#### rt to create a water district to finance a municipal water suply have been introduced in the House and Senate of the Texas egislature.

State Senator George Moffett, in a telephone call to The Free Press Wednesday. said that a public hearing on the proposed water district will be held in the Senate Chamber in Austin, Monday night, March 21, at 7:36

All persons interested in the proposition are invited to attend the hearing. Senator Moffett

A move to form a water district as a solution to the municipal water supply problem was advanced several months ago. Lack of an adequate water supply has plagued the community for years, and has hampered growth and development of the town ponents declare.

Representative E. J. Cloud and Senator George Moffett introduced the proposal in the Legislature. The bill would allow the crea-

tion of a water district which would have the same boundaries as the Weinert rural high school district, it was understood. Several delegations of Weinert folks have visited in Austin to

urge passage of the bill, legislators said. The plan is to drill wells near the town and install a municipal storage and distribution system. The school district comprises approximately 111 square miles,

and this area would be included in the proposed water district. According to an estimate furnished the Weinert City Council by Freese & Nichols, consulting engineers of Fort Worth, cost of the proposed water works system is figured at approximately \$100,-000. This estimate includes two pumps, buildings, etc., 23.000 feet of 6-inch water line. 4,000 feet of 4-inch distribution mains, 5.500 rector; and at present is vice- feet of 2-inch water line, 12 4president of the State Music inch fire hydrants, and a 40,000 tank and found tion. The estimate also covers engineering costs, legal fees, rightof-way, water rights, road cross-

> Estimated revenue from the proposed system was figured at \$5.040 annually, with the cost of operation nad maintenance estimated at \$2,040 yearly.

> This would leave \$3,000 available, from revenues, for debt service. Assuming \$6,000 per year would be needed for debt service, \$3,000 per year would be required from taxes. With assessed value of \$1,500,000 in the district, the tax rate required to the estimate

## New Dress Shop Is Opened Here By Mrs. Elma Guest

Newest addition to Haskell's ousiness circles is the Guest Dress Shop, opened Friday, Mar. 11, by Mrs. Elma Guest wellknown business woman of this

and misses apparel, is located on the south side of the square in the building owned by Mrs. Guest Texas Utilities Company office.

Installation of new fixtures and re-finishing and arranging the interior of the building was started two months ago. Also early in the year Mrs. Guest attended the leading markets of the Southwest in assembling new lines to be carried in the store.

Newest styles and fashions in well known lines are being displayed in the attractive new establishment and Mrs. Guest said the shop had enjoyed a substantial patronage since opening last

She invites the women of Haskell and vicinity to visit her new store and inspect the fashions now on display.

#### Runnels County Is Profitable An estimated 5,000 acres

Brush Program in

Runnels County cropland fails to produce each year because of moisture-sapping brush in fence rows. According to County Agent J. A. Barton, this means that between \$30,000 and \$40,000 are lost each year by farmers and with the cost-price squeeze still on, this additional yield and income is important.

As an aid to farmers in controll-ing these moisture robbers, Bar-ton reports that the commission-ers court recently authorized the purchase of four knapsack sprayers. The sprayers will be used by the county agent to promote the brush control program and will be available for use by interested farmers and ranchmen.

Barton says many demonstrations have already established the value of brush control in the county. Additional meetings will be held to cover brush control methods and to demonstrate the

## "It's got everybody excited and we'd like to show you why

Forgive us if we burst with pride . . . but we're got a terrific car here, and we want the whole world to know it!

It's the new Chrysler and the people who've been coming to see it and drive it are just as smitten with it as we are. It's the smartest, sleekest machine that ever appeared in an automobile showroom-and you should see it!

Most people prize good looks in a car. The 1955 Chrysler has it! Fashion people call it "tailored steel"-smart and different. It almost looks like it's going when it's standing still!

This, they tell us, is the new fashion in styling. We say hurrah! As for performance . . . well, double your enjoyment back if you don't think it's the best car you ever drove. Do it soon! BE SURE YOU SEE AND DRIVE THE ALL-NEW

Farm Bureau Directors Discuss Pending Bill Regulating Manufacture of Feeds

directors held their monthly This bill has been referred to the meeting Monday night March 14 to discuss the various legislation now pending pertaining to agri-

Among the new bills introduced is House Bill 175 (Texas 'Commercial Feed Control Act) which would regulate the manufacture, sale and offer for sale commercial feed in Texas. This same bill in the Senate is Senate Bill 135, originally written by Senator George Moffett. HB 175 contains the suggested hanges that should be made in the present Feed Control Law which was approved by the vot-Joe Mac Earles, and Messrs, Rucing delegates at the Farm Bureau State Convention. The pro-

legislation provides: I posed For control of sale of feed for ill animals and fowls other than human beings; 2. Authority for testing by the control service of ill ingredients, including minerals, vitamins, antibiotics and othsimilar ingredients. It also rovides that tags list the effectdate for ingredients subject deterioration: 3. Authorizes feed control service to enter plant during business hours and nake inspections; 4, Penalizes re-

peated violations; each sale constitutes a separate offense; The method of paying taxes is the tax tags method and not the invoice reporting system: Only custom milling or mixing exempt from control; 7. Surus funds, after enforcement

WE keep coming across a good many people who still are surprised when they see the low delivered price of the Buick shown here.

They're surprised because they know that this price is just about what a lot of the smaller ears are asking-if not more.

But that's just the point.

What's making the 1955 Buick the hottest one in all Buick sales history is the simple fact that its low delivered price buys so much more automobile.

Much more automobile when it comes to the lift and life of great V8 power-Buick power in record might.

Much more automobile when it comes to style and size and room and ride steadiness -and the integrity of construction that comes of Buick building.

Much more, too, when it comes to matching your motoring needs to the simple practicality of your budget-because Buick offers you

MRS. CHAS. LEE ORNDORFF

#### in the home of Mrs. B. M. White- Rosanne Johnson and Charles Lee Orndorff Repeat Vows in Church Ceremony Sunday

day afternoon at 4 o'clook in the First Baptist Church uniting Miss Rosanne Johnson of Lubbock and Charles Lee Orndorff of El Paso The bride is the daughter of Mr. and Mrs. O. L. Johnson of

Lubbock, and the bridegroom is the son of Mr. and Mrs. Louis B. Pallen of El Paso. The Rev. M. D. Rexrode, Baptsist minister, read the double ring ceremony uniting the couple

before an altar arched with wedding bells and green stock bouqueted with baskets of white gladilous and ferns. Pews were marked with white satin. Mrs. O. E. Patterson was or-

ganist and accompanist for Mrs. Carolyn Everett, soloist, who sang Oh, Promise Me, Because, and The Lord's Prayer. Mrs. Patn played Clair de Lune, and Always, during the ceremony.

The bride given in marriage by her father, wore a full length dress of white satin with pointed bodice terminating at the center front with long flowing train. The necklace was a Peter Pan collar of white satin with imported lace tucked at the neckline and sleeves which ended in points at the bride's wrists. Her veiled imported French illusion was gathered to a tiara of seed pearls and rhinestones. Her flowers were white orchids with streamers of white satin.

Mrs. Eloise Bowers, sister of the bride, was matron of honor Bridesmaids were Miss Faynell Box of Lubbock and Mrs. Sue Mahood of Snyder.

Deborah Ann Johnson and Nancy Bowers of Lubbock, nieces of the bride, were flower girls. Bridesmaids wore identical dresses of irridescent taffeta in spring colors of green and yelow. They were designed with portrait neckline of pleated fabric that extended over the shoulsimulating small sleeves The fitted bodices terminated with deep points at the center front Large bows accented back waistlines with circular waltz length skirts and headdresses of ruffled horsehair with flowers. The bridemaids' flowers were nosegays of orchid glamellias with green stock.

Flower girls wore full length dresses of lavender taffeta with scalloped neckline, and white gloves. Flowers were glads carried in baskets

Ushers were Jerry Johnson and Wallace Johnson of Lubbock brothers of the bride. A reception was held in the Magazine Club, where the club-

rooms were decorated with baskets of white gladilous and stock. In the receiving line were the bride and groom, Mrs. O. L. Johnson, Mrs. Louis B. Pallen, Mrs. Eloise Bowers, Miss Faynell Box and Mrs. Sue Mahood.

shoes. Flowers were from her bouquet of white orchids.

The bride attended North Texas State College, Denton, and Texas Tech, Lubbock, and before her marriage was employed by the Home Insurance Company. Lubbock.

The bridegroom attended North Texas Tech, Lubbock, and before her marriage was employed by the Home Insurance Company. Lubbock. The bridegroom attended New

Mexico Military Institute. Ros-well, N. M., and Texas Western First Baptist Church. The meet-College, El Paso. He is currently with the Orndorff Insurance Co.

Wedding vows were read Sun- shoes, bag and hat, and lone crushed white gloves. She wore

a corsage of pink carnations. The bridegroom's mother word a cocktail length dress of rose beige silk organza with pink accessories. She also wore a corsage of pink carnations.

#### Miss Wirges Gives Demonstration on One Dish Dinner

The Blue Bonnet H. D. Clut met Monday March 7 at 2 p. m in the home of Mrs. John Wendeborn for its regular meeting.

Miss. Thelma Wirges, H. D demonstration of a one-dish dinner in a skillet. Cooking the trimthe port chops would not stick she browned the pork chops, then added green pepper rings and onion rings. Rice cooked five minutes was put in the rings and a tomato sauce poured over this. The demonstration was first so that the dish would cook by the end of the meeting and could be served with the hostesses refresh-

Mrs. Clayton Carpenter, president, presided for the meeting Roll call was answered by five members and two guests, "What my family has for security."

The minutes were read and approved. The club voted to not have a delegate but to support Mrs. Rex Murray for another term as THDA chairman.

The club voted to have a county-wide tea for Home Demonstration Week in May.

The next meeting will be an all-day meeting March 21 at Mrs A. C. Denson's, Club pals will be revealed and the Sagerton 4-H girls will give the program.

Present were Mesdames Carpenter, Astin, Denson, Thompson, Carlton and Joev, Miss Wirges and Mrs. Wendeborn.

#### Eudora Sue Nichols, Bobby J. Scott Wed In New Mexico

with over 450 preparing

day or night classes.

ucation said this week.

Mr. Roaper praised the courtesy program now being sponsored in Texas by the Texas Safety Association and the Texas Department of Public Safety, in cooperation with the nationwide Code of the Road program sponsored by the National Safety Council and the Inter-Highway Safety Committee. He said, "Repeated discourtesy in traffic soon breeds actual contempt for traffic rules and regulations which were established for the protection of everyone.

"Many times the dividing line between discourtesy and actual law violation is difficult to determine. A driver or pedestrian certificates. can cross the line without realizing it, and may be completely resented in the group. unaware that he has developed dangerous traffic habits which will in time lead to penalty or even death," he continued.

Mr. Roaper said the following Code of the Road courtesy pledge and its seven rules for safe driving will lead to a reduction of son's pasture 9 miles south of the traffic toll, and urged every counselors, visiting teachers and one to cooperate. The pledge and

Courteous driving will save 10-11p lives. My code of the road is spring semester registration at courtesy. I will not be the cause of a traffic accident. I will:

1. Share the road by driving in the proper lane. 2. Allow ample clearance when

passing. 3. Yield the right of way to other driver-to pedestrians. 4. Give proper signals for turns

5. Dim my headlights when meeting or following vehicles. 6. Respect traffic laws, signs signals and road markings. 7. Adjust my driving to road traffic and weather conditions.

#### Texas Schools Face Blood Pressure is Barometer For Shortage of 8,000 Certain Diseases

Austin-Blood pressure-who does it mean?

Nothing more. Health Officer Henry A. Holle during this annual observance of disease control, than a measure of pressure against arwalls as blood courses through the body.

Nielsen of the TCU School of Ed-Everyone's blood pressure, according to the explanation. highest when the heart pumps "Last year, over 4,000 left the a fresh load of blood into the profession," he pointed out, "while elastic-walled arteries, and lowest when the heart pauses between Texas colleges and universities graduated only 4,000 persons certified to teach. We didn't beats for refilling. The high level is systolic, the lowest is diastolic pressure. break even. By the opening of
