Lions Queen

JUDY OGLETREE

CROWN A SYMBOL OF COURAGE

Judy Ogletree Is Lions Club Queen

Five years ago Judy Ogletree was learning to walk again.

Tuesday night, walking with the charm and grace of a Princess, she won the coveted crown of Olton Lions Club Beauty Queen of 1959. She will represent the club in district competition at the district Lions Club convention in Plainview late this month.

Second place went to Gayland Graham and third place to Judith Chester.

Miss Ogletree was sponsored by Taylor Shamrock Service Station. Miss Graham was sponsored by Ed Thompson Implement Company and Miss Chester was sponsored by Kelley's.

Judges were Carl Carpenter of Lubbock and William Freeman of Amarillo.

Judy was stricken with polio when she was about 7 years old. She was hospitalized from November until the following January.

When she was dismissed from the hospital she was unable to walk. Finally she was permitted to go back to school and made her way painfully about the campus on crutches.

She underwent two operations—one in 1953 and one in 1954. She had to learn to walk all over again after the 1954 operation.

Judy's courage will compare favorably with that of any of the pioneer mothers who faced the discouragement and dangers of the frontier. She never gave up.

"It doesn't bother me at all now," Judy declared. However, she is bothered a little. She is unable to wear high heels.

Not only is Judy one of Olton's most beautiful young women, she also is a fine student and good citizen at Olton High School where she is in her senior year.

She is a member of the National Honor Society, Mustang Band in which she plays first flute and a

member of Future Teachers of America. She is on the annual staff and the staff of the Student Chronicle. She also is treasurer for Future Homemakers here.

Olton Relay Team Topples Two Records

Olton's fast-stepping Mustang relay teams toppled two records at the Crosbyton Relays last week and this week were girding themselves for a sterner test in the Sandie Relays at Amarillo.

The 440 yard relay team posted a time of 44.2 to smash the record set by Abernathy in 1956. The previous record was 44.6. The team is made up of L. H. McAdams, Randee Buchenau, Jimmy Robbins and Royce Bodkin.

State record in this event is a scant half second faster than the Olton boys ran at Crosbyton.

The mile relay team also did some record breaking. Time on that run was 3:34.2. This bested a record set by Sundown in 1955. The record had been 3:35.1 until the Olton team came along.

The mile relay team is made up of Arno Hall, Jimmy Robbins, L. H. McAdams and Royce Bodkin.

In other events, Bodkin was first in the 440 yard run with a time of 51.5. Record in that event is 51 flat and was set by a Sundown boy on a short track in 1955. The record was set on a track that was only 432 yards in length.

Robbins was second in the 220 event. Buchenau was third in the same run. Buchenau was second in the 100-yard dash and Billy Hair was fourth in the low hurdles.

Paul Ray Montgomery tied for fourth in the high jump.

The Sandie Relays will be held Friday and Saturday. Preliminaries will be held Friday. Finals will begin at 1:30 o'clock Saturday afternoon.

NOTICE
The Olton Enterprise will be observing early deadlines next week as the plant will be moved next Thursday to its new building just across the street from Senior High School.

Vegetable Man Knows His Beans; To Speak Tues.

An expert on pinto bean production will discuss that crop at a farmers meeting to be held at 8 o'clock next Tuesday night in Olton High School Study Hall.

Sponsoring the program are Max Malone and Calvin Horn, vocational agriculture instructors, and Stillwell Russell, Littlefield, Lamb County coordinator of veterans education.

Pinto bean production will be discussed by Joe Cole, Lubbock, A&M extension specialist for vegetable production. Mr. Russell said Mr. Cole will discuss planting, irrigation, insect control, harvest and marketing of pinto beans.

Final Load Of N-6 Safflower Arrives Friday

Final shipment of N-6, irrigated variety of safflower seed, will arrive in Olton Friday.

"When that is gone, it's just gone," said Wilton Bodkin, state board member of Farmers Union which is sponsoring safflower production on the Plains.

Mr. Bodkin said some 800 acres have been committed in the Olton community but contracts have been received on only 100 acres.

He admonished producers to get their contracts for growing into the office of Elvis Hatley on Highway 70 in northeast Olton as soon as possible.

Ted Lord, president of International Safflower, was in Olton Monday afternoon. He and Charlie Corn, safflower irrigation specialist, spoke at a meeting here.

Mr. Lord explained his company's portion of the contract with producers. International Safflower and Texas Farmers Union proposes to build an oil extracting plant somewhere on the Plains.

Mr. Corn discussed the growing of safflower. He said safflower may safely be planted anytime up to the first of May.

General Rain Over Territory

General rains fell over the Olton area Tuesday and Tuesday night. James Gallagher, who keeps the official rain gauge here, measured 1.75 inches. Amounts varied from a half inch to two inches over the territory.

D. Y. Ray Triumphs In Race With Hollingsworth Tuesday

MR. MAYOR

D. Y. RAY

CAMPAIGNERS SWAP CIRCULAR THRUSTS ON EVE OF BALLOTING

Mayor D. Y. Ray was returned to office Tuesday by a margin of more than two to one.

Mr. Ray defeated former Mayor Lefty Hollingsworth as the climax to a mayoralty campaign which grew hotter by the minute right up to the time for polls to open.

Mr. Ray polled 190 votes and Mr. Hollingsworth received 84.

It was Mayor Ray's second victory over Mr. Hollingsworth in a write-in election, in a manner of speaking. Mr. Ray was himself a member of a write-in ticket which swept Mr. Hollingsworth from office back in 1955.

Two Councilmen
In other city balloting, Fred Thompson and Bob Duncan took the councilman race to succeed Lynn Fite and C. A. Cox. Mr. Thompson won by the largest plurality in the race. He polled 227 votes. Mr. Duncan received 172 and Mr. Hestand 82. Lynn Fite received 8 write-in votes.

Circulars
Although most townspeople realized that Mr. Hollingsworth was very much a candidate for mayor, a quiet election appeared in the offing until Monday morning. A handbill attacking the city council's use of city funds was circulated Monday morning and the political pot began to heat.

Answer
Ray's forces retaliated with a handbill taken house to house Monday night on the eve of election. That circular purported to answer questions raised in the first and hammered at an alleged shortage of \$4,887.92 in the city books at the end of Mayor Hollingsworth's tenure of office in 1955.

Heavy Vote
Election Judge Howard Hall said voting was heaviest about 3:30 o'clock in the afternoon. He said there also was heavy balloting just after the polls opened at 8 o'clock.

He said inclement weather had little or no effect on the voting. "They kept right on coming in even when it was pouring down rain," he said. There was a total of 280 votes cast, Mr. Hall reported.

Balloting in the school board election Saturday was very dispirited. Only 158 votes were cast.

Fred Hicks and Roy Roberts replaced G. T. Sides and Louis Hair, incumbents who also were candidates for re-election, on the board. Mr. Hicks received 100 votes and Mr. Roberts 102 votes. Mr. Sides received 49 votes and Mr. Hair received 63 votes.

Olton To Host District Meet

Olton was the only school in the district to be represented in every event, Mr. Waldrip said. Schools participating include Abernathy, Lockney, Morton, Muleshoe and Olton.

Two contests Olton won by default. Olton was the only school to be represented in girls' debating. This team is made up of Gayle McAnally and Judy Price.

Also unopposed is Larry Jordan, junior boy declaimer.

Here are Olton High School's contestants: Sonny Bryant and Dan Long, boys' debate; Barbara Gray, senior girl declaimer; Judy Pinson, junior girl declaimer; David Hamm, senior boy declaimer; L. H. McAdams, David Hamm and Sonny Bryant, slide rule; Joyce Curtis, Janice Campbell and Lawana Oliver, typewriters; Judy Price, Sydney Hair, principals, and Joyce Curtis, alternate, spelling; Mary Scribner and Gayle Machen, ready writers; Lana Hair, senior girls' poetry reading; Harvey Jordan, senior boys' poetry reading;

Pat LaFrance, Charlotte Gibson, principals, and Shirley Cherry, alternate, shorthand; and L. H. McAdams, Joe Price and Geneva Curry, number sense.

Ralph Glover and Lester Thompson are in charge of advertising and publicity.

Mr. Fred Thompson is in charge of recruiting cooperation from civic organizations. All businessmen and householders of the town have been urged to cooperate.

Mr. Jones succeeds Louis Hair as head of the board. Mr. Hair was president of the board for two years.

Lloyd Graham was named vice-president and Lonnie Neinst was elected secretary.

In other business, the board awarded a \$12,055.00 bid for desks and cafeteria tables and chairs to Hoover Brothers of Temple.

ORC Swimming Pool Opening Set May 15th

Opening date of Olton Recreation Center swimming pool has been set May 15. This decision was reached Monday night at a meeting of the ORC board of directors.

Joe Turner has accepted management of the swimming pool for the 1959 season.

ORC directors laid plans for construction of a bag room where members may leave their clubs. Fee for such service will be \$2.00 per month. Of this amount, \$1.50 will go to the pro for cleaning and maintaining the clubs and 50 cents will be retained by ORC to pay for construction of the bag room.

Teachers To Be Honored Guests At Banquet Here

Olton teachers will be guests of honor Thursday night of next week at a Teacher Appreciation banquet which will be held in the school lunch room.

Tickets are now on sale at the Chamber of Commerce office, Hall-Sides Motors, Inc., Thompson Chevrolet, Olton State Bank and Southwestern Public Service. Adult tickets are \$1.50.

The Teacher Appreciation banquet is a joint undertaking of several of the community's clubs and civic organizations.

Sponsoring organizations include the Chamber of Commerce, Lions Club, Parent-Teachers Association, Olton Study Club, Olton Garden Club, New Century Study Club and Bykota Study Club.

The Garden Club is in charge of decorations. New Century Study Club is in charge of the program and the P-TA is in charge of publicity.

Ticket sales will be handled by Olton Study Club and the Bykota Club will handle invitations. The Lions Club and Chamber of Commerce and Agriculture have pledged support of the project.

Preparing food will be members of the luncheon staff. Olton Future Teachers will serve. A spokesman for the P-TA said the banquet will become an annual affair.

Wednesday of next week is the deadline for obtaining a banquet ticket.

OHS Musicians Win Honors In PV Contests

Olton High School has a first-rate music department and proved it last Saturday at the instrumental solo and ensemble contest in Plainview.

Olton received 42 first division medals at the regional contest.

Band Director Fred Stockdale said presentation of cadet band medals will be made at the band parents meeting to be held April 14. High school medals will be presented at the band and chorus banquet April 17.

As a comparison of previous years, Olton received 14 first division medals in 1957 and 22 in 1958. Mr. Stockdale said second division winners will receive certificates.

Mr. Stockdale said second division winners will receive certificates.

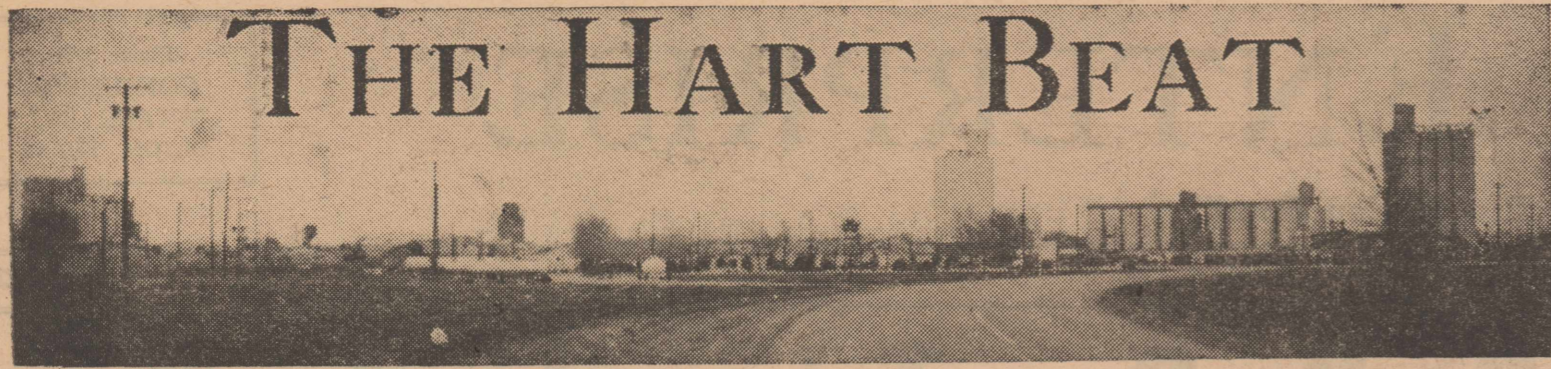

Sign Contract

Cotton Lewis is shown here handing over a check to Hugh Lorimer of Doane Agricultural Service. It is the first installment on a Doane Agricultural Survey to be run here. At last count, the Doane fund had \$5,131.50. About \$5,300 was needed to foot the entire bill. Work on the project is scheduled to begin the week of April 27. Lacy Armstrong's committee was the top fund raiser for the campaign.

Hawkins Returned To Post; District Elects Trustees

Willis A. Hawkins Sr., was re-elected mayor of Hart in city balloting Tuesday. Elected to the city council were T. B. Cox and Roland Shepard. All three men were running un-opposed.

Mr. Hawkins received 17 votes; Roland Shepard 16 votes and T. B. Cox, 15.

M. L. Aven and Glen Reed were re-elected to the Hart School Board in voting here Saturday, despite write-in votes for seven other persons.

The two incumbents nearly tied in number of votes. Aven received 58 and Reed, 56. Roy Pyeatt swept away 68 votes in the county-at-large election, with 24 for Lester Dowell of Dimmitt.

In the Precinct 1 and 2 balloting, Roy Pyeatt polled 2 votes and M. L. Aven, 1.

Write-in votes for the Hart trustee positions were tallied as follows: F. A. Smith, 29; O. C. Kittrell, 19; Mrs. Charles Martin Jr., 14; Theron Morrison, 3; B. H. Rodgers, 1; Willis A. Hawkins Jr., 1; Mrs. Willis A. Hawkins Jr., 1.

Sharon Bass Sings For Olton Lions

Miss Sharon Bass of Hart was guest soloist for the Olton Lions Club last week.

She was accompanied on the piano by Miss Naomi Brooks, also of Hart. The two were presented by Hart School Supt. Paul Kennedy. The are the daughters of Mr. and Mrs. D. A. Bass and Mr. and Mrs. Paul Brooks.

Ronnie Farris Acclaimed In Coach Magazine

Ronnie Farris, Hart High's ace cager, received recognition in the current issue of Texas Coach magazine, official publication of the Texas High School Coaches Association.

In a section devoted to basketball, Ronnie's picture and story appeared under the caption, "From Across the State, These Boys Are Among Best; Leaders of Their Teams."

Following is an excerpt from the magazine article:

"Ronnie Farris is Hart High School's 5'8" 18-year old senior that any coach would like to have.

"Weighing 145 pounds, he participates in all sports. As far as basketball, the boy is great. He takes over on the floor and keeps the rest of the team going. Ronnie has been an outstanding playmaker since his sophomore year. He dribbles and handles the ball expertly. He has a nice set shot from outside, and a fine jump shot from any spot around the key.

"Ronnie is also president of the senior class, and a member of the annual staff. He ranks in the top ten percent of his class scholastically, maintaining a high 'B' average."

Pastor Begins Sermon Series

Rev. Lyman P. Wood will begin a series of sermons from The Sermon On the Mount in the Hart Methodist Church beginning April 19.

The Sunday evening sermons will be from the gospel of St. John. Guest speaker April 24 at 7 PM will be Rev. R. L. Kirk, district superintendent of Plainview District. This will be the fourth quarterly conference, and a business meeting will follow the worship service.

Beauty Shop Opens Saturday

Formal opening of Mrs. Jehu Beeson's Hart Beauty Shop will be held Saturday, April 11.

Mrs. Beeson finished her training in Lubbock in January. She has lived in Hart about three years. Her shop is located in the rear portion of the new building just completed by O. D. Dinwiddie.

Building Still Underway Here

Building—both business and residential—continues in Hart.

Farmers Grain Co. recently moved offices into a new five-room structure with central heating and air-conditioning.

Hart Lumber Co. will occupy its building within the next ten days or two weeks. It will be operated by Harold Smith and C. R. Jones.

O. D. Dinwiddie is constructing a three-bedroom house just west of his home. It will feature a utility porch.

Hill's Store And Olton Enterprise Teams Take Trophies In Volleyball Tournament

First-place trophies in the Senior Class volleyball tournament were presented Saturday night to Homer Hill's Store and the Olton Enterprise teams.

Players for Hill's Store were Bill Hill, Loyd Davis, Joe Percy Hart, Truman Swopes, Leon Mitchell and Cleve McLain. Second-place trophy in the men's division went to Parson's Funeral Home of Olton.

On the winning girls' team were Lawanda Brooks, Mary Bennight, Glenda Hardy, Edna Davis, Sandy Johnson and Mary Taack. Dimmitt Sheet Metal team received a second-place trophy.

Games were played each evening except Wednesday last week. In the men's tournament, each team had to lose two games before it was out of the tourney.

Sponsors in the women's division, other than The Olton Enterprise and Dimmitt Sheet Metal, were Walt Hansen Grocery, Tip Top Cafe, Green Frog Cafe, Ed Harris Lumber, The Hart Beat and Bob's Super Market.

Sponsoring the men's teams were Hi-Point Fertilizer, H&S Produce, Sunnyside Farmers, Farmers State Bank Hart Oil Co. and Dimmitt Faculty.

Irlbeck Places In Panhandle 880 Yard Dash

Two Longhorn Thinclads brought honors to the Hart team in the Panhandle relays last weekend.

Daniel Irlbeck placed fourth in the finals, with a time of 2:10.2 in the 880-yard dash. Gene Varner qualified for the finals in the 100-yard dash, the 180-yard hurdles, and the 220-yard dash.

Other Thinclads participating in the relays were J. D. Myrick, Thomas Holster, Orville Hughlett, Larry Lee, Ralph Myrick, Junior Featherston and Jerry Fielder, manager.

Thomas Holster Receives Cage Scholarship

Thomas Holster, Hart senior, has been awarded a basketball scholarship to Frank Phillips College at Berger.

Holster, 6'4" center for the Longhorns, was outstanding in rebounding and in scoring. He was named to the All-District team, a unanimous choice.

In a two-hour basketball tryout held last Thursday at Berger, Holster's ability showed that he merited the scholarship, according to Bud Simpson, coach at Frank Phillips.

Hart Women Model In Dress Revue

Four Hart women participated in the Castro County dress revue in Dimmitt last week.

They were Roma Lee Swindle, leader, Ann Bell, Jo Hankins and Irene Brooks. They modeled jacket-dresses, and coat suits. All styles modeled were handmade. Garments also shown from Hart were made by Loydus Burrus and Ruby Davis.

About 40 women modeled the fashions. Sybil Stringer, home demonstration agent, was teacher for the leaders from each community participating.

Attending from Hart were Bessie Mae Cox, Claudelle Avens, Margie Murray, Ione Garrett and Geraldine Aberant.

Dates To Remember—
April 12—Sunday School and Church service at six churches in Hart. Attend the one of YOUR

CHOICE
April 13—Meeting of Producers Co-Op Gin; Lions Club; Fire Dept; Hart P-TA.

"Tis said, "April showers bring May flowers." So far, not many showers, but the warm days have given us SPRING FEVER. Most everyone is working in the yard and garden.

Birthstone of April is diamond or sapphire, and flower is sweet pea or daisy.

The fruit trees are in full bloom, shade trees are leafing out and DANDELIONS are "UP and AT 'UM". Let's all try to kill the DANDELION in our yard. We do not want them, nor does our NEIGHBOR.

Have seen several dead dogs along the street and road side. Do you remember an article in our paper not long ago about how some of the women in our town were ready to take things in their own hands if the dogs continued to trespass the yards and gardens? One lady heard a noise in her chicken yard, or house. Upon investigating, she found three dogs. Only two were able to leave her premises. She actually clubbed one of them to death. So if your dogs are still running loose, they may not get home sometime.

One man volunteered to catch dogs for \$1.00 per head. Thought he might supplement his salary quite a bit for a few days at least.

Most people, love a dog, or pet, and do not want it harmed, but seems our town is a dumping lot for unwanted dogs and cats.

Have you and I ever stopped to think, sometime when we ask a favor of someone, like shopping for us while in town, or baby-sitting, that we might be causing an inconvenience to the friend, mother or mother-in-law?

That other person might be in a hurry to return home, or for baby-sitting, she too might have made plans, but she will not say NO, when asked to keep the grandchildren, nieces or nephews, even neighbor children. We have ever so many school girls available for baby sitting, and their charge per hour is not a price that one cannot afford.

Did you notice last Wednesday the flag at the Post Office was flown at half-mast? One of our citizens asked Mrs. Brooks why. Her reply was "We may fly our flag half-mast when one of our prominent citizens has died." In our town, to us, each individual is prominent. We each have a place to fill and a job to do.

Think it only befitting we pass our BOUQUET this week to a single man, not an old BACHELOR, but an unmarried man. Who has Hart anymore at HEART than Bud Steiret? He is always trying to get something done for the betterment of our

youth? He is very active in his church affairs, American Legion and Lions Club. If the widows and orphans of a Legionaire need assistance, Bud is always available to assist them in getting their compensations.

Without the background of Christian parents, Mr. and Mrs. L. A. Steiret, Bud might not have been the MAN he is today.

Bud, we are proud of you and your THOUGHTFULNESS of OTHERS. Your HEART is DEFINITE LY in HART.

P-TA Will Hear Hart Singers

Special music for the Hart P-TA meeting Monday evening at 8 o'clock will be presented by one of the Hart Choral groups. These groups are directed by Mr. Froshner of Dimmitt. There will also be a discussion on the subject "Leisure Time, Both Constructive and Destructive."

An invitation to the public is extended.

Fourth-Graders Have Pinata

Highlight of the Easter party held by Mrs. Shelby's fourth-grade students recently was a pinata.

Made by Mrs. Diaz, mother of student Susie Diaz, the pinata was a pot filled with candy. The object is for students to take turns trying to break the pot. Domingo Navarro was successful in breaking the pot.

NOTE OF THANKS

I wish to thank my many friends who sent flowers, cards and notes while I was ill; especially those who gave blood for the transfusions; and those who brought food to the home. Also for the many visits of my friends. All these expressions of love have meant so much. Thanks again.

Mrs. Casey Jones

Mr. and Mrs. E. W. Stone were honored Sunday afternoon with a surprise housewarming in their new home.

Guests were received by Mrs. Stewart Newsum and registered by Mrs. Calvin Alexander. Serving were Mesdames Bill Mason, J. C. Jackson, Harold Smith, James Kennedy, and Mrs. Calvin Alexander was also in the house party. Special guests were Mr. and Mrs. E. Ramey and Mrs. Leslie Malena, Hereford; and Mrs. Ed Hathaway, Dimmitt.

KITCHEN KORNER BY LELIA GALLION

One of the most important influences on a child's attitude toward food is his parents' attitude. If you dislike a food and do not prepare or eat that food, the child may never learn to like it. It is difficult to feed a child a well-balanced meal if you have a number of prejudices in food, to say nothing of the social embarrassments they can cause to both a guest and hostess.

Chickens are a very good buy in the meat line this week. Cabbage, lettuce, celery and bananas are listed for your produce good buys.

Smothered Chicken

1 fryer
1 can cream of mushroom soup
1 cup milk
Prepare chicken for frying pan, brown in small amount of fat. Do this quickly turning as soon as it is brown. Remove from skillet; place in greased or foil lined baking dish. Pour mushroom soup over the chicken; add 1 cup milk, sprinkle top with bread crumbs, parsley flakes and dots of butter. Bake at 300 degrees for 45 min. This makes a pretty dish as well as one which can be fixed ahead of time.

Menu for our good buys of the week:

- Smothered chicken
- Green Peas
- Hot rolls
- Mashed Potatoes
- Cole Slaw
- Banana Cream Pie
- Pickles or Relishes

This is a very good dressing for cole slaw:
3/4 cup sour cream
2 tbl. vinegar
2 tbl. sugar
Salt and pepper to taste
Since our tastes vary, you may please your taste.

Junior, Chapter Degrees Awarded Girls; Dr. Freeman Speaks At Best Beau Banquet

Dr. John Freeman, professor of psychology at Wayland Baptist College, Plainview, was keynote speaker at the FHA Best Beau Banquet Friday night.

The affair, which was held in the school cafeteria, was attended by FHA members, their dates, club sponsors and husbands, and the high school administrators and wives.

Gayland Graham, president of the club, was mistress of ceremonies. She presented the club sponsors, Mrs. H. B. Maxey, Jr., and Mrs. Archie Sorley, surprise gifts from the club.

Don Hardy, OHS senior, was crowned FHA Prince Charming by Miss Graham. He was elected for the honor last fall.

Gibson Wins

Charlotte Gibson was named to The Olton Enterprise Homemaker of the Year award. Miss Gibson was also named FHA high-point girl for the year, enabling her to attend the state FHA meeting.

Runners-up for the Enterprise award were Linda Clark and Gay-

land Graham. All the girls are seniors.

Francis Presley was recognized because of her achievement in winning the state FHA degree.

Mrs. Maxey and Mrs. Sorley announced the girls which had successfully done work toward their junior and chapter FHA degrees. These girls are as follows:

Charlotte Gibson Wins Olton Enterprise Homemaker Of The Year Award Friday

Charlotte Gibson, daughter of Mr. and Mrs. J. T. Gibson, was awarded the Olton Enterprise Homemaker of the Year award at the FHA Best Beau Banquet

Friday night.

Charlotte was also named high-point FHA girl at the banquet. This honor enables Charlotte to attend the FHA state meeting in Dallas the latter part of this month.

Miss Gibson has been very active in FHA, serving as secretary of the club this school year. She was chosen by the home economics instructors for the honor because of her interest in FHA, home economics and active participation in the organization. Other points considered were achievement and scholastic rating in home economics.

Runners-up for the award were Linda Clark and Gayland Graham. To be considered for the honor, the girls had to be a member of FHA, and enrolled in Homemaking III.

Miss Gibson has served as chairman of several committees in FHA and was active on various other committees. She won several ribbons in the FHA division of the

cafeeteria, the streamers touched the floor, with pink balloons adding to the decoration. Silver stars were hung from the ceiling as was a large silver moon.

Centerpieces were of pink collapsible material with a drawing of the theme in silver. Nutcups, program covers and napkins with a drawing of the theme in silver. The nutcups were identical to the centerpieces, except for being in miniature.

Lace net ran down the center of the tables. Stars and white candles with blue glitter were other table decorations.

"Rendezvous to the Stars" was written on one wall in silver with a mural of the theme on the same wall. Both a boy and girl manikin on stairsteps were near another wall.

Olton Stock Show in February.

Charlotte is a senior in OHS and is a member of the FHA, the FTA, and the Pep Squad. She served as president of the latter club this year. She is also an active member of The National Honor Society.

"Moonlight And Roses" Is Theme Of Banquet; Junior Class To Honor Senior Class Members

Junior Class of 1959 will host the annual OHS Junior-Senior Banquet Saturday night in the school cafeteria.

After-dinner speaker will be Joe Harper, OHS Superintendent. Elmer Moore, co-ordinator at the school, will give the farewell speech.

"Moonlight and Roses" is the theme chosen for the affair. Nap-

kins, program covers, placecards, centerpieces and nutcups are to follow this theme.

Coronation of the Senior King and Queen will take place at the banquet. Junior Class members will choose the couple by secret ballot. The class sponsors, Mr. and Mrs. Harry Ford, are to announce the winners.

"Shine on Harvest Moon" will be sung by Koenia Schenck, a junior. A girls' quartet will sing, "Moonlight and Roses." The girls are Sue Witten, Joyce Curtis, Gayle Machen and Johnny Craw-

ford, all juniors. The Melody Aires of Abernathy will also entertain.

Invocation is to be by Mr. Ford and benediction by Mr. Harper.

Gerry George, Junior Class president, will be Master of Ceremonies and give the welcome. Response will be said by James (Sonny) Bryant, president of the Senior Class.

Those attending the affair will be the host Juniors and Seniors, faculty members and their husbands or wives, school board members and their wives, administrators and wives, and the Junior Class room mothers.

Seven boys and seven girls from the Sophomore Class will serve the meal.

Three-Minute Report Wins First At Meet

1956 Bykota Study Club won first place honors in the Junior Clubs Division with its "Three Minute Report" at the District Convention of Texas Federated Women's Clubs held in Borger recently.

Mrs. J. P. Nafzger and Mrs. Douglas Owen represented the Bykotas at the meeting.

The report is a brief summary of the club's activities in the past year.

Listed in the report were the following activities: conducted the Mother's March of Dimes, contributed to the Texas Tubercular Association, and to the State Hospital at Wichita Falls. The club is pledged to help with the rededication of the Legion Hut and will award \$100 scholarship to a senior girl at graduation. This project is financed by the annual Spring Fashion Show, sponsored by the club.

Featured speakers at the convention were Dr. Fred Schwartz, Sidney, Australia; and Dr. Olive Wheeler, Texas Tech, Lubbock. Dr. Schwartz spoke on the threat of world communism and Dr. Wheeler's subject was the aims of educating children.

Mrs. Coen Honored With Layette Coffee

Mrs. Bob Coen was honored with a layette coffee April 2 in the C. L. Low home.

Coffee and doughnuts were served from a yellow covered table. A centerpiece of jonquills and forsythia decorated the table.

Mrs. Tommie Ballard registered the gifts. Approximately thirty women attended.

Hostesses' gift was a high-chair. Hostesses included Mesdames Low, Ballard, Bill Collins and Forrest Latimer.

OPTOMETRY: The Art and Science of Visual Care

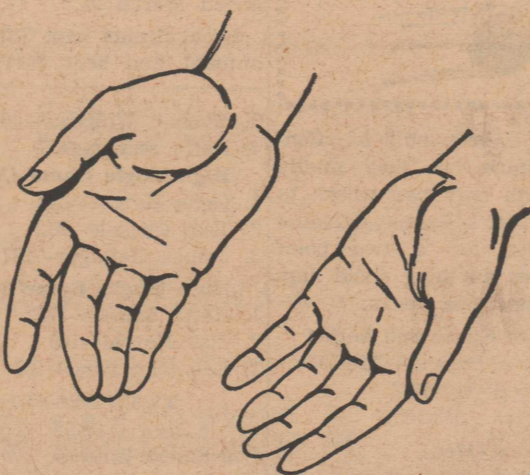

These are MY eyes . . .

Don't let this tragedy strike in your family. Protect yourself and your children against accidental blindness.

Since more accident-blindness occurs in or near the home, move all acids and sharp-pointed objects out of the reach of youngsters. Be sure to shield your own eyesight while hammering nails, using a saw, or doing other work that may endanger your precious eyes.

Regular yearly vision examinations may also prevent blindness in you and your children.

This picture was submitted by Mrs. Herbert Martens of Griswold, Iowa. It was taken in 1911 at Olton High School. Mrs. Martens then was Miss Irene Wolhenhaus, daughter of Hank Wolhenhaus who farmed in the Olton community. Mrs. Martens' mother used to take her to school in a buggy. Soybean Planting May Double Halfway Research Team Declares

Inquiries received at the High Plains Station at Halfway indicate that soybean planting in 1959 will probably more than double the 55,000 acres planted in 1958. This increase will probably follow the trend noticed during the past two years, according to Dr. Jimmy H. Davis, Associate Head of the High Plains Station.

The Lee variety is apparently

preferred due to the yield and the comparatively non-shattering characteristics. Fifty varieties and strains of soybeans were tested in the 1958 season in the hopes of finding an even better variety suited to the area. Thirty-three of these varieties were experimental.

The soybeans were planted June 14 and harvested November 7. The seeding rates studied were

40, 50, 60 and 70 pounds to the acre. In 1958 the best seeding rates were 60 to 70 pounds to the acre, compared to 50 to 60 pounds in 1957. In 1958 the seed showed 80 percent germination which amounted to 56 pounds of pure live seed at the 70 pound planting rate.

The soybeans were irrigated just prior to bloom, at full bloom and again in mid-September. Fertilizer tests showed 2.6 bushels increase over the non-fertilized plots when 40 pounds of nitrogen and 80 pounds of phosphorus were applied. The increase in yield were not enough to pay for the fertilizer.

The soybean plant fixes nitrogen in the soil and improves the character of the soil. Thorough inoculation of the seed with bacteria before planting is important. Experiments have shown that failure to inoculate will cut the yield 50 percent. Soybeans are combine harvested as soon as dry, usually after the first frost.

Travis Walden Completes Course

Aberdeen Proving Ground, Md. (AHTNC)—Army Pvt. Travis E. Walden, son of Mr. and Mrs. Ernest W. Walden, Star Rt. 2, Olton, completed the ten-week machinist course March 27 at The Ordnance School, Aberdeen Proving Ground, Md.

Walden was trained to operate metal working machinery used in casting, modifying and forging automotive and armament parts.

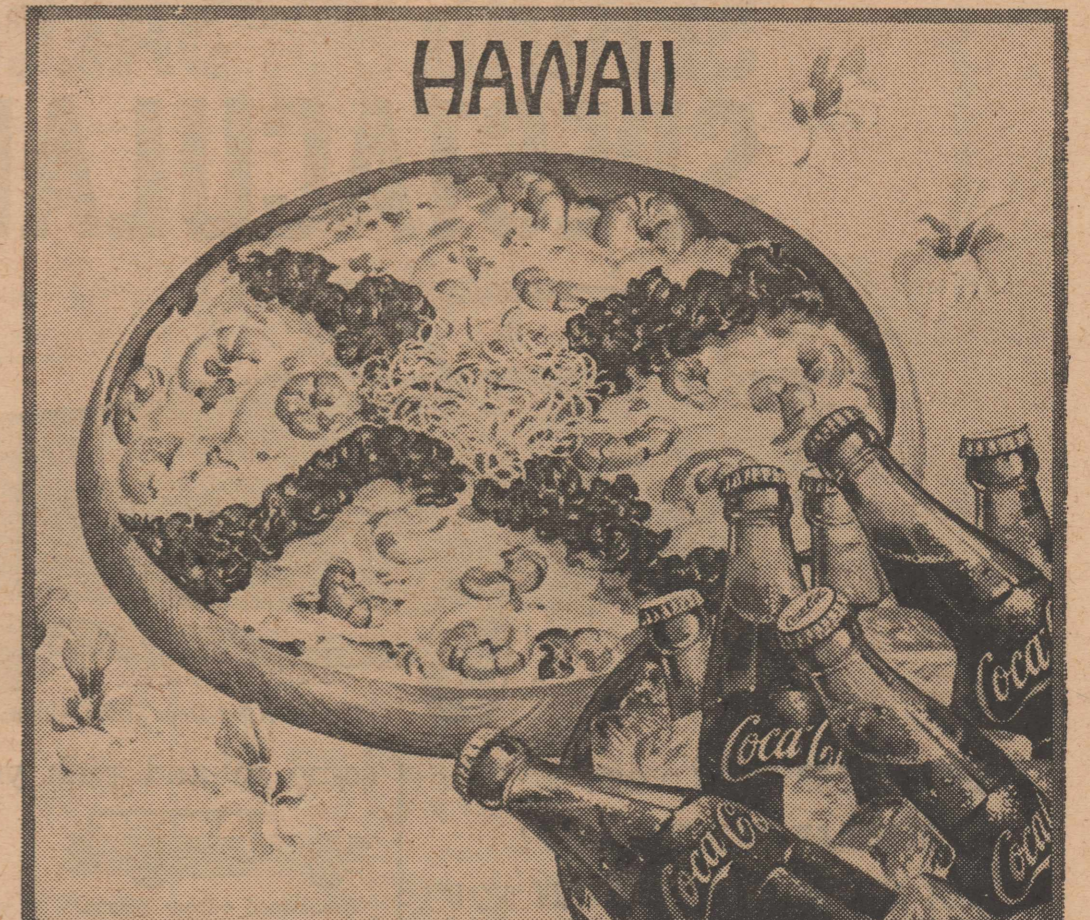

He entered the Army in September 1958 and received basic combat training at Fort Carson, Colo.

A 1953 graduate of Olton High School, the 24-year-old soldier attended Texas Technological College.

DELICIOUS DISHES FROM ABROAD—SERVED WITH COCA-COLA, WORLD FAVORITE!

HAWAII—Aloha Casserole (Shrimp and spinach casserole). To 2 cans condensed cream of mushroom soup add 1 cup sour cream, 1 cup sliced mushrooms, 1/2 cup grated Parmesan cheese, 1/2 tsp. dry mustard. Heat, stir in 2 cups cooked shrimp. Layer in serving dish with 1 lb. cooked spinach. Garnish with toasted coconut. Serves 6. Really special served with the cold crisp taste of Coke, that so deeply satisfies.

MEXICO—Chili con Carne Mexicali (Chili beans with corn). Mix 1 can chili con carne with 2 cups whole kernel corn, 1 cup water, sliced ripe olives. Alternate with corn chips in greased casserole. Bake in 350° oven 30 min. Delicious with Coca-Cola. Its cheerful lift makes the whole meal more fun.

SWEDEN—Smorgasbord Sandwich (Boiled beef sandwich). On buttered bread, put a slice of boiled beef, top with tomato slices, shredded horseradish, pickle relish. It's just made to go along with ice-cold Coca-Cola. Best-loved sparkling drink in all the world, enjoyed over 58 million times a day!

It will take you about 4 minutes to find out why

It Pays to Own a Dodge!

(It could save you hundreds of dollars!)

Okay, it's settled. You've thought about it and talked about it and now you've decided: A new car—and soon. Now for the jackpot question. Which '59 car will it be?

Unless you happen to be a Mr. Gotrocks, you'll probably think pretty carefully before you finally make the move. You'll do more shopping and compare more closely. And you'll ask yourself some basic questions. How much will a new car cost me to buy? How much will it cost me to drive? What do I get for my money?

There is no mystery about new car prices

Until this year, it was hard to compare different makes of cars to find which offered the most value for the money. It was like comparing apples and bananas. But not any more. Not since all new cars are required to carry price labels. Now, for the first time, you can compare various makes and models and see exactly what you're getting for your money. It's like exposing the hole cards in a game of stud poker: You know exactly where you stand.

Why should you buy a Dodge?

No one has to tell you that there are a number of cars on the market that sell for less than a Dodge. No cigar on that count. You know it and we know it. But there are things you get in a Dodge that you simply can't get in these other smaller cars. And this is important. Dodge gives you all of these things—the bigness and roominess, the comfort and ride, the luxury and prestige—for less than other cars in its field.

It's not just a few dollars less, either; in many cases it's literally hundreds of dollars less. Some Dodge models are even priced lower than the so-called "low-priced cars." (We'll be happy to show you the actual suggested retail prices.)

All cars cost money to run—but how much?

It would be nice if you just bought a new car and that was that. It didn't burn gas. Didn't use oil. Never needed service. But that's wishful thinking. Cars do use gas and oil. They do need service occasionally. But that doesn't mean that all cars cost the same to drive and maintain. Not by a jugful. There's a big difference.

Dodge is designed to run for less

Dodge has always had a reputation for economical operation. People who have owned them have found it costs less to run a Dodge, and that a Dodge needs service less often.

Take gasoline economy. The new Dodge 326 cu. in. Red Ram V-8 engine, because of its design and efficiency, will take you miles farther on a gallon of gas than any other V-8 in the Dodge field. You save money every mile you drive.

But that's only part of the story. The way Dodge is engineered and built saves you money on such things as engine wear, brake relining, tune-ups, spark plug replacement. When you add them all up, they represent quite a saving. Another reason why it pays to own a Dodge.

What do you get for what you pay?

According to Manufacturer's Suggested Retail Prices, Dodge generally costs less, model for model, than other cars in its field. Fine and dandy. But while price is important, it isn't the only consideration. The real standard of value—whether you're buying a new car or a can of

beans—is what you get for what you pay. It's the "extras" you get at no extra cost that really determine which car is the best buy.

Dodge gives you more for less

Talk is cheap. Anyone can make claims. So let's be specific about the extras you get in Dodge at no extra cost. Torsion-Aire Ride—conceded the finest suspension in the industry—standard equipment on all Dodge models. Total-Contact Brakes, Safety-Rim Wheels, Electric Windshield Wipers, Independent Parking Brake—all standard on Dodge. Of course, you can also choose from such Dodge options as Push-Button Driving, Full-Time Power Steering and Swing-Out Swivel Seats.

There's a big difference in comfort, too

Goodness knows, we certainly don't want to knock competition. But we feel obligated to point out the comfort and convenience of the '59 Dodge. If you've tried getting into some of the other '59 cars you know just what we mean. To say it is difficult would honestly be an understatement. That's why we hope you'll come in and compare the difference in Dodge. How much easier it is to get in and out of a Dodge. How much more comfortable it is to sit in a Dodge. How much more room you have to stretch out. Really, it pays to own a Dodge.

It doesn't cost a penny to get the facts

We don't expect you to rush in and plunk down your money for a new Dodge just on the basis of what you've read. But if what you've read seems to make sense, we do hope you'll stop in to see, to drive and to price a Dodge. We think it's a whale of a buy, but then maybe we're prejudiced. Why not drop in and judge for yourself. We'll be more than happy to give you all the facts. No obligation, of course.

Top Yields of Cash and Silage Crops, Using Ammonia

Art Hegi, successful Hale County farmer, says: "I use Phillips 66 Ammonia pre-plant on all my crops. My yields per acre since starting to use ammonia are: cotton, 2 bales; grain sorghum, 4500 pounds; castor beans, 1900 pounds; Sargo silage, 20 tons.

"My practice has been to apply Phillips 66 Ammonia in the following amounts: cotton, 45 pounds per acre; sorghum, castor beans and sorghum silage, 100 pounds. My yield increases have given me considerably higher profits per acre."

Other successful Southwestern farmers have

discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain and ensilage are increased . . . profits on wheat and small grains are increased through higher grain yields and improved forage . . . more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia . . . it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Luxurious warming comfort — the kind an electric blanket gives you — is what you get from electric heating — a gentle warmth that makes you feel, oh, so cozy.

It's rather amazing to some people that you can get such gentle, safe warmth from electric heating for so little cost — but, it's true. A typical electric wall heater, for example, operates for less than 3¢ an hour and for completely electric house heating there's a new, even lower, heating rate.

Farm Management Short Course To Be Held In Olton Next Week

A four day farm management short course is scheduled to be held in Olton, Monday through Thursday of next week, under the sponsorship of the high school vocational agriculture department. The course will be organized and conducted under the direction of Olton Vocational Agricultural Teachers, Calvin Horn and Max Malone. Instructor in the short will be Lloyd Bergsma, Farm Management Specialist for the Vocational Agriculture Division of the Texas Education Agency. Bergsma has had extensive experience in management of farming and commercial feeding operations and is a former employee of Doane Agricultural Service, a firm providing farm management information and consultative service to farmers on a nation wide basis. Among his achievements in the farm management field, Bergsma and his family received the State of Kansas Balanced Farming and Farm Living Award in 1951. During his tenure with Doane Agricultural Service Bergsma conducted a Community Development Project in Sherman County. He recently completed a farm management course at Lockney, which according to LaBay, Area Supervisor, Plainview, met with unanimous approval of those participating. Bergsma points out that main emphasis in the farm management course will be placed on farm planning. He states that he expects to cover such subjects as use of market outlook information in the farm business; keeping and using records, farm income tax, securing and using credit wisely, and selecting the right combination of farm enterprise for efficient use of labor, capital, and equipment. The first session in the farm management course is scheduled to get underway in the Vocational Agriculture Building of Olton High School at 7:30 PM next Monday. Arrangements to enroll in the course can be made through Calvin Horn or Max Malone or through the Superintendent of Schools. An entree fee of \$2.00 per farmer is to be charged for the course. The services of Bergsma and other specialists are made available to the public schools to conduct training on a short course basis for adult farmers and ranchers under a program initiated by the Vocational Agriculture Division of the Texas Education Agency. Specialists are now available to public schools in the fields of farm management, dairying, farm welding, tractor maintenance and insect control. Arrangements for use of specialists for schools in the Lubbock area are made through the office of Walter LeBay, Area I Supervisor of Vocational Agriculture, Plainview. The main purpose of the program according to LaBay is to enable vocational agriculture teachers to provide better educational service to farm people.

Bohner School Students Awarded Literary Trophy At District Meet

Bohner School students won the first place trophy in literary events at the District II-B meet in Floydada, scoring 77 points. In second place was Snyder with 70 points. Helen Nash was first in junior declamation and Cecilia Graves was first in story telling and Margie Williams first in essay writing. Travis Harris and Little Bell were first in number sense. Sarah Logan and Margie Williams won first place in junior spelling and Mary Thomas and Cecilia Graves were third place winners in sub-junior spelling. Elizabeth Averyhart won first place in senior declamation. Instructors for the various events include Mrs. B. T. Graves, story telling; Mrs. E. C. Woods, sub-junior spelling; E. C. Woods, essay writing, junior spelling and boys' athletics; B. T. Graves, number sense and girls' athletics; and Mrs. Tom Stansell, piano. Participating in the meet were Olton, Levelland, Brownfield, Snyder, Floydada, Anton, Sudan, Hale Center, Slaton, Seminole, Spur and Tahoka. All first place winners except Eric Graves (story telling) will go to the state meet which is to be held at Prairie View A&M College April 18. Second place winner in number sense also will go to the state meet. Bohner's 440-yard relay team was first in the meet with a time of 47 seconds. It is made up of Curtis Casey, David Green, Johnny Harris and Travis Harris. The mile relay team posted a time of 3 minutes, 51 seconds. That team is made up of David Green, Euel Jackson, Curtis Jackson and Travis Harris. Lonnie Graves, Jr., won the mile run. David Green placed second in the 880. Curtis Jackson placed second in the 180-yard low hurdles. Euel Jackson was third in the 440 and Charles Casey was third in the 220. In the girls' track events, the 440 yard relay team placed third. It is composed of Nettie Sheffield, Lizzie Hawkins, Dorothy Hood and Little Bell. The same team placed second in the 200 yard relay. Little Bell won the 50 yard dash in 6.2 seconds. She will go to the state meet in this event for the third year. She is a senior. She also placed second in number sense, entitling her to go to the state meet in that event also. She will have to choose between track and the literary event as they will be held at the same time.
