Many lives were saved by prompt action and available supplies in the field.

Miracle of Today

Simply, in a voice devoid of emotion, William Furber, San Diego, Calif., describes a miracle of the 20th century. He had been blind for 39 years.

TO THE PEOPLE OF THE ELEVENTH SUPREME JUDICIAL DISTRICT OF TEXAS:

In these times when there is so much sorrow and sadness in your hearts I hesitate to ask for your consideration as a candidate for Associate Justice of the Court of Civil Appeals but under our system of government you have the right to select your officers. This office which I seek is an important one. It has to do with the proper administration of the laws of the land. I was born on Paluxy Creek in Hood County, Texas, October 23, 1893. While teaching school and working on the farms and ranches of Shackelford county, I studied law at night and in the law offices and passed the Bar examination in 1916. The people of Shackelford County elected me without opposition as their County Attorney of the 42nd Judicial District, composed of Calahan, Shackelford and Taylor Counties, going from that office, by appointment to District Judge of that District which position I now hold and have held continuously for the past seventeen years. In my law practice and during the time I have been District Judge I have tried many important law suits and I feel that my long experience as a lawyer and trial judge qualifies me for a place on the Court of Civil Appeals. To you who do not know me, I refer you to any practicing lawyer in the 42nd Judicial District and in the neighboring Counties where I have held Court and to

Gabreski Tops Aces

Lieut. Col. Francis Gabreski secured his 28th German plane when he shot down a Messerschmitt 109 over France, placing him as the top scoring ace in the U. S. air force. He is 25 and a former Notre Dame pre-med student from Oil City, Pa. His fighter group has a record of 507, having added 17 on fight in which Colonel Gabreski secured his 28th German plane.

'Flak' Is Now Happy

'Flak', a black cocker spaniel, is pictured in his Denver home with his new mistress, Mrs. Jesse Bell, after his plane trip from England, which was authorized by General Arnold, chief of the air forces. Flak was the pet of Mrs. Bell's son, Sgt. Robert K. Bell, 21, who was killed when his bomber crashed in England.

Members of the state farm labor advisory committee and their alternates were elected at a series of district meetings held over the state in June. They were elected by chairmen of county farm labor advisory committees.

LABOR COMMITTEE TO MEET

COLLEGE STATION — A state Farm Labor Advisory Committee composed of farmers, recently set up to aid the A. and M. College Extension Service in determining policies affecting the farm labor program in Texas, will meet here July 17 and 18. Acting Director J. D. Prewitt says the committee will advise with him and with another state labor committee composed of agency representatives which has been in existence for nearly two years. The agency committee members serve as technical advisers. Both groups will be asked to review the entire farm labor picture in the state at the July meeting, Prewitt says, and a representative from the Army's

Alternates are Sam Wohlford of Stratford; J. L. Childs of O'Donnell; W. S. Grimsley of Weinert; Guy Bullock of Garland; L. M. Borden of Mt Pleasant; Hal Burnett of Imperial; C. M. Caraway of De Leon; J. E. Montgomery of Crockett; George A. Greenwell of Woodlake; Grover Impson of Beeville; Julius McDonald of Navasota, and G. W. Rauch of Robstown.

TO THE VOTERS OF PRECT. NO. 1—

With the approach of the first primary, I wish to take this opportunity to solicit your consideration of my candidacy for re-election as Constable, and at the same time to express my appreciation for your past support and cooperation while I have been in office.

I sincerely appreciate the confidence you have expressed in electing me in the past and have endeavored at all times to conduct the affairs of my office in such a manner as to merit your trust.

Your continued support is solicited on the basis of my record in office, together with the pledge that I shall at all times endeavor to discharge my duties in a conscientious and dependable manner if you see fit to re-elect me in the coming primary.

### Youngsters Learn Railroad

Sixteen and seventeen-year-old boys are being used to augment the railroads' depleted operating force. A speed-up system that teaches in a brief period of 19 days all that a youngster needs to know to become a useful switchman, fireman, brakeman or flagman, is proving effective. Half of day is spent in school, half in actual work.

#### BLACK MARKETEERS SENT TO JAIL

In the first five months of 1944, the Office of Price Administration Enforcement Program against the gasoline black market rent 28 car owners to jail, convicted 159 car owners of buying gasoline with counterfeit or stolen coupons or without coupons, took away rations from 775 car owners, suspended gasoline selling rights of 1,538 filling stations, put 156 filling stations out of business and gave jail sentences to 238 counterfeiters, peddlers and gasoline dealers.

#### FORMER FARMER SAVES THE DAY

A former Illinois farmer, a Sergeant, solved a transportation problem for his Marine buddies on Saipan, the Navy Department reports. It was impossible to haul much-needed ammunition up the rugged, steep hills by trucks and carry the wounded back. As the Sergeant suggested, a detail of Marines, who as civilians had handled livestock, were sent out to catch stray oxen. Within two hours they had a regular service into the hills using hand-made native two-wheel carts drawn by the oxen. "The only trouble so far has been the oxen don't understand our language," the Sergeant said. "I'll bet they only understand those pesky Nips."

#### FREE MATERNITY AND INFANT CARE

Service men's wives eligible for emergency maternity care are urged to apply at the beginning of pregnancy so that their health and that of the child can be better safeguarded, Katherine F. Lenroot, Chief of the Children's Bureau, Department of Labor, says. Medical, nursing and hospital care for the service man's wife are provided during pregnancy, childbirth, and for six months after child-birth, and for the infant throughout its first year, all without cost to the service man or his family. Application blanks for this care may be obtained from a physician, the local Red Cross or local Health Department.

**FOR VETS—16,000 HOSPITAL BEDS**  
Sixteen thousand additional veterans' hospital beds in buildings to be constructed in 20 states have been recommended by the Administrator of Veterans' Affairs. Under this largest building program ever requested by the Veterans' Administration, the new beds would be located in hospitals in New Hampshire, Rhode Island, Delaware, Virginia, Florida, Michigan, Kentucky, Louisiana, Mississippi or Alabama; Kansas or Missouri; Montana or North Dakota, Colorado, California, Texas, Washington, New York, Georgia, Ohio, Pennsylvania and Illinois. Additional of these beds would bring the total of 121,000 available to veterans.

#### THREE OUT OF FOUR WILL CAN

Three out of four women expect to can fruit and vegetables at home this season, according to a nation-wide survey reported by the Office of War Information. Canned peas, tomatoes and asparagus were restored to rationing by OPA after supplies on hand had sold rapidly, making room for the new pack. Civilian supplies of peas, tomatoes and asparagus are expected to be 20 per cent smaller during the current pack year than during the pack year ended July 1. To help pack the current fruit and vegetable crop, 700,000 full-time or 1,400,000 part-time workers must be recruited, the War Relocation Commission says. Because of the dependency of overseas service men on canned fruits and vegetables it is imperative that these foods be made available to them.

#### SOME PRICES UP, SOME DOWN

Cabbage, dry onions and sweet cherries for table use will be up slightly in retail price, while potatoes and all melons except watermelons will be somewhat lower at retail as a result of recent Office of Price Administration actions.

#### SAVE TRAVEL BY CANCELLING MEET

To release transportation facilities for essential war needs, 70 organizations business, labor, religious, social, etc., have cancelled their respective conventions, and 30 organizations have drastically cut down attendance at their conventions, the Office of Defense Transportation announces.

#### FERTILIZER RESTRICTIONS EASED

Farmers may fertilize their general crops with as many pounds of fertilizer as recommended by the "Appropriate State Experiment Station" or at the rate customarily used in the area. Which ever is greater, the War Food Administration says. WFA has eliminated restrictions on acquisition and use of organic nitrogenous fertilizer materials such as tankage, fish scrap, bone meal, processed manure, peat and humus. Restrictions remain on edible oilseed meals.

#### ROUND-UP

Under new OPA instructions, the amount and type of gasoline rations issued to individuals after June 30 are now available to the public or newspapers upon inquiry to local Rationing Boards.

OPA has removed new inner tubes from rationing, thus helping conserve tires, inasmuch as good tubes properly inflated prolong tire life. Producers, carriers and handlers of farm products have been authorized and urged to form committees to assist Office of Defense Transportation District Managers in putting to full use all motor trucks available for transporting farm products, ODT says.

#### Accepts Position With State Welfare Office

Miss Genetha Wheatley of this city has been appointed to the position of Stenographer with the State Department Welfare in Haskell county. Miss Wheatley took the Merit System Council examination for this position on May 6, 1944, and was elected from the Merit System Council for stenographers.

Mrs. Robert E. Bell of Boston, Mass. arrived here this week to spend the summer with her parents, Mr. and Mrs. B. Kennedy, and sister, Jan.

#### Nazis Leave Markers

The Germans retreated so fast in many sections of France that they only did leave a vast store of equipment, but the markers showing mines were left intact. The Allied troops found some of them duds.

#### SWAP HELP ACROSS BORDER

Farmers are used to swapping help, but this summer two countries, the United States and Canada, will swap grain harvest help back and forth across the border, the U. S. Department of Agriculture announces. Border crossing formalities suspended, Canadian threshing outfits will help harvest the western great plains crops until September 15, and American machines and crews later will reciprocate in the Canadian prairie provinces until December 15.

OPA has removed new inner tubes from rationing, thus helping conserve tires, inasmuch as good tubes properly inflated prolong tire life. Producers, carriers and handlers of farm products have been authorized and urged to form committees to assist Office of Defense Transportation District Managers in putting to full use all motor trucks available for transporting farm products, ODT says.

Frances Chapman is Bride of Ensign Joseph Thomson

Miss Frances Anita Chapman, daughter of Mr. and Mrs. Hallie Chapman, became the bride of Ensign Joseph Edward Thomson, son of Mr. and Mrs. Joseph E. Thomson, 1002 Park Ave., Duncan, Oklahoma at a simple but impressive ceremony Sunday afternoon July 2.

The wedding took place at the home of the bridegroom's parents, with Rev. William A. Carleton, pastor of the First Baptist Church officiating at the double ring ceremony. The vows were exchanged before an improvised altar of pink gladioli and fern. The bride, who was given in marriage by her father, wore an aqua crepe dress with white accessories. Her bouquet which she carried on her right arm was made of white iris and tied with showers of bridal ribbon. For the "something borrowed" she carried a prayer book from Miss Jane Richey. For the "something old" she wore an antique lapel watch given to her by her great grandmother.

A soft pink crepe was chosen by the maid of honor, Miss Mildred Chapman, sister of the bride. The dress features a round neck of ruffles and a gathered skirt. She wore navy and white accessories and her corsage was of pink carnations.

Mr. Edward Thomson, father of the bridegroom, served as best man.

Following the wedding Mr. and Mrs. Thomson were hosts to the bride party at a delightful supper. The guests included the bride and groom and Mr. and Mrs. Chapman and their daughter, Mildred, Miss Loda Tolley and Miss Sybil King and Mr. and Mrs. Thomson, Billy Charles and Ronald of Duncan, Oklahoma.

Mrs. Thomson has always made her home in Haskell. She is a graduate of Haskell High School, where she took active parts in all school activities. She attended Draughts Business college in Lubbock and until recently was employed by the Farmers and Merchants Bank.

Ensign Joe E. Thomson is a former resident of Haskell, having completed his high school year here in 1940, was employed in the Haskell National Bank and after moving to Houston was employed in the City National Bank there before entering the Naval Air Corps in Jan. 1942 and recently received his commission at the Corpus Christi Naval Air Base.

Mrs. Thomson has now joined Ensign Thomson in Corpus Christi.

**Methodist Youth Fellowship**

The Methodist Youth Fellowship met July 9th at 7:30 in the Menefee Bible Class room. An interesting program on "Being True to the Highest We Know" was presented by Joyce Crow.

Those attending the meeting were: Ora Faye Crow, Janet Turner, Joyce Crow, Genelle Bailey, Nancy Ratliff, Dalton Kirby, Wallace Cox, Kenneth Tooley and Mr. and Mrs. O. W. Toley.

Mrs. R. E. Sherrill and sons, Donald and Richard Jr., are visiting in the homes of Dr. and Mrs. L. F. Taylor and Mrs. R. E. Sherrill. Mrs. Sherrill is a daughter of Dr. and Mrs. Taylor and a daughter-in-law of Mrs. Sherrill. Mrs. Sherrill and family live in Pittsburg, Penn.

Billy Ray Lusk, son of Mr. and Mrs. Raymond Lusk of this city, is spending the week in Fort Worth.

**Jewell Holt is Bride of Roy Pitman in Sunday Ceremony**

A wedding of much interest to a wide circle of friends, was that of Jewell Holt, daughter of Mr. and Mrs. J. C. Holt and Roy Pitman, son of Mr. and Mrs. R. F. Pitman, all of Haskell.

The marriage of this popular young couple was solemnized at 3 p. m., July 9th at the home of the bride's uncle and aunt, Mr. and Mrs. W. A. Holt of this city. Rev. Kenneth Copeland of the First Methodist Church read the beautiful single ring ceremony.

The beauty of the candle-lighted home was further enhanced by the profuse decorations of cut flowers and baskets of pastel gladioli.

The bride, who was unattended, was gowned in a street-length dress of white jersey, worn with black patent accessories and a corsage of pink carnations.

She was a 1944 graduate of Rule High School where she was a member of the pep squad and was chosen Queen in her freshman and senior years. Also had a leading part in the senior play.

The groom graduated from Haskell High School in 1941, entered T.C.U. in September, was drafted for army service and after four months of training, received a medical discharge.

Invited guests were the parents, grandparents, and other relatives of the bride and groom and Mrs. J. E. Sadler, Mrs. Copeland, Patsy and Sue.

**Maureen McBeth Bride of Lt. W. T. Johnson in Lubbock Wednesday**

Wednesday evening at 10:30 Maureen McBeth became bride of Lt. W. T. Johnson an impressive ring ceremony at the home of Rev. Algie H. Carleton, pastor of St. John's Methodist church in Lubbock.

Miss June O'Neal of Lubbock, maid of honor and Lt. Wayne L. Johnston, a close friend of the couple, was best man.

The bride attended Hardin-Simmons university and North Texas State Teachers College in Denton for three years.

Before entering the armed forces, Lieutenant Johnson was an outstanding student at Hardin-Simmons university. He was an active member of the football team for three years.

Lieutenant Johnson received his appointment in a ceremony at the Lubbock Army Air Field Tuesday morning.

Their marriage culminated a romance that began in high school and continued through college and by air mail since his induction into the Air Force.

Mrs. Johnson is the daughter of Mr. and Mrs. E. A. McBeth of Weinert and Lt. Johnson is the son of Mr. and Mrs. W. L. Johnston of Weinert.

Lt. and Mrs. Johnson will be in Weinert until July 17 when he reports to San Antonio for further training.

**Naomi Bible Class**

The Naomi Bible Class met in their business and social meeting July 7—in the annex building of the First Baptist Church with Mmes. W. E. Adkins, John McMillin and Lynn Toliver as joint hostesses. The house was decorated with Texas Blue Bells, furnished by Mrs. George Taylor's collection of flowers.

The program opened by singing two hymns, directed by Mrs. E. B. Callaway and Mrs. John Fouts at the piano. A prayer followed by Mrs. Claud Ashley. Mrs. N. L. Nanny gave the devotional from 145 Psalm and gave a very interesting talk of the "Failure of America".

We have failed because of boasting of material things. We, America, should thank God and give Him the glory if we prosper. Remember God called the rich ruler a fool. God's dominion will rule all generations and as a nation we should forget material things and give thought to God.

Mrs. Nanny closed by asking for a season of prayer for peace to our nation.

Mrs. John McMillin and Louise Merchant won honorable mention for the most gold stars win in the closing contest.

Mrs. Callaway had charge of the social hour. Louise Merchant proved to be the best artist of the day. Mrs. John Fouts read a very comical poem on "A President."

Refreshment plate of sandwiches, cookies and punch was served with plate favors of sweet peas corsage to Mmes. Walter Rogers, N. L. Nanny, Louise Merchant, E. B. Callaway, Neva Oates, Jess Josselot, J. E. Tompkins, Claud Ashley, John Fouts, Lynn Toliver, W. E. Adkins, John McMillin.

The meeting was dismissed and the class divided up in groups and spent the remainder of the afternoon in visiting.

**Class Picnic**

Sunday afternoon, July 2nd all members of the Intermediate Sunday School class, with their teacher, Mrs. Byron Frazier enjoyed a picnic lunch at Rice Spring park.

All left immediately after church services for the park, and each member taking a basket lunch. Each and everyone ate a great amount, ending up with plenty of ice cream cones.

The afternoon was joyfully spent in various ways. All left for home about 3:30 o'clock, full, tired and dirty, but saying they had thoroughly enjoyed the picnic.

Class members attending were: Gloria June Oneal, Joe Ann Baker, Jack Elmore, Roy Gene Frazier, Doris Faye Johnston, Tommie Joe Mansker, Jackie Tompkins, Billie Joe Reynolds, Caroline Batey, Bobbie Ann Herring, Wanda Stocks, Audie Jr. Stocks, Dan McMillan, Dossie Camp and Patsy Camp.

**Mack-Lowry**

On Tuesday afternoon, June 8th in the parlor of the First Christian Church in Pueblo, Colo., Miss Mamie Coryne Lowry and Lieut. Robert Donald Mack were united in marriage by Rev. Carl D. Olsen, pastor.

The bride wore a dress of blue gray crepe, a rose hat and black accessories. For something sentimental she wore a pair of silver wings identical with those of the groom.

Mrs. Mack is the daughter of Mrs. W. J. Lowry, granddaughter of the late Mrs. W. F. Draper. She was born and reared in Haskell and Seymour, graduating from the Seymour High School in 1938 and attending T.S.C.W. at Denton.

Until the time of her marriage she was employed in Fort Worth. Lt. Mack, a native of Ohio, is the only son of Mr. and Mrs. Harry R. Mack of Washington Court House, Ohio. He is a 1939 graduate of the Washington Court House High School and was employed at the Western Union office before he joined the Army Air Forces in January of 1941.

As an enlisted man, the groom was stationed in California and

PLANT SUMMER GRAIN FOR LATE FORAGE CROP

COLLEGE STATION.—Planting of summer grain crops to provide late forage is very necessary this year, says E. A. Miller, agronomist for the A. and M. College Extension Service.

ums, for example mature in about three months.

Miller says that this type of forage may be planted up to August 15, or even as late as September 1 in the central and southern parts of Texas, with an excellent prospect of reaping a satisfactory yield.

Swing low Sweet Kilowatt!

The cost of living has gone up like this -

The price of electricity has come down like this!

needs to tell you that the cost of living has been soaring toward high C. But maybe you do need a reminder that the cost of electricity has been sliding down.

If yours is an average household, you're getting about twice as much electricity for your money today as you did 15 years ago.

1944 government figures show that the average price has continued to ease off a little even since war began. That fact ought to be music to your ears!

Getting prices down and keeping them down is one of the electric industry's greatest achievements.

It took a lot of planning, perspiration and practical business management to do this job in wartime. All our people helped.

NEW TYPES OF WAR PLASTICS HELP U.S. AERIAL GUNNERS

One of the many women workers at Bell Aircraft's Buffalo plants inspects a sheet of molded plastic before it goes to the assembly line for installation in an Army fighter.

Uncle Sam's aerial gunners focus on enemy targets with more deadly accuracy than ever before through war-expedited advancements in perfecting transparent plastics.

A split second may mean success or destruction for bomber crews or fighter pilots. A gunner's clear vision is paramount to his success in getting a bead on the enemy first.

Crystal-clear transparent sections incorporated into this country's military airplanes were in development before the war and have advanced since that time.

Before the war, while concentrating on early production of the Airacobra, Bell Aircraft Corporation of Buffalo, New York, worked shoulder to shoulder with the pace-makers of plastic wizardry.

production departments for fighter planes at the Niagara Frontier plants and for the B-29 bombers coming from assembly lines of Bell's Georgia division.

Manufacture of plastic enclosures begins with a flat cast of the glass-like material. The sheet is cut to size, placed in furnace ovens and heated to the proper temperature.

Cotton-gloved operators then place the plastic on a form block and a hold-down ring is fitted to the block to bring out the correct contour. The section remains there until cool when it is inspected.

Research unearthed technical knowledge required to produce plastics for use in fighting ships of the air. Exacting specifications of uniform requirements such as thickness, contour, internal and surface clarity are of prime concern even while attaining optical excellence.

The segment is trimmed to size, sanded and drilled. Supporting strips are added, if necessary, being attached by a procedure that makes the joint stronger than the plastic itself.

SURGICAL DRESSINGS

The Haskell workers rallied to our appeal for help and the July August and September quota, 13,500 4x4 and 3,300 4x8 sponges were folded in just ten days.

Mrs. Bert Orr and Mrs. Hubert Bledsoe received their service pins for completion of 500 hours Red Cross work.

We have received notice that "Invasion Day" sent so many workers to the Red Cross rooms who increased production and shipment of surgical dressings to the extent that Red Cross headquarters were able to meet the War Department's request for the time being - so Haskell County Chapter will not receive an emergency quota as announced previously.

Notes from Production Room - All garments have been shipped from the production room. Mrs. Hill Oates shipped 64 filled

service kits, 25 pair pajamas, 2 work shirts and a quilt the past week. We are expecting the 50 pounds of yarn and the 288 service kits and housewife kits any day now.

We have been notified that Pte. James H. Isbell received a service kit with a Haskell county chapter label, in his letter to Mrs. Isbell. He said he had the thought when he received the kit that perhaps she, (his wife) had made that particular one.

MRS. JESSE B. SMITH, Chairman Production.

Jossett H-D Club

The Jossett Home Demonstration club met in a regular meeting at the clubhouse on Tuesday afternoon, June 27 at 2:30 o'clock with Mrs. C. A. Thomas as hostess.

Mrs. Monke gave a parliamentary drill, then Mrs. Bill Reeves was elected as delegate to represent the club in Council as T. H.D.A. delegate.

Mrs. Perrin gave a very interesting talk on early history of Haskell county, then a round-table discussion followed and was enjoyed by all.

A delicious refreshment plate was served to Madames Alford

ALL-YEAR GAS AIR CONDITIONING

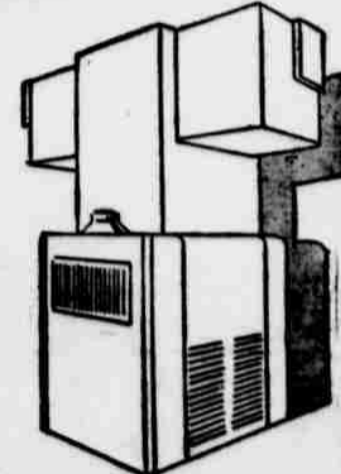

Summer Cooling . . . Winter Heating with one simple unit

Sounds like a dream—but it's true! In the new world of tomorrow, you'll be able to have the kind of climate you want indoors—year around.

Changing seasons will have no effect on your comfort. Sultry summers and blustery winters won't mean a thing to you and your family. All-year gas air conditioning will keep your home at just the temperature you want—and at the right humidity, too—through every season.

This new and different air conditioning system was developed, before war came, by the makers of the Servel Gas Refrigerators. Systems are now operating in hundreds of homes throughout America—some of them on Lone Star lines . . . and are working fine.

You'll be able to get All-year Gas Air Conditioning for your home at war's end. So start planning now—and start saving. Buy war bonds.

IN WINTER, the gas air conditioner assures you dependable warmth and correct humidity throughout your home on coldest days.

IN SUMMER, the gas air conditioner brings scientific relief from hot, sticky weather . . . providing refreshing, invigorating cold air.

IN EVERY SEASON of the year, the gas air conditioner gives you live, clean air without drafts . . . filtering out dust, dirt and pollen.
