Gathering Cotton Crop Underway; 103 Bales Ginned

Gathering of the area's 1950 cotton crop, delayed by lateness of planting and unfavorable weather appeared to be getting underway in the Haskell area this week, with all of the city's five gins in operation on a part-time basis and ready for moving into full scale processing of what is expected to be an exceptionally good yield.

Up to Thursday noon, reports from four of Haskell's five gins plants showed that 103 bales had been ginned here, with an increasing flow of the staple expected if weather conditions remain favorable for maturing the bolls.

Cotton is reported opening in the fields in all parts of the county, with the earliest maturing in the south and southwest areas where rainfall was lighter during the summer, resulting in advance maturing of bolls.

Sewing Circles May Flourish In New Setting
 The old-fashioned sewing circle is on the way back in a new form. Recently opened in several cities throughout the country are "sewing machinerettes," based on the same ideas as the laundrette. For a quarter, women can rent a sewing machine for an hour. There are 20 machines available at each "sew-e-rette." Also available are ironing equipment, cutting tables, and a sewing assistant for those who need guidance. Beginners can get instructions in class or in private lessons from teachers who are available for a reasonable fee.
 Maurice L. Howard, president of the Stitch-in-Time-Systems, says that machinerettes soon will be established in many other cities to take care of the consumer. Surveys indicate. One pattern company reports that its sales have increased tremendously. Consumer surveys indicate. One pattern company reports its sales have increased six-fold from 1940 to 1950. A recent survey among a sampling of feminine consumers show that dresses are the most popular items for women. Ninety-nine per cent of all women who sew buy some cotton fabrics for use in their sewing projects.
 The consumer study also reveals that women who do their

own sewing come from every walk of life. In the feminine consumer sampling, the high income group represented 14 per cent of the women who sew; the upper middle class, 19 per cent; the lower middle income group, 38 per cent; and the low income classification, 29 per cent. A wide variety of age groups is represented among the women who sew.
 Flower gardeners can have bulbs flowering in the garden or house every month in the year if plans are made now for the year-round garden.

Bob Hope At Riotous Best In "Fancy Pants" At Texas Theatre Oct. 1-2

Bob Hope, the nation's top comedian, comes to the Texas Theatre Sunday and Monday, Oct. 1 and 2 in Paramount's "Fancy Pants" the funniest picture of his career.

Co-starred with Lucille Ball, his "Sorrowful Jones" sparring partner Robert pulls out all the stops in the uproarious comedy hat zips along at better than a laugh-a-minute pace, Mugging away to his hearts' content, and trading wisecracks and kisses with the gorgeous Miss Ball, he's unbelievable funny.

In color by Technicolor, the picture gets off to a hilarious start when the credits are flashed on the screen revealing the star is Mr. Robert Hope (formerly known as Bob). This is followed by a close-up of him adjusting a monocle to his eye and imperiously warning the audience against eating popcorn during his performance. From then on everything goes.

Portraying a gentlemanly gentleman who finds himself very much out of place in a rough, cattle town, Hope is every inch the swaggering, lovable coward whenever danger threatens. And scripters Edmund Hartmann and Robert O'Brien have had it threaten often. Part of the time Bob is called upon to impersonate a British earl, and in that capacity he meets President Theodore Roosevelt, delightfully played by John Alexander. The resulting confusion is just about what you

Who Will Pay the Hospital Bills?

Can you afford to meet the heavy expenses that follow a serious accident? Why shouldn't you protect yourself and family from the hardship? An accident and health policy will take this responsibility from your shoulders. The moderate premiums on a policy of protection are more than offset by the comfortable feeling of security.

There is a form of insurance for your car, your home, business and your life and health — we write them all. Let us consult with you on the protection you need. Don't delay—call us tomorrow.

Looking for honest-to-goodness COMFORT?

Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars. But we'd like to offer one suggestion, which is—let a Buick speak for itself.

We'd like to have you settle yourself (your family too, if you have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflo Drive* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

*Standard on ROADMASTER, optional at extra cost on SCOUT and SPECIAL models.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed!

NEWS OF INTEREST TO WOMEN

Paint Creek FHA Launches Busy Year's Work

The Paint Creek FHA girls were honored by a visit from Wix Currie, Haskell insurance man. Mr. Currie explained the problem of insurance to the girls, Monday, Sept. 19. He answered the questions that puzzled them.

Mr. Currie's visit came during the Home Planning Unit that the girls were studying. During this unit they also visited their superintendent, Dan McRae's new home. They visited Mrs. W. P. Trice's home Sept. 25, in Haskell. The Trices had just redecorated their home.

The girls entertained their families Monday night, Sept. 25, with a family picnic in the Haskell park. They ate at seven and played games until about nine, when the girls remembered those algebra problems they hadn't worked for Tuesday.

Attending were Mr. and Mrs. E. A. Schaake and Glenna, Mr. and Mrs. George Bouldin and Sue, Mr. and Mrs. Sam Hanson and Nell, Mr. and Mrs. Clayton Johnson and Lorene, Mr. and Mrs. R. E. Tidwell, Gera and Shirley Ann and Helen, Mrs. O. G. Houston and Margaret, Mary Counts, Mrs. Veda Griffin and Shirley and Mr. and Mrs. R. L. Foote.

Center Point Club Members Entertain With Breakfast

A Come-as-You-Are breakfast was the entertainment for the winning side in the Center Point HD club. The sides were chosen to build up attendance and the losing side used this form of entertaining. The losing side went to the home of the winners by 8 o'clock on Friday morning Sept. 15 to pick them up. They were carried to the home of Mrs. Essie Bland for breakfast.

The most typical farm housewife was chosen by the group. Mrs. Mildred Robertson won first and Mrs. Della Corzine second. They were presented bouquets. Pictures were made of the winners and then of the entire group. The winners and losers. An old fashioned sing-song was held after the many laughs. Those entertaining and being entertained were Mildred Robertson, Della Corzine, Lorene Fouts, Tilda Marugg, Zada Smith, Davis Hannz, Eunice Helweg, Maybelle Copeland, Novita Hunt, Dee Jeter, Virginia Dornier, Emma Bland, Ethel Bird, Julia Gibson, Esie Bland, James Whiteker, Oleta Pennington, Claudia Mae Bland, Avis Pennington, Sally Patterson and Helen Wiseman. Two visitors were present. They were Mrs. Graham, mother of Mrs. Whiteker and former members; Mrs. U. E. Johnson.

Murrell DeBard Is Hostess for H-D Club Meeting

The Blue Bonnet HD Club met in the home of Murrell DeBard with 10 members answering roll call.

The club voted that each member pay \$1.00 if they didn't help with the ball game, to help finance Council to pay the delegates way to the State meeting. Mrs. Raymond Astin reported on the State meeting at Big Spring as the Delegate of Haskell county.

Officers for 1951 were elected. Mrs. Raymond Astin was re-elected to serve another year as president. Mrs. Less Lewis re-elected as vice president. Mrs. Rex Murry re-elected as secretary and treasurer. Mrs. A. C. Denson re-elected as council delegate. Mrs. Lonnie Martin was elected as parliamentarian and Mrs. Oje Halcomb as reporter.

Progressive Study Club to Sponsor Exhibit During American Art Week

In observance of American Art week, Nov. 1-8 sponsored by American Artists Professional League and General Federation of Women's Clubs, the Progressive Study Club is sponsoring an Elementary Art Exhibit. This exhibit is to help carry out the theme of the Art division of the Texas Federation of Women's Clubs, Art Education for Better Citizenship and Art in the New Education.

All school children in grades 1 through 8 are urged to enter and to become better acquainted with the part art plays in meeting effectively the problems of living in a modern world, and to increase their knowledge and appreciation of the art of the nations of the world as a means to understanding and world peace.

Rules governing the exhibit follow: There are two divisions: Group I—Grades one through four, and group II—Grades five through eight. Prizes are as follows in each division:

TO ALL OWNING OR CLAIMING ANY PROPERTY ABUTTING UPON THE HEREIN AFTER MENTIONED PORTIONS OF CERTAIN ALLEYS IN THE CITY OF HASKELL, TEXAS, AND TO ALL OWNING OR CLAIMING ANY INTEREST IN ANY SUCH PROPERTY:

The Governing Body, the City Council, of the City of Haskell, Texas, has ordered that certain portions of certain alleys in the City of Haskell, Texas, be improved by raising, grading and filling same and installing concrete curbs where adequate curbs are not now installed on proper grade and line, and by paving with a triple penetration asphalt surface on an eight (8) inch compacted caliche base course, together with incidentals and appurtenances, all in accordance with the Plans and Specifications and Contract Documents titled "SPECIFICATIONS A N D CONTRACT DOCUMENTS FOR ALLEY IMPROVEMENTS CITY OF HASKELL, TEXAS, 1950", which said Plans and Specifications and Contract Documents are on file with the City of Haskell, Texas; and contract has been made and entered into with Strain & Brown, Inc., a corporation with its principal office and place of business in San Angelo, Texas, for the making and construction of such improvements.

Estimates of the cost of such improvements for each portion of said alleys have been prepared and approved.

The portions of said alleys to be improved, together with the estimated cost of the improvements for each such portion of said alleys and the amount or amounts per front foot proposed to be assessed against the abutting property and owners thereof, as each such portion of said alleys, are as follows:

ON ALLEY BETWEEN AVENUE E AND AVENUE F, from the south property line of the east-west alley at Block No. 28, Original Townsite, to the south property line of the east-west alley at Block No. 26, Original Townsite, known and designated as Unit No. A-2; the estimated cost of the improvements is \$4,977.60; the estimated amount per front foot to be assessed against abutting property and the owners thereof for the improvements is \$2,332.9.

ON THE ALLEY BETWEEN SOUTH FIRST STREET AND SOUTH SECOND STREET, from the east property line of the North-south alley in Block No. 26, Original Townsite, to the west property line of the North-south alley in Block No. 12, Original Townsite, known and designated as Unit No. A-3; the estimated cost of the improvements is \$4,977.60; the estimated amount per front foot to be assessed against abutting property and the owners thereof for the improvements is \$2,332.9.

A hearing will be given and held by and before the Governing Body of the City of Haskell, Texas, on the 13th day of October, A. D., 1950, at 2:30 o'clock, p. m., in the Council Room of the City Hall in the City of Haskell, Texas, to all owning or claiming any property abutting upon said portions of said alleys and to all owning or claiming any interests in any such property.

At said time and place, all owning or claiming any such abutting property, or any interest therein, shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements on the portions of said alleys upon which the proposed abutting property and owners thereof, and concerning the legality, validity and sufficiency of the contract for and all proceedings relating to such improvements, and concerning the assessment of the same and concerning the amount to be assessed therefor, and concerning the amount to be assessed therefor, and concerning the amount to be assessed therefor.

Done by order of the City Council of the City of Haskell, Texas, this 26th day of September, A. D., 1950. (SEAL) T. J. Arbuckle, City Secretary, City of Haskell, Texas. 39-41c

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B1, B2, Iron and Niacin in your system!

Read How These Folks Benefitted Who Had Such Deficiencies

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the real cause of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies and restores me of this great HADACOL improvement within a few days' time.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the real cause of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Schessinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B1, B2, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my arms and shoulders. I got any real relief until I took HADACOL. After taking several bottles, my pain is gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the real cause of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands of such thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you start taking it today.)

Why don't you get that wonderful relief that HADACOL brings? It's the only relief that relieves the real cause of your stomach distress, indigestion, gas, constipation, neuritis, and a general run-down condition. HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B1, B2, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.

Billy Ray Lusk Outstanding on WTS Frosh Squad In Defeat of Texas Tech

CANYON, Tex. Sept. 25 (WTNS)—Frank Kimbrough and his entire coaching staff have nothing but praise this week for the terrific West Texas State freshmen team that whacked the Texas Tech freshmen last Friday night 26-12.

Billy Ray Lusk, powerful running and defensive star from Haskell, was extremely instrumental in helping the WT frosh come from behind a 12-point first quarter deficit to maul the Lubbock crew and all but chase them from the ball park.

Lusk, a converted quarterback

now playing halfback, stood out on defense especially and is counted on for great things when he moves up to the Buffalo varsity next year.

To Coach Borden Price the victory was a star in his athletic crown.

He was the only one tutor the WT frosh as compared to 4 mentors teaching the Tech crew. On top of that, the Tech coaching staff had openly bragged that they had secured every freshman they went out after except one. Most of their players came from the downstate area.

All except one of the WTSC frosh are home-grown High talent and the victory reflects the prestige and playing ability of High Texas athletes.

The small 27-man squad of stars make their next appearance in Canyon Friday night, Oct. 20 against the Hardin-Simmons Buttons.

Your Texas Safety Association states that a safe driver must be just as skilled as the members of a championship football team. A safe driver knows what to do, how to do it, and when to do it. If you can't make the team of safe drivers now, then you had better brush up on your traffic laws, and the rules of the road which make for safe driving. If you lose in the game of safe driving, the penalty may be the loss of your life.

"GIVE ME A CAR THAT'S BUILT TO LAST!"

says Mr. James Patrick O'Shea of Chicago

"My big Dodge has everything...famous dependability...extra roominess...ease of handling! Any other car offering as much would have cost \$1000 more!"

GYRO-MATIC—AMERICA'S LOWEST PRICED AUTOMATIC TRANSMISSION

Dodge Gyro-Matic lets you set the gear for full power in mud, snow or steepest hills—lets the engine "brake" your Dodge smoothly on long down-hill grades. Available on Coronet models at slight extra cost.

No other car can match the Dodge reputation for dependability. No wonder new Dodge owners say you could pay \$1,000 more and still not get all Dodge features... the economy, the performance, the extra spaciousness inside that means plenty of head room, leg room, shoulder room. The compact design out-

side makes traffic driving and parking a cinch.

You'll enjoy Dodge Fluid Drive—the smoother starts, stops, the smoother "going"—yours at no extra cost. Let today's big Dodge put you miles ahead, money ahead—for the years ahead.

In a following talk, Bill Lawson said what the Fair meant to farmers and stockmen, in ac-

quainting them with what their neighbors were accomplishing in agriculture and livestock industries.

Haskell Stone, Vocational Agriculture instructor, told what the Fair meant to Future Farmers and club boys. He said it provided the youth a "show window"

in which to display their achievements.

Mr. Stone introduced a special guest, Richard Nott, a youth from England who is making a study of Texas agriculture methods on an exchange tour arrangement with Texas farm youth. The young English lad spoke briefly on the value of agriculture fairs, and said that the expositions in this country were similar to those in his country.

Mayor Courtney Hunt in a brief talk recalled the inauguration of the Haskell County Fair almost a quarter century ago, of which he was one of the founders.

Closing the program, Payne Hattox, superintendent of the CWT Fair parade division, stressed the importance of the parade as index of the entertainment and educational displays of the exposition, and urged full support and cooperation of merchants in staging the largest opening day parade in the history of the exposition.

Indians Blast Rule Bobcats 59-0 Friday Night

A competent team of reserve backs carried the defense load here Friday night when the HHS Class A Indians overran the Rule Bobcats, 59 to 0.

The victory was costly, however, since Edward Ammons, outstanding Indian back, went out in the first quarter with a broken collar bone. G. Denison of Rule was another casualty of the game with a neck or head injury which took him out of play.

Haskell's first string was used sparingly on offense and alternated on defense. The undefeated Indians have not been scored on this season and have marked up 106 points.

Ammons started the scoring early, going around left end for 22 yards. He kicked the point. Eldon Ammonett scored the next two, one on an 18 yard gallop and one crashing over from the 3.

Johnny Johnson blocked a Rule punt in the second stanza and recovered for a safety. Then, Bill Thomas, a reserve back, broke through for 13 yards and a tally.

On the first play of the second half, Haskell recovered a Rule fumble on Rule's 17 and six plays later Kenneth Davis crashed over from the 5. Charlie Lewellen marked up 6 points with a 34-yard run and Davis marked up another, plunging over from the 1.

Jimmy White intercepted a Rule pass on the Rule 20 and four plays later Lewellen twisted over. Keith Wheatley ran the extra point. Haskell's final tally was marked up by Walter Holley who crashed over from the 4. Temple Williams passed to Clinton Baccus for the extra point.

Outstanding Haskell linemen were Guards Royce Mullins and James Fowler. End John Flanary and Center Robert Brock. The Bobcats got valiant service from Backs T. Barbee and J. Burson and Right End J. Tabor.

State Workers Are Urgently Needed, Council Says

Defense preparations have created an even greater need for certain types of State workers according to a statement issued by Chas. S. Gardiner, director of the Merit System Council.

There is a particular need for stenographers in every part of the State, Gardiner declared. There is a lesser need which is limited primarily to smaller towns for field workers, interviewers, and clerk typists. There are a few vacancies for Child Welfare Workers, Senior Child Welfare Workers and County Child Welfare Supervisors.

Gardiner announced that examinations for these positions will be given on Nov. 4, 1950, but warned that applications must be sent in before the closing date of Oct. 14, 1950.

He pointed out that these positions with the State offer very good salaries, liberal vacation and sick leave, and under the Merit system, permanency of job and promotion based upon ability. Qualifications for these positions range from high school graduation to college graduation plus appropriate experience. Appropriate experience may be substituted for a part of the education in most cases.

Application blanks for these examinations are available at the local offices of the Texas Employment Commission and the State Department of Public Welfare or may be obtained by writing the Merit System Council, 1000 San Antonio St., Austin, Texas.

Camp Fire Girls of Nation Stress Need Of Traffic Safety

A recent survey shows, Camp Fire Council President Ryland Gleaton said today, that 4,635 schools in the United States now offer courses in driver education and training—both classroom and behind the wheel. This is evidence of the tremendous importance placed on safe traffic practices by our young people.

Mr. Gleaton pointed out that Haskell Camp Fire Girls have made safety the theme of their current Membership March which started Sept. 15 and will be conducted through Nov. 30.

"Camp Fire for a happy life—safety for a long one," he said, is the idea we are trying to get across. Our girls are learning basic traffic safety rules as pedestrians, bicyclist and, in the case of our senior group, the Horizon Club, drivers of automobiles.

Kathleen Crawford, executive director, said that the national Camp Fire organization has been cooperating for some time with national safety authorities in promoting among Horizon Club members, a dad-daughter agreement on use of the family car. This agreement, between father and daughter, grants the latter permission to drive the family automobile, stipulating certain conditions under which she agrees to drive.

Paint Creek Pirates Sweep Over Knox City 28-7

The Paint Creek Pirates turned on the steam Friday night to down Knox City 28-7 and maintain a perfect season record of three wins. Clyde Thomas scored the initial touchdown for the Pirates the first time they got their hand on the ball with a churning 60 yard run. Then Pete Tolliver snared a pass in a sensational one-hand catch at the start of the second half to give the Pirates a safe margin. Curtis Grand and Ohelma Moody completed the scoring on the run.

Duck Robinson stood out for Knox City. His passing kept the Pirates on edge and he scored the Greyhounds only touchdown with a flashing 15 yard run.

Singers of Knox County Will Meet At Munday Sunday

Several well-known quartets and some of the best singers in this section are expected in attendance at the Knox County Singing Convention which will meet at the First Baptist Church in Munday, Sunday, Oct. 1.

The program will begin promptly at 2 p. m. and will continue throughout the afternoon. A special invitation has been extended to singers and music lovers of Haskell and vicinity to attend.

Deposits In Haskell National Bank Now Insured To \$10,000

Deposits in the Haskell National Bank are now insured to the amount of \$10,000 for each depositor, according to information received this week by W. R. Johnson, cashier, from the Federal Deposit Insurance Corporation at Washington.

This is double the maximum FDIC insurance previously in effect, \$5,000 for each depositor. Mr. Johnson explained. The increase in coverage became effective Sept. 21, 1950, the local bank was advised.

VISITS PARENTS HERE BEFORE GOING TO CALIFORNIA

M-Sgt. Thomas E. Wilson and Mrs. Wilson and their daughter, Kay Sue were recent visitors in the home of her parents, Mr. and Mrs. W. J. Adams in this city. Sgt. Wilson has been stationed at Bellville, Ill., with the US Air Force, and is being transferred to Hamilton Field, Calif., where he will be assigned to the communications center. Sgt. Wilson has been in the service 9 years, and was on Okinawa during World War II later in Japan.

VISIT IN FORT WORTH

Mr. and Mrs. W. A. Duncan, Mrs. George Herren and Mrs. Leon Gilliam were in Ft. Worth last week-end, and attended open house in the newly rebuilt home of Mrs. John J. Wilson in that city. Mrs. Wilson is the former Audra Gayle Roberts of Haskell.
