Final Plans Completed for Staging Rice Springs Roundup Here Next Week

O'Brien F-M Road Project Given 2-Mile Extension

A Farm-Market road in Precinct 1, from O'Brien west and originally projected for a distance of 7.8 miles, has been extended approximately two miles to include what is called the "Mountain Road" to the oil fields in that area.

Final preparations are being rapidly completed and last-minute details are being worked out this week as Haskell prepares to turn back the calendar and recapture the atmosphere of the Old West of the '80's in presenting the three-day Rice Springs Roundup next week as the first major rodeo of the season in this section.

South one block, and west on north side of square to Ave. E. then North one block, and west on North 2nd to Ave. F. then South one block to Highway 24, then east to the square.

The unsuccessful contestants included some of the top riders in the Southwest, Roundup officials said, and many of these men have already sent in their entries for this year's show.

Westbrook said that engineers started work this week surveying the additional mileage and that the next step would be to complete plans for the roadway. After the plans are approved by the district and State offices the county will then be required to secure right-of-way deeds along the route of the F-M road.

Early days in Haskell County will be re-lived, and "old-timers" of 30 or more years ago will call back recollections of once-thriving rural communities now nonexistent, at the annual Whitman-Pinkerton-Midway homecoming and basket supper this week end.

Clown and Specialty Acts One of the best known rodeo clowns in the Southwest, Jake Mitchell of Dalhart, and Lula-bell, his famous mule, will present entertainment features each night.

Haskell County History

20 Years Ago—May 2, 1935

Haskell Lions Club has announced the re-election of Courtney Hunt, prominent business man and civic worker, as West Texas Chamber of Commerce director from this city. Mr. Hunt has served as WTCC director for the past five years.

A contract was awarded by the Highway Department Tuesday for double asphalt treatment on Highways 120 and 16 from Haskell through Rule and Sagerton. The contract went to P. B. Keller of Dallas for \$48,361.82.

A quantity of bottled in bond whiskey and a considerable amount of "corn" liquor was confiscated by Sheriff Giles Kemp and deputies Friday, when they raided the premises of a young farmer living about 10 miles north of Haskell. The farmer was arrested and charged with liquor law violation, later released under \$1,000 bond to await Grand Jury action.

Mr. and Mrs. Hughes Gilliam of McAdoo spent last week end with Mr. Gilliam's parents, Mr. and Mrs. Leon Gilliam.

Mrs. W. D. Kemp and Mrs. Owen Fouts visited friends in Wichita Falls several days this week.

The Haskell Bar Association entertained the lawyers of the 39th Judicial District, the Judges of the Court of Civil Appeals at Eastland and other lawyers of this section with a banquet last Saturday night. Judge Clyde Grissom, president of the association, presided. Among speakers were Judge O. C. Funderburk, Judge Dennis P. Ratliff, Hon. Chas. E. Coombes, Hon. D. M. Oldham and others.

Mrs. V. S. Payne of Throckmorton is here visiting her parents, Mr. and Mrs. Claud Wheatley.

Competing against students from all sections of the state at the Homemakers Rally in Corpus Christi, Frankie Dorris Bledsoe of Haskell won third place on school girl's dress. Mrs. Nina Young, teacher of Home Economics in Haskell High School, accompanied Frankie Dorris, Geraldine Conner, Frances Fouts and Marvina Post to Corpus Christi for the State contest.

30 Years Ago—May 1, 1925

Rains which begin falling Tuesday and continuing at intervals until today (Friday) have resulted in 2.80 inches of rain, according to Judge P. D. Sanders, local weather observer. Heavier rains were reported in other parts of the county, with Midway receiving better than three inches.

The farm home of J. J. Beason in the New Mid community was struck by lightning Sunday afternoon during a hard thunderstorm. Mr. Beason, who was in the house, suffered quite a shock from the bolt but was not se-

riously injured. Others members of his family were in a storm cellar. Roof of the house was badly damaged and a flue demolished.

W. E. Bland of the Center Point community was in town Wednesday and was all smiles over the fine rains. He says he has 60 acres of cotton up to a good stand, and his maize also is up nicely.

The law firm of Ratliff & Ratliff has moved from the Sherrill Building to quarters they formerly occupied on the second floor of the Pierson Building.

A special train from Kansas City, carrying representative business men from that city, will stop in Haskell Wednesday, May 6, on a good will trip. They will arrive at 2:50 p. m. and remain about 30 minutes.

The bank at Peacock in Stone-wall County was broken into by bandits last Monday morning about 3 o'clock. The safe was removed from the building and the combination blasted off, but the yeggs were unable to gain entry into the safe.

Mr. and Mrs. Turner E. Campe and Mr. and Mrs. B. M. Whiteker went to Stamford Monday. Messrs. Campe and Whiteker, who are on the highway committee from this city, went on to Austin on highway matters.

Mrs. John Oates has returned from Dallas, where she has been visiting relatives and friends for the past three weeks.

S. J. Perrin left Wednesday for Wichita Falls where he plans to spend several weeks.

50 Years Ago—May 6, 1905

Something of a storm struck in the Carney community Sunday, but did no severe damage. Some brick flues were blown from houses, and a crib on the K. T. Wright place was blown down.

Bob Irby of Munday spent several days here this week.

Commissioners Court will meet Monday in regular session.

Prof F. L. Busey of the New

Mid school was in town Saturday. He says his school has an enrollment of 80 pupils and is getting along satisfactorily.

G. B. Martin of Guthrie was here this week and drove to his ranch a lot of one and two year old steers purchased from cattlemen here. He bought 325 head from Jones Bros., 35 from W. P. Whitman, 102 from G. R. Couch, 60 from J. A. Bailey, 200 from M. S. Shook, and few each from W. T. Hudson and T. G. Carney. The prices paid ranged from \$11.50 to \$15.50.

Sheriff Collins has appointed Warren Fitzgerald a deputy in his department.

Miss Maud Isbell, who has been teaching at Stamford but is a member of the board of school examiners for this county, came up Friday to attend a session of the board.

Ell Keister was here from Big Springs this week spending several days with relatives and friends. He has been roadroving for the past two years.

Miss Eddie Taylor of Kaufman, who has been visiting with

the families of her uncles, Messrs. W. W. and R. B. Fields for several weeks left Monday for her home.

Sam Patterson was in town Saturday and told a Free Press reporter his oats were knee high and that his corn was looking as good as he had ever seen at this season.

S. W. Vernon of the Wild Horse country was in town Monday. He is pleased over the excellent crop prospects and the fact that two railroads are running a race through Haskell County.

A moderate decrease in automobile accidents was reported in 1954.

HALLIE CHAPMAN

BILL LANE

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR® stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all

comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel...longer engine life)! And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five...needs less radiator cool-

ant, too. It's the most modern V8 under anybody's hood!

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—no high-priced car has all—of these great Chevrolet features!

Body by Fisher—Nine engine drive choices in any model—16-volt electrical system—Anti-Dive braking—Outrigger rear springs—Ball-Race steering—High-Level ventilation—Double-coil construction.

Combine your new Chevrolet purchase with your vacation plans! Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet built, if you like, and drive your home. Chances are you'll save a substantial share of your vacation travel costs!

Lad Is Treatment

Young Mathis, one of the county's young citizens, was admitted to the Warm Springs Hospital for a series of physical medical treatments.

Young Mathis was referred to the Foundation following a siege of polio suffered during the summer of 1951 and has returned at different intervals for treatment in an effort to overcome the handicaps wrought by this disease. The Gonzales Warm Springs Foundation, built and maintained through the support of interested Texans, is a non-profit, non-sectarian hospital designed to benefit the handicapped people of our state.

Longhorn Cavern Now Has Two Miles Open To Public

Burnet, Texas (Spl.)—The two miles of Texas Longhorn Cavern now open to the public and the six additional miles that have been explored hint at yet undiscovered marvels that may come to light if the subterranean vastness of the huge cave is ever thoroughly charted, in the opinion of qualified cave experts. Longhorn Cavern, which is the third largest cave in the world in its present form, already can boast of a greater variety of natural phenomena than any of the other great caves of the world. Every one of the tremendous chambers and the passageways which connect them is different—due to the diversity of the rock layers through which the cavern was carved by an ancient river. The Chandelier Room has grotesque stalactites hanging like weird chandeliers from the ceiling. In the Dome Room, the ceiling is pitted with strange dome-like depressions. Crystallized calcite in the fabulous Hall of Diamonds makes the walls sparkle as though encrusted with precious gems. One long tunnel is reminiscent of the Catacombs of ancient Rome. Iron oxide gives a rich glowing red color to the walls in many parts of the cavern. The Main Room is 183 feet long and has had as many as 2,860 people in it at one time (and wasn't crowded). In the section of the cave still closed off to the public, two lower levels have been explored, one 185 feet below the surface and the other an eerie 310 feet deep. And the end has not yet been reached even by the most intrepid band of "spelunkers." As the cave experts say, no telling how much further the cave goes, winding its way beneath the craggy hills of the Highland Lakes resort country. Guided tours leave the cavern's administration building every hour and the cave is open every day of the year. The round-trip stroll to and from the deepest point on the tour, 120 feet underground, takes about two hours. Temperature remains at a comfortable 54 degrees, no matter how hot it gets outside. Already one of Texas' most alluring scenic attractions for out of state tourists, the cavern is also unusually accessible for sight-seeing Texans from all corners of the state. The famous cave is located in beautiful Longhorn Cavern State Park almost in the geographical center of Texas. Entrance to the park is four miles south of Burnet on U. S. Highway 281.

Sudangrass Is Best Bet for Summer Grazing
Sudangrass is an old standby but still the livestockman's best bet for temporary summer grazing. Seeded now Sudan will provide green grazing in six to eight weeks, says Ben R. Spears, extension agronomist. And by staggering your plantings at 3 to 4 week intervals the season of temporary grazing can be greatly extended. Different plantings should be fenced separately and grazed in rotation. Moisture conditions are generally favorable for planting in the eastern part of the state, Spears points out. In addition to providing lush summer grazing for livestock, temporary pastures give permanent type pastures a much needed rest.

Mr. and Mrs. C. C. Middleton and Mr. and Mrs. Rudolph Middleton left Sunday for O'Donnell for a visit in the home of Mr. and Mrs. R. M. Middleton and family. Mr. and Mrs. Rudolph Middleton planned to return home this week, while Mr. and Mrs. C. C. Middleton will remain for a longer stay while the Haskell man recuperates from a severe attack of influenza which had kept him confined to his bed for more than two months.

Watt Matthews, prominent Shackelford County rancher and stockman, and Homer Thomas foreman of the Matthews Lamb-head Ranch were visitors in Haskell Sunday in the home of Mr. and Mrs. C. C. Middleton and other friends.

Haskell Woman's Grandson To Get Navy Citation

A Navy petty officer of Waco, grandson of Mrs. John McGuire of this city, is to receive a Navy citation for bravery.

He is Third Class Petty Officer John Edward Christian, Waco, and is one of 22 members of the crew of the aircraft carrier Bennington to be cited for bravery by the Navy.

Christian and his 21 shipmates will be decorated for their part in helping battle explosions and fires that ripped the big carrier last May 24, killing or injuring 300 men.

Christian will receive a commendation from the Secretary of Navy.

Mrs. Christian, who lives at 602 McKeen Avenue, Waco, said last week she knew her husband was going to get the commendation but she didn't know when. She said she visited her husband in New York City about three weeks ago. They have a son, Johnny, 4.

Christian was in the Navy in World War II, re-enlisted, and has been on the Bennington since 1932.

He is the son of Mr. and Mrs. O. E. Christian, formerly of Waco, who moved to Laredo almost two years ago. Mr. and Mrs. Christian have a younger son, Elgin Ray Christian who also is in the Navy.

Harmony Club Has Annual Spring Music Festival Program Thursday Evening

The Harmony Club's annual "Spring Music Festival" program was held at the home of Mrs. J. F. Cadenhead, Sr., as hostess.

Miss Beryle Boone was director and discussed the Romantic Period in American Music from the study course "Music Through the Ages" by Marion Bauer and Ethel Peyser.

Miss Boone presented Mrs. Ross E. Fox who sang Schubert's "Serenade" and Ava Maria. Mrs. A. C. Foster played a piano solo "Spring Song" by Liszt and a selection by McDowell. Mrs. O. E. Patterson gave an interesting discussion on the life of the blind pianist, Alec Templeton, and played several selections from his works, including a humorous number "Bach Goes to Town."

Mrs. V. W. Meadors, Sr., gave a brief resume of the year's outstanding programs. Among them were "The President's Evening" Sept. 30 when the club presented several concert artists from the Music Guild of Abilene, Texas in recital; The Christmas Cantata held Dec. 19, at the First Baptist Church; Panorama of Latin American Music Feb. 10; Parade of American Music with the district president, Mrs. Delbert

H. Taylor of Fort Worth as guest; Texas Day, Church Music Day and Operetta Day. National Music Week is being observed this week with special members helping with special music in the local churches. There will also be a Song Festival at the colored Hopewell Baptist Church Monday evening, May 9th at 7:30 with the Rev. Odie Jackson in charge of the program to which the public is invited.

The club will close the year's work with a May breakfast and installation of officers Wednesday morning at 9 o'clock at the Texas Cafe club room featuring an illustrated travelogue by Mrs. Virgil Meadors, Sr., on her recent tour of Europe.

Attending were Mesdames O. E. Patterson, C. L. Lewis, R. L. Harrison, V. W. Meadors, Ross E. Fox, J. F. Cadenhead, A. C. Foster, J. M. Littlefield, Tommye B. Hawkins, and Miss Beryle Boone.

In 1954, nearly two million casualties were recorded for motor vehicle accidents.

Speeding on U. S. highways last year killed 12,380 men, women and children.

Annual Reunion of Hugon Family Held In Gainesville

Descendants of B. D. and Judith Solomon Hugon met Sunday, April 24, in the Gainesville Park for their 6th annual family reunion.

Judge Alfred Turnbow served as president throughout the day. Rev. T. M. Cunningham, Presbyterian minister of Denton, played the clarinet while the group sang. Mrs. Cunningham also brought the devotional.

A group picture was made immediately preceding the delightful noonday feast.

Being the oldest person present, Mrs. B. A. Hugon, 85, of Gainesville, was presented a cake by Miss Gwendolyn Findley, also of Gainesville. Miss Findley baked and decorated the cake. Mrs. Hugon and the late Mrs. Victor J. Jossilet were sisters-in-law. John E. Solomon, 83, of Haskell was the next oldest person present.

Tribute was paid to Lydia Jossilet (Mrs. G. A.) Turnbow, the one member of the family who died within the year.

After visiting and reminiscing the group congregated for the afternoon business session during which Luther Toliver, Sr., was elected president for the coming year and Margaret Toliver was re-elected secretary - treasurer. Mrs. T. M. Cunningham of Denton will serve as historian for the reunion association.

Persons who traveled the farthest distance to attend the reunion were Mrs. Minnie Chanos and Mrs. Ellen Davis, both of Houston.

Mrs. V. P. Terrell and Mrs. Marion Jossilet registered members and guests. One hundred eighteen persons attended.

Those who attended from this area were Mr. and Mrs. C. A. Thomas, Mr. and Mrs. J. L. Toliver, Sr., Mr. and Mrs. A. J. Jossilet, Mr. and Mrs. P. J. Jossilet, Mr. and Mrs. V. P. Terrell, Mollie and Paula Terrell, Mr. and Mrs. F. J. Jossilet, Mr. and Mrs. Jess Jossilet, Mr. and Mrs. Marion Jossilet, Carolyn and Sarah Jossilet, Judge and Mrs. Alfred Turnbow, Mr. and Mrs. Weldon Turnbow, John Solomon, Mrs. Rachel Stubblefield, Mrs. Clara Busby and Ann, Mr. and Mrs. J. P. Perrin, Lynda, Dudley and Wayne, Mr. and Mrs. Estle Gilleland and Margaret Toliver.

From Munday were Mr. and Mrs. Joel Massey and John, and Mrs. Margie Busby McCright from Anson.

Miss Nancy B. Philbin of Grand Forks, North Dakota, National Guild audition judge, will be in Haskell May 10 and 11 to audition piano students of this area. A native of Ypsilanti, Michigan, Miss Philbin began the study of piano at the age of nine at Michigan State Normal College. She received her Master of Music degree in August, 1953, at the University of Michigan. Miss Philbin has since taught piano at the Grand Forks School of Music in Grand Forks.

Haskell To Be National Guild Audition Center For Piano Students In Area; Mrs. Hubert Bell To Serve As Chairman

Mrs. Hubert Bell, teacher of Piano in Haskell High School, announces that Haskell has a qualified for, and has been chosen as a Piano Audition Center, sponsored by the National Guild of Piano Teachers. Mrs. Bell was appointed by Dr. Irl Allison, founder and president of the Guild, to serve as General Chairman of this center.

Audition activities, which are scheduled for May 10-11 at the High School auditorium, will involve piano students from surrounding towns in this area. Other teachers already having scheduled students for hearings are Mrs. Mary Gibson and Mrs. Betty Norris of Rule, Mrs. Pyeatt of Knox City and Mrs. Bill Lawson of Haskell. Mrs. Bell will present thirty-eight of her fifty-seven students for auditioning.

The national judge coming to Haskell is Miss Nancy B. Philbin, teacher of piano in the Grand Forks School of Music, Grand Forks, N. D.

Rhythm, accuracy, tone-quality, phrasing and pedaling are among the thirty-two points considered in rating piano playing. Each student plays from memory three to ten numbers, and all above elementary stage are required to pass a test on scales and cadences. Students entering will receive ratings on a national scale.

East Side W.M.U. Meets Monday for Bible Study

Members of the East Side W. M. U. met Monday, May 2, for their regular Bible Study. Mrs. Joe Oldham, Bible teacher, was in charge of the program. Nine members were present, with four children as visitors.

Paint Creek . . . Community News

MABEL OVERTON

Paint Creek wants phones. We all want phones badly. If people in town could only realize how inconvenient it is to live 8 or 10 miles from a grocery store, or a gas station, or an implement company and not have a phone. During the grain harvest we go to town for a combine part, and if Haskell implement companies do not have it, we have to go to Stamford for it, whereas if we had phones and could check with the tractor companies and see if they had parts, only one 16 or 20 mile trip would get the part. Most of the Paint Creek community including the school faculty houses, the power plant and the park has the misfortune to live on the General Phone Company side of the phone companies line. This line was just made by the General Telephone Company and the Bell Phone Company with a sort of a gentleman's agreement that Bell would only service as far north as the line, and General would only service as far south as this line.

We on the General Phone Company side have worked for years trying to get phone service. Several surveys have been made. We know exactly who wants a phone and who doesn't. Since they have turned us down every time, we feel they never intend to give us phones. They would like to get a rate raise from the Haskell people now, with the promise that they would "hook into" the matter of rural phones. That doesn't mean phones for us at all.

Meanwhile Bell Telephone Co. has the survey all made, and is ready to service us just as soon as General Phone Co. will release us. They have phones right to the line, and would gladly extend the line to include our school and as many houses as would be practical. Now, most all of us trade in Haskell, and would prefer a phone into Haskell. But since we know that will never be, we want a phone into anywhere. We don't care if it comes out of Dallas if we have phone service. Most of our merchants in Haskell have assured us they will accept a collect call if we want to order butane, or tractor gas, or any of the fuels farmers need when they are busy in the fields, and trips to town to order them, costs valuable time.

Mr. and Mrs. Sonny Coleman of Stamford spent the week end with his parents, Mr. and Mrs. Ira Coleman.

Little Glen Morgan of Fort Worth recently spent several weeks with his grandparents, Mr. and Mrs. E. E. Welsh.

Mr. and Mrs. Robert Reeves and children from Lueders visited Mr. and Mrs. E. A. Bean and family Sunday.

Willie Lee Medford took the following FFA boys to Texas Tech, Lubbock, Friday and Saturday on judging teams: William Haynes, Eddie Mac Earles and Leon Hokanson, Dairy Cattle; Waller Overton, Arvie Bergstrom and William Overton, Poultry; and Billy Doty, Gene Bounds and Eddie Lee Thane, Livestock.

Margaret Herren, daughter of Mr. and Mrs. Sam Herren of Haskell attended church with Diane Montgomery Sunday night.

Mrs. Oren Cox visited in the community and attended church Sunday night with her daughter,

Mrs. J. B. Kuenstler and family. Mrs. Cox brought a beautiful bouquet of flowers from her yard to fill the large glass basket she gave the Methodist Church some time ago.

The guest preacher at the First Baptist Church Sunday was Rev. Mr. Beasley of Hardin-Simmons University, Abilene.

Jerry Hughes is spending several days with Mike Overton while his father, W. C. Hughes, is in the hospital.

Mrs. Arthur Moody was passing around pictures of her year-old grandson after church Sunday night. He is a fine looking baby (looks like his grandmother Medford) and is the son of Mr. and Mrs. Othello Moody.

Little Gaynell Kuenstler had a painful accident when she was hit in the head with a baseball bat. She had a multi-colored knot on the left side of her forehead, and since it doesn't hurt any more she is quite proud of it. She is the little daughter of the J. B. Kuenstler's.

Mrs. Clem McNeal, the former Clem Howard, and her two daughters, Mrs. Troy Phillips and Mrs. Clarence Faught of Brownfield were visiting relatives in the community over the week end. Mrs. Frank Underwood is a cousin and Mrs. Arthur Moody is also a cousin.

D. G. Tidwell spent last week with his daughter, Mrs. Garland Calloway, Mr. Calloway and his granddaughters, Gayle, Sela and Judy.

The community is so proud of Mrs. R. B. Hanna, and the wonderful work she has done with our music department. The musical program her pupils gave Monday night was so good, and it was hard to realize she had done so much and only had music classes one day a week in our school. Of course Mrs. J. M. Owens, Mrs. Irene Ballard, Mrs. Lilla Heflin and Mrs. W. C. Taylor assisted her, and worked with the boys and girls on the days Mrs. Hanna was in other schools in the county. The operetta, "The Cobbler and the Elves," was presented by the first, second and third grades. Children in the operetta were Raymond Kohout, Vicki Morrison, Curtis Bittner, Danny Carl Ivy, Emmet Folsom, Danny Isbell, Larry Edwards, Darla Schmidt, Linda Bean, Janay Morrison, Ann Hise, Jerry Scheets, Frances Jones, Allen Schmidt, Vern Howard, Eddie McKeever, Edwin Livengood, Alfred Dukasnik, Danny Thane, Lynn Dale Marzke, Caroline Carlton, Rita Wood, Margie Scheets, Anna Polina, Patricia Medford, Carla Marzke, Charlotte Cook, Lydia Polina, Evelyn Pustejovsky, Linda McRae, Marjorie Earles, Bonnie Howard, Dodie Earles, Ronni Medford, Amelia Perry, Josephine Polina, Mary Polina, Nancy Jones, Brenda Hise, Judith Taylor, Rose Garts, Lloyd Blackwell and Lucky Holcombe.

Songs presented by the fourth grade were Welcome, O Birds, My Mocking Bird, May Bells and Spring. Fourth graders who sang were Carolyn Livengood, Paul-vite Fischer, Paul McLennan, Jeff Smith, Jerry Hughes, Anita Polina, Robert and Romito Torres, Kenneth Marr, Dorothy Coleman, Danny Simpson, Wanda Medford, Marvin Scheets and Billy Patterson.

Fifth and sixth graders sang Brother James, Air, Jacob's Ladder, Little David, and Bells. Singers were: Helen Pustejovsky, Ina Bittner, Ann McLennan, Mike Overton, Judy Medford, Joyce Wood, Beiva Wood, Jackie Daniels, Willie Petric, Jane Earles, Patty Bean, Joan Griffith, Mike Shaw, Leon Thane, Mary Lou McLennan, John R. Watson III and Martin Dale Coleman.

The following school board members and patrons of the Paint Creek school attended the Citizen's School Meeting at Rochester Thursday night: Roy Overton, Sammy Griffith, Durward Livengood, Roy Medford, Gene Overton, Mrs. Gene Overton, Grade School Principal Pat Morrison, and Supt. Dan McRae.

Local Farm Bureau Members Attend District Meet

Eight members of the Haskell County Farm Bureau attended a district meeting of Farm Bureau leaders in Wichita Falls Friday. Conducted as a Farm Bureau training clinic meeting, the session was held in the Texas Electric Building. Attending from Haskell County were F. A. Ulmer, Felix Klose and W. H. Anders, representing the service committee; H. D. Gammill, C. H. Herren and Jim Ludeke, agents; S. M. Royall, local president, and Mrs. Gene Tonn, secretary.

The all-day meeting was designed to better train county leaders and personnel who have specific responsibility of carrying out the business aspects and service-to-member programs of the County Farm Bureau. All seventeen counties in District 3 were represented, and Haskell County was congratulated for the largest membership in this district, Royall said. The local office was also commended for its efficiency and office procedure. Loys D. Barbour, Melvin Danby, E. C. McMurray and O. K. Hoyle were the principal speakers.

Weinert Softball Teams Dominate II-B Tourney

MILDRED GUESS

The Weinert softball teams dominated play in the District 11B tournament held at Munday Saturday April 30. Bringing home first place blue ribbons were the high school boys' team, grade school boys, and grade school girls. The high school girls placed second. The high school boys disposed of O'Brien 25-0 in the preliminary game, then squeezed Vera 9-7 in nine innings for their second win, and ran off from Goree in the final game by winning 13-2.

The high school girls beat O'Brien 15-2 in their opening game and trounced Rule 12-0 in the second, edged Munday 6-5 in the semi-finals and were defeated by a strong Goree team in the final game 15-10.

The grade school boys won over O'Brien 18-5, Munday 10-6, Woodson 19-3 and Goree 7-4.

The grade school girls had a slugfest in their opener with O'Brien but finally managed to win 39-27. In the semi-final game they beat Rule 13-11, and edged Munday 8-5 in the final game of the day.

This was the climax of a successful season for the high school boys. They won district titles in football, basketball, track, softball, and placed second in volleyball.

The grade school boys were not far behind as they won district in football, track and softball. There was not a district formed in basketball but they only lost two games, so the record speaks for itself.

The high school and grade school girls were not as fortunate as the boys in getting in the win column, but lack of experience was the deciding factor. All of the girls except one will return for another year and they expect to be strong contenders for district honors next year.

PARENTS OF SON

Mr. and Mrs. Ben Clifton of this city are the parents of a son, David Allen, born Saturday April 30 in the Haskell Hospital. The new arrival weighed eight pounds, two ounces. His grandparents are Mr. and Mrs. Mart Clifton of Haskell and Mrs. Eula Hix of Fort Worth.

The Secretary of State becomes president of the U. S. in case of the death or removal of both the president and vice president.

PRAISES HIS BAND
Dear Editor:
Last Saturday I heard the Haskell High School Band in concert at the Radford Auditorium here in Abilene. I thought you and the people of Haskell would like to know just how I felt and a few others sitting around felt about the band's performance. The band was great to say the least. I have waited ten years to hear one Haskell band play up to the level I had dreamed of and my dreams came true last Saturday. I wouldn't be stretching it to say it was the best band that played all day. The Haskell Band of 1955 didn't just happen. It started under the direction of Elbert Fagan. It later progressed under the baton of Ralph Mills, which incidentally is rated one of Texas' best band directors. The first known Band Booster Club was organized when James Hobbs had the band. Let me say at this point that the Indian Band really started on the road to becoming one of the best playing and marching bands of West Texas. It didn't happen overnight, believe me. It took plenty of hard work and backing of a group of Band Boosters. It was while Mr. Hobbs was band director that the present uniforms were purchased. I do think its about time this organization got new ones. Regardless of what they had on Saturday, they sounded like the New York Philharmonic to me. Yes, great progress was made when Bill Dean was director. The Haskell Band was definitely going up in the band world, and other band directors in this region were beginning to really take notice of this splendid group. Bill Dean once commented to me that he thought the band had reached its peak. I couldn't and didn't believe him and now I know I was right.

One of my twirling instructors at Sam Houston State College of Baton Twirling once remarked to me, "Bill, you can't make a silk purse out of a sow's ear, but you can make an awful refined sow's ear." That saying has stayed with me in my twirling from the time I started twirling broom sticks in the back yard until I twirled in the largest cities in Europe. I feel the same way about the Haskell Band. It rose to great heights under other band directors, but please permit me to hand our present Band Director, Merlin Jenkins that Academy Award for his outstanding work in bringing the Indian Band across the line of mediocrity to superperson. If you don't quite understand what I mean it's like riding up to a filling station in a Ford and driving off in a Cadillac.

I have only known Merlin Jenkins for a short time but his ability on the podium has never been equalled by any band director in this city. But, it could not have been done unless there had been unusually smart and talented young people to work with him. Yes, I believe the band people are really on the ball. Somehow I don't feel that the average Haskell citizen really knows how good the band really is. One director sitting directly behind me at the concert related afterwards, "In my estimation Kermit, Snyder and Haskell have the best high school bands in this area," and he wasn't just saying it to be funny. If you doubt this just ask Mr. Jenkins to let you see the criticism sheets from last Saturday's contest. Band directors like Merlin Jenkins just don't grow on trees. That's what people with a musical background will say. If you really want to know how the Haskell Band got that way you should have seen how those kids worked preparing for that contest. It's a shame for anyone to hold this group back.

There is really no telling how far they could go if only given the opportunity. If you wonder why it makes so much difference to me it's just because the Indian Band of Haskell is a part of me and my life and always will be. Its progress is my progress. Its success is my success. In conclusion let me say that if you didn't hear the band last Saturday you missed a treat. From now on don't just take your band for granted. It took work by a lot of people to put it where it is today. Please forgive me for letting off steam, but it's been building up for some time.

Sincerely yours,
Bill Adkins.

Junior 4-H Club Girls Contests Held Saturday

The annual 4-H club elimination contest was held in the Haskell courthouse last Saturday. The demonstrations were given on vegetable and dairy food preparation by junior 4-H club girls. Winners in various groups were First year girls, Paulette Fischer and Carolyn Livengood. Second year girls to win were Jo Ann Griffith, Marlene Watts, Katherine Kretschmer and Margaret Fischer. Third and fourth year winners were Kathryn Rueffer, Barbara Carruth and Rose Petrich. These girls had the highest score in their respective group. Jo Ann Griffith had the highest over-all score and Kathryn Rueffer was second.

The demonstration were judged by older 4-H girls and adult leaders. Polly Tipton, Jean Griffith, Myrtle Murray, Mrs. Audie Conder, Mrs. Paul Fischer and Mrs. Rex Murray did the judging.

Each girl entering the contest received a standard measuring cup, a certificate and a ribbon according to their scores.

The program also included a demonstration given by Emilee and Jean Griffith and songs led by Polly Tipton.

Munday Officer In Exercise

FORT LEE, Va.—Maj. Woodrow H. Myers, 35, of Munday, will participate in LOGEX-55, an Army-wide logistical exercise, May 2-7 at Fort Lee, Va. Approximately 5,000 officers and enlisted personnel will be trained in supplying combat troops for modern warfare. Although no field units will be used, simulated conditions will give realism to the exercise. EVERYONE HAD A GOOD TIME

One of Season's Enjoyable Programs Presented By Elementary School Pupils

(Special) Well, the May Fete is over. By the way, did you see it? If not, you really missed something. I have never seen a group of boys and girls enjoy doing anything more. They had a good time. The production was by no means perfect, in fact it was full of mistakes, but the children felt so free and made the best of everything, thus the aim of the teachers was reached for they strived to keep the boys and girls happy and yet present an enjoyable entertainment.

The public response to the program was wonderful. The elementary school personnel feel grateful to everyone who helped in any way with the program. Without your cooperation, it could not have been presented. A big "thank you" is extended to all of you for your help.

Did you notice how every teacher was also blossomed out for the May Fete? Such lovely

Prices On Grass Cattle Weaker At Fort Worth

By TED GOULDY

Early summer movement of cattle and calves was again evident at Fort Worth Monday. Some 3,000 more were offered than a year ago the same day. Trade developed slowly as packers endeavored to lower costs. Fed cattle were steady to 25c higher cows weak to 50c lower. Bulls sold steady.

Stockers and feeders with quality moved readily at fully steady prices, as did choice fat calves. However, grassy calves and yearlings of both slaughter and stocker kinds of medium and lower grades eased lower by around 50 cents or more per hundred. Plain stockers sell at about their slaughter values. The spread between heifer calves and yearlings of the stocker kind is the widest in months, mostly \$3 to \$4, for stocker heifers under similar steers unless fleshy enough to sell for slaughter.

Good and choice fed steers and yearlings \$19 to \$22.75, the latter figure for load of steers fed by J. W. Miller, Swisher County, that averaged about 1,150 lbs. These were mates to cattle at \$22.50 a week earlier. Plain and medium yearlings and heifers \$12 to \$18. Fat cows \$10.50 to \$13.50; canners and cutters \$7 to \$11. Bulls \$10 to \$14.25. Fat calves \$14 to \$21.50; stocker calves \$23 down, stocker steer yearlings \$22 down, stocker steers \$21.50 down.

Both livestock salesmen and buyers at Fort Worth this week agreed that it would stabilize prices if more sheep and cattle were marketed on Wednesday and Thursday, and the big runs of Monday and Tuesday were

It was pointed out that in recent months Wednesday and Thursday prices have usually been as good as Monday or Tuesday, and in some cases even higher. Last week shorn lambs topped at \$17 Monday and Tuesday, and on Wednesday, Thursday and Friday sessions topped at \$17.50 for example.

Packers say they are at a disadvantage if they have to buy huge numbers on Monday and Tuesday and carry them to the end of the week to get them killed. Spreading this summer's run more evenly through the week will serve to level out price trends, and avoid bad price breaks, all agree.

Hogs opened 25 cents lower at Fort Worth Monday. Pressure generated from the big run reported in the Corn Belt—22,000 more hogs appeared at 12 major markets than a week ago. The crop was more than double that the same day last year.

Top hogs drew \$17 and \$17.25 at Fort Worth, and sows sold from \$11 to \$14.50, some big weights of over 500 pounds at the low end of the quotations.

corsages. The credit for this lovely act of kindness goes to all the room mothers of the kindergarten, first and second grades. The teachers are very grateful to you and appreciate your kindness.

Now the program is over, no more practice, so everyone has settled down to the daily routine of school work again. There are many things to do during the remaining few weeks of school.

With the coming of longer, warmer days, many excursions are being experienced. Mrs. Palmer and her fourth graders went to Abilene and visited the bakery. They also rode the train to Baird and back to Abilene. It was a tired, hot group of youngsters which stepped from the bus late in the afternoon but it was a very worthwhile trip.

Miss Hunt took her third graders out to the West Texas Utilities power plant for a tour of the plant. This was an enjoyable as well as a very educational trip.

The management of the Texas Theatre thinks all work and no play is bad so they did something about it by presenting the teachers and their families, courtesy tickets for a Good Neighbor Open House Theatre Party on Tuesday night. Such an enjoyable evening and everyone feels grateful to the theatre management for such thoughtfulness.

State Conference Of Texas AA's in Houston June 10-12

More than 200 members of Texas largest organizations will assemble in Houston's Rice Hotel June 10, 11 and 12 for their 10th annual State Conference. These members pay no dues, they have nothing to sell and their only qualification for membership or belonging to the group is a sincere desire to stop drinking. They

Haskell Entries Win Four Awards At San Angelo

Four awards were won by entries of Haskell owners in the annual San Angelo Horse Show, held in that city last week end under auspices of the Tom Green County Sheriff's Posse. Chico Davis, owned by Dr. T. W. Williams, placed third in the halter class for pleasure type geldings, and won second place award in the performance class in that division.

In the Palomino show division, Yellow Sonny, owned by Gene Hunter, won second place at halter in stock horse class for senior geldings.

Lon McMillen's El Centro Sunday Gal won third place award in the show division for Palominos foaled in 1932 and under.

The San Angelo show is one of the top events of its kind held in the State, and Haskell exhibitors were competing with some of the most prominent horse owners in the Southwest.

Attending the show from this city were Mr. and Mrs. Myron Biard, Dr. and Mrs. T. W. Williams and son Fitzhugh, Gene Hunter, Lon McMillen and sons, Lon Dennis and Brian.

Rainbow Sewing Club Meets With Mrs. Rogers

The Rainbow Sewing club met with Flossie Rogers May 3 at 3 p. m. The living room was beautifully decorated with vases of roses and pots of ppy. The house was called to order by the president, Eddie Johnson. Several songs were sung by the group led by Flossie Rogers.

Minutes were read by the secretary, Eva Pearsey. Roll was called and dues paid. A special song, Mother and Home, was sung by Sallie Patterson, Stella Josselet, Essie Bland and Erma Watson.

A report by the sick committee was given and cards were sent to sick folks.

The club welcomed a new member, Mrs. Jessie McFarlin into the club and Eva Pearsey read the by-laws and constitution of the club.

This thought for the day was given by Cora Pitman, "Give a woman an inch and you've got a ruler." Ann Taylor also gave a thought, "To avoid trouble and insure safety, breathe through the nose—it keeps the mouth shut."

The son, "Mother" was sung by Flossie Rogers and Stella Josselet. Virginia Flournoy won the hostess gift.

Recent Bride Is Named Honoree At Gift Tea

Mrs. Manuel Mullins, the former Barbara Caraway of Olney was honored with a gift tea in the home of Mrs. Fred Brown recently.

Hostesses were Mesdames Brown, Carl Wheatley, E. B. Callaway, Willie Buerger, Johnny Mullins, Bill Pennington, Barney Frazier, Sam Herren, Otis Johnson and Morrell Dick.

Guests were greeted at the door by Mrs. Brown. In the receiving line were Mesdames Mullins, George Mullins, W. A. Atchley and Johnny Mullins.

Guests were registered by Mrs. Buerger. Mrs. Frazier presided at the punch bowl, assisted by Mrs. Herren.

Mrs. Pennington and Mrs. Wheatley showed the gifts.

The brides book was covered with white satin and in the center was a heart centered with Barbara's picture, bordered with white tulle ruffles and embroidered with pearls and rhinestones.

The honoree's chosen colors of pink and white were used throughout the house for decorations.

The refreshment table was laid with a hand painted linen cloth centered with a floral arrangement of the honoree's chosen colors. Approximately 80 guests attended and sent gifts.

Advisory Groups Meet To Discuss School Problems

Representative groups from all towns and communities in the county, composing local advisory committees from various Haskell County schools, met in Rochester Thursday evening to review and consolidate their opinions on school problems.

The Rochester meeting followed a series of community meetings of local Citizens Advisory Committees held for the purpose of reviewing the report of the Texas Research League on the evaluation of the Texas Public School System under the Gilmer Akin Law.

Miss Jessie Vick, county superintendent, presided for the county conference, held in the auditorium of Rochester's new school building. Preceding the evening session, the more than 100 committee members from over the county had inspected the modern new school plant now nearing completion in Rochester.

Miss Vick explained that the survey made by the League was intended as an evaluation of the public schools under the minimum foundation plan, covering the period from 1949 through 1954.

Principal interest and concern dealt with the League findings relative to reorganization of school districts and standards of adequacy.

Miss Vick explained that insofar as Haskell County was concerned, an 85 per cent reduction in the number of school districts had been accomplished.

She cited the fact that at one time the county had 53 school districts, now has eight.

After discussing 10 phases brought out in the TRL survey on which recommendations from the county conference were to be made, each community group met to make its individual report.

Disapproval of some of the League's findings in the survey was voiced by speakers, and all were strongly opposed to further reorganizations of school districts in the county.

Following the Rochester meeting, the individual community reports were to be compiled in a county report at a meeting Wednesday in the office of the county superintendent. In turn, this report will go to the regional conference as a reflection of Haskell County's recommendations to the State.

Pirates Take 11-0 Win Over Tribe Monday Night

Southpaw Rudy Raughton led his Paint Creek Pirate teammates to 11-0 victory over the Haskell Indians Monday night at Fair Park.

For seven fast innings, Rudy's offerings were too much for the Tribe while he racked up 15 strikeouts, giving up one lone single and permitting only two Indians to get as far as first base.

HHS Band —

(Continued from Page 1)
sical category above the AA and AAA bands that were present at the contest.

It was pointed out, according to Director Merlin Jenkins of the HHS Band, that sweepstakes awards "don't just happen." The 74 members of the present High School Band have all worked hard this year, Director Jenkins said. They have marched from 7:30 to 9:00 a. m., four days each week, and since January they have worked in sectional rehearsals at 7:45 a. m. each day. All of this in addition to the regular scheduled time within the school schedule. Since no credit is given for band, why are members willing to work so hard and so long? Some are not, but those few soon drop out of their own accord or for other reasons. The majority are willing to work

hard and put in extra hours because they enjoy playing and performing in a good organization, Director Jenkins said. Also, they realize that the band is an organization in which they can learn something that is of everlasting value. After graduation from high school, any band member can get his full tuition in college by playing in the college band.

According to Director Jenkins, first divisions are not made at contests, but actually are made at home in the band hall. In addition to long hours and hard work, it also takes a spirit of willingness and cooperation from the band members. And of course, when working with a group so large, certain rules and regulations relative to discipline have to be set up and maintained.

Director Jenkins also pointed

out that the organization could be made possible without many people, and financially and be given to the Club.

Experience is not to be left when it is invariably come settlement.

Any question with hard work.

Success is a goal with hard work.

Haskell Washeteria
Mrs. W. E. (Bill) Scheets

This is the type of identification tag for civilians recommended by the Federal Civil Defense Administration. The tags are being made available to Haskell people through cooperation of a large food manufacturer and several local grocers. Each tag is permanently stamped with the wearer's name, address, etc. Details of the plan were announced here this week by local stores cooperating in the project.

Civil Defense Administrator Urges Support of ID Tags for Civilians

Federal Civil Defense Administrator Val Peterson, today urged Americans to support identification tagging for civilians. "Because, in natural disaster, the tags can help reduce anxiety, in war they could be essential to the national well-being."
Again calling attention to the greatly increased Civil Defense problem resulting from radioactive fall-out in atomic H-bomb attack, Peterson declared: "The Civil Defense tagging program, which is conducted by state and local governments, would be vital to keeping families together and in relocating civilians following an attack."
Under the civil defense law, the tagging program is the responsibility of the states and local governments. FCDA can only recommend.
Peterson said that the program, which advocates the use of dogtags similar to those worn by millions of Americans in the Armed Services, "has been spotty, though well done in some places." He gave the following outline of the Civil Defense value of identification tags:
"Should attack come, such tags without doubt would be essential in reassembling families, and ministering to needs of the lost and injured. Unless the program is put into full operation, the nation in war would lose some of its ability to recover—to pick itself up and strike back."
Peterson reminded also of the peacetime value of the tags. "The information given on the identification tags," he declared, "will assist in restoring lost or injured persons to their families. In this connection, the tags have an especial value for minors or aged persons at all times." The

4th Grade Pupils Ride Train From Abilene To Baird

Pupils in the Fourth Grade of Haskell Elementary School, in the classroom taught by Mrs. Iva Palmer, enjoyed one of the highlight events of the year recently when they made an "excursion" to Abilene and rode the T&P passenger train from that city to Baird.

Little Pamela Baird, reporter for the class, gives the following interesting report in her own words of the thrilling event:

"We decided we would go on an excursion and our teacher, Mrs. Palmer, talked to some people in school and they agreed. Mr. Snow, our Principal, allowed us to use the newest school bus to go to Abilene, and also he said the bus foreman, Mr. Swinson, could drive it.
"When we got there, we went to the Coca Cola bottling plant. After we had been shown through the plant, we went to a Dairy Queen and had lunch.
"Then we went to the T&P depot and bought a train ticket to Baird and back. The train ride, most of us thought, was the best part of the trip. Hardly any of us had ridden a train before. The brakeman and the porter showed us all the train.
"After the train ride we went to Mead's Bakery where we saw bread being made. Then after an enjoyable time we got on the bus and came home. Our guests were: Mrs. Vaughn, Mrs. McClure, Mrs. Gilliam, Mrs. Curry and Mrs. Foil."

FCDA Administrator urged local officials throughout the nation to support plans to provide as quickly as possible standard identification tags to all citizens within their jurisdictions.
"Speedy accomplishment of the job as a part of the overall Civil Defense program," he added, "is urgently needed to provide a bigger reservoir of strength should the nation be attacked."

The guests were greeted at the door by Mrs. Omer Ray, who was assisted in the receiving line by the honoree and her mother, Mrs. Virgil Sonnamaker, Mrs. G. V. Middlebrook, and Mrs. Dale Middlebrook.

Guests were registered by Mrs. Dale Middlebrook in a musical wedding book that played the traditional wedding music.

Hostesses were Mrs. Omer Ray, Mrs. O. C. Patty, Mrs. Gaston Hattox, and Miss Jo Iva Johnson.

The theme of Spring was carried out in decorations in the reception rooms.

The reception table was laid with a Quaker lace cloth over green, centered with a miniature bride, shaded by an umbrella of green net and pink rose buds.

White cake squares were served with pink punch.

Assisting at the refreshment table was Mrs. O. C. Patty of Stamford.

Miss Jo Iva Johnson and Mrs. Gaston Hattox were in charge of the gift display.

Approximately two hundred guests attended or sent gifts.

Maybelle Circle Of First Baptist Meets Monday

Miss Maybelle Taylor was hostess to the Maybelle Circle of the First Baptist WMU Monday afternoon at 3 o'clock.

Following a prayer by Mrs. H. S. Moore, the group sang, Jesus Paid it All.

Maybelle Taylor taught the Bible lesson on the memorial supper, as instituted by our Lord. Many helpful scriptures were read, each one present taking part and joining in the round table discussion which followed.

The hostess served lovely white cake squares and ice cream to the following members: Mesdames O. O. Akins, Arthur Merchant, Joe Maples, B. M. Whiteker, Foney Graham and K. D. Simmons; and visitors, Mrs. J. W. Martin, Mrs. Hamp Harris, Mrs. H. S. Moore, Miss Nellie Crouch and Miss Merle DeBard.

East Side Baptist WMU Meets for Mission Study

The East Side Baptist WMU met Monday, April 25 for their regular mission study. Guest speaker for the evening was Mrs. R. C. Couch. She gave a talk on her tour through Alaska. The opening prayer was led by Mrs. Albert Andress.

Those present were Mesdames Emry Anderson, John McGuire, Juanita Hambleton, Roland Williams, Albert Andress and their guest, Mrs. Couch. Mrs. McGuire led the closing prayer.

Tanda Camp Fire Girls Receive New Symbolgram

The Tanda Camp Fire Girls met in regular meeting Wednesday April 20, in the Junior High School with the vice president Sara Lees presiding in the absence of the president, Kay Gresham. Only one leader, Mrs. Herren was present.

Mrs. Herren presented the symbolgram the girls chose last meeting. She had mounted construction paper of various colors and shapes to represent the symbols, mountains, our heart and hand, which signify to the group the name Tanda which means love, honor and respect. This symbolgram will represent this group throughout their years in Camp Fire.

Membership cards were handed to these girls who had not received theirs.

The girls discussed camp plans for the summer and also a Mother's Day Tea.

An account of the last meeting was given since only seven girls were present. When they realized no hostesses were present they adjourned to go to the leader's home where a Camp Fire was built to roast weiners and cook bread. Mrs. Herren instructed the girls how to make biscuits from out of the box of bisquick with a stick or handle of a spoon. Only one tablespoon of water for each biscuit then drop on foil paper to cook on the coals. Two of the girls decided to make punch just before the biscuits were done. The dessert was made by roasting marshmallows and laying on graham crackers with two squares of a Hershey bar, then topping with another cracker. The girls reported that was more fun than if they had refreshments already fixed. The girls who had not gone, were sorry they had missed that meeting.

At the conclusion of the meeting the song leader, Jan Herren, led the group in several of their Camp Fire songs.

Jane Ann Sego and Martha Jane Bynum were hostesses for the day and served frosted cakes. We were happy to have their mothers as guests for a few minutes. Mrs. J. A. Bynum and Mrs. Robt. Sego.

Girls present were Sara Lees, Shirley Norman, Betty Weaver, Twyla Hipp, Tanna McClung, Dorothea Rueffer, Jane Bynum, Jane Ann Sego, Betty Landess, Janice Hattox, Suzanne Lane, Jan Herren, Karen Adkins.

You'll feel like a pilot

without leaving the ground

Just wait till you switch the pitch of Buick's new Dynaflo!

How would you like to take the wheel of a high-powered Buick and feel an experience you never felt before in any earth-bound vehicle?

How would you like to do - just by pressing down the gas pedal - what a pilot does when he's ready for take-off?

And how would you like to drive with the happy thought that you're getting plenty of miles per gallon in normal cruising - and the electrifying action of the world's first airplane-principled transmission when you need it for split-second getaway response?

It's all for you when you say the word and slip into the driver's seat of a new Buick with Variable Pitch Dynaflo.

Not only do you take command of record-high Buick V8 power - and the most envied ride in the industry - and the brawn and heft and luxury of a truly solid automobile.

You also call the turn on twenty propeller-like blades deep inside a wondrous new Dynaflo that's patterned after the principle of the modern plane's variable pitch propeller.

You hold these blades in their high-economy angle when you press the pedal in the normal way - and you get a lot more miles from a tankful of gas.

It's The Hardtop with Four Doors!

Here's the new hit in hardtops that's taking the country by storm - Buick's pioneering and pace-setting 4-Door Riviera. The "convertible" look, with no center posts in the side-window areas - but with separate doors for rear-seat passengers. Shown here in the low-price SPECIAL model - also available in the high-powered CENTURY Series. Both now in volume production to insure prompt deliveries.

You switch the pitch of these blades to take-off position when you press the pedal way down - and you get spectacular action instantly.

Don't take our word alone that this is thrilling beyond all previous experience.

Talk to anyone who's tried it. Or, better yet, come try it yourself. That way you can learn firsthand why Buick sales are soaring to all-time best-seller highs. Drop in this week, won't you?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

ABOUT PEOPLE YOU KNOW

Sam Buford and Buford Cathey spent the week end in Hobbs, N. M. with Mr. Cathey's family, who are remaining there until the end of the current school term. Mr. Cathey recently accepted a position with Bill Wilson Motor Company here, and plans to move his family here sometime next month.

Mr. and Mrs. Andrew Josselet returned Monday after an extended visit with relatives and friends in Gainesville, Texas, and points in Oklahoma. Mr. and Mrs. Josselet attended the annual reunion of the Hugon family held in Gainesville April 24, and remained there April 26 when they went to Seminole, Okla., for a few days visit in the home of Mr. and Mrs. W. H. Morris, former Haskell residents. Mr. Josselet and Mr. Morris enjoyed a fishing trip at Ten Killer Lake near Seminole while there. The Haskell couple next visited in the home of Mr. and Mrs. Bill McDonnold in Oklahoma City. They are also former Haskell residents and Mr. McDonnold operated a shoe repair shop here for a number of years.

Mr. and Mrs. Thomas Clifton and children, Mart and Cathy of Denver, Colo., are spending the week with Mr. Clifton's parents, Mr. and Mrs. Mart Clifton in this city. Also, Mr. and Mrs. C. C. Dickerson, Jr., and children, Benjie, Mike and Scotty of San Antonio arrived today to spend the remainder of the week in the home of Mrs. Dickerson's parents, Mr. and Mrs. Mart Clifton.

Mr. and Mrs. W. C. Childress, Mrs. Kirby Kirkpatrick, Mrs. Thurman Rhoads and Carolyn visited relatives and friends in Beaumont, Orange, Port Arthur, Galveston and other points in South Texas last week. Mrs. O. J. Curry and Mrs. R. W. Herren are in Galveston this week, attending the annual convention of the Texas Federation of Women's Clubs, as delegates from the Progressive Study Club. Mrs. Curry is incoming president and Mrs. Herren is Americanism chairman and past president of the local study club.

Mr. and Mrs. S. P. Herren, Julian Kelly, Margaret Herren, James Smith, Betty Weaver and Becky Busby, all of Haskell, attended the Presbyterian Pioneer Convocate held in Graham Saturday, April 30. This was an all day affair, and the Haskell group participated in the worship service at the beginning of the program. Following the program, the remainder of the day was spent in assembling and packing

CARE packages for the Arab refugees. Mr. and Mrs. J. M. Crawford spent last week end in Houston and Bryan, Texas, visiting with their sons. In Houston they met Duffer Crawford of Westfield, N. J., where he is a consulting engineer with the Congoleum-Nairn corporation. He was on a tour of Texas colleges and universities assembling information concerning top-ranking chemical students and was to visit Rice, Texas A&M, University of Texas, and Texas Technological College. From Houston, Mr. and Mrs. Crawford and Duffer Crawford went to Bryan, where they visited in the home of their son and brother, Mr. and Mrs. Paul Crawford and children. They were joined there by another son, and brother, Horace Crawford who is a chemical engineer with the Sun

Oil Company at Silver, Texas. Mrs. Winnie Stark of Coleman is visiting in the home of Mr. and Mrs. Jetty V. Clare this week.

Missing from the ranks of Little League baseball players here, at least for the first part of the season, will be David Anderson, 10 year old son of Mr. and Mrs. Carl Anderson. While playing on one of his father's trucks Tuesday night about 8:15, David tripped and fell from the bed of the truck breaking both bones of his left forearm. Doctors who attended the injury said the lad would be back in top shape in short order. David, a fourth grade pupil in Elementary School, is most concerned about the time he will lose from playing ball.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN—All eyes are on the clock now as Legislators vie for position at the Speakers post, to "run" with their favorite bills. Time is swiftly bringing the Legislative "race" to a close.

Hundreds of bills will die on the calendar and never reach the finish line. But, hundreds have passed. House members took a quick look at a long, uncontested bills calendar, then passed 164 measures on to the Senate in two days.

Senators are now considering these bills and scrambling to get the House-passed tax bill under the wire before adjournment on or about May 10.

Subject to Senate approval is a two-cent gasoline tax increase, a one-cent per pack increase in cigarette taxes, plus a tax on cigars, snuff and packaged tobacco. Also in the omnibus bill is a levy on trading stamps and uranium ore. A hike in beer dealers' license fees is imminent. Contemplated too is freezing of the present natural gas production tax at 8 per cent—originally due to drop to 7 per cent in 1956.

It is estimated that the tax bill, as written, will produce \$25,000,000 a year in additional revenue for the general fund. That is \$5,000,000 short of the appropriation bill. So, there will have to be more levies, or the appropriation bill cut.

Veterans Land Bill
Both houses voted to submit a constitutional amendment to the people, in November of 1956, calling for an additional \$100,000,000 for the veterans land program. Replacement of the Governor and Attorney General as members of the Veterans Land Board, by two appointed members is specified in the bill.

Gove. Allan Shivers and Attorney John Ben Shepperd repudiated the minutes of the board as compiled by Bascom Giles, former Land Commissioner, and the Board ordered the minutes corrected.

Senator Jimmy Phillips, member of the Senate investigating committee, immediately seized, for photostating, all the old minute books. Phillips said he did this, under committee subpoena, "to make certain that there is a permanent record of the minutes as they were originally entered."

Labor Legislation
Three bills by Sen. George Parkhouse, all fought by organized labor, moved ahead in the House.

The "Ford Bill" was softened, then passed, subject to Senate concurrence. It prohibits unemployment compensation benefits to workmen idled by a strike in other plants owned by their employer. It exempts the workmen who make a good-faith offer to return to his job.

Modified by the House labor committee, and reported favorably, was Parkhouse's bill to eliminate "Port Arthur" strike situations. It would stop unions from picketing plants where the majority of workers were non-union.

Another Parkhouse bill authorizes suits for injunctions and damages.

Benefits for workmen are destined to improve. Passed by the House was a bill by Rep. Garth Bates, increasing the workmen's compen-

sation rate from \$25 to \$35 a week.

A Senate bill by Parkhouse increases benefits under unemployment compensation from \$20 to \$25 a week, while restricting those who may receive jobless pay.

Governor Crawford Martin
You can call him Governor now.

Sen. Crawford C. Martin of Hillsboro became governor for a day. As President-Pro-Tem of the Senate, he became acting Governor when Gov. Shivers went to Washington and Lt. Gov. Ben Ramsey conveniently absented himself across the Sabine River for a day.

Friends of the Hillsboro Senator organized a "junior inaugural" in his honor.

Shivers Has 1,000 Guests
Governor and Mrs. Shivers were hosts to some 1,000 guests at a formal reception at the Mansion.

The biennial affair, given for legislative members, state officials and their wives, was the big party of the week in Austin.

Appointments Confirmed
Twenty-nine appointments made by Gov. Shivers were approved by the Senate. These included:

PRESIDING JUDGES: Judge W. L. Jack Thornton of Dallas, first administrative judicial district; Judge Howard P. Green of Cuero, fourth district; and Judge Floyd Jones of Breckenridge, eighth district.

BOARD OF REGENTS (State Teachers Colleges): H. L. Mills of Houston, Miss Elizabeth Koch of San Antonio, and Henry Sears of Hereford.

VETERANS AFFAIRS COMMISSION: Marcus Weems of West Columbia.

Storm Dust Disaster
Alarmed by dust storms, John C. White, Agriculture Commissioner, says "Much of the land in West Texas is in far worse shape now than at any time in history, including the dust bowl era of the 1930's."

Following a tour of West Texas, White made recommendations to the State and Federal government that steps be taken to remedy the drought situation.

SHORT SNORTS: The Legislature made permanent 10 temporary district courts and created four more. . . Congressional and judicial redistricting bills died in the session's log-jam. . . A constitutional amendment to let the state make retribution to persons who serve time in pris-

Magazine Tells of New Transportation Age Near at Hand

A new transportation age is coming, with the initial innovations practically dead ahead, say the editors of "Changing Times," the Kiplinger Magazine. Here's how transportation will be—now, and in the dim future.

Trains will be fast, comfortable and low-slung. The Talgo which sets the pattern is a Spanish train much lower than U. S. types. It's much speedier and cheaper to run with cars longer and lighter than usual. The Rock Island's "Jet Rocket" will be the first U. S. Palgo-type train.

There will be turbo prop planes this year (they have jet-powered propellers) but no jet transports yet. This spring Capital Airlines will become the first line in the U. S. to use them. Their top speed is 385 miles per hour.

Already here, and catching on fast are moving side walks. New York-New Jersey commuters can ride a moving belt sidewalk to their trains. The famous Grand Central Station—Times Square shuttle subway will shortly be replaced by a 15 mile per hour moving sidewalk equipped with benches for riders.

What about helicopters? The Air Transport Association has predicted that 6,000,000 passengers a year will ride in helicopters by 1960.

Commuters' trains of the future may turn out to be monorail trains riding suspended from an overhanging track. Travelling at 250 miles an hour may be possible.

on for crimes they don't commit passed both houses and will be voted on at the general election next year. . . Two House bills to tighten enforcement of narcotic laws passed the House and were favorably approved by the Senate criminal jurisprudence committee.

Members of Trinity Ladies Society Work On Items for New Guinea "Cheer Boxes"

Flashing scissors held the spotlight as members of the Trinity Ladies Society met at the church annex recently. The objective under direction of Mrs. Richard Kretschmer, New Guinea Missions chairman, was the cutting and sewing of white gowns, gaily trimmed in bright rick-rack, which are destined to be the highly prized confirmation gowns of the New Guinea converts. These gowns, plus additional personal items, make up "cheer boxes" sent to missionaries and converts in New Guinea for distribution at Christmas time.

Barbara Carruth To Enter Record In Award Program

Barbara Carruth is reorganizing her record to be entered in the district and state award program. Her record was selected as the one to be entered from Haskell County.

Barbara is a member of the Mattson 4-H club and has been for the past five years. In these five years, Barbara has completed projects in Bedroom Improvement, Dairy Foods, Food Preparation, Clothing, Food Preservation, and Poultry.

In addition to working on various 4-H projects, Barbara has held every club office and has served on numerous county committees. She has also served as a junior leader for the past four years.

This State Fair Award of Honor is given to one girl and one boy from each extension district as part of the State Fair of Texas. The record judging to select the one from this district will be in May.

Tawanka Camp Fire Make Plans For Mother's Day Tea

The Tawanka Camp Fire girls met in the home of Mari Beth Anderson Tuesday April 26. The house was called to order by Barbara Worrell. The minutes were read by Charlotte Redwine. Then Charlotte also called the roll. The group discussed the date of the Mother's Day tea. The group made invitations which will be sent to the mothers.

Refreshments were served to Mrs. Anderson, Mrs. Gresham, Mari Beth Anderson, Charlotte Redwine, Kay Gresham, Glenda Tucker, Jo Nored Boone, Donna Brown, Marlene Letz, Almetta Harris, Barbara Worrell, Betty Buerger, Phyllis Cooper, Trisha Christberg.

The theme portrayed by the worship center was a model covered wagon with pioneer women to tie in with Mrs. Turner Grogan's topic of "Moving Westward With the Church"—the appropriate devotional passages were read by Mrs. George Klose.

The Bible study, Acts 6, 7 and 8 was presented in the form of a quiz prepared and led by Mrs. Paul Dick.

Hostesses for the meeting were Mrs. Alfons Peiser, Mrs. Ernest Peiser and Mrs. Willie Peiser. In attendance were Mmes. Paul Dick, Herbert Fischer, Paul Fischer, Turner Grogan, George H. Hauser, Jr., Felix Klose, Geo. Klose, Steve Kubena, Richard Kretschmer, Geo. Moeller, Sr., Gayhart Muegge, Laura Opitz, Pat O'Keefe, Alfons, Ernest and Willie Peiser, Gus Rueffer and John Stewert, Mrs. Drusedow was a guest at the meeting.

Joint Program Is Given By East Side GA's, RA's

The East Side G. A.'s met in the home of Mrs. Sarah Holt and Opal Barker, Monday April 25 and rendered their program.

There were 13 girls and 14 boys present. They were Kay Rogers, Betty McFadden, Barbara Briscoe, Patricia Wright, Myra Stephens, Sandra Howard, Cloa Kirkland, Caroline Cox, Genevieve Lankford, Edna Andress, Joann Bayless, Maxine Wheeler, Sammy Kelso, Don Stone, Roger and Boyd Andress, Rodger Anderson, Jerry Campbell, Jerry and Bobby Hunt, Felix Miller, Volley Joy Ivy, Rex Cox, Ben Allen McGee, O. V. Turner and hostesses, Mrs. Emry Anderson, Mrs. Sarah Holt and Mrs. Frankie Gay.

After the program all were served ice cream and cake.

Seventy-eight per cent of vehicles involved in fatal accidents in 1954 were traveling straight ahead.

More than 678,000 persons were injured in week end traffic accidents last year.

Surprise Birthday Party Honors Weinert Lad

Games of ball and other recreation were enjoyed. Those present were Luther Rainey, Bill Rainey, Keith Hobbs, Tommy Hudgins, Gary Rainey, Joe Williamson, Truman Therwanger, Jerry King, Budge McGuire, Alfred Lynn Therwanger of Haskell, Kenneth Sanders, W. C. Davis.

Charles received many nice presents. Ice cream and cake was served to the honoree and guests by his grandmother, Mrs. Dick Therwanger and Mrs. Clifford Williamson.

FASTEST KNOWN PAIN FOR ARTHRITIC, RHEUMATISM VICTIMS - NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Relief... The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stubborn agony. Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pain. Why AR-PAN-EX Helps: Ar-Pan-Ex does not dissolve stomach in the stomach—causes stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL of it, will be absorbed. Nothing ever should be faster, more effective, more beneficial than Ar-Pan-Ex. Ask for genuine Ar-Pan-Ex in the form of capsules in the box of it, he will be glad to give you a sample.

New Dodge Custom Royal Lancer... glamorous

What's all this talk about "Price Class"

It gets to be a little confusing—this talk about what "price class" a car is in. This new Dodge is making a clean sweep in every price field! Owners who are used to paying a thousand dollars more for a car find that money can't buy more luxury, more exciting features and beauty than in the dashing Custom Royal Lancer shown above. It's up to 9 inches longer than competitive models costing more! And owners of so-called "low-priced cars" are finding that a new Dodge, with all its dashing length and flashing style, can be theirs for only a few dollars a month more than any of the small cars—up to 19 inches shorter and far less exciting!

In fact, the Dodge Coronet 4-door shown below costs less than some models in the lowest price class. So let yourself go. Travel first class in the car knocking "price class" into a cocked hat.

Weinert News

Weinert Matrons Club was entertained at a brunch in the Homemaking room of the Weinert High School by Mrs. M. R. Boykin and Mrs. J. A. Mayfield Thursday, April 28. Club members wore their squaw dresses and other Indian attire in observance of some activity toward Indian affairs. In keeping with the Indian theme the small tables were decorated with native cactus and Indian miniature drums. Indian food was served and prepared by the Homemaking girls under the direction of Mrs. Herren, Homemaking teacher.

A devotional followed by prayer was given by Mrs. George Huddins. Mrs. C. T. Jones gave an interesting account of Indian tribes, their customs, etc. Mrs. W. A. King talked on "The American Home—Our Greatest Asset."

Other members attending were Mesdames G. C. Newsom, W. C. Winchester, Clyde Mayfield, Fred Monke, Damon Smith, Frank Oman, H. W. Liles, M. R. Boykin, R. J. Rainey, J. A. Mayfield, E. F. Rainey, J. W. Liles, W. L. Johnson, P. F. Weinert, R. H. Jones, V. C. Derr, and W. B. Guess.
