

Annual Community Thanksgiving Service

The Annual Community Thanksgiving Service will be Sunday, November 24, at 6:00 p.m., at First Baptist Church. This bilingual service is hosted by the Friona Christian Ministries and is always an uplifting time of worshiping the Lord Jesus as a community of believers. We take up an important offering that is used to help people throughout the year in our community with basic needs. There will also be a finger food fellowship after the service at the church. You can bring finger foods to share for the fellowship time afterwards.

El Servicio Anual de Acción de Gracias de la Comunidad será el Do-

mingo 24 de Noviembre, a las 6:00 p.m., en la Primera Iglesia Bautista (First Baptist Church). Este servicio bilingüe es organizado por los Ministerios Cristianos Friona y siempre es un momento edificante para adorar al Señor Jesús como una comunidad de creyentes. Levantaremos una ofrenda importante que se utiliza para ayudar a las personas con necesidades básicas durante todo el año en nuestra comunidad. También habrá un compañerismo de bocadillos después del servicio en la iglesia. Puede traer bocadillos para compartir durante el tiempo de comunión posterior.

Takin' It To The House — Friona Chieftain running back Aaron Rosales (#7) sprints to the end zone after taking a pitch-back from teammate Tony Diaz (#8) who had just received the pass from quarterback Justen Trevino. The "trick" play was the first score in the Bi-District game between the Chieftains and the Littlefield Wildcats.

Chieftains Fall to Wildcats in Bi-District Playoff Matchup

The Friona Chieftains 2024 football season came to end Friday night at Leon Williams Stadium in Clovis, New Mexico. The Chiefs lost to the Littlefield Wildcats 72-36 in the Bi-district round of the playoffs.

Friona only trailed 34-29 at halftime but a quick Wildcat score in the second half and a missed interference/holding call against Littlefield on the Chiefs next drive gave the Wildcats all

the momentum they needed for the rest of the game.

Senior quarterback Justen Trevino had a great night on the ground and in the air. He rushed for 98 yards and two touchdowns and passed for 292 yards and two scores. Jameson Daniels caught seven of the passes for 188 yards and 2 touchdowns. Aaron Rosales scored the first touchdown of the game on a nifty 68 yard flea flicker play when Trevino passed

the ball to Tony Diaz who then tossed it back to Rosales who ran the distance for the score.

On defense, the leading tacklers were Abram Rocha (18), Damian Sanchez (17), Mario Garcia (15), Frank Gutierrez (10), Edwin Munoz (10), Diego Quezade (8), Gael Lara (7), and Rafael Rocha (7). Bryer Stanberry blocked a Littlefield punt which resulted in a safety and two points for Friona.

McCain Brothers' music featured in *Glowzies*

The McCain Brothers, Ben and Butch, have three new songs in the zany, family friendly horror movie called *Glowzies* now streaming on Amazon Prime and Tubi.

"Director Hank Braxton offered Butch the role of Old Mose and also asked if we could come up with some surf music. We included our producer Jon James and came

up with a new 12 track CD," Ben said. "Hank selected Let The Good Vibes Roll, Boom Goes The Dynamite and the title track, The Biggest Waves and Prettiest Babes. Butch's scenes

are with acting veteran James Remar. The film was shot in and around Grand Junction, Colorado. The movie is being compared to *Grem-lins* and *Goonies*."

Butch added, "The zombies also known as Glowzies are repelled by the surf music. So our songs are not just background music, they are featured prominently during some of the attack scenes. This is my third time to work with Hank. It's a blessing to get to work close to home and with a director you know and like."

The three songs used in the movie are performed by The McCain Brothers and were written by Butch, Ben, and Jon Jon James. The songs were produced by Jon James at Shedd Studios and published by McCain Brother Music (ASCAP).

Ben and Butch grew up on a farm near Bovina and started their en-

Butch & Ben McCain

tertainment careers at KZOL radio in Farwell while in high school. Both are graduates of Bovina High School, South Plains College, and West Texas A&M. The McCain Brothers hosted an early morning TV show in Oklahoma City for 12 years before moving to Los

Angeles to get into the film business. The "Boys from Bovina" continue to work in movies and TV shows as well as write and record music. Ben and his family now live in Franklin, Tennessee while Butch and his family make their home in Grand Junction, Colorado.

At the Movies — (l-r) Butch McCain, James Ramar, and Ron Carlson in the motion picture *Glowzies* where an ancient and evil extraterrestrial slime that was buried in a remote Colorado canyon eons ago is returning to life. It seems the only people in a position to stop it are a group of aging veterans, who must team up with some social media influencers to survive, as the slime turns anyone it comes into contact with into glowing, goo-spewing zombies!

Now streaming on Amazon Prime and Tubi

More than 1,500 bills filed as session approaches

Texas lawmakers last week filed more than 1,500 bills ahead of the next legislative session, which begins Jan. 14. The Houston Chronicle reported the proposed measures cover a range of topics ranging from border security to abortion access, education and other issues.

Republicans have expanded their control of both chambers after flipping several seats during this year's elections. State Comptroller Glenn Hegar has projected the state will have a \$20 billion surplus at the start of the 2025 session.

Among the bills already filed:

- Proposed reduction or elimination of property taxes. State Rep. Cody Vasut, R-Angleton, has filed a bill to eliminate property taxes altogether and create a committee to examine "alternative methods of taxation." Property taxes raise \$81.5 billion annually, meaning their elimination would likely require a marked increase in sales tax. Other proposed bills would use the state's surplus revenue to partially offset property taxes

- Austin Democrat Donna Howard filed two bills that would expand when a health care provider can legally perform an abortion. The state's near-total ban on abortion has resulted in women coming forward with stories of delayed or denied medical care, and more than 100 Texas OB/GYNs signed a letter saying they have been restricted from providing high-quality care to

their patients.

- School vouchers are certain to be considered, since they are a priority of both Gov. Greg Abbott and Lt. Gov. Dan Patrick. Several Republican opponents of vouchers were targeted in the primaries and defeated, making passage of a measure more likely this session, after it failed in 2023.

- Several House Republicans have filed measures to stop providing in-state tuition to some undocumented students living in Texas, effectively eliminating the Texas Dream Act passed in 2001.

- Lawmakers from both parties filed bills that seek to ensure faster responses from utility companies after power outages caused by storms and hurricanes. The measures come after Hurricane Beryl hit southeast Texas last summer, leaving millions without power for days.

Abbott orders college tuition freeze for next two years

Gov. Abbott sent a letter last week to the state's public colleges and universities saying he would not support any undergraduate tuition and fee increases over the next two years, extending a tuition freeze already in place. The Austin American-Statesman reported Abbott had discussed the issue with all of the state's university system boards of regents, who supported the decision.

"Texans face significant rising costs due to inflation," Abbott wrote in the letter. "When inflation and other economic pressures burden household bud-

gets, our public universities must take every step possible to ease the financial burden on our students and their families."

Abbott signed a law in 2023 that stopped tuition and fee increases for the 2023-2024 and 2024-2025 academic years. His proposal would extend that through 2027.

"I will ensure college affordability remains a top priority for the state as we head into the next legislative session," Abbott wrote.

Water agreement might bring relief to South Texas

A change to an 80-year-old treaty between the U.S. and Mexico could bring relief to South Texas farmers grappling with a drought and scarce water, according to The Texas Tribune. Under the amended treaty, Mexico now has more options to meet its required water deliveries, which have fallen short in recent years.

Under the 1944 treaty, Mexico must deliver 1.75 million acre-feet of water to the U.S. from six tributaries every five years, a deadline it is at

high risk of not meeting. The country still has a balance of more than 1.3 million acre-feet of water that is due by October 2025.

The amendment will allow Mexico to meet its delivery obligations using other tributaries not covered by the original treaty, and by transferring water stored at the Falcon and Amistad international reservoirs.

"What's more important is we need water transferred at Amistad and Falcon," said Sonny Hinojosa, a water advocate for Hidalgo County Irrigation District No. 2, which distributes water to ranchers and farmers in the region. "If water gets transferred, they'll know they'll have a little bit of water for next year."

The amendment expires in five years unless extended.

solution on page 3

His Nose Knows

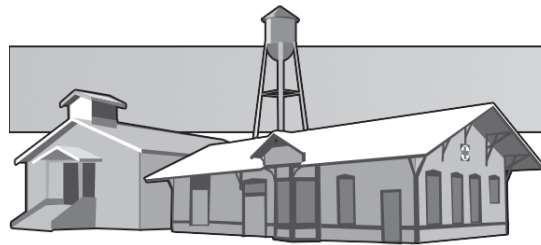

Slowly returning . . . this pen of "mind,"
 Never a blank page it cannot find,
 My mind never stops,
 Always a thought.

A door cracked open early morn breeze,
 The pup trotted forth . . . groggy morn meet,
 No greeting licking,
 No wagging tail.

Ignored my presence . . . straight to the door,
 He stood sniffing full . . . the morning air,
 His morning download of all new smells,
 His full data dump what's new today,
 Such simple pleasure of ecstasy.

Then he turned to me . . . he wagged his tail,
 Will be a good day,
 Cause his nose knows.

Jim Taylor and Larry Johnston

Last Chance Donation — You will have one more chance to donate blood in 2024. A Friona Community Blood Drive will be held on Wednesday, November 27th from 9:30 a.m. to 1 p.m. at the Senior Citizen's Building at 1410 N. Washington. Donors will receive a long-sleeved holiday t-shirt, a pecan pie, and a candy bar with a chance to win a Visa gift card. See ad on back page.

Blood Drive Results — Thank you to everyone who donated at last week's blood drive. The event netted 33 whole blood donations and 3 doubles for a total of 39 units.

Best Wishes — Friona native Davy Hamilton and former Friona Municipal Court Judge Deborah Campbell were involved in separate vehicle accidents this past week. The Friona Star wishes a speedy recovery for both.

Thanksgiving Holiday — All schools were released early on Friday, November 22nd and will be closed all next week for the Thanksgiving holiday. Classes will resume on Monday, December 2nd.

Coming Soon — The Parmer County Hospital Auxiliary will soon be placing canisters around town in various businesses for the collection of donations for the 69th Annual Project Christmas Card. Also, donations are being accepted for the Empty Stocking Fund which provides clothing to local needy children. Donations may be made at Friona Inter-Bank or given to project co-chairs Holly Campbell or Jyl Grimsley.

Tie One On Day — On Wednesday November 27th we celebrate the apron. Through the years, aprons have served many purposes. They protect hands from hot items coming out of the oven. They protect our clothes while we cook. They can carry eggs, vegetables, toys, and even the catch of the day. Aprons fan us as we wait

for cakes to finish and occasionally, they even make us feel a little more adept in the kitchen, too. So tie one on today and start cookin'.

Smells Fishy — Special thanks to Jim Taylor and Larry Johnston for frying the catfish at the Senior Meal on Veterans Day. We haven't heard if Jim wore his fish-fryin' apron to celebrate Tie One On Day (see photo at right).

Texas Facts — On November 22, 1963, President John F. Kennedy was assassinated in Dallas, Texas. The Texas governor at the time, John B. Connally, was also shot but survived. Source: funworldfacts.com

Small Town Cookin' *By Jeri Lynn White*

Chili

This recipe spotlights the meaty flavor of chili by using two kinds of beef along with more traditional seasonings. This recipe also calls for diced tomatoes, but you could replace it with tomato sauce if that is your preference. Hope you enjoy!

Ultimate Two Beef Chili
countryliving.com

Ingredients

- | | | |
|---|-------------------------|---|
| 2 Tbsp olive oil | 2 lb ground beef | 2 c. beef broth |
| 3 lb chuck, cut into 1-inch pieces | 8 cloves garlic, minced | 2 (28-ounce) cans diced tomatoes |
| Kosher salt and freshly ground black pepper | 2 Tbsp chili powder | Chopped scallions, grated |
| 1 yellow onion, chopped | 2 Tbsp ground cumin | Cheddar, sour cream, and diced avocado, for serving |
| | 2 tsp red pepper flakes | |

Directions

Heat oil in a large Dutch oven or pot over medium heat. Season chuck with salt and pepper. Cook, in batches, until brown on all sides, 6 to 8 minutes; transfer to a plate. Add onion to pot and season with salt and pepper. Cook, stirring occasionally, until soft, 8-10 minutes. Add ground beef and cook, stirring occasionally, just until beef is no longer pink, 10 to 12 minutes. Add garlic, chili powder, cumin, and red pepper flakes. Cook, stirring for 1 minute. Add broth, tomatoes, and browned chuck. Cover and cook, stirring occasionally, until chuck is very tender for 2 to 2 1/2 hours. Serve with desired toppings alongside.

Friona family receives free ramp

The Rodriguez Family is the latest recipient of a ramp courtesy of the Texas Panhandle Ramp Project. The Project's mission is to build ramps for those who find their steps to be a barrier. The ramp allows elderly or disabled individuals to leave their home safely and independently. Volunteers for this project included Stu Downing, Robert Taylor, and Henry Wyckoff of the Amarillo Downtown Lions Club; Homer Haile, Ruben Rejino, and Clint Mears of the Friona Noon Lions Club; and student volunteers Jorge Castillo and Gavin Rejino.

“..forgive us our debts..”

By Brett Hoyle, Pastor, First Baptist Church

Just in case you are wondering, this article is not about forgiving student loan debt, but it is about Jesus teaching his followers how to pray to the Father in Matthew 6:9-13. In the middle of the Lord's model prayer, Jesus calls attention to the two sides to forgiveness.

The first side to forgiveness deals with you seeking forgiveness from God for your sin. Sin is what separates you from the Father, but in his loving grace and mercy he has provided forgiveness through Jesus Christ. For one to be made right with God you must be born again through saving faith in Jesus. When this happens, you are eternally different, you are adopted into God's family, and you receive the righteousness of Christ. Romans 8:1 says, "There is therefore now no condemnation for those who are in Christ Jesus," which points to the most blessed of blessings, being forgiven of your sins through faith in Jesus Christ. This is something that can't be lost, stolen or

thrown away, but changes you forever (Rom 8:37-39).

After one is saved from their sins and adopted into God's family, one of the great frustrations of the Christian life is that we are still plagued by sin and are not yet rid of its presence in our lives. When you sin as a Christian, you don't lose your salvation, but when you sin, you do need to turn to the Lord in confession and repentance to seek the cleansing you need. 1 John 1:8-9 depicts this need as it says, "If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness." Sin will stain a Christians relationship with God, and honest confession is the first step to cleansing that stain and getting back on track, therefore may you be quick and humble to pray, "...forgive us our debts..." to your Heavenly Father today.

Panhandle Parables

November Challenge Phase 4

By Jeff Procter, Minister, 6th Street Church of Christ

This month we are focusing on being thankful. I know last week's challenge was not the easiest. Yet, I hope you have continued to write down that for which you are thankful. We have been given many blessings in this life that pertain to our physical well-being. I want you this week to think about and write down your spiritual blessings. This may be a challenge as it is often easier to think in terms of material blessings, but you've got this!

Paul says, "[3] Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places," (Ephesians 1:3 ESV). What are these blessings? I will give you a clue

to a lead off blessing. It is found in the very next verse, Ephesians 1:4. Yes, you must look it up, but at least it is a start. When you stop, and think in terms of eternity, it helps us keep perspective on the finite things of this world.

This article is very short, but hopefully your list is getting longer. As we move through the last half of this month things will start getting a little crazy. The holiday season will be in full swing and Satan will challenge your resolve to remain thankful as stress levels rise. Stay the course and hang in there. May God bless you in the pursuit of humble gratitude. After all, you have been blessed with every spiritual blessing in Christ. Have a great week.

One Person in Christ

By Teena Hughes

This is one of those articles where you will probably think I am really S-T-R-E-T-C-H-I-N-G Scripture. I just want to share what came to mind when I read from Ephesians 2 on our way to church yesterday morning. It is not meant to be political, and I am not saying Donald Trump is a type of Jesus Christ; I am saying God uses imperfect people to do some of the most amazing things. With that said, here goes, and I hope you understand where I am coming from!

Ephesians 2:14-18 (NLT) says: "For Christ Himself has made peace between us Jews and you Gentiles by making us all one people. He has broken down the wall of hostility that used to separate us. By His death He ended the whole system of Jewish law that excluded the Gentiles. His purpose was to make peace between Jews and Gentiles by creating in Himself one new person from the two groups. Together as one body, Christ reconciled both groups to God by means of His death, and our hostility toward each other was put to death. He has brought this Good News of peace to you Gentiles who were far away from Him, and to us Jews who were near. Now all of us, both Jews and Gentiles, may come to the Father through the same Holy Spirit because of what Christ has done for us."

In the recent election, people from a variety of nationalities, ages, religions voted for Donald Trump, and they voted for him in large numbers. For whatever reason, God is using Donald Trump to break down barriers between people and groups of people so that many of us become "one person" from many diverse groups for at least one day. Hopefully, through this process of breaking down barriers and helping us become "one person", we can really get to know people who are different from us, so that we can put aside our hos-

tilities and wrong thoughts about each other, and ALL of us can be reconciled and become real, true brothers and sisters who, despite our differences, love one another in Jesus Christ! Hopefully November 5th was the beginning of something Godnormous in bringing us all together as "one person" in Him. If this is what He is doing, I would love to be around when it comes to fruition.

God uses all of us imperfect people to do amazing things for Him. I would bet that when President Trump and Melania came down that golden escalator, he had NO idea how God was going to use him, and I don't think he realizes how much God is using him right now. I truly believe God used him to unify a great majority of us as a nation into "one person" to help save our country on November 5th.

If I were writing a modern-day version of Ephesians 2:14-18, here is what I would say:

For Christ Himself is making peace between Christians, Jews, Messianic Jews, Muslims, Catholics, the Amish, etc., and He is making us all "one person". He is breaking down walls of hostility that separate us. Because of His death, all peoples can be included as "one person" if they believe in Him. His purpose is to make peace between people of all ages, nationalities, and religions. Through His Word, He is bringing the Good News of peace to all people, those near to Him and those far away from Him. Because of what Jesus has done for us, everyone can come to the Father through the same Holy Spirit!!!

It felt good for so many to be "one person" for one day. I hope it isn't a one day deal. There are many who still need to be "one person" in Christ. Let us not give up on discipling those people so they can know Jesus, and so they can be "one person" in Christ.

Obituaries

Sherri Lynn Huckins

Sherri Lynn Huckins, 67, of Hereford, TX, passed away on November 11, 2024. A Celebration of Life Memorial Service will be held on Tuesday, November 19, 2024, at 2:00 p.m. at First Baptist Church in Hereford, with Pastor Nathan Adams officiating. Sherri's Final Farewell arrangements were entrusted to Dalhart Funeral Home and Cremation Services.

Sherri was born on October 3, 1957, in Amarillo, TX, to Donald and Patsy Harbour Anglin. She earned her GED from the State of Texas in 1986, showing her determination and commitment to personal growth.

On September 19, 1975, Sherri married her true love, Aaron Paul Huckins, in Amarillo. Together, they built a beautiful life, celebrating 49 years of marriage and more than 50 years of knowing and loving each other. They lovingly called each other "sweetheart," a testament to their deep affection and unwavering bond.

Sherri's love for her family was endless. As a mother, grandmother, and great-grandmother, she poured her heart into everything she did. She was an active volunteer throughout her children's school years, always there to support their education and activities, especially as a member of the Par-

ent Teacher Organization. Sherri was also known for her kindness and generosity, sharing her homemade baked goods with family, friends, and anyone who needed a little sweetness in their day.

Sherri's heart expanded even more with the arrival of her grandchildren and great-grandchildren, who brought her so much joy. She was deeply proud of each of them and cherished every moment spent with them, from playing games to giving hugs, kisses, and plenty of love. She also had a special place in her heart for her beloved fur babies, who brought her comfort and companionship.

For many years, Sherri dedicated her time and energy to volunteering at First Baptist Kindergarten in Hereford. Whether it was helping with crafts, organizing activities, or just lending a hand, she was always the first to jump in and make sure the children were well taken care of. Her warmth and care touched every-

one she met, and her legacy of kindness will live on in the lives of those she impacted.

Sherri leaves behind her devoted husband, Aaron Huckins, of Hereford; her beloved children, Gabriel and wife Taysha of Hereford, Amber and husband Adam of Hereford, and Candice and husband Wade of Friona; and seven precious grandchildren: Caleb Huckins and wife Taylor, Jacob Huckins and wife Tori, Addison Huckins, Alyssa Jimenez and fiancé Jared Tijerina, Emma Schueler, Aubrey Schueler, and Ivy Schueler. She was also the proud great-grandmother of three beautiful little ones: Jasper and Autumn Tijerina, and Lillian Huckins, with another great-grandchild, Hazel Huckins, due soon. Sherri is also survived by her twin brother, Terry Anglin and wife Trish of Schertz, TX, her dear sister, Diana Schehl of Amarillo, TX, and niece, Lisa Crawford of Amarillo.

Sherri was preceded in death by her beloved grandson, Joshua Huckins; her parents, Donald and Patsy Anglin; her baby sister, Christie; and her brother-in-law, John Schehl.

In lieu of flowers, the family requests that memorial donations be made in Sherri's memory to First Baptist Kindergarten, a cause close to her heart.

Erma Mitchell Hernandez

Erma Mitchell Hernandez, 91, met her Lord and Savior on November 14, 2024 in her home in Hereford, Texas. A service was held on Monday, November 18, 2024 at 1 pm at Mendez & Mullins Funeral Home in Hereford, followed by a procession for her burial at the Friona Cemetery.

Erma was born on July 6, 1933, in Harding County in the area of Mosquero, New Mexico, to Marcelino and Manuelita (Tafoya) Mitchell. Erma married Jose A. Hernandez on April 3, 1950 in Clovis, New Mexico. They raised their family in Friona, Texas and moved to Hereford, Texas in 1995.

Erma was born in a dugout on a ranch in remote New Mexico during the Great Depression. As a result, she was extremely resourceful. Nothing was wasted, and her determination and toughness were unmatched. She was a reluctant, and sometimes hostile, patient when it came to modern medicine and greatly preferred the ways of her Navajo/Apache roots.

Erma was known as a tremendous cook. If you sat at her table, you were guaranteed a memorable meal. Her reputation preceded her, and no one turned down an opportunity to eat her cooking.

If Erma's happiest place was in her kitchen watching friends and family clean their plates, her church would be a close second. She worshiped with various congregations throughout

the years, but was always in service to the Lord.

Erma's calling was in caring for the sick and elderly. She nursed countless people to their death and did so with the kind of compassion that many said was sent from heaven. Again, her reputation preceded her, and those with sick family members regularly sought her help.

If cleanliness is truly next to godliness, Erma was closer to God than most all of us. She cleaned houses immaculately throughout her life and kept her own home in truly spotless condition. It was common knowledge that her floors were cleaner than most people's dishes.

Erma's formal education ended somewhere around the 3rd grade, but she was never outwitted. Despite very little education, she read sophisticated works in both English and Spanish. She had an uncanny, and sometimes inconvenient, intuition about people. Her judgments were not always generous, but they were rarely wrong.

Erma was unyielding, for better or for worse, and her reputation preceded her. She backed down from nothing and from no-

one. Her work ethic was legendary, and she was proudly employed into her 90s.

Erma was preceded in death by her parents Marcelino & Manuelita Mitchell; her husband, Jose Angel Hernandez, Sr., her daughter Debbie Puentes and her son-in-law Roy Puentes of Hereford, and by two grandchildren. She was also preceded in death by six brothers: Eloy Mitchell, Gavino Mitchell, Ernest Mitchell, Manuel Mitchell, Lucario Mitchell and Benito Mitchell; and by two sisters: Carmen Vera and Ramona Escalante.

Those left to cherish her memories are her children: Macedonio (Micky) Hernandez of Amarillo; Jose Angel Hernandez, Jr. and wife Tangie of Amarillo; Lupe Padilla and husband Michael of Hereford; Rebecca Lindauer and husband Randy of Hereford; Olga DeLaO and husband Juan of Friona; and Sally Ann Cooney and husband Michael of Hereford. She is also survived by two brothers: Larry Mitchell and wife Sheila of Bakersfield, California, and Samuel Mitchell of Mosquero, New Mexico; and by three sisters: Pasquala Martinez of Espanola, New Mexico, Margaret Eggert of Albuquerque, and Victoria Sandoval and husband Gilbert, of Albuquerque, and by brother-in-law Vicente Guerreo and wife Yolanda of Hereford. She is also survived by 16 grandchildren, 34 great-grandchildren and 4 great-great-grandchildren.
