C Speaker Cites Need For Return To Spiritual Values

Estimated 375 guests and the annual Chamber of Commerce banquet here Friday night, was a timely and inspiring one. Rev. Buckner Fanning, evangelist, whose address was based on the need for return to spiritual values, stressed the need for a change in the principles of the banquet, sent to the entire community and was shocked by deaths of citizens in two Haskell communities of Jud and the neighboring town of ...

Hard Downpour Tuesday Boosts March Rainfall To 2.49 Inches, Fills Tanks

Heavy thundershowers which were general over a wide area Tuesday resulted in one of the most beneficial rains received here in almost two years, many farmers and stockmen were reporting Wednesday. Precipitation here was measured at three-quarters of an inch following a hard downpour shortly before noon Tuesday, with virtually all the fall draining quickly to provide run-off water for streams in the area. In the area surrounding Haskell, heavier rains were reported east and southeast as far as Paint Creek, and in the northeast section around Roberts community and Mattson. West and northwest, in the vicinity of Rule and Rochester, rainfall was estimated at one-half inch, but was general over that area and extended north to Munday, where precipitation of .40 was measured.

Medical Advances Shown In Film At Lion Club

Members of the Lion Club were given an insight into important advances made by medical science in recent years, particularly in the field of antibiotics, through a film shown at the regular club meeting Tuesday.

Accompanying the film, entitled "The Earth Shall Give Back Life," Hugh Ratliff, business manager of the Haskell Clinic, gave a brief explanation of the nature of some important discoveries of medical science. The era of antibiotics began in 1943 with the development of penicillin, he explained. Today an ever-widening variety of antibiotics is coming from medical laboratories and is making possible healthier and longer lives, he told the group. The film shown Tuesday was a courtesy of E. R. Squibb & Son. A visitor and guest at the club meeting was W. E. Schmoekel, salesman for a Lubbock firm.

Those having special parts are Mrs. Gene Tonn, Don Payne, J. W. Williams, G. L. Kennedy, W. R. Johnson, Mrs. Floyd Cook, Bess Chamberlain, Helen Kennedy, Frances Mullins, Nancy McFarlin, Mrs. Iva Palmer, a n d organist, Mrs. O. E. Patterson.

The sanctuary is spacious, and the church extends a sincere invitation to everyone to attend this Easter worship service.

Area's Worst Tornado Hits Haskell and Knox Counties Friday, Taking 15 Lives

Storm Victims

Dead

At Jud—Mrs. I. B. Ashley, 49; her daughter, Ruth 15, and Glenda Sue, 3; her son, Carlton Richard, 19; and her granddaughter, Velma Ruth Taylor, 7, at Fort Worth.

At or near O'Brien—Mr. and Mrs. Fred Qualls; Mrs. Joe Klutts, 21; her son, Jimmy Henry Klutts, 13; her daughter, Mary Bell Klutts; and a neighbor who lived in a trailer house on her premises, Mrs. Tricia Littlejohn, 21, Mrs. Littlejohn's baby, Mary Kay, 19 months old, in a serious condition in the Haskell Hospital.

At Knox City—W. W. Hyde, 76, mail carrier for 34 years; J. T. Darr, 76, of Route 2, Knox City; Mrs. Martha Avolav, about 65, of Knox City; Mrs. Acolas' daughter, Mrs. John Escobar, about 45, of O'Brien; Mrs. Escobar was visiting Mrs. Avolav and the pair was hurled more than a block away when Mrs. Avolav's house was shattered.

Injured

Haskell Hospital—Mrs. M. M. Griffin, 70, O'Brien; Lilly Mae Escobar, 10, O'Brien; Glenn Bell, 30, Knox City; Mary Kay Littlejohn, 19 months; Mrs. G. H. Taylor, 23, and baby, Barbara Jean, 18 months, both of Fort Worth, visiting their mother and grandmother, Mrs. Ashley at Jud; Shirley Ashley, 9, and Wanda Ashley, 4, all of Jud.

Hendrick Hospital, Abilene—Mrs. J. T. Darr, 72, and Mrs. L. L. Houston, 73, Knox City.

Seymour Hospital—Mrs. G. D. McCarty, 75, Knox City.

Stamford Sanitarium—Mrs. E. H. Day and two children, Knox City; Clyde Grissom Day, 10, son of Mr. and Mrs. Roy Day, Knox City.

One of the season's earliest and by far the most destructive tornado ever recorded in this area ripped through Haskell and Knox Counties Friday afternoon, taking a toll of 15 lives, injuring more than a score of persons and causing property damage estimated at more than \$600,000 in and near Rochester, Jud and O'Brien in Haskell and Knox City in southwest Knox County.

The devastating storm struck first near the farm community of Jud, west of Rochester, around 2:15 Friday afternoon, and ranging northwest left a trail of dead and injured in the wreckage of shattered and demolished homes along a 10-mile path extending into Knox City.

Killed or fatally injured at Jud when their farm home was demolished were five members of the I. B. Ashley family, of O'Brien; Mr. and Mrs. Fred Qualls; Mrs. Tricia Littlejohn, and three members of the Joe Klutts family; and at Knox City, W. W. Hyde, Mrs. John Escobar and

Mrs. Martina Avolav and J. T. Darr.

The toll of the critically injured in the storm included at least 23 persons, 11 of the victims being brought to the Haskell County Hospital, and the remainder being removed to hospitals in neighboring towns.

After leveling the Ashley home where the first victims were claimed by the tornado, the storm demolished the farm home of Mr. and Mrs. Ab Hutchens a mile and a half from the Ashley place, where the Hutchens and neighbors had sought safety in a storm cellar.

The storm struck next near O'Brien, demolishing the home occupied by the Joe Klutts family, killing three persons, and a nearby trailer house occupied by Mr. and Mrs. E. Littlejohn and killing Mrs. Littlejohn.

Hitting in the farm community of O'Brien, the twister demolished the home of Mr. and Mrs. Fred Qualls and fatally injured the elderly couple, and shattered the other homes in the community—those of Audrey and Ike Pierson, Jack Gauntt, Henry Clark, Mrs. M. M. Griffin and Dick Johnson.

Ripping north and slightly east into Knox City, the storm struck the Knox County Hospital and badly damaged the structure, and cut a swath through one of the main residence areas of the town, killing W. W. Hyde, a retired mail carrier, and Mrs. Escobar and her mother, Mrs. Martina Avolav, and fatally injuring J. T. Darr.

Surveys of the storm-hit area in Knox City indicated that between 30 and 35 homes were totally demolished, and an untold number wrecked and damaged.

The storm wrecked electric and telephone lines, and first word of the disaster was received out of Rochester. Ambulances, physicians and emergency workers were summoned from all neighboring towns. Task of finding and removing dead and injured was hampered by a deluge of rain which accompanied the storm, and followed at intervals.

Although the Knox County hospital was badly wrecked, none of the 27 patients nor the hospital personnel were injured. All patients were moved to neighboring hospitals.

Holden Funeral Home sent two ambulances from Haskell to bring victims of the storm to the hospital here, while local officers and firemen went to the scene as emergency workers.

Storm Victims' Fund Passes \$5,300 Mark

Contributions to the Haskell County Tornado Disaster Relief Fund, started here Monday for victims of the Haskell - Knox County storm victims, had passed the \$5,300 mark this morning, R. L. Burton, disaster fund chairman, reported.

The disaster relief fund was started after a conference of Harold R. Spain, chairman of the Haskell County Red Cross chapter, with local businessmen, Spain named Burton as county chairman, and the following community leaders:

Haskell—Jim Darden, John Crawford, Bob Seago and I. N. Simmons.

Rochester—Hobb Smith and Bob King.

O'Brien—S. N. Reed.

Jud—Amos Ivey.

Weinert—Mrs. Grace Reid, W. B. Guess.

Sagerton—Fritz Stegemoller.

Paint Creek—John Kuenster.

Rule—C. A. Grice.

The fund will be administered through the local Red Cross chapter, which already has a disaster relief set-up, Burton explained, but the entire fund will be used locally in Haskell and Knox Counties for helping storm victims, he pointed out. He explained that disaster funds are entirely separate from the national Red Cross fund campaign.

Direct contributions for any designated family or person will also be accepted and administered according to wishes of the donors, he said.

Contributions may be made to any of the workers named, or mailed to Mr. Spain or Burton.

Additional Trees Given For New School Grounds

Additional trees were donated this week for planting on the grounds of the new Elementary School Building, following the announcement last week of the beautification plan started by Mrs. Ada Rike of this city who gave the first tree, a native pecan.

Six other Haskell residents joined in donating trees last week, and five more have been added this week, sponsors of the plan reported today. Additional donors this week are Bill Wilson, for Mary and Little Bill Wilson; Clarence Burson, for little Grady Casey Burson; Mr. and Mrs. Olen Dotson, Mr. and Mrs. John Couch, and Mrs. D. T. Dotson. All gave pecan trees, and plantings are being made this week.

Invitation Track Meet Slated At Rule Saturday

Rule High School will be host for the season's first invitation track meet, which has been scheduled for Saturday, March 21.

Track teams from a number of area schools have been invited, and a full schedule of track and field events will be run.

Lecture Series To Be Given at Lindsay Chapel Church

A lecture program will be held at the Lindsay Chapel Church of Christ in the Rockdale community in southeast Haskell county beginning March 23 and continuing through the 27th. The theme of the program will be the New Testament Plan of Salvation with the following speakers:

March 23—"Belief in Faith," Lemoine Lewis.

Tuesday March 24—"Repentance," J. W. Treet.

Wednesday March 25—"Confession," Paul Southern.

Thursday March 26—"Baptism," Woodrow Wilson.

Friday, March 27—"Holy Spirit Baptism," J. P. Lewis.

All speakers are from Abilene. Services will begin each evening at 7:30 and the public is cordially invited to attend.

FRED CUSTIS

Fred Custis New Church of Christ Minister Here

Fred Custis, minister of the Central Church of Christ in Beaumont for the past six years, has accepted a call to the ministry of the Haskell Church of Christ and will begin his work here April 1st, it was announced this week.

Minister Jack Cox, who has served the local church for about two years, recently was called to the pastorate of the Enid, Okla., Church of Christ.

Mr. and Mrs. Custis are making their plans to move to Haskell April 1st, and they will occupy the new minister's home now being completed by the church congregation at the corner of Ave F, and North 9th St.

The incoming minister is no stranger to this section of West Texas having served as minister of the Anson Church of Christ a number of years ago before going to the Beaumont church.

39th District Court Judgment Declares Jayton County Seat of Kent County

Judgment declaring the results of the county seat election held in Kent County on March 29, 1932, in favor of removing the county seat from Clairmont to Jayton was ordered Wednesday by Judge Ben Charlie Chapman in 39th District Court.

In the court decree favoring Jayton, Judge Chapman ruled that 31 votes cast in the election for the county seat remaining at Clairmont were illegal, and that 32 votes for removal of the county seat to Jayton were illegal; that the true result of said election, is: "For removal of the county seat to Jayton, 578 votes; for the county seat remaining at Clairmont 277 votes."

This ruling gives Jayton 8 votes more than the required two-thirds majority.

In the original canvass of the election results, made by the Commissioners' Court of Kent County, the vote for removal to Jayton was 610, and for the county seat remaining at Clairmont 308 votes. A two-thirds majority was required, and on the basis of this tabulation, the courthouse was retained at Clairmont.

Voters May Cast Absentee Trustee Ballots With Clerk

Qualified voters desiring to cast absentee ballots in the forthcoming school trustee elections can mark and leave their ballots with the County Clerk, school officials announced this week. Absentee voting will be permitted until three days before the elections, which are scheduled for Saturday, April 4.

WEEK END VISITORS FROM LUBBOCK

Mr. and Mrs. John Woolsey, Barbara and Tommy and Mr. and Mrs. Weldon Garrett of Lubbock were week end visitors in Knox City, Weinert and Haskell.

To the People You May Know

The insistence of Texas Press Association, the 51st year in 1949 passed the "Mandatory Publications Act." Act was passed because some city, county, and other governmental officials had failed to comply with state requirements them to publish in the newspapers facts of the finances and operation of their offices.

Mandatory publications act provided that "all public of the state, counties, cities and school districts who are by law to publish legal notices or financial statements who shall fail, refuse, or neglect to make such publication shall be guilty of malfeasance of office and subject to removal from office and to the payment of a fine of \$100 for each month in which such failure continues or such neglect of duty."

Act also provides that "suits to enjoin or recover salary and for removal from office under law instituted in the proper district court by the county attorney of the county in which the offending official is located, shall be subject to removal from office upon the provisions of the publications act will be told in the articles."

Haskell County History

29 Years Ago—March 23, 1933

Mr. and Mrs. H. K. Henry attended the Fat Stock Show in Fort Worth last week end.

Scholastic census for the Haskell Independent School district was completed this week, and shows a substantial increase over last year, according to Supt. C. B. Bredstove. A total of 939 children

of school age was counted in the census.

Haskell County's 1932-33 cotton crop was the largest ever produced, according to the final report issued from Washington this week. The county produced 82,293 bales, the report shows. This is almost double the previous peak year of 1925-26. Jones

County was the leading cotton producer in the state last year with a total of 107,265 bales according to the report.

Paul Zahn, probably has won more ribbons and premiums at fairs and expositions than any other Haskell County man, has added 51 more to his collection. He brought them back this week from the Fort Worth Fat Stock Show, where he had entered a number of agricultural exhibits.

Tax Collector Ed Fouts has been advised that a 20 per cent penalty is to be added on all car registrations after March 31. Reeves-Burton Motor Company moved last week to the Lindsey Building on the southeast corner of the square. Their former location was in the Shook Building at the corner of Walton and a n c Houston Streets.

Two Negroes were arrested at Benjamin last Thursday and charged with robbing and killing another Negro man and throwing his body from a freight train. The body was found near Benjamin where it was said to have been thrown from the train.

30 Years Ago—March 23, 1923

The coldest weather on record for March was experienced here Monday, March 19, when the mercury went down to 12 degrees according to Judge P. D. Sanders Government weather observer.

Sheriff W. C. Allen and Deputy W. T. Sarrels of Haskell, joined by deputies W. W. Kitley and Frank Swearingen of Rule assisted Stoneval County officers in a raid across the river in Stoneval one night this week. Five barrels of mash and a small

quantity of whiskey was taken in the raid, and two men were placed under arrest.

W. S. Pogue has moved his family here from Throckmorton.

J. F. Kennedy, who suffered an attack of the flu early this week returned to his garage today.

Mr. and Mrs. J. E. Walling and children spent Saturday night and Sunday with Mrs. Walling's parents, Mr. and Mrs. T. J. Watson of Rule.

Mrs. J. L. Odell returned from Winters Tuesday, where she had been at the bedside of her mother, Mrs. W. G. Bedford, who was seriously injured in a fall a few days ago. Mrs. Odell reported her mother as being considerably improved.

Mr. and Mrs. John A. Couff spent Sunday in Seymour, where they visited Mr. and Mrs. George Andrus.

T. P. Hughes returned to his home at Georgetown Monday, after spending several weeks at his ranch on Paint Creek southeast of Haskell.

The Interscholastic League meet for Haskell County schools will be held here March 29 and 30. Several hundred students from the various schools will compete in the events. Literary events will be held March 29, with track and field events scheduled the following day.

30 Years Ago—March 21, 1903

S. W. Scott went to Fort Worth Thursday to argue a case before the Court of Appeals.

G. H. Cobb and family moved out to their ranch in the south-east part of the county this week. They spent the winter at their home in town in order to give their children the benefit of Haskell schools.

M. A. Clifton was in town Monday and carried out a sack load of seed corn. He says if the outcome of crops materialize on the basis of prospects now, he will make enough corn this year to run him through several drouth years if they hit.

George Williams of Abilene was here this week doing some insurance business.

The latest report from the Rock Island surveying corps is that it has found a satisfactory crossing on the Brazos River below Belnap and is coming west in the direction of Throckmorton.

Jas. Stanton of Delta County is here this week prospecting for ranch location. He wants to get out of reach of the flood overflows.

Marshall Pierson made a round trip to Stamford Thursday.

W. T. Hudson and J. L. Jones will start a shipment of fed cattle mostly bulls, to St. Louis today on Monday.

J. F. Mitchell of the northwest part of the county was in town a couple of days this week. He says he never has seen a better outlook for crops if we have an average season. He was not feeling so good about the roads however, as their bad condition caused him to break his buggy coming in and caused him expense and delay in getting it repaired.

Dan Warren came in Thursday from an extensive prospecting

trip over the Plains country. He doesn't like the country out there says it is too high and open. He believes the cattle losses throughout that section will amount to one-third of the cattle carried on Plains ranches.

AUSTIN HIGHLIGHTS BY SENATOR "COTTON" GEORGE MOFFETT

Members of the Legislature receive many requests to spend money for various purposes. Some requests have reasonable justification; some only a little justification. Irrespective of what the Legislature may deem to be wise about spending money, there is a limitation in the State Constitution that can spend. This Constitutional limitation provides that the Legislature can not authorize the spending of more money than the tax laws bring in within the following two-year period.

The Legislature meets in regular session each two years, and appropriates money to operate the State Government for the next two years only. If the sum total of the various appropriation bills is greater than the tax revenues the Legislature must either cut down the spending or increase the taxes. We are up against that proposition right now. Some of our tax laws are not yielding as much as they did before the war boom began to ebb. Consequently the revenues for the next two years (unless new taxes are levied) will probably be barely sufficient to operate the state government on the same salary scale that has prevailed for the past two years. An increase in salaries or other expenses, must come from new or increased taxes. I mention this point because, judging by the letters which reach us here in Austin, there seems to be much lack of information about it.

I am often asked how much revenue the State received from natural gas in Texas. There is and has been for a number of years, a tax on natural gas at the mouth of the well. This tax has been upheld by the courts. In 1932 the tax on natural gas at the mouth of the well yielded \$17,598,207.03 to the State treasury. Twenty years ago this same tax on natural gas at the mouth of the well yielded only \$205,201.00.

Two years ago the Legislature passed a law providing for a tax on natural gas pipelines. This new tax on gas pipelines is now tied up in the courts. It will probably be 12 months or longer before the Supreme Court of the United States passes on this new tax if the Supreme Court upholds this tax on gas pipelines it will

really help out the financial condition of the State of Texas. But the question before us is: What should be done now? Should new taxes be levied or should we wait until the next session two years hence? We need helpful suggestions on this point.

Seven U. S. vice presidents have succeeded to the presidency because of vacancy in the office.

WS From Sagerton

BY MRS. DELBERT LE FEVRE

4-H Club girls in the care of the hands before the little skit on ladies of the Sagerton Home

Demonstration Club in the home of Mrs. F. A. Stegemoeller Tuesday morning March 19. They were Dorothy Bredthauer and Sue Hertel. Their sponsor, Mrs. D. W. Counts, was also there. Plans were made for the food

sale which will be held in front of McDonald's Dept. Store Saturday morning March 21. Cakes, pies, doughnuts and home made bread made by the H-D club members will be for sale. Mrs. Stegemoeller served cherry pie topped with ice cream and punch and coffee to her guests. All club members were present and they were happy to welcome back Mrs. A. L. Gibson, who has been living in Pecos for several months. Guests included Mrs. Counts, Dorothy Bredthauer, Sue Hertel and Mrs. Zucker, wife of the new pastor of the Zion Lutheran Church.

The next meeting will be on March 24 in the home of Mrs. Will Stegemoeller where Miss Wirges, county demonstrator, will discuss kitchen cabinets.

Mrs. Stegemoeller served cherry pie topped with ice cream and punch and coffee to her guests. All club members were present and they were happy to welcome back Mrs. A. L. Gibson, who has been living in Pecos for several months. Guests included Mrs. Counts, Dorothy Bredthauer, Sue Hertel and Mrs. Zucker, wife of the new pastor of the Zion Lutheran Church.

The Red Cross drive held here March 2 collected \$139.25. The following workers took part in the drive: Loll Young, chairman; Alvin Bredthauer, M. Y. Benton, Delbert LeFevre, Mrs. A. C. Knipping, Mrs. Chas. Clark, Mrs. J. A. Hertel, Mrs. F. A. Ulmer, E. Kupatt and D. W. Counts. There were other workers who had planned to help but were unable to because of the muddy roads.

Lavon Rogers, student at Hardin-Simmons and grandson of Mr. and Mrs. Oscar Gibson, preached here at the Sagerton Methodist Church Sunday morning and Johnny McBroome, also student at Hardin-Simmons, held services here Sunday night. They were accompanied by a group of other students who sang for the services.

Lavon's parents, Mr. and Mrs. Wallace Rogers of Friona, Mr. and Mrs. Wilson Gibson and family of Rule and Mr. and Mrs. Travis Bell of Old Glory were all here for the services and were guests in the Oscar Gibson home. The Tom Thumb club met in the home of Jana Ulmer Monday afternoon March 9 after school. The group of little girls played games and practiced a song and dance they will do on the P-TA amateur program March 23. Refreshments were served to Linda Stremmel, Joy Nierdeck, Linda Jennings, Sherry Counts, Linda

LeFevre and the hostess and her mother and the club sponsor Mrs. D. W. Counts.

The next meeting will be Monday April 13 in the home of Sherry Counts.

Mrs. G. W. LeFevre and children, Dan and Elyzabell visited in Houston recently with Mr. LeFevre who is employed there.

Mr. and Mrs. Leon Stegemoeller are the proud parents of a son, Clayton Leon, born March 14 in the Stamford hospital. Grandparents are Mr. and Mrs. C. E. Stegemoeller of Sagerton and Mrs. H. C. Raphael of Stamford.

F. A. Stegemoeller has been appointed to receive donations for the people who lost their homes in Haskell and Knox Counties last week in the tornado on Friday, the 13th. A box has been placed in his store in which all donations may be dropped.

The Sagerton P-TA has scheduled its annual amateur night at its next meeting March 23 at 7:30. Anyone who wishes to enter should get in touch with one of the teachers or Mrs. Glyn Quade, program chairman. Mrs. Charles Clark is refreshment chairman for March.

The Stitch and Chatter Club ladies completed their first quilt top at their meeting in the home of Mrs. Pete Lusk Wednesday afternoon March 11. They plan to bring their scraps and work on quilt tops at every meeting until each member has a top. They drew names to see in what order they would get the quilts. Mrs. Henry Laughlin was the lucky one and received the first top.

Mrs. Lusk served a refreshment plate of sandwiches, apple pie, pound cake and coffee to the ladies. The next meeting will be March 25 in the home of Mrs. R. N. Sheid.

Ervin Diers and Harvey Hahn members of the Lutheran Church, helped with the church census in Stamford Monday.

Miss Hilda Stremmel was honored with a birthday party March 11 by her parents, Mr. and Mrs. Albert Stremmel and brother, Emil. Games were enjoyed and refreshments were served to the following: Mr. and Mrs. Kenneth Reber and daughter, Tom Thane, Mr. and Mrs. J. D. Kupatt, all of Stamford; Mr. and Mrs. Herbert Stremmel and family, Mr. and Mrs. Raymond Ender and son, Mr. and Mrs. Bill Bradshaw and children, Mr. and Mrs. Emil Kainer and son, Mrs. Adolph Ender, Mr. and Mrs. Edwin Stremmel and sons, Mr. and Mrs. August Ender and son, Mr. and Mrs. A. F. Stremmel, Mr. and

Paint Creek Girl Plans Demonstration for District 3 4-H Contest at Wichita Falls

"One Quart a Day" is the name Emillee Griffith has given the 4-H dairy food demonstration she is working on. Emillee entered the county individual dairy food contest and was the first place winner with her demonstration on Billed Custard. She has now started plans for the demonstration she will give at the district contest Saturday, May 2 in Wichita Falls. Since dairy products are lacking in the average American diet,

Emillee thought a good name for her demonstration would be "One Quart a Day." This name will be a reminder of just how much milk is needed in the daily diet of every boy and girl. The demonstration will include the preparation and serving of cream of tomato soup, as well as just why that one quart is needed and how it can be received.

Marlene Crofford of the Rule 4-H Club was the state winner in this contest in 1952. Marlene will give Emillee some help and suggestions for working on her contest this year. Emillee Griffith is a member of the Senior 4-H Club at Paint Creek. In 1952 she was a member of the first place dairy food team in Haskell County. Her team mate was Polly Tipton.

To Those Wishing To Help The I. B. Ashley Family

Anyone who might have clothes or furniture of any kind who would like to contribute to the I. B. Ashley family who had so much misfortune in the tornado at Jud, bring or send them to the Tom Florence house located in northwest Haskell on Ave. L, where Mr. Ashley now is making his home or he can be contacted at Haskell Hospital.

The black funnel-shaped tornado that ripped through Haskell and Knox Counties Friday afternoon was caught here by Mrs. Leslie Tibbetts, who lives north of Rochester. She made the picture with a small Hawkeye camera as she and her husband stood in the door of their cellar. They watched the tornado as it moved across the country and dipped down at the Joe Klutts place three-quarters of a mile away. They saw the Klutts house disintegrate and saw one wall circle up into the air and fly to pieces. Mrs. Klutts and two children were killed, and in a nearby trailer house which also was destroyed, Mrs. E. Littlejohn was fatally injured and her 19-months-old baby critically injured. The Tibbetts' house and farm outbuildings are shown at lower left. (Photo courtesy Abilene Reporter-News).

Haskell County Entries Invited in Horse and Colt Show and Rodeo at Paducah

Haskell County residents will get a big Texas style welcome if they attend the Annual Horse and Colt Show and Rodeo held in Paducah, April 17-18 this year. Entries from here and every county in the area are being solicited for judging events in the show sponsored by the Cattle-

King Livestock Rodeo Association. If you intend to go just for a look, a rodeo will be held both nights as well as the horse and colt judging events. Entertainment scheduled also includes a home talent show, April 16 at 5 p. m. on the courthouse square and a dance that night. Paducah itself will turn back a page to the old west all during the affair. Everyone will go into the western costume and the horse will once more be a principal means of conveyance through the streets. A big parade officially launches the show, April 17. Riding clubs from nearby towns, floats, bonafide cowboys and a lot of pretty girls will add plenty of color and western flavor to this event.

State Game Warden Shows Film At P-TA Meeting

The regular meeting of the Junior High Parent-Teacher Association was Thursday night, March 12 in the high school auditorium.

Mr. Jenkins, the new band director, presented the Junior High band in several musical selections. Alton Middleton, director of the program introduced H. B. Iverson, game warden of this area from Throckmorton, who gave a brief talk on game preserves and showed two interesting films on wildlife and game preservation.

A short business meeting was held at which time a report was given by the treasury, finance, and nominating committees. The nominating committee gave a report on officers for the coming year. They are: President, Mrs. Edd Hester; vice president, Mrs. Otto Waldrip; secretary, Mrs. Owen Pelsue; treasurer, Mrs. Alton Middleton.

A letter was read from the chairman of legislation, E. N. Dennard, urging all interested in good schools and teachers to write to their representatives, senators and speaker of the house asking them to vote for the two bills that are before the house and senate now.

All interested in P-TA should attend the District Conference in Vernon, March 19-20.

Billie Reynolds, Otis Hawkins Married Sunday In Lawton, Okla., Rites

MRS. OTIS HAWKINS

Billie Reynolds, daughter of Mr. and Mrs. W. H. Reynolds of Haskell, became the bride of Otis Hawkins of Lawton, Okla., in a single ring ceremony in the home of the bridegroom's parents, Mr. and Mrs. C. H. Hawkins, Lawton, Okla., Sunday at 2 p. m.

The Rev. Weldon Wrightner read the ceremony before an arch of greenery with white carnations in front of double windows. Banking the arch were candelabra with white tapers and floor baskets of gladioli. The altar bench was covered with white satin.

The bride, given in marriage by

her father, wore an ice-blue velvet ballerina length gown with full skirt. The bodice was shirred and the neckline scalloped. Her short blue veil was caught with a beaded headpiece. She wore a pearl tie necklace and earrings. Her bridegroom wore a blue suit with matching shoes. She carried a white Bible adorned with white iris.

Emcee Jacobs of Haskell, matron of honor, wore a light gold velvet made similar to the bride's dress. Her accessories were brown and she carried a bouquet of blue iris.

Best man was C. L. Hawkins, brother of the bridegroom. Sue Rich of Haskell was flower girl. The bride's table at the reception was laid with lace and centered with a three tiered wedding cake flanked by white tapers. Yellow daffodils were on the table.

Guests were present from Fort Worth, Duncan, Okla., Lawton, Okla., Wichita Falls, Haskell, Chickasha, Okla., Devol, Okla., and Randlett, Okla.

For a wedding trip to the Gulf Coast the new Mrs. Hawkins was wearing a steel grey wool flannel suit with red patterned trim. She wore white hat and gloves and her shoes and bags were grey. The couple will live in Haskell.

Carolyn Dean Hale, Robt. Mobley, Jr., Wed In Dallas

Miss Carolyn Dean Hale, daughter of Mr. and Mrs. Travis D. Hale of Bogata, Texas, became the bride of Robert Mobley, Jr., son of Robert Mobley of Haskell, in a ceremony read Saturday, March 7 in Dallas. The Rev. W. M. Stogner officiated.

Mrs. Mobley graduated from Bogata High School in 1949, attended Paris Junior College and was graduated from East Texas State Teachers College, Commerce. She is now teaching in the Haskell Elementary School.

Mr. Mobley is a graduate of John Tuleton State College, Stephenville. A prominent young businessman of this city, he is co-owner of Lanier-Mobley Motor Company in Haskell.

Mr. and Mrs. Mobley are making their home at 507 1/2 North Ave. E.

13th Annual P-TA Conference Slated In Vernon

Parent-Teacher members in Thirteenth District, Texas Congress of Parents and Teachers are making plans to attend the 25th annual district conference which is scheduled for March 19-20 in Vernon.

Among those attending from Haskell will be Mrs. W. O. Holden, district yearbook chairman, and Mrs. R. W. Herren, district vice president of Haskell and Throckmorton Counties. They will attend a board meeting and dinner March 19.

The program for the two day meeting will have the theme, "Safeguarding Our Freedoms Through Responsible Citizenship."

Mrs. C. D. Beard of Vernon, district president, will conduct the annual business meeting following the Board of Education dinner at Central School. The vice presidents and all members of the board of managers will present reports on activities of the past year.

The conference proper will begin Friday morning at 8:30 o'clock and will end at 4 the same afternoon with a panel of the district vice presidents.

Elementary P-TA Meeting Changed To April 7th

The Elementary Parent-Teachers Association has changed date of meeting from Wednesday, April 1 to Tuesday, April 7. The meeting will begin at 7:30 p. m. at the elementary school.

Mrs. George Hauser will discuss her trip abroad. The theme for the meeting is "The World On Our Hearststone."

Hostesses will be Mrs. Shelley Royall and Mrs. Lloyd McMillin.

Mrs. Robert Wheatley Receives Recognition For Originality and Arrangement of 1953 Progressive Study Club Yearbook

MRS. ROBERT WHEATLEY

Mrs. Robert Wheatley, program chairman of the Progressive Study Club has achieved wide recognition in district, State and national federated club circles for the originality and arrangement of the 1953 yearbook which she planned for the Progressive Study Club.

The study course for the current club year has been "Today's Journey for the Citizen - Home-maker," and Mrs. Wheatley used the theme of Traffic Safety throughout the yearbook. The cover was made up in a soft tone of brown, to represent the earth.

The Art Chairman sketched a miniature car that was used as a heading above each program in the yearbook. Occupants sketched in the car represented members of the T. F. W. C. traveling on

"Opportunity Highway."

For the opening program Mrs. Wheatley planned a very unique program on "Safety." Many civic clubs and other organizations cooperated with the Progressive Study Club in this safety program by having booths on safety. Mr. Roy Hale of the State Highway Department in Abilene was master of ceremonies and had a very instructive quiz on Safety. Mr. Ross Kemp of the State Department of Public Safety spoke on "Safety" and also showed a film on "A Day In Court."

The first program of the year as the journey began was "All Aboard." The second program was "Passengers, Choose a Driver."

The program heading for each

meeting was from "The Driver's Handbook" put out by the Texas Department of Public Safety. This was done in a very unique manner which kept Safety before the club at every meeting.

When the year's reports were sent to various chairmen, Mrs. Wheatley immediately started receiving congratulations on the yearbook.

Mrs. C. Aubrey Stewart of Fort Worth wrote: "Your wonderful Safety Report came today. I cannot believe you could make anything so perfect. I have received a deluge of reports but nothing like yours."

And from another State Chairman on Safety came these words: "Thanks for the yearbook. My, but it is the best I have ever seen. I sent it to Mrs. Agnes D. Beaton, Director Women's Division, Automotive Safety Foundation in Washington, D. C. for a model."

The 14th annual Texas Safety Conference to be conducted by the Texas Safety Association will be held in Houston on March 30-31 at the Rice Hotel. More than 1,000 people are expected to attend the Conference, which will present nationally recognized authorities on the subject of traffic, school, industrial and farm safety. Mrs.

Agnes Denton has invited Wheatley to be present at conference and tell about Progressive Study Club work.

The Club voted March 18 their regular meeting Mrs. Wheatley, who is president for 1953-54, to be present at the conference. She will be accompanied by Mrs. R. A. Lane, Progressive Study Club president for next year.

Jane King, Haskell student at McMurtry, is TIP Pledge.

Abilene, March 16.—Jane King, Haskell student at McMurtry, is TIP Pledge. She will be accompanied by Mrs. R. A. Lane, Progressive Study Club president for next year.

Organized in 1923, the oldest women's club on campus. Its primary purpose is to promote friendship and sociality at McMurtry. Jane King, Goldthwaite junior, is president of the club.

Hey, why so pale, Pop? Ye gads, he's fainted dead away! Strictly speaking to the Free Press staff—Personal attention Lon Pate and Jetty V. Clare, an excerpt from a card we received yesterday. "I'd love to see the column Dashing Around, back in the paper."

Hey, why so pale, Pop? Ye gads, he's fainted dead away! Strictly speaking to the Free Press staff—Personal attention Lon Pate and Jetty V. Clare, an excerpt from a card we received yesterday. "I'd love to see the column Dashing Around, back in the paper."

Back from far away places and seen recently in little ole Haskell were Billy Mac Taylor, Roland Dendy, Abe Turner, Truett Craft, G. W. Mullins, Willard Mullins, Tommy Rhodes, Gene Brown, Bill Dilbeck, Bobby Jack Price, Ernest Strain and his handsome roommate, who hails from Brazil.

Also Mary Beth Payne, Nancy Furrh, Billy Adkins, Edgbert Smith and Patsy Turnbow Milliman.

Remember now — Senior play Friday night. Better come—gonna be good, and besides we do need the money. And we as dignified seniors—proud monarchs of all we survey (well at least down at Haskell High). We'll never ask for donations, but will earn the right to that Senior trip by the sweat of our noble brows.

Weinert W. M. S. Meets Monday For Mission Study

Weinert W. M. S. met Monday for Mission study. Mrs. Eddie Sanders opened the meeting with prayer. Mrs. Ed Roberts taught the book, The West Is Big, by Albert McClellan. Members present were Mmes. Jim Crawford, Temple Lewis, W. C. Winchester, C. C. Childress and W. B. Guess.

Efficient use of mechanized farm and home equipment depends to a great extent on their safe use. Crippling injuries or even fatalities can result from careless use and handling of machinery and appliances.

Mrs. Tommye Hawkins Director Harmony Club's Spring Round-Up of Texas Music

Honoring past presidents of the Harmony Club, Mrs. Tommye B. Hawkins was director for the club's annual Spring Round-up of Texas music Thursday evening, March 12, at the Homemaking cottage.

Mrs. A. C. Foster, Jr., presided over a short business meeting and roll call was answered with names of Texas musicians and composers. Mrs. Hawkins extended greetings to members and guests, and paid tribute to the 42 past presidents who have served since the club was launched in 1909, with Mrs. R. C. Montgomery as president. Mrs. Hawkins also presented Mrs. C. L. Lewis, who gave a talk on Texas Legends of "The West Not Only of Today but Yesterdays Ago."

In a humorous and an interesting manner Mrs. Lewis told of the early day struggle of the club, portraying graphically the native integrity, the direct thinking and the undaunted courage of women who helped to make Haskell history. Texas with its many folk traditions and colorful history is a broad field for creative ability and musical development, the speaker asserted. And "people all

Pecan pie and coffee were served to Mmes. A. C. Foster, Jr., Tommye B. Hawkins, O. E. Patterson, Angie Mullins, J. W. Medley, C. L. Lewis, Tannye B. Squyres, W. I. Cogans, H. E. Copeland, Floyd Cook, M. E. Heiber, Tom C. Coyle, Jr., and Mrs. J. V. Clare.

Guests were Mrs. L. R. Gamble, Lubbeck; Miss Beyle Boone, Dallas; Mrs. Winnifred Starks, Santa Anna; and Mrs. Charles Jetton, Killen.

First Baptist WMU Meets In Circle Groups

The Maybelle Circle of the First Baptist Church WMU met in the home of Mrs. John Fouts on Monday afternoon. Mrs. K. D. Simmons led the opening prayer and all joined in singing Near The Cross. Mrs. H. R. Whatley directed the lesson from chapter five from Women of Destiny. Mrs. Cain dismissed the group with prayer. The next meeting will be in the home of Mrs. Whatley on May 6. Those present were: Mesdames J. T. Robison, H. R. Whatley, C. A. Merchant, K. D. Simmons, F. Graham, S. G. Perrin, H. Harris, J. A. Cain and the hostess, Mrs. Fouts.

The Mildred Mein Circle met in the home of Mrs. B. M. Whiteker on Monday and studied the lesson on Women Who Knew Christ's Healing, from Women of Destiny. Mrs. Whiteker directed the lesson and Mrs. Massey opened the meeting with prayer. Mrs. I. N. Simmons offered prayer at the close. In attendance were Mesdames George Herren, R. C. Couch, Sr., Laura Massey and B. M. Whiteker, and visitors, Mrs. Jim Fouts, Mrs. Swinson and Mrs. I. N. Simmons from the Josephine Ward Circle.

The Loraine Mista Circle met in the home of Mrs. Edna Brown on Monday with four present. The meeting was opened with prayer and Mrs. Brown directed the lesson from Women of Destiny, in the New Testament. All joined in the discussion of Christ's healing power among women of that day. Those present were Mesdames I. N. Alvis, John Ellis, Carl Scoggins and the hostess, Mrs. Brown.

Dates For Paint Creek Domino Tournery Re-Set

Dates for a domino and 42 tournament at the Paint Creek school gym have been re-set for Thursday and Friday, March 26 and 27, it was announced this week. The tournery had originally been scheduled for Wednesday and Thursday nights of this week, but date was changed to avoid conflict with an invitation volleyball tournery at Weinert in which Paint Creek teams will take part. The domino and 42 tournament is sponsored by the Junior Class of Paint Creek Rural high school. It will begin at 7:30 p. m., on March 26-27. Tickets will be sold in advance by members of the class. Admission will be 50c for the two nights. The tournament will be divided in two divisions, adult and high school. There will be prizes for winners and consolation winners in each division. Finals will be the night of March 19. The funds taken in will be used for the Junior - Senior banquet. The public is extended an invitation to come out and join the fun.

Club Girls Busy On Entries For County 4-H Dress Revue March 28

4-H club girls of Haskell county have taken needle in hand and are hard at work. These girls are working on dresses, skirts and blouses to enter in the 4-H club dress revue.

The 1953 Haskell county dress revue will be Saturday, March 28 in the Haskell grade school auditorium at 3 p. m. Garments will be entered in all four divisions: school, dress, best dress, skirts and blouses.

Ribbons and prizes will be given by the Haskell Chamber of Commerce and the Haskell County Home Demonstration Council. Each girl entering will receive an entry prize. Blue, red and white ribbons will be awarded according to scores. The garments will be judged by Mrs. Mary D. Brown, Ford County H-D Agent and Miss Jimmie Lou Waincott Jones county H-D agent.

The first place winner who is 14 years old or older will enter the district dress revue Saturday, May 2 in Wichita Falls. The first place winner under 14 years of age will model her dress at the district revue but it will not be scored there. The district winner in the older division will enter State 4-H dress revue to be held on the campus of A&M College in June.

In addition to the regular 4-H dress revue, the county winners in other 4-H contests will have a part in the program. Marlene Crofford will give a vegetable demonstration. Do You Get the Most For Your Money. Emillee Griffith will give a dairy foods demonstration called One Quart

Father of Farmer H. D. Agent Here Dies In Bowie

His M. James, about 70, father of Mrs. Kathryn James, Wichita County Home Demonstration Agent, died in the Bowie Hospital at 2:30 p. m. Tuesday. Burial for Mr. James was held at the First Methodist Church in Alvord Wednesday afternoon and burial was in Alvord cemetery. He was a retired rural mail carrier and was in the insurance and real estate business at Alvord at the time of his death.

Mrs. James is a former Home Demonstration Agent of Haskell County, a position she held several years before being transferred to Wichita County.

Funeral services were conducted at Alvord.

Price Gard, Jr. of Knox City stands at the spot where his son was located until Friday's storm. Polly Tipton, who was in the room with her mother and her small children lived with Mr. Tipton's mother, Mrs. W. L. Gage, Young City, employee at that time, an oil worker, was awakened by Mrs. Gage when the storm was approaching. He and Mrs. Gage and their children were in the section of the house occupied by Mrs. Gage when the remainder of the structure was demolished and all escaped injury. The wind struck Mr. Tipton's car and hurled it into the kitchen window of their apartment.

Polly Tipton To Represent Haskell County In Dist. 3 4-H Public Speaking Contest

The Haskell County 4-H club had the opportunity to practice public speaking which made her Polly Tipton from the Senior Point Creek Club.

Polly has been an outstanding 4-H club member for the past 3 years. She has completed demonstrations in clothing, food preparation, garden, food preservation, beef cattle, poultry, dairy foods and public speaking. In all of these demonstrations she has

Marelene Crofford, Rule Club Girl, Will Give Demonstration at District 3 Contest

Do you get the most for your money? This is a question Marelene Crofford is going to help answer when she gives her individual 4-H vegetable demonstration.

The Texas Food Standard, which is the list of foods every man, woman, boy and girl needs to eat each day to be well and happy individuals, says include one serving of sweet or Irish potatoes. Marelene has found that the way you cook that potato has lots to do with how much food value you receive from it.

Her demonstration shows that a baked potato will give you almost twice as much of your money as the same size potato french fried. In the demonstration, she will prepare and serve the nutritious baked potato in this Irish Potato Salad.

Marelene Crofford is from Hill, where she has been an outstanding 4-H club girl, since she first started club work seven years ago. In addition to her vegetable demonstration she has worked in clothing, public speaking, home improvement and dairy foods. In 1952 she was the state winner in the dairy food contest. Although she has not officially entered a vegetable demonstration contest before this year, she has worked with vegetables in all stages from producing them at home, preparing and serving them for company and preserving them for future use.

Marelene will be the Haskell County entry in the District III contest in Wichita Falls Saturday, May 2.

Sagerton Soldier In Korea Given Corporal's Rank

With The 25th Infantry Div. in Korea—Leo Monee, Jr., whose parents live in Sagerton was recently promoted to corporal while serving in Korea with the 25th Infantry Division.

The 25th has been in Korea longer than any other American division. It entered the fighting in July 1950 shortly after the Communist attack on South Korea.

Corporal Monee served in Korea and was assigned to Company A of the 25th Infantry Regiment as a squad leader. He has been awarded the Combat Infantryman Badge.

A graduate of the High School, Monee was in Sagerton before entering the Army in October 1951.

NORTH SIDE OF SQUARE — HASKELL, TEXAS

A \$10.00 daily pay-off given away each and every day of the week (except Sunday) at—

**PIGGLY-WIGGLY
In Haskell**

One-half of the pay-off consists of cash; the other half consists of groceries of your own choice.

You Do Not Have To Be Present To Win

You do not have to buy anything to be eligible. There are absolutely no strings attached. The \$10.00 daily pay-off is simply a free gift.

If you are 12 years of age or older, you are eligible for the \$10.00 daily pay-off. All you need to do is sign a registration card (available at the check-out stand) and then sign a daily signature book. It's just that simple.

There is no limit to the number of times you can win. So establish your eligibility regularly by signing the daily signature book each day you visit Piggly-Wiggly. (You need sign but once a day).

Further Explanation of Methods and Rules

Here's how the \$10.00 Daily Pay-Off works. First you fill out a registration card stating your name, birthday and address. This card is numbered and a stub of the same number is dropped in a drawing box. There it stays always. If it is drawn it is replaced. So, you only fill out one registration card. Next you must sign a daily signature book. A drawing is held each morning at 10:00 A. M., and if the customer whose name is drawn has signed the daily signature book, he (or she) receives the pay-off. If not, then the \$10.00 Daily Pay-Off is added to the next day and so on until the pay-off is won. In order to win, you must have signed the daily signature book on the day previous to the drawing. In other words, Monday's signature is for Tuesday's drawing, Tuesday's signature is for Wednesday's drawing, etc.

Identification Numbers May Be Selected Any Time After Friday Noon. Signing of Daily Signature Book Begins Monday Morning. First Drawing Tuesday Morning.

Facts prove: Dodge offers more features, more value, more truck for your money!

Yes—listed at right are features you need for profitable hauling... features that save hundreds of dollars over the life of a truck! Yet of the 3 leading makes of trucks, only Dodge gives you these... and many more... extra values! It's no wonder that truck owners the country over are saying, "Dodge puts more value in its trucks... I get more profits out!" That's why it's just good business to see the new Dodge trucks before you buy. Thirty minutes now may pay you big dividends in the years, and miles, ahead! Stop by today for a deal you'll be glad to accept!

See... Drive... Compare... Come in today!

OF THE 3 LEADING MAKES OF TRUCKS, ONLY DODGE "Job-Rated" TRUCKS GIVE YOU...

- 7 POWERFUL ENGINES**, with 100 to 171 h.p.—3 engines brand-new. Of the 3 leading truck manufacturers, no one offers as many engines as Dodge. Assures the right engine for the job.
- TRUCK-O-MATIC TRANSMISSION** with glycol Fluid Drive, for the best in shift-free driving. Available in 1/2- and 3/4-ton models.
- SUPERSAFE BRAKES** of the advanced dual-primary type in 1- through 4-ton trucks. Of the "Big 3," only Dodge offers these up-to-date brakes.
- More power** in the 1 1/2- and 2-ton ranges than the other 2 leading makes.
- More pick-up bodies** than the other 2 leaders, including new 116"-wheelbase 3/4-ton pick-up.
- Greatest 1/2-ton-panel payload** and cubic capacity of the 3 leaders.
- Fluid coupling**, for smoother traction in 1/2-, 3/4- and 1-ton models, offered only by Dodge.
- 2 fuel filters** on all models to assure cleaner fuel and a cleaner engine.
- Floating oil intake** selects clean oil just below the top; avoids sediment at bottom of crankcase.
- Water-distributing tube** on all models directly cools valve seats... means longer valve life.
- Exhaust valve seat inserts** on all models for better valve seating, longer engine life.
- 4-ring pistons** on all engines save oil, upkeep.
- Independent parking brake** on all models is simple, efficient, powerful.
- Rivetless Cyclebond brake linings** last longer... no rivets to score brake drums... linings are tapered and molded on many models for quiet stops.
- Oriflow shock absorbers** on 1/2-, 3/4- and 1-ton models give smoother riding, greater driver control on roughest roads.
- High-strength rear axle shafts** on all models are shot-peened for extra durability.
- Better balanced weight distribution** for extra payload.

Dodge pioneers... others follow! Many features—just adopted by other leading makes—have been standard on Dodge trucks for years! For example: chrome-plated top piston rings in complete line, spark-plug covers, 45-ampere generators, short wheelbase design.

Red Cross—

(Continued from Page 1)
 this call and served in the hospitals in Haskell, Seymour and Abilene. Two Red Cross nurses aids from Fort Worth also helped.

Applications for rehabilitation assistance are being taken at the Red Cross Disaster Relief Headquarters at the Northern Star Seed Farm building in O'Brien. Sam Reed has donated this space to the Red Cross to be used as long as necessary. Office space in Knox City was moved from the American Legion Building Saturday afternoon to 110 W. 4th Street, a vacant store building being operated by Mrs. W. H. Benedict.

The office there will be open as long as it takes the staff of Red Cross workers here to contact the families individually in Knox and Haskell Counties who have made applications for rehabilitation help and to assist these families in making future plans.

Spain said, in explaining what it meant by rehabilitation help, "Mr. Spain said that the Red Cross gives assistance to those families who are without adequate insurance, cash to head savings or investments to provide the necessities of life."

"Sometimes it means that a family will need total help and sometimes it means that a family will need only partial help. It all depends on the individual circumstances of each family and that is why a trained caseworker visits and plans with each family."

The Red Cross can help repair or rebuilding of owner-occupied homes, with the purchase of necessary furniture, with the payment of medical expenses incurred by disaster-caused deaths or injuries, and assistance can be given to the small family-owned business or small farm business.

The disaster staff from the Midwestern Area in St. Louis who are now in Knox and Haskell Counties to work with the families who are in need of such help are: Miss Helen Corken, director responsible for both counties; Miss Dorothy Smart and Miss Amy Van Wooster, both working in Haskell County; Mrs. Loretta Webb and Mrs. Frances Turner who are working in Knox County; Lea Whitman, building advisor; Miss Winifred Bonham, Nursing Service Director; Miss Mary Jane Crane, nurse. On Friday evening Giles Boone, Mrs. Alma Hohannson, Dr. Burnett, Red Cross Field Representatives working in the State of Texas, came to Knox and Haskell Counties to assist local Red Cross chapters in the emergency. At the same time Miss Elizabeth Van Waggoner, Red Cross nurse came from Lubbock. Miss Beulah Miles, nurse, came in Saturday to help Miss Van Waggoner, and on Monday they were relieved by Miss Bonham and Miss Crane.

Spain emphasized that all assistance and service given by the Red Cross is given without charge and there is no obligation for repayment. The money spent to finance each disaster operation is given to the Red Cross during the Fund Campaign which is conducted each March throughout the United States, and from funds contributed by individuals at the time of disasters. The Red Cross is accepting contributions through the Knox County and Haskell County Chapters both for the annual fund campaign and for this disaster operation.

New Hope Seen For Victims Of Heart Disease

Worried about your heart? If so, it doesn't help to hear that death from diseases of the heart and blood vessels are the leading cause of death in Texas. Yet, if you have heart trouble today, you are better off than you would have been at any previous time in the history of the world, says Dr. Geo. W. Cox, State Health Officer. Cases, which in former years were considered hopeless, are now being treated successfully. Most heart patients who follow their physician's directions can lead relatively normal lives, carry on most activities they did before they became ill with heart disease.

Over-fatigue, over-exertion, worry, and prolonged emotional disturbances also make additional work for the heart. The heart slows up somewhat when you lie down and a little more when you fall asleep, but the person who is constantly on the go, and gets too little sleep, does not give his heart much of a chance to rest. Whenever you become worried or excited, your heart is the first part of the body to react. It immediately starts to beat faster. If you really become frightened or over-exercised, it may start pounding.

Many people, when they realize they have heart trouble fortunately learn a new way of living. They acquire a more wholesome and happier way of life. Their work is planned so that they do not get overtired, and are pushed to get the job done; when they get tired, they stop and rest. Few heart patients have to give up all of their usual activities. They learn a different and better way of doing them that does not put such a strain on the heart for they have found that it is the way they do things, rather than what they do that is so important.

Early treatment for heart disease will help to relieve your worries and will set you on the right road to good health, with a chance for a normal span of life, if you obey your doctor's orders.

C of C—

(Continued from Page 1)
 disappointment to the world, not the Golden Era as expected, the speaker said.

At the beginning of the century, mankind believed that science was on the verge of creating a better world, the minister told his audience and admonished, "It is time to wake up to the fact that science has created a Frankenstein in the atomic bomb."

The speaker was introduced by Rev. M. D. Rexrode, pastor of the First Baptist Church.

Retiring president Hallie E. Chapman was toastmaster, and introduced new officers and directors, and C. of C. manager Rex Felker introduced out-of-town guests.

A musical program was presented by a McMurry College group led by Professor Raymond Bynum. Numbers included a saxophone quartet by Nelda Vaughter, Margaret Gresham, Ross Knocker and Gerry Zoeke; marimba numbers by Servando Torero, a student from Old Mexico; saxophone solo by Gerry Zoeke; piano and marimba numbers by Servando Torero; and violin and accordion numbers by Bob Kerns and Margaret Gresham.

1953 Officers, Directors
 New officers and directors for 1953 introduced at the banquet are Harold R. Spain, president;

S. H. Vaughter, first vice president; Dr. Wm. J. Kemp, second vice president; Wix B. Currie, treasurer; Rex Felker, manager; John A. Couch, director at large and WTCC executive board member. New directors are Bill Holter, Buford Cox, Lee Whittington, Cecil Gregory, Charles E. Smith, Myron Biard, and C. C. Johnson, appointed to the vacancy created by the resignation of Will Gilmore.

Hold-over directors are Olen Dotson, A. C. Pierson, Jetty V. Clare, Bob Sego. Also members of the board of directors are all officers and past president Hallie E. Chapman.

Visitors were present from Abilene, Wichita Falls, Seymour, Graham, Rule, Rochester, Anson, Weinert, Hamlin, Monday, Santa Anna, Avoca, Tyler.

ENLISTS IN AIR FORCE

Den Collins, 1952 graduate of Haskell High School and son of Mr. and Mrs. W. C. Collins of this city, enlisted in the U. S. Air Force last week and has been sent to Lackland Air Force Base at San Antonio for basic training. Young Collins enlisted at the Abilene Air Force induction station.

He said the precipitation came at a crucial time for wildlife since species such as quail and wild turkey are ready for the spring reproduction while big game, particularly fawn-carrying does, now

Home Ec Building at Paint Creek School Being Used as Temporary Lunchroom

Temporary lunchroom facilities have been set up in the Home Economics building of Paint Creek Rural High School, E. A. Howard, Jr., Vocational Agriculture teacher at the school, said Monday.

The lunchroom and Vocational Ag building at Paint Creek School was destroyed by fire March 5, along with all equipment and facilities in the lunchroom and adjoining farm shop.

Use of the Home Ec building as a temporary lunchroom was

made possible through cooperation of neighboring schools who have loaned serving trays and other articles. Kitchen facilities of the Home Ec department of the school are being used, and around 150 pupils are being served the noon meal at the school.

Plans for rebuilding the lunchroom and agriculture building are being considered by the district's board of trustees, but no definite program has been announced, school officials said this week.

Recent Rains Brighten Outlook For Wildlife, Game Commission Reports

AUSIN — Rainfall bringing moisture to bone dry parts of Texas has stimulated hopes for the Animal Kingdom in the entire state, according to the executive secretary of the Game and Fish Commission.

He said the precipitation came at a crucial time for wildlife since species such as quail and wild turkey are ready for the spring reproduction while big game, particularly fawn-carrying does, now

are seeking vital green nourishment after changing over from the mast crop winter feed.

Equally important, added the executive secretary, fish life is at an important seasonal stage. The rain invigorates lakes and streams and restores pond and tanks which have been dry for months.

The moisture is expected to be particularly beneficial in West Texas, said the executive secretary. Some areas there had not

had sizeable rains for more than a year. In deep southwest Texas, the drought had become so acute that some species of animals were dying from thirst and starvation.

One immediate effect of the soaking rain in West Texas was announcement of plans by Marion Toole, Chief Aquatic Biologist, for possible resumption of production by the San Angelo State Fish Hatchery. He said if enough water is caught from the runoff, brood bass now confined to holding quarters, may be moved to normal spawning tanks. There still is time, he explained, for "a fair 1953 bass production," at that hatchery with consequent stocking of revived lakes and streams or restored farm tanks.

Game bird authorities likewise weighed the importance of the new moisture. Ernest G. Marsh, assistant director of Wildlife Restoration for the Game and Fish Commission, said quail are about to pair off and begin mating. Particularly severe dry spells, he said, discourage quail from even changing a family because of lack of nesting cover and absence of water.

Eugene Walker, Wildlife Biologist, said wild turkeys also react to moisture at this period since they are breaking up from flocks and beginning their mating activities.

The timely rainfall followed reports from some areas in south-

west Texas that some wildlife had perished because of prolonged dry weather. Game Warden Jim Pond at Carrizo Springs, said he had seen some carcasses of many javelina and armadillo. He said the previous rainfall there, according to one measurement, was one inch for 12 months.

Pond also reported that the drought was curbing predator control work since trails of mountain lions could not be detected. He said he noted that lion tracks made during a light rain in February a year ago still could be

seen, in one place.

This was confirmed by Hearn, Predator Control supervisor developing from activities because baits and traps became food.

Hearn suggested that alone was the principle the quail population. "Quail must have cover," he said. "The drought killed all foxes, snakes and the Hearn was optimistic
