

## DIRECTORS MAP FINAL PLANS FOR FIFTEENTH ANNUAL HASKELL FAIR

New Exhibit Divisions Added; Varied Entertainment Features Booked

Department heads and officials of the Central West Texas Fair, meeting Monday to approve final plans and last-minute changes in various divisions of this year's exposition, expressed enthusiasm over the outlook for a larger variety and increased number of exhibits in this year's Fair, to be held Oct. 18-21 inclusive.

New Entertainment Features New entertainment features have also been booked for the exposition, including Jack Amlong and his radio orchestra for an appearance on opening night of the fair. The orchestra will furnish music for the Coronation Ceremony of the 1939 Fair.

Larger Variety of Exhibits Farm and livestock entries this year are expected to more than double those for last year, due to revision of the premium list.

ASKS R. R. BODY FOR RATE CHANGE

Plea for Lower Freight Rate On Livestock Feed Is Presented

County Judge J. C. Davis, Jr., County Agent G. R. Schumann, Gene Overton, prominent farmer of the Post community, were in Fort Worth Tuesday, where they appeared before the State Railroad Commission in supporting a request for reduced freight rates on shipments of livestock feed to Haskell county.

Hon. Lon A. Smith, chairman of the state body, provided for the hearing, held in the Texas Hotel. The Haskell representatives testified concerning drought conditions throughout this section which had greatly curtailed the yield of livestock feed, in supporting the request for lower freight rates.

Death claimed the infant daughter of Mr. and Mrs. L. T. Davis of the Paint Creek community Wednesday afternoon at 3:30 o'clock. The infant, only nine days old, was born Sept. 18th.

Officers Are Asked To Notify Mexican of Father's Death

Aid of Haskell county officers was solicited Thursday in an attempt to locate Vanito Gomez, San Antonio Mexican who is thought to be working in this vicinity, to notify him of the death of his father in Bexar county.

Mr. and Mrs. W. A. Lyles visited friends in Lubbock Sunday.

## MILLIONS PAID TEXAS FARMERS IN AAA PROGRAM

Payments To Haskell County Farmers To Date Amount To \$50,209.90

Texas cotton farmers who are getting their 1939 price adjustment checks at an exceptionally fast clip, are reaping the fruit of simplicity.

Up to Monday of this week, payments totalling \$50,209.90 have been made to 605 Haskell county farmers, according to records in the office of County Agent G. R. Schumann.

More than 12 million dollars has been paid out to date in the 1939 cotton price adjustment program.

## ROAD CROSSING ON 'PAINT CREEK' IS NOW BEING BUILT

Semi-Permanent Improvement Designed To Serve Rural Mail Route

Under the supervision of County Commissioner John R. Watson, a crew of men last week began work at repairing and improving the roadway crossing over Paint Creek at "Scott's Crossing".

The improvement will be of a semi-permanent nature, but has been designed to accommodate traffic in the best measure possible at all times.

A bridge across the stream has been proposed, but cost of this facility is prohibitive at the present time without an excessive increase in the tax rate for the precinct, officials pointed out.

2496 BALES COTTON GINNED FROM 1939 CROP TO SEPT. 16

Haskell Gins Report Total of 1,289 Bales Up To Thursday Noon

First government report of cotton ginnings in Haskell county from the 1939 crop was released this week by W. P. Trice, special agent for the Department of Commerce.

The report shows that 2,496 bales of cotton had been ginned in the county prior to Sept. 16, as compared to 3,916 bales on the same date last year.

Local cotton buyers and ginner estimated Thursday that the county total would pass the 4,000 bale mark this week, due to the hot weather prevailing since the government canvass was made.

Thursday at noon the seven Haskell gins reported a total of 1,289 bales ginned from the 1939 crop.

## INDIANS BLAST LID IN CONFERENCE PLAY WITH WIN OVER RULE

Tribe Starts Scoring Stage Early In First Stage of Game

Unreeling an exhibition of blocking that clicked with almost clock-like precision and team spirit which was highly evident throughout the game the 1939 squad of Haskell Indians opened up and plastered the hapless Rule Bobcats 25-0 on Indian Field on Friday night to blast the lid off conference play in District 10-A.

## INDIANS TO MEET SPUR AGGREGATION IN GAME TONIGHT

Several Regulars On Indian Squad May Be "Out" Because of Injuries

With several regulars suffering from colds and slight injuries received in their game against the Rule Bobcats last week, it is doubtful if all the first-line players on the Indians squad will be available in the starting line-up when the Indians meet the Spur aggregation on Indian Field here tonight in a non-conference game.

Coaches Mason and Dean list Thursday were unable to list starters for tonight's game, but indicated that several promising reserves might be called to positions of crippled regulars.

## 2496 BALES COTTON GINNED FROM 1939 CROP TO SEPT. 16

## Herman Hall Will Be Scene of Dance Wednesday Oct. 4th

A mid-week dance to which the entire public is invited will be held at the Sons of Herman Hall east of Haskell Wednesday night, Oct. 4th, as the regular monthly entertainment feature for the young people of this section.

Music for the dance will be furnished by Perry Force and his orchestra, which includes several outstanding musicians of this section. The dance program will begin at 8 o'clock and continue until midnight, sponsors announced.

## LIONS ENTERTAIN ABILENE BOOSTERS HERE WEDNESDAY

Members of Caravan Guests of Haskell Club at Luncheon

Haskell Lions were hosts Wednesday at noon to 45 members of the Abilene Lions Club on their booster trip to a number of West Texas cities and towns advertising the West Texas Fair to be held in Abilene Oct. 2-7. The caravan was also accompanied by the Lions club band from Abilene Christian College.

County Judge J. C. Davis presided for the meeting and luncheon, and after a brief business session, the meeting was turned over to Dr. Adams, president of the Abilene Lions Club. He introduced a trio of musicians who entertained the gathering with several selections. The visitors extend a hearty invitation to the people of this section to attend the Abilene exposition.

Other guests of the club Wednesday were Dr. T. W. Williams of this city, and Coach Perry Mason of Haskell high school.

## Paint Creek FFA Member Is Named Federation Head

William Prewitt, junior student in Paint Creek rural high school, and outstanding member of the Paint Creek FFA chapter, has been elected president of the Haskell Federation of Future Farmers of America. The organization includes Weibert, Paint Creek, Haskell, Aspermont, Rule, Peacock and Swenson chapters. W. B. Cowan, vocational agriculture teacher at Paint Creek, was elected Federation Adviser.

Young Prewitt headed the chapter conducting team that won second in the federation and went to the district meeting. He also represented Paint Creek on the Crops Judging team at John Tarleton and A. & M. judging contests.

Kermit Brown is president of the Paint Creek chapter.

## Pageant Will Be Staged at Texas Theatre October 10

As a prelude to the colorful ceremony planned in connection with the coronation of the "Queen of the Central West Texas Fair" on the opening night of this year's exposition, a pageant will be held on the stage of the Texas Theatre Tuesday night, Oct. 10th. Selection of the 1939 "Queen" will also be made at the pageant.

## Large Number of Visitors Inspect New Burton Home

More than three hundred persons, including many out-of-town visitors, inspected the attractive new home of Mr. and Mrs. R. L. Burton during an open house reception held last Sunday afternoon. The six-room brick structure, recently completed, is modern in both design and interior furnishings and appointments, including latest air-conditioning equipment for winter and summer, an all-electric kitchen, and the newer trend in interior lighting. Out-of-town guests who attended the "open house" included visitors from Munday, Weibert, Rule, Sargent and Hamlin.

## Representative Hunt Believes A Special Session Should Consider Pension Remedy

Courtney Hunt, State Representative from the 113th district, this week expressed the opinion that a special session of the Legislature should be called immediately to work out a solution of the Old Age assistance at this time. In this connection Representative Hunt made public the following statement to the people:

"To My Aged Friends of the 113th Representative District: I am indeed sorry for the fact that the Welfare Board has been forced to cut from the pension rolls all persons drawing \$6.00 per month from all other pensioners.

## WPA WORK ORDER ON HIGHWAY 120 PROJECT AWAITED

Area Engineer Inspects Project Already Approved by State Highway Dept.

A. T. Crowell, WPA area engineer with headquarters in Vernon, made an inspection of the in-completed stretch of Highway 120 from Rule west to the Stonewall county line last Friday, preparatory to work which will complete the stretch as a joint WPA and State Highway Department project.

County Judge J. C. Davis Jr., was advised this week by the federal agency that a WPA work order would be issued within the next ten days covering the three and three-quarter miles of the highway from Rule to the bridge over the west fork of the Brazos. The state highway department has already approved and collected funds for their share in the project.

## Municipal Library Removed To New Location Monday

The Haskell municipal library, formerly located in the Magazine Club building is now housed in the building north of the High School built several years ago to accommodate a community center. Interior of the building has been remodelled and fixtures installed adequate for library purposes. All books and library equipment was moved into the new location Monday of this week.

## Dates For Booster Trips Advertising Fair Are Announced

Dates were announced Thursday for two-days booster trips advertising the coming Central West Texas Fair by Chesley E. Phelps booster trip chairman.

The schedule calls for the first trip on Thursday, Oct. 12 which will carry the trippers to the area north and west of Haskell. On the following day the caravan will swing through the territory south and east of Haskell. Itinerary of towns to be visited is now being worked out, Mr. Phelps said.

Arrangements have already been made for the Haskell Municipal Band to accompany the trippers, and a canvas will be made next week to sign up business men and others desiring to make the trip.

## Fair Officials Attend Young County Fair

Walter Murchison, president and Homer Neal, secretary of the Central West Texas Fair association, and Ralph E. Duncan manager of the Chamber of Commerce, spent Wednesday afternoon in Graham attending the Young County Fair and advertising the coming Haskell exposition. Mr. Neal stated that several livestock exhibitors at the Graham Fair indicated they would exhibit at the show here next month.

## Old-Fashioned Song Program Planned Sunday

Lovers of old-time Gospel singing, including singers who delight in helping to sing the old-time songs, are being invited this week to join in a "Community Singing" at the Fundamental Baptist Church in this city next Sunday afternoon. The program will begin at 2:30 o'clock.

"Real Religion has always had an expression in song", sponsors of the community singing said in announcing the Sunday afternoon program, "and if people join in singing the Gospel they will obey its demands in every community". No set program will be arranged, songs will be rendered upon request, and an "old-fashioned" singing is in prospect, according to those who have planned Sunday afternoon's gathering.

## Grand Jury Reports Fourteen Felony Indictments Wednesday

September term of District Court for Haskell county was convened Monday morning with District Judge Dennis P. Ratliff presiding. First week of the term will be devoted to hearing of uncontested civil cases and divorce suits. During the first three days of the term, four divorces were granted, Mrs. Hettie Williams, district clerk, said.

## Tax Docket Up Today

Scheduled for hearing today was the first of more than 200 suits for collection of delinquent taxes due the City School, District county and State. Curtis Pogue, young Haskell attorney, has been appointed to represent unknown defendants in the suits. Tax attorneys estimated that judgments against the property and real estate involved would be taken in a majority of the cases.

Criminal docket will be taken up Monday, Oct. 1st, with the court calendar scheduling only uncontested criminal actions. Ground Jury for the term recessed Wednesday after being in session three days. They reported fourteen felony indictments, as a result of their investigations. Fifty-nine witnesses appeared before the body during the session. Three indictments were returned against Thomas L. Lively, Haskell merchant, in connection with the

## FARMERS REQUIRED TO REPORT CHANGES IN SOIL PROGRAM

Deviation From AAA Program Must Be Recorded To Secure Benefits

J. E. Thomson, Secretary of the Haskell County Agricultural Conservation Association this week pointed out the necessity of farmers reporting all changes in soil building practices to the county AAA office. Payments will be made on the basis of office records therefore if the crops do not correspond with the office records it may cause a producer to be out of compliance.

State recheck men will be in our county this fall to check on soil-building practices and if it is found that a producer has harvested soil building crops which are listed as left on land the benefit check may be withheld. Or if the payment has been made a refund may be called for.

If a producer decides to carry out additional soil building practices up to November 30th, he should report the practices to the office so that they can be checked and made a part of the office records. If this is not done, the producer may be deprived of a payment he is entitled to, or make necessary the execution of an adjustment application which would delay payment.

## BUNKER HILL SCHOOL TO BEGIN TERM ON MONDAY

The 1939-40 term of the Bunker Hill rural school will open Monday, October 2nd, with a full nine months term in prospect. Two teachers are employed in the school, Principal R. L. McCarty and Miss Norma Drusadow. Trustees of the district are J. A. Hilscher and Alfred Rinn.

### "Other" Names

How many times have you asked this question. What is your "other" name? I wager the times are too numerous to mention. For some reason, people do not like to tell their other names. If you've ever asked anyone this question and have been disappointed check up on the names below. Maybe you'll find your victim. This week you'll find the "other" names of some of the Seniors, The Juniors, Sophomores and Freshmen will follow.

**Seniors "Other" Names**  
 Paul Arnold Kuenstler—President of the Senior Class.  
 Wanda Eloise Dulaney—Vice-President.  
 Constance Maureen Morris—Treasurer.

Anna Rose Chapman—Reporter.  
 Geraldine Akins, Jean Conner, Martha Jane Holt, Naoma Christine Morgan, Lydia Marie Mobley, Velton DeWitt Moore, Frederick Foy Gholson, Bernard Phelps, Hassell Eugene Hunter, Sybil Inez Davis, Clara Marjorie Busby, Flossie Hester, Mary Helen Coleman, Edna Louvenia Shelly, Ethel Rebecca Couch, Geraldine Leatrice Wheeler, Annie Kay Strickland, Viola Frances Carruth, Edwin Terrell Jeter, Emma Pearl Graham, Nettie Lowell Harrell, Betty Jane Stanton, Mary Lou Johnson, Mary Lou Watts, Frederick Lee Barnett, Dorothy Lee Rose, Frances Anita Coburn, Thomas Raymond Odell Jr., Madge Leona Reese, Ruthie Mae Scheets, Lois Faye Lackey, William Wayne Wiseman, Audrey Norene Hise.

There are a few Seniors who have refused to give their names. It is quite natural, under those circumstances that their names do not appear here.

### Sophomores Elect Officers

Recently the Sophomore class met to elect a P. T. A. representative and class officers. Buennis Faye Ratliff was elected for the P. T. A. representative. The class officers are:  
 President—Dan Oates.  
 Vice President—David Patterson.  
 Secretary—Treasurer—Roy McClintock.  
 Reporter—Florence Hammer.  
 Mr. Mason and Miss Breedlove class sponsors, met with us.

### Patches

Well, people, here I be. And guess what? In order to please my public I've decided to try public speaking. But please take pity—the last person who congratulated me numbered my three best fingers, bent the thumb and broke the little one. Woe is me!

A boy and a girl in our school are really ambitious. One is studying to be an idiot; the other is trying to invent perpetual motion. They are, in case you wonder, Fie Tishus and Ann Nonomous. Know 'em?

Christene Harris tells us she's window shopping for a new lover, but she can't find any bargains. The last one she purchased was very galling. Upon approaching a mud puddle as they were walking down Lane street avenue, he said: "I want to be like Sir Walter Raleigh. Lend me your coat." Well she put him in the pawn shop.

Our new editor-in-chief was so thrilled when she received that position, she replied: "My heart is pounding so hard that its jiggering my eyeballs."

The strange noise which caused all the students to crane their necks like turtles last week turned out to be only an old model T piled high with man-power. Had it been 1940 (Leap Year) this would have been our chance, eh girls?

Jane Holt, the little girl whose countenance is sprinkled with a cute dash of freckles, seems to be very interested in a certain place of business in Haskell. (Or is it someone who works there, Jane?) Not long ago someone fussed at me until I could tolerate no more, so I gave him a piece of my mind. The terrible thing about it was that I couldn't spare it—I gave him all I had. Que lastima!

We guess T. R. likes to sit on the front row at the picture show since he knows so much about the orchestra pit in our local theatre. Reckon?

Well, I'm signing off till next time, but I'll try to get some good gossip so you can hear it all. Love ya,

Jitterbug Judy.  
 P. S. Does anyone know what time "Diana" got home Saturday night?

### Gypsy Ramblers Will Sell Pencils and Football Programs

Wanna buy a pencil—or perhaps a football program?

Yet, it's the Gypsy Ramblers once again selling pencils and football programs. They decided to do this at a meeting on Monday, September eleventh. The pencils will be gold with this season's schedule printed on them in black. The programs will be sold by members of the Gypsy Ramblers at each of the games played here on Indian Field.

The girls are endeavoring in this way to finish paying for the stage curtain.

### Freshman Class Elects Officers

At a meeting of the Freshmen class last Monday the following officers were elected:

President—Jesse Fagan.  
 Vice President—Shirley White.  
 Secretary and Treasurer—Dovie Whitaker.  
 Reporter—Billy McKinney.  
 Sponsors for this class are Miss Riley and Mr. Dean.

Mr. and Mrs. S. W. Scott of San Antonio were business visitors in Haskell this past week.

### Junior Class Is Organized

The Junior class met September 20 for the purpose of organization. Seven candidates for the presidency had been nominated at a previous meeting from there, Jack Morris was elected president.

Others elected were:  
 Desmond Dulaney—Vice-President.  
 Frank Spencer—Secretary-Treasurer.  
 Myrtle Bob Branch—Reporter.  
 As there was no further business to come before the house, the meeting was adjourned.

### Seniors Organize Class

The Seniors have had a great deal of campaigning during the past two weeks. This was something we had never experienced before and it proved very interesting. This campaigning was mostly for presidency. When the day came for us to organize we were all very excited.

Only two names were submitted for president and the result of the class election was thus:  
 President—Paul Kuenstler.  
 Vice President—Wanda Dulaney.

Secretary—Margaret McClintock.  
 Treasurer—Connie Morris.  
 P. T. A. Representative—Jean Conner.

### Gypsy Ramblers Elect Officers

Last spring the senior members of the Gypsy Ramblers met in the home of their sponsor, Mrs. Wimbush, to elect new officers for the 1939-40 school term. The following officers were selected:

President—Wanda Dulaney.  
 Vice-President—Gerry Akins.  
 Secretary—Jean Conner.  
 Treasurer—Mary Lou Johnson.  
 Reporter—Ethel Reba Couch.  
 Sergeant-At-Arms—Margaret McClintock.

New members were also elected into the club at this meeting. They are: Josephine Parish, Annie Bess Gilliam, Sue Pate, Beverly King, Florence Hammer, Garne Head, Freda Wheatley, Eloise Koonce, Mamie Jean Menefee, Frances Chapman, Billie Jo Ivy, Dale Bartlett, Betty Jo Hester, and Jeannell Warren.

We regret that Jeannell has moved to Abilene.

Augusta Kimbler, daughter of Mr. and Mrs. Clyde Kimbler of Rule enrolled in Canyon as a freshman Monday of this week.

Paul and Duffer Crawford returned this past week from a trip to Old Mexico. They visit with their parents, Mr. and Mrs. J. M. Crawford leaving for Lubbock where they will be in Texas Tech this year.

The Rev. and Mrs. H. R. Whately visited relatives and friends in Lometa this past week.

## Consider Each Room When Planning or Buying Home

When planning a new home or buying one that is already built, every room should receive careful consideration. For the all-around livability of any home is, in the end, the total of the various rooms' livability.

Of course, no prospective home owner should disregard such points as the general suitability of the new home—its size, arrangement, and design—just because he may like several, or even all, the rooms it contains when he considers them separately. But too many inexperienced home-planners consider these the only factors of importance—to their later regret.

**Start With Living Room**  
 The living room is the place where one should start his "room inventory," for it is one of the most used rooms of all. It is definitely one of the most popular "family" rooms in the home and is commonly used for entertaining guests as well. Yet, notwithstanding its dominant importance, it is often neglected in planning—at least it doesn't receive the attention it merits.

Next in importance in all probability comes the dining room, which is normally adjacent to the living room and quite similar to it in design and use. It, too, should get its share of consideration, for the same reasons.  
 The bathroom is one of the

check of its plumbing and fixtures, for it depends on these more than any other room does.

The kitchen, representing the housewife's workroom, should be scrutinized for efficient design and maximum efficiency. Its arrangement should cut down steps to a minimum and it should be large enough to provide adequate room for all the latest appliances.

### There was a time

—when old fashioned heating methods blistered your face while your back shivered.

But now ...

with natural gas service, winter can be just another pleasant, healthful season in the modern home.

## A timely reminder

The tag end of summer warns that treacherous days of winter are on the way.

Do you remember the old days? Old-fashioned methods of heating... children wore heavy underwear and long stockings in order to keep warm... members of the family "huddled" in one or two rooms during cold weather... mother went shivering about the house with a shawl around her shoulders... someone was always "catching cold"—Remember? There is a direct relationship between your family's health during winter months and the way you heat your

home. Sudden changes of temperature during the treacherous months of cold weather are dangerous. If you follow the old-fashioned practice of "huddling" in one or two rooms while the rest of the house remains unheated—YOU ARE TAKING

CHANCES WITH YOUR FAMILY'S HEALTH. Plan now to have adequate heat and healthful temperatures in every room in the home this winter. It's the modern way, to fight the "common cold."

The cold germ is responsible for more than two hundred million illnesses each year. Don't give a "common cold" an even break!

## Philathea Class of Methodist Church Enjoys Lawn Social and Picnic

On last Thursday night members of Mr. Fred Sanders' Sunday School class and invited guests, met on the lawn of the A. J. Josselot home and enjoyed one of their very best parties. A long table placed on the lawn was loaded with everything that one could desire.

After supper games were played. A Bible quiz was very interesting. Mrs. Kaigler, whom we all know and admire was present and favored us with some little jokes and skits that all enjoyed. The very informality of the occasion made for that "home folks" feeling that allows us to forget our cares and to realize that down deep the whole world is akin.

Members and guests present were: Messrs. and Mesdames J. E. Leflar, R. L. Harrison, G. E. Davis of Rule, W. H. Morris, C. B. Breedlove, W. A. Holt, Jim Isbell, O. E. Patterson, Tom Stewart, D. H. Parsons, F. T. Sanders Jr., H. Darnell, H. M. Stone, C. L. Lewis, Mesdames E. Martin, Ollie Freeman, Joe Irby, Glenn Gillette, Y. L. Thomason, C. Warren, Irene Ballard, C. M. Kaigler, J. U. Fields, Hettie Williams, W. A. Kimbrough, Mr. W. C. Phippen, Fred Sanders Jr. and the host and hostess, Mr. and Mrs. A. J. Josselot. Mesdames Williams and Harrison were assistant hostesses.

## Methodist Missionary Society Has Interesting Meeting On Monday

Mrs. H. M. Smith, chairman of the Christian Social Relations Department of the Methodist Missionary Society, directed one of the most interesting programs of the year. With Mrs. Harrison at the piano all joined in singing "Count Your Blessings". Mrs. Lewis brought the devotional which was both inspiring and interesting. Scripture read was Matt. 25th chapter, beginning with the 31st verse. In her comments the speaker told of the beginning of relief work in Haskell. In 1932 she with Mrs. O. E. Oates Sr. working with the Red Cross occupied a room on the 3rd floor of the court house. There, commodities sent by the Red Cross organization were distributed to the needy.

Mrs. Kate Perdue, County Supervisor for the W. P. A. told of the most interesting programs of 600 Haskell county families averaging four persons per family were on the relief rolls.

Mr. Kimbrough, area supervisor of the N. Y. A. project, next told us something of his work. This is a comparatively new project having been organized in 1935. This is a rapidly growing project. We learned that to be admitted to this N. Y. A. work he or she must be of good character and between the ages of 18 and 25 years. The families of these boys and girls need not be on relief in order for them to enroll. They themselves must be unemployed.

Mrs. Gilstrap, supervisor of Resident Center for girls of the N. Y. A. next talked of her work. This project has only been organized one week. Instead of telling of work accomplished Mrs. Gilstrap told of the hopes and aims for the future. This project cares for 20 girls, working alternately in groups of ten.

Miss Frierson supervisor of the sewing room project, told most interestingly of her work. Garments made were exhibited and these were found to be well done in every way.

Tommy Dean, whose husband a graduate of Tuskegee, is in charge of a night school for adult colored people, told of some of the work being done. Out of an enrollment of 30, only 7 or 8 are in attendance. The speaker asked for closer cooperation and friendlier relations, between the white and the negro races. She requested all persons employing negro help, urge them to attend this school.

Mrs. Erickson, superintendent of "The Housekeeping Aid Project" next told of her work. Time being limited the speaker asked that she be allowed to speak briefly and promise to appear before us again in which she is so genuinely interested. We learned that her project employs 18 women. These women are taught all branches of housekeeping, how to nurse sick people, care for new born babies and also go to homes where help is needed in any way.

The meeting was dismissed by the reciting of the Lord's Prayer in unison. At the conclusion of the program, Mesdames Mays and Haynes served delicious punch and wafers.

We were honored by the presence of Mrs. O. E. Oates and cordially invite her to come again. The following members were present: Mesdames Lewis, Smith, Darnell, Martin, Fields, McIver, Kimbrough, Cahill, Haynes, Pittman, Patterson, Freeman, Ballard.

We wish to express our appreciation to our guest speakers. We assure them that we are aware that they are each a busy person. We therefore feel honored that time was taken from their duties in order that our Social Service program might be so interesting. We only wish that more ladies had been present.

We meet on next Monday at 3 p. m. Don't forget the change in time.

## Baptist W. M. S. Meets For Missionary Program and Business Meeting

We sang "God Bless America" and several popular songs. Gladys Wafford is our pianist.

Mrs. Lewis gave us several good suggestions on raising poultry.

Soon we shall begin our bed spreads. We are planning on some sort of entertainment soon.

For our Gold Star candidate we have elected Wilma Jean Spiser.

After our meeting we played a "guessing game" that taught us more about flowers, which we enjoyed very much.

**Mrs. Thelma Lewellen Gives Demonstration on Kitchen Improvement**

"I planned my kitchen so as to best suit my personal convenience" stated Mrs. Thelma Lewellen in her demonstration on kitchen improvement when the Mattson Home Demonstration Club met in her home for an all day meeting September 14.

My all metal cabinet has been of more convenience to me than any improvement I have added to my kitchen, continued Mrs. Lewellen.

The following were appointed to serve on the fair committee, Mrs. Floyd McGuire, chairman, Mrs. Bud Derr and Mrs. Thea Free.

The following were present: Meses. Curtis Thornton, Hub Merchant, Otis Matthews, Jim Stanford, Bud Derr, Cliff Chamberlain, Frank Patterson, Slover Bledsoe, John McGuire, C. A. Massie, Thea Free, Elbert Mapes, Thelma Lewellen, J. D. Roberts Jr., Vernon Ivy, Carlos Bowen and Miss Mildred Vaughan.

**Young People of Methodist Church Entertained With "Hobo Party"**

On last Thursday evening young people of the First Methodist Church were entertained with a social, which turned out to be a real "Hobo Party." After various "hand out" from the different sections of town we made our destination the city park. Here we played games after eating heartily as hobo's sometimes have to do—beans, cornmeal muffins, onions and pickles.

A large crowd attended the social and a good time was had by all. Our plans are to have a social each month. Come, join the league and join in the social and spiritual fun.

Attend league each Sunday night from 7:15 until 8. A cordial welcome is extended to all young people ranging in age from fourteen to twenty-three.

**Members of Y. W. A. Enjoy Outing Monday**

Monday evening, members of the Y. W. A. gathered at the home of Hazel Wilson before going to the Roadside Park for a weiner roast. After roasting weiners and eating supper, all enjoyed a group of games.

Those present were: Gerry Akins, Bobbie Nell Cass, Jean Conner, Opal Gilliam, Amelia Beth Hammer, Jane Holt, Eula Mae Marshall, Beatrix and Marie Mobley, Ann Smith, Ruby Stodghill, Hortense and Sarah Lee Walling, Mrs. Liles, and Mrs. Weaver.

**La Vera Guess Is Selected Member of A. C. C. Pep Organization**

La Vera Guess, daughter of Mr. and Mrs. R. B. Guess of this city has been selected for membership into the Kitten Club, a girls pep squad organization of Abilene Christian College. Dressed in snappy uniforms of tall white hats with purple plumes, purple dresses with white military belts and tall white boots, this group represents ACC at all athletic meetings.

**Meeting of Senior B. T. U. Will Be Held Sunday Evening**

There will be a Senior B. T. U. meeting at the Baptist Church on Sunday evening at 7:00. Every boy and girl from the ages 16 to 20 is urged to come. A special program has been planned.

**Kenneth Brown Assigned Student Position in College at Stephenville**

Kenneth Brown of Haskell has been given a student position at John Tarleton College where he is enrolled as a student.

Dean J. Thomas Davis has always operated the many enterprises of the college by student labor, selecting outstanding boys and girls for the positions and placing them at jobs related to their studies.

Known as a school "run by the students", Tarleton has boys and girls operating the College dairy which has a herd of one hundred registered Jerseys, the 500 acre demonstration farm with all the fine livestock, the college dining hall where eight hundred students are fed, the poultry plant and the many other enterprises of the college. "While the financial aid has enabled many worthy students to obtain an education," said Dean Davis, "the experiences these working students obtain is invaluable."

Mr. and Mrs. C. M. Conner were called to Dallas Monday because of the serious illness of her mother. Mrs. Conner remained in that city and Mr. Conner returned home Tuesday.

**Breath Offends?**

Bad breath is sometimes due to bad teeth; often caused by sluggish bowels. To neglect it may invite a host of constipation's other discomforts; headaches, biliousness, loss of energy or appetite. Take spicy, all-vegetable BLACK-DRAUGHT tonight. This intestinal tonic-laxative tones lazy bowel muscles; cleanses gently, promptly, thoroughly by simple directions. Try BLACK-DRAUGHT, the time-tested laxative.

**Woman's Missionary Society Has Program and Social**

The Women's Society of Christian Service of the Methodist Church, formerly known as the Missionary Society met in the home of Mrs. Frank West with Mrs. Preston Weinert director of the program, the subject being "New Horizons of Home Mission Study Through a United Methodistism". With Mrs. English at the piano, the hymn, "All Hail The Power of Jesus Name" was sung.

The meditation was taken from Ephesians 3:14-21. A prayer by Mrs. J. W. Medley followed the singing of the hymn.

Mrs. Jack Bettis gave the highlights of the Mission fields which are connected with the Methodist work, such as the Orientals, Philippine Islands and the Christian settlements for Jews.

A refreshment plate was served by the following hostesses: Meses. H. Marsh, H. C. Yandell, H. Smith, Jack Bettis and Mrs. West. Mrs. J. A. English was presented with a surprise box of household gifts.

Others present were: Meses. Ernest Griffith, Ernest McGuire, J. P. Joeslet, A. D. Bennett, Louis Bennet, G. L. Walker, J. W. Medley, Everett Medley, Harry Bettis, Preston Weinert, H. Weinert, Mrs. Jess Owen and Mother Williams whom the auxiliary is always glad to have with them.

**Picnic At Park**

On Tuesday evening of last week Miss Inez Medley surprised Miss Alpha Mary Monke with a picnic at the Roadside Park north of town. A group of friends gathered and chaperoned by Mrs. Richard Weinert enjoyed ice cream and cake. The greater number went to the show at Munday. The occasion was a farewell feature for Miss Monke before leaving for school.

**Parent-Teachers Association Meets**

The Weinert P. T. A. entertained with a stunt program at the high school auditorium Thursday, September 21 at 8:00 p. m. Superintendent Duff was master of ceremonies and was assisted by Meses. Palmer and Raymond Liles. T. A. Hawkins, Julian Perrin, Rev. English and others. After a very interesting program teachers and

patrons mingled together for a social hour. There was a large crowd present and every one was given an opportunity to become a member of the organization.

Mrs. Raymond Liles and Mr. Perrin issued membership cards and a large number joined. All patrons will be given a chance to join.

### GEMS OF THOUGHT

Above the cloud which casts its shadow upon us is the star that sends its light towards us.  
—Victor Hugo

### New Menace To Cotton

Another insect pest which threatens to do more damage to cotton than any with which the South has had to contend in the past is the pink bollworm which entered Texas from Mexico in 1936 and unless checked will infest the entire cotton belt.

In two years this destructive insect spread over a large area and reached points more than 130 miles above the Rio Grande. Its ravages are more menacing than those of the boll weevil, cotton flea hopper or any of the other pests which attack the cotton crop.

Appropriations made by Congress for the control and eradication of the pink bollworm are said to be inadequate, and an additional appropriation is needed for the next fiscal year, in order to carry out the eradication program recommended by the experts of the Department of Agriculture.

The National Cotton Council and other organizations urging this additional support for the full program point out that the cost of combating the pest in future years will be vastly greater if the job is not thoroughly done now.

### September History

Among the anniversaries of September several are of historic importance, and worth remembering. A recently compiled list includes the following:

- 3rd, Treaty ending the Revolutionary War signed 1783.
- 4th, Hudson River discovered, 1609.
- 6th, President McKinley shot, 1901.
- 7th, Boston settled, 1630.
- 8th, St. Augustine settled, 1565.
- 11th, Battle of Lake Champlain, 1814.
- 13th, General Winfield Scott entered Mexico City, 1847.
- 14th, "The Star Spangled Banner" written by Francis Scott Key, 1814.
- 17th, United States Constitution adopted, 1787.
- 21st, First daily newspaper in the United States, the Pennsylvania Packet, published in Philadelphia, 1784.
- 2nd, Nathan Hale, Revolutionary patriot, executed as a spy by the British, 1776.
- 24th, "Black Friday" in Wall Street, 1869.
- 26th, Balboa discovered the Pacific Ocean, 1513.
- 27th, British under General Howe captured Philadelphia, 1777.

To these must be added the most sinister date of all, the beginning of the present war on September 1, 1939.

### The Safest Ship

The United States has never gone in for building merchant vessels of great size, but the steamship America, recently launched at Newport News, Va., will be the largest passenger liner ever built in this country, besides being the safest in the world.

Through the use of marine, an asbestos material, for partitions and other construction usually made of wood, the America will be fireproof, and the largest ship of its kind afloat. The ship will be one of the new fleet being built for the U. S. Maritime Commission, all of which will be of similar fireproof construction.

With a gross register tonnage of about 26,000, the America will be relatively small as compared with such super-liners as Normandie, Queen Mary and others which have a gross register of 80,000 tons or more.

Now about 40 per cent completed, the America is expected to be ready for service next spring and will be operated by the United States Lines. There will be 400 staterooms, with accommodations for 1,219 passengers and a crew of 639.

The ship will not rival the big luxury liners for speed, as it will take about a week to cross the Atlantic. It is primarily designed for safety and economical operation, although having most of the comfort and conveniences of its more pretentious sisters of the sea.

### World Series of 1905

As the 1939 world series approaches, sports writers are digging up stories of famous baseball classics of former years, and the feat of Christy Mathewson, who pitched three shut-out games in the series of 1905 is recalled.

This was the first world series in which the New York Giants of the National League participated, and the second played by teams of the present major leagues. The first was played in 1903, and won by the Boston Americans over the Pittsburgh Nationals. The Giants won the National League pennant in 1904, but Manager John McGraw refused to play the Boston Americans for the world championship that year.

In 1905, however, McGraw consented to play Connie Mack's Philadelphia Athletics, and sent Mathewson to the mound for the first game, which he won, 3 to 0. The Athletics won the second game and Mathewson was called on to pitch the third, winning 9 to 0. New York also won the fourth game of the series. Mathewson pitched and won the fifth and final game, 2 to 0.

In the three games Mathewson allowed a total of only 14 hits, walked 1, struck out 13 batters, and held the Athletics scoreless.

There was nothing phenomenal about this performance so far as any individual game was concerned, but to win three games of a world series without allowing a run was something no other pitcher has ever done, and in that respect it made him "The Knickerbocker."

There will be a no-group. Teachers will be announced on at the Sunday will be sung and blessing awaits all in charge of of: Ira Hester, Rev. Clifford W. is Mildred Vaughan, Caroline Williams, Mrs. Sam Chap-

There will be the most sinister date of all, the beginning of the present war on September 1, 1939.

### Texan Wins Movie Lead

Six years ago a 17-year-old girl, walked into the offices of the dramatic department of Texas State College for Women and announced her intentions of becoming a movie actress. Her name was Ardis Ankerson; her home town in San Antonio. In a few weeks now Warner Brothers will release "Espionage Agent." The feminine has insisted that she would be a movie actress since she was eight years old. Joel McCrea will play opposite her. In college Miss Ankerson was permitted to take advance dramatics courses while she was yet an underclassman, and she was the only underclassman ever admitted to the College Little Theater.

of the Bobwhites, one pure white and four streaked with brown, near Abilene recently. One other white quail was reported in Northwest Texas recently and a covey was found in East Texas nearly two years ago.

White quail are the result of the lack of pigments in the feathers of the birds, but white quail, or any other species of birds or animals, is not considered albino, the term most commonly applied to them, unless they have pink eyes.

The squirrel trapping project being carried on by the Game Department in Bastrop State Park near Bastrop is providing biologists of the department some valuable information. They hope to determine, among many other things, how far squirrels travel so that they may be able to decide whether it will be profitable to stock certain areas of the state which have become depleted of squirrels. No squirrel stocking projects will be considered until complete data on the habits of squirrels is amassed.

Squirrels, generally considered by hunters to be rather shrewd little animals, show little fear of traps in Bastrop State Park. They are not injured in trapping and are marked with small ear clips. One

male is venturesome enough to have been caught ten times.

With the dove hunting season in full sway some pertinent DON'TS which may save sportsmen considerable trouble with state and federal game wardens have been formulated by the Game Department's executive secretary. They include:

- Don't shoot doves before 7 A. M. nor after official sunset.
- Don't shoot from a car or from along a public road.
- Don't shoot doves with any gun except a shot gun not larger than 10 gauge.
- Don't forget to plug your gun to a three-shell capacity.
- Don't forget your hunting license if you leave the county.
- Don't kill more than fifteen doves per day and do not have more than 15 in your possession.
- Don't shoot when you cannot see; there might be another hunter behind those trees.
- Don't leave gates open and always get permission to hunt on private land.
- Don't forget that the quail season does not open until Dec. 1.

Trapping in Texas offers huge possibilities. It is estimated, for example, Chambers, Jefferson and Orange counties, could be made to produce an annual crop of furs valued at \$2,000,000. The Game Department is aiding in adding to the wealth of the state by assisting in restoring fur-bearing animals.

Texas farm income rose from \$4,328,000 in 1932 to \$8,574,000,000 in 1937 and \$7,632,000,000 in 1938. At the same time, the number of farms purchasing electricity climbed from 11,537 in 1932 to 31,205 in 1937.

### Haskell County History

#### 30 Years Ago—Sept. 25, 1909

D. W. Fields was in town Tuesday and exhibited some fine heads of milo maize grown on his farm. This maize was planted in July. Mr. Fields also said he had a field planted in native corn on June 27 and 28 that would make 30 to 35 bushels per acre.

Arthur Cummings of Van Horn is visiting in this city, where he formerly lived.

Mrs. J. T. Nicholson of Hamlin is visiting her daughters in this city. Mrs. T. E. Bowman and Mrs. B. M. Whiteaker.

A defective smoking flue at the residence of Dr. Cummins caused a fire alarm Thursday morning. The fireboys made a run with the hose cart but fortunately there was no fire.

At the Farmers National Bank is an exhibit of some fine corn raised on the farm of Messrs. Will Hills and R. C. Montgomery. Mr. Hills says the corn will make fifty bushels per acre.

Cotton brought 13 cents Wednesday on the streets of Haskell.

Lewis Sherrill attended the Texas Sunday School Convention at Abilene this week.

Haskell now has adequate protection from fire. The water tower is full and connections are being made to the mains. It will be a pleasure to you to visit the pumping plant in the south part of town. The City Council has used the process of the water bonds to give us splendid fire protection.

Dr. W. A. Kimbrough and little son are visiting his old home in Alabama.

Congressman Morris Sheppard delivered a splendid lecture here Friday night the 17th to a crowded house.

The Alexander Mercantile Company have put in the basket checking and accounting system.

They are the first merchants in Haskell to install this system, which provides a check of sales, correct assortment and wrapping of purchases, and an accurate bookkeeping accounting.

### TEXAS OUT-OF-DOORS

Feeding of turkeys, attempted by the Texas Game, Fish and Oyster Commission only in times of stress, helped overcome the effects of a drouth in the Hill Country this year. As a result, that section of the state, faced with the possibility of having its seed crop of the big game birds wiped out, should have a sufficient stock of adult birds for the next breeding season.

Figures made available by the executive secretary of the Game Department reveal that a total of fifty-three feeding stations were established and that forty-five of them were used regularly by turkey until July 10, when the feeding program was discontinued due to general rains over the area alleviate the situation. It is estimated by the regional game manager of that area that more than 3,000 adult birds used the feeding stations. More than 3,300 pounds of maize and 54 bushels of corn were used in the drive to succor turkeys.

The Game Department does not advocate feeding of turkeys except upon usual occasions because it produces heavy concentration of birds at the feeding stations and thus makes them more accessible to predators.

The crop of young turkey is negligible this year due to the effect of the drouth.

The second covey of quail in Texas containing rare white quail discovered during the last two years has been reported to the Game Department by the Game Warden at Roby, who found five

terminus of the T. C. Railroad, is to be. All they found was some tents of the workmen who are building a large tank and the surveyor who is laying off the town.

Several weeks ago while B. Stuart was at work in his blacksmith shop, a small piece of steel flew from the edge of his hammer and struck in the eye of his little boy, Raymond, standing near. The particle buried itself in the boy's eye, but the injury soon healed and gave no further trouble. Recently the wound has become painful, and this week a physician said that the sight of the youth's eye was threatened.

### First Methodist Church

Attend Church Sunday night at 7:30 O'clock and hear the sermon:

#### "HOW TO BE SAFE"

In these dangerous days in which we are living You will find this sermon helpful and encouraging.

A Welcome Awaits You. Come, Worship God

### Representative—

(Continued from Page 1)  
The Texas Pension Union, combined claim to represent three hundred thousand Old People of Texas have petitioned the Governor to call a special session. I was informed first hand that the only way a special session would be called would be at the demands of the old people, therefore I suggest that aged people of the 113th district by your organizations, petition the Governor to call a Special Session, or write him personal letters insisting on a special session.

"The cry that the Legislature was in session 163 days and could not agree on a pension measure and could not now agree, is the crudest kind of deception. Representative retained by the powerful out of state corporations were determined to put over a sales tax by constitutional amendment, or nothing. If carried it would have placed the burden of Social Security tax upon the plain people of Texas. It would have reduced the

ad valorem tax of the out of state corporations from three to four million dollars per year more than they would have paid on Social Security. It was a concerted action by special interests and endorsed by some high state officials to do away with the OLD FOLKS PENSION rights. S. J. R. No. 12 would have done this.

"Ask the Governor to call a special session and see who wants to pay you pension. It can never be settled satisfactorily in a regular session as there will always be a fight to put over a Constitutional Amendment that will protect the Special Interests. The House of Representatives will pass good constructive bill in a very short time, if the Senate fails you will know where to place the blame. I am,  
Sincerely your friend,  
Courtney Hunt,  
Representative 113th District."

products without being compelled to conform to a score card as heretofore.

Added divisions of 4H and FFA Educational Exhibits, 4H and FFA Field Crop Show, and Haskell County 4H and FFA Livestock Show is expected to attract a number of exhibitors. Cash awards aggregating several hundred dollars will be paid in the various departments of this division.

Another department added this year which is expected to attract a large share of attention is the Vocational Homemakers exhibits of Future Homemakers in Haskell, Rule, Rochester, Paint Creek, O'Brien and Mattson schools. A special section of the Exhibit Hall will be assigned this department. Aside from the competitive divisions added this year, new features in the exhibits will include educational booths of the Farm Security Administration and the National Youth Administration for officials announced.

Under the supervision of R. E. Skelton, district FSA supervisor, an educational booth will portray the approved farm practices outlined by the FSA in this section. Orman L. Kimbrough, area supervisor for the NYA with district offices in Haskell, will sponsor a booth depicting activities and aims of the youth administration. Both exhibits will be strictly educational, in order to acquaint the public with aims of the two agencies, and all costs in setting up the exhibits will be defrayed by personal sponsors.

Curio Department Discontinued  
Walter Murchison, fair association president, announced Thursday that the Curio Department of the Fair would be discontinued this year in order to avoid conflict with a similar exhibition to be held during Fair Week, sponsored by the Magazine Club. The display will be located in the Pierson building just north of the Haskell National Bank.

fatal injury August 14 of W. H. Gaskin, Sr., a Rule druggist. Lively was billed on charges of driving an automobile while intoxicated, murder without malice, and failure to stop and render aid.

In the remaining bills a former Haskell resident now in state prison was billed on a charge of cattle theft, one negro for turkey theft, a white man not yet in custody for forgery, three men for driving while intoxicated, and three negroes for theft, with two bills against one of the negroes. Two of the negroes are Lieutenant and Leo Johnson. The third is not in custody.

**Condemn Traffic Violators**  
In their report to Judge Ratliff, members of the Grand Jury called attention of all city and county officers to numerous violations of traffic laws, and urged

In connection with the Grand Jury recommendation, City Marshal Sebo Britton, Constable Henry Ivey, Sheriff Olen Dotson and his deputies announced Thursday that strict action would be taken against speeding and other violations of traffic regulations.

that officers enforce traffic regulations. The report pointed out that various accidents have occurred, and with schools now in session, violators of traffic regulations are endangering lives".  
With R. L. Burton as foreman, other members of the Grand Jury are Fred Monke, Will Stegemoeller, Tom Holland, W. C. Britte, O. D. Pool, V. F. Bunkley, J. A. White, Claude Ashley, E. E. Fouts, A. C. Pierson and Jim Davis.  
J. W. Martin is door bailiff and Elbert Mages and Mart Clifton riding bailiffs.

Henry, world traveler, artist and magician, pictured above, is the featured vaudeville attraction with the Harley Sadler tent theatre, which comes to Haskell for a one day engagement, afternoon and night, Wednesday October 4th. Henry has been creating a sensation in Texas this season with his Hopi Indians sand paintings, said to rival masterpieces of art. In addition to being an artist, Henry is a magician of ability and his part of the program is very entertaining and mystifying.

Other vaudeville acts this year with Harley Sadler's show are Jeannie Layne, acrobatic dancer, Jesse Rogers, cowboy singer from radio station XERA, Del Rio, Texas, Virginia Goodman, singer, The Musical Battens, eccentric musicians, Eddie LaVerne, accordionist, Billy Heath, singer, and a 10 piece band under the capable direction of Bob Slier.

The play to be presented in Haskell will be "He Couldn't Take It", with Harley Sadler as "Dad" said to be his favorite part. Most of the faces in the cast will be new.

Arrangements have been made with the Trades Day Committee whereby the time of the drawing will be postponed until 4:30 P. M., thereby allowing the Sadler show time to give a special Trades Day matinee at 2 P. M. which will be all out and over in plenty of time before the drawing.  
The night performance will start at 8 P. M., doors opening half an hour earlier. No doubt a large audience will greet this popular company both afternoon and night. The show will be sponsored by the Department and will be located South of Brazelton Lumber Company.

### J. W. Prichard To Judge Poultry Show At Fair This Year

J. W. Prichard of Stamford, president of the Jones County Poultry Association and widely known poultry fancier of West Texas has been secured to judge the poultry division of the Central West Texas Fair this year, according to Homer Neal, secretary of the fair association. Mr. Prichard this week judged poultry exhibits at the Young County fair in Graham.

W. P. Trice, superintendent of the poultry division, said Thursday that advance inquiries from prospective exhibitors indicated a large number of entries in this department of the 1934 Fair.

Hugh H. Jones of Vernon, who has farm and other interests in this section, was a Haskell visitor the first of the week.

Mr. and Mrs. George Fuller and Mr. and Mrs. Ray Miller and son Billy Ray of Guthrie, Okla., visited in the home of Mr. and Mrs. F. L. Peavey over the week-end.

Mr. and Mrs. John A. Couch visited in the home of their daughter Mr. and Mrs. Ed Burleson in Waco this week end. Mrs. Couch remained for a week's visit in that city.

Mr. and Mrs. Henry Wilson and daughter, Janice Ruth of Amarillo visited their parents Mr. and Mrs. R. V. Robertson and Mrs. H. S. Wilson this week end. Mrs. Wilson and daughter remained in Haskell for the week.

Mrs. Tom Davis and daughter Katherine and Mrs. Ben Charlie Chapman spent Saturday in Abilene.

Clara Clift, teacher in the Dallas Schools visited her parents, Mr. and Mrs. B. T. Clift over the week end.

Mrs. Marvin Bryan is visiting her parents and other relatives in Austin. She will be in that city for several weeks because of illness of her mother.

Mrs. Grady Roberts of Munday visited friends and relatives in Haskell this week end.

Miss Minnie Ellis returned to her home in Pecos Sunday after a week's visit with relatives and friends in Haskell.

Mmes. Bert Welsh, Ed Day and Ralph Duncan visited in Abilene Saturday.

J. M. Bird of Stamford, Miss Nora Walters of Rule and H. T. Sullivan of Weinert attended a meeting of committee chairmen of the Central West Texas Fair on Monday.

### COTTON MARKET AT MUNDAY IS PROVING WORTH TO FARMERS

#### Sales This Week Reflect Higher Price for Best Grades of Cotton

The Munday cotton market on pool has proven itself a distinct benefit to the one-variety cotton farmers of Haskell, Baylor, Knox and neighboring counties. The results already obtained definitely show that it pays farmers to work together in the sale of their cotton.

Evidence of the value of the market to farmers is indicated by or cottons being received by farmers for cotton sold through the market. On Tuesday, Sept. 26th more than 300 bales were sold with strict middling 1-inch bringing 9.14 cents and strict middling 31-32 inch selling for 9.01 cents per pound. On Wednesday, Sept. 27 about 150 bales were sold at somewhat higher prices. Comparison of these prices with official quotations of the U. S. Government show that the one-variety cotton sold through the Munday market brought prices considerably higher than Dallas prices for cotton of the same grade and staple length.

Every bale of cotton sold handed through the farmers' market on the basis of its grade and staple length. According to County Agent Schumann, this is the only fair way to sell cotton and provides farmers with an incentive to produce higher grade and longer staple cotton. All growers are urged to support the market with their patronage. Increased volume of cotton sales would necessarily attract a larger number of cotton shippers and buyers to the market and should result in higher prices.

During the past week a large number of buyers have been at the cotton sales, according to Mr. Ray Kelly, the manager of the pool. Some of the firms at the cotton sales were: McAdams Cotton Co., Houston; Anderson Clayton, Houston; Bartz and Co., Dallas; A. Lassberg and Co., Austin; Southern Cotton Co., Dallas; H. Kemper, Galveston; Hohenberg, Dallas; Rogers and Co., Houston; E. M. Wilson, Houston; Helmbrecht and Co., Galveston and J. Kahn, Dallas.

A number of the top ranking government officials visited the market during the week. Mr. Kelly said. Among these were John W. Wright, U. S. Department of Agriculture, Agricultural Marketing Service, Washington, D. C.; O. W. Hermann, Farm Credit Administration, Washington, D. C.; Roy Sanders, Agronomist, Bureau Plant Industry, Greenville, Texas and C. E. Bowles, Cooperative Marketing Specialist, College Station, Texas. Considerable interest was evidenced by the visitors in the pooling method which is being followed at the Munday market in the sale of one-variety cotton. Full benefits from a cotton improvement program are not possible unless the quality product is sold at the highest possible price on the basis of merits of each bale. Hog-rund buying necessarily penalizes the one variety cotton farmer and will eventually destroy the efforts which have been made to produce longer staple cotton.

Marvin Gholson has been spending his vacation with his parents Mr. and Mrs. J. W. Gholson of Haskell.

Mrs. O. M. Guest and Mrs. Buford Cox visited the former's brother, Mr. and Mrs. Homer Ferguson of Cisco Sunday.

Mrs. Carl Power and son, Glenn returned home from Dallas Friday where they have been for the past few weeks. Glenn is recuperating from surgery performed in that city.

Mr. and Mrs. Jack Pease and daughter, Lena Carol returned to their home in Jackboro Thursday after having visited for a week with her father, Mr. and Mrs. Manley Branch.

Mae Pounds of Olney visited her sister, Mrs. Carrie McAnulty and mother Mrs. Kinnison this week end.

Mr. and Mrs. Joe Brooks of Austin are announcing the arrival of a daughter, Brenda Kay, Friday September 23. Mrs. Cretia Brooks of this city is the grandmother of the baby.

Dr. and Mrs. Gordon Phillips went to Olney Sunday for a visit with her parents of that city. Mrs. Phillips will remain in that city for the week.
