4TH OF JULY PROGRAM AT IRBY ATTRACTS CROWD

ate Speaking, Basketball and Dance Were Features

Annual 4th of July picnic, rally and dance in the community Monday was attended, despite several holiday attractions in this conflicting with the event. The affair is sponsored annually by residents of the Irby community. Reservations for office were on program for addresses during afternoon, and this featured a large gathering sections of the county. A clock an old fashioned picnic was the drawing several hundred family friends. The attraction was a dance at the Herman hall, east by community, and this of the day's program, capacity attendance.

Mrs. Bailey Taylor of visited his parents Dr. and Mrs. Taylor and other relatives the week-end. Mrs. remained in Haskell for a

Mollis Allison of Stamford in Haskell Wednesday.

Here for Fourth

Hon. C. V. Terrell of Austin, who is seeking re-election as Railroad Commissioner, was a visitor in Haskell Monday in the interest of his candidacy. He attended the automobile races while here, and made a brief talk before the grandstand to the large number of spectators present.

TRANSIENT FACES BURGLARY CHARGE IN HOUSE LOOTING

Revolver, Clothing and \$25 In Money Taken From Sagerton Home

Jack Emmel, 32-year-old transient, is being held in the county jail on a burglary complaint in which he is charged with burglarizing the Price Martin residence in Sagerton late Wednesday evening.

Emmel was arrested in Stamford Thursday morning by Chief of Police George Flournoy at the request of Sheriff Kemp, who investigated the burglary Wednesday night. Mr. Martin reported the loss of a revolver, belt, several articles of women's clothing and about \$25 in money. The revolver was found in Emmel's possession, as were several other articles identified as having been taken from Martin's home. Emmel had spent all but \$5 of the money, officers learned. A window had been pried open to gain access to the house while all occupants were absent.

Emmel, alias Jack Allen, admitted having served a prison term in Jackson, Mich., for burglary, officers said. He had been released from the Jones county jail at Anson Wednesday morning, officers learned, where he had served a fifteen day sentence for vagrancy. The accused man will be held for Grand Jury investigation of the burglary, Sheriff Kemp stated.

Brisk Holiday Trade Reported By Local Stores

Haskell stores enjoyed a substantial trade during the 4th of July holiday period, according to a majority of merchants interviewed Tuesday. Trade was brisk during the past week-end as vacationers prepared for outings, and a normal business was reported Tuesday following the holiday. Practically all lines of business reflected an increase, a survey revealed Wednesday morning, and during the afternoon crowded aisles in stores around the square were evidence of the usual "Trade Day" patronage.

Trade territory of the city is being extended over a wide area through cooperation of local merchants, and Haskell is rapidly regaining a dominant position in the retail field of this section of West Texas in an aggressive campaign toward this end, in the opinion of local merchants.

Mr. and Mrs. Bill Patterson and son of Moran are visiting his parents, Mr. and Mrs. O. E. Patterson.

Mr. and Mrs. Lewis Manly have been visiting their daughter, Mrs. John L. McCallum and children in the N. I. McCallum home.

Mr. and Mrs. Bill Meadors and children of Amarillo visited Mr. and Mrs. Virgil Meadors over the week end.

FOREST OFFSET TEST DRILLING AT 3,000 FEET LATE THURSDAY

FIREMEN'S NEXT FIGHT CARD WILL BE BEST OF YEAR

Rosy McMillin to Supervise Tourney and Fight In Main Event

Under the supervision of Rosy McMillin as promoter, one of the best fight cards of the season is being arranged for Thursday night July 14th, under auspices of the local fire department.

All bouts will be staged under TAAF rules, with only amateur fighters participating, but the list will include a number of district Golden Glove champions, McMillin announced. The fights will be practice bouts in preparation for the State TAAF tournament to be held in Abilene in August.

The Abilene team will furnish entries for several events, with Ray Crowell, Golden Glove sponsor of that city bringing several challengers.

Main event will be between Rosy McMillin, 160-pound undefeated local amateur, and Mutt Pettit, 168, of Throckmorton. Pettit is an outstanding amateur of this section, with a high rating earned in recent Golden Glove tournaments.

Semi-finals event will feature Gordon Woods, 170 of Abilene, and Gene Blakely, 170, of Portland, Ore. Woods has a well-earned reputation, while his opponent has been a contender in several similar meets in his native state.

Other bouts on the evening's card include the following: David Williams, 144, Abilene, vs. Marvin Pettit, 145, Throckmorton.

Lester Grimes, 144, Abilene, vs. Leroy Speck, 145, Rochester. Kenneth Terry, 124, Abilene, vs. Bobby Bagwell, 125, Rochester. Gene Dalton, 124, Abilene, vs. Bill Barton, 125, Haskell.

Jack Moffett, 130, Abilene, vs. Iris Decker, 128, Haskell. Norman Wilkerson, 118, of Abilene, and Olin Bartley, 175, of Haskell are also listed for the evening if opponents can be found in their weight divisions. Bartley, favorite Haskell slugger, defeated A. C. Curtis of Cisco in the last event staged here.

Referee for the evening's bouts will be Lon McMillin, popular Golden Glove state lightweight champion.

Promoter McMillin promises a full card, with additional entries to the above list likely from Rochester, Aspermont and Rule.

Seven Celebrants Pay Off For 4th of July 'Sprees'

Police calendars in city and county court Tuesday morning revealed that few arrests were made by officers during the two-days July Fourth celebration, quite in contrast with the number recorded last year.

Only seven arrests were made during the period from Saturday night until Monday night, police files show. Five were for drunkenness and two for disturbing the peace, according to complaints filed. One arrest made by State Highway patrolmen in Haskell is not included in the total, as the state officers were here for a routine inspection. Their complaint, however, resulted in a fine against a Throckmorton youth returning home from the Stamford cowboy's reunion. He entered a plea of guilty and was assessed a fine of \$5 and costs in Justice Court.

Minimum fines were assessed on five drunk charges by Justice of Peace Cliff, with court costs added. A total fine of \$14.40 was fixed on the charges of disturbing the peace, after a plea of guilty had been entered by the defendant.

Mr. and Mrs. George Cramer of Abilene visited his sister, Mr. and Mrs. Giles Kemp and family over the week end.

Ranger Mannie Gault and wife, and Mrs. Howard of Austin were guests of Mr. and Mrs. Giles Kemp during the holidays.

Mrs. Walter Ruick of Los Angeles, Calif., was a house guest of Mrs. Virgil Meadors this past week.

Misses Maggie Cole and Juanita Morgan were in Stamford on Tuesday.

Production Fails to Develop at Expected Level in West Outpost

Forest Development corporation's No. 1 Bankers Life, west offset to their No. 2 Pardue, 1,500 barrel producer eight miles south of Haskell, had failed to pick up production at the expected depth of 2805-16 feet in Adams Branch lime and Thursday was drilling ahead around the 3,000 foot horizon.

The offset, 900 feet west of the producer, will be projected to 3,500 feet it was reported, in an effort to develop a west extension to the Pardue pool. Operators are expected to core ahead of the drill to check formation, as markers found in the No. 2 Pardue and Forest-McMillin No. 1 discovery well have failed to show in the offset.

Favorable outlook for the test was held by operators after core recovered at 2931 feet showed heavy saturation. A Halliburton drill stem test of the saturated lime was made Wednesday night. Drilling was resumed Thursday morning with the expectation of picking up production below 3,000 feet.

The test, being drilled with rotary, is located 622 feet from the east and 3,559 feet from the south lines of the J. F. Morgan survey No. 59.

Former Resident of This Section Dies at McKinney

Oliver Usry, 38, former resident of Haskell and Stonewall counties, died Thursday June 28 at his home in Ethea Mills, near McKinney. Mr. Usry was ill for only a few hours, and physicians attributed his death to cerebral hemorrhage. Funeral services were held Friday.

Mr. Usry was born December 24, 1900 in Rains county, Texas. When a young man, he came to Stonewall county, where he lived for several years, later moving to a farm in this county. About a year ago he moved with his family to Collin county.

Surviving are his widow and three children, Margaret, Marvin, and Mary Jo Usry; his parents, Mr. and Mrs. Richard W. Usry; a brother, John Usry of Old Glory; and four sisters, Mrs. Bessie Barbee and Mrs. Ruby Lea Trammell of Old Glory, Mrs. Rosa Williams of Haskell and Miss Jewell Usry of San Antonio.

Stamford Will Be Scene of Singers Meeting on Sunday

Singers from a number of surrounding towns and cities are expected to gather in Stamford Sunday afternoon, July 10th, for a singing convention which will be held in the First Baptist Church in that city.

The afternoon's program of singing will include a number of well known singers and quartets from Haskell and Jones county. Among those already registered for the event are The Weinert Male Quartet, the Sunshine Girls Quartet of Weinert, the Golden Melody Girls from Elbert, C. B. Ribble and his quartet from Cardo, S. E. Clark of Abilene, the Pope Trio of Anson, "Lazy Bones" Quartet from Abilene, Medford Trio from the Howard community, Miss McCoy, Hamlin accordionist, and the Moss Sisters Trio of McCauley. An enjoyable program is assured all who attend.

Ranger Mannie Gault and wife, and Mrs. Howard of Austin were guests of Mr. and Mrs. Giles Kemp during the holidays.

Mrs. Walter Ruick of Los Angeles, Calif., was a house guest of Mrs. Virgil Meadors this past week.

Misses Maggie Cole and Juanita Morgan were in Stamford on Tuesday.

Haskell Visitor

W. E. James, candidate for State Superintendent, and formerly first assistant in the State department of education, was a visitor in Haskell Tuesday in his campaign for the state office. Mr. James was winding up a West Texas tour started at Lubbock two weeks ago, in which he met with much favorable consideration he told Haskell friends.

GRAIN CROP WILL FALL BELOW YIELD OF 1937 HARVEST

Only 145 Cars Shipped From City to Date Compared With 160 Last Year

The 1938 grain crop will fall slightly under the yield for last year, based on estimates of probable shipments to be made from Haskell during the few remaining days of harvesting.

To date, 145 cars of grain have been shipped from Haskell and buyers and railway agents estimate that not more than ten carloads will be shipped during the remainder of the season. Last year 160 cars were shipped from Haskell.

Prospects for a bumper yield indicated earlier in the year were cut short by a late freeze, with some losses from hail, but quality of the grain is above the yearly average, buyers report.

Practically all the grain shipped has consisted of wheat, with most farmers storing oats and barley for use as feed.

Large Audience Hear Candidates Talk at Weinert

Weinert was the scene of one of the largest political rallies of the current campaign last Friday night, when district and county candidates addressed the voters of that section in the third speaking date on an itinerary that will take them to all larger voting boxes in the county before the first primary.

The outdoor affair was held on vacant lots around the Shaver Gin, with the large gin platform being utilized as the speakers' stand. A public address system was installed by Woodson Electric Company of this city for the benefit of candidate and listeners. Practically every candidate listed for county and district offices made brief talks which were well received by their hearers.

Sonnemaker and Redwine Announce Garage Opening

Opening of the Service Garage located in the Hunt building on the southeast corner of the square, is announced this week by Charlie Redwine and Virgil Sonnemaker, well-known Haskell mechanics, formerly connected with the Public Chevrolet Company.

They have installed complete equipment for all kinds of automobile repairing, and are prepared to handle any job from a complete overhauling to generator and ignition repairs, fender and body straightening, etc.

Mr. and Mrs. D. W. Van Peit of Houston visited his mother, Mrs. Bertha McNeill this week.

WINNER OF FIRST DAY'S FEATURE EVENT KILLED AS CAR LEAVES TRACK

M. P. Vannoy Is Named Secretary Fair Association

Effective July 1st, M. P. Vannoy, vocational agriculture teacher in Haskell High School assumed duties as secretary of the Central West Texas Fair Association, with offices in the Chamber of Commerce quarters in the postoffice building.

Mr. Vannoy has already started preliminary work on the catalog and premium list for the 1938 Central West Texas Fair, to be held October 19-22 inclusive.

Premium list for this year contemplates enlarging several departments, Mr. Vannoy stated, to take in a larger variety of exhibits, especially in divisions of Future Farmers activities and 4-H Club Work.

Entertainment features for the coming exposition will also be on a higher scale than ever before, according to present plans. Officials of the fair association expect to determine within the near future, a combination of major attractions for this year's Fair. Buildings and grounds will also be placed in readiness at an early date, with several additions contemplated.

Aspirant to State Agriculture Post Is Haskell Visitor

George H. Allen, native of Young county, who is a candidate for Commissioner of Agriculture, spent a few hours in Haskell Wednesday with friends and in discussing his candidacy with Haskell voters. Mr. Allen has been connected with the United States department of agriculture for the past ten years, and is familiar with the program now under way for conservation of soil and moisture, as well as the marketing program for farm products. His platform embraces full consideration of the farmers' problems from an unbiased viewpoint, and in talks here he stressed closer cooperation between the state agriculture department with the farmers and the national program as a solution of the youth's agricultural problem.

Attendance at the two-days meet was the best in years, according to officials of the Central West Texas Fair Association. Sunday afternoon's crowd was estimated upward from 1200 persons, with an increased attendance Monday afternoon.

Radio Entertainers Will Furnish Music for Dance at Irby

Through special arrangement with sponsors, the Bird Brand Cowboys Band will furnish music for a dance to be held at the Sons of Herman Hall in the Irby community Saturday night July 9th. The popular orchestra is widely known through their broadcasts over radio stations WBAP and WFAA, and sponsors of the dance are elated over securing their services for the special event.

The orchestra was a feature of the Cowboys Reunion at Stamford, and will fill the Irby engagement as a special courtesy to their radio audience in this section.

The public is invited to attend the special dance Saturday night.

Miss Dorothy Sartin of Childress visited over the week end with Mrs. Margaret Hill and Bill Holden.

Oldtimer Here for Visit

Jim Burgess of Amarillo was in Haskell the first of the week attending the race meet here and the Cowboy reunion-ropo at Stamford. Mr. Burgess lived in this section in the early 80's and says that the first time he visited the place where Haskell is now located was in 1878. He spent the night in a dug-out on Spring Branch, on about the same spot the present amphitheatre is now located in Rice Springs Park. He also spent the winter of 1884-5 in this section with a herd of cattle on the open range northwest of Haskell.

Joe Termin of Dallas Crushed Beneath Machine and Killed Instantly

Death rode with daring drivers on the speedway at Fair Park Monday afternoon, to mar the two-days race meet staged July 4-5 as an annual mid-summer attraction. Victim of the tragedy was Joe Termin, 40-year-old Dallas race driver, who was crushed beneath his trim blue D. O. Hal speedster when the machine threw a rear tire and hurtled over the embankment on the south turn of the track in the third lap of Monday afternoon's first race. The machine came to rest in a roadway outside the track after crashing through a board fence surrounding the speedway.

Termin, winner of the main event on the previous day, was dead when spectators reached the wreck. His chest was crushed, and a fatal wound was inflicted in his forehead. Either injury would have caused instant death, physicians said.

The body was removed in an ambulance to Holden's Funeral Home and prepared for burial. A funeral coach from McCamey-Campbell funeral home in Dallas came for the remains Monday night, and funeral rites were held in that city Tuesday. The victim, former Dallas mechanic, is survived by his wife and one son.

The son, Joe Jr., 16, had hitchhiked to Haskell in order to witness the races, and was a horrified spectator of the mishap.

Another race driver, Arthur Rhodes, also of Dallas, miraculously escaped serious injury Sunday afternoon, when his machine crashed through two fences on the south turn and barely missed several cars parked in the roadway. Rhodes was unhurt.

Attendance at the two-days meet was the best in years, according to officials of the Central West Texas Fair Association. Sunday afternoon's crowd was estimated upward from 1200 persons, with an increased attendance Monday afternoon.

Herschel Buchanan of Shreveport and "Red" Hodges of Dallas were top money winners, both winning first place in two events. Twenty-two drivers were entered for the two days, Buchanan also set a new track record of thirty-two and eight-tenths seconds in the time trials Monday.

In the first race, open to the fastest six cars according to time trials, Joe Termin crossed the finish line after six laps of the five-eighths mile track in four minutes and 37 seconds. Termin ranked highest in the time trials with a lap record in 33.3 seconds.

Johnny Holland of Fort Worth in a Riley special copied second money and Oscar Coleman of Dallas came in third. Also ran were Johnny Stanfield of Dallas, Robert Music of Dallas, and Gene Frederick of Waco.

Winner of the second event with a time of 4.45 was Red Hodges of Dallas, who finished the last two laps of the six lap race with a flat tire. Robert Music and Gene Frederick fought it out on the turns with Frederick coming through by a scant margin on the homestretch for second. Also ran were Tex West, veteran driver from Dallas; and Lex Newbill of McKinney.

A consolation race was run between Newbill and Jack Woodruff of Dallas with Newbill an easy winner in three minutes and 40 seconds.

A hilarious highlight of the afternoon was a novelty race among Robert Music, Newbill and Woodruff. The three cars lapped the track once, braked to a stop in front of the judges stand, had to eat a doughnut and drink a cold drink and then lapped the track again. Woodruff was an easy winner when the other cars failed to start braking to a stop in time. Officials admitted later that the doughnuts had been prepared weeks before hand and were "hard as cement."

Final and feature event of the entire afternoon was the 12 lap curtain closer composed of the drivers winning in the money in other races. Fifty-five per cent of the purse for the day went to Joe Termin when he raced through after a perfect drive

Interesting Mission Study Course Being Taught at M. E. Church
 On Monday July 4th eight women met at the church and studied the two chapters of the book "Rebuilding Rural America", "Co-operative Movement and Rural Life" and "Forward Together", which were very interesting, taught by Mrs. Edgar Davis. The next two chapters "Nurturing Rural Childhood and Youth" and "Rural Leadership" will be taught next Monday July 11. The song chosen for this program was "America" and the eighth chapter of Deuteronomy was read as a devotion, led by Mrs. Henderson, prayer by Mrs. Griffith. The hour for the meeting was changed from 2:30 to 3:30. The following were present: Mesdames Ernest Griffith, Vernon Henderson, Preston Weinert, Jess Owens, Guy Jenkins, Alvin Bennett, Edgar Davis and H. Weinert.
 Mesdames D. M. Baird, Curley Winters and son of Hermleigh and Miss Bernice Baird of Los Angeles, California, visited Mrs. Virgil Phillips of Plainview last week. Mrs. Alvin Bennett accompanied them and visited her sister, Mrs. Lucy Finley of Hale Center.
Singapore, England's Greatest Naval Base
 At the heart of the richest colonial area in the world stands Singapore Island, lying between India and Australia, and now Britain's imperial fortress. This great naval base, guarding the sources of British, Dutch and French colonial wealth, was formally opened recently in the presence of units of the British fleet and three American cruisers. The world's greatest naval center, under development more than 15 years, now is ready for service.
 The value of Singapore as a site for a naval fortress was called to the attention of the British government by the practically defenseless dominions of Australia and New Zealand. Great Britain first began to realize the necessity for armed strength in the Pacific after the Russo-Japanese War, when Japan's prestige in the Orient rose sharply. As Japan's power increased, her interest began to clash with those of Great Britain. The Far East and the islands of the South Seas were no longer a British preserve, where other nations traded on suzerain or held colonies under dispensation.
 Essentially, Japan's rise challenged the half-open door of British imperialism in the Far East. And no defense could be made against Japanese encroachment without the existence of a strong base as a focal point of naval activities. Battleships need dry-docks for servicing, and Britain's nearest at the time of the World War and for a decade afterward was at Malta, in the Mediterranean, 6,000 miles away. Dockyards and other purely naval works at Singapore are estimated to have cost England approximately \$55,000,000. For defenses, believed unassailable, an additional \$40,000,000 has been spent. Another \$50,000,000 will be absorbed by additional fortifications now under way. Guns of 15 and 18-inch caliber are in place to protect the naval facilities, and the points and islands surrounding the base bristle with long-range cannon superior to the heaviest ordnance now carried by the largest battleships.
 Motivating the construction of the Singapore naval base were the same aims which have traditionally directed British naval policy. For two centuries, at least, Britain has been founding strong points over-seas with the main purpose of sustaining the fleet and increasing its mobility. In only one other instance, however, has Britain developed a fortress even approximating Singapore. At Gibraltar, the "rock" was made strong enough to defend itself for an indefinite period without the assistance of the British fleet, but even there the preparations have never reached the stage attained on Singapore Island.

Listen to the Voice of Firestone. Monday evenings over Nationwide N.B.C. Red Network. Tune in on the Firestone Voice of the Farm Radio Program twice each week during the noon hour.

JONES & SON
 "The Place For Everything"

N FARM AND RANCH

• In Texas, farmers out-number city folks 2 to 1—there are about 4,000,000 men, women and children on Texas farms and ranches. These people contribute heavily to the material and cultural welfare of the state; our traditional Texan is a man of the open spaces, a man intimate with the soil, the sun, the blue Texas sky.

The Humble Company, as a Texas institution, values highly its twin privileges of association with the farmers and ranchers of Texas in the development of Texas' greatest natural resource, and of supplying them with the motor fuels, motor oils and lubricants they use.

Made by Texans from Texas crude oils, these Humble products evidence their quality with day-in-day-out dependable performance in actual use. Try them—you'll find a product for every farm need, a price for every purse.

SOCIETY

Blue Bonnet Home Demonstration Club

Three important facts to remember when baking a cake is to use best ingredients, accurate measurement and a reliable recipe, said Miss Mildred Vaughan, a member of the Blue Bonnet Home Demonstration Club in the home of Mrs. B. Walters, Thursday June 23.

Other facts to remember are not to grease side of pan, do not let pans touch, or touch stove in oven. Mix butter and sugar until it doesn't grind against bowl. Cake should be level and the icing rough.

We added a new member to our club roll.

Cake and punch were served to the following ladies: Mesdames J. E. Place, H. Balliff, B. Seltz, W. Hines, Floyd King, A. C. Wason, B. Walters, D. C. Rogers, W. Turner, M. McDougle, Ed. Cramer, Misses Nora Walters, Mildred Vaughan. Reporter

Foster H. D. Club Meets With Mrs. J. R. Wade June 22

A prune cake is usually my company cake, stated Mrs. A. C. Segoe when the Foster Home Demonstration club met with Mrs. J. R. Wade June 22.

Mrs. Taylor Segoe gave "What's New in Nutrition."

There were cakes baked and carried to the club by Mesdames Taylor Segoe, D. H. Adkins, A. C. Segoe, L. G. Server.

We had an interesting discussion on the recipes and baking of these cakes.

Some of our members were not present on account of having it on Wednesday. They didn't all know about it. Mr. M. M. Clark was buried on our regular club day.

Ice cream and cake were served to the following members, Mesdames L. G. Server, Jim Best, A. C. Segoe, J. O. Yarbrough, D. H. Adkins, J. R. Wade, A. H. Allen, Taylor Segoe. Reporter

Miss Beryl Montgomery Becomes Bride of Mr. Boyd Cathey

The marriage vows of Miss Beryl Montgomery of Haskell, and Boyd Cathey of Abilene were read Saturday evening at 7:30 at the home of her parents, Mr. and Mrs. W. A. Montgomery. The Rev. H. G. Hammer performed the single ring ceremony in the presence of a few close friends and relatives.

An improvised altar formed with white tapers in floor candle-labra and large baskets of Shasta daisies and pink zinnias served as a setting for the ceremony. Miss Marie Hammer played the wedding march and Miss Mozelle Cox, cousin of the bride sang, "I Love You Truly."

The bride wore a white lace dress with white accessories. Her corsage was pink briarcliff rosebuds. For "something old" she carried a lace handkerchief belonging to her grandmother. Miss Frances English of Haskell, maid of honor, wore a powder blue dress with white accessories and a corsage of white carnations.

Sidney Horton of Abilene served as best man.

Immediately following the ceremony a reception was held with Mrs. Howard Montgomery presiding in the dining room. Wedding bells of ice cream were served with the bride's cake.

Mrs. Cathey is a graduate of Haskell High School and Parson's School of Beauty in Abilene. For the past few years, she has been connected with the Guest Beauty Shop of Abilene.

Mr. Cathey, youngest son of Mr. and Mrs. H. Cathey of Carlton, Texas is a graduate of the Dublin High School and of Draughon's Business School. He is employed by the Star Drilling Co. of Abilene.

After a short wedding trip the couple will be at home in Abilene.

Mr. and Mrs. H. H. Hester of Fort Worth visited her mother, Mrs. W. A. Earnest of Rule and relatives in Haskell during the week-end.

Foster H. D. Club Meets In Home of Mrs. L. G. Server

There are three important things to remember in mixing and baking cakes, stated Miss Vaughan when she met with the club at the home of Mrs. L. G. Server on June 7.

First you should have a good recipe, second good ingredients, third accurate measuring. Always stir butter and sugar together until it quits grating the bowl. All of the dry ingredients should be sifted before measuring, continued Miss Vaughan.

In greasing the cake pans never get any on the sides as this causes it to fall. The cake should come loose around the sides when done, stated Miss Vaughan as she demonstrated baking a butter cake with icing. For a perfect white cake use vegetable fat, but butter gives a better taste. Never allow pans to touch each other while cooking.

Making boiled icing cook sugar and Karo to firm ball. The top of a cake should look rough so it will not have the appearance of runny icing.

Our council delegate, Mrs. H. A. Gauntt having moved away from our club Mrs. E. M. Server was elected to fill her place.

Our club is to have the recreation program before the club adjourns.

Refreshments were served to Mesdames J. R. Wade, Taylor Segoe, J. E. Adams, A. C. Segoe, A. H. Allen, G. M. Wade, M. G. Martin, E. M. Server, D. H. Adkins, L. G. Server, Visitors Misses Inez Adams, Fyehelene Adkins, Ruby Pearl Adams and Miss Mildred Vaughan. Reporter

Miss Louise Pierson Entertains Guests With Barbecue Supper

Miss Louise Pierson entertained guests from Abilene with a barbecue supper Sunday night. Those who enjoyed the occasion were: Misses Anita Jo Simmons, Elizabeth Huckabee, Martelle Clifton, Marie Ballard and Kinzie Tucker and Sammy Waldrop, Rufus Grisham, Hart Shumaker, Jimmy Barlow, Claude Lee Jr., and Thomas Williams of Abilene.

Reunion ewing Club Meets With Mrs. Lester Fore

Mrs. Lester Fore was hostess to members of the Rainbow Sewing Club in their regular meeting Tuesday, June 21. The usual enjoyable program was observed, in which all present engaged in practical work, followed by a delightful refreshment course served to the following:

Mesdames Walter Rogers, J. E. Robinson, W. E. Adkins, Frank Kennedy, Richard Massy, Taylor Alvis, Jess Josselit, Jno. McMilling, Harold Kirkpatrick, Tom Stuart, Raymond Stuart and Mrs. Jack Johnson, with an hour of sewing.

Reunion Held In C. Jones Home Sunday

A reunion was held in the home of Mr. and Mrs. C. Jones Sunday at which time all of their children were in Haskell. The following out-of-town people were here: Mr. and Mrs. Will Smith and children of Spur, Mr. and Mrs. Cordet Lytle and children of Munday and Miss Vivian Metcalfe of Chillicothe who remained for a longer visit.

Knitting Club Has Regular Meeting Friday

The Knitting Club met with Mrs. Clyde Barker in an all day meeting Friday. Mrs. Barker used roses and daisies to decorate her home.

After serving a covered dish luncheon, guests spent an afternoon knitting. Those present for the day were: Mmes. Carl Arbuckle, Sam Chapman, John A. Willoughby, M. W. Johnson, Rogers Gilstrap, George Herren, Reynolds Wilson, Sam Herren Jr., Sam A. Roberts and S. P. Kuenstler.

Martha Ann Jordan Celebrates Birthday With Party

Last Wednesday, June 29 Martha Ann Jordan celebrated her eighth birthday with a party for her little friends. After playing games in which prizes were given she led them all into the dining room where there a large pink and green cake, with eight tiny candles on it. After serving cake and punch, everyone went home happy and wishing her many more birthdays.

Those present were: Billie Louise Herndon, Carolyn Koonce, Kittie Lee Britton, Faye Parks, Billie and Doris Ann Taylor, Hartel Johnson, Patsy Frost, Don Peary, Snookie and Joe Jay Weaver, Rex Williams, Bobbie and Janet Henshaw, Joan Berry, Tommy Joyce McGregor, and the hostess, Martha Ann Jordan.

Recent Bride Is Honored With Waffle Supper

Honoring Miss Beryl Montgomery, a bride of this week Misses Frances English, Odell Williams and Mrs. Ira Hester entertained in the latter's home Friday night with a waffle supper. Red begonias were used to decorate the entertaining rooms. As the guests arrived, they presented the honoree with packages, who on opening them found them to contain mock gifts. Using a space on the hand painted place cards, guests wrote a favorite recipe and these were assembled into a dainty book. Nose gays of vari-colored mints were plate favors. A waffle iron was presented to Miss Montgomery by the following guests: Misses Lucille Akins, Lulu Ketron, Ethel Irby, Ethel Frierston and the honorees.

First Christian Church Inaugurates Unified Services As Experiment for the Summer

Beginning next Lord's Day, July 10, the First Christian Church will meet at 9:45 a. m. for the morning worship service. Immediately after the sermon and hymn of invitation, the people will assemble in the Bible classes for a period of thirty-five minutes. The unified service will last, altogether, about an hour and one half. The closing time being 11:15. By arranging the service in this manner, the repetition of two devotional programs can be eliminated. Yet as much time, as formerly will be allotted for the church service and Bible classes.

If the people like this new arrangement for the summer it will be continued until about the middle of September. Everyone who likes shorter services during the summer where none of the essential things are left out or sacrificed is invited to attend next Lord's Day to help us make this experiment a success. Our building has plenty of large fans which help keep the building cool.

Brief News Items From RULE

CARD OF THANKS

We take this means of expressing in feeble words our heartfelt appreciation for the tender sympathy and kindly acts extended by the host of friends and neighbors in our recent bereavement in the loss of our darling twin sons. Your many beautiful expressions of understanding will always remain in our memory, and we shall always recall your kindness in our prayers in asking God's kindest benediction for your thoughtfulness to us. —Mr. and Mrs. J. T. Ely.

Fatal Accident—

(Continued From Page One) race, several hundred yards ahead of the pack. Time was seven minutes and 25 seconds. Johnny Holland and Tex West, two of the oldest drivers in experience in the southwest circuit fought neck and neck for a full nine laps for second money. West managed to forge ahead of Holland in the sixth and held the scant lead in spite of a blown cylinder gasket. Finishing in order behind the leaders were Holland, second; Frederick, third; Music, fourth, and Coleman, fifth.

Monday's Races

Termin, Buchanan, Hodges and E. Z. Money were entered in Monday afternoon's first race. After Termin's tragic accident in the third lap, the other drivers finished the race, a six-lap event under caution flags, no time being posted. Buchanan was first, Hodges second, and Money, third. Feature race of the day, a 12 lap event, open to all money winners in the earlier races, also went to Buchanan. The Louisiana dare devil nosed out Oscar Coleman for top money. Musick was third and Lex Newbill came in a slow fourth. Time was 6 minutes 9 seconds.

Coleman copped the second race for six laps, coming in ahead of Musick and Jack Woodruff in order named. Time was 3 minutes 51 seconds.

The third race was captured by Hodges, with the place position going to Coleman and the show to Johnny Holland. Time was 3 minutes 7 seconds for the half dozen trips around the five-eighths mile track.

Officials of the meet were W. T. Sheppard, Theron Cahill and W. H. Murchison, judges; J. E. Walling and Kenneth Thornton, timers; Ralph Duncan and Rogers Gilstrap, scorers, and Joe Zibro, starter, assisted by Eugene Zibro.

CHURCH OF CHRIST

J. G. Malphurs, Minister The subject for our morning sermon will be "The Two Seas of Palestine". By using these two seas the minister will develop the two opposite ideas men have of the blessings of God. The subject for the evening hour, 8:30, will be, "If Any Hath Not The Spirit of Christ He Is None of His". (Rom. 8:9).

Our meeting begins Wednesday night, July 20th. We are hoping our neighbors and friends, as well as all the members, will make their plans to attend every service.

The church will have a fine fellowship for the common man invites you to worship God with us.

Statement To Voters of Haskell County

It has been persistently rumored over the county that my entering the race for Sheriff of Haskell county was a "frame-up" between myself and one of my opponents.

I want to correct this statement and tell the people of Haskell county that this rumor is totally untrue. I have made no promise to anyone, other than to the voters that if elected your Sheriff I will do my best to pick the best help to be found in Haskell county.

Respectfully, MART CLIFTON.

Miss Bernadine Allen And Dr. Ernest Kimbrough Married In Houston Thursday

Thursday evening, June 30 at eight o'clock, Miss Bernadine Allen, daughter of Mrs. Maude Allen of Dallas became the bride of Dr. Ernest Kimbrough, son of Mrs. W. A. Kimbrough of Haskell. The wedding took place at Palmer Chapel in Houston with Bishop Clinton Quinn officiating. Attending the couple were Mrs. Margaret Johnson and Dr. Clyde Straud of Houston.

The bride wore white chiffon with white accessories and carried dubonnet carnations and lilies-of-the-valley. Immediately after the ceremony, the couple left for Haskell where Dr. Kimbrough will engage in the practice of medicine.

C of C Receives Large Number of Calls for Homes

An increasing demand for apartments and houses in this city during the past three months has resulted in an acute shortage of apartments, according to Ralph Duncan, Chamber of Commerce secretary, who reports his office receiving calls daily for living quarters from newcomers desiring to move to Haskell. Since May 1st his office has received requests from 34 individuals and families wanting living quarters here. Mr. Duncan reports. This number does not include the request for individual rooms or temporary quarters he explained, but represents the number of new families unable to secure suitable places in which to make their homes.

Walter Rogers and son, and Mrs. Lillie Stephens and daughters.

FROM
Public Chevrolet Co.

For Everyone Planning To Buy a

USED CAR!

Public Chevrolet Company Now Offers a New, Guaranteed Service on Every Used Car in Stock!

Our "O-K Guaranteed" Used Car Certainly Has "Looks" and Performs Just Like It Was Factory-New!

We have added a new service department, completely equipped for reconditioning every Used Car offered to the buying public. This department, in charge of an experienced factory-trained mechanic, will be maintained as a separate unit in connection with our regular sales and service branches.

In the new department every Used Car will be thoroughly reconditioned before being offered for sale. Expert workmen, devoting all their time to this department, will check up and repair every part, making replacements where necessary to restore original factory appearance and performance under our written "O-K Guarantee". This service will include repainting, cleaning and renovating upholstery, top, etc., to place every Used Car in A-1 condition for long and economical service.

Our regular sales and service branch will be maintained in charge of skilled mechanics—the addition of the Used Car Recondition Department being made in keeping with our policy of maintaining at all times dependable dealer service on every new or used car sold.

Motor and Ignition Check-Up

Complete check-up for worn or defective parts, motor overhaul, ignition check-up and adjustment to assure original power performance. All work done by skilled mechanics using precision equipment, guaranteeing factory accuracy.

Another feature of this department is equipment for repainting and enameling all makes of cars, renewing the original lustre and factory finish to body, fender, chassis, etc.

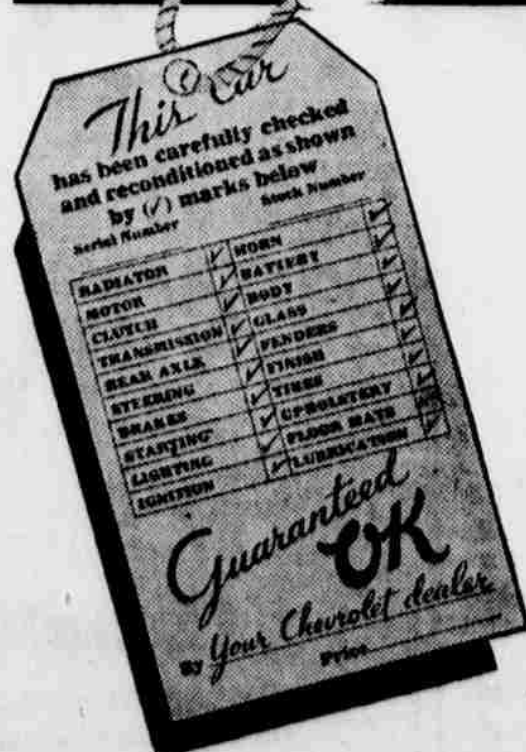

Our service and general repair department will be in charge of Neal Hudspeeth, who comes to Haskell from Colorado, where he has been in charge of the repair department of the Mills Chevrolet Co. Mr. Hudspeeth is an experienced mechanic, and holds a certificate from the General Motors Company as an authorized repairman for Chevrolet, Buick and Buick cars, and is equally well experienced with all other makes of automobiles. He will supervise all new cars, and supervise general repair work in our service department.

What This Service Means To the Purchaser of a

Guaranteed OK
USED CARS

GET A *Better Car* NOW!

Every purchaser of a used car from this agency is guaranteed the utmost in dependable performance. Because only genuine factory replacement parts are used, these cars will "stand up" longer and give trouble-free service at all times.

'Used Car appearance' is eliminated because particular attention is directed toward removing all worn upholstery marks, dents in body and fenders, etc.

You'll be proud to own and drive a reconditioned "O-K Guaranteed" automobile because of their renewed appearance, low cost and economy of maintenance.

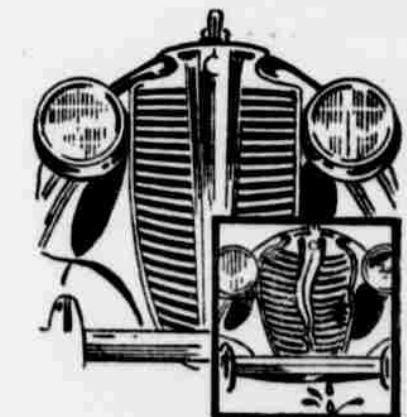

Come In Today and Look Over These Bargains In Guaranteed Used Cars.....

Body and Fender Repairing

Our Used Car reconditioning department is equipped to handle all types of body and fender repairs. Fenders are rolled, hammered, straightened and refinished and made to look like new. Radiators and grills are repainted or chrome plated, and straightened.

In addition to thorough mechanical reconditioning, special attention is given to the interior appearance of the car. All worn upholstery is replaced, top repaired or recovered, with the same quality material used at the factory.

Our used car reconditioning department will be in charge of Jess Hill, formerly of Graham where he was in charge of the service department of the Chevrolet Motor Company in that city for 18 months. Mr. Hill is a mechanic of many years experience, familiar with all makes of automobiles. He will personally supervise every repair job on our used cars before they are offered for sale. His experience and training in every phase of automobile repairing is our guarantee that purchasers may buy an "O-K Guaranteed" used car with confidence.
