

Capt. Stanley M. Jones, USMC Drowning Victim Friday

Stanley Milam Jones, 32, was the son of a family of Weimert, native of Weimert, N. C., where he was born on June 5, while on a trip in Albemarle Sound, N. C., where he was drowned.

His father, Hooper T. Jones, was a member of the Weimert family, which was founded in 1821, and attended the Weimert school.

His mother, Mrs. C. T. Jones, was the daughter of Capt. Jones, who was killed in the Civil War. He was the father of the late Stanley M. Jones, who was killed in the Civil War.

Prosecution Due Against Persons Dumping Trash Along County Roads

A warning against the growing practice of dumping trash and rubbish along the right-of-way of county maintained roads has been issued by the Commissioners Court.

Prosecution will be instituted against any person caught leaving trash on the roads or in borrow ditches in the future, county officials declared.

Commissioners pointed out that in recent weeks it had cost taxpayers of Haskell County several hundred dollars damage to tires on road equipment because of careless dumping of cans and other rubbish on roads.

State law prohibits dumping of rubbish of any kind on roads or right-of-ways, and a severe penalty can be imposed against violators, the Commissioners said.

A close watch will be kept for intentional violators, and prompt prosecution will follow disregard of the law, it was announced.

Thieves Get \$16.90, Overlook \$286, In Theatre Burglary

Thieves who broke into the Rita Theatre on the west side of the square sometime Friday night took \$16.90 in money from the cash drawer of the office safe, and overlooked \$286.40 in currency in three canvas bags which they evidently took from the safe and left lying on the office floor without knowing the contents.

Members of the sheriff's department who investigated the thefts, theorized that the culprits could have become frightened while ransacking the safe, before having time to check the contents of the sacks.

Entrance to the building was gained by forcing the lock on the back door of the theatre, after which the culprits entered the theatre office through a small opening once used as an air conditioning vent.

The office safe was one that had been salvaged from the old Texas Theatre which burned last December. Combination and lock on the safe had been removed after the fire, and the vault was fastened with a chain and padlock which the thieves apparently removed easily.

The burglary was discovered Saturday morning after Dalton West, 14, had gone to the theatre to clean up the building. He noticed the front door unlocked and the office door open. The boy called Jean Hall, assistant manager, who came to the theatre and notified officers.

B. L. Haley, manager of the Rita and Sky-Vue Theatres, is out of town on vacation with his wife and daughter, Barbara Ann, in Los Vegas, Nevada. Both local theatres are owned by Theatre Enterprises, Inc., of Dallas.

Central Baptist To Host Meeting Of Young People

The District meeting of Young People of the Northern Colorado Baptist Association will be held at the Central Baptist Church in this city Tuesday, June 16.

Several churches are expected to be represented.

A Mission Rally and Workers meeting of the Northern Colorado Baptist Association will also be held at the Central Baptist Church Friday afternoon, June 12, with the Rev. James Edge as host pastor.

The program will begin at 5:30 p. m. and at 6:30 dinner will be spread at the church. A cordial invitation is extended to the public to attend both of these meetings.

Lone Star Gas Line To W. T. U. Plant Completed

Lone Star Gas Company crews this week completed laying a 10-inch gas transmission line from a point south of Haskell to the Paint Creek generating plant of West Texas Utilities Company. The new line connects the plant with the main north-south transmission line of Lone Star through this area.

Gate valves were installed Monday at the intersection of the main line and the WTU plant line. Final work to be done, installation of a measuring station at the generating plant, was expected to be completed Wednesday.

Vaughn Sears, superintendent of transmission construction for Lone Star, supervised installation of the new line.

Supt. Sam H. Vaughter Resigns As Head Of Haskell School System

Sam H. Vaughter, superintendent of Haskell Schools, resigned, effective July 1, at a school board meeting Monday night.

Vaughter, superintendent here for the past seven years, gave no reason for his resignation, nor did he disclose his future plans, the school board said.

The well-known school administrator said that his future plans were indefinite. "There are two or three things I can get into, but I plan to stay in school work," Vaughter said.

He also said his wife will resign as a teacher in the Haskell elementary school.

Vaughter is a graduate of East Texas State Teachers College and has a master's degree from Hardin-Simmons University.

He came to Haskell from Rochester where he had been superintendent of schools for 10 years.

During his tenure with the Haskell schools Vaughter has also been active in civic affairs. He is a member of the Haskell Lions Club and a director of the Haskell Chamber of Commerce.

Mr. and Mrs. Vaughter have three children. A daughter, Neida, is a student at Texas Tech College. A daughter, Reesa, and a son, Sam, are students in Haskell schools.

Haskell board members said they would begin immediately to accept applications for the superintendent's job to be vacated July 1.

Members of the board present at Monday night's meeting were Ed Hester, president; Dr. Wm. J. Kemp, secretary; W. O. Holden, Floyd Rich, Fred Gilliam, J. C. Wheatley. Seventh member of the board, Gaston Hattox, was unable to attend the meeting.

Annual Audit Shows City Has Net Gain of \$26,807 In Receipts Over Operating Expenses For Fiscal Year

Annual audit of the City of Haskell for the fiscal year April 1, 1952 to March 31, 1953, shows total receipts for the 12-month period of \$218,640.13 from all sources, including tax collections of \$45,357.03.

Disbursements for the fiscal year in the amount of \$191,832.51 left a net gain of \$26,807.62 for the year, to reflect the stable condition of the city's finances. Total disbursements included \$19,495.87 interest and principal paid during the year on maturing bonds and warrants.

The \$191,832.51 spent in operating and maintaining the municipal government for the past year represents a per capita cost of approximately \$50.00, based on the 1950 census which gives Haskell's population as 3,832.

Major outlays during the year covered by the audit included \$30,355.53 for the city's new sewage disposal plant, and \$14,341.89 for installation of sewer lines. Funds for these improvements came from sale during the fiscal year of \$70,000 water and sewer system revenue bonds, series 1952, with this amount included in total receipts for the year.

Salaries of city employees also constituted a major item, totalling \$42,738.10 during the 12-month period. Normal complement of city employees is 16. This includes the City Secretary and an assistant, three employees in the police department, one in the fire department, and the remainder in the street, water, and sewer departments.

Tax Renditions
Tax renditions for the fiscal year covered by the audit amounted to \$2,299.20 on real estate and \$992,431 personal property for a total of \$3,292,351. Total taxes assessed, based on a levy of \$1.50 per \$100 valuation, amounted to \$48,035.31, of which \$42,406.54 was collected and \$5,628.77 was listed on the delinquent roll. Out of the total tax levy, 60 per cent is allotted to the general funds.

Funeral Held At Rule Monday For John W. Stone, 84

John W. Stone, 84, retired farmer and resident of this area, for 40 years, died at 8 p. m. Saturday at the home of his son, Dr. A. D. Stone in this city.

Funeral for Mr. Stone was conducted at 2 p. m. Monday in the Primitive Baptist Church in Rule, with Strat Richards, minister of the Rule church officiating.

Burial was in the Rule Cemetery with Gauntt Funeral Home of that city in charge of arrangements.

Mr. Stone was born August 10, 1868 in Arkansas. His wife died about a year ago.

Survivors include four sons, J. E. of Fresno, Calif.; Lige of Haskell, C. B. of Hamlin, and Dr. A. D. Stone of Haskell; one daughter, Mrs. C. H. Hogan of Wilmington, Calif.; eight grandchildren and eight great-grandchildren.

Funeral Rites For Mrs. Alfred Grand Held Sunday

Funeral rites for Mrs. Alfred Grand, 40, member of a prominent Haskell County farm family, were held at the Paint Creek Methodist Church Sunday at 3:30 p. m.

Mrs. Grand died at 4 p. m. Saturday in the Haskell County Hospital after an illness of three weeks.

Officiating for the funeral service was the Rev. J. B. Thompson, pastor of the Paint Creek church. Mrs. Grand had been a member of the Methodist Church for a number of years.

Burial was in Willow Cemetery in this city with Holden Funeral Home in charge of arrangements.

Deceased was the former Grace Elizabeth Tidwell. She was born Nov. 15, 1912, in Haskell County, the daughter of Mr. and Mrs. D. G. Tidwell, long time residents of this area. She married Alfred Grand of Haskell May 8, 1930, and had lived with her husband and family in the Paint Creek section since that time, where he is engaged in farming.

Survivors include her husband, three sons, Pvt. Eugene Grand of Sault Ste Marie, Mich., and Curtis and Howard Grand of Haskell; four daughters, Martha, Jo Ann, Helen and Linda Grand, all of Haskell; five sisters, Maggie Garland Calloway, Mrs. Maggie Larned and Mrs. Arvil Larnard, all of Fort Worth, and Mrs. Willie McElung of Kermit; five brothers, John Tidwell of O'Donnell, J. F. Tidwell of Floresville; Oscar Tidwell of Texarkana; Robert Tidwell of Haskell, and Chas. Tidwell of San Antonio.

Pallbearers were Cliff Dunnam, H. B. Montgomery, Estele Gilleland, Arthur Watson, John Kuenstler, Wesley Brown, Frank Underwood, Otis Elmore and Harvey Terrell.

Mental Health Fund Drive In Final Week

The Mental Health Fund Drive being conducted throughout the State is entering its final week, according to County Judge Alfred Turnbow, chairman of the campaign in Haskell County.

The campaign has the endorsement of leading educators, physicians, and civic groups. Judge Turnbow urges all persons desiring to donate to the fund to get their contributions in this week. Checks payable to the Mental Health Fund may be sent to him, or addressed to "Mental Health Fund" and mailed at any post office.

Tickets for Frontier Cavalcade Placed On Sale This Week

Reserve seat tickets for the "Frontier Cavalcade," colorful outdoor spectacle to be presented June 30, went on sale this week, with members of the Lions Club and Saddle Tramps in charge of sales. Tickets may be secured from any member of either club.

Some of the featured acts in the Cavalcade will include a baby elephant in circus acts, a Shetland pony show, a grand entry of horseback riders, bathing girl revue, and other events. The H-S-U Cowboy Band will have charge of the musical part of the show.

A Daily Vacation Bible School will begin Monday June 15 at the Roberts Baptist Church and continue through Friday June 19. Registration date is Friday, June 12 from 6 to 8 p. m.

Classes will be held from 6 to 8 p. m. each evening.

Rev. Truitt Kuenstler, Abilene, pastor, will be general superintendent of the Vacation Bible School. There will also be other leaders and assistants in the different departments.

All children are cordially invited to attend.

Riding Club Takes 20-Year Lease On CWT Fairgrounds

A 20-year lease on the city-owned Central West Texas Fairgrounds and buildings was executed Tuesday night between the City of Haskell and the Saddle Tramps Riding Club, under which the recently incorporated riding club will use the properties, principally in promotion of rodeos, and similar activities to be sponsored by the club.

Also under terms of the agreement embodied in the contract, the Haskell Baseball Club is permitted to retain sufficient space in the fairgrounds for baseball activities as in the past, and will be responsible for maintenance and installations on their part of the premises. The contract also specifies that neither organization shall sponsor, or promote any Sunday activities on the grounds.

The latter two agreements were worked out in a joint meeting of representatives of the riding club and the ball club meeting with the City Council Tuesday evening. Representatives of the riding club and the baseball club with the city officials were Myrom Biard, president, Jetty V. Clare, secretary, Dr. T. W. Williams, and Fred Gilliam of the Saddle Tramps, and Carl Anderson, Richard Bischoffhausen and Thos. E. Robinson, directors of the Haskell Baseball Club.

At a subsequent meeting of directors of the riding club Tuesday night, plans were approved for starting work in the immediate future on cleaning up the fairgrounds, preparatory to launching an improvement program that would include necessary pens, arenas, and seating facilities for staging rodeos and similar contests and shows.

A long-range building program is being planned to eventually develop the former fairgrounds into a community center where all phases of outdoor activities can be presented, directors of the riding club announced.

Also at the meeting, date for the monthly chuck wagon supper was changed to Monday evening, July 13, due to the fact that the regular first Monday date fell too near the 4th of July holidays. Directors accepted an invitation to take part in the parade and Grand Entry at the Seymour Rodeo, and Reunion June 18, and at Graham's Possum Kingdom Rodeo on June 24.

Burton Chevrolet Slates Game With Aspermont Here

Burton Chevrolet's Softballers, under management of Max Brown, will entertain the Aspermont Softballers in a scheduled seven-inning contest at Fair Park Friday night. Game time has been set at 8:30, immediately following the girls softball game between the Roustetts and Snyder.

Brown's team will be bidding for their first win of the season after three losses, the latest being a heart-breaking 11-10 defeat by Seymour in an overtime contest last Friday night on the local diamond.

Burton Chevrolet team held a decisive lead in Friday night's contest until the sixth, when the Seymour aggregation knotted the count. The contest went scoreless until the bottom of the ninth, when Seymour took a one-run lead that the locals could not match in the last half.

Batteries for the locals in Friday night's game will be Bassing and Jacobs. Brown is also likely to work out a shift in both infield and outfield slots that will strengthen the locals for the contest.

Twin Softball Games Scheduled Tonight, Tuesday

Doubleheader softball games have been scheduled tonight and Tuesday night at Fair Park field in the City League.

In the first game tonight Service Pipe Line will meet the First Baptist Men's team, and in the nightcap Lueders Junior Boys will play Haskell Junior Boys.

Tuesday night Service Pipe Line will play First Baptist Boys in the first game, with a contest following between the Anderson Roustabouts and Paint Creek.

On tap for Thursday night, June 18, will be a game between First Baptist Men and Weinert.

Season schedule for the City League appears on page 3 in this issue.

New Well Added To City Water System

Excessively hot weather during the past ten days has zoomed water consumption to what is believed will be a record peak at this season.

Although facilities of the municipal water system have been more than adequate to meet the unprecedented demand, the City Council several weeks ago ordered a series of tests to develop new wells that could be added to the system.

One new well is being added to the city's water system this week. It is located on North 18th St., in the Shook Addition, and tests have indicated the well will provide 200 gallons per minute or more.

Another test well is underway today, on the Bill Pennington farm adjacent to the east city limits, where core tests have indicated a 20 to 25 foot strata of potential water sand and gravel.

County Singers To Meet Sunday At Paint Creek

The regular monthly program of the County Singing Convention will be held at the Paint Creek Methodist Church Sunday, June 14th, beginning at 2:30 p. m.

All singers and music lovers of this section are invited to attend and take part in the program.

Roberts Church To Conduct Vacation Bible School

A Daily Vacation Bible School will begin Monday June 15 at the Roberts Baptist Church and continue through Friday June 19. Registration date is Friday, June 12 from 6 to 8 p. m.

Classes will be held from 6 to 8 p. m. each evening.

Rev. Truitt Kuenstler, Abilene, pastor, will be general superintendent of the Vacation Bible School. There will also be other leaders and assistants in the different departments.

All children are cordially invited to attend.

Visitors From California

Mr. and Mrs. James Anderson of San Francisco, Calif., were here last week visiting with Mrs. Anderson's father, Dr. J. D. Smith and other relatives and friends here. Mrs. Anderson is the former June Smith. Accompanied by Dr. Smith, they went to Dallas the first of this week to visit a granddaughter of the Haskell man, Mrs. Marilyn Zavitz.

Visitors From Stamford

Mrs. Horace Ivy and Mrs. Curtis Ivy of Stamford have been visiting Mr. and Mrs. Ray Lusk and Billy, Mrs. W. E. Bland and Mrs. N. J. Ivy.

Post Office Box Rents To Be Hiked Beginning July 1

Patrons of the Haskell post office, as well as others all over the nation, will pay more rent for their post office boxes beginning July 1, Postmaster Harold Spain advised this week.

Boxes that have been costing local post office patrons 60 cents a quarter will be hiked to 90 cents, boxes that cost 75 cents will go to \$1.10, boxes now costing \$1.00 will be \$1.50, and boxes now renting for \$1.50 will cost \$2.25 for the quarter-year period.

The Post Office Department has increased the basic rates in computing box rental, which is based on stamp sales at each post office. Postmaster Spain pointed out that this is the first time basic rates have been changed since 1907 and the increased rates are designed to conform with increased cost of providing equipment and maintaining service.

Box rents for the quarter beginning July 1 and ending September 30 must be paid between June 27 and July 1.

Haskell County History

20 Years Ago—June 15, 1933

Mr. and Mrs. T. C. Williams and son, T. C. Jr., of Cisco, were visitors last week in the home of Mr. and Mrs. Chas. M. Conner.

Rankin Gammill, 1928 graduate of Haskell High School, has been employed as principal and athletic coach of the Meadow, Texas, school.

The first load of wheat from the 1933 crop was received in Haskell last Friday. The load was purchased by Haskell Mill & Grain Co. for 60 cents per bushel.

Mr. and Mrs. W. T. Sarrells left Monday afternoon for a two weeks vacation at Mineral Wells and points in South Texas.

Mrs. W. J. Sowell and granddaughters, Elizabeth and Beverly Gilbert left the first of the week for an extended visit in California.

Mr. and Mrs. F. L. Daugherty and daughter, Miss Ermine, and Mr. and Mrs. J. R. Cooper spent the week end in Wichita Falls in the home of Mr. and Mrs. Houston Bolin and family. Mrs. Cooper returned home from that city to her home in Streetman, Texas.

Miss Beulah Sego left Sunday for Canyon, where she will attend the summer term of West Texas State College.

A number of combines are running in the Sagerton section, where wheat is reported making around 12 bushels per acre. However, the price is somewhat better than last year, compensating in part for the short crop.

Mr. and Mrs. Lester Brown left Sunday on their return to Louisiana after visiting relatives and friends in Rochester.

Dr. Howell and family of Rochester left last week for a month's vacation in Raymondville and other points in that section.

Mrs. Jim Fouts of this city was removed to the Baptist Sanitarium in Abilene last Friday, where she underwent surgery Saturday. A blood transfusion was required after the operation, and Olen Dotson of Haskell gave the blood. The many friends of Mrs. Fouts will be glad to learn she is recovering nicely and will be returned home within a few days.

30 Years Ago—June 15, 1923

This section was hit by a damaging sandstorm last Thursday, June 7, just before noon, and hundreds of acres of young cotton was blown out over the county. In the damaged areas, farmers say they will have to replant all their cotton. The maize crop was not seriously hurt.

In a statement issued this week,

City officials give notice that all motorists who exceed the speed limit of 15 miles per hour in the city limits will be arrested and fined.

An entire block in Weinert was destroyed by fire last Sunday afternoon. The fire was first discovered about 3:30, in the roof of the Rich & Collier Grocery on the north side of Weinert's main street. The flames spread rapidly throughout the entire block. Six buildings were consumed, including the post office, Robertson & Therwanger Hardware and Furniture Store, Rich & Collier store, Gilbreath & Mathison Grocery, Lewis Williams Barber Shop and Cockerell & Myers Drug Store. The post office was located in a part of this building.

T. F. Green, who has been with the West Texas Utilities Company at Rochester, has been transferred to Haskell and will be connected with the plant here.

Sam Davis of Rule passed through town Monday on his way to Fort Worth, where he will attend the State Convention of Bankers.

S. M. Hunt, who lives south of town, was here Monday and reported that grasshoppers had cleaned out 30 acres of cotton on his farm. He has replanted and thinks he will get another good stand.

Rev. I. N. Alvis went to Abilene last week to attend the graduation exercises at Simmons College. His son, J. H. received a bachelor of arts degree.

We understand the Knox County Ku Klux Klan No. 176 has completed plans for a big public demonstration to be held at Monday June 19.

50 Years Ago—June 13, 1903
Mark Whitman, Virgil Hudson and Ross Maloney returned Thursday from Dickens County, where they drove a bunch of cattle for Jones Bros. and W. T. Hudson.

Miss Willie Carney of Seymour is visiting the family of her brother, T. G. Carney.

W. D. Dickenson, one of the largest wool growers of this county, is having his Spring wool clip of about 30,000 pounds hauled to the railroad, where he ex-

pects to meet buyers on the 15th. Miss Florence Couch is visiting in the home of Miss Sallie Ragsdale in Stamford this week. Mr. Doyle, a civil engineer for the Orient Railroad, came down last week and surveyed the town-site of Carney on the Orient in the northwest part of the county. It is said the company is getting ready to begin laying rails in Texas.

G. W. Parker came out from Fort Worth Friday, accompanying his daughter, Miss Bessie Parker, who has been attending school at Roanoke, Virginia. Miss Myrtle Baldwin returned yesterday from Austin, where she Academy. She was met at Stamford had been attending St. Mary's

family of their late... W. Wright, who was one of the cyclone sufferers. J. H. Hicks was in the Sand Hills yesterday, crops of all kinds are good, except cotton, which is quite backward. Early in the shoulder high and heavy tassel, promising a fine

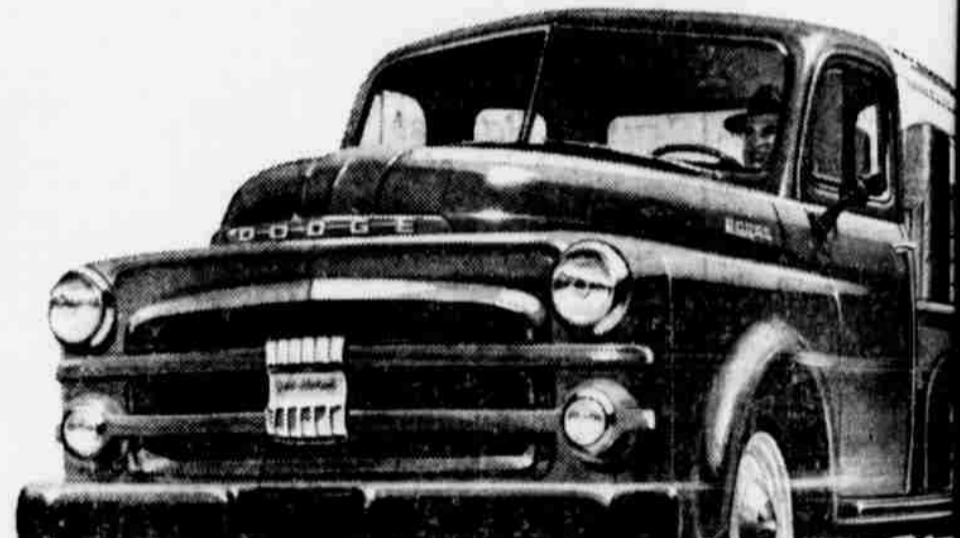

for by Misses Ollie Norris, Mable Wyman, and Mable Baldwin. Carpenters are repairing the damage done to the Methodist Church by the cyclone. The height of the cupola will be decreased considerably. Matt Oatey and Joe Nunn of Sweetwater are here visiting the

Play in the City Softball League started Tuesday, May 26 with Weinert squeezing past Paint Creek 12-11 in a close game.

Next games played were Thursday night, June 4, when the First Baptist Men defeated Anderson Roustabouts. In a second game, First Baptist Boys beat Luaders 12-8 in a practice contest.

Tonight—June 11—First Baptist Men meet Service Pipeline in a League contest.

First Half
June 2—Paint Creek vs. Weinert.

Haskell Student at WTS to Attend Camp At Ft. Sill, Okla.

Canyon, June 10 (WTNS)—Donald R. Perry, Reserve Officers' Training Corps cadet from Haskell, will be one of the seven students from West Texas State College to attend summer camp beginning June 20.

Perry, who is a Cadet Captain, along with Albert Linger of Canyon will go to the artillery training center in Fort Sill, Okla.

The four cadets who will go to the Army's Infantry training center at Fort Benning, Ga. are LeMoine Patrick, Borger; Weims Norman, Dougherty; John Oldham, Canyon; and John Hayden Morgan, Amarillo. Eddie Austin, Cadet Major from Plainview, who chose the Medical Service Corps, will train at Brooks General Hospital in San Antonio.

All cadets who have completed the first year of advanced ROTC training at WSTC, and who have selected their branch of service following graduation, will attend a camp between the junior and senior years at college. Following graduation, they will return to a regular Army school for further training.

Most of the summer camp work will be devoted to field work, instruction in firing of weapons, and training in command and tactics.

Perry, son of Mr. and Mrs. Hoyt Perry, Haskell, is a junior agriculture major, and was voted the most handsome man of West Texas State in 1952-53.

Observers Declare Ants at Weinert Know Their Grain

B. Q. Furrh of Weinert and Bill Daugherty, while working around a grain elevator at Weinert, observed an interesting incident in the ant world last week.

It seems that some of the wheat brought to the elevator was green and Daugherty was stirring it after it had been spread on a concrete slab to dry.

The young, inexperienced ants carried grains of the wheat down into their underground home. Apparently, the "boss" ant discovered what had happened and his ant intuition told him it wouldn't keep underground.

Daugherty, a keen observer of ants, expressed the belief that the "boss" had the ants to carry the grain back out and spread it around the entrance of the ant bed to dry. The ants can be seen carrying the grains out of the hole and laying them each grain

You can drive this bargain

Come in and ask us about the low delivered price on this 1953 Buick SPECIAL 2-door 6-passenger Sedan

WE make that statement for a mighty good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for a lot less than you may think.

But there's more to this great

automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's walloping big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air

THE GREATEST BUICK IN 50 GREAT YEARS

cleaner, full flow oil filter, bumper guards front and rear.

The key—and the thrills—are waiting for you.

Why not drop in on us this very week and try the most exciting Buick SPECIAL ever built? We know you'll find it a buy too good to pass up.

Head off Bollworms

USE dieldrin-DDT ... and do it in time!

Growers who have used dieldrin-DDT will tell you it's the top control for bollworms. More important, it kills them before they damage cotton. Be sure you use it at the first sign of bollworm.

EASY TO APPLY... Dieldrin-DDT forms smooth-textured, free-flowing dusts. As a spray, it forms top-creaming emulsions... eliminates nozzle clogging.

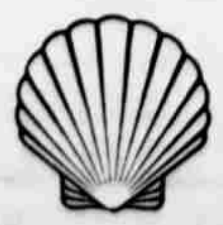

GETS BOLL WEEVIL, TOO... Dieldrin-DDT is a deadly killer of boll weevil. "Do your cotton a good turn

'gainst weevils 'n worms" ... with dieldrin-DDT.

LOW COST... Makes your insecticide dollar work harder because dieldrin-DDT kills all major cotton pests... not just bollworm. And you can get long-lasting control too, because dieldrin has long residual action.

Get dieldrin-DDT now for your cotton program and stay with it the rest of the season. Your own insecticide dealer can supply dieldrin-DDT formulations. It's a good idea to see him today.

SO BEAUTIFUL! SO POWERFUL!

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car. Certainly it's as distinctively styled as any car on the road—and its beauty carries through into its luxurious, roomy Body by Fisher. Performance-wise, Pontiac is second to none, with power to spare that whisks you through city traffic or cruises with remarkable economy. And Pontiac is a big car, with a long, 122-inch wheelbase. But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac. Come in and get the facts that prove that dollar for dollar you can't beat a Pontiac!

Barbecue Given For Schlumberger Co. Employees, Guests

The American Legion Building was the scene of a Safety Barbecue June 3 for the employees and their families of the Schlumberger Well Surveying Corporation and their guests in the Haskell district.

This barbecue was earned by the employees of the Haskell district for not having had a lost time accident during the period of Oct. 1, 1952 through March 31, 1953.

The evening's entertainment began with a swimming party at 6 o'clock. The group then adjourned to the Legion building where they were served a delicious barbecue dinner.

During the evening, dancing was enjoyed by the group. Music was furnished by Linden Puckett, operator in the Haskell district, with vocalists Ruth Cox and Rosa Brittain, field clerks in the Haskell district.

Guests included Margaret Roberts, Freda Steinfath, both of Haskell, and J. T. Jones, North Central Texas Supervisor of Abilene.

In all these things you want...

Chevrolet's farther ahead than ever!

- ... in Fisher Body Quality! It's the only Body by Fisher in the low-price field. And now it's even more outstanding in styling, in comfort and conveniences, in quality.
- ... in High-Compression Power! Most powerful engine in its field with 7.5 to 1 compression ratio—the new 115-h.p. "Blue-Flame" engine with Powerglide.* Advanced 108-h.p. high-compression "Thrift-King" engine in gearshift models.
- ... in Powerglide and Power Steering! Powerglide is the newest, most advanced automatic transmission in its field. Power Steering—another Chevrolet exclusive in its field—lets you steer with finger-tip ease.
- ... in Economy and Value! You go much farther on every gallon of gas (regular gas, at that). You save on over-all costs of operation and upkeep. Chevrolet is again the lowest-priced line in its field!
- ... in Popularity Leadership! Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. For the first 3 months alone, Chevrolet is over 20% ahead of the second-choice car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Top Car....

in drive power... control... safety... comfort!

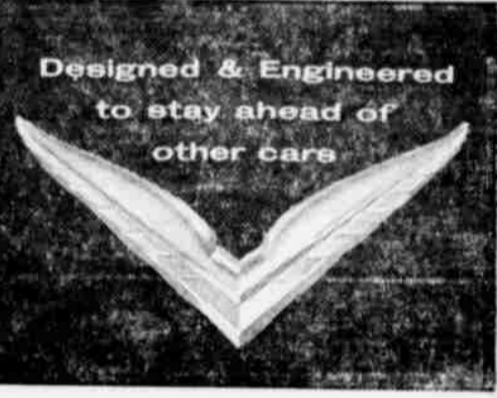

You'll never know the tremendous difference that does exist between cars today until you drive this one. Dial your dealer for a Chrysler Power Ride... in the car that brings you the great features first!

- New kind of power!** FirePower V-8 gets maximum drive from gas. Hemispherical combustion power... as in the costliest European sports cars!
- New kind of control!** Full-time Power Steering does 85% of the work... checks all wheel... right. Steady, predictable in action!
- New kind of safety!** Power Brakes stop you fastest, with but a slight ordinary effort. Safety-Rim wheels hold punctured tires safely on!
- New kind of ride!** With double-strength shock absorbers, soft Chair-high seats... plus the protection of the Safety Crash Pad dash panel!

Out of 146 major automotive advances in the past 25 years, Chrysler has introduced 77... that's actually more than all other makes of cars combined!

Leo Boedeker and son of Plainview visited Mrs. A. Nierdieck, Mr. and Mrs. Edwin Franke and family and Mr. and Mrs. Herbert Boedeker and family Sunday.

Mrs. August Angerman celebrated her birthday Saturday night, June 6 when the following guests dropped in at their home: Mr. and Mrs. Albert Stremmel, Alida and Emil, Mr. and Mrs. Adolph Helm, Lois and Jeanette, Mr. and Mrs. August Ender and Gene, Mr. and Mrs. Franklin Mrazek and family of Aspermont, Mr. and Mrs. Leo Monse, Geneva and Jack, Mr. and Mrs. Bruno Kupatt and Patricia, Mr. and Mrs. Herbert Stremmel and family, Mr. and Mrs. Raymond Ender and son, Mr. and Mrs. Buford Gholson and family of Rochester, Mr. and Mrs. Buford Letz and family, Mr. and Mrs. Adolph En-

der, Mrs. Emma Ender, and Fred and Christine, Mr. and Mrs. Bill Bradshaw and family, G. H. Nohring and Mathilda, Mr. and Mrs. Emil Kainer, Fred Monse, Sarah and James Leemann and Cherry and Judy Freeman of Haskell. Games were played and refreshments were served.

Mr. and Mrs. M. N. Sheid of Fort Worth visited Tuesday night and Wednesday of last week with his parents, Mr. and Mrs. R. N. Sheid. They all went to Stamford Tuesday evening for the graduation exercises at Stamford High School. Their daughter and granddaughter, Barbara Ann Sheid, was one of the 60 receiving diplomas. She was also an outstanding commercial student and received an award of \$10 from the Business and Professional Women's Club.

The Vacation Bible School at the Zion Lutheran Church will end its school with a children's program and the closing exercises at 10 a. m. Friday morning, June 12. The children will come as usual at 8:30 and their parents are invited to come at 10:00 for the program. At noon sandwiches and

other refreshments will be served in the parish hall.

Rev. and Mrs. F. R. Zucker and the following mothers have served as teachers during the session: Mrs. E. H. Diers, Mrs. Carl Hertel and Mrs. Joe Clark, Loretta Neinast, Mary Ann Trede-meyer, Janet Druessedow, Anella Hertel and Eunice Mier were helpers.

Mr. and Mrs. Jack Gibson, Mrs. Kay Sutton and children, and Joyce and Barney Lou Gibson, all of Pecos, were guests of Mr. and Mrs. A. Gibson Saturday night. They were here for the Gibson reunion which was held Sunday at the Cowboy Reunion Grounds in Stamford. Mr. and Mrs. Dick Gibson and Ruby Gay of Lockhart were also here for the occasion and were guests of Mr. and Mrs. Ewell Kittley.

Mr. and Mrs. Earl LeFevre and children of Knox City were guests of Mr. and Mrs. G. W. LeFevre Sunday night for supper. They were en route to Odessa where they will live.

Mrs. Anna Hankins entertained the ladies of the Stitch and Chatter Club in her home Wednesday afternoon June 3. The ladies pieced a quilt. Refreshments were served to Mesdames R. O. Gibson, Sr., M. Y. Benton, Cliff LeFevre, Pete Lusk, R. N. Sheid, Ben Hess, G. A. Leach, John Clark and Henry Laughlin. The next meeting will be June 17 in the home of Mrs. Ben Hess.

Mr. and Mrs. Oscar Nix of Houston visited with Mr. and Mrs. M. Y. Benton and Mr. and Mrs. Charles Clark Wednesday of last week. Mr. and Mrs. Eldon Cook and daughters of Lubbock were guests in the Benton home last week end. Carolyn Cook stayed here for a longer visit with them.

Miss Bonnie Buerger, daughter of Mr. and Mrs. Fred Buerger of Avoca, became the bride of Dan LeFevre, son of Mr. and Mrs. G. W. LeFevre June 2 at Lawton, Okla. A Baptist minister at Lawton, Rev. H. T. Wiles, performed the ceremony.

The bride wore a printed sheer dress with white accessories. She was a student at Paint Creek High School and Mr. LeFevre attended Rule High School. After a short honeymoon the couple returned here to spend a few days with Mr. and Mrs. G. W. LeFevre.

DID YOU KNOW

We paid grain producers of this section over
\$85,000 PROFIT above the loan on grain stored with
us in our Government-approved warehouses the past
three years.

We list below some of the advantages you have
when you sell or store your grain at Market Poultry
& Egg Company in Haskell or O'Brien.

1. All grain weighed on Bonded Print-O-Matic Scales.
2. Four places to unload your grain. Eliminates waiting and enables your trucks to return to combines quickly.
3. All grain stored with us stays in Haskell. You can pay off your loan and get your grain or sell to anyone you choose at any time.
4. You will be notified from time to time if you have a profit in your stored grain.
5. You get your warehouse receipt the same day you deliver your last load, and you can get your Government loan the same day.
6. We buy all kind of Grain—Wheat, Oats, Barley, Milo—and you will find our prices in line with the day's market.
7. We are in the market the year round, wet or dry!

It's been dry the past two years, boys, and we need your business.

We have for sale Certified Martin Milo at \$5.00
per CWT, Early and Regular Higari \$5.00 per CWT.

FORD'S V-8 IS THE SAME TYPE OF ENGINE
AMERICA'S COSTLIEST CARS ARE SWINGING TO!
Six more makers in the last five years alone have switched
to V-8 power in their most expensive models. Yet Ford's
been offering this same type of V-8 power for over
20 years! What's more, Ford gives you your choice of
Fordomatic, Overdrive or Conventional Drive—the widest
choice of drives in the low-price field!

FORD'S V-8 GIVES MORE "GO" PER GALLON!
Whether you choose Ford's 110-h.p. V-8 or the 101-h.p.
Mileage Maker Six, your engine lives on a lean diet. For
both offer the gas savings of Ford's exclusive Automatic
Power Pilot which squeezes the last drop of power out of
every drop of gas... "regular" at that! See and Value
Check Ford's "Worth Mores." You'll agree Ford's worth
more when you buy it, worth more when you sell it.

EAST SIDE OF SQUARE

1-Day Sales Event Set For June 16

Offering seasonable values at a time when shoppers are desirous of making every penny count, Dollar Day on Tuesday, June 16, will be a "bargain feast" in the fourteen Haskell stores cooperating in the monthly event.

The one-day sales event has become increasingly popular with shoppers throughout the Haskell trade territory because of the outstanding values available in Haskell stores each Dollar Day.

Shoppers who check the Dollar Day advertisements in this section of The Free Press will note a wide selection of items—merchandise and clothing for the family, furniture and other items for the home—in fact almost any item or article carried in retail stores will be obtainable at reduced prices on Dollar Day.

In addition to the low prices listed in the advertisements, many others items at attractive prices will be found when you visit the stores cooperating in the Dollar Day program.

A partial list of the bargains offered for Dollar Day, and quoted in advertisements in The Free Press, include:

Perkins-Timberlake offer a wide array of bargains in all departments of their big store on Dollar Day. Included are women's Nylon hose 79c, costume jewelry items at 59c, piece goods 2 yards for \$1.00, men's sport shirts \$1.59, dress shirts \$1.98, men's rayon summer pants \$5.00 and many other items.

Frazier's Radio & Record Shop will sell regular 89c records at 69c on Dollar Day, a selection of long playing records and albums at 25 per cent off. They also invite you to see the new RCA Refrigerator Air Conditioner.

Warren's Booterie will feature a new shipment of Barefoot Sandals at \$2.99, another group of these sandals at \$1.99, a special group of shoes at \$3.89 and washable Keddettes at \$2.89, and other bargains.

Lane-Felker have values in both their ladies and men's department. They offer one group of cotton and linen skirts, reduced one-fourth, one table brasseries at \$1.00, hats in straws and piques \$1.00. For men, one-fourth off on men's suits, work straw hats 50 cents, nylon cord pants \$2.95, Reg Wing work shoes \$6.95 and many other items specially priced.

Sherman Floor Company will sell white paint at \$3.60 gallon, sponge rubber mats \$1.98 and \$2.98, plastic cloth, 6x9 feet, at \$2.00, and other items for home repairs and improvements at low prices.

Hassen's will feature outstanding values throughout their store. A few items include one rack dresses at \$5.00, Nylon half slips \$2.50, ladies hats at half price, print dresses \$1.49, sheets at \$1.59, men's work shirts \$1.19, and numerous other items at special prices.

Cofield's Shop will sell children's dresses at half price on Dollar Day, boy and girl shorts at \$1.00, ladies blouses \$2.49, boys' seersucker suits \$2.49, to mention a few of their offerings.

The Personality Shoppe has reduced the price one-third on a special group of spring and summer dresses. Another group will go at half price, and still another group, including Nelly Dons has a \$10 tag for Dollar Day. They also offer their entire stock of spring hats at \$3 and \$5.

Neely Dry Goods offer bargains galore for Dollar Day. These include Garza sheets \$1.98, bath towels at 49c, children's sandals \$1.98, piece goods at 49c yard, men's sport shirts \$1.69, dress pants \$4.98, overalls \$2.75, and many other items at reduced prices.

At the C&B Store on the east side of the square, Dollar Day offerings include children's rayon tricot T-shirts 2 for \$1.00, girls shorts \$1.00, nylon panties \$1.00, racks of dresses at 2 for \$11.00 and some at half price, select group of ladies shoes at \$2.98 and other bargains.

The Fair Store will feature scores of items specially priced for Dollar Day. These include ladies summer dresses at half price, one rack ladies skirts at \$2.79, men's army twill pants or shirts \$2.75, boys' blue jeans \$1.89, 44-inch Tissue Chambray \$1.17 yard, men's nylon shirts \$3.49, and dozens of other outstanding values.

Wheatley's on the north side of

the square will sell men's dress trousers at \$4.95, one lot Western Shirts at \$3.49, men's shorts 2 pair for \$1.00, to list only a few of their Dollar Day values.

W. A. Lyles, Jeweler, will feature one table of costume jewelry at \$1.00, 20-piece set of Pottery at \$6.95, and one table of Dollar Day Specials where you choose any item at \$1.00.

The Hub will sell ladies dresses at half price, solid color prints 3 yards for \$1.00, 45-inch puckered nylon \$1.39, beaded moccasins at \$1.98, an odd lot table of \$1.00 items, and other items at greatly reduced prices.

Former Classmates At Weinert School Meet In Korea

It turned out to be a small world after all for two former classmates in Weinert High School, who met recently in Korea where both are serving in the armed forces.

Cpl. Lewis E. Thomas, who is with U. S. forces at the front lines in Korea, told in a recent

letter to relatives that he spent an enjoyable two days on May 14-15 with A-2c Durwood Forehand, a friend and former classmate in Weinert school, who is stationed at Seoul City Air Base in Korea.

Cpl. Thomas is the son of Mr. and Mrs. C. A. Thomas, Sr., of Weinert, and is married to the former Joyce Reding. Airman Forehand is the son of Mr. and Mrs. Herman Forehand of the Mattson community.

WASHINGTON AND 'SMALL BUSINESS'

By C. WILSON HARDER

George Keith Funston is a man to watch these days.

Not only is he president of the New York Stock Exchange, but he is also selling an idea.

The idea has power, too, because it protects entrenched interests, yet is dramatized as something to benefit the "little man."

Washington observers say it is the greatest razzle-dazzle promotion since "30 every Thursday."

C. W. Harder

Funston wants to permit the "little man" to buy, as he terms it, a share in American industry, through installment buying of common stocks.

However, sales of common stocks on same basis as washing machines and autos would be restricted to common stocks listed on the New York Stock Exchange.

This qualification is interesting. Successful public acceptance of this plan would not only siphon off capital used to start new enterprises, but would also entrench firms financially powerful enough to have their common stock listed. Thousands of people who are buying X Gadget Common on a dollar down, a dollar a week basis, can easily be led to take economic and political measures to keep a new, independent competitive Gadget company from endangering X Gadget in the market place.

Also big profits would accrue to stock traders who would benefit by resulting inflation of common stock prices.

© National Federation of Independent Business

Actually, the plan would supply needed bolstering to common stock trading volume, because "insiders" are turning more to preferred stocks for investment purposes.

There are many reasons for this trend. Among them is concern over management action in some of the bigger corporations. Not only are top executives receiving six figure salaries, they are also being pledged big retirement salaries, which in some cases, are to be handed down to their heirs.

In final analysis, stockholders pay for these elaborate frills, but such is the nature of the bigness of some corporations, protests by even large segments of stockholders are fruitless.

But in a corporation set up there is usually preferred and common stock with preferred stock ordinarily taking precedence in payment of dividends. This preferred stock is more attractive.

Thus Funston plans, it is felt, to scatter the chaff over the nation, while the good, sound kernels are held by professional investors and traders.

There is also a moral side. Nothing guarantees the price constancy of any common stock. Usually, price fluctuates with the amount of dividends paid.

Thus, Funston's plan would permit people to gamble on the installment plan.

This aspect has led some observers to say that if this plan is approved, there is only one more logical step to be taken.

That would be to legalize racing bookmakers who will advertise "Bets placed on ten per cent down with 36 months to pay the balance."

Run-Off In Texas Rivers In May Varies From Record Lows To Floods On Sabine

River runoff in Texas during May was a study in contrast, according to Texas Board of Water Engineers.

The City of Orange at the mouth of the Sabine River battled furiously against the largest flood on Sabine River since 1884, while the City of Wichita Falls, with only a one-year supply of water in Lake Kiamapoo, instigated a system of voluntary water rationing. May flow on Neches River at Evadale was second only to May, 1944, while flow on Guadalupe River at New Braunfels was the lowest May flow since records started in 1928. There was no flow for part of the month on Pecos River for the first time since at least 1939, while the first flow since June 1952 occurred on North Concho River near Carlsbad, Texas. The Rio Grande was at the lowest flow known at Laredo, Texas at month end, while several localities below Laredo were dry at times during the month. Rainfall varied from one-fifth normal along the lower coastal region to nearly 2 1/2 times normal along the upper coastal region and in southeast Texas.

Precipitation

Rainfall was nearly normal for the state in May, the actual average rainfall being 99 per cent of normal. However, the distribution was bad. The Panhandle area, West Texas, and the lower coastal area showed the least amount of rain, averaging less than 40 per cent normal. The North Central, Northeast, and the upper Coastal regions, averaged up to nearly 2 1/2 times normal with the area drained by Sabine and Neches Rivers showing the greatest excess.

Stream Flow

Runoff following the rainfall pattern closely during the month. There was no flood runoff in the Pecos River, in Colorado River above Colorado City, in Canadian or Red River in the Panhandle area, or in the Guadalupe and Neches Rivers. Trinity River was at flood stage from Oakwood to the mouth at times during May but the stages reached were generally no higher than those experienced in an average year. The lower Brazos River reached the highest stages since 1948. Neches River at Evadale averaged 46,780 cubic feet per second, nearly 5 times the average May flow. It was the second highest May flow in 30 years being exceeded only by the flow in 1944.

The largest flood in recent years on the Sabine River from Bon Wier to its mouth occurred during the month. Rainfalls averaging in excess of 12 inches over the area augmented by unseasonable rainfall in April produced a flood on Sabine River at Bon Wier unexceeded since 1913. The peak discharge was 110,000 cubic feet per second at Bon Wier. The highest previous discharge since daily records started in 1923 being 75,500 cubic feet in 1945. Downstream the gauging station near Rutliff the peak discharge was 125,000 cubic feet per second, being exceeded only by the 1844 flood.

There was a total runoff of 11,680 acre feet past the U. S. Geological Survey gauge on North Concho River near Carlsbad, Texas. This was only slightly over the average flow for May at the station but it was the first flow since June 1952 and was

nearly 10 times the total flow past the gauge since October 1951, a period of 19 months. Canadian River near Amarillo flowed at about one per cent of average May flow while Red River near Terral, Okla., flowed at 5 per cent of average. Two rises on Brazos River, above Possum Kingdom Dam, most of the water coming from Clear Fork Brazos, added more than 65,000

Oil Men Pioneer Conservationists, Says Writer In Current Issue WTCC Magazine

Oil men are West Texas' pioneer conservationists. With secondary recovery and pressure maintenance practices, the oil industry has brought to the surface millions of barrels that otherwise would have been lost eternally.

So declares an article in the current issue of West Texas Today, magazine of the West Texas Chamber of Commerce.

In West Texas Today, the article reads, conservation is of utmost importance whether it results in the saving of crude oil or of water and soil.

Results attained or expected from a few secondary recovery projects in West Texas were described. These have or will result in production of 14,522,829 barrels that would have been lost, it was stated.

At the current average price for oil and the State production tax rate, that would result in payment of \$1,667,844 into the State treasury in production taxes and \$4,534,947 to owners of land, computed at 1-8 royalty, the article noted. These figures are based on an average market price of \$2.50 per barrel.

West Texas Today's article

acre feet to the reservoir. Tributaries to Trinity River at and below Dallas were at flood stage during the month although the rains did not extend past Fort Worth. Peak flow on East Fork Trinity River at Rockwall was 25,000 cubic feet per second and there was a peak on Trinity River at Dallas of 20,000 cubic feet per second. Lake Dallas storage was increased by 30,000 acre feet impounded, Richland Creek, a tributary to Trinity River, below Dallas, reached the highest stage since 1948, peaking at 29,100 cubic feet per second.

Springs emerging from the Edwards Limestone continued to fall during May. Comal Springs at New Braunfels averaged 206 cubic feet per second in May compared to 210 cubic feet per second in April, and 219 cubic feet per second in March. Barton Springs at Austin fell from 51.5 cubic feet per second May 12 to 42.1 June 4. San Marcos Springs, however, gained slightly.

Reservoir Storage

There was nearly 10 per cent increase in amount of water stored in nine major reservoirs during the month. The principal change was Lake Dallas which gained 30,000 acre feet, Buchanan Reservoir which gained 131,000 acre feet, and Possum Kingdom which gained 65,000 acre feet. Lake Kemp, on Wichita River, and Medina Lake decreased their amounts.

stated: "Everyone who has informed himself knows that the oil industry contributes most of the income of the State of Texas that finances the many services of government. Without the industry's contribution Texas children could not enjoy a fraction of the educational advantages they have. Education is the only one of the many services State Government gives the people.

"West Texans who produce crude oil from the earth's depths and the farmers and ranchers who produce food and fibre from its surface have one all important problem in common; that is, to

develop and practice methods to conserve or to replenish the basic natural resources of which they are the stewards."

The figures used in the article were based on a recent publication of the Texas Railroad Commission. It is entitled "A Survey of Secondary Recovery and Maintenance Operations in Texas to 1952."

Guide In Buying or Building Homes Is Available to Vets

"To the Home-Buying Veteran," a 32 page guide for veterans planning to buy or build homes with GI loans, is now available at all Veterans Administration offices. VA said the pamphlet is designed to help World War II Korea veterans get started right foot under the home loan program.

The pamphlet discusses the neighborhood, the house itself, the ownership, the contract, the loan, and what to do before and after moving home.

The responsibilities of the veteran are also discussed. A copy of the pamphlet sent to each veteran applying a certificate of eligibility for a GI loan. Veterans also obtain a copy by writing the nearest VA regional office. No charge for the pamphlet.

Five Haskell Marines Complete Recruit Training Schedule at San Diego, Calif.

Five Haskell Marines recently completed their recruit training at the Marine Corps Depot, San Diego, Calif.

The are Pvt. Billy V. Davis, 19, son of Mr. and Mrs. A. L. (Ace) Davis; James L. Fowler, 19, son of Mr. and Mrs. W. A. Fowler; Pvt. Jimmie V. Lusk, 20, son of Vernon Lusk; Pvt. Jimmie Hunt, 19, son of Mr. and Mrs. Lawrence E. Hunt; and Pvt. Manuel J. Villarreal, 17, son of Mr. and Mrs. R. Villarreal. While in recruit training Villarreal qualified as a Rifle Marksman.

Also from this area, Pvt. Charles W. Bates, grandson of Mrs. Charles Perryman of Aspermont, a former student of Old Glory High School. He is married to the former Flessie Lavern Medford of Haskell.

The six men are now completing four weeks of individual combat training at Camp Pendleton, Calif.

Upon completion of this advanced training Fowler will be transferred to the Naval Air Technical Training Center, Jacksonville, Florida, where he will attend Airman's School. The four others will be assigned to a Marine unit in the U. S. or abroad, or to a technical training school.

Davis, Fowler, and Lusk are graduates of Haskell High School and Davis attended McMurry College prior to his entry into the Marine Corps. Fowler was employed by the West Texas Sheet Metal Company in Haskell, and Lusk was employed by Phelps-Dodge Copper Corporation in Morenci, Ariz., before entering the Marine Corps. Lusk is married to the former Dona Fay Harrell of Rule.

Four-Night Rodeo At Breckenridge June 10-13

The Tenth Annual Stephens County Rodeo will be held in Breckenridge on June 10-13. Four night performances will be beginning at 8:15 p. m. in the rodeo grounds just east of the city.

Events include bareback bronc riding, bull riding, calf roping, saddle bronc riding, Jr. calf roping, old timer's roping, cowgirl sponsors contest, yearling tie down and children's pony show. In addition, there will be both National Cutting Horse competitions and Stephens County cutting horse contests.

One of the outstanding features of the rodeo this year will be a match roping each night between "Slingin' Sammy" Baugh, now ranching at Rotan, and Nig Wright of Breckenridge. Each will get three calves nightly.

Anson Country Club Golf Tourney Set For June 18-21

An invitation has been extended to golfers in Haskell and vicinity to attend the fifth annual Invitational Golf Tournament of the Anson Country Club June 18-21. Entrance fee in the tourney is \$5, and the course will be open for practice and qualifying rounds June 14 to 18. Tournament play will begin June 18, and a buffet supper and trimmings will be a feature at 7:30 p. m. Championship finals will be played Sunday morning, June 21, and finals in all other flights Sunday afternoon.

Insect Damage To Texas Cotton Crop Declines In 1952

Value of cotton kept out of production by pests in Texas in 1952 was approximately \$18,783,000 less than in 1951, according to the National Cotton Council.

Releasing statistics based on the USDA final crop production figures for 1952, George G. Chance of Bryan, chairman of the Texas state unit of the Cotton Council, said cotton crop losses due to insect damage in Texas amounted to \$100,932,000. This compares with \$119,715,000 in 1951.

Because of boll weevils, pink bollworms, cotton aphids, thrips, and other pests, Texas cotton farmers last year lost an estimated 502,950 bales of cotton and 200,023 tons of cottonseed.

Cotton insects last year reduced the full yield in Texas an estimated 7 per cent.

Pink bollworms took a record toll in the Lone Star State, damaging cotton to the extent of \$22,500,000.

Losses in the 16 major cotton producing states totaled an estimated \$289,768,000 as compared with \$391,955,000 in 1951. Last year cotton pests claimed approximately 1,444,000 bales of cotton and more than 574,000 tons of seed.

Average reduction in full yields amounted to 6 per cent.

Texas Helps World Study Wildlife

The surge of public attention toward conservation education in Texas has had an indirect bearing on the international swing in this field of endeavor.

This was reported by the Director of Conservation Education and Departmental Publications of the Game and Fish Commission at Austin.

He attended a Washington meeting of the program committee of the Wildlife Management

Institute to help shape the program for the Nineteenth North American Wildlife Conference in Chicago, March 8-10, 1954.

The Director said his reports on recent Texas conservation education progress was an important factor in planning the program for the spring sessions. One of the major points made was that the Texas education authorities recently have channeled conservation education to every classroom in the state and that thousands of teachers are teaching conservation.

The Chicago meeting will be attended by authorities on wildlife throughout North America and from many foreign countries.

The Director said the keynote of his presentation at the Washington Committee meeting was that "we are in the business of conservation education and therefore must push forward to show everyone that future progress depends on the wise use of the soil, trees, the waters and wildlife."

Meanwhile in Texas the summer workaholics for school teachers are about to begin. The various allied agencies contribute to these schools for the direct benefit of schoolroom teachers. It is considered noteworthy that twenty-four Texas senior colleges and universities will carry on teacher training programs in Conservation Education this summer.

Unusual Specialty Acts Feature Of Graham Rodeo

Graham, June 9.—The Possum Kingdom Roundup has a reputation for presenting the very best and most unusual of specialty acts at the annual rodeo and this year's show will maintain that reputation, four night performances, June 24 through the 27th.

Less than seven specialty acts have been booked, including Roy Rogers liberty act, eight beautiful Palomino horses presented by Glenn Randall, trainer of Trigger, Trigger, Jr., and other famous movie horses. The Palominos perform in a 40-foot ring a series of precision drills as well as doing a waltz in pairs. The animals work at liberty, no lines being used.

"Rhythm on Wheels" presents Miss Lynn Randall and Top Hat. The handsome horse goes through a dance routine while hitched to a buggy. The spectacular climax witnesses eight doves fluttering down and alighting on the horse's back, where they remain as he leaves the arena.

Still another feature will be "Hoofbeat Harmony," offering Joan and Corky Randall and their dancing horses, "Sir Dan" and "Comet" in the polka, carioca, conga, hula-hula, march and high trot.

Especially for the kiddies will be the famous "Red Pony" of the movies, a beautiful sorrel only 46 inches in height who gives a remarkable exhibition. There are three other acts of comparable appeal. Roy Rogers does not appear with the liberty Palominos but Rodeo President Chas. E. Hipp is hopeful that the movie star will attend at least one performance.

Attractive Home Planned For A Small Budget

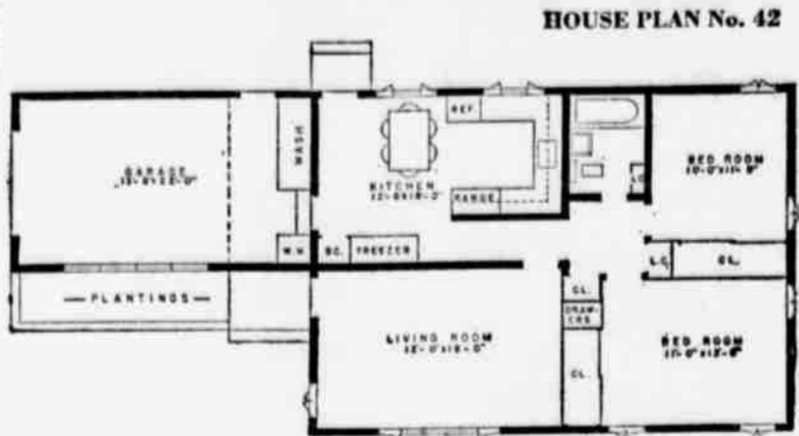

On a small budget you can have a comfortable, convenient home. The low cost of this Farm & Ranch house is accomplished by a combination of things. For instance, the interior walls by the bedrooms are formed by the closets, which actually serve as partitions. Where it usually takes 3,000 square feet of wallboard to build the inside walls of this house, these lower cost walls can be provided by using only the type of roof framing which we specify. This roof framing is such that the exterior walls can be erected and a goodly portion of the inside finish completed before putting in the partition walls. The exterior walls carry the entire weight of the house.

The main portion of this house can be built first, then the garage and space for a washing machine may be added later. Some cost has been cut by using a box-type construction for the garage. This arrangement also gives a pleasant change in texture that often is found in modern homes.

We have further reduced the cost by suggesting the use of a double wall cement asbestos flue instead of the conventional brick chimney. This flue is very satisfactory and can be conveniently supported by the roof structure. Steel casement windows are used in order to reduce maintenance cost as much as possible.

The rooms in the house are very conveniently arranged. See how handy the bathroom is to the bedrooms and kitchen—and all the house! And note the large closets. The kitchen is so arranged that there need be no traffic across the work area.

You can obtain blueprints for this Haskell Free Press-Farm & Ranch House Plan No. 5142 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch-Southern Agriculturist, Dept. L-98, Nashville, Tenn. Order by number. Plan No. 5142. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

Pvt. Joe D. Cook of Throckmorton Now In Korea

With The 25th Infantry Division in Korea—Pvt. Joe D. Cook, son of Mr. and Mrs. Joe F. Cook of Throckmorton was recently as-

signed to the 25th Infantry Division in Korea.

Now the senior American division on the peninsula, the 25th landed in July 1950, shortly after the Communists attacked the Republic of South Korea.

Pvt. Cook entered the Army last November and received his

basic training at Camp San Luis Obispo, Calif., before arriving in Korea on April 25.

He attended Throckmorton High School.

Deer Herd Test Ready To Begin

Austin — First steps already have been taken to comply with the new state law authorizing possible experimental harvest of a limited number of female deer as a means of balancing deer herds in three Hill Country counties.

The executive secretary of the Game and Fish Commission said Eugene Walker, Wildlife Biologist who has been specializing in big game management, has been assigned to the new project. He will shortly move with his family from Austin to establish headquarters at Kerrville.

Under the law, passed by the 1953 Legislature, closely supervised harvesting of surplus deer is permitted in Gillespie, Mason, and Kerr counties. The experiment is authorized for four years beginning this year.

The executive secretary said it was uncertain as to whether the program could be advanced in time to permit actual starting of the supervised harvest during the 1953 big game season, opening Nov. 16.

The plan was sponsored by ranchers and wildlife technicians as a means of stabilizing the deer population. The executive secretary explained that there is only so much food available and that excess population of big game works to the general detriment of the herds. He pointed out that

many states have found regulated taking of female deer, where the sex ration is out of balance, to be sound conservation practice.

Under the program authorized by the Legislature, final decision on whether the limited harvest

shall be permitted to the County Commission. Meanwhile, herd surveys, made, meetings arranged, interested land owners around generally laid out.
