

## WIDE INTEREST OF EXHIBITORS BOOSTS OUTLOOK FOR SUCCESSFUL FAIR

### FAIR QUEEN PAGEANT WILL BE STAGED AT THE TEXAS THEATRE

Senior, Junior Fair Queens Will Be Selected Tuesday Night

Fifty young women, representing Haskell business concerns together with a number of "Princesses" from Haskell and surrounding high schools, will be featured in a colorful pageant at the Texas Theatre Tuesday night, October 10. From the group of young women will be chosen the "Queen" of the Central West Texas Fair for 1939, and a "Junior Fair Queen" will be selected from the group representing classes in the various high schools of this area. Coronation of the two young ladies will be a colorful spectacle on the opening night of the fair.

Staging of the pageant will be directed by Mrs. Opal Richey. Water Murchison will be master of ceremonies. Special stage scenery for the pageant was completed this week, together with installation of special lighting equipment. The pageant will be in addition to the regular picture program.

Program for the event will include presentation of three delightful skits in which fifty costumed school children between 5 and 12 years of age will take part. Added features on the program will be vocal numbers by Mrs. Bert Welsh, Miss Jean Conner and Mrs. J. G. Malphurs, and dance specialties by Mia Lee Golden and Jean Engleman from the Larry More School of Dancing, Lubbock. Mrs. Wallace Cox will be pianist for the evening's program.

A canvass of local business firms was made Wednesday and Thursday by Mrs. Bert Welsh and Mrs. Ed Day for the purpose of lifting representatives from each firm in the pageant.

Representatives from Haskell high school will be: Senior class, Connie Morris; Junior class, Charlene Leech; So-

### HEART STROKE IS FATAL TO FORMER HASKELL RESIDENT

Wm. W. Brown, 55, Died Friday Morning in Knox City Hospital

Stricken with a heart attack while visiting relatives in this town, William W. Brown, 55, of Haskell, died Friday morning at 10:30 o'clock in the Knox City hospital. Mr. Brown was stricken four days before his death and removed to the hospital for treatment. Funeral services were held at the Church of Christ in this city Sunday afternoon at 1 o'clock by J. G. Malphurs, church minister, conducting. Burial was in Willow Cemetery with arrangements in charge of Holden's Funeral Home.

Palbearers were Dale Anderson, Conn Starks, Ira Johnson, Jim Rose, Luther Pope, and Harve Cooper. Floral offerings were handled by Mrs. Otta Johnson of Dale, Mrs. Conn Starks, Mrs. Walter Davis and Mrs. Jim Rose. Deceased was born Nov. 20, 1883, in Williamson county, Texas, the son of Mr. and Mrs. W. H. C. Brown. He was married October 21, 1906, to Miss Mary Elizabeth Hall in Comanche county. He had been a member of the Church of Christ for 30 years.

Immediate survivors include his widow, Mrs. W. W. Brown of Lubbock; a son J. B. Brown of Lubbock; three brothers, Luther Brown of Los Angeles, Calif., George and John Brown of May, Texas; and three sisters, Mrs. Mollie Gaddy, Mrs. Bill Crymes and Mrs. Dave Walker, all of Lubbock.

**Returns From Hospital**  
Mrs. R. D. C. Stephens was removed from the Hendricks Hospital, Abilene, to her home in this city Sunday in a Holden ambulance. Mrs. Stephens had been a patient in the hospital for two weeks as the result of a fall in which she sustained a severe fracture of her right ankle.

### INDIANS TO MEET MONDAY 'MOGULS' IN GAME TONIGHT

Both Teams Undefeated in Conference Play To Date

In their second conference game of the season, the Haskell Indians face a tough assignment tonight at Indian Field when they meet the re-vamped Munday Moguls, who are ready and anxious to shakedown the warriors and add to their own title hopes. Both teams are undefeated in District 10-A to date.

With two Indian regulars, Kuenstler and Thomason, definitely out of tonight's game because of injuries, the squad will have two reserves in the first-line call, Coaches Mason and Dean said Thursday.

Starting line up for the Indians will be: Thompson, Patterson, Gholson, Griffin, Marion and Jordan in the line; Henshaw, Holcomb Laird and Cousins, backfield.

Munday: Morrow, Walton, McCarty, Kitchens, Dennam, Stephens and Broach in the line; J. Phippen, C. Phippen, Yancey and Thompson, backfield.

### Funeral Service For Miss Barton Held Here Friday

Ola Lee Barton, 15, daughter of Mrs. Lela Barton of this city, died Friday morning at 4:35 o'clock in the Stamford Hospital where the child had been under treatment for several days. Physicians attributed her death to Bright's disease.

Ola Lee Barton was born December 28, 1923, in Rule. In her school years she attended Rule and Haskell schools and was an honor student. She united with the Baptist Church in Haskell at the age of twelve years, and was a consistent Sunday School and church worker among her friends.

Funeral service was held at the First Baptist Church in this city Saturday morning at 10 o'clock, with the Rev. H. R. Whitley conducting. Burial was in Willow Cemetery. Holden funeral home had charge of funeral arrangements.

Immediate survivors include her mother, Mrs. Lela Barton and a brother, Richard of Haskell; and grandfathers, J. C. Barton and J. B. Bradley of Haskell.

### Throckmorton Will Stage Annual Fair-Rodeo October 11-12

Throckmorton County's Annual Fair and Rodeo is scheduled to open on Tuesday, October 11 and continue through Wednesday the 12th. The performance this year promises to be the biggest event in the history of the Fair Association.

The rodeo plans are complete and over \$500.00 worth of stock has been leased from Red Lyons to use in this event. Amateur performers from all over the state are invited to enter the contests. Prizes await those who win in each contest.

### Judgments Recorded Against 231 Property Owners In Suits Filed by Four Taxing Units

Land and Property Involved Will Be Sold To Satisfy Judgment

Judgments were recorded Friday by Mrs. Hettie Williams, district clerk for the 39th judicial district, against 231 owners of property in Haskell and in favor of the City of Haskell, State of Texas, Haskell county and the Haskell Independent School District as intervening taxing units, in suits for delinquent taxes.

Property owned by each of the defendants in tax suit hearings will be advertised for sale following issuance of court orders for foreclosure at the end of the current court term.

Sale will be by auction on the courthouse steps. Exact number of pieces of property and valuations were not available.

If in the auction sale any particular piece of property fails to bring a bid amounting to the total amount of tax claims, plus court costs, owned by the taxing agencies, probably the city, will bid the property in.

Property thus bid in would be held in trust for two years. During the first year, the owner may redeem it by paying the total of claims and costs, plus 25 per cent; and during the second year he may redeem it by paying claims, costs and 50 per cent.

At the end of two years, such property will again be advertised and placed on auction, to be sold for whatever bid may be made, regardless of size.

In each of the suits agencies having claims on the individuals sued by the city have filed interventions, as required by the law. Under the present law, the party bring suit—in this case the city of Haskell—must name all other taxing agencies having a claim on the property as defendant parties. These other agencies, in intervening, present claims for taxes due them.

Thus, judgments rendered in the cases are in favor of four taxing units—the city, county, state and school district. Each will have its claim fully paid in event the property sells for a figure equal to the total claims. Otherwise, after two years, the four units will share prorata in proceeds from the sale.

All judgments thus far rendered have been by default.

### Marriage License Are Issued To Twenty-Four

Marriage license were issued to twenty-four Haskell county couples during the month of September, records in the office of County Clerk Roy Ratliff show.

Two couples asked that their names be withheld from publication, while the remaining number listed the contracting parties as follows:

Arthur Lee Whittington and Mrs. Laura Whittington; Lee Roy O'Neal and Gladys Euvone Potts; Vaughn Brooks and Ava Herring; Delbert Smart and Ilene Pearl; Bryant Albert Haney and Pearl Laverne Hansen; Charlie Urban and Lillie Stulir; Frank C. Scott and Mildred Estelle Robertson; Ury James Kevill and Mattie Frank Mullis; Sacrazin Castillo and Mrs. Maria Domingas; Lynn Pace Jr., and Myra Marjorie Ratliff; Vernon O. Barnes and Lorene Houston; Robert Emmett Kirby and Goetha Elizabeth Tanner; N. M. Green and Bonnie Williams; Earl Brown and Elva Devore; Garland Mansell and Jewel Avert; Ira B. Davis and Zelma Mae Adams; Montaleon R. Trevino and Mrs. Marie Quiries; Clarence E. Hen and Blanche Walker; Murray W. Steele and Ruby Williams; Volly J. Ivey and Ardella Howard; Cordell Staples and Mrs. Lorene Justice (colored); Jack Ellis and Mary Lee Lattimore, (colored).

### Throckmorton Fair and Rodeo Boosters Coming Here Today

A group of Throckmorton boosters will visit Haskell today, advertising the Throckmorton Fair and Rodeo to be held in that city Wednesday and Thursday, Oct. 11 and 12. Hour for arrival of the trippers has not been announced. A brief program will be rendered during their stay here. Other cities to be visited by the Throckmorton delegation today include Stamford, Albany and Breckenridge.

### County Prison Truck Is Placed In Commission

A new county prison truck was placed in commission this week by Sheriff Olen Dobson for use on occasions of large gatherings, the official said Thursday. The unit is usually used during the fall and winter, when "gang arrests" are frequently made, and at other times to transport jail inmates to and from work when they are employed on county roads.

### Banquet Toastmistress

Dr. Eula Lee Carter, head of the Spanish department of Texas Christian University, Fort Worth, will be toastmistress at the "Relationship Banquet" to be given Saturday evening at the First Christian Church.

### FT. WORTH WOMAN WILL BE SPEAKER AT BANQUET HERE

Local Chapter of Delta Kappa Gamma Sponsoring Event

Miss Berneta Minkwitz, principal of an elementary school in Fort Worth will be a guest speaker at a Relationship Banquet, Saturday evening at the Christian Church. She is treasurer of the National Organization of Delta Kappa Gamma Sorority and is an outstanding leader in the teaching profession.

Miss Eula Lee Carter, head of the Spanish Department of T. C. U. and is executive secretary of the sorority will serve as toastmistress for the occasion.

The purpose of this gathering is to bring a closer relationship of employees in all lines of work. The sponsor, Beta Chi Chapter is very anxious that all business people and those interested in social, civic and professional progress attend the affair.

### Throckmorton Fair and Rodeo Boosters Coming Here Today

A group of Throckmorton boosters will visit Haskell today, advertising the Throckmorton Fair and Rodeo to be held in that city Wednesday and Thursday, Oct. 11 and 12. Hour for arrival of the trippers has not been announced. A brief program will be rendered during their stay here. Other cities to be visited by the Throckmorton delegation today include Stamford, Albany and Breckenridge.

### RURAL SANITATION PROJECT UNDERWAY IN HASKELL COUNTY

Twenty Laborers Now Work With WPA Defraying Labor Cost

The county-wide sanitation project sponsored by the county under WPA sanction has progressed satisfactorily in the rural area of the county since it was started several weeks ago, officials in charge of the project said Thursday. Twenty men are now employed on the project.

Funds for the labor, paid by the Works Projects Administration for the construction of sanitary units, are now available for the residents of the county who wish to furnish the materials for their individual needs. C. H. Neahey, project superintendent, explained. Persons who have used lumber suitable for use will only be required to furnish new material in the amount necessary to complete the job, he added.

The continuance of this type of work in the county is contingent upon sufficient requests from persons desiring such units to keep the project operating efficiently, it was pointed out.

Persons who desire to take advantage of this opportunity in securing approved sanitary sewage disposal systems should contact Joe H. Kinnell or Mr. Neahey, at R. B. Spencer Lumber Company.

### Indians Win Non-Conference Game With Spur 20 to 6

A couple of fleet Indian backs, Cousins and Henshaw, aided and abetted by nine other HHS warriors whose perfect blocking and line defense clicked smoothly, smothered the heavier Spur Bulldogs 20-6 in a non-conference game on Indian Field last Friday night.

The victory was hardly as easy as the score indicates, with the Bulldogs battling stubbornly throughout the game after taking a 6-0 lead in the first quarter—but the invincible fact that "the best team wins"—had the visitors from District 9-8 behind the eight ball.

First scoring came early in the game, after the Bulldogs took Henshaw's punt on their own 30. Morrison picked up 5 yards, and on the next play Culbert, Bulldog quarterback, got around end into the clear and raced 75 yards for the tally which was to be the only one for the Bulldogs. Culbert's performance netted (Continued on Page 8)

### PRISON SENTENCES IMPOSED THIS WEEK IN DISTRICT COURT

Criminal Docket Is Called For September Term of 39th Court

A suspended sentence of two years and a prison term of eight years were assessed against two defendants in criminal cases heard in 39th District Court Tuesday, when the criminal docket for the term was called by District Judge Dennis P. Ratliff.

Marvin C. Lee, charged with theft, was assessed a term of eight years in the penitentiary, to run concurrently with previous sentences imposed. The defendant, charged by Grand Jury indictment with theft of a quantity of maize from a Haskell county farmer, entered a plea of guilty through his attorney, Wallace Sanders, appointed by the court.

A negro, Leo Johnson, charged with theft of cattle, received a two year suspended sentence when he entered a plea of guilty to the Grand Jury indictment. Johnson was charged with complicity in the theft of a cow from a Munday livestock buyer. He was represented by Curtis Pogue counsel appointed by the court.

Trial of Thomas L. Lively, Haskell merchant charged with murder in connection with the death of W. H. Gaskin, Sr., Rule drugist, on August 14th, has been set for Monday Oct. 30th. Lively was named in a Grand Jury indictment as driver of an automobile which struck and fatally injured the Rule man, who died in a Knox City hospital several hours after the accident. Two other Grand Jury indictments charge Lively with "failure to stop and render aid" and with "driving an automobile on a public highway while intoxicated."

### Itinerary For Fair Booster Trips Arranged

Itinerary for a two-days "Booster Trip" to seventeen towns and cities in this section advertising the coming Central West Texas Fair was announced Wednesday by Chesley E. Phelps, trip chairman. A representative from every business establishment in Haskell is expected to make the two-days journey, scheduled for Thursday and Friday of next week, Phelps said. Canvass of the business section will be made Monday to sign up trip members and cars for the booster jaunt. In advance of the canvass, reservations can be made by telephoning the Chamber of Commerce.

The Haskell Municipal Band will accompany the trippers both days and a brief program of entertainment will be presented in each town visited. Haskell's invitation to attend the 1939 Fair will be extended by County Judge J. C. Davis, Jr., and County Attorney Walter Murchison, the trip chairman has announced.

Itinerary for the first day's trip when the booster caravan swings through the area north of Haskell, includes the following points after leaving Haskell at 8 a. m. sharp:

Weinert, Munday, Goree, Bonmarton, Seymour (lunch); Benjamen, Knox City, O'Brien, Rochester and Rule.

Departure for the second day's trip is scheduled at 8:30 a. m., with the following cities to be visited:

Stamford, Sagerton, Aspermont, Hamlin (lunch); Anson, Albany, Throckmorton.

Each member of the delegation will be furnished hatbands, badges and other Fair advertising matter through the local Chamber of Commerce.

### Indian B Squad Will Play Paint Creek Oct. 13th

The second string squad of Haskell Indians will go on the war-path Friday night, Oct. 13 in a practice game against the strong Paint Creek Pirates at Indian Field. The game will be a "fill-in" on an open date in the Indians 1939 schedule. Time for the game has been announced as 8 o'clock sharp, with bargain admission prices prevailing.

### ENLARGED QUARTERS WILL BE PROVIDED IN ALL DEPARTMENTS

Class Officer

Jerry Kane of Weinert was chosen president of the class of 1943 in the annual election of officers held at Texas Technological College, Lubbock, last week. Through his election as future class president, he becomes automatically the class only representative on the student council until the spring semester.

### LIONS CLUB WILL PAY TRIBUTE TO INDIAN PLAYERS

"Best Sportsman" On Squad Will Be Feted at Weekly Meet

An outstanding member of the 1939 squad of Haskell Indians will be feted as the week's best "sportsman" player at subsequent meetings of the Lions Club, following adoption of a motion offered this week by Supt. C. B. Breedlove at the regular weekly meeting. The squad member selected as outstanding for sportsmanship displayed will be named each week and invited as an honor guest of the Lions Club.

Guests of the Club at their weekly meeting and luncheon were Miss Madelin Hunt, North Ward principal, County Superintendent Matt Graham, and S. O. Murdock, Deputy State Superintendent of Children. Miss Hunt in a brief talk invited club members to attend the Fellowship Banquet at the Delta Kappa Gamma at the First Christian Church this week-end, and asked cooperation of the Club in promoting the event. Mr. Murdock gave an enlightening talk on education, after which he led club members in a sing-song.

The Lions Club will sponsor the entry of a young lady to compete for the title of "Queen of the 1939 CWT Fair" and the club's entry will be selected by a committee composed of A. C. Pearson, C. B. Breedlove and R. O. Pearson, it was voted.

### Farmers Warned of Deadline For Wheat Insurance

J. E. Thomson, Secretary of Haskell County Agricultural Conservation Association, pointed out today that since October 15th comes on Sunday, the closing date for taking out government wheat insurance will be on Saturday, October 14th. If this is a last minute rush Saturday, the office will be held open as late as necessary up to 12:00 o'clock Saturday night.

Mr. Thomson further pointed out that wheat must be insured before it is seed and the tenant and landlord must insure their wheat separately.

Geraldine Conner Elected Class Officer at Texas Tech  
LUBBOCK—Geraldine Conner, home economics student at Texas Technological College, has been elected secretary-treasurer of the junior class. She is the daughter of Mr. and Mrs. C. M. Conner of Haskell.

Exhibit, Concession Space Is Being Assigned Rapidly

With only eleven days remaining until opening day of the 1939 Central West Texas Fair, officials and department heads this week were busily engaged with last-minute plans that will pave the way for one of the most successful expositions in a score of years.

Work will be started immediately on arranging and repairing livestock pens and exhibit buildings on the fairgrounds, placing the structures in shape to accommodate a larger number of entries in all divisions than had previously been planned.

With \$1,200 in cash awards posted for exhibits of agricultural products, livestock and poultry entries, and with substantial awards offered in culinary, textile, and art departments, wide interest among exhibitors is already being indicated by numerous inquiries, Homer Neal, fair secretary said Thursday. Practically all concession and exhibit space will be assigned by the end of the week.

The fair will officially open Wednesday, Oct. 18 at 1 o'clock with a mammoth parade of decorated floats and cars, merchants entries, school bands and pep squads and young women sponsors from West Texas towns and cities. W. O. Holden, chairman of the parade division, said Thursday that fifteen decorated cars and floats had already been signed for the parade.

First day of the Fair will be designated as School Children's Day, and all students will be admitted free to the fairgrounds throughout Wednesday afternoon.

Entertainment features booked for the four days exposition include carnival shows and attractions, automobile and horse races, football, dances and a gigantic fireworks display.

### FINAL RITES FOR B. M. GREGORY, JR., HELD WEDNESDAY

Member of Center Point Farm Family Succumbs To Typhoid

B. M. Gregory, Jr., 14-year-old son of Mr. and Mrs. B. M. Gregory, prominent farm family of the Center Point community southwest of Haskell, died Thursday morning at 10:30 o'clock at the family home. The youth had been ill with typhoid fever for several days prior to his death.

"Junior" Gregory was born on April 14, 1925, and lived his entire life in Haskell county. He was converted and united with the Baptist Church in August, 1938. Surviving are the parents, Mr. and Mrs. B. M. Gregory; five brothers, Gilley, Lynn, J. J. and Billy Gregory of Haskell and W. L. Gregory of Alice, Texas; and ten sisters, Mrs. Pearl Darden, Mrs. Audrey Darden, Mrs. Katherine Schwartz, Ila Faye, Eileen, Lennie and Maria Gregory of Haskell; Thelma Gregory of Plainville, Oleta Gregory and Mrs. Bonnie Stotts of Alice, Texas. All of the brothers and sisters were present for the funeral.

Final rites were held at the Center Point church Wednesday afternoon at 4 o'clock, with the Rev. Joe Scheets conducting. Burial was in Willow cemetery with arrangements in charge of Jones Cox & Company funeral home.

Palbearers were E. J. Stotts, Edwin Jeter, Dale Sedbury, Robert Elmore, H. B. Slaughter and John R. Tidwell. Floral offerings were handled by Emma Lou Tidwell, Florence Tidwell, Ruby Mae Scheets, Mrs. H. F. Harwill, Nadene Briden, Estelle Patterson.

O'Brien Student On Honor Roll  
Miss Lila B. Oliver of O'Brien, who has been attending Draughon's Business College of Abilene, was one of the highest ranking students whose names appeared on the Honor Roll of the school for the past term.

New Gypsy Ramblers Are Initiated

Well, the new Gypsy Ramblers won't soon forget what happened to them Thursday night and Friday.

The Gypsy Ramblers had a Gypsy stew at the park Thursday night. The new ones were hobbled before we left the H. H. S. building. One of the girls remarked after a few minutes struggle, "Gee, but this is hard, sure takes team work."

Our stew was—as O. Henry says in one of his stories—"the best stew you ever licked a spoon over."

After the feast the following program was given:

Mistress of Ceremonies—Myrtle Bob Branch.

Welcoming Address—Wanda Dulaney.

"Gypsy Love Song"—Gypsy Ramblers.

Song, "Come To The Fair"—Jean Conner.

History of the Club—Mary Lou Johnson.

Song, "I Want To Be a Cowboy's Sweetheart"—Emma Pearl Graham, Gerry Akins and Wanda Dulaney.

Constitution and By-Laws—Gerry Akins.

Song "A Long Long Trail"—Margie Busby and Maxine Perdue.

Poem—Margaret McClintock.

Requirement for Friday—Margaret McClintock.

High School Song—Gypsy Ramblers.

"Hal Hal" That's what we hear from "Skeeter" Coburn—oh, sorry it's my nimble mind again. It's Friday morning now and we're in the hall at school. "Skeeter" has just entered wearing an enormous blue bonnet and we can hardly see "Skeeter."

Bev King gave the student body—in advance—a fair example of how some of the Spur Bulldogs looked after the Indians got through with 'em Friday night, with a hot water bottle on her head and a pillow under one arm.

Marie, don't you know you're not supposed to wear an evening dress to school? Whether she does or not she wore a pretty blue taffeta one to school Friday.

Dear Ex-Seniors in T.S.C.W. A. & M. and elsewhere:

Sure, we miss you lots—much more than you'll ever guess, but you people can't imagine how much fun you are missing by not being the class of '40 instead of previously.

The purpose of this letter is to send you all a special invitation to have Thanksgiving dinner with us. The chief dish is to be, of course, the same that we had last year—baked Bulldog.

Be seen' ya, Jitterbug Judy

Dear "Critic at Lubbock":

Do I have too much "me" in my column this week?

A hint from "Journalism and the School Paper" by Reddick.

"A column writer should develop an original style of writing which reflects upon his own personality, and the article is usually much more interesting if written in first person."

Perhaps this will explain the circumstances for you. J. J.

To the Students in Haskell High:

I did have some funny things to tell you, but I had to get some other "stuff" off my chest first, so I shall store the news in my "mental vault" until the next issue. Be prepared for a big surprise!

Well, so long (or so short) my friends; be good. Judy

Gypsy Rambler Headlines

As most of you possible know by now last Thursday night Sept. 28 was the night when the student body had a Gypsy Ramblers party. There were just a few overheard remarks and witnessed incidents.

After a hilarious session of trying to dig marshmallows out of a pan of floss with their faces, Christine Harris, one of those being initiated exclaimed with great concern, "If I don't sneeze dis-

quits tomorrow it'll be a miracle!"

The Landing of the Century—Josephine Parish and Eloise Koonee were hobbled together with an old pair of hose when Eloise dropped the box of crackers she was carrying. In trying on their three legs, to get it both girls promptly fell sprawling into the ditch. After about a minute of kicking and futile efforts to get up they were helped out of the ditch only a little the worse for wear (except for stickers).

If you want to know how every one enjoyed the party, just ask any of the sub-Juniors. They received the hard jobs and the bad end of all the deals; yet I'll bet you a dollar that they had as much or more fun than those who dealt out the punishment.

There was a "crying" need for someone to peel onions. Connie Morris had this pleasure, and she came through with flying colors and with tears rolling down her cheeks said that she was very happy about the whole thing. Good for you, Connie.

Maybe you'll be surprised and maybe you won't but everyone of the girls look almost as good without their make-up as they do with it. "How do I know?" you ask. The main reason I know is because I helped wash their faces.

Indian Band Makes Good Start

There are forty three members in the Haskell school band at this period. These members have been in the band from one to five years. There were some members in the band last year that finished high school and of course we lost them. These members were some of the best members of the band.

This year there are fifteen new members in the band. Some of these members joined the band before school opened and some afterwards. The new members are progressing rapidly. Mr. Meacham wants these new members to learn fast so that they can play all of the band songs.

Benius Faye Ratliff is the drum major of the Indian Band. Her costume consists of a black cap with a gold plume and a jacket and slacks of blue satin, trimmed in gold.

Frances Chapman and Betty Jo Hester are the twirlers. Their costumes are of the same pattern as the drum major costumes, but the colors are just opposite.

The band is meeting in the East Ward school house each afternoon from two-thirty to three-thirty. The members are transported from the high school to the East Ward in one of the school buses. This eliminated the noise of the band the last period.

There are still two open places in the band and we would like to have these filled.

We are working hard to give the people some good performances. We are going to try to make the band this year very successful in all of our events.

Review Of The Linemen

Let us begin with Curtis Jordan, a last year's letterman who plays end. When Curtis tackles a man, that man stays tackled. He rushes through the line like a tiger and can block any man off his feet. He is a really good end.

Paul Kuenstler, our other end, is fast making progress along Jordan's style of playing and will play his best in any game.

Our tackles come next and the first one is Carl Marion. Carl has only seen two football games in his life. He is a big fellow and trains like every good tackle should.

Then we have T. R. Odell, who goes right on through the line to make every tackle he can get hold of.

Our guards will be next. The first one is Buster Gholson who is a letterman from last year. Buster can really tackle and block the opponents off the field.

T. C. Griffin, the other guard, who is a first year man, is small but fights like a wildcat.

The last but not least, Mr. Bradley Buford, who is the center is the next K. Aldrich in the making.

A few of the substitutes who are fast becoming real football players are Gerry Carr, Charles Reeves, Snort Patterson, Lester Fore, Albert Hawkins and Joe Thompson. Watch these men go places in the coming game.

Library Gets New Volumes

We wish to make it known to the student body that there are ten beautiful leather bound volumes of the National Geographic Magazine in our library. Within these bounds are the issues of this magazine from January 1928 to December 1932. "Haskell H. S." is written on the front of each in gold letters. These are very interesting and educational, and the students will want to start checking them out.

Also new to the library are 10 pretty little green books which contain the works of Robert Louis Stevenson. We are all familiar with these stories and will now have a better chance to read them.

Mrs. T. L. Grace left last Saturday for Stanton, where she is visiting this week with her brother, J. Wilson and family and other relatives and friends in that section.

Actress Recreates a Style

Plaid and checked taffets, whose last great boom was during the horse-and-buggy days, suddenly seems the prettiest thing on earth today, as evidenced by this flowing black and white taffeta worn by Mary Hasty, young 20th Century-Fox actress, who has a featured role in the forthcoming Cosmopolitan Production, "20,000 Men a Year."

Brainless Babblin's

What everybody needs these hot summer days: A cucumber to be as cool as.

Next week we will have that long awaited football game between Pitiful State and Ruben Sub-Normal. May the best team walk across the bridge of the other's nose.

Nutty Headline: Mr. C. B. Ramsey received a severe injury while riding his favorite stick horse.

Overheard: Wanda Dulaney—"I know a party bald-headed man has less hair to comb, but then, he has more face to wash."

Definition: A dwarf is what Snow White had seven of.

From "Reader's Digest": He walked on the suicide of the road.

From the diary of a newlywed after a quarrel with "hubby": I am beginning to wonder whether the man who married us was the Justice-of-Peace or the Minister-of-War.

It has been said that all men are homeless but some are homeless than others.

Yesterday morning on the radio an orchestra was playing a song by which you were supposed to get up and get to work or to school. A man was saying "Slip on your dress, slip on your hose, slip on your shoes, etc." To my surprise I finished before he did so for the lack of something better. I promptly slipped on the small rug in the bathroom. My present address is: The You're Lucky If You Leave Us. And We're Fools If We Let You Get

Many New Acts and Carnival Features With Tidwell's Shows at Coming Fair

Twin monkeys, jungle monsters direct from the River Nile, breathing new riding devices, and gay and brightly painted tent fronts among the shimmering of 10,000 lights, might be a description of what is expected when the T. J. Tidwell Shows and Carnival make their appearance on the midway of the Central West Texas fairgrounds during the fifteenth annual exposition, Oct. 18-21.

Making their 16th annual tour, and known as the largest show of its type in the South West, the T. J. Tidwell organization presents a variety of entertainment considered by all as clean, modern and educational.

Featuring 30 rides and shows and employing 350 people, it is fast becoming the preferred of all carnivals now on tour.

Among the many attractions are: "Harlem on Parade", an all colored revue featuring a clever line of Sepia dancers and Sunshine Butler and his famous band; Haba Katool's Jungle Monsters, direct from the River Nile; the New Monkey Circus, with the only known twin monkeys in America; and Denver "Kid" Curley and his congress of boxers and wrestlers.

Rides on the midway will consist of the Tilt-a-Whirl, Ride-o-Skooter, Octopus, Twin Ferris Wheels, Merry-go-round, Loop-o-plane, Roll-o-plane and many others.

The feature act presented nightly on the midway free to all will be "Queen" the World's largest performing Elephant. Also, Capt. Eric Van Der Wall will present his six African Fighting Lions in a death defying act.

Highway Project In Throckmorton County Approved

A \$129,207 road improvement project in Throckmorton county, covering an 18-mile stretch of highway near Woodson was approved this week by the Works Project Administration. For the project, WPA has allotted \$94,529, to be supplemented by Throckmorton county as sponsor with \$34,678. It is estimated that 174 workers will be employed.

The project will consist of clearing, grubbing, grading, building drainage structures, and providing all-weather gravel surface on 18 miles of roadway.

Work on the project is expected to be started at an early date.

**Health Departments Throughout State Protect Residents**  
Austin—On September 1, 1939 statistics from the State Health Department showed that 34 per cent of the population of Texas, or 2,144,536 persons, were being protected against communicable diseases through the functions of full-time county and city health departments in 23 counties and 2 cities independent of the counties. These local health units carry out a well-balanced public health program to keep the well person well, and to further safeguard the health of individuals by reducing to a minimum the various communicable diseases rendered combatable by modern public health methods.

Public health, over a score of years, has rendered combatable such diseases as typhoid, diphtheria, smallpox, malaria, undulant fever, typhus, yellow fever, trichinosis, hookworm, the dysentery, and the venereal diseases. The health of any geographically defined areas, i. e., city or county, is in direct proportion to the amount of energy and money judiciously and scientifically expended for the protection of the health of the people of that area.

Twenty-six additional counties, with a population of 476,300, are protecting the health of their respective communities by a partial full-time health service wherein nurses, trained in public health, work in collaboration with the local part-time health officials and the medical profession under the guidance of the State Health Department.

Thus, through full-time county health units and nursing services 42 per cent of the population of the State in 49 densely populated counties and 2 cities exclusive of counties, are protecting the health of their commonwealth with the most up-to-date public health practices available. There remains

attending John Taretton and receiving her B. S. degree from North Texas State Teachers College. The groom was a graduate of Knox City High School and is now employed by Waples Platter Company in Amarillo.

Mr. and Mrs. McBeath left immediately after the ceremony for Amarillo where they will make their home.

58 per cent of the total Texas population, scattered over 205 counties, unprotected against diseases through any function of local health departments.

It has also been demonstrated in other states that in such counties, due both to relative unconsolidation of population, and for economic reasons, cooperative health departments set up for two or more counties will give the benefits of health work commensurate with the other counties, at a relatively cheaper cost.

Establish out of local health departments in Texas' counties and cities, in collaboration with the State Health Department, the United States Public Health Service, and the Children's Bureau of the Department of Labor, has expanded over 300 per cent since 1936.

The standard personnel of a local health activities comprising communicable disease control, maternal hygiene, preschool hygiene, school hygiene, sanitation of water, sewage, food, milk, and school systems, special programs adapted to the health problems of the locale, and work in tuberculosis and venereal disease control.

Persons and groups interested in securing such health protection for their counties are requested to

write the State Health Department for further information on the county health unit plan as operative in Texas.

**SUCCESS Story!**

Of course you remember when we introduced Thriftane—our leaded gasoline in the lower price range—early this year. Well, there's been time enough now for us to see how people take to it, and we're delighted to tell you that it's very, very popular indeed; our sales of Thriftane have gone steadily up. . . This proves to us that there was a definite need for Thriftane, and that we rendered a real service to buyers of lower priced gasoline when we put Thriftane on the market. We made it possible for them, first, to secure leaded quality at a price within their reach; second, to buy a gasoline at thirty price made to specified quality characteristics backed by our guarantee; third, to charge Thriftane on Humble credit cards; fourth, to get the last word in service—Humble service—with every purchase. . . Now, it may be that you're a possible Thriftane user but not a Humble customer—we meet one occasionally! If you are, you'll find it much to your advantage to try Thriftane—to stop at the nearest Humble sign and fill up with this leaded gasoline in the lower price range. Why not today?

## Mrs. John Couch Hostess For Helen Bagby Circle

On Monday evening October 2 the Helen Bagby Circle met in the hospitable home of Mrs. Couch for a Bible lesson with twelve ladies present. Meeting opened by an uplifting prayer by Mrs. J. E. Robinson which put us on higher ground and we sang "Blest Be The Tie That Binds" followed with prayer by Mrs. Taylor. Mrs. Cates then directed a short business session in which we planned a linen shower for our new hospital that will open soon. Also a box for Buckner's Orphans Home at Dallas.

Mrs. Reynolds was our Bible teacher for the evening and our lesson was the 17th chapter of Luke. It was a very interesting lesson indeed with all ladies present taking parts in the discussion. This lesson was on healing ten lepers, faith and forgiveness. He said, take heed to yourselves if thy brother trespass against thee, rebuke him and if he repent forgive him. And the apostles said unto the Lord, "Increase our faith." Of the ten lepers that were cleansed only one glorified God and give Him thanks and he said "Thy faith hath made thee whole." Mrs. Littlefield rendered a beautiful solo "My Prayer" and we were so happy to have with us a former member, Mrs. J. E. Robinson of Houston. She beautifully rendered several piano selections which we enjoyed very much indeed. We were dismissed with prayer by Mrs. Ellis.

We will meet at the church next Monday with a Bible lesson taught by Rev. Whitley. Please let all circles be present at 3:00 o'clock.

## Haskell Women Assist In Federating Welnet Club Tuesday

## Methodist Missionary Society Has Meeting On Monday

On Monday afternoon, October 2nd, members of the W. M. S. met in the auditorium of the church in a business session with the president, Mrs. Guy Mays officiating. Officers present gave splendid reports.

The Society working with Mr. Leon, will sponsor a style show on Friday night, October 13th. Don't be scared away by the date. Mr. Leon is showing one of the best pictures of the season. The style show, with Mrs. O. E. Patterson, chairman of arrangements, promises to be unusually fine. The chairman and her committee are very enthusiastic regarding the arrangements. Keep this date in mind and be sure to come early or else you may not get a desirable seat.

With Mrs. Patterson at the organ and Mrs. R. L. Harrison leading all joined in singing "There Is A Name I Love To Hear." Mrs. Haynes who brought the devotional choice for her scripture, Psalm 121, 1st verse: "I will lift up mine eyes unto the hills from whence cometh my help. Mrs. Haynes concluded her talk with a prayer.

The election of officers was next. The following women were elected for the coming year: President, Mrs. J. U. Fields; Vice-President, Mrs. F. T. Sanders; Corresponding Secretary, Mrs. Bessie Kimbrough; Recording Secretary, Mrs. Wallace Cox; Con. Treasurer, Mrs. T. C. Cahill; Local Treasurer, Mrs. C. L. Lewis; Supt. of Study, Mrs. Matt Graham; Supt. of Publicity, Mrs. R. H. Darnell; Supt. of Supplies, Mrs. P. D. Sanders; Supt. of Local Work, Mrs. A. H. Wair; Supt. C. S. R. Mrs. H. M. Smith; Agent World Outlook, Mrs. O. E. Patterson.

Mrs. B. Cox dismissed the meeting with a prayer.

The following members were present: Mesdames Harrison, Haynes, Irby, Patterson, B. Cox, Kimbrough, Breedlove, Martin, Mays, Cahill, Darnell, Lewis.

We meet at the church on next Monday at 3 p. m. Mrs. D. H. Persons will direct a World Outlook program. Be on time.

## CHURCH OF CHRIST J. G. Malphurs, Minister

In these last days, when much of the world is involved in a deadly struggle, it is time for America to count her many blessings. Millions of people, tired of war and blood, would like to enjoy our prosperity and freedom. What ever other factors may attribute to prosperity and tranquility, the religion of the Lord Jesus Christ and his church has contributed the major part. In different church members should be ashamed of the way they are treating their confession, and return to their "first love". (Rev. 2:4). Those who are skeptical of church's saving influence on society, and all church-haters, should be willing to exchange homes with the millions in war-harassed countries who would enjoy Christianity in the "Land of the Free".

The subject for the morning sermon will be: "The First Key To The Secrets of Happiness." The subject for the evening, 7:45 will be: "Three Unclean Spirits." The 13th verse of the 16th chapter of Revelation will be the text, which states that John saw an unclean spirit coming out of the mouth of a dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. "What bearing does this prophecy have on the Second World War? You are urged to hear this sermon, for "Blessed is he that watcheth and keepeth his garments, lest he walk naked, and they see his shame." (Rev. 16:15).

## 4-H Club Members Tell About Trip To District Meet

Members of Boys 4-H Clubs in Haskell county who attended the District Encampment in Hardeman county this summer, submitted brief essays at the request of County Agent G. R. Schumann, recounting the highlights of the district meeting. From those submitted, Mr. Schumann selected two prize-winning essays, which are reprinted here.

### First Prize Story (By Water Kretschmer, Irby 4-H Club Boy)

The District 4-H Club encampment for boys was held at Lake Pauline in Hardeman County on August 14, 15 and 16th. There were 114 club boys at the encampment from Haskell County, thirteen club boys and Mr. Schumann, County Agent, attended the encampment.

Dinner was served at 12 o'clock on the day that we arrived. The dinner was spread on a long table. After we were through eating, each boy had to wash his own plate and cup. After dinner, Mr. J. A. Scofield, District Extension Agent, gave the rules of the camp. Then the boys elected a judge and sheriff who were to enforce the rules of the camp.

The entertainments were playground ball, washer pitching, horse shoe pitching, boxing, swimming, playground ball, and picture shows. Baseball teams were organized by counties and the boys from Haskell County won the championship beating the County Agents in the finals.

Mr. Schumann was director of swimming at the camp. The swimming hours were 6 A. M., 10:30 A. M., and 5 P. M. While in swimming, each boy had a partner and when the whistle blew each boy had to find his partner. By doing this, they could see if all the boys were safe.

In the evenings we were entertained by talks from the following men: Rev. Frank York of Quanah discussed "Citizenship"; Dr. F. D. Fritzell also of Quanah "Health"; Mr. L. L. Johnson, State 4-H Club Agent and Mr. Jimmie Potts, Asst. State 4-H Club Agent entertained us with a picture show showing the activities of club boys all over Texas.

Crutcher Cole, Game Warden, gave a talk on Game Laws and Game Conservation. Mr. R. E. Callendar, Game Specialist of the Texas A. and M. College told us about the various kinds of game birds and animals and how 4-H Club boys could take care of them on their farms. Mr. Cameron Siddall of the Extension Service discussed Insect Control, and Mr. A. L. Smith of the Extension Service discussed Feeding Beef Cattle. These talks were enjoyed by all of the boys.

On August 16, at 1:30 P. M. everyone left the camp. We all enjoyed ourselves and hope the next meeting will come sooner.

The scene pictured here shows a gay crowd enjoying the many attractions on the midway of the T. J. Tidwell Shows and Carnival. Two Free Acts are presented daily and a variety of entertainment for old and young will be offered by this well-known and popular organization.

### Second Prize Story (By Carl Optiz, Mattson 4-H Club Boy)

This was one of the most interesting meetings that I have ever attended. There were boys from seventeen counties at the encampment which was held at Lake Pauline in Hardeman County. From our county, thirteen club boys and Mr. Schumann attended the encampment. Each boy took his own bedding, dishes, clothing and bathing suit. We went to the camp in Mr. Schumann's car and a trailer furnished by Mr. L. E. Newton.

On our way to the encampment we passed through some pretty ranch country, and then we saw some beautiful farms and the crops growing on these farms. At 11:45 A. M. we arrived at the lake where the encampment was to be held. We camped on the edge of the lake under some beautiful trees. In a few minutes we were called to dinner. It was served from large tables. The boys were lined up and as we passed by, our plates were filled with good food by the County Agents. After the meal each boy washed his own dishes. That evening games were arranged for entertainment which were baseball, horse shoe pitching, washer pitching and boat riding.

The swimming was at 6 and 10:30 in the morning and 5 in the evening. The first game of ball was played that afternoon. Haskell County playing Knox County and winning by a score of 7 to 4. The next day we played Wichita County and Cottle County, winning both games, and the championship of the encampment. That evening we were entertained with several talks. The first was by Mr. Scofield who told us how to keep the grounds clean. Then Dr. F. D. Fritzell of Quanah gave a talk on Health. A picture show was then shown by Mr. L. L. Johnson, State Club Agent and Mr. Potts, Asst. State Club Agent, showing the activity of 4-H Club boys all over the state. Other interesting talks were given to us the next day. Crutcher Cole, Game Warden, discussed the Game Laws and Mr. R. E. Callender of the Extension Service gave his talk on game birds and animals. That evening Mr. Cameron

entertained us with a picture show showing the activities of club boys all over Texas. Crutcher Cole, Game Warden, gave a talk on Game Laws and Game Conservation. Mr. R. E. Callendar, Game Specialist of the Texas A. and M. College told us about the various kinds of game birds and animals and how 4-H Club boys could take care of them on their farms. Mr. Cameron Siddall of the Extension Service discussed Insect Control, and Mr. A. L. Smith of the Extension Service discussed Feeding Beef Cattle. These talks were enjoyed by all of the boys.

On August 16, at 1:30 P. M. everyone left the camp. We all enjoyed ourselves and hope the next meeting will come sooner.

## Dedication of Mattson School Building Attended by Large Number of Visitors

In spite of unfavorable weather conditions, a large crowd of visitors and patrons assembled at the Mattson Rural High School, northeast of Haskell for an all-day dedicatory program Friday September 29.

The formal program began at 10:30 with the singing of The Alma Mater song by the student body. The invocation was given by J. M. Hinkle, one of the community's oldest residents. The welcome address was given by Superintendent F. M. McCarty, and was followed by the introduction of the present and former school board members of the Mattson Rural High School: Messrs. Roy Weaver, Rebus Guess, Ray Lancaster, Henry Druessedow, Frank Nicholson, Martin Rueffer, Fred Howard, Alf Turnbow, Albert Mapes, Curtis Thornton, Hub Merchant, and Jesse Matthews by County School Board Chairman, John A. Couch. The Mattson Girls' Quartet rendered very beautifully Stephen Foster's "Beautiful Dreamer." County Superintendent Matt Graham introduced the new Deputy Superintendent of the district, S. O. Murdock, who responded with a splendid inspirational talk on the value of education. At the conclusion of his address, Mr. Murdock, at the request of Supt. McCarty, sang "Old Faithful." Although his address had gone over in a big way, his singing put that into eclipse.

Delight Ash next sang the "Little Red School House," a number that met with the hearty approval of those present.

The main address of the day was made by District Attorney Ben Charlie Chapman of Haskell. Mr. Chapman stressed the improvements in education and commended the progressiveness of the Mattson community for providing their boys and girls with such a splendid opportunity to take advantage of all of the modern trends for betterment in learning. He ended his address with an admonition to the students to take advantage of their opportunities to learn, how to love and how to make a living. For he said that was the ideal of all real education.

The benediction was given by Grandmother W. F. Weaver. A bountiful feast was spread at the noon hour, for all present.

8 P. M. Sermon with its special appeal to the unsaved. God's blessing was upon the service. At the close of our message and to the surprise of the pastor the brethren came forward with a number of well filled baskets, stating amid tears that we present this offering to you as a token of appreciation for this Church, Pastor and the plain gospel messages that overflow our souls. As the Servant of God and His Church we humbly bow our heads to thank God for His Spirit that unites in Christian love and fellowship ever believing heart. We have never been so happy in our work or associated with a people more loyal throughout the 36 years of our ministry. So long as we live may the Lord help us to magnify His great Name, believe His word, and Preach to a lost world that "The Gospel of Christ is the power of God unto Salvation to every one that believe".

## Responsibilities, Unasked And Unwanted, Are Ours

As nearly as can be told at this moment, this looks like a probable result of the European war, no matter what its result:

World financial power will pass—nay, is already passing from London to New York. A financial world which has been accustomed to look to Threadneedle Street is going to look to Wall Street and to Pennsylvania Avenue.

This tendency has been marked before the war broke. There no longer seems any doubt of the result. Whether we like it or not, whether we want it or not, the United States is rapidly becoming the financial center of the world.

The relationship between the British pound and the American dollar is a weather vane that shows how this wind blows. Britain did not even try to maintain the pound sterling, but dumped it without support even before fighting started. It dropped immediately from \$4.88 to as low as \$3.73. During the four years of the World War it never fell below \$4.51.

The whole financial relationship is different today from that of 1914. Then a sudden and unexpected war knocked the props out from under the American stock market. In 1939, a long-expected and well-discounted war saw an immediate advance in U. S. stocks. In 1914 the United States held about \$1,900,000,000 in gold, perhaps 20 per cent of the world's supply. Today it holds more than \$16,700,000,000 in gold, above 60 per cent of the world's supply.

The trade of South America is literally being dumped into our lap. Already orders have begun to come here from Brazilian and Argentinean, Colombia and Venezuelan firms supplied from Germany and Britain whose sources of supply have been cut off by the war.

This is not a question of the United States

launching a campaign of financial imperialism or dollar domination. It is a fact, and it is happening today whether we like it or not, whether we want it or not.

When the war is over the United States is going to be in a position which will dominate the financial and economic rebuilding of a shattered world. The position will be such that it will have to exercise this leadership, not from any wish to dominate but simply to protect its own interests. It will be the world's great creditor country, the world's great source of material and facilities for rebuilding.

We may well begin now to survey this prospect and figure out what we are going to do about it. Perhaps a beginning may be made now by linking the 21 American republics into a more interdependent economic system, with the money of all countries stabilized in relation to the dollar. Then there will be a nucleus of solidarity about which a shattered world may rally after the war.

### A Great Texan

Wednesday, October 4th, was "Clara Driscoll Day," and was observed by a Reception Tea and Unveiling of her portrait at the Texas Federation Headquarters in Austin.

Texas and the Democracy of the nation owe a debt of gratitude to Mrs. Clara Driscoll of Corpus Christi for her active and intelligent support of Democratic ideals. As National Democratic Committeewoman for Texas, Mrs. Driscoll has devoted much of her time to unselfish work for her party. She is a believer in the sturdy Democratic principles of Jefferson and Jackson and has continuously striven to keep the Democracy of Texas and the nation traveling the road of statesmanship toward which these founding fathers pointed.

Through all of this she has never lost sight of her great state, Texas, always interested in all matters that help causes that makes for things of high ideals.

Since her generosity saved the cradle of Texas liberty, the Alamo, so sacred to all Texans, from becoming a commercial property and being lost as a symbol to future generations, also, recently when the Club women of her state were about to lose their home in the Capitol City, her purse again was open and the home saved. Her many contributions to schools, such as the one at Robstown, have endeared her to the youth of the state, and here is no one group that does not owe her something, for she is just one that loves to do for the love of doing it.

Texans have a right to be proud of the National Committeewoman. Her achievements for Democracy entitle her to hold the office she has so successfully and gracefully filled.

Texas Democracy should gather and keep this Great Texan as National Committeewoman, not because she would desire this honor, but because the Democracy of Texas needs such a person in this exalted position.

Success that is permanent, comes slowly, if at all.

Genuine religion is conspicuous because it lacks display.

Beating a man is not always difficult; keeping him whipped is the job.

## Haskell County . . . . . History

As Revealed by the Files of the Free Press 20, 30 and 40 years ago.

### 30 Years Ago—Oct. 2, 1909

Will Whitman made a trip to Roswell, N. M., last week and T. J. Lemmon has been holding down the City Marshal's job during his absence.

Last year it took about four bales of frost-bitten Haskell county cotton to bring \$80.00. Now one bale will bring that price.

C. M. Hunt & Co. are establishing a branch store in Rochester, which will be in charge of Mrs. E. J. Hunt.

Mrs. C. D. Long has returned from Austin where she went to place her nephew, Brevard Long, in the Whitis preparatory school where he will prepare for the State University.

A mass meeting of all the citizens of Haskell will be held in the Courthouse Monday evening Oct. 4 for the purpose of taking necessary steps to present this city's claims for a new railway depot before the Railroad Commission which will meet in Austin Oct. 12.

The Hemphill Lake proposition is proving both a practical and financial success.

Frank Baldwin and Buford Long have passed the examinations in the State University at Austin and matriculated in the law department of that institution. We are informed that Mr. Baldwin made the highest grade of anyone taking the examination.

G. T. Baggett, who now lives at Godley, Johnson county, was a visitor here this week. He is a visitor here in Haskell county, having moved here in February, 1887.

Mr. Baggett tells us that he planted some cotton on his farm in the southern part of the county in 1887 and made four or five bales. He took his cotton to Anson to get it ginned, and sold the first bale to an Anson buyer by sample.

### 40 Years Ago—Oct. 7, 1899

Sheriff Boardner of Stonewall county was a Haskell visitor this week.

Sam Lanier was over from Rayner this week doing business with our merchants.

Several of our citizens made a trip this week down to the site of the new town of Stamford.

Walter Tandy and H. M. Rike left last Saturday to take in the Dallas Fair and the big democratic rally.

(Sheriff Collins, Judge McConnell and Tobe Mathis expect to start this evening for Dallas to attend the state fair.

Marvin Jones, the 13-year-old messenger boy who was killed in Fort Worth last week by a street car, was a nephew of Mrs. W. F. Rupe of this place.

While Mr. S. S. Cummings and others were branding a bull Friday evening the animal broke his fastenings and made for Mr. Cummings, giving him a severe rake along the back and side and bruising his thigh with his horns before Mr. Cummings could escape across the fence.

H. S. Post's little boy, about three years old, was bitten by a rattlesnake on Sunday morning. The reptile had crawled into the house and was coiled up in the dining room when the little fellow approached it without realizing any danger and was bitten. Dr. Lindsey was called immediately, and by prompt action, the venomous poison was removed and the child will recover with no ill effects, the doctor said.

Five states, Missouri, Oklahoma, Oregon, Virginia and Mississippi are following the Texas program in some form or another and indications are a dozen more will be using the Texas plan of operation within a few months, the executive secretary of the Game Department said.

"The entire nation is watching Texas' game restoration program," Mr. Miller said. "It has grown so rapidly along the right lines and has produced such good results that we can expect many other states to adopt the Lone Star State's program soon."

A Beaumont woman recently found killing birds with a 22 rifle for the purpose of feeding her cat rather expensive. Apprehended by the game warden stationed at Beaumont on a county road, the woman admitted she was shooting birds to provide food for her cat. She also admitted that the \$36 in fine and costs she paid would have bought a lot of cat food from the grocer or butcher. She was violating three laws at one time, i. e. shooting from a motor car, shooting from a public road, and killing birds protected by State law.

## Cotton Farmers To Vote Dec. 9th on 1940 Quotas

Faced with a tremendous cotton surplus, 800,000 Texas cotton farmers are invited to go to the polls December 9 to cast their votes in a South-wide referendum to decide whether cotton marketing quotas will be in effect for 1940. In setting a national marketing quota of approximately 12 million bales during the marketing year beginning August 1, 1940, Secretary of Agriculture Henry A. Wallace pointed out the quota was mandatory under the Agricultural Adjustment Act when total supplies reach 107 percent of the normal supply.

The supply of cotton on hand August 1 amounted to 25,500,000 bales, according to the Department of Agriculture, or 140 percent of the "normal" supply of 18,200,000 bales.

Unless the cotton farmers themselves vote for continuance of quotas, they will not be in effect next year, Wallace said. The quota for 1940 is the same as for 1939 which was approved by 84.1 percent of the producers in the referendum last year.

Regardless of the outcome of the referendum, conservation phases of the Agricultural Conservation program will be continued.

Of the producers voting, at least

75 percent must favor continuance of the marketing quota for it to remain in effect.

"Marketing quotas are meant to supplement the conservation program by assuring farmers planting with their acreage allotments their efforts to adjust supplies will not be nullified by non-cooperators," George Slaughter, chairman of the State Agricultural Conservation committee pointed out.

If marketing quotas are in effect a non-cooperator will be required to pay a penalty of three cents per pound on all cotton sold in excess of the marketing quota set for his farm. Slaughter explained. Farmers planting within their acreage allotments will be able to market all their cotton without penalty.

In a recent opinion, Federal Judge James V. Allred of Houston declared marketing quotas were legal in the first suit to reach the courts testing their legality.

## THE SCHOOLS ON FIRE!

The fire gongs sound . . . and hundreds of children march quickly, quietly, without panic, to safety. For this is just like the many previous calls to fire drill.

School fires average five a day. So, countless parents owe the lives of their children to the faithful practice of fire drills, which grew out of the safety campaign that 200 leading capital stock\* fire insurance companies have been conducting for years in cooperation with school authorities and community officials. These companies devised the widely-used Self-Inspection Form, which calls for fire drills and frequent inspection with the help of local fire departments.

But, while much has been accomplished toward lessening the danger of fire in schools, there is still much to be done. So these fire insurance companies continue their nation-wide campaign for safer schools, by encouraging better building laws, safer construction, safer equipment.

Let us protect your home, furnishings, business, automobile and other possessions with dependable, economical capital stock company fire insurance.

\*CAPITAL STOCK COMPANY FIRE INSURANCE provides sound protection at a predetermined price, without risk of further cost. In addition to legal reserves, its policies are backed by cash capital and surplus funds set aside to meet not merely normal claims but also the sweeping losses due to conflagrations and other catastrophes. Its organized public services are national in scope. Its system of operating through Agents everywhere gives prompt personal service to policyholders.

## TEXAS OUT-O-DOORS

White winged doves, apparently headed for destruction a few years ago, have beat back to such an extent that it is estimated 4,000 hunters took more than 50,000 in one county the first week of the open season, according to reports received by the Texas Game, Fish and Oyster Commission's executive secretary.

White winged doves are in excellent shape throughout South and Southwest Texas and Willacy county's report of 50,000 birds being killed in two days is an excellent example of the sport in Texas this year. White wings provide more difficult shooting than mourning doves. Airplanes, motor cars and trains are carrying large parties into Southwest and South Texas. The season remains open there until November 15.

Grand juries throughout the State, conscious of the increasing interest in the preservation and propagation of Texas' game and fish, are cooperating with the Game Department to a higher degree than ever before. The latest action taken was by a grand jury at Groesbeck, which instructed officers in that area to cooperate with the Department in preventing dynamiting of fish. Constable J. C. Cayton has all his forces assisting in game and fish law enforcement.

Judges, too, realizing that game law enforcement, as well as propagation work, is vitally important if Texas is to continue to be one of the leading hunting and fishing States in the Union, are handing out stiff fines for violations. Ten non-resident hunters recently paid \$50 each in Cass county. Two Bexar county men were each fined \$75 for illegally importing game into Texas. A Knox county man found it cost him \$100 to serve elk meat out of season.

It is not definitely known how fast doves can fly, but one was killed near Dalhart recently while traveling at such an amazing rate that when it catapulted to the ground its breast was split open.

A mother quail has been trying for weeks in McMullen county to regain a banty chick it hatched along with several bobwhites.

The quail nested three yards from the front porch of a house on the Byrne Ranch. She hatched a bantam chick and nine quail and then left the nest with her brood with five eggs unhatched. When the owner of the ranch found the bantam chick would not follow its foster parent he took it to the house to raise. Every day since then the mother quail has come up to the edge of the porch, calling and fusing, trying to regain what she considered her chick.

# FIRE PREVENTION WEEK OBSERVANCE IS PLANNED HERE

**Mayor F. G. Alexander Asks Cooperation of All Citizens**

National Fire Prevention Week will be observed in Haskell next week, with the local fire department taking the lead with a series of drills scheduled that will include practices at all school buildings, inspection of gin plants and business buildings for fire hazards.

Mayor F. G. Alexander this week issued an official proclamation designating Oct. 8 to 14 as a week of observance of the Fire Prevention Week, in which he asked for the cooperation of every citizen and property-owner in eliminating fire hazards around their homes and business establishments. The mayor also urged school children to observe safety practices and fire prevention means both in schoolrooms and homes.

Fire department and city officials in urging city-wide observance of Fire Prevention Week, pointed out that with fire occurring in the United States on an average of every two minutes in swiftness, and causing a horrible death average of one every hour, it is evident that dangerous fire hazards are present to some degree in every home. It is largely lack of information about common fire dangers and careless habits in handling certain hazards that has brought about this condition.

The "Safety First" aim of every family should be to study jointly all information enabling them to avoid such dangers.

As the study of fire prevention becomes more and more a personal problem, practical rules are worked out for the American public.

Heating systems require a thorough inspection annually. Replace rusted or broken parts and keep pipes protected walks, floors.

**Methodist Women Meet For Program**

Monday October 1st at 3:00 p. m. ten members of the Methodist Missionary Society met at the church. Mrs. H. C. Yandell, secretary of children's work directed one of the most interesting programs of the year on children's work. With Mrs. Frank West at the piano the women sang "I Am Thine Oh Lord" and "A Charge To Keep." Mrs. Bettis gave the devotional, reading Proverbs 3: 14-28. Timothy 3rd chapter, Colossians 3:18-21. Comments on these verses and appropriate poems were given by Mrs. Bettis, Mrs. English and Mrs. Jack Bettis. Mrs. Josslet and Mrs. Preston Weinert gave very interesting papers concerning children's work in the Missionary Society.

A brief business session was held with Mrs. English, president presiding.

Those present were: Mmes. John English, H. C. Yandell, Horace Marsh, Frank West, P. J. Josslet, Preston Weinert, G. L. Walker, J. W. Medley, Sam Bird Jr., Harry Bettis, Jack Bettis, D. M. Baird and H. Weinert.

On Monday, October 9 the auxiliary will observe guest day with Mrs. Longino of Munday, guest speaker. The subject will be Christian Social Relations and Mrs. G. L. Walker, superintendent will have charge. A social hour will be observed at the parsonage. All women of the church are invited and urged to be present.

**Rev. Tidwell of Abilene Accepts Call**

Rev. S. L. Tidwell, local pastor of the Baptist Church of Weinert has accepted the call of this church for another year and will move here in the near future. ## YOU CAN HELP PREVENT FIRES!

National Fire Prevention Week, Oct. 8-14, presents a real opportunity for our citizenship to cooperate in observing rules for the prevention of needless destruction by fire.

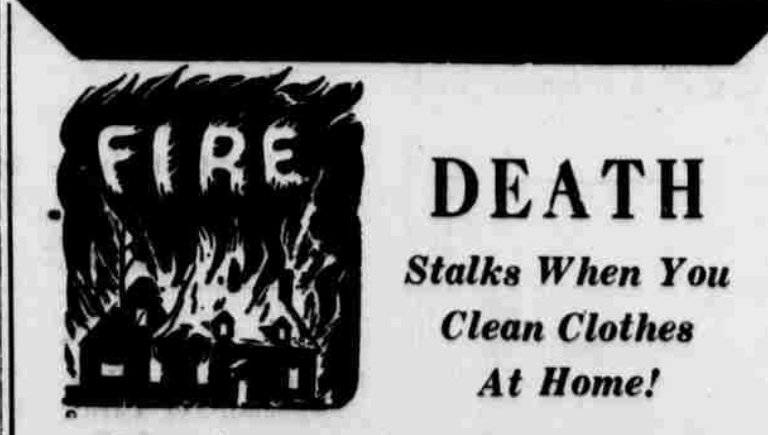

During this nation-wide observance, property owners can insure the safety of their homes and business establishments by sensible precautions in cleaning up rubbish and other debris which has accumulated during the summer months.

And with the approach of winter, further precautions should be taken in thoroughly inspecting all heating equipment and fixtures in the home or office.

The cooperation of our entire citizenship in a sane observance of National Fire Prevention Week will result in a more sensible control over the needless destruction of life and property by fire.

### FARMERS WARNED TO PROVIDE LIGHTS ON TRAILERS, WAGONS

**Vehicles on Highway After Dark Must Carry Suitable Lights**

City Marshal Sebo Britton this week warned farmers and producers engaged in hauling farm products at night on highways that they would be subject to penalties and fines if trailers or wagons were used at night without "tail lights" on the vehicles.

The officer said the warning was issued in compliance with instructions from the State Highway Patrol, who require all vehicles operated on the highways after dark be equipped with suitable lights.

A check-up made last week by the Highway Patrol in Haskell resulted in warnings to fifteen farmers, the City Marshal said. Operators of these vehicles were warned that reflectors do not comply with the law, and lights must be installed on all trailers or wagons used after night, the officers explained. His warning was expressly directed to farmers now engaged in hauling cotton to local gins.

The officer added that five persons were fined last week for traffic violations as the result of a renewed drive to enforce safe driving practices. Strict enforcement of traffic regulations will be continued in the future, the officer said.

Members of the State Highway Patrol will visit Haskell three nights each week to cooperate with the city and county officers in enforcing traffic rules, the City Marshal added.

The Indians to the point that they launched an offensive which kept them in Bulldog territory for a greater part of the remaining three quarters of the game.

In the second frame, with Henshaw, Laird, Cousins and Marion alternating in ball-carrying, the Indians shoved to the scoring zone, with Cousins shifting one yard through the Bulldog line and across the stripe.

In the third quarter it was Henshaw's turn when he took the ball on the Bulldog's 20 yard line, started around right end and found the going a little rough, changed his mind and scampered around Spur's right end for a clear road, and a touchdown. Cousins converted through the line for extra point.

Three plays later, Cousins took the ball on the Bulldogs 48, twisted through the Bulldog line and took off behind perfect blocking for the Indian third touchdown. Henshaw converted for extra point on an end run.

Final quarter was scoreless, with the Indians penetrating into the pay-off zone twice, but were driven back by the Bulldogs.

### Mattson Six-Man Squad Outplays Team From Vera

In the first exhibition of 6-man football to be played in Haskell county, the powerful Mattson Mustangs overwhelmed the Vera six-man squad 45-6 Friday afternoon in the feature attraction at the dedication of the Mattson school building. The game was witnessed by a large crowd of fans.

Taking command at the outset of the game the Mattson squad kept the Knox county visitors on the defensive throughout the game, Vera failing to make a single first down during the first two frames.

Robertson, Mustang quarterback, led his teammates in rapid-fire scoring against the visitors, and thrilled spectators with a 40-yard run to the counting stripe in the third quarter. The Mustangs raced six times across the Vera goal line, and were successful in three conversion attempts to account for the total score. The line Vera score came in the third quarter when Robertson, Vera's counterpart for the Mustang's Robertson, passed 8 yards to Frazier after the Vera lads had recovered a Mattson fumble within the scoring zone.

**Starting Line-Ups**  
Mattson: Mapes and Massey, end; Chammerlin, center; Robertson, Newton and Couch, backs. Vera: Wood and Trainham, ends; Patterson, center; Frazier, Christian and Robertson, backs.

Officials—Red Henshaw, referee; S. E. Lanier, head linesman.
