IT MAY BE A BLESSING

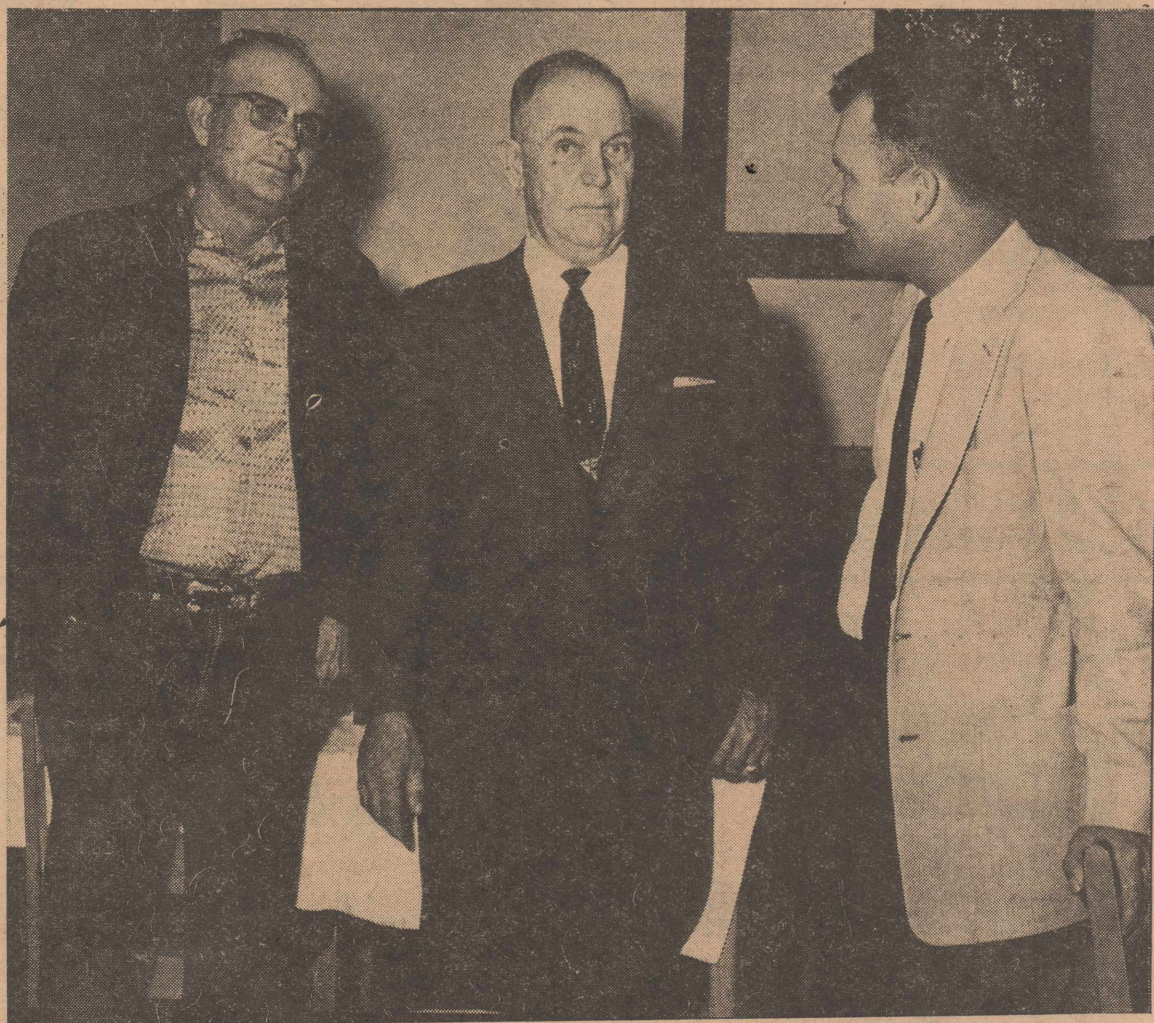

We've never seen the town and community so all-fired enthusiastic.

Here are a few of the things that are cooking now. A new oil seed program that could bring a processing plant and greenhouse with 40 year-around workers to Olton leads the list.

A feed lot is in the mill and some concrete work is being done toward its realization.

Olton FFA boys have been getting their show pigs from afar. Now Olton has a Swine Breeders Association that promises to provide such pigs not only for Olton boys but for boys of the area. A pig sale will be held in the fall and registered pigs of all the major breeds will go on the block.

## Texas Farm Bureau Chief Says Price Support Drop May Help

### MILO WILL MOVE ABOVE BENSON RATE HARRELL WEST DECLARES

Drop in price supports on milo was hailed as a possible blessing in disguise Tuesday by J. Harrell West, Texas Farm Bureau president, as he visited briefly with a group of farmers in Olton.

Mr. West said he believes that milo will go to the market place next fall at prices well above the support price set by Secretary of Agriculture Ezra Taft Benson. He said that milo now well may take its "rightful place at market with corn."

The Texas Farm Bureau chief hastened to point out that the price support drop was not in accordance with the wishes of Farm Bureau.

He went on to explain some of the actions of the secretary of agriculture in dealing with milo and corn price supports.

"It is very serious," declared Mr. West, "and it is hard to understand their action. We had every reason to believe that milo would be up around \$1.85."

#### Partial To Corn

He said the Department of Agriculture in the past has given corn a preference over milo when there was a choice to be made in putting one or the other on the market.

He cited a specific case in 1957 when corn went on the market and milo stayed in the warehouse. "They weren't going to let milo jeopardize the corn market," Mr. West declared.

He said the department recognizes that corn and milo have about the same feed value.

"They got panicky about milo," Mr. West declared. He said milo production increased 30 percent last year over 1957 and the department found that it would be taking over about 50 percent of the crop and paying 36 cents a hundredweight in export subsidies.

He said that on the other hand the department was faced with taking over only about 10 percent of the corn crop and paying only 10 cents in export subsidy.

"This isn't as bad as it might look," Mr. West went on. "My conviction is that this milo crop (Continued On Back Page)

### Ira I. Bennett Taken By Death Early Thursday

Ira Isaac Bennett died early Thursday morning at the home of his daughter, Mrs. Vernon Carlisle.

He was 76 years old. Mr. Bennett had made his home with Mrs. Carlisle for the past two months.

He was born Dec. 15, 1882 in Georgia. He was married Dec. 13, 1903 in Montague County.

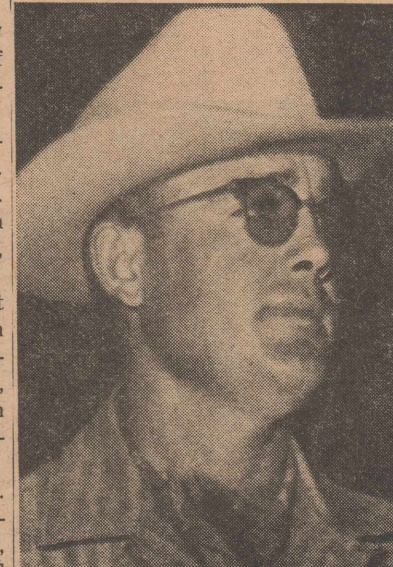

Funeral services will be held at 2:30 o'clock Friday afternoon in Olton Methodist Church. Officiating will be Rev. Russell McAnally, pastor. Burial will be in Olton Cemetery under direction of Parsons Funeral Home.

Palbearers will be grandsons. They include Royce Bennett, Clifford Carlisle, Vernon Carlisle, Jr., Coy Carlisle, Archie Ragland and David Carlisle.

Mr. Bennett was preceded in death by a son in 1932.

Survivors include the wife; Mrs. Carlisle; two sons, Cecil, Shallowater, and L. D. Bennett, Stockton, Calif.; a brother, H. N. Bennett of Littlefield; a sister, Mrs. Elsie Dacey, Clovis; and nine grandchildren and nine great-grandchildren.

### Gene Cade Is Named Head Of Swine Breeders

Gene Cade

Gene Cade has been named president of the Olton Swine Breeders Association.

Other officers elected for the newly-organized association include William DeBerry, vice-president; and W. T. Hall, secretary-treasurer.

The association already has planned a fall pig sale. The group hopes to produce purebred pigs for the Olton Stock Show as well as project swine for the boys of the surrounding area.

Association officials said the group hopes to produce 70 litters of pigs this year with an average of three show pigs to the litter.

Tentative date for the first annual pig sale is Oct. 31. It will be for pigs farrowed between July 31 and Sept. 15.

The group was to hold another meeting Thursday night at the vocational agriculture room in Olton High School building.

Anyone interested in the organization should contact any officer of the group for further information.

### Brackets Complete In Senior Class Volleyball Tourney

Thirty-two teams will participate in the Senior Class volleyball tournament which was to get underway Thursday night.

Tournament officials said 16 men teams and 16 women teams are entered.

Proceeds from the tournament will be used to finance the Senior Trip. The class hopes to go to Washington, DC, this year.

### Mother Of Four Olton Men Dies

Mrs. Emma Moses, mother of four Olton men, died early this week at Commerce.

She had lived here at Olton in the 1940s.

She was the mother of Hubert, John, Dewey and Forest Moses. She was ill only a few days before her death.

Funeral arrangements were not learned immediately.

Mrs. Moses is survived by her husband, Johnny, two daughters who live in Fort Worth, as well as the four sons.

### Frank Rites Held In Iowa Last Sunday

John Michael Frank, 74 years old, died last Thursday at the home of a daughter, Mrs. Roy McFadden.

Mr. Frank had lived with his daughter since last November.

Mr. Frank was born Oct. 2, 1874. Funeral services were held last Sunday afternoon in Atlantic, Iowa. Parsons Funeral Home was in charge of arrangements here.

Survivors, other than Mrs. McFadden, include four sons, George L., Boulder, Colo., Glenn, Cumberland, Iowa, and Calvin and Dan, both of Lewis, Iowa; two other daughters, Mrs. Edwin Meyer, Cumberland, Iowa, and Mrs. John Martin, Sudan; and 14 grandchildren and 21 great-grandchildren. One great-grandchild was among the survivors.

A son preceded him in death in 1958 and a daughter in 1918. His wife died Feb. 13, 1952.

NANCY BRIGANCE SCORES

Saturday was a proud day for 12-year-old Nancy Brigance.

She saw her shorthorn steer walk off with Grand Champion honors in the annual FFA, FFA and 4-H Club Stock Show here.

The animal weighed 1,038 pounds and was bought at 75 cents a pound by Olton Co-op Gin Company. Breeder of the Grand Champion was B. C. Cooner.

Nancy is a sixth grade student. She has been showing for the past three years. Her steer placed first in the lightweight division here last year.

She showed second and third place animals in the Plainview show in 1957.

Showing the reserve champion of the show was Eddie Carson. Eddie is a first year FFA student. His animal was purchased by Investors Security Company of Lubbock at 55 cents a pound.

Weldon Motley showed a Duroc Barrow to the grand championship in the swine portion of the show. Weldon is a first year FFA boy. His animal was purchased at 84 cents a pound by Edmonson Wheat Growers. It weighed 227 pounds.

Reserve champion swine was shown by Roy Neal Jones and was purchased by Merrill's Farm and Ranch Store at 55 cents a pound. It weighed 194 pounds. Roy Neal is a third year FFA boy.

Grand Champion sheep was shown by John Lynn Burrow. It was purchased by Olton State Bank at \$1.25 a pound and weighed (Continued On Back Page)

### BOARD GIVES PLANT GREEN LIGHT

## Olton May Be Site For Huge TFU Seed Oil Mill

Olton is one of the sites under consideration for a huge new seed oil processing plant to be built at a cost of some half million dollars.

This information came this week from officers of Texas Farmers Union which will build the plant in conjunction with Safflower Oil Corporation.

The plant—if built—will employ 40 to 50 people year around.

The oil mill will be owned jointly by Texas Farmers Union and Safflower Oil Corp., of Boulder, Colo. Fifty-one percent of the stock will be owned by TFU and 49 percent by Safflower Oil Corp.

A group of Farmers Union officers and members met last week in Lubbock with representatives from Safflower Oil Corp., to discuss plans for the new plant and production of Safflower as a money crop here on the Plains.

Attending the meeting from Olton were Leroy and Wilton Bodkin, Roy Roberts, Clovis Potet, H. B. Carson, Emmett Harper and Paul Nafziger.

Wilton Bodkin is a member of the TFU executive board.

Board members and the Safflower Oil Corp., agreed to solicit plantings of a minimum of 20,000 acres of Safflower for 1959 with a guaranteed price of \$62 per ton for the 1959 crop.

Safflower oil is a raw material (Continued On Back Page)

### ORC Schedules Easter Egg Hunt March 29

Olton Recreation Center's annual Easter egg hunt will be staged Sunday, March 29 at the Center.

This announcement came this week as the ORC board of directors held a regular meeting.

Basil Sherman is in charge of preparations. ORC officials said 500 additional eggs will be hidden this year in view of the large turnout last year.

The board named Joe Turner to manage the ORC swimming pool during the 1959 season. The pool is to be opened in mid-May.

A number of standing committees were named. They include T. J. Roberson, Bob Richmond, Merrill Brigance, greens committee; Fred Thompson, Lynn Fite and C. A. Cox, building committee; Owen Norfleet, Norlan Dudley and J. B. James, membership; C. A. Cox, Bob Richmond, Ralph Glover and Troy Martin, tournament committee; Mrs. Howard Buchenau, Mrs. Sim Hayes and Mrs. Bob Duncan, swimming pool activities committee; Mrs. Fred Thompson, Mrs. Elmer Moore,

### Girl Scouts Start Cookie Sales Friday

Olton Girl Scouts will begin their annual cookie sale Friday, according to Mrs. Lee Langford, neighborhood chairman.

They will be selling cookies through March 21. Price is 50 cents per box. Each box contains 22 creme-filled sandwich cookies or 27 chocolate mint cookies.

### Meadows Mentor Hired As Olton Basketball Coach

Charlie Rand has been employed as basketball coach here to replace Jimmy Goss, who has resigned.

Mr. Rand is now head basketball coach at Meadow where his teams have had considerable success during his tenure.

In 1957 he took both his boy and girl teams to the state meet. Last year one of his teams won the district and this year saw him beaten out in the bi-district.

Mr. Rand is 26 years old and he and Mrs. Rand have two children. He attended Tom S. Lubbock High School and then went to Texas Tech where he majored in mathematics.

### Four Men File For Seats On School Board

Four candidates have filed for the two seats on the Olton school board.

They include incumbents Louis Hair and C. T. Sides and Fred Hicks and Roy Roberts.

Mr. Hair is an Olton ginman. The other three candidates are farmers.

### CCCA Meeting Slated Friday To Talk Crops

A general meeting of Olton Chamber of Commerce and Agriculture has been called for 7:30 o'clock Friday night in the school cafeteria.

The group will discuss safflower production and a feed lot for Olton. Anyone interested in these two items is urged to attend.

### Three Olton FFA Lads Win Calves At Houston Show

Three Olton boys won calves in the calf scramble at the Houston Stock Show Saturday night.

They are Gary DeBerry, Jimmy Lawson and Randlee Buchenau. The boys each were presented with a certificate good for \$125.00 when used to purchase a heifer calf.

Twenty boys participated in the (Continued On Back Page)

### \$2,800 To Go On D. Survey, Deadline Looms

About \$2,000 has been raised for the Doane Agricultural survey, according to Chamber of Commerce and Agriculture officials.

A total of \$4,800 is needed to complete the survey. Deadline for raising the money is a week from next Saturday.

About 20 persons are working on the fund campaign. Committee chairman is Raymond "Cotton" Lewis.

### School To Get Two New Busses; Renovate One

Olton school board this week voted to buy new rolling stock to beef up the school's transportation system.

The school will deal with Bill Pendley of Lubbock for installation of a 60 passenger bus body to be installed on a new chassis at a cost of \$435.20.

The school will buy two new 54 passenger buses at a cost of about \$4,500 each.

### USGA Appendix LOCAL RULES

Rule 36-7 provides: "The Committee shall make Local Rules for abnormal conditions, having regard to the policy of the Governing Authority of the country concerned as set forth in the Appendix attached to these Rules.

"A penalty imposed by a Rule of Golf shall not be waived by a Local Rule."

Among the matters for which Local Rules or other regulations may be advisable are the following:

1. Clarifying the status of sections of water hazards which may be lateral under Definition 14c and Rule 33-3.
2. a. Clarifying the status of objects which may be obstructions under Definition 20 and Rule 31. b. USGA suggests the following Local Rule where appropriate: "Concrete, masonry or other construction in a water hazard for the control of water or as supports for bridges or bridge abutments on the banks of water hazards are not obstructions under Definition 20."
3. Specifying the means used to define out of bounds, hazards, water hazards, lateral water hazards, and ground under repair.
4. Establishment of special areas on which a ball may be dropped when it is not feasible to proceed exactly in conformity with the Rules for immovable obstruction (31-2) and for water hazards and lateral water hazards (33-2, 3).
5. Providing relief from artificial curbing of roads and paths (under Rule 31-2), especially when the ball lies on natural substance.
6. Preservation of the course, including turf nurseries and other parts of the course under cultivation on which play is prohibited.
7. Temporary conditions which might interfere with proper playing of the game, including mud and extreme wetness warranting cleaning the ball and or lifting an embedded ball on specific individual days (see detailed recommendations below).

### Everman MODERN, RUBBER MOUNTED FLOATING-HITCH DITCHER

### "Finest Ditcher Ever Built!"

Says John Bradley

I have found my Everman Ditcher one of the finest I have ever used. The wide, clean ditch it makes carries plenty of water. I like the feature of having a one-man ditcher. I like the way it transports, no lifting or loading. I get away from a lot of shoveling by being able to back the ditcher into another ditch and pull away. The water follows.

By removing the ditcher blades and putting on an Everman sub-soiler I have deep-chieled 50 acres. This was a lot cheaper than buying a separate sub-soiler chisel. I pulled it at a depth of about 18" with ease with my three-plow tractor.

John Bradley

• Make or clean ditches yourself with the Everman. Now available in two sizes. Mechanical or Hydraulic Control for any standard farm tractor.

• For pan-breaking slip the ditcher wing off the beam and install the Everman Pan-Breaker. Under favorable conditions your farm tractor will pull the pan-breaker at a depth of from 14" to 20".

## Home Ceremony Unites Vonnetta E. Abbey Douglass William Stockham Jr., Sunday

Mrs. and Mrs. Douglass William Stockham Jr.

Vonnetta Elkins Abbey and Douglass William Stockham, Jr., of Tucson, Ariz., repeated wedding vows Sunday afternoon in the home of the bride's parents.

Parents of the couple are Mr. and Mrs. Laymon Gerald Elkins, Olton, and Mr. and Mrs. Douglass William Stockham, Sr., Miami Beach, Fla.

Rev. Raymond Carson read the single-ring ceremony as the couple stood before the fireplace in the Elkins home. A bouquet of roses was atop the mantle of the fireplace and pink candles were on either side of the roses. White wedding bells were suspended from ribbons and decorated the mantle.

Flanking the mantle were baskets of pink roses and greenery. Soft recorded music and "The Lord's Prayer" were played preceding the ceremony.

Candlelighters were Twyla Dawn Abbey, daughter of the bride, and Cynthia Ann Elkins, niece of the bride. Assisting them were Gerald Elkins of Hart, brother of the bride.

Mrs. Gerald Elkins, Hart, served her sister-in-law as matron of honor. She wore a royal blue sheath dress with pink accessories. Her corsage was of pink carnations.

Harley F. Miller of Olton served the groom as best man.

The bride was attired in a fitted navy dress of imported silk. The dress was of street length and featured a circular neckline in the front, tapering to a V in the back.

The waist of the dress was accented with a soft, gathered midriff that criss-crossed at the center of the waist.

Hat, gloves and shoes of horizon blue completed the bride's attire. Her bouquet was of horizon blue carnations and was centered with a gold wish bone from Mrs. Tom Smith.

Carrying out the time-honored traditions, the former Vonnetta Abbey wore an 1885 Indian head penny in her shoe, and wore earrings borrowed from Mrs. Lera Beth Freeman. The bride's dress, hat, and accessories served as something new and something blue.

Mother Wears Gold

Mrs. Elkins chose a gold rayon and acetate street length dress for her daughter's wedding. The dress was trimmed in brown and was worn with brown accessories. Her corsage was of golden carnations.

The reception was held in the home also. The bride's table was covered with a cut-work cloth over pink. The table was centered with an arrangement of miniature pink roses.

Table appointments were flatware and crystal. The three-tiered wedding cake was decorated with pink roses, white swans, and tiny leaves of green. A miniature bride and groom, encircled in a heart of pink roses, topped the foremost layer of the cake.

Punch Served

Wedding punch was served from a crystal bowl. Besides the cake and punch, cocktail nuts were also served.

Silver candle holders with long pink candles graced the background of the table.

Members of the houseparty were Mrs. Lera Beth Freeman and Mrs. Eleanor Sudduth, both of Olton. Mrs. LaVelle Elkins of Amarillo registered the guests.

The couple is to be at home near Olton following their return March 22 from a trip to points in Arizona. The couple will depart from Arizona via plane to Mexico City and Acapulco, Mexico.

Mrs. Stockham was graduated from Cotton Center High School, where she was very active in school associations. She then attended Texas Tech, Lubbock. Prior to her marriage, she was employed by the Howard Hall Insurance Agency.

Mr. Stockham attended Merceburg Academy in Pennsylvania and Auburn College, Auburn, Ala. He was an Air Force pilot during World War II. Mr. Stockham is now employed as an agricultural pilot by A. N. McDonald.

Out-of-town guests were Mr. and Mrs. LaVelle Elkins, Amarillo; Mr. and Mrs. J. W. St. Clair and Juanita, Muleshoe; Mrs. Maggie Dyer, Mr. and Mrs. M. K. Fisher, Don and M. K., Jr., Hale Center; Mr. and Mrs. Johnnie St. Clair, Jana and Johnnie Lee.

## Presbyterian Ladies Entertain At Social

Presbyterian Ladies Auxiliary sponsored the meeting of the Golden Age Social Hour February 26 in the Legion Hut.

After the opening song, the program was turned over to Mrs. Murray Snyder. The devotional was given by Mrs. Toby Dodson. Mrs. Fred Stockdale gave a reading, "The Growing Pine." A poem, "Growing," was read by Mrs. Snyder.

Mrs. Eddie Moore led the group in the singing of religious songs with Miss Joyce Curtis accompanying.

Small flags on gumdrops carried out the George Washington theme. The favors, along with angel food cake, ice cream, coffee and punch were served to Mesdames M. A. McCraw, Bessie Cowart, Lora Vaughn, T. Y. Wilks, Annie Richards, C. B. Turner, Jodie Morris, C. M. Owen, Louisa Dennis, Jessie Allen and J. E. Jones.

Also to Messrs. and Mesdames L. S. Kennedy, S. P. McSwain, G. A. Bodkin, Lee Sherman, J. A. Wheeler, F. M. Holland, and Messrs. C. T. Mason and Giles Gordon.

Hostesses present included Mesdames Toby Dodson, Murray Snyder, W. G. Morris, Eddie Moore, Fred Stockdale, James Martin and Miss Joyce Curtis, and sponsors, Mrs. Joe Chester and Mrs. Tom Smith.

## Roylene Bundick, Tommy Harlan O'Neal Repeat Wedding Vows In McClain Home

A double-ring ceremony, read by Rev. John E. Lewis, united Miss Roylene Bundick and Mr. Tommy Harlan O'Neal in marriage Saturday afternoon.

The home of Mr. and Mrs. Charles McClain was the scene for the wedding. Vows were repeated as the couple stood beneath an arch covered with pink carnations. Candelabra on the arch held pink candles.

Parents of the former Miss Bundick are Mr. and Mrs. Travis Bundick of Olton. Mrs. Wanda O'Neal is the mother of the bridegroom. Her home is in Floydada.

"The Lord's Prayer" and the wedding march were played previous to the ceremony.

Miss Phyllis Snider was maid-of-honor. She wore a blue dress made along princess lines, with white accessories. She wore a white corsage.

Brother Serves

Kenneth O'Neal, Floydada, served his brother as best man.

The bride was given in marriage by her father. For her wedding, she wore a white satin street-length dress. The satin was covered with white lace and white chiffon streamers cascaded down the back of the dress. A veil of tulle was shoulder-length.

The bride carried a bouquet of white carnations atop a white Bible.

Mrs. Bundick, mother of the bride, was attired in a blue suit with white accessories. For her son's wedding, Mrs. O'Neal chose a black dress with white accessories. Both women wore white corsages.

Following the ceremony, a reception was held in the McClain home. The bride's table was laid with a pink linen cloth under white lace. Pink punch and a white and pink cake were served to the guests.

Wears Blue

After a short wedding trip, the couple is at home in Hart. For the trip, Mrs. O'Neal wore a baby-blue shirt-waist dress.

Mrs. O'Neal attended Olton High School and her husband attended Floydada High School. He served with the Marine Corps and is now farming.

Out-of-town guests were Mr. and Mrs. M. J. McNeill and Janice, Mr. and Mrs. J. W. Day, Junior and Cindy, Mrs. Wanda O'Neal and Kenneth, Mr. and Mrs. G. H. Day, Floydada.

Mr. and Mrs. N. M. Little, Littlefield; Miss Ethel Walters, Miss Ethel Bundick and Mrs. Ada Bundick, Spade; and Mr. and Mrs. C. C. Griffith, Plainview.

**High Plains Station Makes Irrigation Test**

How valuable is the irrigation water applied to the various crops?

A study of the efficiency of water usage as affected by fertilizer was conducted at the High Plains Station at Halfway in connection with fertilizer research on both grain sorghum and cotton during 1958, Dr. T. C. Longnecker, Head of the Station, said this week.

In the series of tests the dryland grain sorghum produced 2,289 pounds per acre. The same variety with 9 inches of water applied and no fertilizer produced 3,623 pounds per acre, in this test the water was worth \$2.37 per acre inch. When 120 pounds of nitrogen was applied to this variety with 9 inches of water the yield totaled 6,056 per acre making the value per acre inch of water \$5.71 after the cost of the fertilizer was deducted. The same variety of grain sorghum was used in each of the above studies.

Dryland cotton with no fertilizer applied produced 356 pounds of lint per acre. Three inches of irrigation with no fertilizer produced 526 pounds of lint cotton per acre. In this case the water applied was worth \$15.87 per acre inch applied.

Fertilizer applied to the dryland test at the rate of 26 pounds of nitrogen and 78 pounds of phosphorous per acre produced 301 pounds of lint cotton. With 3 inches of irrigation and the same fertilizer application the yield rose to 621 pounds. Profit on the water applied, after paying for the fertilizer, was \$26.92 per acre inch. In the third test, dryland cotton had a fertilizer application of 66 pounds of nitrogen and 78 pounds of phosphorous which had a yield of 311 pounds of lint cotton per acre. To this same fertilizer application three inches of irrigation water was applied with a resulting yield of 697 pounds of lint cotton per acre. Here the value of an acre inch of water applied was \$35.15 after paying the fertilizer cost.

With no fertilizer and 6 inches of water the cotton yield was 611 pounds of lint making the water worth \$14.34 per acre inch applied. The addition of 26 pounds of nitrogen and 78 pounds of phosphate increased the yield to 775 pounds and the value of an acre inch of water to \$20.68. With 66 pounds of nitrogen and 78 pounds of phosphate the yield jumped to 899 pounds of lint per acre and the value of an inch of water to \$25.00.

### Olton Man Is Found Dead Here Saturday

Estaban Muniz, 63 years old, was found dead about 1 o'clock Saturday afternoon in a cellar on East Tenth Street.

Death was attributed to a heart ailment. He had been seen last

about 10 o'clock Friday night. Funeral services were held in the Olton Trinity Mission Baptist Church Sunday afternoon. Officiating was Rev. Glen Godsey, pastor.

Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Surviving is a sister of McAllen.

### Good Cotton Demands Good Seed

The seed you plant for your 1959 cotton crop will be vitally important—more important than in many years. In 1958, there just wasn't enough healthy cotton seed with a high germination. With a year behind us, when LEAF BLIGHT took such a toll by lowering so many grades—why gamble?

### Plant Only Wet Acid Delinted Cotton Seed

Wet Acid Delinted Cotton Seed can be depended upon to put more money in your pocket year after year. That's why each year more and more Wet Acid Delinted Seed are planted.

Plantmaster Seeds—State Certified and Non-Certified—in practically all varieties are available.

## 2<sup>3</sup>/<sub>4</sub>-Bale Cotton

L. H. (Howard) Wheeler, prominent Texas farmer, says: "I farm 1,840 acres. With that much land I have to maintain high yields, year after year. Phillips 66 Ammonia helped me to do that. This past year we watched our cotton carefully, then when conditions looked right, we went in and side dressed it with Phillips 66 Ammonia. The cotton came right on along, setting a high count of squares—and of course that meant a good yield, averaging 2<sup>3</sup>/<sub>4</sub> bales per acre. I use Phillips 66 Ammonia with excellent results on my maize, too."

Other successful Southwestern farmers have discovered that they make more profit per

acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain and ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be applied pre-plant or as a side dressing. It can be easily applied either by you or your distributor. See us today about your supply of Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

**Chevy stops quickest... goes farthest on a gallon!**

Chevy showed the best brakes of the leading low-priced three in a test of repeated stops at highway speeds conducted and certified by NASCAR\*. Chevy also won over the other two in a NASCAR economy run—with the highest gas mileage for 6's and V8's at cruising speeds of just over 55 miles an hour.

Here's a car that knows how to get the most out of a gallon. And it's the only car in its field to bring you hydraulic valve lifters in all popular engines—6 and V8. This means smoother, quieter performance for you.

There are many other advances just as fundamental as the efficiency of Chevrolet's engines and the dependability of its new brakes (with more lining area than any other low-priced car). But why not stop by your dealer's and let Chevy do its own sweet talking!

Texas Farm—

(Continued From Page One) will move above the price support and will find its rightful place with corn.

"This may be the best thing that ever happened to milo. It may get us market acceptance."

Does Not Justify Mr. West said his statement was not an attempt to justify the action taken by the department of agriculture.

"I know Ezra Benson," he said. "I have a high regard for him as a man. I don't think any man in this room could be secretary of agriculture."

Raps Labor Mr. West lashed out at labor. He was particularly bitter about what he described as efforts to organize farm labor. He said the threat of organized farm labor working under the wage hour law with a minimum scale of wages poses a greater threat to agriculture than does the drop in milo prices.

Cotton Problems Mr. West went on to discuss the cotton situation. He said he attended a world cotton meeting in England at which the United States was severely criticized for dumping several million bales of cotton on the market at a loss.

He said that we did the same thing with cotton that we criticized Red China for doing with textiles.

Inflation "The most fearful thing we have to face is inflation," Mr. West expounded. He said that inflation always is followed by some form of socialism. He pointed to Germany under Hitler and France under Charles DeGaulle.

"I don't think we realize what it will mean to us to ruin our money," he declared.

Mr. West said wheat is the country's number one problem crop. He said the 15-acre exemption plan has put farmers all over the country to raising 15 acres of wheat. "It's moved wheat clear out of the wheat belt," he asserted.

Asked by Kenneth Ray if Mr. Benson has accepted the Farm Bureau program, Mr. West replied, "He did on corn."

He said that the farm bureau had sought to have milo tied to corn.

"We'd have been hurt worse if milo had been set above corn," the state president said. He contended that if this had happened, milo would have been priced out of the market.

He said Mr. Benson "didn't have anything to do with cotton."

"We fought through an emergency cotton bill," said the TFB head. He admitted that the A and B plan system under which cotton will be produced this year is a form of the legislation proposed by the Farm Bureau.

Texas Orphan Turning to politics, Mr. West said that the Republicans waste little time in wooing Texas because they know that the Lone Star State's electoral vote is out of reach. The Democrats pay Texas little mind because they figure the Texas vote is in the bag.

"We'd be better off under a two party system," he concluded. Mr. West was accompanied by Buddy Hedges and met at Olton by Ted Hutchins, county Farm Bureau president.

Olton May—

(Continued From Page One) used primarily in the paint and varnish industry. It competes mainly with linseed oil and soybean oil. It also has been used as an edible vegetable oil. Seed will be distributed here this year for growing planting seed for the 1960 crop. It will not be grown for oil processing until next year.

Mr. Bodkin said it is his understanding that safflower has to be seeded early. Some seed will be arriving here in about 10 days.

"We haven't determined the basis upon which they will be distributed," Mr. Bodkin said.

Mr. Bodkin said the seed will germinate in 40 degree soil temperature and requires about 120 days form planting to mature. The crop should be planted between April 1 and June 1. That would bring the crop off in July or August.

Yields up to date have been running in the neighborhood of a ton to the acre. However, improved seed are being developed which are expected to up the yield considerably.

6th Grader—

(Continued From Page One) 111 pounds. John Lynn is a third year FFA boy.

The reserve champion sheep was shown by Jarold Simmons, a third year FFA boy. It weighed 106 pounds and was bought by Olton Butane at 75 cents a pound.

Winner of the clean pen award in the swine division was Robert Duncan. Neil Burrow won the clean sheep pen award. The Ours-born brothers won the clean calf pen award.

Swine showmanship award went to Gerry George, the sheep showmanship award to John Lynn Burrow and the steer showmanship award to Jerry Mathis.

Stock show president B. C. Cooner said there were 15 calves in the show. They bought an average of 39 cents a pound. Fifteen head of sheep exhibited brought an average of 48 cents a pound.

Some 95 head of swine were shown. They brought about 25 cents a pound.

Mr. Cooner said sale receipts totalled slightly more than \$11,000. Judge for the show was Euel Liner, Texas Tech animal husbandry department.

Vocational agriculture instructors here are Max Malone and Calvin Horn.

A complete list of winners may be found elsewhere in this newspaper.

Cracker Barrel—

(Continued From Page One) been doubled over last year. In the not too distant future we may be growing several thousand acres of pickles. This could bring the town a pickle processing plant within a few years.

Olton already is the home town for Texas Research Foundation's High Plains Station. No doubt giant strides in agricultural research will be made there within the next few years.

Probably one of the most progressive steps ever taken by this community was the decision to conduct a Doane agricultural survey here.

The survey deals primarily with farm management and creation of market for crops already being grown as well as for new crops recommended.

There have been all sorts of stories told about this survey. There's even one to the effect that it is an effort to force farmers to plant new crops. HOG WASH!

Information gathered by the experts will belong to the people of the community. A farmer may avail himself of the information or ignore it as he sees fit.

It is certainly a way for we people here to help ourselves. Olton has the distinction of being the first totally irrigated community ever to have such a survey.

Three Olton—

(Continued From Page One) scramble. There were 10 calves. Each boy was given a rope and halter. They had to halter the calf and lead it back across the line in order to receive a certificate.

The boys will each buy a heifer calf. They must make feed reports each month to their sponsor. The calf must be shown in the Houston show next year.

The boys were accompanied to Houston by Mr. and Mrs. Rufus DeBerry and Mr. and Mrs. Drexel Lawson.

Vocational Agriculture Instructor Max Malone and about 10 Olton FFA boys are in Houston this week showing lambs and barrows in the show.

Amarillo Man Buys Farm Store Here

George Caddel of Amarillo has bought Merrill's Farm and Ranch Store.

The Caddells have two children, Sherry, 11 years old, and Jerry, 10.

The store will be managed by Wendell Garner. The Caddells will move here when school is out.

Mr. Caddel is a former Lions Club member, former Jaycee and a member of the school board. Mrs. Caddel is president of a P-TA in Amarillo.

Olton Scouts Take Part In Lubbock Fair

Olton Girl Scouts will participate in the Girl Scout Fair to be presented from 2:30 until 7:30 o'clock the afternoon of March 14 at Fair Park Coliseum in Lubbock.

This information came this week from Mrs. Lee Langford, Girl Scout leader in Olton.

Next week is Girl Scout week in observance of the 47th anniversary of the founding of Girl Scouting in America.

Troops will be working on displays and programs for the Lubbock program, which will be free to the public.

The program at Lubbock will show what Brownie Scouts, Girl Scouts and Senior Scouts are doing in their 11 program fields.

Displays and demonstrations will be in booths in the halls of the Coliseum. Five programs will be given in the building's auditorium.

Seventeen Olton Youngsters Vie In County Show

Seventeen Olton youngsters have entered animals in the Lamb County Junior Stock Show to be held in Littlefield Friday and Saturday.

Shetland ponies have been entered by Gary Dickenson, Dale DeBerry, Deanna DeBerry, Laura Lee Aikin, Marlana May, Karen Lewis and Gayle Machen. Sheep have been entered by Jarold Simmons, Rose Marie Horn and Randee Buchenau.

Swine have been entered by Jerry Mathis, Randolph Schaefer, Ronnie Smith, Danny Cade, De-vern Mandrell, Robert Duncan, Randall Small and John Wayne Hair.

Jimmy Tollett and Carl Nafzger have entered steers.

HART CAMP NEWS

BY MRS. BLANTON MARTIN

Mrs. Bill Weatherly is at home after a stay in Methodist Hospital in Lubbock.

Shirley Leonard and Jerolyn Timmins were overnight guests of Suzanne Martin Saturday. Sunday Jerolyn accompanied Suzanne and her parents to Slaton.

Mr. and Mrs. Weldon Moore of Cortez, Colo., are visiting here with his mother and brother, Mrs. R. S. Moore and Fae. Both families visited Friday and Saturday at Portales with the Grady Moore family.

Weekend guests in the J. C. Muller home were Mr. and Mrs. Bruce Porcher, Littlefield; Mr. and Mrs. Garland Adams, Dimmitt; Rev. and Mrs. Albert Hinkly and Mrs. Robinson, Fieldton. Mrs. Muller is recuperating from an operation in Taylor Clinic, Lubbock.

Mr. and Mrs. Calvin Hukill have moved to their new home in Clovis. Wednesday night the Hukills were honored with a party at Fieldton Baptist Church. They had lived in this community thirty-two years.

Revival services are in progress this week at Hart Camp Baptist Church. Rev. Carlos McLeod, First Baptist Church, Halfway is in charge of the preaching. Donald Thompson, Wayland is in charge of singing.

Mrs. Eula Sullivan has been confined to her bed for several days.

Mr. and Mrs. Andrew Boggs and Greg of Odessa were weekend visitors in the home of her sister, Mrs. Roy Osthus and family.

Mr. and Mrs. Albert Dukatnik and children of Whitharral visited Sunday with her parents, Mr. and Mrs. C. E. Timmins.

Pf. Gordon Foler of Ft. Lewis, Wash., visited last week in the home of his sister, Mrs. R. L. Howell.

Funeral services for Mrs. Mary Abraham, Casner, Wyo. were held Wednesday in that city. Mrs. Abraham was the mother of Mrs. C. E. Timmins. She passed away Sunday after a lengthy illness. Mrs. Timmins and her son, Carl, Phoenix, Ariz., attended the funeral. Mrs. Timmins returned to Hart Camp Thursday.

Larry Timmins was second place winner with one of his hoes at the Stock Show in Olton last weekend. Another hog of Larry's won eighth place. Farmer's Co-Op Gin of Hart Camp bought the second place winner.

SOMETHING FOR HISTORY

Kaysee Martin, 3-year-old daughter of Publishers Troy and Korkye Martin, stoically braved wind and sand Tuesday afternoon to put her footprint in the new concrete of the floor of the new Olton Enterprise Building. Plumbing is complete on the new building and masonry work is to begin as soon as weather permits. (STAFF PHOTO)

Talk Cotton Plans At Meet Here Next Week

A and B cotton crop plans will be discussed here next Thursday night by the Lamb County ASC supervisor.

The discussion will be held in the high school auditorium at 8 o'clock.

A film on "The Great Plains Conservation Program" will be shown.

Children Get Salk Vaccine

Approximately 130 school children received Salk vaccine this week, according to school officials.

Olton doctors contributed their time for the projects. Mrs. Leta Bell, school nurse, said it was the second shot for most of the youngsters, although it was the third shot for some.

Three mothers assisted in giving the shots. They include Mrs. Elbert Hooper, Mrs. Howard Hall and Mrs. Charlie McClain.

Hernandez Boy To Enter Clergy

Raymond Hernandez has announced that he will become a Baptist minister. He made the announcement last Sunday at the Baptist Trinity Mission.

He has been a member of the Baptist Church since last September and has been active in church work.

Raymond is at present Ambassador-in-Chief of the Chapter of Billy Graham. He is 15 years old and is the son of Mr. and Mrs. Manuel Hernandez. In school he takes part in football, basketball and track.

MORE GRANDPARENTS

In reporting the birth of little Kyle Lane Alcorn last week, The Enterprise inadvertently left out the name of the maternal great-grandparents. They are Mr. and Mrs. J. L. Gentry of Holdenville, Okla., parents of Mrs. H. E. Carson.

HAND INJURY

Mrs. Jack Straw suffered a severe puncture of the hand Wednesday afternoon, when a knife

with which she was cutting frozen hamburger slipped.

Several stitches were required to close the wound. She was treated by Dr. Lynn Fite.

## Mary Louise Taack Awarded Scholarship For 4-H Achievement By Plainview Firm

Distinctive 4-H achievement has brought worthwhile reward to Miss Mary Louise Taack, 17-year-old daughter of Mr. and Mrs. Roy Taack.

Mary Louise, winner of the 1958 state honor in the 4-H program conducted by the Cooperative Extension Service, was judged as all-round 4-H girl, as well as for her superior project work.

She is being recognized this week by a display window at Montgomery Ward Co. in Plainview. Many of her ribbons and trophies, as well as samples of her 4-H work, are on display, and she was honored Saturday with a dinner given by the company.

She also received a \$150 scholarship from Montgomery Ward Co. Of the 157 county exhibits, 60 demonstrations and 25 showmanship events entered, Mary Louise has won more than 12 grand and reserve championships, in addition to receiving many other ribbons

and awards.

She has successfully completed 4-H projects in foods, clothing, garden, home improvements, beautifications of home grounds, poultry crop, tractor schooling and electricity.

"Better than these awards, however," says Mary Louise, "is the satisfaction I get from my junior leadership project." She has been a sewing leader since 1955, is president of the Hart 4-H Club and a member of the county council.

## Hart Board Names Teachers For Next Term

Teachers and administrators for Hart school have been elected for next school term by the board of trustees.

Paul Kennedy has been named for his second term as superintendent of schools.

J. V. Wescott has been named high school principal and Royal E. Copeland has been elected elementary-junior high school principal.

## Joe Salem Will Speak To Methodists

Special guest speaker at the Hart Methodist Church Sunday, March 15, will be Joe Salem of Sudan.

Salem has recently traveled through Europe, the Holy Land and Russia. He has served as lay leader of the Plainview District for more than 20 years. He has devoted a great deal of time to church, Boy Scout and other civic work through the years, and recently sold his dry goods business in order to give his full time to such work.

## Lumber Yard Now Going Up

Hart is slated to have another new business.

Harold Smith and C. R. Jones will operate a lumber yard north of Casey Jones Drug Co. on Broadway Street.

The 25 x 100-ft. brick and tile building is being constructed by Mrs. Jesse E. Smith of Erick, Okla. She is the mother of Harold Smith.

These two sweethearts are Marsha Ann, 5, and Jackie Mae, 3—daughters of Mr. and Mrs. C. W. Seago. Their grandparents are Mr. and Mrs. H. H. Sullivan and Mr. and Mrs. H. E. Seago.

## Zealots To Name Woman Of Year

The "Woman of the Year" presentation will be made March 24 at the meeting of the Zealot Club.

The group voted to sponsor the presentation at their meeting February 24 in the home of Mrs. Joe Edd Carson. They donated \$50 to the March of Dimes.

A program of weekly meal planning was presented by Mrs. J. V. Wescott. Assisting Mrs. Carson as hostesses were Mrs. C. Ray Jones and Mrs. Howard Davenport.

Others present were Mesdames Paul Armstrong, Bob Bennett, E. L. Brooks, Tom Neal Burrus, Varle Crick, Darryl Cleavenger, Jimmy Davis, Owen Hankins, Walt Hansen, Willis A. Hawkins Jr., Warren Lemons, Theron Morrison, David Nelson, Howe Parker, Boots Rogers and Eldon Shive.

## Boy Is Born To Englishes

Mrs. Ernest Martin returned home last week from Portsmouth, Va., where she had been visiting with her daughter, Mrs. Cecil English.

Mr. and Mrs. English are the parents of a new baby boy, Cecil Wade, born January 31. They have two other sons, Wayne and Woodie.

English is in the Navy, serving aboard the destroyer USS O'Hara, in the Caribbean. He recently earned one of the seven highest grades in an examination concerned with his line of duty.

English will receive his honorable discharge about May 1.

## Casey Jones Will Report At Lions Club

A report on progress of a medical clinic for Hart will be given next Monday at the meeting of the Hart Lions Club.

Casey Jones, chairman of the committee, will make the report. In charge of the program are Bill Mason and Jess Newsom.

## Phone Workers Visit In Hart

Hart visitors Sunday were Mr. and Mrs. Kenneth Kilpatrick and girls, Lubbock and Miss Eva McDaniel, Plainview.

Kilpatrick is district traffic supervisor for Bell Telephone Co. Miss McDaniel is chief operator for the same firm in Plainview.

## PTA Features First-Graders

Harold McColum, Tulia, will speak at the meeting of the Hart P-T-A Monday evening in the Hart auditorium.

The two first grade classes will also have parts on the program. Teachers of these groups are Mrs. Lanny Tucker and Mrs. Jeanne Dorrough.

## Show Turkeys Attacked Here

Nine show turkeys on the Glen Maples farm were killed Saturday night when dogs presumably attacked the birds.

In addition, five or six other turkeys were injured. They belonged to Mary Helen Maples and were to have been shipped Sunday to Fort Worth for show.

## Mrs. Swindle Has WSCS Program

"Literacy and Literature" was the program subject for the Methodist WSCS last Thursday.

Mrs. Hubert Maples gave the devotional, and Mrs. Bill Swindle presented the program. Closing prayer was said by Mrs. Maples.

## Mrs. Alexander Is Party Honoree

J. P. Armstrong was favored with a birthday dinner Sunday in the Bob Edd Brooks home.

Guests at the affair were Messrs and Mesdames Cody Morlas and Bobby, Lorenzo; Deward Armstrong and family, Lovington, NM; Truman Swopes, Lloyd Davis and son, Owen Hankins and family, all of Hart; Mrs. Alene Lilly, Dimmitt; and Roy Lilly, Sunny-side.

March 10—Meeting in Home Ec Cottage of Adult Homemaker Class at 8:00 PM.

If you did not attend the crowning of the queen for the Annual at the Hart Gym last Monday night, you certainly did miss seeing some of the most attractive young ladies—in fact, 27 of them.

I surely would hate to be judge in affair of that kind. Seems the judges from out of town had a bit of difficulty in making their choice.

(Why our young men will go out of Hart to COURT, when there is so much COURTING MATERIAL RIGHT AT HOME, I can't understand, though there are young men from other communities who come here courting.)

Our attention has been called again to the STRAY DOGS and their destruction, not only to plants and yards but to livestock, other pets, fowls and birds.

Saturday night a group of dogs destroyed some turkeys on a farm just outside town.

If you love your dog, better keep it in the yard, for some of the parents of children are becoming alarmed at the stray dogs on their personal property, and are afraid for their children to play in their own yard.

Think it quite befitting for Mrs. Willie Alexander to be honored on her birthday. She is a wonderful Christian, Neighbor, Friend, Mother, Grandmother, Mother-in-law and Other Mother to a number of little children in Hart for she cares for any number of them.

May you have many, many more Birthdays. "Nanny Widdie."

Have you ever stopped to think of the Faith a child has? When I hear of the progress Glenda Beeson is making I am reminded so much of especially two verses in the Bible. Will give you book, chapter and verse—you find them and read them. Will do you so much good, perhaps increase your Faith a little.

Matthew 17:20 and Isaiah 11:6. Glenda is slowly improving and her Faith has a lot to do with the progress she is making.

Her address is Glenda Beeson, Room 204, Childrens Hospital of Texas; Dallas 19, Texas. If you have not sent her a card, do so; she will love hearing from you. Send her one today.

Pappy and I will soon be leaving for Illinois on our vacation, and Mrs. Bill Gallion, or Lela, as she is affectionately known, will be getting the news while we are gone; also the ads. Please be as nice to her as you have been to me for the past year. Call her 2685, or if you forget the number, call Rodney Smith Farm.

Seniors will be calling on you for your SUBSCRIPTION. Without you, your help and cooperation, we will not have a Hart Beat. Let's keep the Hart Beat beating!

**Busy Bees Have Window Display**

A display of 4-H work by Hart girls may be seen in the window of Joe Newman Insurance Agency.
