Haskell County History

20 Years Ago—April 11, 1935

Mr. and Mrs. M. S. Shook and daughter Mildred have returned from Mineral Wells, where they spent several months.

Sheriff Giles Kemp padlocked the newly opened Stockholders Recreation Club Friday, and the operator of the establishment has been charged in County Court with operating a pool hall. The operator came here recently and opened the club, in which membership may be had for a small fee. Members are entitled to use the club recreation facilities, which consist of several pool tables, and a reading "lounge" where three or four magazines are available. County Attorney B. C. Chapman instituted the cases against the so-called recreation club.

Mrs. Barton Welsh and Mrs. R. J. Reynolds left Sunday afternoon for Houston where they will visit with relatives and attend the Baptist State Sunday School Convention. They were accompanied as far as Ft. Worth by Mrs. Reynolds Wilson and a baby who will visit with her mother in that city.

Miss Mary Couch of Munday spent the week end here with her parents and other relatives. Voting in the school trustee election last Saturday was light, with 106 votes polled. Lynn Pace, Haskell gin manager, and Clay Smith, young hardware merchant were elected to the two places on the board. Other candidates listed on the ballot were Sam A. Roberts and J. M. Crawford.

Wilton Kennedy, formerly employed with the State Highway Department, has accepted a position at the Panhandle Garage and Service Station.

Mrs. B. W. Bingham has returned to her home here after a three months visit in Wolfe City.

Miss Mary Ellen Cannon has resigned her work as speech arts teacher in the Haskell schools due to the illness of her mother. Miss Cannon returned to her home in Arlington this week with her mother.

30 Years Ago—April 10, 1925

The post office safe at O'Brien was robbed last Friday night and \$40 in cash and about \$140 worth of postage stamps taken. Postmaster A. L. Erwin discovered the burglary when he opened the office Saturday morning. The door of the safe was blasted off, damaging it beyond repair.

The home of Mr. and Mrs. Terrell Jeter in the Center Point community burned down Sunday morning between 11 and 12 o'clock. The house had just been prepared for fumigation, and had been left about 20 or 30 minutes. It is believed an explosion of the chemicals caused the blast. Practically everything in the

Falls the first of this week. Several Haskell club women are attending the First District convention of the Texas Federation in Fort Worth this week. Among those going from here were Mesdames J. U. Fields, W. M. Reid, Hardy Grissom, W. H. Murchison, Courtney Hunt, Bruce Bryant, Claiborne Payne, F. T. Sanders.

50 Years Ago—April 15, 1905
The Odd Fellows are making plans to hold a picnic and barbecue at Baldwin's windmill eight miles east of town on April 28. The affair will be for all Odd Fellows and their families.

J. R. Johnson, one of the Wild Horse Prairie experts on hog and corn raising, was in town Wednesday.

O. B. Roberts of the east side was in town Wednesday. He said a good rain fell in his section Monday, and that a light frost Tuesday morning nipped garden stuff.

Mrs. J. W. Collins visited her sister, Mrs. W. H. Cousins, in Munday this week.

Acattle buyer from Vernon was here this week, doing business with some of our stockmen.

S. V. Jones is getting his new home west of town in good shape. A new coat of paint was applied this week.

Mr. Chapman of the Marcy country was in Wednesday and went out with a wagon load of supplies.

G. E. Ballew has opened his new grocery store on the south side of the square, in the building recently occupied by C. M. Hunt & Co.

R. E. Varborough of near Marcy has sold his farm and plans to go into business at Carney.

Mr. Papworth of Carney, accompanied by his mother, came through Monday on their way to Stamford. She took the train.

Dr. Arthur A. Edwards
Optometrist
Telephone 422-J
105 N. Ave. D Haskell

there for Galveston, and will take a boat there for a trip to her old home, England.

Will Bute, a professional painter and paper hanger, has located in Haskell and will make his headquarters at Terrell's Drug Store.

R. W. Williams was in town Friday and said the frost the first of the week turned the corn yellow and killed beans at his place on Wild Horse Prairie.

Sodium bisulfite, a chemical commonly used to retard spoilage in foods, has proved its worth as an additive to grass silage. Improves the quality by checking bacterial fermentation of silage and results in a bright looking, sweet smelling product. Cost of treating varies from \$1 to \$1.25 per ton.

NEW CHEVROLET Task-Force TRUCKS

with a whole truckload of new advantages for you!

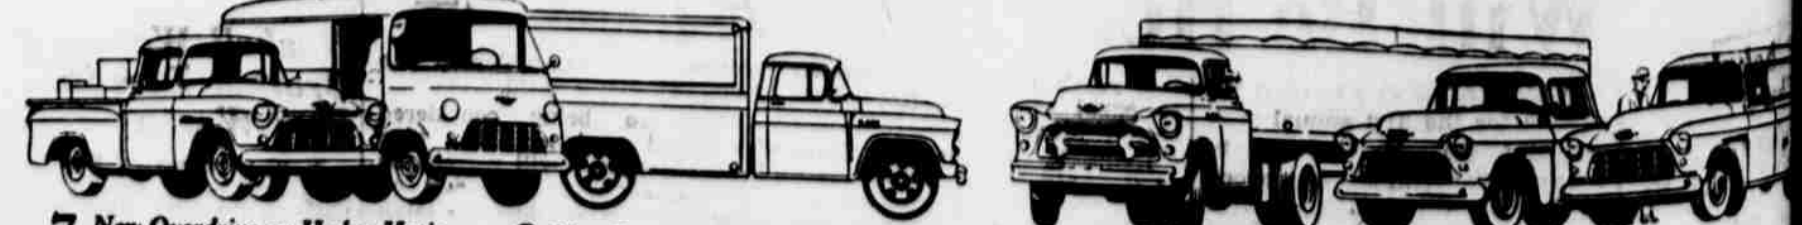

Here's what happens when America's No. 1 truck builder pulls out all the stops! Here are some of the new advances ready to work for you right now.

New Chevrolet Task-Force Trucks do more jobs faster, better and with new economy. If you've got a job for a truck, we've got the modern truck for your job! Look over the new features and advances highlighted here—no other line of trucks offers so much that's new. Then come in and look over these Task-Force Trucks in person.

- 1 New styling in trucks**
It's Work-Styling—an exclusive development in truck design with two distinctively different styling treatments to match the job.
- 2 New 18,000 lb. G.V.W. capacity**
New Task-Force Trucks are built to handle loads of all sizes. Capacities now go all the way up to 18,000 pounds G.V.W.

- 3 Six new "high-voltage" engines**
All new engines feature a 12-volt electrical system for faster, surer starts; increased generator capacity—plus many exclusive advances.
- 4 The cab is as new as the view**
New Sweep-Sight windshield—plus more glass all around. New High-Level ventilation. New softer seats—new cab construction.
- 5 A smoother, load-steady ride**
New suspensions front and rear provide a smoother ride. New concealed Safety Steps guard against mud, snow, or ice.
- 6 New standard-width frames**
All models now have new standard-width frames, with larger length parallel side members. They're more rigid and durable.

- 7 New Overdrive or Hydra-Matic**
New Overdrive is now available as an extra-cost option on 1/2-ton models and truck Hydra-Matic on 1/2-, 3/4-, and 1-ton jobs.
- 8 New Power Brakes and Tubeless Tires**
Power Brakes are standard on 2-ton models, optional at extra cost on all others. Tubeless tires standard on 1/2-ton models!
- 9 New handling ease with Power Steering**
Chevrolet Power Steering now available on all Chevrolet Task-Force Trucks, optional at extra cost.
- 10 New colors! New two-tone combinations**
Take your choice of a longer-than-ever list of attractive new colors and handsome two-tone combinations.

Noise of Saws, Hammers, Fails to Halt Class Activities at Elementary School

(STAFF REPORTER)
The usual daily routine of class activities has been in evidence at the Elementary School, with a frequent interruption of noise from an electric saw or the bang, bang, of hammers from the additional building under construction north of the present building.

Units of work on the awakening Spring are in evidence as the study of seeds, the farm, trees and plants can be observed in many rooms. With singing, choral reading and folk music coming from various rooms, one supposes there must be a program in the making. Further down the hall Maypoles are in use, with children skipping gaily around them, so proud of themselves when they accomplished the task of winding and unwinding the Maypole successfully. Sure thing, there is to be a May Fete with a Queen and all her attendants and much entertainment provided for her. Watch for an announcement of this festivity which will include two hundred little boys and girls doing numerous things for your entertainment.

With the coming of Easter, the atmosphere suddenly changed. Every room burst out with lovely colors, announcing the approach of the Easter Season through various decorations made by the children. Some of the rooms were lovely and every child had an added sparkle in his eye as the decorations were admired. What fun! Many of the teachers let the children dye eggs in the rooms and decorate them to their own satisfaction. These eggs as well as many others were used in the Easter egg hunts which the children enjoyed Thursday afternoon.

Many loyal patrons came to school Thursday, assisted the teachers by hiding the eggs, preparing refreshments and furnishing transportation to the various places for the hunts. The children were almost as thrilled as they were at Christmas time, as evidenced by the excited shouts and laughter which were heard as they found the eggs and especially when a prize egg was spied. It was a lovely sight to watch all those lovely little people, carrying a bright colored basket in one hand, running from one bit of shrubbery to another to find an egg which the bunny left.

It makes us all a little more appreciative of the American way of life when we see our little boys and girls running about so free and happy without fear. Along with all the joy of Easter, each teacher strives to teach the real meaning of Easter also, for we want the boys and girls to be well informed, appreciative citizens as well as happy, well adjusted people with a deep feeling for all those who have gone before to make these good things possible.

Along with the joy of Easter, our school enjoyed another special treat during the week. Many patrons shared this pleasure with us and we wish it could have been possible for every parent to hear the discussion given by Mary Swain, a reading consultant from Scott, Foresman Company in Dallas. She told us that every child with a normal mind can learn to read but just as they learn to talk and walk, it will be at various times and not when they become six years old. Some may not learn until they are fourth graders but when they are "ready" they will learn. As adults, we must have patience with them and remember if they do not learn to read in the first, second or third grade, they are learning many other things which are preparing them to read and when they have developed or gone through the readiness period which varies with every child, then they will read.

Thursday morning Miss Swain held a conference and question and answer period with all fourth and fifth grade teachers. This was very valuable to the teachers and they are indebted to many mothers who came to school and substituted for them, making it possible for us to leave

the classrooms. Miss Swain was very complimentary to the Elementary principal for his leadership in the field of reading and also to all the work the classroom teachers are doing in the field of reading.

We feel that it was a great honor to have Miss Swain with us and we are looking forward to a return visit. Such visits from well informed consultants inspires the teachers to try to do a little more to help all the little Susies and Johnnies that have been placed in our care, which in turn will make our school better.

New Re-Enlistment Plan for Airmen Is Announced

The United States Air Force has announced a new re-enlistment program with special inducements which may be of interest to former airmen in Haskell and vicinity, according to T-Sgt. Joe Yates of the Abilene USAF recruiting station.

Under the new plan former airmen who are qualified and technically trained in specified specialties, may now enlist in their permanent grade held at the time of separation and be concurrently promoted to any temporary grade held at that time, provided they enlist within six months from the date of their separation. Under the former plan, airmen were required to re-enlist within 90 days.

As of this date there are 108 Air Force specialties included in the list of shortages now existing in the United States Air Force.

For further details and a list of the Air Force specialties qualifying men and women for this opportunity, interested persons may contact Sgt. Yates, who will be at the Haskell Post Office Wednesday afternoon of each week.

Farmers desiring to participate in the cotton classing and market news services in 1955 under the Smith-Doxey Act will follow the same procedure for making application as last year. County agents, ASC offices or the Agricultural Marketing Service, Cotton Division, can supply application blanks.

IN APPRECIATION
We are sincerely grateful to our neighbors and friends for their helpfulness, and to members of the Fire Department for their efficient work when fire

threatened our home Monday. Without the assistance of all of you, our loss would have been very great. Please accept a sincere "Thank You" from the bottom of our hearts.—Mr. and Mrs. R. T. Landess and Betty. 15p

Conditioning

in any of FORD'S 16 beautiful models

beats Texas heat... easy to operate... built for long life

FORD SelectAire AIR CONDITIONER

The new Ford SelectAire Air Conditioner was exhaustively tested in Texas and is specially designed for your fullest comfort.

The Ford SelectAire Air Conditioner is a complete system. It cools and dehumidifies air in summer—warms air in winter—defrosts or defogs windshield—provides fresh-air ventilation. All major units of the system are mounted forward of the instrument panel—none are in luggage compartment to rob you of valuable space, as in some systems.

It is very easy to use. For you regulate cooling, heating and ventilation—all with a single control unit which is mounted on the instrument panel.

Warm or cool air, as desired, is distributed across the floor of the car. Also, there are two fully adjustable registers on top of the instrument panel which permit air to be directed at any angle for maximum comfort or against the windshield for defrosting.

SelectAire Air Conditioning is available in any of Ford's 16 V-8-powered beauties for 1955. See the fine new Fords at your Ford Dealer's. And Test Drive one that's equipped with SelectAire Air Conditioning. You'll agree that Ford offers everything you need for top driving pleasure: eye-pleasing beauty—spirited Trigger-Torque power—smoother Angle-Poised Ride—and a spring-time interior climate throughout the year.

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stabbing agony.

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pain.

Nothing Like AR-PAN-EX
Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.

Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

HASKELL PHARMACY

News From Sagerton

BY MRS. DELBERT LE FEVRE

Guests in the home of Mr. and Mrs. Otto Lehrmann last week end were Mr. and Mrs. J. C. Schwartz and daughters of

cludes Texas, Oklahoma and New Mexico Scouts. His family plan to make the trip with him, and visit Austin and other points of interest on the way.

Paint Creek people want tele-phones of course, and we prefer our phones be out of Haskell. But after reading the phone company's offer in The Haskell Free Press last week we don't blame the City Council a bit if they reject the plan. The phone company didn't even promise phones after the rate is raised, but only that after the phone rates were raised they would make a survey and see how many farmers wanted a phone, and then see how much they would cost, etc. We don't want Haskell people to have to pay so much for us to have phones, and anyway we don't think the phone company intends to put in rural lines. It is just a plan to get higher rates in Haskell. We have made surveys before and taken all the data to the Seymour office, and they have turned us down.

Snyder, Mr. and Mrs. Carl Opitz and sons of Corpus Christi and Mr. and Mrs. Melvin Lehrmann and son of Fort Worth. Their daughter, Adrienne, student at Texas Tech in Lubbock, was also home for the Easter holidays.

Guests in the home of Mr. and Mrs. Melvin Lewis last week end were Mr. and Mrs. T. C. and Jeanette and Barbara Ann Rogers of Ranger, and Mrs. Emma Lammert, who has been staying with the Herings.

Mr. and Mrs. Si Curry and Dale of Midland, Miss Patricia Kupatt of Midland, and A. F. Hendrix and family of Limestone, Me., were week end visitors in the home of Mr. and Mrs. B. Kupatt and Fred.

Jerry Kainer, a student at Texas Lutheran College in Seguin, is home with his family. Mr. and Mrs. Eddie Kainer and Carl during Easter vacation.

Mrs. Barney Ross is a patient in the Stamford Hospital where she underwent surgery Saturday. She has been quite ill but is on the road to recovery.

Glenda Clark, Margie Lehrmann and Annela Hertel, members of the senior class at Rule high school, went on the senior trip last week end. They left Thursday of last week and came back Tuesday. Their trip included visiting points of interest in Austin, San Antonio, San Marcos and Fort Worth.

Lois Knipping, student at Texas Lutheran College, at Seguin, is spending the Easter vacation with her parents, Mr. and Mrs. A. C. Knipping. Their daughter, Dorothy, who teaches in Wilson, was also home last week end. Other guests were Mr. and Mrs. Bill Askew of Olney.

Doris Franke, daughter of Mr. and Mrs. Edwin Franke, is here on Easter vacation from T.L.C. Seguin. She brought along her friend, a student at Texas Lutheran also, as her guest.

Mr. and Mrs. T. A. Thorne and Mary of Abilene, were guests in the home of Mr. and Mrs. Johnny Tschelmann and Vicki Sunday.

Mr. and Mrs. Eldon Cook and daughters, Carolyn and Sharon of Big Spring spent last week end with Mrs. Cook's parents, Mr. and Mrs. M. Y. Benton.

Marvin and Kenneth Stegemoller, students at Texas Tech in Lubbock, spent last week end with their respective parents, Mr. and Mrs. C. E. Stegemoller and Mr. and Mrs. F. A. Stegemoller.

Mr. and Mrs. J. A. Hertel spent Easter Sunday in Brownfield with Mr. and Mrs. Cleveland, Mrs. Hertel's parents.

The Sagerton community received approximately an inch of rain in spots last Friday night. However, in some spots, there was only a trace.

CARD OF THANKS

We want to use this means to express our sincere appreciation to our friends and neighbors for the deeds of kindness, words of sympathy, for the floral offering and to those who prepared and served food. We are grateful to everyone who helped to lighten our burdens in any way.—Mrs. A. R. Kreger and children, Lubbock; Mr. and Mrs. M. B. Wilson; Mr. and Mrs. O. V. Kreger and family; Mrs. R. O. Fagan and boys, Haskell; Mr. and Mrs. Bert Kreger and family of Weinert. 15p

BRIEFLY TOLD NEWS

ABOUT PEOPLE YOU KNOW

Mr. and Mrs. W. A. Duncan and Leo Duncan, owners and operators of the Duncan Gin in this city attended the annual meeting of the Texas Ginners Association in Dallas last week. The Texas ginners adopted a resolution asking that a producer of agricultural products from a border state be placed on the committee negotiating for foreign farm labor.

Mr. and Mrs. Kenneth Davis of Dallas spent the Easter week end in the home of his mother, Mrs. Mary Davis Brown, and visiting with other relatives and friends.

Mr. and Mrs. Jess Barton of Abilene spent Easter Sunday here in the home of her mother, Mrs. L. N. Lusk and visited with other friends and relatives.

C. W. Westbrook and Bradley Buford of Stamford, engineers, with the State Highway department, were in Haskell Friday checking on final details in connection with the Haskell-Rochester farm to market road project. Contract on the road job is due to be let April 20.

Mr. and Mrs. Paul W. Roberts and children, Paula Jo and Jim, of Andrews, spent last week end here visiting in the homes of their parents, Mrs. Sam A. Roberts and Mr. and Mrs. J. H. Free. While here, Paul and Mr. Free tried their hand at fishing in Paint Creek Reservoir and reported fairly good luck.

Mrs. R. E. Ellis of Fort Stockton is here for a visit in the homes of Mr. and Mrs. Robert Fitzgerald and Mrs. Ada Rike, and with other relatives and friends.

Mr. and Mrs. Garth Garrett and son Don Ray, and Mr. and Mrs. Jack Sellers drove to Lawton, Okla., Saturday night and witnessed the famed Easter Pageant presented near Lawton early Sunday morning. The annual pageant attracts thousands of persons each year, with visitors coming from all parts of the country.

Mr. and Mrs. Claud Harrison of Seymour spent Easter Sunday here in the home of their daughter and family, Mr. and Mrs. Wm. Mercer.

Mr. and Mrs. J. B. Caldwell and daughters Kay, Mickey, and Shirley, of Lubbock, accompanied by Buddy Hackfield of that city, spent Easter Sunday in the home of Mr. and Mrs. John B. Martin and family. Mrs. Caldwell is a sister of Mr. Martin.

Henry Ballard of Trinidad, Colo., spent several days here this week in the home of his brother and family, Mr. and Mrs. Thos. L. Ballard.

Edward C. Lawson, independent oil operator of Tulsa, Okla., spent several days here last week. Lawson was the original developer of the Rose oil pool east of Haskell, where he brought in the first producer just before the outbreak of World War II.

Mr. and Mrs. V. C. Dulaney and Mr. and Mrs. Bobby Dulaney and little son, Michael Barry, spent the week end and Easter Sunday in Dallas, where they visited their daughter and sister, Miss Wanda Dulaney. Miss Dulaney is an executive with the Dallas County chapter of the American Red Cross.

Mr. and Mrs. Ronald Gilbreath of Stanton spent Easter Sunday in Haskell, guests in the home of Mr. and Mrs. Hugh Watson and Mildred Furrh.

Visitors in the home of Mr. and Mrs. C. C. (Ching) Middleton during the week end were his brother and wife, Mr. and Mrs. R. M. Middleton of O'Donnell, and Mr. Middleton's sister, Mrs. Elmer Rice and Mr. Rice of Wilson, Texas.

Mr. and Mrs. Viars Felker, accompanied by Mrs. J. E. Walling, left Sunday for Gainesville for a visit in the home of his parents, Mr. and Mrs. J. A. Felker. They were going from there to Corsicana, where Mrs. Walling will remain for a visit with her sister, Mrs. Will Watson, and Mr. and Mrs. Felker will return by way of Fort Worth where they will attend a performance of the Ice Capades before returning home.

Mr. and Mrs. J. E. Martin of Throckmerton, and their son Bobby, a student in East Texas State Teachers College at Commerce, spent Easter Sunday visiting in the home of their son and brother, John B. Martin and family in this city.

Mr. and Mrs. Richard Bischofhausen, Jr., and children of Irving spent Sunday in the home of his parents, Mr. and Mrs. Richard Bischofhausen in this city.

Herrick, Ashley Named as Weinert Aldermen

R. W. Herricks and C. V. Ashley were elected members of the Weinert City Council last week in the annual city election.

Only three names were listed on the ballot for the two places to be filled this year. Vote for the three candidates: R. W. Herricks 25, C. V. Ashley 23, E. S. McGuire 21.

Rex J. Power is Promoted to First Lieutenant

FURSTENFELDBRUCK, Germany—Rex J. Power, son of Mrs. A. C. Arnim, 1334 W. Lullwood St., San Antonio, has been promoted to the grade of First Lieutenant, it was announced recently by Colonel James T. Seaver, Jr., 2nd Weather Wing Commander.

Power graduated from Haskell High School in 1947 and attended Hardin-Simmons University in Abilene, where he received his

Bachelor of Arts degree. He received his commission in September, 1953, and served at Kelly Air Force Base prior to his assignment in the 2d Weather Wing Lt. Power arrived in the European Command in November, 1954.

The 2d Weather Wing provides weather support to all United States Air and Ground Forces in Europe, Great Britain, Africa, and the Near East. It maintains four weather squadrons and a weather reconnaissance squadron and has detachments in England, Scotland, the Netherlands, Germany, Austria, France, Italy, Spain, Greece, Turkey, the Azores, French Morocco, Libya, and Saudi Arabia.

Fisherman Loses Whiskey and Beer To Officers

A Lubbock car salesman who came down to spend the week end fishing in Paint Creek Reservoir learned that local officers take a dim view of excess stimulants sometimes considered essential for a fishing trip.

Members of the sheriff's department confiscated a case of whiskey and three cases of beer which they found in the man's car after stopping him at 3 a. m. Saturday.

The car was halted in the colored section of town. Sheriff

Bill Pennington said. After confiscating the whiskey and beer, the officer permitted the man to continue on his trip to the Lake, after ordering him to report in County Court Monday.

The officer also volunteered the information that the street on which the man was stopped was not a "short cut" to the Paint Creek Reservoir.

Insurance is Topic At Blue Bonnet HD Club Meeting

Miss Theima Wirges, county Home Demonstration agent, led a discussion and quiz on insurance at the meeting of the Blue Bonnet H. D. Club April 11 at 2:30 p. m. The meeting was held in the home of Mrs. Clayton Carpenter, club president.

Roll call was answered by "Do you broil or fry" with seven members and two guests answering and giving their comments. Minutes of the last meeting were read and approved.

A clipping about the Council was read, and announcement was made that the Council will have a County-Wide Tea May 7 at 2:30 p. m. During the brief business program Mrs. Rex Murray was selected as THDA chairman.

In a discussion on insurance, Miss Wirges said, "Insure your family, but know what you have." She showed with charts the different classes of insurance and told why we should know what we have when we take out insurance. A quiz was given each member present.

Refreshments were served to Mrs. J. C. Wendeborn and Gary. Mrs. John Wendeborn, Mrs. Milburn Thompson, Mrs. J. M. Alexander, Mrs. A. C. Denson, Mrs. Dewey Hewitt, Mrs. Raymond Astin, Miss Wirges and the hostess, Mrs. Carpenter. The next meeting will be May 4 at the home of Mrs. W. W. Workman.

Surprise Birthday Supper Honors Jimmy McClure

Mr. and Mrs. Lee McClure and daughter, Vicki, honored their son and brother, Jimmy, with a surprise birthday supper, Wednesday evening, April 11 at 7:30. Pictures were taken and the honoree opened several gifts. Guests present were Sue Robinson, Bobby Stone, Barbara Collins, Billy Ray Davis and Mary Ethel Mullins.

Wesleyan Service Guild Will Meet Monday, April 18

The Wesleyan Service Guild will meet Monday evening, April 18, at 7:30 in the home of Mrs. J. A. Bynum. The concluding chapter of the study, "Under Three Flags," will be given by Ima Dell Fitzgerald and Bebe Middleton. Officers for the coming year will be elected. Every member is urged to be present.

A Tribute... To Our American Legion

Valor, said one of the great philosophers, is something lightly remembered. Is that true here in our town? We don't think so. We remember. We remember the faces and figures of our boys who marched away for World War I, and our lads who donned uniforms for World War II. The American Legion is a fraternity of these men who, when the occasion arose, took up arms in our defense. Do they remember? Most certainly. They remember everything they and their buddies went through, and now with their regular meetings at the Post, they glory in the fact that they constitute one of the greatest, most influential forces for good in our nation. All hail our heroes who proudly wore the Blue and the Khaki!

Convention Report, Talk on European Tour Highlight Meeting of Magazine Club

Members of the Magazine Club heard reports from the recent convention of First District, TFWC, and a highly interesting talk by Mrs. V. W. Meadors, Jr., program director, who told of a tour of Europe, at the club's regular meeting April 8 at 3:30 p. m. in the club room of the Magazine Club building.

The president, Mrs. C. V. Payne, conducted the business meeting. Report on the 53rd annual convention of the Texas Federation of Women's Clubs, First District, held in Vernon March 29-30 was given by the club delegate, Mrs. Artie Mae Burkett.

The theme of the district session was "Strength Through Individual Responsibility," given by Mrs. Lloyd McCloud, president of the First District. Other important discussions were "Individual Responsibility in Community Affairs," and "Individual Responsibility of Our National Concern." At the close of the district meeting, Bob Ross, a student in Texas A&M College, expressed his appreciation to the Texas Federation of Women's Clubs for making it possible for him to be a delegate to Austria under the International Farm Youth Exchange. Mrs. C. V. Payne, president of the Magazine Club, and Mrs. J. U. Fields, club ethics chairman, also attended the convention.

Mrs. V. W. Meadors, Jr., was director of the afternoon program. Mrs. John Pace played three piano numbers. Mrs. Meadors' theme was International Relations. She presented an interesting and educational picture of her tour to Europe in 1933. In New York she told of their visit to the United Nations, Ellis Island and the Statue of Liberty. They landed in Plymouth England, on the first stage of her tour. Mrs. Meadors related.

In London, Trafalgar Square, Big Ben, and Piccadilly Circus were the first on the speaker's list of interesting points. This was followed by scenes of Westminster Abbey, Windsor Castle, Hampton Courts, Ann Hathway's Cottage, and Buckingham Palace. "The real charm of England is in the countryside," said Mrs. Meadors in her comment on many beautiful pictures of rural England, including Stratford-on-Avon, the home of Shakespeare. Also a group of pictures of scenes of famous Oxford University and Eton College were shown.

Mrs. Meadors found the people of Holland, from the lower to middle class, more friendly toward America than any other country. Many picturesque windmills and boats of fishing industry were shown. In Belgium, people were friendly but there were a few signs, "Americans go home." In Luxembourg, France, the natives still fear and hate the German race.

Mrs. Meadors described Paris, France, as the "Gay, sparkling city of the world." Most striking pictures were of Notre Dame Cathedral, Eiffel Tower, and the Arc of Triumpe. The people of West Germany were friendly but still believed in the Hitler regime, the speaker related.

In Switzerland, they found a land of beauty and grandeur in the Alps. One pictorial scene was off the beaten track of tourists, where they listened to Swiss yodelers and the "Symphony of the Bells" worn by the cattle as they wandered back to the farms in the evening. Mrs. Meadors stated that the Swiss people are in better financial condition and are more self reliant than any other country they visited.

In Rome the high points of interests were films of the Vatican. In Rome the party was fortunate to have an audience with Pope Pius XI, who spoke fluently in seven languages to the different nationalities represented there.

Venice, with magnificent structures, especially St. Mark's Cathedral, was shown to the club. Mrs. Meadors stated in conclusion that "Although the people of the countries visited had not heard of many places represented by the group of tourists. But everywhere they went people knew of Texas."

Mrs. Meadors was assisted by her husband, Virgil Meadors, Jr., who showed the films. Mrs. Tommy Davis was hostess for the afternoon. Mrs. H. M. Smith dismissed the club with prayer. Seventeen members attended the meeting.

Deborah S.S. Class Has Business and Social Meeting

Members of the Deborah class of the First Baptist Church met in the church annex Thursday, April 7 at 7:30 p. m. for their regular business and social hour. The house was brought to order with the group singing, "Breathe on Me," led by Mrs. Jim Fouts. The president, Mrs. Edwards, conducted the business session. Mrs. McMillin was program chairman for the day and brought a message on Easter and the Cross. The devotion was taken from Mark 16:1-7 and 23rd Psalm given by Mrs. Moore. Mrs. Jim Fouts led the closing prayer.

Mrs. Adkins group served a refreshment plate to Mesdames Jim Fouts, H. S. Moore, Arthur Edwards, John McMillin, Ann Taylor, Marvin Waggoner, Ed Fouts, Willie Quattlebaum, Singleton, John Fouts, W. E. Adkins and Chas. Quattlebaum.

Geneva Franklin is First Place Winner In Cooking Contest

Geneva Franklin, sophomore in Haskell High School, was first place winner in the Abilene-Reporter News cooking contest, it was announced last week. Miss Franklin's winning entry was a walnut torte with butter icing. She is a second year home-making student, and is the daughter of Mr. and Mrs. James H. Franklin.

Mrs. C. T. Jones Directs Weinert Club Program

Weinert Matrons Club met Tuesday in the home of Mrs. W. B. Guess for a regular meeting. The program was "Pan-American Relations."

Mrs. C. T. Jones directed the program. She spoke on the Pan-American Union and the Pan-American Congress. Mrs. Guess talked about the people of Panama and their customs.

Refreshments of frosted Cokes were served. Attending were Mesdames C. T. Jones, W. A. King, R. H. Jones, J. W. Liles, E. F. Rainey, H. W. Liles, G. C. Newsom, R. J. Rainey, Fred Monke, Frank Oman and W. B. Guess.

H. D. Club Plans Program on Meat At May Meeting

The Blue Bonnet Home Demonstration Club will have the program, "Value Your Meat," when it meets May 16 with the club's meat demonstrator, Mrs. A. C. Denson.

Mrs. J. M. Alexander was hostess for the club's regular meeting on April 4th in her home. Roll call, "Is Your Insurance Enough?" was answered by Mrs. Clayton Carpenter, Mrs. A. C. Denson, Mrs. Milburn Thompson, Mrs. John Wendeborn, Mrs. Dewey Hewitt, Mrs. Raymond Astin, Mrs. Chub Carlton and Joey, and the hostess, Mrs. Alexander.

Busy Blue Birds Meet and Elect New Officers

The Busy Blue Birds met April 12 in regular meeting. New officers were elected as follows: President, Claudie Utterback; secretary, Cecile Cobb; treasurer, Zona Bassing; reporter, Carolyn Starr.

Mrs. Henry Bassing served refreshments to Zona Bassing, Tona Patterson, Cecile Cobb, Jeri Allen, Gwen Freeman, Mary Helen Oldham, Carolyn Starr, Violet Searcy, Claudie Utterback and Mary Lou Shannon.

Progressive Study Club Given Report Of Awards Won at District Convention

The Progressive Study Club met in regular session Thursday, April 7 at 7:30 p. m. in the Homemaking Cottage with Mrs. William E. Lawson presiding. The treasurer, Miss Jane Holt, called the roll and the secretary, Mrs. Tommy Davis, read the minutes of the previous meeting.

After reports from officers were heard, the incoming president, Mrs. O. J. Curry, gave the delegate's report from the First District Convention held in Vernon March 29-30. This report was one of which all members of the club could be proud, with the announcement that the Progressive Study Club had won sixteen honors at the district convention. This announcement delighted all members present.

Mrs. Curry gave some of the high points stressed by speakers at the convention. On the program were such outstanding speakers as Dr. Paul C. Witt, head of the Natural Science Department of ACC, Abilene; Dr. John W. McFarland, Superintendent of Vernon Schools; Dr. James E. Boren, president of Midwestern University, Wichita Falls; Bob Ross, International Exchange student to Austria; Mrs. L. E. Dudley of Abilene, TFWC president; and Mrs. Lloyd McCloud, president of First District.

Mrs. Curry also explained the thrill a person receives when their club's name is called to receive the awards, and she urged more members to attend the conventions hereafter. They will find it most interesting as well as learning by their attendance, she pointed out.

At the conclusion of the business meeting, a thought-provoking playlet was presented. The program, entitled Socio-Drama, was under the direction of Mrs. Frank W. Martin, which she presented this mental playlet, "High Pressure Area."

Mrs. Martin stated that the problems originate in the home, hence the drama had its setting there. The play showed the characteristics of two teen-age girls in their desires of dating and going to questionable places, and the outcome of their plans. How the parents handled the situation when they found the girls had connived to date two older men and attend a road-

The ensemble look in a bold checked sunback sheath with a short box jacket lined in matching checks, making it completely reversible. An elasticized straw belt cinches the waistline of this Brogan & Jennings twosome that could well be the backbone of a summer wardrobe.

Tawanka Camp Fire Girls Meet With Kay Gresham

The Tawanka Camp Fire Girls met Tuesday, April 12 in the home of Kay Gresham. The house was called to order by Barbara Worrell, after which Charlotte Redwine read the minutes of the last meeting.

Barbara Worrell appointed a committee to purchase Phyllis Cooper a new record, after which the chairman turned the meeting over to Mrs. Redwine. The group discussed "Manners." After that Mrs. Gresham went downtown to buy our refreshments. They were served by our hostess, Kay Gresham, to Mrs. Redwine, Mrs. Gresham, Barbara Worrell, Kay Gresham, Charlotte Redwine, Trisha Christberg, Geraldine Bayles, Jo Nored Boone, Marlene Letz.

Mattson Baptist W. M. S. Meets With Mrs. H. H. Sego

The Mattson WMS met April 11 in the home of Mrs. H. H. Sego. Mrs. Sego led in a discussion, "Living in the Faith." Mrs. Jake Stewart gave a talk on "Stewardship."

Those present were Mesdames H. H. Sego, Roddy Sorenson, Speck Sorenson, Henry Alexander, Lura Mayfield, Joe Davis, Jake Stewart, Burl Darnell, Bill Prater and Grandmother Aichson. Next meeting will be April 18 at the Mattson Baptist Church.

Rainbow Sewing Club Meets With Eddie Johnson

The Rainbow Sewing club met with Eddie Johnson Tuesday evening April 12. The home was beautifully decorated with Easter decorations. Several songs were sung by the group. Flossie Rogers was in charge of installing officers. She then prayed a prayer and each officer took their place.

The president, Eddie Johnson, presided during the business session. Minutes were read and dues paid. Cards were sent to the sick. Plans were made for the anniversary party with the Sunshine club. A quartet, Stella Josselot, Erma Watson, Ann Taylor and Sallie Patterson sang The Old Rugged Cross.

Virginia Flournoy was appointed parliamentary, Elizabeth Andrews and LaVern New were appointed sick committee. Sue Peavy needlecraft reporter. The needlecraft report was given and Ethel Edwards and Eva Pearsey won honorable mention for the most sewing. Stella Josselot gave the thought for the day, "Don't forget things said in anger are seldom in truth, they are said only to hurt the other person." Eddie Johnson sponsored the recreation. The theme was April Showers which was given by Sallie Patterson, Eddie Johnson, Erma Watson, Thelma Adams. A reading, A Rainbow, was given by Eva Pearsey; a poem, If You Please, given by Ethel Edwards. Ann Taylor won the hostess gift.

Refreshments of ice cream and cake were served to Mesdames Virginia Flournoy, Elizabeth Andrews, LaVern New, Thelma Adams, Erma Watson, Eva Pearsey, Flossie Rogers, Stella Josselot, Sue Peavy, Sallie Patterson, Essie Bland, Ethel Edwards, Ann Taylor, Doyle New and the hostess, Eddie Johnson.

The next meeting will be with Stella Josselot April 19.

Miss Dorothy Byrd And Ralph Dunn Repeat Vows

In a ceremony solemnized in the parsonage of the First Baptist Church here Saturday, April 2, Miss Dorothy Byrd of Rochester became the bride of Ralph Dunn of Rule.

The Rev. M. D. Rexrode, Baptist pastor, read the single ring ceremony uniting the couple. The bride is the daughter of Mrs. George Byrd of Rochester. Mr. and Mrs. Dunn plan to make their home in Odessa or Midland.

Haskell Women Attend Mid-Texas Presbytery Workshop

The workshops for District III and IV of the Women of the Presbyterian Church, Presbytery of Mid-Texas, convened in Sweetwater, Wednesday April 13 in the First Presbyterian Church at 10 a. m. with 91 registering.

Those attending from Haskell were Mrs. Howard Perry, Mrs. Ira Hester, who lead the songs; Mrs. Edd Hester, who presided during the morning session; and Mrs. Sam Chapman, who gave the benediction.

District III is composed of churches in Abilene, Anson, Haskell, Roscoe, Rule, Spur and Sweetwater, with Mrs. Don Smith of Sweetwater, chairman, and Mrs. Edd Hester, co-chairman. District IV has Ballinger, Eldorado, Paint Rock, San Angelo, Sterling City and Talpa, with Mrs. Joe B. Edens of Eldorado as chairman.

Miss Bessie Lewis of Richmond, Virginia, is a field program director for the executive department of church relations of the Board of Christian Education for the Presbyterian Church of the U. S. (Southern). In her address she said, "Every unhealed woman on your church roll is a black mark on you. Don't say anyone is impossible, for you are the means of carrying out the

Mrs. Lee May Hostess for H Club Meeting

The Sunshine Home Demonstration met Thursday in the home of Mrs. Lee May for a regular meeting.

Mrs. Gene Rose and Mrs. Rose used "Meal," is a complete has meat, potatoes, and dessert.

Refreshments of shortcake and coffee served to Mesdames Minnie Glover, Gene Newsom, Paul Gresham, Wyatt, Helen G.

Texas Family Car Travels 1,000 Miles More Than in 1940

Akron, Ohio—Average Texas families are putting 1,000 miles or more on the family car than they used to do 15 years ago, according to a study made by the Business Research Department of the B. F. Goodrich Company. In that period, travel-happy Texas families have up-

ped their average national increase in the same period. The study revealed that in terms of average family income, automobile tires are a better buy now than ever before. While average Texas family income increased 237 per cent since 1940, replacement tire costs rose only 34 per cent. Today, Texas families spend less of their \$5,100 average annual income to replace worn out tires than they spend on annual purchase of tobacco.

In driving 9100 miles today, according to B. F. Goodrich, 1.4 tires, valued at \$40.95, are worn out. This is about three-quarters of one per cent of total average family income in Texas.

In traveling 8100 miles in 1940, about 1.6 tires, costing \$30.46, were worn out. Fifteen years ago, the proportion of Texas family income going for tires was 2.6 times larger than the present figure.

According to the B. F. Goodrich study, passenger car registration in Texas has more than doubled since 1940. Latest figures show 2,627,000 cars registered, or one car for every 3.2 persons living in the state. Fifteen years ago in Texas, the ratio was one car for every five people.

Tech Museum Tours Now Available to Westex Students

LUBBOCK — Thousands of West Texas school children will have the opportunity this spring to take conducted tours through the museum at Texas Tech, thanks to a gift by the Lubbock Chamber of Commerce.

The Chamber has appropriated funds enabling the museum to add two part-time trained guides to its staff to direct students through the history-rich galleries. Because of the popularity of these tours, voluntary Junior League guides were fast reaching a point of exhaustion.

Dr. W. C. Holden, museum director, predicted that approximately 10,000 school children, would be conducted through the museum between now and May 31.

The conducted tours enable the children to see the famed Peter Hurd South Plains mural and to visit each of the three major galleries—natural history, historical and "Life of the South Plains."

Exhibits currently being shown in the Natural History Gallery include a uranium display with geiger counter, prehistoric animals, the evolution of the horse, the shrunken head of a Jivara Indian of Colombia, and the Yaqui Indian arbor.

In the Historical Gallery, the Matador Ranch collection and a branding iron display have proved especially popular to children. This gallery features items brought to the South Plains in covered wagons by the early settlers.

The "Life of the South Plains" gallery depicts the history of the region from 420 million years ago to the present.

In addition, visitors between April 15-May 31 will have the opportunity to see "Australian Aboriginal Life and Customs," an exhibit originated by the Australian government.

Dr. Holden requests that all school superintendents desiring their students to visit the museum this spring write or call for appointments at least 2 weeks in advance. Guide services can

Donovan's pretty patio dress of tapestry printed cotton with versatile straps to cross in front or back. The long torso, to be belted or not, has V-shaped cuff from which the full skirt extends. Glittering stones shimmer on the shoulder straps and bodice cuff.

Kay Kelly of this city spent the Easter holidays in Ft. Worth, where she visited in the home of her grandmother, Mrs. Joe Kelly, Sr.

Rev. and Mrs. W. T. Priddy, Mr. and Mrs. C. E. Taggart, and Mr. and Mrs. Lowell Taggart, all of Abilene, were Sunday visitors in the home of Mrs. Opal Rose and Nelda.

Mr. and Mrs. Scotch Coggins and Mr. and Mrs. L. H. Cooper spent Easter Sunday in Fort Worth, where they visited in the home of Jack Bettis.

Robert Duncan, senior at Texas Technological College and the son of Leo Duncan of this city, has been awarded a \$1,125 Fellowship in the Institute of Technology at Charlottesville, Va. The award is made to 10 outstanding college graduates annually, and the Haskell student is the first in Texas to be granted the Fellowship. It is given by a national textile institute composed of the leading

be arranged between 9-12 a. m. and 1-4 p. m. Mondays through Fridays until May 27.

All inquiries for conducted tours or visits should be addressed to the Museum, Texas Technological College, Lubbock.

Tourist Travel in State Shows Big Gain in 1954

AUSTIN, Texas—Tourists traveling in Texas during 1954 spent 15 per cent more money than they did in 1953, it was announced in Austin today, by D. C. Greer, State Highway Engineer. Figures compiled in the Department's annual Tourist Industry report discloses that \$409 million was spent in 1954 compared to \$356 million in 1953. The number of tourists also increased from 7,573,500 in 1953 to 8,673,880 in 1954.

Last year 3.3 million cars entered the state carrying an average of 2.6 persons. These visitors stayed an average of 5.5 days and spent an average amount of \$7.80 per person per day, Greer said. As in 1953 California topped all other states by sending 537,112 vehicles and 1,396,491 visitors. It is also interesting to note, Greer pointed out, that approximately 208,000 visitors were from Canada, Mexico, and other countries.

Texas witnessed the greatest influx of motorists during the period from March through October, and it has also been established that Texas enjoys a large repeat business from out-of-staters. Department statistics show that 37 per cent of the visitors in 1954 were in Texas for the first time while the remaining tourists had traveled in Texas in previous years.

Figures used to compile this annual survey are obtained from cards distributed to tourists at the seven Highway Travel Information Bureaus located on major highways entering the state, Greer said. Figures from these survey cards supplemented with data from other sources produce a report that is believed to be one of the most accurate of its kind, conducted in the United States, he stated. Over 121 thousand inquiries were received through the mail requesting travel information material, and nearly 400 thousand visitors stopped at the travel bureaus for curb service information and descriptive material, Greer stated.

In an effort to assist and stimulate travel in Texas, the Department published and distributed over 500 thousand official Travel Maps in 1954, and in addition, published a Road Condition Bulletin, Calendar of Vacation Events, and other tourist material.

Robert Crocker, Former AAA Manager Here, Presented ASC Efficiency Award

COLLEGE STATION (Spl.)—Two county office managers for the Agricultural Stabilization and Conservation Service were today presented the ASC's Efficiency Award of \$300 and a certificate of merit.

The recipients were Walter Y. Wells of Lubbock and Robert B. Crocker of Wichita Counties. The presentation was made by Chairman R. G. Shrauner of the Texas ASC committee. He is from Dumas.

Wells was cited for "meritorious service to agriculture and rural life in the establishment and continuous broadcasting of a valuable informational radio program which reaches a listening area of 51 South Plains counties." The program has been a feature of Radio Station KSEL, Lubbock, since the establishment of the station more than eight years ago. Wells was also recognized for the efficient operation of the Lubbock County ASC office and his cooperation with other agencies and groups working in the field of agriculture.

He first served as a member of the Young County Wheat Committee in 1933; later worked in the Young County AAA office; then as office manager in King and Throckmorton Counties and has held his present position in Lubbock since March 1941.

Crocker was cited for outstanding work in several fields. He served as a clerk in the Wichita County AAA office in 1937; and in 1942 was named Archer County manager and from 1943-45 served in the same capacity in Haskell County. In 1945 Haskell County farmers and ranchmen, under the ACP program, constructed more terraces than any county in the nation. He served, briefly, in Johnson County in 1947 and in 1948-49 served both Archer and Wichita Counties and in 1950 assumed the position he now holds.

His efficient operation of several county offices was cited as outstanding as were his efforts in developing a county legume program in Archer County; his handling of multi-millions of dollars in price support programs and conducting a public relations program which included work with newspapers, radio stations, civic and service groups, a county news letter. Presently he is chairman of a district agricultural workers council. This group is primarily interested in promoting good soil and water conservation practices in the area.

Soil and water conservation has been pushed in all counties where he has served, and included range as well as cultivated land.

Chairman Shrauner in making the presentations told the group of State ASC employees, the recipient's families and friends that both Wells and Crocker had been recommended for the USDA's Superior Service Award. He also said, "The State Committee is happy to have the op-

portunity of recognizing two outstanding fellow workers and presenting to them the top state awards." "I am," he continued, "recognizing you for the many outstanding contributions made to Texas agriculture over a period of years."

Other members of the State ASC Committee are Fred C. Chandler, Sr., Ft. Stockton; C. A. Danklefs, Rosenberg; C. O. Moser, De Kalb; G. F. Osborn, Harlingen and G. G. Gibson, College Station.

OVERTON Ray Perry, Amelia Rae and Rickey. Wallar Overton passed his novice Ham Radio examination Friday under Rev. Jerry Boles, pastor of the Presbyterian Church at Stamford. Wallar now may install his transmitter and send as well as receive messages. He will not receive his call letters and permit until his papers are returned from Washington.

Mr. and Mrs. Frank Underwood returned from Atoka, Okla., Thursday where they visited their son, Mr. and Mrs. Meford Underwood and children. Med has a general store at Atoka, and feeds out cattle.

Mr. and Mrs. V. O. Caswell from Odell, Texas and their

children Judy, Jan, Maria and Vincent are visiting Mrs. Caswell's aunt, Mrs. Garland Calloway and family last week end.

Mrs. Lee Medford had as her guests Easter week end her children, Mr. and Mrs. Lewis Nanny and son of Rochester, Mr. and Mrs. Arthur Moody of Paint Creek and their son and his wife, Mr. and Mrs. R. J. Moody of College Station, and Jimmy Reeves of Weibert.

Emilee and Jean Griffith won first place at the 4-H meeting in Wichita Falls April 2nd with their demonstration of "How Safe is Your Kitchen?" They will go to College Station in June for the state meeting and be in competition there. Polly Tipton placed 5th in the declamation contest. She will go to 4-H camp.

The following college students were visiting home folks for the Easter holiday. From College Station, John Carlos Montgomery and his wife and son visited his parents, Mr. and Mrs. J. H. Montgomery and her parents, Mr. and Mrs. Monroe Smith and

Jeff. Mr. and Mrs. J. R. Moody visited his parents, Mr. and Mrs. Arthur Moody, and Mr. and Mrs. Jackie Gilliland visited his parents, Mr. and Mrs. Estle Gilliland of Paint Creek, and Mr. and Mrs. John Clifton of Haskell. From TCU Kenneth Howard visited Mr. and Mrs. Hollis Howard and sisters Lois and Bonnie. From Hardin-Simmons Shirley Griffin visited her mother, Veda Griffin. From the Baptist Seminary at Fort Worth, Jr. and Mrs. Morris Haynes, and Sherry visited his parents, Mr. and Mrs. Morris Hayes and William; Rev. and Mrs. John Kuenstler and daughter Nanette visited their parents, Mr. and Mrs. L. L. Kuenstler and Roddie, and Mr. and Mrs. John Dean; and Rev. Edwin Lee Terrell visited his parents, Mr. and Mrs. Harvey Terrell. From the Lutheran College at Seguin Rev. Jerry Thane visited his parents, Mr. and Mrs. Edwin Thane and Leon. From Draughton's Business College at Abilene, Billy Hughes (Kidney) Hughes and Ray and Jerry, and Jimmie Ned Hokanson visited his parents, Mr. and Mrs. Albin Hokanson and Leon.

Mr. and Mrs. Pat Morrison and Janey and Vickie spent Easter with their parents, Rev. and Mrs. V. P. Morrison at Ft. Worth, and Mrs. Dollie Johnson at Elbert.

Mr. and Mrs. Glen Sandefur and children of Fort Worth spent Easter with their parents, Mr. and Mrs. L. L. Kuenstler and Roddie and Mrs. Pat Sandefur.

Mr. and Mrs. Harvey Terrell of the Pardue Ranch had their children home Sunday. Mr. and Mrs. E. A. Howard of Texline, and Mr. and Mrs. Jerry Terrell, Rev. Edwin L. Terrell of Fort Worth, and Lloyd Terrell.

Mr. and Mrs. Seat Cox had as guests Sunday their son, Vaughn from Sweetwater and Mr. and Mrs. Dennis Mudd of Cleburne.

Rev. Morris Haynes brought the Easter message at the morning service at the Rockdale Baptist Church.

Mr. and Mrs. Wayne Preston and sons of Texline, were week end guests of Mr. and Mrs. J. B. Doty and Mr. and Mrs. R. V. Earles.

Mrs. Gladys Gunn and children, Clarence and G. W. of Post, were week end visitors in Haskell. Several of their Paint Creek friends visited them there. Mrs. Gunn and the late Mr. Gunn lived on the Sammy Griffith place for several years before moving to Post. Mr. Gunn died last fall.

The Paint Creek FFA chapter was host to the Stamford District FFA boys Tuesday night with a banquet. The meal was prepared

and served by Mrs. Brad Rowland and her Home Economics girls. There were about 150 present and the following chapters were represented: Avoca, Lueders, Stamford, Hawley, Anson, Peacock, Jayton, Girard, McCaulley, Hamlin, O'Brien, Weibert, Rochester, Rule Aspermont, and Paint Creek. The district sweetheart was chosen from the chapter sweethearts: Larri Anderson of the Anson chapter is the District Sweetheart. Clyde Speser and Gene Murrell from the Jayton chapter won the district contest with their songs, sung to a guitar accompaniment. District winners were announced for the ACC Field Day held in Abilene March 21. Listed in order of places won, they were:

Senior, Chapter Conducting Hamlin, Rule, Lueders, Junior Chapter Conducting, Rule, Hamlin, Jayton, Junior Quiz, Anson, Rule, Lueders, Senior Farm Demonstration, Rule, Hamlin, Anson, Junior Farm Demonstration, Lueders, Hamlin, Rochester, Radio, Rule, Hamlin, Hawley, Grass, Rule, Haskell, Rochester, Livestock, Hamlin, Anson, Girard, Poultry, Hamlin, Paint Creek, Rule, Dairy Cattle, Stamford, Rule, Paint Creek.

Mr. and Mrs. Dan McRae, Johnny and Linda were in San Antonio Friday and Saturday visiting some former students of the McRae's, M-Sgt. and Mrs. Ray McKinnin and children.

The members of Boy Scout Troop 48 went to the lake Friday night intending to stay overnight and Saturday. They pitched their tents and made camp, cooked their supper and ate, and were having a wonderful time when a cloud came up. None of them minded the idea of camping out on a stormy, rainy night, but the wind last weekend that blew away so many chicken houses and barns, and de-roofed farm houses in our community have made Paint Creekers respect these clouds with wind in them. So the adults who were along to help the Scouts, decided the camp - out should be postponed. Those who were there were Jimmy Griffith, Dan R. Griffith, Wallar Overton, James Green, Mike Overton, Jeff Smith, Martin Dale Coleman, Jerry Hughes and William Overton. The adults were Kidney Hughes, Ira Coleman and Scout Master Gene Overton.

Several people of the community have been on the sick list the past week: Mrs. Ray Overton, O. G. Houston and Margaret Houston, Mrs. Allen Isbell, Linda Medford, Hoyt Perry, Emilee Griffith, Gene Bounds and maybe others we have not heard about. The flu and mumps are causing most of the trouble.

Mr. and Mrs. Robert Woods

Bill Lees Farm Setting for Demonstration On Soil Building With Winter Peas

One of the most important tasks in growing Austrian Winter Peas for soil improvement is clipping the vines prior to planting the next cash crop, soil conservationists have pointed out.

Almost 200 farmers and others interested in soil conservation visited the Bill Lees farm west of Haskell last week to see a demonstration of the proper method of clipping vines.

Otis Curry, Haskell work unit conservationist, told the group it is essential that the pea roots be left undisturbed by the clearing operation.

The vines should merely be clipped at their base and pushed into the top of the bed, he said.

This allows the extensive root system to put organic matter back into the soil and leaves undisturbed nodules on the roots which add nitrogen, Curry explained.

If too much of the root system is exposed, he said, much of these benefits will be lost.

A home-made machine and a factory-made rig were used in Monday's demonstration.

Lees simply used a "go-devil" knife to cut the vines. He ran the knife down the furrow ahead of the seed to push the vines to the side of the bed and threw dirt on them to hold them down and prevent them from blowing up in the knives.

The listers were run shallow, but still deep enough to loosen soil in the furrow.

The factory-made rig differed in that it was set on the front of the bed and used to push the vines back and three rotary hoes to each row were used to loosen soil in the furrow.

Not as many roots were exposed with the factory-made rig since the discs ran much shallower and did not cut out as large a slice on the side of the bed as did the listers.

Without the additional burden of pulling the listers, the factory-made machine was much easier to pull. It could be pulled in third gear, whereas the home-made machine had to be pulled in second.

Another important advantage was that it exposed more vines more evenly over the top of the bed. The listers partially covered up some of the vines.

Leaving the vines spread on top of the beds is very important, Curry explained, because they shade the ground and preserve planting moisture. They also protect the land from blowing.

Lees' home-made rig did a very creditable job. It left very few vines not cut, exposed only a minimum of the root system, and did a fairly good job of exposing the vines.

The factory-made rig did not work to its full advantage. It carried four rows and was set for 40-inch rows.

Lees listed his land in three rows of 41-inch width and the sled naturally did not follow the rows too accurately.

Curry said the best time to cut the peas is about 10 days before planting the next crop. They must be clipped, however, before they start blooming.

Lees did not plant behind the peas until after the first of May, but his peas were beginning to bloom in spots. He will now have to do something else to his land before planting the

HOME-MADE PEA CUTTER — Examining a home-made machine for clipping Austrian Winter Peas recently on the Bill Lees farm are, left to right, Bud Harren, Bill Lees, kneeling; Frank Martin, Haskell County Agent; Norris Anders; Otis Curry, Haskell work unit conservationist, kneeling; and Delma Williams. Fed Cattle Top \$23.50 to \$23.75

By TED GOULDY

Good and choice fed steers and yearlings topped at \$23.50 and \$23.75 at Fort Worth Monday, a load of experimentally fed steers from the Spur Station, brought in by Paul Marion at \$23.50, and two loads of fed steers from a commercial feeder drew \$23.75, both these sales were above any made there last week when \$23 was the practical top. Fat cows \$11 to \$13.50, a few \$14. Loads of cows at \$13.50 from both east and west Texas in the yards Monday as Naud Burnett, Greenville, had a load at \$13.50 and a load from Mill Iron Ranches, Wellington, at that figure. Canners and cutters \$7 to \$11. Bulls \$10 to \$14.50, a few higher. Good and choice slaughter and stocker calves \$18 to \$21.50, a few to \$22. Plainer kinds \$10 to \$17.

Hog prices were on the mend at Fort Worth with top hogs at \$18.25 to \$18.50, and some around 250-pound hogs able to get the extreme top. Salesmen were again striving to make meat type hogs bring the premium they deserve and were getting some cooperation again from most of the buyers.

Sows were steady at \$14 to \$15. Less desirable butcher hogs of off weights, fat back or cold blooded types, etc., sold from \$17 to \$18.

More rain is needed in the mesquite country this spring for aerial applications of herbicides to give good kills of mesquite. Moisture and timeliness of application are of major importance. Mesquites should be sprayed when the plants are in full-leaf, usually 50 to 80 days after the first leaves show up in the spring.

cash crop.

If the peas are left until 10 days before planting, Curry said they would keep the weeds down and provide a clean seedbed.

When Lees does plant this year's cash crop, he will seed it directly into the extensive root system left by the peas.

The cash crop will also be planted directly over a band of fertilizer which Lees put down at the same time he planted the peas, thereby obtaining benefits from what fertilizer is left.

Lees planted 70 acres of peas the last week in September and the first week in October with a Harbers' planted owned by the

tion District. He put 160 pounds of 16-20-0 fertilizer per acre directly below the pea seed.

The peas received about six inches of moisture from snow and rains and had two irrigation waterings. They had the ground completely covered, Lees said, before a hard hail three weeks ago and the recent freeze.

The peas are just now beginning to take hold and grow again and very little bare ground could be seen Monday.

Curry and Buddy Perkins, Haskell Soil Conservation Service technicians, assisted Lees in planting the peas and helped him set the two machines used in Monday's demonstration.

Copies of the rules covering 1955 Texas Hybrid Corn Production program have been mailed to all county agents. Farmers, FFA and FFA members interested in participating should contact the local agent or vocational agriculture teacher for details.

It's not too early to make plans for silage and hay production on your farm.

Oklahoma Layman Will Be Speaker At Brotherhood Meet

Dr. Edward A. Abernethy of Altus, Okla., will be the speaker at the Haskell-Knox Baptist Association Brotherhood meeting, to be held Monday evening, April 18 at the First Baptist Church in Knox City.

Dr. Abernethy has practiced medicine in Altus for 46 years. He is a deacon and Sunday School teacher in the First Baptist Church of Altus. For many years he has been active in layman's work. He has spoken to the Oklahoma State Convention several times. For 24 years he has served as trustee for the Oklahoma Baptist University.

Special music will be furnished by Staff Sergeant Willard Payne, who is stationed at the Altus Air Force Base. A graduate of the University of Missouri, The evening meal will be served at 7:30 o'clock in the Knox City First Baptist Church. The program will begin at 8:45.

Haskell Merchants Offering Many Dollar Day Bargains Tues., April 19th

Tuesday, April 19 will be another "red letter" day for thrifty-minded shoppers in the Haskell trade territory. The date marks the next monthly "Dollar Day" sponsored by a large group of Haskell merchants.

APRIL 19 Western Shirt

Levi Shirt. Sanforized.

For Dollar Day —

Special

\$2.95

Hunter's

For the event all cooperating business establishments will feature a large variety of quality merchandise at exceptionally low prices for the one day's selling campaign.

Some of the reductions offered on "Dollar Day" will almost double the purchasing power of a dollar, and thrifty shoppers can well afford to stock up on many merchandise items to meet their needs for months to come.

Stores cooperating in the "Dollar Day" trade extension program include many lines of retail business, and special reductions are offered on many items for every member of the family, for the home, the car, and the farm.

Many of the bargain prices offered on "Dollar Day" are listed in the advertisements of cooperating stores in this issue of The Free Press. Other values will be found when you visit the individual stores and business establishments.

Haskell stores sponsoring next Tuesday's "Dollar Day" include: Neely Dry Goods, Jones Cox & Co., The Fabric Shop, Sherman Floor Co., Perry Bros., Ben Franklin Store, Fouts Dry Goods & Variety, Hassen's, Club Cafe, Frazier's Radio & Record Shop, Western Auto Associate Store, Cofield Dress Shop,

Hattox Hardware & Furniture, Perkins - Timberlake, Conner Nursery & Floral Co., Lyles Jewelry, Boggs & Johnson, Woodson Radio & Electric, Lane-Felker Stores, Bynum's, Personality Shoppe, Payne Drug Co., Re-Sale Shop, C & B Department Store, Hunter's Men's Wear, White Auto Store.

Children, Friends Week End Visitors In J. F. Ivy Home

Mr. and Mrs. John F. Ivy had their children and a number of friends as guests and visitors in their home during the week end and Easter Sunday.

Children and their families who were guests in the Ivy home included Mr. and Mrs. John M. Ivy and two sons of Texline, who came Thursday night and remained until Monday; Mr. and Mrs. Merle S. Ivy and two sons, of Leonard who arrived Friday night and returned home Sunday afternoon; Mr. and Mrs. R. M. Carothers and two daughters of Levelland, who came Saturday afternoon and remained until Sunday afternoon; and Mr. and Mrs. O. C. Patty of Stamford.

In addition to their children and families, Mr. and Mrs. Ivy had as luncheon guests in their home Sunday, Mr. and Mrs. Jack Speer of Haskell, Mr. and Mrs. Frank Patty and Darwin Patty.

Jack Ensey, a nephew of Mrs. Ivy, and his wife and their two children, of Fort Worth, were visitors Sunday afternoon.

Other visitors Sunday afternoon included Mr. and Mrs. V. F. Bunkley, Mr. and Mrs. Sam Cobb, Mr. and Mrs. W. V. Cobb, all of the Rockdale and Cobb communities, and Mrs. Cecil Corley, a niece, of Haskell.

Many other Haskell friends of Mr. and Mrs. Ivy called during the day.

Santa Rosa Roundup Slated at Vernon May 9 to 14

VERNON—The program has been completed for the 1955 Santa Rosa Roundup and Quarter Horse Show here May 9-14, according to manager John Biggs of the W. T. Waggoner Estate.

The Beutler Brothers of Elk City, Okla., will produce the rodeo again, and Cy Taillon, famed Madison Square Garden rodeo announcer, will return for his fourth year.

The quarter horse show, held on the rodeo grounds in nearby stockbarns, is open to all quarter horses registered with either the American Quarter Horse Association or the National Horse Breeders Association or others eligible under the show's rules.

The rodeo will present all the traditional rodeo events, attracting many world champions and former champions from throughout the nation.

Haskell Students Home for Easter Holidays

A number of students in colleges and universities were home during the week end to spend the Easter holidays with parents and other relatives.

Among those returning were the following:

Edwards, Herricks, Walker are Named Weinert Trustees

Weinert school district voters polled 64 votes April 2 in electing three members of the Board of Trustees from four candidates listed on the ballot. R. L. Edwards and R. W. Herricks were re-elected, and John Walker was named a new member to succeed J. C. Dunnam, who was a candidate for re-election.

Vote in the election was: Edwards 58, Herrick 49, Walker 46, and Dunnam 32.

Distribute wear on towels evenly by rotating them. Some homemakers rotate towels by placing clean ones at the bottom of the piles and drawing towels from the top of the stack. Have an adequate supply of towels to use so that the wear may be spread over all instead of concentrated on a few.

Parsons, Neely and Allen New Trustees At Rochester

Paul Allen, Spurgeon Neely and Joe Ed Parsons were elected trustees of the Rochester school district from a field of seven candidates in the annual school trustee election. The three trustees will succeed Pete Huntsman, Willard Mitchell and Lewis Nanny. Their terms as trustees expire this month and they were not candidates for re-election.

Vote in Saturday's election: Paul Allen 63, Spurgeon Neely 61, Joe Ed Parsons 51, Joe Fletcher 46, Don Wadzeck 43, Dennis Williams 32, Truett Alvis 28.

ASC Office Moves Into Remodelled County Building

The Agricultural Stabilization and Conservation office for Haskell County was moved this week from the second floor of the courthouse to the remodelled county building on the southeast corner of the square.

The building, originally built as the Haskell County jail, has been completely remodelled and converted into an office building. The ASC offices are located on the ground floor of the building, and in the new quarters have considerably more room than was afforded in the second floor space in the courthouse.

In its new location, the office will be more conveniently located in an area where ample parking space is available. Second floor of the remodelled building has not been assigned.

Knife Fight Sends Negro Women to Hospital, Court

A three-cornered knife fight in which three Negro women were involved last Sunday just before noon, wound up in a trip to the hospital for the trio, and a later appearance before County Judge Alfred Turnbow where each of the participants was fined \$25.00 and costs. Each of the knife wielders entered a plea of guilty to aggravated assault.

Deputy Sheriff Jim Alvis went to the scene, after being advised that an altercation was in progress near the brick apartments in the colored section. When the officer arrived, the three women were still fighting at intervals, but had moved about a block down the street.

Each of the women received cuts on the face, but none was critically hurt. Most severe wound was a long slash on one woman's face which required more than 30 stitches to close.

Haskell County 4-H Club Members Win District Contests

Six Haskell County 4-H Clubbers took top honors at the District III 4-H Club elimination program in Wichita Falls. Some 22 counties took part in this annual event.

Three Haskell County teams, one Jones County team, one Wichita County team, and one Fisher County team will represent the district 4-H club girls in state contests June 8-9-10 on the campus of A&M College at College Station.

The Haskell County teams are: Dairy Food, Ives June Casey from Rule; Farm and Home Safety, Jean and Emilee Griffith from Paint Creek; and Vegetable Preparation, Doris and Christine Hutchinson from Weinert. Each of these girls receive trips to College Station for being first place winners.

Polly Tipton represented Haskell County at the district and placed fifth. She entered the public speaking award program and spoke on "Spiritual Development of American Youth."

Ben Curd, Haskell County 4-H Club boy, was also a first place district winner in tractor driving. He will take part in the state tractor driving contest in June. Ben is a student in Mattson High School.

The district contests were held under supervision of Miss Fern Hodge and J. A. Scofield, district agents with the Extension Service.

Accompanying the Haskell County 4-H Club members to Wichita Falls were Miss Thelma Wirges, county home demonstration agent; F. W. Martin, county agent; and Mr. and Mrs. Cecil Hutchinson of Weinert.

McCandless, Woods, Grice are Elected Rule Trustees

Gene Woods and C. A. Grice were re-elected as members of the Rule School Board, and "Sally" McCandless was named as a new member of the board in the annual election held Saturday.

Five candidates were listed on the ballot from which three trustees were to be selected. Eighty votes were polled, according to unofficial count.

Vote for the five candidates was:

Gene Woods 59, C. A. Grice 46, "Sally" McCandless 62, Don Hertenberger 23, Joe Mathis 43.

Want to feel like a pilot feels?

HOTTTEST BUICK IN HISTORY
No wonder you see so many '55 Buicks on the highway — they're rolling up bigger sales than ever before in history — because the popularity that has already made Buick one of the "Big Three" of America's cars.

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflow*

We're not kidding. When you try a '55 Buick with Variable Pitch Dynaflow, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflow unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry — performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflow—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Local Delivered Price of the 1955 Buick SPECIAL Sedan, Model 48 (illustrated) is less than some models of the best-known smaller cars. Come in and check it!

Said a sleuth: Ah! The mystery's unraveled! About cars that "take off like a fella." But with Dynaflow's switch Of its Variable Pitch— You were here. Now you're there. Boy, that's travelin'!

(Why don't you try a Buick?)

Thrill of the year is Buick

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD
Texas Press Association
AUSTIN, Texas—Easter bunny brought the golden eggs! That, in an egg-shell, describes developments in the Capital City over the week end.

House members returned to Austin from the Easter holiday to discover that members of the revenue and taxation committee who remained on the job, had brought out a compromise tax bill. It promised \$45,000,000 in new money.

Chairman Stanton Stone and House Speaker Jim Lindsey regard it as their number one project for the week.

Although the committee sidetracked Gov. Allan Shivers' single-shot bills and adopted Chairman Stone's omnibus bill, Gov. Shivers said it was a workable basis for providing what its needed.

Actually the bill gives Governor Shivers more than half of his announced desires. He praised the committee and asked that the balance of his "program" be restored somewhere along the way.

Approved by the committee was the one-cent per pack tax increase on cigarettes, asked by the governor. Also included was a one-cent per gallon gasoline tax, which was half what the governor suggested. An increase in beer operators license fees was injected into the bill as a concession to strong House sentiment to include beer in the new money scheme. A fourth tax item was diesel fuel at 1.5 cents per gallon.

Under the proposed levies, \$25,000,000 would be added to highway improvements annually, and \$20,000,000 would go into the general fund.

House Speaker Jim Lindsey took a strong stand for the compromise plan. Gov. Shivers complimented him for the progress made over the long week end.

Waiting for nearly \$60,000,000 in new money, before it can reach the governor, is the \$1,500,000 biennial appropriation now in conference committee.

Governor Shivers regretfully left the scene of action. He went with Mrs. Shivers to Chicago where she will receive treatment for an ear ailment. She had a mastoid operation last year.

Before leaving Texas, the governor stated he felt the current 120-day session, due to end May 10, might run two weeks beyond the 4-month mark. Legislators, now drawing \$25 per day, draw no pay after 120 days, unless a new session is called. Shivers has expressed his dislike for special sessions.

Charges Pile Up
Charges continued to mount against Bascom Giles, former commissioner of the general land office.

Latest were four felony theft charges placed against Giles by District Attorney Les Procter of Travis County. It brought the total charges to date to \$1,065,688.

Also charged on four felony theft counts was J. Paul Little, Crystal City attorney.

Giles and Little were each accused separately of theft from the state in four veterans land transactions last year in Zavala County. The total amount involved \$377,344.

Byrd Cattle Company refunded \$25,068 to the state on one land deal.

Meanwhile, a Travis County grand jury continued its investigation of veterans land deals.

Giles' trial in the first of the felony indictments against him, to be heard in San Antonio District Court, was postponed until May 23. His attorney told the

court that Giles was too busy with new charges and new civil suits to go to trial.

Giles is Defended
Stanley L. Fry, a Reeves County landowner, testified before the Senate investigating committee that Giles was a "hard trader for the state."

Giles, said Fry, "argued and sweated over land prices and traded just as hard as if it was his own personal money."

Sen. Jimmy Phillips, chairman of the committee, asked Fry: "Did you pay Giles anything, or any employee of the board?"

"Not a dime," was the witness' answer.

Land Program's Future

Despite a "no" vote by Attorney General John Ben Shepperd, the veterans land program may be extended to veterans of World War I and Korea.

Other members of the land board—Gov. Shivers and Land Commissioner J. Earl Rudd—voted to urge the legislators to offer the people a constitutional amendment on the question.

Shepperd said that while he favored the philosophy of veterans land benefits, he would withhold his approval of any new program until the legislature enacts "clear and strict regulations" as to its administration.

Meanwhile, veterans organizations were to decide whether to ask the program's continuation. A hearing is set for April 18 on Sen. George Moffett's bill designed to add another \$100,000,000 to the veterans land program, via a constitutional amendment.

A tabulation of information available on rainfall and water evaporation in Texas is given in a recent joint publication of the Texas Agricultural Experiment Station and Agricultural Extension Service. The 83-page bulletin, "Water Evaporation Studies in Texas" is available from the Agricultural Information Office, College Station. Ask for Bulletin 787.

Weinert News

Mr. and Mrs. Douglas Myers and daughter Diane, visited their parents during the Easter holidays.

Mr. and Mrs. Jay Cox and children, Stevie and Jane, visited Mrs. Cox's parents in Meadows, Texas, during the Easter holidays.

Billy and David Williams, students in Texas A&M College, visited their parents, Mr. and Mrs. Doyle Williams during the week end.

Sam Adams, a student in Sul Ross College at Alpine, visited friends in Weinert Sunday.

Onie Albright of Spearman, visited his sister and family, Mr. and Mrs. R. H. Jones last week end.

Guests in the home of Mr. and Mrs. M. W. Phemister and Mr. and Mrs. M. R. Boykin last week end were Mrs. Paul Garrett and Paula Kay, of Bowie; Mrs. Ida Phemister and Hugh of Montague; and Mr. and Mrs. W. L. Zuck of Sterling City.

Mr. and Mrs. G. B. Thewanger visited their daughter, Margaret, of Fort Worth during the Easter holidays.

Mr. and Mrs. J. A. Driggers had as their guests during the Easter holidays all of their children, Mr. and Mrs. Paul Flanagan, Weatherford; Pvt. and Mrs. Melvin Vojkufka and daughter, Camp Carson, Colo.; Mr. and Mrs. W. H. Earp and children, Pampa; Mr. and Mrs. L. D. Vaughn and daughters of Stamford

Mr. and Mrs. R. M. Baldwin of Richmond spent Easter in the home of their daughter and family, Mr. and Mrs. Ike Wilfong and Pauline. The Wilfongs are leaving Weinert and moving to a ranch near Santa Fe, Texas.

Mr. and Mrs. Pat Mayfield of Fort Stockton visited her parents, Mr. and Mrs. J. W. Liles last week end.

Local Chiropractor Chairman of Panel

Dr. Gertrude B. Robinson of Haskell this week was advised of her appointment as city-county chairman of a Correct Posture Week Committee for this area.

The appointment was announced by Dr. R. L. Shipman of Sweetwater, regional chairman for Posture Week. Correct Posture Week in Texas is sponsored annually by the Chiropractic Public Health Committee of Texas.

The week will be observed May 1-7. During the period the chiropractors of this area will stress the importance of good posture and its relationship to good health in the hopes of correcting postural faults.

Anglers Warned of Laws Regarding Fishing License

AUSTIN—Leaving for an overnight fishing trip, the Director of Law Enforcement for the Game and Fish Commission wished himself luck and left behind a memo of fishing license requirements under the present Texas laws.

He said warden reports received since the warm temperatures and "fish bitin" weather indicated that some of his fellow anglers apparently are not familiar with the assorted state fishings laws.

The director emphasized that the greatest problem for the individual fisherman seemed to be about when a fishing license is required, and the second problem seemed to concern the 7-inch minimum length for black

bass which is the State's most popular game fish.

"Most of the approximately six hundred State fishing laws concern local gear and methods of taking fish in the different counties," he noted, "but the main statute to remember affects license requirement for public fresh water sports fishing.

"The law states that anybody under seventeen years of age may fish without a license. The law states that any resident of this State may fish without a license in the county of his residence 'providing' artificial lures are 'not' used. In other words if a resident of Texas fishes in his or her home county with an artificial lure, the \$1.85 license is required.

"The law also states that any resident of this State can fish without a license in any county adjoining the county of his residence provided artificial lures or live bait are not used. Live bait under the law is defined as minnows or fish."

Scout Merit Badge and Cub Hobby Show To Be Held In Stamford April 23rd

The 1953 Boy Scout Merit Badge and Cub Hobby Show for the northern district of the Chisholm Trail Council will be held in the Stamford city auditorium Saturday, April 23.

Scout troops from Haskell, Paint Creek, Rule, Sagerton and Rochester will take part, along with a number of other troops in the northern district.

Doors will open at 3 p. m. and close at 8:30 p. m., and tickets will be on sale right up to gate time. Tickets may be obtained from any Cub Scout, Boy Scout, or Explorer. Ticket purchases will help the Scouts buy necessary equipment, Ray Davis, district Scout executive, said.

Booths will be built between April 18 and 20 by volunteers from Stamford civic clubs, including the Rotary, Jaycees and Exchange Club and the Stamford chamber of commerce.

Scout units may have access to the booths April 22, or on the morning of April 23, to prepare their Cub hobby craft or Merit Badge exhibits, Davis explained. These will be live exhibits, with boys continually demonstrating skills. There will be approximately 25 booths in the show, each booth about eight by ten feet in size.

District Scout executive Davis said the following booths had been applied for:

- Haskell Lions Scout troop, First Aid; Paint Creek School troop, Nature; Sagerton Lutheran Scout troop, Camping; Rule Chamber of Commerce Scout troop, Home Repairs; Rochester Women's Literary Club pack, Peep Shows; Rochester Rotary Club Scout troop, Pioneering.
- Also, Avoca P-TA Cubs, Forestry and Conservation; Avoca P-A Scout troop, Tin Can Cookery; Stamford Methodist Church Scout troop, Scout Craft display; Stamford P-TA Cubs, Try Your Skill; Hamlin Rotary Club Explorers Post, Canadian Canoe Trip and Philmont Scout Ranch; Peacock Cubs, Indian Regalia; Old Glory Cubs, Apple Box Carpentry; Old Glory Scouts, Ropes and Lashings; Hawley Baptist Church Scouts, Oath and Law displays; Anson Methodist Church troop, Second Class and First Class Skills; Aspermont Cubs, Plaster Casting; Aspermont Scouts, Camp Cooking; Anson Lions Club Scout troop, Firemanship; Anson P-TA Cubs, Cubbing Handicraft.

The Welland Canal carried ships around Niagara Falls.

Tommy Davis Now Adjuster With Farm Bureau

Tommy Davis, who formerly operated an insurance agency in this city, is now insurance adjuster for the Haskell County Farm Bureau, it was announced this week.

Davis has his office in the local Farm Bureau headquarters in the Hotel Haskell Building.

Troubles Pile Up For Haskell Negro During Weekend

Troubles piled on top of troubles for a 36-year-old Haskell Negro Saturday. The calendar date might as well have been the 13th, he was that unlucky.

First, he ran out of gas and had to walk several miles to get a supply for his stalled car.

Next, while traveling at a fast clip on a country road near the site of the old Vernon schoolhouse southwest of Haskell, he lost control of his car and it overturned.

Bruised and shaken up, he had to walk more miles to a farmhouse where he hitched a ride to Haskell and made his first stop at a physician's office to have his injuries patched up.

Next, a wrecker was needed to tow in his wrecked car, a 1952 model 98 Olds. That was more expense.

In the meantime "the law," with whom he had had several little brushes previously, heard of his wreck and investigated.

Curious about tracks leading from the overturned car and out into a pasture, Sheriff Bill Pennington followed them for about 100 yards. There he found 11 pints of whiskey, carefully stashed.

That meant more trouble in the form of court charges against the Negro, Sheriff Pennington stating that complaints of transporting and driving an automobile while intoxicated would be filed against the Negro.

Egg producers who sell on grade or above current prices are advised to go ahead this year with normal flock replacements. Market conditions indicate that efficient producers should make pullet replacements at regular intervals.

Herefords of Rule Herd in PanTech Experiment

Three Hereford bulls from the Royal J. Domino herd of L. W. Jones, Sr., at Rule are in the Beef Cattle Improvement Experiments being carried on at the PanTech Farms near Amarillo. These bulls from Mr. Jones' ranch northwest of Rule have been leading the group most of the time during the experiment which will end this week.

April 14 is the date set for the Fifth Annual Beef Cattle Improvement Day and sale to be held at PanTech Farms. In the ability to gain test this year are 150 bulls both Hereford and Angus, which will have been fed a growing ration for 140 days. Results on this test as well as a five year summary will be presented in the morning. These tests are made possible through the cooperation of Texas Technological College, Texas Agricultural Experiment Station, the USDA and Northwest Texas Beef Cattle Breeders. At 1:30 p. m. the third annual Production Tested Bull Sale will be held in the new livestock pavilion at PanTech Farms. Sixty-nine Hereford bulls and four Angus bulls, including a number of herd bull prospects as well as choice range bulls and good farm bulls will be offered in the sale.

Field day activities will begin at 9 a. m. Thursday with inspection of the bulls on test. Dr. Frank Sims, son of Mr. and Mrs. Frank Sims of Paint Creek will present a summary of the Beef Cattle Improvement Experiments carried on at PanTech Farms. L. A. Maddox, Jr. will discuss the "Extension Beef Cattle Improvement Program," weaning weights and grades as well as selection of replacement heifers and bulls and culling the herd. Dr. M. R. Callihan is to outline and discuss "The American Beef Cattle Performance Association." John Burns, a nationally known beef cattleman, will give the "Practicality of Research to the Beef Breeder and Producer."

J. P. Smith, manager of the PanTech Farms said, "The bulls now on feed are older, larger and will grade higher than any group of bulls tested at PanTech Farms. After five years work here at the Farms we have decided it makes a lot of difference what kind of bulls we use with our cows. We have consistently gotten heavier calves sired by high gaining bulls than we have sired by low gaining bulls. We believe it must be inherited."

Mr. and Mrs. Jones will attend the Beef Cattle Improvement Day and the sale of bulls. They will visit their daughter and her husband, Mr. and Mrs. Charles McBeath in Amarillo.

Alluvial soil is that deposited by water. The piccolo is the highest pitched musical instrument. George Bryan Brummel was known as Beau Brummel.

Lieut. Christian Completes Primary Pilot Training

Lieutenant Milton I. Christian, son of Mr. and Mrs. E. C. Christian of Haskell, recently graduated from primary pilot training at Marana Air Base, Arizona.

Marana Air Base is one of the nine civilian contract flying schools under the jurisdiction of the Flying Training Air Force.

the largest known military flying training organization in the world. As such, it is responsible for the training of all pilots and observers for the United States Air Force.

Lieutenant Christian is now at Goodfellow Air Force Base, Texas, undergoing his final twenty weeks of multi-engine training prior to receiving his silver pilot's wings.

Whales have remnants of ancestral legs. Guppy fish are born alive.
