Youth Development Program Directors Discuss Plans for Summer Activities

Board members of the Youth Development Program met Friday night in the Chamber of Commerce office to discuss plans for the program of activities during spring and summer.

It was announced by T. O. McClung, director of the program, that uniforms for the baseball teams were to be provided by the following merchants: Kennedy Lumber Co., Benson Auto Supply, Anderson Construction Co., Piggly Wiggly, Sherman Floor Co.

1500 Singers on Hand Sunday for Annual Program

An estimated 1500 singers and music lovers, including several quartets from Wichita Falls, Fort Worth and other points, gathered here for the annual all-day program of the Haskell County Singing Convention here Sunday.

The crowd, which overflowed the American Legion auditorium where the yearly program is held, was easily the largest in recent years, sponsors of the convention said.

Talent Show at Paint Creek Friday Night

A Talent Show will be presented at Paint Creek school Friday night, April 29 beginning at 8 o'clock, sponsored by the Senior Class. Cash prizes will be given first, second and third place winners.

Postal Regulation Now Being Enforced Requires Complete Address of Patrons

Magazine and newspaper subscribers who have noticed the address label clipped or torn from the publication recently, can blame it on a regulation of the Post Office Department requiring that the label carry the full, correct address of the person for whom the publication is intended.

Actually, the regulation sets out that magazines or other publications with an incomplete address shall not be delivered. However, Postmaster Harold Spain said that every effort is being made to see that mailings reach patrons.

Motor Service Will Move to Smitty's Annex Building

In order to secure additional room needed for expansion of facilities, Motor Service automobile and truck repair shop will move this week to Smitty's Annex Building, E. J. Stewart, owner and operator of the establishment has announced.

Youth Development buttons will be sold to help create community interest in the program. All proceeds from this sale will go toward purchasing equipment and supplies. This will be the only project for raising funds for the support of the organization, and will make it unnecessary to charge admission at the baseball games.

Activities for girls were discussed, and a girl's baseball team and a volleyball team will be formed if enough are interested. Tennis, badminton, basketball were also mentioned in this connection. Also, women who are interested in working with this phase of the program are urged to volunteer their services.

The following officers were re-elected: T. B. Roberson, president; Carl Wheatley, vice president; Mrs. Ed Hester, secretary; Wallace Cox Jr., was elected treasurer and Mrs. Bill Lawson, reporter.

Church of Christ Plans Vacation Bible School

Announcement was made this week of a Vacation Bible School at the Church of Christ in Haskell the first two weeks in June. The church in Weirnet is to participate in the school, too.

Fred Custis, minister of the church in Haskell said that Damon Smith, minister of Weirnet and others will take part in teaching and administration of the school, and that the school will be attended by children from Weirnet.

S & R Butane Co. Opened Here By Tom B. Roberson

Tom B. Roberson of this city has announced the opening of the S & R Butane Company, which is operated in connection with his Magnolia wholesale agency here.

Postal Regulation Now Being Enforced Requires Complete Address of Patrons

Magazine and newspaper subscribers who have noticed the address label clipped or torn from the publication recently, can blame it on a regulation of the Post Office Department requiring that the label carry the full, correct address of the person for whom the publication is intended.

Actually, the regulation sets out that magazines or other publications with an incomplete address shall not be delivered. However, Postmaster Harold Spain said that every effort is being made to see that mailings reach patrons.

Motor Service Will Move to Smitty's Annex Building

In order to secure additional room needed for expansion of facilities, Motor Service automobile and truck repair shop will move this week to Smitty's Annex Building, E. J. Stewart, owner and operator of the establishment has announced.

Pictured here, at left, is Ensign Billy Charles Matthews of Haskell, wearing the wings of a Naval Aviator and holding his commission as Ensign in NATC, presented the young flier March 30, 1955, at Pensacola, Florida. Standing with Ensign Matthews is Mrs. Frank Barich of Anaconda, Mont., mother of the young aviator's buddy and who pinned the coveted aviator's wings on Matthews when he was commissioned. C of C Membership Breakfast Tuesday Marks Texas C-C Week

The week of May 1-7 has been proclaimed as Chamber of Commerce Week for the State of Texas in recognition of the unselfish work that civic minded citizens are doing in encouraging the growth of their particular communities. This cooperation has done much to increase the industrial development of Texas in addition to countless other projects which have been brought to completion through the efforts of members of chambers of commerce in the State.

In observing Texas Chamber of Commerce Week, the local organization has planned a membership breakfast meeting which will be held at the Highway Drive Inn Cafe at 7 a. m. Tuesday, May 3rd.

This will be the first such meeting of a planned series through the year and all members are encouraged to make special efforts to attend and take part in the discussion of the op-

eration of the local chamber of commerce and to make any suggestions they desire. It is felt by officers and directors of the organization that much good can be accomplished by such meetings which give the membership the opportunity and privilege of offering suggestions as to projects which should be given special attention and cooperation.

"The chamber of commerce is your organization and its success or failure can be measured by the amount of interest and cooperation you show in the endeavors to create a better place to live and do business," Wallace H. Cox, Jr., president of the organization, pointed out. Tickets for the breakfast meeting will be 50 cents each and can be purchased from committee men appointed to contact the membership the latter part of the week, or at the chamber of commerce office.

200 Children in Elementary School To Present May Fete Friday Evening

The coming of May is to be celebrated in all its color and beauty Friday evening, April 29th at 8 p. m. on Indian Football Field. There will be a full evening's entertainment present-

Film Portrays U.S. Army's Newest Weapons

The U. S. Army's readiness for immediate retaliation against possible communist aggression anywhere in the world is illustrated dramatically in the new color documentary motion picture, "This Is Your Army."

Film on Family Altar to be Shown at First Baptist

May 1-8 is Christian Home Week in Southern Baptist Churches, the Rev. Sid Davis, associate pastor of the First Baptist Church has announced. In connection with observance of the special week, the Haskell First Baptist Church will feature a film, "The Bible on the Table," showing the value of the family altar in the home. This film will be shown at the close of Training Union at 8:00 Sunday evening.

Firemen to Decorate Business Section For Roundup Week

In preparation for the coming Rice Springs Roundup, members of the Haskell Fire Department, at their meeting Monday night, made plans for decorating the business section and concerns in outlying industrial areas for the entire week of May 8 through 15.

Rural Phone Project, Rate Schedule, Still Undecided

A prospective rural telephone project and a request for new rate schedule for telephone service in Haskell remained in the discussion stage following a meeting of the City Council Tuesday night.

Next round of discussions toward working out some agreement on the rural proposal and rate schedule will come at the regular meeting of the Council May 10. The proposition had been deferred from a previous meeting to permit more thorough study of the proposal and telephone

Billy C. Matthews Given Commission As Navy Flier

A commission as Ensign, N. A. T. C., and the wings of a naval aviator were presented to Billy Charles Matthews of this city in ceremonies March 30, 1955, at Pensacola, Fla., marking the successful completion of his training in the Navy Air Force.

The young Navy officer is the son of Mr. and Mrs. Chas. Matthews of Haskell and is a graduate of Haskell High School and North Texas State College, Denton.

He entered the Naval Air Force in October, 1953, and received his training at Navy Air Force Bases in Alabama, Florida, and Corpus Christi.

Revival Will Begin Sunday at First Presbyterian

Dr. L. L. McCutchen of Dallas, where he is pastor of Wynwood Presbyterian Church, will bring a series of messages during a revival meeting at the First Presbyterian Church in this city.

Saddle Tramps to Have Chuck Wagon Supper Monday

Once-a-month chuck wagon supper of the Saddle Tramp riding club will be held Monday evening, May 2 at the rodeo building.

Polio Vaccine Shots Have Been Given To All First and Second Graders

The first of a series of three Salk polio shots have been given all pupils in the first and second grades in Haskell County schools, with the exception of seven children who were ill, according to Mrs. W. P. Trice, county school nurse.

Goree Baptist To Host Haskell-Knox Association

Churches of the Haskell-Knox Association will meet at the Goree Baptist Church Thursday, April 28. Board meetings will be held at 5:00 with supper by the host church at 6:00 and program to follow.

Motor Service Will Move to Smitty's Annex Building

In order to secure additional room needed for expansion of facilities, Motor Service automobile and truck repair shop will move this week to Smitty's Annex Building, E. J. Stewart, owner and operator of the establishment has announced.

company representatives had advised city officials they would be glad to meet with the Council at any time to discuss the project.

Meeting at 7:15 p. m., Councilmen spent more than an hour in discussing the telephone rate increase and the rural expansion project. Then Aldermen decided that further information concerning factors involved in a rate increase, as well as the proposed expansion, was needed before taking any definite action.

Representatives of the General Telephone Company of the Southwest, including Don Mortimore, district manager; Mills Roberts, Mac McCrum, and Bill Emsoff were invited to join the Council session for a discussion of the proposal.

Following considerable discussion, Alderman Carl Anderson offered the session's only suggestion to receive concrete action. Anderson pointed out that the Paint Creek, Park, and Power

Indians Defeat Colorado City Tuesday, 14-10

Playing a big league brand of baseball at times, particularly in the second when a sizzling triple play retired their opponents, the Haskell Indians defeated Colorado City 14-10, Tuesday afternoon in that city.

Friday, the Indians go to Merkel for their second encounter with the 5-A foes. They defeated Merkel here 9-5 last week. Next home game for the Indians will be Tuesday, May 3, when they host Rotan at Fair Park.

Tuesday's win evened the standing between the two teams, Colorado City having handed the Tribe a stinging 27-7 defeat in a previous game.

Coach T. O. McClung used 13 men from the playing roster in Tuesday's game and the Indians were able to handle Colorado City's offerings, with John Holt and Glenn Kreger rapping out circuit clouts, Kreger scoring two men ahead of him with his homer. Leading hitters for the Indians were Jossilet with 3 for 5, including a double, Rexrode 2 for 5, Jim Byrd 3 for 4, including a double, and Frankie Mullins 2 for 3.

The Tribe's hitting power was primarily responsible for the win, with Indian moundsman Rob Starr allowing 9 hits and garnering four strikeouts. Errors were costly to the Tribe, accounting for six Colorado City tallies.

Starr worked until the 6th, when Jerry Larned took over mound duties to finish the game. In the second inning, with the bases loaded and a 3-2 count, Starr struck out the batter. Larned, catcher, tagged the runner coming in from third, fired to first and McGary relayed the ball to second for the third out retiring the side. Incidentally, this was the Indian's second triple play of the season.

Batteries for the Indians were Starr and Larned. For Colorado City, Drew Forester, Bob Williams and Don Cawthron. In batting order: Jossilet, ss; Rexrode, cf; Byrd, lf; McGary, 1b; Starr, p; Larned, c; Holt, 3b; Mullins, 2b; Baccus, rf. Kreger went in for McGary in the 5th; Strickland and Frierson for Baccus and Byrd in the 7th.

Several businessmen attended the final stages of the Council session, after returning from Rule where they attended the annual banquet of the Rule Chamber of Commerce. In the group were Wallace Cox, Jr., Rex Felker, Jerry Clare and J. M. Crawford.

Also present at the Tuesday night meeting was C. O. Holt, chief engineer at the West Texas Utilities Company's Paint Creek power station. His company, which employs 22 Haskell people at the plant, is vitally interested in telephone service to this city, he told the group. His interest in the proposed rural project was on the basis of its probable relation to making that service possible, Holt explained.

Additional information requested by the Council, along with the revised estimate on the smaller rural project, will be furnished the Council at its next regular meeting May 10, it was indicated.

A counter proposal on the local rate schedule, which had been explained by Mayor Courtney Hunt to members of the Lions Club at its meeting Tuesday, was discussed by Council members. Then it was shelved in favor of a further study of any proposals which might result from Alderman Anderson's suggestion for a revamped program.

Copies of the annual City Audit, covering the fiscal year ending March 31, 1955, were presented the Aldermen for examination and study. The audit was made by Travis Lee, Munday accountant, and after its approval and acceptance will become a part of the official records of the city.

Mayor Hunt, discussing the audit briefly, said that the city operations for the fiscal year would show a profit of approximately \$21,000. When the audit is approved by the Council copies will be available at the City Hall for inspection by any interested citizen.

Plant area southeast of town was the major area where telephone service was needed at the present time. He asked that an estimate be made by the telephone company on a project for that area, and figures indicating the Paint Creek program's effect on the contemplated rate schedule.

This suggestion met with approval of Council members and telephone officials, who expressed their willingness to try and work out estimates of this nature for submission to the Council. Throughout the meeting telephone company officials reiterated their willingness to work with the Council and furnish any information desired to the end that a definite agreement could be reached on the rural project and an acceptable rate schedule.

Additional information requested by the Council, along with the revised estimate on the smaller rural project, will be furnished the Council at its next regular meeting May 10, it was indicated.

A counter proposal on the local rate schedule, which had been explained by Mayor Courtney Hunt to members of the Lions Club at its meeting Tuesday, was discussed by Council members. Then it was shelved in favor of a further study of any proposals which might result from Alderman Anderson's suggestion for a revamped program.

Mayor Hunt, discussing the audit briefly, said that the city operations for the fiscal year would show a profit of approximately \$21,000. When the audit is approved by the Council copies will be available at the City Hall for inspection by any interested citizen.

Other business coming before the Council included a report by Alderman Brooks Middleton concerning the condition of the police department's patrol car. At the suggestion of Mayor Hunt, the matter was referred to Middleton, who is Police Commissioner, and J. E. Walling, Jr., Finance Commissioner.

Appearing before the Council was W. P. Trice, Haskell grocer and hatchery operator. Trice has appeared before the Council a number of times concerning the location of streets in the north-west part of town where he owns property. He explained that since the Highway Department was preparing to have construction started on a F-M road adjacent to the north city limits, he would like to have the city agree to have a highway department engineer make a survey which would permanently determine exact location of the streets.

Mayor Hunt explained that since the Council anticipated a possible lengthy session on the telephone proposition, that the body would appreciate Trice holding up his request and bring it before the Council at a more convenient time. Trice readily agreed to this suggestion.

Several businessmen attended the final stages of the Council session, after returning from Rule where they attended the annual banquet of the Rule Chamber of Commerce. In the group were Wallace Cox, Jr., Rex Felker, Jerry Clare and J. M. Crawford.

Haskell County History

20 Years Ago—April 25, 1915

Miss Mary Frances Collier, a student at ACC, Abilene, spent Easter Sunday with her parents, Mr. and Mrs. J. L. Collier.

Sixteen Haskell County boys left by train Monday for Holman, Ariz., where they will be stationed in one of the government's CCC camps. The full county quota was mustered. Boys accepted were Grady P. Land, J. E. Clanton, T. C. Stewart, Doc Henshaw, Henry Ivy, Wayne Coburn, B. W. Wright, Haskell; Terrell Taylor, Bob Rich, Willard Warren, Lee Crawford, Weinert; Marvin Goodson, Elmer Giddings, Rochester; Allan Williams, Rule; DeWitt Wallace and Edgar Bradley, Sagerton.

Mrs. Nina Young, teacher of domestic science in Haskell High School, and four of her students left Wednesday morning for Corpus Christi to attend a state rally of homemakers. Geraldine Conner, Frankie Dorris Bledsoe, Frances Fouts and Marina Post were selected to make the trip.

Rob Simmons, a student in Howard Payne College, Brownwood, spent the week end here with his father, Frank Simmons.

Mr. and Mrs. Dave Hughes of Graham have been visiting friends in Haskell the past few days. They are pioneers of this county, having lived here many years before moving to Graham 16 years ago.

The people of the Roberts community northeast of Haskell were greatly surprised Sunday morning when they discovered that the lantern belonging to the church was missing, along with window shades for the building. They have no idea who the miscreant was who would take the items, but find it hard to believe that it was a theft.

Miss Mary Couch of Munday was here over the week end to visit her parents, Mr. and Mrs. R. C. Couch, Sr. Calvin Frierson, Byron Frierson, Miss Willie Bell Frierson

and Miss Mollie Hester went to Cisco Tuesday as a committee from the Presbyterian Church here to select a location for a cabin on the new Presbyterian encampment grounds.

Several aliens who illegally entered the United States and who have been living in this county, now face deportation. Two U. S. immigration officers, Richard L. Martin and D. L. Knight, who are stationed at San Angelo, were in Haskell Tuesday and took one person in custody, and again Wednesday night, when another alien was apprehended.

30 Years Ago—April 24, 1925

Mr. and Mrs. Ernest Grissom of Abilene spent Sunday with relatives and friends here.

At a recent meeting of the City Council, R. V. Robertson, who has been serving as Fire Chief for 10 years, tendered his resignation. The Council, on the recommendation of members of the fire department, named George B. Fields as Robertson's successor as Chief.

The April term of the District Court will convene Monday with Judge Bruce W. Bryant presiding. Although the number of cases on the criminal docket is not unusually large, there are four murder cases scheduled for trial during the term. One of the cases was transferred here from Wichita Falls, and involves a prominent woman of that city charged with killing her son-in-law.

Two men held on minor felony charges, escaped from the county jail Friday night. They climbed over the death cell and made their way to the third floor, where they tore a steel screen from a window and let themselves down to the ground on a rope made of quilts. Sheriff Turnbow recaptured one of the men Saturday afternoon, hiding in a thicket south of town. He told the officer he was waiting to catch the next freight train that came through. The second man is still at large.

Jerome Sanders spent last week end in Abilene, visiting with Charles Brasher. Mr. and Mrs. R. C. Montgomery and Bud Rike spent Tuesday on the creek fishing.

Mrs. J. L. Southern is visiting friends in Memphis and other points this week.

G. T. Scales and Abdon Holt, who have been connected with the West Texas Utilities Company, have moved to Lubbock. They are putting in a new ice plant in that city and will make their future home there.

Work was started last week on the new bakery for this city which is being installed in the old post office building on the south side. Oscar Harcrow, a well known baker who has been in the baking business in Rule and Rochester, is putting in the new enterprise.

50 Years Ago—April 29, 1905

W. F. Tompkins was in town and said he had been fishing with no success, but that he found a fine mule colt to his credit when he got home. He has a bale of cotton picked since January first and claims the honors for the first 1905 bale.

John Taylor of King County was in Haskell Thursday. We understand he is a cattle buyer. Henry Free of the east side was in town Tuesday. A few days before he sold and delivered Two County History appeared in town a load of very fine millet from his last year's crop. He says he has brought over from his last year's crop five to seven thousand bundles of milo maize, sorghum and Millet.

Messrs. Burwell Cox, J. E. Jones and T. B. Russell have purchased the interest of Levi McCollum in the hardware, implement and furniture business of McCollum & Cason and will continue the business under the firm name of Cason, Cox & Co. We understand that considerable new capital will be put into the business, enabling the firm to make their present lines more complete and also to add new lines, one of which will be a complete stock of wagons and buggies.

J. R. Jeter, one of the pioneer settlers in Haskell County, was in town Wednesday and said that he was rejoicing over the news that Haskell was finally going to get a railroad.

Whitt Williams was in town Saturday and placed a notice in the paper about some stray horses. He is anxious to locate the animals, and will appreciate any information concerning them.

A. H. Bryant of the Marcy neighborhood was in town Tuesday. He says that corn and feed crops out his way are doing fine, but he fears that much of the cotton will have to be planted over, as only a poor stand has shown up.

Weather Long has returned from Fort Worth, where he has been attending a business school. The little town of Carney on

the Orient is booming. A new business house has just been completed and more will be built as soon as materials can be placed on the ground.

Vernon Makes Plans For Record Crowd At Annual Roundup

Vernon, Texas—final arrangements have been completed for the 1935 Santa Rosa Roundup and Quarter Horse show, scheduled here May 9-14, and from all indications this year's show will "top them all," according to John Biggs, general manager. All specialty performances will be new, and thrills galore are in store for rodeo lovers of this section.

This year's show, as in the past, will be all evening performances. The rodeo will be produced again by the Beutler Bros. of Elk City, Okla., and reports from them indicate there will be a fresh, snorting assortment of wild stock.

The new line-up of specialty acts will feature stunts by Wilbur Plaugher, rodeo clown from Prather, Calif., who needs no introduction to Santa Rosa audiences; Jay Sisler of Emmett, Idaho, and his Australian shepherd dogs, Stub and Snorty; and the Lane Trio, three "tumbling" beauties from Vancouver, Wash.

DEAD ON YOUR FEET?

*These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B₁, B₂, and B₆ is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

Special Formula supplies iron you may need for Rich Red Blood

Do you feel run-down, nervous or depressed? Lost your appetite—constipated—bothered by digestive upset? You may be suffering from iron-and-vitamin starvation over a prolonged period. BEXEL, the Special High-Potency Formula supplies supplementary quantities of iron for rich red blood and quick vitalizing energy. Each BEXEL capsule gives you 5 times the daily minimum requirements of blood-building iron; more than the daily minimum of all essential B-vitamins; plus Vitamin B₁₂ and trace minerals. Get wonderful new pep and energy with BEXEL—now available at all drug stores.

HOTTEST-SELLING BUICK IN HISTORY

No wonder you see so many '35 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

COME ON IN— the price is fine!

Less than some models of the well-known smaller cars!

UNLESS we miss our guess, a lot of surprised people are going to do some new back-of-an-envelope arithmetic when they see the low delivered price of the Buick shown here...

Because we know that many folks still don't realize how little a Buick really costs—that the dollar difference between this big Buick SPECIAL and the leading smaller cars has virtually disappeared.

Buick Sales Are Soaring As Never Before

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today—and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring popularity is Buick's full line of automobiles, giving you a choice in any price class—the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

But above all, more and more people are discovering that the price you pay for a Buick buys more sheer automobile than the same money buys elsewhere.

More advanced styling, more deep-down comfort, more pure power thrill, more ride steadiness and handling ease and solidity of structure.

More spectacular performance, too, from the modest extra cost of Buick's automatic transmission.

For here you get Variable Pitch Dynaflo†—the new wonder drive born of modern aeronautics to give you instant full-power getaway and acceleration when needed—and far better gas mileage when cruising.

Why not come see us this week, for sure? We'll be happy to have you test-pilot a new Buick, just for the sheer thrill of it—and show you quite clearly that if you can afford any new car, you can afford a Buick.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

Wanda Lafoon Home From Gonzales Warm Springs

Ten-year-old Wanda Lafoon, one of Haskell County's attractive young citizens and daughter of Mr. and Mrs. A. J. Lafoon of 1014 North Sixth St., Haskell, has returned home after being a patient at Gonzales Warm Springs Foundation for a period of time.

Wanda was referred to the Gonzales hospital of physical medicine and rehabilitation following a siege of polio suffered during the summer of 1954 and has undergone an extensive series of treatments in an effort to overcome the handicaps wrought by this disease. A program of treatment has been set for Wanda's use while she is at home.

Spring Is Here But Activities Continue in the Elementary School

(Special)

A few complaints and much conversation about the heat and a big increase in the popularity of the soft drink machines are evidence enough that Spring has arrived. With the installation of a Frigidaire cooler in the office, we now boast of two cool places in the building, that and the cafeteria. We are very proud of these air conditioners and know that it is a mark of progress for our school. The boys and girls will not even hesitate now when they are summoned to the office.

Even with the heat, there is much energy and enthusiasm among the students. You should observe them as they play ball. We have some good baseball teams. As one room competes with another, enthusiasm really soars.

As one looks around they soon see that it is not all play since spring has arrived. There is a large group of boys and girls working diligently out in the hot sun going through folk games, songs, Maypole dances, and dramatizations, hoping to give you some worthwhile entertainment when they present the May Fete. Those who merely see the show have no idea of the hours of work and preparation which go on during previous weeks of practice. These 200 little people are to be complimented for their patience and endurance.

The urge to finger paint has gone from the first through the fifth grades. Everyone saw a good film on finger painting and it was just the proper incentive. Some very good results were obtained. We hope the mothers were not too unhappy about the soiled clothes for the children thoroughly enjoyed the activity.

Along with the daily routine, the first and fourth grade teachers gave mental maturity tests and checked the results. These were discussed with the first grade parents when they came for parent-teacher conferences which were held on Wednesday, Thursday and Friday afternoons throughout the first three grades. It is a wonderful experience to have more than two hundred parents come to school and discuss their child's progress, his problems and developments with the teacher. If accepted in the right way, both adults are more capable of helping the individual child. The school personnel feels very appreciative toward the majority of the parents for their splendid cooperation in this relatively new phase of the school program, as it has proven very successful because of the fine cooperation.

The first and second grade children were given their first inoculations against polio Thursday morning. Only a very small per cent failed to take advantage of this opportunity. A big hand goes out to Mrs. Trice, Dr. Cadenhead and Mrs. Buster Gholson, who administered the giving of the shots and to the following patrons who assisted in this very worthy cause: Mary Holden, Odell Bynum, Anna Bess Cobb, Ella Bell Burson and Mrs. Gene Dunlap who passed out suckers as favors of the West Texas Utilities Company. The

Indians Defeat Merkel 9-5 Here Thursday Night

Playing an improved brand of ball as a result of early-season games, the HHS Indians defeated Merkel 9-5 in high school conference baseball Thursday night at Fair Park field.

David Josselet and Jimmy Byrd led the Indians hitting attack with Josselet setting the pattern with a three-base clout in the initial inning, and Byrd was credited with batting in three in the sixth. A single by Jerry Larned in the second scored two men.

Larned went all the way on the mound for the Indians, holding the visitors to three hits, allowing five walks, and striking out 13. Bobby Rexrode was receiver.

For Merkel, Robert McCloud worked on the mound six innings, gave up four hits and was credited with five strike-outs. Barney Scott, relief twirler in the seventh, gave up five bases on balls, and hit two Indian batters. Gail O'Brien worked behind the plate for Merkel.

Score by innings:
 Haskell 1221030

Area Soldier Will Take Part in Huge Army Maneuver

Fort Lewis, Wash.—Sgt. Jimmy L. Jacobs, 23, son of Scott Jacobs, Route 1, Throckmorton, is among 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Yakima Firing Center, Wash.

Apple Jack will test the efficiency of infantry and support units in the mountainous and desert terrain. The simulated use of atomic weapons will be one of the conditions of the exercise.

Sergeant Jacobs, veteran of Korean duty, is a radio chief in the 2nd Infantry Division's 9th Regiment at Fort Lewis, Wash. He entered the Army in May 1952 and completed basic training at Camp Roberts, Calif.

His wife, Delores, lives in Tacoma, Wash.

Hauser's Attend Druggists Meet At San Angelo

Mr. and Mrs. George H. Hauser, Jr., represented the Haskell Pharmacy at the San Angelo meeting of the West Texas Pharmaceutical Association held at the Cactus Hotel April 20-21. Highlight of the meeting was the lecture on the dispensing of the new miracle drugs now being introduced into the world of medicine.

Delco Batteries and Service

A Tribute . . . To Mothers!

Abraham Lincoln said, "All that I am, or ever can be, I owe to my mother". And that, we think, sums up what all of us think about our mothers. It isn't only on Mother's Day that we should revere the name and memory of Mother. Every minute of every day we should unstintingly show our love and endeavor to make her life easier and happier. If your Mother has passed on, show that her memory still lives in your heart. Visit the cemetery frequently and lay lovely living flowers on the sacred spot where she sleeps forever. This will be a token payment of all she did for you.

Thirty-nine per cent of the deaths and 35 per cent of the injuries due to motor vehicle accidents last year occurred on Saturdays and Sundays.

Twenty-four per cent of all drivers involved in fatal auto accidents in the U. S. last year were under 25 years old.

The French Embassy in Austin, Texas, is the only building ever constructed on American soil by a foreign government.

BRIEFLY TOLD NEWS

ABOUT PEOPLE YOU KNOW

Jetty V. Clare and chamber of commerce manager Rex Felker, representing the Saddle Tramp riding club, visited a number of area towns Friday afternoon distributing advertising matter and boosting the coming Rice Springs Roundup, sponsored by the riding club. This year's show will be held May 12-13-14, and the event is already attracting wide interest, the two boosters reported. They visited Rule, Rochester, O'Brien, Knox City, Munday, Seymour and Weiner Friday afternoon and said that interest in the Haskell show was evident at all places they visited.

Visitors in Haskell Saturday were Mr and Mrs. C. E. Terrell of Birmingham, Ala., and they commented that they now were well acquainted with West Texas dust storms. However, Mr. Terrell had experienced West Texas weather as a boy. He is the son of the late Dr. and Mrs. Caleb Terrell, early residents here and Dr. Terrell will be remembered by many old timers as a prominent Haskell druggist, whose store was located on what is now site of Jones Cox & Company furniture department. C. E., or "Charlie" as he is remembered by boyhood friends, is now with the Southern Natural Gas Company in Birmingham.

He and Mrs. Terrell were returning home after visiting in Oklahoma City, Okla., and Post, Texas, and were to go from here to Dallas to visit his sister there before returning to Birmingham.

Mr. and Mrs. O. L. (Jack) Johnson of Lubbock spent the week end here with friends. Former residents here, they say the entire area from Haskell to Lubbock has been in the range of the recent severe dust storms.

Mr. and Mrs. T. A. Tate spent Sunday with relatives in Cross Plains and Rising Star.

Rachel Stubbfield, Becky Busby, J. E. Solomon, and Mrs. Clara Busby accompanied Mrs. Busby's daughter, Mrs. Fred McCright of Anson, to Denton Saturday and on to Gamesville Sunday where they attended the annual Josslet-Hugon family reunion held in that city.

Mr and Mrs. Hardy Moody of Abilene were visitors Sunday in the home of her mother, Mrs. Lura Sellers and with other relatives and friends here and attended the annual County Singing Convention.

Mr. and Mrs. Walter Gresham spent Sunday in Winters, where they visited in the home of his mother, Mrs. Ella Gresham.

Mr. and Mrs. Stanley Furrh spent last week end in Corpus Christi, visiting in the home of

their daughter and son-in-law, Mr. and Mrs. Davis Porterfield. Mr. and Mrs. Guy Collins and little daughter Julie, spent Sunday and Monday in Adrain, Texas, visiting in the home of Mr. and Mrs. Jim Perrin and children. Mrs. Perrin is the former Nancy Collins of this city.

Miss Billie Dove Furrh and Mrs. W. B. Keys of Fort Worth spent several days this week visiting in the home of Mr. and Mrs. Stanley Furrh and with other relatives and friends here and at Weinert.

Visiting in the home of Mr. and Mrs. Sid Davis in this city for several days is Mrs. Fred Faver of Buckeye, Ariz. Mrs. Faver is the mother of Mrs. Davis. She flew with friends in a private plane Monday afternoon, and was met by Mr. and Mrs. Davis at the Paint Creek Power Plant landing strip.

Mr. and Mrs. Chas. M. Conner are spending the week in Durango, Colo., where they are visiting in the home of their daughter and family, Mr. and Mrs. W. R. Lam.

More...

Brownsville, Texas, is the only city in the United States that ever had an ordinance prohibiting camels on main street.

There are exactly 100 varieties of cacti.

Rat Poison, Found While Playing, Fatal To Grandchildren of Haskell Woman

Two grandchildren of Mrs. Opal Miller of this city died in Breckenridge last week end, after eating part of the contents of a tube of rat poison they found while playing.

The children were Mary Lee Salsman, 6, who died Saturday night; and her brother, John Allen Salsman, Jr., 4, who died Sunday morning.

They were children of Mr. and Mrs. Frank Herpeche of Breckenridge. The little girl died at home and the little boy at Breckenridge Clinic Hospital.

Funeral rites for the two children were held at 10 a. m. Tuesday in the First Baptist Church of Breckenridge with Rev. Robert Thomas officiating. Burial was in Breckenridge Cemetery.

The parents gave this account of the tragedy: The children, while playing in their back yard Saturday afternoon found a tube of rat poison which they consumed. After play, they went into the house feeling ill.

Mary Lee had a high temperature and cough. Finally she dropped off into a feverish sleep. The boy, however, became violently ill and vomited. The parents then called a physician.

He pronounced the girl dead at 9:45 p. m. Saturday and sent John Allen to the hospital, where he died at 7 a. m. Sunday. In the yard near their play-

things, the parents found the tube of poison with just a bit left.

Both children were born in Oklahoma City. They are survived by their mother, and step-father; their father, John A. Salsman of Stamford; a sister, Loreta Ann Salsman; a half-brother, Lucky Lee Herpeche; and grandmothers, Mrs. Opal Miller of Haskell and Mrs. Kate Salsman of Anson.

Methodist Women Meet Monday For Monthly Luncheon

The Woman's Society of Christian Service met in Fellowship Hall Monday, April 25, at 1 o'clock for the monthly luncheon. A choral invocation was sung by the group. After the luncheon, Mrs. Hudson Pitman gave a report of the district meeting which was held in Seymour. The group went into the sanctuary for the program with Mrs. D. H. Persons conducting. A lovely worship center had been arranged and the hymn, "Holy, Holy, Holy" was sung. A special guest for the day was Miss Maybelle Taylor. The speaker of the afternoon was Mrs. George Corse of Graham, an ordained Methodist minister. Mrs. A. H. Wair of Graham introduced the guest speaker. Mrs. Corse is a graduate of Southwestern University, S. M.

U's Perkins School of Theology, and Scarritt College in Nashville, Tenn. She spent two years as a Chaplain's assistant in the Navy.

She is serving as minister at South Bend and Tonk Valley communities near Graham. Her inspiring talk stressed again woman's place in the world today, reminding the group of the appropriateness of the book which has been the basis of the Bible study, "The Master Has Come and Called for Thee."

Wesleyan Service Guild Has Regular Monthly Meeting

The Guild members had an enjoyable meeting in the home of Odell Bynum Monday evening. The study "Under Three Flags" was completed. Ina Dell Fitzgerald gave "Old Tasks in a New Setting." Bebe Middleton gave "Let Us Unite" and Dora Montgomery concluded the book with "Why Missionaries?" This was very appropriate as the members brought their treasure chests to the treasurer, which consisted of money saved during the year by deprivations of some pleasure. This is to be used in some phase of the mission work. Irene Ballard, president, presided for a short business meeting at which time various reports and problems were given and discussed. The president expressed her appreciation to each officer and member for their cooperation given her throughout the year. The nominating committee reported and a new slate of officers were elected. They will be installed at the next meeting which will be a dinner and the pledge service will also be conducted. Every member is urged to attend. Lovely refreshments of combination chicken salad and jelly sandwiches with olives, peanuts and Coca Colas were served by the hostesses Odell Bynum and Maude Derr to the following: Iva Palmer, Dorene Boone, Thurssa Chamberlain, Dora Montgomery, Irene Ballard, Pauline Baird, Grace Bisbee, Bebe Middleton and Ina Dell Fitzgerald.

NEWS OF INTEREST WOMEN

Center Point HD Club Meets With Mrs. Emma Bland

The home of Mrs. Emma Bland was the meeting place of the Center Point H-D Club on April 21 at 3 p. m.

The program "Insure Your Family," was brought by county agent, Thelma Wirges. It was very interesting and informative.

What to have for next year's demonstrations was discussed during the business. For recreation a game Name the Fish, was played and Helen Wiseman won the prize.

Cheese ritz, olives, angel food cake and punch were served. Present were Mesdames Virginia Dornier and Wayne, Tilda Marugg, Claudia Mae Bland and Charlotte, Zada Smith, Helen Wiseman, Kay, Debby and Billy Evelyn Pitman, Doris Hannsz, Miss Wirges, Mike and Donna Bland and the hostess, Mrs. Emma Bland.

A Mother's Day program on May 5 will be in the home of Mrs. Helen Wiseman.

Speeding on U. S. streets and highways injured 659,000 men, women and children.

Mrs. Robert Wheatley is Program Director At Meeting of Progressive Study Club

Continuing its year's study of The Magic Media, communications, the Progressive Study Club met Thursday, April 21 at 7:30 in the Homemaking Cottage.

Mrs. Robert Wheatley directed the program which featured visual communications such as motion pictures. In her remarks, she told that the General Federation of Women's Clubs will give awards to outstanding motion pictures—similar to the industry's own Oscars—this year. Ballots were sent to each member club all over the United States to vote for pictures in three different categories. Winners will be announced at the TFWC spring convention, but results of balloting in First District, TFWC, alone were given as: Best in spiritual values, "The Robe," best in youth conservation, "Her Twelve Men," and best in individual responsibility, "Magnificent Obsession."

The aim of the balloting, Mrs. Wheatley said, was to educate the public to want and patronize the best in motion pictures.

Pursuing the thought that "Mankind learns of the world it lives in from various combinations of words and pictures."

Progressive Study Club members were treated to a look at Europe in words and pictures by the guest speaker, Mrs. Virgil Meadors, Jr. Assisted by her husband, who showed the films made by Mrs. Meadors during her tour of Europe in 1933, she presented a perceptive and witty commentary which gave her audience the feeling of actually participating in such a visit.

From the first colorful picture of the New York skyline taken as the ship pulled away from America, through the vivid reproductions of England, Holland, Switzerland, Luxembourg, Italy, and France to the last picture made aboard the home-bound ship, club members "lived" the trip with Mrs. Meadors.

The club is indebted to Mr. and Mrs. Meadors for an outstanding contribution to its year's study program.

Preceding the program, Mrs. William E. Lawson presided for a brief business session. The incoming president, Mrs. Otis J. Curry, was elected delegate to the state convention May 2, 3, and 4 in Galveston.

The club voted to continue its International Relations project, sending discarded nylon hose to Japanese war brides. The hose are used to make gloves, toys, etc.

One maximum mailing size box of hose has already been sent, the chairman, Mrs. W. E. Woodson, reported.

Hostesses for the evening, Mrs. James E. Johnson and Mrs. R. W. Herren, used an April Showers motif in decorations and refreshments. They served "pink parasol" cookies and "green grass" sherbet to four guests. Mr. and Mrs. Meadors, Mrs. Tom Dement, Barry O'Neal, and twenty-four members.

Brotherhood Will Entertain With Special Program

First Baptist Brotherhood will entertain their wives at a special program Tuesday evening, May 3 at the church.

Dr. Frank Royal of South Side Baptist Church, Abilene, and professor of Religious Education at Hardin-Simmons will bring a program on the mission work being done in Alaska. The Sunday School Board sent Dr. Royal on an extended tour of this mission point in the north.

Program starts at 7:30 at the church annex.

Seated Tea and Program Will Highlight Observance of National H-D Club Week

The week of May 1-7 has been set aside as National Home Demonstration Week. The national theme is "Today's Home Builds Tomorrow's World." The Texas Home Demonstration Association has selected "God and Home—the Source of Freedom" as the theme for their work.

Haskell County home demon-

stration club women plan to join the home demonstration club women of the nation in this celebration. They are having a seated tea and program for the club women in the county Saturday, May 7, in the quiet room of the First Baptist Church. This will follow the regular meeting of the Haskell

County Home Demonstration Council. They hope to have every club woman visit the council since the council is the main connecting link between the Extension Service and the club

women and between association and the state. The three branches of the U. S. Extension Service are Executive and

Sunshine Sewing Club Meets With Mrs. Ed Cass

The Sunshine Sewing club met Tuesday, April 19 at 2:30 p. m. in the home of Mrs. Ed Cass for their semi-monthly social and business meeting.

Vases of tulips, iris, jonquils and lovely straw flowers from Mrs. John Fouts' garden gave the house a touch of spring loveliness.

The house was called to order by the club president, Georgia Fouts.

Delia Ashley led the members in singing the club song.

Maude Jones led in prayer.

The secretary, Hazel Tyler, read the minutes of the last session, which were approved.

The treasurer, Maude Jones, gave the financial report.

The historian, Osee Cass, gave a humorous report of her work.

The club members commented on the lovely luncheon and quilting party held in the home of Mrs. Thalia Jenkins recently.

Following the business meeting, a social hour was enjoyed. A refreshment plate was served to the following members and one visitor, Mesdames Trudie Wheeler, Georgia Mae Fouts, Mary Fouts, Lula Smith, Maude Jones, Delia Ashley, Ora McMillin, Hazel Tyler, Hilah Swenson, Osee Cass, Thalia Jenkins, a visitor.

Regular Meeting Of Magazine Club Held Friday

The Magazine Club met April 22 at 3:30 p. m. in the Magazine club room with the president, Mrs. C. V. Payne in charge of the business session. The president called for annual reports of officers and committee chairmen. Those present gave good reports and those who were absent sent in reports.

Mrs. E. M. Frierson and Mrs. W. A. Kimbrough were given Life Membership. The Magazine club contributed \$35.00 to the Haskell County Library. The club members voted to aid in the condition of the Magazine club house.

Mrs. Fred Monke gave a talk on "Why Women's Organization?" The program closed with Mrs. Mary S. Wilson giving the "Club Collect."

Those present for the meeting were Mesdames J. M. Collins, R. C. Couch, Sr., C. O. Holt, Bill Lane, Artie Mae Burkett, Elmer Turner, Mary Sue Wilson, Earl Atchison, Wallace Cox, J. U. Fields, C. L. Lewis, Hill Oates, C. V. Payne, John Rike, K. H. Thornton, Ada Rike, Jack Merchant, Fred Monke, Misses Nettie McCollum and Beryle Boone.

Final Meeting of Elementary P-TA Will Be May 4th

"Let's Evaluate Our P-TA" will be the theme for the last 1954-55 Elementary Parent-Teacher meeting, to be held in the Elementary School auditorium Wednesday afternoon, May 4 at 3 o'clock with Mrs. W. O. Holden as director.

Principal Billy Snow of the Elementary School will be the principal speaker.

Highlighting the brief business session will be the installation of the 1955-56 officers, to be conducted by Mrs. Artie Mae Burkett.

The program chairman would appreciate suggestions for the 1955-56 program. "We, The People—Insure Richer Dividends."

MR. AND MRS. ALBERT W. ZELISKO
Alma Steinfath and Albert W. Zelisko Repeat Wedding Vows on April 18th

Alma Steinfath, daughter of Mrs. August Stenfath, Sr., became the bride of Albert W. Zelisko on April 18 at the Trinity Lutheran Church at Haskell.

The bridegroom is the son of Will Zelisko of Haskell.

The double ring ceremony was read by the Rev. Bruno Gaskamp before an altar decorated with bouquets of white carnations and ferns. Leon Kretschmer, nephew of the bride, was candlelighter. The wedding music was played by Mrs. Martin Rueffer, organist.

The bride wore a street length dress of blue orlon silk with fitted bodice, full skirt and matching jacket. Her accessories were white and the bridal bouquet was of white carnations, carried

stop a white Bible.

Attendants were Lena Steinfath, maid of honor, and Frieda Steinfath, bridesmaid, both sisters of the bride. They wore identical dresses of pale blue polished cotton and pink carnation corsages.

The groom's attendants were Walter Moeller, best man of Haskell and William Hall of Abilene.

Following the wedding a reception was held in the annex of the church. Guests were registered by Mrs. Martin Follstaedt. The bride's table was laid with a lace cloth over pink and centered with a 3-tiered wedding cake topped with miniature bride and groom. Lena Steinfath served the cake and Frieda Steinfath presided at the crystal punch bowl.

Out of town guests were from Abilene, Aspermont, Levelland and Plainview.

Weinert Junior-Senior Banquet Held April 19

The annual Weinert Junior-Senior Banquet was given Tuesday night, April 19 at the Weinert High School auditorium. The invocation was given by

Clyde Childress. Couilla Mayfield gave the welcome and Wayne Jenkins gave the response.

The Senior Will was read by Frankie Stephens and the Class Prophecy was given by Vernon Hargrove. "The Indian Love Call" and "Red Wing" was sung by Couilla Mayfield and Lora Lois Rainey, accompanied by Mrs. Raymond Liles.

The principal speaker of the evening was Robert King, superintendent of Rochester School. Harley Reeves gave the benediction. An Indian theme was carried out through the evening.

Members of the Junior Class are: Billy Boykin, Doyle Boykin, Clyde Childress, C. W. Drinnon, Frankie Jenkins, Nelda Jetton, Couilla Mayfield, Peggy Shelley, Martha Sanders, Bob Sargent, Jack Therwhanger, Jimmy Reeves, Fred Wiggins, and June Wren. Junior Class sponsors are Mrs. Dwight Moody and Mrs. Sam Turner.

Members of the Senior Class are: Kenneth Brockett, Randol Forehand, Vernon Hargrove, Robert Hill, Doris Hutchison, Wayne Jenkins, Weldon Jenkins, Jr., Liles, Harley Reeves, Frankie Stephens, Dolan Vaughn, and Morris Walker. The Senior class sponsor is Ellis Benham.

**Paint Creek . . .
Community News**

Paint Creek Scout Troop 48 had a very neat and attractive booth at the Scout Exposition at the city auditorium at Stamford Saturday. They depicted the requirements for the Nature Merit Badge, and they had a very educational display including bird's nests, wasp's nests, rock collection, shell collections, rattlesnake rattlers, live bullfrogs, live horned frogs, fish and crayfish. This was all displayed against a green crepe paper background, with colored pictures above each group. Mr. Williams, our Science teacher, helped the boys set up the booth, and served as counselor for boys earning the Nature badge. He and the Scouts are to be complimented on their work, and their winning a blue ribbon on their display. Many Paint Creek people visited the Exposition, and half of the money from their tickets is returned to the Troop. The other half goes for improvements at Camp Towanka at Buffalo Gap, where the Chisholm Trail Council has its summer camp.

Mrs. Lillian Hughes is visiting her daughter and family. Mr. and Mrs. W. C. Hughes, Ray and Jerry a week or two before she goes to California to visit a son. Mr. and Mrs. Jack Daniels and son, Jackie and Jack's parents, Mr. and Mrs. Earl Daniels spent Sunday in Bowie visiting Mr. and Mrs. John Hutchens and son G. W.

Mr. and Mrs. Roy Medford and daughters, Lindsay, Judy and Patricia visited his sister, Mrs. G. T. Blount and family at Plains Sunday a week ago.

Mrs. A. M. Daniels of Abilene is spending several weeks with her daughter and family. Mr. and Mrs. Sammie Griffith, Carlos Montgomery, R. J. Moody and James Raughton of College Station visited their parents over the week end. James Merle traded cars while he was

home and they returned to A&M in a shiny new blue Ford. Vaughn Allen of Hardin-Simmons was the guest preacher at the Baptist Church Sunday. He came as guest singer last Sunday and was extended an invitation to preach the following week.

Mr. and Mrs. Roy Overton and Mr. and Mrs. Ray Overton were weekend guests of the Roy Overton's daughter, Mrs. James Raughton and husband at College Station. They came back by Burleson, the boyhood home of the twins, where they spent some time with an uncle, Henry Overton and his wife, and they visited the cemetery where their parents, Mr. and Mrs. Waller H. Overton are buried.

Mr. and Mrs. Leslie Lewis of Grand Prairie had dinner with Mr. and Mrs. Arthur Montgomery Friday. They were on their way to visit her brother in Colorado. Mrs. Lewis is a nurse, and the Montgomery's say she was responsible for saving the life of their son-in-law, Boyd Cathey when he almost hemorrhaged to death following surgery.

Mrs. John Hawks and her family spent a few days with her parents, Mr. and Mrs. Gene Burchard and Jerry.

Mrs. R. L. Leclair entertained with a Stanley party at her home last week with Mrs. Virgil Brown as demonstrator and party director. Those enjoying the party were Mmes. Raymond Brewer, John Scheets, Cub Russell, W. D. Darden, Will Kendrick, Raymond Davis, J. E. Marr, Brown and the hostess.

John Scheets, custodian at the West Texas Utilities plant has been ill the past week with the flu, but is back at work now.

The Junior class entertained the Senior Class with a banquet and prom at the Stamford Country Club Monday night. The banquet was catered by Nat's

Cafe. Miss Emma Keys of Drumright, Okla., spent several days last week visiting her sister, Mrs. Morris Haynes and family. Miss Keys has managed the McClellan store in Drumright for several years.

Mrs. Jess Mickler, Mrs. Jiggs Isbell and Mrs. Bill Mickler were in Big Spring Friday night for the bridal shower honoring Miss Rose Rice. Miss Rice and Bob Mickler are to be married Friday, April 29.

Rev. J. B. Thompson brought a wonderful sermon on "Jesus Christ, Yesterday, Today and Tomorrow" at the Methodist Church Sunday evening. He missed last Sunday while he was away in a revival meeting at Seminole. He said there were four days straight of dust storms as bad or worse than we had Saturday. That part of Texas is drier than we are here, and maybe some of this top soil we are sweeping out of our houses these days is from there. Poor folks!

Mrs. Ramond Ray Medford left Saturday for Hamilton, Bermuda, where her husband is stationed. Lt. Medford has been painting and re-papering their home, and now has it ready. He is in the Air Corps and they will be there for the next three years. He is the son of Mrs. Lee Medford, and his wife is the daughter of Mr. and Mrs. Doc Raughton.

Mr. and Mrs. Tom Richardson and Larry from Rule enjoyed a chicken barbecue at the home of the Allen Overton's Sunday night.

try are surely enjoying our new lake. Not many week ends ago every boat at the R. V. Earles' boat docks was rented by a group of people from Pampa. And have you seen the new Texas Highway maps? Our lake is a big, bright, blue spot on it. Wouldn't it be fine if we could have enough rain to fill the lake and see just how far it reaches when full? As far as that goes, wouldn't it be fine if we just had enough rain?

Haskell Minister Praises 'Martin Luther' Film

Commenting on the outstanding production "Martin Luther" showing at the Texas Theatre on May 4 and 5, the Rev. Bruno Gaskamp, pastor of Trinity Lutheran Church, commended it as a film the general public would want to see. He said:

"Most people in this area may be unaware of the contents of this movie. Whatever your conception it surpasses any desires that you might have or even hope for.

"Historically it is beyond criticism, at least none has withstood the facts. Acting is superb. And had this movie been made for commercial showing, it would have won the academy award according to critics. As you may know, it was produced for showing in Lutheran Churches alone.

"Spontaneously, people who saw it, said that it was a movie that the general public would want to see. (It has been banned in a few predominantly Catholic areas.) All trial runs exceeded expectations by several times. It continues to do so.

"One is never satisfied at seeing 'Martin Luther' just once. It's packed! It's dramatic! It's suspense! It's full of courage! And what faith in God!

"You are well equipped to see the movie if you have read Bainton's 'Here I Stand' on Luther or its equivalent.

"You should acquaint yourself with some of the teachings against which Luther fought such as: indulgences the authority of the Pope, monasticism, vows, sacraments, saints and purgatory.

"Also be aware that the printing press has just been invented and how important it was in bringing about the Reformation. Try to brush up on the political history of the day, for you will then appreciate it all the more. The Turks were entering Europe. And there was no separation of Church and State.

"You cannot but enjoy a day with Luther in 'Martin Luther.' This writer is looking forward to seeing it the fourth time."

Texas' King Ranch is so large that there is a month's difference in the growing season between the north and south edges.

Araname College at Goliad, Texas, closed its doors when the entire student body enlisted in the Confederate Army.

4th Grade Pupils Observe Adult Election Procedure in Naming Class Officers

Pupils in the 4th Grade of Haskell Elementary School will be entirely capable of exercising their voting franchise, when they reach voting age as a result of their studies in the principles of government and how elections are conducted.

James Fowler Now In Hawaii, Is Made Sergeant

James Fowler of this city, who entered the Marine Corps in February, 1953, has been promoted to the grade of Sergeant, his parents, Mr. and Mrs. W. A. Fowler have learned.

Sgt. Fowler is now stationed at the Marine Corps Air Station in Kaneohe, Hawaii. In a recent letter to his parents, he told of having seen and visited many places of interest, including the famed Mormon Temple. He also said he was enjoying his favorite sports of tennis and water skiing.

After entering the service in 1953, the young Haskell Marine received his basic training at San Diego, Calif., after which he received specialized training at Jacksonville, Fla., and Memphis, Tenn. He is a graduate of Haskell High School.

Rheumatic Fever Often Results in Heart Damage

AUSTIN—The outlook in the fight against rheumatic fever has improved, but this disease which begins most often between the ages of five and fifteen, still results in serious heart damage in many cases, declared Dr. Henry A. Holle, State Health Officer. Rheumatic fever usually strikes after a nose and throat infection caused by germs of the streptococcus family. An average of three out of one hundred of the commonly called "strep" infections are followed by rheumatic fever.

David Middleton Is Kappa Alpha Pledge at NTSC

DENTON—David Middleton of Haskell has been chosen to pledge Kappa Alpha social fraternity at North Texas State College. Ten fraternities named 168 men for their spring pledge lists. Middleton, the son of Mr. and Mrs. David Alton Middleton, 605 Ave. G, is a freshman education major.

The Mark of the World's Most Famous Hat

BALIBUNTLS by STETSON

Balibunt grows more popular every season, because its extremely lightweight body lends itself so well to high styling. Available in the much-wanted new dark tones, the model shown here features the telescope crown. Note the very narrow brim and the soft band of figured silk.

Weinert News

Mr. and Mrs. Bud Hummel, Greg and Marc of Sterling, Ill., are visiting her mother, Mrs. R. B. Guess at Mattson. Mrs. Rhoda Reeves visited in the home of Mrs. C. F. Oman Monday. Mrs. Reeves is a former resident and now lives in Min-neral Wells. Sgt. and Mrs. Pete Guerrero and Lourdes of Mineral Wells, visited Sue Guess Friday and Saturday. Mrs. Leon Guerrero and Sue were roommates at H-SU. Mrs. V. C. Derr visited her daughter Ann, last week end at H-SU. She attended services at the First Baptist Church Sunday with Ann.

Children Meet and Celebrate Father's 70th Birthday

Celebrating their father's 70th birthday April 22 the children of George Moeller met at the Moeller home at 100 N. 8th and enjoyed a picnic supper. Those attending were Mr. and Mrs. Steve Kubena, Mr. and Mrs. Claud Thompson, Claudie, Mer-lene, Sharon and Ronnie, Mr. and Mrs. Alfon Peiser, Alfon, Jr., Barbara and Hughie, Mr. and Mrs. Felix Klose, Loyd, Jerry and Kathy, Walter Moeller, Mr. and Mrs. Gene Teichelman, Larry, Yvonne and Billy, Mr. and Mrs. Chas. Redwine, Charlotte and Shirley Sue, Mr. and Mrs. Ed-ward Moeller and Dalton were unable to attend.

Jack Johnson was the last Negro heavyweight boxing cham-pion before Joe Louis.

BRIEFLY TOLD NEWS ABOUT PEOPLE YOU KNOW

Returning to the United States for the first time in almost three years, Lt. Col. and Mrs. W. R. Barricklow and son Bobby, 13, arrived Tuesday evening for a visit with Mrs. Barricklow's pa-rents, District Clerk and Mrs. Jesse B. Smith, Lt. Col. and Mrs. Barricklow have been living since 1952, where he has been stationed with the U. S. Army Quartermaster Corps. He went to his station there in the early part of 1952, and Mrs. Barrick-low and Bobby joined him in August of that year. Mrs. Bar-ricklow is the former Katherine Smith, born and reared here. An almost unbelievable sight for her was Paint Creek Reser-voir southeast of town when she and her husband and parents visited Scott Park and the Lake Wednesday. The Barricklows will be here for several days, possibly a week or longer. Then they will go to Fort Lee, Va., where Lt. Col. Barricklow will be stationed. They were at the Army post there before he re-ceived his European assignment. Mr. and Mrs. J. E. Bernard have returned from El Monte, Calif., where they spent the past few months in the home of their daughter, Fred Akins and family. Mrs. Akins has been quite ill but has improved con-siderably and is well on her way to recovery after undergoing sur-gery. Mrs. Ollie Kelly and children, Junial and Kay and Mickey spent last week end in Stephenville visiting in the homes of friends.

FIRST PRESBYTERIAN CHURCH

N. Ave. and Fourth St. R. K. McCall, D. D., Minister. Beginning Sunday morning at 11:00 o'clock we will open our Revival Meeting. The pastor will preach at both services Sun-day, May 1, and on Monday evening Dr. L. L. McCutchen of the Wynnewood Presbyterian Church of Dallas will come to us and preach each evening at 8 o'clock through Sunday, May 8. Come and worship with us and enjoy Dr. McCutchen. The usual services on Sunday besides the preaching services, i. e., Sunday School at 9:45 a. m., Pioneers at 5 p. m., and Se-nior Hi Fellowship at 6 p. m.

CARD OF THANKS

We wish to express our sincere thanks to friends and neighbors for the kind and beautiful ex-pressions of sympathy extended to us in the loss of our beloved husband and father. Your many considerate deeds and comforting words have help-ed to lighten our burden of sor-row. We shall always remain grateful to all of you.—Mrs. Frank Spencer, Dr. and Mrs. Frank Spencer and children, Mr. and Mrs. George Tyler and children, Mr. and Mrs. A. H. Taylor and children. 17p
