

**All Around
The Town**

By Mary Ann Sarchet

Superintendent Frank Kirchoffner told me that the date of the Briscoe County Stock Show has been changed due to the inavailability of judges. It had been scheduled January 29, and the school calendar had a teacher in-service day built in for the benefit of the boys and girls who have animal feeding projects and will be readying their livestock for the show.

Since the show date was changed to January 22, the school holiday also was changed. The students will not have school January 22, but will go to regular classes on January 29.

Because our granddaughter, Molly, has a lot of friends here, I'd like to tell you that she has moved to Rowlett to live with her mother. Her address is: 9010 Westfield, Rowlett 75088. Her telephone number is: 972-412-2461.

Small world category: Our grandson, Brandon, got off the plane after his flight from Dallas Love Field to Lubbock Sunday afternoon right behind Jon and Elaine LaBaume of Floydada.

**Garvin Oil Co.
Is Utilities
Collection Agent**

Garvin Oil Company is the collection agent for Energas and Southwestern Public Service Company.

You may pay your monthly statements for these two utilities at Garvin's location at 303 Pulitzer Street in Silverton.

**County Stock
Show is Jan. 21-23**

Briscoe County Stock Show is set for Thursday, Friday and Saturday, January 21-23.

The steer and heifer show will begin Thursday, January 21, at 7:00 p.m. at the Vance Price Memorial Center at the Valley School.

The lamb show will begin January 23 at 8:00 a.m. followed by the pig show.

The pig show will be followed at 5:00 p.m. by a donors' and buyers' appreciation barbecue, followed by the Premium Sale.

Valley and Silverton buyers' clubs are soliciting donations from their community's individuals and businesses. Thanks to much generosity, the Premium Sale has given help to many of the county's youth.

**Girl Scouts Having
Annual Cookie Sale**

Girl Scout Troop #124 will begin selling cookies on Friday, January 8. For more information on these fine products, contact a troop member or call Linda Vernon at 823-2395 after 5:00.

Lady Owls Win Hoot Out

Silverton's Lady Owls were winners of the Hoot-Out played here December 28-29-30, and the Owls played to the final game before being beaten 63-61 by a fine Bovina team.

The Lady Owls were led offensively by the scoring of Lindsey Weeks with 21 points in their final game which was a 55-42 victory over Claude.

Also scoring were Dara Ramsey, eight; Misty Wilkinson and Chelsey Cherry, eight points each; Amanda Estes, five; Lisa Comer, four; Sara Kirchoffner, three points.

Nikkole Bryant and Ashley Cameron led the scoring for Claude with 12 and 10 points respectively.

Lady Owls	11 25 34 55
Claude	9 21 26 42

In the tournament's second round, the Lady Owls defeated Valley 71-20.

Four Lady Owls shared scoring honors by hitting in double digits: Misty Wilkinson, 18; Lindsey Weeks, 16; Dara Ramsey, 11; Sara Kirchoffner, 10.

Also scoring were Dara Johnston, seven, and Lisa Comer, four.

Kim Woods led the scoring for the Valley Lady Patriots with nine points.

Lady Owls	15 39 61 71
Valley	3 11 14 20

In the tournament's first round, the Lady Owls took a one-sided 67-34 victory from Pampa Academy.

Sara Kirchoffer led the offense by scoring 12 points, and Misty Wilkinson was right behind her with 11 points to her credit. Also scoring were Dara Johnston and Taylor Griffin, nine points each; Lindsey Weeks, eight; Dara Ramsey, six; Amanda Estes, five; Chelsey Cherry, three; Julie Weaver and Lisa Comer, two points each.

Brenna Taylor led Pampa Academy's scoring with 14 points.

Lady Owls	21 33 55 67
Pampa Academy	8 11 24 34

The Owls played to the championship game before losing 63-61 to Bovina. They jumped out front and led at the end of each quarter of play except the last and deciding one.

Jared Holt led the offense with 23 points, while Nathan Francis caged 15 and Adrian Ramirez added 11 points. Also scoring for the Owls were Jeremy Holt and Jay Arnold, six points each.

Jason Stone led the offense for the Bovina Mustangs with 16 points, followed by Sergio Nieto and Herman Marquez, with 13 points each.

Owls	23 37 50 61
Bovina	17 28 46 63

The Owls defeated Hart in the tournament's second round, 52-46. Nathan Francis was the high-point scorer with 21 points, and Jared Holt also scored in double figures, getting 16. Also putting points on the board were Jay Arnold, six; Adrian Ramirez, five; Andrew Francis and Jeremy Holt, two points each.

Velasquez led the scoring for Hart with 20 points.

Owls	14 25 36 52
Hart	12 25 36 46

In the tournament's opening round, the Owls defeated Bible Heritage School 65-42.

Jared Holt led the scoring with 22 points, followed by Nathan Francis, 11, and Jeremy Holt, 10. Also scoring were Jay Arnold, nine; Adrian Ramirez, seven; Andrew Francis, four; Jay Hicks, two points.

Bible Heritage scoring was led by Shawn Mendoza, 15, and Kevin Parker, 14.

Owls	28 38 50 65
Bible Heritage	12 20 30 42

The Junior Varsity Lady Owls also played in the tournament, dropping their first-round game 77-16 to Claude.

Brooke Garvin led the scoring with 12 points. Also contributing to the score were Cathryn Reyna, two; Kurby Garvin and Amy Maciel, one point each.

Desiree Ollinger scored 22 for

Claude.	
Lady Owl JV	0 5 11 16
Claude	25 46 56 77

In their second round, the Lady Owl JV dropped their game 63-37 to Cotton Center.

Sharyl McMurtrey and Kurby Garvin led the scoring with 11 points each, and Brooke Garvin dropped in 10 points. Amy Maciel caged five points.

Christy Oden caged 12 points for Cotton Center.

Lady Owl JV	12 24 31 37
Cotton Center	17 35 50 63

In their third round game, the Junior Varsity Lady Owls played to a 34-30 decision, being defeated by Miami.

Kurby Garvin and Sharyl McMurtrey earned scoring honors by ringing up 11 points each. Brooke Garvin made four, and Amy Maciel and Cathryn Reyna added two points each.

Black led the scoring for Miami with 13 points.

Lady Owls Earn Victories at Happy As Tune-up For District Continued

Silverton's Lady Owls earned a pair of victories at Happy Friday night and the Owls dropped a close game as the tune-up continued for the district championship run. The first conference games were to be played at Motley County Friday night, January 8, after playing a pair of games at Hedley Tuesday, January 5.

The Junior Varsity Owls opened the action against Happy with a big 51-39 victory.

David Castillo led the offense by scoring 23 points. Isaiah Ivory also scored in double figures with 10.

Adding to the score were Daniel Rogers, eight; Matt Strange, six; Clint Ivory and Issac Garcia, two points each.

JV Owls	14	31	39	51
Happy	10	17	26	39

This was followed by the varsity Lady Owls who took charge

early in their game. Lindsey Weaks scored 10 points to lead the team's offense.

Also scoring were Misty Wilkinson, seven; Sara Kirchoffner and Dara Ramsey, six points each; Lisa Comer, two points.

Lady Owls	7	16	23	31
Happy	5	11	20	26

The varsity Owls dropped their game 77-62.

Nathan Francis had the hot hands and burned the baskets with a big 28 points. Also scoring in double figures was Adrian Ramirez, with 12.

Adding to the score were Jeremy Holt and Jay Arnold, six points each; Andrew Francis and Jared Holt, five points each.

Owls	11	29	50	62
Happy	22	40	56	77

The teams travel to Motley County Friday night and will continue district competition with Guthrie here Tuesday, January 12.

Lockney Health & Rehab News

by Rebecca Rodriguez, A. D.

Happy New Year to everyone from Lockney Health and Rehabilitation Center. We would like to thank everyone once again for all of your support in helping our residents have a merry Christmas and a happy new year. We would like to thank a special group of ladies who came to hand out gifts for our residents this past week. Their names are Jeanette Case, Cassie Campbell, Kittie Campbell and Joyce Campbell. They are from the Church of Christ in Matador. Thank you very much, ladies; you are all very special people! God bless everyone of you who made these gift bags for our residents.

We would also like to give a special thank you to Rex Russel and his family for sharing some music and special words with our residents on Christmas morning. That was very nice of you, and we really appreciate it!

We hope everyone has a safe and happy new year. Drive safely.

Thanks

County Officials Report on Success of Their Terms

As taxpaying residents of Briscoe County, I believe you should be aware of the activities of my office, said Attorney Bill Smith. I have taken time to compile facts you may find interesting. It is my hope that future reports every quarter will be written containing conviction information for each ending quarter.

Forty-seven convictions were obtained on all cases filed in 1997. As a result of those convictions, approximately \$44,000 of fines, fees and costs were levied. In addition, two guns were confiscated. Twenty-six DWI convictions resulted in Briscoe County earning the dubious distinction of placing fifth in the State for DWI per capita. The other convictions were four assaults, three public intoxication, five possession of marijuana, three deadly conduct, one criminal mischief, two criminal trespass, one theft, one unlawful carrying of weapon and one selling alcohol in a dry county.

Crime was down in 1998. Thirty convictions were obtained on cases filed in 1998, leading to approximately \$25,000 of fines, fees and costs levied, along with two more guns confiscated. Crimes convicted were six DWI, one assault, five possession of marijuana, three deadly conduct, one criminal mischief, three criminal trespass, two theft, five contributing alcohol to minor, one driving with license suspended, one failure to appear, one resisting arrest and one evading arrest.

The above figures do not reflect all the hot checks collected or speeding convictions.

Compare those figures with the last elected county attorney's previous three years, also excluding hot checks and speeding convictions. In 1993 eleven convictions were obtained on cases filed that year, leading to approximately \$10,000 of fines, fees and costs levied. In 1994, seven convictions were obtained on cases filed that year, leading to only approximately \$6,000 of levied fines, fees and costs. Then in 1995, the last year of your previously elected county attorney, only six cases were convicted on cases filed that year, with about \$9,000 of levied fines, fees and costs.

In 1993 the county attorney was paid \$13,960 with \$3,500 travel and a secretary salary of \$9,600. In 1994 pay was \$14,560 and a secretary salary of \$5,100. In 1995 attorney salary was \$14,560, travel \$3,160 and a secretary salary of \$5,100.00. Compare to 1997 when pay was \$12,000 with no travel and a secretary salary of \$4,200 and in 1998 pay of \$15,000 with no travel and a secretary salary of \$4,560. In no year were medical benefits provided to this office or any other elected official.

Of course, no crime could have been punished had the sheriff's department along with the DPS not performed their jobs well during the past two years. My hat is

The Sheriff's Department personnel are not at liberty to discuss particular cases with the public; however, in an effort to keep the public informed, we will try to publish a summary of what the department is doing, said Sheriff Max Whitworth. These will be published by category and number only with no names and dates so as not to embarrass anyone. From January 1, 1998 to December 31, 1998 records reflect:

93 Total Arrests For the Year 1998

Alcohol-Related Offenses

The department made 20 arrests on warrants from Texas DPS Briscoe County and other Counties and cleared warrant without arrest by contacting the subjects. The department served 65 Capias or Warrants, 42 Subpoenas and 76 Civil Citations.

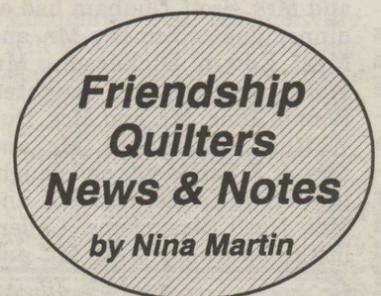

Officers worked or assisted with 13 accidents involving vehicles and one involving water crafts. The department had 563 calls assisting or involving ambulance assists, funeral escorts, attended death, unattended death,

off to those men who do a thankless job!

To the Citizens of Briscoe County, I am pleased to have this opportunity to thank each of you for allowing me to serve you as your Justice of the Peace of Precinct 1, for the past eight years. The job was very rewarding and through it I have made many new friends and acquaintances, said Lynn Frizzell. Hopefully most who came before my court went away with good will and feeling toward Briscoe County.

During the past eight years, our court handled in excess of 4,022 criminal cases, 96 small claims cases, 127 civil cases, 120 administrative hearings, 48 deaths, two peace bond hearings and numerous magistrate warnings. Besides the many we helped collect on small claims cases, this court took in over \$230,000 in fine money. There is (as of 12-31-98) still outstanding over \$32,000 in outstanding warrants.

Again, I thank you for your support and continue to wish the very best for Briscoe County and its citizens.

Once more Christmas has come and gone. I spent the holidays with my daughter, Celia Syme, and children, Brenna and Marshall at Krum, Texas. We had a family get-together the Saturday after Christmas. Present

Year	Convictions	Fines	Office Budget	Salaries	Travel
1993	11	\$10,000	\$28,610	Sec. \$9,600 Att. \$13,960	\$3,500
1994	7	\$6,000	\$24,090	Sec. \$5,100 Att. \$14,560	\$0
1995	6	\$9,000	\$27,050	Sec. \$5,100 Att. \$14,560	\$3,160
1996	No elected county attorney serving				
1997	47	\$44,000	\$15,800	Sec. \$4,200 Att. \$12,000	\$0
1998	30	\$25,000	\$23,310	Sec. \$4,560 Att. \$15,000	\$0

were Dana, Dorothy and Kami Martin from Silverton; Ninette and Joe Zorger from Oklahoma City; Stan, Roma, Wayne, Bobby, Ky, Amy, Kyleigh and Keaton Martin from Grandview.

It was good to be at quilting last Thursday. Present were Nadyne Childress, Ann Norris, Laverne Stephens, Wanda Strange, Joy Stodghill and Bobbye Bean. Bonnie May came by to visit. Some of the girls worked Friday and Saturday cleaning the Senior Citizens living room. All of us appreciate the furniture donated by Leon Lavy.

The Senior Citizens elected new officers at the last luncheon. J. D. Nance is the new president. Pauline Chitty is the secretary and Shirley Reynolds is the treasurer.

Eudean Crow entertained the

"42" club Monday. Present were Pauline Chitty, Ruby Brannon, Elsie Cornett, Lallie Patton, Juanita Stephens, Mary Martin and Nina Martin.

Lallie Patton's grandchildren call her "Nanny" and the greats call her "Big Nanny." Bessie Bradford's grandchildren call her "Ma'am." Ruby and Joe McWaters are "Grandma Ruby" and "Grandpa Joe."

I can't keep from thinking about my little great-grandson, Keaton Martin. He is in Cook's Children's Hospital in Fort Worth with viral pneumonia.

Envelopes were first manufactured in 1839. Before that time, all letters were folded so that a blank portion of the paper could be used for the address.

Lockney Health & Rehab News

by Rebecca Rodriguez, A. D.

Happy New Year to everyone from Lockney Health and Rehabilitation Center!

January is here. Our January resident birthdays are: Mary Salas on the 9th, Pearl Rattan on the 12th, Elfie Sherman on the 23rd, and Gladys Welch on the 26th. Our employee birthdays are Venita Glenn on the 1st and Margie Cuevas on the 27th.

We would like to welcome our new residents: Gladys Golden, Eula Mae Wilson and Sylvia Fogerson. We hope you enjoy your stay here with us.

Our Employee of the Year was Mary Ester Amaya. She won a day off with pay! She has been employed here for over one year. She is a Certified Nurses Aide for the 6:00 a.m. to 2:00 p.m. shift. Congratulations, Mary Ester, keep up the good work!

The world's highest motor-traffic tunnel is the Eisenhower Memorial Tunnel in Colorado with an altitude of about 11,000 feet.

Disclosure Act Enforcement Boosts Lending

Pammy Millican
County Extension Agent

There is good news for two groups of home loan applicants thanks to a federal law that finally grew some teeth. Home loans granted to minorities and people with low incomes have increased dramatically in Texas.

That's the conclusion of a study

by Jennifer Evans, a research associate with the Real Estate Center at Texas A&M University. She says between 1990 and 1996, lending to minorities and low income Texans nearly tripled.

Low-income and minority lending is outpacing other lending because of heightened enforcement of a 1975 law.

The Home Mortgage Disclosure Act was beefed up in 1989 to require disclosure of race, sex and income data. The data helps the government, identify patterns of discrimination. Spurred by law-

suits, Texas lenders began approving more minority and low income loans. And Evans does not think the flood of applicants will subside anytime soon.

Paper money was an invention of the Chinese, first tried in 812 C.E., and prevalent by 970 C.E.

The Emancipation Proclamation of 1863 declared slaves free in the Confederate states still in rebellion. It wasn't until the ratification of the 13th amendment in December of 1865 that slavery was entirely abolished throughout the United States.

Caprock Cotton Conference To Be Held at Plains Baptist Assembly

The 1999 Caprock Cotton Conference will be held Tuesday, January 19, 1999. This year's conference will once again be held at the Plains Baptist Assembly Camp located seven miles south of Floydada on U. S. Highway 62.

This conference is designed as an educational event focusing on cotton production for producers in Crosby, Floyd and surrounding counties. Organizers have developed another outstanding list of guest speakers. Mendy Shugart of Texas Department of Agriculture in Lubbock will present current laws and regulations. Dr. Carl Anderson, TAEX Economist from College Station will present his outlook on the Cotton Market. Mr. Bob Maurer, Rand Financial Services, Chicago, Illinois will highlight his views on the cotton market. Mr. Craig Fincham, TAEX Risk Management Coordinator, will introduce FARM ASSIST Program.

Also Dr. Ken Stokes, TAEX Economist from Stephenville, will give a complete and thorough explanation of the current Farm Insurance Program. From the production side, Dr. Peter Dotray, TAEX Weed Specialist from Lubbock, will have current data on various cotton weed control results. In addition, Dr. Randy Bowman, TAEX Cotton Specialist from Lubbock, will present an overview of the 1998 South Plains Cotton growing season, along with Dr. Jim Leser, TAEX Entomologist, Lubbock, addressing the current boll weevil situation and outlook for 1999.

In addition participants will

have an opportunity to view some 20 booths and exhibits related to various phases of agricultural and cotton production. A noon meal will be provided. Private applicators can receive three CEU's (.5 L&R, 1.5 General & IPM). A complimentary conference cap and a chance at several door prizes to be given away throughout the day. The cost is \$25 per participant for registration before January 8 and \$35 thereafter. The conference will begin at 7:30 a.m. with coffee, donuts and welcome and conclude at 3:30 p.m. This conference is an educational event developed by the Caprock Cotton Conference Committee and Texas Agricultural Extension Service. Major contributing sponsors are Watermaster, Monsanto, Paymaster Cottonseed, Gustafson, Deltapine Seed, Rhone Poulenc, Associated Farmers Delinting, Inc., Novartis Crop Protection.

For registration or more information contact J. D. Ragland, Floyd County Extension Agent, (806) 983-4912, Steve Young, Crosby County Extension Agent, (806) 675-2426 or Ron Graves, Crosby/Floyd IPM Agent, (806) 675-2347.

JV Teams Playing In Tulia Tourney

Silvertown's Junior Varsity Owls and Lady Owls are playing in a tournament in Tulia this weekend.

Their first-round games today begin at 11:00 a.m. (boys) and 12:30 p.m. (girls), both to be played in the old gym. Both teams will have Happy as their opponent.

The other teams in the boys' division are Olton Ninth Grade, Amherst, Lazbuddie, Cotton Center, Boys Ranch and Farwell.

The girls' bracket includes teams from Lazbuddie, Cotton Center, Amherst, Boys Ranch and Farwell.

If the Silvertown teams win their games today (Thursday) they will advance to play at 12:30 p.m. Friday (boys) and 2:00 p.m. Friday, both of these games in the

Money 2000+

Pammy Millican
 County Extension Agent

Want to be \$2,000 better off by the end of the year 2000? Here is this week's Money 2000+ tip:

You can save hundreds of dollars a year by pumping gas yourself and using the lowest octane called for in your owner's manual.

You can also save by keeping your engine tuned and your tires inflated to their proper pressure.

Remember the money you save will continue to earn you money if it's in a savings account. To enroll in the Money 2000+ program, contact your County Extension Agent.

BLESSINGS *for the* NEW YEAR

On Divine Forgiveness

It seems that human nature is such that no one likes to admit being wrong. Perhaps we hesitate to admit being wrong, and tend to blame others, because we fear reprisals and do not want to lose face.

However, as the poet said, "To err is human, to forgive divine." Everyone makes mistakes, and if we cannot admit them out loud, at least we can make peace in our hearts.

God ordained forgiveness, and the Bible tells us that if we are truly sorry for our sins, He will forgive us. Jesus told Peter that he should forgive not seven times, but seven times seventy.

Our lives are truly our own responsibilities. If we regret our mistakes, God will forgive us; and if God can forgive us, perhaps we can find it in our hearts to forgive those who have wronged us. Truly, the gift of forgiveness comes from our Heavenly Father.

*And forgive us our debts,
as we forgive our debtors.*

Finding the Right Firewood

Pammy Millican
 County Extension Agent

Though most of us don't rely on wood to heat our homes, there are some things we can look for even if the fire we're making is more for decoration than warmth.

Extension forester Lanny Dreesen recommends buying wood that isn't too old or too dry. He says little white streaks running through the wood mean it's decaying and may be more than a year old. It won't burn as hot or efficiently as wood cut within the past year. Dreesen says always store firewood outdoors because it can contain insects that could damage the wood and furniture in your house.

He says it's also good to know what you're paying for. If someone sells you a cord of wood, the stack should be four feet high, four feet deep and eight feet long. Dreesen says many people sell face cords where the sticks of wood are only about a foot and a half long rather than four feet. And he says if you're serious about heating your home with wood, get a sealed wood stove rather than an open fireplace. Airtight stoves can heat up to two-thousand square feet.

Texas Predicted To Face Water Deficit Early in Next Century

Pammy Millican
 County Extension Agent

Projections are for Texas to be in a water deficit. Rapid population growth will place unrealistic demands on our existing water supply.

Experts predict that by the year 2035, water demand will outpace water supply and by the year 2050, the Texas population will have doubled and the condition will be critical. Water from existing sources such as rivers and aquifers will meet only 65% of water needs.

The state is planning ahead by prioritizing areas where groundwater management is most needed.

Extension ag engineer Dr. Bruce Lesikar says people must be educated about their limited resources. The priority groundwater management areas are around Plainview and Tulia in the High Plains, Midland and El Paso in West Texas and in the area north of San Antonio.

Lesikar says groundwater conservation districts are recommended. That way there is a local group monitoring the aquifer, keeping residents informed about the water situation, and planning for the future. Lesikar says agriculture will be dramatically affected as people place drinking water above irrigation as a neces-

sity. He says farmers will be forced to consider alternative cropping and planting crops that require less water. Acreage may have to be reduced. Lesikar says treated wastewater also is an option for agriculture.

Happy Birthday-

January 7--Fred Brannon, Maynard Greeson, Rose Marie Trevino, Mark Hutsell

January 8--Dedra Johnston, Leo Fleming, Lupe Couch, Elton Cantwell, Terry West, Ashel McDaniel, Christian Joseph Taitano

January 9--Debbie Burk, Loyd Stephens, Larry B. Stephens, jr., Rex Long, Doris McDonald, Richard Roehr, Dewey Estes

January 11--Townlii Ziegler, Rex Holt, Cy Comer, Melissa Woods, Debra Grabbe

January 12--Cecilia Castillo, Jimmy Myers, Tomas Rampley

January 13--Mary Tom Burson, Cindy Reed, Dee Turner, Krista Hale, Leslie Burkart, Isaac Reyna

Happy Anniversary-

January 9--Mr. and Mrs. Bobby Edwards

How To Enroll

Enrolling at Clarendon College is easy! To apply for admissions, students must provide a high school transcript or GED certificate, all college transcripts and Clarendon College admissions forms. Students must provide TASP scores, and ACT scores if available.

Registration can be done by phone, by mail, or in person January 5 – January 22. The best day for enrollment on the Clarendon campus is January 15 from 8 a.m. to 6 p.m.

Enrollment for Wellington classes begins at 6 p.m., January 18, in the Wellington Junior High Annex. Registration for Childress classes begins at 6 p.m. on January 18 in the Childress High School Library. Books for Wellington and Childress classes may be purchased the first night of class.

Payment is expected at the time of class enrollment. Clarendon College accepts cash, checks, and money orders. Clarendon College also now accepts Visa and MasterCard.

Admissions Policies

Clarendon College has an "open door" admissions policy, which means it accepts all applicants who can be expected to benefit from its programs.

As a comprehensive community college, Clarendon College offers many programs designed to meet the needs of students according to their backgrounds and interests. With limited exceptions, a student must be a graduate of an accredited high school or have a GED. Non-graduates who are at least 18 years old may be admitted on individual approval provided if it is determined through assessment that they have the ability to benefit from their program. Any individual admitted by individual approval by the Registrar will automatically be placed on academic probation and must achieve a minimum grade point average of 2.0 in the first 12 credit hours of coursework to be eligible for continued enrollment.

Applicants for certain workforce programs may be required to submit to personal interviews, and/or proficiency examinations, and/or physical examinations as conditions for eligibility for admission to the respective program.

Residency

Clarendon College is required by State Law to determine the residency status for tuition purposes of all students. All new students must provide substantiating documentation to affirm their residence and sign an Oath of Residency. Residency is determined either by a student's current address or the address of a parent or legal guardian if the student is being claimed as their dependent for federal income tax purposes. It is the responsibility of the student to register under the correct residence classification.

1. In-District Residence

A student who has been a legal resident of the State of Texas and has resided in Donley County six (6) months immediately preceding registration at Clarendon College.

A student who has moved to Texas from another state, but has been a documented resident of Donley County for the 12 months immediately preceding registration at Clarendon College.

A student who can present to the college a copy of the receipt of payment of Donley County ad valorem taxes for the current or preceding tax year. In case of an independent student, the taxes must have been paid by the student. In the case of a dependent student, the applicant may use the tax receipt of a parent or guardian.

2. Out-of-District

A student who is a legal resident of Texas, but who resides outside the Clarendon College District. Students classified as out-of-district will continue to be so during the time they remain in school for consecutive academic years. However, any student who continuously resides in Donley County for a 12-month period without attending school may be reclassified by the Dean of Students as an in-district student.

3. Out-of-State Residence

A student less than 18 years of age or is a dependent and whose family resides in another state or has not resided in Texas for the 12 months immediately preceding registration.

General Information

ACCREDITATION

Clarendon College is approved and accredited by The Commission on Colleges of the Southern Association of Colleges and Schools to award Associate in Arts, Associate in Science, and Associate in Applied Science Degrees; The Texas Higher Education Coordinating Board; The State Board of Vocational Nurse Examiners; and appropriate professional accreditation. For a complete listing of affiliations, refer to *The Clarendon College Catalog*.

EQUAL OPPORTUNITY INSTITUTION

Clarendon College offers all of its educational opportunities and extracurricular advantages to students without regard to race, creed, color, national origin, sex, age, or handicap, except where sex, age, or handicap is a bona fide occupational qualification.

FINANCIAL ASSISTANCE

Clarendon College offers scholarships, grants, and work-study opportunities. Low-interest student loans, such as the Federal Stafford Student Loan, requires a recommendation by the Financial Aid Officer and an application made to the student's lending institution.

To apply for financial assistance, request a free application for Federal Student Aid from Clarendon College. After completing the form, mail to the address listed on the envelope. In 4-6 weeks, a Student Aid Report (SAR) will be sent to you. Submit your SAR and a signed copy of your or your parents' most recent federal income tax return. Financial aid is distributed on an individual basis, with the highest priority being given to students with the greatest financial need.

Scholarship applications are available by contacting the Admissions Office. The deadline for scholarship applications is May 1. Please refer to the college catalog for a complete listing of available scholarships.

MISSION STATEMENT

Clarendon College is a comprehensive community college committed to providing equal access to opportunities that assist in the holistic development of its constituents and community. In pursuit of that mission, the college provides academic transfer programs, workforce education courses, continuing education/community service courses, and diverse cultural enrichment opportunities.

SENIOR CITIZENS POLICY

A Senior Citizen (persons 65 years of age and older) may audit credit classes without paying tuition and fees, contingent upon space availability. Senior citizens may take up to six hours for credit in any term without paying tuition but are subject to all fees excepting the student activity fee and building use fees.

SERVICEMEMBERS OPPORTUNITY COLLEGE (SOC)

A member of the Servicemembers Opportunity Colleges (SOC), Clarendon College provides post-secondary education to members of the military throughout the world. Clarendon College recognizes the unique nature of the military lifestyle and is committed to easing the transfer of relevant course credits, providing flexible academic residency requirements, and crediting learning from appropriate military training and experiences.

STUDENT EDUCATION RECORDS

In compliance with the Texas Open Records Act and the Buckley Amendment (Public Law 93579), Clarendon College will consider the following information to be "public or directory information" unless the individual student or employee advises the Dean of Instruction in writing that his/her name should not be included or released as public information: Name, Date and Place of Birth, Major and Minor, Current Class Schedule, Number of Hours Enrolled for Current Semester, Classification, Marital Status, Dates of Attendance, Participation in Officially Recognized Activities and Sports, Weights and Heights of Members of Athletic Teams, Degrees and Awards Received, and All Previous Educational Institutions Attended.

STUDENT LOAD

The recommended regular load of a student is 15-18 credit hours. Any student desiring to take than 18 credit hours in a fall or spring semester must receive written authorization from the Dean of Instruction.

TRANSCRIPTS

A copy of the student's permanent record (transcript) is available from the Registrar's Office, only by written authorization by the student. Fee is \$3. All financial obligations to the college must be met in full before a transcript will be issued.

PAMPA CENTER

Clarendon College Pampa Center was established Dec. 1, 1978. The Center is housed in the former Houston Elementary School, located at 900 N. Frost in Pampa. In conjunction with the Pampa Center Foundation, Clarendon College is planning to open a new \$4.3 million Pampa Center before the year 2000. The new center will provide students with a modern, multi-purpose facility that will enable the college to offer greater education opportunities to its constituents. Plans call for the center to be owned by the Pampa Center Foundation and leased to the college on a long-term basis.

Course Descriptions

ACCOUNTING (ACCT)

2302. Accounting II 3-3-0
Continuation of ACCT 2301. Partnership and corporation accounting, budget and tapes, statements, analysis and interpretation, practice sets. Prerequisite: ACCT 2301

AGRICULTURE (AGRI)

1131. The Agricultural Industry 1-1-0
An introductory course to the field of agriculture, nature of the industry, resource conservation, and the American agriculture system.

1307. Agronomy : Fundamentals of Crop Production 3-2-2
Distribution, importance, characteristics, and uses of agronomic crops. Fundamentals of structure and improvement are also discussed.

1319. Animal Science 3-2-2
An introductory course designed to orient the student in the modern field of animal culture; importance of livestock products; breeding, feeding, management, classes, grades, types, carcasses, markets, and products of livestock enterprises.

1329. Principles of Food Technology 3-3-0
Food technology in relation to world and domestic food supply and demand. Classification of food systems; general processes.

1415. Principles of Horticulture 4-3-2
Fundamentals, principles and practices of growth, maintenance, and use of horticulture plants. Landscape of small houses.

2221. Livestock Judging 2-1-3
Instruction in selecting, evaluating, and judging of beef cattle, sheep, swine, and horses. The course will include the judging of both breeding and market animals with decisions being supported by oral reasons. May be repeated for credit with permission of instructor.

2317. Fundamentals of Agriculture Economics 3-3-0
Analysis of fundamental economic principles and their application to farm and ranch problems. Basic economic laws. Prerequisite: AGRI 1325.

ART (ARTS)

1301. Introduction to Art 3-3-0
An introductory course designed to give the student a fundamental understanding of the creation and appreciation of diverse modes of communicating ideas and emotions through different mediums, the visual elements, the nature, function, and relationships in painting, sculpture. Designed to acquaint the student with terms, materials, existing techniques, and philosophies of the visual arts; with concentration on practice of the physical skills necessary in the visual arts.

1316. Drawing I 3-2-4
Beginning course investigating a variety of media, techniques and subjects, exploring perceptual and descriptive possibilities with consideration of drawing as a development process as well as an end in itself.

1317. Drawing II 3-2-4
Expansion of ARTS 1316 stressing expressive and conceptual aspects of drawing including the human figure. Prerequisite: ARTS 1316.

2366. Introduction to Water Color Painting 3-1-5
The water color medium as a means of artistic expression in the interpretation of still life, landscape, and figure subjects.

2367. Water Color Painting 3-1-5
A continuation of ARTS 2366. Prerequisite: Consent of instructor.

BIOLOGY (BIOL)

1322. Principles of Nutrition 3-3-0
A study of the principles of nutrition in health and disease. The modern concept of an adequate diet based upon the nutritional needs of the individual is stressed.

1411. Botany 4-3-3
An overview of plant science. Plant structure and function is considered, as well as plant evolution, ecology, and importance to man. Laboratory includes microscopic techniques, examination of plant tissues, experiments in physiology, and consideration of the several plant groups. No prerequisite.

1413. Zoology 4-3-3
Topics include: a history of zoology, cell biology, genetics, evolution, and a taxonomic survey of the animal kingdom. Laboratory includes techniques of microscopy, experiments in physiology and genetics, observation of both vertebrates and invertebrates. No prerequisite.

2402. Human Anatomy and Physiology II 4-3-3
Continuation of Biol. 2401 with the study of digestive, respiratory, cardiovascular, lymphatic, urinary, and reproductive systems. Prerequisite: BIOL 2401 or approval of instructor.

2420. Microbiology 4-3-3
An introduction to the fundamental principles of microbiology. Lecture material treats taxonomy, life requirements, reproduction, growth, death, genetics, metabolism, and control of microorganisms, Laboratory involves techniques employed in the proper handling and identification of both pathogenic and non-pathogenic forms. No prerequisite.

BUSINESS ADMINISTRATION (BUSI)

1301. Introduction to Business 3-3-0
The role of business in modern society, overview of business operations, analysis of the specialized fields within the business organization, and development of a business vocabulary.

1304. Business Communication 3-3-0
Relationship of creative, logical and critical thought to problem-solving aspects of business communication designed to build and develop effective letters and reports. Verbal and non-verbal communication in business settings are also covered. Prerequisite: ENGL 1301.

1307. Personal Finance 3-3-0
Personal and family accounts, budgets and budgetary control, bank accounts, charge accounts, borrowing, investing, insurance, standards of living, renting or home ownership, and wills and trust plans.

2301. Business Law 3-3-0
Principles of law which form the legal framework for business activity. Applicable statutes; contracts; agency.

CHEMISTRY (CHEM)

1111. General College Chemistry I Lab 1-0-3
The laboratory demonstrates appropriate laboratory skills and concepts as they relate to CHEM 1311. Prerequisite or co-requisite: MATH 1314, and co-requisite of CHEM 1311.

1112. General College Chemistry II Lab 1-0-3
The laboratory demonstrates appropriate laboratory skills and concepts as they relate to CHEM 1312. Prerequisites: CHEM 1111 and 1311; co-requisite: CHEM 1312.

1311. General College Chemistry I 3-3-0
Introductory course for science majors. Fundamental concepts of chemistry, including vocabulary, theory, and mathematical calculations are explored. Topics covered include atomic structure and chemical bonding. Prerequisite or co-requisite: MATH 1314; co-requisite: CHEM 1111.

1312. General College Chemistry II 3-3-0
A continuation of CHEM 1311. Additional chemical concepts will be covered which will serve as a prerequisite for more advanced chemistry courses. Topics covered include an introduction to such divergent areas as solution chemistry, acid/base chemistry, and organic chemistry. Prerequisites: CHEM 1111 and 1311 co-requisite: CHEM 1112.

2225. Organic Chemistry II Lab 2-0-4
The laboratory involves techniques employed in CHEM 2325. Prerequisites: CHEM 1111, 1311, 1112, 1312, 2223, 2323. Co-requisite: CHEM 2325.

2325. Organic Chemistry II 3-3-0
Continuation of CHEM 2423. Halides, alcohols, ethers, carboxylic acids and functional derivatives, aldehydes, ketones, carbanions, amines and sugars. Laboratory work is a continuation of CHEM 2423. Prerequisite: CHEM 2423.

COMPUTER INFORMATION SYSTEMS (COSC)*

* All courses listed below have a prefix of COSC except for BCIS 2390.

1301. Computer Concepts 3-3-3
Computer concepts and their impact on society. Through hands-on experience, students will acquire basic skills in the use of a computer and commonly used productivity software. This course may not be applied towards a computer science major or minor at a senior college. Co-requisite or pre-requisite: OFAD 1311 or be able to type at a minimum of 20 net words per minute for three minutes.

1401. Advanced Computer Applications 3-3-3
Advanced features and integration of the end-user application programs most commonly used to accomplish contemporary business tasks. Pre-requisite: COSC 1301.

CRIMINAL JUSTICE (CRIJ)

1307. Crime In America 3-3-0
American crime problems in historical perspective, social and public policy factors affecting crime impact and crime trends, social characteristics of specific crimes, and prevention of crime.

DRAMA (DRAM)

1310. Introduction to Theater 3-3-3
A general survey of the major field of theater. For students who have a limited theatrical experience and knowledge. Emphasis on the various types and styles of plays: elementary theory and practice of acting and directing; basic principles of technical production, methods of construction and handling of scenery; elementary problems in scene design, stage lighting, costume and costume design. Participation in major productions.

1320. Rehearsal and Performance 3-1-3
A practical study of the direction, organization, and production of a theater activity or contest. Students will be directly involved with contest organization and college productions. May be repeated for credit.

1323. Theater Practice 3-1-4
Participation as performer or technician in major college productions. This is recommended for all students enrolled in a dramatics course and by those who intend to take part in college theater productions. May be repeated for credit.

1330. Technical Theater 3-1-3
Fundamentals of technical theater. Basic techniques of play production, including stage design, make-up, costuming, properties, lighting and sound. May be repeated for credit.

1351. Acting I 3-3-3
Development of skill in the basic techniques of acting. A study of the principles of acting as an art. The course includes: exercise in movement, voice control, pantomime and special make-up techniques. Practical experience in dramatic productions.

ECONOMICS (ECON)

2301. Macroeconomics 3-3-0
An introduction to modern economic society and theories of production and exchange. Emphasis upon monetary and fiscal policy and macroeconomics.

2302. Microeconomics 3-3-0
Emphasis on theories of the firm, value and price determination and functional distribution, with the application of these theories to the problems of particular firms, industries, and markets, and microeconomics.

ENGLISH (ENGL)

0308. Preparatory English 3-1-4
A continuation of ENGL 0307. A further study of fundamental reading skills to develop comprehension, vocabulary, and rate. Prerequisite: Enrollment in this class will be based on previous TASP or Pre-TASP test scores or as the instructor deems necessary.

1301. English Composition and Rhetoric I 3-3-0
A study of the principles of effective writing through analysis of sentence structure, paragraph organization, and theme development. Includes analysis of model paragraphs and essays, essay writing, assigned library reading, and individual conferences.

1302. English Composition and Rhetoric II 3-3-0
Further improvement of writing skills, including critical analysis and the library research paper. Prerequisite: ENGL 1301.

2307. Creative Writing 3-3-0
A course for students with a serious interest in writing. Course content includes writing and oral presentations of original, imaginative compositions and applying critical and creative terminology to one's own work and the work of others. Pre-requisites: ENGL 1301, ENGL 1302.

2311. Technical Writing 3-3-0
A course involving correctness and effectiveness in technical writing for students of agriculture, business, engineering, science, and other technical fields. Principles of exposition are applied to actual problems in these and other subjects. Offered on sufficient enrollment. Prerequisite: ENGL 1302 or approval of instructor.

2332. World Literature I 3-3-0
A study of the masterpieces of Western World Literature from the Ancient Greeks through 1850. Prerequisite: ENGL 1302.

2333. World Literature II 3-3-0
A study of the masterpieces of Western World Literature from 1850 through the present. Prerequisite: ENGL 1302.

GOVERNMENT (GOVT)

2301. American and Texas Constitutions 3-3-0
Included in the course will be a study of the Federal and Texas Constitutions, with emphasis in the Federal government. Supreme Court cases will be examined in light of how they have influenced American citizens. Consideration will be given to the Legislative, Executive, and Judicial branches of the Federal government.

2302. American and Texas Governments 3-3-0
Emphasis in this course will be a study of the Texas constitution and how it sets forth the organization of Texas government. Consideration will be given to the Legislative, Executive, and Judicial branches of government. The relation of federal and state governments will be studied.

HISTORY (HIST)

1301. United States History Beginning to 1865 3-3-0
A survey of the development of the United States from the pre-Columbian Period to the Civil War.

1302. United States History 1865 to Present 3-3-0
A survey of the development of the United States from the end of the Civil War to the present.

2301. History of Texas 3-3-0
A survey of the history of Texas from the pre-Columbian Period to the Civil War. This course may be substituted for three hours of American history.

2322. Modern World Civilization 3-3-0
This survey course includes the study of multicultural influences on the late 20th century from around the world. Included are Middle Eastern, South Asian, East Asian, African, European and early Native American civilizations, states and cultures.

HUMANITIES (HUMA)

1315. Introduction to Humanities/Introduction to Fine Arts 3-3-0
An introductory course designed to give the student a fundamental understanding of the creation and appreciation of diverse modes of communicating ideas and emotions through different media within the context of fine and applied arts.

MATHEMATICS (MATH)

0307. Beginning Algebra 2-1-2
A continuation of MATH 0306. Topics in mathematics such as basic algebra concepts and notation, geometry, real and complex number systems will be studied. Student must pass exit text. Prerequisites: Enrollment in this class will be based on previous TASP or Pre-TASP test scores or as the instructor deems necessary.

0308. Intermediate Algebra 3-1-4
A continuation of MATH 0307. Topics such as basic mathematics, algebra concepts, and basic geometry will be studied. Prerequisite: Enrollment in this class will be based on previous TASP or pre-TASP test scores or as the instructor deems necessary.

1314. College Algebra 3-3-0
Relations, functions, equations and inequalities, exponents and radicals, mathematical induction, progressions, binomial theorem and probability. Prerequisite: consent of the instructor.

1316. Plane Trigonometry 3-3-0
Trigonometric functions, identities, trigonometric equations, logarithms and inverse trigonometric functions. Prerequisites: MATH 1314 or consent of instructor.

1324. Finite Mathematics 3-3-0
Linear equations and applications, linear forms and systems of linear equations, matrix algebra and applications, probability and applications, linear programming and mathematics of finance. Prerequisite: consent of instructor.

1325. Business Calculus 3-3-0
Derivatives, curve sketching, techniques of derivatives, logarithmic and exponential functions with applications, techniques and application of integrals, multivariate calculus. Prerequisites: MATH 1314 or MATH 1324.

1333. Modern Mathematics II 3-3-0
A course designed to analyze the mathematical concepts and applications of probability, statistics, consumer mathematics, computers and matrix algebra.

2314. Calculus II 3-3-0
Definite integral and applications, integration techniques, and derivatives, and antiderivatives of logarithmic, exponential, trigonometric and hyperbolic functions. Prerequisite: MATH 2313.

Course Descriptions

MUSIC (MUSI)

1131. Pep Band 2-0-3

Open to all students of the college who can demonstrate proficiency on a band instrument. Emphasis is on performance at basketball games and other special events. May be repeated for credit.

1132. Jazz Band 2-0-3

A course designed for students interested in a small performance band. Jazz arrangements as well as popular music will be performed with supplementary pieces from Broadway and dance. This course may be repeated for credit.

1151. Show Choir 2-0-3

The study and performance of a wide variety of choral literature, including popular and serious music. A small ensemble open to limited number of members of the College Choir. Selection made on the basis of auditions. This course may be repeated for credit.

1182. Piano Class 1-0-3

Continued study of musical notation, scales, keys, rhythm, intervals and triads, fingering for staff notation and reading techniques. This course may be repeated for credit.

1193. Guitar Class 1-0-3

Continued study of musical notation, scales, keys, rhythm, intervals and triads. Also included are guitar fingerings for staff notation, guitar fingering for chords and tablature notation. This course may be repeated for credit.

1306. Music Appreciation 3-0-3

A study of the elements of music necessary for enjoyment and understanding of music through recorded music; analysis of form and design and its relation to other subjects and activities. Designed as a fine arts elective for students with no previous musical training.

OFFICE ADMINISTRATION (OFAD)

1311. Keyboarding/Typewriting I 3-3-2

Beginning touch typing for mastery of keyboard. Emphasis on speed and accuracy development. Brief introduction to creating personal documents, using a word processing program.

2304. Word Processing I 3-3-3

The understanding of basic word processing concepts and development of proficient skills using word processing software.

2305. Word Processing II 3-3-3

The understanding of advanced word processing concepts and the development of proficient skills using word processing software.

2312. Office Procedures 3-3-0

Office conduct, automated office equipment, special aids to efficiency in the office routine, letter structure and other style problems, filing, and communication in the automated office.

PHYSICAL EDUCATION (PHED)

1012. Tennis/Volleyball 1-0-3

An introductory course of tennis and volleyball including a brief history and basic skills involved in each sport.

1014. Concepts of Cheerleading I 1-0-3

A course designed to assist students in becoming proficient at cheerleading skills. May be repeated for credit.

1015. Physical Fitness 1-0-3

A course designed to cover the various aspects of physical fitness including flexibility, strength, coordination, and endurance.

1016. Women's Varsity Basketball 1-0-3

Open only to members of the Women's Varsity Basketball team. This course may be repeated for credit.

1017. Men's Varsity Basketball 1-0-3

Open only to members of the Men's Varsity Basketball team. This course may be repeated for credit.

1110. Lifetime Physical Activity 1-0-3

Participation and instruction in physical activities and skills: archery, dancing, fishing, skating, soccer, tumbling, swimming, and handball/paddleball. Any one or a combination of the above adapted to the season.

1261. Rodeo Timed Events for Men 1-0-3

Fundamentals and skills involved in calf roping and steer wrestling. The basic

methods and techniques of each event are presented. And the students are taught the proper handling and care of the necessary equipment used. This course may be repeated for credit.

1271. Rodeo Timed Events for Women 1-0-3

Fundamentals and skills in barrel racing, goat tying, and break-away roping. The basic methods and techniques of each event are presented and the students are taught the proper handling and care of necessary equipment. This course may be repeated for credit.

1304. Personal and Community Health 3-3-0

Principles of personal health needs, community health, sanitation, local, state, and federal health agencies.

1306. First Aid 3-3-0

The study of first aid as recommended by the American Red Cross.

1322. Theory and Concepts of Coaching 3-3-0

A study of the basic principles in developing a coaching philosophy, developing programs from minor to major sports.

PHYSICS (PHYS)

1411. Introduction to Astronomy 3-3-4

Study of the solar system, stars, nebulae, galaxies, stellar spectra, star classification, and use of the telescope and other instruments used in astronomy. Laboratory activities will include evening observations.

PSYCHOLOGY (PSYC)

2301. General Psychology 3-3-0

A survey of the field of psychology. Psychology as a science, heredity and environment, control of emotions, behavior, learning, and the development of personality.

2308. Child Psychology 3-3-0

Psychological analysis of human growth and development with emphasis on childhood.

READING (READ)

0308. Effective Reading 3-1-4

A continuation of READ 0307. A further study of fundamental reading skills to develop comprehension, vocabulary, and rate. Prerequisite: Enrollment in this class will be based on previous TASP or Pre-TASP test scores or as the instructor deems necessary.

SOCIOLOGY (SOC)

1301. Introduction to Sociology 3-3-0

An introduction to the factors and principles influencing the social life of man, community life, social change, and current social problems.

1306. Social Issues 3-3-0

A general survey of major social trends and contemporary social problems in American society.

2301. The Family in Society 3-3-0

A study of problems of courtship, mate selection and marriage adjustment.

SPANISH (SPAN)

1412. Beginning Spanish II 4-3-2

Continuation of SPAN 1411 with emphasis on idiomatic languages and complicated syntax. Prerequisite: SPAN 1411 or permission of the instructor.

2312. Intermediate Spanish II 3-3-0

Continuation of SPAN 2311 with added emphasis on writing and developing understanding, and speaking simple Spanish dealing with everyday life. Prerequisite: SPAN 2311.

SPEECH (SPCH)

1315. Public Speaking 3-3-0

Study and practice in the techniques used in all forms of oral communication, diction, poise, and self-confidence; conversational, classroom and public speech.

1318. Interpersonal Speech 3-3-0

A study of the psychological, physical, and cultural barriers to interpersonal communication with an emphasis on overcoming these barriers in order to improve interpersonal communication.

2341. Oral Interpretation 3-3-0

Oral presentation of materials from the printed page based upon the careful study of meaning and emotional content.

COMPUTER TECHNOLOGY

CPMT 2315 – System Simulation 3-3-0

A capstone course in which students work together to complete a simulated business problem by integrating computer software and hardware solutions. Prerequisite: Students must have completed or be concurrently enrolled in all technical specialty courses.

CPNT 2401 – Network Administration 4-3-2

A continuation of CPNT 1304. This course concentrates on configuring and administering a network. Students gain experience in setting up users, resource sharing, installing applications, and upgrading software. Pre-requisite: CPNT 1304.

OFFICE TECHNOLOGY

MEDT 1301 – Medical Terminology 3-3-0

Introduction to medical terminology. Upon completion of the course, students should be able to recognize thousands of medical words. They should also be able to spell medical words correctly and use a medical dictionary.

OFAD 1305 – Legal Terminology 3-3-0

Legal Terms, the way they are used and pronounced. Prefixes and suffixes are also emphasized.

RANCH & FEEDLOT OPERATIONS (RAFO)

RAFO 1102 – Horse Production 3-2-2

Breeding, feeding, breaking, training, stabling, and shoeing. Gaits, care of stallions, brood mares, and foals. Parasites and diseases, and selection for soundness.

RAFO 1114 – Sheep Production 3-2-2

Breeds, traits of economic importance, live animal, carcass, and wool evaluation and grading systems, genetics, breeding systems, nutrition, systems of production and management practices.

RAFO 2104 – Livestock Business Management 3-2-2

Contracts (cattle and land), leases, real estate terms, laws pertaining to stray animals, wills, insurance, labor relations and applications of management principles.

RAFO 2106 – Animal Health and Reproduction 3-2-3

Internal parasites, toxicology, anatomy and physiology of reproductive system of the domestic animal, bull management and breeding soundness evaluation, calving management, heifer management, and diseases that affect fertility and reproduction.

RAFO 2110 – Feeds and Feeding 4-3-3

Anatomy of digestive system, digestion and absorption, nutrient need based on maintenance and production, selection of feeds based on composition and cost, ration formulation, feed processing and handling, feedyard programs and supplementation on pasture.

RAFO 2111 – Marketing of Livestock and Meats 4-3-3

Relation of production to marketing, trends in marketing and consumption, meat processing and distribution, U.S.D.A. activities, market outlets and procedure; beef futures, seasonal and cyclical influences in prices, selection of time and place to market, handling and transportation of livestock to improve weighing conditions and minimize losses, merchandising purebred livestock.

SECRETARIAL SCIENCE (SSOO)

SSOO 2005 – Keyboard Mastery II 3-2-3

An introduction to and refinement of typing procedures to use in business correspondence. Proper maintenance of the typewriter is studied. Skills and techniques are further developed and applied to typewriting of various office data, business correspondence, and word processing technology.

SSOO 2010 – Computer Applications 4-3-3

The course is designed to teach the most common spread sheet computer applications. Students will be given the opportunity to acquire actual hands-on experience using the software packages in these areas.

SSOO 2015 – Business Math 3-2-2

Designed to develop math skills for computational use in business offices and to develop an understanding of business situations which enable students to apply their arithmetical skill.

SSOO 2030 – Business English 4-3-3

A study of the fundamentals of grammar, punctuation, and sentence structure as employed in written business communications. Emphasis is on grammar, mailability, spelling, and sentence and paragraph analysis.

SSOO 2031 – Business Communications 4-3-3

Grammar and mechanics of writing are emphasized, along with the ability to look

up and use reference material. Experience in composing various types of business letters and other typewritten communications such as reports, bulletins, memoranda, telegrams, and new releases are covered.

SSOO 2035 – Records Management 3-2-2

A study of alphabetic, numerical filing and records control systems are introduced. Alphabetic correspondence and numerical filing business correspondence are done through practice sets.

SSOO 2051 – Special Operations: Legal/Medical 2-1-2

Designed to help student develop elementary to intermediate skill in use of machine transcription equipment to create legal and medical documents. Students will spend half of the course transcribing legal documents and the other half transcribing medical documents.

VOCATIONAL NURSING

VNSG 1122 – Vocational Nursing Concepts 1-1-0

Introduction to the nursing profession and its responsibilities and the legal and ethical issues in nursing practice. Concepts related to the physical, emotional, and psychosocial self-care of the learner/professional. Prerequisites: VNSG 1227, VNSG 1423

VNSG 1115 – Disease Control and Prevention 1-0-0

Study of the general principles of illness and disease, basic microbiology, and the maintenance of aseptic conditions. Prerequisites: VNSG 1227, VNSG 1423

VNSG 1532 – Medical/Surgical I 4-0-6

Application of the nursing process to the care of adult patients experiencing medical-surgical conditions in the health-wellness continuum. A variety of health care settings are utilized. Prerequisites: VNSG 1423, VNSG 1227

VNSG 1236 – Mental Health 2-0-0

Introduction to the principles and theories of positive mental health and human behaviors. Topics include emotional responses, coping mechanisms, and therapeutic communication skills. Prerequisite: VNSG 1423, VNSG 1227

VNSG 1238 – Mental Illness 2-0-1

Study of human behavior with emphasis on emotional and mental abnormalities and modes of treatment incorporating the nursing process. Prerequisite: VNSG 1227, VNSG 1423

VNSG 1226 – Gerontology 1-0-0

Overview of the normal physical, psychosocial, and cultural aspects of the aging process. Addresses common disease processes of aging. Exploration of attitudes toward the care of the elderly. Prerequisites: VNSG 1423, 1227

Registration

Clarendon

By phone, by mail, or in person January 5 – January 22.
Best day for enrollment is January 15 from 8 a.m. to 6 p.m.

Wellington

6 p.m., January 18, in the Wellington Junior High Annex.

Childress

6 p.m. on January 18, in the Childress High School Library.

Payment is expected at the time of class enrollment. Clarendon College accepts cash, checks, and money orders.

We now accept Visa and MasterCard.
