Indian Cagers Cop Twin Games From Hamlin Pipers

In pre-conference games opening the basketball season, the HHS Indians A and B quintets chalked up wins over Hamlin High School cagers Tuesday night when Coach Ray Overton's charges invaded Pied Piper territory. A Tribe's A team edged the Pipers top quintet, 46-45 in a tight contest, with rangy Roy Lauderdale top scorer for the Indians with 21 points. Twin Ray Lauderdale accounted for 11 points as runner-up for scoring honors. Wayne Bradford of the Indians B team was top scorer with 22 of his team's 25 point victory of the B Pipers, who scored 21 points.

Tonight (Thursday) both Haskell teams will entertain the Paint Creek thir-clads in Junior and High School play in HHS gym.

On Dec. 18, the Indians will be in Abilene, where they will take part in an invitation school tournament at McMurry College.

Haskell's Share In Receipts of Wink Game \$1,907.26

Haskell's share in net receipts of the Haskell-Wink football game, played at Wink last week amounted to \$1,907.26, financial report on the game shows.

The game drew paid attendance of 2,336, for total gross receipts of \$3,538.75, including \$50 from radio broadcasts. Total expense of the game was listed at \$1,024.24, including \$192.30 for officials, \$176.94 to the Interscholastic League (5% gross gate), and \$850 guarantee to Haskell.

In addition to the \$650 guarantee, Haskell received \$1,257.26 representing one-half of the net game receipts after expenses.

Christmas Edition Of Free Press To Be Mailed Dec. 23

The annual Christmas edition of The Free Press, carrying holiday greetings and messages from Haskell merchants, will be printed early Christmas week and mailed Tuesday, Dec. 23, in time to reach readers on Christmas Day.

Merchants and individuals who desire to place holiday greeting messages in the special Christmas edition are asked to call 207 and a member of the advertising staff will call.

Because the publication date will come earlier in the week, cooperation of merchants in turning in their advertising well in advance will be appreciated. The services of The Free Press advertising staff will be available at your request.

Funeral Rites For Tull Newcomb, 79, Held at Rockdale

Tull Newcomb, 79, longtime resident of the Rockdale community in southeast Haskell County and member of a pioneer West Texas family, died at 4 p. m. Tuesday in the Hamlin Hospital. Mr. Newcomb, prominent retired farmer and stockman, had been in ill health for some time.

Funeral service for Mr. Newcomb was held at the Rockdale Baptist Church Thursday at 2 p. m., with the pastor, Rev. Edwin Terrell of Fort Worth, officiating, assisted by the Rev. K. E. Woolley of Abilene, a former pastor of the church.

Burial was in the Rockdale community with Kinney Funeral Home of Stamford in charge. Pall bearers were W. V. Cobb, S. G. Cobb, V. F. Bunkley, T. N. Gillespie, R. A. Gillespie, George Bouldin.

Mr. Newcomb's parents were among the early families settling in the West Texas frontier area around old Fort Griffin in the 60's. He was born Jan. 24, 1873 in Throckmorton County and lived his entire lifetime in this section. He was prominently identified with the development of the Rockdale section in its transition from ranching to farming, and also took an active interest in community affairs. He married the former Miss Birdie White at Fort Griffin in April, 1901, and they have lived in the Rockdale community since that time. Mr. Newcomb had been a member of the Rockdale Baptist Church for a number of years.

Besides his wife, he is survived by two sons, Art Newcomb of Odessa; five daughters, Mrs. T. T. Murry and Mrs. Eilo Caughron of Williams, Ariz.; Mrs. Leo McKeever of Stanton and Mrs. Daryl Watts of Sunnett; two brothers Art and George Newcomb of Albany; two sisters, Mrs. M. M. Cobb of Lueders and Mrs. Lettie Chandler of Cayuga; and 14 grandchildren.

One son, T. C. Newcomb, was killed in World War II and is buried in the National Cemetery at El Paso.

Funeral Rites For Lloyd Roberts, 56, Held In Spur

Funeral services were held at the Church of Christ in Spur Tuesday at 2 p. m. for Lloyd Roberts, 56, a former resident of Haskell and brother of Earl Roberts and Arthur Roberts of this city.

Mr. Roberts died at his home in Lawton, Okla., at 12:15 a. m. Friday, Dec. 5. A carpenter and painter, he had been in failing health for more than a year, and had been critically ill for about one week before his death. He moved his family from Spur to Lawton about two years ago.

The rites were conducted by Minister Johnson of the Spur church, and burial was in the Spur Cemetery.

Born in Comanche County, Texas, he was the son of the late Mr. and Mrs. J. L. Roberts, and came with his parents to Haskell as a boy. He was reared in this city and lived here until 1925 when he moved to Spur. He married Miss Lillian Black of that city in 1932 and they had made their home there until moving to Lawton in 1950. Mr. Roberts had been a member of the Baptist Church since boyhood.

He is survived by his wife and two children; a son, Alfred and a daughter, Marlene; two brothers, Earl and Arthur Roberts of Haskell; and a sister, Mrs. Josie Rinehart of Spur.

4-H Club Boys and Girls Initiate Plans For Joint Christmas Party on Dec. 15

Haskell County 4-H Club Boys and Girls will get together for the first of what is hoped to be an annual County 4-H Christmas party. These boys and girls will meet at 7 p. m. Monday, Dec. 15 in the Haskell grade school.

A planning committee composed of Doris Hutchinson, Weibert; Myrtle Murray, Rule; Ives June Casey, Rule; Patricia McWhorter, Rochester; Jerry Hannasz, Rule; William Overton, Paint Creek;

Waller Overton, Paint Creek; Lester Hutchinson, Weibert; Eddie Swanner, Weibert; Mrs. Rex Murray, county chairman of the 4-H leaders; Miss Thelma Wirges, county home demonstration agent and F. W. Martin, county agent. This committee elected Doris Hutchinson and Lester Hutchinson party chairmen. They also made plans for the games, songs and refreshments for 150 boys and girls and their families.

Wichita Falls Newspaperman Is Guest Speaker at Meeting of Lions Club

Curtis Cook, managing editor of the Times Publishing Company of Wichita Falls, was guest speaker at the regular meeting of the Lions Club Tuesday, Dec. 9.

Cook, with a background of many years experience in the newspaper field as a reporter and correspondent, held the interest of his audience of some fifty members and guests throughout his interesting and inspiring talk. Immediately following his introduction to the club by John A. Couch, he told members that they probably did not realize fully just how much good such service organizations were doing in the world today. To stress his point, he illustrated by telling of the many thousands of words of

news which passed across his desk daily, the greater per cent of which tells of tragedy in many forms and therefore has a definite note of sadness. It is indeed with much pleasure, he continued, "That I read the news of such service organizations as they speak of good things which are being done in the towns and communities all around us." He related the incident which was instrumental in the organization of the Wichita Falls Boys Club which had some six thousand members and has risen to international fame.

The subject of his address was "World News of Today," and he stressed that at the exact time he was speaking to the Lions Club a meeting was in session by members of the United Nations which would shape the destiny of all mankind for hundreds of years to come if the proper decisions were not made in relation to the paramount problems facing the nations of the world. Going back before the birth of Christ, he named the great leaders who had crusaded for the freedom of the individual and the stand on the rights of man. There is a vicious and well organized movement of propaganda being conducted in many countries against the American dollar because the dollar of a free people is much more powerful than the dollar of a suppressed nation where despotism is the rule and practice.

He further stated that, in "the field of science, men have in their power today the formulas to explode great sections of the world and it is left up to us as free citizens to make the proper decisions when dealing with these belligerent nations and peoples to prevent utter chaos."

"If and when we are called to arms again to defend freedom of the individual man we should have pride in the thought that we are lined up on the side of Christ," he said in closing.

Approximately 220 students from 30 High School bands in this area will try out for chairs in the Region Band. Students selected for the 36 top chairs in each section will be allowed to go to the All-State Meet in Galveston in February, 1953, Director Dean explained.

The concert will be held by the Regional Band Saturday evening at 7:30 o'clock on McMurry campus. It will be a one-hour concert with various directors in Region II conducting the program.

Among Haskell students attending, Larry Wheeler will be trying for his third straight year to make the Region and All-State Band. Young Wheeler has been a member of the All-State Band the last two years.

Other Haskell students who will attend are: Betty Waldrip, Paula Ratliff, Jo Chamberlain, Don Payne, Carol Thompson, Melva Andrews, Sam Matthews, Sam Vaught, Gary Ivy, Clarence Calloway.

Haskell people are invited to drive down Saturday night for the program.

Mr. Dean, Haskell director, is in charge of the Region Band for this year and will be one of the directors of Saturday's program.

Otis Henshaw is field worker who was critically injured in an automobile accident on the Haskell-Throckmorton highway the night of Oct. 21, was brought home Tuesday from Harris Memorial Hospital in Fort Worth.

The injured man, a combat veteran of World War II, has shown considerable improvement and is well along toward complete recovery within a few weeks. He is at the home of his parents.

Also showing rapid improvement is Jas. H. (Sonny) Reynolds, also injured with Henshaw in the accident. Young Reynolds was carried to Harris Hospital Thursday of last week. He was able to be returned to the Haskell Hospital Saturday evening where he remains a patient, but is considerably improved.

RETURN FROM AUSTIN
T. C. Cahill and Mr. and Mrs. Theron Cahill have returned home after visiting in the home of their daughter and sister, Mrs. Buford Long and family in Austin.

New Officers for County Red Cross Chapter Announced

A nominating committee composed of Doyle Eastland, Cecil Gregory and Belton Duncan, has announced the following men and women have accepted their appointment as members of the Board of Directors of the Haskell County Chapter of the American Red Cross:

Chairman: Harold Spain, who served three years previously as Fund Campaign Chairman.
Vice-Chairman: J. A. Byrd, who was Home Service Secretary for four years.
Sec.-Treasurer: Curtis Pogue, re-elected after three years in this capacity.
Home Service Advisor: Horace O'Neal, Mr. O'Neal served two years as Home Service Secretary and five years as Home Service Chairman.

Mr. Spain, Mr. Byrd, Mr. Pogue and Mr. O'Neal compose the Executive Committee. Other officials include:
Water Safety Chairman: Theron Cahill, re-elected for fifth term.
Blood Program Chairman: Goodson Sellers of Rule, re-elected for second year; served as First Aid Chairman for six years. Has been Accident Prevention Chairman for five years.
Production: Mrs. W. B. Guess, re-elected for fourth year.
Junior Red Cross: Mrs. Iva Palmer, re-elected after three years.
Fund Campaign: Bill Holter, newly appointed.

Disaster: Ben Charlie Chapman, former Home Service Secretary and Board Member for six years. The town Chairmen include: S. N. Reed, O'Brien; W. B. Guess, Weibert; Mrs. Charles Kay, Rochester; Doyle Young, Sagerton. Rule's chairman is yet to be selected, following the resignation of Ernest Sollock, who has moved to Missouri. Mr. Reed has served six terms as chairman, Mr. Guess, five, Mrs. Kay, three, and Mr. Young is succeeding Bruno Kupatt for his first term.

Employees in the courthouse offices, and county officials will get a 4-day holiday during Christmas, it was announced this week. All offices in the courthouse will close Tuesday evening, December 23 for the remainder of the week, and will re-open Monday morning, Dec. 29.

The extra holiday before Christmas will permit employees time to complete their shopping or enable any who plan out-of-town trips to get an early start.

Very little, if any county business is transacted during the days preceding and following Christmas, county officials pointed out in expressing the belief the four-day holiday would not result in inconvenience.

There'll probably be one exception in observing the long holiday—the Sheriff's department will probably be working 'round the clock as usual.

O. E. Manske, 73, Of Sagerton Dies Tuesday

Ernest Oscar Manske of Sagerton, resident of Haskell County for more than 30 years, died at 4:45 a. m. Tuesday in the Stamford hospital. Mr. Manske, 73, had been a patient there for about four weeks.

He was born April 28, 1879, in Germany, and came to the United States when three years old. He moved to Haskell County in 1921 from Crawford, Texas, and had made his home in the Sagerton community since.

He married Anna Marie Swinsky Jan. 12, 1911, at Dallas. Survivors are the widow, three sons, Louis of Avoca, Oscar of Sagerton, and Carl of Stamford; four daughters, Mrs. Edith Hickey, Mrs. Lorraine Carlson and Mrs. Margaret Burgess, all of Dallas, and Mrs. Marie Bloomer of Beverly Hills, Calif.; one sister, Mrs. Ida Hrbaeck of Norman, Okla., and 13 grandchildren.

Funeral for Mr. Manske was held at the Zion Lutheran Church in Sagerton at 3 p. m. Thursday, with the Rev. Herman Baumann of Abilene officiating. Burial was in Highland Cemetery at Stamford under direction of Kinney Funeral Home of that city.

Pallbearers were Herbert Dippel, Murray Schroeder, Irvin Diers, Jack Quade, Ed Gray, Audie V. Neinst.

Rochester Mother Given Trip To San Francisco To See Injured GI Son

Mrs. A. J. Mitchell of Rochester has been selected by officials of San Francisco, Calif., to be a guest in that city Dec. 24-30.

She is one of five mothers throughout the United States who will be honored. The mothers selected have military sons in the Letterman General Hospital at

San Francisco, whom they will visit.

Mrs. Mitchell was phoned Friday night telling she would receive the all-expense paid trip. She will be flown there. Several special events are planned for the mothers during their visit there.

Her son, Army Private Wilburn E. D. Mitchell, was injured in an automobile accident last summer in Montana. He has been a patient at the San Francisco hospital since that time.

Former Missionary To Speak Sunday At First Baptist

Dr. Lindell O. Harris, of the Bible faculty of Hardin-Simmons University, will speak at the First Baptist Church in this city Sunday morning Dec. 14, the pastor, Rev. M. D. Rexrode announced today.

Dr. Harris served as a foreign missionary in Hawaii for a number of years, under appointment of the Foreign Mission Board. He was among the first Baptists to pioneer in foreign mission work in Hawaii, and has wide knowledge of the customs and religious needs of the people of that country.

"Dr. Harris is one of the outstanding Southern Baptist Missionaries, and we are happy to have him as our guest speaker Sunday morning," Rev. Rexrode said.

All are invited to hear his interesting message.

Haskell Students To Take Part In Region Band Meet

Director Bill J. Dean of the HHS Indian Band has announced plans for the Region II Band Concert to be held at the Radford Building on McMurry College campus in Abilene Saturday night, Dec. 13 when a 110-piece band will be chosen from Region II.

Approximately 220 students from 30 High School bands in this area will try out for chairs in the Region Band. Students selected for the 36 top chairs in each section will be allowed to go to the All-State Meet in Galveston in February, 1953, Director Dean explained.

Haskell County History

29 Years Ago—Dec. 13, 1932

The Elks Cafe, east side of the square, is under new management this week. Frank Reynolds having taken over the establishment Monday. Mr. Reynolds' trucking business will be continued by Denzil Roberts, who has been associated with Frank for several years in the trucking business.

Annual White Christmas Service will be held at the First Christian Church next Sunday when gifts will be brought for the Juliette Fowler Orphans Home.

Senior Class of O'Brien School has elected the following officers: Verda Herring, president; J. W. McMan, vice president; Faye Ricka, secretary; Jewel Herring, reporter. T. H. Cunningham is class sponsor.

Funeral opening of Rochester's new banking institution, the Home State Bank, was held last week. Large crowds visited the estab-

lishment during the day, including many out of town visitors.

Winter's grip on Haskell and surrounding territory seems to be tightening this afternoon after seven days of below-freezing weather. Coldest day of the week was Tuesday, when the mercury dropped to 12 degrees. Streets have been covered with ice, sleet and snow the entire week, and snow has been falling at intervals today. A few accidents have been reported caused by the slippery streets and sidewalks but no one has been seriously hurt.

All city schools were dismissed today until Monday morning because of the severe weather and considerable illness among the faculty members and students. All pupils have been requested to return to classes Monday morning, but it is understood that if the cold weather continues and attendance remains low as it has this week, the schools will be dismissed Monday until after the holidays.

40 Years Ago—Dec. 14, 1912

A number of out-of-town lawyers have been in attendance on the District Court this week, including Harry Tom King, D. W. Oldham and J. F. Cunningham of Abilene; Judge R. W. Stephens of Fort Worth; Charles Combes of Anson; J. M. Carter and W. J. Arrington of Aspermont.

All the stores in town have taken on a holiday appearance and are featuring the largest stock of Christmas merchandise we have ever seen in Haskell.

Mr. and Mrs. Witt Springer and daughter, Mrs. Sam Lanier of Aspermont, spent several days with friends in this city this week.

Charles Downes of Warren Ind., spent several days in the city this week. Mr. Downes owns a good farm near town.

Mrs. A. C. Sherrick came in from her ranch in Taylor County and spent the week here looking after her interests in this vicinity.

G. E. Courtney of the Haskell Broom Factory has returned from a business trip to Greenville and other points.

Leon Dodson, who has been working in Fort Worth for the last four months, has returned home to spend the Christmas holidays.

Samuel Hunter of New Madrid Mo., who owns several farms in the county, spent several days here this week.

G. F. Ingram has bought the Wm. Wells furniture stock and will continue to operate the business here. He will handle both new and second hand furniture.

Report of the financial condition of the Weinert State Bank for Dec. 13, 1912, lists loans and discounts of \$18,504.80, and individual deposits of \$64,107.77. G. R. Couch is president, and Alvy R. Couch cashier of the Weinert bank.

50 Years Ago—Dec. 13, 1902

Prof. W. W. Hentz came in the first of the week from Oklahoma and will be here several days winding up his affairs.

Sheriff Bell tells us that tax payments are coming in very slowly, collections amounting to only \$1,000 since he went into office.

The people of Haskell regret losing from their midst Mr. and Mrs. Bert Brockman, who left Tuesday accompanied by the former's sister, Miss May Brockman, from Whitebird, Idaho, where they will make their home.

The Valley public school in the northeast part of the county opened last Monday with J. A. Smith as teacher.

G. W. Griffith and R. E. DeBard plan to leave today on a business trip to Arkansas.

Messrs. Allen and John Taylor, stockmen of King County, were here this week buying ranch supplies.

Lee Pierson, who has been looking after his cattle near Amarillo, came home Tuesday. He had just returned from Kansas City where he had shipped some cattle to market.

T. S. Wright and family have moved to Jacksboro, where Mr. Wright has secured a job as blacksmith at \$50 a month.

Dr. Simmons is rebuilding his sheds and wagon yard, destroyed by fire some time ago.

R. A. Jones, a prominent stockman of Stonewall, was over Thursday buying supplies and looking after other business.

Mr. Brockman of Stephens County came up the first of the week to see his son and family off to Idaho.

W. N. Motes of Childress, who owns property here and is a stockholder in the Haskell National Bank, was here this week looking after his business interests.

O'Neal's precision-passing Pirates smother the Eagles under a combined running and aerial attack that netted the Pirates 193 yards on the ground and 230 yards through the air. The Eagles were able to roll only 123 yards in running plays and 168 yards in aerial thrusts.

...Paint Creek was never headed although Pettit tied the score 20-20 late in the second period. Paint Creek led at the half 28-20 and at the end of the third quarter 48-20.

...Don Larned, an end, was Hokanson's favorite receiver catching four TD passes. John Montgomery, Twain Mickler, Curtis Grand and Charles Shaw each caught one scoring toss.

...Paint Creek took an 8-0 lead early in the game on a Hokanson-Don Larned pass, with Hokanson kicking the extra point (each extra point counts two in six-man football).

...Pettit's Billy Price pitched out to John Wayne Hall for a 14-yard scoring play late in the first period but the kick was blocked. Paint Creek leading 8-6.

...In the second quarter Hokanson passed 16 yards and 8 yards to Larned and 10 to Montgomery for scores and kicked one extra point. Pettit fumbled twice on passes from Price to Charles Ivy and Price kicked the extra point.

Others who received votes for All-District honors:

Ends Donald Dickey of Haskell Gene Haynie of Munday, Landon Derryberry of Roscoe; Adm Jimmy Matthews of Throckmorton; Tackles Bobby Boutwell of Haskell Reg Nichols of Throckmorton Fred Lang of Munday and Rodney

Hallman of Roscoe; Guards Tommy Robison and Wayne Harris of Haskell, and Max Deel of Roby; Backs Larry Stratton of Haskell, Clifford Burnett of Roscoe, Bonnie Miller of Albany Alvin Huley of Throckmorton and Bill Booker of Albany.

Gate Receipts At Paint Creek-Pettit Game Total \$496.50

Total gate receipts at the Paint Creek-Pettit regional 6-man football game played at Indian Field Saturday night amounted to \$496.50, a financial report of the game shows.

Attendance at the game was estimated at between 800 and 1,000, including a considerable number of fans from Pettit, and six-man grid fans from a number of neighboring communities.

Expenses of the game amounted to \$105.60, leaving net receipts of \$390.90, of which each school received one-half, or \$195.45. Expense of tickets was borne by the Haskell Chamber of Commerce and the Quarterback Club furnished ticket sellers and other help at the game and also helped in re-arranging the field to accommodate six-man play.

Indians Lose To Wildcats, 25-7

The Haskell Indians, who swept through to a district and bi-district title to advance to regional play in Class A State play-off lost to the Wink Wildcats 25-7 last Friday when the Indians journeyed to the Winkler County seat to face the Wildcats on their home territory.

The Wildcats victory over the game and scrappy Indians did not come as easily as the final count would indicate.

The Tribe held the high-scoring Wink squad to a slim 6-0 margin in the first half and completely dominated the first two periods of the important game with the exception of a costly fumble that gave the 'Cats their scoring opportunity.

In the first period the Indians advanced to Wink's 38, 19, and to the 22, but all of the potential scoring drives faltered when the Wildcats recovered fumbles. Four recovered bobbles were the major assets contributing to the Wink victory.

The Haskell line stopped the Wildcats cold, and the alert Indians held the widely-heralded Wink passing attack to near zero, allowing only two completions in a dozen tries by the 'Cats.

End Russell Drinnon scored the Indians' marker midway in the final period when he took a 9-yard toss from Quarterback Jimmy White just across the goal.

White was trapped on the play, broke away from two Wink defenders who had their hands on him, and heaved to Drinnon just across the goal line. Drinnon made a perfect shoeing catch of the short pass. Thomas Holland kicked the extra point for the Indians.

...passer, out-passed Wink's Kenneth Vinson, and gave the Wildcats some anxious minutes during the first stanzas of the game when he pulled the trigger on three straight heaves for 38 yards. White completed eight of 21 for 66 yards—five to Doug Dendy.

Vinson accounted for all the Wildcat scores, one each in the second and third quarter, and two in the final period, with Dodd successful in one kick for extra point.

With every member of the Tribe turning in a stellar performance, top defenders for the Indians were Tommy Robinson, Don

and Doug Dendy, White, Wayne Harris and Frank Clarkson. The game—as was the Indians previous encounter with Wink in 1949—was costly in injuries as well as the score. Walter Holley, Indian fullback, went out in the fourth with an ankle injury, as did Halfback Larry Stratton earlier. Other Indian squadmen continued in the game with minor injuries.

Marlene Crofford of Rule Among Four Texas 4-H's Winning State Honors

DISTINCTIVE 17-jewel watches were awarded four Texas 4-H Club members for achieving top rating in Texas for work in the 1952 National 4-H Dairy Foods Demonstrations and Entomology. The winners and brief resumes of their records follow.

Marlene Crofford Mary Wendland B. Hoelscher John G. Thomas

Tops in Dairy Foods Demonstrations in Texas were Marlene Crofford, 17, Rule, and the team of Mary Blanche Wendland, 16, and Bernadine Hoelscher, 15, both of Robstown. Appreciating the importance of milk for good health, they have utilized many new and palatable ways of varying the diet by the use of dairy products. Marlene Crofford gave the best individual demonstration on dairy foods in the state this year. She presented "Eat Your Milk and Drink It Too," to home demonstrations clubs, 4-H Clubs and homemaking classes at school. Mary Blanche and Bernadine's prize-winning demonstration was "Let's Have Easy-Do Cheese Cake". They showed how simple it is to make a delicious cheese cake and stressed the nutritional value in the ingredients, butter, cottage cheese and cream. Chosen state winners, each girl was presented with a 17-jewel wrist watch by the Carnation Company. In carrying out the objectives of this program, the teen-agers learned how to speak well in public, developed poise, good sportsmanship and teamwork. They have likewise performed a genuine

service to their communities. John G. Thomas, 16, of Wellington, was selected by the State Club office as having the most effective 4-H Entomology program in Texas during 1952. The award, a 17-jewel watch, was provided by Hercules Powder company. This program and its study of insect life, opened new vistas and experiences to John. He has specialized in bees and has helped more than 90 people in his county with catching swarms, transferring bees, and inspecting hives for disease. When disease is found he combats it scientifically. He often acts in an advisory capacity and gives talks on bee culture and care. In 1952, with his father's help, he organized a County Beekeepers Association with the aim of learning to control bee disease, learn types of management of bees, and encourage the use of bees as pollinators. John has built his own stock of bees to eight colonies, which he hopes will produce more than a ton of honey this year. Through working with experts and with his own hives he has become an authority on bees. He has been president of his local club for four years.

19-Year-Olds Face Draft Prospect In New Year

Nineteen-year-old Texans face the prospect of being inducted into military service within a few months, predicted Brig. Gen. Paul Wakefield, Texas state director of Selective Service.

Wakefield after a conference in Washington last week of state draft directors with Maj. Gen. Lewis B. Hershey, national draft chief, also said much tighter deferments would be in effect, probably before next autumn.

"It boils down to a matter of supply and demand," said Wakefield. "Whether we like it or not, the demand from the armed forces to keep our strength con-

sistent with our national safety is diminishing the manpower supply to the point that deferments can not be granted as liberally as in the past. A great many men who have been receiving deferments and taking them as a matter of course will have to face the new situation."

"Drafting of 19-year-olds was suspended only temporarily," he said, "to permit a leveling off so that uniformity could be brought about so far as age was concerned. The drafting of 19-year-olds will be resumed as soon as the purpose is achieved."

Wakefield said the action would come on the order of the national director.

American clipper ships could average about 400 miles per day.

Hunt Discipline Aids Wild Hogs Escape Hunters

The executive secretary of the Game and Fish Commission at Austin said field reports indicate a light kill on wild hogs or javelinas this season.

He explained that the animals exist in normal numbers in their principal South Texas habitat but that hunters at this stage of the season still are more interested in getting their buck deer.

Many times hunters would like

to bag a wild hog but encounter them while concentrating on deer and therefore pass them up, said the executive secretary. As every hunter knows it is bad discipline to shoot at anything but deer when pressing pursuit on a buck.

The season on javelina, which also is known as the peccary, parallels the big game season under the General Law, opening Nov. 16 and ending Dec. 31, both days inclusive.

The bag limit is two per season under the General Law but in the 49 counties open to peccary hunting the year around, there is no limit, according to an interpretation of the law by the Attorney General.

The executive secretary said the

Wild hogs are deemed worthwhile trophies by some Texans. Some relish their flesh, particularly the younger ones. Their hides are valuable for glove making.

Top winner in the 4-H Club More Hybrid Corn per acre program sponsored by the Texas Power & Light Company was Hal Lester Senkel of Milam County. His production was 136.12 bushels an acre. Liberal amounts of fertilizer and two irrigations were used by 11 year old Senkel in making this record.

Pneumonia Often Hits With Little Warning

Carelessness in the treatment of a respiratory disease is not only foolish but very hazardous, according to Dr. Geo. W. Cox, State Health Officer, who warned Texans today to be on guard against such illness as lead to pneumonia.

Dr. Cox pointed out that pneumonia can and does strike with little or no warning, and in many instances its forerunner is a simple cold, an attack of influenza, or some other respiratory infection.

"A cold or any other infection of the breathing passage which makes one constitutionally weak especially if accompanied by fever, demands the immediate attention of the family physician," Dr. Cox said. "To self-treat and fight on one's feet a condition of this kind is to endanger life unnecessarily. It is advisable to take all possible steps to avoid respiratory illnesses since they so frequently lead to that most dangerous complication—pneumonia."

Dr. Cox stressed the fact that it is important to build up normal physical resistance by sufficient indoor ventilation, adequate nourishing food, outdoor exercise and sufficient sleep, but added that the family physician should be called immediately if, in spite of such care, a respiratory illness develops.

"Guard against pneumonia which is a communicable disease,"

Cerebral Palsy Clinic at Lubbock January 12th

A clinic for the examination of cerebral palsied children will be held Monday, Jan. 12, at the Cerebral Palsy Treatment Center 3502 Ave. N. Lubbock.

Specialists present to examine children will be: Dr. E. T. Driscoll, Midland; Dr. R. Q. Lewis Lubbock, and Dr. R. E. Donnell Plainview, orthopedists; Dr. J. C. Breaud, Lubbock, dentist; Dr. E. E. Moss, Lubbock, eye specialist; and Dr. Pauline Miller, Lubbock, pediatrician.

Parents who plan to bring children to the clinic are requested to register the children at the Center before the date of the clinic. Information regarding the clinic may be obtained by writing Dr. Esther Snell, director, or calling Lubbock 5-6541.

Beef cattle on brush cleared pastures at the Spur Experiment Station this year produced 53 per cent greater gains than did those on brushy pastures.

Dr. Cox urged, "It may be acquired by direct or indirect contact with a pneumonia patient. Reduced bodily resistance resulting from habitual disregard for normal physical requirements makes pneumonia doubly hazardous," he added, "and I cannot emphasize too strongly the importance of consulting a physician immediately upon the appearance of a respiratory ailment."

Planning By Entire Family Adds To Christmas Fun

Part of the fun of Christmas is getting the family to do things together. This fun can be increased when members are active planning and creating Christmas decorations and gifts that have the personal touch.

Lucille Moore, recreational specialist for the Texas Agricultural Extension Service makes a suggestion for such a Christmas fun activity that could be done when the family was present or a special "how-to" party with guests.

The idea is to mold Christmas figures that can be used as decorative touches for the living or dining room. The figures can be created by each person's ingenuity, or copies made of biblical characters, snow men or angels.

The specialist says make your own moulding clay using one cup of salt, one cup of flour, a tablespoon of alum, and about a half cup of water. Knead this well and you are ready to mould Christmas figures. Add clove eyes and berry mouths to snow men or tiny candles to the angel figures.

The material dries a shiny white and then can be tinted with water colors.

Have fun with your family and friends this Christmas by planning to do things together. Moulding

Christmas figures as Miss Moore suggests may be the beginning of many other artistic attempts and family evenings together.

An acre of average mesquite infested Texas range land is tamped daily for 52 gallons of water. That is the amount of water given off by the mesquites through transpiration and is enough to produce a pound of buffalo grass.

Fire Chief Warns Of Added Hazards In Holiday Season

Fire Chief Ray Lusk warned today that combustible Christmas decorations introduce serious fire hazards during the current season, and asked local citizens to take extra precautions to avoid turning holiday cheer into grief and tragedy.

Chief Lusk recalled last year's tragic Christmas fire in Tijuana, Baja, Calif., when 34 died and 98 were injured in a fire resulting from a blazing Christmas tree at the annual charity party for orphans and poor children. To prevent a similar disaster this year, he urged that these safety rules suggested by the National Board of Fire Underwriters be followed by any persons or organizations holding parties at home, school or church:

1. Don't locate the Christmas tree near any stairway or elevator shaft which would provide a draft.
2. The tree should not block a door or any exit.
3. An inspection of the tree should be made by someone in authority to determine whether the tree has dried out to the point that it should be removed.
4. Be sure plenty of ashtrays are provided for smokers. Don't allow smoking near the Christmas tree.
5. Be sure that all decorations throughout the room have been flameproofed.
6. Avoid using net or gauze-like fabrics for dresses, costumes or children's clothes. Loosely woven fabrics easily catch fire.
7. If loosely woven costumes have to be worn, they should be flameproofed with the following solution: mix 9 ounces of borax and 4 ounces of boric acid in a gallon of water. Dip the fabric

Many Area Farmers Put Soil Practices Into Good Use

J. W. Poer planted 52 acres of winter cover crops on his farm 3 miles west of Corinth this fall. Poer has 37 acres of Austrian Winter Peas and 15 acres of vetch up to a good stand. The peas were broadcast and the vetch planted in rows for a soil improving and protective cover to his lands.

Fred Buerger, who lives 4 1/2 miles east of Stamford, completed the construction of terraces on 2 of his farms in November. Buerger now has a complete terrace system on all his farms. He started terracing in 1943 as a part of his coordinated soil and water conservation program in cooperation with the California Creek Soil Conservation District.

Weldon Walker, district cooperator on his farm south of Stamford started plowing up his terraces recently to keep them up in size. A terrace system is only effective as the weakest terrace in the field. For that reason Walker builds up his terrace each year to save more water and prevent damage to his system.

Construction started recently on the second of two stock tanks on the Brown Davis ranch in south Haskell County. These tanks will be used to give better distribution of grazing over the range as a part of the ranch conservation program to improve the condition of the grass. The tanks

Aspermont Voters Approve Contract With Water District

Solution of Aspermont's municipal water problem appeared a step nearer this week, when property owning taxpayers of that city voted 70-1 Tuesday to approve a contract between the city of Aspermont and the Stonewall County Water Control and Improvement District.

The district will furnish water to Aspermont from wells in the vicinity of Rule, 22 miles east of Aspermont. Water is now being hauled by tank truck from Rule to supply a number of consumers in Aspermont.

The election this week was a legal step necessary before \$390,000 worth of bonds could be sold to finance the laying of an 8-inch water line from the wells

near Rule to Aspermont. The bonds were approved several months ago in a city election. The contract approved in Tuesday's vote provides a written agreement that the city will take over maintenance and operation of the water line once it is in operation. The city has agreed to pay the water district 20 cents per thousand gallons of water, with a minimum payment of \$1,000 a month.

From Kitchen Have Personal Touch Christmas Gifts

Gifts from the kitchen have an appetizing appeal and the personal touch many persons appreciate. Add a special touch to some of your favorite recipes, wrap the food in attractive dishes or containers and present to special friends for Christmas.

Louise Mason, foods and nutrition specialist for the Texas Agricultural Extension Services says everyone likes to receive gifts especially chosen. Strawberry preserves wrapped in bright colored paper or jelly molded in an old fashioned water goblet would please busy friends whose time for cooking is limited. The specialist says cranberry jelly can be made at this time of the year from the fresh berries.

Package attractive tin boxes or baskets filled with divinity, fudge, caramel, peanut brittle or taffy candy. The containers will have many uses after the candy has been eaten.

Bake cookies on a new cookie sheet and wrap in cellophane, or bake a loaf of cinnamon bread in a new pan and take while hot to some one special. Give an attractive bread cutting board with a good bread knife along with your favorite yeast bread.

The specialist says other suggestions include salted nuts packaged in pottery serving dishes, a Christmas plum pudding or a fruit cake decorated with nuts and fruits wrapped in foil or cellophane. Remember, you can say "Merry Christmas" in a personal way by giving gifts from your own kitchen.

He says never start a motor in a tight building unless there is plenty of ventilation. This gas can easily be the cause of a fatality.

He says the transmissions and differentials on farm machines should be drained, flushed and refilled with the correct weight lubricants. A lighter weight motor oil should be used in motors because bearing and gears may be damaged before the heavier lubricants warm up enough to flow freely.

Machinery that will not be used during the winter months should be cleaned and the unprotected parts covered with grease or a rust preventative. If possible, says Martin, machinery should be stored under a shed. Winterizing farm equipment is just good business, says Martin. Years of useful life can be added to the equipment and repair bills can be held to a minimum.

When there is no vision, the people perish; but he that keepeth the law, happy is he.—Prov. 29-18.

The Bermuda onion was named for the Bermuda Islands.

Chinese philosophers have regarded women as the principle of evil.

Meerchaum pipes are made of fine clay mined chiefly in Asia Minor.

Winterize Farm Equipment Now, Agent Advises

Officially it is not yet winter but farming operations can't always be governed by the calendar. It is time now to winterize the farm machinery that must be operated during the winter months if needless repairs and delays are to be prevented, says F. W. Martin, County Agent.

The radiators on all motors that require liquid for cooling should be drained and filled with a good anti-freeze. The radiators should be cleaned; all hose connections checked and replaced if damaged and the radiators checked for leaks through holes that do not show up when water is used; therefore, Martin suggests regular checks for all radiators. If the solution becomes too weak to give protection in unusually cold weather, a check will show this and more can be added.

The thermostats should be checked in all engines to make sure they are working properly. If they remain closed, the motor becomes hot while the liquid in the radiator remains cold. No liquid cooled engine can perform properly unless it runs at the correct temperature. The radiator shutter should be used on the farm tractor when the weather is extremely cold and always when the engine is being warmed up out of doors.

A word of caution comes from Martin regarding carbon monox-

Lions Club Buys Glasses For Two Haskell Children

Directors of the Lions Club, at their regular monthly meeting Tuesday morning authorized the purchase of glasses for two Haskell children, and approved plans for an attendance contest for members during the month of January.

Purchase of glasses for the children was recommended by the Sight Conservative Committee of the Club, after investigation of the two deserving cases.

Club membership will be divided into two groups under the leadership of Lions J. C. Vaughter and Willard Warren for the attendance contest. Under rules of the contest, new members secured during the month will earn 5 points each for the enrolling group. Visitors will count 1-2 point and attendance of each regular member will entitle his group to one point.

Plans were also discussed concerning the Christmas "Turkey Shoot" to be sponsored by the Lions Club on Dec. 18.

Present at Tuesday morning's meeting were Dr. Wm. J. Kemp, Club president; Harold Spain, secretary; and directors Royce Adkins, Rex Felker, Bill Hofer.

Haskell Schools To Have 2 Weeks For Xmas, New Year

Haskell schools will have a two-week holiday during the Christmas and New Year season. Superintendent H. Vaughter announced today.

Classes in High School and all elementary schools will be dismissed Friday afternoon, Dec. 19th for the remainder of the year. Classwork will be resumed Monday morning, January 5th.

The two weeks holiday will permit members of the faculty who live away from Haskell an opportunity to plan a trip home for the Christmas holidays, and also afford students a mid-term respite from their studies.

World Premiere of 'The Lawless Breed' At Texas Theatre

The Texas Theatre is among showhouses in the Southwest selected for the World Premiere of the epic new Western production "The Lawless Breed," manager B. L. Haley of the Texas and Sky Vue theatres has been advised.

The film, in Technicolor, comes to the screen of the Texas Sunday, Monday and Tuesday, Dec. 14-16. Outside the selected theatres in the Southwest, the production will not be shown elsewhere in the country until 1951, manager Haley was told.

In the picture, based on the life of John Wesley Hardin, Rock Hudson portrays the part of Wes Hardin, termed the deadliest gunfighter in all the history of the violent Southwest. According to Western legend, 40 men fell before his fast draw and yet he never killed a man except in self defense.

Some of the exploits of the famed Western gunman reputedly occurred in this area of the Southwest, where he ranged over the near-lawless frontier that was West Texas in the days linked with trail drives and Old Fort Griffin.

Appearing with Rock Hudson in the production are Julia Adams, Mary Castle, and a host of co-stars.

Rev. Bruce Coker of Big Spring Church of God

Rev. Bruce Coker of Big Spring conducted morning and evening services last Sunday at the Church of God in this city in exchange of pulpits with the local pastor, Rev. George Ivy who conducted a revival in the Big Spring Church of God last week.

The main error, the news of the visiting minister was reported as Rev. Herman Coker for a number of years. Herman Coker, well known Haskell resident, is not related to Rev. Bruce Coker.

ATTENDING CLINIC IN AUSTIN

Dr. and Mrs. Arthur Edwards are in Austin for the week end, where Dr. Edwards is attending a Naturopathic Clinic being held at the Dussell Hotel.

Members of the State Farm and Ranch Safety Committee pass on this reminder. The holiday season will be just as safe as you make it. Travel with caution; drive for yourself and the other fellow and take no chances for the life you save may be your own or a member of your family.

Winterizing farm equipment is good business. Years of useful service can be added to the equipment and repair and maintenance bills can be held to a minimum.

Have fun with your family and friends this Christmas by planning the holiday activities together.

It's not too early to make plans for next year's home garden. The first job is to get the garden plot in shape.

Future Homemakers Meet for Business Session and Entertainment Program

Future Homemakers of Haskell High School met Monday evening at 7:30 in the Homemaking Cottage for a business meeting and program of entertainment in which they were joined by high school boys in the presentation of several hilarious skits.

Jo Iva Johnson, FHA Chapter president, presided for the business meeting, which included selection of the Chapter's "Sweetheart" for 1952-53.

Selected for this honor was Bobby Boutwell, tackle on the HHS Indian football squad, who was chosen from the following boys nominated for the title: Wayne Bradford, Jerry Cobb, Dale Dixon, Thomas Holland, Don Dendy, Lynn Coleson, Mabry Brock, and Boutwell.

As an entertainment feature, the youths staged a "Parade of Young Lovelies" featuring boys dressed in girls clothing, in which Thomas Holland won the prize for being the best dressed. His award was a six months old chrysanthemum corsage.

Continuing the fun-fest program were simulated radio skits over "Station CORN, Haskell," with Dale Dixon as the announcer. Numbers presented were: "Grandma's Lye Soap," by Mrs. Jeter's first year class, including Jo Wester, Donna Polston, Sue Rhodes, Jo Ann Cean, Janis McC

Kelvain, Peggy Waldrip. Presenting a harmony rendition of "The Glowworm" were the following girls, dressed in tow socks: Oleta Cunningham, Ann Currie, June Cook and Nancy Becker. Girls from the Bayou singing "Jambilo" were Shirley Fowler, Mary Frances Hodges, Janis Davis, Jackie Hattox and Charlene Highnote. Mrs. McCollum's first year food class presented "Barefoot Billies in Bicycle Boogie" in which instruments used were dish pan and rub board, with the following tak-

ing part: Terry Bynum, Sue Nichols, Jeannette Robertson, Darlene Morgan, Margaret Trussell, Carol Greene, Janice Pittman and Nadine Bullock. In the "Party Line" skit Wanda Long, Wanda Brown, Beverly Renfro, Ann Alvis, Anita Humphrey. "Don't You Call Me Sweetheart" was given by Fay Marie Carter, Nelda Rose, Barbara Sturdivant, Ann Rathliff, Grace Marjorie, Jeannette Holt, Louise Scheets, Lela Fay Phillips. Concluding number on the program was the presentation of

"Jackie Armpit Strong—All-American Girl," with Dale Dixon as announcer. Mabry Brock was in the role of Jackie Armpit Strong and Thomas Holland, Wayne Bradford, Bobby Boutwell and Jerry Cobb composed a quartet. At the conclusion of the evening's program, punch and cookies were served to round out the highly enjoyable affair. More men than women are nail-biters. News From Sagerton

BY MRS. DELBERT LE FEVRE

The Stitch and Chatter Club was entertained in the home of Mrs. Charles Clark Wednesday afternoon, Dec. 3, for a regular meeting. Plans were discussed for the Christmas party to be held in the home of Mrs. Oscar Gibson Wednesday Dec. 17.

Mrs. Clark served pimento cheese sandwiches, cookies and punch with tiny candy canes as plate decorations. Those present included Mmes. Oscar Gibson, Anna Hankins, John Clark, Cliff LeFevre, R. N. Sheid, Henry Laughlin, M. Y. Benton, Pete Lusk, George Leach, and the hosts.

Chaplain Lt. Col. Robert Boettiger, Wing Chaplain at Sheppard Air Base at Wichita Falls, will preach at St. Paul's Lutheran Church next Sunday morning at 11 o'clock. Everyone is invited to come and hear him, because he is a very powerful speaker. He is a member of the Lutheran Church.

The Sagerton 4-H Club met in the home of Mrs. Counts Dec. 1. The girls' sponsor, Mrs. Counts met with the girls. A program committee consisting of Jeanette Helm, Sue Hertel and Margie Counts was appointed. They decided to have a bake sale at the school on Dec. 11.

Two skits, "Let's Get Dressed" and "Good Looks Starts on the Top," which will be given at the next club meeting, were assigned by Mrs. Counts.

The girls learned how to judge cakes and cookies. Refreshments were served and games were enjoyed by Dorothy Bredthauer, Margie Counts, Terry Gholson, Jeanette Helm, Sue Hertel, Elizabeth LeFevre, Dean Sellers, Mary Elias and Anne Spiegelhauer and their sponsor.

Mr. and Mrs. Jim Darden of Haskell and Mr. and Mrs. Bunk Lusk and family of Stamford visited with Mr. and Mrs. Pete Lusk Sunday.

Guests of Mr. and Mrs. Otto Lehmann Thanksgiving Day were Mr. and Mrs. J. C. Schwatz and Althea Snyder, Mr. and Mrs. Melvin Lehmann and Larry

practice again next Sunday at the church.

Mr. and Mrs. G. A. Lambert spent last week end in Idalou with Mr. and Mrs. R. T. Lambert.

Mr. and Mrs. Vaughn of Knox City and Mr. and Mrs. Ross Janis of Dallas visited Mr. and Mrs. B. Hess Saturday evening. Mrs. Janis is the former Ethel Houston and Mrs. Vaughn is the former Mary Reeder, both teachers in the Sagerton school.

Mrs. Amelia Nierdieck is a patient at the Stamford Hospital this week.

The 7th and 8th grades and their teacher, Miss Irene Stewart enjoyed their annual Christmas party held in the home of Mr. and Mrs. Zenor Summers Wednesday evening with Patricia Summers as hostess.

Mr. and Mrs. M. Y. Benton and Mrs. Charles Clark and sons visited in the home of Mr. and Mrs. L. E. Marr in Haskell Sunday afternoon.

Mr. and Mrs. John Clark, accompanied by Reece and Charles Clark, spent the week end in Holliday visiting with Mr. and Mrs. Chas. Clark and other relatives. They also enjoyed quail hunting while they were there.

Guests in the Cliff LeFevre home Sunday were Mr. and Mrs. Van Laughlin of Rule, Leslie Cobb of Midland and Mrs. Reece Clark and Glenda of Sagerton.

Mr. and Mrs. Van Laughlin of Rule and Mrs. Cliff LeFevre went to Wichita Falls Saturday afternoon to visit Mrs. Edward Laughlin, who underwent a major operation at a hospital there Saturday morning. Mr. and Mrs. Edward Laughlin, who now live at Cyril, Okla., are former residents of this community.

Next Sunday afternoon, Dec. 14 at 3:00 p. m. services will be held at the Zion Lutheran Church with Rev. Bauman of Abilene conducting the services.

Mr. and Mrs. Zenor Summers and children, Mike and Patricia went to Dickens Sunday.

Rev. O. K. Oelke spent the week end at home in Sagerton. He is working in Houston where he is organizing the Messiah Lutheran Church from the very beginning in the South Park Englewood Addition of Houston.

Rev. Oelke announced that there will be Christmas program

An opportune time to combine thrift with Christmas buying will be afforded people of the Haskell trade territory Tuesday, Dec. 16 when Haskell merchants stage their December "Dollar Day."

The stores cooperating in the monthly event are offering the largest number of merchandise items at Dollar Day reductions that have been featured for any similar event in several months—and at the lowest prices offered since 1950.

Merchants cooperating in the December Dollar Day event include Perkins-Timberlake, Neely Dry Goods, Hassen's, Lane-Felker, C & B Store, Wheatley's, Personality Shoppe, The Fair Store, Warren's Booterie, Cofield's Shop, Frazier's Radi, & Record Shop, W. A. Lyles Jewelry, Hat-tox Hardware & Furniture, the Sweet Shop, Conner Nursery & Floral Co.

all at worthwhile savings. Stores featuring Dollar Day items list many of the bargains in their advertisements in this section of The Free Press, and numerous other specially-priced articles will be found when you visit the stores.

Timely Tips

Christmas is for the children, they say, and certainly no one who has watched the youngsters' eyes gleam with joy on Christmas morn will deny this. But the child who also learns the true Christmas spirit of giving gains the greatest gift of all.

To impress the Christmas spirit upon your youngsters, let them become a part of the preparations. They can make Christmas cards for their own friends simply with stickers or art cut from cards from previous years. Tree ornaments, too, can be fun in the making. As a beginning, let them make cut-outs from cards of yesteryears or from scraps of Christmas wrapping paper, so pretty when tied to the tree with colorful string. Angels and cones, more elaborate, are for the child with artistic trend.

Smart, sleek lines accentuated by new jet-tube taillights and a new chrome molding through the center of the rear fender line are featured in the 1953 Ford Customline Fordor sedan. Outstanding mechanical feature is a new "miracle ride" which brings to the high volume field for the first time the smooth riding characteristics of heavier, costlier cars.

1953 Ford Models Will Go On Display Friday At Bill Wilson Motor Co.

The 1953 Ford—marking the 50th anniversary of the Ford Motor Company—will go on display at Bill Wilson Motor Co. in this city and in 6400 Ford dealerships across the country Friday, Dec. 12, the new model will be introduced without any increase in present prices.

A massive new grille with a center spinner characteristic of recent Ford design and a low road-hugging look, advance the modern Ford styling. And an outstanding improvement in suspension, termed the "miracle ride," heads a list of mechanical improvements.

L. D. Cruseo, vice president of Ford Motor Company and general manager of Ford Division, said, "The 1953 Ford is a worthy successor to all the millions of cars this company has built since the late Henry Ford organized it in June, 1903."

"The swing to Ford this past year is the result of only one thing—the great public appeal of our product. And the 1953 Ford has all the features of the current model plus new beauty, comfort, performance and quality throughout."

To designate the 1953 Ford as the 50th Anniversary car, a medallion has been placed on the top of the steering wheel column in combination with a new half-circle horn ring. Around the Ford crest in the center of the emblem are the words: "50th Anniversary—1903-1953."

L. W. Smead, general sales manager of Ford Division, said that Ford's "new miracle ride brings to the high volume field for the first time the smooth

riding characteristics of much heavier cars. It is smoother, softer and permits the car to hug the road at high speeds and low, on rough roads as well as on smooth pavement. It is a ride which must be experienced to be appreciated fully."

Ford again in 1953 leads its field in offering the widest variety and choice of power combination, safety features and color selections, Mr. Smead said. Only Ford in the high volume class offers both V-8 and 6 cylinder engines with three transmission—conventional, overdrive and Fordomatic.

Emphasizing the longer look of the 1953 Ford is a new chrome molding through the center of the rear fenderline and new jet-tube tail lights with a larger signal area more easily seen from the side or rear. A decorative chrome deck lid handle, mounted below the Ford crest, with a concealed weather protected key opening and key spring return, has been added to the new model. The new hub caps feature the Ford name in embossed letters.

The 1953 Fords are available in the following models: Mainline: Tudor and Fordor sedans, business coupe and two-door Ranchwagon; Customline: Tudor and Fordor sedans, club coupe and four-door Country Sedan; Crestline: Victoria, Sunliner convertible and Country Squire four-door station wagon.

Stamford Woman Stricken Fatally At Grid Game

Funeral for Mrs. J. E. Lovvorn 57, of Stamford, who died suddenly while attending the Stamford-Seminole football game in Snyder Saturday, was held at 10 a. m. Tuesday at the First Baptist Church in Stamford.

The Rev. Byron Bryant, pastor, officiated for the service. Burial was in Highland Cemetery under direction of Kinney Funeral Home.

Mrs. Lovvorn suffered a heart attack at the football game and a Stamford physician, Dr. Ike Hudson, who was sitting nearby, pronounced her dead within minutes after she was stricken.

Born in Haskell County in 1895 she was the former Lula Clark. She married J. E. Lovvorn in Haskell Dec. 16, 1915. The family has lived in Stamford several years.

Survivors include her husband four sons, T. J. (Froggie) Lovvorn, assistant track coach at the University of Texas; Wilson of Woodland, Calif.; Capt. W. E. Lovvorn with the Air Force in Alaska, and Dan of Stamford; two daughters, Mrs. Bob Cornell of Stockton, Calif., and Noretta, 15 of Stamford; a brother, A. E. Clark of Lubbock, and eight granddaughters.

The son, W. E., who is serving with the Air Force in Alaska sent word that he would not be able to attend the funeral.

Trees Increase Threats of Fires Over Holidays

The Christmas tree, center of holiday festivities in most American homes can easily become the center of tragedy, warns the National Board of Fire Underwriters. Because a fir tree is filled with pitch and resin, it is one of the most combustible objects known—and once ignited, it burns so rapidly that it is virtually impossible to extinguish.

"Keep Christmas merry," advises the Board. "Follow these safety rules and avoid a fire in your home during the Christmas season."

1. Choose a small tree. It's less dangerous than a large one.
2. Don't set it up until a few days before Christmas. Until then, keep it outdoors.
3. Place it in the coolest part of the house away from fireplaces or radiators. And don't let it block an exit.
4. Stand it in water, or use a live tree planted in a tub of earth.
5. Never use cotton or paper for decoration on or around the tree.
6. Do not put electric trains under the tree.
7. Use only electric lights never candles, and see that the wires are not frayed. Be sure the wiring sets for lights you choose are marked as having been inspected by Underwriter's Laboratories, Inc.
8. Provide a switch some distance from the tree for turning tree lights on and off. Don't plug or unplug them beneath the tree.
9. Throw away all gift wrappings as soon as the presents have been opened; don't let them pile up near the tree.
10. Do not leave tree lights burning when no one is at home.
11. If needles near the lights turn brown, move the lights.
12. When needles start to fall take the tree down and discard it.

New Dual-Streak Pontiacs Announced for '53

In nationwide dealer showings, Pontiac Division of General Motors today introduced its new line of Dual-Streak Chieftain models, featuring longer wheelbase, increased vision and new curve-control front suspension. Advanced styling is marked by smooth contours, rear fender fin and high deck lid, one-piece curved windshield, wrap-around one-piece rear windows, roomier interiors and entirely new radiator grille and chrome treatment. Above is the new Custom Catalina, one of 11 body types in three Chieftain series: Special, De Luxe and Custom. Wheelbase for all series is 122 inches, with Power Steering as optional equipment.

New '53 Pontiacs On Display; Price Reductions Up to \$100 Announced

Pontiac, first General Motors Division to unveil its 1953 cars, today announce price reductions up to \$100.00 on certain models with no price increases on any models in the line, in spite of an entirely new and larger body interior and a long list of new mechanical and engineering features.

This announcement was made by R. M. Critchfield, General Manager of Pontiac Motor Division. The new 1953 Pontiac is on display at Addison Pontiac in this city. G. A. Addison, owner of the concern, said the new Dual Streak Chieftain models had attracted wide interest among visitors in his showrooms since the new models went on display Saturday.

Pontiac list prices for 1953 start at \$1788.36 for the Chieftain Special Six, two-door sedan. Pontiac's DeLuxe Chieftain Eight, four-door sedan, which is expected to account for about 50% of next year's volume, carries a list price

of \$2009.51. Price reductions on Station Wagons run from \$28.00 to slightly in excess of \$100.00.

All 1953 Pontiacs will be offered with either a six or eight cylinder engine with G. M. Hydra-Matic Drive and Power Steering optional.

Precautions Urged To Guard Children Against Injury

Christmas is traditionally the children's holiday—but besides being time for fun, it may be time for danger! Flimsy costumes and unsafe toys can spell disaster for samll fry whose curiosity and lack of fear often lead them into hazardous situations which their elders knew enough to avoid.

Fireproof their fun, advises the National Board of Fire Underwriters. Their clothing especially such things as flimsy party costumes and cowboy suits, can be flameproofed cheaply and easily at home with a solution made by dissolving nine ounces of borax and four ounces of boric acid in a gallon of water. Dip the clothing in the solution, wring by hand and hang up to dry. This solution can be used on any material which can be soaked in water, and must be reapplied after every washing. Use it on doll clothes, too, as well as grown-ups' things, curtains, drapes and other fabrics.

Further precautions are suggested by the Board:

1. Look for the UL label on all electrical toys. This means they have passed the Underwriters' Laboratories tests for fire and shock hazards.
2. Be cautious in buying a chemical set for the children, and supervise their play with it. Also, it is unwise to let younger children have toys involving flame or pressure. They are dangerous in young hands.
3. Don't set up electric trains under the Christmas tree. Supervise the play of youngsters using electrical toys.
4. Candles and children don't mix.
5. Never leave children at home alone.

Social Security Man Will Visit Haskell Thursday, Dec. 18

A representative of the Abilene office of the Social Security Administration will be at the Chamber of Commerce office in Haskell on Thursday, Dec. 18 at 11 a. m. Persons wishing assistance in connection with retirement or death claims under the Social Security Act should call at that time. This announcement was made today by Ralph T. Fisher, manager of the Abilene office.

Fisher called attention to the fact that students, housewives, and others who expect to work during the Christmas holidays will need social security account numbers. Persons who are self-employed should also see that their social security cards are available, as they will be needed when income tax returns are filed after the first of the year.

Any person needing a social security card can get an application blank at his local post office. The blank should be completed and mailed to the Social Security Administration, Abilene, Texas. In cases where the card has been lost, this same application form may be used to apply for a duplicate card.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The furor stirred up by the release of the hitherto secret report of the Federal Trade Commission on an international oil monopoly to the Senate Small Business Committee, is creating the No. 1 problem in Washington right now.

The report, long buried as secret, and only released by a barrage of demands, has posed a problem which will not be solved today, or tomorrow, but Washington feels it must be solved on the basis of the facts brought out.

C. W. Harder

Here are some of the facts contained in almost 400 printed pages. Five U. S. companies, Standard of New Jersey, Standard of California, Socony-Vacuum, Gulf and Texaco, plus two British firms, Anglo-Iranian and Royal Dutch Shell, control the world's known petroleum reserves and production.

The FTC claims these seven control 33.6% of U. S. reserves, 81.2% of foreign reserves, or 65% of all reserves. They also control 86.5% of Western hemisphere production; 96.1% of Eastern hemisphere production.

FTC also shows in the report that these seven companies, through ownership of subsidiaries all over the world, have pegged prices, curtailed production to hold up those prices.

With the start of the Marshall Plan, which with its successor, has cost U. S. taxpayers almost a billion and a half dollars to date for oil to Europe, the price of Mediterranean basin oil jumped from \$1.05 to \$2.22 per barrel.

© National Federation of Independent Business

94% of this oil was sold by six of the Big Seven largely to their own subsidiaries in the nations receiving aid.

A subsequent price adjustment resulted in this oil being sold in Europe for \$1.75 but when shipped halfway around the world to the U. S. the price was \$1.43. This resulted in the shut down of independent U. S. producers, drowned out by the flood of oil imported by the Big Seven.

The report also gives Aramco's net profit for three years when the majority of sales was to nations receiving U. S. aid. In 1942 it was 98.9 cents per barrel, in 1943 95.4 cents, in 1950 84.5 cents.

These and many other facts are reasons why something will have to be done, Washington feels, especially as this report has aroused more foreign interest than any Congressional report in the past. If nothing else, it is felt, world opinion will force action.

As to be expected, there are many solutions advanced. One, of course, is the Socialistic plan to nationalize the oil industry. The Big Seven seek to justify their revealed tactics on the basis of national welfare.

But the most hopeful sign seen of an American settlement of the problem is the suit filed by Justice Department for \$67 million to recover alleged oil company overcharges to the Marshall Plan.

This could be the first of a series of Justice Department actions under the anti-trust laws to put the U. S. oil industry on a free, independent and competitive basis. With the issue now dragged out into the open, anything can happen.

Livestock Prices Decline Under Pressure Of Heavier Receipts At Major Markets

By TED GOULDY

Fort Worth — Livestock prices were again under heavy pressure at the start of the second week in December as receipts around the major marketing circle were again far heavier than a week ago. The only specie of livestock in smaller number was hogs.

Most classes of cattle and calves were fully 50 cents to \$1 below the low close of the previous

week, in some cases this put prices \$1.50 or so under those of about ten days ago. Stocker demand continues very small, a few choice calves and yearlings in demand, and some outlets for stocker cows. However, most stocker classes very hard to move and many sell for slaughter.

Lambs ruled \$1 to \$1.50 under the previous week's high time. Logs opened steady to 25 cents lower, topping at \$17 and \$17.25 Monday. Sows were 75 cents to \$1 if at \$12 to \$15.25.

Good and choice slaughter steers and yearlings sold from \$20 to \$28.50, while plain and medium butcher cattle sold from \$12 to \$19, with ratty yearlings at \$9 to \$12. Fat cows cashed at \$12 to \$15.25, and canners and cutters sold from \$8 to \$12. Bulls cashed at \$10 to \$18.

Good and choice fat calves sold for \$18 to \$24, a few heavy weights to \$24 to \$25. Plain and medium butcher sorts sold from \$12 to \$17, and culls drew \$10 to \$12. Stocker calves and yearlings sold at \$21 down. Stocker cows sold for \$11 to \$18.

Good and choice fat lambs cashed at \$18 to \$20, and medium to good kinds sold at \$17 to \$18. Stocker and feeder lambs drew \$11 to \$17. Fat yearlings sold for \$12 to \$17. Aged wethers drew \$10 down. Slaughter ewes cashed at \$5.50 to \$7.50.

Recent Rains Will Save Small Grains, Conservationist Says

The general rain recently came in time to save small grain and legume cover crops according to Hiram Olson of the board of supervisors of the California Creek Soil Conservation District. Around 20,000 acres of these crops will have a chance to produce a cover for the land to protect it against wind and water erosion and at the same time furnish grazing for livestock. On hard lands the principal crop is wheat. Olson said, while on sandy lands Abruzzi rye and hairy vetch have been used. Other crops include Austrian winter peas and Madrid clover.

The board of supervisors approved 20 agreements on 5,150 acres of crop and pasture land at their meeting in Stamford Monday, Nov. 24. Members present at the meeting were Olson, C. E. Lantip and Bruno Kupatt of Sacramento.

Vernon Harris who farms east of McCauley, maintained his terraces in November. Harris built them up with a two disc plow to make them large enough for more effective control of erosion and conservation of water. He also made them wider so they would be easier to work.

Austrian winter peas on the A. J. French farm at Tuxedo are still looking good. The recent rains gave them a needed boost. G. W. Joplin has completed almost a mile of terraces on his farm west of Hamlin. Joplin built the terraces with a two disc plow. The terraces complete the system needed on his farm for water conservation and distribution and to control water erosion.
