

## March of Dimes Underway In County; Will End January 31

Second time since it started a decade ago, the March of Dimes in Haskell County for a full month. The county chairman said today. The campaign closes January 31, he said.

It was forced by the number of polio cases reported in the county. Patients stricken in areas who still needed a permit.

The remainder of this year said community volunteer workers of the county would be areas in order to be an opportunity to fight against polio.

Quota has been set for Haskell County. Her plan to raise possible to continue against the dread and we are confident everyone will give insofar as their money contributed of Dimes is used by chapter to help paying local polio emergencies, polio where. The other 50 March of Dimes professional education aid programs.

More than 55,000 per polio in 1952, 44,000 were assisted in part by the March of Dimes.

Efforts to test the effect of a possible preventive polio were under the National Foundation for Infantile Paralysis in their vital research of 55,000 youngsters the trials.

Mr. Shook is president of the Haskell County chapter for Infantile Paralysis commenting on the long campaign, said, "It is a scientist approach conquest of polio mobilizing all its back mankind with the best listening to the knell, is testing to determine of the disease and attempting morale which has inspired us to the very threshold of falter now. With unprecedented must throw all our side of the cost. We are more devotion and more money for the 1953 campaign."

Mr. Shook as county chairman for the March of Dimes has been named as a leader named and communities.

## M. S. Shook, 96, Pioneer West Texan, Dies Saturday At Family Home Here

M. S. Shook, 96, one of the few remaining pioneer ranchers in West Texas, died at the family home in North Haskell at 12:01 a. m. Saturday.

Mr. Shook, Haskell's oldest citizen both in years and in length of residence here, had been confined to his bed for the past month. He had been in feeble health for some time.

He was one of the section's few remaining cattlemen who came here during the days of the free range.

Born August 15, 1856, in Titus County, he came with his parents the late Mr. and Mrs. W. W. Shook, to Haskell County in 1879, moving here from Palo Pinto County.

As a youth he worked for some of the early-day cattlemen who had moved into this section. During more than three-quarters of a century's residence here, he witnessed and had a part in the development of this area from open prairie to ranches, then into the diversified agricultural region of the present day.

Mr. Shook was among the small group of early-day settlers here who made possible the organization of the county in 1885 and the setting up of a local government.

He married the former Miss Jennie Mae of McKinney on March 15, 1887, and they moved to Haskell to make their home. Mr. Shook established and operated the Shook Ranch in the northwest part of Haskell County from the 80's until retiring several years ago due to advancing age.

Mr. Shook is survived by five daughters, Mrs. Henry C. King and Mrs. Jim Darden of Haskell; Mrs. Clyde Grissom of Eastland; Mrs. J. R. Green of Snyder; Mrs. Joe Smith Jr. of Highland, Texas; eight grandchildren and five great-grandchildren.

Funeral service for Mr. Shook

## I. F. Crawford Dies Tuesday In Santa Ana, Calif.

I. F. Crawford, retired businessman of Santa Ana, Calif., a son of Mrs. M. E. Crawford and brother of J. M. Crawford, both of this city, died Tuesday morning in Santa Ana after a brief illness.

Mr. Crawford, 77, had been a resident of Santa Ana since 1936. Funeral services were held in that city Thursday at 2 p. m., and burial was in a Santa Ana cemetery.

Immediate survivors include his wife, Mrs. M. E. Crawford, a daughter Mrs. James Booth of Los Angeles, Calif.; two granddaughters, his mother, Mrs. M. R. Crawford, Haskell; three brothers, J. M. Crawford, Stamford; M. R. Crawford, Brawley, Calif.; and three sisters Mrs. F. E. Burgess, Littleton, Colo.; Mrs. C. C. McBeth, Thermopolis, Wyo., and Mrs. S. L. Young, Kemah, Texas.

## Funeral Rites For E. W. Helweg, 76, Held Friday

Funeral service for E. W. Helweg, prominent retired farmer was held at the First Baptist Church in this city Friday at 4 p. m. The Rev. Jack D. Wester, pastor of the Pinkerton Baptist Church, and the Rev. M. D. Rexrode, pastor of the First Baptist Church, officiated.

Burial was in Willow Cemetery under direction of Holden Funeral Home.

Mr. Helweg, 76, died Thursday in the Haskell County Hospital of pneumonia. He entered the hospital about three months ago.

Mr. Helweg was born April 21, 1876, in Austin County. He was married to the former Lena Emily Voelkel in Lavaca County in 1899 and later moved to Johnson County. The couple came to this county in 1913 and lived eight miles southwest of Haskell.

Mr. Helweg had been active until suffering a stroke about four years ago, when he retired. He was a longtime member of the Lutheran Church and the Sons of Herman Lodge.

Survivors are two sons, O. J. and Odell Helweg of Haskell; a sister, Mrs. Antonio Hendricks of Moulton, Texas; 10 grandchildren and five great-grandchildren.

Pallbearers were Buck Bland, Albert Hannas, Oris Gibson, Bob Watson, Herbert Fischer, Willie Peiser.

## Haskell 4-H Club Boy To Show Steers At Fort Worth

Sid Woodson, member of the Haskell 4-H Club will exhibit two Herefords in the junior steer show of the Southwestern Exposition and at Stock Show.

The Ft. Worth Show, to be held Jan. 30 through Feb. 8, is offering an all-time high in premiums.

the Legislature of Texas convened last week. They were photographed in the House chamber a few minutes before Secretary of State Jack Ross called the House to order for preliminaries to formal organization for the session.

## Fire Losses During 1952 Hit Total of \$120,855 Here

Insured fire losses in Haskell hit a high mark of \$120,855.32 in 1952, according to the annual report of City Fire Marshal John B. Martin.

This sum was the total adjusted amount of insurance claims paid during 1952, Martin explained.

The fire marshal estimated total fire losses for the year at \$159,565.00, while total estimated value of property involved was placed at \$262,550.00.

A breakdown of insured losses for the year shows a total loss on buildings of \$30,162.02, with loss on contents amounting to \$90,693.30.

Heaviest insured loss during a single month was in January, 1952, when total losses amounted to \$72,518.14. December came next with a total loss of \$39,196.83.

No insured fire losses were reported during the months of May, June, July and August.

## Payment of Poll Tax Indicates Drop In Voting

Unless there is a last-minute rush of poll tax payments, potential voting strength in Haskell County will drop to the lowest point in years, a check of 1952 poll tax payments Wednesday indicated.

Tax Assessor-Collector R. A. Coburn reported that only 1,364 poll tax receipts had been issued up to Wednesday noon. And deadline for payment of the poll tax is only 10 days away—it must be paid not later than Jan. 31.

Last year a total of 3,828 poll tax receipts were issued, he reported. However, since 1953 is an "off" political year, a slight decline in poll tax payments can be expected, he explained.

The 1952 poll tax or exemption is a requisite for voting in any election held during 1953. Only scheduled elections this year are the annual city officials and school trustee elections.

## C. of C. Directors Map Plans For Annual Banquet Mar. 13

Plans for the forthcoming annual meeting and banquet of the Haskell Chamber of Commerce was the major topic of interest at the monthly meeting of the organization's directors Tuesday morning in the club room of the Texas Cafe.

A report on Christmas activities of the organization was given and approved by the directors. After a discussion of coming events, directors voted to give \$100 to the annual Haskell Show and also to give \$50 to the County Home Demonstration Council.

Friday evening, March 13, has been set as date for the annual C. of C. banquet, and speaker and entertainment for the occasion have been secured, it was announced.

The banquet will be held in the combination luncheon and auditorium of the Primary School Building, and tentative arrangements are being made to accommodate 400 guests and visitors.

The guest speaker will be Dr. Cloyd Miller, president New Mexico Western College, Silver City, N. M., widely known educator and speaker.

Hallie Chapman, C. of C. president, presided at Tuesday morning's meeting and announced appointment of the following committees in charge of plans for the banquet:

General Steering Committee—Bill Holden, chairman; Olen Dotson, Bob Segoe.

Entertainment—S. H. Vaughter, chairman; Alfred Pierson, J. M. Crawford.

Tickets—John Crawford, John A. Couch.

Meals—Olen Dotson, chairman; Jetty V. Clare, S. H. Vaughter.

Welcome—Harold Spain, chairman; Will Gilmore, Dr. Wm. J. Kemp, Wix B. Currie. All directors will serve on the welcoming committee in addition to any other assignment, Chapman announced.

Bill Holter was named chairman of the decoration committee and he is to appoint any committee members needed.

Directors present at Tuesday's session were Hallie Chapman, Rex Felker, John Crawford, A. M. Turner, Dr. Wm. J. Kemp, Will Gilmore, Bob Segoe, Harold Spain, Wix Currie, Bill Holter, S. H. Vaughter, Bill Holden, Alfred Pierson, Jetty V. Clare, Olen Dotson.

## HHS Annual Queen To Be Named At Talent Show

Queen of the 1953 Chieftan HHS annual, will be selected by popular vote at a Talent Show to be held in the high school auditorium Monday night, Jan. 26th. The evening's program is being presented under direction of the annual staff.

The program will include a 25-minute presentation of talent by each class in High School, and will consist of songs, music, skits, and other entertainment numbers. Bill Thomas, HHS Senior, will be master of ceremonies, and concluding feature will be the presentation of the young lady selected as Queen of the 1953 Annual.

Each class in high school has nominated a candidate for the title, with Eva Dunnam as Senior Class nominee; Helen Kimbrough Junior Class; Barbara Thompson Sophomore Class; and Barbara Collins Freshman Class.

Selection of the Queen will be on the basis of votes. Each admission ticket to the show will count two votes—one to be tabulated when the ticket is sold, and the second point credited when the ticket is presented for admission.

The program will begin at 7:30 p. m., and all proceeds will go for Class activities. Tickets are on sale by all High School students.

## Mrs. Ethel Allene Mullins, 42, Dies Early Today

Mrs. Ethel Allene Mullins, 42 member of a pioneer Haskell County family and lifetime resident of this city, died at 6:15 a. m. today in the Haskell Hospital. Death was attributed to a heart attack.

Mrs. Mullins, in failing health for some time, had been a patient in the hospital since Sunday.

Funeral services will be held at the First Methodist Church Friday at 3 p. m., with the Rev. J. B. Thompson, pastor, officiating. Mrs. Mullins has been a member of the Methodist Church since girlhood.

Burial will be in Willow Cemetery, under direction of Holden Funeral Home.

She was born Dec. 28, 1910, in Haskell, daughter of the late Mr. and Mrs. C. K. Jones. Her parents preceded her in death. She married Sherman Mullins, Nov. 2, 1933, in Haskell, and they were the parents of four children.

She is survived by her children, two daughters, Frances and Mary Ethel Mullins, and twin sons Jerry and Jimmy Mullins; three sisters, Miss Mamie Jones of Haskell, Mrs. Hicks Hinkle and Mrs. Don Paschal of Los Angeles, Calif., and a brother, Kirby Jones of Ft. Worth.

## Ed B. Burleson Is Named Director of Ft. Worth Bank

Ed B. Burleson, prominent Waco attorney and the son-in-law of Mr. and Mrs. John A. Couch of this city, was recently elected a director of the First National Bank of Waco.

Mr. Burleson is a former district attorney of McLennan County and is a member of the Board of Trustees of Baylor University.

Mr. and Mrs. Burleson are frequent visitors in Haskell. Mrs. Burleson is the former Maurine Couch.

## Haskell Buyers Attend Markets In Dallas

Buyers for a number of Haskell stores are in Dallas this week, attending the American Fashion Association's Spring and Summer Market, held at the Adolphus, Baker, and Blue Bonnet Hotels Jan. 18-23.

Among those from Haskell attending the market are Mr. and Mrs. Robert Wheatley, Mr. and Mrs. S. Hassen, Mrs. Stanley Furrh, Mrs. Olen Dotson, Mrs. Viars Felker, Mrs. Hardin Colwell, Mrs. Jack Speer, Mrs. C. Wheatley.

## Guests in D. H. Persons Home

Mr. and Mrs. Kenneth Fleischer of St. Paul, Minn., and Pvt. Joseph F. Biermier of St. Paul, Minn., and Fort Sill, Okla., were weekend guests of Mr. and Mrs. D. H. Persons.

## Trade Promotion Plan To Be Outlined At Meeting Friday

Plans for a new and novel retail promotion program for Haskell will be outlined at a meeting of merchants and businessmen scheduled Friday morning at 10 o'clock in the banquet room of the Texas Cafe, Rex Felker, C. of C. manager, announced today.

The meeting was scheduled at the request of the organization's Retail Trade Committee, of which Bill Holter is chairman.

The entire program can be outlined in thirty minutes time, and Holter urges that each store or business establishment have a representative present at this important meeting. The new trade extension program will be explained in detail, and additional ideas and suggestions will be invited for inclusion in the program.

Present plans call for inaugurating the new promotion program early in February, it was announced.

"The Retail Trade Committee of the chamber of commerce desires to express its appreciation to the business men of Haskell for the excellent cooperation given in our efforts to accelerate business," Holter said.

"Now, perhaps more than ever before, this kind of cooperation is essential if we are to continue boosting our town a sat rading center," he continued, in urging attendance of merchants or their representatives at the meeting Friday morning.

## Draft Board Calls 45 Registrants For Pre-Induction Examination Jan. 28-29

Local Board No. 77 at Anson has notified 45 registrants in Haskell, Jones and Shackelford Counties to report for pre-induction examination on Jan. 28 and 29.

W. A. Holt, Haskell County member of the tri-county selective service board, said the men had been instructed to report to the local board at Anson, and will be sent from there to the Abilene induction station for processing.

Ordered to report Jan. 28 for examination are the following registrants:

James Travis Ballard, Merkel now at Abilene.

Billy Boyd Tarpley, Rt. 1, Merkel.

Luther Wesley Walker, Weinert, now at Pettit.

Joe Randall Jeter, Sagerton.

Jimmy Vernay Lusk, Haskell now at Morenci, Ariz.

Milburn Clayton Rivers, Stamford.

James Walter Freeman, Hamlin.

Donald Richard Rowland, Hamlin.

Billy Morris Pittard, Anson.

Felipe Rios Martinez, Jr., O'Brien.

Tommy Arthur Tate, Jr., Haskell.

Berlie B. Henderson, Haskell.

Dewey Clifton Rinehart, Rule.

R. B. Townsend, Rt. 1, Rochester.

Lario De Leon Cedillo, Stamford.

Gerald Douglas Boyd, Stamford, now at Graham.

Billy Bob Brown, Stamford now at Abilene.

Bennie Leonard Arend, Haskell.

Warren D. Short, Rochester.

Charles Wesley Briley, Stamford now at DeKalb, Texas.

Charles Billy McAfee, Albany.

Genelle Bruce Miller, Rule.

Notified to report Jan. 29 are: Charles Edward Barnes, Rule.

## Band Director Bill Dean Takes Post At Odessa

Wm. J. Dean, band director in Haskell High School for the past two and one-half years, has resigned his faculty post and accepted a position as assistant band director in Odessa High School.

In his new post, he will be director of the B Band in the larger school, in addition to assisting with the A band of the Odessa schools.

During his tenure as director, the HHS Indian Band has been developed into one of the outstanding high school bands in this area, and has won numerous honors in district and regional contests. The band has consistently been rated in the first division in marching, and was rated as outstanding in marching at the 1951 Waurika Band Festival and subsequent contests in competition with bands of larger schools.

Supt. S. H. Vaughter said today that a successor to Mr. Dean would be named at an early date or as soon as a suitable director could be secured.

Mr. and Mrs. Dean and their three-year-old daughter, Robbelyn, plan to leave Monday for Odessa.

## Kimbrough, Ratliff Get Legislative Committee Posts

John Kimbrough, State Representative from the 83rd District, has been named on several important committees in the House of Representatives.

Also, David Ratliff of Stamford who is serving his second term in the Legislature, was appointed members of several important panels. The Stamford man is the son of Mrs. L. D. Ratliff of this city.

Kimbrough was appointed vice chairman of Privileges, Suffrage and Elections; member Oil and Gas, Conservation and Reclamation, Livestock and Stock Raising Agriculture.

Ratliff's assignments include chairmanship of Labor; vice chairman Federal Relations; member State Affairs, Oil and Gas, Liquor Regulations.

## Fire Department To Sponsor Amateur Boxing Friday Night

Sponsored by the Haskell Fire Department, a Golden Gloves warm-up which includes some 12 or 15 bouts will be staged in Haskell Friday night, January 23. Sponsors announced this week.

Taking part in the bouts will be fighters from Hamlin, Munday, Seymour, Knox City and Haskell, according to Lon McMillin of this city, former Golden Gloves State champion who is handling details of the program for the fire department.

The fights will be staged in the Clifton Building just off the southeast corner of the square. A regulation ring has been erected and seats placed to accommodate several hundred spectators.

The initial program Friday night will get under way at 7:30 sharp, sponsors have announced.

The feature event on Friday night's program will be a match between Jimmy White, 145 pounds, Haskell, and Simon Chavez, 142, of Munday. The main bout will be three 2-minute rounds.

In one of the top semi-finals, Jimmy Mullins, 115, of Haskell will meet Kenney Chavez, 120 of Munday, a brother of the entrant against White in the main bout.

Also, in a semi-final match Jerry Mullins of Haskell will meet Don Kelley of Hamlin in a return bout. The Haskell fighter decided Kelley in a recent match at Hamlin.

Other bouts will match high school Golden Gloves from the five towns. As a special feature of the initial boxing program in this city, McMillin is trying to match two colored youths in a three-round bout, he said Wednesday. This has not been definitely scheduled, however.

If Friday night's program attracts sufficient interest of fans in this area, sponsors plan to continue a weekly program in the future, they have announced.

Out-of-town officials will judge the bouts.

## Market Poultry & Egg To Give Away 3,000 Baby Chicks

An opportunity to get a start in the poultry business free of cost is announced this week by Market Poultry & Egg Company.

The poultry concern will give away 3,000 baby chicks at their store Tuesday, Jan. 27. The chicks all cockerels, will be given away free, with no obligation. However only 10 chicks will be given to a person, with a limit of 30 to a family.

A. T. Ballard, manager of the poultry concern, said that 1,000 chicks would be given away at 9 a. m., another lot of 1,000 at 11 a. m., and the final 1,000 at 2 p. m.

Rev. and Mrs. J. B. Thompson were called to Dallas the first of the week, to the bedside of their daughter, Mrs. R. B. Dortch, who is ill.

## Final Rites Held Here Monday For W. E. Bland, 72

Funeral rites for W. E. Bland resident of Haskell County for 47 years, were held at the First Baptist Church in this city Monday at 3 p. m.

The service was conducted by Rev. Jack D. Wester, pastor of Pinkerton Baptist Church, the Rev. M. D. Rexrode, pastor of First Baptist Church, and the Rev. Webster Carrole of Dallas.

Mr. Bland, retired farmer and land owner, died at 8:53 p. m. Saturday in the Haskell Hospital. He had been ill for about eight years. He was 72.

Both Mr. and Mrs. Bland had been confined to their beds for the past year and a half because of illness. Mrs. Bland was in the Haskell Hospital Sunday night, and was unable to attend the funeral service.

The couple celebrated their 50th wedding anniversary last April 21. Mrs. Bland suffered a severe stroke about two years ago and Mr. Bland was ill with a heart ailment.

He was born Jan. 10, 1881, in Ellis County, the son of the late Mr. and Mrs. H. E. Bland. He married the former Minnie Lee Tippin April 21, 1902, in Ellis County. The couple moved here from Fannin County in 1905. Mr. Bland had been a member of the Baptist Church for many years.

Survivors are his wife; three daughters, Mrs. H. M. Martin of San Angelo, Mrs. F. L. Akridge of Pecos, and Mrs. O. J. McCain of Wink; two sons, H. E. Bland of Haskell and Horace Bland of Dallas; 11 grandchildren and two great-granddaughters; a sister Mrs. A. M. Bird of Haskell; three brothers, H. D. Bland of Haskell, A. L. Bland of Zephyr and E. B. Bland of Gram Prairie.

Burial was in Willow Cemetery under direction of Holden Funeral Home.

Pallbearers were Travis Smith, Albert Hannas, Roy Wiseman, Ted Marugg, J. C. Coleman, James McCain, Raymond Lusk, and Odell Helweg.

## Band Students Give Program At Lions Meeting

Director Bill J. Dean and a group of 12 band students presented an enjoyable program of music at the meeting and luncheon of the Lions Club Tuesday at noon. One phase of the program heard with regret by the Lions was Director Dean's announcement that he had accepted a place with the Odessa schools and would be moving to that city within a few weeks.

Dr. Wm. J. Kemp was in charge of the day's program and introduced the entertainers. The musical program included "Why Don't You Believe," "Hand Me Down My Swinging Cane," "I," and a clarinet solo.

Band students presenting the program were Roy Don Rhoades, Barbara Merchant, Diane Cleer, Carrol Thompson, Larry Wheeler, John Berryhill, Sammie Vaughter, Gary Ivey, Sam Matthews, David Jones, Clarence Calloway and Melva Address.

Guests and visitors at the meeting and luncheon were J. C. Roberts of the State Highway Department, Mrs. Ballard, Mr. Wallis, and D. E. Corley.

## Haskell and Jones Singers To Meet In Stamford

The Haskell and Jones County Singing convention will meet at the Swenson Avenue Baptist Church in Stamford Sunday afternoon, Jan. 25, beginning at 2 p. m.

All music lovers, song leaders and quartets are invited to come and take part.

### New 1953 Chrysler Goes On Display This Week

The first public showing of the 1953 Chrysler New Yorker Deluxe club coupe will take place during the week of January 19 in the showrooms of Chrysler dealers throughout the United States, announced J. A. O'Malley, vice president and general sales manager of Chrysler Division, Chrysler Corporation.

"All Chrysler dealers are holding open house to give people an opportunity to inspect and drive this new model which offers new beauty, power, performance and security," O'Malley said. With this smart, sporty two-door deluxe club coupe, Chrysler adds another car to the 1953 models introduced several months ago and brings the line to a total of twenty-one body styles.

"The New Yorker Deluxe club coupe joins America's first family of fine cars and re-emphasizes the new highway fashion which Chrysler has set in its cars for 1953," Mr. O'Malley said. He said that the New Yorker Deluxe club coupe will be displayed in Chrysler dealer showrooms throughout the United States this week.

### 1953 NEW YORKER DELUXE CLUB COUPE HAS SPORTY LINES

Newest addition to the 1953 Chrysler line is this swank New Yorker Deluxe club coupe powered by the Chrysler 180-horsepower V-8 FirePower engine. On display at Chrysler dealers throughout the United States, this sporty two-tone club coupe provides new top treatment through use of chrome moldings over the windows running from the windshield to the rear window. A chrome panel partly covers the rear quarter panel accentuating

the graceful lines of the top. Interiors match the beautiful exterior styling in luxury with four rich two-tone upholstery combinations keyed to match the colors of the steering wheel, garnish molding and carpets. The car's wheelbase is 125 1/2 inches and the New Yorker Deluxe club coupe is offered in twelve solid colors and eight two-tone color combinations.

vice president, Mrs. S. M. Burson; recording secretary, Mrs. W. L. Ballard; corresponding secretary, Mrs. Dan Wadzeck; treasurer, Mrs. Worth Buckner; parliamentarian, Mrs. Hob Smith; musician, Mrs. R. A. Shaver, Jr.; reporter, Mrs. M. H. Hicks. The club met with Mrs. Hob Smith Thursday, Jan. 22.

Joe Watkins of Knox City spent a while with his parents, Mr. and Mrs. W. E. Watkins here Sunday afternoon.

Mr. and Mrs. Walter Mooney of Goree visited her mother, Mrs. J. N. Turner and Mr. and Mrs. Allen Bell here Sunday.

# NOTICE To Taxpayers

## YOUR 1952 TAXES MUST BE PAID BEFORE JAN. 31ST TO AVOID PENALTY

JANUARY 31st IS ALSO THE LAST DAY TO PAY YOUR POLL TAX

Every person who will reach the age of twenty-one years after the first day of January, 1952 and before the day of a following election—shall be entitled to vote at said election. It shall not be necessary that said person shall have paid poll tax but should obtain an exemption certificate. But if they became 21 before January first 1952 they must pay tax before they can vote.

Those who were 60 years of age BEFORE JANUARY 1, 1952 are entitled to vote without an exemption certificate.

## CHRYSLER'S NEW YORKER DE LUXE

*Club Coupe*

A great many of you have been waiting for this . . . a swank, sporty Two-Door Club Coupe with the special flair of the Chrysler New Yorker line.

You'll like its looks. It's a true Chrysler and acts like one . . . safe, solid, comfortable.

It's powered by the only new-type engine in any American car. All the power you can use. More real control and security than you've ever felt before, uptown, downtown, and out-of-town.

Power Steering . . . Power Brakes . . . Fluid-Matic Transmission . . . they're here, too. And so are those double-strength Oriflow shock absorbers that make a road feel as smooth as a dance floor. You know this car will do what you want it to . . . without coaxing.

Stop in soon at your Chrysler dealer's and discover what the world's finest engineering looks like and feels like . . . right in your hands!

**Bond Assumption and General Fund Source of Most F-M Road Money**

(Editor's Note—This is another of a series of articles presenting information gathered by the Highway Policy Committee of the West Texas Chamber of Commerce.)

Funds for the building of Farm-to-Market roads come from two sources. They are (1) a monthly allotment of \$1,250,000 or \$13 million per year from the state general fund and (2) money not needed to pay off county or district road bonds from the Bond Assumption fund, less \$7,300,000 diverted directly from the fund to counties for lateral road construction.

Diversion of \$1,125,000 monthly from the general fund for Farm roads is authorized by the Briscoe-Colson bill enacted by the last Legislature.

As explained in an earlier article,

the bond assumption fund was created from one cent of the 4-cent per gallon gasoline tax. Since maturities of road bonds now amount to what is collected from four-tenths of a cent of this tax, approximately six-tenths cent is available for farm roads and for other types built by the State.

According to the statement of the Texas Highway Department for the year ended August 31 1951, receipts to it for building farm roads amounted to \$20,249,528.50.

The State contemplates eventually the construction of 35,000 miles of Farm-to-Market roads. As of August, 1951, there were 20,691 miles of farm roads built and maintained by the State. This does not include hard-surfaced roads built by counties.

**1953 Production Goals Announced For Texas**

The 1953 production goals for spring-seeded crops in Texas reflect the need for more grain and forage crops and less cotton and wheat. If the goals are attained says B. F. Vance, chairman of the State Agricultural Mobilization Committee, total agricultural production must continue at a high level and would equal or exceed last year's output.

The largest increase—92 per cent—is for grain sorghums for grain. The acreage goal is 5,150,000 acres, says Vance. The goal for all sorghums which includes those used for forage such as hay and silage and for grain has been raised 22 per cent above last year's figure to 7,385,000 acres. The corn goal has been increased to 2,500,000 acres or 9 per cent above the 1952 acreage. The goal for tame or planted hay crops has been increased by 5 per cent and stands at 1,400,000 acres.

These increases, points out Vance, are urgently needed to restore the depleted stocks of grain and roughage feeds because of the drought and reduced plantings in the state during the past two years. Unusually large quantities of hay have had to come from other states, says Vance, to help meet the demands for roughage feeds.

Texas producers of upland cotton are asked to reduce their acreage 14 per cent below the July 1 acreage of last year. The 1953 goal, according to Vance, has been set at 9,945,800 acres. It is hoped that much of this reduced acreage will be planted to grain sorghums. Producers in the state of extra long staple cotton are asked to plant no more than 14,200 acres or a reduction of 59 per cent from 1952 plantings. This type of cotton is produced in the Pecos-EI Paso areas.

In commenting on the 1952 goals, Vance emphasizes that the goals program, as worked out by the State Mobilization Committee and approved by USDA, recognizes that the demand for farm products will probably remain high because consumer income and expenditures are expected to exceed those for 1952. At the same time, he adds, exports of some of our important crops are dropping due to increased supplies of agricultural products in other countries and a shortage of dollar exchange. Cotton and wheat are two mighty important Texas crops affected by this export situation says Vance.

In commenting further, he says, the purpose of the goals program, he continues, they will reduce the possibility of building up burdensome surpluses and depressing prices which may in turn necessitate acreage allotments and marketing quotas.

The goals are carried to the 38,000 acres. Farmers through the State and County Mobilization Committees Other 1953 goals for Texas spring-seeded crops include rice 550,000 acres, a decrease of 1 per cent from last year; sudan for seed, 27,700 acres, an increase of 32 per cent and sweet potatoes. Vance urges farmers to plan their spring planting schedules in accordance with the goals program and to utilize abandoned wheat acreage—should moisture deficiencies make this necessary—for growing grain sorghums and pasture of hay crops.

**Drug Addiction Termed Disease By Official**

Drug addiction is not in itself a crime but a disease, declared Dr. Geo. W. Cox, State Health Officer. It is viciously and deadly in that once the victim can no longer overcome his desire for drugs, he will resort to any illegality to obtain money to purchase the satisfaction of his craving. Increase in drug addiction is paralleled by crime increases.

Because of the increase of addiction among "teen-agers," parents would do well to understand the habits of their offspring. No matter what the age an addict takes on a sly, underhanded attempt to concealment. And it is only when the "teen-age" victim becomes embroiled in some police involvement that the same is brought to the parent.

Both boys and girls must be taught that it is not smart nor sophisticated to use drugs in any of their narcotic forms, and they should understand the dangers involved. Once the habit is formed, it is difficult to overcome. While it is estimated that at least five per cent of narcotic addicts become so by means of repeated dosages of drugs to alleviate pain, the preponderance of addicts fall among those persons normal in every respect, who seek adventure, and emotionally unstable persons who cannot face the realities of every day life.

Indications of drug addiction vary according to the method and the type of drug used. Among them are a strained expression glassy stare of the eyes, trem-

ling hands, swelling or redness in the partition of the nostrils; apparent puncture marks on the skin from hypodermic needles. Symptoms include running of the nose or tearing of the eyes; excessive yawning and sneezing, constant itching of the skin of the arms and legs and dilation of the pupils of the eyes.

While it has been said that a "little knowledge is a dangerous thing," there can be no doubt that a public-minded consciousness of the drug addiction problem will do more to curb the situation. The prevention of addiction is a community problem. Once the habit is formed, it becomes a medical one. Do your part to prevent an addiction. Your child may be the next victim.

**PARENTS OF DAUGHTER**

Mr. and Mrs. Glen Sammons are the parents of a baby daughter, Tina Diane, born Saturday, Jan. 17. She weighed 5 pounds and 4 ounces. Grandparents are Mr. and Mrs. Lynn Tolver and Mr. and Mrs. John Sammons all of this city.

**PARENTS OF DAUGHTER**

Mr. and Mrs. Miles Otis Wright are the parents of a baby daughter, Shirley Mileszene, born Thursday, Jan. 15 at 8:20 p. m. She weighed 5 pounds and two ounces. Grandparents are Mr. and Mrs. J. A. Wright and Mr. and Mrs. Hodge of this city.

The Mauretania held the Atlantic speed record for 20 years.

Blessed is the man that has found his work.—Carlyle.

**Year Ahead Looks Good For Egg Producers**

Texas market egg producers should find the year ahead to their liking. This forecast comes from Professor E. D. Parnell, poultry husbandry department of Texas A&M College.

He backs up the forecast with a lot of reasons. First there are fewer layers on the farms to produce the eggs needed to supply the demand from the nation's increasing population. There also exists a shortage of frozen eggs as compared to past years and too, the demand for stored shell eggs has recently been heavy.

Another very important factor says Parnell, has been the recent decline—it's the price of some feed ingredients and a rise in

egg prices resulting from heavy demands and a declining supply. High egg prices, says the professor, no doubt will cause more orders to be placed for pullets and this will increase the number of layers for next fall and winter but this is six months away, he adds. In the meantime producers

who do a good job of managing their laying flocks, can be cashing in on a favorable market situation.

Parnell offers a last suggestion and that is give the laying flock the attention it deserves; check the feeding program; use proved sanitation and disease control

practices; use artificial lights if needed; be sure the laying house is properly ventilated and the flock gets plenty of drinking water—warm it cold snaps. These and other management practices when followed will put extra eggs in the basket now when prices are good.

**Haskell County History**

**20 Years Ago—Jan. 26, 1933**  
Mr. and Mrs. David Ratliff and baby from Denton are here visiting his parents, Judge and Mrs. L. D. Ratliff.  
Courtney Hunt has announced plans for re-opening of Hunt's Store on the north side of the square around February 1st. A new stock of merchandise has

been ordered, and the stock of Hunt's Store at Rochester will be moved to the Haskell store.  
Little Tom Frizzell Grissom made his arrival at the Knox City hospital Tuesday afternoon, January 24. He tipped the scales at an even eight pounds.  
Mrs. F. L. Daugherty was hostess to members of the Golf Wild-

ows Club Tuesday afternoon at her home. Guests present were Mesdames John W. Pace, Sam A. Roberts, O. E. Patterson, Jhon A. Couch, A. C. Pierson, T. J. Arbuckle, Wallace Cox, Mary Ogtes H. S. Wilson, W. M. Reid, R. J. Reynolds, D. L. Cummins.  
Miss Hazel Robertson of Houston is here visiting in the home of her sister, Mr. and Mrs. Barren Welsh, and with her brother Mr. and Mrs. French M. Robertson.

**30 Years Ago—Jan. 26, 1923**  
In one of the biggest real estate deals closed in the new year, J. F. Kennedy this week purchased the brick building on the east side of the square which he had occupied for the past several years. The building belonged to Sheriff W. C. Allen of this city and W. B. Lee of Spur. Consideration involved in the deal was reported at \$10,000.

Through the efforts of J. L. Tubbs, organization of a company was completed here this week for the purpose of erecting a steam laundry in Haskell. The new company will be incorporated and will be known as the Haskell Laundry Company, with the following officers: R. C. Montgomery, president; B. Cox, vice president; Emory Menefee, secretary-treasurer; and J. L. Tubbs, manager. It is planned to start work immediately on a building and order machinery and equipment for a modern laundry.  
The West Texas Utilities Company have completed their new office building at Munday.  
C. B. Long of Dallas spent several days visiting friends and relatives here this week.  
August Buchtein of Rule was here Friday to take the train to Dallas.  
Horace Pinkerton, who has been holding down a claim in New Mexico for the past year, arrived with his family Saturday night to again make his home in Haskell County. He rented a farm near Rochester where he will farm this year.  
Mr. and Mrs. Ed Ellis, who have been visiting relatives here

for several days, returned to their home in Fort Stockton Thursday.  
Miss Ruby Fitzgerald returned with them for a few days visit there.  
Rev. and Mrs. C. Jones of this city returned Saturday evening from Dallas where Rev. Jones received medical treatment by a specialist. His many friends will be glad to learn that he is much improved.

**50 Years Ago—Jan. 24, 1903**

In a cattle roping contest at El Paso last Saturday, L. N. Barksdale of Deming, N. M., roped and threw and tied down a steer in 31 1-2 seconds and won first prize of \$1,000. James Gibson won second prize of \$500 in 38 seconds; Ellison Carroll, with 37 seconds, won third place prize of \$250. Clay McGonigle, the world's champion with a record of 23 seconds, was defeated in this contest.  
Marvin Cobb, son of G. H. Cobb of this place, was thrown, or his horse fell with him while under full speed, near Albany last week and broke one of his arms and collar bones. We were unable to get full particulars, but hear that he is doing well and will be brought home in a few days.  
Ed Whitaker came in Saturday from Weatherford on a visit to home folks.  
Our old townsman and friend, A. W. Springer, was up from Stamford the first of the week. The young folks enjoyed a party out at the home of Mr. and Mrs. I. D. Killingsworth last Saturday night.  
Miss Laura Garren spent two or three days with friends in town this week.  
J. M. Radford, one of the leading business men in Abilene, was here a day or two this week looking into the prospects for the north and south railroad.  
J. W. Patton and L. C. Irick were in town Saturday. Mr. Patton has recently purchased a farm in this county and moved across the line from Throckmorton County.  
H. E. Keister of Big Spring came in Tuesday to visit his mother and other relatives here.  
Hardy Grissom came home Saturday from Waco, where he has been attending Add-Ran College. It is his purpose to enter the competitive examination for an appointment to West Point military academy.

formation before the booklet was off the press. It sells for 25 cents a copy, with all revenue going into the Federal Treasury.  
The Superintendent of Documents, official sales agent of the Government Printing Office, reported that orders are continuing to pour into GPO at a rate of more than two thousand a day.  
The Bureau of Internal Revenue distributes basic instructions to all taxpayers with the income tax forms. The booklet, Your Federal Income Tax, contains more detailed explanations and examples.  
Copies can be purchased by mailing 25 cents to the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

**AUSTIN HIGHLIGHTS**  
By SENATOR "COTTON" GEORGE MOFFETT

Governor Allan Shivers is the 35th person to become Governor of Texas in its 107 years of statehood. When he completes the term for which he was inaugurated this week, he will have served longer than any other person as the State's Chief Executive.  
The Constitution provides that the Governor's term of office shall be two years. No one has ever been elected Governor of Texas more than twice. However, Governor Shivers served almost a year and a half following the death of Governor Jester in July, 1949. Governor Jester was the first Governor of Texas to die in office. In some states the term of the Governor is four years and in one or two states it is three years. In a few states the constitution provides that the Governor may not succeed himself but must wait until someone else has served a full term before the same person can serve a second term. This is the case in Oklahoma and Louisiana.  
The members of this session of the Legislature seem to be more serious minded than those of any other session that I have attended. Every member is receiving numerous requests for increased spending from the State Treasury and at the same time it is clear

that most people believe that taxes are too heavy now. There are solid reasons for an increase in the State's support of the public school system and highway system as well as some other state activities.  
Each year brings about a heavy statewide increase in the number of children enrolled in our schools thus making more teachers absolutely necessary. We have built the best state highway system in the nation. It now requires three or four times as much to maintain it as it did 25 years ago, thus leaving much less for construction.  
It is a difficult task to find the proper solution of these conflicting problems. I would come an expression from people back home as to various questions should be

PRESENTING  
**THE NEW CLASSIC**  
FOR 1953

Car illustrated above: Ninety-Eight Holiday Coupé. New Super "88" for 1953 also now on display at your dealer's. A General Motors Value.

Ladies and gentlemen, here is Oldsmobile's candidate for the best-looking, best-driving car of all for 1953. It's the glamorous new Ninety-Eight—the last word in "Rocket" engineering and Classic styling. That distinctive, long rear deck is balanced by a new, longer "power" hood. The front-end is new, more dramatic. The chrome trim is new, more distinctive. The whole silhouette is new, more exciting. The interiors have been enhanced and "entranced" by new upholstery and Custom-Lounge Cushions\*. Even the "Rocket" Engine is NEW—with higher power (165 hp.), higher compression (8 to 1), higher voltage (12-volt ignition). And to match this super performance, there's a new Power-Ride Chassis, new Pedal-Ease Power Brakes\*, Power Steering\*, and even Frigidaire Car Conditioning\*! We invite you to inspect the new Classic Ninety-Eight—in our dealership now.

\*Optional at extra cost.

### Anniversary of County System To Be Observed

to the economy of especially Texas by an insect in the region—cotton boll weevil. Could the boll weevil be even wiped out on industry? This is the question that needed an ally in Texas because of the pestiferousness of the state for combating the agricultural leader. It was at least a part of the problem must be solved by the first individual and operated

crop demonstration, under government supervision, in the nation. This demonstration was established by the Walter C. Porter farm in Kaufman County and was supported, financially and otherwise, by leading citizens of the area. The date was February 26, 1903.

This method of teaching was new. Getting the cooperation of just one farmer was not easy. Farmers of that day were not ready to accept the advice of "book farmers"—a term applied to early day county agents. It was the purpose of the demonstration to teach by example with the farmer himself carrying out the supervised program on his own farm.

This was significant for it very shortly became the beginning of the most unique educational program for rural people yet devised—the Farmers Cooperative Demonstration Work. Still later the third great part of the Land-Grant College System—the Agricultural Extension Service—grew

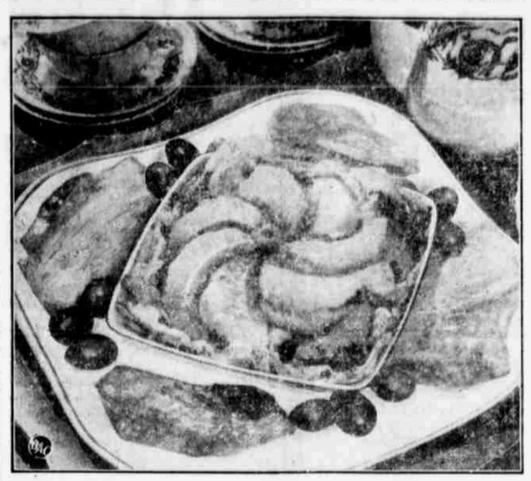

out of this first demonstration farm.

According to Director G. G. Gibson of the Texas Agricultural Extension Service, plans are now being perfected both from a state and national basis to observe the 50th anniversary of the establishment of the first farm demonstration. The "kick-off" for the observance will be held on the Porter farm which is now operated by Harry and Bill Porter, sons of the original demonstrator, and they, like their father, believe in putting science to work on the farm.

The residents of Terrell and Kaufman County will play a major role in the observance planned for the farm and visitors are expected from each of the Southern States as well as from the USDA in Washington, says Gibson. Highlight of the program will come with the unveiling of a historic marker on the site of the first demonstration at the Porter farm.

Gibson is a member of the national committee representing the USDA and Land-Grant Colleges and he in turn has committees working in Texas planning for the February 26 meeting as well as for other activities being plan-

### Slimmer's Lunch: Chicken+Grapefruit

WITH chicken (and turkey too, for that matter) as attractively priced as any foods these days, you'll probably be having one or the other for Sunday dinner often, and there's really nothing better for them than a grapefruit salad. Cold cuts, teamed with a tart Florida grapefruit salad, are ideal Sunday supper plates or for luncheon the following day.

The plump sections of Florida grapefruit, now bargain priced at your local grocers, combine wonderfully well with chicken, either mixed or served as a side dish. Here the sections are separated, pinwheel fashion, with strips of bright red canned pimiento. A buffet service such as this is easy to prepare and serve, and the calories count nice and low. Use a low-calorie grapefruit juice dressing

over the fruit sections and greens, and you'll feel refreshed and actually be healthier, for grapefruit is one of the best sources of Vitamin C and one of the lowest of all fruits in calorie content.

While the fresh Florida fruit lasts, get enough to use the small slices for juicing. Fresh grapefruit juice has a tang all its own.

**Low-Calorie French Dressing**  
Blend 1/2 cup water and 2 teaspoons cornstarch; cook, stirring constantly until thickened. Remove from heat; add 1/2 cup Florida grapefruit juice, 2 tablespoons salad oil, 3/4 teaspoon salt, 1/2 teaspoon each paprika and dry mustard, 1/4 teaspoon Tabasco and 1/4 cup catsup; beat until smooth. Add 1 clove of garlic. Shake before using. YIELD: 1 1/4 cups.

### Indians Drop Close Game To Roscoe Tuesday Night

The Haskell Indians, who had advanced undefeated in Conference 8-A basketball since the opening of the season, were edged 27-25 Tuesday night at Roscoe. Roy Lauderdale, Haskell's ace scorer, was held to a meager nine points in Tuesday night's close game. The Indians' B quintet also lost to Roscoe, 32-26.

By virtue of their win over the Indians, the Plovers are tied with Throckmorton for top spot.

Results of Friday night's game can put Haskell back into district lead. The Indians and Munday Moguls play this week end, while Albany goes to Roscoe, and Roby invades Throckmorton.

Last Friday night, red-headed Roy Lauderdale led the Indians to a 45-40 win over the Throckmorton Greyhounds, undefeated until then in conference play.

Lauderdale sank 18 points for the Indians with Kenneth Wheeler scoring 13 as high point Greyhound. David Middleton was second high Indian with 11 points.

## 411 Sheepskins from Texas

"Where do General Electric's engineers come from?" a visitor asked us. "I suppose they all got trained at MIT, or Cornell, or Michigan."

His question set us pondering, so we started plowing through the file cabinet for an answer. And, of course, it turned out as you'd imagine—NO. General Electric engineers don't always come from eastern technical schools. They won their slide rules from colleges in every state.

Maybe you'd like to hear how many of our bright engineers got their engineering education in your home state. Here's part of the list...

328 came from colleges in Kansas . . . 207 from Oklahoma . . . 125 Nebraska . . . 103 Montana . . . 97 South Dakota . . . 87 North Dakota . . . 47 Arkansas . . . 41 Wyoming . . . 411 came from Texas colleges . . . well, the list includes every state.

One out of every twenty employees at General Electric is an engineer or scientist. You know that a big part of our work is improving products and working out new ideas.

Right now young men from your home state are working on big and important engineering jobs at General Electric. You should be mighty proud of them because—take our word—they're doing a swell job.

You can put your confidence in—

# GENERAL ELECTRIC

**IT TAKES ALL KINDS**—Braces at Gonzales Warm Springs Foundation don't come in sizes, like shoes, they are made to the measure of each patient according to the doctors' prescription in the Foundation's own certified brace shop. But it is plain to see that the sizes do vary! Supportive apparatus is an important element of the treatment program at this Texas treatment center, made possible by generous Texans.

ned for the year. Special programs will be held in the counties in which 4-H club members as well as adults will participate. Past achievements and plans for the future, as was the case 50 years ago, will feature the demonstration method of teaching, says Gibson.

Seed supplies of a new intermediate winter type barley, Cordova, are now being increased by certified seed growers in Texas. The new variety was developed at the Denton Experiment Station and is especially recommended for Central and Oiling Plains areas of Texas.

### Education Is Moving Ahead Resource-Use

Wildlife authorities in Texas are heartened by the action of the school administrators in emphasizing education for the schools and urging the Texas Education Agency to go forward with plans to implement the program.

The Director of Conservation Education and Departmental Publications for the Game and Fish Commission said the step "marks another important milestone in the march toward conservation education for the youth of Texas."

Heretofore, he said, the approach has been through teacher groups and through piecemeal contact with the classroom. The need is so great and teachers and students alike have responded so well that school authorities have realized that the subject deserves a definite place in the regular school program.

"This recognition from the school administrators," said the director, "not only clinches the gains we have made through informal procedure, but it clears the way eventually to reach all the people of the State."

He added, "Since it is no longer debatable that the conservation of our natural resources is a matter of concern to us all, it seems logical then that the boys and girls should be given an opportunity for first hand study of

# News From Sagerton

BY MRS. DELBERT LE FEVRE

Mrs. Anna Hankins was honored on her 84th birthday, Jan. 17 when the members of the Pioneer Club met in her home for an all-day get-together. Mrs. Hankins is the oldest member of the club which is made up of women who were friends in this community when Sagerton was built. Lunch was served to the following members: Mmes. J. C. Davis and Ewell Kittley of Rule, John Clark R. N. Sheid, Ben Hess and Pete Lusk and the honoree, and to the following visitors: Dr. J. C. Davis of Rule, Mrs. Miles of San Angelo, Mrs. Bell Sager and Mr. and Mrs. Jack Sims of Chillicothe.

Mrs. R. O. Gibson, Sr., a member of the Pioneer Club could not be present because she was a patient at the Stamford Hospital suffering with the flu.

There has been quite a bit of sickness in this community, but it is not yet as widespread as it is in some other communities. The attendance in the Sagerton school is off, but not an alarming amount.

Mr. and Mrs. Pete Lusk attended the funeral services of M. S. Shook who passed away at the age of 96, in Haskell Sunday. Mr. Shook was the father of Mrs. Jim Darden, who is Mrs. Lusk's sister-in-law.

Mr. and Mrs. Barney Ross made a trip to Oklahoma Friday. They had intended to go on to Arkansas but they were stopped by the bad weather.

F. A. Stegemoeller, Carl Druessow and E. H. Diers attended a teachers training meeting at the Lutheran Church in Cisco last Sunday afternoon.

Mr. and Mrs. Wenner Tiechelman visited Mr. and Mrs. Harold Becker, near Abilene last week. The Beckers, who formerly lived here, have twin daughters who are ill with leukemia. They have been taken to Galveston for treatment.

Leslie Cobb of Midland stopped by for a short visit with John Clark and other members of the Clark family Sunday afternoon. He was on his way home from Fort Worth.

A daughter, Deborah Kay, was born to Pvt. and Mrs. Jack Plunk at the Haskell Hospital Jan. 11. Mrs. Plunk is the former Johnnie Bell and is staying with her parents while her husband is stationed at Camp Roberts, Calif., in the army.

The Stitch and Chatter Club held their annual business meeting when they met Wednesday Jan. 14 in the home of Mrs. Ben Hess. Mrs. M. Y. Benton was elected president for 1953 and Mrs. Cliff LeFevre vice president, and Mrs. G. A. Leach secretary-treasurer. The flower committee for 1953 is composed of Mrs. Leach, Mrs. Hess and Mrs. Lusk. Mrs. Hess served refreshments of tuna

sandwiches, fruit salad, pound cake and coffee to Mmes. M. Y. Benton, Chas. Clark, John Clark R. N. Sheid, Pete Lusk, G. A. Leach and Henry Laughlin. The next meeting will be Jan. 28 in the home of Mrs. Laughlin.

Mrs. O. K. Oelke was honored with a coffee in the home of Mrs. Charles Clark Thursday afternoon, Jan. 15. The P-TA officers and those who had worked with her in the P-TA for the past two years acted as hostesses. She was presented with a set of colored sheets as going away gift. She and her son, Luther, left Saturday for Houston where they will join Rev. Oelke, who is organizing a new American Lutheran Church there. Games of 42 were played and Mrs. Edgar Jennings won a prize for the highest score and Mrs. F. A. Ulmer for the lowest. Those present were Miss Irene Stewart, Oelke, John Clark, M. Y. Benton, Paul Banks, Delbert LeFevre, Julia Hamby, Lemuel Dippel, D. W. Counts, F. A. Ulmer, Edgar Jennings, Herbert Nierdeck, Cliff Gholsen, Clark and Miss Lillian Neinast.

Mr. and Mrs. Paul Dick and daughter of Haskell visited with Mr. and Mrs. Herman Neinast Sunday afternoon.

Services will be held at the Zion Lutheran Church at 3 p. m. next Sunday afternoon with the Rev. Bauman of Abilene in charge of services.

The Zion Lutheran Ladies Aid met in the parish hall Thursday afternoon with Mrs. J. A. Hertel as hostess. Mrs. C. E. Stegemoeller presided during the meeting in the absence of the president.

## Lawmakers Urged To Improve Teacher Salaries

Austin, Texas, Jan. 20 — The 53rd Texas Legislature was urged today to improve teacher salaries in order to attract 11,000 additional teachers that will be needed in Texas public schools the next eight years.

Inadequate salaries are the main reason schools cannot find teachers for the classrooms being built for increasing enrollments, said Charles H. Tennyson, secretary-treasurer of the Texas State Teachers Association.

Tennyson said Texans should be shocked by the fact that the state now has fewer teachers in 1950 than in 1952 even though the school population is expected to increase 325,000 over its present level by 1959-60.

More than 4,000 teachers left the profession last year, while population growth created the need for an extra 1,000 teachers. This meant a total of 5,000 new teachers were needed. Only 4,000 college graduates were certified to teach in Texas in 1952, and approximately half of those were lured away from the profession primarily by higher salaries offered by industry, Tennyson reported.

He questioned whether the average 1951-52 teacher salary of \$3,860 was adequate to hold men and women in the important profession of educating Texas' boys and girls. Income tax and retirement deductions cut that average to \$2,772. Home pay, and the loss of purchasing power of \$127 in 1952 of the 1935-1939 level, Tennyson observed.

Who will teach Texas children in 1960 if the teaching profession is unable to attract only 2,000 qualified college graduates each year and continues to lose 5,000 teachers annually, Tennyson asked. This, he said, is a major question to which the legislature should give serious consideration.

Mrs. Kenneth Hertel was welcomed as a new member. Those present were Mmes. O. G. Neinast, Buster Tredemeyer, C. E. Stegemoeller, F. A. Stegemoeller August Helm, Kenneth Hertel Carl Hertel, L. Dippel, Otto Miers, Miss Lillian Neinast and the hostess.

Mrs. C. E. Stegemoeller showed the ladies of the Sagerton Home Demonstration Club how to make difficult pattern alterations at their meeting in the home of Mrs. Delbert LeFevre Tuesday afternoon, Jan. 13. During the business meeting Mrs. Cliff Gholsen, the new president, took over the duties of her office. The constitution of the club and by-laws were adopted for the coming year by the members. Mrs. Gholsen also gave the council delegate report. The meeting was closed with the club prayer. Refreshments of a sandwich, potato chips, chocolate cake and coffee were served to Mmes. O. K. Oelke, A. C. Knipling, Will Stegemoeller, Glyn Quade, Cliff Gholsen, F. A. Stegemoeller, C. E. Stegemoeller and the hostess. A surprise handkerchief shower was given Mrs. Oelke as a going away gift from the club members. The next meeting will be Jan. 27 in the home of Mrs. A. C. Knipling.

C. E. Stegemoeller and his son Marvin, who is a student at Texas Tech, Lubbock, celebrated their birthdays Saturday night, Jan. 17 in their home. Marvin came home Saturday for the occasion. Games were enjoyed by the following: Mr. and Mrs. Otto Schaake, Mr. and Mrs. A. C. Knipling and Lois Mr. and Mrs. Buster Tredemeyer and children, Mr. and Mrs. Herman Raphael, Mr. and Mrs. Geo. Olson and son of Stamford, Mr. and Mrs. August Balzer, Mr. and Mrs. Delbert LeFevre, Mr. and Mrs. F. A. Stegemoeller and son Mrs. F. W. Stegemoeller, Mrs. J. F. Schaake, Erna and Walter of Stamford, Mr. and Mrs. Leop. Stegemoeller, Mr. and Mrs. C. E. Stegemoeller and Marvin.

Mr. and Mrs. Jacky Tabor and little daughter and Miss Beulah Mae Summers of Fort Worth and Mr. and Mrs. Ed O'Neal of Rule and Mr. and Mrs. B. Hess of Sagerton were luncheon guests of Mrs. John L. Guinn Sunday.

Seaman Jack D. Humphreys, USN, arrived here last week on a 15-day leave. His wife, LaMoine has been staying here with her parents, Mr. and Mrs. Grady Laughlin while he was aboard the

destroyer USS Harry E. Hubbard off North Korea. His parents, Mr. and Mrs. Jack Humphreys, who formerly lived here San Marcos.

'45 YEARS OF CONTINUOUS SERVICE'

### Weak, Unevenly Lower Prices Reported On Ft. Worth Market at First of Week

By TED GOULDY

Fort Worth—Supplies of all kinds of livestock tapered off in the opening session of the week here and all around the major livestock market circle. Fed steers yearlings and calves continued to make up the major portion of the supply.

Heavy pressure was reported on most of the fed cattle and feed calves with trading a bit or less affair that resulted in either weak or unevenly lower prices on those classes. Cows were again in small supply and ruled steady. Bull prices were scaled downward. Stocker cattle and calves were generally steady when quality

and condition were desirable, but the less desirable kinds were unevenly lower in line with killers.

Hog prices edged higher. Top hogs moved to a \$20 top. Sows drew \$16 to \$17.50. Garbage feds usually sell at 25 to 50 cents or more discounts compared to grain finished hogs.

Fat lambs were stronger, some woolled lambs 50 cents up and some clipped lambs 50 cents to \$1 higher. Shorn lambs, No. 1 pelts drew \$20.50 and some woolskins drew \$21.50 Monday. Feeders drew \$19.25 downward, after a slow opening. Old sheep were steady, slaughter ewes from \$7 to \$8.50. Yearlings sold from \$18 down.

Good and choice fed steers and yearlings cashed at \$18 to \$25.50 the \$25.50 on some experimental steers from Beeville in South Texas. C. F. Brown, Rosebud, had a load of 848-lb. steers at \$19.50 and J. R. Depeu, Rosebud, had some weighing 804 lbs. at \$20. Gordon and Alton Bell, Foard County, had a load of 723-lb. steers at \$18.50. Volney O. Hill-dreth, Aledo, had 60 heifers at 848-lbs. at \$22.50. A load of Hamilton County steers averaged \$39 lbs. at \$23. Common, plain and medium butcher stuff sold from \$12 to \$18. Fat cows sold for \$13 to \$15.50, and canners and cutters drew \$9 to \$13. Bulls cashed at \$10 to \$18.50.

Good and choice fat calves sold from \$18 to \$23, mostly \$22 down and cull, common and medium kinds ranged from \$10 to \$19. Stocker steer calves drew \$15 to \$24, and yearlings sold from \$22.50 down. Heifers and heifer calves sold mostly \$1 to \$2 under comparable steers, stocker cows drew \$12 to \$20.

The Jonesboro, Texas, FFA topped the lamb trade with some \$21.50 lambs and had some \$22 fed steers. Earl Sargent is instructor.

### New Farm Bulletin On Fertilizers Is Available Now

Fertilizers and their use must be understood by the farmers and ranchers of the state if maximum production from applications of fertilizers on crops and pastures is to be obtained, says M. K. Thornton, agricultural chemist for the Texas Agricultural Extension Service.

Thornton adds that the use of commercial fertilizers has increased rapidly during the past 20 years because agricultural producers have found yields can be increased and the quality of crops can be improved even on supposedly fertile soils. He believes the increase during the next few years will be even more rapid than in the past.

As an aid to those interested in making the best use of the fertilizers bought and applied, Thornton has recently prepared a bulletin, B-167, Fertilizers and Their Use, are available at all county agricultural agents offices.

Members of the agronomy and horticultural departments of the Texas A&M College system, the Texas Agricultural Experiment Station and information collected from actual farm demonstrations by county agricultural agents of the state over a period of some 40 years all were used in preparing the bulletin. Thornton believes agricultural producers will find the information contained in the bulletin practical and useful in planning their fertilizer use program.

There is no such thing as luck. It's a fancy word for being always at our duty, and so sure to be ready when the good time comes.—Emerson.

### Change To An Insurance Agent On the Job 24 Hours a Day

If you are 100 per cent satisfied with your present insurance agent, don't change. If he isn't available day or night, change to one who is.

### Ford Motor Co. Plans To Observe 50th Anniversary

Ford Motor Company is 50 years old this year.

To mark its 50th anniversary the company has planned a series of commemorative events during 1953.

Highlight of the anniversary year will be dedication of the company's \$50,000,000 Engineering and Research Center in Dearborn, Mich. The ceremony is set for June 16, date of the company's incorporation in 1903. It will be followed by a state dinner to be attended by several hundred national figures.

On the same day, local company officials, Ford and Lincoln-Mercury dealers and their wives will attend anniversary banquets in 33 United States cities in which Ford maintains plants, parts depots, and sales offices.

A pictorial book, "Ford is Fifty," will be published by Simon & Schuster in April. A portrait of an industrial enterprise taken in its 50th year, the book graphically depicts the American environment and the growth and success of such an institution.

Approximately 500,000 copies of the book will be produced. Each of Ford's 160,000 employees will receive one.

Theme of the anniversary, "Fifty Years Forward on the American Road," will be featured in a two-hour television show and an hour-long radio broadcast the evening of June 15.

### NOTICE TO BANKING CORPORATIONS

Notice is hereby given to all banking corporations in Haskell County, Texas, that the Commissioners Court of said County will on the second Monday in February A. D., 1953, the same being the 9th day of said month, receive proposals from any Banking Corporation in the county

aforsaid, that may desire to be selected as a depository for funds of said Haskell County, Texas and also as depository for the trust funds of the District and County Clerks of Haskell County Texas.

Said proposals shall be delivered to the County Judge of Haskell County, Texas, on or before 10 o'clock a. m. on the 9th day of February, A. D., 1953.

All proposals must be sealed and each proposal must state the rate of interest that said banking corporation offers to pay on the funds of the county for the term between the date of such bid and 60 days after the second Monday in March, 1955.

Each bid shall be accompanied by a certified check payable to the County Judge of Haskell County, Texas, in the sum of \$1000.00, the same being not less than one-half of one per cent of the County revenue of the preceding year, as a guarantee of good faith on the part of the bidder, and that if his bid shall be accepted said banking corporation will enter into and give the required bond. Upon the failure of the banking corporation that may be selected as such depository to give the required bond the

SEE HOW MUCH MORE TRACTOR YOU GET WITH THE NEW

MINNEAPOLIS-MOLINE  
MODERN MACHINERY  
MODEL UB

Stand if you want to. The new high platform on the 3-4 plow MM Model UB gives the operator plenty of space for a change of pace. Super-comfortable Plate-Ride seat swings back out of the way for maximum roominess.

### a NEW HIGH in PROFIT POWER...

Here's tomorrow's tractor... today! It's the new, 3-4 plow MM Model UB that gives you more power on less fuel, more comfort, more safety, important advantages that make every hour in the field pay you bigger dividends than ever before.

THIS IS WHY THE NEW UB GIVES YOU MORE... Nobody knows what a farmer needs as well as a farmer himself. That's why Minneapolis-Moline went right out on the farm before building the new UB. MM asked farmers: "What makes a tractor best?" The answer these farmers gave are among the advantages you'll find in the new MM UB Tractor. "Give us more power at lower cost... put the battery where it's easier than ever to service, available live power take-off, a safe platform to stand on. Put shields around moving parts, give us sealed beam lights, complete brake control with one foot." These and many more money-making features are all yours with the new UB.

See your MM dealer soon. Get the proof that this new MM UB Tractor is ahead of the field—that it's the right tractor for you!

- CHECK THESE AT YOUR DEALERS
- MORE POWER • NEW FUEL ECONOMY • NEW HIGH PLATFORM • NEW IGNITION SYSTEM • NEW STARTER • NEW CENTER LINE STEERING • NEW SAFETY FEATURES • NEW PRESSURE COOLING • AUTOMATIC WEATHER CAPI • NEW FLOTE-RIDE SEAT • NEW FOOT CLUTCH • NEW BRAKE SYSTEM • NEW ROLLER DRAWBAR • LIVE POWER TAKE-OFF • NEW FUEL FILTER • EXHAUST VALVE INSERTS • NEW, STRONGER "BOSSSES"

## A new type motor oil for the new cars

### Your new car needs this new type oil

Prevents "4000-mile knock." Many 1952 and practically all the 1953 automobiles have high compression engines.

You've heard about these fine new engines. You know, for example, that they require gasoline with extra anti-knock performance... a gasoline like Humble Esso Extra.

Now, Detroit's automotive engineers have discovered that high compression engines need an entirely new type of motor oil. With conventional oils in the crankcase, the new engines have a tendency to ping, or knock, after four to eight thousand miles of driving.

This "4000-mile knock" is caused by combustion chamber deposits; these increase the compression ratio to a point where no commercial gasoline will give you anti-knock performance.

Humble Esso Uniflo, an entirely new type motor oil, prevents the formation of deposits that cause "4000-mile knock" in high compression engines if you begin to use it regularly in the first 1000 miles of driving.

Protects against friction wear and acid corrosion. Second, the engineers discovered that friction is the chief cause of wear in automobile engines. Moving parts in the new engines are so carefully machined that they fit very closely. This gives you much better performance from your car, but it also requires superior lubrication. Heavy oils and oils that "thicken" in cold weather don't flow readily between such closely fitting parts. The result is excessive wear from friction, and expensive engine overhauls... To minimize friction wear... again you need Humble's new Esso Uniflo Motor Oil.

Esso Uniflo has such an amazingly high viscosity index that it gives you the quick-flowing characteristics of an SAE 5W oil at 25° below zero Fahrenheit, and the tough, full body of an SAE 20 oil at 110° Fahrenheit.

Furthermore, the additives in Esso Uniflo are anti-acid—this new type oil cuts acid corrosion as much as 50%.

### You Need Only One Grade of Humble Esso

You use it year 'round. Esso Uniflo meets all the specifications for SAE viscosity classifications 5W, 10W, 20W and 20. It is a heavy duty, detergent oil, recommended for API service classifications ML (light duty MM (medium duty), MS (severe duty) and DG (general diesel duty). Its viscosity index is amazingly high.

### Premium Value—Premium Price

Humble Esso Uniflo costs something more than other motor oils. But you'll agree that the small extra cost is less than one-tenth of a cent for each mile of driving. It is cheap insurance against "4000-mile knock," friction wear, and acid corrosion!

### A Word to Owners of Older Automobiles

If you use an oil meeting SAE viscosity classification up to 20—you will find it profitable to change to Humble's new type Esso Uniflo. It will protect your engine against friction wear and acid corrosion; reduce starting drag and extend battery life.

If your engine has just been rebuilt—change to Esso Uniflo. It will prevent the deposits causing "4000-mile knock"; it will protect against wear from friction and corrosion, reduce starting drag and extend battery life.

If you use SAE 30 or SAE 40 oil—Humble continues to recommend Esso Extra Motor Oil No. 3, a high quality heavy duty, detergent oil with a viscosity index equal only to that of Esso Uniflo.

# FIGHT POLIO...

## Join the March of Dimes!

Haskell  
County  
Infantile  
Paralysis

Fund  
Raising  
Campaign  
Begins

Sam Herren, Campaign Director of the Haskell County 1953 March of Dimes Drive made the following statement concerning the drive: "All of us are deeply concerned about infantile paralysis. Wherever we go, wherever we look the word 'polio' thrusts itself upon us. It is something that is part of our daily lives—a black threatening cloud that casts its shadow across our homes, filling us with fear and anxiety. We saw the disease strike around us, and we were alive with interest as we were very much concerned. If the fight against polio is to continue it must have the support of everyone—PLEASE give more to the March of Dimes than ever before!"

### Car Tags For 1953 Received; Go On Sale Feb. 1st

Tax Assessor-Collector R. A. Cooney this week received Haskell County's allotment of the new 1953 motor vehicle license plates, which will go on sale Feb. 1st. Bulk of the new tags, 4,500 are for passenger cars, with farm trucks next with 1,000 designated for the county. Total shipment was made up of 6,595 plates.

The passenger car plates this year have black numerals on a yellow background—opposite from the color design of 1952.

The plates were manufactured in the Texas State Penitentiary by prisoners and shipped to various district headquarters of the Texas Highway Department. Tags for Haskell and other counties in this area were distributed from the Abilene district office.

Haskell County passenger car plates will carry the number: CA-5400 to CA-9289.

License plates for other types of vehicles and numbers designated for Haskell County are:

Commercial Trucks—1K-300 to 1K-949.

Van Trucks—2H-1900 to 2H-2899.

Truck-Tractors—9E-7740 to 9E-7814.

Farm Truck-Tractors—9L-7600 to 9L-7674.

Tractors—7C-6360 to 7C-6384.

House Tractors—9A-8825 to 9A-8894.

Motorcycles—8N-6270 to 8N-9219.

Dealers—8J-4105 to 8J-4154.

Cooney said the 1953 tags would go on sale February 1, if the county's supply of car license receipts is received by that date. If not, sale of the tags will be delayed until the receipts are received from the printers.

Texas agricultural producers under the 1953 goals program have been asked to materially increase the acreage of grain and rowing crops and reduce cotton plantings. The grain and rowing is needed to restore the depleted stocks of these feeds.

### Haskell Boxers Win 5 Matches At Munday

Haskell fighters, coached by Lon McMillin, took five of 21 evenly-matched bouts at Munday Monday night in a Golden Gloves warm-up session.

Munday, Anson, and the Wichita Falls Boys Club each had four winners. Seymour and Hamlin each had two.

In the night's main event, Jimmy White, 145, of Haskell defeated Jerry Jones, 141, of Wichita Falls.

Other results included: Don Pennington of Haskell, 85, defeated Ronnie Parker of Hamlin, 85.

O. C. Parker of Munday, 75, defeated George Deel of Hamlin, 75.

Wayne Lawrence of Seymour, 95, defeated Don Alford of Haskell, 108.

Jerry Kalezer of Hamlin, 95, defeated Wilbert Finley of Munday, 107.

Joe Rodriguez of Haskell, 85, defeated Jerry Smith of Munday, 85.

Pete Chory of Munday, 127, defeated Lane Fletcher of Hamlin, 127.

Donald Watts of Anson, 130, defeated Perry B. Woods of Seymour, 125.

Aubrey Biggerstaff of Seymour, 118, defeated Doug Brown of Haskell, 118.

Clarence Pankoney of Haskell, 118, defeated Bob Harwick of Anson, 115.

Jerry Mullins of Haskell, 115, defeated Kenny Chavez of Munday, 120.

George Boring of Anson, 160, defeated George Boone of Seymour, 157.

Donnie McNally of Munday, 145, TKO over Charles Scuder of Seymour, 145, at the end of the first round.

Don Whitworth of Munday, 165, defeated Jackie Drummers of Hamlin, 155.

Clifford Ingle of Wichita Falls, 144, TKOed Larry Nichols of Anson, 147, in the third round.

Lee McCory of Wichita Falls, 155, defeated Weldon Hazard of Anson, 155.

Sammy Neal of Anson, 160, TKOed David Mora of Munday, 160, in the third.

Gene Harrison of Wichita Falls, 150, defeated Wayne Butler of Munday, 155.

Don Hymer of Hamlin, 139, defeated L. Biggerstaff of Seymour, 140.

Raymond Garcia of Wichita Falls, 128, TKOed Simon Chavez of Munday, 132, in first round.

Allen Nichols of Anson, 155, defeated Billy Davis of Haskell, 145.

### Eisenhower Urges Nation Support March of Dimes

President-elect Eisenhower meets 1953 March of Dimes Poster Girls Pamela (left) and Patricia O'Neil, of Raleigh, N. C.

NEW YORK CITY—President-elect Dwight D. Eisenhower called on the American public to support the 1953 March of Dimes being conducted throughout the nation during all of January.

He joined in the annual appeal after meeting the two Raleigh, N.C., sisters who are pictured on the 1953 March of Dimes poster. They are Patricia, 6, and five-year-old Pamela O'Neil, both of whom were stricken with polio but now are recovered completely.

"It's hard to believe that these are the same little girls whose pictures are on the March of Dimes poster," he noted. "Now they're completely recovered from polio, thanks to the generosity of the American people."

He urged all Americans "to help the others like them by joining the March of Dimes."

Later, he joined the poster girls in making a short film which is being shown by television stations throughout the nation.

This year's March of Dimes follows the all-time record polio epidemic of 1952 in which more than 55,000 were stricken. At the beginning of 1953, there were 58,000 polio victims of former years still undergoing treatment, with financial help from local March of Dimes chapters.

They're completely recovered from polio, thanks to the generosity of the American people."

He urged all Americans "to help the others like them by joining the March of Dimes."

### HOSPITAL NOTES

Relatives and friends are requested to observe the following schedule of visiting hours: 9 to 10:30 a. m.; afternoon 3 to 4 p. m.; evening 6:30 to 8:30.

Registered as patients in the hospital Thursday morning were: Dr. A. D. Stone, surgery, Haskell.

Thomas Sadler, medical, Haskell.

Annette Ferrell, medical, Avoca. R. V. Robertson, medical, Haskell.

Caroline Cox, surgery, Haskell. Jack LeFevre, medical, Haskell. J. T. Hester, medical, Haskell. Mrs. M. R. Crawford, medical, Haskell.

Mrs. Emma Thames, medical, Haskell.

Mrs. W. E. Bland, medical, Haskell.

Mrs. R. S. Denson, medical, Haskell.

Joe Maples, medical, Haskell. Mrs. Joe Maples, medical, Haskell.

Mrs. F. L. Peavey, medical, Haskell.

F. L. Peavey, medical, Haskell.

U. F. Jarred, medical, Haskell. J. A. Driggers, medical, Weimert.

Mrs. Herbert Fischer and infant daughter, Haskell.

Mrs. I. A. Cox, medical, Clairemont.

Mrs. T. B. Langston, surgery, Haskell.

Charlie Barton, medical, Haskell.

Garland Ray Evans, medical, Haskell.

J. W. Driskell, medical, Haskell. James H. Reynolds, accident, Haskell.

C. R. Voss, fracture, Haskell. Paul Ozuna, Jr., medical, Haskell.

Mrs. Hugh Lancaster, medical, Haskell.

Mrs. Homer Josselet, medical, Weimert.

Mrs. T. W. Parsons, medical, Haskell.

DISMISSED: Mrs. M. O. Wright and infant daughter, Haskell; Mrs. J. W. Hargrove and infant daughter, Haskell; Janie Lou Kelley, Haskell; Lucius Randle, Haskell; Mrs. C. O. Croley and infant daughter, Haskell; Mrs. Oscar Hoppe and daughter, Stamford; Hallie Chapman Haskell; Colby Davis, Haskell; Mrs. W. A. Springer, Aspermont; Mrs. Geo. Tatum and infant son, Haskell; A. Noles, Throckmorton; Mrs. Wallace McCown, Stamford; Mrs. Glen Sammons and infant daughter, Haskell; Joe Maples, Haskell; Rocky Sanders, Weimert; Mrs. Cliff Berry, Haskell; M. H. Young, Haskell; Mrs. M. A. Chesney, Lubbeck; Marie Jamison (col.), Haskell; Gerald Hunt, Haskell; Henry Owens, Rochester; T. B. Raaco, Haskell; Janice Webb, Haskell; Mrs. W. D. Faubion, Haskell.

### High Court Ruling Favors Munday In School Dispute

No further action had been taken in the Munday-Knox City school land case Wednesday, one week after the State Supreme Court had reversed decision of lower courts and ruled in favor of Munday.

The case involves about 16,000 acres of land in the old Sunset School district. The land had been voted in the Munday school district in a consolidation election but was ordered annexed to the Knox City district in July, 1951, when three petitions were presented to the Knox County School Board.

The Munday Independent School District filed suit for an injunction to recover the land but lost the case in both district court and the 11th Court of Civil Appeals.

The State Supreme Court heard arguments on the case in October 1952, and rendered judgment reversing decisions of the lower courts last week.

About 30 or 40 pupils live in the disputed area, with most of them now attending Munday schools.

M. F. Billingsly, attorney for the Munday district, said Wednesday that the Knox City School Board may file a motion for rehearing before the supreme court within 15 days after the judgment.

Attorneys for the Knox City district are Brookerson & Brookerson of Seymour.

Twenty home economists from 14 Latin American countries will arrive in Texas on February 1 and will study the home economics programs being carried on by the Agricultural Extension Service in the counties. Technical training and information will be given the group at Texas A. & M. College and Texas State College for Women.

Texas market egg producers should find 1953 a profitable year.

Properly fitted shoes should be a must for the growing child.

Group the sewing machine with the smaller equipment for an organized sewing center that is comfortable and efficient. Good equipment properly maintained will make the home sewing job easier.

The Ford Motor Company was established in 1903.

Steven Faubion, Haskell; David Faubion, Haskell; Perry Turnbow, Haskell.

### Continental Will Drill Wildcat Near Rochester

The Rochester area drew a new wildcat oil test this week.

It is the Continental Oil Co. No. 1 W. H. Buckner, to be drilled as a 5,900 foot rotary wildcat.

Location is two and one-half miles southwest of Rochester on a 160 acre lease. Site is 660 feet from the south and 1,980 feet from the east lines of Section 41, Wise County School Land Survey.

It is located 4,800 feet northeast of Continental No. 1 Martin, a Bend Conglomerate discovery well.

Also in the Rochester-O'Brien area, another completion was recorded this week.

J. W. McCutchen, Wichita Falls, No. 1 J. W. Tankersley, Section 222, Block 45, H&TC Survey, was completed in the O'Brien Strawn Field. It is three miles southeast of O'Brien.

During a 10-hour potential No. 1 Tankersley gauged 195.31 barrels of 38.2 gravity oil. Completion was on a 12-64-inch choke with packer set on the casing and 180 pounds tubing pressure.

Coffee experts, in a recent survey, rated White Swan BEST among six top brands tested

**CARD OF THANKS**

We wish to take this means of thanking you for your kind expression of sympathy shown by sending flowers and food, when our daddy and loved one passed away.

May God bless each one of you in our prayer. — The Helweg Family.

**OPPORTUNITY**

Are you the type for type? ...

You may be just the right type for business!

The handling of type, which is fast, requires skill and alertness.

Why try to get into the overworked when a career awaits you in one of the greatest industries?

No trade or business offers higher prestige, or greater opportunity for executive positions than printing. We have jobs for every graduate.

Write now for information.
