Haskell Lions Club to Sponsor Fund Drive for Sweeney Foundation Work

The Haskell Lions Club, at its regular meeting Tuesday, voted unanimously to take over for the entire Haskell citizenship the sponsorship of two or more indigent children at Camp Sweeney, near Gainsville.

Mr. Bentley reported that to noon Thursday, 44 donors had contributed \$740 to the Foundation fund. He will return to Haskell Monday to complete the canvass.

Lions had as their guests, Elmer Atkins of Arlington, District 2E Lions Club Governor, and Max Bentley of Abilene, representative of the Foundation.

District Governor Atkins, in a brief address to the Club emphasized community service as a challenge to every Lions Club, and pointed out some of the things Lions are doing to help mankind, in urging Lions to work for every worthwhile community need.

District Governor Atkins met with club directors after the meeting, for a round table discussion on area Lion activities. He suggested the possibility of organizing a Lions Club in Throckmorton, and also asked for special talent from the Haskell club for the coming District meeting in Fort Worth.

Bentley explained work for Diabetics. Lions pledged their full support of the Foundation for Diabetic children, and expressed the belief that sufficient funds could be raised to sponsor at least two children at Camp Sweeney.

The club's action was taken following an address by Max Bentley of Abilene, widely known newspaperman and magazine editor. Bentley told the club how, since early summer, he has been soliciting emergency funds for the Sweeney Diabetic Foundation.

Program Planned To Mark Opening Of Holiday Season

Haskell merchants, with all civic and service clubs cooperating, are completing plans for the opening season in Haskell. Date for the program officially opening the festive season has been set for Friday, Dec. 8.

Directing plans for the annual program is Cecil Gregory, chairman of the trade extension committee of the Haskell Chamber of Commerce.

Feature event in connection with the program will be the visit of Santa Claus to Haskell, and the lovable Old Saint Nick will ride in his sleigh pulled by four live reindeer to lead the Christmas parade on the afternoon of Nov. 8. Organs and chimes of several local churches will play appropriate Christmas music during the evening.

Haskell Stores To Close For Thanksgiving Nov. 23

All Haskell stores and business concerns, including offices in the court house and City Hall, will observe Thanksgiving Day on Thursday, Nov. 23, and the date will be a business holiday in Haskell, according to a survey made this week by the retail trade committee of the Chamber of Commerce.

Thanksgiving Day is one of four holidays observed annually under a schedule approved by Haskell merchants a number of years ago. Observance of the Nov. 23 date is in keeping with the day officially proclaimed as Thanksgiving Day for the nation, it was pointed out.

Thanksgiving Day is also a legal holiday for the nation's banks and postoffices.

Churches Plan Union Service. A Union Thanksgiving Service has been planned for Wednesday evening, Nov. 22 at the First Baptist Church in this city, beginning at 7:30 o'clock, for people of the entire community.

Two-Day School Holiday. Haskell schools will be dismissed Wednesday afternoon, Nov. 22 for the remainder of the week, and all schools in the county are expected to follow this schedule.

Funeral Rites for Erich Opitz Held Here Saturday. Funeral rites for Erich Opitz, 52, prominent Haskell county farmer who died in Dallas last Friday following an illness of one month, were held at the First Presbyterian Church in this city Saturday at 2:30 p. m.

Haskell Man's Horse Wins At Newcastle. "Bea," a 3-year-old cutting horse, owned and trained by Bill McFarlin of this city, won first place in the cutting horse division of an annual rodeo staged at Newcastle Nov. 11th.

"Flat" Proves Expensive for Driver of Car Containing Cargo of Beer. Stopping to fix a "flat" tire on his automobile proved expensive to a Rule man Monday, due to the fact that City Marshal Olie Kitley of that city happened along and noticed several cases of beer in the car.

Merchants Feature Dollar Day Values. Tuesday, Nov. 21, will be Dollar Day in Haskell, a regular monthly event sponsored by a large number of retail stores.

Suspects Jailed Here In Connection With Theft Committed In Nebraska. Two Mexican men who are alleged to have stolen a quantity of clothing, a radio and other articles from another Latin-American family in Lexington, Neb., last August were placed in the Haskell county jail following their arrest during the weekend by Sheriff Bob Cousins.

Community Singing Will Be Held At Rule Church. There will be a community singing Sunday afternoon, Nov. 19, at the 5th Street Baptist Church of Rule. Singing will start promptly at 2:30 p. m.

Officers Arrest Rochester Mexican In Narcotic Raid. In the first narcotic raid conducted in Haskell county in a number of years, Sheriff Bob Cousins and Deputy Harry Donohoo, joined by Knox county officers, seized approximately two pounds of "marijuana" in bulk form, and a number of cigarettes made from the weed.

City Council Grants Increased Rate For Phone Service. The City Council, in its regular meeting Tuesday night at the City Hall, granted a request of the Southwestern Associated Telephone Company for an increase in rates for telephone service to Haskell subscribers.

Annual Mattson Grid Banquet Set Tonight. Annual football banquet for the Mattson Mustang squad will be held tonight—Nov. 16—at seven o'clock in the gymnasium of Mattson Rural High School.

Haskell Man's Horse Wins At Newcastle. "Bea," a 3-year-old cutting horse, owned and trained by Bill McFarlin of this city, won first place in the cutting horse division of an annual rodeo staged at Newcastle Nov. 11th.

Funeral Rites for Erich Opitz Held Here Saturday. Funeral rites for Erich Opitz, 52, prominent Haskell county farmer who died in Dallas last Friday following an illness of one month, were held at the First Presbyterian Church in this city Saturday at 2:30 p. m.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—Nov. 13, 1930

Cotton ginnings in Haskell county had reached 12,660 bales on Oct. 18, according to figures released by the U. S. department of commerce. This compares to 10,677 bales ginned to the same date from the crop of 1929.

County Tax Collector Ed F. Fouts has received the new automobile license plates for 1931. Issuance of the new tags will start December 1. They are white with black numerals, and Haskell county was allotted 4700 commercial and 450 truck tags.

A Chevrolet sedan stolen from E. S. Cathey near Weinert Thursday night was located at Cisco Sunday by Sheriff W. T. Sarreis, who returned the car to Haskell.

Mr. and Mrs. Marvin Post and children of Amarillo spent several days this week with relatives here.

Mr. and Mrs. Theron G. Cahill and son Jerry spent Armistice Day with relatives in Abilene.

A total of 39 poll tax receipts have been issued by Tax Collector Ed F. Fouts since current tax became payable Oct. 1. First 1931 poll tax receipt was issued to C. A. Punam of Stamford, the tax collector reported.

An exhibit of Crowder Peas, which were grown and canned by a Haskell county 4-H Club girl placed third in the canned vegetable class in the Home Demonstration Department at the State Fair in Dallas. The premium was won by Pauline Frierson, third year 4-H Club girl of Midway.

40 Years Ago Nov. 12, 1910

Judge Gordon B. McGuire has returned from the City of Mexico, where he was called recently to the bedside of his brother, J. E. McGuire who was dangerously ill with typhoid fever. He left his brother much improved.

Hardy Grissom made a business trip to Olney this week.

There were over 30 bales of cotton sold to a local merchant here Thursday by a group of farmers from Throckmorton county.

The Rule Baptist Church will be host for an area BYPU and Sunday School Institute Nov. 22 to 27 in which representatives from more than a score of churches in Haskell and Jones county will take part.

John F. Thomas and family, who have been living in the Balliew community, are moving to a farm near Wichita Falls this week.

G. B. Gauntt, a progressive farmer of Rule neighborhood and a leading advocate of diversification was in town Tuesday. He cited figures on sales of dairy products and hogs during the past two years which showed that he had sold \$2,257.40 worth of products from his dairy herd of ten cows and a few hogs. This was in addition to the value of milk, butter and meat used for home consumption, he said.

Miss Cora Maxwell of Cisco is teaching a private school in the South Ward School. Terms are \$1.75 per month.

Haskell Public Schools are making excellent progress, Supt. W. H. Woodley reports, and enrollment is steadily gaining in all three city schools as farmers are catching up with cotton picking. In addition to Supt. Woodley,

other teachers are: I. G. McGee, High School principal; J. H. Berry, Miss Ophelia Halden, Miss Eula Harper, Miss Etta Roebuck, Miss Nevada Baker, Miss Addie Tompkins, Miss Lourens Graham, J. L. Naylor, principal of South Ward; Miss Emma Thomas, Miss Hattie Marlin, Miss Eone Williams, Miss Della McKennon, Miss Stella Watson, Principal of East Ward, Miss Edna Bosse and Miss Salome Anthony.

50 Years Ago — Nov. 10, 1900

While Bonny Cummings was chasing a yearling at full speed last Monday his horse fell with him, throwing him violently to the ground and rendering him unconscious for a short time. Fortunately no bones were broken nor other injuries inflicted and he is recovering with only extreme soreness resulting.

M. S. Pierson returned Tuesday from a business trip to Emory.

J. H. Cunningham and wife returned this week from Kent county where Mr. Cunningham has been looking after his horse

steek while Mrs. Cunningham visited friends.

Miss Nora Miller, who has been visiting the family of S. S. Cummings for some time, left Thursday to return to her home at Bowling Green, Kentucky.

A. L. Putman and wife of Stamford spent a day with friends in Haskell this week. Mr. Putman is in charge of the Stamford branch of the Bateman Grocery Company.

Burwell Cox left this week with his herd of between four and five thousand sheep for Tom Green county.

A. Lee Kirby was down from Seymour this week visiting his Haskell folks and friends.

W. T. Hudson is having an addition of two rooms made to his residence.

B. L. Frost is expected home from Arkansas today.

N. C. Smith has been inviting his friends and neighbors to visit his garden in recent days, where he has a peach tree loaded with beautiful white peaches of good size and excellent flavor. We believe this is by far the latest peach growing in this section and Mr. Smith considers it a valuable one as it furnishes fresh fruit long after the normal season.

Rev. D. James, Emory Anderson, Elzy Speck and Guy Speck are attending the Baptist General Convention, which met in Waco yesterday.

SYNTHETIC RUBBER IGNORES 75 DEGREES BELOW ZERO

Synthetic rubber, a petroleum-based material, is now being used in a tire designed to bounce at 75 degrees below zero. Ordinarily Arctic equipment is immobilized because tires, hoses, gaskets and belting freezes solid at temperatures below minus 60 degrees. In Texas tests, the same sub-zero tires also have been found to wear satisfactorily under normal highway driving conditions.

Tour of Mesquite Control Tests Shows Results of Chemical 2,4,5-T

Visits were made recently to 16 of the 26 ranches in Texas on which field tests for controlling mesquite are being conducted. The off-station tests are being carried on by the ranchers under the direction of C. E. Fisher, superintendent of the Spur Experiment Station, and Dale W. Young, assistant agronomist with the Bureau of Plant Industry, and with the assistance of local county agents and PMA.

The group making the tour, which was led by Fisher, included representatives of the Production and Marketing Administration, the Agricultural Experiment Station, the Extension Service, chemical research men and airplane operators.

From observations made on the tour, the ester of 2,4,5-T still appears to be the best chemical for the control of mesquite. Three-fourth pound acid of 2,4,5-T in 3 gallons of water and 1 gallon of diesel oil gave the most consistent and promising results in all the tests studied. Included were sprouts, seedlings and small and large trees.

Mesquite on the ranches visited was sprayed by plane during the spring of 1950. A. H. Walker, range specialist for the Texas A. & M. Extension Service and one of the group making the tour, says that, although it is too soon to determine the final results of the spraying, the work definitely looks promising.

Walker reminds ranchmen that the present goal of this experimental work is to find a practical method of mesquite control, rather than mesquite eradication. A mesquite kill of 100 per cent is not expected.

The immediate objective is to find a low cost method of control which stockmen can afford. For the method to be practical, the increased carrying capacity of the grazing land plus the ease of handling livestock must pay the cost of applying the control. Application costs for the ester of 2,4,5-T runs about \$3.50 per acre for both material and flying.

Spraying with an airplane is the best method of applying the chemical mixture for controlling mesquite when there is no danger of damaging field crops. However, Fisher and Young caution that airplane operators should be experienced in brush control spraying and the airplane should be properly equipped. Apparently the coarser the droplet size of the chemical, the better the results will be. To be most effective, the chemical should be applied at tree-top height.

Mesquite spraying gives the best results when the chemical is applied in the spring at full leaf stage, which will be six to eight weeks after the first leaves appear. If ground moisture conditions are not favorable, the control results will probably be disappointing, apparently because the chemical is not translocated properly so as to kill the roots. Fisher and Young suggests waiting another year if conditions are not favorable.

They warn against the danger of using 2,4,5-T in areas where susceptible crops are grown. This compound has been known to drift as far as eight miles in a high wind. Small droplets are carried 20 to 30 feet above the tree tops add to the drift danger. Although 2,4,5-T may do wonders when properly applied Walker reminds stockmen that carelessness in applying may result in lawsuits and possibly outlawing of the chemical.

Grass will not kill mesquite but giving grass a chance to seed out on sprayed areas will materially reduce the number of sprouts and seedlings. If an operator cannot rest the pasture the growing season following spraying, Walker advises to at least stock it lightly. Proper range management follows.

ing mesquite spraying may double the length of time that the treatment is effective. This may be the difference between profit and loss on the operation.

He emphasizes that the work on chemical control of mesquite is still in the experimental stage. Results of the work are not conclusive enough for making overall recommendations, and the range specialists can go no further at the present time than to make suggestions.

Walker mentions the fact that control tests on other species of brush are also in progress, but they have not reached the advanced stage of mesquite research.

Haskell's Share In Throckmorton Game \$148.23

Net proceeds received by the Haskell high school athletic association from the Haskell-Throckmorton game played in that city Nov. 3 amounted to \$148.23, with each school receiving this amount after deductions of taxes and game expenses.

The season's first cold spell cut attendance at the game, with gross receipts from ticket sales amounting to \$434.00. Tax on tickets amounted to \$70.04 and expense for officials was \$67.50, making total expense \$137.54, leaving a net of \$296.46 from sale of admission tickets.

E. D. Jefferson, Famed Weather Forecaster, Dies

E. D. Jefferson, 62, widely-known West Texas weather prophet, was buried in Stamford Saturday afternoon.

A resident of Jones county for 61 years, Jefferson had for years confounded weather observers throughout Texas with the accuracy of his predictions of rains, floods, temperatures and even storms as much as a year in advance.

Jefferson died late Thursday evening in a San Angelo hospital. Funeral services were conducted Saturday afternoon in St. John's Methodist Church at Stamford with the Rev. J. H. Crawford, Methodist district superintendent, officiating.

He had been in failing health for several months and became seriously ill about 10 days ago. Burial was in Highland Cemetery under direction of Kinney-Corley Funeral Home.

Born Feb. 1, 1888, in Bosque County, Mr. Jefferson had lived in Jones county since he was one year old. He was a stock farmer and was formerly employed in the Stamford Post Office.

Mr. Jefferson's weather forecasts were purchased by many farmers and businessmen a year in advance.

His wife, who survives him, was the former Ethel Owen, whom he married in 1914. He was a member of the Methodist Church.

Survivors, in addition to his wife, include a daughter, Mrs. R. L. Powers, wife of Dr. Powers of San Angelo, and a son, Bob Jefferson, a student in San Angelo Junior College.

Also surviving are two grandchildren, three sisters, Mrs. C. C. Shy of Wichita Falls, Mrs. Lula Ewell of Fort Worth and Mrs. Sallie Moore of Uvalde and three brothers, Tom and Griff Jefferson of Enid, Okla., and Tension of Reading, Pa.

A Year of Progress

The need of additional facilities for installment financing in the Lubbock trade territory has long been recognized. The unprecedented growth in both population and development has made the fixed policies of present institutions inadequate to serve the growing requirements of an industrious people.

Like all meritorious financial ventures, we have been faced with a number of vexing problems, both inside and outside our organization. But, with the successful solution of each problem, we have grown in strength and stature, and public confidence in our venture has mounted. Today, Western Acceptance Corporation is taking its place as a major financial institution in the Southwest. Its future is limited only by the future of the great Southwest itself.

We, the management of Western Acceptance Corporation, are especially grateful to our Board of Directors and Stockholders. Our tremendous growth in public confidence and financial strength has been made possible only through the wisdom and experience of these Directors, and the whole-hearted cooperation of the vast majority of our Stockholders.

In the future, as in the past, frankness and honesty will characterize the entire operation of this Public Service Institution.

Humble to Broadcast Three Southwest Conference Tilts

Three critical Southwest Conference games listed on Saturday's Humble Oil & Refining Company football broadcast schedule. Texas faces TCU in Fort Worth; Rice and Texas A. & M. meet in College Station, and SMU goes to Little Rock to play Arkansas. All three broadcasts begin at 1:30 p. m. Kern Tips and Alec Chesser will

be at Kyle Field to call the play-by-play and color of the Aggie-Rice meeting on station WFAA-WBAP-820, Dallas-Ft. Worth; and others. From TCU Stadium, Ves Box and Dave Russell will describe the Longhorn-Horned Frog game on KRLD, Dallas. The Arkansas-SMU meeting will be broadcast by Charlie Jordan and Buddy Bostick from Little Rock's War Memorial Stadium on Station KFJZ, Fort Worth. Try a want ad in The Free Press.

Writer Says Government To Force Women Into Military or Key Jobs In War

If all-out war comes, all healthy American women between 16 and 52 will be FORCED to enter the armed services or to work at an essential job. Even if it doesn't come, they will probably be asked to make some contribution to the war-and-preparedness program. These are the findings of Williams B. Huie, veteran Washington reporter, who writes in "The Government's Plan for Drafting Women" in the November issue of Cosmopolitan magazine. In the mobilization plans now being drawn up," says Huie, "American woman power is being as carefully assayed and assigned as man power." The author cites these "three sadder realities" which make the unprecedented move necessary:

1. In any climactic clash between Russia and the U. S. we and our allies will be heavily outnumbered. Our men will not be enough.
2. The Communist system employs 'complete utilization' of women—even in peacetime. In war, Communist women will even man guns.
3. A third world war will be a death grapple between entire populations; anything less than the utilization of our every human resource will not be enough. According to the article, there'll probably be a registration of women in the first stages of mobilization, but any general draft will be delayed until all-out war appears inevitable. When that time comes, says Huie, all able women within the specified age brackets

Old "Road to Ruin" Saloon Gets Spot In Recent Book

The old-time "Road to Ruin Saloon" in Haskell is mentioned in Boyce House's latest book just out, entitled "Texas Laughs—and the Amazing Truth about Texas." House is well known here, having spoken in this city several times. Besides nearly 200 new (or nearly new) Texas jokes, the handy book contains more than 200 "believe-or-nots" about Texas as the "Amazing Truth" chapter such as— That a pig changed the history of Texas; Marshall, Texas, was once the capitol of Missouri; the last battle of the Civil War was fought in Texas—and won by the Texans. Interesting things about Judge Roy Bean, King Ranch, oil booms, great sayings of great Texans, Texas Rangers; And the many activities in which Texas was first. Then there are cowboy ballads, Sen. Joseph W. Bailey's speech against dividing Texas, ranch country terms, odd animals, scenic wonders, etc. Everything is compactly told. There have been many books written about Texas but never one like this. A Texan anywhere, if armed with "Texas Laughs—and the Amazing Truth about Texas" can win all arguments.

AT BEDSIDE OF FATHER

Visiting in the home of Mr. and Mrs. Grover Larned over the week end were their sons, Jack from San Antonio, Bud of Abilene, Tommy from Camp Gordon, Georgia, and their daughter, Mrs. Mrs. Raymond Kregger of Arlington, Texas. They were called home on account of illness of their father, who is doing fairly well at the present.

UTILITIES BOOST OIL USE

Recent government figures show that 1949 was a record year for fuel oil use by electric utilities. Last year they burned 66.3 million barrels of oil, an increase of 55.5 per cent over 1948. Power plant gas consumption was up 15 per cent to 549.9 billion cubic feet.

VISITS PARENTS AND OTHER RELATIVES

Sgt. Bill Brannan, Jr., who is stationed at Hunter Air Force Base near Savannah, Georgia, spent several days last week with his parents, Mr. and Mrs. Bill Brannan of this city. He also visited with relatives and friends at Hamlin and Brownwood, and in Forth Worth Wednesday in the home of his sister and family, Mr. and Mrs. Troy Priddy.

CARD OF THANKS

It is with hearts full of gratitude that we attempt to express our sincere thanks for the many kindnesses shown us during the illness and in the death of our loved one. Especially do we thank the doctors and nurses who ministered to him, those who served as pallbearers, and everyone for the lovely food and flowers. Every deed of kindness and word of love and sympathy were deeply appreciated, and we pray God's richest blessings on you all.—The J. W. King Family.

Ask Your Gas Station Man!

OLDSMOBILE'S "ROCKET" ENGINE RUNS WITH SMOOTHNESS, POWER AND ECONOMY ON GASOLINE AVAILABLE EVERYWHERE TODAY!

Here's a question we'd like you to ask, next time you drive in for gas: "What do you think of Oldsmobile's 'Rocket' Engine?" Chances are, the attendant will tell you that the "Rocket" tops its field in smoothness, quietness, and quick-acting power. He'll probably explain that the "Rocket's" high-compression design gives it that thrilling response. We're sure he'll tell you that the "Rocket" uses gasoline available everywhere today—and makes every gallon go a long way! Your gas station man knows his engines, and he knows motor car values, too. That's why we think he'll tell you: "Yes, sir, mister—Oldsmobile's a smart deal!"

Dr. William O. Beazley Is Speaker On Progressive Study Club Program Today

Dr. William O. Beazley, assistant to the president of Hardin-Simmons university, Abilene, will give the third of a series of lectures on "Psychology of Child Behavior" before the Progressive Study Club of Haskell Thursday at 7:30 p. m.

Beazley, who is also field representative for the university, serves as associate professor of religious education and speech. He received his doctorate at Southwestern Seminary and his bachelor of arts from Bridgewater College in Virginia.

At Bridgewater College, Beazley was an outstanding athlete, participating in baseball, basketball, football and track. He earned 14 athletic letters while there. He moved to Abilene February 1, 1948.

While attending the Southwestern Baptist Theological Seminary he was educational director of the North Fort Worth Baptist Church. He has also been employed as religious director and assistant pastor in several churches, as well as being high school football coach for a two year period.

HASKELL VISITOR

D. A. Jones of Abilene was a business visitor in Haskell Wednesday. Mr. Jones formerly was in business here before moving to Abilene several years ago.

NEWS OF INTEREST TO WOMEN

Joyce Beauchamp, Sidney Joe Hester, Wed In Knox City

In a ceremony solemnized in the parsonage of the First Methodist Church at Knox City Friday, at 2 p. m., Miss Joyce Beauchamp, daughter of Mr. and Mrs. P. G. Beauchamp of O'Brien became the bride of Sidney Joe Hester, son of Mr. and Mrs. Roy Hester of O'Brien.

The Rev. C. W. Parmenter, pastor of the Knox City Methodist Church, read the double ring ceremony uniting the popular young couple. Their only attendants were Mr. and Mrs. Alton Hester.

The bride's dress was of blue crepe with pink accessories, and she wore a pink corsage. For something old, she carried a white Bible, for something new she wore a rhinestone necklace, a gift of the groom, and for something borrowed she wore ear screws belonging to Margaret Ann Waldrup. For good luck, she had a penny in her shoe.

Mrs. Alton Hester wore a brown tweed suit and her corsage was a yellow chrysanthemum.

Following the ceremony, a reception was held in the home of Mr. and Mrs. Ford Waldrup in O'Brien.

After a wedding trip to Lubbock, Amarillo and their points, the couple will live in O'Brien.

Mr. Hester is a graduate of O'Brien High School, where Mrs. Hester is a member of the Senior Class.

call Bingo. Some winning first place several times.

Each one present was handed a paper plate and a slip of paper told what picture the receiver was to draw. Stella Josselot won first in this contest, Essie Bland second.

Sallie Patterson also won first place in a contest. It was indeed a lovely party thanks to the hostess.

Those present were: Mmes. A. F. Copeland, Sallie Patterson, J. R. Edwards, Flossie Rogers, Stella Josselot, Eva Chapman, Essie Bland, Janie Whiteker, Velma Tooley, Annie Pearl Lusk, Mrs. Singleton of Rule; Mrs. Betts of Rule, mother of Mrs. Johnson, and a sister, Mrs. Hunt, of California, and Mrs. Johnson the hostess.

Tanda Camp Fire Girls Meet At Fair Park

The Tanda Camp Fire Girls met Wednesday afternoon at 4 o'clock for a regular meeting at the Fair Park with Mrs. Johnnie Mullins as hostess, and Mrs. Harding as their guardian.

The meeting was called to order by the president, Betty Hester, old and new business was discussed, one new member was added to the organization, Myrtle Mullins.

Indian Symbols were discussed by the guardian, Mrs. Harding. Several games were played. Refreshments of cold drinks, cookies and candy were served by the hostess to the following members: Mary McMillan, Betty Hester, Shirley Moore, Patsy Harding, Myrtle Mullins, Delores Mullins, Gertrude Reynolds, Ina Mae Adams, Norma Mullins, Darlene Hoover, Ruby Dalrymple, our guardian, Mrs. Harding, one visitor, Mrs. Raymond Melton and the hostess, Mrs. Mullins. The next regular meeting will be Nov. 22 in the home of Myrtle Mullins.

Mrs. A. B. Corzine Hostess for Meeting Of Sewing Club

Mrs. A. B. Corzine was hostess for a meeting of the Rainbow Sewing Club Tuesday, Nov. 7, at 2:30 p. m.

The president, Mrs. Copeland, called the house to order and the song leader, Mrs. Walter Rogers, led the group in a program of singing.

Plans were made for the annual Thanksgiving dinner, and members of the club are pleasurably looking forward to the annual affair.

The club will meet with Mrs. Dow Bland Nov. 21 and each member is urged to be present as names will be drawn for Christmas pals. Also there will be an Auction Sale that will be very interesting.

At the conclusion of Tuesday's meeting a refreshment plate was served. Tiny pumpkins were used for plate favors.

Those present were Mesdames: Zada Smith, Flossie Rogers, Essie Bland, Velma Tooley, Ethel Edwards, Sally Patterson, Winnie Copeland, Della Corzine.

Willing Workers H-D Club Meets November 9

The Willing Workers H. D. Club of Jud met Thursday, Nov. 9, at 2:30 p. m. for their regular meeting in the home of Mrs. E. E. Burleson with seven members present.

The vice president, Mrs. Burleson, presided.

Mrs. Cecil Jetton gave the council report.

A timely topic was given by Mrs. S. E. Lewis when she read an article from the Messenger, official publication of the THDA. She gave a summary of the speech of Dr. L. D. Haskell of Texas University at the State meeting in Big Spring on Better Homes for a Better World.

Each club member reported her own achievements for the year. Refreshments of coffee and cinnamon rolls were served.

Shell Employees Safety Meeting Held Here

Shell Pipe Line employees, with their wives as guests, held their regular quarterly Safety Meeting in the club room of the Texas Cafe Nov. 8th, followed with a turkey dinner for all present.

A 15-year award was presented to E. J. McIntyre of Hamlin, by Division Superintendent E. M. Owen of Colorado City. John Reese, Shell safety engineer, showed an interesting film entitled, Safe As You Think.

In the election of officers for the safety chapter, the following were named:

M. W. Robinson, Governor.
C. W. Gold, Chairman.
L. M. Southerland, Secretary and Treasurer.

Retiring officers are H. F. Copeland, O. G. Harvey, and C. W. Gold, as Governor, Chairman and Secretary-Treasurer, respectively.

Attending the meeting and banquet from Hamlin were: Jim Potter, Mr. and Mrs. V. V. Anderson, L. M. Southerland, J. D. Pigman, R. J. McIntyre, W. I. Fuller, P. D. Harkins, Olin Amerson.

From Haskell: Mr. and Mrs. M. W. Robertson, S. B. Young, J. W. Bischoffhausen, Rupert Adam, H. F. Copeland, Carl Powers, and a special guest, R. A. Black, retired Shell employee.

Attending from Colorado City were E. M. Owens and John H. Reese.

Dinner Honors Mrs. Ossie Scruggs On 77th Birthday

Mrs. Ossie Scruggs celebrated her 77th birthday Monday, Nov. 13, and was honored on the occasion with a dinner given by her daughter, Mrs. Joe Zeisak.

Guests for the enjoyable occasion were members of her family and a few close friends. Games of "42" were played after the dinner.

Mrs. W. E. Johnson Is Party Hostess Monday Night

The home of Mrs. W. E. Johnson was the scene of a lovely party Monday night. This being an annual affair and well planned by the hostess, was full of entertainment and fun for everyone present.

Clever invitations were mailed to members and guests who gathered at 5 o'clock. Immediately they were all directed out through the back door on a scavenger hunt. Arrows pointed the way around the block this way and that, all following with a thrill to read directions each sign had to tell them, finally the arrows began directing them toward Ave F and then to the front of the house, where a big sign read "I'm sorry I should have told you before, the treasures are hid inside behind the door." Then there was a dash inside the house and sure enough the big basket held oodles of lovely gifts for everyone.

Next was a bountiful table loaded with delicious food. A full dinner. All gathered round with their plates and after being served went to tables which had been arranged earlier with silver sugar and cream. Coffee was poured and an enjoyable fellowship was greatly enjoyed.

A social hour followed, several quiz games were played. Then all settled down to the game of bingo. It was fun to hear the first

Mother and Daughter Tea Highlights Junior G. A. Installation Ceremony

A Mother and Daughter tea preceded the 1950 installation of officers in the Maybelle Jr. girls auxiliary of the First Baptist Church Monday evening at 4 o'clock.

Jean Lusk and Frances Haynes greeted the guests at the door. Dana Ruth Smith served the fruit punch from a flower encircled punch bowl. The flowers used in the decorations were the auxiliary colors.

Eighty-five mothers and guests were in the audience as the attractively gowned young girls received charges of their offices from Mrs. W. E. Woodson, program director. Theme of the installation was their watchword, 'Arise, Shine for the light is come.' Isaiah 60:1.

Those taking office were: President, Robbie Lou Robertson. Vice President, Linda Gale Adams. Recording Secretary, Linda Mueller Lane. Corresponding Secretary, Peggy Seay. Treasurer, Dana Ruth Smith. Pianist, Norma Gean Gipson. Choirster, Carolyn Joeslet. Committee Chairmen are: Program, Sara Sue Roberson. Mission Study, Belva Jean Adkinson. Community Mission, Gayle Spain. Social, Glenda Davis. Poster, Rose Lee Burson. Bible Study, Lynn Currie. Room, Jean Lusk. Library, Virginia Robertson. Nominating, Gwen Gilliam. Mrs. Cretia Brooks offered a prayer of gratitude for their interest in christian service of our

youth today and for the counselors, Mrs. Henry Harris, Mrs. Chas. Smith, Mrs. Trave Everett who have devoted their time in helping to promote God's Kingdom. The Maybelle circle fosters this organization.

T.E.L. Class Has Business Meeting and Banquet

Members of the T. E. L. Class of the First Baptist Church met in the church annex Tuesday afternoon at 4 o'clock for their monthly business meeting, which on this occasion was followed with a Thanksgiving banquet.

Two songs of praise were sung, and Mrs. Rosa Glenn offered a prayer. Thanksgiving was the theme of an inspiring devotional by Mrs. Ed Fouts, who used a number of Scriptures, including the 103rd Psalm. Mrs. Fouts said the observance of a special day for giving thanks was a splendid custom, but we should not stop there, but offer thanks daily for the many blessings showered upon us by the Heavenly Father. Mrs. O. O. Akins led in prayer. The president, Mrs. J. W. Martin, presided for the business session, including minutes of the October meeting and the monthly report, according to the six-point record system. Other officers and the four group captains also made reports.

Mrs. Linna Cunningham, social chairman, had charge of the program, the first number of which was a humorous reading, by Mrs. Ella D. Cox. Several original and amusing games followed, with the program being concluded with a laughable skit.

Places were laid at the attractively appointed table for thirty-six, with attractively painted cut-out turkeys was plate favors, made by Mrs. Cox.

Preceding the banquet, the group joined in singing, and Mrs. B. M. Whiteaker gave the invocation. The food was served by Group No. 2, Mrs. J. L. Dilbeck, captain.

Others helping to make the occasion a thankful and enjoyable one were Mesdames I. A. Cox, R. Y. Mobley, W. D. Bland, C. W. Bledsoe, W. M. Bledsoe, Jack Merchant, Arthur Merchant, Mary Oates, C. F. Graham, Joe Maples, A. W. Linden, F. V. Marrs, Leon Gilliam, E. B. McDonald, S. A. Roberts, R. J. Paxton, J. A. Cain, K. D. Simmons, George Herren, T. A. Laird, Ada Robinson, J. W. Lane, M. J. Weinert W.M.U. Meets Monday For Mission Study

The Weinert W.M.U. met for Mission study Monday, Nov. 13 at 2 p. m. The Mission study chairman, Mrs. E. Roberts reviewed the Home Mission book, 'The Country Church, It's problems and Their Solution.'

The meeting was opened with prayer by Mrs. W. B. Guess and closed with a prayer by Mrs. J. A. Mayfield.

Members present were Mmes. J. W. Liles, C. C. Childress, C. F. Oman, W. A. King, Ed Roberts, R. C. Liles, R. H. Jones, Temple Lewis, C. T. Jones, W. B. Guess, J. A. Mayfield and Claude Reid.

Dorcas Bible Class Meeting Held In Wheatley Home

The Dorcas Bible Class met Monday night, Nov. 13, at 7:30 p. m. in the home of Alene Wheatley. The Thanksgiving theme was used in the decorations, and especially attractive was a large cornucopia filled with fruits and nuts.

Mrs. Faye Thompson opened the business meeting with a prayer, and also gave the devotional, taken from Luke 16-23. The minutes of two previous meetings were read, and reports were given by the different officers. The Year Books and the adoption of a 'shut-in' for the class were discussed; also plans for a Christmas party.

After one 'get-acquainted' game was played, refreshments of pumpkin pie, whipped cream and coffee were served to the following: Brucile Nellums, Ethel Foil, Wynona Lusk, Lois Henry, Ethel Lou Shelton, Marjorie Waldrip, Nerva Oates, Betty Jo Clanton, Faye Thompson, Henrietta Sego, Freddie Ballard, Ruth Taylor, Iola Everett, Lorene Fouts, Katherine Schwartz, Vivian Roberson, Trudie Gresham, Eula Mae Herren, Edna Burnett, Pauline Norman, Avis Pennington, Elyse Eastland, and the hostesses, Alene Wheatley, Ruth Currie, Frances Bird, and Estebelle Turnbow.

Royal Ambassadors Have Father and Son Banquet

The Robert Barnett Royal Ambassadors closed their observance of Focus Week with a Father and Son banquet sponsored by the Helen Bagby Circle, which fosters that organization.

Following the traditional Thanksgiving dinner, the boys began the program by giving the R. A. Watchword. Also the boys gave some of their requirements for becoming a Page, which is the first rank in the Royal Ambassadors.

R. A. Allegiance was given by Don Pennington; and the insignia, its Meaning and Use, was the subject of Buddy Herren.

A Missionary Story was given by Jas. Norman which completed his requirements for becoming a Knight.

Mrs. Melvin Norman introduced the guest speaker for the evening, Rev. Houston Walker, of Rule whose theme was 'Boys.'

Closing the program, the R. A. Hymn was sung, and the benediction was given by Mrs. Jimmy Thompson.

Curry Chapel Church Plans Thanksgiving Services

A series of Thanksgiving Services will be held at the Curry Chapel Baptist Church, beginning Wednesday evening, Nov. 22 and continuing through Sunday, Nov. 26th.

The messages will be brought by pastor Rev. L. F. Moreland, with the service beginning each evening at 7 o'clock.

Everyone in the community and surrounding territory is invited to come and join in the Thanksgiving services.

Mrs. Eula Crow received a telegram Saturday, Nov. 11 from her son, Cpl. Elton L. Crow from Tokyo, Japan. He re-entered the armed services Sept. 28, at Fort Hood, Texas. His wife and little son, Elton L., Jr., live in Ballinger, Texas.

Miss Juanita Hise, Bobby Neel, Wed In Monahans

Announcement has been received here of the marriage of Miss Juanita Hise, daughter of Mr. and Mrs. Cecil Payne of Haskell, to Bobby Neel, son of Mr. and Mrs. R. H. Neel of Monahans.

The wedding rites were read Oct. 26th by the Rev. R. F. Simmons at his home in Monahans. The groom who was home on

leave from the Navy, returned to duty last Thursday.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and

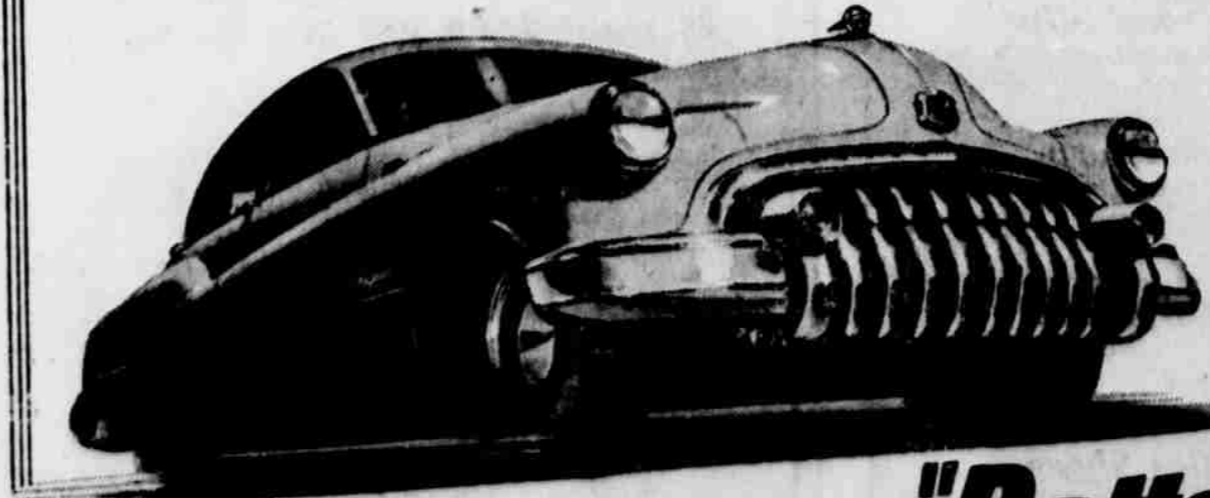

bought a new one this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflo Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations — matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown comparison? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is. *Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Pirates Meet Patton Springs Rangers In Bi-District Tilt at Paint Creek

The Paint Creek Pirates, 1930 champions in District 4-B six-man football, meet the Patton Springs Rangers, winners of District 3-B flag race, in a bi-district game tonight—Nov. 16—at Paint Creek. Game time is 7:30 sharp.

The Pirates, undefeated in conference play, are rated one of the outstanding 6-man squads in the area. Likewise, the record of the Patton Springs Rangers has been outstanding. The Rangers

having gone through the season undefeated and untied. Their most recent win was over Flomot, with only 6 points to spare. The Pirates last week defeated the Mattson Mustangs in their final district game.

Incidentally, the challenging Patton Springs School was formerly the home of Supt. McCrea of Paint Creek, who came here from the Dickens county school post.

"Beat Albany" War Cry Sounded At Quarterbackers Meet Tuesday

"Beat Albany" was the central theme of the program at the meeting of the Quarterback Club Tuesday evening, as club members planned an all-out pep program during the remainder of the week preceding the HHS Indians title-deciding clash with the Albany Lions in that city Friday night.

Chief Quarterbacker Royce Adkins reminded the large gathering of club members and Indian supporters that Nov. 13-18 had been

officially proclaimed as "Beat Albany" Week by Mayor Courtney Hunt, and he called on all Quarterbackers to give 100 per cent support toward winning the game. Club members were also told that daily pep rallies were being held by the student body this week, to be climaxed by a final huge rally Friday at 3 p. m. in the high school auditorium.

As a courtesy to the Quarterback Club, automobiles decorations will be available free Friday

afternoon for all cars going to the game, and can be secured at a booth on the northwest corner of the courthouse lawn.

To Beat War Drum

Quarterbackers were assigned on a 30-minute details, beginning at 6 a. m. Friday, on the courthouse lawn continuously during the day Friday, until 5 p. m. Lead-off drum beater Friday morning will be Bertis White, an ex-Indian grizzer and 4-year letterman.

Coach Jack Roten discussed the coming game briefly and explained that a win over Albany would make the Indians co-champions of District 9-A, and according to custom, district contenders in the State play-offs.

Film attraction for the evening was the 1940 Texas A&M-Tulane game in the Sugar Bowl, in which Haskell's All-American John Kimbrough played a leading part in elevating the Aggies to the nation's No. 1 spot.

PMA Committee Elections To Be Held Saturday

Joe S. Harper, secretary of the Haskell county PMA committee advised this week that delegates to the County Convention and local community PMA committeemen will be elected on Saturday, Nov. 18.

Ballots have been furnished all eligible voters by mail, and during the week voting has been quite heavy. It is expected that a record vote will be cast both by mail and at the election box held in Haskell District Court room on Saturday.

All producers are advised that if they have not yet returned their ballots through the mail, they may deliver them directly to the Haskell box on the day of the election.

All Members of Lions Club In Cast Of Negro Minstrel Planned Nov. 30

All members of the Haskell Lions Club have been assigned parts in the cast for the Club's Negro Minstrel to be presented Thursday evening, Nov. 30, in the High School Activity building.

Assignments in the cast, and a brief outline of the blackface minstrel, was presented to the Club this week by Wanda Dulaney, who will direct the presentation. Rehearsals have been scheduled for the three nights immediately preceding the show, and these will be held Nov. 27, 28 and 29, Miss Dulaney explained. All taking part in the show will be in blackface with the exception of one couple.

Blackface Master of Ceremonies will be Lion Olen Dotson, and cast of the minstrel show proper will include Lions Bill Ponder, Wix Currie, Harold Spain, Billy Kemp, Joe Thompson, S. H. Vaughter, A. M. Turner, Claud Harrison and J. E. Walling, Jr. In the role of boogie woogie pianist will be Lion Kenneth Bass.

Ticket-takers, also in blackface, will be Lions Mode Collins and Jetty Clare, with Lions Courtney Hunt, Bill Richey, Austin Couburn and Curtis Pogue as ushers.

Other Lions having a part in the show will be Jim Byrd, Ralph Duncan, George Neely, Marion Reeves, C. E. Smith, J. G. Vaughter, Willard Warren, Robert Wheatley, Ern Lowe, John A. Couch, John Crawford, Scotch Coggins, Leonard Florence and Payne Hattox.

Ticket prices for the minstrel will be 74c general admission for adults and 50c for children. Reserve seat chairs will be \$1.00.

Lions Sponsor - - (Continued from Front Page)

which since June 1 of this year has been operating the only camp in the entire South for diabetic children, Camp Sweeney is the only one in the United States where children of indigent parents are taken in without any charge and given, besides outdoor camp life, complete instructions in the blessed fact that they don't— as they think they have to do—have to die from their diabetic disorder.

Assisting Bentley in the Haskell canvass sponsored by the Lions Club were John A. Couch, J. M. Crawford, Olen Dotson, and Harold Spain.

Lions Club president, Theron G. Cahill and other club members believe sufficient funds can be raised to take over sponsorship of at least two indigent children at Camp Sweeney. Gifts of money for this purpose may be left with any of the above named workers, or to the Lions Club. All donors will receive personal letters of thanks from the Foundation chairman.

HHS Indians Junior Squad Entertained With Banquet Thursday Evening

Members of the Junior squad of the Haskell High School Indians football team were guests at a banquet given in their honor Thursday evening, Nov. 9, in the high school lunchroom, sponsored by parents of the players.

Supt. S. H. Vaughter gave the invocation, and introduced special guests of the evening, Mr. and Mrs. Royce Adkins and Mr. and Mrs. Ray Overton. Sr. Adkins is president of the Quarterback Club.

Supt. Vaughter also introduced the coach of the Junior squad, Ray Overton, Jr., who in turn introduced each member of the team.

Annual Meeting of State Teachers To Be In San Antonio

From eight to twelve thousand Texas school teachers will spend their Thanksgiving holidays in San Antonio, November 23, 24, and 25 attending the 72nd annual convention of the Texas State Teachers Association. Mr. Chas. H. Tennyson, Executive Secretary of the Association, announced.

Topping the general session speakers will be such educational leaders as Dr. John H. Furbay, director of Air World Education of New York who will address the first general session of the con-

ed newspaper features. He was advisor on Africa in the U. S. Office of War Information during the war, and president of the College of West Africa, Monrovia Liberia from 1935-38. A lecturer and student in various parts of the world, Dr. Furbay has been director of the Air World Education since 1945.

Other speakers in the general session will be Dr. T. V. Smith of the Maxwell Graduate School of Citizen and Public Affairs, New York; Dr. Ralph McDonald, Washington, D.C., Executive secretary of the National Commission on Teacher Education and Professional Standards; Jesse Stuart, Kentucky author of stories, books and poems, and ex-newspaperman. His latest book "The Tread That Runs So True," tells of his teaching experience in the Ken-

tucky mountains. The Rev. Walter C. Kerr, pastor of the First Methodist Church at Kerrville, a member of the state's youth development council and director of the Texas Council of Welfare for Children and Youth, will deliver the Thanksgiving sermon at the Thursday service.

Ten of the farmers who entered the Wood County Veterans Vocational School corn growing program made yields of more than 100 bushels per acre. The high yield was made by Clarence Bridges, Quitman, 131.56 bushels per acre.

Approximately 60 per cent of the 1950 corn acreage in Texas was planted to corn hybrids. This compares with the national average of 77.2 per cent.

Paint Creek Pirates Blast Mattson 32 To 12 Thursday

The undefeated Paint Creek Pirates maintained their perfect season's record Thursday night with a 32-12 defeat of the Mattson Mustangs on the Pirate's field.

Despite the extremely cold weather, the contest between the two strong Haskell county six-man squads attracted a large crowd of supporters and fans from both schools.

First score for the Pirates came when Curtis Grand, fleet tailback of the Paint Creek squad, skirted right end to cross the pay stripe. Pirate fullback, Clyde Thomas, backed up the second marker with a 29 yard run. Othella Moody, Pirate fullback, Clyde Thomas, the remaining three TDs, on interceptions and Mustang fumbles, one climaxing a 79-yard runback from almost the shadow of his own goal line.

Wayne Peiser accounted for both Mustang scores.

Thousands Attend Rule Armistice Day Celebration

Despite the chilly weather, several thousand visitors thronged the streets of Rule Saturday, when that city staged its 13th annual Armistice Day celebration and homecoming.

Feature attractions for the day were a pet parade, horse show, high school band and pep squad contest, street parade, and football game between the Rule Bobcats and Lueders Pirates in which the Bobcats were victors 25-7.

The Haskell County Red Cross won first for the best float in the morning parade. The FFA was second and the IOOF and Rebekah floats third. The Haskell High School won the band contest with Rochester coming in second. Haskell is a Class A school while all other entries were in Class B.

Lueders won the Class B pep squad award with Rule second and Haskell won the Class A pep squad award. Johnny Gibson, Tommy Singer and Andy Anderson were named the top clowns.

"Flaxie," won the annual saddle horse review Saturday afternoon. Doc Williams on "Chico Davis" was second in a field of about 15 entries.

Jackie Smith, son of Mr. and Mrs. E. C. Smith, Jr., won the pet parade to start the day's activities. Little Jackie's entry was a cat perched on a box. Scottie White, son of Mr. and Mrs. Scot White, was second with his dog and wagon, and Nelda Gibson, daughter of Mr. and Mrs. Norris Gibson, was third with a wagon load of puppies. All winners were from Rule.

Haskell People Are Visitors at Fort Sill Sunday

A group of Haskell people, including Mr. and Mrs. W. J. Adams, Sr., and daughters, Louise, Linda Gayle and Ina Mae; Howard Adams, Billie Jean Bowen, Mr. and Mrs. W. S. Cox and Helen; Jenella Couch, Mrs. W. F. Wells, Gene and Oleta Wells and Mr. and Mrs. Robert Bruton and daughter Betty visited in Fort Sill, Okla., Sunday where several Haskell youths were sent last Thursday for induction in the Army. In this group are W. J. Adams, Jr., Vaughn Cox, Layne and Wayne Wells. They will remain at Fort Sill until receiving orders assigning them to a permanent station.

Holiday Dinner A Quick Trick With Time-Saving Plan

That bountiful feast won't take any more time than an ordinary Sunday dinner, if the homemaker goes at the job scientifically.

According to the Servel Home-Makes institute, the whole festival meal, from raw materials to fragrant finale, can be accomplished in about only five hours in a two-day period, including roasting the turkey.

In a pre-holiday bulletin, they worked out a meal preparation schedule which would not have been possible several years ago, before recent improvements in kitchen equipment, notably the automatic refrigerator and the modern range. With today's efficient equipment and utensils, it is simple for a hostess to prepare and serve an elaborate meal without having to get up at dawn.

The institute's time-saving holiday dinner program begins the night before, at the refrigerator. Here's the meal preparation system, step by step.

1. Redistribute contents of the refrigerator to accommodate holiday "loadings."
2. In only an hour's time, mold the salad, cut carrots and celery for curling and crispies, pluck and wash turkey or chicken, mix dough for pie and rolls, prepare stuffing for fowl, assemble canned cocktail juice, frozen vegetables and cranberry jelly and put every one of the items into the refrigerator for over-night storage.
3. About 11 a. m. the next day, begin final preparations for 3 p. m. dinner. Roll pastry and fill pie shell with ready-mixed mincemeat or pumpkin. Cut out rolls.

Camp Fire Girls Drive for Members Ends Nov. 30th

Camp Fire Girls in Haskell are conducting their annual Membership March from September 15 through November 30.

There is a place for everyone in the Campfire family. Mothers and fathers as well as daughters can benefit from membership in this great national youth-serving organization which offers fun and friendship and high ideals.

The activities of Haskell Camp Fire Girls are legion. These girls, ranging in age from 7 to 18, have wholeheartedly participated in every worthwhile civic and community drive. They have given service to hospitals, to children's homes and to home for the aged. They help with the American Legion selling poppies, keep children for the P-TA.

During the current membership march another great civic activity has been added to Camp Fire's projects. The young people are concentrating on safety — on wheels at home and in the streets. They wish other girls to join them in carrying out the theme of the campaign, "Camp Fire for a happy life—safety for a long one."

But as more girls join Camp Fire, more leaders will have to be added to the roster. What better way for women to keep pace with youth than to enlist in the organization as volunteer leaders? And in order to round out the family picture men also may participate as group sponsors, lending their sage advice and occasionally their helping hands in transporting groups or fixing up the summer camp or overnight Camp Fire shack.

So from Sept. 15 through Nov. 30 let us help Camp Fire Girls reach their goal of more girl members and additional leaders and sponsors. What better way to insure our future than to see that our young people are given an opportunity to help camp fire girls citizenship — building and character-making program which enables girls to take their places in tomorrow's world as capable wives, mothers and homemakers?

Stuff fowl. Wash sweet potatoes for baking. Then put everything into the oven on a well-timed schedule.

4. Fifteen minutes before oven foods are ready, make the gravy, begin cooking the frozen vegetables, and place relishes, cranberry jelly and cocktail juice on the table.

5. This is easy and takes only a second. Bring in the turkey and call "come and get it!"

6. And by all means, enjoy your guests. You'll have plenty of time to do so.

Time to buy trucks on something besides hearsay.

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

That's our specialty as a GMC truck dealer — we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

Come in and see us—whether you want a ½-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck — designed for longer mileage with less maintenance expense — and it will be a real truck engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

ONLY MASSEY-HARRIS Depth-o-matic System

Gives you all 7 of these hydraulic control advantages . . .

1. Constant Hydraulic Power
2. Depth Control of Mounted Tools
3. Depth Control of Pull-Type Tools
4. Control of Front End Loaders and Dozer
5. Selective Control Attachment
6. Hoses Couple . . . Sealed from Dust and Dirt
7. Fast and Slow Speed

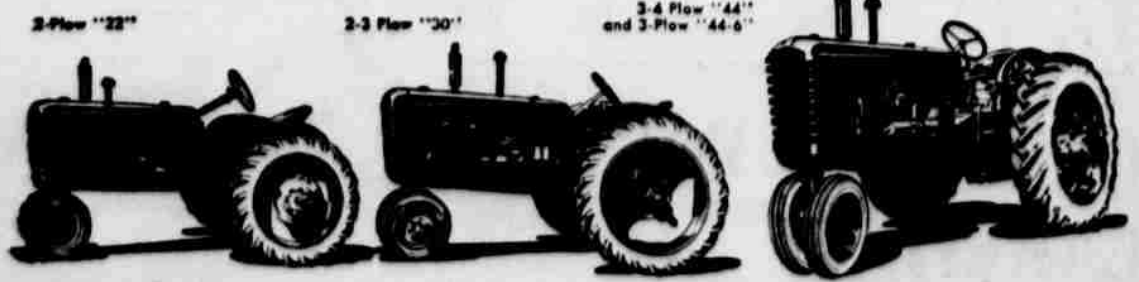

Here's new efficiency in a hydraulic control . . . quick responding, accurate Depth-o-matic System — now available on Massey-Harris "22," "30," "44" and "44-5" tractors. Depth-o-matic is easy to control . . . just one lever operates the entire system. Just a touch and implements are raised and lowered under power . . . and that power is there ready for use whenever your tractor engine is running. Depth-o-matic controls depth positively . . . sets implements to work at the depth you select. Uniformity of work results . . . cleaner work, a better job. With Depth-o-matic you have plenty of leg room on the tractor platform . . . the system is small, compact, completely airtight.

Two-way operation lets you select a fast or slow speed. You make the adjustment best suited to the job and kind of equipment. When not in use, hose connections to the slave cylinder on pull-behind tools are easily coupled together, sealing out dust and dirt. Depth-o-matic is economical to operate, economical to maintain.

Selective control implements can be operated with Depth-o-matic System by the addition of a single valve. Depth-o-matic versatile . . . takes all the "muscle work" out of implement control.

See this amazing hydraulic unit today. Stop in for complete details on Massey-Harris Depth-o-matic System.

Depth-o-matic System is available for these Massey Harris Tractors.

Funeral Rites for W. E. Brown Held In Dallas Tuesday

Funeral services were held in Dallas Tuesday at 10 a. m. for William Edward Brown, 69, son of Mrs. S. A. Brown of Haskell, and brother of Richard Brown and Mrs. Alfred Turnbow and Mrs. Verdie Wilson of this city.

Rev. J. Calvin Dennis of the Trinity Heights First Baptist Church, Dallas, officiated for the service. Burial was in Laurel Land Memorial Park in that city.

Mr. Brown, a native of Chickasha, Miss., died in a Dallas hospital Sunday. He had been an employee of the Galtberson Aircraft Corporation for the past 7 years, and had lived in Dallas 31 years. He was a Baptist and formerly was a member of the Woodmen of the World.

Survivors include his wife, Mrs. Gracie Brown; two sons, Clarence and Wallace Brown of Dallas; four daughters, Mrs. L. L. Brown of Dallas, Miss Cleo Brown of Houston, Mrs. Gerald Bauer of Nebraska and Mrs. Dorothy L. Baughn of Annapolis, Md.; his mother, Mrs. S. A. Brown of Haskell; eight grandchildren; two brothers, Richard Brown of Haskell and Henry Brown of Killeen; and three sisters, Mrs. Alfred Turnbow and Mrs. Verdie Wilson of Haskell; Mrs. Addie B. Thomas of California.

Joyce Beauchamp Named County's Gold Star Girl

Joyce Beauchamp, Haskell county Gold Star Girl for 1954, was presented the Gold Star Award during National 4-H club achievement week, Nov. 4-11. She received this award because she has done the most outstanding 4-H club work in Haskell county during the past year.

Joyce is 16 years old and has been a member of the O'Brien 4-H club since 1945. During this time she has been a cereal, garden, clothing and bedroom demonstrator. As well as having these fine established demonstrations, she has been a good leader in her club and school.

This award is one which any 4-H girl would be proud of, because it does go to an outstanding girl.

Research studies show that good eating habits tend to go downhill as school children grow older. With the onset of the teen years and continuing through high school, food habits decline still further.

For the Preservation of Our Homes

We, the homemakers of America, numbering more than 50 million, working together, can be the greatest single unit of influence in a world fighting for lasting peace. Let us work together and thus impel the peoples of other countries to awaken to the realization that freedom and democracy as it is known and practiced in America . . . as it must be known and practiced in other lands . . . begins in the home, depends on the home, and is successful because of the principles on which our homes are founded.

The eyes of the world are turned our way searchingly. As guardians of our homes we must, we will, give our best so that they, the people of other lands, may understand more clearly the profound but simple truth . . . that America, the greatest and strongest nation on earth, is free and strong because of the greatness and strength of the women who organize and manage its homes.

Fifty million women can not be defeated. With divine help, whatever lies in our hands can be done . . . with firmness, and without doubt.

B. H. Connally Is Appointed Rotan Chief of Police

B. H. Connally, former member of the Stamford police department for a number of years, and brother of O. U. Connally and Mrs. J. M. Waggoner of this city, is Rotan's new chief of police.

Connally, a former Jones county deputy sheriff before he became associated with the Stamford police department, succeeds former Rotan Chief O. B. Williams, who retired Nov. 15.

The former Stamford officer assumed his duties in Rotan Thursday and Mrs. Connally will join him there as soon as living quarters can be secured.

Sagerton Lutherans Install New Pastor Sunday Morning

Rev. Otto Kenneth Uelke was installed Sunday as pastor of St. Paul's Lutheran Church at Sagerton. Installation was conducted by the Rev. C. N. Roth, president of the Texas district American Lutheran church. A basket dinner at the church followed the morning service.

The Rev. Uelke has been in the ministry 16 years, three of them spent as chaplain with the armed forces in the South Pacific. Mrs. Uelke is the daughter of the Rev. Rudolph Lentz of Fredericksburg. The family includes a 13-year-old son. They are moving to Sagerton from W. Beach, Neb.

Gross Receipts \$376 In Haskell-Munday Football Game

Gross receipts for the Indians-Moguls game played at Indian Field Thursday night amounted to \$376.40 from the sale of 456 adult and 86 student general admission tickets, the financial statement covering the game shows.

Gross tax on general admission ticket sales amounted to \$60.74, and expense for officials was \$66.00, leaving a total net income of \$249.66. This was divided equally between Haskell and Munday, the athletic fund of each school receiving \$124.83.

In addition, Haskell received net income of \$52.16 from the sale of reserve seat tickets, for a grand total of \$176.99 for the HHS athletic fund.

Stamford Co-Op Gin Destroyed By Fire

The Farmers Co-Operative Gin in Stamford was destroyed by fire of undetermined origin on Thursday night of last week, with a loss estimated at more than \$60,000.

The gin had halted operations at 5 p. m. The blaze was discovered in the middle of the building at 10:30 p. m. after it had made considerable headway. Firefighters, encountering a strong north wind, fought the blaze until 3:30 a. m. Friday.

The wood and galvanized iron structure was built in 1914 and had been operated by the co-op for the last seven years.

J. C. Compton, manager, said the gin will be rebuilt if materials can be obtained. The loss was partially covered by insurance.

Mr. and Mrs. B. Kupatt returned

A new grille, "spinner," bumpers and bumper support splash shield highlight the principal front end changes of Studebaker's 1951 passenger cars. Changes at the rear are centered around the re-designed tail lamps which provide much greater rearward and lateral lighting, and the trunk deck handles enclosing lock, lid release and license plate lamp. Studebaker's new State Commander Starlight Coupe is shown in the photo above.

last week from a visit in Atwater, Calif. with their daughter, Mrs. Orville Elmore and granddaughter, Donna. Mrs. Elmore's husband, Capt. Elmore, is in England with the 93 Bomb group. While in California the Kupatts visited Mr. and Mrs. Price Martin in Napa, formerly of Sagerton and Mr. and Mrs. Eldon Burow. They also toured San Francisco and other places of interest. They made the round trip by plane.

1951 Studebaker Passenger Cars Being Shown

Studebaker's 1951 passenger car models, paced by a new Commander series powered by a rugged, compact, new V-8 engine, are now being displayed by Lanier-Mobley Motor Co., local Studebaker dealer.

"The new engine for our Commanders has been designed not only to prepare for any foreseeable boosts in compression ratios, but to utilize the most modern machinery and manufacturing techniques in producing it," says R. W. (Bob) Mobley. "Rated horsepower of the new engine is 120 at 4000 r.p.m. while taxable horsepower is 36.4. Compression ratio as released is 7 to 1."

"Although the new engine has 17.6 per cent more than the 6 cylinder engine formerly used, tests completed by company engineering definitely show that the 1951 Commander will maintain the outstanding reputation for fuel economy established by preceding Commander models. More over, the use of premium gasoline will not be required."

The new power plant for the Commander model is but one of an impressive list of changes in the new 1951 Studebaker.

The Stegemoeller grocery was closed Monday, Nov. 13, in order that a new floor of asphalt tile could be installed.

Mr. and Mrs. Frank Boedeker visited Mr. and Mrs. F. A. Stegemoeller Sunday afternoon.

State Health Department Urges Treating Of Municipal Water Supplies

The Texas State Department of Health has undertaken a program to promote the fluoridization of municipal water supplies wherever necessary, according to Dr. Geo. W. Cox, State Health Officer.

It has been proved that where drinking water contains 1.0 to 1.5 parts per million of sodium fluoride that less dental decay occurs, especially among those that have used the water since birth. Excessive amounts of fluorine causes mottling of the enamel.

The city water supply at Marshall has been treated for four and one half years. This has resulted in a reduction of 47 per cent in the decay rate among the age group 6 and 7 years. The younger groups receive the earliest benefits from such a program but all ages have shown some improvement. Other cities adopting fluoridization of their water supplies are Austin and Corpus Christi, Fort Worth, Iowa Park and Breckenridge and some forty other Texas cities are seriously considering the measure.

The Texas Junior Commerce in cooperation with the State Health Department has this program its main objective for this year is of tooth decay.
