## Voters Thanked By Mayor Hunt for Their Support

I am deeply appreciative for the nice vote given me for Mayor. I construe this vote as a vote of confidence, and a vote of approvof my stewardship as your Mayor for the past five years.

To those of you who voted and stood by me so loyally. I want to thank you from the depths of my heart, and I want to assure you that no act of mine will ever cause you to regret your loyalty. To those who voted and worked against me. I hold no ill will, it was your privilege, and I grant every person the privilege I take. So I will put forth my greatest effort to be a Mayor for all the People: I will work faithfully to keep our City favorably before the public, to continue to operate your City with efficiency and economy, and to make your City a better place in which to live.
