Paint Creek Boys, Girls Win District Basketball Titles

District championship titles were won by boys and girls basketball teams of Paint Creek Rural High School in rounding out a successful cage season. Winning of the district title in both divisions of play is a record unmatched by any school in this section, Paint Creek fans and supporters of the Pirates believe.

Boys and Girls teams have identical records in season play, each winning 19 games and losing one.

In tournament play, the Paint Creek girls, coached by Dan McRae, had a perfect record with two wins in two tournaments entered. The boys team, coached by Wayne Preston, had a win and a loss in the two tournaments entered.

Both teams, after winning the district title, lost in regional play. Boys teams lost to Samnorwood High School by the narrow margin of two points in the regional contest at Lubbock Feb. 23. Paint Creek girls lost their regional game to Claud High School in the play-off at Canyon March 2.

Record of the Pirates girls team was achieved by a novice teams fans pointed out, it being the first season Paint Creek had fielded a girls team. An even stronger girls team is in prospect next year, with Coach McRae losing only two first stringers from the quintet.

Stamford Council Calls Election On Lake Bonds

The City Council of Stamford has called a special election for March 22 on a \$1,500,000 revenue bond issue.

The bonds, if voted, will be used for the creation of a proposed new water supply for Stamford, located on Paint Creek near Scott's Crossing.

Included in the project would be a dam, pumping plant, pipeline and filtration plant.

The Council, in calling the election Friday, also passed on first reading a contract to sell water to West Texas Utilities Co. and employed the firm of McCall, Parkhurst and Crowe as bond attorneys to handle all details of the issue.

The contract with the utilities company will assure Stamford sufficient revenue to build the larger of two lakes which have (Continued on page 12)

Heading the Haskell Chamber of Commerce for the coming fiscal year are the above officers, who assumed their posts at the annual banquet meeting Friday night.

Completing the executive branch of the organization is the 15-member board of directors,

which includes Chapman, Hattox, Kemp, Burkett, S. H. Vaughter, Olen Dotson, Wix B. Currie, A. C. Pierson, J. E. Walling, Jr., W. C. Holden, J. M. Crawford, Harold R. Spain, A. M. Turner, E. R. Lowe, Cecil Gregory, Ralph E. Duncan is executive manager of the organization.

100-Block Paving Project Completed

Contractors have completed the final surfacing work this week to finish the city-wide paving project launched last summer, in which 106 blocks have been surfaced in all sections of the city.

Total cost of the entire paving project is estimated at approximately \$223,000, shared jointly by property owners and the city under a bond issue of \$85,000 for street improvements voted in 1949.

The project was originally planned to include a maximum of 100 blocks, but was increased in recent weeks to include several blocks in additional areas where the improvement was requested by property owners, bringing the total to 106 blocks.

Strain & Brown, contractors on the paving, reported that in the overall project there were 70 blocks of triple coat paving with curb and gutter, and 36 blocks of single course all-weather paving.

In recent weeks, city officials

have received requests for inclusion of additional streets in the paving project, and it is likely that a considerable paving work can be continued during the coming spring and summer, city officials indicated.

However, Strain & Brown have been awarded contract for paving job in Rotan which requires that they move their machinery and equipment to that city during the next few weeks. However, they indicated that if plans for additional paving here could be worked out that the company might be in position to return to Haskell at a later date after completing the Rotan contract.

Hallie Chapman 10th C-C President In 15 Year Period

Hallie Chapman, prominent businessman and stock farmer who succeeds J. E. Walling, Jr., at the helm of the local C. of C., becomes the tenth president of the organization.

Since the organization of the Haskell Chamber of Commerce in 1936, nine civic leaders have served the organization as president in directing the long-range program of community development which has been followed during the past 15 years. The list of past presidents numbers men who have been and continue actively identified with civic progress of the community and Haskell County.

WILSON BEAN

Selfishness Cause of Nation's Ills, C of C Speaker Declares

Chest X-ray For Every Citizen Is Hoped-For Goal

A chest X-ray for every person in Haskell county over 15 years of age is the goal hoped for when the State Department of Public Health's mobile X-ray unit is brought to the county, March 16 through the 24. Mrs. W. P. Trice, county school nurse and chairman of the project said today.

Arrangements for the visit of the X-ray unit to Haskell county were made early in February at a meeting of representatives from the various towns and communities. The unit will be provided by the State Department of Health as a public service for the benefit of community health.

There is no charge for the service, and purpose of the chest X-ray, which requires less than 30 seconds, is to provide for each individual a safe and efficient check against symptoms of tuberculosis or other unsuspected lung or heart ailments.

There is no inconvenience to persons taking the chest X-ray. It is made in a matter of seconds without the subject being required to remove any clothing.

Mrs. Trice, as county chairman, has appointed co-chairmen and workers in all communities of the county to acquaint the public with the purpose of the X-ray project and to enlist cooperation of the citizenship in making the program a success.

In charge of two technicians from the state health department, the unit will be set up in the Cahill Building in this city for four days—March 16, 17, 18 and 20.

The unit will be moved to Rule for a 2-day stay in this city March 22 through March 24, to make the service more convenient to residents in the west part of the county.

During the four days the unit is in operation in Haskell, persons desiring transportation from their homes to the X-ray center are asked to telephone Mrs. Hill Oates, and cars will be sent for them.

DR. ALLEN O. WEBB

Dr. Allen O. Webb of Bay City, Texas, a former pastor of the First Baptist Church in this city for two and one-half years, is conducting a revival at the First Baptist Church in Throckmorton. The meeting began Sunday, March 4th and will continue through Sunday March 11th.

A number of Haskell people have attended the services during the first of the week.

Dr. Webb came to Haskell as pastor of the First Baptist Church in January, 1948, remaining here until September of last year, when he was called to the pastorate at Bay City.

Dr. Allen O. Webb Holding Revival At Throckmorton

Dr. Allen O. Webb of Bay City, Texas, a former pastor of the First Baptist Church in this city for two and one-half years, is conducting a revival at the First Baptist Church in Throckmorton. The meeting began Sunday, March 4th and will continue through Sunday March 11th.

A number of Haskell people have attended the services during the first of the week.

Dr. Webb came to Haskell as pastor of the First Baptist Church in January, 1948, remaining here until September of last year, when he was called to the pastorate at Bay City.

Final Rites For Mrs. Fred Allen Held Sunday

Mrs. Fred Allen, resident of Haskell since 1949, died at the family home, 205 North Avenue D, Saturday at 6:30 p. m. after a short illness.

Funeral service for Mrs. Allen was held at 1:30 p. m. Sunday at the Church of Christ, of which she was a member. Minister Joe Burton officiated, assisted by Payne Hattox.

Burial was in Northview Cemetery at Winters, Texas under direction of Holden Funeral Home of this city.

Mrs. Allen was born Oct. 9, 1894 in Ballinger, the daughter of Mr. and Mrs. S. V. Parrish, early Rannels county settlers.

She was married to Mr. Kelly July 9, 1912. He died in the early 1940s. She was married to Mr. Allen June 20, 1943, who survives her. The couple moved to Haskell from Lubbock in 1949.

Survivors besides the husband include a daughter, Mrs. Roy Horton of Haskell; a son, Grady Kelly of Pala, Calif.; two step-daughters, Mary Merle Allen of Sweetwater and a Sheldon Wolf of Abilene, and a stepson, B. L. Allen of Duward, Calif.

Other survivors included five grandchildren; her mother, Mrs. S. V. Parrish of Ballinger; one brother, Roy Parrish of Alhambra, Calif., and three sisters, Mrs. Kate Wood and Mrs. Ed Farley of Ballinger and Mrs. E. S. McWilliams of Hico.

Pallbearers were Payne Hattox, W. C. Johnston, Elmer Turner, Horace Oneal, Barney Frazier and Tra Johnson.

Wm. H. Wilson Is Named On Brazos River Commission

Wm. H. (Bill) Wilson of Haskell has been named a member of the Brazos River Conservation and Reclamation District. The appointment of the Haskell man was announced at Austin Friday by Governor Allan Shivers.

Prominent in Haskell business circles, Wilson, 32, is owner of the Bill Wilson Motor Company, Ford Mercury Agency here. He is a member of the board of directors of the Haskell National Bank, past president of Haskell Jaycees, past director of the Chamber of Commerce, former head of the veterans housing program in Haskell, director of the CWT Fair Association and member of the Haskell American Legion.

45 Take Part In Youth Choir At First Baptist

Forty-five young people composed the recently organized Youth Choir of the First Baptist Church, Sunday evening March 4th. This group, under the direction of Mrs. Caroline Everett, presented one special number and will occupy the choir loft and will sing at each Sunday evening service.

At the youth fellowship hour held in the annex building following church service, choir practice, games and refreshments were enjoyed. All young people, Seniors and Intermediates, are urged to attend and parents are invited to visit.

Committee members and sponsors assisting with the youth fellowship are: Mrs. Robert Wheatley, Mrs. Raymond Davis, Wix B. Currie, Harold Spain, Mrs. Thurman Bynum and Rev. M. D. Rexrode.

Addressing more than 300 guests and visitors from neighboring towns who filled the auditorium of the new Primary School building to capacity Friday evening for the annual banquet of the Haskell Chamber of Commerce, Martin Dies, former Congressman, prescribed as a cure for the ills facing the United States today, a return to the spirit of our forefathers and the statesmen who made up the Continental Congress.

The former chairman of the House Un-American Activities Committee was introduced as guest speaker by former District Judge Dennis P. Ratliff of this city.

Hallie E. Chapman was presented as the new president of the Chamber of Commerce, together with Dr. Wm. J. Kemp and R. P. Hattox, vice presidents; Geo. W. Burkett, treasurer; and new and hold over directors.

Mayor Courtney Hunt and John A. Couch, prominent in civic, business and political affairs for years were presented scrolls as honorary colonels on the Governor's staff by Clyde Whiteside, 113th Legislative Representative, in one of the highlights of the evening's affair.

Dies, now practicing at Lufkin, described in detail the work carried out by his committee as early as 1938 into communistic activities within labor unions, through front organizations, and within the government of the United States itself. In closing his speech, he exhorted every citizen to regain an active interest in the affairs of government.

He attacked purely political motives which he said governs every congressman; pointed to a tremendous debt built up by the government which he said could not be repaid for 100 years, and said American citizens are condemning their grandchildren and great grandchildren to economic slavery.

He said the selfishness present in our government, was present in labor unions, in industry, and in the individual himself.

Even in state government, Dies cast aspersions. "Who controls the group in Texas state government? I'll tell you who. The prosperous control. And they're prosperous because they control."

"You either marry rich or you strike oil, or you sell yourself," said Dies. He referred to financing political campaigns, which he said came about through monied and landed estates.

"A candidate is forced to spend a half million dollars to force his way in front of us."

He leveled his guns at the Democratic administration first of Roosevelt, and second of Truman. (Continued on page 12)

Final Rites Held Here Saturday for Farley Kinnard

Funeral services were held at the First Presbyterian Church Saturday at 4 p. m. for Farley P. Kinnard of Beaumont, 67, son of the late Jas. P. Kinnard former County Judge.

Mr. Kinnard died in Beaumont Wednesday of a heart attack. He was an employe of Shell Oil Company there for many years.

He was born Jan. 14, 1884, the son of the late Mr. and Mrs. Jas. P. Kinnard. He was married to Ola Atkinson of Chickasha, Okla., who died in 1945.

He had been a member of the Masonic Lodge many years. Dr. B. K. McCall, pastor of the Presbyterian Church, officiated for the funeral rites.

Graveside services in Willow Cemetery were conducted by Haskell Masonic Lodge No. 682. Burial was under direction of Holden Funeral Home.

Survivors are three sisters, Mrs. Alvy R. Couch of Abilene; Miss Elma Kinnard of Beaumont; and Mrs. M. B. McKee of Dallas; two nieces and a nephew.

Farm Bureau Membership Drive To Be Launched at Banquet Tuesday Evening

R. C. Couch, Jr. President of the Haskell County Farm Bureau has announced that the annual workers supper will be held Tuesday, March 13th, in the Auditorium of the new Primary School in Haskell.

President Couch said, "Johnny Watkins Representative of the Texas Farm Bureau of Waco is working with us this week and will be one of our principal speakers at the banquet. This banquet precedes our annual spring membership drive. On the

morning following the banquet, Wednesday, March 14th, there will be farmers in every community of Haskell County going out and inviting their neighbors into Farm Bureau.

Couch continued, "This drive will be concentrated in 720 days. Our membership now is 720 members and we need 720 more. For that reason we will be asking all farmers and ranchers to have their dues ready on Wednesday when their neighbors call on them."

HASKELL COUNTY HISTORY

Brief Home Taken from 64 Copies of The Free Press

20 Years Ago—March 5, 1911

Contract for construction of Highway 30 north from Haskell to the Knox county line was awarded by the State Highway Department this week to Stuckey Falls. Contract for bridges on the Construction Company of Wichita Falls. Contract for bridges on the project went to John F.

Buckner of Cleburne. Work is expected to start by April 1st on the highway contract.

Mr. and Mrs. Mann Shook of Gorman, Texas, were here visiting relatives during the week end.

Mrs. T. J. Arbuckle and Albert Lemmon visited their sister, Mrs. Morris in Spur several days last

week.

Deputy Sheriff Luther Highnote was in Rule and Rochester on business Wednesday.

Mrs. Elma Hunt and Mrs. E. B. Harris of Rule were visiting friends here Tuesday.

Miss Ida Neinst, beauty operator at Hunt's Store, attended a state convention of beauticians held in Dallas Monday and Tuesday.

Mrs. Houston Bolin and children of Graham spent several days here last week visiting in the home of her parents, Mr. and Mrs. F. L. Daugherty.

Members of the High School Senior Class will present their class play, "I Won't Be Long Now," at the High School auditorium March 13. The play cast includes the following Seniors: Marvin Gholson, R. P. Chamberlain, Robert Segoe, Wallace Sanders, Mattie Muriel Walling, Rogers Gilstrap, Herman Pitman, Lena Belle Kemp, Vada Thomas, Lewis Newsom, John Clifton, Rex Felker, Sibyl Scott, Georgia Martin, Elzie Whately and William Kimbrough.

Mrs. Mary Oates and Mrs. Hill Oates were visitors in Abilene last Thursday.

Sam A. Roberts and son Paul Wesley made a business trip to Delhart last week, and were detained several days in Amarillo on their return trip by the heavy snow and rain in that section.

40 Years Ago—March 11, 1911

Today has been set apart by the Civic Club as Clean Up Day for Haskell and they are urging all citizens of the town to join in cleaning up and beautifying our city.

Mr. and Mrs. George Dean of Taft, California, are visiting in Haskell. Mrs. Dean is the daughter of Mr. and Mrs. R. B. Fields.

Mr. and Mrs. J. R. Bascom of Sharpburg, Ky., are visiting in this city. Mr. Bascom has owned a large tract of land in this county for several years.

Farmers who have small grain planted have exceedingly bright prospects this year if we have no storms or other calamities to harm the crop. One farmer we know, J. F. Pinkerton, has 600 acres of small grain which is looking good.

Judge A. C. Foster and family of Rule have been in Haskell on several occasions recently. Judge Foster has purchased a new automobile and has been making good use of the machine, which is one of the best we have seen used by a private family.

Mrs. Alice Nolen left Monday for Alabama in the interest of the Nolen Estate. She will be gone a month.

Mr. and Mrs. J. L. Jones of Rule left Monday to visit relatives at Amarillo and points in New Mexico.

Miss Alice Graver of Waco, who has been visiting her cousin,

Tightening The Truck Load Limit Laws

(Fort Worth Star Telegram)

It would be unfortunate in the extreme if the current effort in the Legislature to provide for better enforcement of the state's truck load limit law were to gain the name of being a truck-railroad fight. That is what opponents of legislation dealing with truck overloading are trying to make it appear, as witness their cries of "rail aboard" and "toot-toot" as a bill introduced by Representative Lindsey of Texarkana was passed by the House.

The bill would place no new restrictions upon truckers. It would only provide for more adequate enforcement of present laws against truck overloading on the highways. This would be done by using state police, sheriffs and their deputies to supplement the Railroad Commissioner's meager force of weight inspectors, and by permitting an overloaded truck to be required to unload excess cargo on the spot where it is halted.

The railroads, it is true, have been active in behalf of such legislation. But that does not make the effort to control truck overloading exclusively a fight between the truck transportation industry and the railroads. A nationwide effort, bolstered by scientific investigation now is being made to determine the effect of truck loads of various weights on highway pavements, and to find out whether excessive loads lead to quick and unwarranted destruction of such pavements. That makes the subject one of interest not only to the railroads but to all the taxpayers who foot the bills for highway construction.

It likewise is a matter of concern to the legitimate truckers, who form a highly essential part of our transportation system. The numerous charges that have been made in regard to the relation between truck traffic and highway disintegration are a threat to the trucker who abides by the rules and stays within the load limit. In fact, the Texas Motor Transportation Association not long ago offered its cooperation in seeing that illegal carriers, those who consistently violate the weights and measures laws, are driven from the road.

A report by State Auditor Chavess indicates that there are some truckers who make it a profitable practice to violate the law. He cited the case of one trucking concern which had a total of 80 charges filed against it in a single month. Mr. Chavess offered the suggestion, which is worthy of the Legislature's consideration, that the profit be taken out of such deliberate overloading practices by providing for a progressive increase in penalty for repeated violations.

Truck operators who flout the law give the whole industry a black eye and may bring about unwarranted penalization of those who operate fully within the regulations. The determination of what loads trucks are able to carry without excessive damage to highways is a matter which must be determined by exhaustive scientific tests. Meantime, the laws upon the books should be observed, and any reasonable steps be taken by the Legislature to see that this is done are to be commended.

Miss Ella Ree DeBard of this city.

Rev. and Mrs. J. T. Nicholson and wife of Jayton are visiting in the homes of their daughters, B. M. Whiteaker and Mrs. T. E. Bowman this week.

A man who came through here about a month ago representing that he was looking out a railroad line from Fort Worth to the northwest and made a proposition to our railroad committee, was brought back here this week and placed under \$1,000 to answer to a charge of swindling, and is now in jail. The charge grew out of a draft he gave the State bank at a meeting held with the Haskell railroad committee. We understand he met with the same courteous treatment at several other towns along his former route and some sheriff will provide him ample entertainment during this second journey.

50 Years Ago—March 16, 1901

Jim Ward, a prominent stockman of Stonewall county, was doing business in Haskell Thursday.

He said that the prairie fire over there a few days ago was not as extensive as reported here, that only four or five sections in the shinnery belt were burned over, instead of about a fourth of the country as Haskell people had heard.

Grass is showing up green here and there are many fruit trees in bloom. If they escape a freeze during the next ten days we can count on a good fruit crop this year.

We are informed that a window light was broken out of a confectionery here the other night and some apples and candy stolen. The proprietor has a pretty good idea as to who committed the act, and about the next move the youngster makes he likely will land in jail.

G. W. Thomson left Thursday morning for Henrietta, to attend to some cases he has in district court there.

Messrs. T. J. Lemmon and wife, L. W. Roberts and wife, F. M. Morton and wife and Bunk Rike, and W. T. Hudson are attending cattlemen's convention at San Antonio.

Abel Jones, who sold his place in town last week, has bought 200 acres of the Brown & Roberts land about three-fourths of a mile east of town and is building a neat residence on it.

Persons desiring to get their mail on Sunday will find the post office open from 8 to 9:30 a. m. each Sunday.

Messrs. J. S. Fox, John Agnew and W. M. Towns secured the contract to erect the building for the national bank at Aspermont and Towns and Agnew went over this week to begin work on the building.

Wm. Fletcher of Burnett is here on a visit to the family of A. A. Brewer and incidentally looking at the country with the possible view of entering some business here.

ALPHA OFFICE APPROVES HOUSING PROJECT

Plans for the development of Haskell's 50th housing project has been approved by the Public Administration Commission of the Haskell Housing Authority this week.

The development program believed that action on the project within the next few months by the authority said.

Most of the 50 units in the neighborhood will include a minimum of 50 modern homes, ranging from bedroom homes, all construction. Forty-two will be for white and eight for colored tenants.

Options on the sites had previously been secured, the executive director explained. Location chosen for the 42 home unit for white tenants is the Maples tract of land south of Willow Cemetery and the block of land on which the colored tenants will be located is on North 14th Street, between Avenue A and B. Municipal water and sewer service along with gas and electric facilities are available for both sites, Pogue said.

Although the homes will be built as a Federal project, the local Housing Authority will make annual payments to the city in lieu of taxes, in the amount of approximately yearly taxes, it was explained.

Steps toward securing the housing project for this city were launched more than a year ago, as one means of relieving the critical housing problem in this city.

Members of the local Housing Authority set up at that time are: W. R. Johnson, chairman; W. A. Holt, J. M. Crawford, Scotch Coggins, and Hallie Chapman; with Curtis F. Pogue as executive director.

The Dallas firm of Bentley, Broad & Nelson are architects on the project.

Cub Scout Pack Has Traditional Banquet Monday

The recently organized Cub Scout Pack No. 36 held its first pack meeting Monday evening in the new Elementary School auditorium. Emphasis was given to Boy Scout Month by having the traditional Blue and Gold Banquet with the Cubs' parents as guests. There were 5 Dens represented with 94 people present. Table decorations were made by the Cubs with each Den carrying out a different idea in their Blue and Gold theme. Awards were given to a group of Cub Scouts who had accomplished various achievements last year. Comes were played by the scouts and parents alike.

The Den Mothers are as follows: Den 1—Mrs. Raymond Davis and Mrs. Jim Ferguson; Den 2—Mrs. Owen Pelsue and Mrs. Maurice Gannaway; Den 3—Mrs. Buford Cathey and Mrs. Leslie Collins; Den 4—Mrs. J. D. Long and Mrs. John Rike; Den 5—Mrs. John Roberts and Mrs. Woodrow Turnbow.

The committeemen are Dr. T. W. Williams, Rev. John Seay, Dr. J. G. Vaughter, Lynn Pace Jr., and Francis C. Nickerson, cubmaster.

J. M. HARMON'S ARE PARENTS OF SON

Mr. and Mrs. J. M. Harmon of this city are announcing the arrival of a son, James Maurice Harmon, Jr. born February 26 in the Haskell County Hospital. He weighed 8 pounds, 14 ounces. Grandparents are Mr. and Mrs. Adrian O'Hanlon of Sherman, and Mr. and Mrs. Ray Harmon of Corpus Christi. The new arrival is the second child of the young couple. They have a daughter, Elizabeth Ann. Mr. Harmon is a geologist with the Texas Co.

WILL VISIT IN DALLAS AND SHREVEPORT, LA.

Mrs. Calvin J. Henson left this week for Dallas where she will visit relatives and friends several months. From Dallas Mrs. Henson plans to go to Shreveport, La., for an extended visit in the home of her son and family in that city.

RETURNS HOME FROM VETERANS HOSPITAL

Mrs. Ovid Cobb and son Charles were in Abilene Sunday afternoon, to meet Mr. Cobb who was returning by train from Wadsworth, Kans., where he had been in a Veterans Hospital for months. He has returned home to stay, and is doing nicely.

NOTICE TO BANKING CORPORATIONS

Notice is hereby given to all banking corporations in Haskell County, Texas, that the Commissioners Court of said County will on the second Monday in March, A. D. 1951, the same being the 12th day of said month, receive proposals from any Banking Corporation in the county (foresaid), that may desire to be selected as a depository for funds of said Haskell County, Texas, and also as depository for the trust funds of the District and County Clerks of Haskell County, Texas.

Said proposals shall be delivered to the County Judge of Haskell County, Texas, on or before 10 o'clock A. M. on the 12th day of March, A. D. 1951. All proposals must be sealed and each proposal must state the rate of interest that said banking corporation offers to pay on the funds of the county for the term between the date of such bid and 60 days after the second Monday in March, 1951.

Each bid shall be accompanied by a certified check payable to the County Judge of Haskell County, Texas, in the sum of \$1000.00, the same being not less than one-half of one per cent of the County revenue of the preceding year, as a guarantee of good faith on the part of the bidder, and that if his bid shall be accepted said banking corporation will enter into and give the required bond. Upon the failure of the banking corporation that may be selected as such depository to give the required bond the amount of such certified check shall go to the county as liquidation damages.

The Court reserves the right to reject any and all bids. Done by order of the Commissioners Court of Haskell County, Texas, in regular session on this the 12th day of February, 1951. Alfred Turnbow, County Judge, Haskell County, Texas.

NOTICE TO BANKING CORPORATIONS

Sealed bids will be received by the Commissioners Court of Haskell County at its next regular term, which is March 12, 1951, from any Banking Corporation, association or individual being in Haskell County that may desire to be selected as the depository of the School Funds of the Common School District of Haskell County. Said bids will be received until 10 o'clock A. M. on the above mentioned date at the office of the County Judge in Haskell County, Texas, at which time they will be opened. The Court reserves the right to reject any and all bids.

This notice is given in compliance with Chapter Two, Art 2544 Revised Civil Statutes, Texas 1925. Alfred Turnbow, County Judge, Haskell County, Texas.

Club Girl Gives Demonstration At Center Point Club

Glenna Walton, 4-H Club Girl from Paint Creek gave a demonstration on finishing hens to members of the Center Point Home Demonstration Club. The meeting was held in the home of Mrs. Clyde Bland, March 1 at 2 p. m.

The attendance contest was started. One side chose the name of "Dodgers", the other is "Blue Sox." The trip to Wellington was discussed. Ice box fruit cake and strawberry ice cream was served to Mesdames Frank Jeter, Albert Hamms, A. M. Bird, H. D. Bland, Bill Fouts, H. E. Bland, Travis Smith, Tony Patterson, Alvin Drner, A. B. Corzine, O. W. Whitaker, Bill Wiseman, Bob Watson, Bill Pennington, Willie Farrell, the hostess, Mrs. Clyde Bland and three visitors, Mrs. H. H. Russell and Mrs. Walton of Paint Creek and Mrs. Howie and Cynthia of Haskell.

Paint Creek FHA Girls Attend Area Meeting; Adult Class Progressing

The Paint Creek FHA girls went to Leveland for the Area II FHA meeting last week-end. Those attending were Gregory Flores, president of the Paint Creek chapter; Patsy Martindale, Marilyn Green, Golda Hager, Billie Raughton, and Mrs. R. L. Foote, Chapter sponsor. The group went to Lubbock and spent the night Friday, then on to Leveland Saturday morning.

The program of fellowship was very good. It consisted of music, an amateur show, talks by Miss Scholl, assistant state supervisor to FHA, and Miss Ester Sorrenson, Area II Supervisor. The meeting was opened and closed with the ritual used by all FHA chapters. Gregory Flores was our voting delegate in the house of delegates. Each Chapter has one voting delegate in the house that elects the officers of the Area.

The Adult Class at Paint Creek is also busy. We have worked on metalcraft, leathercraft, upholstery, interior decorating, and trawle painting. We have made 33 serving trays, 36 coasters, 18 ash trays. In leather we have made 111 folders, zipper notebooks, purses, belts. A large percentage of

the work is started in class and completed in the homes. Two boys, David Kohout, a high school senior, has made leather a profitable vocation; and Walter Buerger, a Paint Creek graduate, has a very complete set of tools he cuts his leather goods and has the pieces zipper notebooks, belts, billfolds, folio covers and many other things of interest and value. His mother, Mrs. Fred Lueger, likes the articles and he does them. Billie Garland Middlebrook has also become very efficient in leathercraft.

O. E. S. Doughnut, Coffee Sale To Be Repeated

The sale of coffee and doughnuts last Friday morning by Eastern Star members proved highly successful and was so well received by the public that the venture will be repeated Friday morning, March 2, members of the Haskell Chapter, O. E. S. announced today.

With Mrs. Carl Wheatley and Mrs. Wix Currie as hostesses, coffee and doughnuts will be served from 9:30 to 11 a. m. Friday morning in the downstairs, recreation room of the Masonic Building.

Proceeds from the venture go to the local Eastern Star chapter, and member plan to continue the project indefinitely.

Eleven Haskell Students Enrolled At H-SU

Eleven students from Haskell are among the 1400 students who are enrolled this spring at Hardin-Simmons University. They are Kenneth Wayne Anderson, son of Mrs. Willie Anderson; A. C. Brewer, son of Mr. and Mrs. Raymond Brewer; Othella Jay Cox, son of Mr. and Mrs. W. S. Cox; Elizabeth Jo Fagan, daughter of Mr. and Mrs. Albert Fagan; Dorothy Fouts, daughter of Mr. and Mrs. Bill F. Fouts.

Willard H. Free, son of Mr. and Mrs. T. W. Free; Morris Anory Haynes, son of Mr. and Mrs. Morris M. Haynes; Mary Jo Jones, daughter of Mr. and Mrs. Jesse Jones; Robbie Donald Maxwell, son of Mrs. Alfred Force; Wanda Payne Smith, daughter of Mr. and Mrs. Travis M. Smith; and Edwin Lee Terrell, son of Mr. and Mrs. H. L. Terrell.

Opening classes began Jan. 31 and will continue through May 23. University officials report a decrease of approximately 100 from the fall semester, largely due to men being called to the armed services.

Farmers Advised To Use Certified Seed If Possible

Farmers who plant poor quality seed are likely to harvest poor crops, warns L. C. Coffey, associate agronomist for Texas A. & M. Extension Service. Careful examination of the tag on each sack of seed will help the farmer determine the quality of the seed he is getting.

Coffey says that certified seed are usually the best seed of a particular variety available. Certified seed come from fields that have been inspected during the growing season, and have been properly handled at harvest time, cleaned, tested for purity and germination, and properly stored. Blue tags attached to each sack of certified seed carry accurate information about the quality of the planting seed. These tags are issued by the State Department of Agriculture for use on seed which have met certain high standards of purity and germination. In 1950, blue tags were issued for 96 varieties of different crops grown in Texas. Although certified seed may cost slightly more than seed that are not certified, the added expense is offset by the assurance of purity and percentage of germination, says Coffey. Seed of questionable germination and purity may not be cheap at any price.

When farmers buy certified seed, they know what they are getting. Coffey reminds farmers that the certification tags are an excellent source of information when they are buying planting seed.

Texas Farm Income In January Gains Over Last Year

January farm cash income in Texas averaged a 26-per cent gain over January, 1950, the University of Texas Bureau of Business Research reports. Cotton and wheat were lower and corn rose 25 and 22 per cent in the year-earlier period but not respectively.

Although the total farm cash income dropped 27 per cent in January, 1951, from December, the livestock market showed strong gains. Income from cattle was up 38 per cent from December; calves were up 43 per cent; hogs, 29 per cent; and sheep and lambs, 23 per cent.

Cattle, the major cash farm product during both months, brought \$30,500,000 in January, or \$8,200,000 more than in December, and more than twice as much as in January, 1950. Cotton brought Texas farmers \$10,000,000 during January, 1951, compared to \$20,000,000 in December.

Mother of Soldier Urges Youths To Give to Blood Bank

Mrs. Dick Therwhanger of Weinert, whose son, Sgt. Billy Therwhanger, is serving with U. S. Forces in Korea and was recently wounded in action, urges donations to blood banks by youths of this section. Her message follows:

"Will every able-bodied young man who has been fortunate in not being called into this bloody Korean war, give one pint of your blood to the nearest blood bank to help save some soldier's life, who is fighting for your freedom? You, too, may need this help some day."

New Mid HD Club Holds Box Supper At Rochester

The New Mid Home Demonstration Club women sponsored a box supper at the American Legion Hall in Rochester Friday night.

After a number of games had been enjoyed, the boxes were auctioned by Bud Clark and Ira Grinstead.

Knott Ballard received the most votes for being the laziest man. However, Barney Swinson was a close second in the race. Everyone present enjoyed the evening's program, and the ladies realized about \$50.00 from the sale of boxes and cakes.

College students may choose their service for enlistment at any time in the two months before their last month of school.

Winter Drouth To Make Replanting Roses Necessary

The unusual weather, very dry and the early freeze, that has existed in Texas for many weeks has been very hard on roses. According to Sadie Hatfield, extension specialist in homestead improvement of Texas A. & M. College, roses have been killed or badly damaged in many areas of the state, and replanting will be necessary.

She offers the following suggestions to those who will be purchasing rose plants. First, she says, select the grade 1 plants. These plants will have at least three strong canes or canes 18 inches long, growing from the main crown of the plant starting at the ground level. Grade 1 1-2 plants are her second choice and they should have at least two strong canes about 14 inches long starting at the ground level. Plants of these two grades will bloom more and fewer will die from transplanting for in addition to the strong top growth, they also have good root systems. She says the root systems and underground stems should be checked on all plants for dark rough galls. Also look for nematode knots on the small roots. If diseased roses are planted, they will prove very unsatisfactory and will rot up the soil in your garden.

Next she says to examine the tops and roots of the plants to see whether or not they have been allowed to dry out. If the stems are dull green color and show shivering, avoid them. If already dead, they may be stunted.

Then check on the age of the plants. She says it is sometimes possible to buy one year old budded roses and generally they are satisfactory. It is well to know whether the roses are on their own roots. Many hardy varieties such as Cecile Brunner or Radiance roses thrive on their own roots, but generally, budded roses give better results. Then last but not least, she says, buy from a reliable nurseryman, one that you know.

The best plants will not thrive if they are not handled properly. She says they should be planted in well-drained, moderately fertile soil. They should be protected from strong winds out should be in the sunshine most of the day. Roses will not thrive in soils that are high in lime, in tight soils which do not drain well nor in poor white sand.

Set the plants the same depth they were growing in the nursery and avoid planting in old rose beds. Planting in soil that has been in grass for at least five years is a measure of protection from diseases she says. And don't plant them where they must compete with shrubs and trees for plant food and moisture.

Seed Rot Cuts Cotton Crop At Early Stage

Why do some of the cotton seeds you plant fail to come up? Seed rot is the answer in a great many cases. Disease organisms in your soil attack the seeds and make them rot or decay, before the seeds have any chance to sprout or germinate.

The rot-producing organisms can attack your seeds in any kind of weather. Their effects are worst in a spell of cold, damp weather shortly after planting time. But even in fine weather, they can cut down your cotton crop before it ever starts to grow. There are several kinds of harmful bacteria or fungi that can live in your soil. You cannot see them with a microscope. But you can see their effects all too clearly, by scooping up some dirt from a spot where you planted seeds that never came up. Just by looking at them, you can plainly see how the seeds have decayed.

Fortunately you can prevent much or most of this seed decay, and at a low cost for the chemical — less than 10 cents per acre. Just treat your seed (or have it treated) before planting, with an organic mercury dust.

SUN FUN!

Dressed for fun in the sun, this pretty vacationer chooses a fetching cotton shorts ensemble that allows her to absorb a maximum of Old Sol's tanning rays. Here, she has added a neat little jacket as a cover-up for a few minutes recess. The three-piece cotton picnol outfit was designed by Koret of California.

Many Tuberculosis Cases Are Curable Physician Declares

"It has been well said that procrastination not only is the thief of time, but frequently the thief of health and life," Dr. Geo. W. Cox, State Health Officer, said today. "Indeed, medical records in physician's offices and hospitals prove that many persons die because they do not receive early diagnosis and prompt treatment for their condition. An outstanding example of this fact is the great number of deaths from tuberculosis that could have been prevented."

"Tuberculosis is a powerful enemy, no matter what its stage, but the fact remains that early discovery and adequate treatment offer the best opportunity for cure. If the patient upon being told that he has tuberculosis cooperates fully with the strict regimen and discipline outlined for him, the disease can usually be overcome."

Dr. Cox said that in line with some of the other major killers, tuberculosis is insidious in its approach. Acute pain and discomfort are absent usually, and the symptoms are so comparatively mild that the patient is thrown off guard and considers them of little importance. Herein lies the real slaying ability of tuberculosis.

"The symptoms which, singly or in combination, demand an immediate checkup by the doctor are easy tiring, a persistent cough, and continued loss of weight."

Ft. Worth & Denver Gets New Freight Equipment

Delivery began this month on an order for 150 composite gondolas by Fort Worth and Denver City Railway. This equipment now is being placed in railroad transportation service in the fleet of additional freight cars acquired by Fort Worth and Denver City Railway since the end of World War II.

ROCHESTER WOMAN IMPROVING AFTER SURGERY

Mrs. Hicks Martindale of Rochester, who underwent major surgery some time ago, is reported improving nicely.

Mr. and Mrs. Clyde Baly and son Edward spent the week-end in Waco and Marlin with friends and relatives.

Agent Gives Tips For Laundering Nylon Articles

Ruffles, intricate gathers, pleats, and cobweb lace no longer are favored few. In fact, since nylon favored few. In fact, since nylon with its durability and ease of washing has come on the scene, more and more homemakers can afford these extra features in their wardrobe. Research has been constantly on the job to develop the best methods of care for nylon.

Thelma Wirges, County Home Demonstration Agent suggests washing nylon this way. Wash nylon articles frequently using any of the usual household soaps. Handwashing is recommended for delicate trimmings. Squeeze the ends through the fabric. Rinse thoroughly with warm water. Lightly squeeze out excess moisture, smooth out the seams or hems and hang to dry.

Miss Wirges says that it is all right also to hang out nylon articles dripping wet, indoors or out. However, too much direct sunlight may fade the colors eventually.

Many nylon fabrics, hung when wet and smoothed out by hand, will need little or no ironing. If a nylon fabric does need pressing, Miss Wirges suggests that it be done damp or dry with a moderately hot iron. Set at the "rayon" setting if there is no "nylon" setting on the iron. When washing nylon in hard water, a softener will prevent the deposit of curds of insoluble soap. Strong bleaches will weaken nylon as they will other fibers. Miss Wirges says to use them carefully, and only when unsightly stains or discolorations cannot be removed by proper washing and cleaning. Bluing is not necessary for white nylon, but if nylon is being washed with other white fabrics, it is all right to use blue flakes in the wash water.

A lot of stains will come out of nylon fabrics with just soap and water, thus being a big answer to travel and emergency problems. Just sponge off a stain at the time of the mishap. The usual cleaning fluids can remove spots on nylon, too, adds Miss Wirges. Just follow the directions on the bottle.

Approach of Spring Points Need For Combating Flies

Millions of flies help to cause illness and death of thousands of children and adults each year in the United States. Hundreds of these casualties may be in Texas this year if residents fail in their responsibility for developing the best possible sanitary measures in the area where they reside. Typhoid fever, summer complaint and other intestinal diseases can be traced to the common housefly as the carrier of the infection.

Dr. Geo. W. Cox, State Health Officer, speaking in this connection, recently said, "Be sure that windows and doors are tightly screened so that stray flies from a careless neighbor will not endanger your family. Be sure that flies are kept away from food, drink and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies."

"Infections from this source can be picked up and spread to human beings through contact with food, drink and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Now is the time to do away with the winter's accumulation of trash. Clean up and stay clean is a good slogan for communities and individual citizens.

DON'T TRY TO SAVE ON PROTECTION!

YOU CAN NEVER BE SURE when you buy insurance on price alone. It's unwise to pay too much, of course — but that's usually better than paying too little. If you pay too much you lose a little money — that's all. But when you buy an insurance "bargain" you may lose everything!

Buy the best — buy Hartford Automobile Insurance from us NOW — it's real protection against damage suits.

ROCHESTER WOMAN IMPROVING AFTER SURGERY

Seed of Two New Varieties of Peas Now Available

Limited quantities of planting seed of the Extra Early Blackeye and Purple Hull No. 49 peas are available from the Texas Agricultural Experiment Station. According to Prof. W. H. Brittingham, department of horticulture, Texas A&M College, both varieties have been tested at different locations over the state and have been found superior both from the standpoint of yield and shelling characteristics.

Brittingham says the seed of both varieties will be released only to growers who plan to increase them for certified seed peas. A nominal fee will be made for the seed and they will be sold only in lots of 50 pounds or more. This method of distributing the seed will insure the earliest possible supply of seed for general planting, adds Brittingham.

The Extra Early Blackeye pea variety has been tested by the Station since 1944. It has, with one exception, says Brittingham, matured pods earlier than any other variety and has usually led in total production. In addition, it has a desirable bush type growth. The plant is smaller than most varieties, runner production is low and the pods are generally well bunched at the foliage level.

Purple Hull No. 49 was developed by plant breeders of the Texas Agricultural Experiment Station and is a selection from a cross between the Extra Early Blackeye variety and a productive but tiny, mid-season strain of commercial Purple Hull. The plant of the new variety is erect and compact and the seed pods are borne on long, erect stems. The mature seed have a light buffeye color.

This buffeye color permits the preparation of an attractive, processed product, both canned and quick-frozen, second only to cream peas. The only competitor of the new variety in early yield among available commercial varieties is Jackson Purple Hull. This competition is more apparent than real, says Brittingham, if the comparative ease of shelling and the appearance of the processed product are taken into account.

Brittingham adds that he will be glad to supply additional information to farmers who may be interested in producing certified

Working Parents At Weinert

P. F. Weinert, secretary of the Weinert Cemetery Association, has announced that there will be an all day working at the Weinert Cemetery Wednesday, March 14th. All who will help are urged to join in the day's work.

"If you are interested bring your lunch and tools and come help," Weinert said. "If the weather is bad on this day we will meet the following Wednesday," he added.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B1, B2, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B1, B2, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jiminez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B1, B2, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jiminez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jiminez's statement: "My son Floyd was very subject to colds. He's eleven years old and he was run-down, didn't seem to have an appetite at all, and just looked sick. I heard about HADACOL on the radio, and it was about this time that Floyd was just recovering from a siege of a bad cold. He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could no longer Floyd Jiminez see an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Men, women and children of all ages are praising HADACOL for supplying Vitamins B1, B2, Niacin and Iron which their systems lack. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

Young and Dan Daniels Wed In Ceremony at East Side Church Sunday

In a double ring ceremony solemnized in the East Side Baptist Church Sunday, March 4th, Miss Kayla Young became the bride of Mr. Dan Daniels, the Rev. W. T. Priddy, pastor, read the impressive rites uniting the young couple. The vows were repeated before an archway of white lilies, with baskets of lilies flanking the archway on both sides.

Pianist for wedding music during the ceremony was Mrs. Arlo Ivey, and Miss Betty Redwine recited "Love."

Miss Sarah Young, sister of the bride, was maid of honor, and Blondie Young of Munday was best man.

The bride's dress was navy and white organza with navy accessories. She carried a white Bible and three gardenias. The maid of honor wore a pink suit with navy accessories and a corsage of white carnations.

Following the wedding a reception was held in the home of the bride's parents, Miss Frankie Robison presided at the punch bowl and the double heart-shaped cake was served by Miss Yvonne Bullock.

The bride chose as her going away dress a rust suit with navy accessories and a corsage of white carnations.

Friendship H-D Club Meets With Mrs. Newton

A regular meeting of the Friendship Home Demonstration Club was held Friday, March 21, at the home of Mrs. Edward Newton.

As the opening exercise, the group sang "Juanita, after which eight members answered roll call. Mrs. Floyd McGuire was present as a visitor.

After a short business meeting, educational reports were made out for the past quarter.

Mrs. Dewayne Vaughn gave a demonstration on cutting and marking on stripe or plaid material.

Mrs. Claude Young directed a series of games, and Club Paquets were exchanged.

Refreshments of cold bottled drinks and cookies were served to the following: Mesdames Ted J. Atton, Leon Newton, Rob Edwards, Dewayne Vaughn, Claude Young, S. G. Cobb, Otto Vaughn, Floyd McGuire and the hostesses, Mrs. Edward Newton.

The next meeting will be held March 16th with Mrs. Leon Newton.

Regular Meeting Of Jud W. M. S. Held Tuesday

The W.M.S. of Jud met Tuesday, February 27 with Mrs. John Clemer presiding. Members joined in singing the opening song, "Who At My Door Is Standing."

Opening prayer was given by Mrs. S. E. Lewis. Mrs. C. S. Jetton gave a very interesting devotional from the 23rd Psalm.

The meeting dates have been changed to the first and third Thursday in each month, and the meeting time is 2:30 p. m.

The group sang "Bringing In the Sheaves" as the closing song and Mrs. J. H. Isbell gave the closing prayer.

There were seven members and two visitors present. They were: Mesdames Leon Pike, S. E. Lewis, John Clemer, Ira Short, Jimmy Adams, C. S. Jetton and Geraldine Pike; and visitors, Marilyn Pike and Mrs. J. H. Isbell of Junction, Texas.

Mrs. Erna Peiser Hostess to Trinity Ladies Club

The monthly meeting of the Trinity Ladies Club was held March 14 in the home of Mrs. Erna Peiser, with 14 members and one visitor present.

The program was opened with a prayer by Dora Klose. Lena Rueffer read the Scripture, A poem, "Crown Him With Many Crowns" was given by Lorene O'Keefe.

A reading, "The Bible," by Erna Peiser was followed with another poem, "From the Grave Remove Dark Crosses" by Henrietta Rueffer.

The program closed with the song, "Jesus Paid It All." After the program the business meeting was opened with the reading of the minutes and the treasurer's report. New and old business was discussed. Final plans are being made for the dedication of the Trinity Lutheran Church which is to be held April 15th.

The meeting was closed with a song and the Lord's Prayer.

A delicious refreshment plate was served to the following ladies: Mesdames Ella Peiser, Lilly Peiser, Henry Druessow, Sr., Henry Druessow Jr., Herbert Fischer, Lorene O'Keefe, Lena Rueffer, Henrietta Rueffer, Meta Rueffer, Lena Kubena, Dora Klose, Felix Klose, Adele Grogan, Leona Selig and the hostess, Mrs. Peiser.

The next meeting will be held April 5th in the home of Mrs. Lilly Peiser.

Miss Jerry Barton, Woodie Strickland, Wed In Los Cruces

Mr. and Mrs. Jesse Barton of Haskell are announcing the marriage of their daughter, Jerry, to Woodie Strickland, son of Mr. and Mrs. W. L. Strickland of Rochester. Double ring wedding vows were solemnized February 29 at 5:15 p. m. in the First Presbyterian parsonage in Los Cruces, N. M., with the Rev. Frank F. Jones officiating.

Mrs. Strickland is an employee of the Southwestern Associated Telephone Company, and Mr. Strickland is employed at the Corner Gulf Service Station in this city.

The couple will make their home in Haskell.

Canasta Club of Weinert Meets With Mrs. Liles

The Canasta Club of Weinert met with Mrs. J. W. Liles Thursday at 2 p. m. After a series of games, refreshments of ice cream and sodas were served to the following members: Mesdames W. I. Coggins, R. H. Jones, G. C. Newsum, A. Bartell, P. F. Weinert, Claude Reid, R. M. Baldwin, Fred Monke, W. B. Guess and the hostesses, Mrs. J. B. King and daughters, Linda and Mickie were guests.

Weinert W. M. S. Has Business and Social Meeting

The Weinert W. M. S. met for social and business Tuesday, Feb. 27, at 3 p. m. in the home of Mrs. Claude Reid.

Mrs. C. F. Oman led the opening prayer. The vice president, Mrs. W. C. Winchester had charge of the business session. Plans were made for a banquet for the senior class to be held in March. Devotional of Mrs. R. H. Jones. Birthdays of Mrs. C. F. Oman, Mrs. V. C. Hobbs and Mrs. Pearl Monke were observed. Closing prayer by Mrs. C. C. Childress.

A delicious refreshment plate was served to the following members: Mesdames Ed Roberts, Claude Reid, R. H. Jones, John Therwanger, V. C. Hobbs, C. C. Childress, J. W. Liles, W. B. Guess, W. A. King, R. C. Liles, Frank Oman, W. L. Johnson, W. C. Winchester, C. C. Oman and G. C. Newsum.

Members of Sewing Club Entertain Husbands

Members of the Rainbow Sewing Club entertained their husbands with a "42" party March 3rd at the City Hall, with Annie Pearl Lusk as hostess.

After the guests had assembled several hand-made gifts were sold, then partners were drawn for a series of games. During the evening a refreshment plate of delicious sandwiches, home-made pie and coffee were served, after which games were continued until a late hour.

Guests were: Messrs. and Mesdames H. D. Bland, Leonard Florance, Tony Patterson, Floyd Lusk, O. W. Tooley, Jim Alvis, W. B. Edwards, Alvin Corzina, Walter Rogers, Jess Johnson, Mrs. Eren Chapman, Mrs. Thelma Adams, and Mrs. W. E. Johnson.

NEWS OF INTEREST TO WOMEN

Mrs. D. L. SCIFRES Photo by Blohm

Miss Jenella Couch and Mr. D. L. Scifres Exchange Vows In Friday Morning Rites

In a ceremony beautiful in its simplicity, read in the pastor's study of the First Baptist Church, Friday March 2 at 8 a. m., Miss Jenella Couch, daughter of Mr. and Mrs. G. R. Couch, Jr., became the bride of Mr. D. L. Scifres, son of Mr. and Mrs. Jim Scifres of Ringling, Okla.

The impressive double ring rites were read by the Rev. M. D. Rexford, First Baptist pastor, in the presence of relatives and intimate friends of the young couple.

The bride chose for her wedding dress a blue ravy suit with pink accessories, and a corsage of blue iris. In keeping with wedding tradition, for something old she wore a diamond ring given her by a relative, and her ear screws were something new. Something blue was a butterfly applied on the lace flounce of her slip, and she had a penny in her shoe.

Miss Vera Sue Couch, cousin of the bride, was her attendant. She wore a dress of pink and carried a corsage of white sweet peas. Everett McClain of Ringling Okla., was best man.

Mrs. Scifres is a graduate of Weiner High School, Class of '50, and since June of last year has been employed in the bookkeeping and advertising department of The Free Press.

Mr. Scifres is a graduate of Ringling, Okla., high school, and for the past year has been employed with an oil drilling concern in the Haskell area.

The couple will make their home in Haskell.

Busy Blue Birds Meet In Home of Martha Jane Bynum

The Busy Blue Birds held their regular meeting in the home of Martha Jane Bynum on Tuesday afternoon at 3:00 o'clock.

The meeting opened with a Sing Song led by members of the group. Kay Graham told our story of the afternoon. Then all joined in to give our Blue Bird Wishes and discussing each wish separately. After this we settled to do our hand work. We cut out and made Easter baskets.

During the snack time Martha Jane and her mother served Pink Lemonade with cookies to the thirteen members present and Mrs. Lees.

Our next meeting will be in the home of Shirley Norman.

Miss Kayla Young Named Honoree At Gift Shower

The former Miss Kayla Young, whose marriage to Dan Daniels of Fort Worth was solemnized Sunday, was named honoree at a gift shower held in the home of Mrs. J. L. Bullock Wednesday afternoon, February 28th.

In the receiving line greeting the guests were Mrs. Dendy, Mrs. J. E. Redwine, the honoree, and her mother, Mrs. Bruce Young.

Presiding at the bride's book, where approximately forty guests registered, was Sarah Young, sister of the bride. The gifts were displayed by Yvonne Bullock. Punch and cookies were served the guests by Betty Redwine and Frankie Robison.

Hostesses were Mrs. J. L. Bullock, Mrs. L. B. Dendy, Mrs. Arlo Ivey, Mrs. J. E. Redwine, Misses Frankie Robison, Betty Redwine and Yvonne Bullock.

Observance of Federation Day Theme of Progressive Study Club Meeting Friday

The Progressive Study Club met in the Homemaking Cottage Thursday evening, March 1 in observance of Federation Day.

Guests were greeted at the door by Mrs. R. W. Herren, president, and invited into the dining room for light refreshments. Decorations used were in keeping with the State Federation theme, "Education for World Citizenship."

The refreshment table was centered by a replica of the little red schoolhouse. Place favors were program booklets cut in the shape of the schoolhouse. Cake squares served with the punch represented old fashioned slates. Mrs. Brooks Middleton presided at the punch bowl. Others assisting in the dining room were Mrs. Gladstone McLennan, social chairman, and her committee members, Mesdames Bill Holter, Royce Akins, Paul Lark, J. E. Ferguson and Miss Lucille Watson.

After a short social period Mrs. Herren formally welcomed the guests and recognized all visitors from out of town.

Mrs. Brooks Middleton, first vice president, introduced Miss Olive Hallmark, guest soloist from Wichita Falls. Miss Hallmark sang "Song of Love," "Love is Where You Find It," and "My Hero." She was accompanied at the piano by Mrs. Wilda Medford.

The highlight of the meeting was the address by Mrs. J. Howland Hodge of Midland, president of the Texas Federation of Women's Clubs, who was introduced by Mrs. R. W. Herren. Mrs. Hodge chose for her subject "Education for World Citizenship."

Mrs. Hodge, who is a most interesting speaker, made a very inspiring and informative talk. She emphasized the importance of women's role in public affairs and urged that women become better informed about what is taking place in the world today. Our position as homemakers and mothers behooves us to assume this responsibility, the speaker declared.

Mrs. Hodge advised women to back worthwhile projects for the youth of our country in order that they may better fill the roles that are awaiting them. She re-

mind her hearers that the language barrier is the greatest hurdle to overcome in solving the problems that confront the world today. That in itself causes much misunderstanding among nations, she pointed out.

At the conclusion of the program Mrs. Herren presented gifts to Mrs. Hodge and Miss Hallmark to show the Club's appreciation to them for their efforts in making the observance of Federation Day outstanding and memorable.

Guests at the meeting were Mesdames Sloan Strubling, Sam Massey, Herold Merriman, Blaine Extridge from Throckmorton; Mrs. C. R. Curtis, Longview; Mesdames Hubert Watson, Dave Walker, Hollis Haynes, J. L. Woodson, Garland Zimmerman, Raymond Astin, Stamford; Nettie McCollum, Mesdames N. I. McCollum, J. F. Cadenhead, Sr., Tanyne H. Squyres, R. C. Couch, Sr., Hugh Smith, A. C. Foster, Jr., C. L. Lewis, Bill Lawson, W. P. McCollum, George Fouts, Harold Spivey, Wix, Curry, Jr., Jim Byrd, Royce Smith, Jack Roten, Earl Atchison, S. Hassen, K. H. Thornton, F. W. Martin, William Kemp, Hughie Watson, Joe E. Thomson, Jack Lane, W. E. Woodson, Tomnye B. Hawkins, Robert Wheatley, Joe Tyson, R. L. Burton, J. G. Vaughter, J. U. Fields, Ada Rike, J. M. Collins, Viars Felker, J. E. Walling, Jr., R. A. Lane, Raymond Davis, W. O. Holder, W. H. Pitman, Nancy P. Painter, J. E. Ferguson, Bill Holter, G. McLennan, Lucille Watson.

Decorations used throughout the building were made by the Art Committee composed of Mesdames Joe Tyson, Lynn Waldrup, Eugene Frierson, and F. W. Martin.

First Navy doctor to lose his life in Korea was Lt. Peter Emilio Arioli, USNR, 2928 Derby St., Berkeley California. He was one of 38 Navy Medical Corps personnel killed in Korean action.

Regular Meeting of Magazine Club Held Friday

(By Nancy Pence Painter)

The Magazine Club held its regular meeting at the Club House Friday afternoon, March 2. Mrs. Ada Rike, the president brought the meeting to order. Mrs. Rike had the roll call given by the secretary, Mrs. Joe C. Tyson; the minutes were read and approved, then the treasurer's report by the treasurer, Mrs. K. H. Thornton.

Due to the non-appearance of the speaker, Dr. Ella P. Levett, associated with Hardin-Simmons University, the director, Mrs. John Couch turned the meeting into an Open Forum. Before doing so she had unfinished business brought before the club. Mrs. Robert Wheatley was named delegate to the Texas Federation of Womens Clubs District convention held at Mineral Wells. The delegate to the General Federation of Womens Clubs, to be held at Houston was not chosen at this date.

At this time the director opened the meeting to the membership and guests. Mrs. J. U. Fields introduced this reporter to the club, and then the director asked her to tell the club how she liked Haskell, and to make a few remarks on any subject she wished.

The reporter said that she and her mother were happy to be here, as it was quiet and that her mother was glad to be away from the noise of the city. She compared Texas to the Eastern Sea Board states and said that the New England states were like a little of the old country set down in our country. She said she could understand Horace Greeley's remarks when he said, "Go west, young man, go west."

It just did not mean from adventuresome and pioneer angles, but to get away from the foreign element. Some parents can not even speak the English language today. The Polish and Slovak people are a very pronounced element in the New England states. As immigrants they land in New York and they do not have the money to travel far and so only go for a short distance.

She continued, "That when one gets to the Southwest, one commences to feel the difference of the wide open spaces and the more friendly attitude of the people."

Mrs. O. E. Patterson played a piano selection. When she finished that number Mrs. Fields insisted she play Turkey in the Straw as Texas Day could not go by without that song.

Mrs. Terry C. Diggs brought to the attention of the club the value of the Pan-American work being done by the Texas Federation of Womens Clubs and what the Magazine Club was adding to this worthwhile project. The Texas Federation has given scholarships at various times to Mexican girls for attending the University of Texas. These girls are achieving worth while acclaim by their government for the work with their fellow countrymen. The club voted to give \$5.00 toward the Pan-American fund.

The members all agreed that they had enjoyed this Open Forum meeting very much. The meeting closed by the membership singing the state song, "Texas, Our Texas."

Cake and punch were then served to the guests.

March 3 to 11 Being Observed As National 4-H Club Week In Nation

(By THELMA WIRGES, County Home Demonstration Agent)

Calendar of the year a filled with weeks and days set aside for various organizations. The purpose is to keep the public aware of the objectives, accomplishments, and values of these organizations and to deepen the loyalties of members. It is neither possible, nor wise, to observe all of them, so it resolves itself to selecting those events that concern our lives. National 4-H Club Week is of special concern to the American people because it calls attention to the opportunities offered to rural boys and girls through 4-H Club Work. It may go even farther and re-affirm the conviction that cultivation of the earth is the most important labor of man, and farm life is a satisfying one.

National 4-H week was March 3-11. It really should fall in the week that has the date of May 8 for it was on that date that the Federal Congress passed the law which made Agricultural Extension Work possible. It was then that our Government made an investment in rural youth.

At this time, here in Haskell county we have 206 4-H club girls in seven 4-H clubs, representing

the rural youth of Haskell County, working together for world understanding. During this week these girls with the help of their local adult leaders will observe this week, as a very important one in their lives. They will have local 4-H programs at special 4-H meetings, have window displays, and exhibits, send in special reports, use 4-H posters and stickers, give programs to home demonstration and other civic clubs, and use other ways to show the county as well as the State, and Nation that they are doing their part in working toward their theme, "Working Together for World Understanding."

Meeting of Dennis Chapel HD Club Well Attended

Regular meeting of the Dennis Chapel Home Demonstration Club was held March 2 in the home of Mrs. Clyde Walker with seven members present.

For the opening exercise, Mrs. D. I. White read the Collect for Club Women. Each member answered roll call with a subject from the year book.

Mrs. Guy Marshall gave the "sleek trick." She said that to press your seams open, run a damp toothbrush down them before pressing.

The Weinert 4-H Club girls gave a demonstration on finishing hems in dresses.

Refreshments were served to 4-H girls, Doris Hutchinson, Joan Winchester, Carolyn Draper and Stevens; and members Mesdames R. E. Hutchinson, Cecil Hutchinson, Elwood Hackney, Guy Marshall, Coyt Hix, D. I. White and Walker.

Mrs. Tom Murphy Hosts Meeting of Rochester Club

The Ladies Birthday Club of Rochester met with Mrs. Tom Murphy February 27th for an all day meeting.

A covered dish luncheon was enjoyed and the day was spent in chatting, knitting, crocheting and embroidering.

Members present were Mesdames L. M. Kay, John Mansell, W. J. Bragg, V. Alvis, W. Z. Wadzeck, J. L. Richardson, A. A. Gauntt, J. A. Branton, and the hostess. Guests were Mrs. Waldo of Rochester and Mrs. John Forman of Collins.

Mrs. Col presented Mrs. Murphy with a lovely pot plant of Arabidopsis and primrose.

Texas farmers should produce at the highest possible levels in 1951 in order to combat the high costs of living and production and to reduce the chances of financial loss. High and efficient farm production will also aid in the fight against inflation.

SAFE DRIVING CAN BE TAUGHT—And Texas has proved it. Gov. Allan Shivers receives from R. B. Cousins, Jr., center, of Austin, a plaque awarded Texas for "meritorious accomplishment in teaching safe driving to 40,000 high school students during the 1949-50 school year." Casualty Insurance Commissioner J. P. Gibbs looks on at right. The award was the second in as many years to be given Texas by the Association of Casualty and Surety Companies. Texas began teaching safe driving four years ago and now offers the course in 432 of the state's 1,450 high schools.

The purpose is to keep the public aware of the objectives, accomplishments, and values of these organizations and to deepen the loyalties of members. It is neither possible, nor wise, to observe all of them, so it resolves itself to selecting those events that concern our lives. National 4-H Club Week is of special concern to the American people because it calls attention to the opportunities offered to rural boys and girls through 4-H Club Work. It may go even farther and re-affirm the conviction that cultivation of the earth is the most important labor of man, and farm life is a satisfying one.

National 4-H week was March 3-11. It really should fall in the week that has the date of May 8 for it was on that date that the Federal Congress passed the law which made Agricultural Extension Work possible. It was then that our Government made an investment in rural youth.

At this time, here in Haskell county we have 206 4-H club girls in seven 4-H clubs, representing

Rev. M. D. Rexrode Speaker at Lions Meeting Tuesday

With a marked increase in attendance of members and the presence of a number of visitors, members, and guests at the Lions Club weekly luncheon and meeting Tuesday heard an inspiring talk by Rev. M. D. Rexrode, pastor of the First Baptist Church. Judge T. R. Odell was in charge of the day's program.

Lion Royce Adkins gave a report on the recent HHS football banquet, reporting a deficit of \$50 for the affair. Lions, as co-sponsors of the banquet with the Quarterback Club, voted to assume one-half of the deficit.

Announcement also was made of the coming visit of the Chest X-Ray unit to Haskell. Lions are taking care of publicity for the project.

Rev. Rexrode, speaking on "Characteristics of a Noble Life", pointed out that the concern of every man is a desire to live a good life, and quoted from Proverbs 22:1 "A good name is rather to be chosen than great riches."

"In order to be something, a man must have something to live by; we must believe in our country and in the liberty of man—but above all we must not leave God out, we must believe something of the teachings of Christ," the speaker admonished.

"Every opportunity is wherever the individual is: The sculptor sees the face of an Angel in a piece of granite, and the artist visions a beautiful scene on a piece of canvas. Likewise, we need to see possibilities and turn them into actualities," the minister concluded.

Guests at the meeting included Howard Isaacs, Ford tractor representative from Sweetwater; Nellie Chapman, new C-C president; Johnny Watkins, Farm Bureau representative of Waco; Sidney Lanier, Bob Mabrey, R. C. Couch, J. E. R. Stark, and Covell Adkins.

All medical care for the Marine Corps is provided by the Navy

Haskell Sailor In Amphibious Group Is Commended

John H. Withers, quartermaster, first class, USN, and nephew of Mrs. Joe F. Ragsdale of Route 3, Haskell, recently received a letter of commendation from Rear Admiral J. H. Doyle, USN, Commander, Amphibious Group One, for his contribution to the success of amphibious operations at Pohang-dong, Inchon, Wosan, and Hungnam, Korea.

The admiral noted that during the amphibious operations at Pohang, Inchon, Wosan and Hungnam, communications personnel performed their duties in an outstanding manner.

J. M. Crawford To Head Defense Bond Sales In County

J. M. Crawford of Haskell has been appointed Haskell County Defense Bonds chairman, it was announced today. He succeeds Roy Johnson of Haskell, who resigned. The appointment was made by Nathan Adams, Dallas, State Defense Bonds Chairman.

Mr. Crawford will be in charge of all phases of promotion for U. S. Defense Bonds in the county. As county chairman, he joins a statewide volunteer organization whose efforts are a contribution to public service.

In accepting the appointment, he said that U. S. Defense Bonds give every person who buys them an opportunity to help both himself and his country during this period of grave national crisis.

"This nation again is embarked upon a program of preparedness and defense, and the continued sale of U. S. Defense Bonds is a vital part of the defense program," he said. "The sale of Defense Bonds provides money to feed and equip our armed forces and also helps to curb inflation. At the same time, people who buy and hold Defense Bonds now will build for themselves a reserve of savings that will come in mighty handy in future years."

Larger Cotton Acreage Seen This Year

Cotton will be planted in 226 counties in Texas this year. Indications are that the acreage planted will be stepped up greatly because of reductions in flax, sorghum, vegetable and small grain acreages. These reductions are due largely to adverse weather during last fall and winter says F. C. Elliott.

Elliott, who is cotton specialist for the Texas Agricultural Extension Service, says farmers have shown a big interest in varieties of cotton adapted to the use of machine strippers and pickers.

Our records show that definite progress is being made in the 7-step Cotton Program, Elliott states.

He lists the seven steps in the program as (1) fit cotton into balanced farming, (2) take care of your soil, (3) act together on the best variety, (4) make your labor count, (5) control cotton insects and diseases, (6) pick and

gin for higher grade, and (7) sell for grade, staple and variety value.

In 1948, the program assisted in fitting cotton into balanced farming on 28,043 farms in Texas. This number was increased to 31,115 in 1949, and to 48,181 last year.

Although little increase in soil improvement practices occurred during the past two years, over the 1948 figures, Elliott says farmers have indicated that they will fertilize about 20 per cent of the cotton acreage in 1951. Eleven per cent is the most that has ever been fertilized in the past.

Anniversary of Founding of Camp Fire Girls To Be Observed March 11 to 17

More than 360,000 Camp Fire Girls in every section of the country are looking forward to next week when they will observe the forty-first anniversary of Camp Fire's founding.

Camp Fire Birthday Week which begins Sunday, March 11, will end on Saturday, March 17, the organization date of founding.

In announcing "EVERYBODY COUNTS" as the theme of Birthday Week and the 1951 Birthday Project around which Camp Fire Girls will center many of this year's activities, Mrs. Richard W. Block of Marshall, Texas, national president of the organization, said, "Today when, in so many parts of the world, the individual is only a cog in his government and an unimportant cog at that—it is vital that we in America stress the fact that everybody counts. I am glad that Camp Fire Girls have chosen to focus the country's attention on that very basic belief.

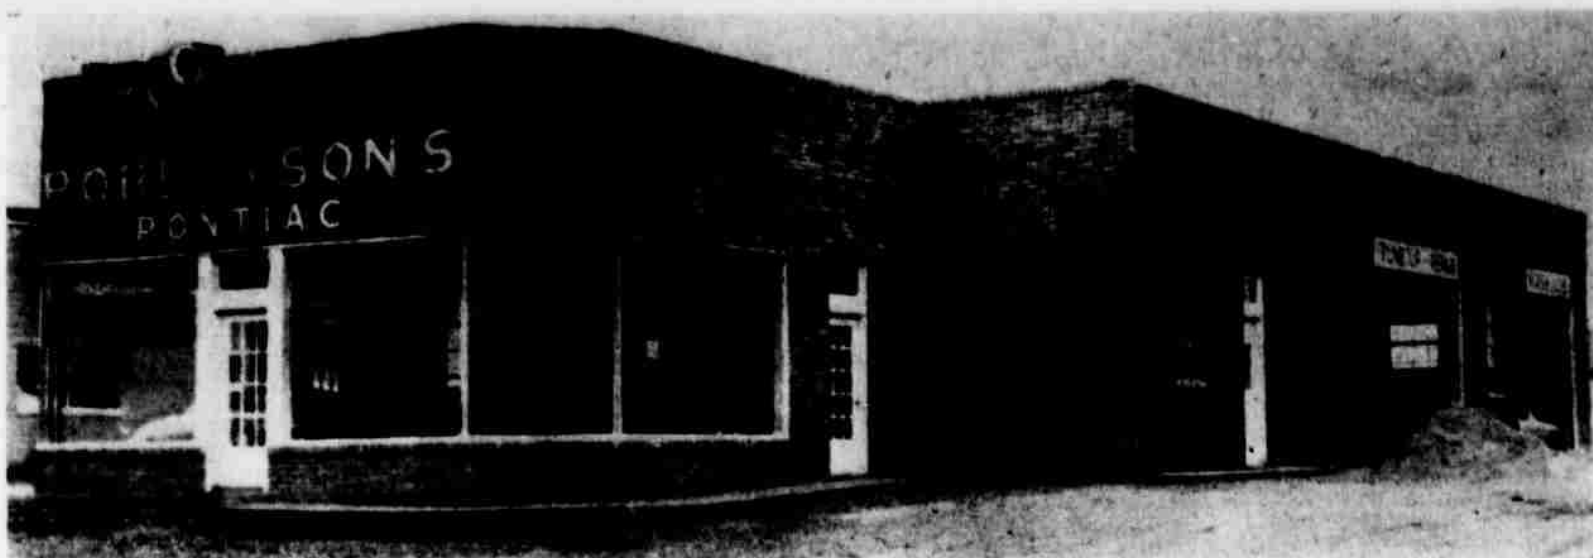

"Through our birthday project, Camp Fire Girls will first discover the place of individuals within the community and the richness of experience and pleas-

ure that is singular to every age group."

They will learn too, that everybody counts in service for freedom. Some of the year's activities will emphasize what they themselves—from seven-year-old Horizon Club girls—can do to strengthen democracy. Camp Fire Girls was founded in 1910 by Dr. Luther Halsey Gulick and a group of progressive educators Jane Adams, founder of Hull House was one of the incorporators. Since its founding more than 2,000,000 girls, now grown to womanhood, have enjoyed Camp Fire's fun and friendship. Haskell can boast several women of adult age who have in the past been leading Camp Fire girls and active in its work.

GRANDMOTHER MILLER AND MRS. A. HALL OF ROCHESTER ILL

Friends in this section will regret to learn of the serious illness in Rochester of Mrs. A. Hall and Grandmother Miller. Also that Mrs. G. M. Sharp of that city, who was seriously burned several weeks ago, is still in a critical condition.

Pictured is the modern new building and home of Robertson Pontiac Company in this city. Formal opening of the new build-

ing was held last Saturday. The large building, 96x40 feet, was designed expressly for the automobile agency which is owned by three brothers, Chester, Lavold,

and M. W. Robertson. A large automobile showroom, dominates the front of the building, which also contains agency offices and parts department.

Rear section of the building is occupied by a modern service and repair department. Photo by Blohm

Formal Opening of New Pontiac Home Held Saturday

Formal opening of the modern new home of Robertson Pontiac Company, 401 South Avenue E, was held last Saturday, when visitors called throughout the day to inspect the modern new building and the several new 1951 models of Pontiac automobiles displayed in the agency's showrooms. Attractiveness of the showrooms was enhanced by baskets and arrangements of flowers sent by more than a score of well wishers and friends of the automobile concern.

The several hundred visitors who came to inspect the new building and see the new Pontiac cars on display were served refreshments of cold drinks and cakes, and favors were given the children. Visitors were shown through the various departments by agency owners, Chester, Lavold and M. W. Robertson, joined by the personnel of the firm, Miss Delight Ash, bookkeeper, A. J. Long, Emmet Bales and Lewis Hughes of the mechanical department.

Minister Endorses X-ray Project As Health Service

Rev. T. G. Craft, local Methodist pastor and chairman of the Haskell Ministerial Council, this week issued a request to all pastors of the city that announcement be made Sunday at both morning and evening services of the coming visit of the State Department of Health's mobile X-ray unit to Haskell.

Rev. Craft pointed out that the X-Ray unit will be in Haskell March 16, 17, 19 and 20th to X-Ray all citizens 15 years of age or older.

"This X-Ray service is paid for by tax money, and every citizen is urged to receive this service already paid for by all the people," Rev. Craft said. "The X-Ray will reveal ailments of the lungs and chests not easily diagnosed otherwise, and it is hoped that all people will take advantage of this health service," the minister added.

Saving up to 50 percent can be made if the growing boy's shirts, pajamas and shorts are made at home.

CALENDAR OF CHURCH SERVICES

Monte Frierson To Reopen Shop In This City

Monte Frierson, electrician and refrigeration specialist, announced this week that he was reopening for business in Haskell. He has been in business in Seymour for the past year, but he and Mrs. Frierson and their son, Monte Wayne have returned to make their home here.

He will specialize in refrigeration service, and will also do electrical wiring and motor repair.

Clothes of Simple Design Suggested For Young Boys

When a boy reaches the period between six and 12 years of age, his clothing and appearance become mighty important to him. Mary Routh, clothing specialist for the Texas A. & M. College Extension Service, says that boys of this age want freedom of movement in their clothing and that parents should be understanding about the selection.

Miss Routh points out that a reasonable amount of wear and tear must be expected. A simple design, sturdy materials, and good construction should be considered carefully, she says, when purchases are being made.

A cotton knitted or fabric shirt, slacks, socks and oxfords are the traditional garments for most grade school boys. Jackets of various styles are usually more popular than coats, but in extremely cold weather, overcoats are needed. In buying an overcoat, Miss Routh warns, be careful not to get it too big nor too tight.

Sweaters for six to 12-year-old boys should be of a durable fiber, such as combed cotton or wool and they should be color fast. The cotton knit shirt is popular item with all ages. The best quality knit shirt is preshrunk and color fast. It is made from fine, durable, mercerized cotton yarn. Miss Routh advises mothers to get good values when they buy boys' clothing but at the same time see that it is appropriate and comfortable. Boys' shirts, pajamas and shorts can be sewn at home, at a saving of about 50 percent, she says.

In 1950, there were 477,077 home gardens in Texas, says J. E. Hutchinson, associate horticulturist for Texas A&M Extension Service. Home gardens usually produce about 25 per cent of the total vegetables grown.

If each of these gardens produced \$50 worth of food last year, that would be \$23,853,800. As the housewife knows, it does not take much food to be worth \$50 these days.

If each garden produced \$100 worth of food, the figure would be \$47,707,600—quite a contribution to the Texas food bill.

Each person needs from 600 to 700 pounds of fresh vegetables annually, says Hutchinson. He believes that, in these tense and unsettled times, it is the patriotic duty of everyone to keep themselves physically fit.

Home gardens will help provide the fresh vegetables needed in the daily diet. Hutchinson urges families to plant home gardens and thus produce as much of their vegetable supply as is possible.

TRINITY LUTHERAN CHURCH EXPRESSES THANKS TO FIRST PRESBYTERIANS

The members of the Trinity Lutheran Church of Haskell wish to send thanks to the First Presbyterian Church for their kindness, and use of their church during the construction of our church. Your kindness will always be remembered.

You are cordially invited to attend services and visit with us at any time. Members of the Trinity Lutheran Church.

WEEK-END VISITORS IN HASKELL

To All Poultry Raisers - - -

Greetings

We can help you to bigger poultry profits! Mr. Walter Chatwell, noted poultry specialist from Lubbock, will be in our store Monday and Tuesday, March 12th and 13th. Poultry raisers who desire to have their flocks culled are invited to come in and sign up on these dates. Culling out non-producers from poultry flocks not only cuts down on expense for feed, but increases production and profit as well.

News From Sagerton

Surprise birthday party was held in honor of Margie Lehrmann at the home of Mr. and Mrs. Humphreys Friday night, February 27, but the party did not start until Saturday morning. Bunky Humphreys and Shirley Schronerstedt were host and hostess for the Games were played and refreshments of birthday cake, cookies and were served. Refreshments of canapes, cake and punch were served to the following members, Mmes.: Reece Clark, M. Y. Benton, Will Stegemöller, Charles Clark, Pete Kittley, Antan Tichelman, O. K. Oelke, F. A. Stegemöller, Delbert LeFevre, Edward Nienast, A. C. Knippling, J. C. Kainer, Miss Wiggins, and Mrs. Oscar LeFevre, a visitor, and the hostess.

The next meeting will be held Tuesday, March 13, in the home of Mrs. Reece Clark.

Mr. and Mrs. Cliff LeFevre spent last week-end visiting Mr. and Mrs. Edward Laughlin and family at Cyril, Oklahoma.

Mrs. Lawrence, whose home is in Aspermont, spent last week-end visiting Mr. and Mrs. Glynn Quade and children.

Reagan Bell of Huntsville visited old friends here last week. He was a resident of Sagerton twenty years ago.

Rev. and Mrs. H. E. Driessner

are the proud parents of a son, Richard, born Saturday morning, March 3, in the Stamford Hospital. Rev. Driessner is pastor of the Zion Lutheran Church here. They have two other sons, Ronald and Jerry.

A Bride! Shower, honoring Mrs. Norvell Lehmann, the former Doris Monse was held in the basement of the St. Paul's Lutheran Church, Thursday afternoon, March 1. A linen tablecloth with cut-work design covered the refreshment table which featured a bride and groom centerpiece. Canapes, olives, and angel food squares decorated with hearts were served with punch. Silver embossed napkins with the words "Doris and Norvell" inscribed were used.

Hostess for the affair were: Mmes.: Herman Nauert, Alvin Lulle, Clancy Lehmann, Bernard Letz, Carl Opitz of Haskell, Raymond Hilscher, Gear's Monse of Stamford, and Werner Tichelman.

Mr. and Mrs. Edwin Franks and children and Margie, James, and Sara Lehmann visited in the home of Mr. and Mrs. Albert Suter near Old Glory Sunday.

Dinner guests in the home of Mr. and Mrs. Anton Tichelman Sunday, February 25 were: Rev. and Mrs. O. K. Oelke and son, Luther, Mr. and Mrs. A. L. Smith, Mrs. Mary Schronerstedt of Stamford, and Mr. and Mrs. Elmer Peedecker and children.

Mr. and Mrs. Weldon Trede-

meyer are the parents of a son, Larry Weldon, born February 26, in the Stamford Hospital. Mrs. Wm. Trede Meyer, the baby's grandmother, also celebrated her birthday on the same day. Friends and relatives dropped in Monday evening to help her celebrate.

Dinner guests in the A. C. Knippling home Sunday were: Mrs. J. F. Schaake and family, Mr. Herman Rabbelt and Lillie May of Stamford and Morris Siegler of Lubbock.

Guests in the home of Mr. and Mrs. Barney Ross and children recently were: Mr. and Mrs. Bill Dublin.

Mr. and Mrs. A. C. Knippling accompanied by their daughters, Lois, and Dahlia, who is in charge of the Homemaking department at Rule High School, and Barbara Wilson and Marlene Crawford both of Rule, attended a F.H.A. meeting at Levee last Saturday.

Mrs. A. C. Knippling observed her birthday Thursday evening, March 1, when friends and relatives dropped for an evening of cards, canasta, and other games. Those present were: Mrs. J. F. Schaake, Erna and Walter, Mr. and Mrs. Albert Knippling, Mrs. Dan Rinn and Ruth Ann, Mr. Herman Rabbelt all of Stamford, Mr. and Mrs. C. C. Bredthauer, Mr. and Mrs. Frank Boedecker, Mr. and Mrs. C. E. Stegemöller, Rev. and Mrs. O. K. Oelke and Luther, Mr. and Mrs. Otto Schaake, the honoree, and Mr. Knippling and daughters, Lois and Dahlia.

The Sagerton P. T. A. held their regular monthly meeting in the school auditorium Tuesday night, February 27. Mrs. John L. Guinn, president, conducted the business session. The first and second graders, under the direction of their teacher, Mrs. Hamby, gave two musical numbers. A film, "The Kansan" was shown. The next regular meeting will be held March 27.

Mrs. Jimmy Baker and sons, Ronnie and Rocky, of Avoca visited with Mr. and Mrs. Zenor Summers and family last week.

Mr. and Mrs. Oscar LeFevre of New Mexico left Saturday for Oklahoma after spending the week visiting in the home of Mr. and Mrs. Cliff LeFevre.

The O-K-I-HI Camp Fire girls met in the home of Margie Counts last Wednesday afternoon. They elected new officers for this year. They are: president—Elizabeth LeFevre, vice president—Sue Hertel; secretary—Jeanette Helm, treasurer—Gloria Gibson, reporter—Margie Counts. They met in the home of Gloria Gibson last week and they will meet in Elyza LeFevre's home next week.

The Stitch and Chatter Club met in the home of Mrs. Anna Hankins last Wednesday afternoon, February 28. Refreshments were served to the following members: Mmes. Ben Hess, R. N. Shield, John Clark, Charles Clark, M. Y. Benton, Melvin Lewis, Cliff LeFevre, G. A. Leach, Edgar Jennings, R. O. Gibson, the hostess, and a visitor, Mrs. Oscar LeFevre, from New Mexico.

The Red Cross Drive which was started last Wednesday was a great success and Mr. B. Kupatt, chairman, reported that the Sagerton-Vernon quota of \$350. was not only reached, but went "over the top". Nineteen workers covered the territory. They were: Edward Nienast, Delbert LeFevre, Mrs. Carl Sims, Mrs. R. O. Gibson, Jr., Mrs. R. R. Clark, Mrs. D. W. Counts, Mrs. A. C. Knippling, Mr. Loll Young, Miss Irene Stewart, Mr. Melvin Lewis, Carl Hertel, Mrs. F. A. Ulmer, Mr. E. C. Laughlin, Mr. and Mrs. Jimmy Wills, Mr. Vernon Wofford, Mr. Fred Knippling, and B. Kupatt.

Oklahoma Firm Low Bidder On F-M Road Job

Stone Construction Company of Ardmore, Oklahoma, was low bidder on a Farm to Market Road Project planned in Haskell County, according to press dispatches from Austin Thursday. The Haskell project was included in forty-two other projects including 176 miles of farm-to-market roads on which the State Highway Department had asked bids.

The Haskell County project, located in Precinct 4, is for Farm Highway 1225, a stretch of 8.7 miles from State Highway 283 to U. S. 277. Bid of the Oklahoma construction company was \$72,452 for grading, structures, base and surface on the approximately nine miles of road.

Brand-new kind of Special Delivery

GET your hands on this strapping G honey and hold onto your hat and heart.

For this sparkling new car—and we mean *completely new*—is the smartest, the richest, the highest-powered automobile Buick has ever provided at its bedrock SPECIAL price.

Literally, everything here is new but the name.

There's a brand-new X-member frame that's brawny and rugged, and a weight saver in the bargain.

There's a brand-new chassis—but still with the buoyant cradling of coil springs on all four wheels, the solid keel of a torque-tube, the soft steady going of Safety-Ride rims and cushiony low-pressure tires.

There's a brand-new body of spacious dimensions and a stunning interior richer than anything in SPECIAL history—a lighter, ruggedly strong steel body in a full array of styles, including a Convertible and Riviera.

Yes, all this and brand-new power, too!

It's wallowing new straight-eight valve-in-head Fireball power from an engine that's entirely new to this

Buick Series—the high-economy F-263 Fireball engine.

With more power to call on, and with less weight to carry, this nimble traveler zooms to new performance even greater than that of most cars beyond its price range.

Better come in real soon and meet this brand-new kind of SPECIAL delivery—and the low delivered prices that go with it.

No other car provides all this:

- DYNAFLOW DRIVE—moves style on driver and car
- FIREBALL POWER—high-compression, valve-in-head engine gets more good from every drop of fuel
- PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS—greater clarity of light
- TORQUE-TUBE DRIVE—steady ride, improves driving control
- 4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs
- DUAL VENTILATION—outside air fed separately to right or left of front compartment
- SELF-SERVICING BRAKES—hydraulic—multiply pedal-pressure five times of brake drum
- DREAMLINE STYLING—tapered, car-length fenders, gleaming sweepback on roof models
- Plus: Self-locking luggage lid, Stop-On parking brake, two-way ignition key, Safety-Ride rims, Hi-Power engine matching, Body by Fisher

ONEAL'S

RECIPE OF THE WEEK

By Mary Lee Taylor

Deviled Egg Salad

8 hard-boiled eggs
4 tablespoons sweet pickle relish
1/2 teaspoon salt
1/2 teaspoon dry mustard
1/2 teaspoon paprika
3 tablespoons mayonnaise
3 tablespoons milk

8 small whole pickles
4 tablespoons sweet pickle relish
1/2 teaspoon salt
1/2 teaspoon dry mustard
1/2 teaspoon paprika
3 tablespoons mayonnaise
3 tablespoons milk

Shell eggs; cut in half lengthwise. Mash yolks; stir in 3 tablesp. pickle relish, 1/2 teasp. salt, dry mustard and pepper. Stir in 3 tablesp. milk. Take out 3 tablesp. of mixture. Fill whites with rest of mixture. Garnish with pimiento. Chill. Mix the 3 tablesp. mixture with 2 tablesp. milk, 4 teasp. pickle relish, oil, vinegar and 1/2 teasp. salt. Chill. At serving time put eggs in 4 nets of cabbage. Spoon dressing over eggs.

You Will Need:

Pet Milk, Sweet Pickle Relish, Eggs, Vinegar, Salad Oil, Cabbage, Pimiento.

Haskell In 53-County Area Served By Ft. Worth Office Price Stabilization

Haskell is in the 53-county area of West Texas which will be served by the new District Office of Price Stabilization now open in Fort Worth, Acting Director Ellis H. Boyd announced.

Immediate effort of the Fort Worth OPS office is to inform the public and affected businesses of the General Ceiling Price Regulation issued on January 26 and subsequent amendments.

"It is important that all businessmen realize that their prices are frozen by the regulation unless their type of business is specifically exempt," Mr. Boyd said. "Many businessmen seem to be waiting to comply until they are told that their business is regulated, but in most cases they already are affected by the order."

Two important amendments to the regulation, Mr. Boyd pointed out, give retailers until March 22 to compile statements showing their highest costs and selling prices of all items during the base period of last December 19 to January 25, and place most goods

sold in department stores, furniture stores, and men and women's apparel stores under a "margin" pricing formula based on mark-ups of February 24.

Copies of the General Ceiling Price Regulation have been forwarded to the Haskell Chamber of Commerce and are available there to business men who should study them in detail, Mr. Boyd said.

"It is hoped that business men will take steps to comply with the regulations immediately in order to preclude enforcement action," said Acting Price Specialist Richard A. Martin in Fort Worth.

The tentative 53-county district served by the Fort Worth OPS office is bounded on the north by the Red River from Hardeman County on the west to Cooke County on the east. Crockett County forms the southwest corner of the district and Lampasas County is the southeast corner.

Capt. E. R. Clifton Now Marine Test Pilot In Korea

Capt. E. R. Clifton, Jr., son of Mr. and Mrs. E. R. Clifton of this city, Marine Air Corps pilot in Korea, has been assigned as test pilot of the Marine Air Corps, relatives here learned this week. Captain Clifton, who has been on the Korean front for the past seven months, and has made a number of missions as a night fighter pilot, was recently assigned as commander over all new planes coming into Tokyo, directing assembly of the planes and then test flying them.

Captain Clifton made his first solo flight at the age of 18 while living at Kermit, Texas. His parents later signed papers for his enlistment in the Navy Air Force. After receiving his commission as a Navy pilot he was transferred to the Marine Air Force.

In letters to his parents and brother here, Capt. Clifton tells very little about the progress of fighting in Korea but has intimated that he believes some of the men may be back in the States by June.

Haskell Student Is Sorority Pledge At U. of C.

The Beta Kappa Chapter of Kappa Delta at the University of Colorado, Boulder, Colo., announces the formal pledging of Miss Bobbie Herren, daughter of Mr. and Mrs. Robert W. Herren of Haskell.

Bobbie is a graduate of Haskell High School where she was active in music circles. At the University she is social chairman of her dormitory. She is a freshman majoring in English.

Weinert Soldier Wounded In Action Recently In Korea

Mr. and Mrs. Dick Therwhanger of Weinert have been informed that their son, Sgt. Billy Therwhanger has been slightly wounded in action while serving with U. S. forces in Korea.

According to information received by the parents, Sgt. Therwhanger was driving a truck near the front when a bullet struck a gas tank in the truck beside him, then struck Therwhanger in the side, knocking him out.

The Weinert soldier told his parents that his division, the Second Artillery, was caught in a hard battle with the enemy. The action continued 24 hours while the U. S. troops fought through a seven mile road block with the enemy throwing everything they had at them. The Second lost all guns except four, and two-thirds of their men were casualties. "The battle was really tough, especially since the fighting was in mountainous country, in cold and muddy terrain," Sgt. Therwhanger declared.

VISIT IN COLEMAN SUNDAY

Mrs. W. H. Starr and daughter Ora Stovall spent Sunday in Coleman, where they visited in the home of their daughter and sister, Mrs. Bri Harrison and Shirley.

477,076 home gardens were grown by home gardeners in Texas last year. The total in 1951, because of the present emergency, is expected to exceed last year's total.

4-H Club Week To Be Observed March 3 to 11

Texas 4-H Club members, 116,237 strong, will join with the approximately two million other members in the United States to observe National 4-H Week, March 3 to 11. They will be joined by the 250,000 volunteer local adult leaders, the more than 14 million former members, thousands of Agriculture Extension Service workers and their parents and friends.

According to Thelma Wages County Home Demonstration Agent, the purposes of the week are to provide 4-H members a special occasion for checking their own efforts in relation to the needs of their community and country; to acquaint the public with the 4-H theme for 1951—"Working Together for World Understanding"; to inform all parents of the objectives of the 4-H clubs; to encourage the members to interest other young people in enrolling and in assisting the new members to get started in their 4-H work; and to enlist more public-spirited citizens as voluntary leaders or sponsors of 4-H clubs.

The 4-H members, with their leaders, here in Haskell County, have planned many activities for the week. There will be exhibits portraying the work of the members; and 4-H members will appear as guest speakers before civic clubs, farm organizations and other groups.

BAD MEN OF Tombstone

BARGAIN NITE ON TUES. AT TEXAS

Sky-Vue Open March 17

Recent photograph of a Texas primary highway

\$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show \$115,282,344 was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . .

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Centers," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.
