

**All Around
The Town**

BY MARY ANN SARCHET

Since we entered hurricane season, we've heard a lot about location given in latitude and longitude. Have you ever wondered about Silverton's exact location?

We are located at 34.28 latitude and 101.19W longitude.

When we go to New Mexico, we read altitude where we expect to see population on city limit signs. Our elevation is 3280 ft.; Trkey is 2329; Tulia is 3470; Clarendon is 2703; Floydada is 3219, and Flomot is 2360 ft.

More about the Ozark Trail.

Although the Ozark Trails Association wanted good roads (its routes were chosen partly on the basis of road quality), it was, strictly speaking, a highway association, promoting and marking particular routes. The OTA's original goal was limited indeed: to mark good roads linking a few cities in three states to the resort at Monte Ne. By 1918, however, its promoters proclaimed it a cross-country route. Like other named highways, the Ozark Trail, though not a transcontinental road itself, would connect with other roads to link the two coasts.

In 1948 Clara B. Kennan published a history of the Ozark Trails Association. She traced its development from 1913 until about 1919, although she reported the organization was in existence until 1927.

It grew in membership, extended its routes and added new ones, published a newsletter, a log book, and a route book. Its stated purpose was "routing and promoting the construction of a system of roads . . . and placing thereon the copyrighted mark of this Association."

The log book, *The Ozark Trails*, was [ib;osjed om 1019, cost twenty-five cents, and was apparently distributed not only by the OTA, but also by businesses along the routes. It contained over one hundred fifty pages, largely filled with advertisements, plus a fold-out map of all routes, both designated and proposed. Travelers were guided by detailed instructions (rather like car rally instructions today) giving mileage and landmarks.

Jam Session To Be Held In Quitaque October 17

There will be Jam Session in the City Park Pavillion one block south of the blinking light at Quitaque from 10:00 a.m. until 5:00 p.m. Saturday, October 17. This Jam is held in conjunction with the Quitaque Fall Foliage Festival.

Soup and salad and maybe pie will be served from 11:00 a.m. until it's gone at the Community Center one block north of the blinking light.

This promises to be a great Fall Foliage Festival and Jam Session and a good time for all.

The City of Quitaque is looking forward to a great turnout so all the jammers will be able to strut their stuff. It is expected there will be beaucou (bow coo), country and western, blue grass, gospel, banjer pickin', guitar pickin', fiddle bowin', and singin', jiggin', tap dancin', harmonica playin', comedy acts, etc.

If you play anything from a comb and a piece of tissue paper to a pipe organ, fetch it along. Let's hear it. We want to have a big fun time.

Bring your lawn chairs. No alcoholic beverages permitted.

By doggies, let's have a cotton pickin' good time and make

Quitaque and everyone concerned real proud.

Don't miss this one. Let's Jammmm. See ya there.

Not responsible for accidents. For more information, call, fax or write the Quitaque Chamber of Commerce at 806-455-1456 or James Cathey at 806-455-1221.

Invite your friends!

McAnear Gins First Bale of Cotton in Town

Stuart McAnear of Brice brought in the first bale of 1998-crop cotton for Johnson's Gin Co. in Silverton.

The bale was ginned Tuesday, September 22, and weighed 530 pounds, with 980 pounds of seed.

Johnson's Gin bought the bale from Stuart and ginned it free of charge.

OBITUARIES

WILLARD VARDELL

Graveside services for Willard (Wimpy) Vardell, 74, were conducted at 3:00 p.m. Sunday in the Silverton Cemetery with the Rev. Jay Stinson, pastor of the Silverton United Methodist Church, officiating. Arrangements were made by Myers-Long Funeral Directors.

Mr. Vardell died Friday, September 25.

He was born in Floyd County, and was a truck driver for many years.

He is survived by a sister, Maggie Sweek of Silverton, and several nieces and nephews.

John Henry Turner

JOHN HENRY TURNER

Funeral services for John Henry Turner, 90, of Lockney were conducted at 2:30 p.m. Saturday, September 26, at the West College and Third Street Church

of Christ in Lockney with Frank Duckworth, pastor, officiating and Earle McDonough assisting. Burial was in the Flomot Cemetery with arrangements made by Moore-Rose-White Funeral Home.

Mr. Turner died Wednesday, September 23, at the Lockney Health and Rehabilitation Center in Lockney.

John Henry Turner was born September 20, 1908 in Tupelo, Oklahoma, to the late John Jacob Turner and Mrs. Hattie Lou Thomas Turner. Mr. Turner attended school in Tupelo. The Turner family moved from Tupelo, Oklahoma to Quitaque in a covered wagon in 1924 and then to Flomot in 1931. There he met and married the former Margie Jones on July 25, 1935 at the preacher's house in Quitaque. They had been married for 63 years.

They moved from Flomot to a farm north of Plainview in 1938 and to the Rock Creek Community in 1944. Mr. Turner was a farmer. He retired in January 1977 and moved with his wife to

Lockney. Mr. Turner worked for the Lockney Cemetery and did yard work for several people after he moved to Lockney. He was a member of the West College and Third Street Church of Christ in Lockney and enjoyed fishing with his children and grandchildren.

Mr. Turner was preceded in death by a brother, J. C. Turner, and two sisters, Eula Shelton and Luerany Hunter, and one grandson, Michael Turner.

He is survived by his wife, Margie Turner of Lockney; five sons and four daughters-in-law, Donald Ray and Lelia May Turner of Odessa, Sammy Lee and Rita Turner of Lubbock, John David Turner of Lockney, Guinn Edwin and Rhonda Turner of Grapevine, and Douglas Wayne and Karen Turner of Lubbock; a sister and brother-in-law, Marie and Lloyd Jefferys of Hale Center; thirteen grandchildren, thirteen great-grandchildren, several nieces, nephews and friends.

The family suggested that memorials be made to the Lockney Senior Citizens Association at 118 W. College, Lockney, Texas 79241.

OLA GARNER LIENBY

Funeral services for Ola Garner Lisenby, 81, of Beaumont, Texas were at 2:00 p.m. Saturday, September 26, at the Church of Christ in Turkey, Texas. Officiating were Donald Lacy of Canyon and Stuart Smith of Turkey. Interment was in Dreamland Cemetery at Turkey, under the direction of Seigler Funeral Home of Matador.

Mrs. Lisenby died Monday, September 21, in Beaumont, Texas, following a lengthy illness.

She was born January 25, 1917, in North Zulch, Texas. She had been a former long-time resident of Turkey, and had also lived in Lubbock prior to moving to Beaumont about five years ago.

She was a homemaker, and had worked as a salesclerk for Hemphill Wells in Lubbock. She was a member of the Church of Christ.

Her husband, Lewis E. Lisenby, died in 1943.

Survivors included one daughter, Beverly Morris of Hampshire, Texas; two sons, Clayton Lisenby of Miami, Texas and Paul Lisenby of South San Gabriel, California; two sisters, Eula Mae Hodges of Morton and Bessie Garrison of Silverton; seven grandchildren and ten great-grandchildren.

Scout Uniforms Needed For Boys Who Don't Have Them

Silverton Boy Scout Troop 262 is in need of uniforms for some of the new Scouts. If you have a uniform that you no longer want or need, please contact Beverly Minyard at 823-2426 or 823-2108 evenings. The leaders keep used uniforms for Scouts who cannot afford to purchase their own, and the supply is very low right now. There are 20 boys in the Troop now.

Boy Scouts council-wide have been asked to usher at the Texas Tech home football games, but each young man must be in full uniform. Therefore, Troop 262 has several Scouts who will need not only shirts, but also pants, belts, socks and caps.

Senior Citizens To Have Birthday Party October 6

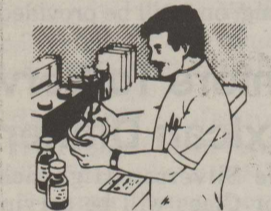

Silverton Senior Citizens will have their monthly birthday party beginning at 7:00 p.m. Tuesday, October 6.

Those have October birthdays will be guests of honor at the party.

Those whose birthdays were celebrated in September will host the party.

Flowers Graduates From Basic Training

Army Pvt. Hilary L. Flowers has graduated from basic military training at Fort Leonard Wood, Waynesville, Missouri. During the training, the trainee received instruction in

Dena Thomas and her mother, Pearl White, were surrounded by family members, Diane and Don Parker, Lisa and Dave Demos and Shannon Demos in San Francisco, California.

Dena Thomas Visits San Francisco

Sunday, September 20, Dena Thomas, accompanied by her mother, Pearl White of Stinnett, daughter and son-in-law, Diane and Don Parker of Colorado Springs, formerly of Stinnett, flew from Amarillo to San Francisco, to visit her granddaughter and husband, Lisa and Dave Demos, and great-granddaughter, Shannon Demos. While in San Francisco, Dena toured the city, spotting every antique store and curio shop along the way. She went to Chinatown and had lunch at an authentic sushi bar. Luckily for Dena, they served hamburgers. Also while in the city she vis-

ited the beach. Then she drove down the famous Lombard Street, otherwise known as the most winding street in the world. After a few choice words about that, she realized that she really liked driving in Silverton. After driving across the Golden Gate Bridge and visiting the Golden Gate Park, she toured the aquatic museum. She reluctantly enjoyed the bay from a ferry that sailed around Alcatraz. She probably shouldn't have watched "Titanic" before the boat ride. She was very glad to get back to dry land. Then she went over to Fisherman's Wharf and ate fresh seafood at the pier. Being right in the heart of wine country, she visited Napa and Sonoma County. She also went to see the giant redwood trees in the Muir Woods. While everyone else enjoyed the view from the cliffs of Highway 1, Dena left permanent grip marks on the armrest of the van. She is looking forward to her next visit and so are the curio shops!

SHAUNA KINGERY

Silverton Student Selected as LCU Cheerleader

Shauna Kingery, a freshman major from Silverton, was selected to be a member of the 1998-99 Chaparral varsity cheerleading squad for Lubbock Christian University.

A panel of judges selected the cheerleading squad based on their tryout, application and references. Calvette Haggard, assistant professor of journalism, is the sponsor for the squad.

The cheerleaders attend all home games and several away games. They work closely with the LCU Student Senate to plan halftime activities. The group decorates the LCU Fieldhouse for Homecoming. They go into local elementary schools and present pep rallies for TASS reading. The group also directs mini-cheerleader camps in local elementary schools, as well as judge cheerleader tryouts for schools. To retain the position of cheerleader, Miss Kingery must maintain a minimum grade point average of 2.25.

Lubbock Christian University is a liberal arts institution of higher learning dedicated to providing a quality education in a Christian environment. LCU was among only seven Texas schools to be named to the John Templeton Foundation Honor

PREVENTION WEEK October 4-10

Owls Regain Their Winning Ways With Big Win Over the Guthrie Jaguars Here Friday Night

When Guthrie kicked off to open the Homecoming football game here last Friday night, Jared Holt returned the ball to the Silverton 27. Nathan Francis passed complete to Jeremy Holt for a first down on the Guthrie 3, and the Owls were off to the races. Jeremy scored with 8:07 remaining to be played in the first quarter, then passed to Jay Arnold for the PAT. This gave the Owls an early 7-0 lead.

Jared Holt kicked off for the Owls, and the runback was stopped by Donny Burson. Clint Ivory stopped the next play, but a pass completion gave the Jaguars a first down, stopped by Adrian Ramirez. Another pass moved the Jags for a first down on the Silverton five, stopped by Burson. The Owls put on a goal line stand, led by Ramirez, Jay Hicks, Ivory and other Owls. They held Guthrie on the one and then held them again on the one-foot mark, to get the ball back on downs. And if you felt sorry for the Owls for being backed up so

deep in their own territory, you were the only one. Jared Holt popped it out to the 25-yard line for a first down on the first play. Jeremy Holt popped it on down to the Guthrie 36 for another first down on the following play, and Nathan Francis passed complete to Jared Holt for a 10-yard pickup on the next play. After an incomplete pass, the ball went back to Guthrie on their 27 with 2:50 still remaining in the first quarter.

Guthrie was unable to move the ball due to defense by Ivory, Arnold and other Owls and this brought about a fourth-down punt which went into the endzone for a touchback.

Jeremy Holt took the ball all the way for a touchdown for the Owls with 50 seconds remaining in the first period. There was no PAT, and the Owls moved into a 13-0 lead.

Jared kicked off, and Andrew Francis recovered a Guthrie miscue on the Guthrie 23 with 44 ticks remaining on the clock. Jeremy ran for a 13-yard gain, then got a first down and nine more

yards before the first quarter ended.

Jeremy added a couple more runs before Nathan Francis passed complete to Arnold for a touchdown with 8:51 remaining to be played before halftime. Jeremy drop-kicked the PAT, and the Owls moved ahead 21-0.

Jared kicked off again, and the runback was stopped by Burson. Andrew Francis, Arnold, Jared and Jeremy Holt provided the defense which allowed Guthrie a first down on the Silverton 35.

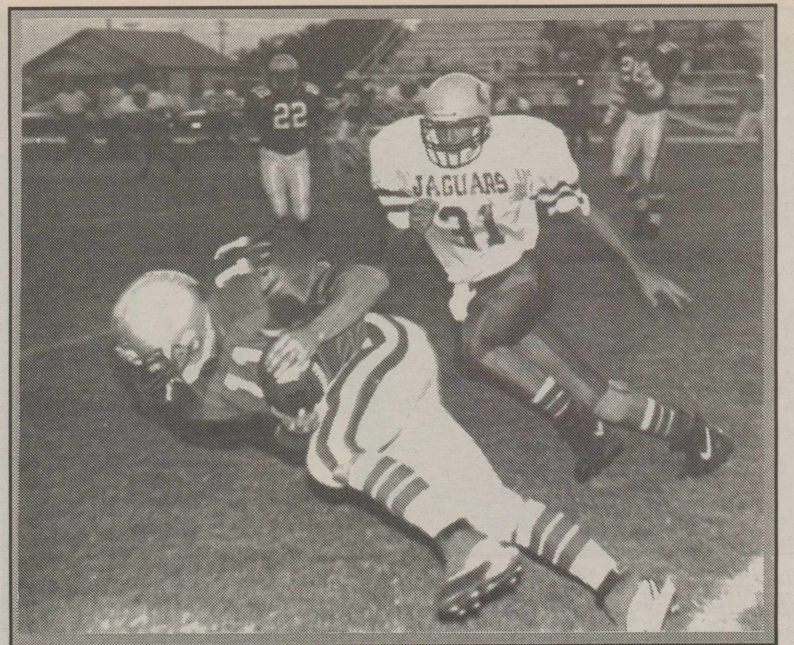

Andrew Francis, Ivory and Jeremy Holt held the Jags in check, and on the next play Burson intercepted a Guthrie pass and returned it to midfield with assistance from Ramirez and Jeremy.

Nathan Francis passed to Jared Holt short, and Jeremy ran for three yards before Nathan passed to Jeremy for a first down. Jared carried seven more yards before Jeremy went into the endzone with 3:00 remaining on the clock. Jeremy drop-kicked the PAT, and gave the Owls a 29-0 lead.

Jared kicked off again, and Bert Garza stopped the runback on the Guthrie 15 with 2:54 remaining in the first half. Hicks, Ramirez and Garza threw the Jags for a loss, and Andrew Francis pushed the Jag ballcarrier out of bounds before the Owls allowed a first down at midfield. They passed for another first down, stopped by Garza and Burson, but were unable to get another as the Owl defense shut them down as time expired on the clock.

When Jared kicked off to open the second half, the ball was controlled on the Guthrie 15. Andrew Francis made a punishing stop before Jared Holt intercepted a Guthrie aerial near midfield. The Owls were back in business on offense again, and without wasting much time Jeremy went into the endzone again. He drop-kicked the PAT, and with 8:14 still on the third-quarter clock, the Owls held a 37-0 lead.

The Jaguars came fighting right back, passing for one first down, running for another and

Jeremy Holt received honorable mention as Player of the Week in the Amarillo Daily News for his performance against the Guthrie Jaguars. He rushed for 194 yards and five touchdowns on 17 carries. As a receiver, he had four catches for 157 yards and two touchdowns. *Briscoe County News Photo*

moving into scoring position. They scored with 4:55 still on the clock, kicked the PAT, and narrowed the Owl lead to 37-8.

Guthrie kicked off and Daniel Reagan controlled the ball for the Owls at the Silverton 39. Jared Holt passed complete to Jeremy Holt for a touchdown with 4:39 still to be played in the third period. Jeremy drop-kicked the PAT, and moved the Owls into a 45-8 lead.

Jared kicked off once again, and Hicks was on the job to stop the first play after a two-yard gain. The Jags passed for a touchdown with 2:24 remaining in the quarter. The PAT kick hit the right upright and failed, to narrow the Owl lead to 45-14.

Guthrie kicked off short and the ball was controlled by Andrew Francis. Nathan Francis passed to Jeremy Holt for another touchdown with 1:38 still on the third-quarter clock. Jeremy drop-kicked the PAT, and gave the Owls a 53-14 lead.

Jared kicked off again, and this resulted in a touchback.

The Jags mounted another drive that carried into the fourth quarter, and scored with 7:30 still to be played in the game. There was no PAT, and the score stood at 53-20.

of bounds and the Owls took possession on the 36. Andrew Francis rushed for a couple of yards before Jeremy Holt ran into the endzone for another score. The PAT kick was blocked, and the Owl lead was extended to 59-20 with 6:13 still on the clock.

Guthrie charged back, but defense by Matt Martin, Burson, Garza, David Gamble, Lorn Estes and other Owls kept the going difficult. They scored with 3:51 remaining in the game, kicked the PAT, and narrowed the score to 59-28.

The Owls came back with Jared Holt at quarterback, but on fourth down the Owls lost the ball via a fumble. Guthrie was unable to move the ball and it went back to the Owls on downs, thanks to defense by Garza, Gamble, Martin and Company.

The Owls killed 40 seconds off the clock and ended the game.

The Owls had 244 yards of rushing while Guthrie managed only 127. The Owls passed for

Junior Varsity Owls Roll to a Big 57-38 Victory Over Groom Tigers

Silverton's Junior Varsity Owls had to come from behind to defeat the Groom Tigers here last Thursday, but after taking control of the game they rolled along to a big 57-38 victory.

Groom returned the opening kickoff to their six-yard-line, stopped there by Jimmy Castillo and Daniel Castillo. When Groom fumbled in the endzone, Max Whitworth pounced on it for a touchdown for the Owls. There was no PAT, and the Owls held a brief 6-0 lead with 7:13 still to be played in the first quarter.

Jimmy Castillo kicked off, and the Tigers scored in spite of defense by Whitworth, the Castillo brothers and Issac Garcia. They completed a pass for the PAT, and with 4:41 remaining on the first-quarter clock, moved ahead 7-6.

416 yards while the Jags got 334 through the air. The Owls completed seven of ten passes, while the Jags completed 12 of 23 with two interceptions.

The Owls will be traveling to Samnorwood for the last non-district game of the season Friday night. Kickoff is at 7:30 p.m. Be there!

Paul Segura controlled Groom's kickoff. Garcia carried the ball for the Owls, but Silverton received a penalty on the play. On the next play, the Owls lost the ball on a fumble and Groom was back in business again. Defense by the Castillos, Garcia and others held, and with two minutes still to be played in the first quarter, the ball went over to the Owls. As the second quarter began, the Owls moved downfield on a pass interference call against the Tigers. Isaiah Ivory passed complete to Matt Strange, after which Jimmy Castillo carried another touchdown with 6:55 remaining in the first half. There was no PAT, and the Owls moved into a 12-7 lead.

Jimmy kicked off once again, and Groom made a first down, stopped by Segura, before going on to score with 5:24 still on the second-quarter clock. They carried the PAT, and moved into a 14-12 lead.

The Owls answered without delay, as Ivory passed complete to Jimmy Castillo for a touchdown with 4:15 still remaining in the first half. There was no PAT,

and the Owls controlled an 18-14 score.

Jimmy kicked off and Segura stopped the runback at the Groom 30. Segura stopped a pass that moved the ball 13 yards, after which Virgil Gossett set the Tigers for a loss of yardage. Nicholas Vargas stopped the first-down run and Segura stopped another. Groom passed for a touchdown with 1:29 still on the clock. There was no PAT, but this put the Owls behind again, 20-18.

The Owls fumbled the kickoff and Groom recovered. They made a first down on the Silverton 2, stopped by Segura and Garcia, and scored with 53 seconds remaining in the first half. There was an incomplete pass for PAT, brought about when Whitworth knocked down the ball. This gave Groom a 26-18 lead.

Segura returned the Groom kickoff to the 20, and Ivory passed to Segura for a first down. Jimmy Castillo picked up a first down on a pass to the 10, after which Ivory passed to Strange to move to the seven with five seconds remaining on the clock. Jimmy Castillo scored as time expired in the first half. Ivory passed to Whitworth for the PAT, and now the Owls trailed by a point, 26-25.

Groom kicked off to open the second half, and Segura returned the ball to the 22. He carried to the Groom five, then scored with 7:16 still showing on the third-quarter clock. Garcia carried the PAT into the endzone to give the Owls a 32-26 lead.

The Owls kicked off, and Groom carried the ball to their 32 where they were stopped by

Whitworth. They picked up a first down, stopped by Jimmy Castillo, before Jimmy broke up a pass play. Vince Cruz stopped a play for no gain, before the Owls allowed another first down. Groom carried to the one, after which they scored with 3:19 remaining

Junior High Owls Drop Close Match to Groom Tiger Cubs

Silverton's Junior High Owls dropped a close 19-13 game to the Groom Tiger Cubs here Thursday afternoon.

The Owls opened the game by kicking off, and Groom took control of the ball near midfield. It took the Cubs only five plays to put the ball into the endzone. They carried their PAT, and with 4:04 remaining on the first-quarter clock, moved into a 7-0 lead.

When Groom kicked off, Martin Hernandez returned the ball to the Groom 33. Monty Wood pitched out to Red Ivory for a four-yard gain, after which Groom was penalized for a face-mask violation. The ball went back to Groom on downs, and John Arnold and Chase Comer held the Tiger Cubs to a two-yard gain. Groom fumbled and recovered after which they saw Adrian Cruz and other Owls perform tough defense and the ball came back to the Owls on downs.

Wood passed complete to Comer for a short gain as the second quarter began. After a couple of incomplete passes, the ball went back to the Tigers.

Groom's offensive efforts were hindered by Ivory, Arnold, Wood and other Owls, and the ball went back to Silverton on the Groom 25. On first down, Ivory went all the way for a touchdown. Hernandez carried the PAT into the endzone, and with 3:52 still to be played in the first half, the score was knotted at 7-7.

Hernandez kicked off and into the endzone. Groom tried to run it out and was stopped on the three by Arnold. Then Groom received a penalty for 1/2 the distance to the goal. They were stopped by Marcus Patino on the first play, then received another 1/2 the distance penalty. On the next play, Dustin Hale recovered a Groom fumble on the Groom seven.

Ivory charged into the endzone again, but the Owls were penalized on the play, and on the next play the Owls lost the ball via the fumble route.

Groom made a touchdown on the next play, passed incomplete for the PAT, and with 1:55 still to be played in the first half, the Tiger Cubs led 13-7.

Wood picked up several yards, after which Ivory scored. There was no PAT, and with 31 seconds remaining before halftime, the score was knotted at 13-13.

Comer, Wood and Patino provided plenty of defense on the next two plays.

When Groom kicked off to open the second half of action, the Owls took it on their 30. Ivory ran for 13 yards, after which Hernandez picked up a first down. Wood passed to Hernandez, then Ivory hit Comer with a pass, but the Owls weren't able to make up enough ground to overcome the penalties they had received on the drive, and the ball went back to the Tigers.

Wood, Ivory, Clifton Baker, Eric Minyard and Patino did a good job on the Tigers, and the ball went over on downs to the Owls with 1:08 remaining in the third quarter.

Ivory carried for a few yards after which he hit Wood with a complete pass. As the fourth quarter began, the ball went back to Groom on downs.

This time Wood, Ivory, Hernandez, Caleb Francis, Trace

Mattheus and Brandon Stephens provided defense, but their drive halted by incomplete passes and defense by Comer, Baker, Ivory and other Owls.

The Owls were unable to make a first down, and Groom moved through passes and runs to score with 17 seconds remaining in the game. There was no PAT, and Groom moved ahead 19-13.

When Groom kicked off, Ivory carried the ball deep into Tiger Territory, but the Owls were penalized and were unable to score before time expired in the game.

The Junior High Owls have a game with Samnorwood here this afternoon, with kickoff scheduled at 5:00 p.m. Don't miss it!

in the third quarter. There was no PAT, and the score was knotted at 32-32.

Groom kicked off and the Owls controlled the ball on the 30. Ivory passed complete to Segura before passing complete to Whitworth for a touchdown with 2:25 still remaining in the third quarter. There was no PAT, but this put the Owls back in the driver's seat, 38-32.

Back came the Tigers, but this drive was nipped in the bud when Jimmy Castillo intercepted their pass and took it to the Groom 15 with 1:13 remaining in the quarter. Jimmy scored with 38 seconds remaining. Ivory passed to Cruz for the PAT, and the Owls moved ahead 45-32.

Shortly after the fourth quarter opened, the ball went over to the Owls at midfield. Jimmy Castillo carried for a 10-yard pickup, but the Owls lost possession via the fumble.

The Owls got the ball back on downs, and Ivory passed to Whitworth for a touchdown with 3:40 remaining in the game. There was no PAT, but this moved the Owls into a 51-32 lead.

Groom came back and scored with 1:11 remaining, but didn't make their PAT, and narrowed the score to 51-38.

Whitworth moved to the quarterback slot and passed complete to Segura for a first down, before passing to Jimmy Castillo for another touchdown as time expired on the clock. The Owls finished with a 57-38 lead.

The Junior Varsity Owls have a game here with the Fort Elliott varsity at 6:30 p.m. today. Their game will follow the Junior High game with Samnorwood which begins at 5:00 p.m.

Cotton News

from Plains Cotton Growers, Inc.

The most critical aspect of the current cotton market situation is not always the first thing that comes to mind.

When asked, most producers first talk about low prices and increased production costs. Plains Cotton Growers notes that another, equally critical, element to consider is the continued viability of the Step 2 marketing certificate program.

Looking deeper into the issue,

it becomes clear that Step 2, part of the 3-Step Cotton Competitiveness provisions included in the 1996 Farm Bill, is playing a crucial role in supporting U. S. cotton.

Analysis shows that Step 2 is supporting producer prices by 3-6 cents per pound while guaranteeing the continued competitiveness of U. S. cotton in the world marketplace.

Unfortunately, the 1996 Farm

Bill capped the amount of money available for Step 2 marketing certificates at \$701 million through 2002. The bad news for producers is that the original \$701 million in funding will probably be exhausted by February 1999.

PCG continues to be involved with the effort to gain additional funding for the Step 2 Program. The ultimate goal of all these efforts is to secure additional funding before current money runs out.

One reason for the funding shortfall has been the unprecedented effects of the Asian financial crisis and the decision by China to liquidate part of their

large cotton stockpile in an effort to shore up their own financial position.

Through the week ending September 18, \$452.7 million of payments had been requested by Step 2 participants. This leaves only \$248 million available after 63 weeks of continuous payment rates.

The payment rate for the current week is 10.11 cents per pound. A total of \$13.6 million in payments was requested during the week of September 11-17.

USDA announced that the 18th Conservation Reserve Program (CRP) sign-up will take place October 26, 1998 through December 11, 1998. The seven-week sign-up period will allow landowners the opportunity to enroll additional acreage in the CRP program effective October 1, 1999.

USDA is authorized to maintain 36.4 million acres in the CRP program. At this time only 30.5 million acres is enrolled in the program and approximately 3.5 million of those acres have contracts that will expire September 30, 1999.

CRP enrollment will continue to be based on the Environmental Benefits Index (EBI). The EBI cut-off for contracts accepted into the CRP will be decided after the 18th sign-up ends.

Producers and landowners interested in developing bids to be submitted during the 18th CRP sign-up should contact their local Natural Resource Conservation Service (NRCS) office for revised CRP county rental rates. Maximum CRP rental rates are based on 1996-1998 local land rental rates.

"VOTE FOR ERADICATION" will be the message in a campaign soon to be started in the Western High Plains Boll Weevil Zone.

Cotton growers in Gaines, Yoakum, Terry, Andrews and Lynn counties will be getting their opportunity to cast ballots in a mail referendum that will conclude December 9, 1998.

Texas Department of Agriculture will hold hearings in the zone in early October to finalize the assessment level to be proposed on the ballots. TDA will mail out ballots to qualified cotton producers and landowners in the zone around November 15th.

Cotton producers in the Southern High Plains/Caprock Zone will be given their opportunity to "VOTE FOR ERADICATION" in February of 1999.

The decision to move forward with referenda have been made by grower committees in each zone and were confirmed by the Texas Boll Weevil Eradication Foundation Board at its latest meeting in Dallas, Texas held Thursday, September 24th. Informational and educational meetings in each of the zones will be part of the Foundation's "VOTE FOR ERADICATION" campaign as voting dates approach.

USDA officials released the

contract payment rates for all program commodities effective for the 1999 crop year. Cotton producers who have signed Production Flexibility contracts can expect to receive a total payment of 7.88 cents per pound in 1999.

Worldly Things

Keep your deeds of mercy secret, and your Father who sees in secret will repay you

The new American Bible
Matthew 6-4

Even though we know we can't keep our worldly things forever, we all have personal possessions that we prize and would never give up on our own accord. And although we may keep some of our prized possessions until we die, as the old saying goes, "you can't take it with you." Some people even hate the thought of dying simply because they don't want to give up the material things of this world.

The bible tells us that our hearts will always be where our riches are and that we should store our riches in heaven, where they cannot be taken from us.

When accumulating wealth, many people receive regular reports on the value of what they have. Perhaps, if God would send us a quarterly report of what we are storing in heaven, we may have more incentive to save our riches there. But then our motive would be for the wrong reason, and we would not get credit for them.

CARD OF THANKS

Dear friends,

Just wanted to let you know how much I enjoyed my time in Briscoe County. It was such a blessing to have wonderful people to work with in my first county. Special thanks to everyone who helped me with the Extension and 4-H programs. As I have started my job in Gaines County, I know I will use all of the things I learned in Briscoe County for the rest of my career. I will also use the things I learned about how to treat people, taking care of others, and being involved in the community for the rest of my life. Never underestimate the power you have to make a difference in someone's life! You certainly did in mine!
Sincerely, Calley Payne

To all my good friends in the Silverton community:

Words cannot express how much I appreciate all of the kind deeds done for me while I was in the hospital. I especially thank Ted and LaVern Kingery for taking me to the hospital and seeing about my little dog. The many cards, food, visits, phone calls and prayers meant so very much to me.

Sincerely,
Sylvia Fogerson

Thanks to Alvie Francis and the Silverton Fire Dept. for putting out our grass fire Sunday. We appreciate all of your efforts.
Joe and Carolyn Kitchens
