Rim-to-Rim Relay Races To Be Held In Area Saturday, April 25

Terry Sheldon, a friend of O. C. and Faye Rampley, enjoys running as a hobby and release from his regular duties as Case Manager for Texas Rehabilitation Commission in Amarillo. He and his partner, Beacham Toler, will be participating in the relay activities that will be taking place near Silverton Saturday, April 25.

Sheldon is 57 years old and has finished two 100-mile races in under 30 hours each. Last Thanksgiving he completed a 111-mile run in 24 hours. He competed in the 26.2-mile Fort Worth Cow Town Marathon in February 1998, and qualified for the Boston Marathon in 1999. He has lived in Texas since 1960 and came to Amarillo in 1992.

Toler, 70-year-old native of Amarillo, is U. S. record holder of the 24-hour track run. At the age of 68, he completed 112 miles in 24 hours. He started running when he retired at age 60, and has competed in several 100-mile cross country races. At age 68 he completed a 100-mile race in 23 1/2 hours. He won the Cow Town

The statutes of the Lord are trustworthy, making wise the simple.
The precepts of the Lord are right, giving joy to the heart.
The commands of the Lord are radiant, giving light to the eyes.
The fear of the Lord is pure, enduring forever.
The ordinances of the Lord are sure and altogether righteous.
They are more precious than gold, than much pure gold;
they are sweeter than honey, than honey from the comb.
By them is your servant warned;
in keeping them there is great reward.

Marathon in his age group in February of this year.

Saturday's race is recognized by runners as being "the toughest two-person relay race in the world" and will start on the South Rim of Palo Duro Canyon on State Highway 207--the Silverton to Claude highway--at 9:00 a.m. Saturday, April 25.

There are four classifications of teams: open male, open female, open mixed and run & bike.

Two Person Relay: Each leg is nine miles. First runner will start on South Rim and run to the North Rim, touch off with his/her team member who will then run back to the South Rim start/finish line. The team member who is not running may "crew" his/her partner at any time "ala" Okie Relays, but not from a moving vehicle. Highway must be kept clear for through traffic. (If you want to park off the side of the road and watch, be sure and do so before the race gets underway.)

The course is very beautiful, but also very tough. The south to north leg consists of two miles steep downhill, three miles rolling on the canyon floor, and four miles uphill (last two miles very steep). The north to south leg reverses this description.

Run & Bike Teams: The runner will start at the South Rim and biker will ride second leg from North Rim back to South Rim, continuing 5 1/2 miles past the start line making a U-turn at the cone and returning to the start/finish line. Bike leg is 20 miles total.

There will be three aid sta-

tions: 1--start/finish line; 2--half-way (4 1/2 mile marks); 3--at the touch off on North Rim.

After the race the runners and their families will enjoy a hamburger cookout at the picnic area near the top of the South Rim. The run and picnic events are sponsored by the Lone Star Runners Club.

Sheldon said that runners always enjoy having spectators parked along the way to cheer them on.

named a United States National Award winner in art and mathematics.

This award is a prestigious honor very few students can hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Michelle, who is a senior in Silverton High School, was nominated for the national art award by Juannah Jennings, a teacher in her school. She was nominated for the national mathematics award by another teacher, Michelle Francis.

Michelle will appear in the United States Achievement Academy Official Yearbook, which is published annually.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Credit Fair Set In Clarendon

Calley Payne
County Extension Agent

Today (April 23), experts from banks, credit counseling services and credit bureaus will join educators with the Texas Agricultural Extension Service for a workshop and credit fair in Clarendon designed to give consumers some ideas on handling the family finances. They'll be there to assist people who struggle to pay the bills and may not have money left until the next paycheck. Which just about covers most of us. Did you know consumer debt is growing at twice the rate of wages across the nation?

According to Sue Church, family and consumer science Extension agent, only 52.3% of credit card holders normally pay off their bills in full each month. Church says that oftentimes the skills needed by the public to get control of their finances are easily learned.

The Money 2000 Plus and Credit Fair will be held in the Bairfield Activity Center on the campus of Clarendon College. This is the only time this year it will be offered on the High Plains. Additional ones will go on around the state in 14 other counties. The event will run from 10:00 a.m. until 4:00 p.m.

There will be exhibits, seminars, experts there to help you, and video presentations. Free computer budget analysis will be

available, too.

Extension's regional partners include Clarendon's Community Bank, Donley County State Bank, Herring National Bank, Consumer Credit Counseling Service of Amarillo and Clarendon College. Their goal is to offer "real world" education and counseling to help you find ways to handle your money and budget successfully.

East Texas Forest Recovers From El Nino Storms

Pammy Millican
County Extension Agent

When an El Nino-fueled storm ripped through East Texas in February, it did a tremendous amount of damage to the timber industry. The total cost in damage and cleanup from the high winds added up to \$154-million.

Extension forester Lanny Dreesen says San Augustine, Sabine and Shelby counties bore the brunt of the storm. Estimates suggest 400 million board feet of timber was lost. That's enough to build 25,000 houses. Dreesen says landowners and the Forest Service have been scrambling to recover fallen trees and branches in hopes of salvaging some of the wood, but their two-month window of opportunity is closing. After that time the wood begins to decay and its value diminishes. Even worse than the loss is the potential fire hazard. Dead wood burns easily after it has laid around the forest from winter into summer.

Yet another reason to remove the fallen timber is that county governments can benefit financially from harvesting in the national forest.

If it weren't for the last minute, nothing would get done.

Obituaries

ALOHA FISCH

Funeral services for Aloha Fisch, 77, were conducted at 2:00 p.m. Monday at the Silverton Church of Christ. J. D. Nance and John Francis officiated.

Burial was in the Silverton Cemetery, with arrangements made by Myers-Long Funeral Directors.

Mrs. Fisch died Sunday, April 19, 1998, in an Amarillo nursing facility.

She was born on January 20, 1922, in Plainview and married Berle Fisch on September 12, 1942, in Plainview. He died September 3, 1997.

She was a member of the Rock Creek Church of Christ.

Survivors include two daughters, Linda Hare and Barbara Banister, both of Amarillo; and a grandchild.

Pallbearers were Loyd Stephens, Danny Francis, Joe Kichens, Walter Bean, Joe Brannon and Jim Myers.

The family suggested memorials be to the Silverton Cemetery Association or to the Silverton Volunteer Ambulance Service.

ADDIE LUCILLE BAIRD

Addie Lucille Baird, 83, affectionately known as "Nannie" to those close to her, passed away at her home in Tulia on March 17, 1998.

Graveside services were conducted at 3:00 p.m. March 18, 1998 in the Silverton Cemetery with Virgil Lowrey of Plainview officiating.

Mrs. Baird was born in Terrell, Texas on March 11, 1915, to Eli and Lena Vaughn. She moved to Briscoe County when she was twelve years old. They farmed in the Rock Creek area.

She was a member of Jehovah's Witnesses.

She and W. C. (Snooks) Baird were married in 1933. They celebrated their fiftieth wedding anniversary before his passing.

She was preceded in death by

her husband; her daughter, Patsy Ann Tidwell, two sisters and one brother.

Survivors include two granddaughters, Lee Ann Holt of Tulia and Patti Buffkin of Benjamin; six great-grandchildren, five great-great-grandchildren and a number of nieces and nephews.

Commissioner Loses Bid For Re - Election

Incumbent Commissioner Jack Chandler lost his bid for reelection in the run-off primary last week to Danny Maynard by a vote of 81-68.

"I just didn't come up with enough votes," Chandler said. "I'll get to retire now. I wish Danny luck."

Maynard said he was surprised about Tuesday's win.

"I'm just surprised because he's been in there so long," Maynard said. "I plan on doing my best."

Maynard will represent Quitaque Precinct 2.

Fair Housing Month Proclaimed

WHEREAS Title VII of the Civil Rights Act of 1998, as amended, prohibits discrimination in housing and declares it a national policy to provide, within constitutional limits, for fair housing in the United States; and

WHEREAS The principle of Fair Housing is not only national law and national policy, but a fundamental human concept and entitlement for all Americans; and

WHEREAS The thirtieth anniversary of this National Fair Housing Law, during the month of April, provides an opportunity for all Americans to recognize that complete success in the goal of equal housing opportunity can only be accomplished with help and cooperation of all Americans.

NOW THEREFORE, WE, THE CITY COUNCIL, DO PROCLAIM April as Fair Housing Month in the City of Silverton and do hereby urge all the citizens of this locality to become aware of and support the Fair Housing Law.

IN WITNESS WHEREOF we

have affixed our signatures and seal on this the 13th day of April, 1998.

Put A Smile In Your Voice

Today, it seems that we are often talking, either in person or by telephone, with people whom we have never met. Recently, I had to make several telephone calls to some insurance companies and it was always such a pleasure when the other person was pleasant and easy to talk to.

Although it is understandable that everyone has bad days, this should never be an excuse for being rude or exhibiting bad manners. A kinder and gentler attitude is always more pleasurable for both parties.

Our heavenly Father wants us to be faithful and tolerant, and to reflect His loving kindness to others. God loves a cheerful giver and when we are giving of ourselves to help someone, we should bear in mind how our Lord would want us to react. It is easy to put a smile in our voice when we have God's love in our heart.

*The Lord sees what happens everywhere;
He is watching us, whether we do good or evil.*

CARD OF THANKS

We have always said that when it comes to the best human qualities, you can't beat the people of Silverton.

Your prayers, phone calls, cards, visits and other expressions of concern and sympathy have strengthened us during this time of sorrow.

Juanita, Lola Mae, Doyle, Merlene, Loyd and Laverne Stephens
Rex and Theta Holt

I would like to thank everyone for the calls, food, flowers, cards and words of encouragement extended to me and my family in the passing of my grandmother, Lucille Baird.

Thank you to Bettye Ruth and Linda for helping me take care of her when I was out of town. Also thank you Bettye Ruth for letting us use your home.

Thank you to Ginny's Garden for the beautiful yellow roses. Her favorite color was yellow.

I would also like to take this opportunity to thank everyone who helped with all my family the last ten years or so. So much illness taking so many at early ages. Your kindness and generosity is greatly appreciated and your many loving words and just your hugs have meant a lot to me.

Silverton meant a lot to my parent and grandparents. I hope you all will miss them as much as I know they miss you.

Thank you again,
Lee Ann Holt

Where does one start thanking persons for each act of kindness. The prayers, visits, food, cards and calls meant so much. If you are ever in dire need of drastic and back-breaking gardening skills feel free to let Fred and Wanda Strange become aware--their only payment is their love for their fellow man.

Silverton has always been and always will be a town of Sterling people.

Thank each of you,
Doyle and Merlene Stephens
