LIONS TOLD OF COMBAT ACTION IN THE PACIFIC

Lieut. Clinton Herren, Vet- eran of Pacific Fighting, Is Speaker

Members of the Lions Club
were given a firsthand picture of
actual combat between American
and Japanese fighting men in the
Southwest Pacific, Tuesday by
Lieut. Clinton Herren, veteran of
three campaigns in that section,
who was guest speaker at the
noon meeting of the club this
week.

Lieut. Herren, who was seri-
ously wounded in action against
the Japanese on New Georgia is-
land, is holder of the Purple
Heart award and wears a service
bar with three stars earned in
three combat zones—New Caledo-
nia, Guadalcanal, and New
Guinea.

Wounded in action July 11,
Lieut. Herren was evacuated to a
base hospital in the Southwest
Pacific, later to San Francisco
and then to San Antonio before
being released for a brief fur-
lough at home while convalescing
before being assigned to active
duty again.

The Japanese soldier is inferi-
or in every respect to the Ameri-
can men, Lieut. Herren declared,
but he pictured the Japs as being
trained in treacherous, stealthy
jungle fighting. Very few Japa-
nese soldiers can be taken prisoner,
he told, because they are im-
bued with the tradition that they
will be outcasts if captured and
majority of Japs commit suicide
rather than be taken prisoner, he
related.

American troops have little
fear of the Jap "snipers" Lieut.
Herren said, because the Jap is a
very poor shot. "If you keep mov-
ing you are fairly safe from snip-
ers," he told his listeners. The
enemy would harass American
troops at night by their stealthy
tactics, and often would slip
through American lines to knife
the American soldier, he said.

The enemy's most effective
weapon is their "knee mortar"
the Haskell officer said. The en-
emy uses these weapons with fair
accuracy, and Lieut. Herren was
wounded by a shell fragment from
a mortar.

American soldiers overseas are
interested more than anything
else in receiving mail from home,
and incipient riots can quickly
be started by giving a bogus
"mail call," the officer said.

In concluding his impromptu
talk after answering numerous
questions from his interested
hearers, Lieut. Herren praised
the work being done on and be-
hind the fighting fronts by the
Red Cross.

Meet In Pearl Harbor

Meeting by chance recently in
Pearl Harbor, T. H., were two
cousins, Pfc. Chester Robertson
of the U. S. Marines and Oral
Robertson, deep sea diver in the
U. S. Navy. Circumstances of
their meeting were told in let-
ters to relatives recently. Pfc.
Chester Robertson is the son of
Mr. and Mrs. A. C. Robertson,
and Oral is the son of Mr. and
Mrs. Bill Robertson of Hale Cen-
ter.

DEMONSTRATION OF TERRACING TO BE HELD ON MONDAY

All-Day Demonstration Will Be Given On S. A. Norris Farm

A demonstration of the Ford-
Ferguson Terracing Plow will be
given on the S. A. Norris farm
one and one-half miles south-
west of Haskell next Monday,
Oct. 25, it was announced this
week by Virgil Sonnemaker, lo-
cal dealer for Ford-Ferguson
tractors and farming equipment.

The demonstration will be su-
pervised by Mr. Sponberg, a rep-
resentative from the Ford-Ferguson
factory, who will be assisted
by Mr. Sonnemaker. Also as-
sisting in the demonstration will
be County Agent G. R. Schum-
mann.

This will be the first demon-
stration of the Ford-Ferguson
Terracing Plow in this section,
Mr. Sonnemaker said, and the event
is expected to attract the in-
terest of many farmers and land-
owners in this area.

Importance of terracing is in-
dicated by the fact that records
in the office of County Agent
Schumann reveal that Haskell
county farmers lost approximately
\$100,000 in AAA soil building
payments that could have been
earned by building farm terraces.

Haskell Sailor, Missing In Action, Is Awarded The Silver Star Medal

Award of the Silver Star Med-
al to two Texans who rendered
distinguished service in the Pa-
cific theater of operations—
one of them now reported missing—
was announced Oct. 21 by the
Navy Department.

First recipient was Coxswain
Fred L. Barnett, Route 1, Has-
kell, who won the Coxswain's rat-
ing for meritorious conduct in an
earlier action. Barnett was re-
ported wounded, then missing in
action, in casualty lists announced
last November and December. His
next of kin is James Robert Bar-
nett, father, of Haskell.

CONTINUANCE IS GRANTED IN TRIAL OF NEGRO SLAYER

Special Venire Summoned for Trial Dismissed Monday

Proceedings have been rela-
tively light during the current
week of the 39th district court
term, following the granting of a
continuance Monday in the case
of The State vs. Tully Johnson,
charged with murder in connec-
tion with the death of another
negro, John Thomas Blockett
who was shot to death at Weint-
er several weeks ago.

The continuance was granted
on motion of defense attorneys,
based on the absence of a mate-
rial witness, R. W. Henry, col-
ored. The case has been re-
set for trial during the January
term of court.

One hundred special jurors
summoned for the case were dis-
missed by Judge Chapman Mon-
day.

Four Divorces Granted
During the past week, four di-
vorce cases have been cleared
from the docket with the fol-
lowing dispositions:
Louise Sumnar vs. Ralph Sum-
nar, divorce granted.
Vernon B. Russ vs. Ruby Nell
Russ, divorce granted.
Annie Lee Stuart vs. R. L.
Stuart, divorce granted.
Mineon Hogan vs. Annie Ho-
gan (colored) divorce granted.
Judge Ben Charlie Chapman
will go to Abilene Friday on an
exchange of bench with Judge
Milburn S. Long of the 42nd dis-
trict, who will occupy the 39th
district bench here Friday in
hearing of a divorce action styled
C. W. Winchester vs. Mabel Win-
chester.

Murder trial of M. C. West-
erman has been set for Monday,
Nov. 1 and a special venire of
100 prospective jurors will be
summoned.

Haskell Indians to Meet Hamlin In Conference Play Here Friday

Friday night will see the Has-
kell Indians in a conference game
against the Hamlin Pied Pipers.
The game will be played on In-
dian Field and fans may expect
to see a very interesting game.

Although the Indians were de-
feated by Seymour 14-7 last Fri-
day they will be battling for a
higher conference rating. Hamlin
was also defeated 40-0 by Stam-
ford Friday. This gives Haskell
a slight edge over Hamlin, how-
ever the Pipers will be very
tough after the shelling by
Stamford.

Haskell's probable starting
line-up will be: Mobby—LE, Bis-
choffhausen—LT, Greenway—
LG, Stuart—C, Reeves—RG, Bar-
nett—RT, Davis—RE, Dodson—Q,
Harrell—RH, Cook—LH, Welch—
FB.

Co-captains for the game will
be Reeves and Harrell. The kick-
off will be promptly at 8:00.

Market Poultry
& Egg Co. Opens
Haskell Branch
New business concern opening
in Haskell this week is the Mar-
ket Poultry & Egg Company, pro-
duce and feed dealers, located
in the large building east of
the fall formerly occupied by the
Haskell Poultry & Egg Company.
The building has been purchased
by the new concern, and exten-
sive repairs have been made on
the building this week.

Manager of the new Haskell
concern will be A. T. Ballard,
who comes to this city from An-
son, where he has been engaged
in the produce business for some
time. Mr. Ballard has also pur-
chased a home here and he and
his family plan to make Haskell
their permanent home.

The Market Poultry & Egg
Company in Haskell will serve as
a concentration point for a
large section of Northwest Texas
in handling poultry, eggs and
cream through the company's
central shipping point at Abilene.
A part of the company's fleet of
trucks will be moved from Abi-
lene to Haskell for use in pick-
ing up poultry, eggs and cream
in the Haskell trade territory
and adjacent area.

In addition to providing a lo-
cal market for poultry, cream,
eggs and hides, the new concern
will also handle a complete line
of poultry, dairy and hog feeds
of all kinds.

In connection with the open-
ing of the Haskell store, the com-
pany is sponsoring a demonstra-
tion of the Eamesway method of
Poultry Culling Saturday, Oct.
23 at 3:30 p. m., to be conducted
by M. L. Sharp, and farmers and
poultrymen of this section are in-
vited to attend this demonstra-
tion.

Return From Visit on Plains
Mr. and Mrs. R. C. Whitmire
have returned from an extended
visit to the Plains country where
they visited friends at Lubbock,
Lorenzo, Brownfield and other
points. Mr. Whitmire also looked
after his business interests in the
sections visited.

Mrs. Virgil Lewis and chil-
dren, Gene and Betty Sue of
Hawley, were visitors in the home
of her parents, Mr. and Mrs. R.
J. Paxton, over the week-end.

Funeral Service Held Monday For Mrs. R. A. Black

Death Occurred Sunday Morning in Haskell County Hospital

The funeral services for Mrs.
Margaret Letitia Black, wife of
R. A. Black of this city, were
held at the First Methodist
Church Monday morning at 10:30
o'clock with the Rev. Kenneth B.
Copeland, pastor officiating.

Interment was in Willow Cem-
etery with Holden funeral home
in charge of arrangements. Pall-
bearers were F. M. Squires, Rup-
ert Adams, Richard Bischoff-
hausen, Virgil A. Brown, C. R. Cook
and Bob Wair.

Mrs. Black died in the Haskell
county hospital Sunday morning
at 1:15 o'clock following an ill-
ness of one month's duration.
She had been a patient in the
hospital for five days before her
death.

Born August 28, 1879 in De
Kalb county, Arkansas, she ac-
companied her parents to Texas
and was married to Robert Ar-
thur Black, Aug. 29, 1901 in
Hunt county, Texas, and they
made their home in that section
before moving to Hamlin, Mr.
and Mrs. Black came to Haskell
in 1931 from Jones county and
had made their home here since
that time. Mrs. Black had been
a member of the Methodist
Church since 1904, and had taken
an active interest in her church
for a number of years.

Mrs. Black is survived by her
husband, R. A. Black of Haskell;
one son, Guy Black of Vernon,
Texas; three daughters, Mrs. C.
W. Pratt of Durant, Okla., Mrs.
Ray Dulaney of Orange, Texas;
Mrs. Floyd Cook of Haskell. Other
survivors include her husband,
Robert C. Carroll of Bowie, Tex-
as; two sisters, Mrs. P. L. Wright
of Bowie and Mrs. W. J. Reynolds
of Hamlin; and a brother,
B. W. Carroll of Blue Ridge,
Texas. Five grandchildren also
survive.

13-Year-Old Girl Pulls 357 Pounds of Cotton In Day

Gathering considerably more
than five times her weight in
cotton bolls in a single day was
the feat performed recently by a
13-year-old girl, Bobby Johnson,
daughter of Mr. and Mrs. Dal-
ton Johnson of Haskell.

The bright-eyed, alert little girl,
who weighs 65 pounds, pulled 357
pounds of bolls on the Paul Jos-
selet farm north of Haskell on
Thursday, Oct. 14. It was no un-
usual feat for her, because the
youngster has made a real
"hand" every day she has gone
into the cottonfield, adult farm-
hands said.

City Employee Enlists in U. S. Navy This Week

Rogers Gilstrap, superintendent of the municipal water system in Haskell since April, 1935, Tues- day was accepted for enlistment in the U. S. Navy at the Dallas recruiting station with the rating of a Chief Petty Officer and placed on reserve status pending call to active duty early in No- vember.

The city employee, born and
reared in Haskell, is married and
has three children, two daughters
and one son. His wife and chil-
dren plan to continue their resi-
dence here while he is in the ser-
vice.

Enlistment of Water Superin-
tendent Gilstrap will create a va-
cancy which the City Council is
expected to fill at an early date,
city officials indicated Wednes-
day.

Mrs. M. E. Eisenhower of Am-
erillo visited her mother, Mrs. J.
T. Thewanger of this city last
week.

Capt. Isbell, North African Hero, Gets Distinguished Flying Cross

Captain James A. Isbell, 29, re-
ceived the Distinguished Flying
Cross Saturday, October 9, at
the Army Air Field, Venice, Flori-
da. Brigadier General A. H.
Jikerson, Commanding General of
the Third Fighting Command
made the presentation in a very
impressive ceremony.

The citation read in part:

Goal of \$6,500 Set In War Chest Fund Drive

County-Wide Drive to Be Conducted Nov. 2 Thru Nov. 6

Every person in Haskell coun-
ty will be called on to "Give a
Texas' Share" to the United
War Chest Fund some time be-
tween Nov. 2 and Nov. 6th, R.
C. Couch, county chairman
declared this week as final plans
for the campaign were being
completed.

This must be done if the coun-
ty's quota of approximately \$6,-
500 is raised, Mr. Couch said. An
intensive campaign will be car-
ried out to reach every person
in the county, and the same com-
munity committees used during
the successful Third War Loan
Drive will serve during the United
War Chest Fund drive with
few exceptions, the county chair-
man announced.

County Treasurer Willie
Lane has been named treasur-
er for the War Chest Fund, and
all supplies for workers will be
left at his office in the court-
house for the convenience of
workers.

So that every person may un-
derstand better the United War
Chest Drive, Mr. Couch has given
this explanation:
"In the past money has been
raised or many worthy causes
through individual campaigns.
This year one campaign will
raise money for 17 participating
agencies.

It is the first time that the
national program has been work-
ed out on a strictly business-like
basis so that there will be no
waste of money or manpower, no
duplication of effort, and that
every person may know his
money is being used as it was
intended.

These are the participating or-
ganizations:
U. S. O.
United Seaman's Service
War Prisoner Aid
Belgium War Relief Society
British War Relief Society
Dutch War Relief
French Relief Fund
Friends of Luxembourg
Greek War Relief Association
Norwegian Relief
Polish War Relief
Russian War Relief
United China Relief
United Czechoslovak Relief
Fund
United Yugoslav Relief Fund
Refugee Trustees
United States Committee for
the care of European Children.

Some of these are less well
known here than others. All are
worthy. Each was carefully stud-
ied and approved before it was
included on this list.
Not included is the Red Cross,
which will conduct its separate
campaign next spring.

Boy Scout Troop
35 Is Reorganized
at Recent Meeting
Boy Scout Troop No. 35 of this
city was reorganized at a meet-
ing held recently, when R. W.
Bischoffhausen was named as
Scoutmaster and Kenneth Thoro-
nast assistant scoutmaster of the
troop. Plan are being made for
an active program of Scouting
during the coming months. All
boys who are interested in Scout-
ing are invited to the meetings
of Troop 35 which will be held
each Wednesday night at 8 o'clock
in the Boy Scout clubhouse.

Indian Sweetheart Named at Game Friday Night

The Pep Squad of Haskell High School presented an Indian stunt during the half of the Haskell-Seymour game. Pep Squad members dressed in Indian blankets and wearing Indian head dress came onto the field doing an Indian dance. While the Pep Squad girls were getting into their formation, four football players, Tooley, Peizer, Whiteker, and Everett carried a teepee on the field. Co-captains Mobley and Welch accompanied them and presented the sweetheart of the football team, Miss Margene Sellers, to the spectators. She was escorted from the field by the co-captains while the Pep Squad marched off the field.

The Civic Club

The Civic Club met October 15, 1943. The meeting was called to order by President Earnest Wilfong, having the club to answer the roll call with a current event. Then he turned the meeting over to the program chairman, Raymon Mobley. A talk on "Four Brakes On War Marriage" was given by Mary Jo Zelisko. Mrs. Odell read some of the themes on "The Needs of Our School and Community", written by the members of the club. The meeting was then turned back to the president for discussion of new and old business.

A name was selected by the club which was the "Walking Zombie Club." Also during the hour each member is addressed as Zombie (name). The meeting was then adjourned.

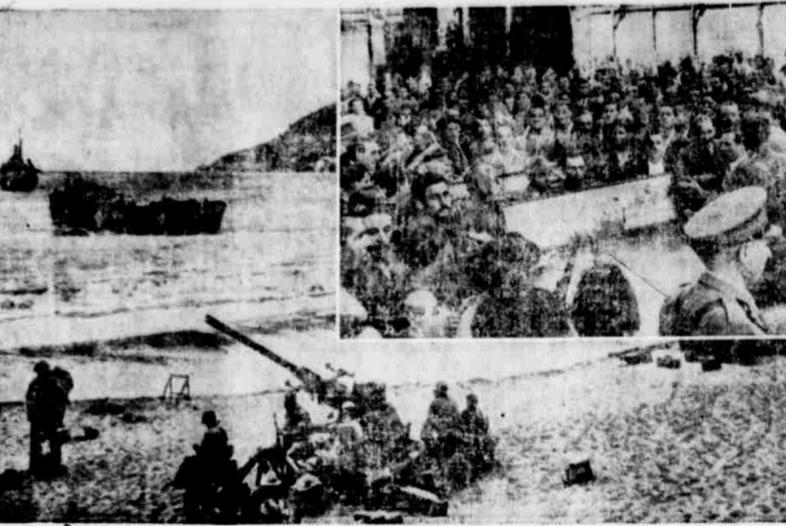

Glimpses of Teachers

So many people have asked about the teachers of Haskell High School this year. To inform them and others that are interested, we are beginning this column.

First on the list of Mr. C. B. Breedlove, chief of the tribe. He has been the capable superintendent of schools in Haskell for the past fourteen years. He came to Haskell from the Rule schools where he was superintendent for six years. He received his B. S. degree from Sulross State Teachers College in 1929. He also did some work in the University of Texas and a State Teachers College in New Mexico. Mr. Breedlove has accomplished a great work here in Haskell and stands high in his profession. Next is our assistant chief, Mr. J. C. Scott. No win his second year here, he is principal of Haskell High School and the north Ward. Before coming to Haskell, he was connected with the High School at Rule, where he taught for four years. Altogether, Mr. Scott has been in the teaching profession for ten years. He attended A.C.C. where he received his B. A. degree in 1935. Mr. Scott has a pleasing personality and is most effective in his work.

If electricity is used for heating water, it should not be wasted. Leaky hot water faucets should be repaired, and the water heater turned off prior to departure for any great length of time.

Italian Scenes Preceding New War Declaration

Thirty-five days after surrendering to the Allies, Italy declared war on her former Axis partner, Germany. Marshal Pietro Badoglio announced the declaration and said that German ferocity had "surpassed every limit of human imagination" at Naples. In picture above, British anti-aircraft units are shown covering the arrival of troops near the Chiunzi pass, gateway to that city. Inset: After the fall of Naples, Italians mobbed a car carrying three fascist generals who had been in charge of defenses there. The generals had co-operated with the Germans and required Allied protection from the angry Italian masses.

1943 Schools-at-War Triple Threat Jeep Campaign

Texas' goal for the 1943 Triple-Threat Campaign is 760 Jeeps, at \$2,000 each.

From now until December 17 we will buy QUACKS or amphibian jeeps (essentially a standard jeep enclosed in a boat hull). Last Spring we bought land jeeps and over-subscribed our quota of 254 more than fifteen times by purchasing 5,564 jeeps, a record not achieved by any other state in the Union. LET'S KEEP TEXAS ON TOP!

The rules for the new campaign in Texas are, (irrespective of information received from other sources):

1. The price of a QUACK (amphibian jeep) is \$2090.
2. The goal must be higher than past War Savings sales averages over a similar period.
3. Bonds are to be counted at issued price (e.g. \$18.75)—not at maturity value.
4. Stamp purchases must not be counted again when turned in to bonds.
5. Purchases which are not definitely a result of the school or classroom campaign do not count.
6. School officials are requested to report on the first of each month throughout the year to the County Educational Chairman for the previous month: (a) PURCHASES made by school children; (b) purchases made by school employees; (c) SALES promoted by school children during hours outside the school. Only items "a" and "b" will be certified on the jeep quota. Schools will be given full credit for items "a", "b" and "c" as their contribution to the vital war financing program of Texas.
7. The Jeep Campaign ends on December 17, and a special final report is to be made as of that date to your County Educational Chairman giving your purchases for December, which combined with your November 1st and December 1st reports will reflect your total purchases applicable against Jeeps.
8. A special Treasury citation will be issued to each school which successfully completes a Triple-Threat Jeep Campaign.
9. JUNIOR TRIPLE-THREAT CAMPAIGN. Every school in America should try to join the Triple-Threat Jeep Campaign. However, very small schools may find it difficult to become a Triple-Threat school in the above program. They may enter the Junior Triple-Threat Campaign to buy the following:
 Motor Scooter \$185.00
 Rubber Life Boat 250.00
 Parachute 65.00
 Total \$500.00
 The rules are the same as for the Triple-Threat Jeep Campaign. Special Treasury citations will be awarded for these campaigns also. To successfully complete a Junior Triple-Threat Campaign a school must "purchase" at least \$500.00 worth of equipment.

They all motored to Denton Saturday where they spent the day with another sister, Mr. and Mrs. J. W. Romine and a niece, Mr. and Mrs. Glen Morris and son.

Lieut. Edward B. Burleson, Mrs. Burleson and their son, Edward, Jr., were visitors in the home of Mrs. Burleson's parents, Mr. and Mrs. John A. Couch last week. Lieut. Burleson, former Waco attorney, has been stationed at Tucson, Ariz., for the past several months.

These people gave up their good times to help our boys in the Armed Forces and for those overseas who are giving their lives and freedom for us. Men, women, boys, and girls went to work to make tanks, guns, planes, and jeeps. Others went to work to make necessary things to speed victory.

With all of Uncle Sam's children out to speed the victory, the war will soon be over. Then there will be time for enjoyment, fun, and entertainment, and other things we Americans love so well and are fighting for. I know Uncle Sam would like to thank us all personally for our help to speed victory.

Indians Bow to Seymour Panthers

The Seymour Panthers defeated the Haskell Indians 14-7 in a game which saw the Indians fighting bravely till the last minute.

The visitors racked up a touchdown in the first period, tabbed a safety in the second, and made their final marker in the third. In the fourth quarter Leon Godson passed to Mobley for 35 yards which was good for a touchdown. The same combination worked for the extra point.

The Indians will meet the Hamilton Pied Pipers on Indian Field, Friday, October 22 for a conference game. Although they lost the game last Friday night, the Indians will be in there fighting to beat Hamilton. Here's luck to you, Indians.

Machines of War Feed on Oil

For days the General Staff had been making plans for the invasion... All branches of land, sea and air had been put in readiness; the timing of all movements carefully coordinated... Then came the Big Moment the grey of early dawn... Paratroops dropped behind the lines, Navy big guns and dive bombers blasted defenses, wave after wave of infantry scrambled ashore to establish beach heads—and right on their heels came tanks and jeeps and trucks with food, ammunition and OIL.

NO MATTER how fast a mechanized army can move it cannot out-distance its supply lines; for to fight, soldier must have food, his guns must have ammunition, his machines must have OIL.

By devious routes and in many shapes and forms it finds its way into the smooth operation of every department of our armed forces, even to toluene for T. N. (see partial list below).

Yes, Oil is vital to victory, and to victory the efforts of 13,000 Humble employees are dedicated. Their goal is to produce from petroleum the growing demand of the Army and the Navy for the finest fuels, lubricants and synthetics.

These products are made available for war industry through leadership in petroleum research, the same research which produces Esso and Humble gasolines, Esso, 997 and Velvet Motor Oils for your car and truck.

HUMBLE PRODUCTS FOR THE MACHINES OF WAR: Asphalt, Aviation Gasoline and Aviation Engine Oil, Camouflage Paints, Diesel Engine Oil, Diesel Instrument Oil, Marine Fuels, Navy Symbol Oil, Recoil Oil, Rust-Don Protective Coatings, Stratophane Synthetic Oils, Torpedo Greases, Waxes, Waterproof Lubricants, Synthetic Rubber for military uses. **FOR THE MACHINES OF INDUSTRY:** Lubricants, Cutting Fluids, Cleaners, Diesel Fuels, Gasolines, Industrial Lubricants, Lancing Lubricants, Motor Oils, Paints, Petroleum Solvents, Grease-Shop Oils, Rust Preventives, Waxes. **FOR YOUR CAR:** Fuel and service to help you care for your car for your country.

United War Chest

Our Motto: "Raise It In Five Days"

United War Chest of Texas with a quota of about \$5,000,000.00 is now helping raise the National Quota of \$125,000,000.00.

Haskell County's Part About \$6,500.00

The United War chest is organized for the duration of the War and six months after. It is a war drive for gifts only to worthy and Nationally approved causes.

one should kick in just willing and free, wouldn't this be an easy job?

All committees, with few exceptions, will be the same as the Third War loan.

Every one should be willing to accept this job as part theirs. If you are not on a committee, make a special effort to aid your committee. Make the job easy for them instead of hard. Ask them as a Texan, what is my share? Giving is the least part of the job.

The quotas and committees will appear in next week's paper. Look for it.

Be willing to do your part. Be sure that your neighbor does not have to carry your part of the load.

This drive is to be made one time each year and to save time, work and expense all approved causes are placed in one drive except the American Red-Cross. The causes approved are the following and on a certain approved percentage this fund is divided among them. However, more than half of the amount goes to our men in the U.S.O., United Seamans Service, and etc.

When a quota is placed on this county, part of it is yours because you are a part of the county. If no one lived in the county it would have no quota. Do not run, dodge or make excuses. You are only asked for your part from 50c to \$100.00 or more.

The spirit of the one-armed Abilene business man should be that of all. When approached for his contribution on the drive, after being informed as to its purpose, signed a check and handed it over with the request that it be filled out for what the Committee thought was his part.

The Humble Oil & Refining Co., with a voluntary gift of \$75.00 is the First one in the hat. If every

Marriage of Helen Ballard and L. P. Spinks, Jr. is Announced

Mrs. Irene Ballard announces the marriage of her daughter, Helen Eureka Ballard to L. P. Spinks, Jr., Y 1-C U.S.N.R. in the Rayne Memorial Methodist Church, New Orleans, Louisiana. The Rev. H. L. Johns, pastor, officiated. The bride wore a royal blue suit and hat with black accessories. Her shoulder corsage was of sweetheart roses. She was accompanied by her mother who was dressed in navy blue with a shoulder corsage of gardenias.

The groom's father, L. P. Spinks, Sr., acted as best man. A number of the groom's friends were present and several of the bride's relatives. Mr. and Mrs. H. W. Barton of Wichita Falls, uncle and aunt of the bride, who accompanied her and her mother to New Orleans; Mr. and Mrs. J. T. Barton of New Orleans and the mother, Mrs. I. Ballard.

MRS. L. P. SPINKS, JR.

The bride, one of Haskell's most charming young ladies, graduated from H.H. School, received a BS degree in Home Economics from North Texas State Teachers College, Denton, and studied dietetics and institutional management in the University of Texas. The past year and half she has been dietitian at the University of Houston Naval Training school at Houston.

Helen is the only daughter of Mrs. Irene Ballard, B.S.M.S., who is an elementary principal, and teacher in the Haskell Public Schools. Labry Ballard, the

brother, is stationed overseas in India.

The groom attended the University of Mississippi, and Cumberland University, Tenn., studying law. He is stationed at Navy V-12 Unit, Tulane University, New Orleans, La. He enlisted in Naval Reserves about two years ago. He is a splendid type of young manhood, the son of Attorney and Mrs. L. P. Spinks, Sr., of DeKalb, Mississippi.

The happy couple reside in New Orleans.

Helen Bagby Circle Meets For Mission Study

Monday a. m. at 10 o'clock the Helen Bagby Circle met in the hospitable home of Mrs. R. J. Paxton for an all-day study of our mission book—"Winning the Border." Meeting opened by prayer by Mrs. J. B. Bailey.

Miss Crawford gave the first chapter, telling us much about the border missions. The long fight for freedom, the revolution and the church.

Mrs. Reynolds then discussed the second chapter about "The Alamo." "Colonial Spanish America," Settlements and Missions, also the Mexican Immigration to the United States.

Then the noon hour arrived and our hostess invited us to the dining room where we all enjoyed a luscious meal, with each lady present bringing a covered dish and Mrs. Paxton's fine rolls and good coffee added much to our dinner, a Mother Crawford offered thanks for our food.

Then back to our study at one thirty. We sang—"How Firm a Foundation," followed with prayer by Mrs. Cunningham. Mrs. Jack Merchant then gave the third chapter, a border scene and the problems of the people. Education and religion on the border and the Catholic outlook on Protestant Missions.

Mrs. Arthur Merchant offered a prayer and Mrs. Taylor gave the 4th chapter on the "Hand of God Across the Border" and the "Home Mission Board Enters the Field" and the "Endless Chain of the World."

Mrs. Ellis discussed the 5th chapter on "Victories of the Word in New Mexico" and "Workers for the Task" and the "Unquenchable Torch."

We were happy to have our new President with us, Mrs. Lena Cunningham, and 14 ladies were dismissed with prayer by Mrs. Paxton. Ladies present were: Mmes. Cunningham, Reynolds, Ellis, Simmons, Couch, J. B. Bailey, Yantis, Arthur Merchant, Jim Bailey, Jack Merchant, Paxton, Taylor, Mother Crawford, and Miss Crawford.

Mrs. Ellis discussed the 5th chapter on "Victories of the Word in New Mexico" and "Workers for the Task" and the "Unquenchable Torch."

Miss Addie Lee Hayes Becomes Bride of T-Sgt. Nealy O. Brown

Saturday night, Oct. 16, Miss Addie Lee Hayes, daughter of Mr. and Mrs. S. M. Hayes of this city and T-Sgt. Nealy O. Brown, son of Mr. J. M. Brown of Monroe, La., were united in holy matrimony in the home of her parents with Rev. Kenneth W. Copeland, pastor of the First Methodist Church, performing the very impressive double ring ceremony.

Attending the bride and groom were Miss Geneva Thompson, of this city and Master Sgt. Arnie L. Mattock from Camp Barkeley, Texas. Only a few close friends and relatives were present for the occasion.

The bride wore a beautiful two-piece black velvet dress with white accessories. Her corsage was of white carnations.

Mrs. Brown, having lived here all her life, has many friends, who wish them all the success possible in their new career. She is a graduate of Haskell High School and at present is an operator in the Walling Beauty Salon of this city.

For several years before entering the armed service, Sgt. Brown had his own professional business, as a businessman in Houston, Texas. He is now attached to the Medical Dept., 185th U. S. S. C. Station Hospital, Camp Barkeley, Texas.

G. A.'s Meet

The G. A.'s met Monday, Oct. 18. We sang two songs "Onward Christian Soldiers" and "At The Cross." We just had a short meeting, as time was short.

We also practiced on a forward step. Our leader is Mrs. John E. Robison and Miss Pool played the piano for us.

All of us had a nice time. An invitation is extended to all girls nine years of age or over.—Reporter.

W.S.C.S

On Monday, October 18 the women of the W.S.C.S. of the Methodist Church met in the hospitable home of Mrs. B. Cox, with twenty-four members and one visitor present.

The lesson was a continuation of the study of the book, "The Church and America's People," which is being taught by Mrs. J. U. Fields. This is a most interesting study, in that we are very vitally concerned about our foreign population. The question was asked: "Were the People Who Come to Us from Other Lands, Getting the Best Conception of Our American Way of Life?" or were they getting a mistaken idea of what constitutes a real American citizen?

A story was told of a naturalized citizen of only a few months, who was boasting of his countrymen's progress. "Once," he said, "We were arrested, only for stealing coal, but now we are being arrested for bootlegging."

Kenneth Alvis one of the 6th grade pupils, read an interesting story concerning a Bavarian boy, who was an expert wood-carver.

We were dismissed with prayer by Mrs. W. Cox, after which the hostess, Mesdames B. Cox, Kenneth Thornton and Ethel Irby, served delicious sandwiches, cake and coffee to the following ladies, Mesdames Gordy (a visitor), J. U. Fields, T. R. Odell, J. A. Bowers, Stevenson, W. D. Why VICKS VapoRub Is So Good For Relieving Misereries of Childrens Colds

More than two generations ago—in grandmother's day—mothers first discovered Vicks VapoRub. Today it is the most widely used home-remedy for relieving misereries of children's colds. And here is the reason...

and keeps on working for hours—to ease coughing spasms, help clear congestion in cold-clogged upper breathing passages, relieve muscular soreness or tightness. It promotes restful sleep. Often most of the misery of the cold is gone by morning! That's why VapoRub is so good to use when colds strike. Try it!

Farmers and Landowners of This Section are Invited to Attend a Demonstration of the Ford-Ferguson Terracing Plow....

To be held on the Andy Norris Farm one and one-half miles southwest of Haskell

Monday Oct. 25

From 9:00 a. m. to 4:00 p. m.

Under the supervision of Mr. Sponberg, a representative from the Ford-Ferguson factory.

Attend this demonstration and see at first hand this modern method of building terraces.

Records in the office of County Agent G. R. Schumann show that Haskell county farmers this year lost \$100,000 in AAA soil building payments that could have been earned by terracing their farmlands. In all likelihood AAA payments for 1944 will be greatly increased, and the farmer who terraces will be well repaid for his work.

Weinert

Buffet Supper at Weinert Methodist Parsonage

Rev. and Mrs. Alby Cockerell were host and hostess to a buffet supper Tuesday night, October 19th at 7:00 o'clock.

Hallowe'en decorations were used throughout the house. Bright red apples served as candle holders for the orange candles that lined the buffet. Yellow mums and fern on a mirror formed the center piece of the table.

Out-of-town guests were Rev. and Mrs. Sam Young, Emmagene and Elizabeth of Stamford, and Mrs. Kenneth Copeland, Sue and Patsy of Haskell; Rev. and Mrs. Luther Kirk, Mary, Tom and R. L. of Munday; Bobby Bettis of Weinert was also a house guest in the home.

Mrs. Pearl B. Monke has received an announcement of the marriage of her daughter, Lt. W. J. Siddons to Capt. H. P. Donald of Beaumont, Texas and who is now in the engineering corps, stationed at Kansas City, Mo.

The bride, who has been with the WACS for over a year and stationed at Des Moines, Iowa, but is now being transferred to Camp Davis, North Carolina.

Wedding

The beautiful double ring ceremony uniting Thomas Claude Reid and Mrs. Grace Elizabeth Bettis in marriage was read by Rev. Alby Cockerell last Thursday evening at 7:30 o'clock at the home of Mrs. Harry Bettis. The bride wore a black brocaded crepe suit, with black accessories and a corsage of white carnations.

Yellow mums and fern decorated the house.

Mrs. Pearl B. Monke and Mrs. Harry Bettis served as joint hostesses at a reception following the ceremony. The lace covered table with a center piece of yellow chrysanthemums and Mrs. Alby Cockerell served the wedding cake and punch to the guests.

Immediately following the reception, the bride and groom left for a wedding trip to Fort Worth.

Mrs. Lucile Hardegree of Wichita Falls and John Lowe of Fort Worth were visitors in the home of Rev. and Mrs. Alby Cockerell on Sunday.

Mr. and Mrs. J. R. Reeves of Elter, Texas, were here Sunday visiting relatives and friends. Their son, Elton, who is in the Army training, was here, also.

Sgt. Labry E. Ballard Now in India

Sgt. Labry E. Ballard, T-4 of the Army Air Force Signal Corp., only son of Mrs. Irene Ballard of Haskell is at present stationed overseas somewhere in India. After two and one-half months of silence, letters have come thru. Labry states that the voyage was interesting and experiences were many and varied. He is amazed at India's over 200,000,000 sacred cows that are not allowed to help feed the starving millions. Beggars crowd the streets. When a soldier divides what he has with a ragged child, scores of others equally ragged and hungry appear begging for food. Primitive farming methods amaze him. He believes modern machinery and efficient methods would solve the famine problem, which is so distressing. Labry states that he is well, but so anxious to hear from home. He has received no mail since July. We get a wishful look in our eyes he says, but one of these days we shall receive all that has been accumulating somewhere and that will be a red letter day!

Tell all the folks back home hello. Texas is the grandest place of them all and there is no place like home.

Farmers Collect Ration Points

Assist farmers in sending the ration points they collect on the sale of rationed local rationing boards are farmers the necessary form, addressed envelope and complete instructions, who either sell or transacted fresh meat, all types of lard, butter and cheese, required to collect ration from purchasers. The full ration of farmers is essential to the success of the food programs, OPA said.

Against Harmful Anti-Freeze

Operators of all kinds of motor vehicles have been warned by the use of harmful anti-freeze. Salt anti-freeze may cause corrosion or shortening of electrical circuits. Dairy Payment Rates. The rate of payment which will be made to farmers delivering milk and butterfat to off-farm dairies in dairy feed costs September, 1942, have been announced by WFA. The rate for 30 to 50 cents per hundredweight on whole milk and 4 to 6 cents a

pound on butter-fat. They are applicable for October, November and December, 1943.

Draft Delinquents to Be Inducted

Beginning November 1, all men 18 to 38 years of age who are subject to selective service but who are delinquent will be put into class 1-A immediately and ordered to report for induction, the Selective Service Bureau of the War Manpower Commission has stated.

Use Book Four November 1

Housewives will start using green stamps A, B and C from new War Ration Book Four Monday, November 1. These stamps will be valid through December 20 and will be used for buying processed foods in the same way as the blue stamps in Book Two. The last blue stamps in Book Two (X and Y) remain good through November 20. Book Four is being distributed the latter part of October—the exact time and place being announced locally. One individual may apply for Book Four for all members of his family residing at the same address. The applicant must have a War Ration Book Three with him for each person for whom he wishes to obtain a Book Four.

Restrict Deliveries

Restrictions on all wholesale and retail deliveries ordered by the Office of Defense Transportation have gone into effect throughout the nation. The restrictions include—(1) No retail deliveries of packages weighing 5 pounds or less or measuring 60 inches or less in length and girth combined; (2) Limitations upon the frequency of retail and wholesale deliveries of certain commodities; (3) No Sunday retail deliveries except of ice, milk or cream. Common carriers may not be used to make retail or wholesale deliveries to circumvent the order.

Civilian Rice Supply Normal

Rice will be available this year to consumers in average quantities

of the past several years, but may not be adequate to meet the large demand resulting from increased buying power, the War Food Administration said recently. Under controlled distribution, however, states whose populations normally eat the most rice will get the most proportionately.

Ration Tokens in February

Ration tokens are expected to be ready for use by February. They will be red and blue and each will have a value of one point. They will be used by consumers as change for processed foods and meat-fats ration stamps. The blue tokens will be used with blue ration stamps for buying processed foods; the red tokens with the red stamps for buying foods rationed under the meat-fats program. The ration coins, made of layers of vulcanized fiber, will be slightly larger than a nickel and smaller than a quarter.

Alfalfa Hay Products Regulation

Prices of all alfalfa hay products are now set by Revised Maximum Price Regulation No. 456. Under the revised regulation, these products will cost somewhat more in Texas, Arkansas, Oklahoma, Tennessee, Mississippi, Utah and portions of Idaho and Oregon.

Higher Ceilings on Corn Products

Ceiling prices on wet corn milling by-products sold as animal and poultry feeds—but chiefly as protein supplements for dairy cattle—were set recently by CAP at levels around \$7 a ton above those set by the price "freeze" as of March, 1942.

Announce Vegetable Price Ceilings

Ceiling prices that will prevail for 13 fresh vegetables at country shipping points have been announced by OPA and WFA. The vegetables are lima beans, snap beans, carrots, cabbage, cauliflower, celery, cucumbers, eggplant, lettuce, green peas, peppers, spinach, and tomatoes. Maximum prices for beets, asparagus, watermelons, cantaloupes and the 1944 crop of onions are to be announced soon. Prices were announced to assist vegetable growers in completing their production plans.

May Up Frozen Fish Prices

Winter prices on many species of frozen fish have been set by the processor level by OPA. This action may mean an increase of about 10 to 15 percent in retail frozen fish prices, but it is expected to result in greater supplies of this product.

Herring Catch Increases 130 Percent

Preliminary figures show an increase of 130 percent in this year's catch of Alaska herring over the catch of 1942—one of

Farmers Produce Record Crops In Face of Hardship

The farmers of the United States this year cultivated more land and are producing more livestock products than ever before, according to the Bureau of Agricultural Economics.

In the spring of 1943, farmers planted the largest crop in history—in spite of bad weather, a decreasing supply of farm labor, and little hope of getting new farm machinery.

Farmers Used Less Hired Labor

This year's unprecedented production has been achieved with less hired farm labor than farmers used in 1942, according to the Bureau. It has been made possible by the ingenuity of the individual farmers and their families and through the cooperation of farmers and representatives of county agricultural agencies.

Farmers and their families have worked longer hours. Farmers have exchanged farm work with their neighbors, they have made better use of available farm machinery, and they have found farm workers with the assistance of the Extension Service and through importation of workers who were placed locally by the county agricultural agents and associates.

present at least.

5. The farmer likes to produce without the restrictions of depression years.

The assignment of specific crop and livestock quotas to each county has been an important factor in this year's farming activities, farmers indicate. Many of them volunteered for enlarged quotas, and most of the others readily accepted quotas assigned them by a county committee.

Farmers Like to See Crops Grow

Most farmers, the survey showed, take pride in growing their part of the country's "new potato quota" or whatever crop it may be. They like to learn in advance what is expected of them and why. They like to know what their share of the familiar and unfamiliar crops are and plan accordingly.

The farmers showed by their responses that they like to produce. They like to see crops grow and mature. They get more out of a field of corn or wheat, cabbages or carrots, than the money the crop sells for. They like to see crops respond to rain and sun and to see them withstand a drought or wet spell because of their own skill in planting and cultivating or in choosing satisfactory varieties. And farmers are happy now, they said, because the government is encouraging them to produce all the food and fiber they can.

95 Percent of Soldiers Insured
The National Service Life Insurance Program in the army has grown to a 65 billion dollar enterprise, providing insurance protection to more than 95 percent of all members of the army, according to the War Department. The program was established three years ago.

Set Record Delivering "Forts"

Crews of the Ferrying Division, Air Transport Command, Army Air Force, have set a new record by delivering eight flying fortresses to England and returning to their home station in the United States, all within 4 1/2 days, according to the War Department. The crews took off from four different stations in this country, some of them well inland, which added to the overall flying distance.

Other Americas Send Rubber

Tropical forests of the other Americas have yielded a rising inflow of natural rubber this year to mix with the synthetic product from new chemical factories opening in the U. S. In the first four months of 1943, rubber-producing regions of the other Americas shipped 50 percent more rubber than in the comparable period of 1942, according to Everett C. Holt, Chief of the Commercial Research Section of the Rubber Development Corporation.

Leaves for Harvest Work

Commanding officers of Army Service Forces Establishments have been authorized to grant vacation leave to civilian employees to assist in the fall harvest, according to the War Department. The action was taken at the request of the Director of Labor of the War Food Administration.

"Memphis Belle" Gets Repairs

The "Memphis Belle" battle-scarred veteran of nine months' aerial warfare over France and Germany, now is "convalescing" at an airfield in Spokane, Wash., according to the War Department. During 25 combat missions she was battered by flak and slashed by machine gun bullets. She has had nine new engines, a new right wing to replace one shot away in action, and a new tail assembly for one torn to shreds by cannon fire. This flying fortress was returned to the U. S. last June to show American people how American planes could stand up in modern warfare. Following her tour the flying fortress was assigned to a heavy bombardment group in Nebraska to help train fledgling airmen who hope soon to go overseas themselves. After a major overhaul job, the "Memphis Belle" again will be used in training airmen.

1500 "FORTS" for TOKYO and BERLIN That's What We're Doing to BLAST the AXIS!

Buy ANOTHER War Bond TODAY!

Reddy: That's the way we're spending our wages.

You: What are your wages, Reddy?

Reddy: Your electric bill, the small sum you pay me for the jobs I do for you daily.

You: But just how do you convert them into forts to send over Berlin and Tokyo?

Reddy: Like this: Fifteen cents out of every dollar you turn over to me my company turns over to the federal government as taxes—which in terms of the entire industry means over 400 million dollars. And that's ENOUGH TO BUY MORE THAN 1,500 GIANT BOMBERS—at a quarter-million each!

You: That's really blazin' 'em!

Reddy: Altogether from every dollar you pay us, we pass along 8¢ more for local and state taxes—which totals about 24¢ out of every dollar.

You: But how do you manage?

Reddy: By business management under free enterprise—that's how!

THAT SYSTEM is supplying the brains, the know-how and manning the production lines that turn out the 1500 Forts!
