Haskell County History

20 Years Ago—Jan. 25, 1914

Bank deposits in Haskell increased from \$458,833 to \$628,458 during the time from March 1, 1933, shortly after all banks in the country were closed, until December 31, 1933, tabulation of bank reports shows. During the same length of time, loans decreased from \$302,796 to \$203,563 the banks report.

Beginning next Sunday morning at 12:01 a. m., the places in Haskell County serving 3.2 beer will be closed, so far as the sale of the beverage is concerned, and must remain closed until 12 o'clock Sunday night. County Attorney B. C. Chapman and Sheriff W. T. Sarrels have notified proprietors of the establishments to that effect.

Mr. and Mrs. S. Hassen and children spent the week end with relatives and friends in Sulphur, Okla.

At the annual meeting of the stockholders of the Farmers and Merchants State Bank, officers were elected as follows: J. C. McKinney, president; J. T. Hester, vice president; A. M. Turner, active vice president; Joe L. Cooper, cashier.

Almost twice the number of automobiles have been registered in this county up to January 16 than to the same date last year, according to records in the office of County Tax Collector Ed F. Fouts. To date 1203 passenger cars have been registered this year compared with 603 to the same date last year.

The sum of \$5,277.65 was paid to CWA workers in Haskell County last week, to about 470 men, according to local Civil Works Administration officials. A still larger sum, which will

probably reach \$6,000 will be paid out this coming Saturday, they said.

At the annual meeting of the Haskell National Bank stockholders, all present officers and directors were re-elected. Officers are Mrs. M. S. Pierson, president; Hardy Grissom, vice president; O. E. Patterson, active vice president; A. C. Pierson, cashier; Miss Nettie McCollum, assistant cashier. Directors are Mrs. Pierson, Hardy Grissom, J. U. Fields, J. W. Pace, G. W. Waldrop, J. W. Gholson, O. E. Patterson, L. F. Taylor, A. C. Pierson.

30 Years Ago—Jan. 25, 1904

The little son of Mr. and Mrs. R. E. Reeves, who live on the Stoker farm near Hemphill lake, was seriously injured Monday when he fell from a horse he was riding. The little boy was carried to the Stamford Sanitarium for treatment.

Annual meeting of stockholders of the Haskell Laundry Company was held in the directors room of the Farmers State Bank Monday evening. No change was made in officers and directors, with all members of the present board being re-elected. They are R. C. Montgomery, president; B. Cox, vice president; Emory Menefee, secretary; J. L. Tubbs, manager and treasurer; and J. C. McKinney, board member.

Miss Neoma Hudson and Mrs. W. A. Montgomery, teachers in the Weaver school, were Haskell visitors Tuesday evening.

Dr. and Mrs. J. M. Gose returned from Wichita Falls Sunday. Dr. Gose has been ill but is somewhat better since coming home.

The Baker-Campbell firm at Munday has purchased the John E. Robertson store at Weinert.

They plan to increase the stock of dry goods and groceries carried by the store.

J. W. Collins of the State Warehouse and Marketing Department at Austin spent several days in Haskell and Weinert this week visiting friends.

A. R. Couch and family are moving to Goree this week, where he will be cashier of the Goree National Bank. He has been cashier of the Weinert State Bank for several years, and is still an officer in that bank.

Mrs. F. M. Morton has gone to Austin, where she will spend the remainder of the winter with her niece, Miss Anna Kate Ferguson, who is attending school there.

Mr. and Mrs. Fred Reid have returned from California where they went some time ago to look for a location. They have decided West Texas is the best place after all. They will live in Weinert and Mr. Reid has been employed as assistant cashier of the Weinert State Bank.

50 Years Ago—Jan. 23, 1904

Charles Witaker left Monday for Dallas to undergo an examination and enlist in the U. S. Navy if passed. He will sign up for four years duty. He is one of our bright young men who will be missed by a large circle of friends.

Louis Touchstone, who had the misfortune of having a foot brodden; when run over by a wagon a few days ago, is now able to be around some on crutches.

Mrs. S. V. Jones of Marcy has returned from a several weeks visit with relatives in the old states.

A. J. Schell of Ample has returned from a business trip to Cisco.

Lonnie Post has accepted a position in the drug store and post office.

Mrs. H. G. McConnell and two small children left Monday for Austin where she will visit her parents while Judge McConnell is in Fort Worth on legal business.

L. P. Osburn, one of the enterprising citizens of the southwest part of the county was here the first of the week, stocking up on supplies from our merchants. He says everything is looking good in his part of the country.

Mrs. J. O. Bridges received the news by telegram Thursday from St. Louis of the death of her son, Roscoe Williams of that city on Wednesday. Roscoe was about 21 years of age and had been working the past two years on the Southern Pacific Railroad out of St. Louis. He was a brother of our townsman, E. A. Williams.

Miss Maggie Jones of Round Timbers, Baylor County, is visiting relatives and friends here.

Bill Pennington Is Candidate For Office of Sheriff

W. H. (Bill) Pennington, well-known farmer and resident of Haskell County for 38 years, authorized the announcement of his candidacy this week for the office of Sheriff, subject to the action of the Democratic primary.

Mr. Pennington stated that he likely would have a formal statement at a later date, but desired at this time to acquaint the people with his candidacy and to solicit their consideration and support.

Because of his long residence

in the Haskell vicinity, he needs no introduction to many of the people in the surrounding territory. He is a successful farmer and is actively interested in all affairs for the betterment of the county. He is 45 years old, married, and he and his wife have one son, Don.

Mr. Pennington stated that his decision to seek the office of Sheriff was made after careful consideration of the responsible duties involved, and with the pledge that if elected he will devote his best efforts at all times toward discharging the duties of Sheriff fairly and impartially and in a manner that will merit the confidence and cooperation of the citizenship of the county.

Between now and time the primary is held, Mr. Pennington will endeavor to see as many cit-

TEACHER OF THE WEEK

MRS. JETER

Mrs. Joyce Gene Jeter teaches Homemaking and Civics in the Senior High School. She received her B. S. degree with a major in Homemaking Education from North Texas State College. While in college she was a member of the Gammadians, Ellen H. Richards Club, W. N. Master's Chemical Society, Junior Mary Ardens, Alpha Chi, and Kappa Delta Pi. This past summer she returned to Denton to do additional work. Mrs. Jeter began her teaching career at Weinert, teaching there one year, and has taught in the Haskell schools for the past two years.

Mrs. Jeter is the daughter of Mrs. J. C. Holt, Jr. of this city and is the wife of Edwin T. Jeter. Mr. Jeter farms and is driver of one of the Haskell school buses. They are the parents of two children: Ronnie, who is seven and in the second grade of Haskell Elementary School, and Judy, who is two. They live at 1206 N. Ave L in Haskell.

Mr. and Mrs. Jeter are members of the Pinkerton Baptist Church and she is a member of the Texas State Teachers Association, Oilbelt Teachers Association, and Haskell County Teachers Association.

During the semester just past the Freshman clothing classes have completed units of study on grooming; use of the machine; basic sewing skills; fabrics and their use; and clothing construction. The second year foods class, under Mrs. Jeter's direction, has studied nutrition; meal planning; centering around luncheons and special occasions; etiquette and entertaining; and food customs at home and abroad.

An important phase of Homemaking is the home project. All the girls are required to do at

least thirty hours of work pertaining to Homemaking in their homes during each semester. These projects are selected by the girls with the help of their mothers and are chosen with the needs of the individual girl and her family in mind.

As a climax to the semester's work the foods class planned, prepared, and served a tea for the mothers of all students in Mrs. Jeter's classes. The tea was served on Wednesday, January 20, in the Homemaking Cottage. The table was laid with an ecru knotted lace cloth and centered by a fruit arrangement on a silver tray. Jessie Ruth Jones, president of the Future Homemakers of America, offered piano selections during the afternoon. During the tea the first year girls modeled the articles of clothing which they had made in class. These garments included pajamas, gowns, brunch coats, school dresses, skirts, and blouses.

On last Saturday morning the members of the Future Homemakers of America were guests at a come-as-you-are breakfast at the Homemaking Cottage. Approximately forty-five girls attended.

Wilson Bean For Commissioner In Precinct No. 1

Wilson Bean, young farmer of the Rochester community has authorized the announcement this week of his candidacy for the office of Commissioner in Precinct No. 1, subject to action of the Democratic Primary.

Mr. Bean said he probably

would have a formal statement in connection with his candidacy later, but at this time desired to let the people of Precinct No. 1 know of his intention to seek the office and to solicit their consideration and support.

Born and reared at Rochester, Mr. Bean needs no introduction to a majority of the people in that section, and he likewise enjoys the acquaintance and friendship of many in other parts of the precinct and county.

He is married and he and Mrs. Bean have two daughters. He has farmed practically his entire life and operates his own farm near Rochester.

Mr. Bean feels that he is qualified on the basis of his business experience, and because of his long residence in that section he

is familiar with the needs of the precinct insofar as they are administered by the office of Commissioner. If elected, it will be his effort to handle the affairs of County Commissioner in a manner consistent with the needs of every section of the precinct. He will welcome at all times the suggestions of the property owners and taxpayers, and will endeavor to merit their confidence and cooperation in all matters pertaining to the office.

As time permits, he will try to see as many voters in the precinct as possible in order to discuss his claims for the office with them personally. In the meantime he will appreciate the careful consideration of his candidacy by the voters.

Ever look at your house this way?

Your electric company does!

1940 — This was your house, measured by the amount of electric service you used before World War II.

1949 — You used almost 50% more electric service. So your house seemed to us to be half again larger.

TODAY — You use a lot more electric service — nearly twice as much as in 1940. And all the time you were finding new ways to use electricity for better living, its price was coming down.

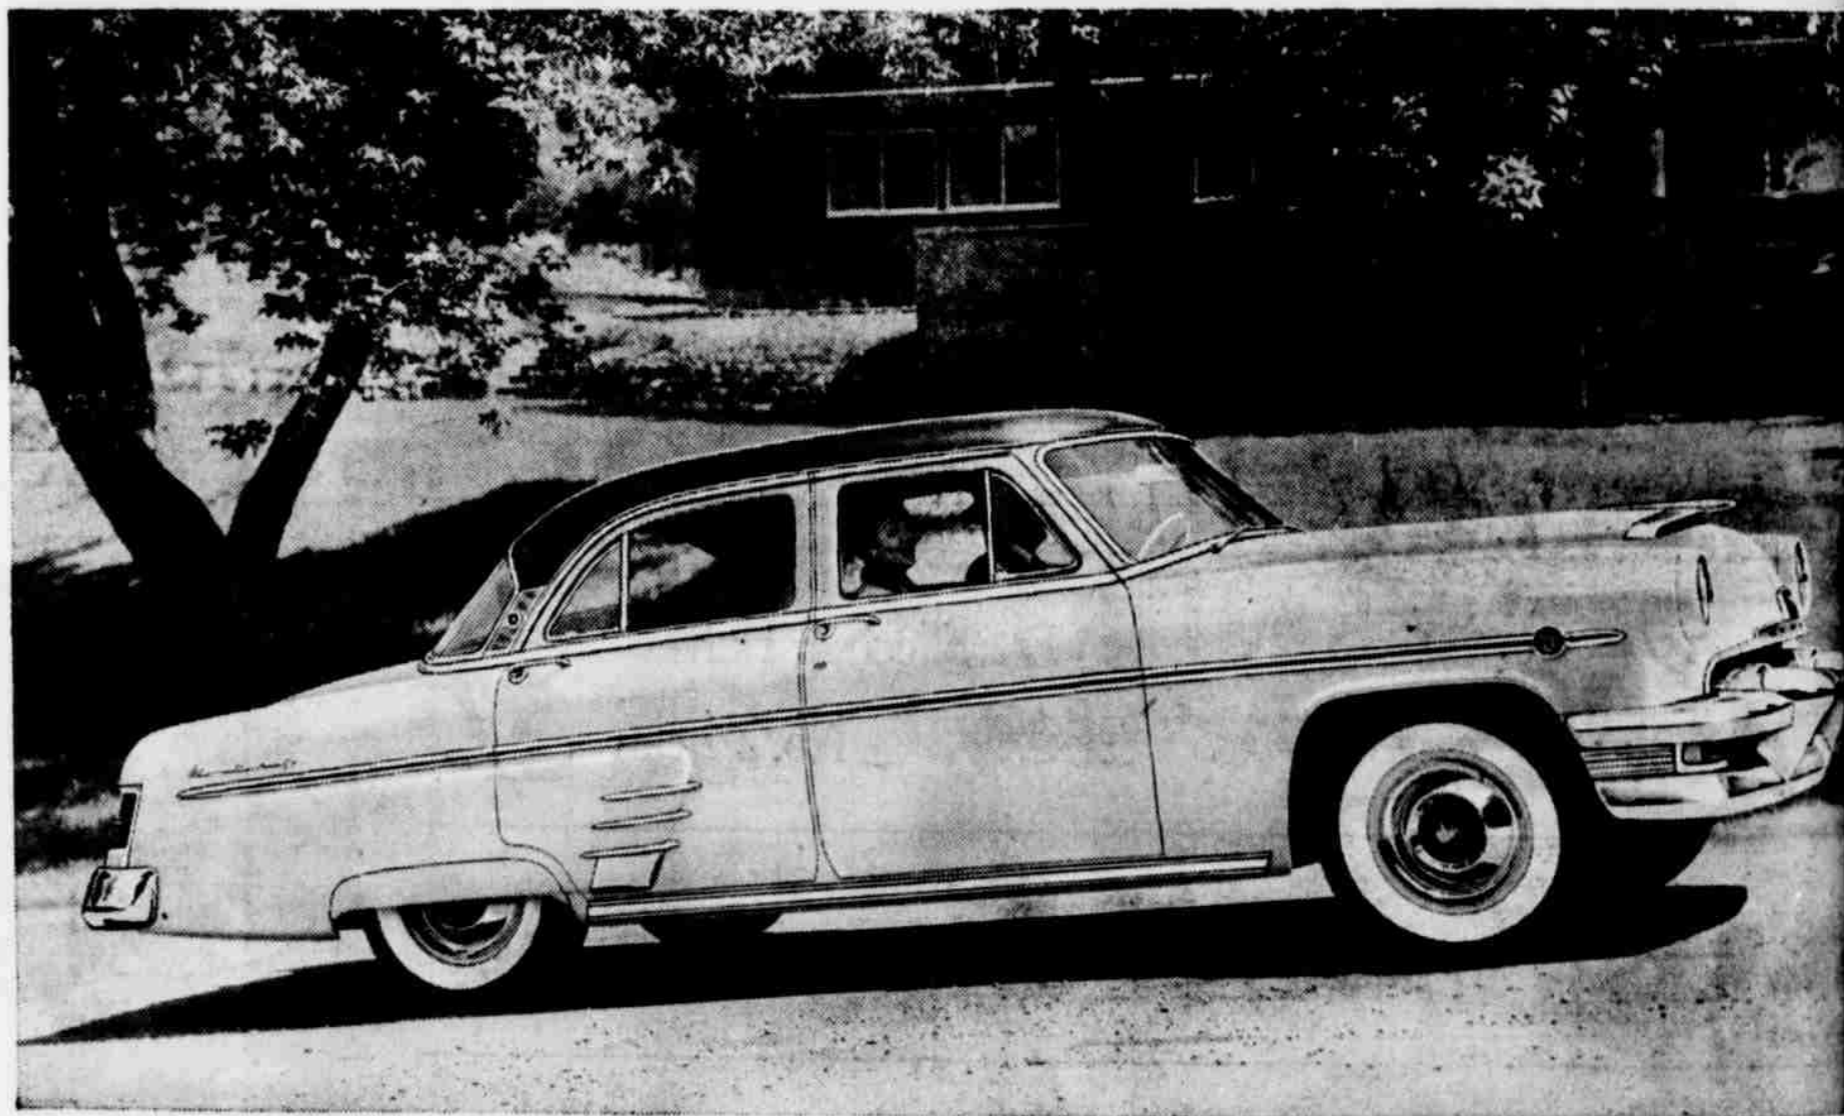

1960 — You'll use about three times the electric service you used in 1940. And we already are investing millions of dollars to have it ready for you.

This means that the West Texas Utilities Company and the other electric light and power companies of America are planning and building well ahead for the nation's growing electric future. Their \$10 billion expansion program is the largest

in all industrial history. America's 800 business-managed electric companies prove daily that they can meet the country's electric needs. In view of this, you have the right to ask whether any federal government electric power projects—paid for with your tax money—are really necessary.

How Mercury's new V-161 engine lets you take it easy on the highway

Eager power—responsive power—immediately obedient to your slightest whim . . . that's what Mercury brings you with its entirely new overhead valve V-8 engine.

Easy does it when passing. The two extra barrels of Mercury's 4-barrel carburetor cut in automatically, by vacuum. Instantly you have the extra surge you need for extra safety.

Easy does it when hill climbing. Mercury's tremendous reserve power quietly goes to work. You glide up and over with no sense of strain—with power to spare.

Easy does it on curves. New ball-joint front

wheel suspension—a first for Mercury in its class—gives you road-hugging stability, easy steering and control.

And your pocketbook can take it easy, too. For while the new 161 hp Mercury engine gives you 28% more power, it can give you even greater gasoline economy.

So stop around at our showroom and take a trial drive. And see Mercury's new, long lower looking styling, the stunning new color and interiors, and our new model—the Mercury Sun Valley—America's first true parent-top car. How about today?

The den's location on the back of the house offers privacy, and its picture window gives a good view of the landscape. The conveniently arranged kitchen has a lot of storage space—a feature any housewife is sure to love. And there is a 2-way cross ventilation when the utility room door is open.

A spacious storage wall opens either from the breakfast room or dining room. The utility room closet will accommodate work clothes as well as household

equipment. There are shelves for canned food, too. If liquid or gaseous fuels, such as fuel oil or LP gas, are available, central heat can be provided from a compact unit in the utility room. The convenient sink below the windows, with counter space on either side, offers a spot where the man of the house can wash up at mealtime without disrupting the kitchen routine or making muddy tracks across the house.

There are seven closets in all. Two linen closets are convenient to the bath and bedrooms and a walk-in closet at the end of the hall makes a fine place to store out-of-the-season clothing.

Two light and airy corner bedrooms and a readily accessible third bedroom all have large closets, arranged so only a minimum of hall space is needed.

**Harmony Club Officers Elected for 1954-55;
Annual Bible Day Program Observed**

Officers for the 1954-55 club year, with installation service scheduled to be in May, were elected by the Haskell Harmony Club at a regular business and social meeting Thursday evening, Jan. 14 at the Homemaking Cottage.

Mrs. Tommye B. Hawkins, who has served the club well as president on three different occasions, was again elected. Dr. Gertrude Robinson, vice president; Mrs. Tannie Squyres, second vice president; Miss Beryl Boone, treasurer; Mrs. M. E. Helber, recording secretary.

Mrs. J. F. Cadenhead, Sr., director, presided over the business meeting in the absence of the president, Mrs. V. W. Meadors. Mrs. A. C. Foster, Jr., was elected recording secretary to fill the unexpired term of Mrs. H. F. Cope land who is moving to Hamlin, Texas. Mrs. James Littlefield was elected to membership, and the club voted to contribute \$20.00 to the March of Dimes program. Mrs. Hawkins led the group in reading and discussion of the by-laws and constitution. During a report of standing committees, it was announced that National Music Week to be observed the first week in May, will have a planned program in Haskell that will be city-wide in scope.

The program following the business meeting was the club's annual observance of Bible Day, with Mrs. B. M. Whiteker as speaker. Mrs. Whiteker gave a fitting tribute to the Bible, presenting "The Truth inside its cover, as the Book of hope of the world, for where the Spirit of the Lord is, there is Freedom." The speaker further pointed out that our American Creed owes its sound, basic, fundamental principles to the Bible, using quotations from the works of Benjamin Franklin and Andrew Jackson to show that these principles were written into our constitution. In conclusion Mrs. Whiteker stated that "No nation can rise without God" and that history reveals and proves deterioration begins when the Bible is discarded.

A musical program in keeping with Bible Day was presented. Mrs. John Barry sang "The Lord's Prayer," with Miss Martha Meadors as accompanist. Miss Meadors also played a piano solo, a concert transcription of "Whispering Hope." Mrs. R. C. Couch, Sr. sang a vocal solo, "Oh Love Divine." She was accompanied by Mrs. J. F. Cadenhead, Sr. who composed both the words and music of this beautiful and inspiring song. A duet, "The Lord Is My Shepherd" was presented by Mrs. Mart Clifton and Mrs. M. E. Helber. The program was concluded by audience singing "I Love Thy Kingdom Lord" with Mrs. Cadenhead as accompanist. Those present were Mrs. Mart Clifton, Miss Beryl Boone, Mrs. J. F. Cadenhead, Sr., Mrs. A. C. Foster, Jr., Mrs. Ross Fox, Mrs. M. E. Helber, Miss Martha Meadors, Mrs. B. M. Whiteker, Mrs. Tannie Squyres, Mrs. R. C. Couch, Sr., Mrs. John Barry, Mrs. Tommye Hawkins and Mrs. Jetty V. Clare.

December Sees Normal Rain In East Part Of State, Deficient In West Texas

Heavy local rains in Central and East Texas Dec. 1 and 2 produced floods on small streams. Several highways and farm roads were temporarily closed to traffic as swollen streams spilled flood waters over roadways. One life was claimed by a flash flood in Taylor following a six-inch cloud burst. Generally, the eastern half remained deficient in total precipitation for the month. Runoff in Texas streams followed the rainfall pattern with no outstanding floods occurring in the larger streams. Reservoir storage was not materially changed during the month, but shows a healthy increase over that of December 1952.

Precipitation
Rainfall averages varied from 1-10 inch in the Lubbock area to nearly five inches in northeast Texas during December. The statewide average was 1.76 inches—three fourths of normal. West Texas and the Panhandle rain-

fall averages were deficient while averages in Central and East Texas were normal. Moderate to heavy rains fell Dec. 1 and 2 over an area east of a general line from Wharton to New Braunfels to Greenville. The heaviest fall reported was over six inches in the Taylor area. Rains were well distributed according to time over the eastern part of the state during December.

Stream Flow
Flooding of small streams in the Central and East Texas areas during the first week of December claimed one life at Taylor. Inflicted local damage over the affected areas and temporarily blocked some highways to the normal flow of traffic. The larger streams in the areas of moderate to heavy rainfall carried the runoff from the smaller streams with ease. No significant floods occurred on the main rivers. Streams in the Panhandle, West Texas, and parts of North Cen-

tral, South, and East Texas were deficient in flow during December.

Reservoir Storage
Storage in nine reporting reservoirs in the state reflects a general improvement in the available water supply at the end of 1953 over the beginning of the year. The increase from 22,000 to 68,000 acre-feet of storage in Lake Dallas plus other sources of supply brightens the water supply aspects for the Greater Dallas area for 1954 over Jan. 1953. The Fort Worth supply in reservoirs on the West Fork and Clear Fork of Trinity River reached a low of about 170,000 acre-feet the first of October 1953 but recovered to 220,000 acre-feet at year's end—a gain of nearly 20,000 acre-feet in storage over the contents January 1953. Storage in the Wichita Falls area is about 100,000 acre-feet greater than a year ago. Storage in Possum Kingdom Reservoir on the Brazos (ranged from 278,000 acre-feet at the beginning of the year to 666,000 acre-feet on December 31) plus 367,000 acre-feet in Lake Whitney, adds up to a million acre-feet of drought insurance for the irrigation and industrial users in the lower Brazos River area. About 30,000 acre-feet of Texas water was released from the Falcon Reservoir on the Rio Grande during December for irrigation in the Rio Grande Valley. That amount represents a change in storage from about 960,000 to 930,000 acre-feet in Falcon Reservoir. The comparison of the present available water supply in that area to January 1953 conditions is spectacular. Although statewide changes in storage during December were not significant, the gain during 1953 effected by several periods of rainfall in critical drought areas producing runoff impounded by established and newly constructed reservoirs is heartening. San Angelo, Big Spring, Sweetwater, and many other municipalities can look to the new year with less fear of water supply shortages. The Colorado River Lakes have a combined storage of about two million acre-feet—this amount is not a large percentage increase over the contents of January 1953 as the storm of September 1952 in Central Texas was responsible for the improvement in storage that has been augmented by runoff above Buchanan Reservoir during 1953. Red Bluff Reservoir on the Pecos River and Medina Lake on the Medina River remain in the deficient class with about one-tenth of possible content stored in each.

Lewis J. Hester Is Candidate for Precinct 1 Commissioner

Lewis J. Hester, well-known farmer living east of Rochester, this week authorized the announcement of his candidacy for Commissioner of Precinct No. 1, subject to action of the Democratic primary.

Mr. Hester said he would likely have a formal statement later, but desired at this time to make his decision known to the citizens and voters of the precinct and solicit their consideration and support.

A resident of Haskell County and Precinct 1 all of his life, Mr. Hester is recognized as a successful farmer, thoroughly acquainted with the needs of the entire precinct and qualified to make an efficient and dependable official if elected as Commissioner. He believes in the application of sound business principles in handling the business affairs of the office, consistent with the best interests of the entire precinct and the county as a whole. And if elected, he will welcome and appreciate the suggestions and cooperation of citizens and taxpayers of the precinct in all matters pertaining to the Commissioner's office.

As the campaign progresses, Mr. Hester will try to see as many of the voters as possible in order to discuss his candidacy with them personally. Until that opportunity is afforded, he solicits and will appreciate any consideration given in his behalf.

Schaake, Mr. and Mrs. Leon Stegemoeller and Clayton, Mrs. F. W. Stegemoeller and the hosts. Kenneth Stegemoeller, son of Mr. and Mrs. F. A. Stegemoeller, and student at Texas Tech, spent the week end here with his parents. He brought James McDonald, another student whose home is in Wichita Falls, home with him.

Mr. and Mrs. Loll Young went to Austin Monday for the funeral of Mrs. Young's brother, Alton Wersebee, who passed away suddenly, a victim of a heart attack.

The Sagerton P-TA met in the school auditorium Tuesday night, Jan. 19. Mrs. Dippel's third and fourth grade room presented a short program and Mrs. Herbert Stremmel, program chairman for the month, directed the recreation. Mrs. D. W. Counts was refreshment chairman.

Henry Laughlin has returned to Sagerton after spending ten weeks in a Dallas hospital recovering from an operation and a broken hip which he received in a fall after his operation. His son, Grady and Oscar Manske went to Dallas after him. He and Mrs. Laughlin are living with their son and his family.

Mrs. Jack Tabor and daughter, Karen of Fort Worth are visiting with Mrs. John L. Guinn and family this week.

Sterling Edwards Asks Re-Election As Constable

Sterling Edwards, Constable of Precinct 1, this week authorized his formal announcement for re-election to that office, subject to action of the Democratic primary.

Mr. Edwards said he desired to express his appreciation, to the citizens of Precinct 1 for their confidence and support in the past, and solicits their continued support on the basis of his record as a public servant.

Mr. Edwards is well and favorably known throughout this section as a capable officer, and enjoys the friendship and cooperation of fellow officers over a wide area. The experience gained in the past will enable him to discharge his duties in a continued satisfactory manner in the future.

Precinct 1 embraces Haskell and surrounding territory, and Mr. Edwards will endeavor insofar as possible, to personally solicit the consideration and support of each voter in the precinct before the primary is held. In the meantime, he will appreciate any consideration given in his behalf.

Claude L. Ashley For Commissioner Of Precinct 1

Claude L. Ashley, well-known farmer living northwest of Haskell, authorized the announcement this week of his candidacy for County Commissioner of Precinct 1 in the coming Democratic primary.

A longtime resident of the county and Precinct 1, he needs no introduction to a great many of the citizens of the precinct and this section. A successful farmer, he is well qualified in every respect for the office he seeks.

In connection with his candidacy, Mr. Ashley gave the following statement:

"To the voters of Haskell County, and especially those in Precinct No. 1:

"I wish to announce that I am a candidate for Commissioner in Precinct No. 1. In doing so I hope you will accept this as a personal appeal for your sincere consideration in the coming election.

"I have lived in Haskell County and in Precinct 1 all of my life with the exception of about five years. I am engaged in farming and have been since I was old enough. I live now and have for the past 14 years about three miles northwest of Haskell and about seven miles east of Rule.

"I hope to see as many of you as possible between now and election time and personally solicit your support.

Yours sincerely,
 Claude L. Ashley."

R. A. Coburn Asks Re-Election As Assessor-Collector

County Tax Assessor-Collector R. A. (Austin) Coburn has authorized the announcement of his candidacy this week for re-election, on the basis of his record during the time he has served in that office.

Mr. Coburn, capable and popular county official, has combined experience and efficiency to achieve an outstanding record during his administration of the affairs of the responsible office of Assessor and Collector.

In authorizing his formal announcement this week, Mr. Coburn stated that he expressly desired to convey his appreciation to the voters and citizens of Haskell County for the confidence expressed in honoring him with the office he holds, and for the

many pleasant associations with the citizens of the county.

As time and the duties of his office will permit, Mr. Coburn plans to make as intensive a campaign as possible in order to thank the voters personally for their past support and to solicit their continued friendship and support.

In the meantime he solicits and will appreciate careful consideration of his candidacy by the voters.

W. C. (Red) Collins For Commissioner Of Precinct 4

W. C. (Red) Collins, well-known automobile dealer of this city, has authorized the announcement of his candidacy for Commissioner in Precinct No. 4, subject to action of the Democratic primary.

Mr. Collins has been a resident of Haskell for the past 15 years, and has been engaged in the automobile business, dealing in both new and used cars during that time, practically the entire time an independent dealer. He is recognized as a successful business man, and is actively interested in civic affairs for the betterment of his community and county. He enjoys a wide acquaintance not only in Precinct 4, but throughout the county as well.

In announcing his decision to seek the office of County Commissioner, Mr. Collins stated that he fully realized the important responsibilities of the office, and pledged if elected, to devote his best efforts to handling the affairs of the office in a business-like manner at all times. As a property owner and taxpayer, he will welcome and appreciate at all times the suggestions and cooperation of the citizenship of the precinct in all matters relating to the office of Commissioner.

As the campaign progresses, Mr. Collins will endeavor to discuss his candidacy personally with the people of Precinct 4 and solicit their support. In the meantime he will appreciate any consideration given in his behalf.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD
Texas Press Association

AUTIN, Tex.—A decisive turn on the question of a special session of the Legislature was due this week as a state committee

considered a way out on the teacher pay problem. J. W. Edgar, commissioner of education, had announced a week's delay in the all-important meeting because some of the 25 members could not be present. Before the committee was a compromise plan to give teachers a \$402 salary increase and require local districts to pay a percentage rather than a fixed amount of basic school costs.

Governor Allan Shivers indicated that if the committee agreed on the plan he would ask the views of legislators and then make his decision about calling a special session.

A sub-committee and most Texas school administrators previously reported their approval of the plan.

In view of the prospect for a special session, a potential candidate for governor continued his side-swipes at the Shivers administration.

Ralph W. Yarborough, Austin attorney, declared that the governor should call special elections to fill vacancies in the House of Representatives. Yarborough was defeated by the governor in the last campaign for the office.

Governor Shivers replied that "the governor's office will decide about calling a special election when and if it decides as to the special session."

Another "Loyalist" and prospective candidate for governor also took a slap at Shivers, without calling any names.

Agriculture Commissioner Jno. C. White blasted the state's cross-filling law as "a blessing for Republicans and a curse for Democrats."

"When a man cannot reconcile his personal beliefs with those of his party, then he should sever his connections with that party," White declared.

"But under no circumstances should he use his conflicting opinions as an excuse to betray his party."

"And that is the most damning

charge that can be made against some of our public officials during the year 1952," he said.

White's attack made it apparent that he would make cross-filling an issue if he and Shivers should become opponents in this year's race for governor.

He is the only state official who refused Republican cross-filling in the 1952 elections.

Governor Shivers, on the other hand, allowed his name to be placed on the GOP ballot and helped carry Texas for Eisenhower and the Republicans.

West Texas farmers and ranchers face increasing costs for drought emergency hay.

Applications for transportation aid have been halted despite \$400,000 more in federal funds marked for the program.

Agriculture Commissioner White said the program in the future will cover half of the freight costs up to a maximum of \$10 per ton.

On past shipments the program absorbed half the total cost and the railroads the remainder. The railroads stopped their reduced rates Jan. 1.

Freight cost payments have averaged \$12.23 per ton, according to agriculture officials. But they say that stockmen now are ordering from such states as Nevada and Idaho thereby increasing the costs to about \$35 per ton.

White estimated that aid allotments already made will exhaust the state-federal fund, if the allocations are used.

In addition, stockmen who already have allotments but have not placed orders for hay will be subject to the new payment policy.

Texas faces another serious problem in the overcrowded conditions in state hospitals.

"It is evident that with the expected increase in population overcrowding will remain a problem for years to come," the Board of State Hospitals and Special Schools reported to the governor.

Although the \$35 million seven-year building program has been going for three years, the board pointed out, it is keeping pace with demands for bed space in

the various hospitals.

According to the board, a survey of some of the institutions showed 20,850 patients occupying space suitable for 13,200.

Recommendations to the Legislature to subsidize care of the aged in private nursing homes is planned. Also, as soon as money is available, a system of outpatient control at mental and tuberculosis hospitals will be started, the board stated.

An organization of Texas cities has started an early campaign to get the attention of legislators before the regular session.

A program to obtain additional revenue from sources other than property taxes has been laid out by the League of Texas Municipalities.

Cities are "entitled to a fair share of the revenue from any increase in gasoline taxes" or any tax levied for road purposes, the league emphasized.

League members also plan to press for abolition of the ad valorem tax on motor vehicles. They would substitute an annual registration fee, increased by one-third, with the increase being paid to the city in which vehicle owner lives.

In view of the telephone rate problem, the league will call for creation of a state public utility rate aid service to be financed by cities asking for help in rate fixing cases.

A commission set up by the Legislature has urged all state colleges to require at least one course in American history.

Only one U. S. college in five requires study of this subject before graduation, the Texas Historical Survey Commission pointed out.

In a resolution the commission cited a survey which showed the typical college freshman as unable to specifically identify Abraham Lincoln, Thomas Jefferson, Andrew Jackson or Theodore Roosevelt.

"Hundreds of those interrogated thought that Walt Whitman was either a missionary in the Far East or an orchestra leader on the Atlantic seaboard," the resolution added.

An act of the Legislature is paying off with greater efficiency in state government.

State agencies were authorized to increase salaries if they could economize elsewhere. So far, pay raises have been given to 278 employees, and 28 jobs have been abolished.

The Texas Press Association held its sixteenth annual meeting here during the week end.

Among the outstanding speakers for the session were Palmer Hoyt, publisher of the Denver Post and Dr. George S. Benson, president of Harding College at Searcy, Ark.

SHORT SNORTS: The Texas Council of Churches has passed a resolution urging Protestants to accept whatever ruling the U. S. Supreme Court makes on racial segregation. Members were asked to help "insure to every person his fullest rights and opportunities as a child of God."

Gov. Allan Shivers proclaimed January 17-23 as Printing Week. The worldwide observance commemorates the 15th century invention of movable type and the progress in education resulting from it. Civil defense officials report that Texas is 38th in defense enrollment per 1,000 population.

*It's easy to clean
Blankets, pillows, toys...*

When you have an *Automatic Gas* clothes dryer!

Favorite toys, blankets, and pillows used to be tediously hard-to-wash. Now it's easy because you can fluff-dry them with gas in minutes!

Every feather in your pillows, each bit of stuffing in a toy becomes as soft and springy as when new in a gas dryer. Furry toys and blankets are smooth and fluffy, not matted and stiff.

Shag rugs, chenille, work and play clothes are lots easier to keep clean and new-looking. All these heavy, water-retaining items used to take many hours, if not days, to line-dry. Now they're as easily done as nylons.

And, of course, you're not at all dependent on the weather when you have a gas dryer. See the new automatic gas dryers now at Lone Star Gas or your favorite dealer's store!

ed for increased coverage of county and city budget hearings. "The obligation of the press to attend such hearings is probably 10 times as great as that of a mere citizen," he commented after telling the newsmen that the overall average attendance of citizens was only seven.

Since the hearings are "the citizen's only chance to have a voice in the disposition of his taxes," the press should increase its attendance. Shepperd reported that a survey made by his office revealed that 45 per cent of the budget hearings had only one citizen present, and that the overall average was only seven persons.

Also speaking Saturday were Ben Guill of Pampa, administrative assistant to Postmaster General Arthur Summerfield, and Frank Munroe, Midland school superintendent, who spoke on press and school relations.

Afternoon sessions consisted of separate meetings of the daily and weekly newspapers. Speakers on the weekly group program were C. M. Hatch, Hamilton Herald News; Harry N. Beall, Marfa Big Bend Sentinel; Ben Ezzell, Canadian Record; David Read, Silsbee Bee; Pat O'Bryan, Weslaco News; John Belsey, Comfort News; Bob Whitten, Navasota Examiner; and John Flemeister, Brownwood Banner.

Dr. George S. Benson, president of Harding College, Searcy, Ark., was speaker at the honor banquet which closed the convention Saturday night.
