Six Additions to the Church Reported At Sunday Night Service

An execellent attendance marked the opening of the annual summer revival of the First Baptist Church Sunday, and church leaders are heartened over prospects for one of the most successful meetings in years.

Song service is being directed by Joe Trussell, gospel singer of Brownwood, Texas, and the Rev. Oren C. Reid of Lawton, Okla., arrived Monday to assist the local pastor, Rev. Whatley in the peach-

The meeting is being held out of doors, and comfortable seats have been arranged on the church lawn to accomodate a large number, and suitable lighting fixtures have been provided for the night services.

Six additions to the church, four by letter and two by baptism, were reported following the services Rev. Oren C. Reid, minister of Sunday night.

the First Baptist Church, Lawton, Okla., is assisting in the annual extending a cordial invitation to revival meeting now in progress all the people of this section to at the First Baptist Church. Services will be held twice daily durtinue until Sunday, August 21st.

Death of a Scientist

The nation in general and the South in partirular, suffered a severe loss in the recent death of Dr. Charles H. Herty, 70-year-old chemist, whose development of processes for utilizing slash pine in Entered as second-class matter at the postoffice paper making has been hailed as an epoch-making at Haskell, Texas, under the set of March 3, 1870. achievement.

Born in Milledgeville, Ga., Dr. Herty was graduated from the University of Georgia in 1886 and .75 received his doctor's degree from John Hopkins in \$1.50 1890. For several years he was a university professor, but he had early begun chemical experiments NOTICE TO THE PUBLIC-Any erroneous re- which led finally to his successful production of flection upon the character, reputation or standing newsprint paper from slash pine, which is plentiful of any firm, individual or corporation will be gladly in the South, but formerly considered of little

Definite success was assured when on November 20, 1933, eleven Georgia newspapers were printed on paper from the pine pulp. The American Newsaper Publishers Association took an interest in the production of the new paper on a commercial scale, with the result that ground will soon be broken for a \$7,500,000 newsprint plant at Lufkin, Texas.

Through the labors of Dr. Herty a new industry has thus been erected which will be of unesti-It is an incontrovertible fact that if private in- mable value to the South and to the whole nation

Buy Home Products

Campaigns for the encouragement of buying ment may take its property, even to the extent of products manufactured near at home have been carried on in various communities with varying success for many years. Nearly everyone agrees that the idea is sound in principle, but many fail to put it into practice when it comes the time to buy.

Any small industry which manufactures a worthy product and sells it at a reasonable price might be enabled to grow large through the loyal support of home people. Its growth would enable it to increase its consumption of locally produced raw materials, build up increased taxable wealth, and in every way contribute to the progress and

Let's Finish the Job ...

.."Put Sadler in the Saddle"

In July the people of Texas, by the overwhelming majority of 3 to 1, voted to repudiate the Professional Politicians.

Now ... Let's Finish the god! Elect JERRY SADLER, who

comes fresh from the people. Vote for new blood, fighting blood, on the Railroad Commission of Texas. Honest, Fearless, Experienced, Independent.

OVER TEXAS QUALITY HETWORK Every Monday Night 7:30 to 8:00 Every Friday Night 8:30 to 9:00
