## Record Crowd Expected At Weinert Homecoming Oct. 10

Estimated 1200 to 1500 expected in attendance for the day, final preparations completed for the annual Homecoming of ex-students and teachers of Weinert schools, to be held in that city.

Annual affair, attended by 1200 people last year, was widely advertised and a record is expected this year. (Scott) Coggins, Has-

senberg, Weinert man and president of the homecoming association, is in charge of the day's program.

Shaping up their final day, Coggins said, "Practically everybody in Weinert is planning for the event and it is thoroughly enjoyable for the day." Coggins de-

scribed the program as a barbecue for all guests and the area's top-notch Football Game of the Weibert Bull-Point Creek Pirates, Saturday night.

Ex-students and will begin at 9 a. m., and will be the order of the morning hours.

Program will begin at 10 a. m., and will include a business session, and a report by officers. Guest speaker, Weinert man, will be Myron Beard.

Competition service and class will be held during the day, and at 5 p. m. barbecue will be served to all present.

Business session, and meeting will be held in the Weinert auditorium and the bar will be served on the grounds.

Football game will be held at 7 p. m. and will be a real gridiron rivalry, with the Bulls putting a perfect record line.

The team has ever defeated on home field in past years and the Bulls will be maintaining this tradition.

Monary From To Speak First Baptist

Who has spent a life-time in mission work in China and has returned home on short leave to speak at both morning and evening services of the First Baptist Church next Sunday, Mr. Rexrode will be the speaker.

Where of Fort Film Booked Texas Theatre

For Sunday, Monday and Tuesday, the Texas Theatre will show "The High Ground," a picture from Fort Bliss, Texas, where the film was made.

## COUNTY JUDGE TURNBOW TELLS LIONS OF COUNTY AFFAIRS AND FINANCES

County Judge Alfred Turnbow gave members of the Lions Club an interesting and illuminating talk on county affairs and the stable condition of county finances at the regular meeting of the Club Tuesday at noon in the banquet room of the Texas Cafe.

Judge Turnbow also told of the recent gift to the county of Scott Memorial Park by Scott Estate. In addition to the tract of approximately 56 acres given for the park, the Scott's will fence the land under county supervision, and also donated \$400 for use in landscaping or beautifying the premises, the county official explained.

The County has set aside a site for a Boy Scout camp in the park, and a similar site for Girl Scouts, he told Lions. Judge Turnbow said the county will begin in the near future to improve the tract as much as possible.

County road equipment from all precincts will cooperate in working from regular road work, boat channels will be dug, and undesirable trees and brush cleared from the Park tract, he told Lions.

As finances permit, permanent improvements will be added from time to time in developing the Park he said.

In further discussing county affairs, Judge Turnbow said the Commissioners Court would call a county-wide election in the near future on a proposal to build a new county jail.

Concerning county finances, Judge Turnbow said that the county is in a position to invest some of the permanent county funds in the Jail Bonds, they have pointed out.

Realizing the need for replacing the 43-year-old county jail building, the Court several weeks ago announced plans for building a new jail at an estimated cost of approximately \$80,000. First plan considered was to issue warrants in sufficient amount to pay for the new structure, with the warrants later being converted into refunding bonds.

After further study, the Court voted Tuesday to submit the proposal to qualified voters in a special election. Date for the election was set for Oct. 31 in order to allow ample time for voters to study the proposal. Official order for the election is being prepared and will be published in county newspapers next week, Judge Turnbow said.

If the bond issue is authorized, the present outmoded structure a three-story brick building erected in 1910, will be replaced with a modern one-story jail which would also include adequate living quarters for a jailer and family. The new structure would be on the same site of the old jail.

Inspection of Old Jail Invited

In order that people of Haskell County may acquaint themselves at first hand with the present jail building and its condition, plans are being considered for designating Saturday, Oct. 24 as Visitors Day at the jail. On that date the public will be invited to visit the structure and will be shown throughout the jail in order that they may observe for themselves the condition of the building, furnishings and equipment throughout the structure.

County officials have explained that issuance of the bonds will not require an increase in the tax rate of property valuations. Further, the county is in position to invest some of the permanent county funds in the Jail Bonds, they have pointed out.

## Election Slated Oct. 31 On County Jail Project

A county-wide bond issue for the purpose of building a modern county jail building will be submitted to qualified tax-paying voters in a special election to be held Saturday, Oct. 31, County Judge Alfred Turnbow said Tuesday afternoon following a meeting of the Commissioners Court.

Realizing the need for replacing the 43-year-old county jail building, the Court several weeks ago announced plans for building a new jail at an estimated cost of approximately \$80,000. First plan considered was to issue warrants in sufficient amount to pay for the new structure, with the warrants later being converted into refunding bonds.

After further study, the Court voted Tuesday to submit the proposal to qualified voters in a special election. Date for the election was set for Oct. 31 in order to allow ample time for voters to study the proposal. Official order for the election is being prepared and will be published in county newspapers next week, Judge Turnbow said.

If the bond issue is authorized, the present outmoded structure a three-story brick building erected in 1910, will be replaced with a modern one-story jail which would also include adequate living quarters for a jailer and family. The new structure would be on the same site of the old jail.

Inspection of Old Jail Invited

In order that people of Haskell County may acquaint themselves at first hand with the present jail building and its condition, plans are being considered for designating Saturday, Oct. 24 as Visitors Day at the jail. On that date the public will be invited to visit the structure and will be shown throughout the jail in order that they may observe for themselves the condition of the building, furnishings and equipment throughout the structure.

County officials have explained that issuance of the bonds will not require an increase in the tax rate of property valuations. Further, the county is in position to invest some of the permanent county funds in the Jail Bonds, they have pointed out.

Inspection of Old Jail Invited

In order that people of Haskell County may acquaint themselves at first hand with the present jail building and its condition, plans are being considered for designating Saturday, Oct. 24 as Visitors Day at the jail. On that date the public will be invited to visit the structure and will be shown throughout the jail in order that they may observe for themselves the condition of the building, furnishings and equipment throughout the structure.

County officials have explained that issuance of the bonds will not require an increase in the tax rate of property valuations. Further, the county is in position to invest some of the permanent county funds in the Jail Bonds, they have pointed out.

First entrant in the contest for Cotton Queen during Haskell's Cotton Festival, Oct. 26-31 is Dwanna Matthews, above, daughter of Mr. and Mrs. Mack Matthews. The attractive and personable beauty, a Senior in Haskell High School, is sponsor for Haskell Pharmacy.

## Rex J. Power Is Commissioned As Air Force Pilot

Rex J. Power son of Carl G. Power of this city, was awarded the silver wings of an Air Force pilot and the gold bars of a second lieutenant recently in graduation ceremonies at Vance Air Force Base, Enid, Okla.

Mr. Power went to the basic multi-engine pilot training base after taking his primary training at Mendenhall Air Force Base in Missouri. He reports to Kelly Air Force Base, San Antonio, for further assignment.

Mr. Power, a graduate of Haskell High School, graduated from Hardin-Simmons University, Abilene, in 1951.

## Firemen Start Work On Boxing Arena at Fair Park; First Bouts Slated Oct. 17

Firemen and members of the Saddle Tramps riding club have been working this week on installing an arena and seats in the old CWT Fair exhibit building in preparation for staging amateur boxing matches and a Golden Gloves tournament during the fall and winter months. Supervising the project is a committee of firemen composed of Marion Reeves, Jim Byrd and Walter Gresham.

First fight card of the season, under joint sponsorship of the Fire Department and Saddle Tramps, is being tentatively planned for Saturday night, Oct. 17 in the new Fair-ground fight arena if all details can be completed by that time.

The fire department will sponsor the boxing program, under agreement with the riding club, which has leased the Fairgrounds and buildings from the city. Each organization will share in the proceeds from the fights.

Members of the fire department started work Monday night on erection of the ring and seats in the building and did additional work last night. Firemen are also installing new lighting facilities in the building under the supervision of Earl Correll, WTU lineman who is a member of the department.

When completed, seating arrangements in the building will accommodate at least 1,000 persons, it is believed. Grounds around the building also provide a convenient parking area.

Lon McMillin, former Golden Gloves champion, is working with the Fire Department as promoter in staging the bouts. In programs staged early this year, McMillin presented some of the area's outstanding Golden Gloves contenders in matches that attracted capacity crowds at each program.

The defendant and an older brother, Eldon A. McMahan, were named in a joint indictment returned August 18 by a Stonewall County grand jury. Complaining witness in the case is the estranged wife of the older man.

Trial of the case in 39th district court here will likely be set for the latter part of November or early December, court officials indicated.

## Parade, Special Events Planned For Observance of Oil Progress Week

### Two Receive Burns In Fire at Oil Rig Wednesday

Two Knox City men, Hollis Gideon and Albert Gore, employed on a Warren-Bradshaw drilling rig in the Katz Field near the northwest corner of Haskell County, received first and second degree burns when the rig caught fire and burned Wednesday morning about 7:30.

Two other members of the crew, the driller and Harold Pack, derrick man, escaped injury. Pack rode the cable to the ground from midway up the derrick where he was working when the blaze started.

The crew had been running a drillstem test on the well, the J. E. Hughes No. 5, when the unexplained fire broke out. The steel rig was believed to have been badly damaged as a result of the fire.

The injured men were carried to the Knox City hospital, where their condition was reported satisfactory this morning.

### Proclamation

WHEREAS, the week of October 11th through October 17th has been designated as "Oil Progress Week" throughout the United States; and,

WHEREAS, We of Haskell and Haskell County are vitally interested in development of the oil resources of our County. And, being especially desirous to meet and know more of the personnel of the Oil Fraternity, I hereby proclaim the week of October 11 through 17

for the City of Haskell, and we hereby invite all of Haskell County to join us in this gesture to the Oil Fraternity, to get to know them, to know more about their way of developing oil. Especially is the citizenship urged to take part in our three days special program Oct. 15, 16, 17, and climaxing the celebration with a Big Parade at 2 p. m. Saturday, October 17.

COURTNEY HUNT, Mayor of the City of Haskell.

### Oil Progress Week

Oil Progress Week is being observed in Haskell County, Texas, from October 11 through October 17, 1953. The week is being observed in Haskell County, Texas, from October 11 through October 17, 1953.

### Congressman Mahon Accepts Invitation To Speak Here During "Cotton Festival"

Congressman George Mahon has accepted an invitation to visit Haskell during Cotton Festival Week, and will deliver an address at 12 noon on Saturday, Oct. 31, at the C. Manager Rex Felker was advised this week.

Plans for the week-long Cotton Festival are shaping up rapidly, Felker said today, and several of the special events are attracting widespread attention.

The Progressive Study Club, in charge of securing sponsors in the Cotton Queen Contest, said Thursday that at least 25 to 30 young women would be entrants in the contest, to be held at the Texas Theatre. Prize for the winning beauty will be a 500-pound bale of cotton.

The 4-hour cotton pulling contest, slated Oct. 28, will have a large number of entrants, Felker said, with many inquiries being received daily. Cash prizes of \$100 each will be paid the champion man and champion woman octon puller, with merchandise awards for second and third place winners.

Special events are being planned each day during Cotton Festival Week, with an amateur boxing program slated as the kick-off attraction Monday night, October 26.

The Texas-Oklahoma Colored Classic, college football game between Paul Quinn College of Waco and Langston College of Coyle, Okla. will be the stellar attraction on Saturday night, Oct. 31st.

### FINAL RIGHT-OF-WAY BEING SECURED FOR MATTSON F-M ROAD EXTENSION

Right-of-way deeds are being secured this week along a 5.6 mile stretch of farm road that will be converted into an all-weather Farm-Market road connecting Mattson School with State Highway 24 east of Haskell.

Commissioner Drew Leonard of Precinct 2 said Tuesday that only a few property owners remained to be contacted in securing the remaining right-of-way deeds needed.

The 5.6 mile stretch has already been designated and approved as a Farm-Market road by the State Highway Department, Commissioner Leonard said.

Actual construction of the all-weather pavement will be started at an early date, he has been advised by the highway department.

When completed, the stretch will complete F-M 1080, which intersects State Highway 277 north of Haskell and runs east to the Mattson community. The stretch of road will give that section an extension connecting with the east-west Highway 24 south of the community.

Another Farm-Market extension due for early construction is in Precinct 3. This project will extend F-M 618 south and west from Paint Creek school to an intersection with State and U. S. Highway 277 south of town.

Actual construction of the all-weather pavement will be started at an early date, he has been advised by the highway department.

### Stonewall Assault Case Transferred To Haskell

Trial of a Stonewall County youth, Alvin McMahan, 18, charged in a grand jury indictment with rape was transferred to Haskell County Wednesday after a special venire of 72 prospective jurors was exhausted with only five men being accepted when the case was called for trial in Aspermont.

In questioning the 72-man panel, two veniremen were challenged by the State and nine by the defense counsel.

The defendant and an older brother, Eldon A. McMahan, were named in a joint indictment returned August 18 by a Stonewall County grand jury. Complaining witness in the case is the estranged wife of the older man.

Trial of the case in 39th district court here will likely be set for the latter part of November or early December, court officials indicated.

### Rites Held Sunday For Infant Son Of Mr. and Mrs. Tyler

Funeral services for Frank Neely Tyler, 6-weeks-old son of Mr. and Mrs. George Tyler, were held at the First Methodist Church at 4 p. m. Sunday, with the pastor, Rev. J. B. Thompson, officiating.

The infant was born Aug. 16, 1953 and died at 4 a. m. Oct. 3 at the family home after a brief illness.

In addition to the parents, the baby is survived by a sister, Pamela Lyn, and a brother, George Spencer Tyler, all of this city; grandparents, Mr. and Mrs. Frank Spencer of Weinert, and paternal grandmother, Mrs. N. E. Tyler of Texarkana, Texas.

Burial was in Willow Cemetery with Holden Funeral Home in charge of arrangements.

pallbearers were Thomas W. Watson and Gaston Hattox.

### Rain Halts Lucky License Day Event Saturday; Awards Added This Week

A hard rain which began falling just as the first names were called in Haskell's Lucky License Day program Saturday afternoon, resulted in postponement of a part of the program until this week.

As a consequence, nine awards will be made Saturday afternoon, sponsors of the program announced. These will include seven \$21 awards for which names will be called until someone present receives the prizes. Then, one name will be called for last week's \$360 Jackpot. If the fortunate person is not present, the award will increase to \$432 and one name

will be drawn for the Jackpot prize.

Haskell will join other towns and cities of the nation during the coming week in observing "Oil Progress Week" October 11-17, and plans are being completed this week for several special events in connection with the observance locally.

Outline of some of the events planned was presented at a meeting in the Chamber of Commerce office Wednesday of local oil industry concern representatives, city officials and civic leaders. Following the meeting, Mayor Courtney Hunt issued a proclamation designating "Oil Progress Week" in Haskell and urging cooperation of the entire citizenship in the observance.

Awards Offered Students

Students in Haskell schools will be offered \$50 in cash awards for the three best themes on the subject "What the Oil Industry Means to Haskell County." Winner of the winning essay will receive \$25 first prize with \$15 for the second and \$10 for third prize.

Students in each school in Haskell are invited to write themes on the subject. The English teacher in each school will grade the papers down to three which will be submitted to the Chamber of Commerce not later than Friday, Oct. 16 for decision of final judges. Art McMillen, local oil operator, donated \$30 for the awards, with the Haskell Chamber of Commerce contributing \$20.

Film To Be Shown

At the weekly meeting of the Haskell Lions Club Tuesday, Oct. 13, some 25 oil industry people will be guests of the club and a film on the oil industry will be shown.

Other events being planned during the week include Open House at the Service Pipe Line Company warehouse in this city Saturday, Oct. 17 from 9 a. m. until 12 noon.

Parade Saturday

At 2 p. m. Saturday, a street parade will be held, featuring trucks and other equipment from oil concerns operating in this area. Companies invited in this units in the parade include concerns located in Haskell along with those operating branches in Rule, Rochester, Knox City, Stamford, Aspermont and other neighboring cities. Included are Service Pipe Line Company, Schlumberger, Layne-Wells, Anderson Construction Co., Halliburton, and others.

Following the parade, trucks and equipment will be on exhibit around the courthouse square for two hours. During this time the public will be invited to inspect the units.

In connection with the week's observance, plans are being made for conducted tours to Haskell County oil fields, oil drilling rigs, pumping stations and other points of interest.

### Grand Jury Takes Recess After Brief Session Monday

Grand jury for the current term of 39th District Court was impaneled Monday by District Judge Ben Charlie Chapman, and the investigating body recessed after a brief session.

No indictments were reported from the initial session, District Attorney Royce Adkins said. Eight witnesses appeared before the Grand Jury during the day. The current jury will serve until the January, 1954, court term begins.

Aubrey Fouts of Rule was appointed foreman of the Grand Jury. Other members are Claud Ashley, E. B. Calloway, E. H. Baugh, Charles Kay, R. A. Shaver, W. L. Mitchell, V. C. Hobbs, Taylor Sego, T. C. Walker, Marvin Medford, Bob Herren.

Tom Jetton of this city was appointed door baliff, and Ewell Lusk and Truett Cobb were named riding baliffs.

### Singers To Meet At Fundamental Church Sunday

The Haskell County Singing Convoltine mfwy Convention will meet Sunday Oct. 11 at the Fundamental Baptist Church in Haskell. Singing will begin at 2:30 p. m.

The Tankersley Quartet from Knox City is to be present and the Throckmorton Quartet has been invited. All singers and music lovers are extended an invitation to be present.

Mr. and Mrs. Jack Sims of Chillicothe spend Sunday with Mrs. T. J. Sims in this city.

## Haskell County History

**28 Years Ago—Oct. 12, 1933**  
Mr. Pearl of Lubbock and Lamesa has opened a new dry goods store in the Baldwin Building on the west side of the square. Mr. Pearl's family arrived this week and they have leased the Lemmons residence on North Clark Street.

The T. J. Tidwell Shows will arrive this week and will set up on the Fairgrounds and furnish amusement attractions for the Haskell County Fair during the coming week.

Five new applications for beer permits in Justice Precinct No. 4 have been filed during the past week. Four applications are for locations within a few miles of Haskell, and the fifth is for a location in the town of Sagerton.

Mrs. H. L. Williams and little son, Barry, of Mertzon are here visiting her mother, Mrs. Edith English.

Mayor Emory Menefee has proclaimed Oct. 19, opening day of the Haskell County Fair, as a business holiday in Haskell and has urged all business concerns to close for that day.

Saturday night Oct. 7 Miss Vivian Bernard and Fred Akins were united in marriage at the parsonage of the First Methodist Church, officiating, Rev. A. W. Gordon.

with theft of two automobiles in Haskell recently, was convicted Saturday in district court and given a three year sentence in the penitentiary. In each case, the prison terms to run concurrently. The cars were stolen from W. O. Holden and R. A. Crowell.

**30 Years Ago—Oct. 12, 1923**

Fire of unknown origin destroyed the Johnson Tin Shop and Garage here shortly after midnight Tuesday. Rev. C. Jones and son Jesse of this city had purchased the establishment just one day before the fire and no insurance was carried either on the building or contents, making the loss a heavy one for the new owners. The building was an old landmark in Haskell, having been occupied by the Alexander general store.

Miss Allie Bell Chapman, who is attending school here, spent last week end with relatives in Rochester.

A team of mules belonging to Clyde Tidwell, who lives in the

Midway community, ran away with a load of seed cotton Wednesday afternoon. The runaway started at the Farmers Gin and the frightened team came through town, scattering cotton along the streets and overturning the wagon before coming to a stop. No one was injured.

Mr. and Mrs. C. H. Foote of Fayetteville, Ark., visited relatives here this week.

C. O. Scott was in Saturday with a bale of cotton to be ginned. He says pickers are scarce in his community.

A total of 7,129 bales of cotton had been ginned in the county prior to Sept. 25, compared with 11,740 bales ginned to the same date last year.

Lester A. Brown, D. D., of Atlanta, Ga., delivered an address to a large audience in the district courtroom Thursday night on the principles of the Knights of the Ku Klux Klan.

Jas. E. Lindsey of Rule is erecting a new brick filling station on the southeast corner of the square.

Burglars broke into the John E. Robertson store at Weibert Monday night. Some men's clothing was taken, after entrance was gained by breaking open the front door of the store.

**56 Years Ago—Oct. 10, 1903**

The Lindell Hotel reports an unusually heavy run of transient customers this week, many of them being commercial travelers.

A. F. Smith and W. G. Tanner of the Fairview community brought cotton to the gin here Thursday, and marketed it here. J. F. Vernon took Mr. Pierson's place in the bank this week while the latter was off to the Dallas Fair.

Miss Eva Coker is now manipulating the switchboard for the telephone exchange here.

## HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

**By VERN SANFORD Texas Press Association**  
Austin, Texas—Politicians are working up a head of steam that will blow off when President Eisenhower visits Texas this month.

As far as any public announcement is concerned, the reason for Ike's Texas trip is to join President Adolfo Ruiz Cortines of Mexico in the dedication of Falcon Dam on the Rio Grande.

But it is clear that H. J. Porter of Houston, Republican national committeeman, will use the presidential trip as a means of rallying G. O. P. support in Texas.

When Eisenhower gets to Texas, his official host will be Governor Allan Shivers. The president will stay at the Shivers' palatial home at Sharyland, near Mission.

While Shivers led the Democratic Party of Texas in helping to elect Eisenhower last year, there is no indication that the governor and his political friends will line up with the Texas Republicans as a permanent arrangement.

On the contrary, Shivers has said the G. O. P. has "delusions of grandeur" on the question of making Texas a two-party state.

In other words, the Shivers Democrats were for Eisenhower—but that does not mean that they will move over into the Republican ranks in the Texas political battles of next year.

At the Falcon Dam celebration there will be represented a third political faction, the Texas Democrats who supported Adlai Stevenson.

Senator Lyndon Johnson, a Stevenson Democrat, is expected to be present at the border celebration.

Porter, by the way, has announced that the Texas Democrats will put up the strongest candidate they can find to oppose Johnson next year.

That candidate may be Ben Guill, who once served as a Texas Republican congressman from the Panhandle district.

Guill is now an executive assistant to Postmaster General Summerfield.

Workers in state departments and some of those in state hospitals and other institutions received \$15 per month pay increases on the first of this month.

Increases ranging up to \$300 per year also went to faculty members of state colleges and universities.

And some state workers received "incentive" raises amounting to as much as \$50 per month under a new law authorizing such boosts out of savings effected by decreasing the number of employees.

There will be more pay hikes if the courts uphold the Texas natural gas gathering tax. Gov. Shivers has said.

Death took George B. Butler, 49, chairman of the Texas Board of Insurance Commissioners.

Butler died of a malignancy in a Temple hospital, and funeral services were held in Austin.

Another member of the board, Paul H. Brown, has been the board's secretary since he suffered a heart stroke last February.

Twenty-one church schools formed an association and will ask Texas business and industry for a million dollars to balance their budgets this year.

Texas Foundation of Voluntarily Supported Colleges and Universities is the long name of the organization, whose board of directors will meet in Dallas Nov. 1st.

Dr. R. W. White, president of the foundation and head of Baylor University, said the organization already has the support of the National Association of Manufacturers, the Texas Association of Manufacturers, and the United States Chamber of Commerce.

To be employed by the Texas turnpike Authority is a firm of consulting engineers—yet to be named—who will survey the Dallas-Fort Worth toll road project and determine its economic feasibility.

Following the survey, and when bonds are sold in the amount of \$30 million or more, the authority will be ready to go into the road-building business.

All this was decided at the authority director's meeting here. Mayor Armistead Rust of San Angelo was chosen chairman of the authority and Arch Rowan of Fort Worth vice chairman.

ing a nice frame residence for J. W. Johnson on his ranch a few miles north of town.

N. C. Smith and family returned Wednesday from a three weeks visit in the northeast part of the state. He visited the oil fields in Clay County. He says the oil is of a superior quality, yielding about 70 per cent refined oil. The wells are only about 200 feet deep.

C. M. Brown is preparing to ship a car of mules on the 20th and says he needs a few more head to finish out his load.

J. A. Wier, who came here recently from Oklahoma on a prospecting trip, has decided to locate here. He has bought the B. T. McCulloch farm near Cliff and is getting ready to move out to it.

M. S. Pierson, president of the Haskell National Bank, has returned from a business trip to Emory, Texas.

had any application to the tidelands matter."

Both Texas senators, Lyndon Johnson and Price Daniel, will speak at the first annual meeting of the Texas Research League October 15.

Chairman of the league is Ben H. Wooten of Dallas. The organization was formed to study the state government and seek ways

to bring about greater economy and efficiency in its operation.

Every 63 minutes around the clock fire destroys a Texas home. Norris Parker, of the Texas Insurance Advisory Association, is responsible for the statistics.

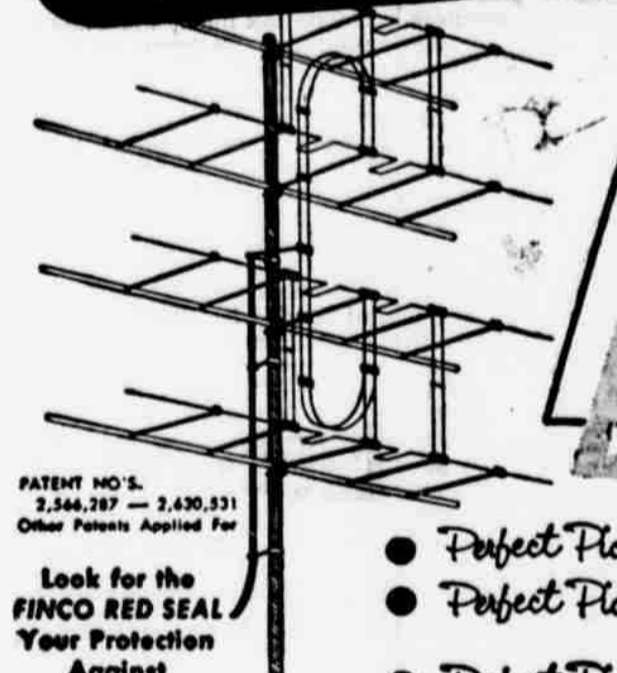

Urging fire prevention, Parker said unless people are more careful, homes lost by Texas will total 8,000 for the year. Also going

up in smoke will be 88 churches, 16 hospitals, 243 theatres, and 1000 other yards.

# Whirlpool

COMPLETELY AUTOMATIC Washer or Dryer

"Most Wanted By Most Women"

**\$239.95 and Up**  
LIBERAL TRADE-IN

\*Stop It, Start It, or Repeat Any Operation Anytime

WHIRLPOOL is a tried and tested machine that has always been good. Many Whirlpool Automatics sold just after the war are still running service free.

As the world's largest manufacturer of Washers and Dryers and more than 50 years of Whirlpool experience it is easy to understand why Whirlpool Automatic Washers are "MOST WANTED BY MOST WOMEN."

**A Pound of Proof Is Worth A Ton of Promises—**

So ask any of your neighbors who own a Whirlpool. Ask her if it cleans clothes and if she has to keep a Service Man fiddling with it to keep it running. This would be a good way to select the Best Washer. Ask the owner of a three or four year old Whirlpool. They all look good when sparkling new and some may stun you with their dazzling beauty, but remember Whirlpool is still the winner of the Fashion Academy Gold Medal Award—and is still "MOST WANTED BY MOST WOMEN."

MADE BY THE COUNTRY'S LARGEST WASHER MANUFACTURER FOR MORE THAN 50 YEARS

### Receipts Reported At Major Markets; Prices Steady

**BY TED GOULDY**  
 Movement of live-  
 stock at the start of the  
 week at the Southwest  
 moderate at mid-  
 but heavy at mid-  
 Denver reported a  
 run, and Omaha had  
 cattle on Monday.  
 stable at Ft. Worth

steers and yearlings sold from  
 \$17 to \$22, and choice to prime  
 cattle are quotable at \$25 or  
 better some club steers late last  
 week selling to \$26. Common and  
 medium grassers sold for \$10 to  
 \$15, and cutter grades sold from  
 \$7 to \$9.

Fat cows cleared at \$9 to \$11,  
 with some heiferish kinds to \$12.  
 Cannors and cutters drew \$5.50  
 to \$9, some odd shells down to  
 \$5. Bulls drew \$8 to \$12, odd  
 heads above and below that  
 range.

Fat calves of good and choice  
 kinds sold mainly from \$12.50 to  
 \$15, with some around 4500 lbs.  
 and overly strictly fat kinds to  
 \$15.50 to \$16. Common and  
 medium sorts sold from \$9 to \$12,  
 with culls from \$6 to \$9.

Good and choice stocker steer  
 calves sold from \$12 to \$16.50,  
 and plainer kinds sold around \$9  
 to \$11. Stocker and feeder steers  
 and steer yearlings cashed at \$9  
 to \$15.50. Stocker cows were slow  
 at \$8 to \$12.

Many financial backers of stock  
 men are dropping broad hints at  
 this time to the effect that feed  
 bills of the size of those paid last  
 year can not be financed by them  
 this year.

This situation may result in  
 heavier than planned liquidation  
 of herds in many cases. It will  
 surely result in increased pressure  
 for cheap feed through a govern-  
 ment program.

The financiers take the stand  
 that a cow or ewe that already is  
 carrying a heavy feed bill from  
 the past two or three years of dry  
 weather can very easily "eat her  
 entire value up between now and  
 spring."

Hog prices were 25c higher, to  
 25c lower at Fort Worth Monday.  
 Shippers and small packers paid  
 the higher prices, while major  
 packers followed the Northern  
 trend into a lower market.

Top hogs sold for \$24 to \$25 at  
 Fort Worth, this compares with  
 a top of \$23 to \$23.60 at Chicago  
 the same day. Sows at Fort Worth  
 drew \$20 to \$22, and were 50c  
 off.

Lambs climbed 450c again at  
 Fort Worth Monday and topped at  
 \$19. These lambs came from  
 Brewster County and weighed 82  
 pounds.

Good and choice lambs sold  
 from \$17 to \$19, cull, common to  
 medium kinds drew \$10 to \$16.  
 Feeders sold around \$12, and are  
 quotable to \$13.50. Old ewes drew  
 \$4.25 to \$6. Old wethers and two's  
 sold from \$7 to \$9. Fat yearlings  
 drew \$11 to \$12.

By the way, last week some  
 lambs from Brewster county (Big  
 Bend Country) and a long way  
 from Fort Worth, came in and  
 sale weights was within a pound  
 and a half of the weight when  
 they left home. They really took  
 to the alfalfa hay and water to  
 make a remarkable small shrink  
 like that.

Thousands of Great Plains Cotton Growers SAVE \$20 to \$40 A BALE

with JOHN DEERE TWO-ROW COTTON HARVESTERS

For years, on thousands of Texas farms, the John Deere No. 15 Two-Row Cotton Harvester has been saving more cotton and delivering it cleaner than the average hand puller—at a cash saving of from \$20 to \$40 per bale. It eliminates uncertain hand labor and gets the crop to the gin ahead of bad weather.

This year with a labor shortage more acute than ever before, protect yourself against high harvest costs and cotton losses by ordering a John Deere now. You'll find this remarkable harvester will pay for itself in just a few days.

# Rochester News

By MRS. JAMES A. GREER

Mr. and Mrs. F. E. Tibbets, Mrs. V. F. Bowman and Flo Tibbets visited Mr. and Mrs. Regan Butler at Houston recently. The party also went sightseeing at Galveston while there.

Mr. and Mrs. L. B. White attended the marriage of Mrs. White's niece, Laverle Scott to Henry Lee Taylor at Waco Saturday, Sept. 26.

Mr. and Mrs. Chas. Haney and children of Munday visited Sunday with Mrs. Haney's parents, Mr. and Mrs. L. B. White.

Wm. Porter of Texas Tech, spent the week end here with his mother, Mrs. Bess Porter.

Dan Smith student at Baylor University was home for the week end.

Mrs. Guy Marshall who recently underwent major surgery at a Temple hospital is reported to be improving satisfactorily.

Mrs. Cecil Meadows has recently been added to the Rochester school faculty. She has been assigned to instruct the overflow classes of the first and second grades.

Donis Paul Melton, son of Mr. and Mrs. Paul Melton of Rochester, is spending a 15-day furlough here with his parents and also visiting his sister, Mrs. Jack Gauntt and family. Donis Paul has finished his training at Wichita Falls Air Base and will report to Waco Army Air Base for further training following his home stay.

Mrs. Bill Ballard and son, Lanny, of Spur are spending the fall in Rochester. They have an apartment in the home of Mrs. Geo. Ballard.

Chelle Sue Bragg of Dallas visited her parents, Mr. and Mrs. W. J. Bragg over the week end. Other visitors in the Bragg home Sunday were their son, Marshall Bragg and family and Mr. Cooner, all of Spur.

Mr. and Mrs. J. D. Smith are spending the week with their daughter, Mrs. A. C. Adams and family at Stephenville.

Mr. and Mrs. Geo. Hardberger of Knox City visited with Mr. and Mrs. J. E. Mangels Sunday. Mr. and Mrs. Shelby Worley of Carlisburg, N. M., were recent visitors of their parents, Mr. and Mrs. Henry Burleson, and Mr. and Mrs. Kay Worley.

R. A. Greenwade visited his daughter, Mrs. Parks Bell and family last week at Fort Worth.

Mrs. Oma Jones, pastor of the Rochester Foursquare Church was hostess at a dinner Monday night at the Johnson Cafe for Wichita Valley District Ministers of the Foursquare Church.

Following the welcome of Mrs. Jones, a business session was held at the church.

Attending the meeting were Pastor, Florence Pool of Hamlin, Pastor and Mrs. Curtis Stamford, Pastor Katherine Byrd and husband of Haskell, Pastor and Mrs. Frazier of Weinert, Pastor and Mrs. McCullen of Abilene, Pastor and Mrs. Floyd Bailey of Knox City, Pastor Alice Harrell, Pastor and Mrs. Dawson, evangelists and Mrs. Jones.

Mr. and Mrs. J. H. Parsons attended the funeral of Howard J. Fry at Abilene Monday afternoon. Mr. Fry who is the father of R. C. Fry, son-in-law of Mrs. Parsons, died Saturday at Hendricks Memorial Hospital after a long illness.

Funeral services were held at Elliott's Chapel of Memories at four o'clock with the Rev. Sterling Price, pastor of University Baptist Church, assisted by Rev. W. C. Ashford, retired Baptist minister. Burial was made in the IOOF Cemetery.

Rev. Cecil Meadows and J. C. Collier attended a meeting of the 17th District at Cisco Friday Oct. 2. Rev. Meadows conducted the adult Sunday School Conference at the meeting. He is pastor of

the Rochester Baptist Church. A Stewardship meeting of the Haskell-Knox Baptist Association was held at the Rochester Baptist Church Monday night.

Out of town speakers for the meeting were W. F. Howard of Dallas and Jev. James Riley of Paris. A film strip on Stewardship was shown.

The local Baptist ladies served a 6 o'clock dinner at the church.

## Pvt. Joe Mansker Is Transferred to Army Air Force

Pvt. Joe T. Mansker, of this city, who entered the Army in July and has been stationed at Camp Chaffee, Ark., has been transferred to the Army Air Force, his parents, Mr. and Mrs. A. J. Mansker of this city learned in a letter from him this week.

Pvt. Mansker has been assigned

## Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

to Gary Air Force Base at San Marcos, where he will receive specialized training at an Air Force mechanics school. Before entering the Army last summer, Pvt. Mansker engaged in farming and also worked for a while at the Nig Bartlett service station.

Tests conducted at the Spur Experiment Station show that moisture penetration was doubled on cropland when cotton burrs were spread on the land. The mechanization of cotton harvesting is making more of this material available each year. Plenty of organic matter in the soil is an aid for fighting drought.

Starting to build? Then insure today.

Anybody who starts to build anything should get "builders risk" insurance the day he starts.

It protects you against loss of a partially built building by fire or lightning. A workman's torch, a loiterer's cigarette, a brush fire or a bolt of lightning may wipe you out before you even get started.

And, though you have a bona fide contractor who has provided for payment of employees' compensation, you should also have liability insurance to protect you against accidents to members of the public.

# BUY BIG for less than you think

Come in and ask us about the low delivered price of this New 1953 Buick SPECIAL 2-Door, 6-Passenger Sedan

WHY should you do yourself out of the big things in motoring life? Why pass up the room and power and comfort and niceties of big-car travel—when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars? We'll show you our price to prove that—to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price three."

Figure what that means—  
Just a few dollars more for a lot bigger hoodful of power—Fireball 8 power—the highest horsepower ever placed in a Buick SPECIAL.  
Just a few dollars more for big and spacious 6-passenger roominess—and the solid, steady comfort of Buick's famed Million Dollar Ride.  
Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.  
But do you know what else those few extra dollars get you in this big, broad, beautiful Buick?

## THE GREATEST BUICK IN 50 GREAT YEARS

They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras—which makes our quoted price even lower than it looks. We have the facts and figures to prove our points. All we need is you, at the wheel. Drop in on us this week and see for yourself that your new-car money really buys big—in Buick.

MILTON BERLE stars for BUICK—in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, tune in the TV Football Game of the Week—a "GM" Key Event

**Thrill-Packed State Fair Will Open In Dallas Saturday**

America's greatest fair will open in Dallas Saturday, Oct. 10, with a glittering assortment of shows, exhibits, attractions and special events designed to turn the heads of all the Southwest toward the glamorous 1953 edition of the State Fair of Texas.

It is possible that 2,500,000 visitors may crowd the magnificent 187-acre, \$35,000,000 showgrounds during the 16 days of the exposition to shatter the national attendance record of 2,387,140 set by the fair last year. Opening day will be one of the biggest, with the traditional Texas-Oklahoma football game in the mammoth Cotton Bowl stadium.

**Bank Will Observe Legal Holiday On Monday, Oct. 12**

Monday, Oct. 12—Columbus Day—will be observed as a Legal Holiday by the Haskell National Bank, which will be closed for the entire day.

However, for the convenience of cotton producers of the Haskell area someone will be at the bank throughout the day to handle cotton loan forms, bank officials announced.

With this exception, no other banking transaction will be handled. Due to the fact that the holiday comes during the week end, business men and other bank patrons are requested to keep the closing date in mind.

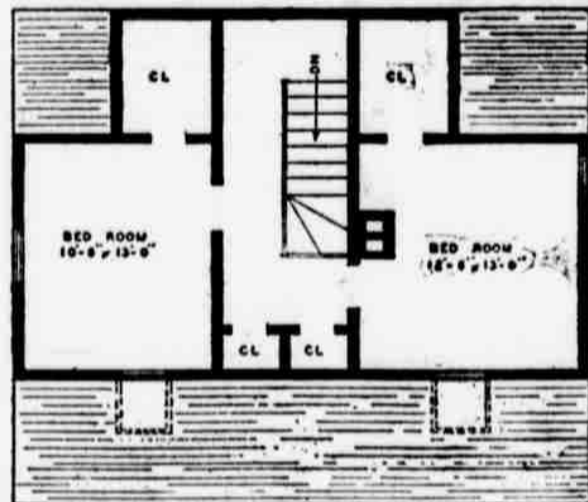

**Band Boosters To Complete Work On Concession Stand**

Plans were made to complete work on the concession stands in Indian Stadium, at a meeting of Band Boosters held Tuesday night at 7:30 in the Band Hall. Twenty-three members were present at the meeting.

Signs were presented to the organization by "Doc" Brady giving a list of items sold in the stands, and prices.

Volunteer helpers are still needed to help in the stands during the home games. Volunteers are requested to contact Mrs. Clay Hattox or Mrs. Carl Anderson.

Next meeting of the organization will be held at the Band Hall Monday, Oct. 26, according to an announcement by Clay Hattox, president.

**Expandable, Two-Bedroom House**

If your family is small or large here is a plan that offers you a lot of house for a small initial cost. If the family is still small, only the first floor need be completed when the house is built. When more space is needed, the two closets on the first floor can be removed and there is adequate room for a stairway which will provide convenient access to the second floor. You will be amazed at the small amount of money required to complete the two bedrooms and large closets on the second floor at some future date.

This house was designed to hold the winter fuel bill down. Any heat lost through the ceiling of the first floor will help warm the rooms above and the compact arrangement prevents any excessive heat through the walls. A full or part basement can be very conveniently made under this house. If the basement is used, a gravity flow furnace could be centrally located and the minimum of metal or duct work would be required.

The kitchen is provided with three windows to make it a light and pleasant place to work. There is a lot of work counter and storage space. The chimney in the kitchen will not only serve for a furnace in the basement but can also serve the kitchen stove or for a space heater which might be placed in the living room.

The small bedroom or future workroom on the first floor will make an ideal space for a freezer chest laundry equipment or for storage after the two bedrooms on the second floor have been finished.

The porch at the end of the living room will serve as a very comfortable spot on summer evenings and will also make the living area seem larger during warm weather. It can be screened without detracting from the appearance of the house.

You can obtain blueprints for this Haskell Free Press-Farm & Ranch House Plan No. 4913 and handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch, Dept. L-98, Nashville 1, Tenn. Order by number, plan #913. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

**Several Students Home For Week-End Visits**

Several students from Haskell attending various schools and colleges were home last week end to visit relatives and friends.

From Baylor University, Waco, were Mary Beth Payne, Diane Clare and Edgbert Smith.

From Austin College, Sherman, Miss Rosalie McCall.

From North Texas, Denton, Tommy Robison.

From Hardin-Simmons, Abilene, Donald Dickey.

**Local Olds Dealer Attends Dealers Meeting**

Mr. and Mrs. John Darnell spent several days last week in Oklahoma City, attending a regional meeting of Oldsmobile dealers and factory representatives.

Dealers were given an outline of new features and styles to be embodied in the new 1954 Olds, a list of items sold in the stands will be introduced in January. They brought back two new cars for delivery to local purchasers.

"Myriad" literally means ten thousand.

Gregarious animals are those that live in flocks or herds.

"Gin" as used in cotton gins is an abbreviation for engine.

### Caron Sue Guess Given Party On First Birthday

Caron Sue Guess was honored on her first birthday Monday afternoon by her mother, Mrs. Lindo Guess, with a party in the home of Mrs. R. B. Guess at Mattson. Pictures were taken and refreshments of birthday cake and ice cream were served to ten young guests and their mothers and aunts.

Present were Mrs. Leo Prater and Michael Lane, Mrs. Joe Davis and Diana Kay, Mrs. Jake Stewart and Eddie Gene, Mrs. J. A. Mayfield, Arch, Evelyn and Alexia Wynn, Mrs. V. C. Derr, Mrs. Clyde Mayfield, Mrs. W. B. Guess and Mrs. R. B. Guess.

### Hospital Nurses Group Meeting Held Tuesday

The LVN's met in a regular business session Oct. 6 at 7:00 in the dining hall of the Haskell County Hospital with 11 present.

Mrs. Watson, Mrs. Hamilton and Mrs. Kingston, delegates to the LVNA convention, which was held in San Antonio Sept. 26-27, gave an interesting report. Mrs. Adams also a delegate was unable to be present due to illness.

Two visitors, Mrs. Merchant and Mrs. Johnston, LVN's of Knox City also met with the group.

### Luncheon Friday Marks Opening of '53-54 Club Year of Haskell Magazine Club

The Magazine Club opened its new club year with a luncheon Friday, October 2. Members of the club were greeted by Mrs. Jack Phippen, new president for 1953-54 and Mrs. G. H. Hauser, Jr., first vice president.

Upon entering the club house one had a sudden realization that fall is truly here. The tables for the luncheon were covered in brown with pycnantha berries, fruit and vegetables depicting the "harvest of plenty" laying along the inside of the tables which were arranged in a banquet manner adding to the glory of the colors by their natural beauty.

In the center of the room was a table covered in gleaming gold satin from which the luncheon was served buffet style.

Mrs. Phippen welcomed the club and challenged them to make this a great club year by working together. She introduced Mrs. Hauser, director of the program and chairman of the study course committee. She presented the club the new yearbooks and briefly outlined the year's study, "Everyday With Women." Mrs. Hauser introduced Mrs. Brooks Middleton, the guest artist for the afternoon. Mrs. Middleton, native of Rotan, graduate of Texas Tech, and former teacher in Haskell Schools, gave a most entertaining review of "Snips and Snails" by R. Baker. Mrs. Middleton explained at the beginning that the book was about the author's ex-

## NEWS OF INTEREST TO WOMEN

### Maybelle Taylor Intermediate GA's Meet Oct. 5th

The Maybelle Taylor Intermediate G. A.'s met Oct. 5 at 4 p. m. at the First Baptist Church. The new officers were elected: President, Norma Jean Gipson; vice president, Sara Sue Robertson; secretary, Robbie Lou Robertson; Gayle Adams; program chairman, Wynette Sherman.

The counselor is Mrs. Gentry Middleton. All members are urged to attend next Monday.

### East Side Baptist W. M. U. Meets For Bible Study

Those present were Meses: Sarah Holt, Joanna Lewis, John Lamkin, Fred Howard, Nancy, Frankie Gay, Lena Denny, Eula Daniels, Tom Mercer. Closing prayer was led by Mrs. Fred Howard.

### Miss Marilynn Smith Is Bride of John Wesley Earp In Weinert Church Rites

—Photo by Zeima

#### MRS. JOHN WESLEY EARP, III

An arch of greenery formed the background for the double-ring wedding ceremony uniting Miss Marilynn Jenell Smith and John Wesley Earp III at the Weinert Methodist Church Saturday, Rev. Max Copeland officiated.

The former Miss Smith is the daughter of Mr. and Mrs. Chester Smith of Weinert. Mr. Earp parents are Mr. and Mrs. J. W. Earp, also of Weinert.

Miss Ann Derr and Miss Sue Guess were bridesmaids and Mrs. Alton Dunnam, sister of the groom, acted as matron of honor. Best man was Wilburn Earp, brother of the groom of Pampa.

The niece of the groom, Miss Vickie Heiskell and the cousin of the bride, Phil Strickland, were candlelighters. Kay Blackwood, cousin of the bride, Dallas, was flower girl.

Ushers were Delton Smith, brother of the bride, Joe Don Hulm of Breckenridge, cousin of the bride, and Alton Dunnam, brother-in-law of the groom.

Besides the arch of greenery, baskets of white chrysanthemums and carnations with white tapers decorated the church.

The bride, given in marriage by her father, was gowned in white satin lavished with scalloped imported French lace. The floor-length dress featured lace on the fitted bodice and seed pearl embroidery. The lace appliqued sleeves, the lace panels in the full, gathered skirt and the illusion yoke with sweetheart neckline highlighted her frock.

Her fingertip veil of illusion was caught under a cap of white satin with lace applique border and embroidered in seed pearls. Stephanotis and white orchid formed the bride's bouquet.

Two matching net overskirts were attached to the strapless, rose taffeta dress worn by the matron of honor. Small shoulder capes fastening at the neck. She wore a bonnet of matching net.

In pale pink and dark pink, the bridesmaids' dresses were styled identical to that worn by the matron of honor. Their colonial bouquets were of chrysanthemums.

The net and taffeta dress worn by the flower girl was identical to the bride's gown in design. She carried a basket of rose petals. Crystal candelabra, greenery, and the bridesmaids' bouquet dec-

orated the white serving table during the reception held after the ceremony in the home of the bride's parents.

For a wedding trip to Colorado Springs and Denver, the bride wore navy wool gabardine with navy accessories. Her corsage was a white orchid.

The bride and groom are graduates of Weinert High School. Mrs. Earp attended Hardin-Simmons University and Midwestern University. Mr. Earp attended Hardin-Simmons University prior to 14 months in the armed service in Germany. He received his discharge in October, 1952.

The couple will make their home in Weinert.

The week of October 4 to 10 is National Fire Prevention Week and a mighty good time to commence a farm fire program on a farm and community basis.

### Essay Winners Presented Awards At Progressive Study Club Meeting

A styrofoam Statue of Liberty surrounded by miniature flags on the speaker's table set the theme for the Progressive Study Club meeting Thursday, Oct. 1, in the Homemaking Cottage.

Mrs. Jas. E. Ferguson, Americanism chairman, was director of the program. She spoke on the Americanism campaign being conducted by the General Federation of Women's clubs, and explained the objectives of the Independence Hall restoration project.

Mrs. Ferguson then presented the night's honor guests, Misses Jeanie Strickland and Robbie Lou Robertson, Haskell students, with cash prizes for their essays on "What America Means to Me." The girls read their essays, which will be forwarded to Washington to compete for national awards.

Also on the program was Mrs. Hugh Ratliff, who spoke on the Cradle of Liberty (Independence Hall in Philadelphia). She commented on the many historic events which took place in the Hall during the formation of our Republic. Mrs. Ratliff described some of the rooms in the Hall, and pointed out that this shrine of liberty is worth preserving by restoring authentically.

Mrs. Robert Wheatley presided during the semi-annual business meeting, which followed the program. Members answered roll call by giving a parliamentary rule. Officers and committee chairmen reported. The Federation Counselor, Mrs. R. W. Herren, used as the title for her monthly report, "Realizing 100% in the Federation."

The hostesses, Mrs. Lynn Waldrup and Mrs. Leland Whittington, served a coffee plate to six guests, Misses Robertson and Strickland, Mesdames James Johnson, Leon Burson, T. B. Robertson and Dave Strickland, and the following

members: Mesdames Coburn, Currie, Davis, Elliott, Felker, Ferguson, Flournoy, Foote, Herren, Holden, Kemp, Lawson, Perry, Pippin, Pitman, Ratliff, Waldrup, Wheatley and Whittington.

### Josselet HD Club Elects Officers For 1954

The Josselet Home Demonstration Club met in an annual business meeting Tuesday Sept. 23 at the club house. Officers elected for 1954 are as follows: President, Mrs. Laton Robertson; vice president, Mrs. J. B. Dunnam; secretary, Mrs. J. A. Cain; treasurer, Mrs. C. A. Thomas; reporter, Mrs. Ervin Ledhe; parliamentarian, Mrs. W. C. Norton; and council delegate, Mrs. Louise Merchant.

Those present were Mesdames J. L. Tolliver, Jr., Louise Merchant, J. B. Dunnam, C. A. Thomas, J. L. Tolliver, Sr., J. P. Ferrin.

Carl Bailey and the hostess. Each member is urged to be present at the next meeting Oct. 13 at 2:00 o'clock at the club house to draw names for club pals.

### Mrs. Lela Burson Hosts Meeting of Sewing Club

The Rainbow Sewing Club met in the home of Mrs. Lela Burson Oct. 6 at 2:30 p. m. for their regular meeting.

The meeting was called to order by the out going president, Virginia Flournoy. Sallie Patterson had charge of the installation of officers. Essie Bland led the group in singing several songs. Sallie Patterson gave the thought for the day and Essie Bland drew the hostess gifts. Gifts were presented to out going officers.

The club will have a Thanksgiving supper Nov. 24. Ice cream and cake was served to the following members: Meses, Eva Pearsey, Ethel Edwards, Sallie Patterson, Essie Bland, Virginia Flournoy, Edna Johnson and the hostess.

### Blue Bonnet HD Club Has All-Day Meeting

The home of Mrs. J. M. Anderson was the scene of an all-day meeting of the Blue Bonnet HD Club Tuesday, Oct. 6.

Mrs. Howard Overby called business session to order and Think We Can Improve Our Procedure. Annual reports of officers and committee chairmen were given which always bring recognition to club members.

Club officers for 1954-55 elected: President, Mrs. C. Carpenter; vice president, John Wendeborn; secretary, Raymond Astin; council chairman, Mrs. Howard Overton; Mrs. Dewey Hewitt, parliamentarian, Mrs. A. C. Damon.

Present or the meeting eight visitors and eight new members. The next meeting will be held Nov. 24.

Mitchell's fiftieth Date

Marion F. Mitchell, D. who moved to Haskell, observed their anniversary Sunday in the home of Mr. and Mrs. E. J. and Mrs. H. H. Mitchell, Jr. of Midland; Mr. and Mrs. Leonard Williams, Mr. and Mrs. Robert Perry of Hamilton, Mr. and Mrs. Bill Nettleton, Bill and Ann of Fort Worth; Sgt. and Mrs. David Raney of Fort Bliss.

Three WSCS Circles Meet In Home of Mrs. Bill Holter

Members of the three circles of the Woman's Society of Christian Service of the First Methodist Church met in the home of Mrs. Bill Holter, at 7:30 p. m. on Monday Oct. 5th. The meeting was called to order by the chairman of the Mother's Circle, Mrs. James Ferguson. Mrs. Bill Holter, secretary pro tem called the roll and read the minutes. The first of the study course series, The Life and Task of the

SOCIETY

Weinert W. M. S. Meets For Royal Service Program

Weinert WMS met for Royal Service program at the church Monday at 2:30. Mrs. Eddie Sanders directed the program on A Sinful World—A Sufficient Saviour. Opening prayer was led by Mrs. C. F. Oman. A hymn, Jesus Saves, was sung by the group. A duet, Tell It To Jesus, was sung by Mrs. J. W. Liles and Mrs. R. H. Jones. Others on the program were Mmes. R. C. Liles, E. F. Raney, C. J. Williamson, G. C. Newsom, C. T. Jones, W. B. Guess, J. A. Mayfield and Mrs. C. C. Childress who led the closing prayer. Other members present were Mmes. Jim Crawford, Temple Lewis, A. J. Sanders and O. W. Vaughn.

Maybelle Circle Meets With Mrs. Frank McCurley

The Maybelle circle met in the home of Mrs. Frank McCurley Oct. 5 in Bible Study with 10 ladies present. Those present were Mmes. Cain, McCurley, Perrin, Chas. Smith, K. D. Simmons, Jno. Couch, Akin, C. A. Merchant, Massey, Whatley. The meeting was opened with the group singing, The Great Physician. Mrs. Massey led in prayer. Mrs. O. O. Akin was appointed community chairman; Mrs. K. D. Simmons was appointed benevolence chairman; Mrs. Whatley had charge of the lesson. Women Who Helped Establish Christ Church. Mrs. K. D. Simmons dismissed the group with prayer. The next meeting will be Oct. 19 in the home of Mrs. John Couch.

Rainbow Sewing Club Meets With Mrs. Johnson

The Rainbow Sewing Club met in the home of Mrs. W. E. Johnson, Sept. 28 for an old fashioned quilting party. The quilt was pieced and given to Mrs. Johnson by mother Wright some time before her passing away. At the noon hour dinner was announced and all gathered around the dinner table. Thanks were given by Stella Josselet and a delicious meal was served by Mrs. Johnson and Ann Taylor. After dinner the ladies returned back to complete the quilt. Ice drinks were served and the good-byes were said. Present were Mmes. Eva Pearsey, Ethel Edwards, Ann Taylor, Sally Patterson, Virginia Flournoy, Thelma Adams, Stella Josselet, Lillie Bynum, Essie Bland and the hostess.

Littlefield Visitors Spend Week-End In Haskell, Merkel

Henry Arend and Mrs. Bill Zahn of Littlefield accompanied their mother, Mrs. Martin Arend to Merkel Wednesday of last week to visit her husband, Martin Arend who is convalescing in the Julia Lawson Convalescent Home. After spending the afternoon with Mr. Arend they came to Haskell and spent the night with Al Arend and family. Mr. and Mrs. Bill Arend and Mr. and Mrs. C. Brueggeman and daughter, Sandra were also visitors in the Al Arend home Wednesday night. The Littlefield party left Haskell Thursday morning to return to Merkel to spend Friday morning with Mr. Arend before returning to Littlefield. Mrs. Arend is very happy to inform their many friends of Haskell that Mr. Arend is doing fine and so pleased of his progress he has made there and that he would enjoy hearing from his friends. His address is Martin Arend, care Lawson Rest Home, Merkel, Texas.

Church Around the World, was directed by Mrs. Jean Elliott. Mrs. Elliott led the group in a song, My Faith Looks Up to Thee, accompanied by Mrs. O. E. Patterson at the piano. This being followed by a scripture reading and prayer. Those taking part on the program were Mrs. James Ferguson. Mrs. Ferguson spoke on the Willingen Conference. Mrs. John Martin talked about the Development and Growth of the Christian Church in Africa. Mrs. Ernest Kimbrough spoke on the United Nations. The program was closed with the group singing the hymn, An Evening Prayer. The hostesses for the evening Mrs. Bill Holter and Mrs. James Ferguson served refreshments to Mesdames John Martin, Jean Elliott, Ernest Kimbrough, Joe Harper, W. J. Kemp, Richard Bischofhausen, Hugh Ratliff, Roy Cook, Guy Kennedy, H. L. Perkins, Willard Warren, Bill Wilson, Ethel Irby, Ollie Freeman, O. E. Patterson, J. G. Vaughter, Hudson Pitman, Dave Persons, D. V. Herbert, W. A. Johnson and Cecil Gregory. Increase crop yields by planting legumes.

HOSPITAL NOTES

Relatives and friends are requested to observe the following schedule of visiting hours: 9 to 10:30 a. m.; afternoon 3 to 4 p. m.; evening 6:30 to 8:30. Registered as patients in the hospital Thursday morning were: Mrs. Mary Hamilton, medical, Haskell. Debra Nelson, medical, Munday. Yolanda Lopez, medical, Haskell. Ester Fuentes, medical, Haskell. W. H. Jones, medical, Haskell. Frank Spencer, medical, Haskell. Mrs. I. M. Strickland, medical, Haskell. Mrs. Morris Neal, medical, Rule. Mrs. R. V. Black and infant son, Haskell. Troy Lee Crawford, medical, Haskell. DISMISSED: Thelma Adams, Haskell; Mrs. E. L. Letz and infant son, Old Glory; Mrs. Don Smith and infant son, Rule; Mrs. Bob Colbert and infant daughter, Rule; Mrs. Victor Lowery and infant daughter, Athens; Mrs. Boles and infant daughter, Rule; Mrs. G. B. Miller and infant daughter, Rule; Mrs. Billie Couch and infant son, Haskell; Lyndon Norman, Haskell; Mrs. B. L. Hunt, Rule; Jean Lusk, Haskell; Dock Jamerson, Haskell; Jaine Black, Rule; Jack Burns, Haskell; Troy Pierce, Spur; Mrs. W. E. Bland, Haskell; Mrs. L. Bishop, Haskell; Mrs. O. E. White, Stamford; E. M. Hall, Weinert; S. T. Buford, Haskell; Mrs. Fred Campbell, Rochester; Mrs. O. L. Howard, Rule; Max Lozaria, Haskell; Mrs. Jennie Blair, Rochester; W. J. Lane, Haskell; Mrs. J. F. Dodson, Jud; Ellen Adams, Rochester; Mrs. Emory Anderson, Haskell; Mrs. A. Hunt, Rule. Eventually toll roads will connect Houston, San Antonio, Dallas and Wichita Falls. The Texas toll roads will link with other expressways to Okalahoma, Missouri, and the East.

TEACHER OF THE WEEK

Mrs. Bill Nellums was born and reared in Haskell County where she has lived most of her life. She attended Weinert High School for awhile but graduated from ACC Academy in Abilene, Texas. After graduation from John Tarleton Agricultural College in Stephenville, Texas, Mrs. Nellums attended NTSTC a short time. Later she entered Hardin-Simmons University where she received her B. S. degree in Education. She is a member of the First Baptist Church in Haskell, of the Progressive Study Club, of the TSTA and of the Elementary P-TA.

MRS. BILL NELLUMS

Mrs. Nellums entered the teaching profession in 1944 in the Irby school, Haskell County. After completing two terms there she came to the Haskell Public School System teaching fourth grade, the position she now holds. The fourth grade in Mrs. Nellums' room is studying "The Growth of our Community." Each child is making a booklet in which to collect all interesting facts. The booklet is tied with red, white and blue, our national colors. First an outline was furnished for the children to copy for their books. This way each child knew what to look for or ask for. As the first topic was "History" each child who knew a pioneer in Haskell to visit brought a report of facts. They secured information from the city and county officials as to the size in area and population of both their town and county. Also they learned the annual rainfall of Haskell for the year 1952 and of 1953 up to the present time. This was all recorded in the booklets. During this study they learned about climate and seasons. Here, the science of what causes seasons entered into the study.

"Location" was their next main topic since the distance from the equator has a bearing on the seasons. At this time they studied maps of Haskell with surrounding counties and of Texas locating boundaries, rivers, large cities, and Haskell. They drew and made "four and salt maps of Texas." The children have drawn six flags of Texas and Old Glory, coloring each flag. The Pledge to the Flag has been memorized and written under the flag. Other memory work has been a prayer, "We Thank Thee," a short verse about the mocking bird, our Texas State Bird; and the songs, "Texas Our Texas," "The Eyes of Texas," "Have You Ever Been To Texas In The Spring," and "Home on the Range." Three patriotic records have been bought and several other cowboy ones have been played on the phonograph for enjoyment. Fifteen books of cowboy, Indians or other subjects about our country were placed on the top shelf of the library. The children have read many of these books, while the teacher read others for them. During the time, children have collected pictures of birds, flowers, and other vegetation of our county. They have drawn pictures of the pecan and mesquite trees and many of the wild flowers of Texas including the Texas Blue Bonnet. Poems have been copied or pasted in the booklets. Pictures of the farming, ranching, and oil industries in Haskell

County have been collected. A vocabulary of 30 new words has been furnished the children to use in writing their information. In collecting and writing the information the children have learned to read and write dates better and to solve ages from given dates. They studied the reading of four or five place numbers, learned to write abbreviations of measurements. They were introduced to outlining, and received practice in sentence structure and paragraphing. Finger Paintings of Texas flowers, cowboy boots, prairie grasses, etc., were made. Even though all books were not finished by last Thursday morning the room had a great treat that they shared with the other fourth grades, the third and fifth grades, when Mrs. Ben Charlie Chapman gave a very interesting and informative talk on "The Early Days and Growth of Haskell." Thursday afternoon the group visited the Haskell Free Press office and watched our home town paper printed.

A. C. Orr Observes 87th Birthday On October 4th

Relatives and friends gathered in the home of Mr. and Mrs. W. L. Holt Oct. 4 to celebrate the 87th birthday of A. C. Orr, Mrs. Holt's father. Lunch was served to 52 guests at the noon hour. Mr. Orr opened gifts after lunch. Seven of the nine children were present. Mrs. Leah Winingham of Post, Mrs. Pauline Crawford of Peabody, Mass., was unable to be present.

repair a broken staircase or ladder and cheaper to provide adequate lighting than to repair or rebuild a broken body. Three factors may hold the answer to how much time will be required to rebuild the depleted and drouth stunted ranges of the state. Research done at the Sonoma Experiment Station show the drain of past grazing, the kinds of grasses and the management practices used after rains finally broke the long dry spell to be of prime importance. To get the greatest total production of forages containing the highest percentage of protein and minerals and the longest growing season, the planting of a combination of a grass and a legume is recommended for the winter pasture. Broiler production in Haskell County has increased six fold during the past four years. Last year's estimated income from broilers in the area reached \$33 million.

Water will get top billing in the 1953 agricultural exhibits of the State Fair of Texas. Each of the 12 Extension Service districts will feature a different phase of how water is used in present day agriculture.

Falls are the chief cause of accidents in the home and 14,400 people were killed last year from falls. Remember, it is easier to

### Mahon Cites Dangers Involved In Cotton Acreage Control Program For 1954

Congressman George Mahon reports that many cotton farmers have expressed concern over the anticipated impact of the cotton acreage control program which is expected next year. Mahon has issued the following statement on the situation:

"I think the concern over the administration of the anticipated cotton acreage control program is well founded. The principal difficulty arises over the question of what weight should be given to the drouth in making allotments. Aside from the drouth many difficulties and inequities are in prospect.

"Congress provided in the law that abnormal weather conditions

to a cover crop of feed or otherwise. Upon that basis reasonably fair allotments could be made. Likewise it is important that the effect of the drouth be considered for the previous dry years included in the base period.

It is true that cotton acreages in 1953 will not be considered in arriving at allotments for 1954 but the year 1953 will be taken into account fully in following years and the matter is of the greatest importance. If we have an acreage control program in 1954, the county allotments will be based upon the previous three year period, excluding 1953.

I am advised that the county PMA officials have considerable information on hand in regard to the facts of the situation and I have again addressed a further appeal to PMA officials in Washington and College Station, urging that the true facts be ascertained and taken into consideration in any future control programs. I have pointed out that several hundred thousand acres of cotton land are involved in this problem and the welfare of thousands of cotton farmers.

Recently I have suggested to county officials of the PMA that if possible they take the initiative in certifying to the State office a figure which includes actual cotton acreage which would have been planted except for abnormal weather conditions."

### Pupils In Fourth Grade Visit Free Press Office

Mrs. Bill Nellums and a group of her pupils in the Fourth Grade of Haskell Elementary School visited The Free Press office and plant Thursday afternoon.

The children took much interest in the operation of the newspaper press and folder in printing and turning out complete newspapers, and were fascinated by the mechanism of the typesetting machine in molding lines of type bearing the name of each pupil.

Students visiting the plant included:

Joy Ann Moore, Jan Renfro, Joy Lue Naron, Jessie Maud Isbell, Pollie Greene, Linnie Trussell, Martha McFadden, Patsy Robertson, Charlotte Redwine, Mollie Terrell, Cathleen Fancher, Gwen Owens, Volley Ivy, Aubrey Thomas, Judy Grindstaff, Kenneth McCollum, David Harris, David Honea, Jack Hutson, Betty Sue Williams, Tommy Hester, Tommy Furrh, J. N. Gibs, Geraldine Bayless, Jerry Hadaway, Shirley Smith, Shirley Young, Phyllis Cooper, Ronald Frierson, Roger Anderson, LaVerne Jones.

FRED AND CAROL DAWSON

Evangelist Fred and Carol Dawson will conduct a revival at the Foursquare Gospel church here from Wednesday, Oct. 7 through Sunday, Oct. 18.

Services will be held daily at 7:30 p. m. There will be no service Monday night, Oct. 12.

Katherine Byrd, pastor, and members of the church invite the public to attend the revival services.

### HASKELL VISITORS

Mr. and Mrs. J. W. Hamilton and son, Lewis Boyd, of Taft, Texas, visited their mother and grandmother, Mrs. L. M. Hamilton who is a patient in the Haskell County Hospital, this week. They also visited in the home of Mrs. J. W. Hamilton's parents, Mr. and Mrs. A. Y. Corley.

### Organic Materials Helps Make Soils Drouth Resistant

Although Texas farmers and ranchmen are not able to have "made-to-order" weather, recent tests indicate certain practices which increase the moisture penetrating capacity of the soil greatly aids in making land more drouth resistant.

Tests conducted at the Spur Experiment Station show that moisture penetration was doubled where cotton burrs were spread over experimental plots the previous spring. Soil moisture also was increased on grass land treated with sorghum litter and barnyard manure.

Cotton burrs returned to the soil at a rate of 4, 8 and 10 tons to the acre increased moisture penetration to 28, 30 and 39 inches, respectively. Plots not so treated had water storage and penetration of only 16 inches. The burrs not only increase water storage and penetration, but contain nitrogen, phosphorus and

potassium, essential soil elements. The returning of this "waste" product actually pays off in dollars and cents. Long time records at this station indicate yield of lint cotton primarily depends on the depth of moisture at planting time. Cotton yields in 1954 on burr

treated plots are expected to be about 175 pounds an acre compared to 50 pounds from untreated areas provided moisture conditions at planting time equal those existing when the tests were made.

In grassland tests on heavily

grazed buffalo grass, where 10 tons of barnyard manure to the acre was applied in 1952, moisture reached 30 inches. Moisture penetrated to 18 inches where sorghum litter was spread, but only nine inches on grassland where no organic moisture was applied.

A message to every prospective new car buyer:

## You can have the most popular automatic transmission to be found in any low-priced car Chevrolet's Famous 1953 Powerglide!\*

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

**Much More Economical**  
Chevrolet's 1953 Powerglide Automatic Transmission\*-teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you entirely new operating economy in city driving and on long trips.

**Far Livelier Getaway**  
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in seconds.

**Important New Gas Savings**  
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a

more efficient use of engine power, make it extremely thrifty.

**Great New Passing Ability**  
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

**Smoothest No-Shift Driving at Lowest Cost**

Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

**Safe Eyes-on-the-Road Driving**  
Powerglide permits you to concentrate on driving, with hands on the steering wheel and eyes on the road.

**Full Engine Braking-Power on Hills**  
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

**Rock Out of Trouble**  
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

**Push-Proof Parking**  
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

**Time-Proved, Owner-Proved Dependability**  
Come in. Drive a Chevrolet with this finer, more popular automatic transmission—time-proved by hundreds of thousands of owners in over a billion miles of driving!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

### Firemen Win Two Of Three Contests At District Meet

Haskell firemen won two of the three trophies offered in contests at the semi-annual meeting of the West Texas District Firemen's Association held in Colorado City Oct. 1. Local firemen narrowly missed first place in the third contest, losing by 2 seconds to Snyder. Teams from nine area departments compete in the contests.

More than 300 firemen and guests attended the meeting. Former State Senator Pat Bullock was principal speaker, and local volunteer firemen for a 4-hour shift job they are doing. Alroy was selected for the next convention site.

The contests held climaxed the afternoon meeting. Haskell won the pumper race with time of 3:33 seconds. Second was Baird with a time of 23 flat, and third was Snyder with 26.4.

Haskell also took first place in the two-man hookup with a low of 12.5. Rotan was second with 13.5 and Hamlin third with 13.9.

In the six-man hose connection contest, Snyder with 11.7 seconds, edged into first place over Haskell's 11.9. Baird was third with 13 flat.

Local firemen attending the meeting included Chief Ray Lusk, Bob Cousins, Brooks Middleton, Marion Reeves, J. B. Gipson, E. J. Stewart, M. Watson, Floyd Lusk and Jack Speer.

### Spur Man Hurt As Car Overtakes On Slick Highway

Troy Marion Pierce, 44, Spur sheet metal worker, was confined to the Haskell Hospital Saturday night for treatment of painful but not critical injuries sustained in a highway accident.

Pierce was found lying unconscious in a field, about 15 or 20 feet from his wrecked pickup, on State Highway 24, 12 miles east of Haskell at 4:45 p. m. Saturday.

Pierce was discovered by Johnny Moeller, a young farmer who was en route home from a trip to Haskell. Moeller called a Holden Funeral Home ambulance and the sheriff's department.

Deputy Sheriff B. T. Gordon investigated. Gordon estimated that Pierce had lain unconscious in the rain for a quarter of an hour or more before he was discovered. He was found to be suffering from shock, exposure, a broken right arm, cuts and bruises.

When he regained consciousness, Pierce said he was en route home from Fort Worth where he is employed. He encountered some mud which had been thrown on the highway and his truck began skidding and he lost control. The machine rolled over several times and came to rest 75 to 100 feet off the highway in a nearby field.

Typewriter ribbons are, on the average 25 inches long.

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Time will tell if Sir Sidney Palmer is stupid, or a self assured Briton who knows he knows how to handle Washington.

In few months, American public will get idea who controls Congress. Apparently, Sir Sidney thinks he does.

Sir Sidney, representing Malayan rubber interests, wants Congress to raise synthetic rubber price now.

Synthetic rubber now C. W. Harder sells at 23¢ per pound, keeping natural rubber down at 21½¢. This, Sir Sidney doesn't like. Low natural rubber prices foment communism, he says. If U. S. hikes synthetic price natural rubber will jump in price, too. This, he claims, will strike bitter blow at Communism. He doesn't mention what it will do for the profit picture of British and Dutch combines or Big American rubber interests with foreign plantations.

Sir Sidney wants to spring the same trap twice. In 1949, when Dean Acheson headed State Department, an International Monetary Conference decided to curtail U. S. World War II rubber plants to beat communism. Synthetic production dropped to its lowest level in years. Apparently Kremlin didn't know production cut would stop communism.

In fact, Kremlin soon started Korea. Immediately British and Dutch rubber interests jumped in to deal a still harder blow at communism. With U. S. needing rubber badly, rubber price soared to over 70¢. But higher natural rubber prices didn't seem to stop communist shooting.

The U. S. tries to reduce rubber price but taxpayers paid millions for the big gouge.

But now Sir Sidney says to stop communism, more money must be paid for natural rubber. He says government should raise synthetic price now to level that will prevail when private interests buy government plants.

Thereby hangs a tale.

Forthcoming sales of plants must be confirmed by Congress. Many Congressmen feel private enterprise should be favored.

But 9 of 13 plants are operated by Big Rubber for big fees with major oil companies also cut in.

Prospective buyer, cannot fully inspect properties operated by majors, eliminating chance for free intelligent bidding.

Big profits are at stake. In 1952, government made \$62 million profit. If subject to income tax, it would have still left \$31-million.

Sir Sidney is sure when private companies take over plants, synthetic price will jump 4 to 6¢.

Sir Sidney may have something. John Dulles, State Dept. head, "friendly nations" find it hard to believe that the U. S. the champion of free enterprise, competes with their natural rubber resources.

It's the same tune sung by same department. And so many seem confident that when Big Rubber completes monopoly by owning all U. S. synthetic production, prices will zoom.

Action Congress takes in confirming sales of plants will be indicative.

Final vote may show Sir Sidney not as stupid as he appears. Unknown to most Americans, he may know Pennsylvania Avenue is a suburban extension of Downing Street, the great thoroughfare of world cartelists.

### Autumn Rains Give Area 2.23 Inches of Welcome Moisture

Slow, soaking autumn rains that ended an unseasonable heat wave and brought a welcomed 2.23 inches of moisture to this section fell generally over a wide area during the week end and brought the first brisk fall weather to this area.

An early morning downpour Saturday measured .60 inch, and was followed by additional precipitation during the day and early Sunday which added up to this area's most beneficial moisture since the heavy crop-saving rains in late June.

The week end rainfall brought an abrupt halt to gathering of cotton which was just getting under way over the county. Farmers generally welcome the needed moisture as a boon to dry-planted small grain with little damaging effect on open cotton.

County Agent F. W. Martin said that because the rain fell slowly very little open cotton was lost, and the moisture did not materially affect the grade.

The moisture received was ample to bring up small grain that had been dry planted and provide a good planting season for seed-

ing additional wheat and small grain. Martin estimated that around 3,000 acres of wheat had been planted recently and will get the full benefit from the rains. A majority of the county's grain producers have their land in shape for seeding and were only waiting favorable moisture and cool weather before planting, the county agent explained.

With continued favorable moisture prospects, Martin believes the county's full allotment of 58,000 acres of wheat will be planted this fall. A considerable acreage of other small grain, oats and barley, can be planted in addition to the allotted acreage for wheat.

Local demand, quality, competitive buying and the time turkeys are ready for market along with location are factors which will influence the final price producers receive for their birds.

There are at least five reasons why planting seed should be treated. Seed borne diseases are controlled; the seed are protected in the soil; stands are improved; yields are increased and quality of the crop is improved.

Toll expressways, according to a law passed by the last legislature, will be paid for out of revenue bonds, and when the bonds are retired the roads will become part of the state's free highway system.

### \$370.88 Raised In Gonzales Warm Springs Fund Drive

Contributions in the total amount of \$370.88 for the Gonzales Warm Springs Foundation for Crippled Children had been tabulated Saturday, final week of the fund raising campaign in Haskell County, according to John Barry, First Christian Church minister, and Tommy Davis, co-chairmen of the drive.

Although the sum is considerably lower than the goal set at the beginning of the campaign, the co-chairmen expressed their appreciation for the contributions and support given the campaign in behalf of the independently operated hospital for the care and treatment of crippled children of Texas.

Largest total amount received during the campaign was realized from the Talent Show held here, in which \$131.53 was raised.

Largest contribution from a group was \$51.13 given by pupils and teachers in Haskell Elementary School, while the Rochester Rotary Club topped organizations with a gift of \$49.95. Haskell Junior High and High School students and teachers gave \$20.57,

and Primary School \$2.78.

The Sagert's committee behind the fund drive, which includes Mrs. I. A. Brooks, Danna Ruth of Dallas and Buck Kendrick of Haskell, are pleased with the results.

Persons who were during the community desire to help may their contributions to and the gifts will be and properly credited.

**VISITORS FROM DALHART**

### Boy Scout Drive—

(Continued from page 1)

leadership, activities, program material, a service station for supplies and records, advancement standards and awards and professional leadership and guidance, he explained.

"Scouting is a time-tested program, 42 years old," Hester declared. "It teaches character-building and citizenship training, as well as useful skills. Your Scout leader gives hundreds of hours to Scouting each year. The people may not all have time to give, but most can give a little money. Scouts do a good turn daily—here is an opportunity for you to do a good turn for them," he said in urging generous support of the campaign.

The following volunteer workers in the one-day finance campaign, with possibly others taking part, are expected in attendance at the Tuesday morning breakfast:

Clifford Thomas, Jr., Virgil Thomas, Ray Overton, Jr., Edd Trimmer, Judge Alford Turnbow, R. W. Turnbow, J. G. ## Supper Meeting Planned In Stamford For Scout Organizers of This Area

Boy Scout Organizers of the Northern District of the Chisholm Trail Council will be guests of the Stamford Rotary and Exchange Clubs at a supper meeting to be held at Stamford Country Club Monday evening, Oct. 19.

a good sum to pay for the evening meal and cost of materials, etc., since such costs were not included in the 1953-54 budget of the Chisholm Trail Council.

the guidance of E. M. Connell and Roy Mays. Hamlin new troop under the guidance of Harold Bonner and Weldon Johnson.

## District Scout Court of Honor Slated at Anson

The Northern district Boy Scout and Explorer Court of Honor will be held at the Anson Lions Club meeting building one block east of the square on Columbus Day, Monday, Oct. 12, which fits in well with Scouting training.

## Softball League Gross Receipts For Season \$573.76, Expenses \$775.31

The City Softball League operated at a loss during the past season, with expenses exceeding receipts approximately \$200, a financial report made this week by R. W. Bischofhausen, League treasurer, shows.

posited by gatekeeper, and all bills were paid by check. The account and bills, deposit slips, cancelled checks and other data are on file with the treasurer at the City Barber Shop and are open for inspection by the public, League directors said.

Balboa was beheaded for treason, after he discovered the Pacific Ocean.

## ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

## News From Sagerton

BY MRS. DELBERT LE FEVRE

Rev. Vernon Mayfield pastor of the Sagerton Methodist Church took several members of the MYF to Padgett Monday evening for a group meeting for the organization.

Mr. and Mrs. Zenor Summers and Mike went to Fort Worth last week end and came back with a new Ford ranch wagon.

Guests of Mr. and Mrs. John Clark one day last week were Mrs. Mammie Benedict of Fort Sumner N. M., and Mr. and Mrs. Joe Smith of Knox City.

The seventh and eighth grades of the Sagerton school enjoyed a field trip to the Stamford Lake

Wednesday of last week. They were accompanied by Mrs. D. W. Counts.

The home of Mr. and Mrs. Walter Quade which is located northeast of Sagerton, was completely destroyed by fire late Friday afternoon. Mr. and Mrs. Quade and their two sons, Lamar and Dean were at the barn doing the evening chores when they noticed smoke coming from the roof of the house. They were not able to save anything because when they reached the house it was completely filled with smoke and there was danger of the roof falling in. The fire apparently started from electric wiring in the attic.

The congregation of St. Paul's Lutheran Church have offered the basement of the church as a place to collect household goods and clothing which the people of the community wish to give the Quades. Anyone may leave their gifts in the basement any time this week until 5 o'clock Sunday afternoon, Oct. 11. Any donations of cash may be given to Rev. Wendel or A. C. Knippling. Every one is asked to give them a helping hand in time of need.

Mr. and Mrs. M. Y. Benton visited in Haskell Sunday afternoon with Mrs. Benton's parents, Mr. and Mrs. L. E. Marr.

Rehearsals have begun for the Messiah cantata in the Sagerton school auditorium. Members of the various churches in this vicinity and surrounding communities are asked to meet at the school auditorium Monday evening, Oct. 12 at 7:30 for the rehearsal. Rev. Rudy Wendel, pastor of St. Paul's Lutheran Church states that there are many more voices needed and urges that all who are interested come to the rehearsal so this combined effort of all churches may be a success.

Feed manufacturers doing business in Texas sold 4,117,344 tons of commercial feed during the state's fiscal year ending August 31. Records of the Feed Control Service show that 1,295 commercial feed firms did business during 1952-53.

## Fire Prevention Important Around Your Home

At this season of the year many parts of your home grounds may be fire hazards, according to Sadio Hatfield, homestead improvement specialist for the Texas Extension Service. Dead grass, clustered vines, shrubs and other plants need to be removed and controlled methods used in burning. Not only will this take care of the fire hazards but improve the appearance of your home grounds.

While you are doing this take notice of the trees and shrubs which have withstood the dry weather. Some of them in the evergreen family may be called fire safe and be valuable to your property because they form a barrier between the buildings and areas of dry grass and weeds. Among the fire safe shrubs, the specialist says, are many of the privets, cherry laurel, yaupon, liveoak and other evergreens. These are especially adapted to screen and border plantings in the home grounds. Trees which contain an oil substance can be planted to better advantage away from buildings. Pines and cedars, although attractive during the winter, have leaves which burn easily.

Another fire prevention suggestion for your home grounds is careful placing of hydrants for watering lawns and shrubbery. Not only will the outlets be helpful during dry seasons, but can they provide water for fighting a fire which may originate in the area.

Fire-Prevention Week is a good time to clean the home grounds of lumber and other waste material which might be flammable. It is also an excellent time the specialist adds, to study the landscape from the standpoint of safe plantings and prevent the loss of life and property from fire.

Florence was the capital of Italy for the country's first six years as a kingdom.
