

HASKELL, HASKELL COUNTY, TEXAS, THURSDAY, MAY 6, 1954

SIXTY-EIGHT

NUMBER 18

## Needed To Raise School Standards, Trustees Declare

A gymnasium and the building program in connection with \$350,000 school bond issue to meet a definite program of providing physical facilities for Haskell students and to meet requirements, trustees explained this week.

Election will be held in order that all voters acquainted with the gymnasium and the Board of Trustees following statement this phase of the program:

Called to our attention are some few who believe we should build a gymnasium now. We believe necessary to include an auditorium in and building plans, and we believe public should be called to our attention.

Section 1, Texas Law states, "That in physical education and made part of instruction and public elementary and schools of the State of accreditation division Education Agency elementary school receive 150 minutes, pupils 120 minutes, in physical education. This should be recess and free play gymnasium of the school is not adequate requirements of the students enrolled in school (page 12)

## State Representative John Kimrough Will Be Candidate For Second Term

State Representative John Kimrough of this city announced late Saturday that he would be a candidate for re-election from the 83rd Legislative District. The 83rd is composed of Haskell, Throckmorton, Baylor and Knox Counties.

Kimrough, wholesale oil products distributor here, is also engaged in farming and ranching. A former All-American on Texas A&M College football team, he was elected to the Legislature in 1952 without opposition.

In his bid for a second term in the 83rd district post, Kimrough is opposed by E. J. (Ed) Cloud of Rule, farmer, former banker, and mayor of that city for a number of years.

During his first term in the Legislature Kimrough served on several important committees. These included conservation and reclamation; livestock and stock raising, oil, gas, and mining, privileges, suffrages and elections.

He was also named by Gov. Allan Shivers to the nine-member water resources commission. The commission is to make a study of Texas water problems and make recommendations to the next legislature.

Kimrough said this week that he would make a formal statement later regarding his candidacy.

JOHN KIMROUGH  
Texas water problems and make recommendations to the next legislature.

## Paint Creek School Closing Exercises Week of May 16

Closing exercises for the Paint Creek School have been tentatively set for the week of May 16, Supt. Dan McRae announced this week.

The baccalaureate service for Paint Creek high school will be held Sunday, May 16 at Paint Creek Methodist Church.

High school commencement exercises have been scheduled for Thursday evening, May 20, when diplomas will be presented nine graduating seniors.

Closing exercises for Paint Creek elementary school are tentatively scheduled Friday evening, May 21. Speaker for the evening will be George Morrie of radio station KDWT, Stamford. Nineteen pupils will complete work in elementary grades of Paint Creek school this year.

J. C. ONeal is high school principal at Paint Creek, and H. P. Martin is grade school principal.

## Entire Town Will "Go Western" In Staging Rice Springs Roundup

The entire town of Haskell will "go Western" during the coming week in adding colorful atmosphere for the Rice Springs Roundup to be presented May 13-14-15 in the large new Fair Park Arena.

Merchants and their employees, along with members of civic clubs and organizations all will wear some type of Western regalia during Roundup week. C. of C. manager Rex Felker has announced.

A complete program of rodeo events will be presented each night during the three days. The Saddle Tramps riding club is sponsoring the Roundup, and the rodeo program will be produced by Dock Pitner of the Denton County Rodeo Association.

Prize money totalling \$1,850 will be paid in bronc and Brahma bull riding, calf roping, double mugging, and cutting horse contests. Silver belt buckles will be given in finals of bronc and bull riding. Also, the contestant making best combined time on four head of stock, two from each roping event, will receive hand-made saddles.

Other events will include cowgirl barrel races at an amateur jackpot event each night, specialty acts, trick riding, and other rodeo attractions. An old timers jacket calf roping contest for men 55 or older will be held Saturday morning, May 15.

Additional seats are being completed at the arena this week. Also new stalls have been built for individual animals of contestants in roping and cutting horse events.

## Local Street Project Has No Bearing on F-M Road, Town Hall Gathering Told

The likelihood that parallel parking would definitely be required in front of business establishments around the courthouse square under the City's proposed street widening program was one of the principal points brought out at a Town Hall meeting Thursday.

Further, business men and others present were told by District Highway Engineer Jake Roberts that the proposed project had no bearing whatever on the Haskell-Rochester farm to market road project. Only hold-up on the F-M road is lack of engineers to supervise the work, he told the gathering.

Only concern of the highway department in the local street widening proposal, Roberts said, was in the highways on the west and north sides of the square. Any changes or improvements to streets on the south and east sides of the square would be the city's responsibility and expense, and of no interest to the highway department, Roberts explained.

The question-and-answer nature of the meeting developed the fact that the proposed project would not increase available parking space in the business section, but would leave room for about the same number of cars that can now be parked in the business area.

The proposed plan was explained by Mayor Courtney Hunt and Ernest Yeatts, Abilene engineer who does work for the city of Haskell; and several members of the Council present.

## Reserved Seats for Roundup Go On Sale Monday

Reserved seats for the Rice Springs Roundup will go on sale Monday, show officials announced today.

The tickets will be available at the Chamber of Commerce and The Free Press office.

Tickets may be bought for single performances or for all three night shows as long as seats are available.

Among early entries received in the various events are the following:

Bull Riding - Bobby Furrh, Haskell; Sonny Gray, Lueders; Dale Taylor, Lueders; Dean Morales, Breckenridge; Sonny Sparks, Breckenridge; Snuffy Morales, Breckenridge; Lee Presswood, Abilene; Jack Chapman, Abilene; Dave Adams, Fort Worth.

Bareback Bronc Riding - Dean Morales, Breckenridge; Sonny Sparks, Breckenridge; Charles Folt, Abilene; Bobby Wedeking, Stamford.

Cutting Horse Contest - Cinda, owned and ridden by Scott W. Greene, Haskell; Gillens' Attaway, owned by Roscoe Gillens and ridden by Bobby Wedeking of Stamford.

Old Timer's Calf Roping - C. J. Morales, Breckenridge; W. B. Cobb, Haskell.

## Construction Work Started This Week On New Church of Christ Building

Construction work was started this week on the new building of the Haskell Church of Christ, which will replace the structure destroyed by fire on the evening of last February 26.

Minister Fred Custis and members of the church building committee estimated that approximately five months would be required to complete the modern structure. They expressed the hope that the congregation could occupy the new sanctuary by Oct. 1st.

Glenn Paden of Brownfield is general contractor on the building project. Thad Swain, also of Brownfield, is head carpenter and in charge of construction.

Cost of the modern structure and equipment will likely run \$80,000 to \$85,000, members of the building committee estimated. Dimensions of the building will be approximately 110 feet by 110 feet. Fronting west on Avenue E, it will occupy the same site as the structure destroyed in the fire. The structure will be of brick construction. The building will be semi-fireproof, with concrete floors throughout. Plans call for eleven classrooms and an auditorium with seating capacity for 500 persons. Latest type lighting will be used throughout, and the entire building will have year round temperature control.

All material needed for the building has been contracted and will be available on the grounds as needed, members of the building committee said. The laminated arches to be used in supporting the roof have been shipped, manufacturers have advised the committee. Also a large quantity of brick on hand, and some of the brickwork was started Wednesday.

One of the first sections of the building to be erected will be one of the Sunday School rooms which will be used as a storeroom and workshop while the building is being constructed, Minister Custis explained.

## County's Operating Costs For February Total \$27,199.60

Cost of operating Haskell County during the one month period between the February and March terms of Commissioners Court amounted to \$40,084.73, according to records of accounts approved for payment during March.

This total includes \$12,885.13 spent on construction work on the new county jail, leaving \$27,199.60 as normal operating expenses of the county for the period covered in the report. This represents a fraction more than \$900 daily for an average month of 30 days.

Exclusive of jail building costs, expenditures of \$27,199.60 allowed during the March term show an increase over the previous month. During the February term, operating expenses of the county amounted to \$23,223.36, based on accounts approved for payment during the February court term.

Other county expenditures approved for payment during March, but not included in the normal operating expenses, was \$1,391.25 spent for work on Scott Park on Paint Creek Lake, a county-wide project.

Complete list of individual accounts allowed during the March term, exclusive of money spent on the park, appears on pages 4 and 5 in section 2 of this issue.

## De Leon Pioneer, Father of Haskell Man, Dies at 93

F. A. Ruff, 93, pioneer resident of De Leon and the father of W. P. Ruff of this city, died April 26 in De Leon. He had been in ill health for the past three years.

Funeral for Mr. Ruff was held in the De Leon First Methodist church, Thursday, April 29, with the pastor, Rev. Smoot officiating. Burial was in that city.

Born Dec. 9, 1860, in Lafayette, Ark., Mr. Ruff came to Texas and settled at De Leon when he was 18 years old, and had continued his home there for more than three-quarters of a century. Famously known to almost everyone as "Uncle," he was one of the few remaining true pioneers in that section of the state.

Mr. Ruff is survived by four daughters, Mrs. Lela Dupriest of Coombs, Texas, Mrs. O. W. Halfield of Phillips, Mrs. H. I. Bauer of Sidney, Miss Jewel Ruff of De Leon, and two sons, Mark Ruff of Winfield, Kans., and W. P. Ruff of Haskell. Also surviving are eight grandchildren and nine great-grandchildren.

Pallbearers were J. F. Dupriest of Houston; Raymond Richardson, Artie Thomas and Robert Eads of Phillips; W. D. Gilder and Don Collins of De Leon.

## Tommy J. Ballard Now In Korea, Is Made Corporal

Former Pfc. Tommy J. Ballard of this city, who is with U. S. Army forces in Korea, recently was promoted to the rank of Corporal, according to information received by his parents, Mr. and Mrs. Alvin Ballard of Haskell.

Cpl. Ballard is serving with the 83rd Field Artillery Battalion in Korea.

He entered the Army Feb. 27, 1953, and received his basic training at Camp Rucker, Ala. He went overseas in September, 1953.

## FFA Chapter Will Present Style Show Tuesday

The Haskell Chapter of the Future Homemakers of America will present their spring style show Tuesday, May 11, at 8 p. m. in the high school auditorium.

Carrying out a fashion magazine theme, the girls will wear garments made in homemaking classes.

Also modeling will be a group of small children wearing garments made by students who have been studying clothing for children.

The program will include a number of musical selections and entertainment numbers. The public is invited and parents of FFA members will be honored guests.

## Forty-Nine Candidates File for Place on County Primary Ballot

Haskell County voters will ballot on 11 contested races for district, county and precinct offices in the July 24 primary, while candidates for 12 other offices will be unopposed, according to John A. Couch, chairman of the Haskell County Democratic Executive Committee.

Forty-nine candidates had filed application for a place on the primary ballot before expiration of the filing deadline Monday, May 3, Couch said.

Included among the applications filed on the eve of the deadline was that of State Representative John Kimrough of this city, who announced late Saturday that he would seek a second term as State Legislator from the 83rd district.

Also filed for a place on the Haskell County ballot were the applications of Congressman George Mahon for re-election from the 19th Congressional district, and Cecil C. Collings of Eastland for re-election as Associate Justice, Court of Civil Appeals 11th Supreme Judicial District.

Candidates in contested races are:

For State Representative John Kimrough, incumbent, asking a second term, is opposed by E. J. (Ed) Cloud, Rule farmer, former banker and Mayor of that city.

County Superintendent Mrs. Iva Palmer, seeking re-election, is opposed by Miss Jessie Vick of Rule, now a teacher in O'Brien high school.

Sheriff R. M. (Bob) Cousins, has two candidates for re-election, his opponents, Bill Pennington, well known farmer of Haskell, and A. L. (Lloyd) Conner, local contractor and brick mason.

County Attorney Curtis Pogue, candidate for a second consecutive term, is opposed by Wm. P. (Bill) Ratliff, Haskell lawyer and former 39th District Attorney by appointment.

R. A. (Austin) Coburn, seeking re-election as county assessor-collector, is opposed by Bill Fouts, farmer and former County Commissioner.

For Justice of Peace in Precinct No. 1, which includes Haskell and vicinity, Ed Treadwell, incumbent, has two opponents, Robert Fitzgerald, Haskell farmer; and G. W. Piland, retired farmer of this city.

Constable Sterling Edwards in Precinct 1, seeking re-election, has three opponents. They are City Nightwatchman, Bob Marlow; Frank South, Haskell farmer; and Frank Lowellen, local trucking contractor.

For County Commissioner in Precinct No. 1, the incumbent A. C. (Pete) Negro, asking re-election, has four opponents: S. M. (Stewart) Burson, young Rochester farmer and businessman; Wilson Bean and Lewis J. Hester, prominent farmers in the Rochester-O'Brien section; and Claude L. Ashley, Haskell farmer.

In Precinct 2, Commissioner W. A. (Drew) Leonard, candidate for re-election, is opposed by Herman Jasslett, young farmer in the Weibert section; Leon Newton, Army veteran and farmer in the Mattson community; and Claude Covey, local tank and terrace contractor.

Commissioner Estle Gilleland of Precinct 3, asking a second term, is opposed by L. L. (Louie) Kuenster, farmer and trucking contractor; Noah S. Lane, Haskell farmer and stockman; and Gene Tonn, farmer and former garage owner of this city.

In Precinct 4, Commissioner D. S. (Dave) Strickland, candidate for re-election, has five opponents. They are Francis C. Blake, Haskell farmer; Ted Marugg, prominent farmer and former school trustee; W. C. (Red) Collins, automobile salesman of this city; C. L. (Roy) Clark, farmer and former Commissioner; and Vernon Wofford, well known farmer in the Sagerton area.

Unopposed candidates, and the offices for which they have filed, include:

District Judge Ben Charle Chapman of the 39th Judicial District, for re-election.

District Attorney Royce Adkins of the 39th Judicial District, for a second term.

Congressman George Mahon for re-election, 19th Congressional District.

Judge Cecil C. Collings, for re-election, 11th Court of Civil Appeals.

County Judge Alfred Turnbow, for re-election.

District Clerk Jesse B. Smith, for re-election.

County Clerk Horace Oneal for re-election.

County Treasurer C. L. (Pat) Lewis for first elective term.

W. R. Mason for re-election Justice of Peace, Precinct 6, Rule.

S. J. Reeves, Jr., for re-election as Public Weigher Precinct 7, O'Brien.

O. J. Huntsman, for Justice of Peace Precinct 5, Rochester.

Chas. M. Conner, County Chairman, Democratic Executive Committee.

## Weinert Voters To Choose Mayor In Election Saturday

Weinert voters will ballot Saturday in a special election to name a Mayor to serve for the ensuing term. The election will be held in the Weinert school building.

Order for the special election was issued by the Weinert City Council after the mayor-elect named in the regular city election April 3 declined the office.

The names of R. L. Edwards and J. A. Mayfield have been filed on the ballot as candidates for mayor in Saturday's election.

## Winners In Rotan Junior Rodeo

Two Haskell youths, Sonny Matthews and Bobby Furrh, were among top place winners in the Junior Rodeo held in Rotan last week.

The young rodeo performers received certificates this week, Sonny for winning second place in calf roping, and Bobby for second place in bull riding.

Each Class A band from 18 counties competing at San Angelo, there were only two sweepstakes winners, Haskell and Ozona.

Each band was allowed to enter 20 per cent of its total personnel in solo events, in addition to twirling and student conducting. To determine what 20 per cent of the band would play solos at San Angelo, auditions on solos were held here in Haskell. Of 18 soloists taken to the contest, there were nine first place winners, six second place, and three third place winners.

Soloists chosen to represent the Haskell band and their ratings were:

First Division Winners: Gary Ivy, cornet; Chester Jones, baritone; Bettye Hester, flute; Jacquelyn Hattox, clarinet; Peggy Waldrip, flute and twirling; Betty Waldrip, flute and student conducting; and Patsy Mullins, twirling.

Second Division winners: David Calhoun, baritone; David Jones, trombone; Beulah Brady, flute; Shirley Rasco, clarinet; Betty Waldrip, twirling; Floyd Self, bass clarinet.

Third Division winners: Gloria Ratliff, horn; Betty Anderson, clarinet; John Matthews, bassoon.

First place winners received medals and second place winners received certificates.

## Football League Managers Named, Teams To Play Summer Schedule

Managers of four baseball teams to play summer schedule were named at a meeting of sponsors of this year's summer youth program, according to the league, in charge of this project.

Managers of the "major" league were Dr. E. O. McClellan, and "minor" league, it was explained, was appointed for the League.

A four-member commission composed of Judge Ben Charlie Chapman, Carl Anderson, Dr. Ben M. Nail and Coston will have general supervision of the League during the summer program.

All boys between the ages of 8 and 12 who are interested in playing are asked to meet at the High School grounds Saturday at 2:30 p. m., when final roster of the eight teams will be completed. At that time boys will be assigned to the various teams, with probably a series of workouts following.

A playing schedule for both major and minor league teams is now being prepared and will likely be announced next week, Coston said.

## Swimming Pool To Open For Season Saturday, May 22

The Rice Springs Park swimming pool will open Saturday, May 22 for the spring and summer season, it was announced today by Royce Smith, HHS athletic coach. For the past several seasons Smith has operated the pool under lease from the city.

Beginning May 22, the pool will be open from 1:30 to 9 p. m. each weekday, and from 1:30 to 7:00 p. m. Sundays.

David Middleton and Billy Davis will be on duty as lifeguards at the pool, Smith said.

If the pool can be placed in readiness for opening earlier than May 22, Smith said that the new date would be announced next week.

## HHS Band Wins Sweepstakes In Region I-L Band Competition at San Angelo

The Haskell High School Band won first place in all band events at the regional, Interscholastic League meet for Region II, held in San Angelo Friday and Saturday, April 30 and May 1. Merlin Jenkins is director of the high school band.

This marks the second time in the history of the HHS band that sweepstakes have been won at this annual contest. The only other time was the school year of 1948-49.

The band received a large special plaque showing first division winning in marching, concert playing, and sight reading.

In the regional meet, the bands do not compete against each other, Director Jenkins explained, but must come up to a set of musical standard to achieve first place in any of these events. Haskell competes in Region II, which includes 36 counties in Texas. This region is divided into two sections for competition due to the region taking in such a large territory, Jenkins said. Bands were allowed to participate in these events either at San Angelo or Stephenville. Haskell chose San Angelo, because last year the band went to Stephenville.

Bands from approximately 18 counties participated at both Stephenville and San Angelo. Of

## Two Haskell 4-H Club Girls Enter District Contests

Ives June Casey and Polly Tipton are busy 4-H club girls this week, since they will enter district 4-H club contests in Wichita Falls Saturday.

Ives June will give a dairy food demonstration entitled "Make Mine Milk." Ives June is the 14 year old daughter of Mrs. Nora Casey and is a freshman in Rule High School.

Polly will give a speech, entitled "Church and 4-H Clubs." Polly is the daughter of Mr. and Mrs. Bill Tipton of the Paint Creek community. She is a sophomore in Paint Creek High School.

Others planning to attend the meeting as visitors are Mrs. Robert Hutchinson, a 4-H adult leader, Emilee Griffith, this year's district winner in the vegetable demonstration contest and Thelma Wirges, county home demonstration agent.

Mr. and Mrs. Barney Miller and children of El Paso visited in the home of Mr. and Mrs. A. Bartell of Weinert last week end.

### Your Senator Reports

By LYNDON JOHNSON

Peace The Goal: Again last week, I sat in on a conference of the utmost gravity to all of us. Congressional leaders of both parties met with Secretary of State Dulles just after his return from his journey to England and France—just before he left on another journey that would take him finally to Geneva.

The subject of discussion was Indo-China.

What Are The Issues? It is impossible to exaggerate the seriousness of the situation.

The issue can be stated in a few words: Indo-China is a rich prize. It is the richest source of tungsten still available to the free world.

Beneath the soil of Indo-China are rich deposits of tin and manganese. No military machine can operate without those metals.

Even more important than these physical resources is Indo-China's strategic location.

If this country should be captured by the communists, they would be in a commanding position to take over the entire continent of Asia—the world's most populous land mass.

This would be a heavy blow to freedom.

The National Good. As I looked around at the faces of the men gathered at the conference and listened to their solemn words, I had no doubt that every man present was thinking, above all else, of the good of America.

There was no political spitting, for every man recognized that the grave issues under discussion transcend all political considerations.

There was, I firmly believe, a solemn intention on the part of each man present to weigh his words carefully—to consider the whole grave problem from every angle—and to act, finally, in the best interests of all the people of America.

Fight For Freedom: The French Foreign Legion, which has been fighting in Indo-China, has been magnificent. So have the officers in command on the scene, and this is a big bit.

There has been little support on the French home front for the war. (Many of the Legionnaires are professional German soldiers.)

The French have refused to grant full independence to the people of Indo-China.

Many Asians feel they have no choice between French imperialism and Chinese imperialism. They are apathetic.

The French might well take a lesson from our own Texas history. At the battle of San Jacinto, Texas routed the forces of Mexico—although Texas were outnumbered two to one. They were fighting for freedom. That fact more than made up for the numerical odds.

Many Questions: The questions to be settled in connection with Indo-China are as numerous as they are serious.

I feel very strongly that any action, whatever its nature, must proceed with the full knowledge and consent of the American people.

Like all other Americans, I hope and pray there will be no decision which takes our fellow-Americans through the valley of the shadow of death.

Faith: In a letter I received the other day from a Texas woman, there was this striking thought:

"I know the times are troubled. I know the questions you are called upon to help settle are of the greatest seriousness. But I know this as well: I know that Christianity and democracy are stronger than communism and atheism."

How true that is. How well advised all of us would be to keep its truth steadfastly in mind. It is a belief that can serve as a guidepost to lead us away from the threat of war and tyranny.

Mixed Blessings: The rains which are falling over Texas at the time this is written are a mixed blessing.

They have greatly improved wheat prospects in the Coastal Bend area. Cattle prospects are better as more green feed is available. Vegetable prospects are good wherever the rain has not washed away the soil.

But at this point, rain is still needed over broad stretches of the state. Precipitation was only 35 per cent of normal for the first

### More Than 200 Persons Attend First Pinkerton-Whitman Homecoming

First annual homecoming of early-day residents in the Pinkerton and Whitman communities, held in the American Legion building Saturday evening attracted more than 200 persons. Included were a number from out of town, some from as far away as Kansas.

Guests were registered by Mrs. C. G. Burson, Jr., Mrs. B. F. Bassing, and Mrs. Melvin Norman. One hundred ninety-two were registered as present residents of the Pinkerton-Whitman area or former residents in that section.

Highlight of the evening was an old-fashioned basket dinner, spread on tables in the large auditorium. Following the meal, remainder of the evening was spent in visiting and recalling early days in Haskell County.

Plans were also considered for making the homecoming an annual event with a permanent organization to be set up.

Out-of-town guests registering for the homecoming included: Fort Worth—Mr. and Mrs. Ben Parr.

Hillsboro—Mrs. Edd King. Stamford—Mr. and Mrs. A. C. Denison, Mrs. H. S. Gibson. Throckmorton—Nelda Gibson, Beulah Gibson.

Rising Star—Mr. and Mrs. Tom Baker, Tom Stewart, Grace Stewart.

Rochester—Ellan Adams, Helen Smith, Mrs. Myrtle Adams, J. E. Adams.

Earth—Mr. and Mrs. Sam Carley, Mr. and Mrs. Clyde Carley. Hale Center—Grace Carley Floyd.

Brownfield—Mr. and Mrs. S. R. Lee.

### Record Keeping Studied by HD Club Women

Do you have your important family records where you can find them easily? If not, you better talk to Haskell County Home Demonstration club women.

The Haskell County Home Demonstration Clubs have just had demonstrations by Miss Thelma Wirges, county home demonstration agent on Records To Keep.

You may think there is no point in keeping old stuffy records. If so, maybe you will change your mind. At one time Will Rogers said, "If I see a kid playing in a field, I don't need any certificate to tell me he was born."

At a later date he said "When I see a kid playing in a field, I don't need any certificate to tell me he was born—but I do need it to tell me when, where and who to."

The birth certificate is just one of the 32 important records included in "Records to Keep."

If you would like to have information on these records, you may see your County Home Demonstration Agent or County Home Demonstration club women. After you have this, you may want to make your goals the same as the club women have made:

1. Get all your records in one place;
2. Make a list of the valuable papers you have in your safety deposit;
3. Get the important records you need such as birth certificates; and
4. Provide a place to keep important Records.

three months of 1954—the driest first-quarter year in Texas history. It will take a lot of rain to make up for the long drought.

The lesson is still inescapable. We need dams and reservoirs—dams to trap flood waters and prevent damage; reservoirs to store water against the hot, dry, thirsty months.

The People Know: Whatever is necessary to solve our Texas water problem must be done. I know, from numerous letters I receive on the subject, that is how the people of Texas feel about the matter.

This alert and intelligent interest by Texans in solving our water problem makes me realize all over again that, generally speaking, the American people, once they are given the facts about a situation, can be depended on to seek for and find the right answers to question affecting their welfare.

Confidence in the judgment of the people is the foundation stone of our system of government.

### Ives June Casey Is Rule Entry In Area Contest

"Make Mine Milk" is the title of the dairy food demonstration Ives June Casey will give at the District III contest in Wichita Falls, Saturday, May 8.

Ives June is the 14 year old daughter of Mrs. Nona Casey. A freshman in Rule high school, she has been a 4-H club member for five years.

In her five years of club work, she has completed ten projects, including dairy foods, food preparation, garden food preservation, hogs, poultry, clothing, home management, marketing and beef cattle.

While working on these projects, Ives June has received a number of honors and awards such as: first place ribbon on a fair exhibit, three dress revue medals and ribbons, a trip to District 4-H camp as junior leader, the county leadership medal and first place award for giving a dairy food demonstration.

She has held club offices including president, vice president, secretary-treasurer and song leader. She has also served on club, county and district committees.

Other contestants from Haskell County are Polly Tipton, in Public Speaking and Emilee Griffith in Vegetable.

**TEACHER OF THE WEEK**

Teacher of the week at Haskell Elementary School is Miss ...  
 Her first teaching position was in the department of Public School Music in Brownwood Public Schools.  
 On her return home, she kept books for Courtney Hunt & Co., and assisted in the management of the Texas Theatre which was owned and operated by her father for three years.  
 Returning to the teaching field, she accepted a position as Public School Music teacher in the North

Ward school, a position she held until being elected principal of North Ward, which she held eight years.  
 In 1942, Miss Hunt became executive secretary for the Texas Cotton Planting Seed Association, Dallas, Texas. Later she resigned this position and moved to Honolulu, Hawaii, to become Assistant Controller of M. McInerney, Ltd.  
 While in Hawaii, she studied the history, language, and music of the people.  
 She returned to Abilene in September, 1946, to teach American History in Hardin-Simmons University, resigned in November, 1947, due to the serious illness of her father. Returning to Haskell at that time, she was elected to teach Third Grade in Elementary School.  
 She is a charter member and

past president of Beta Chi Chapter of Delta Kappa Gamma; a member of the local, district and state units of Texas State Teachers Association; the Parent-Teacher Association, and the recently organized A. A. U. W.  
 She is a member of the First Christian Church, where she was a teacher and pianist in the Junior department for a number of years. She now assists in teaching the May Fields Bible Class.  
 In telling of her work with pupils in the Third Grade she relates:  
 This year we have enjoyed several interesting units. First, we worked on a Transportation Unit. The children read many stories and books on their level on Transportation. Pictures of various means of transportation were brought to school and studied. We saw movies on this subject. The children drew pictures of the methods of transportation in which they were most interested. Models were molded in clay. The children brought toys showing the various means of transportation to school. We arranged a very interesting exhibit, we invited the other rooms in our school to see our exhibit. Stories were written. Hard word charts were made. Songs with transportation themes were learned. Children enjoyed hearing records with transportation as their theme.  
 In arithmetic we worked problems pertaining to transportation. In connection with the unit, traffic problems in Haskell were discussed. Traffic laws were stressed. Bicycle safety rules were stressed. The children learned that they have a responsibility in observing and following traffic rules, when they are walking or riding.  
 In November the class presented an Operetta, "The Alphabets Holiday." With the money we received from the show we purchased a Record Player and several nice records. The children have received much pleasure in music from the player.  
 In March the children carried their part in the Operetta, presented by the Third, Fourth, and Fifth grades. The children received valuable training in music, drama, and team work in this school project.  
 In their reading classes the children have made very attractive shadow boxes portraying their favorite stories. They have also made clay models of some of their favorite story book friends.  
 Since Christmas we have been working on a unit, "Our Community." We have learned what our city and county does for us and what we should do to be good citizens.  
 With the cooperation of our home-room mothers and fathers several very interesting trips have been made. We visited the City Water and Sewer plants. On another trip we visited the Power Plant at Paint Creek. We came

back and enjoyed a delicious lunch prepared by our mothers in our own beautiful park.  
 Working in small groups the children made a tour of the square. We made a list of all the business houses on our square with the name of the owners. We are making a map of our square.  
 The children set up a model community "Plasticville" on our tables. We learned what it takes to make a beautiful community. The children made maps of their own neighborhood. From this study we have learned many interesting things about our city and county. We hope to learn more before we complete the unit.  
 We have just started work on a Cowboy and Ranch unit. We have read stories and books on ranch life. We will see some movies on ranch life. The group has drawn some very clever pictures depicting ranch life. We are enjoying cowboy songs on our records. We will learn some of the favorite cowboy songs. We have set up a ranch on our tables. The children are bringing from home some interesting relics from ranch life. We hope to make a trip to some ranch before we complete the unit.  
 I have recently organized a Rhythm Band for the three sections of the Third Grades. We greatly enjoy working with the other rooms in our band.  
 As a teacher I feel it is my duty to give the children in my room more than Reading, Writing and Arithmetic. I consider it my obligation to assist in the development of their Spiritual, Cultural, and Civic life. I strive to give them something they can use when they go forth to face the world.  
 I am ambitious for our school. I hope soon to see special teachers for Music, Art, and Writing. I consider training in these Arts vital to a Child's full development.

**ATTEND FUNERAL IN DE LEON**  
 Mr. and Mrs. Leon Pearsey, Mr. and Mrs. Bob Sego, Mr. and Mrs. Richard Bischofhausen and Mr. and Mrs. D. H. Persons were in De Leon last week to attend the funeral service of F. A. Ruff, father of W. P. Ruff of Haskell.

**WILL SPEND WEEK END IN HICO**  
 Mr. and Mrs. D. H. Persons are in Hico this week end where they will attend open house at the dedication services for the beautiful new Methodist church recently completed in that city.

**VISITORS FROM DALLAS**  
 Mr. and Mrs. Kenneth Davis of Dallas are visiting in the home of his mother, Mrs. Mary Brown, and other relatives and friends here.

### Rosy Future Theme, Decor Used for Annual Paint Creek Junior-Senior Banquet

The Paint Creek Junior-Senior banquet under the direction of Mrs. J. C. O'Neal was held in the school cafeteria on Friday evening, April 30 at 8 o'clock.

The theme of the banquet, A Rosy Future, was carried out in the decorations, favors and menu. The Senior Class flower, the red rose, and the class colors, red and white were predominant over the entire cafeteria.

The mothers of the Juniors and Senior classes prepared and served the banquet.

Mrs. Frank Martin of Haskell gave the dinner music.

The occasion provided the following very pleasing program:

Master of Ceremonies, Mrs. H.

P. Morrison.  
Invocation—Dan McRae.  
Welcome—Helen Jean Cox.  
Toast to the Seniors—J. C. O'Neal.  
Vocal Numbers—Mrs. David Goldston.  
Saxophone Selections—Kendell Henderson.  
Guest Speaker—R. R. King.  
Vocal Solo—Mrs. Gerald Pinkston.

Class Will—Kenneth Howard.  
Class Prophecy—Sue Mickler.  
Song—Sue Dell Hill, accompanied by Martha Hudson.  
School Song—Entire group.  
Class members and guests were Sue Mickler, Helen Jean Cox, Helen Grand, Nancy Earles, Geradine Petrich, Rudy Raughton, Buddy Russell, Don Doty, Charles Shaw, Marilyn Green, Golda Hauger, Don Summers, Jimmy Hokanson, Kenneth Howard, Billy Middlebrook, Tony Flores, Billy Woolsey, Miss Bess Smitley, Mrs. Gerald Pinkston, Mr. and Mrs. Dan McRae, Mr. and Mrs. J. C. O'Neal, Mr. and Mrs. Terry Tackett, W. L. Medford, Mr. and Mrs. J. M. Owens, Mr. and Mrs. P. H. Morrison, Mr. and Mrs. Frank Martin, Mr. and Mrs. R. R. King of Rochester, Mrs. Irene Ballard, David Goldston of A&M College, Sue Dell Hill and Martha Hudson of Stamford.

### Haskell Senior Is Model In Fashion Show at Baylor U.

Mary Beth Payne, Haskell senior in Baylor University, was among five representatives from women's social clubs selected as models in the annual fashion show presented by Pi Alpha Lambda Friday, April 30 in Waco Hall.

Miss Payne will receive her degree at the close of the current college semester. She is the daughter of Mr. and Mrs. John P. Payne of this city.

## NEWS OF INTEREST WOMEN

### Miss Wynell Bean, William Hester, to Wed May 28

MISS WYNELL BEAN

Mr. and Mrs. Wilson Bean of Rochester have announced the engagement and approaching marriage of their daughter, Wynell, to William Hester, son of Mr. and Mrs. J. V. Hester of Knox City.

The couple will be married at the home of the bride on Friday, May 28, with only a few close friends and relatives present.

Miss Bean is a member of the Junior class of Rochester High School where she is an active member of the F. H. A. and Pep Club and was chosen class favorite this year.

Mr. Hester is employed by the Frank Woods Oil Company.

### Harmony Club Presents Song Festival Sunday as National Music Week Feature

An event with far reaching possibilities was observed Tuesday afternoon May 2 at the First Baptist Church, when the Haskell Harmony Club sponsored a song festival observing the 30th anniversary of National Music Week which has extended to more than 5,000 American cities and communities since its inception in 1924.

The program was presented to a small but appreciative audience and included numbers by the combined choirs of the First Baptist and First Methodist churches, with representatives from the First Christian and other churches of Haskell. Keynote of the 1954 celebration was "Join in Music Making."

The Rev. Sid Davis, associate pastor of the First Baptist church, conducted for his choir and for the audience singing, Miss Doris Chapman, local music teacher and conductor for the First Methodist church choir, presented special music and the benediction closing the program in song.

The Haskell Harmony Club gave three spiritual numbers with Mrs. Ross Fox conducting.

Soloists for the program were Mrs. Ross Fox who sang "The Lord's Prayer," Mrs. R. C. Couch, Sr., who presented "Sharon

Rose" and Mr. and Mrs. Sid Davis who sang a vocal duet "My Prayer."

Mrs. O. E. Patterson was organist and Joy Allen pianist for the program which centered around church music. Mrs. Eugene Tonn, Mrs. Floyd Cook and Mrs. Caroline Everett were soloists for the Harmony Club. The following program was presented:

Prelude—Mrs. O. E. Patterson.  
Congregational Song—Holy, Holy, Holy.  
Baptist Church Choir—In the Hollow of His Hand.  
Congregational Song—I Need Thee Every Hour.  
Congregational Song—When They Ring Those Golden Bells.  
Spirituals—Haskell Harmony Club.  
Solo—Mrs. R. C. Couch, Sr.  
Congregational Song—Wonderful Words of Life.  
Solo—The Lord's Prayer, Mrs. Ross Fox.  
Congregational Song—The Old Rugged Cross.  
Methodist Choir Special.  
Duet—Mr. and Mrs. Sid Davis.  
Benediction—Methodist Church Choir.

### East Side W. M. U. Meets Monday for Bible Study

Members of the East Side W. M. U. met Monday, May 3rd, for regular Bible Study.

Mrs. Quattlebaum led the opening prayer, and Mrs. Lewis brought the devotional from the 20th chapter of Exodus. The lesson, from the book, "Women of Destiny," was taught by Mrs. John Lamkin. The meeting was closed with prayer by Mrs. Fred Howard.

The following were present: Mesdames Ann Lamkin, John McGuire, Nellie Rogers, Alice Andrews, Quattlebaum, Fred Howard, "Mother" Holt, T. E. Lewis, and Joanna Lewis.

### Anderson-Thompson Wedding Rites Solemnized Here

A wedding ceremony was solemnized Wednesday, April 21, when Mrs. Elizabeth Anderson of Amarillo and Carrol B. Thompson of this city exchanged nuptial vows in the parsonage of the First Methodist Church in this city. The Rev. J. B. Thompson, Methodist pastor read the single

this sermon in song, and it is to be hoped that this can be an annual event in our city for which all Haskell can be proud.

The Haskell Harmony Club with Mrs. V. W. Meadors as president will end its current season with a breakfast and installation of officers for 1954-55 at the Highway Drive in Thursday morning at 8:30 o'clock, May 6.

ring ceremony uniting the couple. Mrs. Thompson is a former resident of Amarillo and Channing, Texas. Mr. Thompson, well known Haskell businessman, is manager of Banner Ice Company.

Mr. and Mrs. Thompson are at home at 1301 North Avenue G.

Mrs. Chas. Barre home last week in Rio, where she had in the home of her family, Mr. and Mrs. man. They accompanied home, and visit and friends here for

### Camp Fire Girls Annual Mother-Daughter Tea Held Tuesday Evening, May 4

The Tanda Camp Fire girls' Mother and Daughter tea was held Tuesday at 6 p. m. in the home of Mrs. Bob Herren.

Jan Herren and Suzanne Lane greeted guests at the door.

Refreshments of cake and punch were served by the hostesses. Carnation corsages were made for the favors committee.

After refreshments were served a program was presented for the mothers by the girls. The program:

Welcome to Our Mothers by Twyla Hipp.

Piano Solo, by Sarah Lees.  
"Flowers for Mother," by Christy Royall.  
Song—"Mother Machree," by Dornthea Rueffer.  
Piano—"Mother Machree," by Jane Bynum.  
"Mother's Day," by Jackie Weaver.  
Song—"Faith of Our Mothers," June Ang Sego, Janice Hattox and Kay Graham.  
"Mother's Thoughts," by Kay Graham.  
"Happy Mother's Day," by Linda McDonald.  
Poem, by Bette Landess.

After the program was over each mother was presented a pot plant. These pot plants were plants the girls had transplanted at one of their meetings. Mrs. J. E. Walling, Jr. supervised the transplanting of the plants.

Hostesses were Jan Herren, Janice Hattox, Bette Landess, Linda McDonald and Jackie Weaver.

Program Committee—Suzanne Lane, Jane Bynum and Twyla Hipp.

All members and their mothers were present except two. The girls were sorry these two members could not attend. Louisa Herren, who was ill and Shirley Norman who was out of town. The girls were glad to have Jan Eastland and her mother as their guests. Next meeting will be Tuesday, May 18.

### T.E.L. Class Has Business, Social Meeting Tuesday

Members of the T.E.L. Class of the First Baptist Church, met in the annex on Tuesday afternoon for their May business and social meeting. Group singing was led by Mrs. I. N. Alvis. After the opening song Wonderful Story of Love, the devotional was given by Mrs. Laura Massey. Mrs. Mary Oates led in prayer. The president, Mrs. Joe Maples conducted the business session. Mrs. Julia Perrin, secretary, gave a report of the work of the class during April after which each group leader brought encouraging reports.

Members had been requested to bring the oldest picture of themselves. These were used in a guessing contest which brought about much laughter in guessing "Who was Who." Mrs. A. W. Cox, social chairman conducted that phase of the meeting.

Mrs. John Ellis, assisted by members of her group served sandwiches and spiced tea to 19 members and one visitor.

Visitor was Mrs. John Tinkle. Members present, Mesdames Mary Oates, Jack Merchant, Lela Norman, Annie Lane, May Branch, Ada Robinson, I. S. Grindstaff, Katy Graham, I. N. Alvis, A. W. Cox, Laura Massey, John Couch, John Ellis, Julia Perrin, Joe Maples, K. D. Simmons, Rosa Glenn, George Herren, J. W. Martin.

### Mrs. R. A. Lane to Install Junior Hi P-TA Officers

Mrs. R. A. Lane will be director for the Junior High Parent-Teacher Association when they have the installation of officers May 13 at 3 p. m. at the high school auditorium.

All parents of fifth grade students are invited to attend as well as all the Junior High student parents.

To the who sent food during hours, we thank God bless each and our prayer.—Mr. and B. Smith and family.

**County HD Council Elects Delegates To State Meet**  
The Haskell County Home Demonstration Council met Saturday May 1 at 2 p. m. in the district courtroom.  
The meeting was called to order by the vice chairman, Mrs. Otto Vaughn.  
Delegates were elected to go to THDA state meeting in Dallas August 11-12-13. Those elected were first, Mrs. Albert Hannz; second, Mrs. Hollis Pitman and third, Mrs. Rex Murry. Alternates were Mesdames Joe Holcomb and Layton Robertson.  
Miss Wirges asked that club reporters get write up in paper and to have year book suggestions in by June.

**Junior Hi P-TA To Sponsor Recital By Miss Hadaway**  
The Junior High Parent-Teacher Association will sponsor a very talented ambitious young lady, Miss Sandra Nell Hadaway and her pupils in a recital to be given Monday night May 17 at 8:00 in the high school.  
Sandra Nell is a Junior high student and needs recognition from the public as a person capable of doing what she is doing with 59 students from Throckmorton, Rule and Haskell. There will be about 30 students in the recital.

**District Fellowship Meeting To Climax Foursquare Revival**  
The revival now in progress at the Foursquare Gospel Church, corner Ave. F and 2nd St. in Haskell, will continue through Sunday night, May 9. Rev. Nadine Hail of Hale Center, Texas, is preaching nightly at 7:30. Rev. Hail is an accomplished pianist and vocalist, as well as playing the harmonica. Her gospel messages are proving a real inspiration and blessing to all those who have attended thus far.  
The week's revival meeting will be climaxed by a District Fellowship meeting beginning at 3 p. m. Monday afternoon, and ending at the close of the evening service which begins at 7:30. Dr. Charles R. Gaines, District Supervisor of the Gulf States District Foursquare churches will be present and will bring the evening message. Rev. Betty Scarborough, pastor, states that a capacity crowd is expected, and all those who plan to attend are urged to come early on Monday afternoon in order not to miss this old fashioned get-together. Everyone is invited to attend.

**Rebekahs Honor Mrs. Sarah Holt, Lodge 'Mother'**  
The Haskell Rebekahs honored their lodge mother, Sarah Holt, with a Mother's song program Monday night, May 3 in the I. O. O. F. Hall.  
Rule Rebekahs were invited to attend the program.  
Readings, quartets and group singing were the entertaining features for the evening.  
Mother Holt was presented a gift from the Haskell Rebekahs, which was a lovely rhinestone pin. In her charming manner she responded with a short talk, that was an inspiration to all present.  
Refreshments of ice cream and cake were served to 45 Rebekahs from Haskell and Rule Lodges.  
All present reported a nice time.

REV. NADINE HAIL

**VISITORS FROM SWITZERLAND**  
Dr. and Mrs. W. R. Beech of Berne, Switzerland, visited the first of the week in the home of her parents, Mr. and Mrs. A. Y. Corley, and other relatives here. Dr. and Mrs. Beech left Wednesday for San Francisco, Calif., for a visit there. They will return to Haskell for a longer visit before going back to Switzerland.

**DEAD ON YOUR FEET?**  
"These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B<sub>1</sub>, B<sub>2</sub>, and B<sub>6</sub> is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a vitamin deficiency as they may have other causes or be due to functional conditions."  
**Special Formula supplies iron you may need for Rich Red Blood**  
Do you feel run-down, nervous or depressed? Lost your appetite—constipated—bothered by digestive upset? You may be suffering from iron-and-vitamin starvation over a prolonged period. BEXEL, the special high-potency Formula supplies supplementary quantities of iron for rich red blood and quick vitalizing energy. Each BEXEL capsule gives you 5 times the daily minimum requirements of blood-building iron; more than the daily minimum of all essential B-vitamins; plus Vitamin B<sub>12</sub> and trace minerals. Get wonderful new pep and energy with BEXEL—now available at all drug stores.  
Less than 6¢ a day!  
MONEY BACK GUARANTEED!

**Haskell Animals Win in San Angelo Horse Show**  
Five Haskell horses entered in the annual San Angelo Palomino and Quarter Horse Show last week end, placed in the various divisions, and one Haskell entry took first place.  
El Centro's Sunday Gal, owned by Lon McMillin of this city, won first place in the division for Palomino foals of 1933.  
Sinney's Joy, Dr. T. W. Williams, owner, won second place among Palomino stock horse mares, 3 years old.  
Chico Davis, owned by Dr. T. W. Williams, won second place in Palomino pleasure type geldings at halter and fifth place in performance in this division.  
Fellow Sonny, owned by Gene Hunter, took second place in the division for Palomino stallions stock horse class foaled in 1932.  
Bay Window Ann, owned by Myron Biard, took fourth place in Quarter mare class of 3-year-olds.  
Sinney's Joy, owned by Dr. Williams, also took fifth place in Quarter mare class of 3-year-olds.

**Firemen Demonstrate Extinguishers At Lions Meeting**  
Two members of the Lions Club, George Neely and Jim Byrd, who also are volunteer firemen, got in a hefty plug for the fire department at the noon meeting and luncheon of the Lions Club Tuesday.  
Byrd and Neely demonstrated a type of fire extinguisher to be sold by local firemen in a campaign to be launched next week. They showed the various size units which will be offered for use in business establishments, homes and automobiles, during the program time of the meeting.  
Noah S. Lane, farmer and Hereford breeder of this city, was introduced as a new member of the club. Visitors at the meeting were Jack Lane and John Thompson.

**HOSPITAL NOTES**  
Relatives and friends are requested to observe the following schedule of visiting hours: 9 to 10:30 a. m.; afternoon 3 to 4 p. m.; evening 6:30 to 8:30.  
**PATIENTS ADMITTED:**  
Mrs. Roy Lane, medical, Goree.  
Mrs. Maggie Larned, surgery, Haskell.  
T. B. Roberson, accident, Haskell.  
Linito Rodriguez, burns Rule.  
Joe Greer, medical, Haskell.

Mrs. L. D. Mezzell, medical, Goree.  
Baby Moore, Old Glory.  
**DISMISSED:**  
Mrs. Jim Crawford, Haskell;  
Mrs. Floy Morgan, Haskell; Jno. Clifton, Haskell; Carl Taylor, Big Spring; J. E. Herren, Rule; Jesse B. Smith, Haskell; Mrs. Woodrow Jones, Haskell; Mrs. Troy Gauntt, Rochester; Oliver Hix, Weinert; G. M. Overcash, Haskell; Mike Sava, Munday; Mrs. J. F. Cadenhead, Haskell; Paula Oates, Haskell; Mrs. Riley Falkner, Rule; Chas. E. Urban, Weinert; Mrs. Martha Bailiff, Rule; Judy Ems-off, Haskell; Mrs. Eula Parker, Rochester; Mrs. Noel Brooks and infant son, Haskell; Mrs. J. C. Bartley and infant girl, Haskell; Mrs. J. L. Flowers and infant girl, Sagerton; Mrs. Curtis Matthews and infant daughter, Haskell; Mrs. Frank Adair and infant son, Sagerton.

**Cowboy Reunion of '98 was Busy Time in Road to Ruin Bar, Oldtimer Recalls**

D. M. Biard of this city, who will be 85 in September, recently related to members of the Saddle Tramps riding club details of the famed Cowboy Reunion held here in 1898.  
Biard, who came to Haskell County in 1897 from Fannin County, told Mayor Courtney Hunt of tending bar in the Road to Ruin Saloon which was the oasis for cowboys and ranchers seeking to slake their thirst after many days in the saddle.  
"We had 10 bar tenders during the big rodeo 56 years ago and we stayed open all night to serve the customers, but I don't recall ever seeing a drunk person while the celebration was going on," Biard said.  
"I went to work for a Cap Williams who was a farmer and rancher in this area and the last day of work I did for him was helping the other punchers round up wild horses which were standing to death for water on the prairie.  
"We drove them to the Brazos River where they would dig down into the dry river bed to find water," he related.  
"There weren't too many farms here in those days and I have ridden many days over the prairies which are now some of the best farm land in Haskell County," he said.

Biard, still an ardent fisherman, recalls that game and fish were plentiful here in 1898 and lots of big ones were caught on Paint Creek.  
He is the father of Myron Biard, president of the Saddle Tramp riding club which is sponsoring the "Rice Springs Roundup" which will get under way here May 13th and will continue through Saturday, May 15th.  
When asked if he would take part in the big parade on opening day, he readily exclaimed "Shore" and "I can still ride a horse too and don't have to be provided with an automobile to be in the parade."

**Neighbors Turn Out To Work Land for Farmer in Hospital**  
Providing a typical illustration of West Texas neighborliness, friends and neighbors gathered Monday at the farm of T. D. Strickland, bringing tractors and plows, and made quick work of placing his 160 acres of cultivated land in shape for Spring planting.  
Fourteen persons, using 12 tractors and equipment, prepared the land in less than half day. Helping were: Bill Fouts, Ted Marugg, Cecil Pitman, Roy D. Wiseman, H. C. Bland, Billy Bob Welsh, Odell Helweg, Oris Gibson, Darrell Gibson, Raymond Burson, Fred Flannery, Clyde Bland, Bill Pennington and Dwayne Bland.  
Mr. Strickland, long-time resident of the Sayles community southwest of Haskell, is critically ill in the Haskell Hospital. He has been in ill health for the past year. He is the father of County Commissioner Dave Strickland of Precinct 4, and Allen Strickland, Haskell accountant.

**Return to Weinert**  
Mr. and Mrs. A. Bartell of Weinert have been visitors in Wichita Falls, Henrietta and Burkburnett recently.

**Springtime Ideal For Clean Up, Paint Up Projects**  
College Station—Clean up, fix up, and paint up is a popular springtime slogan and rightly so, says W. S. Allen, extension agricultural engineer.  
Take painting for example, he says. Right now is the time to get a first class paint job. The weather is relatively dry and temperatures moderate.  
The best paint in the world can't stand up if applied in wet or damp weather. In addition, sudden changes in temperatures may cause new paint to wrinkle.  
Conditions during April and May are optimum, Allen says.  
Avoid painting when insects are numerous or when dust is blowing. Paint, at least as much as possible, in the shade. It's easier on the worker and direct sun light does not fall upon the newly applied coat.  
Possibly the main consideration is the selection of outside paint suited to the climate. In humid, warm areas, hard type paints stand up better and softer paints are best suited in dry areas. Paint dealers can recommend the best type.  
The next rules are simple, but important, he says. Get the surface clean, dry, and free from old, loose materials. Three or four light coats are much better than a single thick application.  
Finally, each coat should be allowed to dry thoroughly before the next is applied.  
If moisture conditions permit the planting of substitute crops for those taken out under control allotments, very little productive Texas cropland is expected to remain idle. The overall labor needs on the State's farms are not likely to be materially reduced because of the shift in plantings.

Six members of the board of directors of Stamford Production Credit Association are pictured following the annual stockholders' meeting, held recently. Shown, reading from left to right are: J. B. Morrison, Jr., associate director, Spur; Lasater Hensley, director, Guthrie; J. F. McCulloch, director and vice president, Stamford; J. B. Pumphrey, director and member of the Federal Farm Credit Board of Texas, Old Glory; C. G. Burso, Sr., director and association president, Haskell; Frank Andrews, associate director, Albany. Another director, J. Spurgeon Reeves of Hawley is not shown.

## News From Sagerton

BY MRS. DELBERT LE FEVRE

Mrs. Campbell, florist from Rule, was the guest speaker at the regular meeting of the Sagerton Home Demonstration Club in the home of Mrs. A. L. Gibson Tuesday April 27. She gave helpful tips on flower arrangement and made several different arrangements of gladioli, carnations and roses.

Plans were made Monday evening May 10 when the club will sponsor Bill Mac and his band from Wichita Falls at the Sagerton school auditorium at 8:00 o'clock.

Those present were Meses. A. C. Knipling, R. W. Green, E. J. Neinst, Delbert LeFevre, Will Stegemoeller, Edgar Jennings, G. Quade and their guest, Mrs. Campbell and the hostess.

Mrs. R. W. Green will have the next meeting Tuesday, May 11. Mr. and Mrs. Edgar Jennings and daughters spent last week end in Tulia visiting with Mrs. Jennings' parents.

Mrs. Eldon Cook and daughters, Carolyn and Sharon, of Big Spring are spending part of the week with her parents, Mr. and Mrs. M. Y. Benton and Mr. and Mrs. Chas. Clark and family.

Kenneth Stegemoeller a student at Texas Tech, was home last week end with his father, F. A. Stegemoeller.

Dr. and Mrs. J. A. Benson, Jr. and their two sons are visiting Rev. and Mrs. Zuecker. Their home is in Rochester, Minn. Mrs. Benson is a daughter of the Zueckers, and it is her first visit to Texas. Rev. Zuecker is pastor of Zion Lutheran Church here.

Several members of the Lutheran Women's Mission League of the Zion Lutheran Church attended the spring rally of the association in Cisco Wednesday May 5. Present were members of the association from seven churches in Cisco, Albany, Brownwood, Abilene and Sagerton.

Mrs. Scaer of Cisco is the league president. Several members from Sagerton took part in the skit, "White Boxes Talk." An-

other part of the program was a lecture with slides on mission work in Japan and the Philippine Islands by Raeburn Hahn, of Littlefield, who is a nephew of A. Hahn of Sagerton.

The Walter League of the same churches will have their spring rally in Cisco on Sunday, May 9. Several young people from the local church plan to attend this meeting. Leon Stegemoeller has recently been elected president of the local organization.

Mr. and Mrs. Cecil Schroeder and family of Grand Prairie were week end guests of Mrs. Alma Schroeder last week end.

Mrs. Cliff LeFevre entertained the members of the Stitch and Chatter Club in her home Wednesday afternoon April 28. The ladies worked on quilt blocks for Mrs. LeFevre. Nine of the ten members were present. The next meeting will be in the home of Mrs. Pete Lusk May 12.

Miss Irene Stewart, principal of the Sagerton school states that parents transfers of school children to another school district are to be made during the month of May this year instead of July as in former years.

This is for children whose grades are not taught in the Sagerton district. Blanks will be sent out to parents by Miss Stewart, and they must be in not later than June 1.

Mrs. Vernon Mayfield, wife of the pastor of the Sagerton Methodist Church, was released from the Hamlin Hospital this week and returned to their home near Hamlin.

Mr. and Mrs. John Clark spent last week end in Holiday with Mr. and Mrs. Chas. Clark.

Mrs. Bueford Letz entertained Friday afternoon April 30 with a birthday party for her children, Martha Kay, who was 4 April 28, and Rickey who was 3 May 3. The children present were Kenneth and Judy Neinst, Stephen and Reba Letz of Old Glory, Larry and Judy Green, Tommy Mrazek of Aspermont, Karen and Keith

## Weinert Soldier To Take Leader's Course Training

FORT BLISS Texas—Pvt. Doyle K. Jetton, husband of Mrs. Keaton Jetton, 3922 Hayes Ave., El Paso, and son of Mr. and Mrs. T. W. Jetton, Weinert, has been selected to attend Leader's Course, the most advanced training program of the Antiaircraft Artillery Replacement Training Center at Fort Bliss.

Pvt. Jetton was chosen for the leadership class from a group of more than 400 soldiers. Appointments to the rigorous training course are based on demonstrated leadership abilities, high scholastic aptitudes, and above average physical stamina.

The purpose of the course is to train potential leaders early in their military careers and develop them to lead troops as non-commissioned officers.

The first five weeks of training are a study of leadership principles, methods of instruction, and tactics. The last three weeks of the course emphasize practical exercise. During this period the men are placed in basic training units in the AAARTC to instruct troops in the various phases of training, from Infantry drill to servicing and firing the light and medium antiaircraft guns.

Graduation from the Leader's Course comes at the close of the eighth week of training and is climaxed by a formal parade and retreat ceremony.

Kainer, Phyllis Kay Stanhope, Larry LeFevre, Steve Clark, Vicki and Gary Spitzer, Lyndell Quade, Yvonne Ross, Mike Summers, Richard and Randy Gibson, Clifford Gholson, Mildred Ann and Sammy Bell, Martha Kay and Rickey Letz. Several mothers were present. Angel food cake and lemonade were served.

Mr. and Mrs. Will Neinst of Lubbock stopped by for a short visit with Mrs. F. W. Stegemoeller, Mrs. Neinst's mother, and other relatives last week while they were en route to Brenham.

## Rochester Voters Approve \$225,000 School Bond Issue

A \$225,000 bond issue for construction of a new elementary school, cafeteria and bus garage was approved by Rochester voters Saturday by a 161-12 margin.

School Supt. Robert King said that the bonds have been contracted for sale to the Henry-Seay Company of Dallas. The company agreed to buy the bonds at 2 1-4 and 2 1-2 per cent interest if approved by voters. The bonds will be for 15 years and optional after 10 years. The new elementary school will

include nine classrooms and a combination cafeteria and auditorium with a seating capacity of 350 and in which 200 children may be served.

It will be located between the present grade and high school. The present grade school is to be

remodeled for a physical education building for grade

The garage, to house will be located within tional agriculture shop across the street from

Ford's new 130-h.p. Y-block V-8 is the most modern in the automobile industry... the only V-8 in the low-price field! And Ford's 115-h.p. I-block Six is the industry's newest Six. Both of these engines give you the smoothest, savingest performance you've ever experienced.

You'll see more Fords parked in front of the finest homes and country clubs than any other car in its field. One reason is that many people who have owned the costliest cars realize that Ford offers the same beauty, quality and distinction—and for a far more practical price.

Ford is unsurpassed in riding comfort or ease of handling. A big reason is Ford's new Ball-Joint Front Suspension... which allows more total up and down front wheel travel for a smoother ride... keeps front wheels in line longer... so handling stays easy long.

Surveys show Ford cars return more of their original cost when they are sold than any competitive make. So a Ford car costs you less to own.

in resale value

in SALES

Over the latest seven-month period covered by available figures, Ford has been the nation's best seller. That's because Ford has proved that it offers the most... in engineering advancements—in trend-setting styling—in value! Ford is America's best seller because it's America's best buy!

Worth more when you buy it...  
Worth more when you sell it!

**TEACHER OF THE WEEK**

**MRS. A. T. TACKETT**

Mrs. A. T. Tackett, a third grade teacher in Haskell Elementary School is about to complete her second year of teaching, having previously taught one year in Riverside Elementary, Ft. Worth.

Mrs. Tackett was formerly Miss Elnita Faubion, a native of Balinger, Texas, where her parents, Mr. and Mrs. L. A. Faubion reside. Mr. Faubion is in the farm implement business.

After graduation from Ballinger High School, Mrs. Tackett attended Hardin-Simmons University, Abilene, and was graduated in 1952. While there she was active in such organizations as the Capella Choir, Future Teachers of America, Young Women's Auxiliary, and such religious organizations as the Life Service Band, and the Invincibles, the latter being a summer organization of students from college campuses throughout Texas who serve as teachers in Vacation Bible Schools. It was the experience gained from this work that influenced her to choose teaching as a profession.

Her hobbies include collecting and listening to musical recordings, ranging from popular to classical, including religious music. She also enjoys tennis, chess, and forty-two. Her pets consist of "Ardie," a parakeet (who recently got his wings clipped), and a group of tropical and natural fish. She plays the ukulele and enjoys singing. Most of all she enjoys cooking, keeping house and all of the things that go with being a housewife. And having been married for only eight months, she finds all of these somewhat new and interesting.

Mrs. Tackett met her husband, also a teacher, at Riverside Baptist Church, Fort Worth, where they both sang in the choir. They are now members of the Baptist Church at Paint Creek, where they live in a teachersage.

Mr. Tackett teaches high school science, and in spite of her strong dislike for college biology, Mrs. Tackett has since developed more of an appreciation for science, for apparent reasons. She has even brought it into her classroom, with such projects as the study of Astronomy, and a unit on Bird Study. Her husband is hopeful that other projects will be forthcoming, although he doubts she will ever initiate a unit of the study of snakes. (Unless he mentions it to the children.)

normally stationed in Korea as a radar operator in the 235th Field Artillery Observation Battalion. He entered the Army in March, 1953 and arrived overseas last September.

Private First Class Sanders is normally stationed in Korea as a cannoner in the 780th Field Artillery Battalion's Battery A. He entered the Army in May 1953 and arrived overseas last October.

### Haskell County Club Members To Join In Observing National H-D Club Week

National Home Demonstration Week will be celebrated May 2-8 by 40,000 members of Texas Home Demonstration Clubs.

A special theme of "Home—the Cornerstone of Freedom" will be observed by the 1,990 Texas home demonstration clubs. Over the nation three million women in 62,000 communities will take part in the week with the national theme "Today's Home Builds Tomorrow's World."

Haskell County Home Demonstration Club Women will take part in this observance when they have their home demonstration club banquet for members and their families.

Purpose of the observation is to call attention to the achievements that farm and ranch women have made through organized planning and action.

Women who take part in home demonstration work do whatever seems most important to them in improving their homes or helping their families. Today most communities can show where they have profited from these women's work in community centers, hospitals, civil defense.

Extension work in Texas is car-

ried on cooperatively by the United States Department of Agriculture, Texas A&M College system, county commissioners courts. The home economics extension program, or the home demonstration program, is an educational program for adults during everyday living and for leadership in community activities.

Texas has a total of 233 county workers helping the women in home demonstration work. In the United States there are 3,700 agents in this field.

Volunteer local leaders attend training schools to learn to carry new and better methods of doing things in their homes—demonstrating what they have learned.

#### CARD OF THANKS

We wish to thank this means of thanking the doctors, nurses, hospital staff and friends for your kindness during the stay in the hospital. We wish to thank every one who sent cards, letters, flowers and to those who made visits. —Mr. and Mrs. W. A. Holt and Jane.

### County Agent Warns Against Pecan Nut Casebearer

Pecan nut casebearers have begun to lay their eggs in the Gulf Coast area, entomologists report. This means the insects soon will be busy in other pecan producing areas. Pecan trees should have eggs hatched and ready to be sprayed by May 10 in the Haskell area, according to F. W. Martin, County Agent.

Visible with the unaided eye, the eggs are bluish-white, are deposited on the tips of small pecans and hatch in five to seven days. The young larva feeds on the buds adjacent to the nuts and then in four or five days returns to the nut cluster, entering the tiny pecan through a small hole at the base of the nut.

Correct timing and proper application are "musts" if adequate kills are to be obtained. To be effective, insecticides must cover the tiny nuts and terminal buds at the time or soon after the eggs hatch.

A spray of three pounds of 50 per cent DDT in 100 gallons of water is the Texas Agricultural Extension Service's control recommendation.

The county agent has several bulletins on Pecan Production and Pecan Control that can be obtained by calling at the office.

### J. D. Miller, Weinert Native, Resigns As Principal of Texas Military Institute

After 31 years service as principal of Texas Military Institute at San Antonio, J. D. Miller, a native of Weinert, has announced plans to leave the school staff, according to a recent article in The San Antonio Light.

Miller will resign August 1 to take over duties as assistant to the president of Westminster school in Atlanta, Ga.

Principal Miller is the son of the late J. D. Miller, Sr., who managed the Swenson Gin in Weinert and later was mail carrier on Route 2 out of Weinert for 28 years. The elder Mr. Miller died in January, 1930, and was buried in Willow Cemetery here. His widow, Mrs. J. D. Miller, Sr., lives at 112 Wildrose St., San Antonio.

The article in the San Antonio newspaper telling of Miller's resignation from TMI, reads: "A well known sports enthusiast, Miller came to TMI in 1923 as a teacher and coach. He directed track teams and assisted the head coach in football, baseball and basketball.

"In 1942 Miller became headmaster and was promoted to superintendent in 1947. He was made principal in July, 1953.

"A native of Weinert, Miller attended Austin College in Sherman. He was active in sports and

his record for the half mile run set 33 years ago still stands at the school.

"After graduation he taught at Sherman High School and coached the Austin college track team two years before coming to TMI. Under his guidance the TMI track squad won the Tulane relays for secondary schools three years in a row competing against schools from eight southern states.

"Miller has served as referee for San Antonio track meets over 15 years and has been secretary-treasurer of the South Texas Association of the Amateur Athletic Union seven years.

"He has served as chairman of The San Antonio Light's oratorical contests for 11 years and was instrumental in organizing the Alamo Heights recreation council. For many years Miller was an active participant in badminton and tennis tournaments in San Antonio.

"Miller is a recognized historian and is a past president of the San Antonio Historical society, considered the most active group in Texas. He is listed in Who's Who in America.

"A prominent Methodist layman, Miller has taught a Sunday school class at Laurel Heights Methodist church in San Antonio more than 25 years and is a former superintendent."

### HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD Texas Press Association

AUSTIN, Texas.—All the questions having been resolved concerning who is going to run for what, the big political season is now under way.

Ralph Yarborough of Austin, who announced that he would be a candidate against Allan Shivers for governor, declared himself against breaking the two-term tradition in the chief executive's office.

Yarborough contends that Shivers actually is seeking a 4th term; the incumbent has served two elective terms in office, plus the unexpired term of the late Beauford Jester.

Machine politics and one-man domination of the state government were also charged by Yarborough as he put his name on the ticket.

Shivers had previously announced for an unprecedented third term for governor. He had stated prior to the announcement that there remain some things that need to be done, such as putting through a water conservation program.

#### No. 1 Problems

Governors of five Western states attended a White House conference to talk about the drought.

"Agriculture and livestock are our No. 1 problems," Shivers said at the conference, and "a permanent solution for them must be found. Past efforts over many years have not been more than temporary expedients."

Present to confer with Mr. Eisenhower, Agriculture Secretary

### O'Brien Co-Op Gin Pays \$138,020.70 Cash Dividends

The O'Brien Co-Operative Gin, one of the largest gin plants in this section, paid a total cash dividend of \$138,020.70, it was announced following the annual business meeting held recently. This is one of the largest cash dividends that the company has ever paid, according to Sam Reed, manager. This represents a saving of \$8 per bale.

At an all-day program in connection with the business meeting, a barbecue dinner was served and the "Rangers Quartet" entertained members.

Officers who were elected are: S. J. Reeves, Sr., president; E. H. Tankersley, secretary; C. E. Reed, Tom Orsborn and Eli Williamson, directors.

Benson, and other federal officials were the governors of Texas, Colorado, Oklahoma, New Mexico, and Kansas.

Asked by the governors was a \$15 million appropriation to deal with emergency dust and wind problems.

Placed before the President was a long-range program designed to eliminate conditions causing the droughts in the Southwest.

Among the recommendations, drawn up by the governors, were: reseeding grasses and other cover crops, coordination of all federal and state agriculture agencies, more incentive for soil conservation practices, parity procedures to guarantee farmers in drought areas adequate prices for their crops, and tax policies designed to promote proper land management.

Shivers said that suitable farm land should be kept in pasture, but land better suited to pasture should remain in pasture or be converted to pasture.

Prior to the Washington conference, Shivers had said that water conservation should begin at home, with towns and districts taking the lead in financing and supplementary money to come from the state.

In a session here, directors of the Texas Water Conservation Association echoed that opinion, calling for financing at the "lowest practical political subdivision level."

Urged by the directors was a constitutional amendment setting up a state fund to underwrite local communities in building them. Money used by the state would be recovered from the sale of water and electricity.

J. E. Sturrock, general manager of the association, was doubtful that the state would ever solve the water problem. Sturrock said he had opposed federal participation in the water conservation program. But he said that the people who are suffering from the drought don't care whether the water comes from a state tap or a federal tap.

"The governor's in Washington today asking for drought aid," Sturrock commented. "If we'd had water conservation in Texas, we wouldn't need drought aid."

Senator Lyndon Johnson spoke for action to combat drought and asked for a \$15 million increase in soil conservation funds.

"This money," said Johnson, "would be used to fight the wind erosion that could so quickly turn one of the most fertile sections of our nation into a barren wasteland."

### Worst Automobile Accident Toll In Nation's History Recorded In 1952

HARTFORD, CONN. — The worst automobile accident toll in the nation's history—more than two million casualties—was recorded in 1953, according to figures released today by the Travelers Insurance Companies.

Traffic deaths totaled 38,500, an increase of 900 over 1952. The injury count reached 2,140,000 compared to 2,090,000 for the previous year.

The totals are statistics from "The Passing Scene," twentieth in an annual series of traffic accident data booklets published by The Travelers. Accident facts from every state in the country are collected and analyzed for the publication by Travelers statisticians.

Excessive speed was the most dangerous driving mistake in 1953. Speed killed 13,870 persons and injured more than 800,000. Drivers under 25 years of age were involved in almost 25 per cent of the year's fatal accidents although

they constitute only about 15 per cent of the total of all drivers.

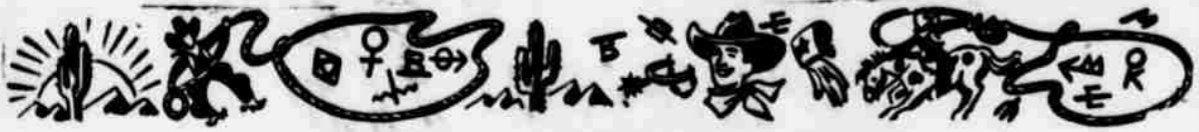

Week end crashes accounted for 15,800 killed and 800,000 hurt during 1953. Forty-one per cent of the deaths and 36 per cent of the injuries occurred on Saturdays and Sundays last year.

The pedestrian record reflected the third consecutive year of improvement. Booklet figures show pedestrian casualties reduced by 50 to 8,800. Crossing between intersections, "jay walking," still is the chief cause of pedestrian deaths and injuries.

"The Passing Scene" also reports that three out of four 1953 auto accidents happened to passenger cars driving in clear weather on dry roads.

Eighty per cent of vehicles involved in fatal accidents were traveling straight ahead.

Saturday was the most dangerous day of the week to drive. 1953 was the fourth consecutive year of increase in the death toll.

**FARM AND RANCH LOANS THE FARM LOAN OFFICE W. H. McCANDLESS, Manager**

Having reached the retirement age after 36 years of continuous service as manager of the Haskell County National Farm Loan Association of Haskell, Texas, I have severed my connection with that organization and am now making Farm and Ranch Loans for some of the larger Life Insurance Companies in the United States. Therefore am now in a better position to serve the borrowing public than heretofore.

I have become familiar with the lands and their loan values in this section of the state, have acquired some valuable knowledge as to the Texas Land Laws as they pertain to Deeds, Wills, Minor Heirs, Deeds of Trust Liens, Mechanics Liens, Implied Liens and other valuable information that is needed in making land loans.

We make loans on Farms and Ranches at 4 1/2% and 5% interest on 15 and 20 years time, depending upon the size of the loan and the class of security offered. Some loans can be paid off at any time without bonus, others can be paid off 1-5 each year or paid in full at the end of 5 years.

The borrower does not pay any application fees.  
The borrower is not required to buy any stock in the lending concern.  
The borrower is not obligated for any loan but his own. The borrower does not pay any commissions to anyone.  
The borrower does not depend on his neighbors to recommend his loan.  
The borrower uses the borrowed funds to suit his convenience. Only the lending concern must have the first lien. (Loans on homestead are limited to the debts against the homestead.) Can pay for new buildings, water wells, repairs, fencing, clearing, etc., on homesteads under a mechanics lien.  
We have a loan geared to the farmers needs.  
We have a special loan that can be made on lands where the land owner does not own the minerals.  
We make City Loans on choice property at 5 and 5 1/2% interests, depending upon the size of the loan and the class of security.  
Abstracts of title are examined by local attorneys here in Haskell which saves considerable time in the closing of loans.  
We also handle Oil Leases, Royalties and Real Estate.  
We can make loans any time, in any amount, anywhere in the state.  
We are at your service, call at our office and let's talk over your particular situation, without any obligation whatsoever.

### School Bond

(Continued from page 1) both Junior High and High School. By using the gym every period in the day, with 32 pupils on the court, each period can accommodate 256 students with the allotted time for physical education. We now have 245 pupils enrolled in the Jr. High and 227 in the Sr. High. There are now 216 pupils without facilities for physical education in the Haskell High School. We feel that in order to maintain accreditation standards physical education facilities must be provided for the elementary school, the high school and central ward (colored).

The following letter is one received from the school accreditation division of the Texas Education Agency on April 5, 1954: Mr. C. D. Allen, Superintendent Haskell Independent School District, Haskell, Texas.

Dear Mr. Allen:

In checking the accreditation report for your school district, we find the following deficiencies:

- (1) Not enough time allotted for physical and health education at Haskell High School and Central Ward School.
- (2) No money was spent for the library at Central Ward School.
- (3) Not enough time allotted for physical education at Haskell Elementary and Haskell Central Ward Schools.

In order to complete our report for this year, we would greatly appreciate a report on the steps you have taken to correct this situation. Reference is made to the accreditation section beginning on page 25 of the Handbook for School Officials, Bulletin 534, for full discussion of the current accreditation regulations.

Yours very truly,

W. R. Goodson, Director School Accreditation.

The reference referred to in the above letter regarding accreditation regulations is as follows:

"Accreditation of schools by the Texas Education Agency is on a system-wide basis. It is necessary for all units of a system to be accredited before the system is accredited. No unit or units can be accredited until the entire system is accredited. Systems that in the past have had only certain units accredited are given time to improve all other units to meet accreditation standards.

The proposed gymnasium would provide the following facilities and services for the Haskell School and community:

- (1) Boys physical education court 48x86 feet.
- (2) Girls physical education court 48x86 feet.
- (3) Main court for games 50x94.
- (4) Dressing rooms so arranged that they can be used for both football and basketball.
- (5) Two coaches offices.
- (6) Roll-away bleachers to accommodate 1000 spectators.
- (7) Rest rooms for public.
- (8) Ticket office which can be used for either football or basketball.
- (9) Large stage which would accommodate the high school band, or any other large event that might be needed for community use.

We believe the people of the Haskell School District would like for us to provide every advantage for the pupils of our school district, and they want our school plant to compare favorably to other schools in other cities of our size and class in this area. For us to do so, it will be necessary for you to vote for the proposed bond issue, Saturday, May 15th.

### Singing Scheduled At Weinert Re-Set For May 16th

The monthly program of the Haskell County Singing Convention, scheduled for Sunday, May 9th at the Weinert Methodist Church has been postponed until the following Sunday, May 16th.

T. C. Cobb, president of the convention, explained the postponement was made to avoid conflict with Mother's Day programs.

The singing will be held on May 16, beginning early in the afternoon, Cobb said, in urging all singers and music lovers to keep the date in mind.

### Bellville Hi School Drum Major Former Haskell Student

Kathryn Schumann, daughter of former Haskell County Agent G. R. Schumann and Mrs. Schumann, will lead the Bellville, Texas, high school band as drum major for the 1954-55 term.

Kathryn, a junior in Bellville high school this term, has been a member of the band since entering high school. She will represent her class on the Student Council in the coming year. Kathryn took part in the Junior play, a member of the national honor society, an officer in the band, and is active in other fields at school.

More recently she was named by the Bellville American Legion Auxiliary as its representative to Bluebonnet Girl's State in Austin this summer.

County Agent Frank W. Martin left Wednesday for Dallas where he will enter Harris Hospital for knee surgery. He will likely be absent from his office for 10 days.

### 3-Act Hillbilly Play Slated At Mattson School

A 3-act hillbilly play, "Comin' Round the Mountain" will be presented jointly by the Junior and Senior classes of Mattson high school Tuesday evening, May 11. The cast of 12 talented Seniors and Juniors has been busy in rehearsals for the past two weeks. They guarantee a full evening of entertainment for everyone attending. The play will be presented in Mattson high school auditorium.

Entertainers on the program will include the Harris Family of this city, Charlie Allen of Rochester, and the Wallace Family of Munday.

The program will begin at 8 p. m. All proceeds from the small admission charge will go to the Pep Squad.

### Will Visit Daughter In California

Mrs. Julia Mapes of Modesto, Calif., has been visiting her mother, Mrs. R. M. Atchison of Haskell, Mrs. Atchison accompanied her daughter home where she visit for several days.

### Here From California To Visit Parents

Mr. and Mrs. Lawrence Mapes of California have been recent visitors in the home of her parents, Mr. and Mrs. W. A. Tanner in Weinert.

### Firemen to Decorate Haskell Trackman to Compete in State Meet at Austin

Athletic Coach Royce Smith, and Frank Clarkson, HHS senior and track star, left today for Austin where the State Interscholastic League Meet will be held Friday and Saturday.

Clarkson will enter a dash in the State meet recently in the Brownson's time in the race was 2:06.5.

25 per cent of all involved in fatal auto accidents in the U. S. last year were 25 years old.

### Firemen to Decorate Haskell Trackman to Compete in State Meet at Austin

The entire business section of Haskell will be decorated for Roundup Week. Chief Ray Lusk of the fire department announced this week.

In addition to decorations in the business section, street banners will be strung on the principal thoroughfares and along the route to Fair Park Arena.

The decorations will be in place Monday morning and will remain up all week, it was announced. Firemen will finish up a canvass of the business section Friday in signing up for the decorations, Chief Lusk said.

### High School Pep Squad to Present Western Program

The High School Pep Squad will sponsor a Western Program Friday evening, May 7, in the high school auditorium.

Entertainers on the program will include the Harris Family of this city, Charlie Allen of Rochester, and the Wallace Family of Munday.

The program will begin at 8 p. m. All proceeds from the small admission charge will go to the Pep Squad.

### Visits in Home of Uncle

Cecil Rhoads of Fairfax, Okla., has been visiting his uncle, T. A. Rhoads and family recently in this city.

### Firemen to Decorate Haskell Trackman to Compete in State Meet at Austin

The entire business section of Haskell will be decorated for Roundup Week. Chief Ray Lusk of the fire department announced this week.

In addition to decorations in the business section, street banners will be strung on the principal thoroughfares and along the route to Fair Park Arena.

## RHEUMATIC, ARTHRITIC VIO PRAISE PAIN-RELIEVING POWER SAFE NEW "FILM-COATED" TABLETS

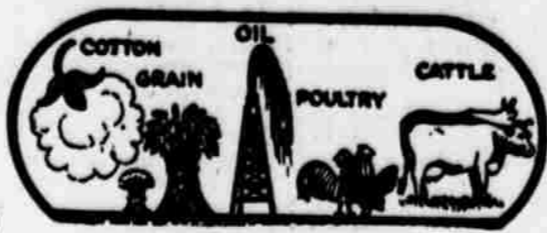

Quickly Curbs Deep-Seated Pains Without Stomach Upset

If you are plagued by the misery of acute, crippling Arthritis, Rheumatic, or Neuralgic pains, profit by the experience of others who now enjoy positive, blessed relief thanks to Ar-Pan-Ex—the exciting new laboratory discovery. Helps even most stubborn cases of deep-seated pain and stiffness.

A Missouri Lady Writes: Heart-warming letter written by Mrs. Mary Croamer, St. Louis, Mo. "I have had terrible pains in my knees for over two years and couldn't walk without a cane. About two months ago a friend suggested Ar-Pan-Ex Tablets. I took a bottle and the pains left my legs and by the time I finished my third bottle I was walking without any pains at all."

Ar-Pan-Ex, a formula made of five ingredients, scientifically selected to prevent useless and distressing stomach. The "Film-Coated" medicine is then quickly absorbed into the blood stream. This aids in relieving the blood stream bringing fast relief every pain-wracked muscle.

Let Ar-Pan-Ex Help Do what Mrs. Croamer did. Get on life with safe, powerful relief. Take this article to the store and ASK FOR GENUINE Ar-Pan-Ex. If your druggist is out of it, write to order for you.

ROCHESTER CHEMICAL CORPORATION  
 1000 MILROSE BUILDING, HOUSTON 1, TEXAS  
 The Dayton Cotton Oil Company  
 Stamford, Texas

Typical of the rodeo stock contracted for the Rice Springs Roundup here May 13-15 is this wild-eyed Brahma critter going way off the ground as he leaves the bucking chute with the apparent intention of giving his rider a rough time. The Denton County Rodeo Association has been contracted to furnish stock for all rodeo events except the cutting horse contests of the three day show.

### June 1 Deadline For Scholastic Transfers

Parent's request for transfer-

ring school children from one school district to another must be made during May or on or before June 1, County Superintendent Mrs. Iva Palmer announced this week.

The change in the date for census enumeration from March to January affected the deadline for pupil transfers also, she explained.

### RETURNS FROM VISIT IN SAN ANGELO

Mrs. Arthur Edwards returned last week from a several days visit in San Angelo with her parents, Mr. and Mrs. F. M. Mott, and her sister, and family, Mr. and Mrs. Frank J. Tabor.

### VISIT IN ABILENE

Mr. and Mrs. C. V. Schwartz and Troy were recent visitors in Abilene in the home of Mr. and Mrs. W. E. Briles and children.

### Stonewall Calls Vote to Legalize Sale of Beer

Stonewall County voters will ballot May 8 on legalizing the sale of beer for off-premise consumption. Interest is mounting in the county over the proposition with formation of organized opposition, the United Drys of Stonewall County.

Stonewall County commissioners on April 12 received a petition with approximately 500 signatures asking that the election be called. The commissioners ruled that the petition had more than the required number of names—20 per cent of the voters in the last presidential election—and called the election.

The United Drys staged a meeting Thursday of last week in the First Baptist Church of Swenson, and also purchased newspaper advertising fighting the proposition.

Stonewall County had legal sale of beer briefly after the state went wet, with the end of National prohibition but voted itself dry in the early 30's and has been dry since.

Regular election polling places will be in operation for the special election.

### Farm Labor Needs Expected To Be Below Last Year

Acres crop allotments are not likely to materially reduce overall labor needs on Texas farms prior to harvest.

If moisture permits planting of substitute crops, very little productive land is expected to remain idle, says G. H. Bates, extension farm management specialist.

Heavy plantings of grain sorghums, hay, silage and similar crops handled almost entirely by machinery may promote a labor cutback during the harvest season. Cotton is a heavy labor consumer since about 75 per cent of the crop is hand picked or snapped, but the 1,750,000 acre reduction below last year also will lower this year's labor needs.

Wage rates are not expected to drop materially even with a larger supply.

Widespread effects of drought in western areas and a slackening industrial employment also contribute to plentiful labor.

With proper planning, this situation should result in higher returns to farmers for dollars expended, Bates adds.

Nearly 800,000 persons were injured in week end traffic accidents last year.

HASKELL, TEXAS 71c

**NOTICE OF ELECTION**

The State of Texas  
County of Haskell  
Haskell Independent School District:

To the Legally Qualified Resident, Property Taxpaying Electors of Haskell Independent School District, who Own Taxable Property in said District and who have Duly Rendered the Same for Taxation:

Take Notice that an election will be held within said Haskell

Independent School District on the 15th day of May, 1954, at the place and on the properties more fully set forth in the resolution adopted by the Board of Trustees calling said election, substantially as follows, to-wit:

**Resolution**

Calling an Election on the Proposition of the Issuance of \$350,000.00 of Schoolhouse Bonds and the Levy of a Tax in Payment Thereof and on the Proposition of the Voting of a Maintenance Tax of \$1.50 on the \$100.00 Valuation of Taxable Property in Haskell Independent School District.

WHEREAS, there has been presented for the consideration of the Board a petition signed by more than twenty persons praying that an election be held on the propositions hereinafter stated; and

WHEREAS, it appears to the satisfaction of the Board of Trustees and the Board of Trustees officially finds that said petition is signed by at least twenty resident, qualified electors who own taxable property in the School District, and who have duly ren-

dered the same for taxation; and

WHEREAS, it appears that the petition conforms to the law in all respects;

Therefore, Be It Resolved And Ordered By The Board of Trustees of Haskell Independent School District:

1. That an election be held in Haskell Independent School District on the 15th day of May, 1954, at which election; in accordance with said petition, the following proposition shall be submitted to the resident, qualified electors who own taxable property in the School District, and who have duly rendered the same for taxation for their action thereupon:

**Proposition No. 1**

Shall the Board of Trustees of Haskell Independent School District be authorized to issue the bonds of said District in the amount of \$350,000.00, to become due and payable serially, as follows:

\$ 3000.00	1955-63
4,000.00	1964-71
5,000.00	1972-76
6,000.00	1977-79
21,000.00	1980-81
22,000.00	1982
23,000.00	1983
24,000.00	1984
26,000.00	1985
27,000.00	1986
28,000.00	1987-89

bearing interest at a rate not to exceed Four (4%) per cent per annum, for the purpose of the construction, repair or equipment of public free school buildings of materials other than wood within said District and the purchase of the necessary sites therefor, and whether there shall be annually levied and collected on all of the taxable property in said School District for the current year and annually thereafter while said bonds or any of them are outstanding a tax sufficient to pay the current interest on said bonds and to pay the principal thereof as the same becomes due, provided that the maintenance tax and the bond tax together for any one year shall never exceed the rate prescribed by law.

**Proposition No. 2**

Shall the Board of Trustees of Haskell Independent School District be authorized to levy a maintenance tax on all of the taxable property in said district at the rate of \$1.50 on the \$100.00 valuation of taxable property; provided that the maintenance tax and bond tax for any one year

shall not exceed \$1.50 on the \$100.00 valuation of said property.

2. That said election shall be held at the City Hall, within said District and the following named persons are hereby appointed as officers of said election:

V. A. Brown, Presiding Judge.  
Mrs. V. A. Brown, Clerk.  
Mrs. Wylie Quattlebaum, Clerk.

The ballots of said election shall have written or printed thereon the following:

**Proposition No. 1**

'For the Issuance of Bonds and the Levying of the Tax in Payment Thereof.'

**Proposition No. 2**

'For Maintenance Tax' 'Against Maintenance Tax'

Concerning said propositions, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

4. None but legally qualified electors of this State and of the School District and who own taxable property in the School District and who have duly rendered the same for taxation shall be entitled to vote at said election.

5. That a copy of this resolution signed by the President of the Board of Trustees and attested by the Secretary of the Board of Trustees shall serve as proper notice of said election.

Said notice shall be posted by the Secretary at three public places within said School District, which posting shall be done at least ten days prior to the date fixed for said election.

6. Immediately after said election has been held the officers holding the same shall make return of the result thereof to the Board of Trustees of Haskell Independent School District and shall return the ballot box to the Secretary of the Board for safekeeping.

7. The manner of holding said election, shall be governed by the provisions of Chapter 13 of Title 49, Revised Civil Statutes of Texas, 1925, as amended, and this Board will furnish all necessary ballots and other election supplies requisite to said election.

Adopted and Approved this the 23rd day of April, 1954.

Ed Hester, President Board of Trustees, Haskell Independent School District. 17-18c

More than 13,800 persons were killed in week end traffic accidents last year.

Last year was the fourth consecutive year of increase in the traffic death toll.

Excessive speed was principal cause of traffic deaths in 1953.

### Mexican Border to be Opened for Livestock Imports at Year's End

**By TED GOULDY**  
Fort Worth—Secretary of Agriculture Benson announced on April 14 that if the favorable situation in Mexico with regard to the foot and mouth disease continues, and there are no new outbreaks, the U. S.-Mexican border will be opened to meat and livestock imports at the end of this year.  
The prospects for heavy imports of Mexican cattle, and beef, are considered likely since the Mexican devaluation of the peso recently. The dollar balance of Mexico can be replenished to considerable degree by sale of cattle and meat in the United States, but this is not likely to meet with much favor among the bulk of the cattle producers. Especially affected will be the producers of the "plainer" kinds of stocker cattle.

Cattle run at Fort Worth Monday was 1,100 above a week earlier and 1,300 above a year ago on the same date. Same pattern developed at all the nation's major markets as shipments were unusually large for the season. 24,500 more cattle, 2,100 more calves, 20,000 more hogs and 13,000 more sheep were reported by 12 major markets than on the same day a week earlier.

The heavy movement turned virtually all classes lower, except fat calves and high grade stockers. These classes were steady but most other cattle were weak to 50c or more lower.

Good and choice fed steers and yearlings sold for \$17.50 to \$23,

with common and medium kinds \$13 to \$17. Fat cows drew \$10.50 to \$13.50, a few to \$14 and better on the heiferish type. Canner and cutters drew \$7 to \$11. Bulls \$11 to \$15.

Good and choice fat calves \$17 to \$22, and common and medium sorts \$13 to \$17, with culls \$10 to \$13.

Medium, good and choice stockers, steer calves and steer yearlings sold for \$16 to \$20 and similar heifers sold around \$2 to \$2.50 under.

A surprising increase of some 21,000 head of hogs offered Monday at 12 major markets lopped 50c per hundred off prices of butcher hogs and sows at Fort Worth. Some longer declines were challenged up at Corn Belt points.

Top at Fort Worth was \$27.75 to \$28, and sows sold from \$22 to \$24.

### Annual Singing Convention Draws Record Crowd

Singers and music lovers from a wide area of West Texas, with visitors from other sections of the state, gathered here April 25 to set a record attendance at the annual Haskell County Singing convention.

The audience filled to overflowing the large American Legion auditorium, headquarters for the convention, and many persons heard the program in cars parked around the building and over Station KDWT Stamford, which carried the convention program.

Among outstanding visiting quartets featured on the day's program were the Rangers Quartet of Dallas, Ozark Quartet of Wichita Falls, the Phillips Quartet of Weatherford, Tankersley Quartets, and other music groups.

During a brief business session preceding the afternoon program, all convention officers were re-elected. They are Hallie E. Chapman, president; T. C. Cobb, vice president; Mrs. Troy Ash, secretary-treasurer.

The convention is held annually in this city on the fourth Sunday in April.

The sheep tick can best be controlled by spraying the animals immediately after shearing. Five-tenths per cent toxaphene or five-tenths per cent DDT mixed with three-hundredths per cent lindane or gamma BHC are the materials recommended for the spraying job.

### Thanks Friends for Letters, Cards, While in Hospital

A former HHS football player, Sam C. Jenkins, who was injured recently while employed at the Naval Ordnance Base at Pocatello, Idaho, has written Haskell friends thanking them for their cards and letters.

Young Jenkins, son of Mr. and Mrs. Claud Jenkins of this city, was a surgery patient in a Veterans Hospital as a result of his injuries. His letter of appreciation read:

"Hello, Friends in Haskell. Please accept my thanks for your cards and letters I received from you while in Veterans Hospital in Salt Lake City. I'm back home, and recovering nicely from my operation. Thanks again for your interest and also for all your prayers. Sam C. Jenkins and family, 997 Cahoon Ave. Pocatello, Idaho."

### Lauderdale Twins of Haskell on Marines Baseball Team at Camp McGill, Japan

Third Marine Division, Japan—  
Marine Privates First Class Ray  
and Roy Lauderdale of Haskell,  
Texas, 19-year-old twin sons of  
David C. Lauderdale have won  
starting berths on the Camp Mc-  
Gill baseball team while serving  
in Japan with Shore Party Batta-  
lion of the 3rd Marine Division.

Roy, a first baseman, and Roy,  
who doubles on the mound and in  
the outfield, played for the Black  
Indians, a Haskell semi-profession-  
al nine, and were scouted by  
representatives of the Chicago  
Cubs before entering the Marine  
Corps.

Receiving their "boot training"  
at the Marine Corps Recruit Dep-  
ot, San Diego, they were in the  
same recruit platoon. According  
to the twins, their close resem-  
blance was the source of much  
confusion to their drill instructor.

The 3rd Marine Division, now  
part of the Armed Forces, Far  
East command, is deployed  
throughout Honshu, Japan's main  
island, with the 3rd Shore Party  
Battalion stationed at Camp Mc-

### \$9,000 Settlement Made In Suit Over Highway Accident

A settlement for \$9,000 brought  
an end to a damage suit while  
trial was underway in U. S. Court  
at Abilene recently.

Four witnesses for the plaintiffs  
had given testimony when attor-  
neys announced to Judge Whit-  
field Davidson they had reached  
an agreed settlement.

The suit was filed by Mr. and  
Mrs. S. O. Edwards of McCurtain,  
Okla., against Texas Bitulithic  
Co. They sought to recover dam-  
ages for injuries Mrs. Edwards  
suffered in an accident Nov. 26,  
1952, on U. S. Highway 277 four  
miles south of Haskell.

The Edwards' car, traveling  
south, struck a parked truck own-  
ed by the defendant company.

Witnesses who testified besides  
Mrs. Edwards, were Haskell  
County Sheriff R. M. Cousins, Co-  
vett Adkins, ambulance driver,  
and Dr. T. W. Williams.

Davis Scarborough of Abilene  
and Royce Adkins of Haskell were  
attorneys for Mr. and Mrs. Ed-  
wards. Marvin S. Sprain was  
counsel for Texas Bitulithic Co.

Gill, near the large sea port of  
Yokosuka.

### Winning Names for Housing Projects Picked by Judges

"Brick Village" and "Oasis  
Homes" were the winning names  
submitted in the contest spon-  
sored by the Haskell Housing Au-  
thority to select appropriate titles  
for the two local housing pro-  
jects.

The name, "Brick Village," sub-  
mitted by Jan Eastland, 10-year-  
old daughter of Mrs. Elsie East-  
land, was the winning suggestion  
in naming the housing project in  
South Haskell. The entry won a  
\$5.00 cash prize for Jan, a pupil  
in the 5th Grade of Haskell El-  
ementary School. Judges selected  
the winning name from 29 sug-  
gestions offered by elementary  
students.

James E. Lewis, 17-year-old ju-  
nior in Central Ward School sub-  
mitted the winning name, "Oasis  
Homes" for the colored housing  
project. James is the son of Mr.  
and Mrs. Ollie D. Lewis and is a  
high ranking student and track  
star in Central Ward. He repre-  
sented his school at the IL track  
meet held at Prairie View Normal,  
Hempstead, last week and won  
first place in the 440 yard dash  
with a time of 54.6. James won  
second place in the 880 yard  
dash in last year's meet.

### Children Warned Against Following Fogging Machine

Plans are being made to start  
operation of the city's fogging ma-  
chine at an early date. Water  
Superintendent Roy Oliphant said  
this week.

In this connection he asked co-  
operation of parents in warning  
children not to follow the ma-  
chine on bicycles. "Children find  
it a lot of fun to ride their bikes  
in the dense fog behind the ma-  
chine, and they do not realize the  
traffic hazard involved," he ex-  
plained. There is always the dan-  
ger that the driver of a car ap-  
proaching from the opposite di-  
rection might not see the bicycle  
rider in time to prevent an acci-  
dent, he pointed out.

Oliphant also asked motorists,  
where possible, to pull off to an-  
other street in the route of the  
fogging machine or to use extreme  
caution while driving through the  
fog screen.

**Jimmy Reeves, Weinert Hi Athlete, to Defend Mile Run Record at State Meet**

(Special) Jimmy Reeves, outstanding Weinert high school athlete, earned the right to defend his State championship in the class B mile, when he won the Regional meet at Brownwood last Saturday in the time of 4:46.8. The win placed him in the State Meet at Austin which will be held May 8. The time was considerably slower than he has been turning in regularly this year, but a strained back muscle kept him from workouts last week. However, he ran a very creditable mile to add to his many victories this year. His best mile to date has been a 4:38.2 which was turned in at the Abilene Invitational meet just two weeks ago. This is the second best time recorded in the high school mile in State of Texas this year. The best time this year was recorded by a boy from Garland who is in Class II A. He placed first ahead of Reeves in the Fort Worth Recreational meet this year. This was early in the season and Reeves has been running a much better mile since then.

These two boys may meet again this week end at Dallas, and if so it promises to be a great race. The winner is likely to be pushed to the fastest mile on record this year. Jimmy is anxious to meet the boy again and with lots of hard work and a little luck maybe the outcome this time will be different.

Jimmy was the first freshman ever to win the mile at the state meet. He's running a much better mile this year to date than he did last year. This he attributes to more running experience. Of course he is only a sophomore this year and two more years should cut several seconds off his time.

He likes to run and often works out twice each day—before breakfast and then at the regular track period. Saturday and Sunday are no exceptions for him. He works out on these days just as he does during the week.

He is a firm believer in regular sleeping hours and training periods. He's in bed each night at 9 o'clock. Eating habits contribute to his endurance and stamina. On January 1, he started eating not less than six raw eggs each day. This he continued through the middle of February. On the 15 of February he started eating one dozen raw eggs each day. On March 20 he increased this to two dozen. After the district track meet on April 10 he dropped to an even dozen. These have kept him free of colds the entire winter and also increased his wind and condition. His favorite foods are broiled steaks, mashed potatoes, green beans and jello. He eats

practically no fried foods and very few sweets.

He is woking to set a new record in the Class B mile at state this year. His best time last year was 4:40.2 but he hopes to cut several seconds off that time this year. His last races have been under that mark and he hopes to lower his best time of 4:38.2.

The people of Weinert school and community are proud of this fine young athlete and the fine record that he has left behind him. He hopes to lower the records he has already established and with year round training and good eating and sleeping habits he believes they will help him to do this.

**ATTEND PERFORMANCE OF ICE CAPADES**  
 Among those from Haskell attending a performance of the Ice Capades in Fort Worth during the week end were Olen King, Bobby Free, Beverly Glistrap, Dorothy Kenamer.

**Junior-Senior Play Slated May 11th At Mattson**

Everybody'll be "Comin' Round the Mountain," and from every direction on the evening of Tuesday, May 11, to the Mattson auditorium to see the hysterically funny 3-act hillbilly play of that name when it is presented by the Junior and Senior classes of Mattson High.

"Comin' Round the Mountain" is one of those rare things now-a-days, a truly different type of comedy and one that audiences remember with a chuckle months after they have seen it produced.

The cast includes:  
 Maw Skitter, the hard-working mother, Margaret Darden.  
 Paw Skitter, the lazy father, Don Smith.  
 Curley, the ambitious son, John Kuykendall.

**John A. Couch will Retire as County Demo Chairman**

John A. Couch, chairman of the Haskell County Democratic Executive Committee for the past 18 years, has announced that he will not be a candidate for the party office in the coming July primary.  
Mr. Couch, recently elected president of the West Texas Chamber of Commerce, has been an active leader in Democratic party affairs in West Texas for the past 40 years. He was secretary of the county executive committee for more than 20 years before being named county chairman.  
Only application to be filed for the county Democratic chairmanship is that of Chas. M. Conner, Haskell nursery owner and farmer. He is a former county and State official, having served several terms as Tax Collector in the 20's, later as County Judge, and more recently as State Representative from this district.

**Cerebral Palsy Clinic Stated At Lubbock**  
A clinic for the examination of cerebral palsied children will be held Monday, May 10, 1954, at the Lubbock Cerebral Palsy Treatment Center, 3502 Ave. N. Lubbock.  
Specialists present to examine children will be Dr. R. G. Lovelless, Lubbock, Dr. R. Q. Lewis, Lubbock, and Dr. C. E. Ratcliff, Lubbock, orthopedists; Dr. J. B. Rountree, Lubbock, pediatrician; Dr. R. K. O'Loughlin, Lubbock, neuropsychiatrist; Dr. G. M. Wallace, Lubbock, eye specialist; and Dr. J. M. Reynolds, Lubbock, dentist.  
Parents who plan to bring children to the clinic are requested to register the children at the Center before the date of the clinic. Information regarding the clinic may be obtained by writing Dr. Esther Snell, director or calling Lubbock 4-7110.

**Pfc. Bobby Dennis At Wakima, Wash., Firing Center**  
Fort Lewis, Wash.—Army Pfc. Bobby Dennis, 20, son of R. C. Dennis, Haskell, will move to the Yakima (Wash.) Firing Center in May to participate in Exercise Hill Top with the 44th Infantry Division.  
Dennis is stationed at Fort Lewis, Wash., as a gunner in Company M of the division's 130th Regiment. He entered the Army in April 1953.
