## Mrs. Leon Gilliam Dies Thursday at Family Home

Mrs. Cecil Hughes Gilliam, wife of Leon Gilliam, died at the family home in this city at 5:35 a. m. today, following an acute heart attack. Mrs. Gilliam had been slightly ill for several days, but her condition was not considered critical.

Funeral services will be held at the First Baptist Church Friday at 3:00 p. m., with the Rev. M. D. Rexrode, officiating.

Born Oct. 11, 1882 at Belton, she was the daughter of the late Mr. and Mrs. S. A. Hughes. She came with her parents to Haskell in 1905. She married Leon Gilliam of Tyler June 8, 1909, and they had made their home in Haskell since then. Mrs. Gilliam, a member of the Baptist Church since girlhood, was active in women's work of the church and Sunday School as long as her health permitted.

She is survived by her husband Leon Gilliam of Haskell; two sons, Fred Gilliam, Haskell, and Bob Gilliam, Richmond, Calif.; a daughter, Mrs. Clifton Cobb of Haskell; several grandchildren two sisters, Mrs. W. E. Kirkpatrick of Dimmitt and Mrs. R. R. English of Plainview; and two brothers, A. M. Hughes of Bartlesville, Okla., and Sam Hughes Carlsbad, N. M. A son, Dr. Hughes Gilliam, preceded his mother in death in 1949.

## Attends Conference of Ministers in Portales, N. M.

John Barry, Minister of the First Christian Church, was in Portales, N. M., Tuesday where he attended a one day conference of Christian Church Ministers of West Texas.

## C. L. (Pat) Lewis Appointed County Treasurer

C. L. (Pat) Lewis, assistant in the County Treasurer's office since July, 1952, Monday was appointed by the Commissioners' Court as successor to the late Byron Wright, who died last Friday while serving his fifth term as County Treasurer.

The appointment is for the unexpired two-year term which ends Dec. 31, 1954.

Mr. Lewis, long-time resident of Haskell, was railway express agent here for almost 40 years prior to his retirement from that position in July, 1949.

Selection of Mr. Lewis for the post was made from five applications for the position: Lewis, Mrs. Faye Thompson, Mrs. Truett Cobb, Elmer Wheatley, and Eddie Keiso.

At their meeting Monday, Commissioners also renewed contracts with the Farmers National Bank of Rule as depository for county funds for the next two years.

### County Treasurer Byron Wright, Veteran Official Dies Friday in Abilene Hospital

BYRON WRIGHT

Byron Wright, 70, County Treasurer and a member of an early-day family in this section died Friday, Feb. 6 at 5:30 p. m. in Hendrick Memorial Hospital Abilene. He had undergone major surgery early Friday, from which he had rallied and apparently was recovering.

Death of the veteran county official came within less than two weeks after the death of his mother, Mrs. Theo Wright, who died January 27 at the age of 95. Mr. Wright was serving his fifth term as County Treasurer. He was first elected to that office in 1932 and had subsequently served in that capacity at three different intervals during the past 20 years.

Funeral for Mr. Wright was held at the First Baptist Church Sunday at 2:00 p. m., with the Rev. M. D. Rexrode, pastor, officiating. Burial was in Willow Cemetery under direction of Holden Funeral Home.

Active pallbearers were Cannon Roberts of Gove, Henry Atkinson, Bob Cousins, Royce Adkins, Tom Davis, C. L. Lewis, Oscar Oates and W. P. Trice.

Born March 19, 1882, near Meridian, in Bosque County, Texas he came with his parents to Haskell County in 1889. As a young man, he was employed as a railroad worker for several years. Following an accident in which he was severely injured, he was associated with his mother in operating the Wright Hotel here for a number of years. Later he devoted his time to farming near Haskell until his election as County Treasurer. Mr. Wright never married.

He is survived by three sisters, Mrs. J. E. Bernard of Haskell, Mrs. Ann Warren of Wewoka, Okla., and Mrs. Gladys Mundy of Abilene; and a brother, Wilbur Wright of Waco.

Named as honorary pallbearers were John Jones, John A. Couch, Albert English, Ross Pearsey, Alfred Turnbow, Clay Smith, John Oates, Andy Landess, Roy Frierson, John Willoughby, Roy Ratliff, Austin Coburn, C. E. Phelps, Thos. B. Roberson, Bailey Guess, Hallie Chapman, John Rike, Roy Morgan, Horace Oneal, Shelby Johnson, C. M. Conner, J. D. Roberts, Jim Darden, Al Cousins, T. P. Perdue, R. T. Landess, Skeet Miller.

Assembly of God Revival Meeting Now In Progress

Growing interest and increasing attendance nightly is reported in the revival meeting at the Assembly of God Church which began Sunday night and will continue through the coming week and possibly longer.

The Rev. J. L. Harman of Saxton, Mo., is evangelist for the revival, and is bringing a series of interesting messages. Services are held each evening beginning at 7:30, with special music and singing a feature of each service.

The Rev. S. M. Malone, local pastor, is assisting in the meeting.

HASKELL VISITORS  
Mrs. H. B. Brown and daughters, Linda and Barbara of Ballinger and Miss Linda McCowan of Kerens visited Mr. and Mrs. F. L. Peavy over the week end.

Construction work was started Monday on a new \$100,000 theatre building to be erected by Theatre Enterprises, Inc., of Dallas on a site on North Avenue E, north of the Haskell National Bank and Lane-Felker Buildings.

Foundation for the 50x140 foot structure is being run, and material for the modern brick building, which will be fireproof throughout, is being placed on the site.

O. C. Lawler of Lamesa, construction superintendent on the new building, said Tuesday that approximately four months would be required for completion of the building.

Contractor on the project is Jess Waller of Roswell, N. M., and Harvey C. Allen and Howard C. Allen, of Lamesa, are the architects.

The modern new building will be a stadium type theatre, similar in style to new showhouses in the larger cities. Equipment will include the latest in sound and projection units, the latest type screen, and velour and spring cushion seats throughout, in both main auditorium and balconies. The entire building will be air conditioned for summer and winter.

Seating capacity will accommodate 825 patrons, in the auditorium and balconies.

Spacious lobby of the theatre will also house offices, concessions spaces and rest rooms. A separate outside entrance will accommodate colored patrons.

The new theatre will replace the Texas Theatre on the south side of the square, which was destroyed by fire early in December, 1952.

## T. J. Cannon, 90, Prominent Rule Resident, Dies

T. J. Cannon, 90, prominent retired farmer of Rule and resident of Haskell County almost 40 years, died at 7:30 a. m. Wednesday in the Haskell Hospital after an illness of several months.

Funeral for Mr. Cannon was held Thursday at 2:30 p. m. at the First Methodist Church in Rule, with the Rev. S. H. Sally, pastor, officiating.

Burial was in Rule Cemetery under direction of Gauntt Funeral Home of that city, with grave-side rites conducted by the I. O. O. F. Lodge of Rule, of which he long had been a member.

Nephews of Mr. Cannon were pallbearers.

Mr. Cannon was born Sept. 17, 1862 in Georgia. He came to Texas when a young man, and moved to Jones County in 1888. He moved to Haskell County in 1914, and operated a farm west of Rule for many years. He retired several years ago because of advancing age.

Mr. Cannon had been a member of the Methodist Church most of his lifetime.

Survivors include his wife, of Rule; four daughters, Mrs. Lena Sadler of Haskell, Mrs. Dena Lewis of Rule, Mrs. Sidna Griffin of Littlefield, Mrs. Ruth Finley of Lubbock; two sons, Lee and Floy Cannon, both of Rule; 25 grandchildren and 28 great-grandchildren; and one sister Mrs. Lizzie Lechner of Mena, Ark.

## Feb. 20 Designated As "World Day of Prayer"

"The World Day of Prayer" has been designated for Friday, Feb. 20 by the General Department United Church Women of the National Council of churches. The theme is "Walk as Children of Light."

The program for this year's observance in Haskell is being planned by a committee of women from the Methodist, Christian and Presbyterian churches. The program will be at the Presbyterian Church at 3 p. m.

All Christian women are called to be a part of the globe-encircling chain of prayer that shall continue to rise on continent and island in more than 1,068 languages on this day to proclaim that Christ is Savior of men, the Prince of Peace—our only Hope the Light of the World.

## IN FORT WORTH HOSPITAL

Jean Bird who is employed by the Greyhound Bus Lines in Abilene underwent bone surgery in St. Josephs Hospital in Fort Worth last Friday. She will return in about 10 days to the home of her parents, Mr. and Mrs. Alvis Bird in this city.

New HHS band director Merl Jenkins, formerly of Toledo, O., began his work with the 85-member band organization this week. A graduate of NTSC, he has a Bachelor and Master's degree in music from the Denton College.

## Weinert Club Boy Has Top Calf In 4-H Club Boys Show

For the second consecutive year Wayne Josselot, Weinert 4-H Club boy, captured top honors in the annual Haskell County Boys Livestock Show, held Saturday in Weinert.

Josselot's lightweight calf from the herd of Tom Donnell of Eliasville was named champion over 13 other top calves exhibited in the annual boys show.

Wayne, 17, son of Mr. and Mrs. M. C. Josselot, is a junior in Weinert High School and has been in 4-H Club work only two years, winning the Haskell County championship title his first year as a feeder.

He plans to take the calf "Donnie" to Wichita Falls for the annual show opening there Feb. 18.

The reserve champion named Saturday by Hanson was the first-place winning heavyweight belonging to Dub Sims, son of Mr. and Mrs. Frank Sims, Sr., of Stamford, Rt. 1.

Dub's calf was bred by Brown and Davis of Wichita Falls and will also go to Wichita Falls.

The best pair of calves shown by one boy was a duo belonging to Lester Hutchinson, son of Mr. and Mrs. Bob Hutchinson of O'Brien. They were bred by Tom and J. D. Donnell of Eliasville. Second best pair was shown by Dub Sims.

Other winners in the Haskell show which will go to Wichita Falls include those shown by Larry Wheeler, John Gannaway, Bill Thomas, Durwood Wheeler Hutchinson and Jerry King.

The calves were rated prime good, and choice by Judge Hanson, with blue, red and white ribbons being awarded as follows: Lightweight class, blue ribbons—Wayne Josselot and Lester Hutchinson; red ribbons—Larry Wheeler and Durwood Wheeler and Bill Thomas.

Heavyweights, blue ribbons—Sims (2) and Hutchinson; reds—Durwood Wheeler, Jerry King, Josselot, Christy Royall, and Larry Wheeler.

Judge of the show was Gerald Hanson, assistant County Agent of Taylor County and a former Paint Creek 4-H Club boy.

The show attracted a number of farmers and livestock breeders of this section, who praised the quality of the animals fed by the youths.

All blue ribbon steers were given cash awards of \$23.60. All red ribbons steers were given \$17.70. All white ribbon steers were given \$11.80. Total of \$305.50 was given the winners. The finance committee with W. L. Medford chairman, M. C. Josselot and Bob Hutchinson wish to thank

## Haskell County History

20 Years Ago—Feb. 16, 1933

Hunt's Dry Goods Store was burglarized sometime Sunday night or early Monday and about \$100 worth of merchandise and a small amount of money was taken. The burglars gained entry by breaking a window in the rear of the building and carried out

the merchandise through the window.

More than 100 people, mostly farmers of Haskell County, attended a mass meeting at the courthouse Monday afternoon in protest of the action of the Commissioners Court recently in withdrawing the appropriation for the

County Agent of Haskell County Mr. and Mrs. Frank Spencer and children have returned from a six weeks visit in New Orleans, Vicksburg, and other points of interest in the Deep South. Local firemen were somewhat bewildered Thursday afternoon when they answered an alarm at 2:30—and found two fires, several blocks apart. The original alarm came from the Bob Herren home where a short circuit in the electric wiring had caused considerable smoke. Firemen rushed to the Herren home, and en route noticed smoke pouring from a garage at the home of Willie Johnston, near the High School. After quickly extinguishing the small fire at the Herren residence, they made a run to the Johnston fire. On arrival, the garage had been practically destroyed, together with a quantity of home-killed meats and some feed. Firemen were able to prevent spread of the fire to the nearby residence. Mr. and Mrs. Oscar Oates left Thursday afternoon for Fayetteville, Ark., to be at the bedside of her mother, Mrs. Harbison, who is ill.

Farmers in the area around Haskell have begun work again after being slowed by last week's cold weather.

30 Years Ago—Feb. 16, 1933

The City of Rule held a bond election Monday, and voters approved a \$53,000 waterworks bond issue. Water mains will be laid to all sections of town and a modern waterworks system will be installed.

The Farmers Gin Company has purchased a site for their new gin, to be located between the Sanders Gin and the Electric Gin east of the square, and work on the new plant will be started in late spring. E. F. Lamm will have charge of building and operating the new gin.

The two new Dodge fire trucks recently purchased by the City Council arrived this week and have been placed in service. Both trucks are combination hose and chemical units, and each will accommodate 1,200 feet of two and one-half inch fire hose, ladders, nozzles, and other fire-fighting equipment.

M. M. Robinson, one of the county's leading poultrymen who lives in the Roberts community this week received three cockerels from a reliable breeder in town and they are to head his pens this season.

Miss Nellie Crouch, who lives with her brother, Pearl Crouch six miles west of town, underwent an operation for appendicitis at the Stamford Hospital Monday. She is reported recovering rapidly.

Mrs. N. I. McCollum left Sunday for Cisco, where she will visit her mother, Mrs. John L. Woods.

Alvy R. Couch of the Weinert State Bank was here on business Monday.

D. M. Guinn of Sagerton was here Tuesday, and reports his section in good condition. He thinks the snow and recent rains have been of untold benefit to that section. He says he has his plow-

ing all done and is ready to plant when the time comes.

50 Years Ago—Feb. 14, 1903  
Mrs. Harry Dougherty of Jacksboro is here visiting her parents Mr. and Mrs. T. D. Isbell.

Miss Angie Baker returned Friday evening after a visit of several weeks with relatives at Hamilton.

A meeting of the Haskell Commercial Club has been called for Feb. 17 at 8 p. m. to consider the question of securing a flour mill in Haskell. R. E. Sherrill, president of the Club, says it is important that everyone attend the meeting.

F. G. Alexander sent 100 bales of cotton to Seymour this week where he sold the consignment to a buyer from Galveston.

Beginning Monday afternoon a general rain fell over this section continuing at intervals until Tuesday night, bringing total precipitation of 1.61 inches.

The Commissioners Court has appointed Dr. A. G. Neathery County Health Officer. He succeeds Dr. Coston, who resigned. The Court also appointed R. E. DeBard as Precinct 1 Constable and he filed the required bond and qualified. Among other business transacted was sale of the old Lake Creek bridge on the Seymour road for \$21.85.

Advertisers in this issue of The Free Press: J. M. Schwartz, bootmaker; J. F. Foote, watchmaker and jeweler; Alexander Mercantile Co.; T. G. Carney, groceries and dry goods; T. F. Majors, photographer; The Lindel Hotel; The Racket Store; J. W. Bell Harness and Saddle Shop; City Meat Market.

Report of the condition of the Haskell National Bank at the close of business Feb. 3, 1933, showed deposits \$99,218.93; and undivided profits, less expenses and taxes paid, \$15,301.45. The bank has capital stock of \$60,000 and surplus fund of \$12,000.

## Washington Sidelights

By GEORGE MAHON

I had my first visit a few days ago with the new Secretary of Agriculture Ezra Taft Benson, of Utah. The two Texas Senators, Congressman Poage of Waco, and I went to his office to invite him to address the American Cotton Congress in Lubbock on June 27. In addition to extending the invitation we talked about problems of agriculture in general, including such matters as farm labor difficulties, problems arising out of the continued drought, the possibility of cotton acreage controls at a future time, and other matters.

Mr. Benson was easy to talk with and seemed to be well-informed and sympathetic toward agriculture problems. I was favorably impressed with him.

The Executive Branch of the government has been in the spotlight, out the Legislative

Branch is about to get moving again. The new Congress convened on Jan. 3, but not until Feb. 3 did we have our first roll call vote on legislation. The issue was whether to give President Eisenhower broad authority to reorganize the government in the interest of economy and better management. I joined with a majority of the members in voting for the bill. As the vote was progressing one of my colleagues asked me if I knew that during the last session of Congress I had made the best record of any Texas member in answering roll calls. I had not known this, but he said that according to recent publication I had answered 97% of all roll calls, the average for members of Congress generally being 82%.

Almost inevitably a member misses a few roll calls each year because of illness or temporary absence from Washington. Of course, merely answering the roll call is just part of it; voting wisely is the more difficult part.

President Eisenhower's speech was good, but it was made in the open air and under very difficult circumstances. Last week the setting was perfect when he addressed the joint session of Congress. The members were in their seats and the galleries were packed. He was thunderously applauded. Every member was, no doubt, in disagreement with him on some issues, but all were with him on many of his proposals.

For the benefit of the television audience the President was made up for the occasion with a little face powder. Rather than the customary white shirt and dark suit he wore a pale blue shirt and gray suit. This did not mar his appearance for those personally in attendance, and it greatly improved his television appearance.

My assignment on the Appropriations Committee in the new Congress is the same as in the previous Congress except that all committee chairmanships are now held by Republican members. Hearings on money bills are already under way, and there is little doubt but that material reductions in spending requests will be made. Last year we succeeded in reducing budget requests submitted by the President in the sum of eight and one-half billion dollars.

### Guardsmen May Volunteer for Active Service, Retain Rank and Seniority

National Guardsmen in Texas who are about to receive their draft notices may now volunteer for active service for 24 months and retain their rank and seniority in the National Guard while in service. This new policy was announced by James W. Lindsey, chief of the National Guard unit in Stamford, Conn., which is the National Guard's headquarters for the state.

Under the new policy, men who are about to receive their draft notices may now volunteer for active service for 24 months and retain their rank and seniority in the National Guard while in service. This new policy was announced by James W. Lindsey, chief of the National Guard unit in Stamford, Conn., which is the National Guard's headquarters for the state.

man who is eligible for induction by Selective Service," Captain Lindsey said. "Now a person may enlist in the National Guard and obtain his initial military training while living at home, through this training to advance themselves as commissioned and non-commissioned officers, and to obtain training in military specialties of their choice prior to being called to active military duty as individuals. Also, they will receive more pay during the period of their active service."

Captain Lindsey explained that this new policy in no way affects the draft deferred status of young men who enlist in the National Guard prior to reaching the age of eighteen and one-half years. "These young men who enlist in the guard within one and one-half years after reaching their 17th birthday are still draft deferred as long as they actively participate in their National Guard training," he said.

The National Guard unit in Stamford is conveniently located so that men from towns and communities anywhere in this area may participate. The unit meets each Tuesday night in the north hangar of Arledge Field at Stamford, at 7:30. All interested persons and visitors are welcome Lindsey said.

### Cotton Aids Many Industries In Versatile Insulator Fabric

Cotton has come to the aid of industry again in an insulator material composed of layers of tightly twisted, closely woven, lightweight cotton duck impregnated with a special rubber compound. The National Cotton Council reports that the impregnated cotton fabric is used by industry to reduce destructive or objectionable effects of heavy impact shock and transmitted high-frequency vibration and noise.

Manufacturing industries use the resilient material under heavy machinery and under foundry equipment. It is said to reduce impact shock and the destructive effects of vibration under all types of heavy equipment.

The cotton material is used successfully by railroads in passenger cars, diesel-electric locomotives, steam locomotives, and various types of track structures. In passenger cars, its chief purpose is to increase passenger comfort by reducing transmitted noise and vibration. In locomotives, it absorbs impact shock and vibration, thus reducing metal fatigue and breakage. In track, it serves to reduce the mechanical wear of timbers, concrete, and steel.

Bridges also utilize the impregnated cotton to advantage. Used beneath the steel columns, pads made from the fabric adjust themselves to the bearing surfaces of the concrete foundations and insure even distribution of the load.

In buses, trucks, automobiles and boats, the cotton material is used to absorb vibration at engine and body mountings.

The impregnated fabric is used frequently for the insulation of electrical circuits at the same time that it absorbs shock and vibration.

The cotton product is manufactured in the form of pads, washers, bushings, and other specially moulded shapes for specific uses.

### Income of Texas Farmers Drops 14 Per Cent In 1952

Farm cash income in Texas during 1952 was \$1,847,708,000—a 14 per cent drop from the '51 total, the University of Texas Bureau of Business Research reports.

Most severe reverses came to producers of cotton (down \$188,000,000), cattle (down \$95,000,000), and calves (down \$44,000,000). Wool, sheep and hog revenues each were \$12,000,000 less than 1951. However, income was up from wheat (\$38,000,000), rice (\$23,000,000) and cotton seed (\$210,000,000).

Most of the total reduction resulted from price declines, the Bureau said.

### Specialist Gives Tips on Selecting Home Freezer

Are you and your family figuring on a home freezer for 1953? If so, you'll be interested in the figures on the costs of the freezer which Mrs. Eula Newman, home management specialist for the Texas Agricultural Extension Service says should be included in your plans.

The freezer itself represents a substantial investment for most families, but in addition, the specialist says, there are additional costs for operating, repair and depreciation as well as the cost of packaging food for freezing.

The purchase price of a home freezer is roughly dependent on its size. At present, a freezer of 18-cubic feet capacity cost on the average about \$30 per cubic foot. As size decreases, up to 30 cubic feet or so, cost per cubic foot decreases. To a quoted purchase price are sometimes added freight, delivery, and installation charges.

You will need to decide whether interest on the investment will be included as a cost. If interest is included, the rate used to compute the amortization charge should be based on the return that could be obtained from some other investment.

The specialist says depreciation is a cost not to be overlooked. The life expectancy of a home freezer has not yet been definitely established, but a common estimate is 10 years.

Cost of packaging materials runs around 2 cents a pound of food, even when outer wrappings are used more than once.

Operating costs vary, depending on such factors as size and design of freezer, capacity of the compressor, freezer location, and the local electric rate. To freeze a pound of food and lower its temperature to zero degree Fahrenheit for storage, about one-tenth of a kilowatt-hour of electricity is required. Energy for maintaining zero temperature in a freezer for 24 hours can be estimated at 25 cents for an 18 cubic foot size.

So if your family is figuring on a home freezer, from a straight dollar-and-cents standpoint, the answer is not so clear. The specialist says the figures show that the cost of freezing and storing a pound of food is a considerable

item. Whether, in the long run the family's food budget will be reduced or increased by use of a home freezer, depends on whether food is home-grown or purchased the kinds and quantities of food frozen and how the freezer is used. Best practice, as figures indicate, is for rapid turn-over of food in the freezer. This means using stored food, not saving it—often one of the hardest lessons for the freezer owner to learn.

### Census Records Used As Substitute For Birth Certificates

Persons lacking birth certificates or other legal evidence of citizenship, age or family relationships can obtain transcripts of their personal census records, which are, in most instances, acceptable substitutes, according to district supervisor, James M. Hamilton of the U. S. Census Bureau.

More than 100,000 Americans turned to the Census Bureau for such evidence in 1952. They needed proof of identity or age for Government and defense jobs, Social Security, passports, the Armed Services, and in connection with insurance and estate cases.

Supervisor Hamilton pointed out that personal information recorded by the Census Bureau is entirely confidential and may be furnished only upon the written request of the individual to whom it relates or his legal representatives. The normal fee is \$3.00 for searches of two censuses for one individual, each application being handled in regular turn which generally requires approximately 30 days to complete service. Expedited handling is furnished for a \$4.00 fee.

Application blanks and instructions may be obtained from the Census Bureau's District Office at 925 T & P Bldg., Fort Worth, Texas, or by writing to the Bureau of the Census, Washington 25, D. C.

Hydra-Matic drive was born in 1939 in a corner of an old body plant on Detroit's east side. Today its producer, Detroit Transmission Division of General Motors, occupies two plants and after additional construction is completed, some 2,000,000 square feet will be available for making the drive and for defense work.

A new light weight special 100 KW generator, employing silicone insulation, and weighing 1,215 pounds as compared with 2,000 pounds for standard units, has been developed by Delco Products Division of General Motors for use in airborne power units.

## Furniture Fashions

The low silhouette, which makes small rooms look larger, is the big furniture fashion news this year. These new low pieces—and it goes for living room tables as well as sofas and chairs—appear to occupy little room area but provide maximum seating and surface space.

The handsome Modern room shown above, a study in black and white, is part of a series of room scenes commemorating the 75th anniversary of Grand Rapids, Michigan, as a furniture producing city.

Interesting style notes are the walnut coffee table, which comes in a choice of decorator colors: white, chartreuse, blue and turquoise; and the leather-laced, foam rubber-cushioned "loafer," in the foreground. It is 30 inches square and seats two comfortably. Legs are ebonyed walnut.

The sectional sofa and the diversified occasional tables may be arranged in a variety of ways, depending on the requirements of the hostess—whether for the serving of party or family meals—or just for everyday living.

## Mineral Differences In Rocks Affect Wear On Highways

Mineral differences in rocks used in Texas' concrete highways are causing some sections to wear better than others, a University of Texas researcher reported.

Some minerals were found to be unstable when used in concrete, leading to chemical changes which weakened pavement, Wm. E. Barker, who had completed pavement durability studies for the Texas Highway Department said.

"Tests are being developed to discover the harmful minerals so paving materials containing them can be rejected or measures adopted to neutralize them," Barker explained. He is a civil engineering faculty member.

## Food Sense—Not Nonsense

NOT SO FAST—Take Time To Breakfast

No pilot would think of taking a plane off the ground without a motor warm-up and a fuel check, yet many folks take off for the day from a cold start, and, no food to fuel their operations.

That mid-morning slump which comes to those who hurry through a meager meal or skip it entirely is very real. School children are less alert. Workers react more slowly. Starting the day without a good breakfast isn't being fair to yourself.

Why not get into the breakfast habit when it is easiest to do. Cold, blustery days are with us and you and your children need more food to help keep you warm and comfortable. Being out-of-doors in cold weather for any length of time demands extra energy. Medical authorities advise that for each 10 degree drop in temperature, persons who will be out in the cold should step up their calories by about three per cent or a total of about 10 per cent when freezing weather arrives.

Instead of doing things by halves nutritionally, get one-third of your food needs when you need them most—at breakfast. The idea of eating one large meal in the evening won't do for the life most of us live. We are not lions who can gorge, then sleep away the day to wear off the effects. All of us need a steady flow of energy, eight hours a day. Only three well-balanced meals eaten regularly will give us this energy flow.

Here is a breakfast menu for a good warm-up on a wind-whistling day . . . fruit, cereal and milk, egg and a breakfast meat, and several slices of piping-hot buttered toast.

## School Financing Program Would Plans for Easing Classroom Shortage

Texas, Feb. 10—Chas. E. ... executive secretary of the State Teachers' Association today plans to be seriously handled. The critical classroom shortage in local school districts are to pay a bigger share of the foundation program. Schools already are paying 40 per cent of the cost of current operation of bonded debt. The difference in percentage fact that the minimum program does not represent school costs. Local districts must pay many expenses themselves. The cost of new buildings, compiled by the Texas Agency show that the cost of the 1951-52 school year was \$18,963,078. Tennyson said school districts paid 40 per cent of that amount, or \$7,597,323. The state paid \$11,365,755, or 59.7 per cent. The federal government contributed 1.7 per cent, or \$321,713, mostly for lunch program. Tennyson said 33,000 children in elementary schools must be less than a full use of the classroom. Tennyson said, "Out of districts are putting as is feasible into new buildings. Many plans for new school construction may have to be scrapped if local contributions to the minimum foundation fund is increased." The limit on local contributions to that fund now stands at \$45,000,000. "Many other states grant financial aid to local schools for construction purposes," Tennyson said, "but in Texas the need for buildings and facilities must be met by the local communities themselves." "Many of the other states help pay construction costs," Tennyson said. "In recent years, Virginia set aside \$45,000,000 for that purpose while Washington appropriated \$40,000,000, North Carolina \$25,000,000 and Delaware \$13,000,000. California recently made available, in two separate moves, \$55,000,000 and \$70,000,000 to help local school districts meet building costs, in addition to \$250,000,000 earmarked for long-range building program. Massachusetts pays up to 65 per cent of the construction costs for school buildings." The local school districts in Texas have made no plea for similar grants, Tennyson pointed out. On their own initiative, they are doing their best to alleviate the critical classroom shortage which forces 33,000 students in elementary schools to be less than a full use of the classroom. Tennyson said, "It should be noted," he said

"That the Gilmer-Aikin bills protect local control to the fullest extent and not a single bill has been introduced in the Legislature that would alter or take away local control. Nor would we support any measure that would tend to centralize the control of education."

**Mr. and Mrs. J. A. Carrigan Observe Golden Wedding Anniversary Here Sunday**

Mr. and Mrs. J. A. Carrigan long-time resident of this city observed their Golden Wedding anniversary at their home Sunday.

Open house was held from 2 to 3 p. m. when more than 150 friends and neighbors called or sent gifts. Also present for the happy occasion were most of Mr. and Mrs. Carrigan's children and grandchildren.

Mr. and Mrs. Carrigan were married Feb. 8, 1903 at Comanche, Texas, where their families were early settlers. Mrs. Carrigan was the former Elsie Elizabeth Hancock, daughter of the late Mr. and Mrs. Wm. Hancock.

After their marriage, Mr. and Mrs. Carrigan made their home in Comanche County, and in 1923 moved their family to this section where he engaged in farming until his retirement several years ago.

They have five children: A. H. Carrigan of Haskell, W. J. Carrigan of Throckmorton, A. A. Carrigan of Beatrice, Neb., Mrs. J. J. Bobo of Fort Worth, and Mrs. E. E. York of Beatrice, Neb. They also have ten grandchildren and seven great-grandchildren.

Among the out-of-town callers during the afternoon were Mrs. Maud Hancock and E. Z. Hancock of Dublin, Mr. and Mrs. Jack Vineyard of Comanche, Mr. and Mrs. Bonnie Hancock of Rochester, Scotty Oman, Weinert, Mr. and Mrs. Geo. York and Karen, Mr. and Mrs. C. H. Chandler and Rebecca, Mr. and Mrs. B. H. Gentry, Deborah and Wayne, Mrs. Bill Henry, Mr. and Mrs. Hugh Carlton, Mr. and Mrs. J. J. Bobo, T. L. Carlton and Patsy, all of Fort Worth, Mr. and Mrs. W. A. Hancock of Rotan, Mr. and Mrs. Roy Carter and Diana, Mr. and Mrs. J. O. Hughes of Stamford, Mr. and Mrs. J. B. Dunham and Mr. and Mrs. Keith Cartwright and Joe, of Knox City.

**What every girl should know about COOKING...**

It's so easy to bake, roast or broil with an Electric Range... no flame, less shrinkage of roasts, cleaner cooking, and a cleaner kitchen.

You can plug in the coffee-maker the night before, set the automatic clock timer, and coffee's ready when you get up in the morning—you can plug in the toaster or other appliances, too.

The deep-well cooker has many uses, not only for meats—but many other things—to make large quantities of coffee or cocoa at party time, to sterilize baby's bottles—and even to pop corn!

**DID YOU KNOW with an Electric Range you can:**  
Keep foods warm for long periods on low, gentle heat of surface units... prepare jams and preserves under broiler unit... use controlled, measured heat to cook frozen vegetables and fish without water, in aluminum foil on surface units... "prove" yeast dough in warming oven... freshen rolls by wrapping in aluminum foil and placing on surface unit on low heat for a few minutes?

"Yes, Judy, an Electric Range takes the guess work out of cooking and practically does the job itself. You can call it 'cooking without looking' because you put a meal in the oven, set the automatic controls, and forget it while you're doing something else."  
"Another thing I like is the way you can cook on the surface units. Set the switch for the heat you want and you get it."  
"Cook cheaper cuts of meat in the deep-well cooker, and you get delicious meals. Cakes and pies come out right every time. Broiling's a delight. You cook vegetables with so little water they retain both their flavor and their healthful vitamins."  
"You're sort of fond of your Electric Range, Mom—and I understand why!"

Mrs. Irene Ballard had charge of the devotional. She introduced Misses Frances Mullins, Bessie Chamberlain and Don Payne who sang a trio accompanied at the piano by Miss Dorris Chapman who played for the group to sing "An Evening Prayer." Mrs. Thompson led in prayer after the scripture reading by Mrs. Ballard.

Members started the study of African Heritage. Mrs. Tom Jones gave a wonderful introduction of the study by using a large map of Africa demonstrating the various cities, mountains, rivers and telling of the different races, their locations and of the industries there; giving everyone a vivid picture and a very good insight of the whole country that will make the study course much more interesting.

Mrs. Tom Coyle gave a very interesting report of the first chapter of the book.

The hostesses served a delightful refreshment plate consisting of heart-shaped cookies and sandwiches denoting the Valentine motif with coffee and candies.

**Mrs. Van Hook Stubbs, TFWC President, Guest Speaker at Progressive Study Club**

The Progressive Study Club entertained a distinguished guest last week, when Mrs. Van Hook Stubbs of Wortham, president of the Texas Federation of Women's Clubs, was honor guest and speaker at the club's Federation and Guest Day program Thursday evening, February 5, in the Home-making Cottage.

Guests attended from the Stamford Pierian Club, the Throckmorton '39 Study Club, the Hamlin '53 Study Club, the Anson Woman's Club and the Anson Tuesday Club, the Weinert Matrons Club, the Haskell Magazine Club and the Rule Socratic Club.

The two goals, or desired "destinations" of the club woman's road, Mrs. Stubbs said, are world peace and the improvement of conditions in her community, state and nation. Guide post noted included teaching fundamental American virtues; encouraging fellowship; making time for reflection; rededication and renewal of reverence for God and respect for life; developing consideration of the rights of others, participating in community, state and national civic duties.

The federation has an educational project on teaching the evils of alcoholism she said, attacking the problem through safety and mental health; the federation is active in legislation for better government; works with the agencies that are working toward making life better for people through health and social organizations; working toward bet-

ter world understanding in the present federation project of help for children in Austrian hospitals and letters to foreign friends' project, and the GYA project where each club member sends three yards of dress material to a German woman or girl.

Particularly is the Texas federation interested in helping make Texas better physically through the conservation of its natural resources, Mrs. Stubbs said.

Mrs. Stubbs was introduced by the vice president of the club Mrs. Robert Wheatley, Mrs. R. A. Lane, president, greeted guests.

Mrs. Frank Martin and Mrs. Roy Everett accompanied by Mrs. Wilda Medford sang "Just a Wearyin' for You," "My Heart Stood Still," and "Indian Love Call."

Mrs. J. U. Fields, former TFWC president, was introduced. State and district board members were recognized.

Registering the approximate 100 who attended was Mrs. Lynn Waldrip. Registry table held arrangement of blue iris and white gladioli accenting the state federation colors.

On the speaker's table were a miniature automobile and road signs, this year's club symbols representing the Haskell Club's study program theme, "Today's Journey for the Citizen Home-maker."

Host committee was Mrs. Viars Felker, Mrs. Bill Holden, Mrs. Wix Currie and Mrs. Bill Lawson and Mrs. Floyd Rich.

A reception was held for Mrs. Stubbs in the home of Mrs. Ed Hester. Refreshment table was laid with an imported cutwork banquet cloth and appointed in silver. A styrofoam outline map of Texas was based with blue lilies of the Nile. A blue satin ribbon

## Timely Tips

While much is being said and done about the mounting accidents on our highways, the home, presents many major perils. Accident prevention in the home begins with caution, especially if there are little children.

Don't let the tots play freely in the kitchen, particularly when you are busy cooking. Put them in a high chair or play pen, or, if they are older, let them play in their room. Warn the youngsters of the dangers of electricity, and be sure all electrical appliances are placed far from reach of the bath tub.

Cooking over the kitchen range in a frilly costume may result in a serious, perhaps fatal burn. It only takes a wisp of fabric to attract fire.

These are but a few of the precautions. The old rule—"An ounce of prevention," though trite, is still a wise old adage to follow.

### Pupils of Fourth Grade Visit Free Press Plant

Pupils in the fourth grade of Haskell Elementary schools taught by Mrs. Bill Nellums, visited the Free Press Thursday afternoon. The children were shown the newspaper press and folding machine in operation, and watched the addressing and wrapping of the paper after it was printed. Operation of Linotype machines in setting type was also explained to the children.

In the group visiting the plant were: Charles Lawson McWilliams, James Clifton Davis, Lon Dennis McMillen, Joe McCurdy Beverly Helweg, Bonnie Brown David Merchant, Emmett Thomas Phillip Bledsoe, Wendel Matthews, Mary Lou Soloto, Mary Knighton Mary Lou Polston, Fatsy Joyce Bartley, Jackie Weaver, Myra Stephens, Jane Bynum, Betty Usery, Gary Allison, Linda Huggins, Brenda Childress, Linda McDonald, Stella McNeil, William Curtis Payne, Isabell Tonche Gary Wayne Maroney, Charles Crowley, J. D. Stocks, Jerry Don Hunt, and their teacher Mrs. Bill Nellums.

U. S. President Jefferson never exercised his veto power.

### Research Develops Vaccine Against Poliomyelitis

Reports of a vaccine capable of preventing polio and the use of gamma globulin for minimizing the effects of the disease are heralded as major achievements in the research against this greatcrippler and killer of children. Dr. Geo. W. Cox, State Health Officer, warns that both are still in the experimental stage. While they hold great promise much study will yet have to be done before being available to the general public.

In the meantime, Dr. Cox advises that everyone observe the known rules of sanitation. These practices have proven their value not alone in the prevention of polio, but of other diseases such as typhoid fever, dysentery and malaria. Even when a definite preventive of polio is available to the public they should not discontinue their efforts toward maintaining sanitary surroundings.

Sanitation efforts should be carried out every month and every day in the year. Household business houses and industry are responsible for keeping their property in sanitary condition. Cities must furnish an uncontaminated water supply, maintain an efficient sewage disposal system and proper garbage collection and disposal.

Dr. Cox placed the responsibility on the individual when he said, "If you have been lax in maintaining cleanliness of your surroundings during the past few months, now is a good time to start an intensive clean up. Texans can help prevent disease and assure themselves of better health by maintaining a high standard of sanitation."

An official residence is not provided for the U. S. vice president.

# News From Sagerton

BY MRS. DELBERT LE FEVRE

The Sagerton P-TA will hold its regular meeting Tuesday evening, Feb. 17, in the school auditorium at 7:30. After the business meeting Mrs. L. Dippel and her third and fourth grade pupils will present a short program and Mrs. Hubert Bell, music teacher, will introduce her pupils in a short program of piano music. Mrs. Herbert Nierdeck is acting as program chairman for this month and Mrs. Barry Ross is refreshments chairman. Next month the P-TA will hold its annual amateur program.

The Rev. Zuker from Schulenburg was installed as pastor of the Zion Lutheran Church here last Sunday evening by Rev. H. Bauman of Abilene, who has been conducting services here while the church was without a pastor. After the services, a social was enjoyed in the parish hall and the pastor and his wife were welcomed with a "pounding."

The Zion Lutheran Men's Club is scheduled to meet in the parish hall at 7:30 Thursday evening of this week. The Ladies Aid will meet Thursday afternoon in the parish hall with Mrs. A. Miers as hostess.

Guests in the Cliff LeFevre home Sunday were Mr. and Mrs. J. S. LeFevre and daughters Jefflyn and Kathryn of Coleman and Mr. and Mrs. Reece Clark and Glenda and Mr. and Mrs. Delbert LeFevre and children.

Bill Stanhope was honored on his birthday Wednesday, Feb. 4 when the following group gathered in the Stanhope home for a party: Mr. and Mrs. B. Kupatt and Patricia, Mr. and Mrs. F. A. Stegemoeller, Mr. and Mrs. Alfred Hertel, Mr. and Mrs. Jack Quade and daughter, Mr. and Mrs. Chas. Clark, Bob and Steve, Mr. and Mrs. Audy Vee Neinst of Hamlin, Mr. and Mrs. Henry Laughlin, Mr. and Mrs. Oscar Neinst, Lillian and Loretta and the honoree hostess and daughter, Phyllis.

Services will be held at St. Paul's Lutheran Church next Sunday evening at 7:30 instead of in the morning and there will be no Sunday School.

Emil Stremmel was honored with a birthday party Feb. 2 by his parents, Mr. and Mrs. Albert Stremmel and his sister, Hilda Games of pinocle and samba were played and songs were sung. The following group enjoyed refreshments: T. L. Thane and Leland of Stamford, Mr. and Mrs. Herbert Stremmel, Larry and Linda, Mr. and Mrs. August Ender and Gene, Mr. and Mrs. Bill Bradshaw and family, Mr. and Mrs. Leo Monse and Geneva, H. Hagemester, Mrs. Emma Ender, Fritz and Christine, Miss Mathilda Nehring, Mr. and Mrs. Norvell Lehmann, Margie, James and Sara Lehrmann, Mr. and Mrs. Adolph Helm, Lois and Jeanette, Mr. and Mrs. Bruno Kupatt, Fred and Patricia, Mr. and Mrs. Werner Tichelman, Fred and Robert Monse, Mr. and Mrs. August Angerman, Mr. and Mrs. Emil Kainer, the honoree and his family.

Mrs. L. Schroeder is spending this week in Stamford with Mr. and Mrs. Eldon Anderson. Mrs. Anderson has been on the sick list recently.

Mrs. Cliff LeFevre and Mrs. John Clark attended a district WSCS meeting at Tuxedo Tuesday afternoon of last week.

Mr. and Mrs. M. Y. Benton visited the latter's parents, Mr. and Mrs. L. E. Marr in Haskell last Sunday.

Mr. and Mrs. Zenor Summers and children visited relatives in Ardmore, Okla., and in Fort Worth last week end.

Mrs. D. W. Counts entertained a group of 4-H Club girls in her home Thursday afternoon of last week. Mrs. M. Y. Benton showed the girls how to dress a small doll with chenille. Present were Mrs.

Benton, Mrs. H. Nierdeck, Jeanette Helm, Sue Hertel, Judy Guinn, Dean Sellers, Mary Elias Margie Counts, Dorothy Bredthauer, Terry Gholson, Lyzabell LeFevre and Mrs. Counts and Sherry. Peppermint milk shake and Valentine cake was served.

### Attend Rites For Finis Rice In Fort Worth Monday

Mr. and Mrs. Jim Alvis, Mrs. T. N. Alvis and Mrs. Rice Alvis of this city attended the funeral of Finis Rice in Fort Worth Monday. The rites were held at 2 p. m. and burial was in Greenwood Cemetery in that city.

Mr. Rice, 71, died at 6 p. m. Friday, Feb. 6 in El Paso, after suffering a heart attack. He was a brother of Mrs. I. N. Alvis and had visited in Haskell on numerous occasions. Mr. Rice also was a half-brother of the late Mrs. M. S. Pierson, pioneer resident here.

### Pfc. Edgar Schmidt Completes Tour of Duty In Germany

With The 43rd Infantry Div. in Germany—Army Pfc. Edgar L. Schmidt, son of Mr. and Mrs. Albert Schmidt, who live in Sagerton is returning to the U. S. after a tour of duty with the 43rd Infantry Division in Germany.

World War II veterans will remember this same division joined in the 1945 assault landing at Lingayen Gulf, Luzon of the Philippine Island and drove on to engage the enemy in the Zam-

bales Mountains. In May of that year they captured Ipo Dam. Private First Class Schmidt, a 57 Recoiless Rifle gunner, in Company K, 172nd Infantry Regiment, came to the European Command in July 1952. He attended Bunker Hill school before entering the Army in February 1951.

### Calvin J. Henson, Jr., Receives Degree At SMU Law School

Calvin J. Henson, Jr., son of Mrs. Calvin Henson of Haskell was granted the L.L.B. degree by the Law School of Southern Methodist University in Dallas Saturday, Feb. 7.

Mr. Henson who is a CPA and also holds a B.B.A. degree, does not plan to enter legal practice but will use his knowledge of law in his present position in the appellate division of the Internal Revenue Board of the Federal Government.

Mrs. Henson has just returned from Dallas where she, together with his wife and two young sons, Jim and John, saw the conferring of the degree on her son and later attended a party in his honor at the home of his uncle and aunt, Mr. and Mrs. Mitchell Wyche in University Park.

He was also honor guest on the following Wednesday evening at a dinner party hosted by other members of the board.

### CARD OF THANKS

We want to use this method of expressing our gratitude to all around Haskell and Weintert and vicinity who were so kind and thoughtful during the illness and death of our husband, father and son, John F. Woolsey. We are grateful for your prayers, visits your cards, letters and for the beautiful floral offering.

Especially do we thank Holden's Funeral Home, Rev. Temple Lewis and those who contributed to the love offering.

May God's blessings rest upon each and everyone who helped lighten our burdens in any way. Mrs. John F. Woolsey, Jack Barbara and Tommy (Lubbock). Mrs. Ada Woolsey (Odessa).

### Social Security Representative To Be Here Feb. 19

Ralph T. Fisher representing the Abilene office of the Social Security Administration, will be at the Chamber of Commerce office in Haskell at 11 a. m. Thursday, Feb. 19. His next following visit will be at the same time on March 19. In making this announcement Fisher, manager of the Abilene office, called attention to the fact that many persons who were not under social security until January 1, 1951, have not worked long enough to have retirement or survivors protection under the old-age and survivors insurance system. Among these groups that had not had the protection before are most self-employed, regular farm and household workers some city and county employees and a number of other groups. Any person who is now over 65 years of age, and who has at least 1 1/2 years of work under social security, either as an em-

ployee, or in covered self-employment now has in enough time to qualify for payments upon retirement. Any such persons are urged to check up on their rights now, particularly if they are not now in some type of work that is covered under the law. Persons who are 75 years of age or over and who have worked the required time, can qualify for payments now, whether they have retired or not, since there is no retirement condition after this age is reached. In any case where a worker has died, some member of his family should check with the Social Security Administration as to whether any payments may be due. This should be done in any case where the worker had been under social security at any time and in any case where he had military service during World War II or later. Persons needing information or any of the above points are invited to call at the time and place shown above. Mail inquiries may be addressed to the Social Security Administration, Abilene, Tex.

### Two Haskell Men At Lackland Air Force Base

Two Haskell men, Delbert Rose, son of Mrs. Opal Rose, and John B. Flannery, son of Mr. and Mrs. C. S. Flannery, are completing their Air Force basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School. Their basic training is preparing them for entrance into Air Force technical training and for assignment in specialized work. The course includes scientific evaluation of aptitude and inclination for following a particular vocation and career.

### Sgt. Tom B. Barnett Returning To U. S. From Germany

With The 43rd Infantry Div in Germany—Sgt. Tom P. Barnett, son of Mrs. J. R. Barnett, Route 1, Haskell, is returning to the U. S. after a tour of duty with the 43rd Infantry Division in Germany.

A former New England National Guard outfit, the division came to Europe in October 1951 and joined the NATO Army.

Sgt. Barnett arrived in Europe in July 1952 and served as a cook in Company D, 172nd Infantry Regiment of the 43rd.

Before entering the Army in February 1951 he was employed as a truck driver for B. T. Gordon in Haskell.

Mr. and Mrs. G. T. Blount and sons, Fred and Tommie of Plains, Texas, are visiting in the home of Mrs. Blount's mother, Mrs. G. S. Medford, and her sister Mrs. W. A. Fowler and family and other relatives and friends here this week.

### Cutworms Causing Damage to Small Grain In Area

Reports have been coming in the County Agent's office that cutworms are emerging from the fence rows and are causing considerable damage to wheat fields. Cutworms are causing considerable trouble in the Crowell area and have been reported causing damage in the northeast part of Haskell County. C. P. Baker of Munday reported cutworms were causing damage in the wheat along the fence rows.

F. W. Martin, County Agent recommends that either of the following preparations will effectively control cutworms: (1) Spray with 2 pounds per acre of wettable powder containing 50% DDT. Use enough water to cover the acre. (2) Toxaphene Emulsion 1-3 gallon per acre with enough water to cover an acre. (3) Toxaphene DDT mixture same as Toxaphene, 1-3 gallon per acre with enough water to cover an acre. (4) Dust containing 10% DDT the rate of 20 pounds per acre. (5) Dust with Toxaphene 20%, 10 to 15 pounds per acre.

Cutworms usually come out of fence rows and if they are treated as soon as they appear, damage can be held to a minimum and cost of controlling them will be lower.

## Look what's worrying the low-priced three!

THERE'S a big story in the price of this beauty—but an even bigger one in what you get for that price.

You get the highest horsepower and compression ratio ever engineered into this Buick Series—from the extra-thrifty F-263 Fireball 8 Engine newly designed for this Golden Anniversary SPECIAL.

You get an even wider front seat than this roomy Buick had before—plus a new tilt-away feature that means easier in-and-out.

You get real big-car comfort, from deep, soft cushions with new zigzag type springs in both the seats and the backs.

You get the steady going and the sweet handling ease that come of a still finer Million Dollar Ride. Steering ratio is increased. Front wheels have been brought to zero-caster. And here, of course, you get coil springs on each wheel, full-length torque-tube drive, rigid and massive X-braced frame—ride features you get in no other car at the price.

But—you get the idea. And when you realize that the figure on this big, brawny, beautiful Buick SPECIAL is just a few dollars more than you'll pay for one of the so-called "low-priced three"—we're sure you'll say: "This is for me!"

Come in and try it out—then tell us if we're wrong or right.  
\*Standard on Roadmaster, optional at extra cost on other Series.
