Indians Go To Throckmorton Friday For Conference Game

Following an open date last week, the Haskell Indians will do battle gear Friday for an invasion of Throckmorton, where they meet the Greyhounds on home grounds in a Dist. 8-A conference game. The game will start at 7:30 sharp, 30 minutes earlier than previous games.

The Indians, undefeated in conference play, will be facing formidable opponents in the Greyhounds who have a 3-1 record in the conference. District statistics show the 'Hounds have scored 78 points to 71 for their opponents in district play. The Indians have marked up 61 points against 14 for their opponents in two district clashes.

While Haskell was idle last week, Throckmorton duplicated the Indians 18-7 tally over Roscoe.

In the foray against Throckmorton, Coach Royce Smith's Indians will be minus the services of an ace tackle, 160-pound Oris Gibson, who suffered a bruised hip and will be out of play this week. Also, Don Denny, 152-pound Indian center, has an elbow injury that will likely prevent him seeing much service against Throckmorton.

The Greyhounds are one of the biggest obstacles on the Indian route to another district title, with the Tribe and Albany Lions tied for the top spot in 8-A, both with undefeated conference records.

A large caravan of Indian supporters and fans will accompany the Tribe to Throckmorton for important game.

Funeral Rites For Miss Lydia Tonn Held Here Today

Funeral services for Miss Lydia Tonn, member of an early-day Haskell County family, were held at the First Methodist Church at 4:30 p. m. today. The Rev. J. E. Thompson, pastor, officiated, and burial was in Willow Cemetery under the direction of Holden Funeral Home.

Miss Tonn died at 8:35 a. m. Wednesday in a Fort Worth hospital after a two-month illness.

She was born Oct. 8, 1900, at Gay Hill, Washington County, daughter of the late Mr. and Mrs. A. Tonn. The family moved from Gay Hill in 1902 to Sagerton in this county.

The town had been named Sager in 1901 after the late W. M. Sager. In December, 1903, the town's name was changed to Sagerton, with the suffix in honor of Miss Tonn's father. The Tonn family moved to Haskell in 1914.

Miss Tonn moved from Haskell to Fort Worth in 1944, where she worked for Consolidated Aircraft for two years, and for Monnig's department store for the past seven years.

She was a member of the First Methodist Church in this city, the Business and Professional Women's Club of Fort Worth, and Delta Rho-Delta sorority.

Survivors are one brother, Gene Tonn, of Haskell; two sisters, Mrs. Ned Hendrix of Houston and Mrs. Karl McGregor of Abilene; and several nieces and nephews.

Amateur Boxing Program Attracts Large Crowd Fans

An amateur boxing meet, first event on the week's Cotton Festival program, attracted a near capacity crowd of fans Monday night at Fair Park Arena.

Eight bouts were staged, sponsored jointly by the Haskell Fire Department and Saddle Tramps riding club. Lon McMillin, former State Golden Gloves titleholder, officiated as matchmaker. Other details were handled by a committee of firemen composed of Jim Byrd, Marion Reeves and Walter Gresham.

Results in the eight bouts Monday night:

Jimmy Brock, 90, and Joe Rodriguez, 87, both of Haskell, draw. Gene Mapes, 130, Madisonville, defeated Byron Smith, 146, Haskell.

Manuel Rodriguez, 140, of Munday defeated C. Simon, 137, of Knox City.

Leroy Brown, 142, San Antonio, defeated Willie C. Jones, 132, Temple.

Don Pennington, 85, Haskell, defeated Dewayne Carter, 95, Haskell.

Sammie Miller, 89, Haskell, took a TKO over Butch Cox, 83, Haskell.

In his second bout of the evening, Manuel Rodriguez defeated Earl Sheppard, 140, Haskell.

In the feature bout of the evening, Simon Chavez, 129, Munday, defeated Don Shaver, 127, Wichita Falls.

The Fire Department has announced that a program of weekly bouts will be staged during the fall and winter months. Date for the next meet will be announced soon, committee in charge of the event said.

Haskell Indians 'B' Team Meets Seymour Here Tonight

Haskell Indians "B" team will meet Seymour "B" squad here tonight in a regular scheduled game on Indian Field.

Game time has been set at 7:00 o'clock sharp, in order to permit fans to see the contest and still have time to attend the "Cotton Queen" fete at the Texas Theatre tonight.

The Junior Hi squad will travel to Albany this afternoon for a night game there against Albany Junior Hi.

COTTON QUEEN CANDIDATE—Nancy McFarlin, HHS Junior and daughter of Mr. and Mrs. J. W. McFarlin, is sponsor for Kennedy Lumber Company, in the contest for Cotton Queen, scheduled tonight in the Texas Theatre. The popular high school student is a member of the Indian Band and is on the staff of The Chieftain, HHS annual.

Legion Post Will Sponsor "Poppy Sale" Saturday

Sponsored by the Rogers-Cox American Legion post, "Poppy Day" will be observed in Haskell Saturday, when the Blue Birds group of Camp Fire Girls and members of the HHS senior class will sell poppies on downtown streets throughout the business section.

The poppies, indelibly linked with Flanders Field of World War I are a memento to the glorious achievements of American fighting men who made the supreme sacrifice in all wars.

The miniature paper flowers to be sold in Haskell were made by hospitalized veterans in Texas hospitals, and major proceeds from the sales go to these veterans.

"We would like to make this the biggest Poppy Day in the town's history," J. W. McFarlin, commander of the local Legion post, said.

Paul Quinn Tigers, Langston Lions Meet Saturday In Colored Classic

Football fans of this area will have the opportunity Saturday night of seeing two of the South-west's leading colored college teams in action in the third annual Texas-Oklahoma Classic which pits Paul Quinn College of Waco and Langston University of Coyle, Okla., as opponents on Indian Field.

The annual classic has attracted widespread interest, and advance ticket sales indicate the stadium will be jammed for the Halloween grid contest, members of the Quarterback Club, sponsors of the game, said today.

As long as the supply of reserve seats is available, they may be purchased at the Chamber of Commerce office, or at downtown booths Saturday, it was announced.

One entire section of seats has been reserved for colored fans, and tickets in this section may be secured from Albert Sharpe at Cook's Barber Shop until 6 p. m. Saturday. They will be available at the stadium gate after that hour.

The game will be a regularly scheduled conference contest between the two colleges. Indicative of the type football in store for fans is the fact that Paul Quinn Tigers last Saturday defeated Mississippi Polytechnic College to gain No. 5 slot in Texas football ratings.

The Langston line average 191 pounds compared to 190 for the Quinn Tigers, and in the backfield the Lions average 164 to 180 pounds for the Tiger aggregation.

Music and entertainment features during the game and at half-time will be provided by "Widemouth" Brown and His Orchestra of Houston, assuring spectators of ample entertainment on and off the gridiron during every minute of the game.

Officials for the game, all colored, will be E. J. Washington of Tyler, referee; M. C. Kirk, Fort Worth, umpire; C. G. Mabry, Houston, head linesman; Robert Fields, San Antonio, field judge.

Week-End Rains Bring More Than Four Inches Moisture To Area

Soaking downpours which brought more than four inches of moisture generally over Haskell County during the week end, halted temporarily the harvesting of feed and cotton crops, caused some damage to cotton and resulted in slight loss to matured grain sorghums being harvested.

Despite the harvest hold-up and resultant damage to cotton in some sections, the soaking rains were welcomed, bringing a good fall season for small grains and winter pastures. Most farmers declared the benefits would far outweigh any loss sustained on cotton and grain sorghums.

The moisture will be highly beneficial to the hundreds of acres of winter wheat and small grain crops which are up to a good stand. And the soil will be in fine condition for seeding additional grain.

First hard downpour came late Thursday, when 1.80 inches was measured, with continuing showers bringing total precipitation to 2.12 inches Friday. Thursday's hard rain was accompanied by high winds which damaged cotton in some sections of the county.

Large Turn-Out of Voters Expected In County Jail Bond Election Saturday

Vote Your Opinion In The Bond Election

An expression from Haskell County voters on the proposed issuance of \$80,000 bonds for replacing the present, 43-year old county jail with a modern new structure, is due Saturday, and every qualified voter should register his opinion on the proposition.

The Commissioners Court has endeavored to present all pertinent facts concerning the proposal before the people through the columns of all county newspapers. The Court has explained fully and in detail the need for an adequate new jail and the method by which the bond issue can be financed without any added cost to the taxpayers.

So far as is known to this newspaper, there has been no organized effort either for or against the proposal since the election was ordered. The matter rests squarely with the voters.

For that reason it becomes not only the privilege but the duty of every qualified voter in Haskell County to register an opinion with their ballot Saturday.

B. F. Vance, Former PMA State Director, Addresses Farm Group Here Tuesday

B. F. Vance, former State PMA director, discussed the need for a strong price support program for farm products in a talk to a small but attentive gathering of farmers Tuesday night in the district courtroom.

Also addressing the group was Richard Alexander of Paducah, field representative for the Farmers Union, who outlined the farm program advocated by his organization. Several present indicated a desire to form a local unit at an early date.

Mr. Vance, pointing out that net farm income now was lower than at any time in the past 11 years, spoke out against the flexible price support program that will go into effect at the beginning of 1955 unless the present farm law is changed by Congress.

He explained that under the present cotton price support price of 90 per cent of parity, the net farm income now was bringing 31 cents a pound. Under the flexible price support, which will become law in 1955, the price would be approximately 25.75 cents, he said.

Vance declared he thought farmers were entitled to 100 per cent parity, and cited figures to show that the Federal government had made money on the price support program on six basic commodities. Cotton alone, he said, netted the government a profit exceeding 150 million dollars.

Opponents of the farm program, he said, place the label of "subsidy" on any legislation helping agriculture. But they overlook many "indirect subsidies" to big business, he declared, mentioning particularly the air lines along with big daily newspapers and national magazines handled by the post office department at a loss of millions of dollars yearly.

Taking note of the current criticism being leveled at Secretary of Agriculture Benson, Vance slipped into a humorous vein and told that the Secretary had asked him to resign "because my views did not coincide with the present administration." He said he had thought of sending Secretary Benson a telegram suggesting he follow the same rule because evidently "his policies are not pleasing the farmers."

In closing, he declared that farmers should make every effort possible to retain the present farm program.

Funeral Rites Held Wednesday For Mrs. E. O. Chapman

Mrs. E. O. Chapman, who with her husband and family had lived in Haskell County for the past 40 years, died at 12:05 a. m. in the Haskell Hospital. She had been in failing health for about one year.

Funeral service for Mrs. Chapman was held at the Roberts Baptist Church northeast of Haskell, Wednesday at 3 p. m., with the Rev. Max Copeland in charge and the Rev. J. L. Felts of Abilene officiating. Mrs. Chapman had been a member of the Baptist Church in the Roberts community for many years.

Burial was in the Roberts Cemetery under direction of Holden Funeral Home. Her grandsons and nephews served as active pallbearers.

She was born Beulah Frances Silvers July 1, 1883, in Bell County, the daughter of the late Mr. and Mrs. W. M. Silvers. She was married to E. O. Chapman August 22, 1901, and they lived in Bell County until moving to this section in 1907, settling in the Roberts community as one of the first farm families in that area.

Mrs. Chapman is survived by her husband, of Haskell; five sons, Hallie and Jack Chapman of Haskell, Clifton Chapman of Orchard, Texas; Willie Chapman of Talcott, Calif.; a daughter, Mrs. Jake Atchison of Haskell; two sisters, Mrs. W. E. Welsh and Mrs. Roy Weaver of Haskell; and a brother, Joe Silvers of Little River, Texas. One daughter preceded her in death.

Also surviving are 12 grandchildren and eight great-grandchildren.

New School Bus To Be Brought From Ft. Worth Today

Supt. C. D. Allen and Barney Swinson, one of the bus drivers for the Haskell school system, are in Fort Worth today where they will receive a new school bus purchased recently.

The new bus, a 48-passenger GMC unit, has a Wayne body and embodies the latest development in school bus construction. It was purchased by the local district through the State Board of Control, which supervises all purchases of this nature for all public schools in the state.

Addition of the new unit will give Haskell Schools six modern buses, Supt. Allen said.

Art Contest For School Students Gains Interest

Considerable interest is being taken by Haskell grade school students in the art contest being sponsored by the Progressive Study Club in connection with the observance of American Art Week Nov. 2-8.

Committee in charge of the contest reported today that several entries had been received, and many other students are working on their entries.

The contest is open to all students in local schools from grade 1 through grade 8. Competition will be in two groups, as follows:

First Division — Grade 1 through 4.

Second Division — Grade 5 through 8.

Awards in each division will be: First prize \$3.00; second prize, \$2.00; third prize, \$1.00.

Pictures must be original. No copy work will be accepted. Pictures must be matted with at least a 3 inch margin at top and sides, and four inch margin at bottom. Any medium will be accepted, such as crayola, watercolor, oils, pencil, ink, charcoal and finger painting.

Pictures must be ready by November 2 at 1 p. m. The Art committee, composed of Mrs. W. O. Holden, Mrs. O. J. Curry, Mrs. Raymond Davis, Mrs. F. W. Martin and Mrs. Eugene Frierson, will act as judges for the contest. The winners will be announced and the winning pictures will be placed in downtown store windows to remain there during Art Week. Awards will be made at the American Art Week program of the Progressive Study Club, November 5, at which time the winners and their mothers will be special guests.

Wheatley's Store Now In Modern New Quarters

Wheatley's Store on the north side of the square has completed work of moving fixtures and stocks to a new location one door east of their old site, and now occupy the recently remodelled building formerly occupied by Gholson Grocery.

The new location provides additional needed room for the store, and permits better arrangement and display of their large merchandise stocks. New fixtures have been installed where needed, making the popular store one of the most modern in this section.

Lions To Conduct Sales Campaign This Evening

Members of the Lions Club will work in groups in a one-hour selling campaign this evening from 6 to 7 p. m., when they will canvass the town offering for sale brooms, floor mats and ironing board covers made by the blind.

The articles to be offered for sale are made in the eight "Light-houses" for the Blind operated in Texas. A small per cent derived from the sales will go into the treasury of the Lions Club but the greater share will be sent to the blind where it will continue to work for their upkeep.

Tonight's selling campaign was outlined at the regular meeting of the Lions Club Tuesday at noon.

John Barry was in charge of the program for the meeting, and he conducted an interesting quiz of geographical questions and queries on general subjects.

Haskell County History

20 Years Ago—Nov. 2, 1913

J. Horace Bass, formerly superintendent of Haskell Public Schools, has been elected superintendent of the Munday Schools for the current term.

A meeting of Haskell farmers has been called for Nov. 8 in Haskell, at which time the proposition of organizing a Production Credit Association will be studied.

A petition signed by 458 qualified voters was presented to the Commissioners Court Monday, asking that a special election be held in the city limits of Haskell Nov. 10 for the purpose of determining whether beer can be sold in Haskell. The petition was granted, with three Commissioners voting for, and one against holding the election.

Hannah & Hall of Waco were the low bidders on the grade and drainage structures on Highway 120 between Haskell and Rule, when the bids were opened by the Highway Department in Austin Monday morning. The bid was \$26,274 and covers practically 10 miles of road bed. Work is expected to begin in 30 or 60 days.

The following story concerning Bill Kimbrough's performance on the A&M football team appeared in the newspaper, published by the University of Texas. It was mailed to The Free Press by Floyd Taylor, a Haskell boy who is attending U. of T. "One of the reasons why 'Frenchy' Domingue, Aggie backfield ace is leading the Southwest Conference in scoring is that he has one of the best blockers in the conference with him in the backfield—Bill Kimbrough. A former triple-threat high school player at Haskell, Kimbrough has been used so far this year by Matty Bell, Aggie coach, to run interference for Domingue and Fowler. A big factor in the Aggie's win over Tulane was the interception of several Tulane passes by Kimbrough. It seems that Bill is to become to

J. F. Pinkerton, who operates a large farm west of town, sold a list of 23 bales of cotton this week at 30 cents per pound. The cotton was purchased by J. T. Wilson, local buyer.

Henry Johnson and wife of Ft. Worth visited relatives a n d friends here this week.

W. D. Arden of Ennis is here looking after his real estate interests this week.

L. T. (Early) Green was seriously injured Thursday afternoon when a Ford car he was driving was struck by an Orient train at a crossing four miles north of Rule. The car was reported completely demolished and Mr. Green was dragged in the wreckage for a distance of 100 yards before the train could be brought to a stop.

Rainfall during October amounting to 9.49 inches was the heaviest received here in 30 years, according to Judge P. D. Sanders, official observer for the Government. October rainfall last year amounted to 3.48 inches, and nearest approach to this year's record was in October, 1913, when 6.57 inches was recorded.

Dr. Atticus Webb, superintendent of the Anti-Saloon League of Texas, will speak at a mass meeting at the First Methodist Church Sunday afternoon, Nov. 4.

Rev. L. Swindle, pastor of the First Christian Church in this city, has resigned his pastorate and left Wednesday night for Los Angeles, Calif., to spend the winter with his family there. He plans to enter the evangelistic field.

Messrs. Dunlap and Clark of the State Water Board, and Dr. J. A. Udden, State Geologist, were here early this week looking over the proposed irrigation project on the Brazos River in the west part of the county. They had planned to make a survey of the area, but due to recent heavy rains, the survey will be postponed until a later date, possibly next spring.

50 Years Ago—Oct. 31, 1903

W. H. Gentry of Abilene arrived here Monday and took the position of engineer for Ernest & Sanders Gin, in place of Lon Linsey who has resigned.

Martin & Wilson, attorneys and abstractors, have just received a new 15-inch typewriter, suitable for abstract and tabular work.

J. M. Morgan of Harmsillo, Mexico, is here this week visiting old friends and looking after business interests.

A. P. McLemore left Monday

for Abilene, where he takes a responsible position with Bass Bros. Co., one of that city's leading drug firms.

A pretty good acreage of wheat is being put in by our farmers, and the good autumn Wednesday night will help it along nicely.

On Sunday morning a livery team from Mr. Odell's stable made things lively for a few minutes by a dash through town with an empty buggy. They broke loose at Mrs. English's residence on the west side and made their run from there to the stable. They grazed a telephone pole in front of Williams & Whitaker's store and ran into and upset a hack in front of the Odell stable, where they came to a stop. The hack was considerably damaged and the horses were somewhat bruised.

Public Weigher W. T. Jones had weighed 1915 bales of cotton up to Friday afternoon. Yesterday's run was 120 bales.

B. E. Karr of the Marcy neighborhood called in yesterday and put his time ahead for The Free Press and the Dallas News. Mr. Karr said he slipped a cog and didn't get much work done last week, but the week before he picked 1603 pounds of cotton and hauled four bales seven miles to the gin at Marcy, through the sand beds, and hauled the seed back home. Mr. Karr modestly claims to be the sorriest worker in the Marcy neighborhood. As his cotton crop this year will pan out 25 or 30 bales, we are inclined to think he is a little too modest in his claims in regard to his working qualities.

Lt. Johnny Brewer Finishes Course At Ft. Benning

Second Lieut. Johnny P. Brewer, son of Raymond Brewer, Rt. 1, Haskell, recently completed a 15-weeks Infantry Company Officer course at Fort Benning, Ga.

A former student in Texas Tech, he entered Army service in March of this year and was assigned to the Officers School in June, 1953, while stationed at Camp Chaffee, Ark.

The 15-week course at Fort Benning is designed to produce company grade officers well-grounded in the basic fundamentals and techniques of all infantry units with emphasis on the development of capable company commanders.

Runs, Good Rains, Reflected In Livestock Prices at Fort Worth

ED GOULDY
The belief that the cattle market was further enabled by the lighter runs of cattle around the major circle Monday.

coupled with rains from the Southwest, was giving a stirring rally in prices that wreathed the faces of cowmen with smiles all over the stockyards here.

Som spots were up considerably. As an example there were 113 small calves of 202 pounds at Fort Worth Monday shipped from the Kokernot Ranch at Alpine. These calves drew \$20. Mates to them a week ago sold at \$15.50 with a trim. While the general advance was not so pronounced as this case, it was typical of the way the stocker trade came to life on the heels of the rain.

Reports of rain from sections of the winter wheat grazing areas could be expected to revive speculative interest in cows, calves

and yearlings suitable for such pastures. Some open weather could bring up the green stuff in jig time.

While the runup in prices was most noteworthy on the cattle and calves, other species shared the better tone.

Hogs drew steady to 75c higher prices, small butchers and shippers setting a fast pace and buying most of the top hogs 50c to 75c above last week's close.

In the sheep barn, slaughter lambs and slaughter yearlings were strong 50c or more higher. Some spots were \$1 or more above the close of last week, the kind and conditions considered. Feeder lambs drew strong prices. Old ewes were strong to 50c up.

Good and choice slaughter steers and yearlings sold from \$17 to \$22, and common and medium kinds sold from \$10 to \$16, some shelly kinds below \$10. Fat cows drew \$9.50 to \$12 and canners and cutters sold from \$6 to \$9.50. Bulls sold from \$7 to \$13.

Good and choice fat calves sold from \$13 to \$17, with some outstanding fancy heavies of around 600 lbs. to \$18 to \$20. Common and medium slaughter calves drew \$9 to \$13, with culls at \$7 to \$8.

Good and choice stocker calves sold mostly from \$14 to \$18, with a few lightweights to \$20. Stocker cows drew \$7 to \$12.50. Stocker and feeder steers and yearlings sold from \$10 to \$16.

Good and choice butcher hogs sold at \$22 to \$22.25 on weights of 190 to 240 lbs. and other good hogs sold from \$20 to \$21.75. Sows cashed at \$19 to \$21.

Good and choice slaughter lambs cashed at \$15.50 to \$17, and good shorn lambs at \$16.50 down. Stocker and feeder lambs cashed at \$10 to \$13. Medium and lower grade lambs cashed at \$8 to \$15.

Old ewes sold from \$5 to \$5.75, some solid-mouthed ewes to \$6.50. Yearling muttons sold from \$10 to \$14, old wethers drew \$6 to \$8. Old bucks sold at \$2 to \$2.50.

While stockmen in general are jubilant over the rains and the improved market, we'll bet that none of them breathed a bigger sigh of relief than Secretary of Agriculture Benson.

The pressure has been building up on him hour by hour and the Cattlemen's Union, by the Farmer's Union, was a climax that was highly unpleasant for Benson.

Some observers feel that Benson will either have to back down from his previous opposition to high supports or resign in short order. Some Washington observers feel like his tenure of office has only a matter of weeks to run.

However, personal friends say that Benson is not the type to become dismayed and quit under fire. Certainly right now he is getting the test of a lifetime.

The "stacked up" chores about the farmstead should get attention while the weather is favorable for making the necessary repairs and doing outside work. Winterizing the farm is one job that can't very well be put-off without losses.

Rochester News

By MRS. JAMES A. GREER

The Womens Literary Club of Rochester met in regular meeting Thursday afternoon of last week at the home of Mrs. Vestus Alvis.

After a business session conducted by the president Mrs. Joe Ed Parsons, Mrs. Alvis read the names of the charter members of the club. Mrs. L. M. Kay told the history of the club. Mrs. Hob Smith led a parliamentary drill. Members present were Mmes. E. M. Kay, Stewart Burson, R. A. Shaver, Jr., Knott Ballard, Manfred Reid, Hob Smith, T. R. O. Gauntt, Joe Ed Parsons and the hostess, Mrs. Alvis.

Mr. and Mrs. George Mullino of Lubbock spent the week end here with homefolks and looked after his farm interests here.

Dan Smith, Baylor University student, Waco, spent the week end with his parents, Mr. and Mrs. Hob Smith.

Mrs. W. H. Carothers spent several days last week with her father, Dr. L. F. Taylor in Haskell while Miss Maybelle Taylor who lives with her father, attended the State Baptist Convention in San Antonio.

Supt. Robert R. King was in Austin on business several days last week.

Mrs. Howard Sloan, who was hospitalized at the Haskell Hospital several days last week is at

home and doing nicely.

Rochester friends will be glad to learn that little Andy Hale, son of Mr. and Mrs. Sammy Hale of Floydada who has been in a Lubbock hospital 14 days after being stricken with spinal meningitis about 3 weeks ago has been taken home and is recovering satisfactorily from his illness. Mrs. Hale, is the former Emma Jean Walton of Rochester.

Mrs. Ella Mosley spent last Thursday at Peacock with her sister.

Jimmy, the 10-year-old son of Mr. and Mrs. Buck Hawley of Rochester who was struck by an auto driven by a Negro a week ago is reported to be doing nicely in the Knox City Hospital. Jimmy was badly injured, both his legs were broken and he will have to be hospitalized at least 3 more weeks.

Mac, Rea Clark and J. T. Segos, students in ACC, Abilene, spent the week end here with homefolks.

Mr. and Mrs. Leon Savage and little daughter, Lynette, of San Angelo, and Mr. and Mrs. H. C. Duval of Sweetwater visited Mr. and Mrs. John Wheeler Lee recently. Mmes. Savage and Duval are daughters of Mr. and Mrs. Lee.

Dan Michaels of Walsh, Colo., spent Monday and Tuesday of last week with his parents, Mr. and Mrs. A. B. Michaels.

H. A. Gauntt is visiting his mother, Mrs. A. A. Gauntt.

Bill White visited his son and wife, Mr. and Mrs. Richard White last week end.

Mr. and Mrs. Claude DeBusk of Mineral Wells are visiting their daughter, Mrs. Jack Underwood and family.

Jackson Williams, student at Texas Tech, Lubbock, spent the week end here with homefolks.

Mr. and Mrs. Jim Beauchamp and Mrs. M. M. Clark left Saturday for California. Mrs. Clark is visiting her daughter, Mrs. Della Lane and family there.

Mr. and Mrs. Jim Tye of Kermit visited their uncle and aunt, Mr. and Mrs. W. E. Watkins here Saturday.

Mr. and Mrs. W. R. Hester of Carlsbad, N. M. are visiting their daughter and family, Mr. and Mrs. L. S. Wreyford.

Miss Myrtle Russell of Abilene visited in the home of her brother, Mr. and Mrs. Paul Russell last week.

Mr. and Mrs. H. C. Sanderson and children visited with his brother, Eldon Sanderson and family last week end.

Mr. and Mrs. Kenneth Russell of Camp Chaffee, Ark., visited with his parents, Mr. and Mrs. Paul Russell and other relatives last week end.

Mrs. Alton Wreyford and children of Panama are here visiting in the home of Mr. and Mrs. L. S. Wreyford and other relatives. Her husband Capt. Wreyford is stationed in the Panama Canal Zone with the U. S. Air Forces.

First Lt. Donald Wreyford, son of Mr. and Mrs. L. S. Wreyford of Rochester, has received his discharge from the U. S. Air Force. Lt. Wreyford who has been stationed at Shreveport, La., has moved to Corpus Christi where the family will make their home.

Petty Officer, Billy Berryhill, son of Mr. and Mrs. Everett Berryhill, of Rochester, came in last week to spend a 30 day leave with homefolks.

W. H. (Bill) Carothers, mana-

ger of Brazelton Lumber Co. of Rochester for the past 28 years has resigned his position with the company effective Oct. 15. Mr. Carothers resigned in order to devote his time to other business interests.

Alton Byrd of Stamford will be the new manager of the lumberyard and will move his family here as soon as he can find a house.

Mrs. A. J. Waters and son, Frank Waters who have been living in Rochester for about 3 years have moved to Nocona where they will make their home.

Mr. and Mrs. Lynn Knouse and John Paul of Abilene spent Sunday with her parents, Mr. and Mrs. James A. Greer. The Greers returned home with them to visit this week.

The Senior Class of Rochester High School will sponsor a Halloween Carnival at the high school auditorium Saturday night, Oct. 31.

AMERICA FIRE INSURANCE POLICY

If your house burns down—

If your home should burn, it is still going to cost you a lot more than you probably think it will to rebuild it or buy a new house.

Don't keep thinking about what your house cost you in the first place, maybe years ago. Building costs and home values have risen greatly in recent years. Think: how much would it cost me to duplicate it tomorrow?

If you are like the average home owner, you are still probably way under-insured and should talk to us mighty soon (maybe this minute) about increasing the amount of your fire insurance coverage.

Haskell Woman, Visiting In Venice Tells Traffic Cops Directing Canal Traffic

The cops who direct gondola traffic on the canals of Venice were among the interesting sights noted by Lt. Col. and Mrs. R. Barricklow who returned that city and other parts of interest in Switzerland. Barricklow is the former daughter of the late Mr. J. B. Smith.

Barricklow is stationed with S. Army forces in Germany. The letter from Mrs. Barricklow to her parents telling of her trip in part:

Mother and Daddy: Every day since we returned from Venice I have tried to find time to write you a letter but something or other is always interrupting. We had a wonderful trip, pretty weather except for one day of rain. We left here on Friday, 2nd and drove to St. Moritz, Switzerland, had lunch there at the famous hotel where Rita Hayworth and Ali Khan spent their honeymoon. Such a beautiful place and then down the highest mountain I have ever seen to Lake Como. Honestly the road was almost straight down for ten miles or more, just one hairpin turn after another. We drove along the shore of Lake Como for about 25 miles and spent the night at a hotel in Lecco, Italy which is right on the end of the lake. The next day in to Milan, didn't spend too much time there, only long enough to see La Scala Opera House and the wonderful church and then on to Venice. When you arrive on the outskirts of Venice you have to leave your car. They have a seven story parking garage. Then you take a gondola to your hotel.

We had reservations at the Hotel Regina, a wonderful place right on the grand canal. There isn't a street in the whole city, just canals. They had traffic lights at all intersections just like for cars and at the main intersections they have traffic cops that sit up high in a little cage to control the traffic and believe me there is plenty of traffic, too. Streetcar boats, taxis, gondolas, and private boats. Of course, the gondolas are wonderful but when you are in a hurry or going a long way you must take a taxi which is a motor boat. We took a motor boat to an island to watch the glass blowers making the wonderful Venetian glass. Fascinating, and the glass is beautiful but too expensive for 'Army folks' to buy. We all bought an ash tray each and that was all we could afford but wanted something for a souvenir. On the way to the glass factory we passed by their cemetery, which is another island off the mainland and on the way back we passed a funeral procession, all black and gold gondolas, very ornate. Every one is cremated there because they haven't room to bury in graves like we have. The first gondola carries the ashes in a huge gold vase and the others are covered in flowers. I made some pictures and do hope that they turn out good. Everything in Italy is very expensive, in fact we paid over \$13 for a tank of gas. But all in all it was a wonderful trip and I can hardly wait until next

Pvt. Robert Brock To Attend Field Wireman School

Camp Chaffee, Ark., Oct. 4—Pvt. Robert W. Brock, son of Mr. and Mrs. Robert L. Brock, has been selected to attend the 6th Armored Division's Field Wireman School.

During the eight-week course, Brock will be trained in the installation and maintenance of military field wire communications systems and the operation of field telephone switchboards. Part of the course will be devoted to practical work in pole climbing techniques and in laying communication wires under simulated combat conditions.

New Variety Of Wheat Developed For This Area

At long last a high yielding, heavy test weight of good quality variety of wheat will be available to Texas and Oklahoma wheat farmers in the near future, according to County Agent F. W. Martin.

Concho, a wheat developed from crossing Comanche, Hard Federation and Blackhull, has recently been named and is being increased for distribution to farmers in Oklahoma and Texas. The variety has gone through several years of testing and has proven to be a good wheat for Texas and Oklahoma farmers. The Concho variety appears to have wide adaptation having given very satisfactory yields in most all variety tests in Texas and Oklahoma. Milling and baking data in the several years of testing have been comparable to our recognized good quality varieties.

It is anticipated that Concho will be a big boost to the production of high quality wheat throughout the main wheat areas of Texas.

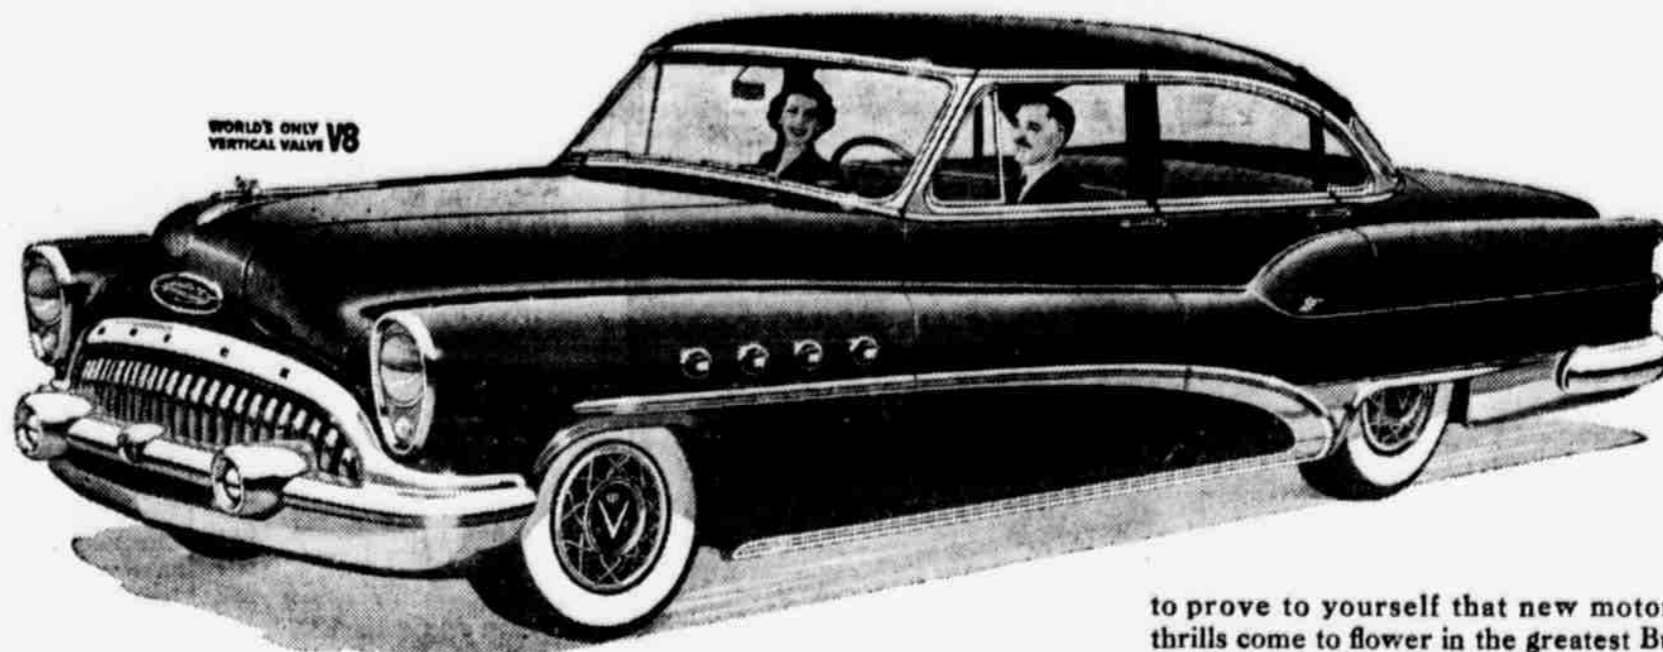

Increase of the new variety Concho is being made by the Oklahoma and Texas Agricultural Stations. The early breeding work of the variety was done at the Oklahoma Station.

In addition to Concho, several new wheats are close to release by the Texas Station that have outstanding performance records in yield and quality.

The future for good quality wheat production in Texas is now assured, Martin says.

Naomi Bible Class Halloween Party Held Oct. 20

On the evening of Oct. 20 at 7:30, the Annex of the First Baptist Church was a scene of unusual activity. Dim lights came through covered windows and tiny cracks of the door that had not been closed completely.

Skeletons, ghosts and other weird spirits from another world glared from dark corners.

A most gracious hostess, with a ghastly gray complexion and buck teeth, dressed in a long white robe, greeted each charming guest with an icy handshake as they arrived in groups of two and three.

Ghosts, goblins, witches, gypsy fortune tellers and many other inhabitants of the spirit world were among those present.

They were shown into the "chamber of horrors," where moans, screams and a great rattling of chains could be heard, with now and then a shriek of laughter, as some unsuspecting guest started assembling the disseminated cut!

After this experience the guests entered the Witch Race.

The gypsy fortune teller was kept busy reading palms and predicting dire calamities to every individual.

Everyone entered the Grand Parade where the most fascinating personality was selected. Mrs. Roy Oliphant was the winner.

Then came the game of guessing who was who and the unmasking when each guest was recognized.

What was it all about? Just that, Naomi Bible Class having their Halloween Party.

After a short business session a lovely refreshment plate was served by the hostesses, Mrs. Cass, Mrs. W. C. Collins, May Cothron and B. Cothron, to Mesdames Elizabeth Whately, Edna Brown, Roy Oliphant, B. Cothron, Frank McCurley, Virgil Brown, Jim Tyler, Edd Cass, Troy Ash, Clau Ashley, Tom Holland, Walter Rogers and Arthur Edwards.

Rain, Sixty-Four 4-H Club Girls Rally Day Here Saturday

A rainy day and a sixty-four Haskell Club girls met Saturday for Rally Day. They went to the park to go to the park for the planned program.

show with 41 items. The girls started the home demonstration served as judges. Baked products had the group met in where they sang Charles Heatherly, Ruth, Nelva Walton, Dickinson and Ives was divided into two

groups and sent to various places in the court house to play games. These games were led by Junior 4-H leaders from the various clubs in the county.

At noon the girls returned to the court room where they ate lunch.

After lunch Ives June Casey, from the Rule 4-H Club, gave a demonstration on Cheese Sauce. She served this sauce on toast with a salad and milk drink.

Ribbons and score cards were given for the bake show winners. The bake products had been eaten at noon.

Miss Thelma Wirges, home demonstration agent, gave a Cheese Spread demonstration and served it in a sandwich as an after-school snack. Both of these demonstrations were planned because the 4-H club girls are working on dairy foods this year. They are having demonstrations in the individual 4-H clubs using milk, cheese and butter in various dairy food recipes. The object of the year's work is to try and provide a way for everyone to receive one quart of milk each day. This is the amount required according to the Texas Food Standard.

The awards for the past year's work were presented, ending the day's program. Those receiving awards in the various divisions were:

In the Dress Revue: Marlene Crawford, Rule; Ruby Morris, Rochester; Jean Griffith, Paint Creek; Ives June Casey, Rule; Patricia McWhorter, Rochester; Myrtle Murray, Rule; and Gayle Calloway, Paint Creek.

Polly Tipton from Paint Creek received the Achievement and Public Speaking Awards. Polly represented Haskell County in the District III Public Speaking Contest last spring.

As well as receiving a dress revue award, Ives June Casey from Rule received the county Leadership award.

Marlene Crawford from Rule received the county Food Preparation award. Marlene was a county, district and state winner in the Vegetable Demonstration Contest this year. She will attend the National Contest in Tulsa, Okla., in December.

Emilee Griffith from Paint Creek was awarded the county dairy food award. She was a county, district and state winner in the Dairy Food Demonstration Contest this year. Later in the year she will receive a wrist watch, as the state award from the Carnation Milk Company. The Gold Star award, which is

TEACHER OF THE WEEK

MRS. MILDRED BYRD

Selected as "Teacher of the Week" because of the exceptionally high standard of work done in the Haskell school system is Mrs. Mildred Byrd, English teacher in Junior High School.

Mrs. Byrd is a native of Tennessee, and a graduate of Rice Institute, where she received her B. A. degree, majoring in English. She did additional work at the University of Houston.

Her husband, J. A. Byrd, manager of Brazelton Lumber Co., also is a graduate of Rice Institute. They have three children, Mary Sue, a Senior in Haskell High School; Jimmy, a Sophomore; and Steve, pupil in the 2nd grade. The Byrds are members of the First Methodist Church, where Mrs. Byrd serves as Methodist Youth Fellowship Counselor.

Mrs. Byrd taught in Alvin, Texas, and in Tyler before moving to Haskell in 1943. She is a member and past president of the Progressive Study Club, member of TSTA, Oil Belt District, Haskell County unit.

Various techniques may be used in teaching English to seventh and eighth grade students, Mrs. Byrd explains. Inventory tests are given to discover areas of greatest weakness. At the end of the unit an achievement test is given to determine the amount of individual progress made.

Different kinds of word games have been used to advantage in learning the parts of speech. To aid in learning a very troublesome part of speech, prepositions, stick figure pictures were drawn to

illustrate different prepositions and their use in phrases. The seventh grade is culminating the study of prepositions with a mock radio broadcast in the form of a "quiz program." During the time the students have been studying prepositions, the class has been on the lookout for errors in the use of prepositions. When one hears an error, the student writes it on a slip of paper and places it in an "error" box. A record is kept of the errors, for they will be used in sentences on the quiz show. Contestants on the program will be given sentences that contain errors in the use of prepositions. If they fail to correct the errors in a given number of seconds, other contestants will take their places. The "Emcees" for the program will be the student who has made the fewest mistakes in the use of prepositions during the allotted time.

To make the unit on letter writing more meaningful for the eighth grade, letters are being written to a classmate, David Burson, who is in a Dallas hospital. Others letters are being written to an eighth grade student in Cullowhee, North Carolina, who has requested letters from Haskell.

Throughout the year, the students will be trying to make correct English a habit.

Geneva Lankford Is Hostess For G. A. Hallowe'en Party

The home of Geneva Lankford was the setting for the annual Hallowe'en Party for the Junior G. A. Girls of the East Side Baptist Church.

The members present were Sharon Marr, Marie Carruth, Sandra Howard, Ronda Turner, Danna Rodgers, Patricia Wright, Myra Stevens, Kay Rodgers, Patricia West, Linda Huggens, Gail Carter, Geneva Lankford, and their counselor, Mrs. Dendy. Visitors were Mrs. Anderson, Mrs. Howard, Mrs. Gay, Rev. Alfred Altum and Mr. and Mrs. I. R. Lankford.

FFA NEWS

Six Future Farmers of Haskell showed calves in the Junior Livestock Show at the State Fair in Dallas last week. At the close of the show, the boys sold their entries, realizing a nice sum for their work.

Future Farmers attending the show, accompanied by Mr. Stone, chapter advisor, were Cliff Berry,

Charles Burnett, Jerry Matthews, John Pitman, Bobby Stone and John Stone, Junior High student. Boys selling calves, and the

prices received were: Cliff Berry, two Hereford calves at 32c and 28c pound; John Stone, Hereford calf for 31c pound; John Pitman, Hereford calf for 20c pound.

Statement of Facts Concerning the Jail Proposal, and Explanation of Financing

Letter of Facts
A personal letter of facts concerning our county taxes, and the new jail proposal.

It has been talked throughout our county, if the tax payers vote a bond election, it would raise everyone's taxes.
I wish to take this opportunity to say, this is very much untrue. This proposed jail issue will be voted on, and carried out on the same basis and merit, as our last County Hospital project was handled. In the early part of 1951, the commissioners court and I asked the voters of Haskell County to vote a \$100,000.00 bond issue to enlarge our county hospital. Also, we instructed you at the time there would not be an increase in county taxes, and there DEFINITELY WAS NOT. We are speaking of County tax only, which is separate from city, state and school taxes.

To prove to you that your taxes were not raised, will you please check your county tax receipts and see for yourself. After checking you will find for the past number of years, you have been paying \$1.05 per \$100 valuation, county tax with a 15c special road tax. Your past receipts are the best proof you can have, regardless of what has, or will be said, concerning the coming election.

On October 31, 1953, the commissioners court and I are asking the voters to vote another \$80,000.00 bond issue to build a new modern jail. We do this for several reasons, namely:

1. We as your county officials earnestly and sincerely believe the county is in need of a new jail.
2. We have on hand approximately \$65,000.00 of surplus money in our road bond sinking and our permanent school interest and sinking funds, that definitely cannot be used for anything but an investment or improvement.

We can buy in \$65,000.00 worth of our own jail bonds. Also, we have state laws that require the commissioners court to keep all surplus money from these funds invested as soon as possible.

3. We think the 43 year old jail is beyond repairing and making it a nice, modern jail that everyone would be proud of.

4. We feel it is very unjust to ask a law enforcement officer to live and serve us, the voters of Haskell County, in a place where there are no modern conveniences at all. Although I wish to state our present sheriff has not complained, nor has he asked the court to call the said election.

5. We realize the 43 year old jail is subject to being condemned by the State at any time, as one of neighboring counties has been done.

6. The most important thing, it definitely will not increase anyone's taxes nor will it change our tax rates.

The county now owns \$120,000.00 worth of Government Bonds that have been purchased with the surplus money from our Road Bond Interest and Sinking funds, over a number of years. Our valuations from oil and other industries have increased from year to year. Also, the county owns \$480,000.00 worth of permanent school bonds purchased from the surplus of permanent school interest and sinking fund.

It seems to me, we the voters of Haskell County, have only one of two choices to make, concerning the surplus money in the funds stated above. We can only invest this in a new jail or Government G. Bonds. There will be an open house at the present jail, Saturday, October 24, and Sunday, October 25, 1953, from 10:00 a. m. to 5:00 p. m. each day. Every citizen of this county is invited to go through and inspect the jail. In order to make up your

own mind, whether we need a new jail or not.

I have done my very best to explain the proposed new jail deal, and your tax problems, as clearly and truthfully as I know how. If there is anyone that does not understand all, or any part of this proposed deal, will you please come by my office and I will be more than glad to go over this with you, whether you agree with me or not.

I am your friend always, and ready to help in any way I can. I remain,

Sincerely yours,
Alfred Turnbow,
County Judge.

WE'LL GIVE YOU THE EXTRA TRADE-IN PRICE YOU'D GET IF YOUR PRESENT CAR WERE A MERCURY

No matter what make of car you're driving, we'll allow you the same extra trade-in price you'd get for a same-model, same-year MERCURY—the car with the top trade-in value in its field!

WHY MERCURY GIVES YOU MORE—NOW AND WHEN YOU TRADE IT IN!

There are 4 good reasons why Mercury is so much in demand—and why the average trade-in price allowed by all dealers on used Mercurys is consistently higher than competing cars.

1. **Mercury styling.** Clean, long, low lines set the style and stay in style. Mercury interiors are smarter, more colorful, more attractive.
2. **Proven V-8 performance.** Mercury is no Johnny-come-lately to the V-8 field. It has always been a V-8, and this is the best-performing Mercury in history. Try it—compare it for get-away, for hill-climbing, for handling ease!
3. **Proven economy.** With Mercury, economy is no idle boast. Mercury's high gas mileage has been proved—Mercury with optional overdrive has five big wins in four official economy runs.

4. **More extra power features.** Mercury offers the widest selection of optional power features in the popular-price field—including the new 4-way power seat, power brakes, power steering, electric window lifts, no-shift Merc-O-Matic Drive, and even gas-saving Touch-O-Matic Overdrive.

Add these to Mercury's sturdy construction and low maintenance costs—and you see why Mercurys are always in top demand, new or used. Higher trade-in value makes Mercury's true cost very little more than the lowest priced cars. A Mercury is a solid investment, because you get back more when you finally trade it in.

Now—to make it even easier for anyone now driving any other popular-priced car to own a Mercury—we'll give you the extra trade-in allowance you would get if that car were a Mercury! We'll show you the actual, impartial figures—make you the most exciting offer in town! Bring your old car in today—and drive home a Mercury!

News From Sagerton

BY MRS. DELBERT LE FEVRE

Approximately 3 inches of rain fell in this community last week and during the week end. The hard rain and strong wind did a great deal of damage to the cotton in the fields and not even half of the cotton in this community had been gathered.

Mr. and Mrs. Charlie Lee Gibson and daughter from Arkansas are here visiting Mr. and Mrs. Bruce Gibson.

Mr. and Mrs. G. A. Lambert returned from Killeen last week where they visited with their daughter and family. Mr. and Mrs. H. A. Sandefer and Jeanine, Sonya Jean and Shirley Ann. They also visited in Waco with Mr.

and Mrs. T. J. Kelly, Ethel May, and Mary Alice and a niece, Patricia Kelly. They saw some of the wreckage left by last spring's tornado where they had not rebuilt.

Mrs. Frank Pilley, an old friend of many here, now living in Abilene, had the misfortune of losing the sight of her eyes. One is gone and it is just a matter of time until she will be totally blind. Their children have been called home that she may see them again. It would be well for her friends in this community to remember her since the Pilleys lived here so long and most of their friends

live here. Her address is 2450 Pine St.

The WSCS of the Sagerton Methodist Church observed a day of prayer Monday Oct. 26. The ladies of the Tuxedo Methodist Church met here with them. They were guests in the home of Rev. and Mrs. Vernon Mayfield for lunch and the prayer meeting was held in the church Monday afternoon.

A large group of men from this community and their friends have gone deer hunting in Colorado. Joe, Charles and John Clark, M. Y. Benton and son, Yater Jr. of Fort Worth; J. W. Threet of Center Point; Harold Smith of Holliday and Whit Clark of Benavides, all left Thursday of last week. Friday Reece Clark and Pete Kittley of Rule left to join them. Loll Young and Joe Swofford of Irving have also gone there to hunt.

Mrs. Loll Young is visiting in Irving with Mrs. Swofford while their husbands are hunting.

Marvin Stegemoeiler and Kenneth Stegemoeiler, students at Texas Tech, Lubbock spent last week with their respective parents. Mr. and Mrs. C. E. and Mr. and Mrs. F. A. Stegemoeiler.

Mr. and Mrs. Henry Laughlin are visiting in Van Horn with Mr. Laughlin's sister, Mrs. Kitty Davis.

Mrs. Hubert Magness and daughters and Mr. and Mrs. Tim Magness of Friona visited with Mr. and Mrs. R. O. Gibson, Sr. and members of their family here last week end. They also attended services at the Sagerton Methodist Church.

The Stitch and Chatter Club was entertained in the home of Mrs. R. O. Gibson, Sr., Wednesday afternoon Oct. 21. The afternoon was enjoyed by the following guests: Mrs. Scurlock, Mr. and Mrs. Yarbrough of Kilgore, and Mrs. J. W. Martin and Miss Fannie Kay of Haskell. Mrs. Yarbrough will be remembered by this community as Miss Ann Smith.

The following members were present: Mmes. G. A. Leach, Ben Hess, Cliff LeFevre, Pete Lusk, Henry Laughlin and the hostess.

Mr. and Mrs. A. C. Knipling and Mr. and Mrs. Glyn Quade and children attended the State Fair at Dallas Friday and Saturday.

Doris Franke, daughter of Mr. and Mrs. Edwin Franke and a student at Hardin-Simmons in Abilene was home over the week end.

Rev. and Mrs. F. A. Bracher of Fredericksburg, Mr. and Mrs. Oswald Wendel and Mr. and Mrs. Felix Bathge of Cherry Springs were week end guests of Rev. and Mrs. Rudy Wendel. Rev. Bracher was guest speaker for the Mission Day Festival at St. Paul's Lutheran Church last Sunday.

The Rev. Bruno Gaskamp, pastor of Trinity Lutheran Church in Haskell was the guest speaker in the afternoon.

Eight new Monroe tables have been added for use of the Sunday School at St. Paul's Lutheran Church. They were donated by various organizations of the church and individuals.

Patricia Kupatt of Midland spent last week end with her parents, Mr. and Mrs. B. Kupatt.

Mr. and Mrs. Leslie Cobb and son, Johnny of Midland, were guests in the John Clark home Sunday.

Mr. and Mrs. John Franke of Abilene visited here with old friends and relatives Sunday and attended the Mission Service at St. Paul's Lutheran Church.

Goblins, Very Traffic Variety, True Real On Hallowe'en

Hallowe'en is just around the corner, and the traffic goblins will get you if you don't watch out.

This isn't an idle threat from the kindergarten set, it's a deadly serious warning from, of all people, Col. E. B. Tilley of Houston, president of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation.

"Sure, I believe in goblins," Col. Tilley said today as he discussed the dangers that lurk in Texas streets and highways on Hallowe'en. "But don't get me wrong. I'm not talking about the spooks that bring scared squeals from the youngsters. The goblins I fear, are the traffic goblins who victimize unwary kids as they go about their 'haunting' on Hallowe'en."

He spoke in support of the Night Traffic Hazards program which the Texas Safety Association and the Texas department Public Safety are conducting during October.

Col. Tilley pointed out that youngsters are likely to let safety rules go by the board in the excitement of scaring and being scared on Hallowe'en. He said, "Many of the child fatalities and injuries that occur on this holiday are caused by youngsters dashing out into the street, often dressed in dark costumes and wearing masks."

"Masks prevent the children from seeing clearly," he said, "and dark costumes prevent the motorist from seeing them. It would help a lot if parents would try to get the kids to take off the masks when they go outdoors. Parents should also see that the youngsters wear only colored costumes or outfits trimmed with white or reflectorized material."

"The best way to keep the kids safe," Col. Tilley said, "is to keep them off the streets. I know this

isn't easy, but if parents plan home or community parties, it can be done.

He urged parents to band together to see that sufficient parties and gatherings are provided in their communities to keep youngsters entertained. If this is done, he said, there will be little inducement for them to go

roaming the streets. He also reminded motorists to keep a constant look-out for children and to be especially careful when driving in residential areas.

Two Employees of Sagerton Gin Injured

MRS. DELBERT LEFEVRE

Two employees of the Sagerton Gin were injured in accidents at the gin plant Monday and Tuesday of last week.

On Monday, Barney Ross, the ginner, received severe foot injuries when his toes were caught in the burr machine when a door he accidentally stepped on opened. He was carried to the Stamford Sanitarium for treatment of his injuries.

Early Tuesday morning Alvin Ulmer was seriously injured when he slipped while working on a part of the gin machinery and fell approximately 15 feet to the concrete floor of the gin. He was rushed to the Stamford Sanitarium where examination disclosed he had received a broken arm and head injuries.

Mr. Ross was able to be returned to his home in Sagerton Saturday, but Mr. Ulmer was not feeling as well, although his condition was reported improved.

Some alligators have as many as forty sets of teeth during their lifetime.

GRAND PRIZE WINNER —

Deborah Lynn, 7½ months old daughter of Mr. and Mrs. Lee Brown of Haskell, was among three Grand Prize winners in the recent Baby Photo Contest held at Boggs & Johnson store. Other capital prize winners were the little son of Mr. and Mrs. Jake Stewart of Weinert and the baby boy of Mr. and Mrs. M. C. Webb of Rochester. Other awards went to 22 runner-up entrants.

M. F. Medley, 80, Dies At Family Home In Weinert

Marshall Fate Medley, 80, prominent retired farmer of Weinert and former Public Weigher for the Weinert precinct, died at the family home in that city Monday at 11:07 a. m.

Funeral rites for Mr. Medley were held at the First Methodist Church in Weinert Tuesday at 3:00 p. m., with the Rev. J. Temple Lewis, Baptist minister and the Rev. C. C. Lamb, Methodist minister, officiating.

Burial was in the Weinert Cemetery with arrangements in charge of Holden Funeral Home. Grandsons of Mr. Medley served as pallbearers.

Mr. Medley was born in Ar-

mory, Mississippi, October 8, 1873, the son of the late Mr. and Mrs. W. L. Medley. He came to Texas when a young man, and on Nov. 20, 1895 he married Miss Ella Vess at Rosston, Cooke County. They later lived in Grayson County before moving to Weinert in 1916. Mr. Medley farmed for a number of years, later was elected Public Weigher and served in that capacity for several years.

He is survived by his wife, of Weinert; six daughters, Mrs. H. A. Marsh of Weinert, Mrs. Ammon Petty of Clyde, Mrs. Jess Owens of Booneville, Ark., Mrs. J. C. Capps of Levelland, Mrs. Marvin Teaff and Mrs. Archie B. Teaff of Abernathy; and one son, Everette R. Medley of Haskell. Also surviving are 25 grandchildren and 22 great-grandchildren.

Craig Thomson, Polio Patient, Reported Improving

Condition of Craig Thomson, 7-year-old polio patient and son of Mr. and Mrs. Joe Thomson of this city, was reported improved today and attendants at Hendrix Memorial Hospital in Abilene said the little fellow could be considered off the "critical" list if his condition continued to improve today.

Craig, pupil in the second grade at Haskell Elementary School, became ill Oct. 17 and he was removed to the Abilene hospital last Wednesday after his illness was diagnosed as bulbar polio. Despite his critical illness, Craig has not suffered paralyzing effects, and has normal use of his arms and legs.

Another Haskell polio patient, Hugh Lancaster, is in the Abilene Hospital. He is paralyzed from the waist down, and will likely
