## Quarter Horse and Palomino Shows Slated Here June 10-11

Annual Haskell Horse Show, sponsored by the Haskell County Tramp Club, will be held at the Rodeo Grounds in Haskell, Texas, on Friday and Saturday, June 10 and 11.

The show will be in two divisions, the American Quarter Horse and the Palomino. The American Quarter Horse show will be held on Friday, June 10, and the Palomino show on Saturday, June 11.

Williams is chairman of the show, and Jetty is in charge of entries. The show is open to the public and is free of charge. The show will be held from 10 a. m. to 6 p. m. on both days.

There will be a variety of classes in both divisions, including halter, harness, and performance. The show is a highlight of the Haskell County fair.

Classes start at 2 p. m. on Friday and 8 a. m. on Saturday. The show is a great opportunity for horse enthusiasts to see some of the best horses in the area.

For more information, contact the Haskell County Tramp Club. The show is a family affair and is open to all ages.

## Miss Lary Waskom Wins USDA Award For Work in Local FHA Office

MISS LARY WASKOM

Word was received here this week that Miss Lary Waskom, County Office Clerk for the Farmers Home Administration in Haskell, is to be awarded the Meritorious Service Award of the United States Department of Agriculture.

The award is for outstanding performance in connection with her work with the Farmers Home Administration. Along with the service award, Miss Waskom is to receive a cash award and an expense paid trip to the capitol in Washington, D. C. where she will spend several days visiting in the National office and observing different things in the nation's capitol.

Miss Waskom was nominated for the award by her co-workers in the Haskell office and the Haskell and Stonewall County FHA Committeemen. In notifying William E. Lawson, County Supervisor in Haskell, that Miss Waskom had won the award, Tulane Smith, Personnel Officer for the State of Texas said, "The nomination of Miss Elizabeth L. Waskom, County Office Clerk, for a Superior Service Award has been approved by R. B. McLeash, Administrator of the Farmers Home Administration in Washington. It has been forwarded to Ezra T. Benson, Secretary of Agriculture for his consideration. This action by the State and National offices singles Miss Waskom out as the best county office clerk in the State and one of the very best in the nation." Final confirmation of the Secretary's action on the award was received by telephone last Friday.

Miss Waskom and the local County Supervisor are to go to the State office in Dallas next week where the award will be presented and details of the trip to Washington will be given her.

## Seven Sears Gilts Awarded to 4-H Club Boys May 14

Seven Sears Duroc gilts were awarded 4-H club boys in Haskell County on Saturday, May 14. The following boys were given gilts: Royce Cox, O'Brien; Danny Walsworth, O'Brien; Jimmie Gammill, Rochester; Jackie Hammer, Weinert; Bill Russell, Haskell; Paul Gomez, Sager-ton; and Gene Leonard, Haskell.

These 4-H club boys will care for and show their gilts. They will return one gilt out of their first litter to carry on the program. 4-H club boys who raised the gilts that were given away this year were: J. C. New, Sager-ton; Lawrence Schonersted, Sager-ton; Glen Dale Schonersted, Sager-ton; Tommy Baitz, Sager-ton; W. L. Holt, Jr., Haskell; Ronald Florence, Rule; and Jerry Hutchinson, O'Brien.

According to F. W. Martin, county agent, this group of gilts given away this year was the most uniform group of gilts ever to be awarded in the county under this program.

## Black Indians To Play Stamford In Opener Sunday

Haskell Black Indians Baseball Club has announced its season opener, to be played at Fair Park Field here Sunday afternoon, May 22 when the Indians meet their traditional foe, the Stamford Blue Sox.

Albert Sharp, manager of the Indians, says the reorganized club has a promising team this year, with a number of new players showing up well in daily workouts which have been underway during the past two weeks.

Manager Sharp also expressed appreciation of the club and team members to the business people of Haskell who generously contributed \$266.50 to help the club purchase new uniforms and playing equipment.

Sunday's opening game will begin at 3:30 p. m. sharp, and it is hoped that a good turnout of fans and supporters will be on hand, the club manager said.

## Lions See Films On Traffic Safety At Meet Tuesday

Principal Billy Snow of Haskell Elementary School was in charge of the program at the meeting and luncheon of the Lions Club Tuesday.

The director presented two films stressing traffic safety, one from the pedestrian's angle and the second film on safe driving. Among major points stressed in the first film were the observance of simple rules of safety. Pedestrians should always stop at the curb, look both ways, and wait until it is safe to cross. Then walk, don't run, and cross in zones marked for pedestrians.

The film was prepared by the National Assembly of Safety Patrols, which has half a million members in America.

The second film stressed safe driving. Some of the main requirements were given as expert understanding of the vehicle, ability for full perception, along with pride in driving an automobile.

Both films were furnished as a courtesy of Chevrolet division of General Motors, provided through the local dealership, Eubanks Chevrolet Company.

A visitor at the meeting and luncheon was Mike Harris of Memphis, Texas.

Gene Hunter, president, and Fred Gilliam, treasurer of the Saddle Tramp riding club which is sponsoring agency for the Roundup, said the 1955 show, from a financial standpoint, showed a substantial gain over last year's event. However, they pointed out that considerable building expense and improvements were made to the plant in preparation for the first Roundup last year.

Again, as last year, the Roundup had a break from the weatherman, with ideal weather prevailing during the three-day show following good rains earlier last week.

## Seven Top-Ranking Students Named In Haskell High School Senior Class

High School Principal W. P. McCollum has announced seven honor students in the Senior Class. Each honor student had a four-year average of 90 or above on all high school subjects, the principal explained.

Barbara Mullins, with an average of 95.3, is valedictorian, and Jerry Wheatley, with an average of 94.7, is salutatorian.

Miss Mullins, daughter of Mr. and Mrs. J. W. Mullins, was selected for Who's Who in HHS and is business manager of the high school annual. She is a member of the National Honor Society and the Office Workers and Librarian Club, and is a district officer in the Future Homemakers. She was class favorite in her freshman year, was in the cast of the junior and senior class plays. A majorette in the HHS Indian Band, she has been a member of the organization four years.

Jerry Wheatley, salutatorian, is the son of Mr. and Mrs. Carl Wheatley. He was selected for Who's Who in HHS, was class president in his junior year and an officer in the H Club. He lettered in football four years and two in track. A member of the annual staff and the National

Honor Society, he was in the cast of the junior and senior class plays. Other honor students, in the order of their scholastic average in high school, are: Betty Melton, daughter of Mr. and Mrs. Millard Melton, is a

## Haskell Woman's Brother Injured In Mine Accident

Bobby Crawford, 27, brother of Mrs. Joe Oldham of this city, was critically injured last Thursday in an accident in a copper mine near Globe, Ariz.

According to information contained in a telegram to Mr. and Mrs. Oldham, the accident occurred about 4 p. m. Thursday, and Mr. Crawford suffered a fracture of his spine and other injuries. Crawford, born and reared here, had been living in Globe for a number of years and had been employed in a copper mine near that city for something like 10 years. He has a family and several children.

Mrs. Oldham left Friday for Globe to be at the bedside of her brother.

## Royce Smith Takes Coaching Position In Iraan School

Royce Smith, head football coach in Haskell High School for the past four years who resigned May 1st, has accepted a position as head coach in Iraan High School, he said this week.

Mr. and Mrs. Smith and their two-year-old daughter, Philda, plan to move to Iraan during the summer and he will begin his duties with the school there in August.

Smith has a one-year contract with the Iraan school as head football coach. He will name one assistant football coach at Iraan. The Pecos County school is in Class A bracket of Interscholastic League football.

Before becoming head football coach in Haskell High School, Smith was assistant coach here two years under Jack Ruten.

During Smith's tenure as head coach, the Haskell Indians in district play have won 18, lost five, and tied one game. Three of the conference losses were in 1951. In 1952, Smith coached the Indians to district and bi-district titles, losing to the Wink Wildcats who went on to win the state title.

Season record of the Indians during the four years Smith was head coach, including games with AA teams, lists 24 games won, 17 lost, and one tied.

Smith said Wednesday that he had made no decision as to selection of his assistant at Iraan.

## Roberts Cemetery Working Slated Friday, May 20

In order to beautify the premises by clearing out all weeds and grass, a cemetery working will be held at the Roberts Cemetery northeast of Haskell, Friday May 20.

Working will start at 4:30 p. m., and after all the work is completed, a basket supper will be spread.

Everyone interested is urged to come, bringing tools to work with, and a basket lunch.

Mrs. Truett Cobb, secretary of the cemetery association, also requests that all cemetery dues be paid up to date.

"Help us keep our cemetery clean and beautiful by turning out Friday and helping in the clean-up program," sponsors of the event urged.

## Sky-Vue Drive In Reopening Is Set For May 26

Reopening of the Sky-Vue Drive In theatre on Highway 24 in West Haskell has been set for Thursday, May 26. Film attraction for the opening program will be announced next week.

A new policy instituted this season by the popular drive in theatre will bring two big features five nights weekly.

The double features will be shown each Saturday, Sunday, Monday, Thursday and Friday.

The drive in has also announced that each Tuesday and Wednesday will be "buck night" when a special admission price of \$1.00 per carload will be in effect.

Bookings for the spring and summer season includes some of the outstanding film attractions of the year, the management announced, and only first run movies will be shown.

## Rice Springs Roundup Is Rated Outstanding Success

Second annual Rice Springs Roundup went into the record books as an outstanding success, matching last year's initial Roundup in interest and attendance, while the list of contestants in the various events exceeded that of the 1954 show.

Gene Hunter, president, and Fred Gilliam, treasurer of the Saddle Tramp riding club which is sponsoring agency for the Roundup, said the 1955 show, from a financial standpoint, showed a substantial gain over last year's event. However, they pointed out that considerable building expense and improvements were made to the plant in preparation for the first Roundup last year.

Again, as last year, the Roundup had a break from the weatherman, with ideal weather prevailing during the three-day show following good rains earlier last week.

Opening day Thursday drew the Roundup's largest attendance. Crowds which thronged sidewalks and streets in the business section around the square at 4 p. m. Thursday for the opening day parade were estimated at more than 4,000 people by parade officials.

Headed by the Stamford High School Bulldog band, the colorful 10-block long procession included the HHS Indian Band, with the two school units playing parade music, followed by riding clubs from several neighboring towns. Among these were the Seymour

Remuda, Breckenridge Buckaroos, Stonewall County Sheriff's Posse, Olney Boots and Saddle Club, and the Saddle Tramps, host club. Other units included late model autos, mobiles furnished by local dealers.

Western entries, including the Seymour Remuda Chuck Wagon, miniature buggy pulled by Shen and ponies, clowns and specialty entries. More than 100 cowboys and cowgirls also rode in the parade.

## Mothers-Teachers Annual Ball Game Scheduled Monday

The annual baseball classic of the season, always an event marking the close of school, is in store for baseball fans of this area Monday evening, May 23.

## Ives June Casey Will Compete In State 4-H Contest

Ives June Casey will represent Haskell County and District III at the annual 4-H club dairy food contest. This contest will be held as part of the annual 4-H Roundup on the campus of A&M College June 8-10.

Ives June will give a demonstration entitled "Calories Count." She will prepare a Low-Calorie Salad Dressing and serve it as part of a nutritious weight reduction diet. As part of the demonstration, she stresses the importance of having low calorie diets, yet having them rich in the nutrients required in daily diets for people to maintain or regain normal weight.

At the present time, Ives June is the president of her 4-H club. She has completed numerous 4-H projects, has held club and county offices and has served as a junior leader.

Ives June is the daughter of Mrs. Nona Casey and is a sophomore in Rule High School. Others to attend the Roundup and contests are Doris and Christine Hutchinson, who will give a vegetable demonstration and Emilee and Jean Griffith who will give a safety demonstration.

## Stonewall County Grand Jury In Session Today Investigating Aspermont Slaying

A 39th District Court grand jury for Stonewall County was scheduled to meet at 10 a. m. today in Aspermont to investigate circumstances surrounding the slaying last Saturday of Jack Hahn, 32, at a farmhouse south of Aspermont.

Assisting the grand jury in the investigation will be District Attorney Royce Adkins of this city. Hahn was killed Saturday between 2 and 4 p. m., with a shot from a .410 gauge shotgun. Hahn's body was found in the kitchen of the home of Bill Humphreys, 58, five miles south of Aspermont.

A charge of murder was filed against Humphreys Saturday night and this charge was to be referred to the grand jury meeting this morning, the district attorney said.

Humphreys signed a statement saying that Hahn had attacked

him and that he had shot in self defense, Adkins said.

Humphreys reported the shooting to Chief Deputy Frank Poore at Aspermont about 5 p. m. He had had to walk to the highway, some distance from his home, and catch a ride into Aspermont before he could surrender himself.

Hahn had been staying at Humphreys' home. Both men were single. Hahn was a Navy veteran and a carpenter by trade. He had lived all his life in Stonewall County with the exception of his years in the service.

Assisting Stonewall County officers and State Ranger Jim Paulk in investigating the shooting were Haskell county and city officers, including Deputy Sheriff Jim Alvis, Chief of Police B. T. Gordon, City Officer T. P. Barnett, and City Marshal Raymond Denison of Rule.

## Supper at Springs Park

Supper will be held at Springs Park Friday 20 at 7:30 for members of the Rehoboth Lodge and their families. Members are urged to come for a picnic lunch. Regular lodge meeting at May 23, Mrs. Ruby Lela Buerger and Mrs. Kelsa will be in-

#### 20 Years Ago—May 16, 1935

Miss Anna Maude Taylor, daughter of Dr. and Mrs. L. F. Taylor, was elected this week as student secretary at Hardin-Simmons University, Abilene. Miss Taylor is a junior student in the university.

Small creeks and tanks in Haskell County were bank full Wednesday following rainfall of almost three inches. It was one of the heaviest rains of the year.

Forty-five Seniors will receive diplomas from Haskell High School at Commencement Exercises May 27. The Rev. Chas. A. Tucker, Presbyterian minister, will deliver the baccalaureate sermon Sunday, May 26.

Miss Louise Kaigler returned Saturday from Hobbs, N. M., where she taught dancing in the Hobbs school during the past term.

Mrs. Luther Cummins and son spent Mother's Day with her parents, Mr. and Mrs. R. A. Bradley.

Mr. and Mrs. John L. McCollum of Dallas spent the week end here with their parents, Mr. and Mrs. N. I. McCollum and family. John L. McCollum was recently transferred from Washington, D. C. to Dallas, where he is with the regional office of the U. S. Department of Agriculture.

Miss Frances English, who is attending Parsons Beauty School in Abilene, spent the week end with relatives here.

Willard Warren of Oklahoma City spent several days this week with his parents, Mr. and Mrs. Claud Warren in this city.

S. Hassen was in Temple last week end with Mrs. Hassen who is convalescing from a recent major operation. She is expected to be able to return home in a few days.

Mrs. Fritz Taylor and son, Douglas Rae of Wichita Falls have returned home after several days visit with Mrs. Taylor's parents, Mr. and Mrs. R. D. C. Stephens.

Judge L. D. Ratliff is in the Stamford Sanitarium recovering from an operation for appendicitis. He was stricken suddenly Saturday, and was rushed to the sanitarium in a Jones & Cox Co. ambulance.

#### 30 Years Ago—May 15, 1925

Thousands of dollars damage to crops in Jones County resulted

Sunday night when a cloudburst dumped more than five inches of rain within a period of a few hours. The section around the little town of Stith was hardest hit by the flood.

According to County Agent W. P. Trice, grasshoppers are appearing in large numbers in most all sections of the county. The pests are causing considerable damage, and steps are being taken to control the insects by poisoning.

During the rainstorm last Saturday night the home of Felix Frierson in the Midway community was struck by lightning. Fortunately, no one was injured, as the family had gone to a storm cellar at the approach of the cloud. Some damage was caused to the roof of the house.

Elgie Harwell of the Sayles community recently found a coyote den in his pasture which contained eight little ones. He took them to the house and in a few days had sold them as pets, realizing as much as \$5.00 each for some of them. Haskell County is so progressive a man can make money out of anything he undertakes.

Oscar Meyers and Elmer Irwin of this city have purchased the English Meat Market and will move the market and equipment into the Collier Grocery on the east side.

Mr and Mrs. J. L. Southern

have returned from a vacation trip.

Mr. and Mrs. T. J. Arbuckle and Mr. and Mrs. Owen Fouts attended the West Texas Chamber of Commerce convention in Mineral Wells last week. From there they went to Fort Worth for several days visit.

Mrs. O. E. Oates, who has been in Mineral Wells for the past two months has returned home. Mrs. Sam Chapman of Rochester is visiting her daughter, Mrs. Clay Smith this week.

Mrs. O. E. Patterson and little son Tommy are spending several days with her mother in Mineral Wells.

J. W. Cox and family returned from the South Plains early in the week. Mr Cox says he ran into lots of rain and mud on the return trip.

50 Years Ago—May 20, 1905  
L. D. Morgan has sold his livery business, the Opera House Stables, to Jack Simmons, who is now in charge of the business.

District Attorney C. C. Higgins passed through Haskell a few days ago on his way to Throckmorton, where a term of District Court opens Monday.

J. C. Turner and Postmaster W. P. Phillips of Ample were in town Thursday. Mr. Turner was circulating a petition for subscriptions to a fund with which to build a union church, Woodman Hall, and schoolhouse at Ample.

S. R. Rike, Will Fitzgerald and Perry Clayton have returned from Vernon, where they deliv-

ered a bunch of steers purchased here recently by Vernon parties.

Dr. Reagan of Pinkerton was in Haskell Wednesday. Although the doctor celebrated his 90th birthday a few days ago, he is hale and hearty and has a number of years to his credit yet, he says.

W. L. Cason returned Saturday night from a business trip to Dallas. He informs us he purchased quite a bit of merchandise, including some new lines to be added to the store.

Mrs. R. E. Sherrill returned this week from Abilene, where she spent several days visiting friends.

A. C. Sherrick has sold his ranch of over 4,000 acres in the north part of the county to Dr. A. J. Nolen of Alabama. We are told that Dr. Nolen plans to put 1,000 acres of land in cultivation, and will build 10 tenant houses. Mr. Sherrick plans to move to Haskell.

J. W. and Henry Johnson went to Stonewall County this week to look at a ranch they are considering buying.

Considerable cotton which has been left in the weigher's yard since it was ginned last fall has been sold recently. Several wagon loads went out this week.

W. D. Garren of the southwest part was in town Saturday and said the wheat in his section was heading and with a good rain would fill out and make a good crop.

### Sixty-Four Piano Students Take Part In Guild Auditions

National Piano Auditions, sponsored by the National Guild of Piano Teachers, were held in Haskell on May 10, 11 and 12. Students successfully passing the thirty-two point test on from three to ten memorized classics each, are pupils of Mrs. Hubert Bell and Mrs. W. E. Lawson of Haskell, Mrs. Mary Lawson and Mrs. Betty Norris of Rule, and Mrs. D. E. Peyatt of Knox City, all Guild teachers.

Four of these students qualified for National Membership by playing ten memorized pieces. They are Nancy Gibson of Rule, Jan Barnett, Pamela Baird, and Tommy Pogue of Haskell.

Miss Nancy Philbin, teacher in a piano conservatory in Grand Forks, N. D., was well pleased with the performance she heard, and was complimentary toward the work of the students and their teachers. She came from North Dakota to hold auditions in Amarillo, Lubbock and Haskell.

Due to an overflow of students in Haskell and a time limit for Miss Philbin's stay, audition hearings were completed Thursday by Mrs. Edwin Young of Abilene, wife of Dean Young of Hardin-Simmons University.

Local students winning pins and certificates for membership in the National Fraternity of Student Musicians were:

### Elementary P-TA Bases Program On Work Evaluation

"Let's Evaluate" was the title of the final meeting of the Junior High Parent-Teacher Association Friday afternoon, May 13, in the Homemaking Cottage. The year's work was evaluated through interesting reports given by officers and committee chairmen. One of the most outstanding was the report of the membership chairman, Mrs. Raymond Davis. She reported that 260 joined P-TA this year, a gain of 146 over last year. Twenty-six of these members did not have children in school.

James E. Johnson, principal, expressed his appreciation for the work the organization had done during the year.

Mrs. J. L. Mullins gave an interesting and timely devotional. In behalf of Mrs. James E. Ferguson, outgoing president, Mrs. R. W. Herren read the poem "President's Easy Job," borrowed in honoring Mrs. Ferguson's Life Membership, which was pledged at the district convention. Mrs. Herren presented her with a life membership pin, a framed certificate and billfold card.

Mrs. F. W. Martin, music chairman, led the group in singing America.

Mrs. Fred Brown, program director introduced Mrs. J. V. Frizzell, Jr. from Stamford, who conducted the impressive ceremony of installing the officers for 1955-56. These officers were Mrs. Cecil Corley, president; Mrs. J. A. Bynum, vice president; Mrs. Sam Herren, secretary; Mrs. Virgil Sonnemaker, treasurer. As Mrs. Frizzell gave the duties of each officer she pinned a corsage which depicted these duties. The president's corsage contained a miniature gavel, the vice president's a miniature year book, the secretary a small gold pencil, and the treasurer, money.

Mrs. Corley, in a brief speech stated her aims and urged the cooperation of all members during the coming year. She then appointed the following officers and committee chairmen: historian, Mrs. Frank Urban; parliamentarian, Mrs. O. J. Curry; reporter, Mrs. Fred Brown; program, Mrs. J. A. Bynum; membership, Mrs. John Larned; hospitality, Mrs. R. W. Herren; publications, Mrs. Jean Elliott; education for family living, Mrs. D. V. Hiebert; room sponsor representative, Mrs. John Roberts; civil defense, Mr. and Mrs. Clay Hattox; budget and finance, Mrs. Shelley Royall; publicity, Mrs. J. L. Mullins; character and spiritual education, Mrs. Raymond Davis; music, Mrs. F. W. Martin; child welfare and health, Mrs. Scott Green; legislation, Mrs. Norman Nanny; goals, James E. Johnson; safety, Sammy Spratt.

Mrs. Woodson's room won the room count with the most members present. Following the meeting cake and punch was served in the home-making dining room. Mrs. J. A. Bynum, Mrs. Guy Collins and Mrs. Clyde Bland were hostesses.

### Miss Emily Moore, Jesse Woodard, Plan June Wedding

## Indians Defeated In Final Games of District Baseball

The Haskell Indians dropped their final two games in District 5-A high school baseball, losing to Rotan 5-2 Thursday night at Rotan, and being defeated by Colorado City 5-1 Tuesday night. It was the Indians first entry in high school conference baseball, and although unsuccessful in their try for a title, Coach T. O. McClung has developed the foundation for a much stronger team next year. The Indians will lose only one player from their first-string roster, Bobby Rexrode, who graduates this year. In conference play this season, the Indians won three and lost six games. In Thursday night's game, Larned and Starr, Indian mounds-men marked up six strike-outs, while Rotan's Valez struck out eight Redskins. Tuesday night, Colorado City started early, with Cavthron blasting a circuit clouter, followed by Williams, pitcher for the

## visitors, who rapped out a triple, all in the first stanza. Rob Starr, starting on the mound for the Indians, was relieved by Jerry Larned in the third.

Haskell's lone tally also came in the first, with David Josselet rapping out a single, with Larned and McGary following with singles to score Josselet. Bobby Rexrode, Indian catcher, led the Tribe's hitting attack being credited with two hits in three times at bat.

Mr. and Mrs. W. E. Watkins of Knox City and Mrs. Holt Moseley of Melrose, N. M. visited in the homes of Mr. and Mrs. James A. Greer and Mr. and Mrs. Joe Clark Friday afternoon.

Mrs. Bruce Lee, nee Barbara Ann Russell was honored with a gift tea Friday afternoon May 13 at the home of Mrs. Alton Byrd.

Mrs. L. N. Bursleson, one of the hostesses, greeted guests at the door and Betty Sue Mitchell registered guests and gifts in the bride's book. She also displayed gifts.

The refreshment table was laid with a cut work cloth and the centerpiece was a lovely arrangement of flowers. Table appointments were crystal.

Patsy Carver and Elaine Alvis served white cake squares, grape punch and mints.

The hostess gift was a Queen Elizabeth bedspread.

One hundred and thirty-eight sent gifts or called during party hours.

Mr. and Mrs. Alton Byrd went to Stamford on business Monday evening. They also enjoyed a Mexican supper with Mr. and Mrs. Bobby Easterling.

Ladies of the Methodist church were hostesses at a Hobo party for the Juniors and Seniors and high school faculty Thursday night of last week.

Guests came dressed as hobos and picked up food at different homes on their way to church. Menu consisted of hotdogs, chili, red beans, potato salad, onions, pickles, homemade ice cream and iced tea. After the supper games were played on the church lawn.

James Reid won the prize for being the most typical hobo.

Mrs. Jack Davis and children of Gainesville and Mack Rae Clark, student at ACC, Abilene, spent the week end with Mr. and Mrs. Bud Clark.

Mr. and Mrs. Otis Smedley of Wichita Falls visited her parents, Mr. and Mrs. J. H. Wolf Sunday.

Mr. and Mrs. Otis Gatewood of

Abilene spent Sunday in Rochester. Mr. Gatewood preached at the Church of Christ Sunday morning. They recently returned from Germany where they have been doing missionary work for several years. They are here in the States for a few months in the interest of the Missionary work of the Church of Christ is doing in Germany.

## HASKELL VISITORS IN G. T. GARRETT HOME

Garrett and children of Midland, Mr. and Mrs. Weldon Garrett and son of Odessa, Mr. and Mrs. Willie Farrell and sons Cleve and Billy, Mr. and Mrs. Jack Sellers and Mrs. C. L. Garrett.

## Better Stand of Maize Is Noted Following Guar

Maize comes up to a better stand following guar than where it follows maize. This is what E. S. Johnson said about maize planted this spring. Johnson is a district cooperater who farms eight land about 8 miles north-west of Anson. This is the first information about crops following guar in this area. There were many farmers that planted guar last year—effects on crops following those plantings will be in the district news as results show up.

Plant guar when cotton is planted or even later. Plant 4-5 pounds per acre with a maize plate. Inoculate seed with guar inoculant because guar is a legume.

**Items Ranging from Floor Wax to Goggles  
In Routine Purchases Made by City**

The varied items required in operating city government and maintaining municipal services comprises a surprisingly wide range—from bulldozer parts to floor wax and postage stamps.

Those are only a few of the items that show up on the monthly bills which are regularly checked by members of the City Council, generally at the first meeting of each month.

Other items listed in routine purchases for the different departments include house paint, goggles, towels, cement, brooms, oakum, welding rods and radio tubes.

That would be only a partial list, as literally hundreds of items are used by employees in providing municipal services. These services include paving and street maintenance, police and fire protection, park facilities, domestic water service, along with garbage disposal and sewer service.

**Don Dendy, HHS  
Gridder, Enrolls  
At Howard Payne**

Don Dendy, 175-pound all-state center on Haskell's Class A high school team last fall, has signed a letter of intent with Howard Payne College. Dendy, now living in Brownwood, will graduate from Brownwood High School this month. He plans to enter Howard Payne this fall.

The former Haskell grid star is slated to play on the 28-man North squad in the all-star game at the annual Texas high school coaches school in San Antonio August 5. He is a cousin of Bob Dendy, former grid star at Howard Payne.

**Street Sweeper  
Overturns, Kills  
Munday Man**

T. H. Armstrong, 51, Munday street sweeper operator, was killed Saturday when the three-wheel sweeper toppled over as he turned it and crushed him underneath the machine. He died shortly after arriving at the Knox City Hospital.

The accident occurred on Highway 277 a block south of the main business section in Munday at 3:10 p. m.

A native of Collin County, he moved his family to Munday in 1947. He had been an employee of the City of Munday for about two and a half years.

Funeral for the accident victim was held Monday afternoon in the First Methodist Church in Munday.

Mr. Armstrong is survived by his wife and 10 children.

**TUESDAY SAFEST  
DAY FOR TRAVEL**

Austin—Tuesday was the safest day for travel on Texas rural highways in 1954. Saturday was the most dangerous. The number of fatal accidents by days: Sunday 319, Monday 188, Tuesday 147, Wednesday 188, Thursday 174, Friday 218, and Saturday 325. According to these figures, traveling on rural highways on Saturdays or Sundays was more than twice as hazardous as traveling on Tuesday.

**Nancy Earles Peiser, Helen Jean Cox Honor Students of Paint Creek School**

Nancy Earles Peiser and Helen Jean Cox were named honor students in the Senior Class of 1955 in Paint Creek Rural High School. Commencement exercises were held at the school auditorium Wednesday evening, when diplomas were presented to Helen Grand, Don Summers, John Russell, Geraldine Hise, Sudy Mickler, Rudy Raughton, and the valedictorian and salutatorian. Nancy Earles Peiser, daughter of Mr. and Mrs. Johnnie Earles of Haskell, was valedictorian, Nancy's average is 94.21 for her four years of high school work. She received the honor of being the best girl athlete in her Junior and Senior years; was co-

captain of the girls basketball team in her Junior and Senior years; was secretary-treasurer of class in her Junior and Senior years. She lettered four years in basketball, was photography editor of annual and president of the pep squad in her senior year. She was class favorite and president of the class in her freshman year; was leader of the pep squad and reporter for FHA in her sophomore year, and president of FHA in her junior year.

Helen Cox, daughter of Mr. and Mrs. W. S. Cox of Haskell was the salutatorian of Paint Creek High School. Her four years average was 91.57. Helen was a popular student all through high school. She was president of the class in her Junior and Senior years, editor of the high school annual in her senior year and FFA Sweetheart. She was leader of the pep squad, secretary-treasurer of FHA in her sophomore year. She was a member of the basketball team for two years. She was voted the "Best All Round Girl" in her Junior and Senior years.

**Mattson Employs O'Brien Coach As Superintendent**

Elvin Mathis, coach at O'Brien High School for the last two years, has signed a one-year contract as superintendent of schools at Mattson.

Mathis succeeds Gus Coleman, who resigned to enter private business in Oklahoma.

Mathis coached at Baird, Paint Rock, Water Valley and at Thomas A. Edison Junior High of San Angelo before coming to O'Brien. A graduate of Crews High School, Mathis received a B. A. degree from McMurry in 1941 and an M. A. degree from Hardin-Simmons in 1950.

The new Mattson superintendent served 2 1-2 years in the Marine Corps during World War I.

He is married to the former Edith Dusek of Lowake and the couple has one daughter, Mary, a second grade student.

Mathis coached district winners in basketball at both Water Valley and O'Brien and developed such boys as the late Dick Miers of ACC and Captain Oscar Dorsey while at Water Valley and Paul Dean Gothard, McMurry freshman, and Dwayne Johnston, 1955 Class B All-State selection, at O'Brien.

**Haskell Soldier Finishes Radio Repair Course**

Camp Gordon, Ga.—Pfc. Kenneth W. Leonard of Haskell, Texas, recently graduated from the Field Radio Repair Course, one of the many courses offered at the Southeastern Signal School, Camp Gordon, Ga. He is the son of Mr. and Mrs. W. A. (Drew) Leonard of Haskell.

The Field Radio Repair Course, which is 25 weeks in length, trains selected enlisted personnel to perform field and depot maintenance and repair of field radio equipment, radiac detection instruments, and army aircraft equipment.

During his training, Pfc. Leonard received a technical education worth thousands of dollars. He will now be reassigned to an active unit of the United States Army.

The Southeastern Signal School, the largest communications college in the world, is located near Augusta, Ga. This installation furnishes trained signal technicians to army units all over the world.

**Clipping Can Stop Growth of Grass Roots, Tests Show**

According to recent tests, grass roots can be stopped from growing for 17 days with one operation.

Frank Crider of the Soil Conservation Service found this can be done by clipping 90 per cent of the leaves one time. The grasses tested were Bermuda, blue grama, King Ranch bluestem and witchgrass. Crider also found that all rootgrowth stopped for 12 days when 80 per cent of the foliage was clipped. Parts of the root systems stopped growing after one clipping of 70, 60 and 50 per cent of the top growth. All root growth was stopped after 33 days when Crider repeatedly clipped off 70 per cent of the foliage. Root growth continued when only 40 per cent of the top was removed.

Many farmers and ranchers are using the thumb rule to "take half and leave half." The half that's left will take in water where it falls.

### Hard Downpour Spills Inch of Moisture Here

More than an inch of rain fell here within the space of 45 minutes Wednesday afternoon in one of the heaviest downpours in recent months. The hard rain brought the days total to 1.20 inches, and the total for the week to 1.43 inches.

The rain apparently was general over this area, with similar amounts reported from all sections of the county.

During the downpour, a bolt of lightning set off one of the fire department's sirens located in a residential section in the northwest part of town. Many residents, who had heard radio warnings of incipient tornadoes in this section, scurried to storm cellars when the siren was set off. The alarm wailed for several minutes before firemen could determine what had happened and stop the siren.

Also during the rainstorm, a small twister struck in the Sayles community about five miles southwest of Haskell. A shed on the Albert Stewart farm was demolished. On the adjoining Burton & Dotsen farm operated by Bill Fouts, a large shed-like barn was wrecked and a tool shed unroofed. Part of the metal roofing was scattered a considerable distance. Curiously, the twister apparently was traveling in a northwesterly direction, Fouts said, judging by the debris left in its path.

### Cataract Common Affliction With Older People

AUSTIN — Though cataracts are considered a rather common affliction of older people, there is no longer any reason to fear them, declared Dr. Henry A. Holle, State Health Officer. Many think that once cataracts appear they are doomed to either blindness or an ordeal of surgery which may destroy what sight is left. Such notions have no basis in fact.

An advancing cataract brings on a dimming of the vision, and, in some cases the individual sees spots before his eyes, or sees double. If a cataract is left to develop long enough, it will appear as a faint grayness in the pupil of the eye. With complete development, the grayness will turn to dead white. Cataract is not a disease but a clouding of the lens of the eye.

Cataract can be well under way before the patient notices any visual defect. In such cases, only a physician or eye surgeon can discover the condition in time to arrest the process. When the fogging moves to the center of the pupil, the individual becomes conscious of a reduction in vision. The cataract is now well on its way. Its growth may be hastened by ill health, focal infections, overwork and neglect of one's health. Another contributing factor is defective vision resulting from astigmatism, and neglecting to use properly fitted glasses to correct such defects. Eyestrain, conscious or unconscious, can play a major role in cataract formation.

### STOCK ON HIGHWAYS CAUSE MANY DEATHS

Austin — In 1954 there were 1,813 collisions of motor vehicles with animals reported to the Department of Public Safety. In these collisions 6 people were killed and 256 injured. In 1953, the toll was 8 killed and 266 injured. This is a heavy price to pay for pasturing private stock on public highways but it will be paid year after year until the drivers demand a stock law that will provide authority, facilities and personnel for counties to impound and sell untethered stock on highways.

### Roundup — (Continued from Page 1)

trophies offered in the parade went to Seymour Remuda, Stone-wall County Sheriff's posse, and the Boots and Saddle Club of Oil-re, in that order.

Dr. T. W. Williams was parade chairman. Judges for the rodeo events were Eddie Caldwell of Fort Worth and N. A. Pitcock of Aspermont.

Rex Felker, C of C manager, was announcer for the show, and sound equipment was furnished by the Texas Company through courtesy of Fred Gilliam, local oil dealer.

John Wallace was arena boss and Brooks Middleton flagman. Ray Overton, Jr., and Duke Montgomery served as timekeepers, and Mrs. Margaret Overton was secretary. Record keepers in the Judges stand were R. C. Couch, Jr., and Bob Herren. Other members of the riding club worked in various capacities in promoting the success of the event.

### Fort Worth Cowboy Is Top Winner

John Roberts, Fort Worth cowboy, won top money and the championship award, a hand-made saddle given for the best roping time in the three day show.

Roberts combined time on four head of stock, two in calf roping and two in steer roping events, was 52.1 seconds. His time on roping and tying two calves was 31 seconds flat, and on two steers in ribbon roping total time was 21.1 seconds.

Individual winners in the various events:  
 Calf roping, first go-round: Sonny Phillips, Abilene 13.8; Jack Newton, Abilene 14.3; Connie Gibbs, Abilene 15; T. W. Flenniken, Crosbyton 15.3 Sec.

### STRONG RECOLLECTIONS

## The Stranger Will Never Be Back, But Reminder of His Visit Lingers

As a general rule, callers at the police station in the City Hall receive a friendly welcome.

However, a visitor Monday night completely upset usually calm and efficient Police Chief B. T. Gordon and caused him to make a break for a shotgun. Also he was instructing City Fireman "Satch" Lusk, who doubles as radio dispatcher, to call in the city patrol car and Officer T. P. Barnett as reinforcements.

It happened so quickly that a reporter, sitting with his back to the door, failed to realize the

immediate seriousness of the situation.

The stranger was the least excited of all. After a casual glance inside the room, he turned and walked unconcernedly down the alley, the wide white stripe down his back and tail plainly visible.

After checking the wind drift and discreetly allowing the four-footed visitor to proceed a considerable distance, Chief Gordon cut loose with a volley from his shotgun.

The blast killed the animal. But a strong recollection of the visitor will linger—probably for several days.

### Faye Thompson To Attend Training Union School

Mrs. Faye Thompson plans to leave Haskell next week to attend a Training Union School at the Texas Baptist Seminary in Fort Worth. The course will begin May 25 and continue through May 29.

Following completion of this study course Mrs. Thompson will go to Mexia, Texas, where she will conduct a Training Union Study Course.

Mrs. Thompson plans to spend the summer conducting Training Union courses at various points in the state.

## Pupils In Room 14 Hear Talk By Mrs. R. C. Couch, Sr.

Members of the program committee in Room 14 of Haskell Elementary School invited Mrs. R. C. Couch, Sr., to visit their room and make a talk.

Addie May Brown, fourth grade student in Room 14, is our reporter for the week and here is her story of the program:

"Mrs. R. C. Couch, Sr., was invited by Room 14 to be our guest speaker. She came Wednesday afternoon and told us about parks and summer vacation trips. When she had finished she asked if we had some questions. All of us did. We enjoyed her very much.

"We invited as our visiting speaker Friday, May 20, Mr. Jetty V. Clare, to tell us about printing a newspaper."

## BRIEFLY TOLD NEWS

### ABOUT PEOPLE YOU KNOW

Among visitors here for the Rice Springs Roundup were Mr. and Mrs. Thomas Sadler and children, and Mr. and Mrs. Foye McKinnon of Fort Worth. Mr. Sadler, former Haskell businessman, was a contestant in the roping events of the Roundup. Mrs. Lena Sadler of Rule accompanied her son and family to Fort Worth and will spend several days in their home.

Mr. and Mrs. Ronnie Gilbreath of Stanton visited relatives and friends here during the week end.

Mr. and Mrs. A. C. Pierson were in Fort Worth the first of the week where they attended the annual convention of the Texas Bankers Association. Mr. Pierson, president of the Haskell National Bank, is president of the Seventh District of the state bankers organization.

Mr. and Mrs. Jetty V. Clare spent Sunday in Coleman, where they visited Mrs. Clare's mother, Mrs. W. R. Hinds in the home of Mr. and Mrs. R. C. Hinds of that city.

Mrs. J. C. (Dude) Montgomery of the Scott Ranch suffered a painful accident one day last week, when she turned her ankle and fractured several bones in her right foot. Although the injury is mending nicely, Mrs. Montgomery is finding it rather inconvenient getting around on crutches. Mr. Montgomery is manager of the Scott Ranch.

New arrival in the home of Mr. and Mrs. Sid Davis is little Cynthia Beth, born Friday, May 13 in the Haskell County Hospital. The Davises' have another daughter, Mollie Clare. On her arrival, Cynthia Beth weighed seven pounds, eight ounces. She arrived just at the right time to accompany the Davis family to their new home in Tempe, Ariz., where Sid is taking up his work as State Student Director for the Baptist General Convention of Arizona. He has been serving as associate pastor of the First Baptist Church here.

Mr. and Mrs. C. C. Mason of Colorado were guests in the home of Mr. and Mrs. John P. Payne Tuesday night. Mr. Mason owns and operates a ranch northeast of Denver, and he and Mrs. Mason were returning home after a visit with relatives and friends in San Angelo. The Colorado rancher and the Haskell man were together in the Army during the first World War, and both received commissions at the First Officers' Training Camp at Leon Springs. Later, the two officers went overseas together, and Mason was commanding officer of the unit to which the Haskell man was assigned.

Among Haskell merchants attending the Men's Merchandise Market in Dallas the first of the week were Mrs. Claud Wheatley and Mrs. Eva Speer of Wheatley's Store, Mr. and Mrs. Viars Felker of Lane-Felker's men department, and E. C. (Gene) Hunter of Hunter Men's Wear.

Mrs. Mary E. Thomas and daughter, Ilena of this city had as guests in their home last week end Mrs. C. W. Johnson and daughter, Deborah of Fresno, Calif. Mrs. Ruby Konen of Los Angeles, Calif., Mrs. Ora Wallick, Mrs. Lorene Wehrs and Mrs. J. D. Snodgrass of Abilene.

Guests in the home of Mr. and Mrs. Sterling Edwards during last week were Mrs. Edward's sister and brother-in-law, Mr. and Mrs. R. E. Lee and daughter, Mrs. Frankie Conly and two grandchildren, Kathy and Glenn of Farmington, N. M., and Mr. and Mrs. W. E. Grant and children, Lou and Leon of Levelland. Also visiting in the Edwards home were Mr. and Mrs. Edwin Roberts and Eddie, Mr. and Mrs. Earl Roberts, Mrs. J. L. Read, Sr., and Mrs. Milton Gilbreath, of Abilene, and Mrs. Artie Bradley of this city.

### FOURTEEN COUNTIES FREE OF TRAFFIC DEATHS IN 1954

Austin—Fourteen Texas counties had no traffic deaths in 1954: Briscoe, Coleman, Crane, Franklin, Jeff Davis, Kent, Lipscomb, Loving, McMullen, Reagan, San Saba, Somervell, Terry and Zapata. Lipscomb and Reagan Counties have gone 2 years without a traffic death and Loving County has not had a traffic death since 1945.

## Many Exciting Things Being Crowded Into Final Days of Elementary School

(Special)  
 As the tingle of the last bell of the school year is heard in the distance, it seems that everyone is trying to crowd in just as many things as possible. Sight-seeing trips to Abilene, with a train ride to Baird and back to Abilene seems to capture the spotlight. The children return from the trips exhausted but tell exciting incidents which made the trip worthwhile.

None of the first and second grades have ventured so far but from the number of room mothers which are being seen in afternoon meetings, one knows that something unusually nice must be in store for these boys and girls.

Achievement tests were given to every boy and girl from the second through the fifth grades this week. These are so helpful to the teacher and pupil and every parent should be interested in the outcome of these as the scores can be compared with the National Norm. The individual pupil's rate of progress for the year is also measured.

It is very interesting to walk down the hall and note the various activities going on in the rooms. An interesting study on Mexico has been conducted in one room. Some very educational exhibits have been displayed. There are some circus units in progress. The rooms are attractively decorated with clowns and wild animals.

Come spring, come insects. The children have brought a variety to school. They prove to be worthwhile as the children search in reference books to learn more about the habits of the species which they exhibit. Some very attractive drawings of the insects are on display.

Another group completed a farm unit this week. Stories were made and illustrated by the children about the farm. A farm dictionary was made and used by all. The farmer became so important that most of the class are hoping to be farmers. As a culminating activity of the unit, milk was brought to school, the children watched it turn to clabber, then they spent much time churning the milk in fruit jars to make butter. How thrilling to watch the butter grow into "big butter" as they expressed it.

A program in which "The Little Red Hen" was dramatized, some songs sung, and the story of the planting of corn dramatized for all the first grade and the kindergarten boys and girls was presented Thursday.

The visitors were then served the "real" butter on crackers with fruit punch. The children wrote the invitations and planned the entertainment. They had fun and all have a deeper appreciation of the farmer and what he contributes to all the community.

With the closing of school so near, another tradition presents itself. That exciting, matched baseball game between the mothers and teachers will be played on Indian Field Monday evening at 8 o'clock.

A lot of fun plus many amusing errors await you. There will be plenty of good sandwiches, cold drinks and candy. Eat your evening meal out under the stars and enjoy being with the crowd. We shall be looking for you and you!

As the school year draws to a close, one looks back with re-

## Warm Weather Puts Egg Quality On The Skids

College Station — Warmer weather can put egg quality on the skids unless producers take a few precautions, warns County Agent F. W. Martin.

High temperatures and low humidity are two of the greatest enemies of good egg quality. For producers who sell on grade, a drop in quality means lower prices. Sold ungraded, a drop in quality means decreased consumer demand.

Keep the eggs clean, Martin says. Use dry, clean nesting materials and keep the birds confined on wet days to avoid mud-tracked nests.

Step up the number of times each day eggs are gathered, preferably to two or three times daily. A wire basket allows air to circulate quickly, carrying off the heat.

Store eggs in a cool, humid but well ventilated place. And market regularly and frequently. Martin points out that Grade A eggs become inedible in 3 days at 98 degrees, but usually will remain Grade A for about 5 months if held just above freezing.

## FARM ROAD TRAFFIC DEATHS INCREASE

Austin—In 1954 on Texas Farm to Market roads there were 176 fatal accidents killing 210 people. These were increases of 23% in fatal accidents and 33 per cent in deaths over 1953 when there were 143 fatal accidents killing 158 people.

### Are You Paying For The Careless Habits Of Someone Else?

Insurance premiums are increased as the number of accidents or the number of fire losses increase. So if you pay the usual maximum insurance premiums, you are paying for the mistakes of the reckless driver or the person who is careless with fire.

There is a brighter side to the picture. You do not have to pay for the other person's carelessness. Some companies can offer you cheaper insurance, because they do not insure property for people who are habitually careless. They actually pay their policy holders for being careful, and that cuts down the insurance cost a lot.

The companies represented by the Holt-Barfield Agency have returned savings to policy holders amounting to more than \$25,000,000. Some are currently paying back one-fifth of the premium to their policy holders.

If you would like to have this saving on your insurance, pick up your telephone and call 258 or go by Holt-Barfield Agency. Paid Adv.

### CARD OF THANKS

Mrs. Gus Kretschmer and family wish to express their sincere appreciation to everyone who was so kind and sympathetic during the dark hour of our bereavement in the loss of our beloved husband and father, Gus Kretschmer. We thank you for the beautiful flowers and the food that was prepared and served. Pastor Gaskamp for his heartfelt words of kindness, Dr. Williams and Dr. Thigpen, Holden's Funeral Home for the faithful service. May God's richest blessings abide with each of you in our prayer. We thank God that He has blessed us all.

### Guar Profitable Crop for Haskell County Farmers

Several Haskell County farmers give their experiences growing guar in the June issue of the Progressive Farmer magazine.

Albert Zelisko compares his 1954 guar crop with maize. Both crops were grown on a very

heavy soil with extremely light rainfall. He got 300 pounds of guar seed per acre for which he got \$3.25 per hundred. His yield of maize was a little less than 100 pounds per acre with market value much less.

Norman Nanny had a yield of 265 pounds of guar seed per acre on 15 acres. He had only 1-2 inch rainfall during the growing season. His neighbor, V. W. Meadors, got the same yield per acre off 100 acres of field did not head Alfons Peiser made a 200 pound maize crop. He is these crops to book ground guar beans ground maize.

**Willow Cemetery Endowment Trust Report Lists \$6,900 Receipts During Year**

Annual audit of the Willow Cemetery Endowment Trust, made April 17, 1955, lists 54 endowments made during the year, amounting to a total of \$6,900 which went into the Trust's special fund.  
 In the general fund, an increase of \$1,000 in the amount of bonds owned was shown, with the total now being \$9,000.  
 Interest received since the last audit was listed at \$924.25, and this sum was paid to the Haskell Cemetery Association.  
 In the special fund, cash on hand in the Haskell National Bank at last report was \$1,200; bonds previously reported and approved \$32,000; and cash received on 54 endowments since last report, \$6,900, to make a total of \$40,100.  
 In addition to the \$32,000 bonds previously reported, an additional purchase of \$8,000 in bonds was made during the year, leaving \$100 cash on hand for a balance of \$40,100.  
 Total bonds owned, both funds, and cash on hand amounted to \$49,100, bonds amounting to \$9,000 being credited to the general fund.

Endowments sold since the 1954 report and audit were listed as follows:

**Hottest news in Hardtops is the 4-Door Riviera**

Why take anything less than the sensation of the year?

When you learn what's been done in the automobile pictured here, you can easily see why beauty is winning rave notices coast to coast. Engineers took the hardtop body design that has been growing tremendously in popularity over the last six years—and gave it four doors instead of two.

Be sure—to all outward appearances. You took a brand-new kind of body with wholly new structural principles to do it—to bring this awaited new kind of automobile to the public in big numbers and at popular prices.

It is a true hardtop—with the sleek and racy lines of a Convertible, because there are no center posts or window areas on either side.

Now it has front doors for the front-seat passenger and rear doors for the rear-seat passengers. Room increased to the size of a full Sedan.

Some special kind of engineering magic, you can be sure, to hinge all four doors at their hinges for greater safety, and more ease of opening and exiting.)

**COMFORT FOR HOT WEATHER DRIVING WITH Buick's Airconditioner**  
 (A genuine Frigidaire)  
 It cools down the hot car—and keeps it cool, even when moving traffic. Commish inside air with filtered outside air. In clean, quiet comfort with windows closed on dusty, windy, and rainy days, even when cooling is not required. Available in all 4-door Sedans and Riviera models at extra cost—and well worth it in cool, cool comfort.

**HOTTEST NEWS IN AUTOMATIC DRIVES IS VARIABLE PITCH DYNAFLOW**

It's the world's first transmission with the switch-pitch principle of the modern airplane's variable pitch propeller. You get better gas mileage in cruising. You switch the pitch just by pressing the gas pedal—and get lightning-like response for getaway, or for a sudden safety-surge of accelerating power. It's the performance thrill of the year. Standard on ROADMASTER, optional on other Series at no more extra cost than earlier versions of this wonder drive.

So it looks like Buick has scooped the industry again—and come up with the hottest news in hardtops since Buick originated the first two-door hardtop six years ago.

And you can have it now—in the low-price SPECIAL or the supremely-powered CENTURY—and either one at the modest extra cost of a 4-door model over a 2-door.

Drop in on us today—this week, for sure—and see how easily and how quickly one can be yours.

### Paymaster 54 Cotton Makes Highest Yield

Paymaster 54, Hi-Bred, Lockett Stormproof No. 1 and Deltapine TPSA were the high yielding cotton varieties in 5-year tests conducted at the Texas Agricultural Experiment Station at Iowa Park, according to a report released Friday by L. E. Brooks, superintendent.

In 1954, only Paymaster 54, among these varieties, ranked in the top yield group, Brooks said.

A comparable average over several years is more reliable in determining potential yield than the results of any one season, he said.

In the 1954 test in Wichita County Paymaster 54 produced 618 pounds of lint cotton to the acre. Floyd 8G variety was the next highest with a yield of 552 pounds of lint to the acre.

Western Stormproof had a yield of 536 pounds of lint and Northern Star, one of the most popular varieties in the area, produced 497 pounds of lint in the Iowa Park test.

Deltapine TPSA was fifth in production with one pound less lint to the acre than Northern Star. All five of the leading producers graded strict middling. Paymaster 54 produced a staple length 1-32nd of inch longer than Floyd 8G, Western Stormproof

and Northern Star an 1-16th of an inch longer than Deltapine TPSA. Paymaster 54's staple was 31-32nd of an inch.

The first three varieties of cotton had about the same size mature bolls. It took 87 mature Paymaster 54 bolls a produce lb., 80 Floyd 8G, 82 Western Stormproof, and 78 Northern Star. Deltapine required 92 bolls to produce a pound of seed cotton.

Paymaster 54 also averaged the earliest maturity date with 93 per cent of the crop matured in 116 days. Next earliest was Deltapine TUSA with 79 per cent matured in 116 days.

In the five year tests, conducted from 1949 through 1954, exclusive of 1950, Paymaster 54 produced an average of 545 lbs. of lint per acre. Hi-Bred yield was 493 pounds, Lockett Stormproof No. 1, 475 pounds and Deltapine TPSA, 455 pounds.

Highest annual yield of any of these four varieties was in 1949 when Lockett Stormproof No. 1 outstripped them all with an average of 807 pounds of lint to the acre. Paymaster 54 was next with 804 pounds.

In 1951 all varieties produced their lowest yield during the testing period. Paymaster 54 topped them all with only 381 pounds of lint to the acre. Hi-Bred was next with 361 pounds of lint to the acre. Hi-Bred was not included in the 1954 tests when Paymaster 54 produced 618 lbs. of lint to the acre with Deltapine TPSA second with 496 pounds.

In summarizing the results of the tests, Brooks points out that the difference in yield between any two varieties must equal or exceed 85 pounds to give odds of 19 to 1 that such difference is real and not due to chance.

The Amazon River has an entrance about two hundred miles wide.

### Cattle Stronger On Fort Worth Market Monday

Fort Worth—Rains and threats of rains strengthened the hands of cattle producers in the Southwest and prices were strong to 50c higher on most kinds at Fort Worth Monday.

Cows, slaughter calves and stocker and feeder cattle and calves were in the forefront of the advances. Contrary to the usual Monday trade, the movement was fairly active as order buyers, shippers and independent packer buyers showed their strength early in the day and had cattle crossing the scales shortly after the starting siren wailed.

Fed beef cattle were in small supply and cleared at firm prices. Bulls also held well up last week's strong close. Some fed cattle topped at \$23 to \$23.50, those at the higher figure from McClung Land and Cattle Co., Johnson County, averaged under 1,000 pounds. A load of choice fed steers from Clint averaged 1,107 and topped at \$23 and were sent to Fort Worth by Paul C. Davidson. Grassy steers, yearlings and heifers bulked at \$13 to \$18, some rannahs below that range.

Fat cows sold from \$11 to \$13.50 and some very fat old registered cows at \$13 to \$13.50, some of their younger mates in choice butcher flesh to \$14.50. Cannons and cullers bulked at \$6.50 to \$11. Bulls mostly \$10 to \$14, some above or below that.

Good and choice slaughter calves cashed at \$16 to \$21, while plain and medium butcher sorts sold from \$12 to \$16 and culls drew \$9 to \$11.

Good and choice stocker steer calves cashed at \$18 to \$22, the higher figure for load of choice steer calves from J. R. Condon of Clay County. These steer calves at \$22 and their heifer mates cashed at \$19, and a \$3 spread between steers and stocker or heifer calves was generally the rule. Stocker yearlings drew \$21 down, and older replacement steers sold from \$20 down. Some stocker cows went back to the country at \$7 to \$12.

Top hogs scored \$17.50-\$17.75 Monday and some sows staged a good rally. The first time sows have shown strength in some weeks. Sows drew \$10 to \$14.

### Drowning Deaths Running Ahead Of Last Year

The number of drowning fatalities in Texas streams and lakes is running far ahead of last year.

"Folks can't afford to forget their rules for water safety," cautions the Texas Farm and Ranch Safety Committee. "The opening of swimming pools, along with the call of the streams, rivers and lakes, places added impetus on the necessity of safety in the water."

Of the 80,000,000 people who are expected to go for a swim this year, some 7,000 will drown. Many drownings are caused by over-confidence, the committee says. "Too often, people who have little swimming knowledge venture into deep water to show off their partially-developed skills and end up in trouble."

Select a safe place for swimming, preferably one supervised by a life guard, the committee advises.
