# HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

**20 Years Ago—Jan. 15, 1931**  
One of the largest land transactions in this section in many years was closed recently, when the Ballard Ranch east of town was sold to Bob Cooey of Cad-do, Texas. The ranch includes 14,000 acres of land, and the sale included all livestock and ranch improvements. The consideration was not made public.

Improvements and additions to the Haskell county court house which will cost an estimated \$100,000 were authorized in an order passed Monday by the Commissioners Court. A firm of architects has been employed to prepare plans for the improvements, and the contract will likely be awarded in March.

A permanent Red Cross chapter for Haskell county was organized Tuesday, with the following officers: H. C. King, county chairman; Sam A. Roberts, vice chairman; Hill Oates, secretary; A. C. Pierson, treasurer.

Thelma Therwanger has returned to Denton, where she is a student in North Texas State Teachers College, after a visit with her parents, Mr. and Mrs. H. N. Therwanger of Weimer.

The Harrison Barber Shop moved last week to a new location in the McKinney Bldg., second door east of the Farmers State Bank.

County officials are considering the expenditure of approximately \$10,000 for repairs and additions to the county jail, including installation of new cells and other needed improvements.

Statement of condition of the Weimer State Bank at the close of business Dec. 31, 1930, listed loans and discounts of \$67,172.84 and deposits of \$71,252.89.

Mr. and Mrs. D. C. Bradley are the parents of a son, born Wednesday, Jan. 14.

Stockholders of the Haskell Hotel Company, will hold their annual meeting at the City Hall on Jan. 20. Officers and directors will be elected at that time.

**40 Years Ago—Jan. 21, 1911**  
Leonard Mauldin has returned from El Paso and is now with Sutherland Barber Shop of this city.

T. M. Smith, local agent for the Adams Express Company has been transferred from this place to Guanah and Mr. Ruoy of Wichita Falls will have charge of the local office of the company.

George Peterson, who has been with the Farmers National Bank here for some time, left Monday night to return to his home at Clifton, Texas.

Mr. and Mrs. Ned Roberts are the parents of a son, born Jan. 12th.

James E. Walling, Jr., is a new

arrival in the home of Mr. and Mrs. J. E. Walling of this city, dating from Jan. 10th.

Halcomb and B. F. Robertson of Henderson, Tenn., are here for a visit with their son and brother, J. L. Robertson and family.

Capt. W. M. Wood of the northeast side was here Friday and reports farmers well advanced with their work in his section.

A. H. Alexander and Postmaster John H. Baker made a business trip to Fort Worth this week.

Stockholders of the First National Bank of Rule, at their meeting this week, elected the following officers and directors: J. L. Jones, president; A. C. Foster, first vice president; G. W. May, second vice president; R. E. Ellis, cashier; L. W. Jones, assistant cashier. Directors: J. L. Jones, A. C. Foster, G. W. May, J. E. Cloud, W. R. Carothers, W. L. Hills, W. W. Kittley, T. B. Denson and R. E. Ellis.

Miss Julia Winn is spending the week in Seymour, the guest of Mrs. R. C. Lewis.

Financial statements of Haskell's two banks at the close of business Jan. 7, 1911, listed resources and liabilities as follows: Haskell National Bank, loans and discounts \$130,318.11 with deposits of \$92,126.08. Farmers National Bank, loans and discounts \$57,416.64 and deposits \$48,767.45.

**50 Years Ago—Jan. 26, 1901**

G. H. Cobb was in town from his place Thursday. He says the mild winter weather so far has left considerable green vegetation. He thinks we need a mild cold snap to remind us that winter is not over with.

J. C. Forbis sold 3,000 sheep to New Mexico parties this week at \$2.75 per head.

Rev. J. T. Bloodworth informs us that he has commenced circulating a petition for a county election on local option.

Several carpenters are at work on the 60 foot addition to the Alexander & Co. store. When completed they will have one of the largest business houses in West Texas.

J. R. Rathmel, representing Frank Anson of Coleman, contractor for furnishing horses to the British Government for use in the Boer War in South Africa, was here Wednesday and secured 20 good horses. The prices paid ranged from \$40 to \$65.

Uncle Don Mooneyhan and son Claude returned last week from a two months prospecting trip over the west looking for a better place than Haskell county. They admit they could not find a country equal to this, and have bought a tract of land east of town where they intend to live permanently.

Burwell Cox and family left yesterday to take up their residence on their ranch in Tom Green county, where Mr. Cox moved his large herd of sheep last fall.

L. N. Riter and family have

## German Girl Writes Thanks to Paint Creek FHA Member for Xmas Package

The second year girls in the Homemaking Class at Paint Creek School sent Christmas packages containing tooth brushes, tooth paste, and other articles to Germany, with each girl enclosing her name in the package sent.

Lorine Jarman, one of the class members sending a package, was first to receive a letter from a recipient of one of the packages. The reply came within less than two months after the package was sent. From recipients of packages sent the previous year Anita Turnbow, Glenna Schaake, Mary Helen Bounds and Gregory Flores received letters from Germany, and have kept up the correspondence through the years. They also received birthday cards.

The letter to Lorine was from Fraulein Gisela Nitsch Mann at Mainz, Germany, and read in part as follows:

"Dear Friend: I received your package and was very happy and glad over it. I was very much surprised to get a package from the States. It was the most exciting thing that ever happened to me."

"The sweater was very nice and also everything else in the package. I want to thank you very much for it and hope that you and I can get to write one another often."

"Christmas won't be so dead over here this year. People are making more money and there are more things in the shopping centers. I hope and wish that some day we will be able to live the life of human people. Life in Germany is a lot harder than in other countries. We don't have the things and money that children in other countries have."

"My mother and people want to thank you and your people very much for the troubles you went through to send this package. Please answer soon and give my regards to your people."

moved to Stamford, where Mr. Riter has a position with Penick, Colbert & Hughes Hardware Co.

W. T. Hudson went to Dallas Monday, where he will spend several days on business.

Dr. Lindsey, Judge Jones and Mr. Cason returned several days ago from El Paso where they went last week to take in the Mid-Winter Carnival.

Considerable concern was felt in town the early part of the week on account of a report that there was a case of smallpox in a family living about 12 miles northeast of town, and also the report that there were four cases in Stamford. The reports later proved erroneous. But there seems no doubt as to the existence of genuine smallpox at Throckmorton, Cisco, near Abilene, and in Knox county. Our people should be watchful, and use all known precautionary measures. County Judge Hamilton says that he is trying to keep posted on the situation and that prompt action will be taken with quarantine measures should the disease develop here.

### VISITING PARENTS

Sgt. Truitt Piland, his wife and baby have been visiting his parents, Mr. and Mrs. G. W. Piland, on a ten day leave. He is stationed at Ft. Bliss, El Paso. He is a veteran of world war II and spent three years over seas. He is now with Heavy Artillery unit. They returned the latter part of last week.

### MOVE TO FORT WORTH

Mr. and Mrs. Wm. E. Hatfield and children, Barbara and Billy, moved to Fort Worth Saturday where Hatfield will do building construction.

## Rev. and Mrs. C. Jones To Observe 50th Anniversary

Rev. and Mrs. C. Jones, pioneer Haskell couple, will observe their Golden Wedding Anniversary Sunday, Jan. 21st.

All of their friends are especially invited to attend the morning services at the Fundamental Baptist Church on that date, as Rev. Jones will be speaking at that hour.

Rev. Jones is a pioneer Baptist minister of West Texas, and has served a number of churches in Haskell, Throckmorton and other counties during the past two decades. He is founder and pastor of the Fundamental church in this city.

## Haskell Sailor Service Squadron In Far East

Charles B. Williams, USN, grandson of Mr. Jesse B. Smith of Haskell is a crew member of the USS Butternut, which duty in the Far East.

The ship operates with a squadron, which provides transportation and supply to Naval vessels in the area.

The Butternut has been ining overseas over the half years. She is crewed by the rescue of two sailors aboard a ship which was Tulagi during World War

## "Waves of Green"

### The Great Technicolor Motion Picture of the Story of Farm Progress in America!

You and your friends are cordially invited to join with us as "We Salute American Agriculture" . . . and to be among our guests as we present the great Technicolor motion picture "Waves of Green" for the first time in this community. This is the thrilling story of how farmers, farm industries, farm scientists and farm educators in our Land-Grant Colleges have worked side-by-side to make this land of ours the greatest agricultural nation on earth!

Although the tickets are complimentary, all seats are reserved. To obtain your own complimentary ticket, just call us on the telephone, write us a letter or postcard or — best of all — stop in.

A. M. Turner James C. Marlow

Lone Star delivers  
comfort, cleanliness and convenience  
to 17,871 new stores

If you go shopping today, the comfort of the store you trade at will likely be provided by Lone Star Natural Gas Service. The store will be cleaner and the merchandise will be fresher because natural gas is so clean.

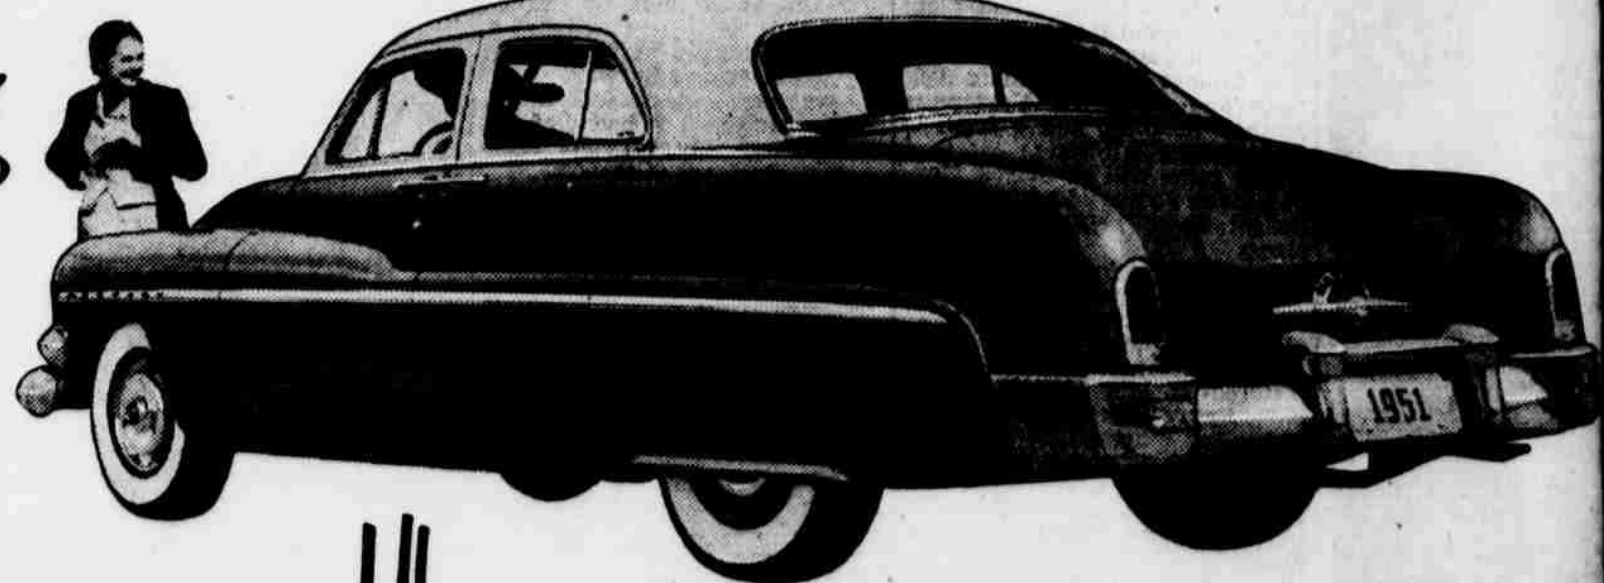

It is impossible to imagine a modern and successful store without natural gas service. In the last five years 17,871 new stores have been opened in cities we serve. That's one of the reasons for our building program in which we have invested over 80 million dollars. Though virtually all materials and labor for building natural gas pipe lines, compressor stations and other facilities have gone up in price, our commercial rate has not been increased. The truth is, Lone Star commercial rate for stores is lower today than 10 years ago.

Lone Star is keeping abreast of the growth of every community it serves. At the same time we are keeping the price of natural gas service down.

### Conqueror of Dreaded Wheat Rust

The first successful transfer of the rust resistant qualities of feed wheat to the bread wheats was accomplished by Prof. E. S. McFadden, agronomist at the Texas Agricultural Experiment Station. The development of his Hope wheat halted wheat rust which threatened much of the crop in the nation's bread basket, the Middle West. Prof. McFadden appears in the new motion picture, "Waves of Green," which is to be shown here soon as part of the "We Salute American Agriculture" program.

### Local Tractor Firm To Sponsor Film Show Jan. 26th

Farmers, agricultural and civic leaders, and school children are invited to participate in an inspirational program, "We Salute American Agriculture," which is being presented Friday, Jan. 26 at 7 p. m. in the high school auditorium under the sponsorship of Marlow Tractor & Implement Co. The program will be presented in technicolor motion picture, "Waves of Green," which will be exhibited for the first time in this community. "Waves of Green" tells the story of how American farmers and American farm industries have worked hand-in-hand with scientists and educators of the Nation's land-grant colleges to make this the greatest agricultural nation in the history of mankind. It was produced by Debarborn Motors Corporation as a non-commercial documentary film to pay a mid-century tribute to the men and women who have contributed so much to American agricultural progress since the Morrill Act, establishing land-grant colleges, was enacted in 1862. These institutions, known as land-grant colleges, have contributed heavily to the betterment of agriculture in every section of the nation. Since no single motion picture could do justice to all these stories of agricultural advancement, some of the most outstanding were selected to be woven into "Waves of Green." The story begins aboard the cargo ship, "Spirit of America," cruising from port to port, carrying the products of American agriculture to their many destinations.

"Beany," a seasoned veteran of 30 years at sea but with dreams of settling some day on a few acres of his own, and Joe, a husky farm-bred deckhand of 20, share a couple of pears. This episode leads into a story of the work of scientists of Oregon State College and how they saved the state's orchard industry from slow strangulation due to high transportation costs.

Researchers for Debarborn Motors Corporation, sponsors of the film, contacted land-grant colleges in every section of the country and asked, "What outstanding contribution have you made to agriculture?" From the wealth of material gathered, the outstanding contributions were selected. Then followed months of rechecking facts and weaving them into a script. Background material was obtained through personal interviews with farmers, county agents, county home demonstration agents, 4-H Club leaders, local businessmen as well as the state college faculty members, scientists and experts of the U. S. Department of Agriculture. Then directors, actors and camera crews finally swung into action, on a 6,800 mile pilgrimage from coast to coast.

Cameras recorded scenes and action in eight states—Michigan, Ohio, Kentucky, North Carolina, Texas, Oregon, Missouri and California—besides studio sequences in Detroit and Hollywood. The cast included eleven experienced actors and 150 extras. In addition, a number of scenes were played by the persons whose own real life experiences were being recorded.

Texas DHIA records for 1949 show that a dairy cow that produced 224 pounds of butterfat or less required 71 cents worth of feed to produce a pound of butterfat, produced it as a cost of only 39 cents per pound.

#### SEARCH FOR PETROLEUM RANGES FAR AND WIDE

Lands leased for oil and gas exploration and development in the United States total about 322,800 square miles. This is approximately equivalent to the combined areas of the New England States, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, West Vir- ginia and most of Indiana, and represents 10.8 per cent of the total land and inland water areas of the country.

movies that complete the prog- ram, deal with subjects close to the heart of every farmer.

Admission will be by ticket and farmers who have not yet receiv- ed theirs may obtain them by call- ing in person at the implement house.

### Production Credit Corporation Reports Prosperous Year for Farmers, Ranchers

Texas farmers and ranchers had a very prosperous year in 1950, according to Virgil P. Lee, president of the Production Credit Corporation of Houston, which supervises production credit associations making crop and livestock production loans all over the state.

Lee says the loan figures for the 36 production credit associations reflect the higher cost of production as well as the higher returns from the sale of livestock and crops in 1950. Total loans made during the year were \$137,-207, 000. Liquidation was espe- cially good from cattle, sheep, wool, rice and cotton.

The production credit associa- tions in Texas have just wound up their first year operating wholly on their own without benefit of any government capital, which was all paid back at the end of 1949. Lee states that the associa- tions have had a very successful year, having increased their cap- ital stock from \$9,274, 505 to \$10,077,470 and their surplus and reserve funds from \$ 6,003,228 to \$8,907,084.

According to C. G. Burson, President of the Stamford Pro- duction Credit Association, most

farmers and ranchers in the eight-county area served by the association did extra well in 1950. Crops were good and there has been ample grass for cattle. J. L. Hill, Jr., Secretary-Treasurer, states that the association had a good year and will begin the new year with about \$63,000 more capital and reserves than a year ago. The association now has \$482,915.00 in capital stock and \$216,588.00 in surplus.

Other directors in addition to C. G. Burson are: J. F. McCulloch, Stamford; J. Spurgeon Reeves, Hawley; Lasater Hensley, Guthrie and J. B. Pumphrey, Old Glory. The association offices in the Stamford territory are in Stam- ford, Anson, Haskell, Munday, Aspermont and Spur.

### Choice of Site Important For New Orchard

The site for a new home orchard should be selected with care. A well-drained, sandy loam soil is preferable, says John E. Hutchison, associate extension horticulturist of Texas A. & M. College, but he adds, the site should also be free of nematodes and away from the old orchard. Newly cleared land is not recom- mended and the site should have a slight slope and be free from air pockets.

He says the soil should be plow- ed before the trees are set and if terraces are needed they should be constructed. In some sections of the state there is still time to plant a cover crop, and Hutchi- son says it is the thing to do.

Nursery stock should be order- ed early and a definite delivery date set. By ordering early, Hut- chison says you can be sure of getting the size of trees you want, the desired varieties and delivery when you want it.

He says Extension Circular-150 Fruit Varieties for Texas, should be used when the fruit varieties are selected. It is available at your local county extension agent's office. He points out that several new fruit varieties are available and among the most promising are three peach var- ieties, Dixigem, Southland and Sunbeam and a new pear, Orient, that is said to be very resistant to fire blight and of superior quality.

Whether it's a few trees for the garden or a new orchard, Hutchi- son points out that good orchard management is a must and recom- mends that a copy of B-73, Orchard Management, be added to your list of reference material on the subject.

#### WILDCATTERS TO DRILL FOR OIL ON MOUNTAIN TOP

The never-ending search for oil has carried wildcatters to the top of a 6,880-foot mountain in California. To bring equipment to their lofty drilling site, the company has constructed an 8 1-2 mile road at a cost of \$80,000. Water for the operation will be pumped up through a six-mile pipe from a water well drilled 3,000 feet down the mountain. Because winter storms often close the roads in the mountainous terri- tory, sleeping and cooking facili- ties are being installed at the rig.

Select the site for the home orchard with care. A well-drained sandy loam is preferable. It should be free of nematodes and away from the old orchard. New cleared land is not recommended and the site should have a slight slope and be free from air pockets.

## The New 1951 BUICKS

STYLE-LEADER and pace-maker of the 1951 Buick line is this four-door six-passenger Special, or Series 46, sedan. Representative of the entire Special Series which is completely new this year from stem to stern, this car has a new chassis, a new body, new front end, new sweepover molding, new trim, and new fender and hood ornaments. Its re-styled fender lines flow backward through the doors in a graceful curve which is paralleled and accentuated by the brilliant sweepover which runs the length of the car. The unique Buick front end, entirely re-designed for 1951, is more distinctive than ever. For the first time, Buick's powerful F-263 engine is offered in the Special Series, delivering 126 horsepower with Dynaflow Drive, and 120 horsepower with Synchro-Mesh transmission. Wheelbase of this model is 121 1/4 inches.

### Miss Nettie McCollum Directs Program On US Foreign Policy at Club Meeting

Foreign Policy of the United States was the theme of the Magazine Club program presented Friday, Jan 12 in the club house under the direction of Mrs. Carrol D. Bledsoe, Chairman of the Fine Arts committee. Arrangements of sweet peas in styrofoam holders decorated the assembly room. Mrs. Ada Rike, club president, extended New Years greetings and held a brief business session. Paragraphs from the Club Constitution and By-Laws were read by Mrs. Earl Atchison.

Mrs. J. U. Fields reported on the boxes sent to the Waiblingen orphanage in Germany. Club members appreciate the efforts made in getting donations of toys and clothing. Thanks are extended to the donors of the articles sent, a cleaner for his generosity in cleaning soiled clothes donated and to business men who graciously donated candy and wrapped the boxes for mailing.

Miss Nettie McCollum as program director gave many informative facts on the Foreign Policy of the United States. Mrs. J. G. Vaughter, Mrs. B. C. Chapman and Mrs. R. C. Couch, Jr., gave interesting talks on phases of the Foreign Policy. Instead of a general discussion of President Truman's Point 4 is was explained in detail by Miss McCollum.

The Fine Arts Committee served a refreshment plate to Mesdames Ada Rike, J. U. Fields, Hill Oates, Earl Atchison, K. H. Thornton, Robert Wheatley, H. F. Barnes, Terry M. Diggs, John Bledsoe, J. C. Vaughter, R. C. Couch, Jr., Carlton Couch, Virgil Bailey, Mary Oates, B. C. Chapman, Wm. J. Kemp, S. Haasen, Jack Merchant, N. I. McCollum, C. V. Payne, H. M. Smith, W. N. Huckabee, R. L. Burton, W. A. Kimbrough, R. L. Harrison, J. M. Collins, and a visitor, Mrs. D. Scott of Cleburne, Texas.

### Engagement of Miss Sellers, Mr. Marugg Is Announced

Mr. and Mrs. Goodson Sellers of Rule, announce the engagement and approaching marriage of their daughter, Starr, to Glenn Marugg, son of Mr. and Mrs. Ted Marugg of Haskell. The ceremony will be performed Sunday, January 28, at the First Baptist Church in Rule.

Put pep in the pocket-book by putting profitable want ads on the job.

## NEWS OF INTEREST WOMEN

### New Officers Are Nominated For Harmony Club

Mrs. Tannie Squyres, vice president, presided for a business meeting of the Harmony Club Thursday evening, January 11 at the Homemaking Cottage.

Reports were given by officers and committee chairmen.

Mrs. Patterson reported that the Harmony Club had a part in the Pollo Drive at the Texas Theatre sponsored by the Federated Clubs of Texas. The Cantata offering of \$30 is to be given to the Pollo fund.

Mrs. Tommy Hawkins conducted a review of the Club constitution and by-laws.

The nominating committee presented the following slate of officers for election to serve during the 1951-52 club year:

Mrs. Tannie Squyres, president.  
Mrs. J. F. Cadenhead, first vice president.  
Mrs. Tommy Hawkins, second vice president.  
Mrs. M. E. Helber, secretary.  
Mrs. Virgil Meadors, corresponding secretary.  
Mrs. R. L. Harrison, treasurer.  
Bill Dean, Chorus director.  
Mrs. G. F. Mullino acted as hostess. Present were Mesdames J. F. Cadenhead, Mart Clifton, A. C. Foster, M. E. Helber, Tannie Squyres, O. W. Tooley, V. W. Meadors, O. E. Patterson, Tommy Hawkins, Leonard Florence and Lucille Watson.

Mr. and Mrs. Horace Oneal are announcing the engagement of their daughter, Gloria June, to Marvin Rowan, son of Mr. and Mrs. T. L. Rowan of Rule. The wedding will be solemnized at 3 o'clock in the afternoon Feb 4 at the home of Mr. and Mrs. L. R. Oneal before members of the immediate families and a few close friends. Joe Burton, minister of the Church of Christ, will officiate.

### East Side WMU Meets For Royal Service Program

Members of the East Side WMU met Monday, Jan. 15 at 2:30 for a Royal Service program. The attendance was good, and the program was one of the best in recent weeks.

Mrs. Fred Howard gave the opening prayer, followed by the song for the year, "Jesus Calls Us". The devotional was given by Mrs. Frank Patterson, from John 15:11-17. Members of the WMU are making plans for a better year work than ever before, and all women of the church are invited to take part.

Program for Monday afternoon was as follows:

Look At Today's World—Mrs. John Lamkin.  
God's Story in History—Mrs. Ida Ferrell.  
God is Always Redeeming Men—Mrs. J. A. Yancy.  
The Bible Promises Victory—Mrs. Joe Oldham.  
Isaiah Presents God's Plans—Mrs. Emory Anderson.  
God Invites Co-Operation—Mrs. Judy Booe.  
We Know The Way—Mrs. J. D. Long.  
We Must Work With God—Mrs. Fred Howard.

Those present were: Mmes. Ida Mercer, Frank Patterson, J. D. Long, Ida Ferrell, Joe Oldham, Fred Howard, J. A. Yancy, Tom Mercer, Emory Anderson, John Lamkin and Judy Booe.

### Members of Dorcas Sunday School Class Entertained With 'Pot Luck' Supper

The Dorcas Sunday School class of the First Baptist Church enjoyed a "Pot Luck" supper at the annex Monday night, January 15. It was the end of a contest between the four groups of the class and the two losing groups entertained the winners. The supper consisted of various meats, vegetables, salads, pies, cake and coffee. This was served as soon as every one arrived.

Mrs. Claude Ashley gave an inspiring devotional "Have Faith in God," taken from the 11th chapter of Mark. A short business meeting was held with Trudie Gresham presiding, and the various officers gave reports. The monthly project for January is to redecorate the class room, and a committee was appointed to attend to this matter. Freddie Ballard was selected as chairman, and Kathryn Schwartz, Ruby Alvis, Ethel Lou Shelton and Avis Pennington were made members.

Then a period of Funology began. With Marjorie Waldrip, Social chairman, acting as Emcee, outstanding radio stars from NBC, CBS and Mutual were introduced, and provided hilarious entertainment. An all-girl orchestra, Leola Parsons, a quartet of lovely voices, Minnie Pearl, a cowpunch crooner, each in their own refreshing style kept the audience spell-bound. Two representatives of the Losers Cosmetic Company gave an interesting demonstration, and every one present vied to try this beauty treatment immediately. Next a noted lecturer gave a talk on how to "Refigure Your Figure" with five ladies from the audience participating. The one receiving the most applause was presented with a lovely gift.

This concluded the radio show, and after a while spent in group singing, all left feeling that the losers had certainly entertained the winners.

Those present were Wynona Lusk, Ethel Lou Shelton, Lula Smith, Faye Woodson, Ruby Alvis, Faye Thompson, Delia Ashley, Allene Wheatley, Ordria Darden, Lora Mae Mullins, Vivian Roberson, Ruth Tidwell, Velma Free, Marjorie Waldrip, Eula Mae Herren, Avis Pennington, Lois Henry, Nerva Oates, Trudie Gresham, Pauline Norman, Henrietta Segal, Iola Everett, Kathryn Schwartz, Ruby Matthews, Freddie Ballard, Betty Jo Clanton, Pauline Derr, Lorene Adams, Brucille Nellums, Bonnie Anderson and Elsey Eastland.

### Josset HD Club Has Meeting In Perrin Home

A regular meeting of the Josset Home Demonstration Club was held in the home of Mrs. Jim Perrin.

The new yearbooks were distributed and the names of hostesses and program leaders were filled in.

Standing committees, demonstrators and leaders for 1951 were appointed by the president, Miss Wiggins. Home Demonstration Agent, demonstrated making a butter cake to thirteen members: Mesdames C. A. Thomas, J. L. Toliver, Jr., Bill Reeves, J. L. Oliver, Sr., Louise Merchant, Ray Lancaster, J. E. Perrin, Carl Bailey, J. B. Pugh, Tommy Jetton, W. B. Hill, Miss Margaret Toliver, Wayne Perrin, Pamela Reeves, Betty Hill, Tony Greene and the hostess.

### Meeting of Weinert Matrons Club Held In Liles Home

The Weinert Matrons Club met in the home of Mrs. J. W. Liles with Mrs. G. C. Newsom as host, Thursday, for the election of officers.

The following officers were elected: President, Mrs. W. B. Guess; First Vice President, Mrs. J. W. Liles; Second Vice President, Mrs. W. A. King; Secretary, Mrs. Fred Monke; Treasurer, Mrs. P. F. Weinert; Executive Board members, Mrs. A. Bartell and Mrs. Claude Reid.

Refreshments of coffee and cake were served to the following members: Mmes. C. T. Jones, C. Childress, W. A. King, J. W. Liles, Claude Reid, A. Bartell, G. C. Newsom, Pearl Monke, R. H. Jones and W. B. Guess.

### Mr. and Mrs. H. C. Wyche Observe 60th Wedding Anniversary, His 90th Birthday

The children and grandchildren of Mr. and Mrs. H. C. Wyche of this city, joined by other relatives and friends gathered Sunday for a joint observance of the pioneer Haskell couple's 60th wedding anniversary and Mr. Wyche's 90th birthday, both anniversary dates having occurred the previous week.

Mr. Wyche observed his 90th birthday Wednesday, January 10. The following day, Thursday, January 11, was the 60th wedding anniversary of the couple.

Mr. and Mrs. Wyche were married in McLennan County, at the small community of Battle, Mrs. Wyche was the former Miss Lula Hibbitts. They moved to Haskell in April, 1905, and have made their home here continuously since that time.

Mr. Wyche was a building contractor for many years. He was contractor on the building of the First Methodist Church, the First Christian Church and many other buildings in Haskell and this section.

Mr. and Mrs. Wyche were the parents of nine children, seven of whom are living. All were present for the anniversary celebration except one son, Henry T. Wyche of New York.

At the noon hour Sunday, members of the family and guests had dinner in the club room of the Texas Cafe. Centering the table was a beautiful wedding cake with a miniature bride and groom. Following the dinner all present joined in an old-fashioned sing-song, with Mrs. Calvin Henson as piano accompanist.

Those present for the anniversary observance, in addition to Mr. and Mrs. Wyche were Mr. and Mrs. Mitchell Wyche and Mr. and Mrs. Carlton Wyche and son Robert of Dallas; Mr. and Mrs. Emmett Wyche of Lubbock; Mrs. Everett Wyche and son, and Ben Hull of Irvin; Mr. and Mrs. J. A. Richker of Fort Worth; Mr. and Mrs. Calvin Henson and Mr. and Mrs. Richard Bischoffhausen of Haskell; Sgt. and (Dick) Bischoffhausen, sister of Mr. Wyche; DWis of Waco, a sister of Mr. Wyche; and Mrs. A. Q. Haskell, a close friend of the family.

Miss LaMoine Laughlin Is Bride of Jack Humphreys In Sagerton Ceremony

Miss LaMoine Laughlin, daughter of Mr. and Mrs. Grady Laughlin of Sagerton, became the bride of Duane (Jack) Humphreys, son of Mr. and Mrs. J. A. Humphreys, in a single ring ceremony performed by the Rev. Bourdon Smith, pastor of the Sagerton Methodist Church...

The bride wore a powder blue suit with pink accessories with a pink carnation corsage. For something old she wore a brooch belonging to her great-grandmother...

Their attendants were: Marlene Laughlin, sister of the bride and Robert (Bunky) Humphreys, brother of the groom...

After the wedding a reception was held for members of the couples families. Angel food squares and punch were served to the wedding party and Mrs. J. A. Humphreys and family, Mr. and Mrs. J. C. Schroeder, Mr. and Mrs. Louis Spitzer, Mr. and Mrs. Henry Laughlin, Miss Irene Stewart, Rev. and Mrs. Smith and Miss Ruby Gay Gibson.

Miss Beulah Bowen And Kenneth Reed Wed at Pinkerton

La Vetta Beulah Bowen, daughter of Mr. and Mrs. E. N. Bowen recently of Haskell, became the bride of Kenneth Wesley Reed, son of Mr. and Mrs. N. R. Reed, of Carlsbad New Mexico...

The bride and groom are both graduates of Rule High School. Jack was a star player on the Rule Bobcats football team.

A bridal shower was given in honor of the bride Friday afternoon, January 12, in the Methodist Church, by the ladies of the church. Place cards announcing the wedding date were featured on the plates. Cake squares topped with pink icing and punch were served. Mrs. Delbert LeFevre registered the names of those sending and bringing gifts as follows:

Mrs. Ira Short, the vice president, presided in the absence of the president, Mrs. E. E. Burselson. Mrs. Short distributed the new yearbooks and roll call subjects were chosen and committees appointed.

County Council report was given by Mrs. John Powell. Mrs. H. B. Yarbrough and Mrs. S. E. Lewis were retained as cereal and clothing demonstrators.

A slice of the lovely butter cake was served on the refreshment plate to Miss Wirges and Mmes. Cecil Johnson, Lewis, Manley, Joe Mathis, John Powell, Short and Yarbrough.

Happy Birthday Club Meets With Mrs. Pennington

Members of the Happy Birthday Club met in the home of Mrs. Bill Pennington Jan. 12 at 2:30 p. m. The house was called to order by the president, Mrs. Travis Smith. Mrs. Sallie Patterson had charge of a program of singing.

Committee reports were given, after which election of officers was held, with the following being chosen: Mrs. W. E. Johnson, president; Mrs. H. D. Bland, vice president; Mrs. Tony Patterson, secretary; Mrs. Bill Fouts, reporter. The president then appointed the following committee chairmen: Finance, Mrs. Travis Smith; Song Leader, Mrs. Emma Bland; Recreation, Mrs. Avis Pennington.

Weinert WMU Has Royal Service Program

Weinert W.M.U. met in the church for the Royal Service program Monday at 2:30. Mrs. C. T. Jones, program chairman had charge of the program. Mrs. J. W. Liles led the opening prayer. The W.M.U. Hymn was sung by the group. "Jesus Calls Us" The Words of Life was sung.

Members taking part in the program were: Mmes. V. C. Hobbs, Ed Roberts, W. B. Guess, R. C. Liles, C. C. Childress, Temple Lewis, others present, Mmss. W. A. King, Eddie Sanders, C. J. Williamson, W. C. Winchester and Mrs. C. F. Oman who led the closing prayer.

WEINERT VISITOR

Miss Lynda Gayle King of Munday spent the week-end with her grandmother, Mrs. G. C. Newsome in Weinert this week.

Dr. Williams Will Be Guest Speaker At P-TA Meeting

Haskell Elementary P.T.A. will have as their guest speaker, Dr. T. W. Williams, on Thursday, January 25 at three o'clock in the High School Auditorium. The third grade rooms will present the program.

Hands Easily Kept Beautiful With Proper Care

Good-looking hands, like graceful figures, do not need a great deal of expensive care. They do, however, require plenty of self-discipline—a requirement that can't be bought at any beauty salon.

Wear protective gloves for heavy cleaning, gardening, or tasks that stain the skin. Always wear gloves on cold days—even if you step out only a few minutes.

Family Should Keep Inventory of All Durable Goods

Fires, tornadoes, explosion—even thefts—can happen to anyone. In case of an emergency, many people find themselves not knowing what to claim as a loss when the insurance adjuster calls.

### 1951 Line of Buick Cars Will Be Placed on Display Saturday, Jan. 20

The 1951 line of Buick cars, highlighted by an improved Special with new body and new engine, will be on display Saturday, January 20 in the showroom of the Richey-Strain Company in this city and at Buick dealerships throughout the country.

The new line contains three series of cars, ranging from the low-priced Special up through the Super to the luxury models in the Roadmaster.

"Important advances in styling features coupled with major chassis and body improvements combine to make the 1951 Buick the greatest value in the company's history," Olen Dotson, sales manager for Richey-Strain Co., said.

There are eight models in the Special Series, six in the Super and four in the Roadmaster.

The 1951 Special is completely new throughout. It has a new body, a new chassis and is powered with the F-263 Fireball engine introduced in the Super last year. This engine develops 128 brake horsepower with Dynaflo and 120 with Synerco-Mesh transmission.

The rear fenders are integral with the rear quarter panel, eliminating the fender line caused by welds. The Special, which comes in both standard and deluxe trim, is mounted on a 121 1/2 inch wheelbase and has an overall length of 204.8 inches.

The Riviera "hard-top" convertible, which Buick pioneered in 1949 to start a new trend in automobile styling, has been extended to the Special, giving Buick three of these models for the 1951 market.

The Riviera styling, available in the four-door sedans in the Roadmaster and Super series last year, also has been extended to both two and four-door models

BEAUTIFUL NEW exterior styling and important interior improvements feature Buick's Super Series convertible for 1951. The car is sleeker and smarter than ever with its fresh new exterior lines, pointed up by the gleaming sweep-over molding which has been added to all Buick models for the coming year. The front end, distinctively Buick, has been re-styled to make it stronger and more attractive than ever.

The popular bomb-and-ring hood ornament has been elaborated and speed vanes have been added to Buick's unique fender ornaments. An outstanding interior improvement is the new white-glow instrument panel which makes dials and gauges easier to read both night and day. All Supers for 1951 are powered by the F-263 Fireball valve-in-head straight-eight engine which turns up 128 horsepower with Dynaflo.

#### MOVING OIL BIG JOB

During the postwar years, the amount of domestic petroleum transported by pipe lines, tankers, barges, tank cars and tank trucks has been nearly half as great as the total volume of ton-miles handled by our entire railroad system. On the average, during 1950, more than 250,000,000 gallons of petroleum products were delivered to American consumers each day of the year.

Families should keep an inventory of all durable goods. In case of a fire, tornado, explosion or theft, many families do not know exactly what to claim as a loss when the insurance adjuster calls on them. Better keep two copies—one at home, the other in a safety deposit box.

Harrison county home demonstration club women have conducted a very successful marketing demonstration. At the time, they sold fresh vegetables, sausage and home products.

#### Symptoms of Distressful STOMACH ACID DUE TO EXCESS QUICK RELIEF OR Ask About 15-Day

Over four million bottles of TREATMENT have been sold. Symptoms of distress arise from Poor Digestion, Sour or Bitter Gas, Heartburn, Stomach due to Excess Acid. Ask for "Message" which fully explains reliable home treatment—15-day

### Texas Schools Improve In Past Year At Slight Decrease in Tax Money Spent

The tenderest words of the English language could not be found to express to each of our friends and relatives what we feel in our hearts toward you. But in the most humble and most sincere way we know how, let us take this opportunity to thank each of you for your many kindnesses and remembrances showered upon us during the passing of our beloved daughter, Martha Norman.

We just hope that this message will reach all of those who have helped so much during these hours. Indeed there are so many who have been kind and who have expressed such deep concern and sympathy that we are unable to reach them all.

From the humbleness of our hearts comes a gratitude and thankfulness to each of you. And deep within our hearts is the desire that by her going each of you may be blessed in a spiritual way and that God will receive the glory. With the deepest of appreciation, Mr. and Mrs. Claude Norman and Mr. and Mrs. Don Davis and Mr. and Mrs. Jack Davis.

### CERTIFICATE OF LIMITED PARTNERSHIP

KNOW ALL MEN BY THESE PRESENTS: That GEORGE DE MOHRENSCHILDT, of the City and County of Denver, State of Colorado, and EDWARD GORDON HOOKER, of New York, New York, have formed a limited partnership upon the terms and conditions and subject to the covenants and conditions herein contained, and for that purpose do hereby certify as follows:

1. That the name under which the partnership is to be conducted is HOOKER & DE MOHRENSCHILDT, LTD.
2. The general nature of the business intended to be transacted is to buy or otherwise acquire, sell or otherwise dispose of, trade in, assign, sublease, drill, operate, and generally develop oil and gas leases, mineral interests, royalty interests, and lands believed to contain oil, gas and other hydrocarbons.
3. The names and residence of the partners are as follows: Edward Gordon Hooker, General Partner, 1088 Park Avenue, New York, New York; George de Mohrenschildt, General Partner, 1205 Ogden Street, Denver Colorado; Marian Hooker, Special Partner, 1088 Park Avenue, New York, New York.
4. The amount of capital contributed by the special partner is Seven Thousand Dollars (\$7000.00) in cash.
5. The term of this partnership is from March 1, 1950, to December 31, 2000.

Dated this 3 day of Nov., 1950.  
Edward Gordon Hooker [s]  
Marian B. Hooker [s]  
George de Mohrenschildt [s]  
STATE OF TEXAS, COUNTY OF TAYLOR, ss.  
Before me, J. Wayman, a Notary Public, in and for the said Taylor County, on this day personally appeared George de Mohrenschildt, known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same for the purposes and consideration therein expressed.

Given under my hand and seal of office, this 8th day of November A. D., 1950.  
My commission expires: 6-1-51.  
J. Wayman [s], Notary Public  
STATE OF NEW YORK, COUNTY OF NEW YORK, ss.  
Before me, Joseph Bogen, a Notary Public, in the said County, on this day personally appeared Edward Gordon Hooker, known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same for the purpose and consideration therein expressed.

Given under my hand and seal of office, this 3 day of Nov. A. D., 1950.  
My commission expires: 3-30-52.  
Joseph Bogen [s], Notary Public, 3-7c

### Too, there were only 156 supervisors, counsellors and special services personnel, such as nurses, available in 1939-40. Now there are 2,118.

Charles H. Tennyson, executive secretary of the Teachers Association, commented that until the Gilmer-Aikin program gave Texas a position near the top in the national education field, a proportionate share of the state dollar was not going to the schools.

"We are delighted to find that the vastly-improved school system and I believe everyone will agree that our schools are far superior to those of such a short time ago as 1949-50 fiscal year was \$527,252,453. Of that amount, \$156,430,559 went to the vast network of schools.

A total of \$145,350,068 was used by the per capita apportionment program and for administration, the supplementing foundation Tennyson reported.

Textbook costs and distribution accounted for \$3,410,723. The free lunch program cost \$3,758,361. The State Commission for the blind used \$117,006. Vocational education cost \$3,794,401, of which \$2,018,657 was federal funds, Tennyson said.

### TEXAS SCHOOLS IMPROVE IN PAST YEAR AT SLIGHT DECREASE IN TAX MONEY SPENT

In 1939-40 the public school support totaled 30.31 cents of each state dollar expended. During the last school year the schools share of that dollar was 29.67, or exactly 54 of a cent less.

The average daily attendance jumped in one year 35,708 under the new school program. Too, it is pertinent to point out that every child in Texas is guaranteed the opportunity of having 175 days of actual instruction per year.

There are now 49, 628 classroom teachers in Texas schools, Dr. Brown pointed out. That is 4,225 more than in 1939-40.

"That makes for better education of our children," Dr. Brown commented. "Classes are now smaller, allowing for more individual instruction.

# REMINDER To Taxpayers

Your 1950 State and County Ad-Valorem Tax must be paid on or before January 31 to avoid penalty and interest.

January 31 is also the last day to pay your Poll Tax or obtain your exemption certificate in order to vote during 1951.

Any person not otherwise disqualified who reached his 21st birthday since January 1, 1950 may obtain an exemption certificate which entitles him to vote during 1951.

Any person who reached his 60th birthday before January 1, 1950 is entitled to vote without payment of Poll Tax and it is not necessary for him to obtain a certificate of exemption to vote in Haskell County.

Any disabled veteran of foreign wars whose disability is 40% or more or any person who is permanently disabled or who is blind or deaf or dumb or has lost a hand or foot is exempt the 50c State General Fund and the 25c County Poll Tax but is not exempt the \$1.00 Constitutional Poll Tax levy set apart for the benefit of the public free schools, according to Opinion No. 0-6236 of the Attorney General of Texas. Such persons not otherwise disqualified may pay the \$1.00 Constitutional Tax each year and receive a Constitutional Poll Tax Receipt which will entitle him to vote.

# HERE'S THE NEW '51 DODGE

*New Inside...New Outside  
with a Completely New Kind of Ride*

**NEW in more ways than cars costing up to \$1,000 more**

AT A SECRET PREVIEW THESE FAMOUS AMERICANS SAID:

**TED WILLIAMS**—"When I first saw this new 1951 car, its smart good looks and its new engineering advances made me put it in the expensive car class." says Ted Williams, baseball's great left-handed slugger.

**BETTY HUTTON**—"It's so big, so roomy, with greater visibility for every passenger," says Betty Hutton, famous for her own exuberant way of putting over a song. "And so luxuriously appointed, inside and out!"

**DALE CARNEGIE**—"I think I know what influences people, and this new car will do it," says famous author of "How to Win Friends and Influence People" and "How to Stop Worrying and Start Living."

**New YOU can see it!** The new 1951 car that thrilled hundreds in secret previews coast-to-coast. Yes, famous Americans and people in all walks of life—engineers, stylists, architects, mechanics—were excited by its stunning new beauty and host of engineering improvements . . . were amazed that any car offering so much sells for so little!

**New Riding Principle!** New Oriflow shock absorber system brings you a truly new kind of ride . . . lets you "float" down roads that stop other cars. Here's a new kind of smoothness—over the same roads that jarred and "hammered" you in the past! Whether it's cobblestones or country ruts—wheels stay on the ground.

**New Watchtower Visibility!** Here's visibility for all passengers through the new wider windshield and deeper, wider panoramic rear window—for greater safety, comfort. Here's new spaciousness inside to let you ride relaxed, uncrowded. Yet outside, its new beauty is sleek and trim for easier handling and parking.

**See the New 1951 Dodge January 20th!** Step in at your Dodge dealer's. Learn how you could pay up to \$1,000 more and still not get all the new beauty, extra room, famous dependability of this great new Dodge!

The Beautiful New  
**1951 DODGE**  
ON DISPLAY JANUARY 20th

## News From Sagerton

Rev. H. E. Driessner, pastor of the Zion Lutheran Church, took Edward Wolsch, son of Mr. and Mrs. Emil Wolsch and Kenneth Hertel, son of Mr. and Mrs. J. A. Hertel, to Winfield, Kans., Sunday where they will enroll in St. John's College.

Mr. and Mrs. Joe Cusey of Brownfield visited with Mr. and Mrs. J. A. Hertel and family last week. Mrs. Cusey is a sister of Mrs. Hertel.

The Ladies Missionary Circle held their monthly meeting in the St. Paul's Lutheran Church Sunday afternoon. The Brotherhood met at the same time in the church basement.

Mr. and Mrs. Cleveland of Brownfield visited Mr. and Mrs. J. A. Hertel and family last week. They are Mrs. Hertel's parents.

Mrs. J. A. Hertel entertained the ladies of the Zion Lutheran Ladies Aid in her home Thursday afternoon, January 11. Rev. Driessner, pastor gave a short lecture on "Art in the Church". After the business meeting, refreshments of tuna sandwiches, cheese canapes, devil's food cake and coffee were served to the members.

Saturday night guests in the home of Mr. and Mrs. G. A. Leach were: Mr. and Mrs. P. F. Bufkin of Bruceville, Texas; Mrs. Self Ashley of Eddy, and Mr. and Mrs. L. B. White of Rochester. Then their daughter, Mrs. Wilson Gibson, Mr. Gibson and family of Rule visited the Leaches on Sunday night.

Mr. and Mrs. Tom Green of Wilcox, Arizona visited Mr. and Mrs. J. R. Green and Nelda Thursday and Friday of last week. It was the first time the brothers had seen each other in sixteen years. The group, accompanied by Mr. and Mrs. R. W. Green and family spent Friday in Wichita Falls visiting Mrs. Osie Luellen and daughter, Patsy. G. A. Leach has been under treatment and observation at the Knox County Clinic for several weeks.

Mr. and Mrs. Van Laughlin of Rule visited Mr. and Mrs. Cliff LeFevre Sunday.

Mr. and Mrs. C. C. Bredthauer have received word from their son, Pvt. Ernest Bredthauer, that he is now stationed in Korea.

Their other son, Walter, is stationed in Colorado.

The Sagerton Home Demonstration Club met in the home of Mrs. Will Stegemoeller Tuesday, January 9. Mrs. R. R. Clark, president. The meeting was opened with the singing of "Auld Lang Syne" led by Mrs. Oelke. The new 1951 yearbooks were distributed and Mrs. Ewell Kittley read the Club Goals for 1951. The business session was closed with the club prayer. Mrs. Pete Kittley gave the demonstration on boiled icings. A gift was given to Mrs. W. R. Gibson, who is moving to Lockhart soon.

Refreshments of doughnuts, cookies and tuna sandwiches were served with coffee to the Meses Oelke, C. E. Stegemoeller, P. A. Stegemoeller, A. C. Knippling, Ewell Kittley, Reece Clark, Pete Kittley, Delbert LeFevre, Herbert Lehmann, M. Y. Benton, J. C. Kalner, W. R. Gibson and Mrs. A. Nierdieck a visitor, and the hostess.

The next meeting will be in the home of Mrs. M.Y. Benton, January 23.

Guests in the home of Mr. and Mrs. H.C. Niensat Sunday were: Mr. and Mrs. Paul Dick and Mr. and Mrs. Gehardt Muegge and family of Haskell. Mrs. Cecil Crow and daughter, Wanda Sue, of Hillsboro also visited the Niensats recently.

Mrs. John Clark spent last week in Midland visiting her daughter, Mrs. Leslie Cobb, Mr. Cobb and Johnny. The Cobbs brought Mrs. Clark home Friday and spent the week-end here with the Clarks.

A plastic party was held in the home of Mrs. Werner Tiechelman Wednesday afternoon, January 10. A large group of ladies were present.

The ladies of the Stitch and Chatter Club were surprised by their husbands Thursday evening, January 11, with a turkey dinner served at the school luncheon. The ladies always entertain their husbands on Thanksgiving with a turkey dinner, so their husbands returned the favor. Those present were: Mr. and Mrs. Melvin Lewis, Mr. and Mrs. Charles Clark and sons, Mr. and Mrs. Edgar Jennings and daughters, Mr. and Mrs. R. N. Sheid, Mr. and Mrs. Pete Lusk, Mr. and Mrs. R. O. Gibson, Sr., Mr. and Mrs. Cliff LeFevre, Mr. John Clark, Mr. and Mrs. Ben Hess and Mr. and Mrs. M. Y. Benton. The dinner was prepared by Mrs. C. D. Swope, who operates the Hi-Way Cafe here.

The Pioneer Birthday Club met in the home of Mrs. Ann Hankins Thursday of last week. Lunch was served and the ladies enjoyed an "all day get-together".

Mr. and Mrs. W. R. Gibson spent the week-end in Lockhart visiting Mrs. Gibson's uncles.

Mr. and Mrs. Dick Gibson and family were entertained with a party in the home of Mr. and Mrs. G. W. LeFevre Friday evening, January 12. Games of 42 were played by the grownups and the young peoples games were directed by Mrs. Charles Clark. Mr. and Mrs. Gibson were presented with a silver salt and pepper set and a silver sugar and creamer set as a gift of appreciation for all they have done for this community and for the Methodist Church. Their daughter, Ruby Gay, was given a gift by the young people of the MYE. The Gibsons plan to move to Lockhart soon. Pie and coffee were served to approximately 25 families.

### NOTICE TO BIDDERS

Proposals will be received by the City Council of the City of Haskell, Texas, in the office of the City Secretary, until 7 p. m. January 26, 1951 and then publicly opened and read, for the furnishing of the following equipment:

One Packer Type Garbage body to be mounted on a 1951 Model, 2-ton Chevrolet truck. Said truck to be furnished by the City of Haskell, Texas, and the said truck now located in the City of Haskell.

Bidder is to quote a price on body completely mounted and delivered in Haskell, Texas.

Bidders to furnish complete and detailed specifications upon the equipment upon which he places a bid.

The garbage body is to be of all-metal construction and with all the latest hydraulic features.

Capacity of body to be not less than 12 cubic yards and net carrying capacity to be of not less than 7,000 pounds of dry garbage or trash.

The City of Haskell reserves the right to reject any and all bids and to waive formalities.

The bidder to state minimum and maximum date of delivery.

Done by order of the City Council of the City of Haskell, Texas, the 12th day of December, 1950.

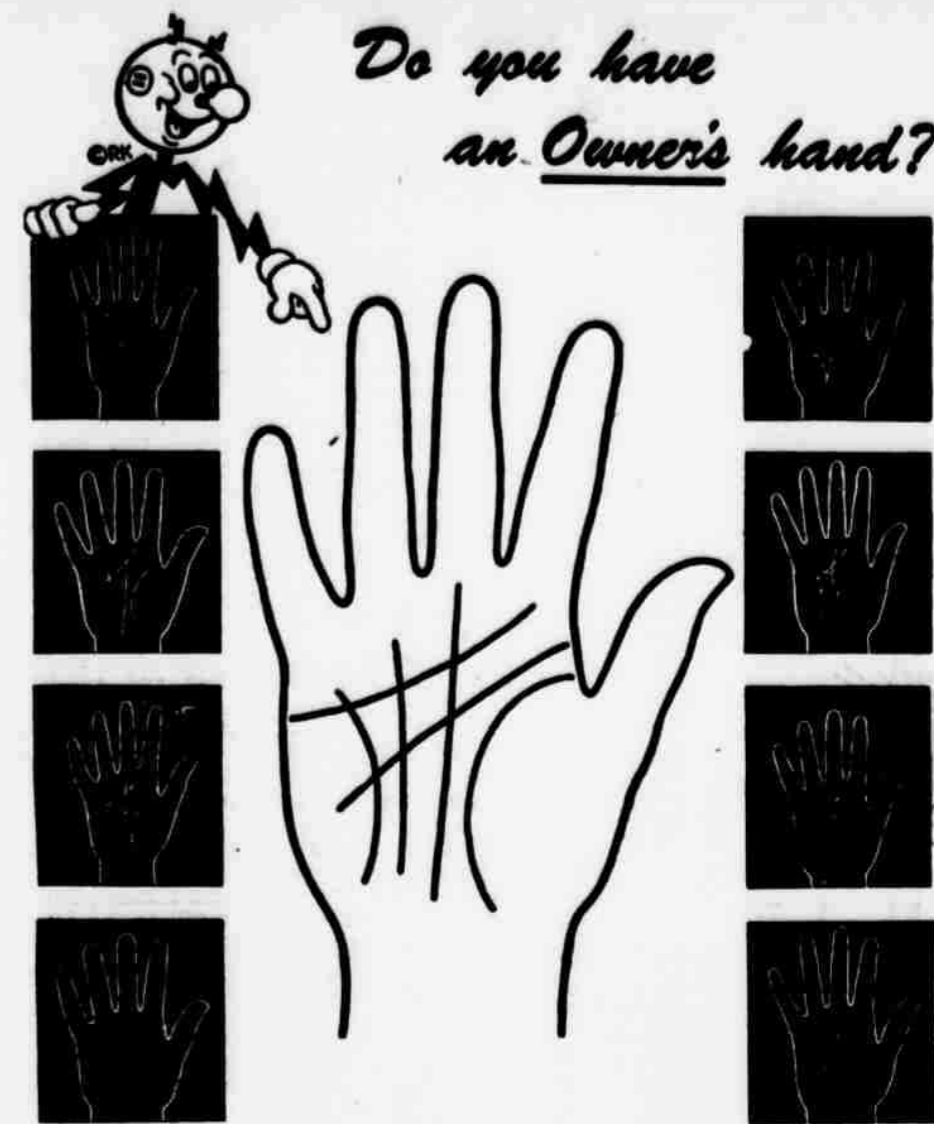

T. J. Arbuckle, City Secretary. Courtney Hunt, Mayor of Haskell. 1-3c

Pickup & Delivery Service

**WOODSON**  
Radio & Electric  
512 North 1st Street

Any fortune teller will tell you that palm reading is tricky stuff. Because no two hands are exactly alike. The hands shown above, for example, reveal different temperaments and tempers and abilities.

Most American hands, however, have this similarity: they belong to owners of business-managed electric companies like the West Texas Utilities Company.

Several million Americans, in every walk of life, own the securities of these companies.

And some 72,000,000 are indirect owners, through their life insurance and savings accounts. For when banks and insurance companies accept your money, they must invest it wisely, and much of it goes into electric light and power companies.

**West Texas Utilities Company**

### County Agents Stress 4-H Club Work As Major Activity During 1950

The training of rural boys in 4-H club work in leadership and community activities along with production demonstrations such as cotton, beef cattle, was stressed in 1950 by county agent F. W. Martin, and assistant in Training, Bryan W. Swaim.

The county agents devoted 238 days to the 4-H club work in Haskell county during 1950. A total of 237 4-H club boys were enrolled at Haskell, O'Brien, Rochester, Paint Creek, Rule, Weinert, Sagerton and Mattson.

There were 34 boys who plant-

ed and harvested 178 acres of grain sorghum, 19 boys had home gardens, 1 boy had 10 acres of corn, 20 boys had 1380 hens, 8 boys had 9 dairy cows and 2 heifers, 54 boys had 254 swine, 2 boys had 88 rabbits, 61 boys had 138 beef calves, 3 boys had management of farms, 2 used diversified types of farming and one used wheat and cattle; 11 boys sowed and harvested 214 acres of wheat.

Haskell county 4-H club boys exhibited seven 4-H club calves at the Wichita Falls Show held in February 1950. Five of the club calves placed first in the best group of five calves from one county. Andy Wilfong, Mattson 4-H, showed one of his calves to the prime or blue ribbon class, the calf placed 4th in the heavy class. There were only seven prime calves in the show out of 92 calves entered. Other placings in the show were as follows: Gilbert Brandenberger, Sagerton 4-H, showed his lightweight calf to 4th place; Sid Woodson, Haskell 4-H, placed 5th with his calf in the heavy weight class. Dub Sims, Paint Creek 4-H, placed 9th with his calf in the light weight class. The calves were sold at auction on Friday morning, and brought \$2,393.50.

Haskell county had two 4-H club members to exhibit and sell their livestock at the livestock show held in Odessa, Texas, March 11, 1950. Andy Wilfong, showed his steer to 4th place and it brought 45 cents per pound. Sid Woodson, exhibited and sold three bulls that he had fed out for the show. One of the bulls sold for \$570., another for \$765, a total of \$2,035, for the three bulls. This is the first time a Haskell county 4-H club boy had tried feeding breeding animals in some time, but this may prove to be a way for club boys to earn a good profit as well as learn how to feed and fit animals. Sid now has four more bulls on feed for this year and six club calves.

Andy Wilfong, Sid Woodson, Dub Sims, and Kenneth Lane exhibited beef calves in the State Fair in Dallas in October. Dub Sims placed 7th with calves in the middle weight class. The calves sold for 40 cents to 41 cents per pound and all the steers weighed over 1000 pounds at sales day

except Dub Sims calf which weighed 965 pounds.

Sid Woodson fitted a bull to sell in Sweetwater on December 2nd. He fitted the bull on a 50-50 percentage.

A total of fifteen club calves were put on feed during the month of April for the 1951 stock shows.

The Haskell county Sears, Roebuck Foundation Swine program is growing in size and quality. This past year the eight boys that received gilts through this program did a good job in developing their gilts, and though some suffered hard luck in getting large litters still had a good demonstration. Dry weather and high winds resulted in a high death rate of the pigs in these litters.

Jerry Kainer of Sagerton 4-H, won the district heavy litter contest with a litter of ten pigs weighing 485 pounds, for which he received \$25 from the Sears Roebuck Foundation. Billy Ray Anderson won 8th place in the heavy litter contest and received \$5. Scotty Oman won 11th place in the same contest and received \$5. Billy Ray Anderson also won 1st place in the pen of three fat barrows in the county show, 3rd place with his pen of three fat barrows in the district show, and placed 4th in the district show with his boar.

Jimmie Hanns, Rule 4-H, had 1st place gilt in the county show, and 2nd place gilt in the District Sears show. He won \$35 prize money with his gilt. Wayne Josseliet, Weinert 4-H, had 2nd place gilt in the county, winning \$8 with his gilt. Larry Grimsley had 3rd place gilt in the county, winning \$6 with his gilt. Willie D. Lehmann, Sagerton 4-H, won 4th place in the county show, receiving \$4 prize money. James Lott had 5th place gilt in the county, winning \$2. All eight boys did a good job of producing good gilts and the bottom gilt would be a good gilt in any show.

On May 20th eight 4-H club boys received pigs under the Sears, Roebuck Foundation Program. The boys receiving the gilts were: Joe Bob Earles, Paint Creek club; Jimmie Hanns, Rule club; Willie D. Lehmann, Sagerton club; James Lott, Rochester club; Larry Grimsley, Weinert club; Charles Gibson, Rule club; Wayne Josseliet, Weinert club; and Alvin Hertel, Sagerton club. Billy Ray Anderson of Weinert club received the boar.

A livestock judging team was coached during the year at periodic meetings. These boys practiced on local cattle, horses, and

sheep. Points of judging being pointed out by the local leaders, local breeders, and county agent. The four 4-H club boys composing the team were, Sid Woodson, Billy Middlebrook, Jerry Terrell, and John Carlos Montgomery. The livestock team won 1st place at the Knox county 4-H and FFA livestock judging contest held at Munday the last part of February. On May 30, 1950 these four boys went to Texas Tech college to compete in the district elimination contest and placed first. Therefore, getting to attend the State 4-H Round-Up. On June 12, 1950 the team entered the livestock judging contest of the State Round-Up and placed ninth.

Haskell county's grass judging team was composed of four Haskell county 4-H club boys making the highest points in a county elimination contest held May 6th at the Mattson High School. Boys winning were Larry Wheeler, first Durwood Wheatley, second, Don Smith, third, and Pete Prater, fourth. These four boys received regular training after the county elimination contest, each Friday afternoon, on grasses and their characteristics. The S. C. S. cooperated in letting us use some of their mounts, in training the team.

On May 30, 1950 these four boys went to Texas Tech College to compete in the district elimination contest and placed second. Therefore, getting to attend the State 4-H Round-Up. On June 12, 1950 the grass team entered the grass judging contest held by the Wichita-Brazos Soil Conservation District. The awards were given on individual scores, and five medals were given to the first five boys in the contest. Haskell county's three 4-H boys placed as follows: Don Smith, first, Durwood Wheatley, second, and Pete Prater fifth. One of the team was unable to attend.

These boys enjoyed working with the identification of grasses, and have started their own collections. They have not only learned something of the grazing value of the grasses found growing in their own pastures, but have created interest in neighboring farmers, school children, and their fathers, in finding out what names of certain grasses are and what value it is for grazing. It is believed that in having more county contests for 4-H boys that the older men will get interested in just what there is to it. Even if it is said that you can't teach an old dog new tricks, no one has said you couldn't add to the old tricks.

### Jewelry Needs It

If you own fine jewelry and furs, you have an investment of hundreds of dollars. Many things can happen to them over which you have no control.

You can be protected financially from any loss or damage, whether at home or away with a Hartford Jewelry - Fur Policy. Ask this agency to insure yours NOW!

## Built in Texas... and helping build Texas

Ford is the only Automobile Manufacturer Building Cars and Trucks in Texas

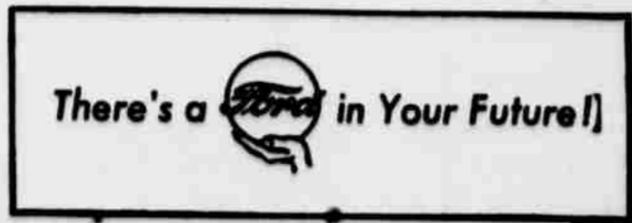

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their consignment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford... and in the process Ford is helping to build Texas, too!

**a John Deere Day message**  
January 18, 1951

Dear Friends:

John Deere Day will soon be here again; in fact, next Wed-  
nesday, January 24. This is the day we look forward to having  
all our farmer friends here to be our guests and spend the day  
with us. There just isn't time to call on each of you personally.  
We have endeavored to mail invitations to each one of you, but  
if you did not receive one, or have not been invited by any of our  
personnel, please consider this your personal invitation to attend.  
The picture show will start at 9 a. m. at the Gilmore Implement.

The feature picture, "One Happy Family" starring Marjorie  
Reynolds and Don DeFore, is a top notch production—one which  
we are sure you will enjoy. We will also have several interesting  
and educational features on modern equipment and farming prac-  
tices.

Don't forget the time—9 a. m. Wednesday, January 24.  
Come early! Bring the whole family and spend the day with us.  
Doughnuts and coffee will be served.

Sincerely,  
Gilmore Implement Company

### Lions Told of Urgent Need for Supporting March of Dimes Drive

Members of the Lions Club gave an insight in the importance of raising the county's quota in the current March of Dimes at their regular meeting Tuesday at noon in the club room of the Texas Cafe, and also heard a brief but interesting talk on the characteristics of the Chinese Nationalist soldiers.

Ralph E. Duncan was in charge of the day's program, and he introduced as visitors and guests Mrs. T. R. Odell, Abilene college faculty member; James W. Kennedy of Rankin; R. M. Title, executive of Perkins-Timberlake Co. of Wichita Falls; Ben Blanton, manager of the Wichita Falls Chamber of Commerce; Col. Malone of the Austin, and Lt. Edman of Wichita Falls.

Entertainment feature of the program was a reading, "The Night Before Christmas," and a song by a talented 3-year-old Steve Harper, son of Mr. and Mrs. Joe Harper of this city.

J. M. Crawford gave a brief explanation and break-down of the quota assignments in the March of Dimes from a national to a county and community scale, in announcing Haskell county's quota as \$8,000.

John H. Banks, county chairman of the Polio Foundation chapter, told Lions that the average cost of polio cost \$2,500 for treatment, and stressed the fact that dollars instead of dimes will be required if Haskell county assumes its rightful share of the burden in fighting polio.

Col. Malone, attached to Texas Military District Headquarters at Austin, talked briefly on the de-

bated proposal for using Chinese Nationalist troops in the Korean fighting. He related that past experience had shown that the Nationalists were not dependable as fighting men, and would dispose of equipment and arms furnished them by the United States—in many known instances having permitted arms and weapons to pass into the hands of the enemy. In his opinion, Nationalist Chinese could be written off as potential fighting allies.

### New Drive In Snack Bar To Open Here Saturday

Opening of the new Drive In Snack Bar No. 2, located south of Bynum Service Station on the Stamford highway, has been set for Saturday, Jan. 20 under the management of Mrs. J. E. Bullock. Mr. and Mrs. Bullock have been operators of a similar establishment north of the square, which will continue under the management of Mrs. Creed Flanary, as Drive In Snack Bar No. 1.

Mr. and Mrs. Bullock invite their friends and the public to visit the new establishment to be opened Saturday.

### Pitman Motor Co. Offices and Show Rooms Remodelled

Remodelling and rearrangement of the new car showrooms and office quarters of Pitman Motor Company was completed this week, and Mr. and Mrs. W. H. Pitman, owners of the motor concern are inviting the public to visit and inspect the newly remodelled building Saturday in connection with the first public showing of the new 1951 Dodge cars.

The entire front of the building has been remodelled and decorated, and a new business office has been added. The interior has been attractively finished and painted.

As a special feature of the new Dodge showing, refreshments will be served and orchids in lapel vases will be presented ladies attending the new car display.

### Grass Fire - - -

(Continued from page 1)

Brazos River, and continue its scorched path north into Haskell and Throckmorton Counties, but up to Wednesday, fighters had succeeded in warding the flames off from the north bank of the river.

Lines set up along three creeks were crossed by the fire during its mile-eating course. Fish, Antelope and Bluff were among the creeks jumped.

West of the Newell Ranch, the prairie fire took 20 of 50 sections in the Jack Farmer Ranch.

North of the Newell Ranch it took six of 13 sections in the W.L. Cook Ranch, 20 of 50 in the Hendrick Home Ranch, 20 in the Nail Ranch, and fringed the Matthews and Biddingham Ranch.

A pumping power station on the Nail ranch burned in the fire, but that was the only significant loss other than the tremendous rich grassland in the area.

A Humble booster station on the southeast corner of the Newell Ranch and the Roeser-Pendleton gas station were saved even though west of the Cookfield Road, rough eastern border of the flames.

Backfires were set, and heavy fire-fighting equipment protected both points. There were few reports of loss of cattle.

The 1951 Dodge Coronet four-door sedan has a wider windshield and wider rear window for improved driver vision. Bumpers and bumper guards are larger and the grille and hood are of a new modern design. All 1951 Dodge cars are equipped with the new, more comfortable riding Oriflow shock absorbers. The model shown above is available with Gyro-Matic shift-free transmission.

### Registrants Can't Enlist After Notice

State Selective Service headquarters in Austin is being "swamped" with requests from draft registrants for permission to enlist in the Air Force, Navy or Marine Corps after they have received notices of preinduction examinations.

"We are forbidden by law and regulation to permit enlistment in such cases," Brig. Paul L. Wakefield, state director, stressed. "We have no authority to act favorably on such requests."

"Section 15 of the selective service law states that no person shall be accepted for enlistment after the induction process is once started," Wakefield continued. "And the Department of Defense has ruled that the process is started, when a man is notified by a selective service board to report for armed forces physical examination. But any registrant who is acceptable to the service concerned may enlist before he gets such a notification."

### Lower Parity Prices In Store For Some Farm Products

According to the recent American Farm Bureau official news letter the lowering of parity prices on non-basic commodities this month, in accordance with the modernized parity provisions of the Agricultural Act of 1949, will presumably reduce by 5 per cent the permissible ceiling price which can be imposed on these commodities under the Defense Production Act. Lower parity prices are in store for potatoes, citrus fruits, eggs, barley, oats, rye, grain sorghums and most fruits and vegetables, which are in transition between the old parity formula and the new one established under the 1949 Act.

The 1949 Act provides that parity reductions on those commodities for which the formula results in a lower parity shall not be greater than 5 percent a year. The reductions are expected this month.

The Defense Production Act permits, but does not require, imposition of price ceilings at not less than the higher of (1) the parity price and (2) the highest price received between May 24 and June 24, 1950.

The 1949 Act permits use of either the old or the new parity formula, whichever is higher, for the six basic commodities. For livestock and many other non-basics the new formula results in a higher parity price than the old one.

### Meeting of Area Homemaking Teachers From 20 Schools Held Here Monday

Mrs. Josephine Pazdral, Assistant State Supervisor with headquarters at Texas Tech, held a meeting Monday afternoon from four to six o'clock at the Haskell Homemaking cottage. Help on degrees of achievement in homemaking which can be earned by high school girls enrolled in homemaking was the purpose of the meeting. Only one degree can be learned each year. Miss Watson says she expects that number to be doubled this year.

Homemaking teachers were present from the following schools: Iowa Park, Burkburnett, Olney, Aspermont, Graham, Hamlin, Woodson, Hawley, Hermligh, Rotan, Peacock, Old Glory, Throckmorton, Valley View, Rule, Rochester, Paint Creek, Weimer, Stamford, and Seymour. Two meetings were held in Area Two, the other meeting at Texas Tech. Another honor for Haskell

### VISIT HERE AFTER TRIP TO CALIFORNIA

Mr. and Mrs. Horace Payne of Moody, Texas, were visitors Tuesday in the home of her mother, Mrs. Frank C. Scott and Dr. Scott. They were returning after a three weeks trip to points in California. While they were away their little son, Bill, stayed with Dr. and Mrs. Scott and he accompanied his parents home Tuesday.

The practice of self-feeding a mixture of salt and cottonseed meal is aimed at reducing the amount of labor normally required for feeding supplements to range cattle.

### Pitman Motor Company Will Display New 1951 Dodge Cars Saturday

The 1951 Dodge cars, new in appearance and featuring Oriflow shock absorbers and other improvements, will be displayed in the showrooms of Pitman Motor Company in Haskell Saturday, January 20, according to W. H. Pitman, manager of the local Dodge dealership.

The new cars will be introduced on this date by dealers throughout the nation.

Demonstrations of what Pitman described as "the remarkable Oriflow ride" of the new Dodge cars will be given interested persons to introduce this distinctive new feature of the 1951 models.

"We regard Oriflow as a major advance in automotive engineering," Pitman said. "Even on smooth roads, Oriflow shock absorbers provide a noticeably better ride than we've ever known before. On medium-rough and very rough roads, they smooth out the ride in a way that's almost unbelievable until you have experienced it."

Further improvement in driver vision, new body lines in the forward part of the car, modernized interior styling, a glare-protected instrument panel and a more efficient engine cooling system are among other features of the 1951 Dodge line. Made up of ten body styles on two wheel bases, the new models retain the generous head room, shoulder room and leg room of 1950 models which Pitman said, established another all-time high in Dodge

retail sales despite a three-month shutdown last spring due to a strike. Pitman said Gyro-Matic transmission, which frees the driver from shifting, will be available on all models in the 1951 line except the Wayfarer Sportabout.

**HASKELL VISITORS**  
Mr. and Mrs. Homer Davis of Dallas were week-end visitors in the home of Mr. and Mrs. Marvin Medford in this city. Mr. Davis is an uncle of Mrs. Medford, and this was the first time he had been back to Haskell in 42 years. Also guests in the Medford home were Mr. and Mrs. A. D. Kelley of Waco, and they also visited in the homes of Mr. and Mrs. Richard Josselot and Mr. and Mrs. Homer Josselot while here.
