## Haskell Sailor Is Storekeeper On Palau Island

In a recent letter received by Mr. and Mrs. Joe Smallwood of this city from their son, Richard Bradford Smallwood, Storekeeper Third Class in the U. S. Navy, he enclosed several Kodak snapshots, including one of the entrance to his pillbox on Palau Island in the Pacific, where he has been stationed for the past 8 months. Censorship did not permit the young Haskell sailor to tell much about what he was doing, but he wrote he was well and doing fine, despite the extremely hot climate of that country. He was particularly proud, he told in his letter, of a promotion gained last month, and at that time he was congratulated by a General at the forward base for his work, the Haskell sailor being the only one singled out for this honor.

## Spring Maneuvers For State Guard Set May 19-20

Final plans for the annual maneuvers of the 17th Battalion, Texas State Guard, were outlined to officers and enlisted men of Haskell's Company A Tuesday night by Capt. Dennis P. Ratliff, commanding officer of the local unit.

The maneuvers will be held at Seymour City Park, Saturday and Sunday May 19-20. Transportation will be furnished members of Company A to and from Seymour, and each member of the local Company should report at the Army post in the air-grounds promptly at 4 o'clock Saturday afternoon, in uniform and with equipment, and the convoy will move out promptly at 5 o'clock for Seymour.

Officers and enlisted men of all Companies in the 17th Battalion will be shown a training film Saturday night at the Seymour football stadium, and Sunday will be put through maneuvers of combat, traffic and motor patrolling.

## Servicemen From Rule Meet In Philippines

Cpl. Wm. Roger Curry, son of Mrs. J. F. Curry of Rule, recently wrote home of meeting with Lt. Henry Townsend of Rule, somewhere in the Philippines a short time before.

Roger stated that he was really glad to see Henry, and that it appeared the young Lieutenant was just as glad to see him.

Cpl. Curry also wrote of having visited in Manila. He said: "It is truly a sight to see, and the stories told of the wreckage are unless one sees it for himself."

Cpl. Curry has spent 30 months in the Pacific. Due to the death of his father, the late Rev. J. F. Curry, he was allowed a furlough home in February 1944, but was sent back to the Pacific the following July.

His wife is living in Brownfield, where she is chief telephone operator in the exchange there. She is the former Betty Longbrake of that city.

## FVT DEE HOLCOMBE JR. IN HOSPITAL

Mr. and Mrs. Dee Holcombe of this city received a message last week from Camp Maxey that their son Pvt. Dee Holcombe Jr. was in a hospital suffering from a nervous breakdown caused by worry over the illness of his father. He is reported improving at McCloskey Hospital, Temple.

W. O. Holden returns from Temple Hospital. While in Europe Sgt. Bowman was in the 1st Division of the First Army. He landed in Normandy with the invasion and was wounded in the fighting around Aachen on October 27, 1944, and has been in a hospital since and will probably be for some time.

## Believed Oldest Resident in County... S. A. HUGHES OBSERVES 92nd BIRTHDAY MONDAY

Judge S. A. Hughes, probably the oldest resident of Haskell county, observed his 92nd birthday at his home in this city Monday May 14, with his three daughters and a number of close friends and several grandchildren and great-grandchildren present for the occasion.

Highly esteemed resident of Haskell county for the past 38 years, Mr. Hughes served a number of years as Justice of the Peace here, and took an active part in civic and political affairs. A native of Mississippi, Mr. Hughes was born May 14, 1853, on a plantation 22 miles east of Vicksburg. He moved to Texas in 1863 and when a youth he attended Burleson College in Waco, (now Baylor University.) Later he attended old Salado College and there he met and married Miss Lula Smith on December 18, 1874. Mr. Hughes was in business in Temple for a number of years, and in 1907 Mr. and Mrs. Hughes moved their family to Haskell, where he had acquired property interests. Mrs. Hughes died in March, 1931.

Commemorating his 92nd birthday, a bountiful dinner was served in the home of his daughter, Mrs. Leon Gilliam, to relatives and a few close friends and Mr. Hughes was remembered by several of his friends with flowers, gifts and cards.

Children of Mr. Hughes are three sons, A. M. Hughes of Bartlettville, Okla.; Sam A. Hughes H.J. of Carlsbad, N. M.; Reid B. Hughes, Las Vegas, N. M.; and three daughters, Mrs. Leon Gilliam, Haskell; Mrs. W. E. Kirkpatrick, Dimmitt; and Mrs. R. R. English, Plainview. He also has 27 grandchildren and 15 great-grandchildren.

His daughters were here to help him celebrate his birthday, Mrs. English and Mrs. Kirkpatrick returning to their homes Tuesday.

He made the rank of Sergeant in July 1941, and was sent to Camp Wolters where he trained until January 1942, when he was sent to Camp Robinson, Ark., from where he went to Camp Hood in April 1943, and from there to Camp Blanding, Fla.

In October 1944 he was sent overseas as a replacement in the 14th Armored Infantry of the 1st Armored Division.

Sgt. Sloan married Miss Arvela Hargroves of Weinert October 4, 1944.

Mr. and Mrs. Sloan have another son in the Army, Pfc. Howard Sloan who is stationed at Fort Knox, Ky.

## F-O Virgil Reynolds Being Sent to El Paso Hospital

Flight Officer Virgil Reynolds of Haskell, ATC pilot who was critically injured when forced to bail out of his transport plane while flying "The Hump" in China in February of this year, is back in the States and is being moved to an Army hospital in El Paso.

His parents, Mr. and Mrs. R. J. Reynolds of Haskell, were advised that the young officer landed in New York May 11, and was to leave that city May 14 for El Paso. His parents and his wife and two children who are living in Austin, plan to visit Flight Officer Reynolds at the El Paso hospital.

## Headed For Tokyo, Haskell Soldier Writes Parents

The Haskell officer went overseas in October, 1944, and was based in the China-Burma-India theater of operations.

Following the accident in which he was injured, Flight Officer Reynolds was rescued by Chinese soldiers several days after the crash, and spent three months in a Chinese hospital before being evacuated to an ATC base hospital in Calcutta, India, where he stayed for a month before being returned to the States.

## Plenty of Poison For Grasshopper Control

There is plenty of bran and poison available to combat the grasshoppers in the county, according to F. W. Martin, County Agent.

The poisoning program will operate as it has in former years with the government furnishing the poison and one sack of bran and the farmer will have to furnish 100 pounds of suitable material to mix with the bran and poison, Martin explained. Cotton seed hulls make a good base to mix with the bran and poison, he added.

When there is a demand, a mixing station will be opened somewhere in Haskell, and there will be plenty of poison ready. It is usually better to poison when the hoppers are small and in one spot, as a little poison will go a long way at that time, the County Agent pointed out.

## Cub Scout Pack Meeting Set Monday

The Cub Scouts will hold a pack meeting Monday night, May 21 at 8:30 o'clock in the High School activity building. All parents of boys age 9 through 11 are urged to attend this meeting.

## Weinert B-17 Pilot Is Awarded the Air Medal

An Eighth Force Bomber Station, England.—Second Lieutenant Willie T. Johnson, 23, of Weinert, Texas, co-pilot of a B-17 Flying Fortress, has won the Air Medal for "meritorious achievement . . . coolness, courage and skill" during Eighth Air Force bombing attacks recently on German industrial targets and military strongpoints which stood in the path of Allied armies on the road to conquest of Germany.

The assaults, coordinated with the fighting of the Allied armies of invasion, were a part of the concentrated effort of the AAF to prosecute the war to a swift conclusion and bring the Nazi war-lords to their knees.

Lt. Johnson flew with the 34th Bomb. Group, a unit of the Third Air Division, the division which received a presidential citation for its now historic England-Africa shuttle bombing of Messerschmitt Plants at Regensburg, Germany. The group has completed more than 150 missions.

The lieutenant is the son of Mr. and Mrs. Willie L. Johnson, Weinert. His wife, Mrs. Vivian M. Johnson, lives in Fort Worth. A graduate of Weinert High School, class of 1941, Lt. Johnson was a student in Hardin-Simmons University, Abilene, before entering the AAF in February, 1943.

# THE 7<sup>TH</sup> WAR LOAN IS ON!

Yes, the Seventh War Loan is on right now!

There are new planes to be built... new tanks... new ships. All to bring the war to an earlier close.

Our fighting men will do their job. But we must do ours!

And right now, the most important job we have is to meet our personal quotas in the Seventh War Loan drive!

Those quotas are big. Uncle Sam needs \$7,000,000,000 from individuals. For this loan is really 2 in 1—there had been 2 drives in 1944, by this time. So now—we've

got to do a two-loan job in one.

But Americans have never failed to meet a War Bond quota yet—and we won't fail now! So find out what your quota is—and meet it!

Those having parts on the program were: Jean Bass, Nancy Lee Brown, Terry Bynum, Mary Sue Byrd, Barbara Campbell, Janis Crocker, Beverly Gilstrap, Sherry Kay Hammond, Janelle Hunt, Helen Kimbrough, Jessie Pearl Kreger, Wanda June Long, Dwana Matthews, Betty Lane Melton, Annette Merchant, Barbara Mullins, Irene Myers, Evelyn McNeil, Elaine Oneal, Paula Jo Ratliff, Jeanie Redwine, Carol Ann Sanders, Kay Francis Starr, Louise Scheets, Mary Linda Stockdale, Doris Strain, Phyllis Underwood, Frances Strickland and Barbara Ruth Oates.

After the program Mrs. Fred Stockdale discussed with the mothers plans for a summer camp for the Blue Birds. The Blue Birds were invited to spend a three day camping period at the camp at Lueders.

Each Blue Bird then served her own guests with punch and cookies. As the mothers left, each was presented with a rose by the hostesses.

Guests for the tea included Mrs. J. H. Strain, Mrs. J. D. Long, Annie Laurie Lusk, Mrs. Emmett Starr and Patricia, Mrs. L. M. Bass, Mrs. Millard Melton, Mrs. Horace Oneal and Horace Wayne, Mrs. Thurman Bynum, Mrs. T. M. Campbell, Mrs. W. P. Ratliff and Gloria, Mrs. Clay Kimbrough, Mrs. Roy A. Sanders and Kay, Mrs. C. C. Underwood, Mrs. Geo. Oates, Mrs. J. W. Mullins and Norma Dayle, Mrs. E. W. Welch, Mrs. Lorous Hunt, Mrs. Fred Stockdale, Mrs. T. J. Redwine, and Mrs. R. W. Merchant.

## Ethel Farmer Is Bride of Will Seelig

The marriage of Ethel Farmer to Will Seelig on May 2 in Anson has been announced in Haskell.

For the marriage Mrs. Seelig wore a blue suit, corsage of roses and red accessories. For something borrowed she had a necklace from her daughter.

Mr. and Mrs. Seelig will make their home on his farm in the Irby community.

MRS. MCKINNON

## Mickey Johnson Is Bride of Foy Lee McKinnon, M.M. 2-C

In a simple single ring ceremony solemnized in the Glide Memorial Church, Long Beach, Calif., Saturday evening April 21 at 7 o'clock Miss Mickey Johnson, daughter of Mr. and Mrs. Jack Johnson of Kansas City, Mo., became the bride of Foy Lee McKinnon, Machinist Mate Second Class, USN, son of Mrs. Fred Schlee of Dallas and Jim McKinnon of Munday. The Rev. Julian C. McPeeters officiated for the rites uniting the young couple.

The bride wore a suit of serge with brown accessories and a corsage of gardenias and Talisman roses. Her only attendant was Mrs. Louis B. Johnson, who wore brown and white, with a corsage of gardenias.

Best man was Louis B. Johnson, MM 3-C, and attendants at the wedding were the shipmates of Mate McKinnon.

The bride is a graduate of Bolivar High School, Kansas City, and for the past year has been employed at Douglas Aircraft in Long Beach, Calif.

The groom attended Haskell high school, and graduated from the Weiner high school in 1940, and has been in the Navy for 3 years, assigned to duty on one of the capital ships in the Pacific fleet.

Mrs. McKinnon will continue to make her home in Long Beach while her husband is in the service.

## Mullin-Prosser Wedding Rites Solemnized

In a quiet ceremony Saturday evening, Larry Prosser and Mrs. Bessie Mullins were united in marriage in the office of Dr. Scott W. Hickey, who performed the ceremony. The groom is an overseas veteran of fourteen months and is employed at the Avenger field, Sweetwater, as a test pilot. The bride is the daughter of Mr. and Mrs. Frank Patterson and was reared in Haskell.

The newlyweds plan to make their home here, where Mr. Prosser expects to enter the garage business, in which he was employed here before having entered the army.

## Mrs. C. A. Thomas Is Hostess For H-D Club Meeting

The Josslet H. D. Club met at the club house on May 8th at 2:30 o'clock with Mrs. C. A. Thomas as hostess.

The president presided for the meeting, and Mrs. S. G. Perrin gave the marketing report. Several recipes were given by Mrs. T. W. Perrin. Our agent, Miss Newman, was unable to be with us, but had a lawn chair on display, and plans outlined how to make one.

A Mother's Day program was directed by Mrs. Bass. "Mother's Love" was given by Mary Grindstaff, "God Bless My Mother" by Mrs. Jim Perrin.

Songs were "We'll Never Grow Old," "Shake Hands With Mother Again" were rendered by the group.

We also had one new member to join our club, Mrs. Eva A. Merritt.

A refreshment plate of ice cream and angel food cake was served to the following members: Mrs. Cliff Dunnam, Mrs. Jesse Josslet, Mrs. S. G. Perrin, Mrs. I. S. Grindstaff, Mrs. Larry Bass, Mrs. T. W. Perrin, Miss Mary Grindstaff, Mrs. Roy Lee Mills, Mrs. Jim Perrin, Mrs. Eva A. Merritt, Mrs. C. A. Thomas.

## New Officers of Harmony Club Installed

Members of the Harmony Club held the last meeting of the year, a Bluebonnet Luncheon, in the Home Economics Cottage on Tuesday evening of last week at 8:30.

The attractiveness of the rooms was enhanced by beautiful Spring flowers. On the living room table a tall vase of brilliant red poppies was displayed, while each of the four tables where members were seated, was centered respectively with a bowl of bluebonnets, roses delphinium and petunias.

Mrs. E. M. Whiteker offered thanks then the members served themselves cafeteria style from the table where the covered dishes were displayed.

Returning to the living room, the program was opened by repeating the Federation Collect in unison, then everyone joined in singing God Bless America.

Mrs. C. L. Lewis read the last chapter of Ernie Pyle's book, Brave Men.

A short business session followed with the president, Mrs. O. E. Patterson presiding. Reports of the year's work were given by officers and standing committee chairmen.

Mrs. Patterson, as retiring president, gave a short resume of the things accomplished during the year, mentioning the War Bonds purchased, aid to the Red Cross, and the outstanding programs. A rising vote of thanks was given Mrs. Patterson for her efficient leadership.

Mrs. W. A. Kimbrough, in a most efficient manner, installed the following officers for the coming year:

Mrs. T. R. Odell, president; Mrs. T. C. Cahill, first vice president; Mrs. Mullins, second vice president; Mrs. C. A. Williams, recording secretary; Mrs. Vannie Lee Whitley, corresponding secretary; Miss Anderson, treasurer; Mrs. Mary House Martin as choral director and Mrs. O. E. Patterson as accompanist.

Mrs. Odell responded, outlining to some extent her plans for the year, and expressing the hope for the full cooperation of the membership. She also made the following appointments:

Mrs. Calvin Henson, parliamentarian; Mrs. C. L. Lewis, historian; Mrs. Tommye Hawkins, reporter; Mrs. Vannie Lee Whitley, yearbook chairman; Mrs. Virgil Meadors, entertainment; Mrs. T. C. Cahill, finance.

Program for the evening closed with the song, Texas, Our Texas. Other members present other than mentioned above, were: Mrs. Mary House Martin, Mrs. Louise Merchant, Mrs. R. L. Harrison, Mrs. Floyd Cook, Mrs. Brock, Misses Dorothy Williams, Clausell, Loyd and Martha Meadors.

## Baylor-Harrison Wedding May 2 Announced

Miss Margaret Baylor of Richmond, Va., was married to Sgt. Robert F. Harrison of AAF Base Unit, Cochran Field, Macon, Ga., on the evening of May 2nd at 8:30 o'clock in the First Methodist Church of Macon, with Dr. Silas Johnson officiating for the beautiful candlelight ceremony.

Mr. Baylor gave his daughter in marriage. Mrs. Harrison wore the traditional white wedding gown with cap and veil and carried a white prayer book with a white gardenia. She wore a cameo necklace, an heirloom of the Baylor family. Only immediate friends of the

## New Officers of North Ward PTA Installed

On Thursday night May 10, the North Ward Parent-Teachers Association held the final meeting of the 1944-45 school year. The meeting, which was held in the high school gymnasium, was called to order by the president, Mrs. Alton Middleton, who welcomed members and guests.

The pupils of the two first grades under the direction of Mrs. Robert Fitzgald and Mrs. Furrh presented an inspiring patriotic program.

The program was followed by the installation of the new officers. Mrs. T. R. Odell, representative on the State Board of the Parent-Teachers Association was in charge of the installation. In a ceremony in which each incoming officer was impressed by her duties and responsibilities the following were introduced:

Mrs. Roy A. Sanders, president; Mrs. R. L. Burton, vice president; Mrs. Bob Crocker, secretary; Mrs. C. A. Williams, treasurer.

Mrs. Sanders named as additional co-workers Mrs. R. L. Burton, program chairman; Mrs. Thurman Bynum, membership chairman; Mrs. W. H. Pitman, finance chairman; Mrs. R. W. Herren, hospitality chairman; Mrs. James A. Byrd, historian; Mrs. Bill Woodson, parliamentarian.

Mrs. Odell closed the installation ceremony with the reading of the P. T. A. prayer.

Following the installation of the new officers, members of the P. T. A. and their guests enjoyed a picnic. Arrangements for the social hour were under the direction of Mrs. R. W. Herren.

## Monthly Meeting of TEL Sunday School Class

The T. E. L. Class members met in the church annex on Tuesday afternoon of last week at 3:00 o'clock for the monthly social and business session. Two hymns were sung, with Mrs. R. J. Reynolds at the piano and Mrs. R. Y. Mobley leading. Mrs. Arthur Merchant led in prayer of thankfulness for victories won in the Allied cause.

Mrs. Reynolds brought the devotional, using a number of scripture selections from Psalms, on the line of Praise and Thanksgiving. The teacher, Mrs. B. M. Whiteker, reviewed the book Papa Was A Preacher, by Allyne Porter. Everyone seemed to enjoy this sincere, yet humorous book concerning the life of Papa, Mother and eight lively youngsters, in an American paragon. A chain prayer of thanks was offered for blessings given and a plea for victory in the Pacific area of war.

During the short business session held, reports were given by officers and group captains. Although the attendance was fair during the month, we hope to have an average of thirty or more each Sunday during May. Mrs. Bledsoe's group served refreshments to the following: Mesdames George Herren, R. J. Paxton, Arthur Merchant, Jack Merchant, R. C. Couch, John Couch, J. B. Bailey, Emma Yantis, J. W. Martin, R. J. Reynolds, B. M. Whiteker, R. P. Glenn, C. W. Bledsoe, Leon Gilliam, S. A. Roberts, J. E. Walling Sr., R. Y. Mobley, Dillbeck and J. A. Bailey.

Wonder if they call marriage an institution because you have to be easy to enter?

**Hints Given for Best Results in Canning Pineapple**

With the high cost of fruits and the scarcity of sugar, it is particularly important that care be taken in the canning of pineapple. Most homemakers have the equipment necessary for making a water bath canner, which is more reliable than the old-fashioned open kettle method which allows a higher spoilage rate.

The following hints might serve as reminders of the best procedure for canning pineapple.

Choose ripe fruit which is orange colored with spines or leaves which pull out easily. Use plain tin cans rather than glass jars or enamel lined cans to obtain a better color and flavor. Make the syrup to be used before cutting the pineapple. Dissolve 1-2 cup sugar to 1 cup of hot water for each quart of fruit. For ease of preparation scrub fruit with a stiff brush, cut off stem and twist out top, lay pineapple on side and cut into 1-2 inch slices. Peel each slice and drop into syrup at once to prevent discoloration and loss of Vitamin C. When all the pineapple is prepared, pack cans or jars full of the fruit, bring syrup to a boil and pour it over the fruit to within one inch of the top of the container.

To steam, place the uncovered containers in a water bath with the warm water up to the neck of the jar or within 1-2 inch of the rim of the can. Cover the water bath kettle. Steam pint cans and jars for 5 minutes and quarts for 10 minutes after the water has formed a good steam. A slow even boil is better than a vigorous boil because water should not bubble into the containers.

At the end of the steaming time remove one container at a time, press the fruit down so that juice will cover the pieces, work out air bubbles and seal immediately. Return to the water bath and cover with boiling water, one to two inches above the top of the container. Process pint containers 15 minutes and quarts 20 minutes after the water begins to boil. Remove from water bath, cans should be cooled in cold water, and the lids on all jars, except self sea jars, should be tightened and cooled as quickly as possible without being placed in a draft. Store in a cool, dark place. Light will cause it to darken and a warm place of storage will lower the quality of the product.

**OUR FLAG** flies once again over Corregidor. The cost was great in blood and pain, but our fighting men did not turn back. And on Iwo Jima, four thousand men—more and more—died to take the long step forward to Victory. Twenty thousand others suffered wounds. Yes, we're on the way to Tokyo!

At home, your contribution to Victory is measured in dollars.

The Seventh War Loan is the biggest in America's history because seven billion dollars must be raised from individuals alone. That means you must buy more and bigger War Bonds.

This is really two great loans in one; for this time last year you had been called upon twice to subscribe in War Loans. As our fighting men raise Old Glory all over the world—let's raise the money back home!

## TURNING WASTE PAPER INTO "SUITS OF ARMOR"

Residents of Haskell county can apply enough waste paper for 9,683 "suits of armor" for 105 mm. shells, if they will buckle down and save an average of 10 pounds of newspapers, wrapping paper and boxes a month. The 96's are the big ones that have been helping the American forces in their advance toward Tokyo.

Last year American saved 106 -2 pounds of paper per capita, enough for about 35 containers each for the 105 mm. shells.

For each ammunition container or "paper suit of armor" used to protect the shells from salt water, nicks and corrosive dirt, approximately three pounds of waste paper are required, according to W. J. Wardell, vice president of the American Can Company, which is manufacturing millions of the containers. Ammunition container board, one of the principal materials used in making the "suits of armor" is made from mixed paper and old corrugated boxes, Mr. Wardell said.

Another material used is called tube and can stock, which is made from all types of waste paper.

## THE PUBLIC UNDERSTANDS

A transcontinental train recently pulled into a Pacific coast city twelve hours late. Passengers missed connections to many points. The last half-day on the train they had little or nothing to eat as the dining car ran out of food.

You would have thought caustic remarks about railroad service would have flown thick and fast. But a traveler on that train said: "Not one word of criticism did I hear. For 2,000 miles we had been passing endless freight trains and troop trains. The travelers all seemed to realize that their affairs were secondary and that the railroads were doing a Herculean job, in keeping that volume of war traffic moving on schedule, and at the same time meeting the needs of civilians."

The failure to complain about the railroads was a demonstration of public understanding and appreciation of the unprecedented difficulties the railroads are overcoming as they carry both the war and domestic traffic of the nation. American industries and American citizens meet emergencies when put to the test.

## 50 Years Ago—May 18, 1895

Killing frosts occurred last Sunday morning in Nebraska, Iowa, New York, Michigan and some other states. Early vegetables and the fruit crop were badly damaged.

C. M. Brown got one of his shoulders badly hurt the other day when his horse fell with him while he was running some cattle.

Ed Robertson left this week for Dallas, where he will take a course in telegraphy.

We are informed that the Fuston murder case has been transferred from the district court in Stonewall county to the district court of this county and that it will probably come to trial at the term the latter part of this month.

Chas. Gillespie and family of Knox county have moved to Haskell and are occupying the Carlisle residence.

Mr. and Mrs. W. C. Jones and daughter Ethel left Wednesday for a visit with relatives in Hood county.

The following gentlemen, as far as we have been able to learn, are the Haskell delegation to the Confederate reunion in Houston: Capt. W. W. Fields, B. F. McCollum, F. E. Morgan, Witt Springer, Jim Fields, C. W. Lucas, J. S. Post, J. M. Perry and J. E. Maxwell.

There was a light shower of rain Friday morning, and as we go to press Friday evening there is prospect for more.

F. G. Alexander & Co. have enlarged their upstairs clothing and hat department, making quite an improvement in the display.

### THE DEFEAT OF THE SOUTHERN KINGDOM

**LESSON TEXT**—Jeremiah 18:1-10, 15a, 17a.  
**GOLDEN TEXT**—Come, and let us return unto the Lord.—Hosea 6:1.

History repeats itself. Men never seem to learn from the experiences of others, whether they be personal or national. Judah, the southern part of the divided kingdom, saw the downward path of Israel and its ultimate captivity. The same process went on in Judah, although hindered now and then by good kings who brought about a partial return to God.

Ultimately the day came when Jerusalem was destroyed by Nebuchadnezzar's troops and the people carried off to their long years of captivity in Babylon.

Jeremiah ministered as God's prophet during Judah's declining years, bringing them God's word of judgment for their sins and urging them to submit. His voice was unheeded and for his faithfulness he received only their hatred and persecution. God gave him the strength and grace to be true in a very difficult mission.

Our lesson for today tells how God in a graphic object lesson taught the prophet and the people that they were in the hands of a sympathetic but at the same time a sovereign God.

## I. The Potter, and His Work (vv. 1-4)

The maker of pottery took the lump of clay, placed it on his wheel, and with his hand formed it into the kind of vessel he wanted. If it became misshapen or showed a defect, he could moisten and remold the clay into another vessel as it suited him. The clay was in his hand to meet his purpose and his will.

Dr. G. Campbell Morgan fittingly suggests that there are three things to be borne in mind here: a principle, a purpose, and a person. And as we apply the truth to ourselves as God's children, we spell the Person of the Potter with a capital "P," for He is none other than God Himself.

The principle is that God is absolutely sovereign, that He does as He wills for His own glory. Until we recognize that principle, "life will be a failure. If, however, I have discovered this principle alone, then my soul will be filled with terror. I must also see the purpose."

The purpose is the working out of His will for each of us. He knows us, and He has a plan for our lives, and is able to make that plan come to pass if we permit Him to do so.

But, as Dr. Morgan says, "if I know principle and purpose only, I shall yet tremble and wonder, and be filled with a haunting foreboding." But as "I press through the principle and beyond the purpose and discover the Person of the Potter, then the purpose will flame with light, and the principle that appears so hard and severe will become the sweetest and tenderest thing in my life."

God spoke to Jeremiah through the scene in the potter's house, and He also wants to talk to our hearts.

## II. God and Judah (vv. 5-10, 15a, 17a)

The lesson is plain. God had for His people a high and glorious purpose. He wanted to bless them and use them for His glory. But they were a sinful and rebellious people, stiff-necked and stubborn in their unbelief, and the vessel of honor which God was trying to form was marred in His hand.

God did not act in anger or in disregard of their rights. He was forced to bring judgment upon them because of their own sin. That sin is stated in verse 15—they had forgotten God.

One trembles as he applies that test of God's requirement for blessing upon a nation to our own land. There is a haunting fear that while

there are some who truly worship God, and a larger number who profess to worship Him, a great host of the people of America have forgotten God.

Does our nation remember Him and seek His counsel and blessing in its national affairs? Do we inquire after the ways of righteousness? Are we eager for spiritual revival and increasing grace even within the church?

Judah was to be scattered "as with an east wind"—and who does not know that it came to pass. Where are they today?

But even in the midst of judgment the Lord speaks of mercy. The Lord who will "pluck up, break down and destroy" (v. 7) the people who forget Him, is eager and ready "to build and to plant" the nation when it turns to Him.

The sure promise of God's future blessing upon a repentant Israel and Judah is written large in the messages of all the prophets.

The same God, eternally sovereign in His purpose, is our heavenly Father. The man or woman whose vessel of life has been marred by sin and failure need only yield anew to the Potter's blessed hand.

# HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

**20 Years Ago—May 15, 1925**  
Thousands of dollars damage was done in Jones county last Sunday when five inches of rain fell within a short time. The section around the little town of Smith was hardest hit by the flood. During the rainstorm last Saturday the home of Felix Frierson in the Midway community was struck by lightning, but fortunately very little damage was caused to the building.

Elmer Irwin and Oscar Myres of this city have purchased the English Meat Market recently installed in Collier's Grocery on the east side of the square.

The new bakery being put in by Oscar Harcrow on the south side of the square is nearly complete, and he expects to open for business within a week or ten days.

Ernest Potteet of this city has been elected superintendent of the Mexia public schools.

**AROUND THE WORLD A THOUSAND TIMES**

Shortly after the first of this year, Burlington's fleet of fourteen diesel-powered, stainless steel Zephyrs attained an unprecedented total in train miles of service—25,000,000!

The Texas Zephyrs, linking Texas with Colorado since August, 1940, have contributed nearly 3,000,000 miles to this amazing total.

In rolling up the equivalent of a thousand times around the world, the Zephyrs have proved many things. Their tremendous patronage has shown the public's enthusiastic endorsement of speedy, luxurious, streamlined trains. Their almost unbelievable record of availability and "on-time" performance, in the face of high speed schedules has established the might of diesel power. Their beauty and stamina are a tribute to the design and structural strength of these fast trains. (The Pioneer Zephyr, first of the Zephyr fleet and America's first diesel-powered streamline train, has nearly 2,000,000 miles to its credit and has already started on its second ten years of service.)

Yes, America has given the nod of approval to the Zephyrs and the kind of trains they typify. So there will be more of them in the days ahead. They will be even more efficient, even more luxurious. For improvement is the mandate of progress.

### Roosevelt's Appeal for 7th War Loan

WASHINGTON, D. C.—Before his death President Franklin D. Roosevelt issued a statement in support of the 7th War Loan for 14 billions of dollars in which he reminds the Nation it is still locked in a deadly struggle with its enemies.

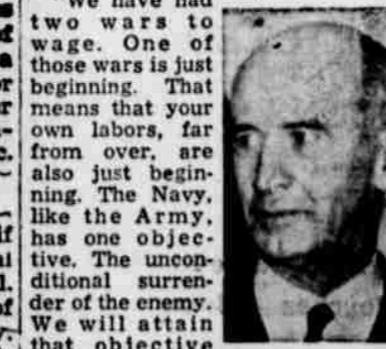

"I don't need to tell you that we are still locked in a deadly struggle with our enemies—the enemies of our way of life—and the war is still the chief job of each one of us. The greatest production of which we are capable, faithful adherence to regulations that make it possible to supply our boys in battle with everything they need and buying and holding War Bonds—these are things we at home must do to speed victory."  
"In the past three years more than 85 millions of Americans have invested billions of dollars in bonds. Never before have so many people held such a direct share in a great national effort. To save—to buy and to hold all we can for war bonds—this is a small service to ask of us who do not fight—yet it is one of the biggest things we can do for our fighting men."

### Marshall, King Pledge Victory to 'Bond Front'

WASHINGTON, D. C.—The Army has overcome what in the past would have seemed to have been insurmountable obstacles and the Navy has promised unconditional surrender. Chief of Staff General George C. Marshall and Fleet Admiral Ernest J. King said today, in commenting on the Mighty Seventh War Loan.

**MARSHALL**, Army have overcome what in the past would have seemed to have been insurmountable obstacles. So have you. That is where the enemy miscalculated—for to Americans, nothing has ever been impossible. Yours is a hard task—a heavy responsibility. But we of the Army have confidence that you will again achieve the impossible."

**KING**, People who have demonstrated their patriotism and their willingness to undertake the most gigantic financial task ever undertaken by a free people."

### Liberty H-D Club Meets With Mrs. Hisev

Mrs. Hisev was hostess for the regular meeting of the Liberty Club on Monday May 7th. Upon the arrival of members until the noon hour songs were enjoyed. Lunch was served buffet style. The house was called to order by our chairman, and the following reports were given: By Mrs. Wisdom, Council; Mrs. Gordon, Finance; and Mrs. Collins, Marketing. We have changed our meeting days to the second and fourth Fridays of each month. Recreation period was devoted to a brief Mother's Day program directed by Mrs. Davis and Mrs. Freedy. A very beautiful bouquet of flowers was presented Grandmother Henshaw, mother of a member, for the oldest mother.

Miss Newman tested several cookers. She also gave demonstrations on making lawn chairs. Our club was lucky again, having obtained two new members, Mrs. Ralph Ketron and Mrs. Pope Livengood. One visitor was present, Mrs. Katherine Oliphant. Others present were Mesdames J. A. Landess, R. G. Freedy, C. C. Rose, J. R. Davis, D. L. Speer, Joe Ragsdale, Ed Marr, O. P. Collins, W. J. Kendrick, J. S. Wisdom, J. W. Henshaw, C. L. Gordon, Miss Newman and the hostess. The club adjourned to meet with Mrs. Rose on May 25.

**Roy M. Green Tells a Farm Story**

By President Roy M. Green  
 Colorado A & M College  
 Fort Collins, Colorado

Big crops and good prices left a wheat farmer not long ago with \$30,000 cash in the bank. Said he, "If I don't invest this in inflated land values, what can I do with it to earn anything?" I said to him, "Did you ever think of using part of it to insure yourself a steadier farm income after the war? For \$150 a month, or \$1,800 a year in War Bonds, you can begin to collect ten years after the war \$200 a month. As you will be getting older by that time, wouldn't that be a better supplement to what income the farm then produces than having to turn again to the cream can and what your wife can make out of chickens? Wouldn't it be a nice retirement fund for a fellow that is now 55 years old? Wouldn't you like to have had \$200 a month cash coming in last time?" In addition, if you can put in War Bonds a lump-sum as reserve for operations in bad years, for deferred purchases of equipment, for repairs, for up-keep, for new household equipment; and then whatever the postwar adjustment, you would have an easier time of it than you had last time. You wouldn't have to wait on somebody's extra special plan; you would have already completed one of your own. If you are proud of the independence of your occupation, and jealous of preserving as much of it as possible, don't ornate and speculate—order WAR BONDS!

**Farmers Plan Greater Buys in War Bonds**

In spite of an "off" season so far as income is concerned, farm War Bond leaders are now making preparations for selling more bonds to farmers during the Seventh War Loan than in any previous drive, according to M. L. Predmore, Chief of the Agricultural Section, War Finance Division, Treasury Department. With the help of country bankers they're out to convince the men who till the soil that they should convert their expanded bank accounts into bonds. "Farmers, like all Americans, have been building up bank deposits and currency holdings ever since the war started," Predmore said. "On January 1, 1920, agriculture held currency and bank deposits totaling slightly over 4 billion dollars. The 1945 figure is not available, but it is expected to be in excess of 10 billion." With larger operations and increased costs farmers must have more operating capital than in 1940, but they don't need 10 billion, in Predmore's opinion. He believes farmers can and will put a substantial portion of these cash reserves into War Bonds. When they go out to sell War Bonds to farmers in the Seventh War Finance Committees throughout the nation will stress personal solicitation. A survey made following the Sixth War Loan showed that 57 percent of the farmers who were personally solicited bought bonds.

**HOW MUCH TO MOVE A WAR?**

As soon as we can, we'll bring to bear on the Japs all the additional might we've been using against Germany.

What will it cost, this Moving Day of War? Estimate it in these terms: The job of moving millions of men from one front to another. Thousands of ships to carry the supplies of battle. Swarms of new-type aircraft to blast the path into enemy territory.

You can get an idea of the cost from the fact that Uncle Sam needs 7 billions from us in the mighty Seventh War Loan—now!

The Seventh War Loan will call for the greatest bond-buying we have ever done.

If you have an income—whether by work, land, or capital—you have a quota in the 7th War Loan. Be sure to make

**FIND YOUR QUOTA—AND MAKE IT!**
