#### INVITATION MEET ATTRACTS LARGE NUMBER ENTRIES

#### Seventeen Schools To Enter Teams In Annual Meet Thursday

More than 200 entrants are expected to take part in the fourth annual invitation track and field meet, sponsored by Haskell high school to be held here Thursday, March 10. Principal George V. Wimbish, director-general of the meet, announced Monday that invitations sent to thirty-six schools in this section had already been accepted by seventeen schools.

The invitation meet will be governed by interscholastic league rules and the full league schedule of track and field events will be held. Preliminaries will begin at 2:30 o'clock Thursday afternoon on the Indian football field, and finals in all contests will be staged Thursday under floodlights on the field.

Medals will be awarded to first and second place winners in each event, to high point man of the tournament, and to the runner-up in high point scoring.

The school team winning the meet will be presented a large trophy. Local sponsors believe that at least twenty-five teams will take part based on entries already received.

#### Harry Farmer, 59, Stricken Early Monday at Goodland, Texas

Harry Farmer, 59, resident of Haskell for the past twenty-eight years, dropped dead early Monday morning at Goodland, Bailey county, Texas. Apparently in good health, Mr. Farmer had gone to that section last week, helping Mr. and Mrs. Alex Grusendorf to move their household goods and farm implements from Haskell to Goodland.

According to meager reports received by relatives, Mr. Farmer died a few minutes after he had gone to the breakfast table. The body will be returned to Haskell in a funeral coach sent from Kinney funeral home, Stamford, and funeral services have been tentatively arranged for this afternoon.

A native Texan, born February 13, 1879 in Hunt county, he was married in 1901, and came with his family to this section in 1910. In recent years he has been employed on several ranches in this vicinity.

Immediate survivors include his widow, three sons, Dewitt, Cecil and Alvin Farmer, all of Haskell and a daughter, Mrs. Ruby Nash of Lawton, Okla.; four brothers, Tom Farmer of Kilgore, Texas; Roy Farmer of St. Louis, Mo.; Proffit Farmer of Fort Worth; Charlie Farmer who resides in Arizona; three sisters, Mrs. Grace Allen and Mrs. Mattie Hazel of Mount Pleasant, Texas, and Mrs. Ruth Robertson, Fort Worth.

Mr. Whitaker, graduate of Howard Payne Brownwood, is serving his first year as assistant coach.

#### Library Truck Progressive Unit of County School System

Haskell county is one of the three counties in Texas maintaining a traveling library and serving rural schools of the county. With Mrs. R. O. Pearson of Haskell as driver and librarian of the unit, the mobile library visits each school in the county every three weeks.

(By Mrs. W. L. Richey)

My inspiration for writing this article came about when our librarian, Mrs. Pearson, asked the teachers, what they thought of our traveling library? After giving her my answer, I immediately thought of this plan to acquaint our county with our library.

Our library started about three years ago. Mr. Graham, our County Superintendent, has spent much time developing this library without the expenditure of funds other than those already being spent by the schools.

The books have been selected with great care and from the standard reading lists. There were two purposes in mind when selecting these books. The work type and recreational reading needs. The first type includes dictionaries, encyclopedias, supplementary books and other reference materials. The second type, books of poetry and other materials for leisure reading.

There are only three more traveling libraries in the State of Texas.

The truck visits our school every three weeks and from this, has developed one of the best projects our school has ever had. We have a library corner, it is used as a workshop and playground for the mind. It gives the children the opportunity to choose stories to tell or read to the class, make reports and to give talks. Children also enjoy taking turns in acting as librarians.

To start a child out on a life long treasure hunt of the world's knowledge put the right kind of reading material in his hands in early years.

#### Christian Church Inaugurates Unique Pre-Easter Program

A great deal of interest is being shown in the "Christ Centered Crusade" which is the pre-Easter program of the First Christian Church. The Crusade has twenty special services including a mid-week meeting. The theme of the crusade, as the name suggests, is Christ.

According to W. Russell Cooney, minister, the best attendance of the new year was present last Lord's Day which was the beginning of these special services. Seventy-one per cent of the Bible School enrollment was present. By Easter Sunday it is hoped that the attendance will exceed the enrollment. Further mention of these special services will be found elsewhere in this paper in the advertising section.

## Reefers Go To School

In Asia the natives make a drug from hemp and call it hashish, and from this word is derived the English "assassin", because observers learned long ago that hashish put its addicts into precisely

the correct emotional and mental state to commit murder and other crimes.

In Mexico the natives do things simpler, after the Mexican fashion, and just smoke the leaves of the hemp plant, which is known in that country and this as marijuana. And in Mexico City when the police come upon a particularly atrocious crime, a throating-cutting or an ax murder, they look at each other wisely and murmur: "Marijuana."

In cigarets and called variously reefers, muggles, love-weed and joy smoke, this marijuana has been adopted in the United States as an unpleasant custom. It is estimated by federal officials that there are as many as 100,000 addicts—mostly among high school pupils.

Both federal and state government are taking praiseworthy, rapid steps to combat the sale of marijuana. This country has enough undesirable customs of its own without adopting any from neighboring republics.

Having attending Sunday school without a miss for 25 years, Claus T. Warner had fellow members of a jury at Rockford, Ill., go to church with him to save his record.

Lazar Kutovich, who died recently in Belgrade at the age of 73, willed that he be buried sitting in his armchair with a table, cigarets, matches and his wife's picture beside him.

## Do You Remember

... these happenings of 10 and 15 years ago?

(Taken From the Files of the Haskell Free Press)

### 15 Years Ago—March 9, 1923

On the promise of immunity from prosecution, thirty-two liquor stills have been turned in to the sheriff of Bowie county, according to press dispatches.

Preston Baldwin, Haskell rancher, underwent an operation for appendicitis at the Temple Sanitarium February 25 and is recovering rapidly.

The Oates Drug Store in this city was entered by burglars sometime Wednesday night and 14 watches, 100 rings and a small amount of money from the cash register was taken by the thieves. Entrance was gained through the front door, after glass in the door had been broken.

A proposed bond issue in the amount of \$200,000, intended to be used in grading dirt roads and building concrete dips and culverts in the Stamford precinct was defeated by a large majority of Jones county voters Saturday.

While returning from Seymour late Saturday evening, W. W. Grafton, assistant pastor of the First Baptist Church in Stamford, and Virgil Rowan, also of Stamford, were both slightly injured when the car in which they were riding overturned near Paint Creek, south of Haskell.

Truitt Cobb of Roberts was in the city Saturday and stated that he and A. F. Force during the week had some real sport chasing jackrabbits with greyhounds. He told of one occasion when they were out, when the nine greyhounds they had with them outran and caught 22 jackrabbits. If this keeps up there will be no need of staging a rabbit drive in the Roberts community.

The following Haskell county people attended the Fort Worth Fat Stock show in Fort Worth this week: Commissioners Geo. Taylor and Wayne Perry and Mrs. Perry, F. A. West, I. H. Harrell, W. M. Harrell, J. C. McKinney and son Elmer, Paul Zahn, M. B. Watson, J. T. Osborn, Carl Howell, Hicks Hall, W. W. Kitley, J. D. Hughes.

### 10 Years Ago—March 8, 1926

One of the most successful rabbit drives of the season was staged in the Cottonwood community Wednesday February 29th, when approximately 1,200 rabbits were killed by the large number of hunters who took part in the drive.

Tuesday night a strong flow of gas encountered in the Edmonson wildcat oil test on the X ranch east of Haskell, became ignited from a stove near the rig, and burned for several hours before help could be summoned and the flames extinguished. The test, started two weeks ago, is down to 750 feet, according to reports. Beginning Monday March 12th, both Haskell banks will close at 3 o'clock each afternoon instead of 4 o'clock, it was announced by

officials this week.

Andrew and Dave Josselot of this city have purchased the City Meat Market from J. V. Hudson, who has operated the establishment for a number of years.

R. G. Stoker last week looking after his property interests here.

Mr. and Mrs. Reid left Wednesday for a visit with Ed Couch and family in the Rio Grande valley. They will be away about two weeks on the trip.

Mayor Douthitt Payne of Rule was in the city Wednesday and stated that work would begin at once on the new sewer system in that city.

Final report of the District Court Grand Jury for the April term, revealed that 26 felony indictments had been returned by the body. Two hundred witnesses appeared before the Grand Jury during its session. R. V. Robertson was foreman.

Stanley.  
"How far is it," inquired Nancy "between to and from?"  
Teacher—Does you father pray, Rebus?  
Rebus—Yes, teacher. When he sat down to supper last night, the first thing he said was, "Good Lord! We've got beans again."  
"With all due reverence, my boy, I really think our English custom at the telephone is better than saying "Hello" as you do in the United States."  
"What do you say in England?"  
We say: Are you there? Then, of course, if you are not there, there is no use in going on with the conversation."

**P. T. A. MEETING**  
The local parent-teacher association enjoyed the March meeting last Tuesday afternoon, March 1. An interesting subject was discussed, "School Duties". We wish that every parent could have been present during the discussion of this very important subject. We feel that a closer relationship would exist between the parent and teacher, if the parent really understood the pupils school duties as well as his own duty to the school.

**WHAT GIRLS DISLIKE IN BOYS**  
CONDUCT: Can't take a joke—Yawning loudly in public—Chewing gum like a cow chews her cud—Being inquisitive about personal matters—Thinking he owns a girl—Walking on the wrong side of a girl on the street—Failing to open a door, or preceding her through—Rattling money in pockets—Being loud—Falling for every girl he meets—Sponging—Attending to other's business, masculine "busy bodies"—Talking in church, making "bright" remarks—Staying too long on a date—Making a scene before company—Calling a girl pet names in public—Failing to show respect for women—Being too assured of his own charm—Remaining seated while women stand.

**SENIORS OF '38**  
John Alec Mayfield  
John Alec is one of our most popular students. He is assistant editor of the "Round-Up", and reporter of the senior class. He was an outstanding player on the football team. He received a gold basket ball at the tournament held at Mattson and has been an outstanding player throughout the year.  
John Alec went to Weichert his first 2 years in high school. He is noted as one of our most diligent students. He is good natured and a very good sport.  
Here is best wishes to one of our leading seniors of Mattson.

Elva Couch  
Elva came to Mattson from Haskell, where she went her first three years of high school. She is known for her jolliness and ability to take it.  
Elva is editor in chief of the "Round Up" and we will all say she has been loyal to the paper.  
Elva has been one of Mattson's best basket ball players. She plays guard and due to her popularity was elected captain of the team.

**CEMETERY NEWS**  
The regular monthly meeting of this association convened March 2nd at 3 p. m. in the Holden Funeral chapel. Miss Ruby Fitzgerald with her primary pupils dramatized two stores, after which they presented everybody present with a beautiful red tulip. The president called on the secretary for the minutes, after which a report on the Chamber of Commerce supper was given. \$109.00 total receipts and expenses: Drayage \$5.00, napkins, paper plates and groceries \$24.18. The money derived from this and the booth during the fair will be used to clean alleys and refill graves anywhere in the cemetery.  
Through mistake one white granite pie pan is missing. Please return this to Jones, Cox. It belongs to Mrs. Cox.  
A large number of people are caring for their own lots. This is very commendable, as it betokens the love the human heart longs for and also helps to beautify the cemetery.  
We now have a regular sexton, Mr. Murl Davis. Please make your requests to him, and complaints to any officer in this organization. It is our desire that this assistant be efficient in this work.  
Thanking everyone for your continued cooperation we bid you wait to see if we continue true with you in keeping your lot.  
April 6 at 3 p. m. in Jones, Cox Funeral Parlor is our next meeting date. Will you come?  
Reporter.

Recently Organized Ericsdale Girls' 4-H Club Elects Officers

A 4-H club for girls was organized Tuesday, February 1, 1938 at Ericsdale. Miss Mildred Vaughan, the Home Demonstration Agent explained the work of 4-H club girls. We are to carry on two projects during the spring and summer. Each girl is to make a dress and slip for herself and raise 25 chickens. The chickens are to be hatched by March 15.

Miss Vaughan also explained the work of a demonstrator. Girls are to volunteer to be demonstrator. The girl elected is to carry on more work than the other girls. For instance, she must raise 50 chickens instead of 25. She must also be ready at all times to help the other members.

Two weeks later, at the second meeting the following officers were elected:

President—Lucille Ferrell. Vice President — Dorothy Shaw. Secretary and Treasurer—Alice Ferrell.

Reporter — Lucille Ferrell. Demonstrator—Lucille Ferrell. We have started our work by hemming some articles by hand. The girls are doing nicely in this. We have our sewing boxed equipped with tape measure, rule, hem gage, needles, pins, pincushion, emory bag, thread and little notebooks. We shall start our slips at once. They are to be finished with "flat felled" seams.

The following girls are enrolled: Lucille Ferrell, Alice Ferrell, Lyla Ferrell, Ethel Farrell, Lorena Ferrell, Dorothy Shaw, Virginia Shaw, La Verne Alston, Billie Hill, Evelyn Strickland, Dorothy Strickland and Alma Burger.

Daughter for Mr. and Mrs. Bill Brock

Mr. and Mrs. Bill Brock of this city are announcing the arrival of a fine young miss at their home on Thursday March 3rd, answering to the name of Edna Faye. Mother and babe are doing nicely.

Byron G. Wright For Re-Election As Co. Treasurer

We are authorized this week to announce the candidacy of Byron G. Wright, for re-election to the office of County Treasurer in coming Democratic primaries. Other than to state that "his hat was in the ring," Mr. Wright had no statement to make at this time regarding his candidacy, but later during the campaign he will probably submit a formal statement to the voters.

Mr. Wright, efficient and popular official, needs no introduction on our part, as he enjoys the friendship and acquaintance of a majority of the residents of Haskell county due to his long residence here and to his capable administration of the County Treasurer's office. His experience has well qualified him for continued service, and he will base his campaign for re-election solely upon record in the office.

As the duties of his office permit, Mr. Wright expects to make a county-wide canvass to discuss his candidacy personally with the voters. In the meantime, he will appreciate any consideration given his claims, and solicits the continued support of the voters.

Library Has Wide Appeal In February

Open to the public on twenty days during the month of February, the Haskell municipal library issued a total of 725 books to readers during that time, and increase over the same period last year, when 565 books were circulated, according to the report of Mrs. Ethel Irby, librarian.

The report also shows that 354 books were loaned to girls, 164 to boys and 207 to adults. Fiction loaned to adults numbered 156 volumes, and works of non-fiction preferred by adults numbered 51 volumes.

Average daily circulation during the month was 36 volumes, the smallest for a single day 18, and the largest in one day 55 volumes.

One hundred and eighty-nine magazines were donated to the library during the month, and 67 distributed. One book was donated, while 41 volumes were purchased, 88 mended and 3 rebound, the report further shows. Rentals collected during the month amounted to \$4.10.

Buildings On Hospital Site Will Be Sold
