING!

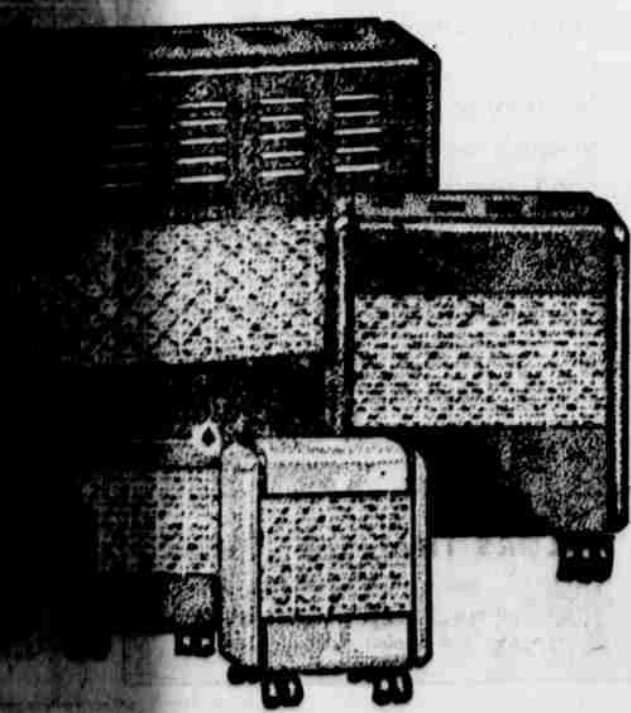

"And it doesn't cost you much, honest, does it?"
