Gospel Meeting To Begin Sunday At Christian Church

A Gospel Meeting will be held at the Christian Church in this city, beginning Sunday Oct. 26...

The house and all contents were almost completely destroyed...

The fire, apparently starting in a bedroom, had burned through the ceiling before neighbors noticed...

Traffic was blocked on the Haskell-Throckmorton highway for 45 minutes while firemen fought the blaze...

The speaker was introduced by Mrs. M. E. Helber, president of the Women's Society of Christian Service...

At the outset of her talk, Mrs. Dingus urged her hearers to vote but declared that despite the widespread and heated interest...

The progressive community, located in the center of a fertile farming area, has lacked an adequate water supply for years...

Due to the acute water shortage, first work to be done will be laying of a water main from a new city well to be developed...

Following Saturday's election approving the bond issue, Weinert city officials said immediate steps would be taken...

Two New Wildcat Oil Tests Slated In Haskell Area

Continued upswing in oil activity in Haskell County was indicated this week in the announcement of two new wildcat tests and three field projects for drilling.

S. C. Herring Drilling Co., Abilene, No. 1 Russell Rainey has been spotted as a wildcat two miles south of Weinert on a 305-91 acre lease.

Slated for 5,000 feet with rotary, site is 1,756 feet from the north and 8,550 feet from the west lines of D. L. Woodlief Survey. It is 2,140 feet southeast of Gilliam No. 1 Rainey, a dry hole.

J. J. Lynn Oil Division, Abilene No. 1 A. W. Weaver is slated to be drilled to 5,600 feet with rotary as a wildcat in the area nine miles northeast of Haskell.

Site for No. 1 Weaver is on a 575 acre lease, 4,467 feet from the west and 467 feet from the south line of J. Giboney Survey, A 145.

Eight and one-half miles east of Haskell, Youngblood & Foree, Dallas, No. 1 J. R. Coody was staked as a Paint Creek Field location.

No. 1 Coody is contracted for 4,000 feet with rotary, 4,856 feet from the north and 466 feet from the west lines of J. G. Pitts Survey. Lease is composed of 979.1 acres. It is two locations east of same operator's No. 1-C Kleiner discovery for the field.

A Haskell County Regular Field location was staked five miles north of Weinert as Anderson-Prichard Oil Corp., Oklahoma City, No. 1 Griffin.

Slated for 4,775 feet with rotary, it is 330 feet from the north and 1,650 feet from the west lines of Section 144, Block 45, H&T Survey, and on an 80 acre lease.

In the Juliana Field, six miles west of O'Brien, location for a 5,100 foot rotary project was staked. It is Texas Pacific Coal & Oil Co., Fort Worth, No. 6 B. B. Campbell, Account 1.

Drillsite is 3,060 feet from the south, and 1,569 feet from the west lines of Section 1, Georgetown RR Survey. Lease is composed of 505.84 acres.

Revival in Progress At Bible Baptist Church

An increase in both attendance and interest is reported at the revival now in progress at the Bible Baptist Church. The meeting opened Sunday with the Rev. J. H. McWilliams of Anson as evangelist, and large crowds have heard his messages at daily services.

The revival will continue through Wednesday, Oct. 29, with services being held twice daily at 10 a. m. and 8 p. m. The Rev. J. M. Edge, pastor of the Bible Baptist, is leading the song service.

An ordination service will be held Sunday afternoon, Oct. 26 when three deacons will be ordained. Rev.

Haskell County History

20 Years Ago—Oct. 27, 1912

The home of I. V. Marrs in the north part of town, together with all household goods and furniture was destroyed by fire Saturday night about 11 o'clock. Mr. Marrs and his family were at the fair grounds the entire evening, and origin of the fire was undetermined.

Paul Zahn returned from Dallas last week, where he won 50 premiums on his agricultural products displayed at the State Fair. The list included eight first premiums, seven second, 15 third, 14 fourth, and six fifth place awards.

Knob-knockers struck the Wichita Valley freight depot here Thursday night and broke into the safe, but secured very little, if any money, according to officers. However, a quantity of merchandise, including shirts, was taken from the depot.

Two automobiles were reported stolen in the city last week. A Chevrolet coupe belonging to J. K. Stoker was stolen Thursday night from its parking place on a street near the fairgrounds. Saturday night a Chevrolet coach belonging to Paul Ballard was stolen from the east side of the square, where Mr. Ballard had parked it early in the evening.

Script issued by the Haskell Independent School District of the series 1931-32 is now payable up to

and including No. 1932, the Haskell School Board announced this week.

Misses Marguerite McCollum and Marjorie Whiteaker spent the first of the week in Dallas.

Surfacing of Highway No. 18 between Sagerton and Stamford was finished last week. Work was started today at the Knox County line on Highway 16, building that stretch south of Rule to Rochester. The contractor, G. W. Whitham has about 150 men at work building the highway. Rochester will be headquarters for the road crew. It is expected the work will be finished in about 80 days, if the weather is favorable.

40 Years Ago—Oct. 26, 1912

In talking with G. W. Henshaw this week he told us he was sowing 80 acres of oats, or rather planting them. He is using a corn planter and running the rows east and west so as to give the best protection to the plants from the winter winds. He is planting them in as deep a furrow as the planter will make. By this means light snows will catch in the furrows and retain the snow's moisture.

Ex-Sheriff M. E. Park was in the city Friday and reported that his crops this year were very good.

H. M. Rike and Henry Johnson left Saturday night to attend the State Fair in Dallas.

Miss Esther Wilfong is visiting Miss Irma Barnes, at Arlington. C. D. Grissom and daughter Mrs. John Russell attended the State Fair at Dallas this week.

The oil mill at this place has their pens filled with high grade cattle they are feeding out for market.

W. A. Earnest and J. F. Jones of Rule passed through here Tuesday on their way to Munday where they will put 600 head of steers on feed at the oil mill at that place.

O. E. Fatterson, cashier of the Farmers National Bank, took in the Dallas Fair this week.

Miss Margaret Pierson visited friends at Stamford Wednesday.

A. J. Combes, Sr., went to Seymour Tuesday to look after the Haskell Telephone Company business in that city.

Mr. and Mrs. J. B. Smith and little son left this week for Dallas where they will spend several days.

Earl Cogdell of the Haskell Oil Mill tells us that there were more cattle fattened here last season than at any point in the West.

Ed Foote has traded for the Palace Drug Store.

50 Years Ago—Oct. 25, 1902

Mrs. W. L. Hills and children are up from Stamford visiting relatives.

J. B. Thompkins and family arrived this week from Montague County and are now located on the fine tract of land Mr. Thompkins bought last fall and has improved.

Marshall Pierson, Levi McCollum and W. H. McFarland went down on the Clear Fork Tuesday on a peccan hunt.

Mr. Scott has moved his law office to the rear of the Haskell National Bank.

Little Miss Jessie Wright was out riding Sunday morning, when her saddle turned with her frightening the horse, which ran away. The girl's foot was caught in the stirrup and she was dragged and carried 75 or 100 yards when the stirrup leather broke and released her from a situation where she might have been killed at any moment. As it was she received nervous shock and bruises about the arms, shoulders and head which kept in bed several days.

The Haskell school boys have secured a football and have organized rival teams and are going in for broken fingers, arms and legs, and bruised noses. The girls have secured a basketball outfit and intend to have some fun themselves.

Mr. and Mrs. J. S. Post returned Tuesday from a visit with relatives in Jones County.

J. L. Baldwin returned Tuesday from Fannin County where he had shipped three carloads of cattle to be put on feed, along with several head of horses and mules that he sold at a good price.

Judge O. E. Oates and Judge H. G. McConnell attended district court at Aspermont this week.

W. J. Overcash, a stockman from Throckmorton was here this week and leased 1900 acres of land in the northwest part of the county. We understand he is thinking of moving here.

When a young girl's fancy turns to Cooking

On an Electric Range, cake icing can be prepared in a regular saucepan. No double boiler needed because the heat is so evenly measured and distributed. No scorching the bottom of the pan, either, because there's no flame or soot.

"Yes, Judy, cooking on our Electric Range is exciting! Electric cooking is so clean, so fast and so easy!

"And we certainly make the best use of our Electric Range to cook complete meals. Dad sure loves those delicious roasts, tasty pies and cakes, and he's proud of those economy meals. Our food tastes better, cooks easier, and we save time and energy, too. By the way, dear — those cake layers should be ready by now. That bell you just heard was the automatic reminder. It's saying, 'Cake's done!'"

"You might say that our Electric Range is like an automatic cook. It does the work, and you don't have to worry about it.

"Another nice thing, you don't have to clean the kitchen so often, because there's no smoke and no soot. The kitchen stays cooler, too, because the heat goes into the food, not the air."

DID YOU KNOW...
with an Electric Range you can:

Melt chocolate squares in waxed paper on a surface unit... save natural vitamins and minerals by cooking vegetables with very little water... roast meats perfectly with a minimum of shrinkage... pop corn or sterilize baby's bottles in the deep-well cooker... have delicious "charcoal-type" broiling with no flame? Did you know that housewives everywhere are switching to Electric Cooking, the modern way?

Mother Knows Best... of Course, it's Electric!

HHS Indians Down Roscoe, 20-0; Play 4-AA Seymour Here Friday

Haskell's Indians, powered by the rambling of Walter (T-Bo) Holley, continued in their role as one of the leaders in the District 8A football race Friday night by lacing up a 20-0 score over the Roscoe Playboys.

At the same time Throckmorton was trouncing Roby 35-0. Both Haskell and the Greyhounds have won two conference contests against no losses to remain in a tie for the top berth in the league.

Holley, who scored the first touchdown for the Indians on a 4-yard plunge, missed the remainder of the second quarter when he left the game after being notified that his home was afire. The 200-pound line jolter returned to the game at the beginning of the third quarter to spark the Indians to two more touchdowns and race for a total of 33 of the 174 yards gained by the Redskins.

Holley's tally came as the Indians capitalized on a Playboy fumble in a strictly defensive first half. During the first half defensive battle the local Warriors managed to net only 2 yards rushing and 16 on a completed pass from quarterback Jimmy White to wingback Frank Clarkson. The Playboys gained only 41 yards on the ground and 34 of that came on a sprint by halfback Robert Nemir near the end of the half. Nemir spurred through his right

guard on a delayed buck that caught the Indians napping, but he was pulled down on the Haskell 21 by tackle Don Payne.

The Indians took the offensive in the second half with Holley playing the leading role by eating up yardage, while tailback Larry Stratton counted for the other two touchdowns on runs of 1 and 11 yards.

Donald Dickey made good all three of the point-after tries but one of them was nullified because the Indians had taken too much time.

Dickey's first try after the initial touchdown was wide but a Playboy penalty gave him another chance that he made good. Again after the Indian's final marker, Dickey missed, but sent the pigskin through the uprights on a second try awarded him by a Playboy penalty.

The Playboys couldn't get their offensive motions started after

the second half began and allowed the Redskins to dominate the remainder of the game. Top-notch backs Clifford Burnett and Jesse L. Geron were the mainstays in the Roscoe backfield and they managed to get in a few good scampers, only to be cut down for a short gain by the Indian forward wall.

Linebackers Stratton and Don Denny were big factors in holding the Playboys to only 21 yards gained on the ground during the entire second half.

The backfield defensive alignment for Roscoe held down the Indian score on several occasions as end Daniel Plunkett, guard Duane Robinson and safety man Nemir brought the 200-pound Holley to a halt when it looked as if he were touchdown bound.

The first Indian tally came one minute and 25 seconds deep in the second quarter, when quarter-

back Jackie Fitts fumbled on his own four yard line and Russell Drinnon recovered for the Indians. Holley used only one play to go the remaining four yards.

Stratton completed a 53-yard drive for the second TD after six minutes had elapsed in the fourth period. The Indians used only 8 plays to go the distance with Holley ripping off 28 yards unassisted. Stratton loped through right guard after taking a hard hit from White, and went twisting past Roscoe defenders twisting he crossed the double stripe.

The Playboys took a gamble on fourth down with Fitts faking a punt and sprinting his own right end, but his try was cut short by Stratton and Denny. With only 1 minute and 40 seconds left in the game, Stratton plunged over from the one yard line, wrapping up the Haskell victory.

With substitute quarterback Jerry Wheatley at the helm, the Indians carried the pigskin 39 yards in six plays for their final touchdown drive.

In the punting department Haskell's Max Johnson used the fourth down only four times and averaged 38.8 yards, while Fitts averaged 30 yards on eight punts for Roscoe. His 30 yard average included a blocked punt by Indian Manuel Mullins.

The Roscoe band presented a colorful halftime stunt, forming a large Indian head in honor of the Haskell Indians and then moving into the formation of a plow as a tribute to their own Playboys.

After returning from a trip to the State Fair at Dallas, the Indian band did not have a stunt prepared. But they accompanied their band mascot, 3-year-old Eloise Watson, who entertained the 1500 fans with a twirling exhibition. Miss Watson is the daughter of Mr. and Mrs. Tom Watson.

PLAY SEYMOUR FRIDAY

The Seymour Panthers will invade Haskell Friday night to encounter the Haskell Indians at 7:30 p. m. on Indian Field.

The Indians will be taking a breather from conference competition in contesting the Panthers from District 4-AA who boast of a top eleven in their league.

Coach Marshall Gearhart will be sporting a maroon and white team that consists of a defiant ground attack from the T-formation.

Both the Indians and the Panthers stand about even in the line and the backfield with Seymour's forward wall averaging approximately 169 to Haskell's 153. The Indian rear ranks will tip the scales at a 167-pound average to only 154 for their non-conference opponents.

The Seymour contingent holds the distinction of knocking one of the state's top teams from the undefeated ranks last week. The Panthers upset Jacksboro by a 19-7 lashing, handing the Jacksboro eleven their first loss of the season.

It was the 156-pound back, Bobby Morris, that led the Panthers to their victory, making him the man the Indians will have to bottle-up in Friday night's tilt. Morris ran for two of Seymour's three touchdowns on runs of 11 and 42 yards against Jacksboro. In the same game he carried the ball 26 times for a total of 262 yards rushing.

Seymour has already unleashed its strength on District 8-A. They downed Throckmorton, one of the league's leaders, earlier in the season.

Throckmorton Hounds Roll Over Roby, 35-0

The Throckmorton Greyhounds wrapped up their second consecutive District 8A football victory Friday night at Roby, when they plastered at 35-0 defeat on the Roby Lions.

Fullback Tom Hudson scored four touchdowns as the 'Hounds crushed their way through the Roby line, sticking to the ground for most of their offensive.

Hudson scored twice in the opening period, both on one-yard plunges. Both tries for extra points were good.

Hudson crashed over from the one again in the second period and the try for extra point was good to give Throckmorton a 21-0 lead at halftime.

Hudson added his fourth and final marker of the night in the third period with a 3-yard scamper. Don Taylor, fleet-footed Greyhound back, scooted 70 yards with a punt return in the fourth quarter to give the 'Hounds their final score of the game.

The Greyhounds rolled to 282 yards rushing on ground plays alone.

Six Roby boys required medical treatment following the rough and tumble contest. They are London Derryberry and Billy King, ends;

Billy Polk and Jimmy Price guards; Luke Levins and John Harris, quarterbacks.

Price suffered a minor concussion, Levins had three teeth loosened, and Polk was suffering from a rib injury, Coach Bill Boles said following the game. The other youths were at the hospital for check-ups, he said.

Bobcats Blank Knox City 37-0

The Rule High School Bobcats invaded the lair of the Knox City Greyhounds Friday night and took an easy 37-0 victory over the 'Hounds in a District 9B contest.

It was the Bobcat's first conference game of the season and the second straight conference loss for Knox City. Rule has won four of five games this season losing only to the Class A Munday Moguls.

Rule scored twice in the first quarter, with B. Kitley running the first one across and a pass from Trammell to Kitley for 43 yards accounting for the second. In the second period, A. Hines intercepted a pass and ran 30 yards for a touchdown. Kitley ran across from the eight-yard line to make it 24-0 at the half. In the third quarter, C. Gibson returned a Knox City punt 60 yards and a touchdown, and in the fourth period, Kitley passed to H. J. Kainer for a 65-yard touchdown play. Kitley kicked the extra point.

Knox City made 11 first downs to the visitors eight.

Steers Lose To Hornets, 32-6

Lightness in the line and the loss of a star player spelled the difference when the Aspermont Hornets defeated the Rochester Steers in a District 9B game at Rochester Friday night, 32-6.

Rochester's Tony McWhorter upon whose shoulders rested much of the Steers' offensive, was injured early in the game and sidelined with a leg injury.

Gerald Thornton opened Aspermont's scoring in the second half on a 13-yard run. Rochester scored moments later on a pass from Roger Nanny to Dick Manley good for 55 yards.

Scoring for Aspermont were Earl Ellison, 2; Gerald Thorn, 2; and Ralph Griffin, 1.

Report on Colored Classic Heard By Q-B Members

Members of the Quarterback Club heard a report on the financial success of their second Colored Classic at their meeting last week, and Club president Charles Swinson expressed his appreciation to members and others who helped in staging the event.

Appreciation to the HHS Band was expressed in the form of a \$50 check to help defray expenses of the Band's trip to the State Fair, in appreciation of the splendid cooperation of the organization in the Colored Classic program.

George Neely, QB secretary, reported gross receipts of \$1,128 from the Classic, after participating teams had been given their share. Some local expense items remain to be paid out of the total gross, Neely explained.

Royce Mullins, Sul Ross Regular, Hurt In Game With San Marcos

Lobos had a week of rest last week after five strenuous games in which the Lobos have been victorious in three. In these counters the Lobos have appeared supreme in ground gaining, with the attack being lead by Don Bingham and Jimmy Mobley, both of Odessa, and Gay Walker from Big Lake. Don Bingham and Jimmy Mobley have been leading the Lone Star Conference in total yards gained.

Last week saw the Lobos go down in defeat in the hands of the Southwest State College Bobcats of San Marcos by a score of 31-25. Even though the Lobos were on the low end of the score statistics show total net gain for Sul Ross was 373 yards, against 355 for the Bobcats. Sul Ross also lead in pass scoring, as two of the Lobos' passes, one from Walker to Bingham and another from Walker to Alvin Ward, were good for touchdowns.

Most of the Sul Ross boys came out of the San Marcos game with only minor injuries, with the exception of Royce Mullins of Haskell, regular left end on both offense and defense, who, received a broken nose that has required surgery to put it back in place. Pat Evelt of Odessa, regular left tackle, is still nursing a knee injury. Another Odessa boy, Don Thompson, did not see action against the San Marcos eleven.

Haskell Indians, Throckmorton Share Top Berth In District 8-A

Both Haskell and Throckmorton will be looking forward to what will be considered a "big night" in the District 8A football race. The "big night" will be Oct. 31 when the Indians and the Greyhounds clash in a gridiron duel that may determine the league champion.

At the present the two teams are sharing the top berth of the conference, having annexed their first two games and lost none. The Indians edged Roby 20-18 and came back last week to blank Roscoe, 20-0. On respective nights, Throckmorton's Greyhounds slipped one over the defending champion Albany Lions by a 20-14 decision, then trounced Roby 35-0.

Throckmorton stands the best chance of winning their first district championship since they resumed football competition in 1945 and their recent actions show that they don't intend to let anything or anybody stand in their way. The Greyhounds lost only one man off their 1951 team that consisted of only 23 players. So they have 22 veterans that show plenty of team spirit and power in trying to gain the title this year.

Haskell is the only eleven that tends to block the way for the Greyhounds, since they have already eliminated Albany's rugged Lions, district champions in 1950 and 1951. This makes the

road smoother for the 'Hounds since the Indians have yet to hurdle both Throckmorton and Albany to reach the District 8A throne. Haskell does not meet the Lions until Nov. 21, final game on the schedule for the two elevens.

Albany, Munday, Roby, and Roscoe are still winless in conference play this year. However, Albany was idle last week along with Munday, who has not played a conference game. The Moguls will open league play Friday night when they journey to Albany.

Roby is at the bottom of the standings, having lost two games while Roscoe's 'Flowboys lost their initial conference engagement to the Indians last week.

Friday night Haskell will play host to Seymour in a non-conference contest, while Throckmorton will be having a breather entertaining Roscoe.

District 9B
Aspermont retained their lead in District 9B last week by taking a deciding 32-6 victory over Rochester's Steers and hoisted their standing to two triumphs against no losses.

Both Rule and Woodson annexed their first conference engagements last week. Rule plastered lowly Knox City 37-0 and Woodson was idle, having won their initial 9B game a week ago.

Rule is a definite competitor for the 9B title this year even

though Aspermont's Hornets hold the lead at the present. However the acid test will come Friday night when the two title contenders meet at Rule.

STUDEBAKER'S 100TH ANNIVERSARY * 1952

Let's Think Again

to the patriotic leadership of the leading Democrats of Texas, in turning party label, in the interest of higher and nobler matters of importance to state and nation. In this list we include Gov. Allan Shivers, Senator-Elect [name], together with the Democratic State Chairman, the Democratic National [name], and the Democratic Executive Committee.

Democratic property you hear so much about. Hoover was in four years; House and Senate with him two years. You expected Hoover to do more in years than Roosevelt and his House and Senate did in the next eight or ten years. The cheapest farm prices we had were under Roosevelt and this never did all the rumblings of World War II began. The writer, in 1941, bought a [name] in this county for \$14.50 per acre, after ten years of Roosevelt. And [name] it was on the bottom. Search the record, please.

Democrats did do this. They raided the Public Treasury and scattered a lot of money. Free you might think, but is it? But just as sure, as you some day, will [name] gates, just that sure is a part of this National Debt yours. Another [name] just as long as you live you will be paying it back, and during your life-time will never get through. Just one way that you can ever win out and that is [name] Income Tax and then it will be double if you get caught.

close of World War II, we were the strongest nation on earth, but not now. [name] slip and slipped in a hurry. At Yalta, Potsdam, and etc., Roosevelt, Truman, faced Uncle Joe across the Council Table, took the biggest licking of a [name] lost fifteen foreign countries to the Reds. Since then the intelligent leadership these countries are being killed out and the others are being put into slavery in arms against us. We are now fighting the Chinese in Korea and if we [name] to the extent of a hundred million, there will be another like number [name] their rice rations to come in and take their place. Stalin does not want [name] Just as long as he can feed the Chinese to us as gun fodder and sap [name] at the same time, he is happy in the result.

above are the biggest political blunders in modern times and why pass over [name] talk about little Korea. There would have been no Korea had it not been [name] blunders. Now you would say, Who was the cause of all this? Roosevelt & [name] Who Else? You of course would say that it was either Hoover or Abe Lincoln. [name] country slips as much the next twenty years as it has the last twenty [name] are not going to have any country to worry about. It is time to wake up. [name] than you think.

Rights has been the big Democratic plank ever since the Civil War. Now [name] Adlai & Sam have set it aside. The FEPC, Taft-Hartley, The Tidelands, [name] Medicine, have some State Right features. But they say we "KNOW ALLS" [name] tion, must handle all of this. Ike says that these matters should be kept [name] people as far as is possible. The States, in other words.

big absurdity is the White Collar politicians, from the Pendergrass and [name] Country, trying to steal our millions from the school kids of Texas. We [name] nine million in the Treasury now and a possible Nine Billion coming to the [name] operations. Harry, Adlai & Sam want this money to play politics in Wash- [name] wants to leave this to the School Kids of Texas where it belongs. Which [name] for? Take your choice.

continue this prosperity. It takes wars. To fight wars it takes a lot of money [name] of men and boys. Are you willing to furnish your part of each?

Clothing Storage Demonstration At Jud H. D. Club

Well arranged, well kept clothes closets have a lot to do with our looks and poise, stated Miss Wirges at the October 9 meeting of the Willing Workers HD Club.

The meeting took place in the home of Mrs. Warren Short. Roll call was answered with "Storage I Need," after which Miss Wirges gave a demonstration on storage arrangements in the closet. She brought a miniature clothes closet complete with rod, shelves and shoe rack to show how easy it is to have a place for everything and everything in its place.

Each member of the family should have a definite place to keep their clothing. Light and air help prevent moths and odors in the closet. Well arranged shelves double the storage capacity of a closet. A garment bags, shoulder covers and shoe racks are accessories that help make a closet. If you don't have enough storage space it is often possible to provide without greater expense, concluded Miss Wirges.

Mrs. R. C. Liles Is Director for Weinert WMS Meeting

Weinert WMS met Monday for a Royal Service program at the church. Director of the program was Mrs. R. C. Liles. Worship was under the direction of Mrs. Eddie Sanders. Prayer by Mrs. C. C. Childress, that God will show us the way in Christian Stewardship. Hymn, "America, the Beautiful" led by Mrs. R. H. Jones with Mrs. R. C. Liles at the piano. Poem, "God Save America," by Mrs. J. A. Mayfield.

The following discussions were given: Who Do You Want to be President? Mrs. Eddie Sanders; Things Are in a Higeous Mess Mrs. G. C. Newsom; Is There Any Way Out, Mrs. R. C. Liles; Why Put it Off On Women? Mrs. C. C. Childress; How Do I Get Started? Mrs. R. H. Jones; Is That All There Is To It? Mrs. W. B. Guess; Do You Mean Voting Is Missions? Mrs. L. D. Vaughn. Prayer for the citizens of our country, by Mrs. J. W. Liles. The last Stanza of "America" was sung for the benediction.

Other members present were Mesdames A. J. Sanders, C. F. Oman and C. T. Jones.

Mrs. Curtis Graham was the former Nellwyn Conner before her marriage Oct. 12, in a ceremony read in the home of her parents, Mr. and Mrs. A. L. Conner. Mr. and Mrs. Graham are making their home in Dimmitt where he is employed.

Party Compliments Miss May Fields

Miss May Fields, beloved former school teacher, was taken unaware by friends in a birthday shower Friday, Oct. 17 at 3 p. m. To say the least, Miss May was happily surprised to have her friends come by in a group. After a social visit cake and ice cream was served the guests by the hostesses, Mrs. J. M. Glass and Mrs. Tommy B. Hawkins.

Many exclamations of delight were heard as Miss May nervously opened each lovely gift and large stack of birthday greetings. She is loved by all who know her for her kindness to every one, especially the shutins and ill, those in need of timely help, for her words of sympathy and encouragement. Her life is a shining example of how a sincere Christian should live and all wish for her many more happy birthdays.

Magazine Club Program Is Based Observance of American Book Week

An executive board meeting and social half hour preceded the opening of the regular program of the Haskell Magazine Club Friday, Oct. 17. Program was based on observance of American Book Week.

Mrs. R. C. Couch, Jr., presided over a business session, when two new members were added to the club membership. Mrs. Roy Everett was accepted as an active member and Mrs. Will Ligon as an associate member.

Tables in the assembly room were decorated with floral arrangements of roses and ageratum. Club hostesses were Mrs. Fred Monke and Mrs. R. L. Harrison, and Mrs. Elmer Turner was director of the program on "Literature in the Home."

Mrs. Bill Lane gave an interesting talk on "Children's Books and Magazines." She gave a list of books and magazines suitable for children to the teen age. The speaker remarked that adults enjoy reading many of them.

Mrs. Arlos Weaver gave an excellent "New Books Survey" for adults. She included a sketch of several popular books in fiction and non-fiction.

Mrs. Robert Wheatley was elected as the club's delegate to the 55th annual convention of the Texas Federation of Women's Clubs, in Austin Nov. 10-13. Also attending from Haskell will be Mrs. J. U. Fields, past president of TFWC and currently a member of the State Board of TFWC.

There will be an open meeting in the club house for those interested in hearing democratic and Republican speakers, at a date to be determined. Club members tend the Club Tuesday (Oct. 23) contact Mrs. R. C. Cars will be promoters to go in a group. Mrs. Bill Richey offered her home for program Friday, Oct. 25. The Sin Of Ingratitude

"Man's Ingratitude to man, makes countless millions mourn."

We have those among us who, twenty years ago, had no "pot to cook in, nor a chicken in the pot" if there had been one, but today, because of the New Deal of the Democratic Party, he has two cars in a double garage, two chickens in the pot, and broad acres of land paid for. Yet, in his haste to show his success, and to be classed in the BIG MONEY, he turns his back on the party that him a chance, and declares himself for the candidate who is being backed by a BIG SPECIAL INTEREST GROUP, a party who has fought every measure to help the farmer, the laborer, and small business.

We have many ex-soldiers among us, a few of whom have never shouldered a musket, have been privileged to live in a nice home under the GI Bill of Rights which was fostered by the Democratic Party and opposed by a majority of the Republican Party; they are privileged to buy a home, pay it out in monthly installments which are lower than rent. Most of these ex-soldiers have received education under the GI Bill of Rights, having fitted themselves for life with a professional or business education, or a trade if they prefer. This privilege was fostered and passed by the Democrats, and opposed by the majority of Republicans. Some of them have turned their backs on the Democratic Party that their fathers and grandfathers helped build, and are supporting a candidate that a Special Interest Group started four years ago to elect, also to destroy the Democratic Party, especially in the Solid South.

DID YOU VOTE IN THE JULY PRIMARY?

If you did, your ticket read "I AM A DEMOCRAT, AND I WILL SUPPORT THE NOMINEE OF THIS PARTY." This is a solemn and binding pledge.

Don't let the Governor of Texas (who has been taken over by the foes of the Democratic Party) or anyone else tell you that the Amarillo Convention released you from your pledge. The Amarillo Convention, though selected by our Governor, was not a Democratic Convention, attempted to camouflage and release you from your Democratic Pledge, but the Convention lacked authority. You voted, you took the pledge.

In July, the National Democratic Convention in Chicago did, by overwhelming majority, endorse the Party Pledge. The Rules Committee ruled that no delegation would be seated, if it refused to take the party pledge. The Texas Delegation, headed by your Governor, took the Loyalty Pledge in order that his delegation might be seated.

Your Governor stood before the microphone, with radio and TV carrying his pledge to more than one hundred million people throughout the United States and acknowledged that he took the Democratic pledge without reservation. He pledged to see that the names of Democratic Nominees were placed on the ballot in Texas.

The Amarillo Convention, which was dominated by Dixiecrats, Texas Regulars, and Democrats who had deserted the Party, but friends and supporters of the Governor, made a desperate effort to override the Governor, to keep the Democratic Nominees off the Democratic ticket; by the help of Loyal Democrats, the Radical Democratic haters were defeated.

Your Governor, after taking the solemn pledge before a hundred million people, that he would support the nominee, has now gone back on his pledge, and is introducing the Republican nominee, an honest, honorable Democrat to break their pledge and vote for the Republican candidate for President of the United States. Honest people should resent the leadership of a Governor who does not regard his word or his pledge if it serves him best to break it. A man whose word cannot be depended upon is unfit for Governor, or to tell you how to vote.

If you want to be sure you are voting right, VOTE THE DEMOCRATIC TICKET STRAIGHT. The Democratic Party gave the farmer, the laboring man and the little man a chance.

PLEASE do not give aid to the powerful Corporations, the power-bought Press, the powerful selfish-interest groups, who have, for the past four years, shot rotten propaganda to you daily, in order that they may wreck the Democratic Party in the South, in order to have the National Government controlled by their liking and benefit.

Be sure you VOTE! The Opposition, mostly in large cities, will turn out a full vote. YOUR VOTE is the only way you will have any voice in your government.

GMC TRUCKS

GASOLINE—4,500 GVW to 90,000 GVW
DIESEL—10,500 GVW to 100,000 GVW

HERE'S the new gasoline-powered GMC Model 472-30A—the tractor that will haul more payload within the 45,000 GVW limit than any ever built, by as much as 1,200 EXTRA pounds of cargo in some cases!

Fueled and ready for the road, this revolutionary new highway tractor weighs a trim 8,000 pounds—the result of new engineering techniques, developed by GMC, which eliminate load-robbing "dead weight" from truck design.

A good example is this GMC's revolutionary new "302" valve-in-head engine—pound for pound the mightiest

in truck history. It achieves a record-breaking 7.2 to 1 high-compression ratio from regular fuel, produces 145 horsepower—yet weighs as much as 500 pounds less than competitive engines!

It has all the features you want in a great truck. Standard equipment includes full air brakes and husky rear axle rated to accommodate 10:00/20 tires. Available in conventional and cab-over-engine models in a variety of wheelbases.

It's waiting—ready to haul a bigger payload than you've ever been able to put behind your tractor before!
