Haskell County History

20 Years Ago—March 16, 1933

Worth.

Deposits in the two local banks showed a net increase of \$25,000 at the close of business Wednesday—first day the banks have been open since the national banking holiday was declared. Actual cash placed on deposit Wednesday amounted to more than \$3,000, according to officials of the institutions. Withdrawals were few, and apparently only for obtaining change to conduct regular business.

In a double wedding Sunday March 12, Raymond Leggett of Haskell and Miss Beulah Ray Simmons of Childress, and L. D. Ratliff, Jr., of Haskell and Miss Marie Bybee of Childress were united in marriage at Hollis, Oklahoma, with Judge Fowler of that city performing the ceremony.

Little John Edward Burleson arrived at a Waco sanitarium last Friday, March 10th. He is the son of Mr. and Mrs. Edward Burleson of that city and grandson of Mr. and Mrs. John A. Couch of Haskell. Mrs. Couch left Saturday for

Waco and will be there for the next few weeks getting acquainted with her grandson.

The First National Bank of Rule was merged with the Farmers State Bank of Rule March 10. Officers of the Farmers State Bank remain the same, with the exception that W. D. Payne was elected president, succeeding to the vacancy caused by the recent death of W. R. Carothers. C. P. Neal was elected vice president, Andrew A. Bradford vice president and cashier. Directors are W. D. Payne, C. P. Neal, Nora Hudspeth, E. L. Lewis, S. E. Lewis, G. B. Tanner and Ed Hackfield. Nora Hudspeth is assistant cashier, and E. J. Cloud of the First National will be with the Farmers State as vice president. Herman Pittman, who is attending TCU at Fort Worth, has been elected president of the Timothy Club, ministerial organization at the university. He is the son of Mr. and Mrs. Riley Pittman of this city.

30 Years Ago—March 16, 1923

G. W. Williams and family have moved back to Haskell to make their home after living the past two years at Mergargle. Mr. Williams was manager of one of the Grissom stores there.

Wiley Reid, City Alderman and Water Commissioner, said the new well being put down by the city just east of the T. W. Flenniken home, is due to be completed this week. An excellent stream of water was found in the well, and it will be a dependable addition to the city's water supply.

The agriculture class in Haskell High School sent a team of five boys to the judging contests at the Fort Worth Fat Stock Show last week. The team was composed of John L. McCollum, Kenneth Oates, Earnest Sanders, Clay Smith and Maurice Smith. The Haskell team placed 17th in a field of some 50 odd teams taking part in judging livestock.

Trustees of the Haskell school district announced this week that the district was out of debt for the first time in a number of years, if not in the history of the school district.

Mr. and Mrs. J. U. Fields left Sunday morning in their car for a trip to San Antonio where they will spend several weeks with Mrs. Fields' parents and Mr. Fields' brothers.

C. C. Barnett, W. D. Johnson, C. M. Walsworth and M. H. Wood all of O'Brien, were here Thursday. They report a sandstorm of the "Gee Whiz" variety in that section Wednesday.

Announcement was made this week by the School Board that it has no plans for closing the East Ward School. Rumors have persisted recently that the East Ward which employs only one teacher was to be closed, hence the announcement.

The Roberts second baseball team defeated the Ventress first team at Ventress Friday afternoon, 40 to 16. Some of the players and number of runs scored included Bailey Guess, catcher, 9 runs including one home run; Hicks Hinkle, six runs; Cliff Wheatley, seven runs; Clifford Lewellen, seven runs; and Edmon Hargraves, four runs.

50 Years Ago—March 14, 1903

E. W. Loe, who lives on Wild Horse Prairie, is preparing to put in a nursery. He will start the work this season and grow stocks

for budding and grafting next year.

A number of boys and young men have organized a social club at which reading, games and other recreation will furnish the amusement. They have rented a room on the south side of the square for their meeting place and have elected Albert English president, Byron Wright, secretary, Coleman Townes, treasurer, K. Jones, sergeant at arms, and Johnny Thomson, janitor.

B. T. Lanier was in town the other day and said that so far the winter had not injured the wild plums on the river and there was an excellent prospect for a big crop of plums.

There was another general rain over the county Monday, the precipitation amounting to .90 inch.

J. M. Johnson went around yesterday and got the business men to subscribe enough money to set the courthouse yard with Bermuda grass. It will make a great improvement.

Judge H. R. Jones left yesterday for Snyder, where he will hold a term of court for Scurry County next week.

C. D. Long left yesterday on a visit to friends in Austin. T. E. Ballard left Sunday on a visit to his father at Dickens.

T. S. C. Hatch of the Marcy neighborhood was here on business Monday. He says as bad as last year was from a farming standpoint, he gathered 26 bales of cotton from the 68 acres he had planted.

W. H. Boyd of the Pinkerton neighborhood was in town yesterday and said a number of farmers had started their plows, but that the soil was still too wet to plow unless it was harrowed at once.

R. L. McCauley and P. Paret who are connected with the Orient Railroad, passed through here yesterday going to Benjamin. Judge A. C. Foster is off on a business trip to Galveston.

Sidelights From Washington

By GEORGE MAHON

Someone has said that there are no experts on Soviet Russia—only men in varying states of ignorance. Nevertheless, millions of people in the free world are speculating upon what may happen now that dictator Joseph Stalin is dead, and his successor has been appointed. Undoubtedly, the world situation will be more explosive and dangerous for a time. Stalin's pattern of action had become somewhat predictable. With Stalin in the saddle there seemed to be no way to break the stalemate between the free world and the communist world but many of our leaders had come to believe that Stalin would not in his old age risk a big war with the United States which might destroy him and everything he had built up. The new dictator Malenkov, is practically unknown to the western world. No one can foresee what may happen inside Russia during the next few months. Perhaps it is fair to say that there are elements of gray

danger and elements of new hope for peace in the new situation.

In the House Committee on Appropriations we are in the third week of hearings on the defense budget. Thousands of pages of non-secret parts of the hearing are being printed and will later be released to the public. Ever though the hearings are closed

there is widespread interest in development.

If we cannot cut the defense budget and if we do not materially reduce Government spending otherwise, our chances for tax relief will be diminished. It is too early to predict what may happen, and I make no prediction. However, I do feel that the people of the country have a basis of

hope that economies will be effected, spending reduced, and the way cleared for some future tax relief. Of course, much will depend upon the world situation.

Among the non-official visitors to Washington a few days ago was the cowboy star and good-will man, Gene Autry. Gene had lunch on the Senate side of the

Capitol with a few of his Oklahoma friends. More than one of us thought he was making a contribution toward the of American character. wholesome type of entertainment. Every guest at the lunch away with at least one graph which Gene had asked for some youngsters.

COME IN AND GET ACQUAINTED

WITH THE NEW JOHN DEERE "40" SERIES TRACTORS

Mark this date! Be sure to stop in at our store and see the first of the new John Deere "40" Series General-Purpose 2-Plow Tractors.

Whether your farm is large or small, you need the many new advantages this modern row-crop tractor offers you. Stop in on announcement day and let us tell you all about it! We'll be looking for you.

Gilmore Implement Co.

Haskell, Texas

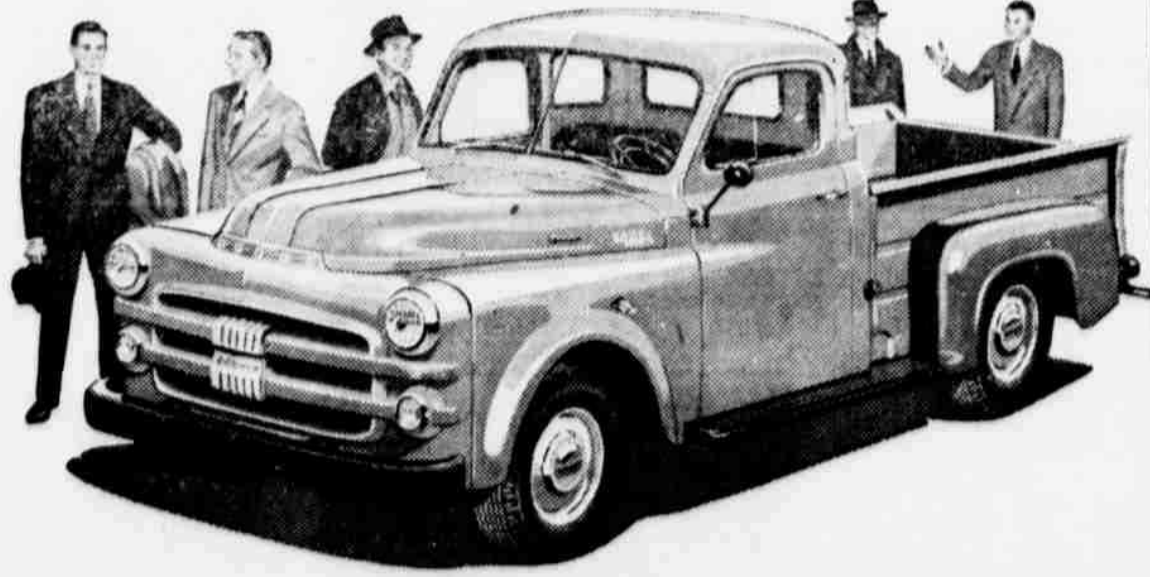

THE TRADEMARK OF QUALITY FARM EQUIPMENT

Here's Proof that new Dodge trucks give you more for your money!

Actual comparisons of the 3 leading makes of trucks show that Dodge alone gives you the big plus values listed in the adjoining column . . . that can save you hundreds of dollars over the life of your truck!

In these cost-conscious days, trucks are bought on proof, not promises. And we can prove that the new Dodge trucks are the least expensive over the long haul. Stop by and learn why! Get the facts and you'll get a Dodge!

1/2-TON THROUGH 4-TON! . . . SEE US FOR A GOOD DEAL!

DODGE "Job-Rated" TRUCKS

Pitman Motor Company

Avenue E and N. 2nd

Haskell, Texas

OF THE 3 LEADING MAKES OF TRUCKS, ONLY NEW DODGE "Job-Rated" TRUCKS GIVE YOU . . .

- 7 POWERFUL ENGINES, with 100 to 171 h.p.—3 engines brand-new. Of the 3 leading truck manufacturers, no one offers as many engines as Dodge. Assures the right engine for the job.
- TRUCK-O-MATIC TRANSMISSION with gýrol Fluid Drive, for the best in shift-free driving. Available in 1/2- and 3/4-ton models.
- SUPERSAFE BRAKES of the advanced dual-primary type in 1- through 4-ton trucks. Of the "Big 3," only Dodge offers these up-to-date brakes.
- More power in the 1 1/2- and 2-ton ranges than the other 2 leading makes.
- More pick-up bodies than the other 2 leaders, including new 116"-wheelbase 1/2-ton pick-up.
- Greatest 1/2-ton-panel payload and cubic capacity of the 3 leaders.
- Fluid coupling, for smoother traction in 1/2-, 3/4- and 1-ton models, offered only by Dodge.
- 2 fuel filters on all models to assure cleaner fuel and a cleaner engine.
- Floating oil intake selects clean oil at top; avoids sediment at bottom of crankcase.
- Water-distributing tube on all models directly cools valve seats . . . means longer valve life.
- Exhaust valve seat inserts on all models for better valve seating, longer engine life.
- 4-ring pistons on all engines save oil, upkeep.
- Independent parking brake on all models is simple, efficient, powerful.
- Rivetless Cyclebond brake linings last longer . . . no rivets to score brake drums . . . linings are tapered and molded on many models for quiet stops.
- Oriflow shock absorbers on 1/2-, 3/4- and 1-ton models give smoother riding, greater driver control on roughest roads.
- High-strength rear axle shafts on all models are shot-peened for extra durability.
- Better balanced weight distribution for extra payload.

Dodge pioneers . . . others follow! Many features—just adopted by other leading makes—have been standard on Dodge "Job-Rated" trucks for years! For example: chrome-plated top piston rings in complete line, spark-plug covers, 45-ampere generators, short wheelbase design.

Service
Cleaners and Laundry

Two servicemen and USO hostesses light candles in observance of USO's twelfth anniversary last week as a dozen years of USO service to the Armed Forces was given recognition in USO clubs and by USO committees throughout the country. USO services are made possible by United Defense Fund which seeks support through Red Feather and other united community drives.

Mr. Anderson is Secretary of the Navy and Mrs. Hobby is Federal Security Administrator.

It was my privilege on March 4 to pay tribute on the floor of the Senate to three Senators who have served ably for 20 years or more. They are Senator Carl Hayden of Arizona, 26 years of service, and Senators Harry Byrd of Virginia and Pat McCarran of Nevada, 20 years each. My good friend, Senator Dick Russell of Georgia observed his 20th anniversary of service Jan. 12.

After mentioning the accomplishments of these Senators, I added:
"Mr. President, I wish now to pay tribute to another great American. Texas takes great pride in the fact that the beloved former Speaker of the House of Representatives, Sam Rayburn today marks the 40th anniversary of his being sworn in as a member of that great public body. Mr. President, no man in public life today commands a higher degree of respect, devotion and affection from those who knew him than does Sam Rayburn.

While I had the floor, I went on to point out that March 4 marks one of the truly great events of American history: the taking of the oath of office as President by Franklin D. Roosevelt on that date 1933. The late President will always be remembered as a man who appeared in our darkest hour of depression and voiced the true soul of these United States.

Members of the Texas State Society have done me the honor of electing me president of the organization. There are a lot of "displaced Texans" in Washington, and nearly 1,000 of them belong to the Society. It's a real privilege to have the opportunity of serving as their president. James E. Kilday, Austin, was

elected vice president, and the following were named as board members: Aubrey A. Graves Temple; Mrs. Walter Jenkins Wichita Falls; Mrs. C. Raymond Wire, Decatur; Congressman Frank Ikard, Wichita Falls; and Congressman Walter Rogers of Pampa.

Truett Bailey of Cleburne, representing the Brazos Electric Transmission Co-op, was in the office to ask that we reserve a dining room for a luncheon later this month for some thirty members of the Co-op. They want to discuss policies affecting the generation and transmission of power by rural electric co-ops with members of the House of Representatives living in the Brazos district, which extends from the Gulf to the Panhandle, and with Senator Price Daniel and myself. I am looking forward to seeing them.

Attended a luncheon with Gene Autry, native Texan and cowboy singer extraordinary. Gene was kind enough to autograph photos of himself for Lynda Bird and Lucy, my two little girls. Gene gets plenty of attention from kids wherever he goes, and he's a fine example for them—a good old clean-living Texas boy who has made good in a big way.

Air-minded from all over the State are in Washington this week in the interest of more and better transportation service. They are here to appear before the Civil Aeronautics Board in a local service case affecting air transportation in just about every section of Texas.

People are here for the CAP hearing from a number of Texas towns and cities, among them Amarillo, Childress, Pampa, Vernon, Wichita Falls, Abilene, Coleman, Fort Worth, and Dallas. These folks really make it seem like Texas Week in Washington.

Lucky License Day

Beginning Saturday, March 14th 3:00P. M.

The following merchants are sponsoring a Lucky License Day. Drawing from all Haskell County 1953 license numbers will take place at 3:00 P. M. on the courthouse lawn. Be sure to register your car before Saturday so you will be eligible.

\$295.00 Worth of Merchandise Will Be Given Away Each Saturday With 6 Winners

There will be no obligations on the part of the winners. The program will run for a 10 weeks period. The object of it is to better acquaint you with the participating merchants and to encourage you to make Haskell your trading center.

Television Set Free

Final Grand Prize will be a Television Set given away at the close of the 10 weeks period.

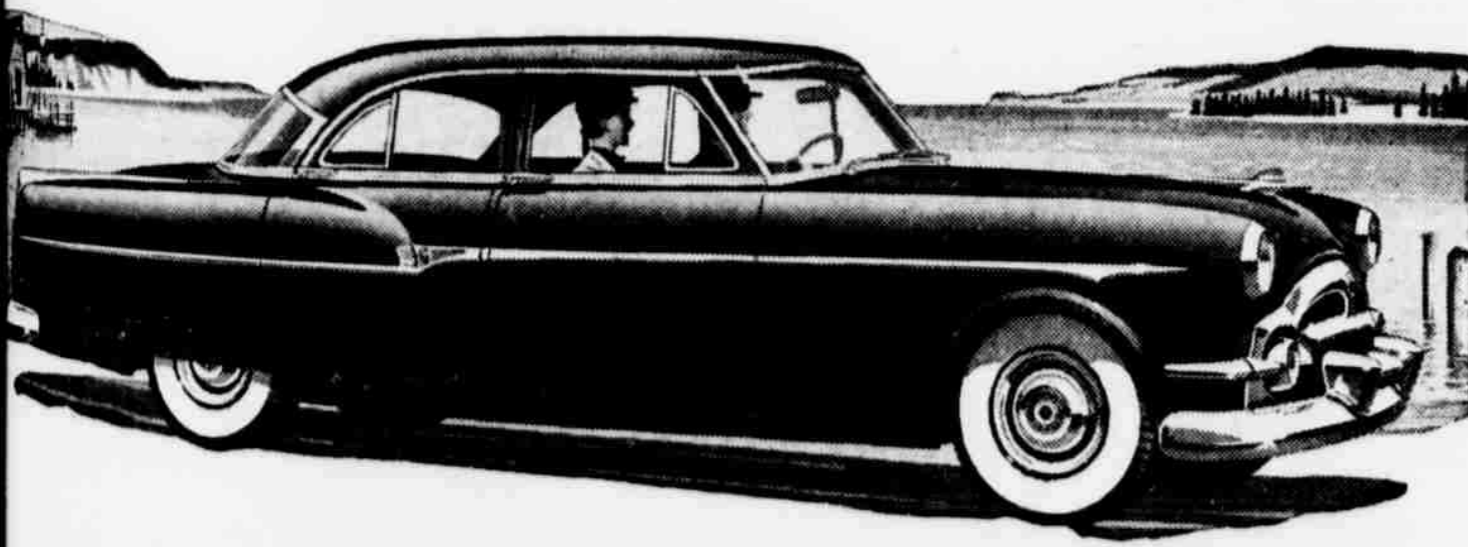

Children's Free Show Saturday Morning

A Free Picture Show for the children through the 8th Grade from the various schools in the county will be given each Saturday morning beginning at 10 o'clock. All schools are invited.

The following merchants are sponsoring the program:

- Young and Ivey Barber Shop
- Hattox Hardware & Furniture Co.
- Haskell Pharmacy
- Lane-Felker
- Biard's Cleaners

Here's Packard's new medium-priced car!

The New Packard CLIPPER

It's your opportunity to own and drive a really fine automobile at only a few hundred dollars more than you'd pay for a car in the lowest-priced field!

ALL truth, the new Packard CLIPPER is enjoying public re- sponse—far beyond expectations—and since the first day it was shown! Because the value is there, and the price is right. How can Packard do it? Deliver so much big-car value and performance at medium-car prices? It's Packard engineering—traditionally fine, historically dependable. Packard, you remember, is the oldest car of fine quality cars in America. Packard occupies a unique manufacturing position, for Packard with 54 years' experience in fine building, combines craftsmanship

of the highest character, and modern mass production techniques, to produce greater dollar for dollar values. In addition to greater values, you get Packard's contour styling that is setting the new trend in automotive design. Contour styling means not only a handsomer car, but better visibility—any way you look! You get the smoothness and comfort of the famous Packard ride, too—real big-car ride!

You get the unforgettable kitten-smooth, whip-quick pull and zoom of the Packard Thunderbolt-8 Engine—real big-car power!

In all, you get more than 70 big-car features!

If you plan to buy a car in the \$2500 price-class be sure to see and drive the new Packard CLIPPER and compare it with other medium-priced cars. Surprisingly enough the CLIPPER costs only a few hundred dollars more than cars in the lowest-priced field. And, of course, there's a wide range of new beautiful CLIPPER models, any one of which will give you a lift, as well as a ride, anytime you drive it!

In addition to the new CLIPPER, Packard of course continues to build one of the finest cars in the world, sold under the single name PACKARD—America's new choice in fine cars. Now—Ask the man who owns one!

Dodson-Furrh Motor Co.

HASKELL, TEXAS

Spring Is Garden Time For Most Home Owners

The first three months of the year is when the average homeowner looks ahead to the thought of beautiful plants growing around the home. What to plant is always

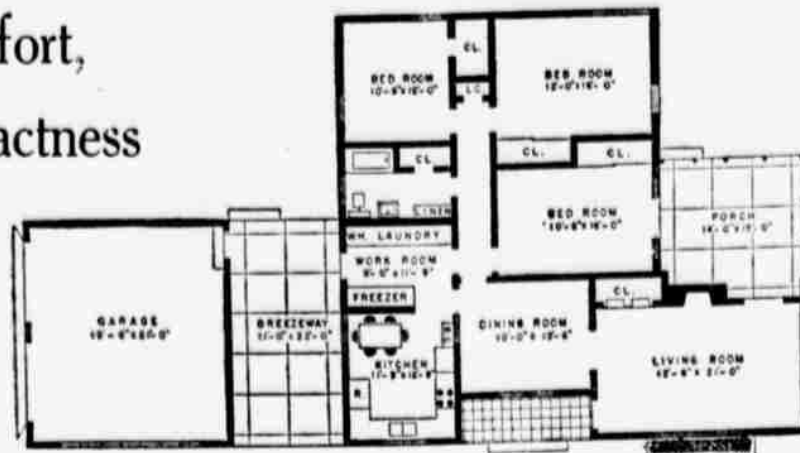

a problem because everything looks so attractive. Here is a list of suggestions from the American Association of Nurserymen for home owners based upon average desires of those who consider home grounds beautification a "must," and who also like to have fragrant cut flowers and mouth-watering fruits. A Foundation Planting: The home should be set off by flowering shrubs and coniferous and broad-leaved evergreens. (A

HOUSE PLAN No. 45

The Three C's—Comfort, Convenience, Compactness

check should be made to choose the right broad-leaved evergreen which will be hardy in your area.) Evergreen foliage ranges from green to red or bronze. Mix up the colors so you'll have contrasting foliage colors. A Rose Garden: White, pink, yellow, red roses are unsurpassed in flower form and fragrance. For

In drawing up Farm & Ranch House Plan No. 5245, comfort was the chief consideration; convenience and compactness, however, also fitted nicely into the scheme. The bedrooms, kitchen and workroom are grouped together so the housekeeping will require the minimum number of steps.

The large screened porch and or for any farmer handy with tools, the dining room offer spacious additions to the living area. Storage space has been provided in the living room which actually may serve as a hidden closet. The doors will serve as bookcase on one side of the fireplace and bal-

centuries roses have been our most popular flowers. Today the rose hybridizers are outdoing themselves in producing plants which have many more blooms than heretofore and which bloom over longer periods of the year recurrently in most cases. Climbing roses are eminently satisfactory will grow a splash of brilliant or soft colors against your home, garage, or even backyard fence. Living fences floribunda roses are as fascinating as they are lovely, and even a few plants will supply bouquets of cut roses for the home.

Outdoor Living Room: Kitchens get hot in summer. Possibly you'd like an outdoor spot beside the home where you can sit comfortably after work or entertain guests. Shade is important here. Place your outdoor living room on east side of the house unless you have plenty of shade on the west. The afternoon sun is the hottest and the heat will linger while the east side of the house has cooled off because of the shade.

The nursery catalog will enable you to indulge your own desires. You can specialize in certain types of flowers—roses, day-lilies and other perennials. Or you can have the finest home fruit garden in town... delicious fruits of all kinds to offset high food prices... fruits for canning, freezing, jellies, jams... small tasty fruits like raspberries and strawberries, as well as colorful juicy large fruits.

It is really not a home until it is planted. Select the best plants from a well-known nursery. Trying to nurse along an inferior plant is costly of time and effort—it will never be productive as the plant that has had a good healthy start in a first-class nursery.

A workshop for training home-stead improvement demonstrators, and others will be held at TSCW Denton, on March 12 and 13. The "kick-off" for the year-

long observance of the 50th anniversary of the establishment of the first farm demonstration in the nation will be held on the Porter Farm—site of the first demonstration—on Feb. 26.

the porch was designed as a spare room or a study. It will be adequately lighted and well ventilated by the double French door which opens onto the screened porch.

Each bedroom closet has at least eight feet of hanger space, and there is an abundance of linen storage in the bath and hall. The kitchen and workroom also have adequate storage space.

The protected entrance gives an attractive break in the straight wall lines of the house. This break is very economical to make and really affords a great saving in keeping a foundation and roof lines simple. If you wish, you can build the house with the idea of adding the garage and breezeway later at no extra cost or inconvenience.

The garage doors open on the side, guarding against the unsightly appearance of the doors standing open as you approach the house.

You can obtain blueprints for this Haskell Free Press-Farm & Ranch House Plan No. 5245 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch-Southern Agriculturist, Dept. L-98 Nashville, Tenn. Order by number—Plan No. 5245. Blueprints are adequate for any farm carpenter.

Swinson Insurance Agency THANKS PUBLIC

We have sold our Insurance Agency to (Scotch) Coggins and wish to express our appreciation for your patronage we have enjoyed since entering the Insurance business.

We would like to solicit a continuation of your patronage for our successor.

We will continue to make Farm Loans the past.

In a way, every day is tax day, because of hidden taxes on everyday purchases.

For instance, if you are a family of three with an income of \$3,500 a year, you pay almost three times as much in other taxes (most of them hidden) as in income tax!

Now, we all know taxes are neces-

sary. (This company pays out in taxes 23% of all the money it collects from the sale of electric service.)

But in return, all of us should see to it that our government spends our tax dollars carefully. And it should never spend taxes for those things that people and businesses can do for themselves.

"Electric Service is STILL the biggest bargain in your Budget!" R. K.

the at-... of... ob-... new... arise... of them... of Chiang... to quit... When head of... laws, the fabulous... such a monopoly on... industry and business... was referred to as the... "tyranny."

Many hold his work in Japan in breaking up age-old cartels and introducing free enterprise to Japan was his greatest achievement. Since his removal, Japanese cartels again wax strong, and one time infinitesimal Japanese communist party is becoming a big factor.

On the surface, it appears govern- ment becomes more acutely aware of the problem of monopoly business, and anti-trust law enforcement.

For example, the Senate and House Small Business Commit- tees have been reappointed.

But on the negative side, the House Judiciary Committee has dropped its special Monopoly Subcommittee.

This committee, headed by creator, Emmanuel Celler, (D., N. Y.) did outstanding work on the aluminum and newsprint situation.

Many Congressmen report that they are finding that independent businessmen are not alone in their alarm with concentration of economic power into a few monopoly enterprises, and lax enforcement of anti-trust laws.

They report that farming, white collar, and laboring people are voicing alarm over the situation. Some feel it is reaching crusade proportions; may well become major issue of 1954 campaigns.

Chiang had closer ties with... interests, because Brit-... to hinder British... entering into unli-... alliances.

minimum salary for teachers to... \$3,000.

"A potential teacher must sacri- fice about \$10,000 in earning power in order to get a college degree," Tennyson said, "and then can expect a minimum salary of only \$2,403 a year."

After twelve years of teaching experience, the present Gilmer-Aiken salary schedule requires a salary of only \$3,051 for that teacher. Even after the teacher goes back to college and secures a master's degree the financial outlook is not much brighter.

The average salary of Texas teachers has been higher than the average for all employed persons only one year during the last 23 according to the TSTA survey

That was in 1950, the first year of the Gilmer-Aiken salary sche- dule, when Texas ranked 12th among the other states in teacher pay. The average teacher's salary that year was \$3,183 and the average for all employed persons was \$3,017. Texas now ranks 26th in teacher pay.

The average salary required un- der the Gilmer-Aiken laws during the last school year was \$2,860. For the average teacher, income taxes reduced that amount by \$483 and retirement deductions were \$143. That left a take-home pay of \$2,279. Tennyson said which had a purchasing power of only \$1,150 in terms of the 1933-39 dollar.

Funeral services for Mrs. Fred S. Broach, Jr., prominent club and social leader of Munday, were held at 4 p. m. Thursday, March 5 in the First Methodist Church in Munday.

Mrs. Broach, who had been in ill health for more than a year was found dead at her home in Munday Wednesday afternoon.

Funeral Rites For Mrs. Fred Broach Held at Munday

Funeral services for Mrs. Fred S. Broach, Jr., prominent club and social leader of Munday, were held at 4 p. m. Thursday, March 5 in the First Methodist Church in Munday.

Mrs. Broach, who had been in ill health for more than a year was found dead at her home in Munday Wednesday afternoon.

She was born Gordon James Barnes Nov. 1, 1918, the daughter of Mr. and Mrs. H. F. Barnes. She married Fred S. Broach Decem- ber 24, 1936, and they had made their home in Munday since that time. She was a member of the First Methodist Church and sev- eral study and civic clubs, and had held district offices in the Texas Federation of Women's Clubs.

Survivors are her husband, and a daughter, Sylvia, both of Munday; her parents, Mr. and Mrs. H. F. Barnes of Haskell; a sister Mrs. Gerald Pope of Houston; and her grandmother, Mrs. J. L. Odell of Haskell.

Officiating for the funeral rites were the Rev. Doyle Ragle, Meth- odist pastor at Munday, assisted by the Rev. Jack Wester, pastor of the Pinkerton Baptist Church. Burial was in Johnson Memorial Cemetery near Munday under di- rection of Mahan Funeral Home.

Funeral services for Mrs. Fred S. Broach, Jr., prominent club and social leader of Munday, were held at 4 p. m. Thursday, March 5 in the First Methodist Church in Munday.

NEWS OF INTEREST TO WOMEN

Display of Indian Relics Shown at Texas Day Program of Progressive Study Club

The Progressive Study Club met Thursday night, March 5 in a regular meeting with the president, Mrs. R. A. Lane, presiding. Each member answered roll call by introducing their friend who was an invited guest or with a friendship quotation in observance of Friendship Day, March 7.

Letters read from District Chairman of Safety Mrs. C. Aubrey Stewart and State Chairman of Safety Mrs. Jud Collier, congratulating the club on their wonderful safety report.

The International Affairs committee reported sending boxes of clothing to Austria and areas material to Germany.

Mrs. Robert Wheatley was voted as delegate to the district convention in Mineral Wells.

Mrs. Hugh Ratliff was voted into the club as an active member.

Mrs. Ben Clifton was program director for the evening and presented a very interesting Texas Day program on cowboys and Indians. The club won second place on their Texas Day program last year and received a book as a gift.

school students, Miss Diane Clare and Miss Barbara Merchant opened the program by reading collections of Texas Folklore.

Guest speaker for the evening was Paul Summers of Stamford. Mr. Summers has a most interesting hobby, collecting Indian relics. He has always been interested in the Indian and has had many contacts with the Seneca Tribe and because of his interest and friendliness has been adopted as a member of their tribe. He had on display many of his collections of Indian relics. He had a large collection of arrow heads some of which were very old and rare. On display was an old peace pipe, which Mr. Summers said was only smoked as a symbol of peace with the white man. The exquisite art used in the making of beautiful woven baskets that had designs woven into them in color and the wonderful array of colors used in the pottery have never been quite duplicated by white men. Beaded vests with colored porcupine quill designs, moccasins, leggings, knife sheaths and man youths were all colorfully decorated.

The following members a n d

guests were present: Mesdames Royce Adkins, Ben Clifton, O. J. Curry, Tommy Davis, Viars Felker, J. E. Ferguson, Eugene Frierson, R. W. Herren, W. O. Holden, Jack Landess, R. A. Lane, Brooks Middleton, Leroy O'Neal, Jack Pippen, Floyd Rich, Tommy Sadler, Royce Smith, Joe Thomson, Leland Whittington, Howard Perry, Jim Henderson and Miss Jane Holt; Mr. and Mrs. Paul Summers of Stamford and the hostesses for the evening, Mrs. W. H. Pitman and Mrs. Gene Elliott.

Farewell Party In Denver Compliments Mrs. R. W. Taylor

A farewell dinner party was given for Mrs. E. W. Taylor (nee Jeanette Henshaw) before she left Denver, Colo., by a group of Continental Air Lines hostesses pilots and their wives. The party was held in the home of Mr. and Mrs. William Graunke, and a bride's cake embossed with fresh daisies formed the center piece for the table.

After the dinner the group presented the bride with a surprise shower of gifts.

MRS. ROBERT W. TAYLOR

Mrs. R. W. Taylor, Recent Bride, Is Honoree At Brunch

Mrs. W. H. Carothers of Rochester honored her niece, Mrs. R. W. Taylor (nee Jeanette Henshaw) with a brunch on Tuesday morning in the home of Dr. L. F. Taylor.

Guests were greeted at the door by Mrs. Carothers Mrs. Taylor and her mother, Mrs. G. H. Henshaw. Foursome tables were centered with sweet peas in the bride's colors of pink and white. A salad plate was served by the hostess assisted by Mrs. C. V. Payne, before guests gathered in the dining room for the honoree to cut a wedding cake. The dining table was spread with a Brazilian lace cloth over pink satin and an arrangement of white stock centered the table. The hostess presented a gift of Franciscan

Mrs. Robert W. Taylor is the former Jeanette Henshaw, daughter of Mr. and Mrs. George H. Henshaw of this city. She married L. F. Taylor Sunday, Jan. 4, in Denver, Colo., where she had been a hostess with Continental Air Lines for the past year and a half. Lt. Taylor, who has been stationed at Lowery Air Force Base in Denver, recently was transferred to Fort McClellan, Anniston, Ala. Lt. and Mrs. Taylor plan to make their home in Anniston while he is based there. Mrs. Taylor arrived in Haskell Monday for a week's visit in the home of her parents and will go from this city to Anniston.

Texas and Federation Day Combined In Theme For Magazine Club Program

Hostesses for the Magazine Club meeting in the club house March 6 were Mrs. John A. Couch and Mrs. R. C. Couch, Jr. Mrs. George Hauser presided at the guest register.

The program theme was a combination of Texas Day and Federation Day. A large blackboard was centered with a big map of Texas. Surrounding it were black drawings of a number of Texas symbols, colored by second grade children. The piano held a pair of candelabrum illumined with white candles. The tea table was laid with an ecru linen cut work cloth and appointed with silver and crystal. The centerpiece was an arrangement of lavender and white iris. Mrs. Jack Pippen served as tea hostess.

Mrs. R. C. Couch, Jr., club president, presided over a short business session. Mrs. Jack Pippen was selected delegate to First District convention in Mineral Wells in April. Mrs. C. L. Lewis, club historian, has recently compiled a scrap book "variety." It has

been sent to USO headquarters in New York. Program in Mrs. J. U. Fields, requested members to sing "Texas Our Home" with Mrs. R. Everett as accompanist at the piano by Wallace Cox. Mrs. Fields also informative paper "Texas Facts About Pioneer Days." She presented Mrs. H. Watson of Stamford, Club member, who gave interesting talk "Federation Activities" and discussed organization and workings Texas Federation Women.

"The How, When Where and What" "Flowers in the Home" the theme for the March program with Mrs. Earlson as director, April 4th p. m. Mrs. R. C. Couch as director for the Easter Tickets will be 50 cents. members privileged to bring guests. Guests attending Mmes. Hubert L. Watson, Mrs. Campbell, Knox City, B. Watson and Roy M. members, Mmes. John A. R. C. Couch, Jr., Mrs. Jack Pippen, Geo. B. Hauser, U. Fileds, Ada Rike, J. G. Vaughter, Earl Lane, H. E. Lewis, C. L. Lewis, Lane, W. A. Kimbrough, Ballard, J. C. Freeman, Bailey, Beryl Boone, Fred Wiley, M. Reid, K. H. A. C. Pierson, Wallace C. Patterson, Dennis Ratliff, McColium, R. L. Harrison, Merchant, B. F. Gaskamp, Davis, Roy Everett, Emer, J. W. Collins and Nena Colium.

Final Rites Held In Rochester For T. C. Tanner, 67

Final rites for Thomas Clint Tanner, 67, farmer and resident of Rochester since 1924, were held at the Church of Christ in that city at 1:30 p. m. Monday.

The rites were conducted by H. L. Matheny, minister of the Church of Christ at Goldsmith assisted by the Rev. Cecil Meadows, pastor of the Rochester Baptist Church.

Burial was in Rochester cemetery under the direction of Mansell-Smith Funeral Home.

Mr. Tanner died at 3:20 a. m. Saturday in the Knox County Hospital, where he had been a patient since suffering a heart attack Friday.

He was born March 28, 1885, in Jackson County, Ala., and moved to Athens, Texas, while a small boy. He moved to Rochester in 1924.

Survivors are the wife; four daughters, Mrs. Velma Bristow, Mrs. Lockie Bristow and Mrs. Rilla Fletcher, all of Turlock, Calif., and Mrs. Bobbie Goode, Rochester; five sons, Buster Tanner, Kenneth Tanner and J. R. Tanner, all of Rochester, Bill Tanner of Turlock, Calif., and Pete Tanner of Hawley.

Funeralbearers were Lewis Hester, Lee Sandle, Pat Ballard, John Jones, Felton Mitchell, Joe Edl Parsons, Ray Swenson, and William Penman.

Texas Producers Sold More Livestock But Gross Receipts Were Down in 1952

Texas producers sold more livestock during 1952 than in 1951 but their gross receipts were down 13 per cent. The lower average price for cattle was a major cause; however, according to C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, other factors also helped cut the net returns to producers.

Feed supplies were short and the heavy expenditures for forage and concentrates "soaked up" much of the \$970 million received for livestock and livestock products during the past year, says Bates. During recent years, he adds, about 62 per cent of the farmers' gross income has been spent for operating expenses and when prices for livestock and related items were high, these costs were less painful. But, it is a different story today.

Since, says the specialist, feed purchases take a chunk out of the total income, this item offers possibilities for savings. It is doubly important this year, he adds, because the cost of items used in production are not likely to drop in price.

Growing more of the needed feeds on the farm or ranch offers perhaps the best possibility for cutting costs. Of course, points out Bates, moisture conditions will have to change materially in many areas of the state before plantings can be made. Here are his suggestions: increase plantings of high yielding forage and grain

crops; use supplementary pastures such as small grain, sudan and legumes where conditions permit; use fertilizers and soil renovation practices when practical and build the necessary fences to permit rotation grazing of pastures and fields.

And finally, says Bates, no livestock business can continue to be profitable without storage facilities for reserve feed supplies. One of the cheapest and best is the trench silo. Silage can be kept if properly stored, for several seasons without loss in quality if storage facilities are available. Considerable savings can be made by putting up a supply of hay during the harvest season when prices are lowest. The same is true, says Bates, for either purchased or home-grown grains.

It all adds up, he says, to good business management when adequate facilities are provided of the farm or ranch to store the reserve feed supplies needed. A conference with your local county agent suggests Bates, may prove profitable for he can give tips or on both production and storage problems.

Seek Clothes for Korea

Korean war victims like these will soon be receiving warm clothing from U.S. American Relief for Korea is seeking 6 million pounds of used clothes in its spring campaign. ARK is member agency of United Defense Fund which seeks funds in Red Feather and other united community drives.

The 7 Step Cotton program was the organization used last year by the Texas Agricultural Extension Service for carrying to the state's cotton producers the latest information on production, harvesting and marketing.

Last year 1,122 spindle-type cotton pickers and 14,270 stripper type harvesters were used in Texas. Rotary hoe equipment was used on 26,000 farm tractors and pre-emergence chemicals and post-emergence spray were used to control grass and weeds in cotton fields.

50 years ago
Southwestern Life was chartered
to serve the people of Texas...

Today... more than
ONE BILLION DOLLARS
of Life Insurance in Force

ON MARCH 10, 1903, Southwestern Life Insurance Company was chartered to serve the people of Texas.

It began as a small business dedicated to the provision of sound life insurance and investment services to its three million Texas neighbors. True to these purposes, since July 4, 1903, when the first policy was issued, it has been growing in Texas and with Texas and for many years has been the largest insurance company in the nation which confines its business to its home state.

Today, as the Company observes the golden anniversary of its founding, it takes great pleasure in announcing that total insurance on the lives of Southwestern Life policyowners has reached and passed \$1,000,000,000.

During a half-century Southwestern Life has helped hundreds of thousands of Texans provide a measure of financial security for themselves and their families through life insurance. More than a hundred and sixty-five million dollars has been paid to policyowners and their families in policy benefits. More

than two hundred and fifty million dollars has been loaned to Texas real estate owners and many millions of dollars more have been invested in state and municipal bonds and corporation securities for the development of Texas.

The Company's place in the community and in the life insurance industry today is the cumulative result of these fifty years of business association with our Texas neighbors, the purchasers of Southwestern Life policies. It was and is their respect and confidence in the Company and its field representatives which enabled Southwestern Life to survive and to find its place in our free enterprise system. It is this friendship and good will which we cherish and gratefully acknowledge as we come to the end of these first fifty years and look forward to another half-century of responsible and fruitful service to the insurance-buying public.

Our 50th annual report, with many interesting sidelights on a half-century's growth, is yours on request.

Baptist Church Will Present Dedication Sunday, Mar. 15

The Baptist Church will receive the Lord's Supper on Sunday, March 15, at 10:30 a. m. The church has been able to make these improvements and pay for them despite the trying times resulting from last year's drought, and the members would offer praise to Him whose loving kindness has made these things possible.

Further, the Pinkerton people would make known their gratitude to all good friends who have contributed to this cause. May

the Lord bless each of you with a realization that you have done a great service and may the unfolding tomorrows cause you to be happy that you had a share in this effort for the increase of His kingdom upon earth.

The program, which will allow sufficient time for the Sunday School hour, will be made up largely of music. A Junior quartet from Rule and the Odd Fellows quartet from Haskell will be present with specials. Other solos and duets will be arranged. Rev. Hubert Sego of Haskell will bring a brief tribute to the church, and the pastor, Jack D. Wester, will bring a brief message of dedica-

From father to son comes the "know-how" of American agriculture. Farmers are impressing upon their sons the importance of farm machinery to the huge farm production job so essential to the welfare of the country. Farm machinery replacement is necessary to the farmer in order to keep the farm plant in full operation. Set up a farm machinery replacement plan by investing regularly in U. S. Defense Bonds. By investing in safe, dependable U. S. Defense Bonds you will have money on hand to replace your valuable farm machinery when it is needed.

were held in community and county groups to create an awareness of the problems which community analysis and cooperation could solve.

In rural health, attention was centered on ways of finding and

meeting personal and community health needs and to the study and improvement of available services for health care. More than 5,000 families were assisted in making health inventories. There were 250 communities which made

health surveys and more than 400 reported study of cooperative health facilities and services. Fifteen hundred communities were assisted in organizing and arranging cooperation for health examinations and clinics.

R. AND MRS. A. W. HENNESSEE

Planning Solves Many Problems of Farm Families

Families are becoming more conscious of the need for planning together. Learning to understand each family member, and to solve everyday problems together, was the trend for farm and rural families during 1952

tion. The dedication prayer will be given by J. S. (Uncle Joe) Smith of Knox City.

During the services recognition will be made of various individuals. Mrs. Brown, the one living charter member of the church will be so recognized as will various members of the extension department of the Sunday School and the church mother.

All who will be cordially invited to attend and to share in this service of dedication.

The Texas Certified Hybrid Corn Growers Association in cooperation with the Texas Extension Service is again sponsoring the statewide Texas Hybrid Corn Production program. Local county agents can supply detailed information on the program.

Despite the continuing drought homestead improvement demonstrators last year planted nearly 200,000 trees for windbreaks and shade and 50,000 shrubs. More than 3,000 lawns were also sodded.

according to Mrs. Eloise Johnson family education specialist for the Texas Agricultural Extension Service.

As evidenced by the reports from county agents, many families participated in the extension program and activities which involved the family. These activities included family counselling, recreation, work on the family history, including young married women in clubs, providing for children during meetings, and considering the needs of older family and community members.

Mrs. Johnson says county home demonstration agents assisted more than 40,000 families to solve some of their family relationship problems. Many more were given family life information through leaders trained by the specialists or agents.

During 1952 farm and ranch families showed an increasing interest in neighborhood and community study and improvements. The agents and leaders assisted with more than 5,000 family life discussions at agricultural, home demonstration, civic and church meetings. Family life conferences

BROTHERS WIN AT FORT WORTH SHOW—Billy Bridgford (left) and his brother, David, of Colorado City, Texas, whose Hereford steer won the grand championship of the junior show at the Southwestern Exposition and Fat Stock Show in Fort Worth are shown receiving the handsome trophy presented by Roy Boswell on behalf of the Texas Livestock Marketing Association. The steer, which also won the reserve championship of the entire exposition, brought \$3,850, the purchaser being Leonard Bros.

Houston Lawyer Warns Against Bill Destroying Corporation Land Laws

The Free Press has received the following letter from Paul W. Jeffrey, Houston lawyer, in which he points out facts relative to legislation now pending in the Texas Legislature. His letter follows:

"There is pending for adoption in our State Legislature, a measure known as House Bill No. 27 and Senate Bill No. 69, to repeal the present corporation law and adopt a new law injurious to the rights of the people.

"The present corporation law limits the ownership of land by private corporations to such lands as is necessary to operate their business, as shown in Article 1359 of the present statutes, under the proposed statutes, Article 2.02, Section A, Paragraph 4, the proposed law reads: 'To purchase, take, receive, lease or otherwise deal in, and with, real or personal property, or any interest therein, wherever situated.'

"The adoption of this change in our statutes, permitting private corporations to own any amount of land and personal property without restraint, can and will probably result in the Standard Oil Company and its subsidiaries, with other major corporations, now purchasing and holding lands in violation of the law, to acquire, own and hold most of the lands in Texas thus destroying the people's opportunity to buy land.

"These corporations in violation of the land laws already holds a large part of the lands now being used for which they are incorporated, in many counties of Texas. In Tyler County their holdings include more than 80 per cent of the land of the County.

"Also, the adoption of Article 2.02, Section A, paragraph 7, in the proposed law will permit such corporations to purchase, own

hold or otherwise to use and deal in, etc., the stock or interest in any other corporation, association, partnership or individual ownership, as they may desire, the effect of which is that one or more of the large corporations can acquire all or any part, of other and smaller corporations, partnerships or individual ownerships so that within a few years free enterprise will be destroyed for the reason there will be no property worthwhile for the public to buy.

"Many other provisions are objectionable in the proposed law the proposed bill should be defeated.

"The period of escheat in the present law should be reduced

from 15 years to two years. Consult a lawyer that is not representative and write your Representative and Senator to oppose this proposed bill. Any further information will be gladly furnished you at your request.

"This measure is proposed stating that it has the endorsement of the Bar Association of Texas. I find few lawyers except those employed by the Major Oil Companies know anything about the proposed change, that will permit the large corporations to acquire most and the better part of our properties both real and personal.

"Write your Senator and Representative at once. Next week may be too late.

Respectfully,
Paul W. Jeffrey."

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

company president, James Ralph Wood, came on the 50th anniversary of the company's organization at the annual meeting of stockholders in Dallas, and was released locally by Wix B. Currie, Jr., who represents the company here.

The company's agency force numbers about 400 men and women located in all parts of the State, and approximately 500 employees staff the home office and 16 branch offices. Some 130 agents and employees have been associated with the company for 25 years or more.

Oil—
(Continued from page 1)
sentimental reasons." Davis denied "fly-by-night people" had voted to remove the courthouse.
Contestants asserted Mr. and Mrs. Bobby Byrd had made plans to move to Kent County months before poll tax receipts were issued. Buckley had purchased a farm but did not live on it, because he had no house on it. Deposition testimony showed the Benavides brothers paid poll taxes and previously said they were residents of Waco. They said they did not pay for their poll taxes and did not know who bought them.
Testimony showed Denny had a household in Houston but had lived in Houston and had been away in the Dakotas on oil business. The Benavides, in deposition, said they left their names with a Jayton merchant to pay poll taxes. Somehow the poll tax receipts were issued under the name of "Miriez," but they voted for them nevertheless.
Court opened at 10:18 a. m. Wednesday. Judge Chapman read the charges and the 10 special issues for the jury to answer. The charge noted that single man's residence was where he ordinarily sleeps and a married man's where his wife lives.
Counsel for both sides spent most of Monday reaching agree-

ments on phases of the case that would be submitted to the jury. The jury consisted of Cecil Lackey, Roy Wiseman, Gene Martindale, Richard Bischoffhausen, Bob Herren, T. G. Cahill, A. D. English, J. A. Landess and Virgil Brown, all of Haskell; Ancil Waldrop and Victor Hobbs both of O'Brien, and Felix Mullins of Rochester.
CARD OF THANKS
We wish to thank our many friends and neighbors for the many acts of kindness shown us during the illness and death of our dear mother and sister. Especially do we thank the hospital staff, the ladies who sat up at night, and all those who sent food and flowers. May God bless each of you.—The Covey Children, and Mrs. Ruth Carter. 11p

EGG PRICES UP 43%
Down—at a time when prices of many farm products are down compared with a year ago, egg prices are averaging 12 cents per dozen MORE than they were a year ago at the same time. They are up 43%.
FEED PRICES ARE DOWN!
The price of commercial poultry feeds is 50c to \$1 per 100-lb. sack LESS than a year ago. Last year it took 16 dozen eggs to buy 100 lbs. of poultry ration — this year it takes less than 10 dozen eggs to buy 100 lbs. of poultry ration. The ratio between the price of eggs and cost of feed is 38% BETTER than a year ago!

Increased Interest In Local History Is Goal of Midwestern University Group
The project of arousing an increased interest in the local history of the Middle and Upper Red River country is being undertaken by interested departments at Midwestern University, Wichita Falls. The purpose of the project is to collect, catalog, and preserve in a Red River Bibliographical Center information relating to the early history of this particular section of our country.
Dr. V. Mitchell Smith, chairman of the Department of History at Midwestern University, describes the importance of the project in these words:
"It is to be regretted that much information concerning the history of our immediate locality is daily being lost. The passing of each pioneer settler, and the destruction or loss of old letters, old newspaper files, and other historic public or private documents or records, represents a serious loss to the story of the development of this area—a loss that can never be recovered."
"It is the purpose of our project to do what we can to locate the material that remains to catalog it for the use of future historians, and to make it a permanent part of our area history."
"In addition to its value to practicing historians," Dr. Smith continued, "we hope that the information we collect will be used by interested groups in our neighborhood. If our project is successful, local clubs and historical societies, schools, chambers of commerce, and newspapers will find the center to be a constantly growing storehouse of facts regarding the development of this section of the country."
The task of building the Bibliographical Center is being approached in the following manner: the entire area will be searched for sources of information relating to its history; records that can be placed on file there; and a local file in the center will direct researchers to materials owned by individuals, libraries, or local organizations agreeing to make their records available for study.
Other projects which will be undertaken by the center as personnel and funds become available are interviews with the old timers themselves, the collection of the artifacts and implements typical of the frontier and early life of this area, and the photographing of areas of historical interest in the vicinity. While the program will be under the supervision of Dr. Smith, the actual work of the center will be under the direction of Dr. Floyd Ewing, Professor of American History at Midwestern.
Dr. Smith pointed out that persons who have access to the sources of history in the area—the old settlers themselves or their descendants or friends, can render an invaluable service to the area and to the center if they will proceed with the recording and collection of the materials and will make their findings known to the staff at Midwestern.
Persons who have information which will assist the center in its work are urged to contact Dr. V. M. Smith, Midwestern University, Wichita Falls, Texas.

Outstanding Values Being Offered for Monthly Event

Here's welcome news again for economy-minded shoppers in the Haskell trade territory—Tuesday, March 17th will be Dollar Day—and a large number of Haskell stores will offer outstanding bargains in many lines of merchandise for the event.

The special low prices offered by sponsoring merchants cooperating in the monthly Dollar Day will be in effect for the one day only.

Shoppers who check the Dollar Day advertisements in this section of The Free Press will note with interest the many special bargains offered in the different stores.

These bargain prices have an extra appeal due to the approach of Spring and the Easter season and many stores will include merchandise appropriate to the new season as special Dollar Day values.

In addition to the reduced prices listed in the advertisements many other items at attractive prices will be found when you visit the stores.

A partial list of the bargains offered for Dollar Day in various Haskell stores includes the following:

Lane-Felker features in their ladies department, Spring Coats at 25 and 50 per cent reductions, Spring Skirts 1-3 off, an assortment of Winter Coats at \$19.95 and other similar values. In the men's department Sport Shirts at \$2.95, regular \$60 Curlee Suits \$34.95, and other reductions. W. A. Lyles, jeweler, offers a

20-piece set of Franciscan Pottery, regularly \$12.40 for \$7.95 costume rings at \$1.00, and many other attractively priced items for Dollar Day.

Perkins-Timberlake list an array of Dollar Day bargains throughout their store, including men's white T-shirts at 59c, baby dresses \$1.00, women's Nylon half slips \$1.98, taffeta covered scatter pillows \$1.00, piece goods at 66c yard, and many more attractive buys.

At the C&B Store on the east side of the square they will sell Nylon Hose at \$1.99 per box of three pair, boys shirts at half price, one table ladies shoes at \$3, to list a few of their specials.

At Frazier's Radio & Record Shop, regular 89c records in either 78 or 45 rpm have been reduced to 69c on Dollar Day.

Wheatley's, on the north side of the square, will feature a Bargain Table of \$1.49 items, close out of sweat shirts at \$1.10, men's and boys shirts 2 for the price of one, and other items.

The Fair Store will sell 14 wash cloths for \$1.00, 36 inch chambray and 36 inch prints three yards for \$1.00, men's broadcloth shorts and shirts two for \$1.00, ladies Spring toppers \$9.95, colored towels 3 for \$1.00, full size sheets \$1.98 along with dozens of other bargains.

Cofield's Shop offers a 10 per cent discount on any dress, suit or Spring coat on Dollar Day. Nylon hose 89c pair, cotton slips at \$1.98 as a few of their values for the Dollar Day event.

At Warren's Booterie an attractive line of Indian Moccasins will be priced at only \$1.59 for Dollar Day, first quality hose 2 pair for \$2.85, in addition to numerous other reduced prices in the store.

The Hub will feature another "Pot Luck" Table with 100 items to choose from at \$1.00, piece goods 2 yards for \$1.00, men's summer sport shirts \$1.98, printed and solid color drapery at 98c yard, and many other specially priced items.

Hattex Hardware & Furniture have Dollar Day bargains for the home, including shag rugs at \$3.98, platform rockers \$15.95, bread boxes only 98c, laundry basket at \$3.79, inner spring mattress \$24.95, and scores of other values throughout the store.

The Personality Shoppe offers Spring coats, suits and toppers at one-fourth off, one special group of dresses one-third off, nylon hose at \$1.00, rayon gloves 59c and many other bargains.

Neely Dry Goods will have a wide array of Dollar Day values including new Spring dresses \$5.95 up to \$12.95, piece goods in all new materials for spring and summer, 2 yards for \$1.00, ladies' panties 2 pair for \$1.00, men's nylon sock 3 pair for \$1.00, Garza brand sheets \$2.19, and other bargains throughout the store.

Conner Nursery & Floral Co. make a timely Dollar Day offer to home owners—20 per cent discount on all purchases of nursery stock which amounts to \$5.00 or more. Recent rains have provided ideal conditions for planting shrubs, making this offer doubly attractive at this time.

There are many self-employed persons between the ages of 65 and 75 whose low net earnings may make them eligible for monthly insurance payments even though they are still working, according to Fisher, manager of the Abilene Social Security office.

Mr. Fisher said that recent changes in the law make it possible for a self-employed person between these ages to net up to \$900 annually and still be entitled to their monthly social security checks. These people should file their claims immediately in order to prevent loss of benefits the manager stated. Persons age 75 and older can draw their monthly benefits regardless of the amount of their business profit.

Mr. Fisher pointed out that in the cases of those clearing over \$900, but not more than \$1725 annually, there is still a possibility of one or more monthly payments for the year. He urged that persons in this group contact the social security office to discuss their individual cases.

Weinert News

By MILDRED GUESS

Mr. and Mrs. P. F. Weinert had as their guests this week end Mr. and Mrs. Carl Jones of Houston and Mr. and Mrs. W. M. Garbe of Scotch Plains, N. J., Dick Weinert of San Antonio and Nadine Weinert of Denton.

Luther Walker, who left for induction into the Army Monday was honored last week with a party in the home of Mr. and Mrs. P. F. Weinert. Canasta was played by the guests and refreshments of cocoa and sandwiches were served to Mary Walker, Douglas Baty, Pansy Hammer, Peggy Shelley, Don Lamb, Frankie Stephens, Don Smith, Hugh Smith, Wayne Josselot, Dick Weinert, Diema Lewis, Morris Walker, Jimmy Reeves, Charles Hix, Joella Weinert, Harlan Weinert and the honoree, Luther Walker. Assisting Mr. and Mrs. Weinert as hosts were Mr. and Mrs. Connor Horton, Mr. and Mrs. R. M. Walker and Mr. and Mrs. T. C. Walker.

Mr. and Mrs. B. E. Guess of Rogers were visiting relatives in Weinert this past week. They were entertained in the home of Mr. and Mrs. Vern Derr Sunday with a dinner.

Deborah Earp of Pampa spent the past week end with her grandparents, Mr. and Mrs. J. A. Driggers and Mr. and Mrs. J. W. Earp.

Rev. Temple Lewis is visiting his mother, Mrs. Tyron Lewis at Fort Stockton for a few days. Marilyn Smith and Esther Thompson of Mid-Western Uni-

versity, spent the week end with her parents, Mr. and Mrs. Chester Smith.

Cohen Watt, student in Hardin-Simmons University, supplied in the pulpit of Weinert Baptist

Church Sunday morning and evening for Rev. Temple Lewis who held a revival meeting at Curry Chapel this past week.

Mr. and Mrs. Frank Oman and Mr. and Mrs. W. B. Guess spent

Monday in Mineral Wells and Ft. Worth.

Moneta Hix spent the week end in Fort Worth.

W. B. Guess made a business trip to Lubbock Tuesday.

LANE-FELKER
"Especially for You"

Rochester News

By MRS. JAMES A. GREER

Mr. and Mrs. W. E. Gilley, Mrs. E. Watkins and Beulah Mae Hamlin visited Mr. and Mrs. E. Watkins here Sunday afternoon.

Mrs. Mattie Kinchloe of Denver, Colo., has returned home after sending a week with her sister, Mrs. Tom Murphy.

Mrs. Floyd Bowman of Goree as a visitor in the home of Mrs. Porter Sunday.

Mr. and Mrs. Allen Bell returned home last Friday after spending weeks in Grand Prairie.

Mrs. C. L. Bogard left Saturday for Dallas to visit her daughter, Mrs. Herbert Haste and family and will visit her son, Mack Bogard and wife in Lewisville.

Mrs. Lynn Knouse and John Paul of Abilene spent from Thursday until Saturday with her parents Mr. and Mrs. James A. Greer. Mr. Knouse came for them Saturday.

Mrs. Otis Smedley of Wichita Falls visited her parents, Mr. and Mrs. J. H. Wolf here last week.

Mrs. Andy Norris of Buchanan Dam who has been visiting her parents, Mr. and Mrs. W. E. Watkins, returned home last Thursday.

Mrs. Hall of Haskell spent last week here in the home of her brother and wife, Mr. and Mrs. J. D. Smith.

Mr. and Mrs. Billy Joe Averett and baby of Crane spent last Sunday here with his grandmother Mrs. C. L. Clark.

Mrs. L. M. Kay is visiting her sister, Mrs. Helen Buie at Gilmer. She will also visit relatives at other points in east Texas.

Mrs. Docia Culpepper of Electra is visiting relatives here this week.

Mr. and Mrs. Joe Hudson spent Sunday at Ranger with her parents, Mr. and Mrs. Leo Huddleston.

Mr. and Mrs. J. H. Dabney

spent the week end at Amarillo with their son and his wife, Mr. and Mrs. Leonard Dabney.

Mr. and Mrs. Leonard Burleson of Hale Center and Mrs. Wynell Strickland of Lubbock are visiting relatives here this week.

Mrs. D. W. Hamilton spent the week end at Childress with her daughter, Mrs. Joe Cooper and family.

Mr. and Mrs. H. L. Matheny of Goldsmith spent Monday here.

Mrs. E. M. Server suffered a stroke Wednesday morning about 2 o'clock. She was immediately taken to the Knox City Hospital by a Mansell-Smith ambulance where her condition was considered serious. Latest report is that Mrs. Server is somewhat improved. The following children have been at her bedside: Mrs. Garvin Foote of Haskell; Mrs. Thomas Sittion of Lubbock; Mrs. Bessie Vitell of Buckholts; Kathryn Server of Springtown; Mr. and Mrs. Leland Server and children of Hamlin and Mrs. Gene Rose of Rochester.

Membership of the WMU of the Rochester Baptist Church observed the Week of Prayer at the church last week. Inspirational programs had been arranged for the week beginning with Monday afternoon through Friday. An all-day meeting was enjoyed at the noon hour. Twelve members attended. An offering was taken and sent to the Annie Armstrong fund.

Mr. and Mrs. Joe Hudson were hosts to their Sunday School class at their home Friday night. Various games were enjoyed during the evening.

Cake and hot chocolate were served to Messrs. and Meses. Wilson Bean and Wynell, Leroy Burleson and children, Joe Fletcher Dalton Hindsley, Jack Dozier and the hosts.

Mr. and Mrs. Mack Wadzeck and children of Munday were here Saturday evening in the home of his parents, Mr. and Mrs. W. D. Wadzeck.

Sharon Reid and Carolyn Smith, students in Hardin-Simmons University, were at home for the week end.

Mrs. Henry Perry was called to the bedside of her daughter Mrs. R. C. Harwell of Central City, Ky., last week. Mrs. Harwell who has been critically ill underwent surgery and her condition is reported to be greatly improved.

Mrs. Warren Short who underwent surgery at the Stamford Hospital Tuesday of last week is at home and doing nicely.

Mr. and Mrs. Jack Davis and children of San Angelo spent a few days this week with her

Sheep Trade, Rain, Share Limelight At Fort Worth Livestock Market Monday

By TED GOULDY

FORT WORTH — The sheep trade and the sheep country shared the limelight at Fort Worth Monday.

Milk fat lambs were strong to 50 cents higher and topped at \$23, a new high for this years crop of genuine spring lambs. Top for old crop woolled fat lambs was provided by the FFA and 4-H Club youths of Cottle and King Counties who brought their lambs to Fort Worth and sold them at \$22. This was the first experiment in feeding lambs of these youngsters.

The sheep country, major portions of it, got the best rains in a long, long time, and jubilant sheepmen in those areas had hopes for green feed in the near future. Grain farmers in the area would make grain, and the possibility of some early grass and weeds that would make them fat spring lambs was enhanced. Numerous points reported three to five inches and more, enough to soak the ground and put out stockwater.

Salesmen on the Fort Worth

market expressed the view that a very good market for fat new crop lambs in the last two weeks of March for the Easter trade loomed. Greek Easter dates coincide with Easter this year. Last year some forty to fifty lb. lambs topped at \$40 here for the Greek trade. While that figure is not in the cards this year, Fort Worth salesmen would not be surprised to see some prices well in excess of current lamb prices.

Cattle news was depressing again. Numerous shipments of X Disease cattle appeared and it was reported that the cattle poisoning might be much more wide-

spread than originally feared. Heavy runs of cattle appeared all over the country again Monday and prices were uneven and tending lower. Hogs were largely steady at Fort Worth and topped here at \$21.50 and \$21.75. Sows: \$16.50 to \$19.

Good and choice milk lamb \$22 to \$23; good and choice woolled lambs \$21 to \$22. Stocker and feeder lambs \$16 to \$20. Yearling; and two's \$17.50 down; aged wethers \$8 to \$12; old ewes \$7 to \$10. Old bucks \$7 to \$8.

Good and choice fed steers and yearlings \$18 to \$22, the Cottle-King County calves at \$22, one at \$24. Common, plain and medium butcher steers and yearlings \$12 to \$18. Fat cows \$13.50 to \$15. Canners and cutters \$10 to \$22. Common and medium grade \$13 to \$18 and culls \$10 to \$13.

New Method May Reduce Cost Of Crop Poisoning

Costs of agricultural poisoning agents may decline because of a new production process discovered at the University of Texas.

Dr. Kenneth A. Kobe announced receipt of patent on a new method of manufacturing mercury diphenyl and similar compounds used directly as insecticides, germicides, or in making drugs.

Dr. Kobe, a chemical engineering professor, holds the patent jointly with Dr. Roy T. McCutcheon of San Antonio, who worked on the project while obtaining his doctorate under Dr. Kobe's direction.

Farm Cash Income For January Shows Gain Over 1952

January farm cash income in Texas was nearly \$140,000,000—up 17 per cent over January 1952 total the University of Texas Bureau of Business Research reports.

The January 1953 figure is 19 per cent less than December farm income, however. In December-January comparisons, income from wool was down 91 per cent, cottonseed 84 per cent, and poultry 59 per cent. In actual dollar a \$30,000,000 drop in cotton income was severest.

Income increases included: hogs (up 849 per cent), calves (119 per cent), and wheat (96 per cent).

January farm prices remained relatively unchanged from the December level, although 18 per cent lower than in January 1952.

New Line of Ford Trucks For 1953 Go On Display March 13

Ford Division will introduce the
broadest line of trucks in the
company's 50 year history when
its 1953, all-new trucks go on dis-
play in Ford dealerships through-
out the United States March 13.

Covering the widest range of
ratings and designed for the great-
est economy and driver comfort
ever known in a commercial ve-
hicle, the 1953 Ford trucks will
be offered in four distinct lines
in 20 new series and in more than
190 models.

All of the new trucks will fea-
ture new, one-piece curved wind-
shields—largest in their field—
with swept-back pillar posts and
55 per cent greater visibility.
And the new F-100 Series of light
duty truck will be equipped for
the first time with Fordomatic
fully-automatic transmissions or
automatic overdrive as optional
equipment.

Our 1953 truck line represents
an investment of more than \$50-
000,000 in research, development
engineering, testing and dies and
tools as well as more than four
years of hard work. L. D. Crusoe
vice president of Ford Motor Co
and general manager of Ford Di-
vision, said.

"Every truck in the 1953 line
has been completely redesigned
with a revolutionary new ap-
proach to truck engineering—the
driver himself. In our new trucks
every component effecting driver
fatigue has been designed and en-
gineered not only to do its job
better and to last longer, but also
to ease the burden on the driver—

to make his job simpler and less
tiring and to permit him to get
his job done faster and with cor-
responding savings in operating
costs."

New Publications Are Released By Extension Service

Agricultural producers of the
state will find much useful in-
formation in four publications re-
cently released by the Texas Ag-
ricultural Extension Service.

Livestock producers will find
many suggestions in a leaflet ti-
tled Short on Grass. Several em-
ergency roughages are mentioned
along with other feeding tips and
management hints.

Cotton producers will find in
the 1953 Guide for Controlling
Cotton Insects the latest infor-
mation on the rates of application
and timing of insecticides recom-
mended for use in Texas along
with practices and suggestions that
have proved useful in controlling
cotton insects.

Most folks like to fish and the
new publication on Farm Fish-
Ponds answers a lot of questions
that pond owners have been ask-
ing about stocking, fertilizing,
weed control and pond manage-
ment.

The fourth publication carries
the title Landowner - Operator
Teamwork in Soil Building and
deals with problems related to
the use of soil building practices
on tenant operated farms. In-
cluded is a suggested agreement
for use by landowners and ten-
ant operators.

Copies of each publication may
be obtained without cost from
local county agricultural agents.

Haskell Soldiers With 1st Cavalry Division in Japan

With the 1st Cavalry Division
in Japan.—Two Haskell soldiers,
Pvt. Melvin L. Turnbow, whose
wife, Beverly Gail, lives in Has-
kell; and Pvt. Bobby G. Tidwell,
whose wife, Lena Mae, also lives
here; recently joined the 1st
Cavalry Division in Japan.

Replacements from the U. S. are
getting battle knowledge from
veterans of the Korean conflict
during rugged field maneuvers.
The 1st Cavalry spent 17 months
in combat before being rotated
out of the line in December 1951.
It is now part of the security
force for the Japanese Islands.

Pvt. Turnbow, son of Mr. and
Mrs. Melvin Turnbow, Route 2
Rule, was stationed at Camp
Roberts, Calif., before receiving
orders to transfer to the Far East.
He is serving as a field wireman
in his unit.

Formerly employed by the Lan-
nier Construction Co. in Haskell,
Turnbow entered the Army in
July of last year.

Private Tidwell, a rifleman in
his unit, was stationed at Camp
Rucker, Ala., until he received or-
ders to transfer to the Far East.
Before entering the Army in
August of last year, he was en-
gaged in farming.

Tidwell's parents, Mr. and Mrs.
R. E. Tidwell, live on Route 2
Haskell.

Mrs. Elizabeth Phillips, Once Postmaster At Ample, Dies Recently in Fort Worth

Mrs. Elizabeth Phillips, 91, for-
mer Haskell County resident who
at one time was postmaster at
the old Ample post office northeast
of Haskell, died at her home in
Fort Worth at 3 p. m. Monday,
March 2.

Although Mrs. Phillips had been
a semi-invalid since breaking her
hip in a fall in 1935, she had been
seriously ill only a few days.

Funeral services were con-
ducted in Fleming Chapel, Broadway
Baptist Church in Fort Worth at
11:30 a. m. Wednesday, March 3
by Dr. Franklin Segler, assistant
pastor, with burial in Laurel
Laid Cemetery, Harveson & Cole
in charge of funeral arrangements.
Pallbearers were grandsons, Rhea
and Phil Couch, Gordon Phillips,
Rufus Land, Jack and Floyd Pat-
ton.

Deceased was born at Waldo
Ark., Feb. 7, 1862. She was con-
verted at the age of 14, and was
a member of Broadway Baptist
Church in Fort Worth.

She was the widow of the late
W. P. Phillips, early day Haskell
County farmer, stockman, mer-
chant and ginnee. He preceded
her in death in 1933.

Mr. and Mrs. Phillips moved
from Arkansas to West Texas in
1903, locating in Stephens Coun-
ty. They moved to Haskell Coun-
ty in February, 1894 and pur-
chased land here. Mrs. Phillips
was appointed postmaster at the
little community of Ample in 1895
which office she held until discon-
tinuance of the office when rural
mail delivery was established.

Mr. and Mrs. Phillips also kept
what was called the "Hot-Wax
House" where the mail "hacks"
from Seymour to Haskell met
and Mrs. Phillips furnished noon
meals for the passengers.

They moved to the lower Rio
Grande Valley in 1912, then to
Johnson County, and after the
death of her husband, Mrs. Phil-
lips moved to Fort Worth, where
she and her daughter, Faye, had
their home. On her last birthday,
Feb. 7, all her children were
present at a dinner at her home.

Survivors are four daughters
Mrs. Odessa Couch of Austin
Mrs. Walter Patton, of near
Weinert, Mrs. Joe Grossman of
Asbury Park, N. J., and Miss
Faye Phillips of Fort Worth; one
son, S. L. Phillips of Denton; two
sisters, Mrs. Ida Stringer of Wal-
do, Ark., Mrs. E. A. Flaherty of
Texarkana; one brother, John
Rhea of Waldo, Ark.; 14 grand-
children, 18 great-grandchildren
and one great-great-grandson.
Two daughters preceded her in
death, Mollie and Mrs. B. C.
Moore.

Women Continue Seeking Better Sewing Methods

From the beginning of the Tex-
as Agricultural Extension Ser-
vice early in the century, women
who lived on the farms, a num-
ber of ranches have indicated an inter-
est in information and direction for
better sewing methods. According
to the annual report for the cloth-
ing specialists, the same interest
was evident in 1952.

The specialists say every home-
maker has the job of clothing the
family. To do this she must be a
good consumer buyer, deciding
whether to buy ready-made cloth-
ing or select fabrics and patterns
to make them at home. She must
become efficient in good methods
of construction and care.

During 1952 the specialists
worked with the county home
demonstration agents in 150 coun-
ties where clothing had been sel-
ected as a major phase of study
assisting them with plans to meet
the needs of women interested in
the clothing demonstration. The
plans included advanced dress-
making, children's clothing and
tailoring. The agents trained nearly
3,000 women leaders who in
turn taught more than 44,000 oth-
er women. The women reported
making nearly 184,000 dresses,
150,000 children's garments and
more than 47,000 garments for
men and boys.

Tailoring has been a part of
the clothing work since 1948. The
specialists report shows women in
85 counties where tailoring had
been selected as a phase of the
clothing demonstration, tailored
more than 4,000 suits and coats
during 1952. This was the result
of 37 training schools for 259
leaders.

The specialists report the cloth-
ing demonstration popular with
4-H club girls in 143 counties
during 1952. The training for girls
included planning, selecting, con-
structing and accessorizing the
wardrobe. The girls held achieve-
ment events with more than 16-
000 showing garments they had
made. They reported a total of
more than 54,000 dresses made
during the year.

The 4-H girls were assisted in
their work by adult leaders, girls
or adults, who gave more than
2,000 demonstrations to teach 32-
600 club members.
