A. C. PIERSON

A. C. Pierson Is Named Head of Bankers Group

A. C. Pierson, president of the Haskell National Bank, Tuesday was elected chairman of the Seventh District, Texas Bankers Association at the annual meeting of the association in Fort Worth.

Attending the meeting were some 1,450 bankers and business leaders. They selected Fort Worth as site for the 1936 meeting. Sessions were held in Hotel Texas during the one-day meeting.

Discussions by speakers brought out the fact that banks in the Fort Worth area are making more money than they ever made before. And they find it even more difficult to discover outlets for their constantly increasing deposit funds.

The various community chairmen in turn will appoint leaders and workers in their communities. The organizational set-up is being planned in a manner that will enable workers to contact every man and woman in the county during the one-day drive, Henderson explained.

This year's quota of \$5,197 is smaller than the chapter quota last year, and chapter officials believe that the amount will be generously oversubscribed.

The Fund Drive is designed to finance all normal activities of the local chapter during the fiscal year from July, 1935 through June, 1936.

Plans for the Fund Campaign in Haskell will provide for separate canvass of the business and residential section, Henderson explained.

Wix Currie is chairman of the workers group in the business section, and he will name a corps of workers for each section in the business district. This canvass will be made Tuesday morning.

Canvass of the residential area will be conducted Tuesday afternoon and evening, under leadership of one or more women's clubs of the city. Section and block leaders will be named, in order that every home in the residential section can be contacted.

In the colored section, Mr. and Mrs. Albert Sharp will be in charge of the one-day drive. Chairmen in the various towns and communities in the county have been named as follows:

Rule—Aubrey Simpkins. Jud—J. D. Mathis. O'Brien—S. N. Reed. Pinkerton—Jess Glover. Weintert—Damon Smith. Mattson—H. H. Sego. Paint Creek—John Kuenstler. Sagorion—Bruno Kupat and C. L. Guilan.

Three Trustees To Be Elected On April 2

Three members of the board of trustees of the Haskell Independent School District will be elected in the annual trustee election to be held Saturday, April 2nd.

Vacancies on the seven-member board result from the expiration this year of the terms of W. O. Holden, Dr. Wm. J. Kemp, and J. B. Gipson. Trustees serve three year terms, with some members of the board being elected each year.

Hold-over members of the board of trustees are Gaston Hattox, Fred Gilliam, Carl Wheatley, and Ed Hester. Hester is president of the board, and Dr. Kemp is secretary-treasurer.

Applications for a place on the ballot must be in writing and signed by the applicant. They must be filed in the office of Supt. C. D. Allen.

All applications must be filed several weeks prior to the election.

Methodist Church Parsonage Being Torn Down

Work was started last week on tearing down the old parsonage of the First Methodist Church, to make the site available for a modern new minister's home recently authorized by the congregation.

Contract for demolishing the structure was awarded to C. C. McFadden and W. R. Carter of this city on a bid of \$365.00. Between eight and ten bids were submitted on the job, the building committee reported.

Several weeks will probably be required to demolish the frame structure. All of the material will be salvaged, and it is expected some of it can be used in the new parsonage.

The new parsonage will be brick veneer construction, and cost will run in the neighborhood of \$20,000, the building committee has estimated.

The structure now being torn down was erected in 1910, when the present brick church building was built. Considerable remodeling has been done on the church, and an addition was built a number of years ago.

Rev. and Mrs. J. B. Thompson are occupying a residence at North 11th and Avenue K and will make their home there while the building project is under way.

Haskell County History

20 Years Ago—Feb. 21, 1935

The Joyland Beer Garden and Dance Hall, located just outside the north city limits of Stamford in Haskell County, was destroyed by fire last night about 12 o'clock. There being no fire protection available, the building was a total loss.

A rabbit drive has been announced in the Post community on Feb. 28. Farmers say rabbits are plentiful in that section and they would appreciate help in thinning the pests out before crops are up.

Ed F. Fouts, former county tax collector, has purchased the Menefee Insurance Agency from Emory Menefee, who established the agency in 1930.

Mr. and Mrs. L. D. Ratliff, Jr., and baby of Spur spent last week end here with their parents, Mr. and Mrs. L. D. Ratliff, Sr.

The High School boys and girls teams debated each other last Wednesday in chapel. The boys Crockett English and Covell Adkins debated the affirmative side of the question, and Maydell Barnett and Ava Grindstaff upheld the negative side. The boys won the decision.

W. T. Sarrels and Olen Dotson made a business trip to Austin this week.

Mr. and Mrs. J. T. Hester and family have as guests in their home Mr. and Mrs. Monk of Fayetteville, Tenn. Mr. Monk is a nephew of Mr. Hester.

Miss Mabel Jones, who is teaching in the Post school, spent the week-end with her parents in Rule.

Mr. and Mrs. Sammy West are visiting relatives in Rule before going on to Florida where Sammy will begin spring training with the St. Louis Browns.

Mr. and Mrs. D. H. Head and family of Post, Okla., arrived this week to be at the bedside of his father, T. W. K. Head who is ill at his home in Rule. The Rule man celebrated his 91st birthday last summer and is a Confederate veteran.

Mr. and Mrs. J. A. Richker and daughter, Betty Jo, of Dallas are visiting relatives here.

30 Years Ago—Feb. 20, 1925

Three stolen cars were located here Friday and Saturday by the Sheriff's department and returned to their rightful owners, one at Cleburne and two at Breckenridge. Two men were taken into custody here and one at Breckenridge in connection with the recoveries.

Fire of unknown origin destroyed the old Nolen place near the elevator Wednesday night. The house was occupied by W. B. Stark and Mrs. Thomas and her sisters, in the two separate apartments in the house. All were away from home when the fire was discovered, and only a few articles of furniture were saved by neighbors.

John Means has traded his land here for a place between Lubbock and Lamesa, and together with his son Andrew, his brother Charlie and son Jim and wife and baby have moved out there.

Mr. and Mrs. F. L. Daugherty made a trip to Post City last Thursday.

Earnest Sanders, son of Mr. and Mrs. Fred Sanders of this city has recently been elected business manager of The Megaphone

disagreeable weather. The Commissioners Court was in session four days this week. Among other business transacted the Court ordered that the office now occupied by Sanders & Wilson and the county surveyor be set aside for the use of the district clerk, and that the county surveyor have his office with the county treasurer. Also, the petition of J. W. McCann to have obstructions removed from the Cliff and Haskell road was granted and Road Superintendent Sowell was ordered to remove same. T. B. Denison of the Pinkerton section was here Wednesday and reported everyone in his part of the country came through the recent cold spell in good condition.

Rule FFA Project Show Features Top Quality Animals In All Divisions

Despite extremely cold weather, the annual Rule FFA Project Show held in that city Saturday attracted a sizeable attendance, and quality of animals exhibited was on par with any show in this section.

Feature of the show was the exceedingly good price paid by bidders in the auction sale held in connection with the event.

Bidding on practically all the stock was brisk, and prices on every animal was at least about \$1 above the market.

Top animals in every division, with the possible exception of the calf show, were markedly close in finish and quality.

The grand champion calf, shown by Charles Gibson, 17-year-old son of Mr. and Mrs. Wilson Gibson, was possibly the only animal clearly superior to every other entry in his division.

Charles' one-year-old, 1,100-pound Hereford, the show's only milk-fed entry, was head and shoulders above the other calves in both quality and finish.

This doesn't mean, however, that the other calves weren't top-quality animals. They were.

Judge P. Blankenship, Hamlin vocational agriculture teacher, described the quality of the entire show as "outstanding."

Since Charles' calf was the only milk-fed steer entered, the other calves were judged for grand and reserve champion of the dry-lot division, with no reserve champion of the show being named as such. The champion of the show was bred by Pete Hinze of Old Glory.

Hannsz Shows Champion
Jimmy Hannsz, 18-year-old son of Mr. and Mrs. Albert Hannsz, showed the grand champion of the dry-lot division, an 11-month-old 850-pound Hereford bred by his father.

The reserve champion dry-lot was exhibited by Douglas Davis, 14-year-old son of Mr. and Mrs. Hollis Davis. The calf, a 11-1/2 months-old, 810-pound Hereford, was bred by Bob Watson of Rule.

In the lamb division, Sonny Whorton, son of Mr. and Mrs. E. B. Whorton, had the grand champion, and Jerry Don Laughlin, son of Mr. and Mrs. Clyde Laughlin, the reserve champion.

The grand champion gilt was shown by Winston Ulmer, son of Mr. and Mrs. F. A. Ulmer, and the reserve champion by W. J. Turnbow, son of Mr. and Mrs. Melvin Turnbow.

R. C. Franke exhibited the grand champion barrow and Gene Enders the reserve champion.

Top price paid for any animal in the sale was \$35.50 a hundred.

for Davis' reserve champion dry-lot calf, Clyde Grice, manager of the Hamlin oil mill, was the buyer. Grice also bought another place calf for \$31 a hundred; paid \$18 for seven barrows, including the grand champion; and bought a place lamb for \$20 a hundred.

The grand champion calf of the show sold for \$32 a hundred to the Farmers and Merchants National Bank at Rule.

Jack Mills, manager of the Rule-Jayton Oil Mill, paid \$35 a hundred for the grand champion dry-lot calf and bought a place steer for \$2.50 a hundred.

C. A. Grice, manager of the Rule Co-Op Gin, purchased the grand champion lamb on a bid of \$25 a hundred Ernest Baugh, Rule real estate agent, bought the reserve champion lamb for \$23 a hundred.

No calf sold for less than \$31 a hundred, with most of them bringing around \$32 a hundred.

Other buyers included the Rule Chamber of Commerce, Poultry and Egg Market of Rule and Faber Chambers of Rule.

W. L. Davis, Rule VA teacher, supervised the feeding of projects.

Following is a summary of the judging results:

Poultry
Pen of five broilers—1. Franke 2. Sonny Bounds. 3. Larry Hardin. 4. Gary Reager.
New Hampshire hens—1. Hays Rowan. 2. Herbert Rowan. 3. James Lindsey. 4. Hays Rowan.

Requirements for Filing Declarations of Estimated Tax by Individuals

The purpose of filing a declaration of estimated tax is to provide a basis for paying currently any income taxes due over and above any tax which might have been withheld from such income as salaries and wages.

Every citizen or resident of the United States shall make a declaration of estimated tax if it can reasonably be expected that gross income will bring them within the following requirements:

1. Single individuals (not heads of households or married persons not entitled to file a joint declaration of estimated tax) — These individuals must file a declaration of estimated tax if it can reasonably be expected that gross income, regardless of source, will exceed \$5,000, or if it can be expected that income from sources other than wages subject to withholding will exceed \$100 and total gross income will exceed the sum of \$600, multiplied by the number of allowable exemptions, plus \$400.

2. Heads of households or surviving spouses (applicable only to surviving spouses for first two years succeeding spouse's death) — These persons must file a declaration if it can reasonably be expected that gross income, regardless of source, will exceed \$10,000 or if it can be expected that income from sources other than wages subject to withholding will exceed \$100 and total gross income will exceed the sum of \$600, multiplied by the number of allowable exemptions, plus \$400.

3. Married individuals (entitled to file jointly) — These persons must file a declaration if the combined income of both spouses can be expected to exceed \$10,000 or if it can be expected that income from sources other than wages subject to withholding will exceed \$100 and total gross income will exceed the sum of \$660, multiplied by the number of allowable exemptions, plus \$400.

When determining whether you must file a declaration, you should exclude from gross income all income that is specifically excluded from tax, such as social security benefits, interest or municipal bonds, and military mustering-out pay.

Declarations of estimated tax are filed on Form 1040-ES with the district director of Internal Revenue in the district where you reside.

Declarations of estimated tax for the calendar year 1955 are required to be filed by April 15, 1955. In case of a farmer who derives at least two-thirds of his gross income from farming, a declaration of estimated tax may be filed and the full amount of

Cattle Numbers Showing Gain

By TED GOULDY

Fort Worth—The announcement by the Department of Agriculture that the cattle population had climbed to 94,433,000 head on U. S. farms and ranches on Jan. 1 was not unexpected at Fort Worth. This is 646,000 more than a year ago.

Livestock men at the market had suspected this was the case as shipments of cows and heifers had declined in the past ninety days at all markets. Fort Worth is the cross roads between the Eastern third of Texas, a section of the country that has had tremendous gains in cattle population in recent years, and the Western two-thirds of the state, most of which has seen droughts decimate cattle and sheep numbers.

Here are the figures released by USDA officials in Washington: Current cattle population is estimated at 95,433,000; a year ago it was 94,787,000; in 1953 it was 93,637,000. The average 1944-1953 was 82,917,000.

Currently estimates of cows, two-year-old or over for milk are 24,408,000 head; against 24,675,000 a year ago. A decline of 267,000 head and this decline was very evident at Fort Worth because of the heavy numbers of "marginal" or unprofitable milkers that went to market as raw milk prices sagged. In 1953 the dairy herd was 24,094,000; and the 1944-1953 average was 25,135,000 head.

the estimated tax may be paid on or before January 15 of the year 1956 in lieu of the time prescribed for other taxpayers.

In certain cases, a person may not meet the requirements for filing a declaration of estimated tax until April 1.

If the requirements are first met after April 1 and before June 2 of the taxable year, the declaration shall be filed on or before June 15; or if the requirements are first met after June 1 and before September 2 of the taxable year, the declaration shall be filed on or before September 15 of the taxable year; or if the requirements are first met after September 1 of the taxable year, the declaration shall be filed on or before January 15 of the succeeding taxable year.

An amendment of a declaration of estimated tax may be filed in any interval between installment dates prescribed for that taxable year.

It is important that the provisions relating to the filing of declarations of estimated tax be complied with since the 1954 law provides for what may be termed a penalty for the failure to comply with such provisions.

Navy Man Home on Leave After Duty In Far East

John F. Oliphant, gunner's mate on the USS Destroyer Blue, returned to the States Feb. 6 after six months service on the destroyer in the Far East.

He received one month's leave, during which he will visit relatives in Miami, Ariz., Sand Springs, Okla., and in this city. He is the son of Ray Oliphant of Haskell and Mrs. R. I. Branch of Miami, Ariz.

His most recent tour of duty on the USS destroyer included Japan, Formosa, China, Philippines, Midway, Hawaii, and Korea.

The Haskell man has been in the Navy 33 months. He will report at Long Beach, Calif., at the end of his 30-day leave.

Barbara Caraway, Manuel Mullins Wed Feb. 3 In Ceremony in Olney Church

Barbara Caraway, daughter of Mrs. W. A. Atchley of Olney, became the bride of Manuel Mullins Thursday evening, Feb. 3, at 7:30 o'clock in the First Baptist Church in Olney. He is the

son of Mr. and Mrs. G. W. Mullins of Haskell.

The Rev. Erwin Reed read the double ring ceremony before an arch of greenery and flanked by white tapers. White candelabra and white baskets of gladiolus completed the nuptial setting.

Mrs. A. L. Laney, friend of the bride played traditional wedding music.

Camp Fire Leaders And Sponsors Meet Tuesday

The leaders and sponsors of Camp Fire and Blue Bird groups met Tuesday afternoon Feb. 15, at 9:30 a. m. in the home of Mrs. Jean Elliott.

The meeting was called to order by vice chairman, Mrs. Bill Allen. The chairman, Mrs. Bill Holter, who is moving to another community, was not present, but notified the group of her resignation.

Mrs. Walter Gresham was elected as chairman.

Mrs. Lois Redwine was elected secretary to replace Mrs. Clifton Cobb, who is also moving at an early date.

We wish to say we will miss both Mrs. Holter and Mrs. Cobb but wish them both the best of luck. Our loss will be the gain of the communities to which they go.

Mrs. Bob Herren and Mrs. Gresham showed a selection of siled films from national headquarters of work done by a group of Blue Birds. At our next meeting which will be with Mrs. Clifton Cobb, Tuesday March 15, we will take up the work of Camp Fire girls.

Refreshments were served to Mesdames Woodrow Frazier, Bill Allen, Clifton Cobb, Jim Crawford, Casey Nebhut, Robert Graham, Chas. Redwine, Walter Gresham, Bennie Bassing, Bob Herren, Jim Alvis, Walter Kierpek and the hostess Mrs. Elliott.

Given in marriage by her grandfather, B. H. Norman of Olney, the bride wore a waltz length dress of chantilly lace over white slipper satin. She wore pearl chips. Her veil of illusion was attached to a tiara of seed pearls. The bride's bouquet was gardenias carried on a white Bible with satin streamers.

The bride's only attendant was Barbara Pharriss. G. W. Mullins, the groom's father, was best man.

Lada Ragle presided at the bride's table as the guests registered in the bride's book of white satin lace trim with blue streamers.

For a short wedding trip the bride wore a blue shantung dress. She wore cobra shoes and carried a matching bag, a gift from the groom. She wore gardenias for her bridal bouquet.

The bride is a student in Olney High School. The bridegroom is a graduate of Haskell High School and attended NTSC in Denton and is now employed by Parker Food Store in Olney.

The couple will live in Olney.

Women's Clubs Will Enter Contests on Community Projects

Mrs. L. E. Dudley, Ablene, president of Texas Federation of Women's Clubs has announced that Texas clubs will participate in the General Federation Community Achievement Contest sponsored by the Sears-Roebuck Foundation.

Named to head this special committee for Texas are Mrs. A. Foy Curry, Jr., Fort Worth, Recording Secretary of TWFC and a member of the executive committee; Mrs. O. G. Rudy of Monahans, Chairman of the Community Affairs Department; Mrs. James Dennis, Jr., Jacksboro, Junior Chairman; Mrs. John Berry, Chairman of the Community Service Division with Mrs. Dudley as ex-officio member.

This will be a project contest for the 1955-56 club year, with winners of the \$60,000 cash prizes to be announced at the General Federation Convention in Kansas City, Mo., May 14-19, 1956.

This community improvement contest is offered to clubs as an aid for their continuing work for their communities. Every community is in need of something—many need a great many things—to bring them nearer to the ideals of what they should be. Club women in their long experience in the field of community service have found the best medicine for ailing communities is self-help, the best "doctor" the average citizen.

Emphasis will be on cooperation and participation of other groups and individuals with the clubs which are privileged to bring to their communities this opportunity to win recognition and splendid prizes. The achievement of true cooperation among organizations and people in all walks of life on any community project may well be the most fruitful result of any project undertaken. Mrs. Theodore S. Chapman, General Federation president states: "In this contest "everyone" is a winner. Whether you receive a cash award or not, your club and your community are winners because your community is better, more beautiful, more healthful, more law-abiding, more prosperous, safer, more God-like."

Paint Creek 4-H Club Girl Has Curtain Project

Margaret Fischer, a member of the Paint Creek 4-H Club, is working on bedroom improvement this year. The major part of her work is making curtains for her room.

Margaret is 11 years old and has been a 4-H member for two years. She worked on gardening last year and has planned her garden for this year.

In addition to these projects, Margaret has taken part in club and county bake shows, dress revues, camp, achievement events, etc.

Margaret is the daughter of Mr. and Mrs. Paul Fischer. Mrs. Fischer is an Adult Leader for the Paint Creek club.

Ford's 3 new car engines for '55 give you Trigger-Torque response. The 162-h.p. Y-block V-8 has a 7.6 to 1 compression ratio. The 182-h.p. Y-block Special V-8 is offered with Fordomatic Drive in Fairlane and Station Wagon models. And there's a new 120-h.p. I-block Six!

ROAD-JOINT JAR REDUCED BY NEW ANGLE-POISED BALL-JOINT SUSPENSION

Ball-Joint Front Suspension is one of the greatest contributions ever made to riding

and handling ease. And for '55 it gives still more comfort... because springs are set at an angle to cushion road shock from the front as well as straight up. That reduces road-joint jar.

THE THUNDERBIRD INSPIRED FORD'S LONG, TRIM LOOK

The Thunderbird—Ford's personal car that created such a sensation—has left its distinctive mark on the Ford cars for 1955. You'll find its sweeping straight-line fenders... its lower, flatter look... its all-around windshield... its impressive grille and visored headlights... reflected in every '55 Ford.

No gasoline—no, not a single one—has higher octane than New 1955 GULF NO-NOX

but octane alone is not enough... New No-Nox burns clean!

Only a gasoline that burns clean... its full octane power really works with so-called "miracle additives" your engine—Gulf believes in preventing them from forming in the first place moves the cause—the "dirty-burn" end" of gasoline—at the refinery.

and clean-burning No-Nox gives your engine... more complete protection!

Gulf treats new NO-NOX to prevent part it touches against harmful deposits. See for yourself: Compare clean "A" from engine using new No-Nox piston "B" from engine using the burning tail-end" of gasoline that soot-fines out. Both pistons, at left, from test engines, ran the same number of hours under the same conditions.

- Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts. You'll get:
- More complete engine protection than with so-called "miracle-additive" gasolines.
 - Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
 - Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
 - No knock, no pre-ignition—even in today's high-compression engines.

It's super-refined... to burn clean!
The '55 gasoline for all high-compression engines

GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by all the resources—and the integrity—of the Gulf Oil Corporation.

**Tribute -
To Our Town!**

Sometimes there are "acres of diamonds" on every doorstep. That is how we feel about OUR TOWN. Wonderful people. Fine stores. Grand organizations and clubs — men, women and children. Healthy, happy, youngsters going to good schools. Yes, we have everything in OUR TOWN for which we are thankful.

It marks the beginning of A Tribute to Our Town and for what it stands. We hope you will join with us in paying tribute and respect to a fine, typically American community . . . OUR TOWN!

Salute Our Town!

LET'S BE CONSISTENT

The important role of publicity in promoting worthwhile endeavors has long been recognized. Today, successful organizations as well as individuals, consider publicity favorable to their cause or interests of prime importance.

Of all the mediums of publicity the printed page is still rated foremost, though this statement is not meant to discredit other proven and valuable mediums which include radio, television, and motion pictures.

A case in point where publicity has served a useful role for many years is the upcoming Red Cross Finance Campaign of the Haskell County Chapter.

News columns of The Free Press have always publicized to considerable extent the worthiness of the humanitarian organization which is The American Red Cross, as well as all other similar organizations and activities. This statement is true of newspapers generally.

Because the work of The Red Cross is important, necessary, and indispensable in its field, we believe that support of the organization's annual Finance Campaign is equally important, necessary, and indispensable.

Evidence that this belief is shared by a majority of Haskell's business and professional leaders is apparent in this issue of The Free Press calling attention to The Red Cross Roll Call and sponsored by 88 firms and individuals.

We would not have it appear that only these sponsors endorse and support The Red Cross Finance Campaign. We believe the vast majority of Haskell people approve and will demonstrate their support by giving generously during the campaign.

But the sponsors of this advertising message supporting the campaign will be due an additional measure of credit for their role in the success of the fund drive.

This statement is borne out by the National Advertising Council, an organization of the nation's leading business men who work in behalf of the public on national drives and movements, and who declare the sponsored advertising has proven its worth many times over. This refutes the attitude of a few individuals who would discredit the sponsored message of The Red Cross Finance Campaign because of the fancied advertising profit which might result to the newspaper.

We would like to point out that from no other source than legitimate profits can any business concern, professional man, or individual for that matter, give support to his church, The Red Cross, March of Dimes, or any other worthwhile organization or movement.

To make the criticism still more inconsistent, some of these same individuals have on occasions eagerly sought and willingly paid for newspaper publicity to advance their personal ambitions or business enterprises.

Showers Bring .20 Inch of Moisture Early Saturday

Hard showers preceding a cold blast around midnight Friday brought almost one-fourth of an inch of moisture here, while showers were reported generally over most of this section.

Precipitation here was measured at two-tenths of an inch on the gauge at the City Hall. Heavier showers were reported in some areas southeast of town, where water was left standing above terraces and in bar ditches in some places.

Moisture received here boosted the February total to exactly one inch, and total for the year to date to 2.10 inches. Normal precipitation in February in this immediate vicinity is 1.09 inches.

CHURCH OF CHRIST

(Over 1900 years old)
Bible School 9:45, Classes for all ages.

Worship 10:45.
Sermon subject: "Pilate's Problem."

Evening worship, 6:30.
Sermon subject, "The Blood of Christ."

"We walk by faith and not by sight" Paul said in the second Corinthian letter, the fifth chapter and the seventh verse.

It is our nature to prefer to walk by sight. But in order to be pleasing to God we must walk by faith. To walk by faith we must do what God says to do the way God says to do it. This is sometimes a severe test of our faith. When Jesus said "He that believeth and is baptized shall be saved," it is sometimes hard for us to understand how baptism has anything to do with our salvation but that is what Jesus said and it is up to us to "Walk by Faith" and take Him at His word. We are commanded to "Sing and make melody in our hearts" and when we do this we are "Walking by Faith." To go beyond this and do what the New Testament does not authorize is to "Walk by Sight." "Whatsoever is not of Faith is sin."

The beautiful Bel Air Sport Coupe with Body by Fisher

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher priced cars. If you demanded something extra in driving fun... something really special in the way a car handled and felt and responded to your wishes... you simply had to pay a premium to get it.

Not any more! The Motoramic Chevrolet for 1955 has changed all that. In fact, it's stealing the thunder from the high-priced cars on their own home-grounds-out on the highway.

Talk about excitement! You have 162 high-compression horsepower under the hood with the new "Turbo-Fire V8" (180 h.p. is optional at extra cost in all V8 models if you want it.) Or you can take your pick of two new "Blue-Flame" 6's—the hottest, highest powered sixes in the low-price field! Any one of these three engines brings you all the good things that come from Chevrolet's long leadership in valve-in-head design.

As for drives, just name it. Chevrolet offers new Overdrive, Super-Smooth Powerglide (extra-cost options), or a new and finer Synchro-Mesh transmission.

You're headed for fun in the Motoramic Chevrolet! You're headed for a ride such as you'd expect only in highest priced cars. You're headed for "heads up" stopping, too, and easier steering. All this, with Chevrolet's traditional economy. Come in and put this "show car" on the road!

ENLISTS IN NAVY

Billy Wayne Alexander of Weinert volunteered for the Navy for 4 years, Monday, Feb. 14. He has been stationed at San Diego, Calif. Billy Wayne is the son of Mr. and Mrs. Leonard Alexander of Weinert.

Mrs. Chamberlin -

(Continued from Page 1) miles away, and he and Mr. Hager were spraying livestock on the Hager place and had planned to work Chamberlain's livestock later in the day.

Relatives had been concerned about Mrs. Chamberlin's health for several months, but had not been able to prevail upon her to consult a physician. In recent weeks she had appeared in better health, however.

R. E. Speer, supervisor in the local Welfare Office, said that Mrs. Chamberlin worked Monday, and apparently was in normal health and spirits. The office was closed Tuesday for a legal holiday for all workers in the office, Speer said.

Mr. and Mrs. Chamberlin had moved to their farm home early in December. The small residence is located at the site of the old Vontress school, approximately 13 miles northeast of Haskell.

Before moving there, the couple had made their home in Haskell for several years, and Mrs. Chamberlin had been employed during that time as secretary in the Haskell County Welfare office.

Mr. Chamberlin, prominent young farmer and Army veteran of World War II, has been engaged in farming and stock-raising since his discharge from the service. He had continued operating his farm in the Mattson, or old Vontress community, while they lived in Haskell. The couple had no children.

Mr. and Mrs. Chamberlin were married Jan. 4, 1945, at Pampa, Texas, while he was in the armed forces. They moved to Haskell after his discharge from the service.

Mrs. Chamberlin was the former Margaret Bench, born August 23, 1922, at Round Timbers, in Baylor County, the daughter of Mr. and Mrs. George E. Bench. The family later moved to Plainview, and she graduated from Plainview High School in 1941. She also attended and graduated from Watson Business College in Plainview. She had been a member of the Church of Christ since the age of 16.

She is survived by her husband, of Haskell; her parents, Mr. and Mrs. G. E. Bench, and a brother, Billy, all of Plainview; her paternal grandmother, Mrs. Bench, of Amherst; and maternal grandmother, Mrs. Pat Blankenship, of Seymour.

World's best truck buys! Here's proof-

POWER proved by Pikes Peak climb! Dodge V-8 pick-up, AAA-supervised, climbed Pikes Peak in 20 minutes, 46.8 seconds... unheard of time for trucks, only a few seconds over the passenger car record.

ECONOMY proved with over 22 miles per gallon average in 714-mile economy run! 22 miles per gallon, carrying 500 lbs. of payload, using regular gas! That's the average of a Dodge Power-Dome pick-up in a 714-mile, AAA-supervised Economy Run!

Added proof of a better deal for the man at the wheel with...
