## Lions Show Skill In Word-Forming Contest Tuesday

Members of the Lions Club demonstrated their skill in forming words in a novel contest at the weekly meeting Tuesday at noon in the Texas Cafe.

Announcement was also made of the coming observance of annual Ladies Night on Monday, Oct. 29th when the evening's program will be held in the new Grade School auditorium.

Lions Francis Nickerson and Dr. Wm. Ponder, were in charge of Tuesday's program which opened with group singing led by Lion Nickerson, with Rosa Lee McCall as pianist.

In the word-forming contest, members were given a slip of paper and requested to write down as many words as possible using only the letters in "Lions International." Time limit was eight minutes, and Supt. S. H. Vaughter came up with the largest number—54 words.

R. C. Couch, Jr., president of the Haskell County Farm Bureau today reported that good progress had been made in the annual membership drive of the organization, although it is still short of the 1,000 membership goal set in the drive.

## Membership Drive of Farm Bureau Underway

Community leaders and workers reported a total of 150 new memberships the first of the week, and the drive will be continued through the coming week, Couch said.

Achievements of the Farm Bureau in securing many worthwhile benefits for the farmer makes it imperative that every farmer, or business dependent upon agriculture support the organization, Couch declared.

Among the principal aims of the Farm Bureau is to speak for all farmers in the community, and to uphold the interests of the individual farmer against the organized interests of other groups, Couch said in urging farmers and businessmen to enroll as members of the Farm Bureau in the current drive.

Community Singing Sunday at 5th St. Church in Rule

There will be a Community singing Sunday, Oct. 21 at the 5th Street Baptist Church in Rule, starting promptly at 2:30 p. m., Rev. Jesse Jones, pastor, has announced.

Everyone is cordially invited to attend and enjoy an afternoon of good singing.

## R. C. Lowe, 61, Dies Unexpectedly Friday Evening

R. C. Lowe, 61, prominent farm operator and landowner of this city, died unexpectedly at the family home around 8:30 p. m. Friday. Death was attributed to a heart attack.

Apparently in normal health, Mr. Lowe had gone about his customary business during the day and had spent part of the day at his farm east of town. He complained of feeling slightly ill late Friday afternoon, and died several hours later.

Funeral service for Mr. Lowe was held at the First Presbyterian Church Sunday at 3 p. m., with the pastor, Dr. R. K. McCall, officiating. Burial was in Willow Cemetery under the direction of Holden Funeral Home.

Born Sept. 2, 1890, in Coleman County, he was the son of the late Mr. and Mrs. R. M. Lane, and was reared in that section. He married Miss Ethel Barker of Coleman on Sept. 29, 1912, and they lived there until moving their family to Haskell County in 1915. Mr. Lowe engaged in farming in the Foster community for a number of years until moving to Haskell in the late 20's. He had been a member of the Baptist Church since boyhood.

Mr. Lowe is survived by his wife of Haskell; two sons, Hugh Lowe of Dallas, and Ross Lowe of Morehead, Ky.; two daughters, Mrs. L. B. Grappie of San Antonio, and Mrs. E. W. Williams of Dallas; two grandchildren; three sisters, Mrs. G. B. Bartholomew and Mrs. B. C. Cox, Brownwood; and two brothers, Clinton Lowe, Earl of Anna; Sam Lowe, Winchell, Tex.; L. L. Lowe, El Paso; H. L. Lowe, Lubbock.

## Cotton Ginnings Here Show Steady Gain Past Week

A steady gain in cotton processed at Haskell's five gins during the past week was shown in a check of the establishments Thursday morning.

They reported a total of 1,189 bales ginned during the past six days to boost the season's total to 3,448 bales to date.

Daily receipts are increasing slightly, but farmers are having some difficulty in securing labor needed to gather the cotton as rapidly as it is opening.

## Paint Creek Youth Week Revival To Begin Oct. 18

A youth revival will begin at the Paint Creek Baptist Church Oct. 18 and continues through Oct. 21. Rev. Travis Laduke will do the preaching. Harry Kong will be song leader with Sue North as pianist.

Services will begin at 7 p. m. each evening. Everyone is cordially invited to attend these services.

## Jury Convicts Knox City Man On DWI Charge

A jury in County Court Wednesday returned a verdict of guilty in the trial of Derral Adams of Knox City on a complaint charging him with driving an automobile while intoxicated.

The jury assessed a fine of \$50 and court costs against the defendant. Conviction also carries automatic suspension of drivers license for six months.

The prosecution was conducted by County Attorney Royce Adkins, while the defendant was represented by Judge T. R. Odell of Lubbock.

## \$91.75 Raised In Boy Scout Finance Drive Here

Workers in the annual Boy Scout finance drive launched Tuesday morning, reported a total of \$91.75 subscribed in Haskell up to Thursday morning, while in other sections of the county some communities had already met their goal.

Haskell workers, headed by Payne Hutton as community chairman, said today that a number of prospects remained to be contacted. They believe all goals can be made this week in completing the drive.

In Rule, volunteer workers over the campaign in short order, raising \$400, by 9 a. m. Tuesday following a kick-off breakfast.

District Judge B. C. Chapman, heading the drive in the three-county northern district of the Chisholm Trail Council, said that complete reports from all communities in the county were expected next week.

Mr. and Mrs. Gaston Hettor visited during the week end in the home of their daughter and husband, Mr. and Mrs. Kendall Henderson in Midland. They also visited relatives in Odessa Sunday.

## Junior and B Teams In Twin Bill Here Thursday Night

Haskell and Hamlin High School "B" teams and junior high school squads are scheduled in a twin bill at Indian Field tonight, (Thursday).

Catch Thos. Jones' junior high school team will meet the Hamlin juniors in the evening's first game, beginning at 7 o'clock.

## Weinert Couple Killed; 3 Haskell People Injured in Wreck Saturday

A prominent Weinert couple, Mr. and Mrs. A. R. Reeves, were instantly killed, and three members of a Haskell family, Mr. and Mrs. Willie W. Ferrel and their 13-year-old son, Billie Wayne, were critically injured in a head-on collision of two automobiles near Azle, Texas, Saturday night about 8:30 o'clock. Another son of the Ferrels, Cleveland, 11, escaped unhurt.

Also killed in the crash was L. T. Wages, 29, a Fort Worth plumber. The accident victims and injured persons were rushed to Ft. Worth hospitals.

At St. Joseph's Hospital, injuries to Mr. Ferrel, 34, were termed exceedingly critical. He suffered a broken leg and facial cuts, serious internal injuries, and possible concussion.

Mrs. Ferrel, 33, received multiple head cuts and shock, and her right leg was fractured in two places. Their son, Billie Wayne, suffered a broken leg and other injuries.

The accident occurred about a mile northwest of Azle, in Parker County. According to reports, the car driven by the Fort Worth man pulled from behind a truck into the path of the car occupied by the Reeves and Ferrel families.

The Reeves, uncle and aunt of Willie Ferrel, and the Ferrel family, were en route to Arlington where they were to spend the night with relatives before driving to Hunsville Sunday.

A son, Edwin Reeves, 21, stationed at the Red River Arsenal, was in Haskell en route to Weinert on a 10-day pre-embarkation furlough when informed of the accident.

Mr. and Mrs. Reeves were married in 1923 in Proctor County. They came to Weinert in 1925. In addition to his extensive farming operations, Mr. Reeves was operator of a grain elevator in Weinert.

Their immediate survivors include their son and two daughters, Mrs. John Pierson of San Monica, Calif., and Mrs. Felton Jackson of Goree; and four grandchildren.

Mrs. Reeves is also survived by his mother, Mrs. F. F. Reeves, Munday; three brothers, L. V. Reeves, Weinert; J. E. Reeves, Clovis, N. M.; and Herman Reeves, Yuma, Ariz.; three sisters, Mrs. Gurtha Followwell, Munday; Mrs. Ruby Douglas, Littlefield, and Mrs. Harschel Mansfield, Munday.

Mrs. Reeves is survived by her mother, Mrs. Mary Eaves, Weatherford; six half-sisters, Mrs. W. C. Reeves and Mrs. Ethel Gaylor, both of Mineral Wells; Mrs. Mary Ferrel, Fort Worth; Mrs. Edna Michael, and Mrs. Mildred Eshel, both of Los Angeles, Calif.; and three half-brothers, Bill Eaves, California; J. C. Scott, Weinert, and Elbert Eaves of California.

Funeral services for Mr. and Mrs. Reeves were held at 2 p. m. in the First Baptist Church at Munday. Conducting the rites were the Revs. J. Temple Lewis and Paul Nelson of Weinert, S. E. Stevenson of Goree, and Huron Polnac, Munday, all Baptist ministers.

## Opening of Holiday Season Set Dec. 4th

Arrangements were completed this week for the visit of Santa Claus and his reindeer to Haskell again this year to open the Christmas shopping season on Tuesday, Dec. 4th.

Plans for the annual holiday event were completed Wednesday afternoon in a meeting of local merchants representing all lines of retail business, with the Trade Extension Committee of the Chamber of Commerce.

The visit of Santa Claus and his reindeer to Haskell last year attracted one of the largest holiday crowds in years, and this year's event is being planned on a larger scale, Cecil Gregory, C. of C. committee chairman, said following the meeting.

Holiday lighting streamers for the business section will be strung and turned on Saturday, Dec. 1st, in advance of Santa's visit on the following Tuesday. The colored holiday lights will burn each night through the remainder of the holiday season.

The program being planned will also include the annual holiday window contest for various divisions of retail stores, and Christmas home decorating, with out-of-town judges selecting the most attractive displays and home decorations on the evening of Dec. 4.

Following Santa's first official visit with his reindeer on Dec. 4, he will re-visit Haskell each Saturday until Christmas, it was announced. However, Santa will only bring his reindeer for his first visit.

Also being planned in connection with the program opening the holiday season are several other special events, including a series of Christmas carols and other attractions.

## Final Rites Held Here Friday For J. A. Stephens

Final rites were held at the graveside in Willow Cemetery Friday at 4 p. m. for J. A. Stephens, 69, former resident.

Mr. Stephens, 69, who moved to Abilene from Haskell in 1935, died Thursday morning in Hendrick Hospital. He had been in ill health for some time and recently underwent major surgery.

He had been employed by the State Health Department and traveled throughout West Texas since 1948. His wife was the former Mamie Draper Barron of Haskell.

Funeral services were held in Abilene at the Elliott's Chapel of Memories at 2 p. m. Friday and the body was brought to Haskell for burial.

Survivors include his wife and one daughter, Mrs. W. C. Corbitt of Abilene; two granddaughters and one grandson; four sisters, Mrs. Sula Twitty of Temple, Mrs. C. C. Eastland of Waco, Mrs. Edmon Warnken of Fort Worth, Mrs. V. H. Lingo of Fort Worth; three brothers, A. V. Stephens of Poteet, G. E. Stephens of Lampasas, and B. W. Stephens of Waco.

## Sister of Haskell Man Is Killed In Car Accident

Mrs. J. W. Chandler, member of a prominent Stamford family, and a sister of A. Y. Corley of this city, was killed instantly about 5 p. m. Wednesday when her car overturned about six miles south of Stamford.

Mrs. Chandler had been Anson with Mrs. J. L. Woodson, where they attended a meeting of the Jones County Home Demonstration Council. She got her car at Mrs. Woodson's, who lives south of Stamford, and had driven only a short distance when she lost control of the car and the automobile overturned. Mrs. Chandler was pinned beneath the wreckage.

The injured woman was rushed to the Stamford Sanitarium, but was pronounced dead on arrival. The body was taken to the Kinney Funeral Home, Stamford, where funeral arrangements were pending Thursday morning.

Mrs. Chandler was born Oct. 13, 1881 in Arkansas. She married J. W. Chandler at Groesbeck, Texas in 1906. They moved to Jones County in 1928 from Oregon. Mrs. Chandler is a retired farmer.

Mrs. Chandler was a member of the Seventh Day Adventist Church, and was active in the work of the church.

She is survived by her husband; three daughters, Mrs. Guy B. Karr of Spur, Mrs. Roy Scott of San Antonio and Mrs. R. L. Halverson, who is with her husband who is in the Navy and now in Colorado; four granddaughters; a sister, Mrs. A. L. Cappe of Anson; and three brothers, A. Y. Corley of Haskell; Charles A. Corley and E. B. Corley of Stamford.

Funeral services for Mr. and Mrs. Chandler were held at 2 p. m. in the First Baptist Church at Munday. Conducting the rites were the Revs. J. Temple Lewis and Paul Nelson of Weinert, S. E. Stevenson of Goree, and Huron Polnac, Munday, all Baptist ministers.

Burial was in Johnson Cemetery at Munday under direction of Holden Funeral Home of this city. Named pallbearers for Mr. Chandler were Raymond Liles, Ben Bruton, Earnest McGuire, Frank Oman, Clyde Taylor, Bob Baddwin, E. D. Earl, Clovis Winchester.

## Mexican Mission Is Well Attended Here Sunday

The Mexican Mission being conducted here each Sunday afternoon by Rev. Rawl Solis of Munday is attracting increased attendance each Sunday, the minister reported.

Last Sunday approximately 175 Latin Americans attended the service, and three conversions resulted. Rev. Solis said. Services are held in the Ritz Theatre beginning at 1:45 p. m. each Sunday.

The Mission is sponsored by the W.M.U. of the East Side and First Baptist Churches of Haskell.

Survivors include his wife and one daughter, Mrs. W. C. Corbitt of Abilene; two granddaughters and one grandson; four sisters, Mrs. Sula Twitty of Temple, Mrs. C. C. Eastland of Waco, Mrs. Edmon Warnken of Fort Worth, Mrs. V. H. Lingo of Fort Worth; three brothers, A. V. Stephens of Poteet, G. E. Stephens of Lampasas, and B. W. Stephens of Waco.

## Rule Church Will Host Banquet For Visiting Pastors

Th Rule Methodist Church will be host for a banquet Friday night, Oct. 26, for visiting ministers who are coming to the Stamford district of the Northwest Conference during the All-Texas Methodist Revival.

Twenty-two ministers from Mississippi, Wisconsin, South Carolina and Texas will serve as guest pastors of Methodist Churches in the Stamford district during the revival. They are from the Tuscarora district.

Guest pastor in the First Methodist Church in this city will be the Rev. A. Y. Brown of New Albany, Miss.

## Future Farmers Exhibit Closes at Dallas Show

Four members of the Haskell Chapter, Future Farmers of America, participated in the exhibit at the State Fair at Dallas.

The exhibit, which was held in the Junior Exhibit Building at the State Fair, was a success.

The exhibit was well attended and the members of the Haskell Chapter were well received.

## 3,404 Bales Cotton Ginned In County Prior To Oct. 1

Gathering of the 1951 cotton crop in Haskell County, started in mid-September a week or ten days later than the normal date for this section, had made fair progress by Oct. 1, according to the report of cotton ginnings released by the U. S. Department of Commerce.

In addition to the new water main system, additional fire hydrants will be installed in the residential areas where lines are being extended.

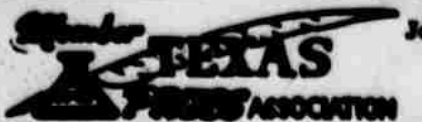

Work has been started on extensions of city water and sewer mains, authorized in a \$280,000 bond election last August.

In the project now underway, approximately 18,000 feet of new four and six inch water lines will be laid, together with 11,000 feet of new sewer extensions.

Construction of the new water and sewer lines will require at least 30 days, City Water Commissioner O. Dorton estimated. The project is expected to be completed in advance of starting construction work on enlargement of the disposal plant which is expected to begin early next year.

Mr. and Mrs. Tommy Ballard and family are moving to Clovis, N. M. this week.

T. J. Arbuckle spent several days in Wichita Falls this week at the bedside of Mrs. Arbuckle who is a patient in a hospital there.

Marion Felker of this city has been elected president of the student body at Austin College, Sherman. He is also head of the men's honor council at the college.

The Throckmorton Milling Co. burned early Thursday morning, with loss on the building and machinery estimated at \$7,000. In addition, between 3,500 and 4,000 bushels of wheat were destroyed. It was that city's most disastrous fire in a number of years.

The Haskell Indians will open their conference football season against the Merkel High School team here Friday afternoon at 4 o'clock.

Between \$70 and \$80 in currency and silver was taken from the safe in Lee Grocery Store Saturday night, by thieves who gained entrance to the store after breaking through the front screen and door.

O. B. Norman, vice president of the First National Bank at Lamesa was here several days this week on business.

A 6-room residence belonging to George Darnell and occupied by Mr. and Mrs. Rufus Banks, was destroyed by fire which was discovered around 11:30 Thursday night. The fire was believed to have started in the kitchen of the home. Mr. and Mrs. Banks lost practically all their household effects in the blaze.

There had been 11,481 bales of cotton ginned in Haskell County prior to Oct. 1, 1931, the U. S. Department of Agriculture reported this week. The figures compare with 9,646 bales ginned to the same date in 1930.

**OIL PROGRESS WEEK**  
OCTOBER 14-20

# Oil Progress means more to Texans!

This week the United States will focus its attention on the oil industry's contributions to the high American standard of living, to the nation's industrial progress, and to the national defense. *This is Oil Progress Week.*

Texans know the story well: as home folks in the oil country, they share the oil industry's pride in supplying the resource that powers a major share of the country's industries, all its airplanes and automobiles, most of its ships and trains.

Texans realize, moreover, that oil's progress means even more to them than it does to many other Americans. For example, the value of the crude oil produced in West Texas\* in 1930 was approximately a billion dollars. This is not "boom money." West Texas uses it to pay taxes, salaries and wages; it buys homes, groceries, light and heat; doctors collect a portion of it; landowners receive

royalty and lease payments; a sizable portion of it is reinvested in the further development of the region's oil resources.

In a word, the progressive development of the petroleum resources of West Texas has enormously stimulated its thriving industrial, commercial and agricultural development, and this is the more, the plus, that oil's progress means to West Texans. Modern, efficient production practices will conserve the oil and gas resources of the region, and oil's progress will continue to mean more to West Texas for many years ahead.

\* The shaded area is the region called West Texas by the West Texas Chamber of Commerce.

### Haskell County HD Clubs To Observe U. N. Day

United Nations Day—Wednesday, Oct. 24—will be observed by the Home Demonstration Clubs of Haskell County, Miss Thelma Wirges, county HD agent, has announced.

of the United Nations came into force," Miss Wirges explained. "On this day we reaffirm the aims of the organization, recall its achievements and pledge to combine our efforts to realize its purposes," she said. "As these clubs make flags, or fly flags made last year, display posters, and have programs, they want to help the public see where United Nations stand today," Miss Wirges continued. "Now, as on October 24, 1945, the United Nations objectives are the greatest good of all mankind; to maintain peace and security; taking effective collective action when necessary and using every means to settle international differences peacefully; to develop friendly relations between nations based on their equality and self-determination; to cooperate in economic, social, cultural and humanitarian progress; and to serve as the world center for harmonizing the actions of nations to achieve these ends."

### Haskell Marine In Korea Says US Forces Well Supplied For Winter

Pfc. Billy Ray Lusk, Haskell Marine who is now with a U. S. Marine artillery battery at the front in Korea, believes that his outfit will be well supplied with winter "gear" when cold weather comes, according to a recent letter to his parents, Mr. and Mrs. Raymond Lusk of Haskell.

The young Marine, in a letter dated Oct. 7, said his outfit was being used as a "guinea pig" for new winter gear, and were receiving plenty of warm clothing. His battery is well entrenched, with the guns dug in to where the "Gooks," as he called the enemy, would have to score a direct hit to do any damage. Casualties in his branch of the service have been light, the young Marine assured his parents.

### Woolen Clothes for Winter Wear Need Special Care

Now that brisk winter days are just around the corner, most people will soon be pulling out their wool clothes. Certain rules need to be followed in caring for woollens, and here are a few offered by clothing specialists with A&M College Station Service.

### LETTERS From Our Readers

To the Editor: Every person who receives an Old Age Assistance check from the state should read HJR 6 dealing with Old Age Assistance, study the same carefully and vote against it. They claim that it will increase and stabilize your pension. If administered as written it will reduce your pensions and maybe destroy them. This resolution attempts to amend Section 51A of Article 3 of the present Constitution by raising the sum from \$35,000,000 to \$42,000,000. All the author would have to do have done was to copy the present Article and strike out \$35,000,000 and inserted \$42,000,000. But he wrote a new Article, and in doing so messed things up.

Section 35 of Article 3 of the Constitution provides: "No bill \* \* \* shall contain more than one subject, which shall be expressed in its title. But if any subject shall be embraced in an Act which shall not be expressed in the title, such Act shall be void as to so much thereof as shall not be so expressed."

The subject of Section 51A sought to be amended is "needy aged persons who are actual bona fide citizens of Texas and who are over age of 65, etc." It takes this entire sentence to constitute the subject. The person must be a bona fide citizen of Texas over 65 years of age before he can be considered eligible for a pension. This language clearly complies with Section 35 of Article 3 of the Constitution.

Section 1 of HJR 6 says that the Legislature shall have the power for the payment of assistance to needy persons who are over 65 years of age, and does not prescribe any other qualifications. Under this language a man may be a citizen of any other state and at the same time be a resident of Texas and draw a pension.

It will be much better to kill the resolution than to have droves of needy people come into the state and getting on the pension roll. A man, to draw a pension from Texas ought to be a citizen of Texas. The submission of this resolution in this form was a legislative job badly done. The thing to do is to vote against HJR 6.

Yours,  
T. H. McGregor, Austin, Texas.

# Indians Lose To Roscoe 19-0; To Invade Big Spring AAA Camp

With their ranks thinned by injuries, and lacking the services of ranking Indian scorer tailback Kenneth Davis, the Haskell Invaders of AAA football Friday night when they go to Big Spring for a non-conference engagement with the Big Spring Steers.

The heavier Big Spring squad, with a weight advantage of around 25-30 pounds over the Indians, will be pointing for revenge for the defeat administered at the hands of the Indians last year.

The tribe will leave Haskell at 11 a. m. Friday for Big Spring, and it is expected that several hundred Haskell supporters will attend the game.

In their second conference game of the season last Friday, the Indians lost a hard-fought contest to the Roscoe Plowboys, 19-0, at Roscoe. Despite the loss, the Indians sparkling defense that held the Plowboys scoreless until late in the first half, sent the Indians stock higher in conference rating in Dist. 8-A.

The Plowboys passing attack accounted for the major credit in the win, with the Indians holding Roscoe to minor gains in rushing and power plays.

The Indians posed several serious scoring threats, and in the third period drove to the Plow-

boys 25 yard line, with Collins, Indian tackle picking up 30 yards in two tries after being out of the game from the first period because of injuries.

Collins was injured on the first play of the game and was carried to a Sweetwater hospital. He returned in time to enter third period play.

Kenneth Davis, Indian tailback, suffered a wrenched knee that took him out of the game in the second period. The injury may keep him out the remainder of the season.

Tommy Robison, Indian center, was out of the game in the fourth, due to a referee's mix-up in identity of players.

With every member of the squad credited with heads-up performance, outstanding on the Indian squad were Robison, Holley, James Fowler, Don Dendy and Davis.

### VISITING IN EAST TEXAS

## Pirates Take 58-6 Win Over Goree Friday Night

The Paint Creek Pirates put their first win in six-man conference play for 1935 in the record book Friday night, Oct. 13, with a triumphant 58-6 tally over the Goree Wildcats, on the Wildcat's own field.

The Pirates, still sore from two tight defensive games, had a free rein to complete offensive play. They found the Wildcats decidedly lacking in this phase of the game.

The boys who ran touchdowns were not individually identified since practically everyone on the bench scored, except the water-boys.

The Pirates led play all the way through the game. The Wildcats only score came late in the game with the Pirates about six or seven touchdowns ahead of them, and more scores piling up on practically every play.

## Three Home Games Slated for Paint Creek Pirates

The next three conference games of six man football for the Paint Creek Pirates will be played on their own field. Thursday night, Oct. 18 the Pirates and the Mattson Mustangs will clash. Thursday night, Oct. 26, the Pirates are due to meet Vera. This is slated to be the best home game of the year. Vera and Weinert tied, then Weinert beat Paint Creek. On the 26th Paint Creek will get a chance to do their stuff against Vera.

On the second of November the Pirates' third and last home game of the year will be played on Pirate Field. It is planned to have the football sweetheart and football hero presented and crowned at that game which will be between Paint Creek and Benjamin.

An old English law stated that the truth of a statement made it none the less libelous. In fact, its being true was an "aggravation of the crime."

## Rev. M. D. Rexrode Speaker at Olney S. S. Meeting

Rev. M. D. Rexrode, pastor of the First Baptist Church, was speaker Tuesday night at a meeting of personnel of the Sunday School Department of the Olney First Baptist Church. Approximately 75 persons attended the meeting.

The Haskell minister was accompanied to Olney by Jetty V. Clare, publisher of The Free Press and former owner and publisher of The Olney Enterprise.

## Abilene Man Is Campaign Advisor In March of Dimes

Wally Akin, City Manager for Interstate Theaters in Abilene, has been appointed District Campaign Advisor for 19 northwestern Texas counties surrounding Abilene in the 1935 March of Dimes Campaign. Lloyd Gregory of Houston, state chairman, announced today.

As campaign coordinator for the National Foundation for Infantile Paralysis county chapters, Akin will work with Fisher, Haskell, Borden, Jones, Kent, Nolan, Mitchell, Scurry, Stone-wall and Taylor counties in their Jan. 2-31, 1935 fund raising activities.

The objective of the campaign, which is the National Foundation's only fund raising activity, is to enable Texas to provide care for its own polio patients and to pay its share of the national research, epidemic aid, and professional education of medical personnel programs, Akin stated.

Accepting the appointment, Akin noted the high cost of continuing treatment for previous years' patients. Almost half of the patients receiving financial assistance from the March of Dimes organization this year will be persons who contracted polio before 1931, Akin said.

Akin has long been active in church and civic affairs as well as in the fight against infantile paralysis. He served as Taylor County Chapter Chairman for three years and has worked with other phases during the March of Dimes Campaigns.

## Shrine Circus Will Show In Abilene Oct. 29, 30, 31

ABILENE—The last three days in October will be Circus Days in West Texas.

The show will be the nationally famous Shrine Circus—a 48-act spectacle complete with animals, aerial artists and clowns—which will be making its first visit to this area.

It is being brought to Abilene for the first time by the Abilene Shriners and the proceeds will go toward various activities sponsored by that group.

The circus will be presented at Blue Sox Baseball Stadium for six performances, matinee and night shows on Monday, Tuesday and Wednesday, Oct. 29, 30 and 31.

The circus is staged by Gil Gray, veteran of 20 years in the show business, and is shown solely for Shrine Temples throughout the nation. Normally, it plays bigger cities, meeting a schedule which keeps it on the road most of the year.

## Wichita Falls News Commentator To Address Lions

Guest speaker at the meeting of the Lions Club Tuesday noon, Oct. 23 in the club room of the Texas Club will be Dr. F. M. Edwards, well known news commentator heard over radio station KWFY, Wichita Falls.

Dr. Edwards, member of the faculty of Midwestern University, is an authority on world affairs, and his address will be particularly interesting in view of the current international trend of affairs.

One of the oldest newspapers currently published in the United States is the Connecticut Courant, founded in Hartford in 1764 by Thomas Green.

A printing press was set up in Williamsburg, Va., in 1483, but immediately suppressed by the royal governor, Sir William Berkeley.

When American printing began, the presses were still much like that used by Gutenberg two and a half centuries before.  
In 1801 there were about 300 newspapers in the United States; in 1893 about 1,300. Today there are almost 13,000.

## Mrs. Pauline Brown Hosts Coffee For Club Members

The home of Mrs. Pauline Brown was the scene of a lovely coffee at 9 o'clock Tuesday morning Oct. 17.

The hostess invited the members to gather around the breakfast table. The center decoration was a round crystal, plaster of fruit sliced and ready to eat.

The new president, Lucretia Florence offered thanks. Then all settled down to enjoy the delicious food which the hostess had so graciously prepared, and the good fellowship through the hour will long live in the memory of all present.

After breakfast we gathered back into the living room for the club meeting.

The president called the house to order. Flossie Rogers led the group singing the club song, Let Me Call You Sweetheart and then Shine on Harvest Moon.

In absence of the secretary, Mrs. Eva Chapman read minutes of last meeting and called the roll.

A new member, Mrs. Blanche Long, was present.

Winnie Copeland gave a needle craft report. Ethel Edwards won first place and Sallie Patterson second.

Velma Tooley gave the Thought for the Day.

Stella Josselt gave answers to the question box which proved very interesting.

Dates and names for the meeting places the next six months were drawn.

The "washday song" was sung by the group.

An all day quilting was planned for 5th Tuesday when Blanche Long will be hostess and covered dish luncheon will be served.

Present to enjoy the coffee were Meses. Lucretia Florence, Winnie Copeland, Velma Tooley, Annie Pearl Lusk, Thelma Adams, Stella Josselt, Flossie Rogers, Eva Chapman, Ethel Edwards, Sallie Patterson, the new member, Blanche Long and the hostess.

Former Haskell Printer Killed In Car Wreck

Edward Maurice Swann, 43, well known West Texas printer and linotype operator, was killed instantly Sunday about 6 p. m. when his car crashed into a bridge railing on U. S. Highway 87 a short distance south of Big Spring.

Swann worked as linotype operator for The Free Press during the spring and summer of 1948. Swann was alone in his car at the time of the accident. The automobile, a 1949 Ford, was demolished.

A native of Rotan, he was employed in the composing room of the Big Spring Herald at the time of his death.

He had been a journeyman printer for 25 years, and had worked for newspapers in Haskell, Rotan, Sweetwater, San Angelo, Midland, Lubbock and Alpine.

Swann was the son of the late Dr. A. R. Swann, one of Rotan's first doctors and druggists.

Funeral services were held in that city Monday.

Survivors include his wife and two children, Jimmy, 9, and Margaret, 7; two brothers and two sisters.

Dodge Will Show New 1952 Models In November

The 1952 Dodge car will be introduced in mid-November, it was announced today by W. H. (Hut) Pitman of Pitman Motor Co., local Dodge agency. The Haskell dealer returned last week from a regional dealer meeting at Oklahoma City, where plans were made for the 1952 model year.

"The new Dodge will be better than ever," Pitman said. "It will have attractive changes inside and out and there will be a new type of heat reducing and glare reducing window glass as an optional feature at a very low extra cost." All 1952 models will be available with Gyro-Matic time proven transmission.

"With all the refinements and improvements this car is going to have I think the 1952 model will be the biggest value car Dodge has ever built," he said.

He said he expected to have the new cars in his showrooms sometime in mid-November and would begin demonstration rides for the public immediately following the first showing.

Ever stop to think Your First Car can be a Buick!

THIS being a land where it is every man's right to dream of getting ahead—and the pursuit of happiness is guaranteed by the Constitution—it happens that a great many people aspire to own a Buick.

But too often they start with a lesser car first—from a feeling that Buicks are something you have to build up to gradually, as your take-home pay improves.

So—if you have any such notion—we'd like to set you straight, right here and now.

You don't have to hope and dream and wait. If you can afford a new car—the first car you buy can be the Buick SPECIAL pictured here.

Its price tag says so. Its low cost of operation says so too.

We know that it looks like a lot of money. That's what makes it such a buy.

We know that it has a long list of features found in costlier cars, and that it rides and handles like cars that sell for a great deal more.

But that simply means that—at its price—you're getting a very big money's worth.

All of which adds up to one conclusion: the smart thing to do is come in and give this neat and nimble new SPECIAL a thorough going-over.

Try out its power—the power of its high-compression, valve-in-head Fireball Engine.

Try out its ride and handling—and you'll discover it has the "big-car feel" that you'd expect from a Buick.

Try it out for size—for room—for comfort—for all the things that you've dreamed someday of having in a car—and you'll thank your stars that you found out the facts of life in time.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Buicks.

- NO OTHER CAR PROVIDES ALL THIS:**
- DYNAFLOW DRIVE—saves strain on drive and fuel
  - FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel
  - PUSH-BAR FRONT—combines smart style and unsurpassed protection
  - WHITE-BLOW INSTRUMENTS—greater clarity at night
  - FORWARD-TUBE DRIVE—soaks the chassis, steadies ride, improves driving control
  - 4-WHEEL COIL SPRINGING—cushion ride, ease servicing cost
  - DUAL VENTILATION—outside air fed separately to right or left of front compartment
  - SELF-ENERGING BRAKES—hydraulic—subtle pedal pressure, less flex at brake drum
  - SHOCKING SYSTEM—teared, car-length shock absorbers, gleaming suspension on most models
  - Plus: Self-latching luggage lid, Step-On parking brake, forward ignition lock, Safety-Ride rim, Hi-Paced anti-squealing, Body by Flyer
  - When better automobiles are built BUICK will build them

## Funeral Rites For Mrs. Hudson Held At Rochester

Funeral services for Mrs. C. G. Hudson, long-time resident of the Rochester section, were held at the Church of Christ in that city Saturday, Oct. 13 at 2 p. m., with Minister H. L. Matheny officiating.

Mrs. Hudson, 78, died early Friday morning at the family home.

She was born August 9, 1875 at Goodwater, Ala. She married C. G. Hudson, Dec. 27, 1893, and they moved their family to Haskell County in 1903 to settle in the Rochester section. Mrs. Hudson had been a member of the Church of Christ 43 years. Mr. Hudson preceded her in death June 13, 1947.

She is survived by eight children, Mrs. Joe Clark of Rochester, Mrs. L. H. Anske of Concord, Calif.; Joe Hudson of Rochester, I. G. Hudson of Big Spring, White Hudson of Weatherford, W. L. Hudson of Greenville, Cecil Paul Hudson of San Francisco, Calif., and Aldine Hudson of Lubbock.

Also surviving are nine grandchildren and three great-grandchildren; two brothers, J. L. Pate of Lubbock and W. H. Pate of Altus, Okla., and two sisters, Mrs. Will Jenkins of Tuttle, Okla., and Mrs. Ann Smith of Oklahoma.

Interment was in Rochester Cemetery with Mansell-Smith Funeral Home in charge.

Pallbearers were Pat Ballard, Malone Steele, Truman Dabney, Palo Speck, Erwin Hamilton, Knott Ballard, Truett Alvis, Earl Alvis, Pete Tanner.

## Junior High School Eighth Graders Elect Officers

Students in the Eighth Grade of Junior High School met Monday Oct. 15 to organize and elect class officers and plan activities for the current school year. Officers elected were:

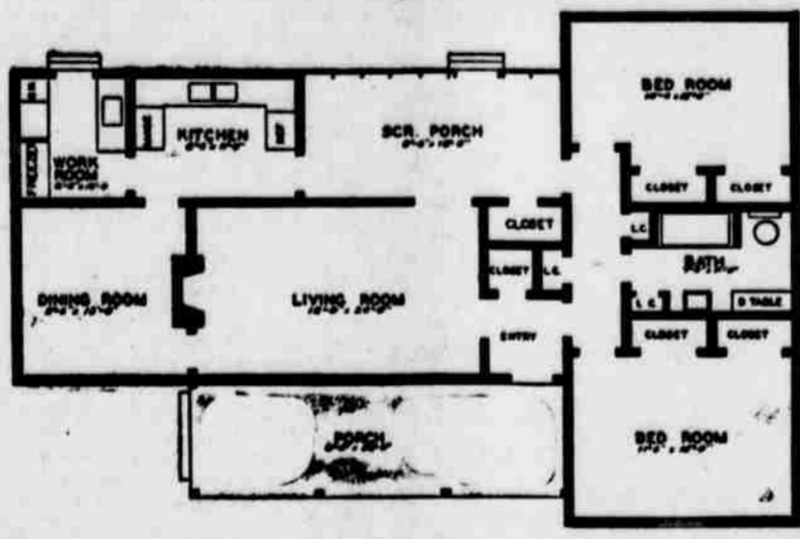

Glenn Kreger, president. Jerry Matthews, vice president. Gladys Conner, secretary and treasurer.

Johnny Berryhill, reporter. Classroom representatives elected were: Duane Bacacus, 8-1; Barbara Collins, 8-2; Jimmy Byrd, 8-3.

## WAYNE HARRIS ARE PARENTS OF SON

Mr. and Mrs. Wayne Harris of Kermit are the proud parents of a son born Oct. 8. The baby has been named Mike and weighed 7½ pounds. Grandparents are Mr. and Mrs. J. B. Harris of Rule and Mrs. G. W. White of Kermit.

## Every Room a Corner Room In This Attractive Home

Here is a low cost house of simple construction designed for comfortable living. It is an attractive house compactly arranged, with pleasing horizontal lines.

A large amount of usable space in the bedrooms permit desirable furniture arrangements. The two large closets in each bedroom provide storage for clothes, blankets, etc. A linen closet is in the hall, the lower section of which can be used as a dirty clothes hamper.

The kitchen is arranged so that it will be unusually cool. The window by the table makes a cheerful spot for eating and the windows by the sink and stove provide abundance of light where it is always needed. The large pantry, a small ventilated pantry, a linen closet and a water heater closet provide an abundance of storage space.

If more work space is needed of a screened in porch wanted at some later date, the back door is placed so that this can be easily arranged by using shed roof construction. This will provide a large amount of space very economically and in no way detract from the appearance of the house or necessitate any alteration in the kitchen.

A centrally located chimney will serve a living room heater and also the stove in the kitchen if a wood or coal stove kitchen range is used. If you want a fireplace for living room heat, it would be convenient to use the space now shown as a ventilated pantry and that shown as a chimney for storage.

The long front porch is a pleasant place to spend summer afternoons and evenings.

You can obtain blueprints for this Haskell Free Press-Farm & Ranch - Southern Agriculturist Plan No. 4807 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch-Southern Agriculturist, Dept. L-98, Nashville, Tenn. Order by number—Plan No. 4807. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

## IN ABILENE SUNDAY

## VISITORS IN F. E. REYNOLDS HOME

Mrs. T. W. Perrin and little son, Tommy of Adrain, Texas, were visitors last week in the home of her parents, Mr. and Mrs. Frank B. Reynolds of this city.

## Bob B. Lesley, 74, County Resident 44 Years, Dies

Bob B. Lesley, 74, resident of Haskell County 44 years, died in the Haskell County Hospital Sunday morning, Oct. 14, of a heart ailment.

Born Oct. 5, 1877 at Bandera, Texas, he was the son of the late Mr. and Mrs. Jim Lesley. He married Clara Ann Roch of Comanche January 24, 1899. They moved their family to Haskell County 44 years ago, and Mr. Lesley was engaged in farming in the Jud community for many years.

He is survived by his wife and four children, Frank and Roy Lesley of Rochester, Pete Lesley of Rule and Mrs. Mart Butler of Haskell. Two daughters, Mrs. Minnie Hooper and Mrs. Johnnie Farrar preceded him in death. Also surviving are five grandchildren; two brothers, Tom Lesley of Shallowater and Lynn Lesley of Comanche; and five sisters, Mesdames Jake Flournoy, Evans Ray and C. L. Bogard of Rochester, Mrs. Annie Martin of Antton and Mrs. Dollie Helton of Shallowater.

Funeral services for Mr. Lesley were held at the Rochester Church of Christ Monday at 2 p. m., conducted by Minister H. L. Matheny. Burial was in Rochester Cemetery under the direction of Mansell-Smith Funeral Home.

Pallbearers were E. L. Michaels, Jake Jenkins, Pete Sego, Bailey Foster, Pete Tanner and Theo Epley.

## Q-B Club Members See Film of SMU-Oregon Game

Members of the Quarterback Club were shown a film of the 1949 Cotton Bowl game between SMU and Oregon at their meeting Tuesday night, which was termed one of the best and most enjoyable films seen this season.

Turn-out of members was fair, and President Roberson urged all members to attend the meetings regularly whenever possible.

Coach Royce Smith reported on the Roscoe game of last week, in which the Indians gave a highly creditable performance but paid a high price in injuries of some of the Indians key players. Coach Smith said that tackles Charlie Cox and Willard Mullins, and fullback Eldon Ammonett were still on the injured list and would not be available in this week's game at Big Spring.

Added to the injured list is Kenneth Davis, Indian tailback, who suffered a torn cartilage in his knee in the Roscoe game, Coach Smith reported.

Junior High School Coach Jones gave a report on the Big Spring Steers, Friday night's adversaries for the Indians. The Steers outweigh the Indian squad an average of between 25 and 30 pounds, the coach said.

All Quarterbackers who can make the trip, and all other Haskell fans, are urged to make the trip to Big Spring Friday night and support the Indians in their game against the Steers.

## ATTEND TEXAS-OKLAHOMA GAME AT DALLAS

Dr. and Mrs. Wm. J. Kemp and Giles Marlon Kemp were in Dallas Saturday to attend the Texas-Oklahoma football game played in the Cotton Bowl.

## Repairs Needed For Winter Should Be Made Now

The next few weeks are the time to do maintenance and repair jobs that just seem to accumulate around the farmstead. Winter is just around the corner and most of the jobs should be done while the weather is favorable.

One of the first things should be getting the floor furnace, heaters and fireplace in top operating condition. Before the gas is turned on, better get all the heating equipment checked, says E. C. Brown, assistant Extension agricultural engineer of Texas A&M College. Make sure there are no gas leaks and that all burners are in good condition. Moisture condensation can be eliminated, he adds if vents for the space heaters are installed.

The addition of properly installed insulation will make the home warmer and reduce fuel bills, says Brown. And it will also help keep the heat out next summer.

Check all gutters and downspouts to make sure the leaves, dirt and trash haven't clogged them. If they become clogged and force the water to spill over, woodwork and roofing may be seriously damaged and inside finishes and wall covering may also be ruined.

If the septic tank hasn't been cleaned lately, better check it. Brown says cleaning sludge from a septic tank is a disagreeable job at any time but if done during freezing weather, it's double tough.

All farm buildings should get a thorough checking and a good place to start is with the roofs. Missing shingles should be replaced, loose shingles pushed back in place and nailed, and split shingles underlaid with tin or sheet metal shingles, says Brown.

If trees overhang the building, limbs that drag on the roof should be removed. Nails in metal roofs may become loose or even come out during the hot summer weather and these should be driven up and replaced if missing. Small leaks in a roof may be repaired by applying asphalt roofing cement, but if the roof needs replacing, now is the time

to get the new roof on, says Brown.

Better check on the drainage around all farm buildings to make sure water will not drain under them. water under foundations can cause plenty of trouble, says Brown. When it freezes, the foundations or piers may be pushed out of line or even cracked.

Loose or damaged boards in side walls should be replaced, nailed or repaired. In case the paint is peeling and chipping now is the time to remove all of the old paint and put on new.

Proper maintenance and periodic checks will keep down building costs and save needless repairs later. Good housekeeping on the outside is just as important as doing a good job on the inside and since the week of October 7-13 is National Fire Prevention Week, Brown suggests making a survey for fire hazards at the time checks are made for getting the farmstead ready for winter.

ROCHESTER NEWS

By MRS. JAS. A. GREER  
The home of Mr. and Mrs. Truman Dabney was the scene of a pretty, miscellaneous shower honoring Mrs. Jim Beauchamp (nee) Juanita Clark, Friday afternoon Oct. 12.

Guests were greeted at the door by Mrs. Dabney and Mrs. R. B. Townsend registered callers in the beautiful bride's book which was a creation of white satin and lace fashioned by Mrs. Howard Sloan.

The refreshment table was laid and the large crystal punch bowl nestled in an attractive arrangement of flowers, flanked by tall tapers. Mrs. O. J. Huntsman Jr. and Maxine Strickland ladeled punch and served open face sandwiches, cookies and mints. Mrs. Cecil Clark and Beverly Dabney displayed and showed the gifts. About 80 guests called during party hours.

Mr. and Mrs. O. J. Huntsman and family and Mrs. O. J. Huntsman Jr. went to Fort Riley, Kans. Tuesday to visit O. J. Jr. who is stationed there. Mrs. Huntsman, Jr. remained at Fort Riley to spend a while with her husband.

Mrs. Cecil Whit and Mrs. Bob Whit and baby, Judy, spent Sunday night and Monday of last week with Cpl. Bob Whit at Tinker Air Base hospital at Oklahoma City. Cpl. Whit who suffered a brain concussion some time ago was transferred last week to Brooks Hospital at San Antonio.

Mr. and Mrs. Glen D. Cox of Abilene were visitors in the home of his parents, Mr. and Mrs. O. R. Cox here Sunday.

Mr. and Mrs. James Russell of Lubbock visited their parents, the S. T. Turners and the Emmett Russells here over the week end.

Earl Hausen, who has been quite ill for several weeks in a Dallas hospital has been brought home and is improving.

Hilmar Wagner, band director of the De Leon schools, spent Saturday here with friends. Mr. Wagner was band instructor in the Rochester schools for two years.

Mr. and Mrs. Robert R. King and Jean left for Boulder, Colo. Thursday of last week where Mr. King transacted business.

Mrs. W. J. Bragg returned home Friday from Dallas where she visited her daughter, Chellie Sue Bragg.

**you just know she has an automatic Gas range**

**CLEAN!** Grease-laden vapors stay inside the pan with modern waterless Gas cooking. Only Gas ranges give you the controls so necessary for this modern cooking. Why? Because there are dozens of heats to cook with—not just a few factory-set heats.

**CLEAN!** New automatic Gas range burners give pure, stainless heat. Fans stay mirror-bright without scouring over the crystal-clear, true-blue flame. No messy, smoky, "burning-off" when spillovers occur, either!

**CLEAN!** Automatic, accurately controlled oven lets you roast meats in their own juices... at temperatures as low as 250 degrees. No water added. Less steam or vapor—that's the secret of a spotless kitchen.

**CLEAN!** Only Gas ranges broil with the door tightly closed. No grease-laden vapors as in non-flame ranges. The locked-in vapors are consumed by the live Gas flame. No grime... to smudge walls and drapes.

**her kitchen is spotless**

HER SECRET is to control steam, thereby banishing grease-laden vapors. Only an automatic Gas range possesses the flexibility so necessary for waterless top-of-stove and oven cooking. And broils without smoking with the broiler door tightly closed!

Right now you can get an automatic Gas range that will make your kitchen lighter, brighter, 10 years younger at a special saving. It's Old Stove Round-Up Trade in Sale time at most Gas Appliances Dealers and Lone Star Gas Company. See the special values, today.

What a "Job-Rated" truck means to you  
A "Job-Rated" truck is engineered at the factory to fit a specific job... provides the best in low-cost transportation... save money, last longer. Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and others—is engineered right to provide the strength and capacity needed. Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.  
Bigger Loads! Balanced Weight Distribution enables you to haul bigger payloads on a Dodge "Job-Rated" truck. Because the engine has been moved forward and the front axle back, you can carry more without danger of overloading. The right proportion of the load is carried on each axle. This improved design also results in a shorter wheelbase for easier handling.  
Faster Trips! High-Compression Engine gives you plenty of power for your toughest job! Increased horsepower—in combination with the right transmission and rear axle ratio—means faster trip! Four-ring pistons with chrome-plated top ring—and other outstanding Dodge values—assure the kind of performance that saves time and dollars on your job.  
Longer Life! Heavy Chassis Units are one of many reasons why your Dodge "Job-Rated" truck will last and last. You get a big, rugged frame of hot-rolled, high-carbon steel. Springs are of special alloy steel—extra tough, yet properly resilient! Axle shafts are shot-peened for added durability. And every chassis unit is "Job-Rated" to fit your kind of hauling!

### Elections For 1952 PMA Committeemen To Be Held Saturday, November 10th

John W. Brock, chairman of the Haskell County Production and Marketing Administration Committee announced this week that elections for committeemen for the 1952 PMA programs will be held on Saturday, Nov. 10, 1951. Newly elected committeemen will take office on Dec. 1, 1951.

The following candidate positions will be filled in this election:

A Delegate and Alternate Delegate to the County Convention.

Chairman and Vice-Chairman of the Community Committee.

Regular member, and first and second alternate to Community Committee.

Similar elections are held each year for the purpose of farmers selecting the County officials of the PMA program for the following year.

Those eligible to vote in these community elections are: farmers, their wives, and any other bonafide share tenant who participates in a crop of his own.

This year, ballots will be sent to all Haskell county producers, with a request that the ballots be voted and returned to the Haskell County PMA office in Haskell to be counted in the final results tabulated on Nov. 10.

After Committeemen and Delegates have been elected by the farmers, the delegates will be called to attend the County Convention of all delegates, at which time they will conduct the election of the 1952 County PMA Committee.

These elections are vital to the agricultural interest of Haskell County, and Chairman Brock strongly urges every eligible voter to cast his ballot so that he will have a part in the election of the committeemen who will serve him next year.

Additional information will be published in the near future concerning other details of the election.

### Fire Safety In Home Is Primary Defense Need

American home fire safety has become a national defense problem because of the threat of widespread home fires resulting from a possible atomic bomb explosion, according to the National Board of Fire Underwriters.

The average householder may be on the major line of defense, fire authorities warn, with community civil defense depending heavily on the fire fighting ability of each home owner.

They noted that World War II demonstrated that the heaviest damage in air attacks was not from high explosives but from fires started by incendiary bombs. Even in the atomic bombing on Japan, fires that raged unchecked caused the major damage.

Fire departments will face a gigantic task to get through rubble-filled streets, they remind the U. S. householders. Water service may be disrupted. People at home may have to rely on their own fire fighting equipment and accordingly should be prepared.

A blast from an A-bomb would dislocate furnaces, stoves and heating appliances. Such a jolt would start many fires, which, if not fought promptly, might easily spread to city-wide conflagrations.

National Board Engineers suggest a program of "fireproofing" be instituted in every household. A fire-safe daily housekeeping routine will serve two purposes, they said: protection against possible fire from common risks, hazards in peacetime and better protection against any possible attack in war.

Five steps every homemaker should take to prevent fires in his home—in peace or emergency—are:

1. Make it a weekly program to clean out all combustible rubbish in closets, attic, cellar.
2. Get rid of gasoline and benzine. Keep other inflammable liquids in tightly closed cans.
3. Put oily rags, paint cloths in covered metal containers or dispose of them.
4. Keep electric wiring, extension cords, electric appliances in good repair.
5. Install basic home fire fighting equipment. The National Board suggests a five gallon hand pump, a garden hose, several buckets of water and sand and a shovel.

Dry ice can be used to hold the temperature down in the home freezer in case of power failure or compressor trouble. A 50 lb. cake, cut into pieces and placed in the various compartments, will hold the temperature to about 15 degrees for 48 hours.

### Practical Course In Farming, Ranching Offered at Tarleton State College

STEPHENVILLE, TEXAS.—Five of six boys who finished a two-year practical agricultural course at Tarleton State College in June are now engaged in profitable farming and ranching with their fathers. These are the first boys to graduate from the terminal course started two years ago.

Tarleton State College devised the curriculum for farm boys who do not want a degree but who want to learn in 18 months how to operate successfully a farm or ranch. Enrollment has tripled since the course was first offered in September, 1949.

Students learn by doing. The course teaches such specific skills as how to build and operate a hoof cutting machine, how to run and repair tractors and other farm machinery, how to buy, sell and care for dairy cattle, beef cattle, sheep and pigs, how to grade and crate eggs, how to use the farm level in soil conservation.

Usual academic subjects as chemistry have been eliminated. English and mathematics have been pruned to the essentials. In English, the students learn how to write mail order letters. In mathematics, they learn to keep farm records and work feed problems.

First graduates of the course include Ronald Harris, who helps his father run a Grade A dairy near Moran; James Koonce, who assists his father on a 216 acre peanut and livestock farm north of De Leon; Don Compton, in partners with his father on a large Hereford ranch near Breckenridge; David Smith, who helps his father on a livestock farm near Meridian; and Charles R. Smith, who helps his father run a 1053 acre ranch north of Valley Mills.

The two-year practical agriculture course at Tarleton State College in Stephenville has had enthusiastic endorsement by state agriculture press. The Fort Worth Star-Telegram, The Dallas Morning News, The Houston Chronicle, The Progressive Farmer, the Southern Crop and Stock, and the Farm and Ranch have all carried stories on the school's new agriculture course, which is designed to "Keep the Farm Boy on the Farm and the Farm in the Family."

A recent bulletin issued by Tarleton on results of the first two years of the course is evidence of success. Eighty-five per cent of the first graduates are now farming and ranching with their parents. They are all pleased with their two years at Tarleton, according to recent interviews.

The school, a junior college member of the Texas A&M College system, is well equipped to offer this course. It has 708 acres of farms for laboratories, a new \$325,000 agriculture building, a \$68,000 creamery-milking barn nearing completion, and a dozen highly trained men to give the

### Cash Income of Texas Farmers Shows Increase In First Eight Months 1951

Cash income for Texas farmers and ranchers in the first eight months of 1951 was 37 per cent higher than in the same period last year, the University of Texas Bureau of Business Research reports.

Most impressive were cumulative gains in income from cattle sales—half again as large as in 1950—and in income from cotton, cottonseed and wool production all up more than 50 per cent from the preceding year.

Other commodities which yielded greater revenues during the first 2-3 of 1951 included mohair (up 41 per cent), hogs (up 36 per cent), sheep and lambs (up 12 per cent), poultry (up 44 per cent), eggs (up 45 per cent), and milk and milk products (up 10 per cent).

Except for cotton, cottonseed

and grain sorghums, all commodities that registered year to year gains were animals or animal products. In general, vegetables, fruit and field crops fared worse this year than last.

Grain sorghums brought raisers twice as much income in 1951 as in 1950.

Income from wheat and oats, victims of widespread drought, were down 57 and 18 per cent, respectively. Revenue for rice, peanuts, fruit dropped 15 per cent, but flaxseed hit, netting only a 1950 yield.

Scarce feed grains, livestock ration small grains. Now plant the supplies grain pastures and right fertilizers will three yields and growth.
