

"To School" Program Set For Friday, Sept. 4 In H.H.S. Football Stadium

The second annual "Back to School" program has been set for Friday, September 4th at the H.H.S. Football Stadium, according to Superintendent D. Allen and Harold R. Allen, president of the chamber of commerce which sponsors the program.

The program is a highly entertaining and educational one for all ages and we are estimating that about 1000 people will be present at 8 p. m.

The program will feature a writing contest open to all children of the H.H.S. and the subject this year is "What I Want to Be When I Grow Up".

Prizes will be awarded for the best entries and the winners will receive a cash prize of \$10.00 for first place, \$5.00 for second place and \$2.50 for third place.

The program will also feature a play by the H.H.S. Dramatic Club and a presentation of the "Back to School" program by Coach J. W. Watson.

The program will be held in the H.H.S. Football Stadium and is free of charge. Tickets will be available at the door and in advance from the chamber of commerce.

CHESTER G. WATT

Gospel Meeting Begins Tonight At Weinert Church

With the Rev. Chester G. Watt, widely-known evangelist of Lovington, N. M., doing the preaching an old-time gospel revival will begin tonight, August 6, at the Weinert First Baptist Church.

In announcing the revival, the Rev. Temple Lewis, pastor of the Weinert church declared: "The gospel of Christ is the need for our day, and we invite the people of Weinert and vicinity to hear the old-time gospel messages preached by our visiting evangelist."

Lightning Sets Fire to Farmhouse Monday Night

An unoccupied five-room house seven miles northeast of Weinert was destroyed by fire Monday night, believed to have started when the house was struck by a bolt of lightning.

The blaze was noticed about 11 p. m. by workers at an oil field drilling rig several miles away, during a severe electrical storm.

The house had been vacant since January. Farm on which it is located belongs to Mrs. Dave E. Coffman of Dallas.

Arlos Weaver, of this city has the place leased and is working the farm this year. He did not learn of the fire until Tuesday morning when he drove to the farm. The blaze was confined to the five-room house, and a trailer parked a short distance from the house was not damaged.

Loss from the fire was estimated at approximately \$2,500.

Joe Williams Heads State Association Court Reporters

Joe A. Williams of this city, court reporter for the 39th Judicial District, was elected president of the Texas Shorthand Reporters Association Saturday in Fort Worth.

Election of the Haskell man and other officers came at the end of the association's two-day annual convention held in that city.

Other new officers include Glenn Milner of Borger, vice president, and Justine Abernathy of McKinney, secretary-treasurer.

New directors are Henry Gould of Fort Worth and Odessa Smith of Beaumont.

About 40 court reporters from over the state attended the convention.

Veteran of Korean Fighting In San Francisco Hospital

Staff Sergeant W. C. Busbee of this city, who was returned to the States after more than a year at the battlefield in Korea, is now in a San Francisco, Calif., hospital friends here have learned.

Scouts Tell Lions About Trip To Jamboree

Providing an interesting program for the regular meeting of the Haskell Lions Club Tuesday were four Boy Scouts of this area who recently returned from the National Boy Scout Jamboree in California. They were William Haines and Fitzhugh Williams.

John Barry, program chairman for the day called first on William Overton who acted as master of ceremonies and called on the boys individually to relate some of the highlights of the Jamboree.

Waller Overton told of the Scouts boarding the train at Abilene and described the activities on the train en route to the Jamboree site. Then he opened a box to display many souvenirs and trinkets which they had swapped the famed Texas horned toads for in dealing with Boy Scouts from other states and countries. "The Texas boys took about five thousand of the frogs with them," he said.

Fitzhugh Williams followed in relating an interesting account of the swimming parties which included some five thousand Scouts in each group. "We left by school buses at 8 a. m. each morning after California had to get a special permit for the use of the buses," he explained. "It all worked out marvelously and we suffered no mishaps."

William Haines took the floor to describe the giant Pageant presented by several thousand Boy Scouts and continued to tell in detail of the many Hollywood stars who personally came to entertain with Bob Hope as master of ceremonies.

Dr. T. W. Williams of this city who was with the Medical Detachment, then gave an interesting talk by describing the excellent co-operation of the Coast Guard, Army, Navy and Air Corps in making the huge encampment a success from the safety standpoint. He told of the co-operation of the staff which consisted of some 2700 men who carried the program out in minute detail. He was highly complimentary of the portable Dental and Medical Units and the part the Quartermasters contributed to make the Jamboree a success.

"We were a part of one section and we consumed some \$25,000 worth of food and there were some thirty sections which covered the area of two thousand acres."

The boys were enthusiastic in saying that it was the greatest trip any of them had ever made.

Panels Named For Local Warm Springs Foundation Work

John Barry, Christian Church minister of this city who has been named chairman of the Haskell County Division of Gonzales Warm Springs Foundation for Crippled Children, has announced the appointment of local committees to assist in the non-profit, non-sectarian hospital of physical medicine and rehabilitation.

The county chairman has scheduled a meeting of all committee chairmen Saturday afternoon at 2 o'clock at the Chamber of Commerce office. Mr. Barry has also announced the appointment of Tommy Davis as co-chairman of the county division.

Local committees appointed include: Information and Education—Hugh Ratliff, chairman; George Fouts, Dr. J. G. Vaughter.

Publicity—Jetty V. Clare, chairman; Tommy Davis, Courtney Hunt.

Campaign—Willard Warren, chairman; Dr. Wm. J. Kemp; Wix Currie.

City Asks Covers Be Provided For Garbage Cans

As one method in keeping down flies and mosquitoes, the City Council is asking that all residents of Haskell provide covers for their garbage cans where this is possible.

GAYLE DUNN

DR. JIMMY MORGAN

Dr. Jimmy Morgan, Noted Evangelist, To Lead Revival at First Baptist Church

Dr. Jimmy Morgan will do the preaching in the revival meeting at First Baptist Church August 9 through the 23.

Dr. Morgan is not a stranger to this section of the state. He was the evangelist in the summer revival in 1951.

"Dr. Morgan is one of the outstanding evangelists of the South. We are indeed privileged to have him back in our church for our revival this summer," Rev. M. D. Rexrode, pastor of the church said.

Dr. Morgan has had many honors in the Southern Baptist Convention bestowed upon him. He is at the present time serving as one of the Texas representatives on the Foreign Mission Board. He recently has become the President of the Texas Baptist General

Convention. "We are looking forward with great anticipation to his being here," the Haskell pastor added.

Gayle Dunn, one of the outstanding educational and music directors in Texas, will direct the music in the revival meeting. Mr. Dunn who for many years served as educational and music director in Houston and is now serving in that capacity at the Gaston Avenue Baptist Church in Dallas, is widely used as a music director in the many conventions and programs of Texas. He is outstanding in the field of church music. "He will be a blessing to all those who have an opportunity to know him. It is a joy to have a man like Mr. Dunn come to direct us in our music for our revival meeting," Rev. Rexrode said.

Odessa Pastor Will Be Evangelist For Revival at Pinkerton Baptist Church

The Rev. H. E. Gregory, pastor of the East Side Baptist Church in Odessa will do the preaching in the Pinkerton revival this year. Rev. Gregory has been tested and found worthy in his pastorate at Odessa. Here he has become the pastor-evangelist whose weekly services result in definite decision for Christ each Sunday.

The revival will begin at the morning service on Sunday, Aug. 16 and will continue through the evening service Aug. 23. All are invited to attend every service. Morning worship will begin at ten o'clock on Sundays with Sunday School taking the time until 11 and at 10:30 on week days, with the singing of gospel songs. The evening messages on Sundays will begin with Training Union at 7 o'clock and at 7:30 with prayer services on other days. There will be two services each of the eight days.

Rev. Gregory will bring a stirring message of truth for all who listen, exhorting all to greater constancy in and obedience to the Master's way. As an evangelist rightly dividing the Word of Truth, he will have a message of merit for everyone.

Bro. Carl Norman will conduct the song service. Mrs. Haskell Stone will play the piano, and Mrs. Jack D. Wester will direct the singing in the junior choir. "Plan to be present for each service. You will find a welcome there," Rev. Jack D. Wester, pastor of the Pinkerton church said in inviting the public to attend the meeting.

Eight Complaints For Felonies On Grand Jury Docket

Eight felony complaints have been filed in recent weeks for investigation by the 39th District Court Grand Jury, now in recess.

District Attorney Royce Adkins said today that the Grand Jury likely would not be called back into session until later this month. He explained that all defendants named in the complaints were under bond, with one exception, and that all but two persons had made statements in connection with the offenses charged.

The district attorney pointed out that a majority of the Grand Jurors are farmers, and that they are busy now with their crops.

The pending complaints on the Grand Jury docket can be handled at any time it is convenient for Grand Jurors to meet, he explained.

The complaints pending include four for burglary, in which four Haskell youths are named; two for forgery complaints against one man; and a single forgery complaint against another man; and a complaint charging theft by baillee in which a former Rule man is named as principal.

City Plans Quick Action To Eliminate Health Nuisance

Jack Mapes, 32, Dies Tuesday In Big Spring

Jack Mapes, 32, son of Mr. and Mrs. T. M. Mapes of the Roberts community, died at 9:15 p. m. Tuesday in a Veterans Hospital in Big Spring.

Mr. Mapes, who had been working in Odessa recently, had been critically ill since Sunday. A native of Haskell County, he was a Navy veteran of World War II.

Funeral services for the young veteran will be held at the Roberts Baptist Church Friday at 3 p. m.

Burial will be in the Roberts Cemetery with Holden Funeral Home in charge of arrangements. Deceased was born June 8, 1921, and was reared in the Roberts community. After his return from Navy service, he married Miss Ann Cornelius of Electra on March 4, 1947, and they made their home in Odessa in recent years. Mr. Mapes was a member of the Methodist Church.

He is survived by his wife and a daughter, Elizabeth Ann Mapes, of Odessa; his parents, Mr. and Mrs. Mapes of Haskell; four brothers, J. L. Mapes of Indio, Texas; 2nd Lt. Tommy Mapes of El Paso, Donald Mapes of Sweetwater; and three sisters, Mrs. Geo. Keller of Wichita Falls, Mrs. R. S. Hathaway of San Leandro, Calif., and Miss Joan Mapes of Haskell.

Mrs. A. C. Bailiff Dies Wednesday; Funeral Today

Mrs. A. C. Bailiff, 80, former resident who moved back to Haskell from Merkel three weeks ago, died of a heart ailment in the Haskell Hospital at 5 a. m. Wednesday. She had been in declining health for several years.

Funeral for Mrs. Bailiff will be held at Holden Funeral Chapel this afternoon at 5:30 o'clock, with John Barry, minister of the Haskell First Baptist Church and James A. Crites, pastor of Rule Christian Church officiating.

Burial will be in Willow Cemetery under direction of Holden Funeral Home.

Mrs. Bailiff had been a member of the Christian Church since 1915.

She was born July 26, 1873, at Kaufman, Texas, daughter of the late Mr. and Mrs. W. Z. Harris. She was married to Mr. Bailiff in Dallas County Dec. 11, 1898.

Mr. and Mrs. Bailiff moved their family from Dallas County to Haskell in 1914, and from here to Merkel in 1933. They lived there until a few weeks ago.

Surviving are her husband; three sons, Howard K. Bailiff of Rule, Glover D. Bailiff of Fort Worth, Wm. W. Bailiff of Fort Leno; and two daughters, Mrs. Robert M. Ivey of Ft. Worth and Mrs. M. C. Hallmark of San Diego, Calif. Seventeen grandchildren and nine great-grandchildren also survive.

Her grandsons will act as pallbearers. They are Weldon, Jerry, James, Glenn, Bob, and Rollin Bailiff, George Thompson and Ray Lynn.

Mr. and Mrs. James Adkins were week end visitors at Lubbock in the home of their daughter and family, Mr. and Mrs. E. L. Criswell.

DR. E. O. MCCLELLAN

Dr. E. O. McClellan, Optometrist, Opens Office in Haskell

Dr. E. O. McClellan, optometrist, has announced the opening of his office in Haskell, Friday, August 7th.

Dr. McClellan, who has been located in Munday for the past year, has secured office quarters in the Post Office Building, in the section of the building now occupied by Wix Currie and J. M. Crawford.

Dr. McClellan and their son, Jeff, 4 1/2 years old, are moving to Haskell this week to make their home here permanently. They are members of the First Baptist Church of Munday.

Dr. McClellan is a graduate of TCU, and received his professional training at the Southern College of Optometry, Memphis, Tenn. He is a member of the Northwest Texas Optometric Association, and the American Optometrist Association. He also holds a certificate from the State Board of Welfare in the aid-to-the-blind program.

During his residence in Munday, Dr. McClellan has been actively interested in community affairs. He is president of the Munday Lions Club and Scoutmaster of the Munday Scout troop. He is a member of the Masonic Lodge and the Munday post of the American Legion. He is a Navy veteran of World War II.

Miss Joan Smith Joins Staff Of Haskell Hospital

Miss Joan Smith, a graduate of St. Joseph School of Nursing in Fort Worth, has joined the staff of the Haskell County Hospital as night supervisor. Her position also includes general floor duty.

She is the daughter of Mr. and Mrs. O. B. Smith of this city, who moved from Mexico to Haskell last year. Mr. Smith is division machinist for Service Pipe Line Company.

Miss Smith is a 1950 graduate of Mexia High School. She entered nursing training in July of that year. While in school she was editorial representative for St. Joseph's, and was voted queen of the senior ball at the Fort Worth school this year. In her junior year Joan was elected state representative to the State Nurses Association Convention in Dallas.

Visiting recently in the home of Mr. and Mrs. Ben Bruton and sons of near Weinert were Mr. and Mrs. Arthur Ervin of Denton, and Mr. and Mrs. Oscar Reed and son James of Tulsa.

Roustetts Tame Byers, Snyder Teams; Burton Chevroleters Sack Wichita Falls

Haskell Roustetts defeated the highly rated Byers Doughmixers girls softball team here Saturday night, 8 to 4, to continue the locals winning streak.

In the second of a twin bill at Fair Park, Burton Chevrolet Softballers defeated Wichita Falls All Stars 7-6 in a 12-inning contest that was broken up by third-sacker Baccus' single which scored the winning run. E. L. Bassing went all the way on the mound for the locals.

In the girls game, Lois Knippling chalked up nine strikeouts against the Byers visitors, with Dorothy Knippling receiving. Scoring spree for the locals was started in the third when shortstop Darlene Dunning rapped out a

round trip with two runners on. Leftfielder Johnny Raughton almost duplicated this feat with a three-bagger scoring Dorothy Knippling.

Monday night the Roustetts travelled to Snyder, where they tamed the Tigerettes 7-6 for their third straight win over the Snyder girls. Opal Dunning turned in a stellar chore on the mound, with Matilda Elms receiving.

Saturday night the Roustetts journey to Childress for a game with the Childress Girl Softballers. Also at Childress, Burton Chevrolet team will meet the Childress All-Stars in the second game Saturday night.

Monday night the Roustetts go to Byers for a return game with the Doughmixers in that city.

Immediate action in eliminating an existing public health nuisance southeast of the square was indicated at a special meeting of the City Council Tuesday night after the matter had been thoroughly discussed and Aldermen had heard a report from Dr. Joe Thigpen, City Health Officer concerning the situation.

By unanimous vote of the Council, the City Attorney was instructed to prepare proper legal notice to owners of the property involved, directing that the premises be cleaned up and all hazards to public health be removed within 10 days.

In the event of non-compliance with the notice, legal counsel for the City was instructed to institute court proceedings to compel removal of the nuisance.

Dr. Thigpen said that in his capacity as City Health Officer, and in company with Dr. E. M. Kimbrough, County Health Officer, he had visited the area involved and described what he saw as "an undesirable and deplorable situation that should be cleaned up."

He said further that from the condition of the premises at the time of his visit there existed the certain possibility of a number of diseases that could be spread, aside from the discomfort created.

Members of the Council and other city officials present at Tuesday night's meeting were Olen Dotson, J. E. Walling, A. M. Turner, Gene Hunter, Mayor Courtney Hunt, City Secretary T. J. Arbuckle, and City Attorney Dennis P. Ratliff.

Pfc. Robt. J. Long Wounded on Eve of Korean Truce

Mr. and Mrs. Robt. Long of Route 1, Old Glory, have been advised by the Defense Department that their son, Pfc. Robert J. Long, Jr., was wounded on the battlefield in Korea Saturday, July 26.

Pfc. Long, 22, member of E Company, Third Marine Division, was serving with Marine infantrymen at Outpost "Esther," the parents learned.

Mr. and Mrs. Long received a letter August 1 from their son in which he said, "They are talking about an armistice but the fighting is about as tough as it could be. Mother, you have never heard as many firecrackers at Christmas time as there is shooting going on around our outpost now."

Pfc. Long, reared in Haskell, entered the Marines early in 1952, and went overseas to Korea late in June this year.

Q-B Directors Map Plans For Annual Colored Classic

Officers and directors of the Haskell Quarterback Club met Wednesday night to discuss advance plans for the annual Colored Football Classic to be played on Indian Field Oct. 31 under auspices of the club.

Also discussed were tentative projects to be adopted by the Quarterbackers this year.

Tom Watson, president, presided for the brief session. He explained that the competing teams in this year's Classic would be Paul Quinn College of Waco and Langston College, Coyle, Okla. The Negro colleges have transferred their regular conference game to Haskell.

More than 2,000 fans witnessed last year's Colored Classic and the appearance of two college teams in regular conference play is expected to attract a capacity crowd in Indian Stadium this year.

Directors approved the same admission price charged last year, 50 cents for students, \$1.00 for adults, and all reserved seats 50 cents. If possible, tickets for the classic will be placed on sale at the same time HHS season football tickets go on sale.

Display of Ceramics, Oil Paintings At Blohm's Studio

Mrs. Shelly Royall will have an art exhibit of oil paintings and ceramics at Blohm's Studio Saturday, August 8 from 9 a. m. until 9 p. m.

The paintings and ceramic displays will be the work of local artists who are studying with Mrs. Royall. There will be some 50 pieces of ceramics and a good number of paintings on display.

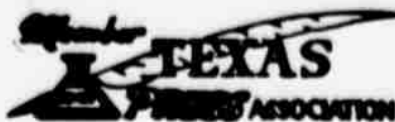

Each guest registering will have a chance at an attractive guest prize.

There will be no charge for the exhibit and the public is invited.

Haskell County History

20 Years Ago—Aug. 10, 1913

The Texas Cafe, which opened several months ago in the Gates Building, has moved to a new location just east of the Farmers & Merchants State Bank. Mr. and Mrs. Bob McAnulty, owners of the cafe, state the new location will give them additional space which was needed to take care of their growing patronage.

County Agent R. H. Maxwell has urged farmers to complete plowing up cotton signed up in the Government program. Inspectors will check the fields for compliance within a short time, he said.

Mrs. Joe Maples and daughters and Mrs. J. C. Lewellen and daughters, Lillian and Dorothy have returned from Temple, where they had been for the past week.

A new welding shop has been opened in the Scott Building on Depot Street by J. L. Smith, formerly of Levelland.

Four automobiles stolen from Haskell parties in recent months have been recovered by Sheriff Sarrells and deputies who believe they have broken up a theft ring which has been operating in West Texas. Four suspects are being held in jail here in connection with the thefts. Cars have been recovered that were stolen from G. V. Wimbush, W. O. Holden, R. A. Crowell and Frank Turrentine.

Roy Ratliff, representative in this section of the Great National Life Insurance Company, ranked third in the state in the amount of business written by company representatives. He received this information in a congratulatory

letter from the president of the insurance concern.

Sheriff Burt Wheeler of Abilene was a business visitor in Haskell Tuesday.

The Rochester School Board has announced that the new school term will begin in that city Monday, August 28. C. L. Ligon is superintendent of the Rochester schools.

Miss Beatrice Richardson of Brownwood is visiting the family of Rev. H. R. Whitley.

30 Years Ago—Aug. 10, 1923

The Mode Collins Confectionery and Cafe in Olney was destroyed by fire last Wednesday, friends here have learned. Loss was estimated at \$2,500. Mr. Collins is a former Haskell man.

Swenson Land & Cattle Company shipped six cars of cotton from their Throckmorton Ranch to the Kansas City market this week. The cattle were driven to Haskell and loaded at the railroad stock yards here.

Mr. and Mrs. M. S. Edwards returned from an extended visit with their children in Runnels and Taylor Counties.

W. L. Bird was saved from drowning while fishing in Paint Creek Monday, by his son Thomas, 12 years old, and Terrell Brooks, 15. Mr. Bird was seized with cramps while putting out a trot line in deep water. His cries for help were answered by the boys, who managed to get him from the water.

Kennedy Chevrolet Company in this city advertised new Chevrolet roadsters, f. o. b. Flint, Mich., at \$510, the Sedan at \$860, and

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD
Texas Press Association

Austin, Texas—Business has been booming in Texas the past six months, despite the farmer's plight. A report from the Bureau of Business Research of the University of Texas reveals that the first six months of 1935 were "the best in Texas' business history."

Heaviest activity was in the industrial growth of the state.

Scattered showers continued to fall over Texas, putting a dent in the drought situation.

The U. S. Department of Agriculture reported that much of the state was benefitted, except for dry southern counties. More rain is needed everywhere, the USDA said, especially in the south and the southern high plains.

Reportedly good was the outlook for a cotton crop.

Texas potentially has an ample water supply. But at present about 85 per cent of the flow of Texas' rivers goes into the Gulf of Mexico.

That circumstance was reported to the Senate by Senator Lyndon B. Johnson, who based his remarks on a study made by the Austin office of the U. S. Reclamation Bureau.

Johnson recommended that the federal government and the state work together for the conservation and use of this water so as to provide food, clothing, and industrial opportunities to an ever-increasing population in the Southwest.

Federal-state cooperation was a principal subject at the National Governors' Conference met in Seattle, Wash.

Governor Shivers, chairman of the conference this year, opened the sessions with a keynote address.

Scheduled to appear during the conference are President Eisenhower and some members of his cabinet, including Mrs. Oveta Culp Hobby of Houston, Secretary of Health, Education and Welfare, and Attorney General Herbert Brownell.

When Shivers left Texas for Seattle, Lt. Governor Ben Ramsey took over as the state's chief executive and immediately went to

the Chevrolet commercial chassis at \$425.

Lubbock was selected as site for the new Texas Technological College Wednesday afternoon at a meeting of the locating board held in the Texas Hotel in Fort Worth.

Mr. and Mrs. F. C. Wilfong returned this week from a two week's visit with their daughter and family, Mr. and Mrs. Carroll Boldin at Cleburne. Mr. Wilfong says cotton and other crops are much better here than in the Cleburne section.

W. P. Kinnison, formerly of Haskell who is now farming in Lynn County is here visiting his parents, Mr. and Mrs. S. E. Kinnison.

J. E. Ellis and family of Fort Stocker are visiting his father, J. E. Ellis, and other relatives.

F. M. Barton, Haskell rancher and businessman, died of a heart attack last Thursday in Colorado, where he had gone with his family on a summer vacation.

50 Years Ago—Aug. 8, 1903

Major Smith passed through town Thursday returning to Stamford after a visit with his parents in the east part of the county. He expected to meet his brother, Scion Smith of Missouri at Stamford. He is coming down to visit his parents.

It is reported that the Frisco is planning to put a corps of surveyors to work locating a route for extension of the road from Vernon to a connection with the Central at Stamford. This is good news to Haskell if it materializes, as we are on an air line between the two points.

Misses Mary and Grace Anderson of the Kasoga neighborhood were visiting this week in the home of Mr. and Mrs. R. P. Simpson.

Caleb Terrell, who is with the Johnson thrasher in Knox County this week, returned Thursday taking a rest during a break-down of the machine.

Miss Betty Cousins of the northeast part of the county was visiting this week with Miss Fannie Isbell.

Mrs. W. G. Williams and daughters and Mr. Will Poindexter have returned from Aspermont where they visited relatives and friends.

Mrs. Williams entertained the young folks with a lawn party at the Christian Church parsonage Monday evening.

Jim Harrison of Sherman is visiting Haskell friends this week.

Ed Rose of the Devil's River country is up on a visit to his father, E. A. Ross and other Haskell relatives and friends.

A. C. Sherrick and wife of Knox County visited Haskell friends several days this week.

In the baseball game last Saturday at Pinkerton between Rule and Pinkerton, the Rule boys won by a score of 48 to 6. Not being satisfied with the licking, the Pinkerton boys have challenged the victors for another game at Rule today and the West Siders have promised to "take it out of 'em again."

Miss Bertie Hooker of Lockney is visiting friends in the western part of the county.

work as presiding officer of the Legislative Budget Board.

The Board instructed its staff to tackle problems of a separate appropriations item to augment the salaries of topnotch professors so that they might be attracted to the state's colleges and universities.

Being studied too were plans for subsistence allowances for state hospital workers, the financing of a long range land-use, drought-combat program. Much time also was devoted to budgeting plans for all building needs as a whole rather than acting upon separate requests from different agencies.

Vernon A. McAfee, dugout director, was re-elected for a one-year term.

Members of the Texas Legislative Council, meeting in a two-day session here, have given top priority to studies on six different and unrelated subjects.

Four of them were asked by the recent Legislature. They include:

1. Protection of livestock from disastrous disease and the control of such diseases; methods of financing control; means of paying livestock owners for losses incurred under control and eradication measures.

2. Comparison study of game and fish laws of other states and their conservation programs.

3. Study of proposals for reorganization of court system.

4. Inventory of public lands.

Other matters set for study included general recodification of Texas laws, last done in 1925; laws relating to annexations by cities; and a study of codification of the juvenile delinquency law.

Director John D. Mosley was given authority to move the commission's headquarters from the Capitol to 105 West 14th Street.

Testimony will be heard here, beginning August 17, in removal proceedings against District Judge C. Woodrow Laughlin of Alice.

District Judge D. B. Wood of Georgetown, commissioner for the state supreme court in the case set the date.

After the testimony is received, the record will go to the supreme court for decision as to whether Judge Laughlin shall be ousted from his office.

Ouster proceedings against Judge Laughlin were brought by 11 South Texas lawyers, who charge that irregularities have occurred in the judicial district which is politically dominated by George Parr.

Federal drought relief legislation, passed by Congress, provides \$30 million for economic loans, \$60 million for special livestock loans, \$40 million to subsidize shipments of feed and seed to disaster areas,

and \$20 million for production and subsistence loans under the FHA.

Farmers and ranchers, not only in Texas but also in other parts of the Southwest, will be eligible for assistance under the program.

Prior to the passage of this bill, \$16 million already was available for drought relief from Agriculture Department funds.

Chancellor Gibb Gilchrist of Texas A. & M. said the school's board of directors will determine how the institution will participate in a hay and feed distribution program.

Attorney General John Ben Shepherd had ruled that the college has full legal authority to furnish hay and feed to drought areas.

Wm. L. McGill, state defense and disaster relief co-ordinator announced that the college would be asked to set up a \$500,000 revolving fund to administer volume purchases and distribution of hay.

Most of the relief livestock feed will have to come from other states, in the opinion of Agriculture Commissioner John C. White, who completed an inventory, showing that only about 10 per cent of the needed amount available in Texas.

McGill said the state disaster committee was awaiting word from Southwestern railroads as to whether they would grant a 50 per cent freight reduction on shipment of livestock from drought areas to pastures elsewhere.

Granted by the rails were half rates on shipment of feed into the parched areas.

Cattlemen will get help from state banks, said State Banking Commissioner J. M. Falkner.

Falkner reported to Governor Shivers that he had talked with most of the state bankers in the drought area, and "It is their thought that where they are financing cattlemen who have a home and are not hopelessly in debt, they are willing to ride out the depression with them."

Help will be coming for the dairymen as well as farmers and ranchmen, Secretary Benson said in response to a telegram from C. O. Newton, representing the North Texas Milk Producers Association.

Benson stated: "It always has been the intent of the instructions by the Department of Agriculture regarding delivery of feed that dairymen should be included

Another Round of Car Inspections Under Changed Law Set Sept. 15-Apr. 15

The new period, during which Texas motorists will be required to have their auto inspected under the new modified Motor Vehicle Inspection law which was enacted in the recent 53rd Legislature, has been unofficially set for September 15, 1953, through April 15, 1954, it was announced today by Col. Homer Garrison, Jr., director of the Texas Department of Public Safety.

Garrison said that the State Public Safety Commission has advised him that they will confirm the designation of the new period on August 26, the effective date

of the new act. The old law which aroused much controversial argument during the last session of the Legislature will expire at midnight August 25 and no inspections will be made under its provisions after that date.

Garrison explained that this means that no inspections of any sort will be made between that time and the beginning of the new period on September 15.

The modified law calls for inspections only of brake, lighting equipment, horns, rear view mir-

rors and windshield wipers. "In view of the fact that the inspection stations throughout the state are already set up and equipped to perform this work," Garrison said, "we feel that the full seven months of the new period will afford motorists ample time to have their vehicles inspected."

He urged that car owners not wait too long lest they get caught in a last minute rush to meet the inspection deadline.

SPENDING VACATION IN COLORADO

Mr. and Mrs. R. L. (Rupert) Adams and son, Sam, are vacationing in Trinidad, Colo. Mrs. Charles Adams and baby accompanied them to Colorado to visit with her parents.

POLIO PRECAUTIONS

Gamma Globulin—obtained from human blood—gives protection for a few weeks. However, it is in VERY SHORT SUPPLY.

A vaccine is not ready for 1953. But there is hope for the future.

Meanwhile—when polio is around—follow these PRECAUTIONS.

- DON'T mix with new groups
- DON'T get overtired
- DON'T get chilled
- BUT DO keep clean

progress several days, will comprise a special 40-hour concentrated course in television service.

As part of the instruction course, one of the engineers from Station KRBC, Abilene, met with the group one day last week and explained what we could expect from television. One day this week the class will go to the KRBC transmitting site and have the transmitting equipment explained.

Woodson said the KRBC test pattern will start August 17th and the regular schedule of TV programs will start Sunday, August 23 at 1 p. m.

Bobby Lee Hill of Weinert Enrolled At E. T. S. C.

A Haskell County resident is among approximately 1200 students enrolled at East Texas State College, Commerce, the second 9 weeks of the summer session.

Attending, according to news service files is Bobby Lee Hill, graduate physical education major of Weinert.

Rocky Cowley Joins Group Entering Service Today

Joining a group of seven men leaving today for induction into the armed forces is "Rocky" Cowley, 19-year-old Haskell youth who also volunteered for enlistment, according to W. A. Holt, Haskell County member of the Selective Service Board.

The group of eight men, all volunteers, is composed of registrants in Haskell, Jones and Shackelford Counties. They are being inducted through Local Board No. 77 at Anson, and will be processed at the Abilene induction station for the armed forces.

In addition to Cowley, others in the group are Edward Sterling Holmes and Billy Alton Dilbeck, Haskell; Clifton Carroll Tabor and Albert Theodore Jackson, Jr., of Albany; Weldon Hazard of Anson; Glen Rhea of Stamford; Royce Lee Mims, Abilene RFD.

Haskell Man Seriously Injured In Fall Down 80-Foot Bluff While Wolf Hunting

A fall down an 80-foot bluff in the breaks of the Salt Fork of the Brazos River west of Rule resulted in the serious injury of a Haskell man, Buster Hunt, last week.

Hunt received a fracture of his right leg, broken right ankle, and facial cuts and bruises about the body when he tumbled down the almost sheer bluff.

The mishap occurred Tuesday night when the Haskell man and his brother, Carl Hunt, Stonewall County rancher and oilman, and Bob Long, employed on the Carl Hunt ranch, were hunting coyotes in the rough cedar breaks along the Salt Fork.

In the darkness the Haskell man misjudged his distance from the steep bluff, lost his footing near its edge and fell to the bottom of the steep cliff. He lay there for almost an hour before his companions could return to their pick-up truck and drive to within one-half mile of the accident. The two men carried the injured man to the truck and he was brought to the Haskell Hospital for emergency treatment.

Because of the severity of the leg and ankle fractures Hunt was removed in a Holden ambulance

to Hendrick Memorial Hospital in Abilene for treatment by specialists.

With his leg and ankle in a cast, Hunt was able to be returned to the Haskell Hospital Saturday, where he will likely be hospitalized for several weeks.

Local Radio Men Attending TV School In Abilene

Miss Lois Evelyn Helm Is Bride of Leo Monse, Jr., in Sagerton Rites

MRS. DELBERT LEFEVRE
Lois Evelyn Helm became the bride of Leo Monse, Jr., in a double ring ceremony performed in the St. Paul's Lutheran Church in Sagerton Sunday, July 26 at 8 p. m. by the pastor, the Rev. Rudy Wendel.

The bride is the daughter of Mr. and Mrs. Adolph Helm and the groom is the son of Mr. and Mrs. Leo Monse, Sr., all of Sagerton.

Doris Franke, organist played the traditional wedding marches and The Lord's Prayer. Background for the ceremony was of fancy leaf caladium on either side of the altar. On the altar were baskets of white daisies, carnations and gladioli.

Given in marriage by her father, the bride wore a dress of white slipper satin. The fitted bodice was fashioned with a charmingly lace yoke, fancy beading and rainbow sequins. The long sleeves tapered to a point over the hands. The skirt swept into a chapel-length train. Her two-tiered fingertip veil of English silk illusion net edged with lace fell from a beaded coronet. She carried a white Bible topped with carnations.

For something old, the bride wore a pendant belonging to her mother. She carried a good luck coin in her white kid opera pumps. Something blue was a garter.

The bride was attended by her sister, Jeanette Helm, as maid of honor and Geneva Monse, sister of the groom, as her bridesmaid. Miss Helm's dress was of pink net over taffeta. Her flowers were white carnations. Miss Monse's dress was also of pink taffeta trimmed with net, and her flowers were white carnations.

Linda Stremmel, cousin of the bride, lighted the candles on the altar. Her dress was of blue taffeta and her flowers were white carnations.

Norvell Lehmann, brother-in-law of the groom was best man and Leland Thane, cousin of the bride, was groomsman. Melvin Thane, cousin of the bride and Franklin Mrazek, brother-in-law of the groom were ushers.

The bride's mother wore a dress of frosted navy nylon and orlon. Her corsage was of white carnations. The groom's mother wore a dress of grey orlon and nylon and her corsage was of white carnations.

A reception was held at the home of the bride's parents immediately after the ceremony. The three tiered wedding cake was served from the bride's table, covered with a lace cloth over pink. The centerpiece was of carnations and gladioli.

For her going away attire, the bride wore a pink salyna dress

trimmed with matching lace. Her accessories were white. Her flowers were taken from her bridal bouquet.

Following the honeymoon trip to New Mexico, the couple will live in Sagerton.

The bride is a 1951 graduate of Rule High School and the groom was a 1950 graduate of Rule High School. The groom has served 21 months with the U. S. Army, thirteen of which he spent in Korea.

Paint Creek GA's Meet For Mission Study Program

The Paint Creek Maybelle Taylor G. A. s met August 2 at the Paint Creek Baptist Church for a regular meeting. A mission study program "American Indians" was given by several girls.

Present were Emily Griffith, Glenda Walton, Jean Griffith, Nelda Walton, Mina Griffith, Cynthia Russell, Rachel Eldridge and the leader, Mrs. M. M. Haynes.

At our next meeting all the G. A. s are going to bring a Christmas present for the Indians and are going to have a summer Christmas tree.

Playwright Eugene O'Neill has received the Pulitzer prize three times.

Camp Fire and Blue Birds Entertain Area Board Members at Lueders Camp

Thursday evening, July 30, several board members of Haskell Camp Fire Girls Council, and parents of Blue Birds and Camp Fire girls visited the summer camp at Lueders for program night.

The parents were met by their girls and invited to eat a steak dinner. After the dinner, the cabins were visited and handcrafts were displayed that had been made during the week.

Seats were moved into the open to form a nat circle in front of a campfire, where a program was presented: The program opened with an amateur show which revealed a diversity of talent in the group.

Every girl was dressed in Indian costumes made from brown paper with painted designs. Some were in squaw dresses fringed around the sleeves and hems while others had only loin cloths with brightly colored feathers and carried tomahawks. All costumes were worn over bathing suits.

The program was a clever historical pageant showing the progress of the white man and the Indian. Mrs. Bird was accompanist at the piano throughout the playlet, and also wrote the entire script which included dancing, dramatics, singing and pantomime.

At the conclusion of the program everyone visited the concession stand for refreshments and soon afterwards said good-byes to the girls, with camp loud-speakers reminding that the girls only had 15 minutes to be in bed. In leaving, the visitors expressed themselves as having had a wonderful evening, and praised the excellent program presented by the girls group.

Parents and board members attending from Haskell were Mr. and Mrs. Douglas Lees, Mr. and

Home Sewing Economical for Children's Seasonal Clothing, Specialist Says

When mother sews for the children, she has certain decisions to make. Is it more economical to make garments or buy them ready-made? Does she sew well enough to satisfy herself and the child with the garment she makes? Is the time spent sewing justified, or is it necessary to neglect some responsibility to the family?

Wena Roberson, clothing specialist for the Texas Agricultural Extension Service says each mother must answer these questions herself. For the most part, she says, seasonal clothing may be made more cheaply at home for the child's quick growth causes it to be discarded.

Comfort and freedom of action are more essential than dollars and cents. Therefore mothers may wish to buy knitted underwear for boys and girls rather than to sew them at home. But getting a self-help feature for child development, the mother may find it possible to obtain these by making the sun suit or other play garment at home. And, another advantage, is that clothing made along the same style during the training period might be less confusing to the child.

If mother does not sew well, certain suggestions from the specialist will be helpful. Probably the most important one, is to select a pattern with as few pieces as practical, and buy only the amount of material actually needed. The approximate amount is specified on the pattern envelope.

By multiple cutting, the mother can cut two or more garments by the same pattern. This would be especially good for play clothes such as shorts and overalls, using different fabrics with the same basic color used in the design so the same thread can be used. The garments can be styled differently by adding or omitting certain decorative details. Be sure the fabrics are the same width to simplify by cutting, and are guaranteed not to shrink.

Save shopping time by buying all findings when the pattern and fabric are purchased. The specialist recommends heavy duty thread for sturdy garments. Regulate the tensions and check the stitch on the sewing machine as you prepare for sewing. Twelve to fourteen stitches to the inch are used for cottons, and six to eight stitches are used for gathering or machine basting.

Certain helps such as a seam gauge on your machine for stitching all seams, a cutting table of comfortable height, bent handle shears for cutting with long strokes, and planning the method of stitching so similar processes follow each other, will aid in home sewing.

For further information on making children's clothing, ask your county home demonstration agent for a copy of the U. S. Department of Agriculture Leaflets, No. 253 Dresses Designed For Little Girls, and No. 251 Child's Self-Help Overall.

PARENTS OF DAUGHTER

Mr. and Mrs. Dale Graham, owners and publishers of The Rochester Reporter, are the parents of a baby daughter, born Thursday afternoon July 30 in the Haskell Hospital. The little girl weighed seven pounds, 12 ounces, and has been named Roci Gay. Grandparents are Mr. and Mrs. O. T. Shipp of Lueders and Mr. and Mrs. L. W. Graham of Knox City. Roci Gay is the fourth member of the Rochester newspaper's family. Mr. and Mrs. Graham have a son, Brick, three years old.

Both the sea horse and the chameleon can move one eye without moving the other, and they can move both eyes in opposite directions.

Lofty Quest for Uranium

EVEN MORE dramatic than the gold rush days is America's quest for uranium ore, now under way high on the rugged Colorado Plateau. At Uranium, below, ore mined in the Rockies is refined. Town was named for "ura" in uranium, "van" in vanadium.

ONCE PROCESSING IS completed, uranium, below, has a black, sticky form. Drying reduces the material to powder.

SANDSTONE near this typical mining structure yields carnotite. From it are derived traces of uranium ore.

Longhorn Cavern Near Burnett Greet 250,000th Visitor During July

BURNET, Aug. 3.—Texas Longhorn Cavern, world's third largest cave and one of the state's top scenic wonders, is heading for its second quarter million visitors.

A pretty blonde girl from Houston, became the 20,000th visitor to the huge cavern since it was opened to the public more than twenty years ago.

Mrs. Marlene Chadwick, 22, passed through the legendary Sam Bass entrance with a group of visitors from Houston and was greeted by H. H. (Hob) Galloway, manager, and other cavern officials. She was presented with a complete western outfit as a memento.

The quarter million attendance record was established as the high point of the cavern's best tourist season to date, Galloway said. Attendance so far is running ahead of the cavern's best year, which was 1951.

The record was also the sec-

ond milestone in the past few days for Mr. Galloway, who doubles in brass as a Burnett bank president, Chamber of Commerce director and chief booster for Longhorn Cavern. He was recently presented with

Slackening Consumer Demand Results In Declining Hog Prices Over Country

By TED GOULDY

The collapse of hog prices all over the country in past few weeks has been a graphic example of the manner in which the consumer controls the price of meats. Pork supplies are currently 15 per cent below a year ago. On the basis of short supplies, prices rocketed into sharply higher levels met consumer resistance, and dropped by 25 per cent in the month of July.

Earlier predictions that hogs might hit \$30 before summer was over seems to have gone by the board for good. Folks just won't pay those kind of pork prices.

The American Meat Institute says the wholesale meat price index is now 16 per cent below the August 1, 1952 level.

At Fort Worth Monday hog prices tumbled again, by 75c to \$1.00 per hundred. Heavier and lighter weights were \$1 to \$2 off and sows shared the bigger drop. Top hogs drew \$23 to \$23.25; lighter and heavier weights sold for \$20 to \$22. Sows drew \$17 to \$20.

Cows and bulls were strong to 50 cents higher at Fort Worth

Monday. Steers and yearlings were slow and weak. Killing calves were steady to weak. Stocker and feeders ruled 50 cents or more lower. Good fed steers and yearlings \$18 to \$20, choice \$22.50. Plain and medium grassers \$10 to \$17. Fat cows \$9.50 to \$12.50; canners and cutters \$6 to \$9.50. Bulls \$8 to \$13.

Good and choice fat calves \$10 to \$19; common and medium \$12 to \$15; culls \$8 to \$11. Stocker steer calves \$13 to \$19.50; steer yearlings \$18.50 down. Stocker cows \$10 to \$16.

Slaughter sheep and lambs were steady at Fort Worth Monday. Stocker and feeders were dull,

weak to lower. Good and fat lambs \$20 to \$22 and medium offerings \$19 to \$19.50. Slaughter ewes sold for \$6; some solid mouthed for \$10. Old wethers \$10. Slaughter yearlings \$17. Two-year-olds \$19.

Wheat producers of the will have the opportunity August 14 on whether or want marketing quotas. A two-thirds vote will be necessary to vote on the issue. The quotas will be operative regardless of the vote on the issue.

Icebergs are always fresh water.

ferred also to the Crop Disaster Loans administered by the FHA that are being made at the rate of more than \$1,000,000 a month now. \$12,000,000 of these Disaster loans have been disbursed in the last twelve months. These loans made under Public Law 38, Section 1, are available in all areas suffering from the effects of production losses caused by reasons beyond the control of the farmer. The Texas disaster area was proclaimed two years ago when lack of rain and other natural causes displaced farmers in serious plight because of the losses sustained.

The FHA Disaster Loan available under Section 1 of Public Law 38 provides funds for the production of crops and normal expenses of such production. Any farmer who suffered a production loss and needs more credit than is available through his local bank or other lending agencies is eligible to apply for the FHA crop disaster loans.

Cappelman has instructed county FHA supervisors to give priority to Crop Disaster and Special Livestock Loans and to call into session county loan committees as often as necessary to pass on applications and expedite the loan making procedure. He emphasized that money is available for the purpose of obtaining seed and other necessary supplies to start a new crop and to carry farmers and ranchers through this emergency, and take care of their normal needs.

The Farmers Home Administration is ready to receive applications and process loans immediately. The entire state is already a designated disaster area and loans can be processed without delay to purchase feed and to meet crop production needs in any county. While offices are already staffed, Cappelman said additional men needed in FHA offices in any area of Texas to take care of the emergency disaster loans have already been transferred or can be moved in from other parts of Texas at once. The regular disaster loan program is being used to finance the production of wheat and other small grain crops in the western area of Texas, he said.

Cappelman also pointed out that funds for the use of the regular program of the Farmers Home Administration are available, including production and farm operating, farm ownership, farm housing and water facilities. In addition, the agency insured mortgage loans are offered. This is a loan where private lenders provide funds for farm purchase, insured by the government. Each of the different types of credit are available to the limit of funds appropriated.

Reunion of Haskell, Knox Pioneers Slated at Lubbock

The annual Knox-Haskell County Pioneers Reunion will be held in the Mackinzie State Park in Lubbock Sunday, August 9. All former and present residents of these counties, their families and friends are invited to attend the reunion and are urged to bring a basket lunch to be spread at the noon hour.

Fiddlers are asked to bring their fiddles and singers their song books.

PMA Elections In August Will Be Vital To Farmers

"To PMA county and community committeemen to be elected in August by Texas farmers participating in PMA programs, will fall the important duty of determining farm acreage allotments on any crops for which allotments are in effect in 1954."

Secretary Benson has already set in motion the preliminary work necessary in preparation for possible acreage allotments and marketing quota programs on 1954 crops of wheat and cotton if such controls should be required for these crops.

Urging all farmers concerned in any PMA programs to get out and vote, Chairman McCan said, "Establishment and supervision of farm acreage allotments when they are in effect is not the only duty of PMA committeemen. Price support loan programs and purchase agreements are locally under their direction. Storage facility loans available to farmers under their direction. Storage space for grains and seeds on their farms must be approved by the county committee. These loans are intended to supplement regular means of credit to increase grain storage capacity.

Local administration of Crop Insurance, with the exception of loss adjustment, is another program under the supervision of county committeemen. They are also responsible in cooperation with other department of agriculture agencies for supervising Agricultural Conservation program out in their community.

Any farmer participating in any PMA program—owner, tenant, sharecropper—is eligible to vote. County office will announce time and place of voting.

Art McMillen was a business visitor in Throckmorton Monday.

Mildew Spots Can Be Removed If Noted In Time

Mildew is caused by molds that thrive on household products like tablecloths, bathmats, dish towels and articles made of leather and wool.

Mrs. Bernice Claytor, home management specialist for the Texas Agricultural Extension Service, says, fortunately, mildew spots are easily removed if you get to them before the mold has a chance to rot the material.

Fresh mildew stains on washable goods can usually be removed by washing at once with soap and water, rinsing well and

drying in the sun. If any stains remain, moisten with lemon juice and salt, spread in the sun to bleach, and then rinse thoroughly and dry. Be careful when you use this treatment on colored material. Another safe bleach for household articles is sodium perborate which can be bought at drug stores or in commercial bleaches at most grocery stores. Sponge the mildew spot with a solution of one tablespoon sodium perborate to a pint of lukewarm water, or sprinkle the powder directly on the stain which had been dampened with hot water. Let stand a minute or two and then rinse well. Test the bleach on a sample of cloth if it is colored.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Did you enjoy the butter you bought today? If you eat toast dry, or margarine spread, you still bought butter today, because every day the government uses over a million dollars of taxes collected from all families to buy surplus butter to hold up the price.

That fact stands behind reports that government plans huge nationwide sale where by for every pound of butter you buy at regular prices, you will be able to buy a pound from government stocks for only 10 cents.

ing butter prices. Increased margarine use is frequently cited. Yet government also owns a billion pounds of cottonseed oil, which with dried milk, is principal ingredient of margarine.

Neighbors Douse Blaze When Firemen Get Wrong Address

An error in reporting location of a fire Tuesday afternoon about 5:45 sent firemen and trucks to one address, while a small trash fire which threatened a garage several blocks away was brought under control through prompt work of neighbors using a garden hose.

The call to the fire department sent apparatus and firemen to 1500 South First Street.

Several blocks away, in the 500 block on South Third, a small trash blaze scorched wall and almost set fire to a garage at the home of J. L. Brinlee. Neighbors using a garden hose extinguished the fire.

The house and garage is owned by W. I. (Scotch) Coggins. He termed the fire damage to the garage as slight.

Former Paint Creek Teacher Takes College Post

William B. Cowan, Jr., former Vocational Agriculture teacher in Paint Creek rural high school from 1938 until entering the Army in 1941, has been named head of the new Agricultural Department of the Daniel Baker College of Useful Arts, at Brownwood.

A native of Bluffdale, Texas, Mr. Cowan joined the faculty of Paint Creek school after receiving his B. S. Degree in Agricultural Education from Texas A. & M. College.

Paint Creek, Roustabouts Win In City League Softball; Play-Off Due Tuesday

By BOBBY REKRODE

In City League Softball play during the past week, the Paint Creek team took two games while Roustabouts added another to their string as league play neared the final stage.

Thursday night, July 30, Paint Creek nudged the Baptist Men's team 13-10, in the second victory of their current winning streak.

Two games played Tuesday night, August 3, the Paint Creek team took a close game from Service Pipeline 7-6 which had gone into extra innings. The win enabled the Paint Creekers to tie the Baptist Boys and Anderson Roustabouts to the League lead.

Tuesday night's second game the Roustabouts exploded with a barrage of runs in the final two innings to beat the Baptist Boys 16-1 in another close game.

In the final game of the regu-

lar season, scheduled tonight, the Baptist Boys tangle with the Baptist Men.

Play-Off Starts Tuesday

Play-off in the City League begins Tuesday night, Aug. 11, when the top four teams meet in a doubleheader, with pairings to be determined after tonight's game. Four teams slated to go into the playoffs are Paint Creek, Anderson Roustabouts, Baptist Boys and Service Pipeline.

Winners in Tuesday night's contests will meet in a game to decide the League championship Thursday night, August 13. The title game will begin at 9 p. m.

League Standings

Team	W	L
Paint Creek	3	1
Anderson Roustabouts	3	1
Baptist Boys	2	1
Service Pipeline	1	3
Baptist Men	0	3

Singing Scheduled At Pinkerton Church Sunday

Singers and music lovers of this area are invited to attend the regular monthly program of singing to be held at the Pinkerton Baptist Church Sunday afternoon, Aug. 9 at 2:30 p. m.

A number of good leaders and singers are expected and a good program is being planned for the afternoon.

Frank Clarkson, HHS Grid Star, Hurt In Accident

Frank Clarkson, HHS grid star and three-year letterman, was injured recently while working at an oil drilling rig, friends here have learned.

Young Clarkson, who planned to return to Haskell for the coming school term, received severe cuts on the head in the mishap. The injuries may keep the youth out of football at least during the first weeks of the season, it was feared.

Lions Club Safety Panel To Check 'Blind' Corners

In a campaign to eliminate "blind" corners resulting from overhanging tree limbs or shrubbery, the Safety Committee of the Lions Club will start a survey of the city this week. Club President Willard Warren said.

These hazards to traffic, will be listed and called to attention of property owners. During the fall and winter months it is hoped that the hazards will be removed by trimming or pruning. Warren said.

Murl O. Flint's Will Return To Fresno, California

Mr. and Mrs. Murl Flint and children, Kenney and Beeky, are returning to Fresno, Calif., this week to make their home. They have sold their interest in The Sweet Shop to Mr. and Mrs. Donald S. Flint.

All Wheat Producers Should Vote In Quota Referendum, PMA Official Says

With the referendum on wheat quotas only days away—August 14—man questions regarding quotas and acreage allotments for the 1954 crop are being asked by wheat producers. Chairman John Brock of the Haskell County PMA committee urges all eligible producers to become acquainted with the program and to vote.

Pointing up some of the highlights of answers and questions on the program, Brock explains that the results of the referendum will determine the amount and extent of price supports the wheat producers will receive on their 1954 crop. All farmers whose farms are subject to quotas are eligible to vote in the referendum.

A farm is subject to quotas if the acreage to be planted and classified as wheat acreage under the program in 1954 is more than 15 acres and if the normal production is 200 bushels or more.

Here is what can happen, says Brock. If more than one-third of the votes cast on August 14 are against the quotas, the quotas will not go into effect. But farmers who plant within the wheat acreage allotments for their farms will receive price supports based on 50 per cent of parity. Farmers not planting within the acreage allotments for their farms would not receive the 50 per cent support price.

On the other hand, should two-thirds or more of the voters favor quotas, price supports at 90 per cent parity would be set for those farmers planting within their wheat acreage allotments. Farmers planting in excess of 45 per cent of their allotments would be subject to a marketing penalty of 45 per cent of the wheat parity price, as of May 1, 1954, on each bushel of wheat.

Brock points out that the outcome of the referendum will not affect acreage allotments which have been set at 62 million acres for the nation and 4,800,863 acres for Texas.

The state acreage allotments, adds Brock, were based on the acreage that has been seeded to wheat during the preceding 10

years with adjustments made for weather factors and trends. The farm allotments have been assigned to all farms on which wheat was produced in any one of the years 1951, 1952 or 1953 and to eligible new farms.

Finally, the county chairman says, quotas will establish the amount of wheat farmers can dispose of through cash markets or government loan or purchase agreement programs. This is the portion of the wheat control on which producers will vote on August 14. Detailed information on the wheat program is available at the county PMA office and

Brock encourages all wheat producers to get the facts and then vote.

Haskell County's wheat allotment for 1954 has been set at 58,822 acres, the county PMA office has been informed. Acreage allotments for the country estimated 843 grain producers to be mailed farmers' information cards.

Edgar Allen Poe is regarded as the originator of the modern detective story.

Haskell Troop 36 Wins Top Honors In District Swim Carnival Saturday

Top honors in the Scout and Explorer Scout swim carnival held at Rice Springs Park Saturday were capped by Post 36, sponsored by Haskell's First Methodist Church. Troop 36 won first place in four out of six events.

In second place was Troop 37, sponsored by the Rochester Rotary Club, and Troop 43 sponsored by Hamlin Lions Club finished third.

All swimming awards will be made at the regular District Court of Honor to be held at the First Baptist Church in Stamford Monday evening, Aug. 10.

Explorers and Scouts saw hundreds of "flying discs," while at the swim carnival. On closer inspection the discs turned out to be small, flat objects intermingled with balloons filled with water, and was just another part of the swim carnival.

Explorer directors of the carnival events were Bobby Lusk, Don Mullins and Don Oates of Haskell, Allen Leonard of Hamlin, and Billy Blackburn and Jimmy Arledge of Stamford.

Judges appointed by the directors were J. A. Byrd, Alton Eddleton and Jim Turner of Haskell, Sid Gustafson of Gonzales, Howard Sloan of Rochester, Wat-

ren Alberts of Stamford, Harold Eades of Hamlin, and A. J. Ryan of Anson.

Event Winners

Balloon Diving Contest—1st place Haskell Post 36; 2nd place, Rochester Troop 37; 3rd place, Hamlin Troop 43.

Water Treasure Hunt — 1st place, Haskell Post 36; 2nd place, Hamlin Troop 43; 3rd place, Stamford Troop 42.

Lighted Candle Race — 1st place, Haskell Post 36; 2nd place, O'Brien Troop 51; 3rd place, Haskell Troop 36.

Fancy Diving—1st place, Anson Troop 22; 2nd place, Rochester Troop 37; 3rd place, Haskell Post 36.

Clown Diving—1st place, Hamlin Troop 43; 2nd place, Rochester Troop 36; 3rd place, Rochester Troop 37.

Swimming Relay Race — 1st place, Haskell Post 36; 2nd place, Rochester Troop 37; 3rd place, Haskell Troop 36.

RETURN FROM VISIT IN CALIFORNIA

Mrs. Frank C. Scott and Mrs. W. E. Welsh returned Wednesday from Ventura, Calif., where they visited in the home of Mr. and Mrs. Horace Payne and family. They were accompanied by Miss Anne Payne, daughter of the California couple, who had been visiting in the home of her grandmother, Mrs. Scott, and by Mrs. William McDonald of Fort Worth, daughter of Mrs. Scott. They made the trip from Dallas to California and return by plane.

C-C MANAGER AND FAMILY ON BRIEF VACATION

C. C. Manager and Mrs. Tom Felker and little son, left today to spend the remainder of the week visiting her parents, Mr. and Mrs. Will Mitchell at Westminister, Collin County, and with his parents, Mr. and Mrs. J. A. Felker at Gainesville. Joyce Rose will be in charge of the C-C office during the remainder of the week.

HASKELL VISITORS

Mr. and Mrs. Bob Arnold and children, Scotty, Diane and Marilyn of Austin were week end guests in the home of Mrs. Arnold's parents, Dr. and Mrs. Arthur Edwards in this city. The children remained for a visit with their grandparents while Mr. and Mrs. Arnold went to New Mexico for a tour of the Carlsbad Cavern and other points of interest.

WELL VISIT IN PENNSYLVANIA

Mrs. Stella Trice of this city, accompanied by her brother, Lee Davis of Dallas, were to leave this city today for Mifflintown, Penn., where they will visit in the home of another brother, Mr. and Mrs. Jack Davis.

VISITORS IN KENNEDY HOME

Visitors in the home of J. F. Kennedy and family last week end were Mr. and Mrs. J. B. Hurt of Denver City; Mr. and Mrs. Frank Williams, Mr. and Mrs. M. L. Morris of Wichita Falls. Also visiting during the week were Mr. and Mrs. Hugh Slagle of Lubbock.

Mr. and Mrs. Roy Fought, former residents of Haskell who are now living at Dalhart, were here several days during the week end visiting relatives and friends. Mr. Fought reports his section still needing rain except in the small areas under irrigation, and said the prospects for a feed crop were poor. He commented on the excellent outlook for a bumper feed crop in cotton in the Haskell area and said he could not recall having ever seen any better farm prospects at this season.

Mr. and Mrs. A. C. Pierson were in Dallas Monday, where he attended a directors meeting of the General Telephone Company of the Southwest.

Miss Helen Kennedy of this city returned Sunday from a weeks visit in Wichita Falls. She visited with her aunt and uncle, Mr. and Mrs. Frank Williams of that city, formerly of Haskell.
